## Ruidoso Roundup

By Mary Nell

"Do you know what Halloween is?" asked Charlie Culver, and then answered the question as follows: "Halloween is the evening preceding All Saint's Day; the evening of October 31st. In many countries Halloween is traditionally devoted to merry making, with playful ceremonies and charms to discover future husbands or wives." The Halloween merry making in Ruidoso Monday night will take place at the gym where the high school is sponsoring a big dance and party for everyone.

Denny Davis wishes to warn all business houses to beware of checks signed by "You Are Stung" and "You Are Easy", they seem to be floating around, in his place of business anyway.

—★—

Emmett Reese, "Happy Graves" and R. K. Knox took off Tuesday morning after their "bear", there have been lots of stories into mountains the past week, but I'll be darned if anyone has even seen one of the big furry animals, much less brought one in.

—★—

Walt Crosby came into the office the other day just a raving about standard equipment on the local golf course would have to be a gun from now on, when asked "why" he told his story. All summer there have been rumors of the many ravens flying over the golf course carrying off balls, and Walt had sorta laughed it off, until he got off about a 225 drive and as he came over the hill looking for his ball saw Oscar Samelson jumping up and down and screaming "Walt, look, look, look!" and he did look, just in time to see a big black raven flying off toward Cedar Creek with his brand new shiny white ball he had knocked 225 yards. His idea now is to course the thieves and see if he can find the cache of golf balls, it would really be a find.

—★—

Causing comment and excitement, the insurance rate reduction on much Ruidoso property, the Green Tree Minstrel planned for the night of November 4th, the football game at Capitan that afternoon, hunting season which opens November 10th, first visits to the Ruidoso-Hondo Valley General Hospital (until people go they don't realize what we have), activities of the White Mt. Sports Association of which Carmon Phillips is president, early snow on the mountains, freakish rains and hails, the beautiful color of the trees, bushes and shrubs on the hillsides down the valley (never more vivid than this year).

—★—

There is a lot of building going on around here, several new homes going up here, there and yonder, on the hillsides, in the flats, by the river, the construction of the new Presbyterian Church is progressing nicely, too.

—★—

Over on the grazing land side of Lincoln County the grama grass is higher than it has been in seven years, or so say the men like Barney Wilson who graze cattle, and the cattle is in beautiful shape. Many of the ranches have been shipping their stock out this month, too.

## Insurance Rates Reduced Here

The Village of Ruidoso "city dads," water department and volunteer fire department are all to be congratulated on the part they played in obtaining insurance rate reductions for Ruidoso which became effective October 24th.

These rate reductions will be felt to the greatest extent on business properties in the center of town. As an illustration one property in the downtown area up until this week carried a fire insurance rate of $2.09 per 100. The new rates which have just been published list it at only $1.13 per $100.

This information was contributed by Warren H. Barrett, insurance agent of Ruidoso, and J. P. Anderson, Albuquerque insurance man. Mr. Anderson also said, "Rates that are now effective are not retroactive but will apply to insurance that may be written under insurance rules. A rate reduction," Mr. Anderson further explains, "will apply in some cases in the insuring of dwellings but will be dependent on their location with regard to the Village limits and location of fire hydrants."

## Warriors Score 20-0 Against Hatch

The Ruidoso Warriors racked up their sixth win of the season last Friday in Hatch by a score of 20 to 0. Although out-weighed in the line, the smoothly-working Warrior offense was not to be denied after a scoreless first quarter. Early in the second period Wade Hedgecoke connected with a pass to Dave Parks from the Hatch 25 for the first TD.

They scored again in the third quarter after another pass to Herb Carter put the ball in scoring position. Hedgecoke rammed this one over from the five yard line. In the final quarter Dave Parks lofted a punt deep into Hatch territory and a jarring tackle separated the ball from the safety man. Hedgecoke, who made the tackle, also recovered the ball and two plays later scored again through the Hatch line.

Next Friday afternoon Nov. 4, the Warriors play their final game of the season in Capitan. Plans are being made for most of Ruidoso to be on hand for the contest.

The Parent-Teachers Association of the Ruidoso Grade School met Tuesday afternoon at 3:30 o'clock in the school for their regular monthly meeting. Mrs. Sally Reese presided as president.

The following were elected to office: Mrs. W. J. Hines, President; Mrs. Jim Pickering, Vice-president; Mrs. Betty Perry, Secretary; Mrs. June Harding, Parliamentarian.

