Around Town

—By Nosey Waters—

Lloyd Davis was telling us this week he has sold some 900 lots in Ponderosa Heights this year, and that 20 states in the U. S., plus some foreign countries are represented among the owners. . . . W. E. Munsey was telling us, also, several lots have been sold in the new Green Meadows additino (former Wingfield estate area) and that streets are now being graded there. . . .

* * *

Juanita Moore, San Rafael, Calif., who visited here the middle of August, writes us that while here their little Chihuahua pup, named "Corky," and wearing a vaccination metal tag from a Dr. Jenkins in Quanah, Tex., became lost from them and they are frantic to get him back. He's black and white with long pointed ears. Anyone having any information may phone her collect at Glenwood 4-9603 in San Rafael, she says. . . .

Hold everything—o golly! Rehearsals have gone into high gear among members of the Beta Sigma Phi Sorority for their whizbang Variety Show, to be held Oct. 18. Tentatively planned (note, we said tentatively planned) are such acts as: another "Spiked" Jones number, maybe a hula by husbands of members in grass skirts, some beautiful production numbers with black-lighting, a midget dance, perhaps a magician, etc., etc. Keep the date open on your calendar. . . .

* * *

Under construction in Palmer Gateway is a new residence for Morgan Van Winkle, who will be neighbor to the Alfred Nash family, who also have a new home in that area. . . . Mrs. Rose Brownfield accompanied W. G. "Red" Jones to Albuquerque where he went in the V. A. hospital for treatment for several weeks—and on her return here was called to take a daughter to Temple, Tex., for emergency surgery. . . .

* * *

The Burdine Appliance Store has added a line of sewing machines. . . The date for a wedding has been set early in November by Rex Whitely and Jeanette Howard. . . . Mrs. L. J. Hicks, back from Roswell after a conference with her doctor, says she's doing fine now, and she wants to thank all those kind folks who expressed sympathy in her illness. . . .

* * *

Under construction on Alto Road about five miles northeast of here is a new residence for T. F. Chapman. . . . Elton Ellis of Ruidoso and Roswell plans to open a Volkswagen agency in Roswell about the middle of October. . . .

* * *

Cecil Clarke last week passed an examination to secure his life insurance license to sell for his family's firm, Clarke Insurance Agency. At 21 years of age, he is likely so young a licensed agent as New Mexico has ever had. . . . One of our peace officers about whom the rumor was spread that he'd been "bought off" from fighting gambling here, says the gamblers themselves know he hasn't been bought off—he's had them nervous and on the jump all summer. They just can't set and light anywhere any length of time, cerzee. Keep after 'em, boy. . . .

The new color motion picture, made by the State Tourist Bureau for showing on television, to audiences anywhere anytime to advertise New Mexico as the possible site for new industries, or to encourage tourist travel, is being sent to the Ruidoso C. of C. for use here several ways, Mrs. Emma Redmann, secretary, told us last week-end. The film will be here between Sept. 27th and Oct. 1 and will be shown to school children, to the Lions Club and to any other groups who want to use it during these five days. . . . Byron Mahaney, former Ruidoso C. of C. manager, and who has been associated with KOB-TV in Albuquerque for several months now, has been ordered to bed by his doctor—he's threatened with tb, he was told. He'll come to Ruidoso at Christmas time for a visit, and is still at work trying to find a producer for Christmas cards and candles to tell the story of Ruidoso's Candle Christmas, a Legend he uncovered while he lived here. . . . Dr. P. J. Andreasen was in town with his "funeral caravan" one day last week, with which he was making a tour of the state. The procession came by the News office, and we had an interview with him. Dr. Andreasen is having quite a hassle with the New Mexico highway department, and his procession is one in which he is conducting a "funeral for human rights," and demanding the impeachment of the entire highway commission. The dispute involves property owned by Andreasen and condemned nearly two years ago for highway right-of-way. He believes the actions of the highway department deprived him of his constitutional rights, and he has not been satisfied by the courts. He is taking his procession throughout the state and will end it in Santa Fe later this week. Bill Brem of Ruidoso Downs encouraged Dr. Andreasen to come to Ruidoso on his southeastern New Mexico swing. . . .

A tan and white boxer, named "Shorty," has been lost by a Dallas family, and if anyone finds him, they are asked to notify Village Policeman Charlie Byers at the city hall. . . .

Nobody was hurt when E. E. (Brother) Miller, driving his car, tangled with the Clark Construction Company's water wagon, used to lay the dust on U. S. Highway 70 construction, one day last week-end. They bumped each other pretty hard. . . . Forest Ranger Sinclair calls us to report a timberland owners' conference for the southwestern region will be held starting at 9 a. m. this mornig (Friday) in Santa Fe at the Museum of International Folk Art. It's a public meeting sponsored jointly by the U. S. Forest Service and the New Mexico Forest Conservation Commission. Problems of private landowners and public lands are to be talked. . . .

