LITTLE LOCAL ITEMS

MATTERS OF INTEREST TO THE PEOPLE OF THE COMMUNITY

Mrs. W. C. McIvers was in town on Wednesday attending a meeting of the Michigan and New Mexico Mining and Milling Co., of which she is a heavy stock holder.

Every man who wishes to vote in the coming election must be registered to be able to do so. The registration books are open and will be until Saturday' October 24th. If you vote in Precinct No. 14 go to The Trading Co's. store or to The News office and get registered. Don't delay longer.

Mine Host Gurney, of the Railroad Hotel is somewhat indisposed owing to an acute attack of muscular rheumatism.

Chas. Peoples, who shot himself in the leg about ten days ago, is still hobbling around with the aid of canes, but is somewhat improved.

Frank E. Theurer returned on Tuesday night from a trip into the Oscuro mountains where he had been for a couple of weeks on a business trip. Frank is interested in some fine mining propositions down there and has some very prominent people associated with him.

The annual meeting of the stock holders and directors of the Michigan and New Mexico Mining Co. was held at the law offices of Barber and Gierke on Wednesday afternoon of this week. Officers for the ensuing year were chosen, the following being the personnel: President, Wm. F. A. Gierke; Vice President, Charles W. Jarvis; Secretary, Henry H. Meldon and Treasurer, Joseph Mitchell.

J. R. Collins, the traveling photographer has just recently arrived in town and is now ready and prepared to do any and all kinds of photo work. His work is up to the highest merit and compares favorably with work done in the city galleries. Mr. Collins is also prepared to do copying and Kodak developing. He has his tent located near Skinners Feed Store, and invites all to call, guaranteeing perfect satisfaction to one and all.

Mrs. E. D. Fred is anticipating the arrival of her friend, Mrs. Mary Baird, of Stroudsburg, Pa., in a week or two. Mrs. Baird will spend the winter here.

Mr. and Mrs. H. W. Hamilton and two sons, and Miss Brownie Coble, of Lincoln spent a day or two with Mr. and Mrs. Ira O. Wetmore during the past week.

Attorney Hamilton, of Lincoln, was through here on his way to Alamogordo one day this week.

Mrs. Ira O. Wetmore was in Alamogordo one day last week.

Manager Barlow, of the Vera Cruz mines was in town on business on last Tuesday.

Sol Weinen, of White Oaks, was through here on his way to Alamogordo on Tuesday. At Alamo he will meet a party from El Paso who is bringing him up a new Reo Automobile.

Mr. and Mrs. Dr. T. W. Watson retuned to their home at Lincoln on Tuesday. Mrs. Watson had been visiting here with friends while the Doctor was campaining in this part of the county.

Weather permitting (and it generally does in this glorious climate) quite a number of Carrizozo young people will attend a big dance at White Oaks tonight.

Geo. Ulrick left on No.3 on last Tuesday for El Paso.

There was "a hot time in the old town" at Corona last Saturday. All the candidates on both county tickets were in town electioneering while the voters were attending the school bond election. There was much good natured rivaly and earnest button-holing of voters but no unpleasant argument nor strife arose during the whole day. Much fun and good natured raillery were indulged in and candidates vied with one another in courteous treatment of opponents.

The roads of Lincoln County certainly need some attention. The Commissioners continue in the matter of laying out roads and then neglecting to put them in condition for travel or repairing them when washed out. Some of these fine days or nights a team or load will be injured or a life lost on a neglected county road. The damage due from the county will be no small item. An ounce of prevention is worth a pound of cure.

Corona voted bonds for $10,000 on the 10th instant to build a school house. The scheme carried by nearly two to one. The crown city does not propose to be behind her sisters in educational facilities.

Guardi Riggles and Dr. Watson drove up to White Oaks last Sunday.

Nabor Ortiz candidate for commissioner, has been ocupied for several days in shipping sheep at Vaughn. He was delayed waiting for cars.

The cesspool system of sewerage prevails at Alamogordo. This consists in digging down to the first stratum of dry gravel, covering this pit securely and turning the sewerage in through trapped pipes. The stratum that is generally used lies at a depth of about thirty-five to fifty feet. In digging a new cesspool at the court house there recently water was struck at thirty-five feet and the work stopped.