The program, under the direction of Mrs. Marie Rooney, was presented by the Second and Third grades. Several songs were sung. Mr. Morris, School Supt., gave a talk on "School Money and Where it Goes."

## CELEBRATE HALLOWEEN At Hi School DANCE!

Everyone Invited

Everything is all set for the big Halloween masquerade and costume dance Monday night at the Ruidoso gymnasium. Ray Reed's Orchestra will play for dancing beginning at eight o'clock. The gym has been decorated by members of the High School P.-T. A. in the Halloween motif. Proceeds over expenses will go to the High School.

School officials have emphasized that although the dance is a costume affair, a costume and mask are not absolutely necessary. Young and old alike are invited to attend, and prizes will be given for the most unusual and attractive costumes.

Prices for the dance are $1.00 per couple, for adults, and 25c each for school children.

## Sports Ass'n. Annual Stockholders Meeting To Be Wednesday, Nov. 2

The officers of the White Mountain Sports Association, Inc., in a called meeting set the date for the Annual Stockholders meeting for Wednesday night, November 2, at 7:30 p. m. at the Navajo Lodge.

A policy of operation was also set up for the coming season. A new low rate for use of the two ski tows at Cedar Creek Ski Run was set at $1.00 per person. The old rate was $1.50.

The association has rented the building across the street from the White Mountain Grocery and will establish a Ski Headquarters there. Free coffee will be served on week-ends at the Headquarters and on week days when the tows are in operation. Free transportation will also be furnished skiiers from Ski Headquarters as well as from additional stops on the way to the run. These stops will probably be at the Navajo Lodge, The Ruidoso Club House and The Apache Village. This free transportation will hold scheduled runs to and from the ski run several times daily on week-ends when there is sufficient snow to operate the tows. Skis, poles and shoes will be available for rent at the Ski Headquarters. These items will also be for sale. There will be no rental of skis and poles at the run this year as it causes too much confusion in the shelter house. Coffee, sandwiches, candy, do-nuts, etc., will be on sale at the run at reasonable, established prices. The association will have someone at the run to instruct beginners in the fundamentals of skiing. Provisions have also been made to clear the road to the run when necessary.

When questioned regarding progress on the proposed White Mountain Park area, Carmon Phillips, president of the Association, replied, "Work on this area is progressing very, very well. The Forest Service has now made this area available for a winter sports area and we have secured permission from the Indian Reservation to make a preliminary survey for a route to the area. We are now making that survey. I can give you no further information at this time."

When asked what the outlook for Ruidoso's future as a winter resort was, Carmon smiled and replied, "Rosy—rosy! During the past month I have visited every major ski installation in the state and can say without hesitation that when the White Mountain Park area is opened, no other present installation in the state will stand a shadow to Ruidoso. Until that time the White Mountain Sports Association is determined to see to it that folks who come here to ski at Cedar Creek will go back home to tell others of the courteous service and the good time they had on a week-end of skiing in Ruidoso."

## C of C Sets Date For Annual Banquet

The Annual Ruidoso Chamber of Commerce Banquet will be held Monday night, November 28th, at 7:30 p.m., at the Navajo Lodge. The price will be $1.50 per person and tickets will be on sale at a later date.

This was decided Tuesday in a Board of Directors meeting held at the Chamber of Commerce office.

At this meeting, Harlan Williams, resigned as president of the organization and from the Board of Directors because he is leaving Ruidoso about November 1st.

Emmadaire Chase was elected to fill his place on the board until the annual meeting in October. Carmon Phillips was re-elected president until the annual meeting.

There are four places to be filled on the Board of Directors for the coming year. Three for three year terms and one for a two year term. Directors who will carry over are Bob Boyce, Orland Bonaguide, Carmon Phillips, Dr. W. D. Horton, and Oscar Samelson.

In order to expedite the election of new officers letters will be mailed soon to all members of the Chamber of Commerce giving a list of the members. Members will then be asked to vote for four from this list and mail their nominations back to the Chamber of Commerce. The four people receiving the highest vote will be the new directors. The three of the four receiving highest votes will be named for three year terms; the one receiving the lowest number of votes will go in for two years.

Of the daily thousands of motorists who drive through Apache Canyon, a few miles from Santa Fe, on Route—how many may be aware here fighting between Apaches and settlers occured continuously in the early 1850's.