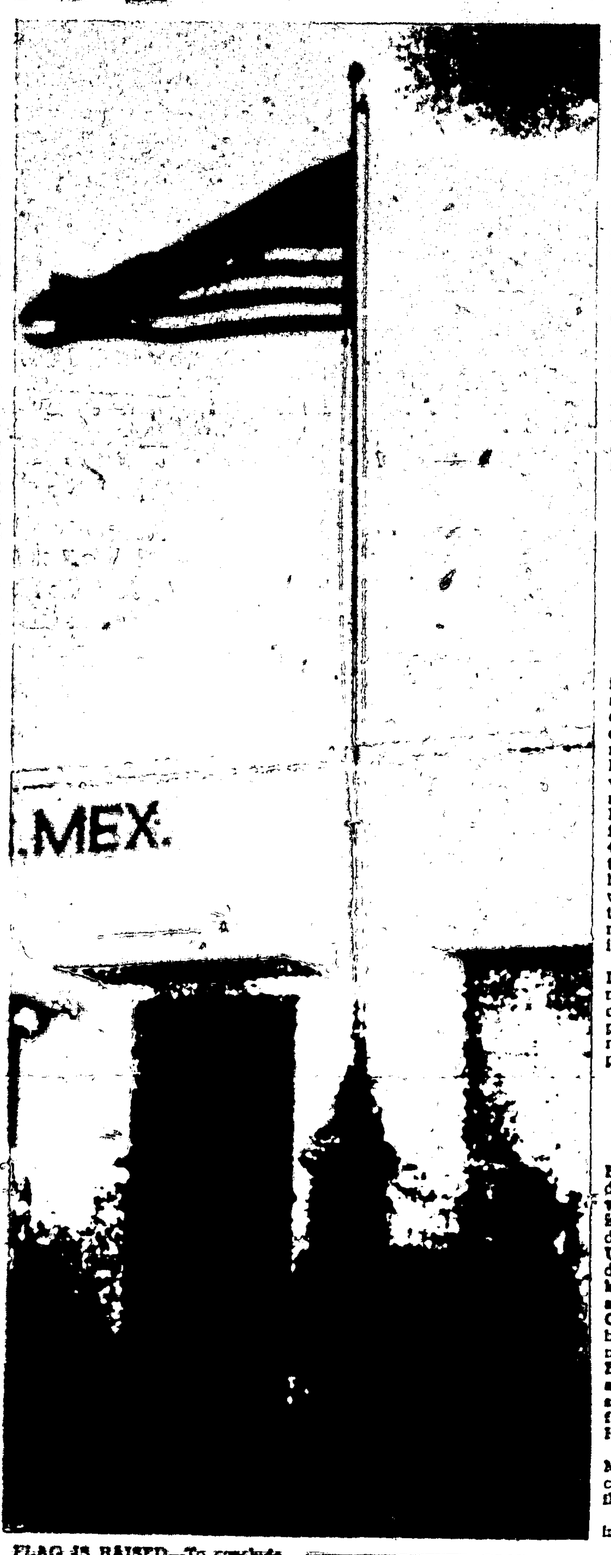
A member of the Ways and Means Committee of Ruidoso's B. & P. W. Club told us that the club will stage a "Step-In Party" at Irene's Cafe at 7 p. m. Tuesday, Sept. 23—free admission to ladies, but the men are barred. There'll be free refreshments. (Should I disguise and go in with my camera?) . . . The B. & P. W. will honor a couple of Ruidoso women active in the business life of this community as a part of their observance of National Business Women's Week early in October. Often the missus and I have discussed just how important the wife, or the woman, in a business in our community is. There are a great number of ladies in this town eligible for this tribute the B. & P. W. will pay—we wonder how they can pick two from so many? . . .



FLAG IS RAISED—To conclude the dedication program for Hollywood's new post office Sept. 8, Joe Coe, president of Ruidoso Chamber of Commerce, center, raised a nylon flag, a gift from Postmaster General Arthur E. Summerfield. The flag had flown over the Washington, D. C., post office headquarters before being sent here.

40-Unit Motel To Be Started On Hiway 70

Construction is to begin almost immediately on a modern 40-unit motel to be located on land purchased recently from Fritz Christian on U. S. Highway 70 between the race track and Ruidoso Downs. Obal Laster, Oklahoma livestock man, who purchased a large tract for the new tourist accommodation, was in Ruidoso last week-end making plans for work to begin shortly on the 40 units, which he described as being the first stage of development of a large scale motel installation. Laster, who hails from Muskogee, completed the trade with Christian early this month. He said the 40 units will be in a two-storied structure.

A Ruidosoan who first heard of Laster's plans to build the large new motel, said he intends eventually to equip the place with a swimming pool and dining room. Altogether, as many as 70 units may be in the completed project.

M. H. (Don) Blaugrund, El Paso-an, who owns a summer cabin here and is a frequent Ruidoso visitor, won the 1959 four-passenger Thunderbird sports car given by Ruidoso Lodge No. 1936 of the B. P. O. Elks in the club's End-of-Summer party held here Monday night at Navajo Lodge.

The Thunderbird was secured through Lincoln County Motors, Ford dealers in Carrizozo.

An attendance of more than 200 persons was reported by one official. Favors, special prizes, gags and surprises were unreeled to add to the merriment of the evening.

Early estimates were that the new lodge made something over $2,000 clear on giving away the car. The fund will be set up for a future home for the Elks here.

