To the Hon James A. Laughlin

Your petitioner respectfully represents that at the last term of this Court held in July last she made application for a final settlement of said estate at the present term but owing to the fact that the personal assets of said estate have proved insufficient to pay the debts of said Estate and owing to litigation pending against said estate in the District Court, which is yet undetermined the real estate thereof cannot be disposed of towards paying the debts of said estate nor any order of sale applied for until the litigation referred to can be completed, which will be done at the November A.D. 1881 Term of the District Court, and your petitioner would therefore ask that final settlements in said estate be deferred until the same can be lawfully had