The historic battleground, shown in "New Mexico, Past and Present", at the Pueblo Theatre, starting Sunday caused army heads of that period to establish forts nearby to keep the peace, according to Ted Jones, producer of the state scenic color film.

The film shows ruins of Fort Sumner, where thousands of Navajos, captured by the U. S. Army, were confined for five years. This event is among those Jones says he is studying for inclusion in his program of feature production he plans.

## GLENCOE NEWS

By SYDNEY BONNELL

The dance Thursday night—given for Bert Bonnell, who is leaving soon to spend the winter in southern Arizona, was well attended for such short notice. He decided to leave at once when Jack Frost began to snap around but the rains of the last few days has changed his plans, waiting for the sun to shine again. His near friends wanted to have a dance and express their good wishes and a pleasant winter in sunny Arizona, which is much appreciated.

Mr. Floyd Hartshorn and Mr. Speck of El Paso, visited us one day last week. Mr. Hartshorn is the plaster contractor that was here with his family and crew for some weeks, when Fort Stanton was being remodeled several years ago, and made many friends while here.

A very good friend was lost to us in the passing of Mr. George A. Titsworth and the crowd that was at the funeral Thursday proved he made many friends who will miss him. The service was at the Methodist Church and it was beautiful with many flowers. The girls choir sang, accompanied by male voices and Mrs. Louis Cummins at the piano. The Methodist minister of Capitan and Rev. Oldham of Tinnie conducted a very impressive service. Kelly's Funeral Home of Carrizozo was in charge of the funeral and the beautiful Masonic services was held at the grave. Many could not enter the church and a large crowd went to the cemetery. Our sympathy goes out to the family.

Dan Storm left Sunday for a visit with his father in Denver.

Our hearts were saddened when we heard of the sudden death of little Bobby Coe, five-year-old son of Mr. and Mrs. Harold Coe. He was sick only one day. About two weeks ago he fell and broke his wrist and had it in a cast. He was very brave and never complained of it paining him. Besides his parents he leaves to mourn him, two sisters, Joy Cherille and Judith Ann Coe and grandparents, Mrs. Rillie Coe of Tularosa, Mrs. Joy Bolin of Albuquerque, and Will Coe of Glencoe, several aunties, cousins and other relatives and friends. Rev. Lawson of Tularosa conducted the service and spoke comforting words. Mrs. Marie Rooney and Mrs. Samuelson sang and were accompanied by a very capable organist. Casket bearers were Clifford Casy, Bob Boyce, Pete Breece, and Orlando Montez. Burial was under the direction of Ballard Funeral Home of Roswell. Many beautiful flowers decorated the Chapel.

Miss Gladys Allison returned to Roswell, after a short vacation.

Mrs. Anne Titsworth and Nellie Ruth Lucas are expected home soon and we hear they are coming in a new Ford and all the trimmin's.

Frank Coe Boyce was seen around here for the week-end. Mr. and Mrs. Tom Rigsby are visiting in Fort Worth as yet.

Mr. and Mrs. W. B. Clark expect to return to El Paso this week.

## County Pioneer Passes Away

The late George A. Titsworth, sitting at his desk in the store in Capitan, where people have been used to seeing him for many years.

George A. Titsworth, who had been in retail and wholesale business in Capitan, N. M., for almost 49 years, a record among business men in New Mexico, passed away quietly in his sleep in the Titsworth family home in Capitan Tuesday morning, October 18th.

George Titsworth was born in Indiana. When he was 18 years old he moved to Colorado and went to work in the merchandising business. In 1901 he moved to Capitan, N. M.; and going into business there started him on the road to becoming one of the most successful old-time merchants in the State of New Mexico.

In addition to his mercantile business, as time went on he added to his holdings farms, ranches, and orchards through out Lincoln County.

In 1908 Mr. Titsworth was married to Mrs. Gussie Raidabaugh Lane in Socorro, N. M. Mrs. Titsworth is the one who found her husband had passed away in a calm and quiet way similar to his ways of living, Tuesday morning.

Besides his wife he is survived by their daughter, Mrs. Orland Wilson of Capitan, and two sons by a former marriage, George A., Jr., and Allen F. Titsworth; also a stepson, George A. Lane. Mr. Titsworth also is survived by one brother, Guy Titsworth of Woodworth, Kansas; one sister, Mrs. Sadie McMillan, nine grandchildren and other relatives including a nephew, Brank Titsworth of Tinnie.