Visitors were noted from Alamogordo, Las Cruces, Artesia, Roswell and other neighboring Elks lodges.

Carter Mercantile At Ruidoso Downs Has New Owners

Announcement was made this week of a change in ownership of Carter Mercantile Store in Ruidoso Downs. New operators, who have the mercantile store, the feed store and two rental units, as well, are Mrs. Ruth Holder of Alamogordo and her son and his family, the Rev. Cecil Smiths of Ruidoso Downs. Rev. Smith this week said name of the firm would be changed to Ruidoso Downs Mercantile Co. The store retails groceries, meats, notions and some items of clothing.

The Ewing Carters, former operators, may "go back to the farm," Rev. Smith said he understood. Rev. Smith is pastor of the Full Gospel Holiness Church in Ruidoso Downs.

Forest Ranger Sinclair, meeting with Ruidoso Lions Club Tuesday evening at Corrine Lodge in their regular supper session, pledged fullest co-operation of the Ruidoso Ranger Station in the Lions fourth annual Christmas Tree campaign. Pinon trees, judged not good for anything, and which grow like weeds in pastures and forests, will again be cut and sold for Yuletide use. ASPENCADE TO BE HELD ON TWO DAYS

Letters of invitation went out last week to dozens of members of riding clubs, sheriff's posses, mounted patrols, and other organizations, reporting the date of Ruidoso's annual Aspencade, one of the oldest such observations in Southeastern New Mexico. The letters went from the office of the Ruidoso Chamber of Commerce, sponsor of the event which will be held on two days this fall instead of the usual one.

The program is designed to cover Saturday and Sunday, Oct. 11 and 12, predicted to be the dates when the aspens and the other autumn foliage will be most colorful. President Joe Coe said arrangements were completed this week to have a western string band, directed by Don Miller of Animegordo, to play for a dance on Saturday evening, starting at 8:30 p. m., in the new Play Center building here. A parade on Saturday afternoon will start the week-end's activities. Trophies will again be offered for mounted groups riding horseback in the parade and for entries from local organizations and individuals.

Sunday, the highlight of the holiday will be the trek on horseback, or by car, into the White Mountains. These on horseback will ride through forest trails that carry them through parts of the Mescalero Indian Reservation. Those going by car can drive on good roads, from here to Alto on State Road 37, then west into the mountains on the Eagle Creek road. Both groups will meet at a site on Eagle Creek for a chuckwagon dinner to be served by the Chamber of Commerce. A brief interdenominational church service will be held there prior to the meal, and afterwards trophies will be given winners picked from Saturday's parade.

Committees to arrange all details of the two-day program are being named now—to handle the parade, the dance, the tours and the chuckwagon meal. Entertainment at the luncheon site is yet to be arranged, but there will be some form of amusement provided.

NEW C. OF C. MEMBERS

Mrs. Emma Redmann, secretary, reported this week that these new members have joined the Chamber of Commerce for 1958-59:

Ben Roy, insurance and real estate.

Mr. and Mrs. L. L. Butler.

BIDS ASKED ON CAPITAN SALADO DAM

Announced in Albuquerque early this week was a call for bids for Salado retard dam on Salado Creek, two miles east of Capitan. Bids were asked on this construction: 237,210 cubic yards of compacted earth fill, 9,000 cubic yards of cutoff trench excavation; 10,500 cubic yards of common excavation; 4,500 cubic yards of rock excavation and 1,520 yards of re-inforced concrete. This is a part of the water shed protection project of the Upper Hondo Valley Soil Conservation District, which has an office in Capitan.

The bids are to be opened in the SCS Albuquerque office, at 2 p. m. Oct. 9, with construction expected to start within a few weeks after contract is let.

SORORITY SETS DATE FOR ANNUAL VARIETY SHOW

Following a meeting Tuesday night here, representatives of the two chapters of Beta Sigma Phi Sorority announced the sorority's famous Variety Show will be staged this year on Saturday, Oct. 18—one month from now. "Circle the date on your calendar," the club leader said.

Co-chairmen of the show are Mrs. Robert Pearson, representing Phi chapter, and Mrs. Bram Vanderslick, representing Xi Psi chapter.

Details of the program will be announced as they are developed, it was said.

NOSKERS VISITED BY LOAD OF CATTLE

The Kenneth Noaker orchard near Glencoe had unexpected callers over the week-end when a cattle truck, loaded with 31 Brahma cattle, overturned off U. S. Highway 70, killing two of the bulls and letting the others stampede through the orchard. Juan Hernandez, Dexter, driver for Hal Bogle, said his truck slipped sideways on wet pavement when he moved over to let an approaching passenger car go by safely. He said the passenger car was crowding him and he lost control of his truck when he swerved to prevent a collision.

Contribution Of $2,500 Is Offered To Start Community Center Fund

A long time Ruidoso resident and booster last week asked that the Ruidoso News give publicity to the need for a community center here, and offered $2,500 to start such a fund. Desiring to remain anonymous, the donor said the money could be placed in escrow in the local bank, and—if no interest or if there have not been sufficient other donations added to the original gift by the end of a year, it should be returned to the donor.