Chas. Stokes took a flying trip to the country to inspect a bunch of goats last Tuesday.

The Andrews Statehood bill now pending in Congress gives to New Mexico $50,00.00 for public schools in the new state.

A vote for Andrews is a vote for the schools.

A consumptive who spits on the floor of a public bulding is guilty of criminal carelessness. He endangers life. As nobody knows who has tuberculosis the law provides a penalty for spitting by anyone. Prosecute him every time is the right thing to do. Stamp out the great White Plague.

Every dairy cow should be examined for tuberculosis. Twenty-five per cent of them have the disease. Beware of milk from consumptive cows.

Bob Hurt was taken for Father —— of Puerto de Luna by conductor Martin the other night and came pretty near getting through on half fare. But the con's keen ear detected a slight difference in the voice and he had him show his ticket. This however, did not affect our next assessor so much as it did to have the eagle eyed knight of the rail spot him for a democrat and sit down to show him the danger to the sheep industry if Bryan's partyswin.

Miss Gertrude Kelly returned last Sunday morning from the Irrigation Congress at Albuquerque, where she had been for the past week.

Syl Anderson, County Superintendent of Schools, was down from Lincoln the first of the week.

Attorney George B. Barber, of Lincoln was in Carrizozo on business for a few days during the week.

Mr. Anton Slefsgard, representing the Home offices of the Iowa and New Meixco Mining and Milling Co. has been in this community fo some time past and was in El Paso during the present week.

This is the company that is developing the Sheeleyville mines and while they are now just doing development work, they have some fine prospects, and are anticipating working on an elaborate sale.

They now have a shaft down 247 feet and are going on down to a 500 foot level. The contract has been let for the building of the houses and other buildings, and the active working of the mine would have been commenced before this had not the death of the President of the company, Mr. H. B. White interfered with arrangements.

Mr. Slefsgard's visit to El Paso this week was for the purpose of purchasing new machinery and it won't be long until Sheeleyville will be booming.

OSCURO ITEMS

E. G. Rafferty is laying a Portland cement floor in his mal pais rock building.

E. F. Jones has an irrigation plant that is a model of economy and efficiency. With a gasoline engine he pumps about twenty-five gallons a minuet, using about two gallons of gasoline a day. He raises fine flowers, sweet potatoes, cantaloupes, corn and all garden vegetables in abundance. The frost has not touched his sweet potato vines yet.

C. V. Edwards has the neatest store building in the county. It is built of cement blocks and is a "Jim Dandy."

One good reason for supporting Andrews is because he has ability. All he has to do is to show desire. Larrazolo not only needs to evidence that same desire, but has yet to evidence the first symtoms of anything akin to ability. — Carrizozo Outlook.

We dont quite comprehend the ability you speak of. You certainly don't mean to say that he has ability other than that of a shewd politician. As to his desires, if all he has to show them, he certainly ought to get them in line with the desires of the people of this territory. Larrazolo is an ambitious fellow, and we believe would do something for the people if he can have an opportunity. He is recognized as the best lawyer in the territory, which one fact alone, sets forth his congressional timber. Aside from this he is a courteous and refind gentleman, and an accomplished orator, and there are no "bad tales" connected with his past career.— Tucumcari Sun.