Up until the time of his death his family came first with Mr. Titsworth, and then "business". He was never late to work, never stayed overtime during his lunch hour, and missed very few days during many years behind the desk in his office. He proved during his lifetime to be a stable businessman and substantial citizen of Capitan.

Funeral services were held in the Methodist Church of Capitan, Thursday afternoon, at 2 p. m. with Rev. O. L. Oldham, pastor of the Tinnie Baptist Church, in charge.

In 1891 Mr. Titsworth became a member of the Masonic Lodge and throughout the years had lived by the beliefs of this organization and was an active member for almost 60 years.

In view of this fact the Masonic Lodge of Carrizozo conducted the burial rites at the Capitan cemetery where Mr. Titsworth was buried.

People from all over Lincoln County and surrounding towns were there to pay last respects to the old-time business man of New Mexico.

Mrs. Grace Reed and Miss Gertrude Monahan tripped to Roswell during the week and were shoppers, both window and otherwise.

Mr. and Mrs. Roy Phillips, Mr. and Mrs. James McKnight and Mr. Lawrence Butler, all of Roswell, were Sunday night callers at the Ray Bakers.

W. Paul Johnson, brother of Mrs. Townsend, with his wife and children, Jo Ann and Paul, Jr., made the long trip from Winston, Georgia, for a few days visit with the Townsends. They took in the Grand Canyon the other day and will make trips to El Paso, Juarez, White Sands and Carlsbad Caverns whilst in this part of the country.

Billy Dale Brown was down here the other day for a "look-see" at his folks. Albuquerque and college seem to agree with Billy Dale.

Mrs. Carl Ness spent the week-end with her mother, Mrs. Gertrude Brye of Mesilla Park. It was the first time Linda had been seen by her maternal grandmother.

Myrtle and Gladys Lien as well as Ruth Roalkvam from the Veterans Hospital at Fargo, N. D., were visitors for several days with the Ray Bakers. The visitors are former nursing associates of Mrs. Baker.

Although not quite ready to run a foot race or dance the light fantastic, Mrs. Gladys Sutton is back on the job and will soon be back in circulation.

Last respects were paid to George A. Treworth at his last rites on Thursday at the Capitan Methodist Church and also at the graveyard service of the Masons, by a good many people from the Fort. Among those present were: Dr. and Mrs. Townsend, Mr. and Mrs. Morrell, Rev. Jules H. Molinie, Joe Gentry, Mr. and Mrs. Percy Parker, Mr. and Mrs. Dan Kusianovich, Mr. and Mrs. Wesley Young, Mr. and Mrs. Jim Howard, Mr. Percy Wiggs and a number of others.

Jero White week-ended at the Navajo Lodge in Ruidoso as the guest of his sister, Ethlyn, and her husband, Jake Agnew.

Mr. and Mrs. Mariona Trujillo with their children, Emilio and Nassaria, of Monticello, N. M., and also Mr. and Mrs. Villado Torres of Central, N. M., came over for a visit with the family of Mr. and Mrs. Ralph Montoya. Primarily coming over to see the Montoyas' baby, they had a nice time with all the Montoyas.

Stopped for a very short visit with the Bert Bonnells the other night, would have liked to have stayed longer but the chauffeur was in a hurry to get back here.

The rainy weather on Saturday "stymied" quite a few plans for going away for the week-end by a number of the folks here.

Dr. and Mrs. David Cooper are back from their trip to San Francisco and the convention of the American Dental Society. New Mexico did itself proud in having the new president of the dental group from Artesia, Dr. J. J. Clarke.

It looks as if there will be a capacity crowd attending the Ruidoso-Capitan football game on Friday, November 4th. Both sides are pointing for this game and it should be a good one.

Mrs. Sam Specter, the former Miss Carolyn Everett, who was stationed here during the early 1940s, paid a call on the Misses White and Page. Mrs. Specter now resides at Mobile, Alabama.

Mr. and Mrs. Leo Payman, accompanied by Nancy, went to El Paso for the week-end. Nancy not being present, there was no music at the Catholic Chapel on Sunday.

Guns are coming out and are being readied for the coming hunting season. The many fine gifts offered by the Lincoln County merchants are certainly incentive enough for most anyone to go out and try and get the biggest buck. So don't forget to register at your favorite store. Don't forget the Capitan Lions Club rifle offer.