A community center, as envisioned by the donor, would include a large auditorium for use by various school and civic groups, and for conventioners here, also. It could include a library, smaller rooms for conferences and meetings by executive boards of various kinds, and could even provide office space possibly for the Chamber of Commerce, or for a caretaker for the hall. The would be contributor added that a very convenient site, with plenty of parking space, could be the present School Camp Grounds city park in Palmer Gateway.

Reaction of local residents to the idea is sought. Letters to the editor, [illegible] approval or disapproval from individuals, and from civic leaders, are sought.

In other words, let's hear from you on this question.

The Thrill That Comes Once in a Lifetime A WEBSTER CLASSIC

THE GIRL WITH 22 SUITCASES

Joan Carter, the 1958 Maid of Cotton, needs two convertibles to hold the luggage containing her all-cotton wardrobe of some 40 outfits. The Atlanta, Ga., beauty will travel 50,000 miles this year as the fashion and good will representative of the American cotton industry. At the end of her journey, she will receive a brand new Ford car as a symbol of the close cooperation between two great industries.

WARM COTTONS

Even the Alps applauded when Swiss designers recently introduced these ski and after-ski clothes in cotton. The extra-bulky knits, warm flannels, and wind and waterproof fabrics are striking examples of cotton's versatility. Cotton industries in Switzerland and eight other countries are cooperating with Cotton Council International in a program to increase cotton consumption abroad.

Warriors Open Conference Play At Capitan

Ruidoso Warriors open conference 4-C play tonight (Friday) under the lights at Capitan when they battle their traditional rivals, Capitan's Tigers, in what promises to be one of the best games of the season.

Capitan's School Superintendent Bill Hall reported early this week that the Tigers' dependable passer Joe Lee Smith, hurt in the game last week at Estancia, may be out of the line-up, and the Capitan offense was sure to suffer because of the loss. On the Warrior team, the Hatch hassle of last Friday night took three of Coach Cy Leland's dependables out of the line-up for this week. Fullback Tuffy Wilson, with an injured ankle; End Ronnie Dodson, with a hurt hip, and Halfback Wilson Howard, with an injured wrist, were among casualties who likely will be out of uniform tonight. Leland said Jerry Maroney, a senior, Mack Cook, a freshman, and Jerry Wilson, another freshman, would be called on to fill those empty slots.

The game starts at 7:30 and indications are a huge crowd of Ruidosans will accompany the squad to witness the battle. School Band Director LeRoy Gooch has had the school band practicing all this week on some special formations to present at half-time, sharing the field with Capitan's orange and black uniformed musicians.

The season's record for the two teams to date includes a couple of wins for Ruidoso against Roswell "B" and Hatch Bears, and for Capitan, a 6-6 tie with Hatch and a loss to Estancia's Bears by a narrow 6-0 margin.

Full Entry List For Gun Club's .30 Calibre Meet

Ruidoso Gun Club's tenth annual invitational .30 calibre rifle meet, one of the most popular held in the Southwest, has a full slate of entries—78 in all—from four states for Sunday. The matches will be staged at the gun club's range up Cedar Creek, enlarged this year to accommodate the expected larger slate of competitors.

Twelve trophies are to be awarded winners of the several matches, and medals will go to many more.

There is no admission charge at the matches, and the public is invited to watch the competition.

Corona Wins 7-6 Over Carrizozo

Corona's Cardinals won a slim 7-6 victory over Carrizozo's Grizzlies last Friday in a game that was played half the time in a slow rain. The match was played at Corona and the field was very muddy—Corona lacks a sod gridiron.

Corona opened the scoring with a second quarter touchdown, then pushed over the extra point.

Carrizozo's lone marker happened in the last frame on a pass from Salcido to Herrera. The Grizzlies failed to make the extra point. Outstanding on Corona's line-up was Mulkey, described as an excellent defense man, while the Grizzlies were boasting of the work turned in by Halfback Gallegos.

Clayton Tolliver Is Leading Trainer, Elbert Minchey Top Jockey In '58 Season At Ruidoso Downs

Clayton Tolliver, Senora, Tex., pocketed a $500 check and carried home a trophy for earning the title of leading trainer for the 1958 season at Ruidoso Downs. Second place went to W. A. Simpson, Groves City, Tex., who received $250.00, and third went to Jim Curry, Phoenix, who got $150. Fourth place winner received $100. He was Bob Arnett of Tucson.

Top jockey for the season was Elbert Minchey, who won $500 00 in cash and a trophy. The jockey's prize was a close race this year, with two or three other contenders near the top right down to the finish line. In fact, Minchey unceated two leaders to gain the title Minchey's address is listed as Texas and Oklahoma. Joe Sherman was second with a $250 prize. He hails from Phoenix. Third place, with $150 cash, went to Bruce Brinkley of Elk City, Okla., and fourth place went to Jack Wallace, Groves City, who pocketed $100.

85-Yard March Gives Warriors One TD To Win

A magnificent show of football skill earned a one-touchdown victory for the Ruidoso Warriors Friday evening here last week when they met and tangled with the rough and rugged Hatch Bears. The game was probably the roughest ever played on Warrior Field, with almost every penalty in the official football rule book being invoked during the evening's play.