At your failure to diagnose just what we mean in speaking of Mr. Andrews' ability we wont attempt to have you burden your mind. Every fairminded person in the Territory knows. Whether it is shrewdness as a politician or desire to lead, the difference is but little, and the fact still remains that Senator Andrews has done mbre good work as Representative to Congress than any one we have ever sent there from this territory. As to getting his desires in line with the desires of the people we would like to have the Sun inform us whether or not the various appropriations he has secured for us were in accord with such desires. His commendable actions are too numerous to specify singly and the Sun surley ought to get informed a little if it doesn't know of them. We are dead sure Larrazolo is an ambitious individual, but are skeptic on the matter of believing him capable of doing very much in behalf of his constituents in case of his election. Where, oh where does the "Brilliant Orb" find authority in crowning the "Noisy Spaniard" as the best deciple of Blackstone we have in the Territory? Hark, ye little fishes who are seeking honors as legal selfolats, Go ye to the sanctum of this great wise man. Immitate his doings. Minic his actions. Copy his style. Absorb wisdom from his lips. He has you tagged and is wearing the leather medal, embossed with the monogram, "I am the Great I am." And supposing he is a "courteous and refined gentleman, and an accomplished orator," where is there a slick longued, oily, politician, who is seeking honors at the hands of the people, who has not first mastered these little necessary subterfuges to hide behind? You might, also, have added that he was of chamelon nationality, and had been at Ojo Caliente, has claimed to have been robbed of election two pears ago, was a Noble Spaniard, etc, etc. Of course all these things have been said by others, but then so has all your other stuff except that gag about him being the "best ever" at law. And about those "bad tales" the Sun speaks of Larrazolo being so clear of Why scouldn't he be clean? He never done anything to attract attention to him and never made a record of any kind to criticise nor tell bad tales about. You couldn't tell anything very bad on a Fiji Islander were he to come over here and run for Delegate either, but we suppose the Democrats would run him on that account, especially if he was able to shout real loud and make interesting gestures.

Lincoln county will in the next few days have the honor of a visit from Delegate to Congress Wm. H. Andrews, Governor George Curry, and other prominent Republicans who are touring the territory in the interest of the candidacy of Mr. Andrews for re-election. As has been advertised this party of celebrities will reach Carrizozo on Sunday morning at an early hour and be driven in carriages to Lincoln the same day. Lincoln will entertain the party Suhday night and on Monday a massive out-of-doors meeting will be held in the court house yard. Prominent speakers, who are conversant with the political issues of the day will address the people and quite a large crowd is anticipated. Monday afternoon Mr. Andrews and his associates will drive to Capitan and in the afternoon at 3 o'clock will hold another speaking.

After the meeting at Capitan the body will board the train and return to Carrizozo for supper and at 8 o'clock Monday night a rally will be held here.

As this will be the only opportunity the people of Lincoln county will have of hearing the Republican leaders before the election an immense crowd is expected and will doubtless be on hand.

Practically the same speakers that will be here next week have just finished a tour of the northern and eastern counties of the territory and the reports of success attending these meetings are truly encouraging from the Republican point of view] Lincoln county, normally Republican, will be found giving Mr. Andrews a neat majority this year and the success of most of the county ticket seems to assured.

The line of argument that is put up by the Drmocrats in support of Larrazolo is about as effective as trying to carry water in a sieve. They persist day in and day out in disparaging the work done by Delegate Andrews and attacking his personal honesty, thet of his friends and spending all their time in "knocking" Andrews, and little time "boosting" the "Noisy Spaniard." This is, of course, the only line of battle they can avail themselves of, as Larrazolo has never done anything commendable, hence furnishes but little to eloborate on. The Democratic spellbinders are really entitled to the sympathy of the people, for what is harder work than making butter from skimmed milk, and that is about what they have to do to when they look for commendable actions in the past life of Larazolo. But while it is a fact that their nominees past has been so prosiac, it is no just reason for their slanderous and infamous attacks upon the Republican nominee. Their lies and their accusations will not them nothing. The public is tired of such methods of campaigning and will turn a disgusted ear to such utterances.

The success of the Republican county ticket seems very probable and the election of such ticket is really expected. A campaign such as is being conducted by the local Republican candidates, is, when worked in the interest of such efficient men as compose this ticket, sure to be beneficial. The personnel of every nominee is above reproach and the more they become known the more probable their election.

This is the time of year when the Editor's desk is covered with various brands of cigars and candidates cards.

RESTORATION TO ENTRY OF LANDS IN NATIONAL FOREST

Notice is hereby given that the lands described below, embracing 686.34 acres, within the Lincoln National Forest, New Mexico, will be subject to settlement and entry under the provisions of the homestead laws of the United States and the act of June 11, 1906 (34 Stat., 233), at the United States land office at Roswell N. If you are a voter in this county and desirous of seeing a good set of officers in charge of its affairs, you should vote the Straight Republican Ticket. Investigate the official record of the Democratic nominees for some of the offices. A clear, clean record will bear scrutiny. Some of the other kind will be found if you look for them. Don't let party lines allow you to violate your better judgment. Vote your convictions, and vote for the man, regardless of party.