Seeing the name of Frank C. Boyce in the San Patricio column reminds me that I call him the "promising young attorney." Can't quite remember if he promised to help me out in the event of my getting in trouble or that he'd try to get them to throw away the key. Anyway, Buddy is a mighty nice young fellow, even if he is a lawyer.

The Dangerous Decorum Club held their monthly dance at the Casa Bonita on Saturday night. Those who missed this event can be assured that the coming ones will be bigger and better than ever. Good time, good dancing, good fellowship, good in every way.

Several of the fellows from here and Louis Spain "Chewed With A View" at the Knob Hill Restaurant the other evening. The meal was excellent and the view certainly did more than measure up to expectations. The welcome one is given makes one at least a couple of inches taller in height and the food makes one a couple of inches deeper at the waistline. Be sure to give yourself a treat real soon. Go and "Chew with a view."

Plans are being made by Ye Editor for a gabfest and meal at the expense of Louis Spain, publisher of The Ruidoso News. Gosh! this should be good and I'm hoping the meal will be served about nine miles from the Fort. The Greeks say, "Caveat emptor," but I say, "Let the correspondents beware!"

This will be the first time in many weeks that I have not been able to send in a new subscription. Anyone reading this and wishing to get "the best tabloid weekly printed by the letterpress method" just get in touch with me and your paper will come a'wingin'.

Little Diane Shaw had a birthday party on Sunday. There were five candles for her to blow out and she did just that the first try. Many of her little friends attended the festivities and all had a real good time.

On Saturday morning I saw a football card showing Rice over Texas, S. M. U. over Kentucky, L. S. U. over North Carolina, and to top it off, Michigan over Minnesota. That is what I call 'pickin'. I am not at liberty to give the picker's name, but he sure did good on the major upsets of the day, thereby confounding the experts. This could be an answer to Edna Shields of the Mescalero Column about the other than baseball talking. Oh yes, some of the boys are already getting lined up for the basketball season.

Father Molinie was in Albuquerque to attend the Conference of Catholic clergy on Tuesday.

November 4th will be a banner day in Capitan: Ruidoso-Capitan football game; Woman's Club play, "Sophronia's Wedding" a really hilarious, witty and engaging vehicle and well worth seeing by young and old, and if there are not any of the latter folks, why it's for everyone.

## Board For Youth Center Meets

A meeting of the Board of Directors of the Ruidoso Youth Center, a project sponsored through the Lions Club, held a meeting October 18th with temporary board members W. A. Hart, Ray Dill, Lynn Butler, Al Vaughn, Ezell Clarke, Paul Douglas, and A. J. Gates present.

During this meeting the decision was made to increase the number of board members to fourteen and those who have been asked to serve are Dick Ratliff, Mrs. Bernard Rooney, Orland Bonaguide, Mrs. Frances Rogers, Mrs. Jim Hale, and Mrs. Jess Harris. Mrs. Ezell Clarke will act as secretary for the group.

The above named fourteen will serve until the regular election of officers in January.

The proposed Youth Center will be managed by a regular board elected under corporate laws of the State of New Mexico for the organization is now fully incorporated. The present temporary board is starting plans for operation with a fund of $7,578. At the present time they are considering several sites for the location for the building but none has been definitely decided upon as yet. The group welcomes suggestions from the community both in locating and building the Youth Center which will serve the whole area down the valleys.

Tentative plans have been submitted to the board by R. V. West, builder of the Ruidoso-Hondo Valley General Hospital, who has graciously consented to oversee the building at no cost to the organization. These plans call for a Boy Scout room, Girl Scout Room, kitchen, rest rooms, and general assembly hall. Besides the building being a meeting place for the young people it is intended that it will serve for conventions, community dances and programs, civic groups and other activities now carried on in the school gymnasium.

The Youth Center will answer an increasing demand for a "meeting place" to serve the Ruidoso-Hondo Valleys for many purposes.

In the past often times public meetings have interferred with school activities and the new building will separate the two.

Another important thing under discussion by the board is their desire for and hope of providing an activity superintendent in the summer to keep the young people and children busy all the time at the "Youth Center."

## W.S.C.S. Day Of Prayer November 1st

The women of the Community are cordially invited.

## Card of Thanks

May I take this method of expressing my sincere thanks and gratefulness for the many acts of kindness and hospitality that were bestowed upon my family and myself during my recent illness.

The many loving things that were done for me helped me so very much.

May each of you receive a blessing.