The score was 7-0 with the Warriors earning, the hard way, the seven points that gave them a sweet victory.

Two Hatch players were removed from the game by officials as the contest developed into a battle of fists, nose clawing and other personal fouls. Offside penalties, clipping, backfield in motion and roughing passers or punters were some of the infractions that drew up to 15 yards for both teams, with Hatch getting the "honor" of earning most of the set-backs.

In fact, a penalty against the Hatch Bears helped pave the way for the touchdown for Ruidoso. The lone score came two minutes before the game ended when Ruidoso had brought the ball up the field, crashing through the center of the line, or over right guard or over left guard, all the way from their own 15. The 85-yard drive was aided with a penalty against Hatch to their one-yard line as they committed one foul too many. From the one, Benny Paul Jones, quarterback, smashed over to score. He repeated the play to carry the point over.

He had made four of six first downs the line had provided the ball carriers on the drive from the Warrior 15. Halfbacks Reed Stirman and Wilson Howard made the other two first downs. Turning point of the game came in the third period when Royce Lackey, guard, called on to punt, placed a beauty down in the coffin corner on the 5. Hatch threatened two or there times to get away with passing that clicked, or smart plays that ate up the yards, but penalties for personal fouls would take away the gains. The punt to the coffin corner seemed to have put the hex on any more threats. They got into the Ruidoso territory once more late in the game, but the Warriors had their number.

The ball changed hands four times in the first quarter as each squad felt out the other's defense—one exchange came when a Hatch player intercepted a short Ruidoso pass.

The second was a carbon copy of the first, with more desperate efforts to make gains by both teams—then the roughing began—with Hatch drawing the most penalties for infractions. The second quarter ended as the first, with Hatch intercepting a Warrior pass just as the gun sounded. A red flag was tossed on the field just as the gun sounded—and no penalty resulted, of course.

The personal fouls erupted into some costly penalties for both teams in the third quarter. The ball stayed in the general area of the 50-yard line for most of this frame, with excellent defense on both sides hauling down ball carriers, often for losses. Lackey's punt then set Hatch back too far for a recovery.

When the final quarter opened, Hatch made a first down with some quick punches—one ball carrier getting off a 12-yard sprint through the line. Penalties put them back so far they had to punt—and laid the ball down on the Ruidoso 15. There Maroney got loose for a 23 yard sprint for Ruidoso, but succeeding penalties put the ball back to the 15. Howard came out of there with a first down charge; then Jones made another first, and then when Ruidoso lacked 2 yards on a fourth down—the line talked Jones into one more plunge—and he made it. The line moved like a tank as Jones and Stirman pushed forward in gains of three, four and five yards to penetrate Hatch's 20. There the penalty laid the ball on the one-yard stripe and the rest of the story made the Warrior fans go home happy.

Hatch's passing in the fading seconds earned no gains as the visitors fought desperately for revenge.

First downs ended ten to three in Ruidoso's favor—the two teams being tied up in ground gaining until the surge by Coach Cy Leland's crew in the fourth.

Top players for the visitors included Center Henry Sanchez, Halfbacks Bob McDonald and Henry Trosper and Right Guard Vicent Silva. For the Warriors, Lackey played one of the greatest defense games of his career, Center Bill Kelley, Maroney and all the backfield earned gold stars for courage in battle.

At the halftime, Ruidoso school band marched in specialty formation and played several numbers that drew a big applause.

Capitan Loses Estancia Tilt By Slim 6-0

Capitan's Tigers played a hard defensive game, but not quite hard enough, at Estancia last Thursday afternoon. They lost by a slim 6-0 score to an equally hard fighting defensive Bear eleven. The Bears scored in the third period with a pass. The Tigers threatened on several occasions, going inside the Bears' 20-yard line several times—but could not push the pill on over.

Injured in the fracas was Joe Lee Smith, who has an injured arm muscle, thus dimming his chances of playing or passing in the conference tilt this Friday night against Ruidoso in Capitan. Carroll "Shorty" Jones, quarterback, and Charlie Lockhart were credited with yeoman's work in defense for Capitan. On offence, Halfback Robert Salas turned in a couple of neat dashes, good for 25 and 30 yards each.

Roswell 'B' Team Blanks Hondo 26-0

Last Friday afternoon, Roswell's 'B' team took advantage of Hondo Eagles' loss of their stalwart quarterback to run up a 26-0 victory. John Blea, Eagle sparkplug, suffered a dislocated hip in a first quarter drive that took him out of the game, and which may mean he'll be out for several more. Coach Ken Newton said undoubtedly the Eagles were on a march to score when Blea was injured.

James Sanchez, Hondo tackle, played an excellent defense game, and on offence, Johnny Gomez, halfback, starred.

Roswell's first touchdown was scored in the first quarter by fullback Garl Robbins, on a 45-yard plunge through the middle. Point after touchdown was tallied by a pass from Joe Rhodes to Gary Gallup.

In the same quarter, Joe Rhodes made a ten-yard end sweep for the second TD. The attempt to boot the point after touchdown through the uprights—Rhodes kicking, Joe Wasson holding—was blocked.

In the second quarter Wasson broke through the secondary defense and ran 25 yards for the third touchdown. The kick attempt for the extra point went wide.

The fourth touchdown was manufactured by a pass from Rhodes to Wasson, good for 20 yards. Rhodes booted the extra point for the final score of 26-0.

Quarterback Club Sees Attendance Grow With Films

Motion pictures made of each of the Warrior games this year, taken on ultra fast film to catch all the action under the lights, have proved very popular with the Quarterback Club members who are turning out in larger attendances than ever before, officials state. Films of the game played the week-end before are shown on Thursday nights in the meetings held in the junior high building. To date, two games have been shown up to this mid-week to the members—the Roswell "B" clash and the Hatch game of last week-end.

Officials remind the members, also, that every time they attend a meeting they can register for the free prize to be given later this year—a two-day all expense trip to El Paso to the Sun Bowl game, with a hotel room overlooking the Sun Bowl parade and a pair of ducats on the 50-yard line at the grid classic.

The bleacher section of Warrior Field on the 50-yard line is reserved for Quarterback members at all home games, the club leaders also reminded potential members. Membership, at $5 per year, is being collected now for the new club year of 1958-59.

Ruidoso 'B' Squad Slams Hondo 'B' 47-0

Ruidoso's "B" football squad scored a couple of touchdowns in every quarter except one, and pushed over one in that frame, then made five of its seven possible extra points good to rack up a 47-0 victory over Hondo's lighter, inexperienced "B" squad under the lights of Warrior Field here last Saturday night.

Outstanding for the little Warriors was Quarterback Jerry Curry, who connected with 8 of 15 passes he tossed, one of them for a touchdown, covering about 30 yards, and another to Halfback Jerry Reynolds who scampered 23 yards to the goal after getting Curry's 20-yard heave.

Cliff Watley handled the ball well for the juniors, getting some long runs, and Mack Cook looked good snagging Curry's aerials. Players for Ruidoso included Curry, a soph; Reynolds, Watley; Mike Shults, a tackle; Reynaldo Sanchez, who did a good job on defence as tackle; Brian Necker, whose blocking was outstanding, and who was fullback; Jerry Kannady and Troy Irvine, ends; Vic Sharp, Richard Donnelly, Billy Hall and Murray Winans, guards; and Shelby Miller, center.

For Hondo, linebacker Ray Torres played a fine defence game for the little Eagles, Charlie Sanchez, guard, and Rich Sanchez, tackle, also turned in good performances.

HOW TO MAKE HOMEWORK LIGHTER!

Homework is hard work for young eyes. By putting a 150-watt bulb in your child's study lamp, you'll help prevent eyestrain and fatigue . . . make seeing and studying easier. The lamp should be tall enough to spread light evenly over the work area and should be properly shaded to conceal the bulb from the eyes. Spain's Replica Of The "Santa Maria"

The harbor at Barcelona, Spain is the busiest in the Mediterranean. But one ship never sails. A full-size replica of Columbus's flagship, the "Santa Maria," rides at dockside so visitors may inspect it and pay homage to The Great Navigator.

On October 12, America celebrates Columbus Day.

In the coming year, hundreds of thousands of Americans will pay Christopher Columbus additional honor while visiting Spain, the country which sponsored his Voyage of Discovery 466 years ago and which today carefully preserves the landmarks of his career as symbols of the historic link between Spain and America.

Many of the places associated with Columbus are located in Andalusia, Spain's sun-drenched winter vacationland. Columbus had his first interview with King Ferdinand and Queen Isabella in the city of Córdoba. At Granada, in the ornate Alhambra palace, visitors can stand where Isabella stood in 1492 when she pledged her jewels to finance Columbus's first voyage. The majestic tomb of Columbus occupies a place of honor in the cathedral of Seville.

Scholars still study at the University of Salamanca where Columbus consulted the royal astronomers. And Barcelona, with its replica of the "Santa Maria," was the scene of Columbus's triumphant return from the New World. Tourists can visit the cavernous reception hall where he presented Their Catholic Majesties with Indians, tobacco and tomatoes—the first ever seen in Europe.

From the world of jazz, swing and rock 'n' roll, the guest-star roster of performers includes Charlie Barnet, Buddy Bregna, Alan Copeland, the Del Vikings, Fats Domino, the Four Aces, Harry James, The Lancers, Freddy Martin, the Mills Brothers, Russ Morgan, George Shearing and The Quintet, Jeri Southern, the Bill Thompson Singers and the Cal Tjader Quintet.

Then there's recording star Gogi Grant, making her film debut not only as a songstress, but as a dramatic actress opposite Jeffrey Stone.

AT MT. VUE — Jerry Lewis doesn't have a chance when Marilyn Maxwell (left) and Connie Stevens set some love-traps for him in Paramount's Technicolor comedy in VistaVision, "Rock-a-Bye Baby," which shows Sunday and Monday at Mt. Vue Sho-Dyn Drive-In Theatre. There are six tunes in the film produced by Jerry.

ORSON WELLES WRITES, DIRECTS, PRODUCES NEW THRILLER

The triple-threat genius of Orson Welles as writer, director and star has never been more excitingly applied than in "Touch of Evil," his Universal - International co-starrer with Charlton Heston and Janet Leigh which shows next Tuesday and Wednesday at the Mt. Vue Sho-Dyn Drive-In Theatre. In this gripping murder tale of action and suspense it is impossible to separate the mastery of Welles' characterizations as the crooked cop, who plants evidence on his victims, from his violent and unconventional use of the camera. Orson has surpassed himself in blending thrills, entertainment and the last word in lighting and camera artistry.

"Mike," he begged, "you must protect this new shipment! I can't do without it another day. It's wonderful . . . with hundreds of golden flakes inside."
I suspected everyone, but concentrated most on his lovely blond niece. At last she confessed. "I guess we're all guilty, Mike, but it's HIS fault. He's a miser, and wants to keep his precious Price's Butter Flake Buttermilk under lock and key. After all, we're entitled to some pleasure, too."
The rest was easy. I convinced Uncle to triple his order of Price's Meadow Gold Butter Flake Buttermilk in the half-gallon cartons. Everybody had plenty ever after.

Another of our long-time residents has been called by death. Mrs. Lucy Hipp, who has been ill for several weeks, died last Wednesday evening shortly after sundown in Carrizozo where she had been for some weeks. Our sympathies are with the family. Mrs. Hipp was a fine Christian lady and had resided in Lincoln County many years. She will be missed by all who knew her. Interment was in the family cemetery on the Block Ranch after services at the local church Sunday afternoon, with the Rev. Kerr officiating.

Mrs. John Mack Campbell arrived last Thursday to be with her father, Horace Ellis, and her three children who are enrolled in the local school. Her mother, Mrs. Ellis, arrived on the train in Carrizozo last Monday. She has been in California for some months, and now the family circle is complete.

Gordon Dockray, Morenci, Ariz., was in Capitan recently. Just another of our home town boys returning to meet and greet old friends.

We have had quite a few showers in the last several days, enough to turn up the corners of some folks' mouths, including the ranchers. With cooler weather accompanying the rains we are reminded we can expect Jack Frost most anytime now.

Mr. and Mrs. "Stubb" Lewis of Ruidoso Downs and Mrs. John Mack Campbell, Capitan, were luncheon guests of Macie Edmondson last Thursday.

Jack Robinson marketed a truck load of cattle in Clovis last week. His aunt, Mrs. Gertrude Morris, entered Carrizozo hospital for medical care late last week.

Mrs. Ramon Padilla left Monday for California to be at the bedside of her daughter, Mary Morgan, who was to undergo surgery Thursday. Mrs. Morgan's condition was reported as critical.

I'm told our recent county fair was "the best we've ever had." I didn't get to go—and I presume our editor will tell the story for us.

The Past Matrons Club met Tuesday last week, Sept. 9, in the Otho Lowe home. It was both a morning and afternoon affair, a covered dish luncheon being served at noon, after which a business session was held. In the meeting, Mrs. Ethel Roberts was voted in as a new member. There were 10 members and one guest present: Mmes, Jeanette Lemon, Gussie Titsworth, Elena Sales, Grace Jones, Emma and Frances Draper, Rose Sitton, Anna Brazil, Clara Snow, Lorene Ferguson and the hostess, Clara Lowe. In the annual election of officers, Mrs. Elena Sales was named president; Jeanette Lemon, vice-president, and Emma Draper, secretary-treasurer. Mrs. Lemon presented the program, reading two chapters of the Book of Ruth.

Word reached here last week the Curtis Gibsons have a new baby which arrived Aug. 26. She was named Jacquelyn Roy and weighed in at six pounds, nine ounces. The Gibsons live in El Paso now but Curtis is one of our Capitan boys. This is their second child, the first being a boy.

Tuesday of last week the Baptist Church ladies held their monthly conference. Attendance was lighter than anticipated due to inclement weather but an interesting program was given on evangelism by Mrs. Charles Bonnell of Ruidoso. She told of how the W. M. U. can assist in evangelism.

Daisy Gehring, Capitan, was admitted Sept. 8 as a patient at St. Mary's hospital in Roswell

the Capitan-Estancia football game at Estancia, which Estancia won, 6-0.

Friday Wilma Young, Sharon and Kent Hayes attended the County Fair at Capitan

"Budro" Morris and friend, Richard, who are stationed at El Paso, were home over the week-end.

Mr. and Mrs. Sol Henry of Lovington were visitors at Corders and Hayes Sunday. They came up to reserve one of Barnie Hayes' cabins for hunting season.

Monday, Sept. 15, on the Bonito we had a light frost and it was 32 degrees at 6 a. m. The quaking aspens are already turning gold in Bear Canyon, next the beautiful red leaves of the maple trees will make our hills look like fairyland.

From Jal this week-end were Q. T. and Lerce Crawford and their children, Spencer Ely, Fowler Hare, Armond Mitchell and Red Reed. Spencer and Q. T. brought a load of building materials to start their cabin in Bear Canyon. Arvel Runnels will begin work on the cabin this week and plans to have the two-storied house ready for use by hunting season.

A. N. Runnels found a big plastic weather balloon and a white box of some kind in his pasture this week. He notified an official at Holloman AFB.

Mamie Castorena from Alamogordo and Eugene Degner from Carrizozo were on the Bonito sight-seeing Sunday and stopped by the Bonito Cafe for a bite to eat and coffee

Blair Halladay and Bob Moore from Ruidoso were at Bonito Lake Monday to try their luck fishing

John Emde and R. A. Bennett from Ruidoso were also over in R. A.'s new Jeep to do some fishing at Bonito.

"Well," said the student, "Mother says it's to fit me for the presidency; Uncle Jim, to sow my wild oats; sister Helen, to get a chum for her to marry; and Dad, to bankrupt the family."

Scientists recently discovered that prehistoric Indians once lived in a huge cave that forms the natural entrance to the gigantic Carlsbad Caverns. Although the Indians never entered the immense underground chambers, they did take shelter in the mouth of the cave, and its walls and ceiling are blackened with smoke from their campfires.

THE GREATEST TEACHER

That girl at the blackboard is Ellen Blake. She is a sixth grade student at Fairview Heights School, and she has just written my name. I'm the new teacher—Mary Thomas.

Being a teacher is a big job. Each Sunday I say a special prayer for guidance in my work. But I am well aware that the task of training these children for good citizenship is one I can't possibly accomplish alone.

This is a wonderful age, but it is often terrifying. There are so many diversions, so many activities and so much knowledge that seem apart from the Church. And yet God created everything, and God's love is universal. Today's children need help that only the Greatest Teacher of all can give them. They need the teachings of the Church, and a firm basis of Faith.

I'm gratified when I see so many of my students at church with their parents. The Church needs all; all need the Church.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mr and Mrs Herbert Lloyd of Caruthersville, Mo., stopped in to visit us at the store on Sunday. The last time they were here was in 1929 so he thought things had changed a bit. They also visited here when Oscar West, his uncle, was postmaster at Alto in 1914.

The Alan Johnsons returned to Carrizozo last week after spending most of the summer at their Eagle Creek home.

A group of Carrizozoans were by on Sudnay. In the group were the following: Mrs. T. E. Kelley, Barbara Jean Branum, Dolores Ely, Mamie Castoreuna, Dean Thomas, Don Hutton and Eugene Degner.

CARS COLLIDE IN DOWNTOWN RUIDOSO

A 1955 four-door Oldsmobile, driven by Wm. F. Leach, and owned by Leo Weynas, and a 1955 Mercury, owned and driven by Ted Guthrie, local cafe operator, smashed headlamps when they collided on Main Road near the Central Bar one night last week-end. No one was injured, but tempers were ruffled, reports Village Marshal J. P. Bobo, who investigated.

Ronnie Battles was fined $100.00 in city court Monday for reckless driving when the Cadillac he was piloting rammed a stone wall at White House Apartments early Sunday morning, Bobo said.

Mrs. Billie Clarke left this mid-week for an extended visit in California.

GETTING TO KNOW NEW MEXICO

Bandelier National Monument covers some 27,000 acres of Frijoles Canyon in northern New Mexico, between Santa Fe and Los Alamos.

For two miles along the base of the north cliff, prehistoric Indian farmers built houses of stone and mud, such as the one shown above. Frijoles Canyon was occupied from about 1200 A.D. until the close of the 16th century by the ancestors of some of New Mexico's modern pueblo Indians.

The Pueblo Indians of New Mexico own their lands by virtue of titles granted them by the Spanish Crown in the 17th and 18th centuries, and confirmed by the United States in the 19th century

In the 17th century, a mission supply caravan came from Mexico City to Santa Fe, New Mexico, every third year, with one wagon alloted for every two friars in the province. The round-trip, including a stop-over in Santa Fe, took a year and a half

10 Uniforms Needed In Band, Boosters Find

Ruidoso Band Boosters Club, meeting last Thursday night, adopted as their main objective for the new club year the raising of funds to buy an additional 10 uniforms for the band in sizes needed for the enlarged organization. The Boosters earned funds a year ago to suit out the band after waging a campaign that lasted several months. Other matters attended to included viewing a motion picture of a between-halves performance of the school band during a football game three years ago, and also seeing movies of the Roswell "B" and Ruidoso Warrior game that was the season opener this fall.

Canned fire extinguishers for quick fire fighting, aerosol bombs similar to "bug bombs" that will be handy in the kitchen, around the office or workshop, or most any place, will be sold by band members assigned to areas under guidance of Booster Club members. The cans will sell for $2. Other money raising ideas will be put in use, too, to get the $600 fund needed for the extra uniforms, it was decided. Donations for this fund would be more than welcome it was reported.

Announcement was made the band would again march in the Eastern New Mexico State Fair in Roswell in October and would attend a band clinic to be held in Clovis in November.

Officers Elected

Mrs. Jodie Filleman was elected president to succeed Mrs. Harold Jones; Mrs. Harlan McCraw was named vice-president and Monnie Badillo was re-elected secretary and treasurer when officers were picked for 1958-59. There was a large attendance, it was reported.

COLOR SLIDES OF GERMANY SHOWN ROTARIANS

In their Tuesday noon luncheon session at the O. E. S. hall here in Palmer Gateway, color slides of scenes in Germany were shown Rotarians by Lloyd L. Davis, Jr., who was stationed in that country during a tour of Army duty.
