Around Town

—By Nosey Waters—

From the Alamogordo News:

"No Useful Purpose

"Cloudcroft now has a proposition before the village council that would, if allowed, permit cock fights in the city. If we understand the matter correctly, the state allows such things if the city gives permission or sanction for the operation.

"The responsibility of village commissioners is a great one. The same is true with that of any city commissioner, and the problems that confront these bodies are sometimes complicated and vexing. In this case, we hope the commissioners keep the dignity and sanctity of the entire village area in mind.

"We can see no purpose to be served by the allowing of such a sport as cock fighting. It appears to us that such activity would attract a crowd of which Cloudcroft could not possibly be proud.

"Cloudcroft has kept itself clean and wholesome as a mountain resort. It has not grown as fast as others that have allowed such activity, or permitted gambling or other unwelcome and unwholesome sports. We hope they see fit to keep the entire community that way, and that its growth continues on the same wholesome line."

That wasn't a sonic boom you heard last Friday noon thundering through the canyon—that was Bill Keys, public relations man for Ruidoso Downs, coming into town. He's back in Ruidoso after a stint as sports man for an Albuquerque radio station and will begin tooting his horn for the world's fastest growing race track shortly. . . . Our Ruidoso Woman's Club gets all the money you spend on voting for Ella Ruth Jackson as Apple Blossom Festival Queen—so, let's do two favors—let's elect the prettiest girl in the contest as queen, and at the same time feather the Woman's Club nest, hey? . . .

Fred Thompson of the New Mexico Game and Fish Department came by to tell us the sad news last week-end that it was generally expected the governor would veto a bill which would have allowed the game department to stock municipal lakes with fish where a fishing permit had to be charged. That means they can't stock Bonito Lake if the City of Alamogordo in turn has to charge for allowing entry there to pay costs of having guards on hand for policing, for clean-up and overseeing in general. Thompson said he thought Ruidoso, Capitan, Carrizozo, Alamogordo and maybe even Roswell could make up a fund of about $2,500.00 to pay the cost of such policing so the game department could go ahead and stock the lake. The trouble with this problem is, although it would be Alamogordo's responsibility, since it is Alamogordo's lake, that Ruidoso will get the criticism in the long run if no fishing is allowed up there! A very short season had been set for this summer, much shorter than last year—and if folks can't go at all to fish in that beautiful lake, it will sure make 'em sore at us—and we've nothing to do with that ruling! Thompson said he thought Ruidoso's C. of C., or maybe Lions Club, or some such group, ought to carry the ball in getting a fund started to have some responsible policing there so fishing can be allowed. Just another problem that we have to wrinkle our brows over and try to figure out. There's a way, but what is it? Anybody want to start such a fund—we'll give you publicity and support.

You could hear the groans all up and down the canyon Monday caused by the aching muscles earned by a couple of Ruidoso families who hiked into White Mountain Park from Monjeau lookout point on Sunday. The party of seven spent from 9:30 a. m. until 5 p. m. making the eight-mile round trip. They reported viewing some breath-taking scenes, and also claimed the altitude, at near 11,000 feet, was breath-taking, too. They paused for rest stops for almost as many hours as they were walking. They mushed through snow drifts as deep as eight feet in the latter stage of the trip, floundering into the frigid depths when crusts would sag beneath their weight. They reported some snow in White Mountain Park, but also some bare ground there, too. . . .

GET ON THE BALL.—Looks like, in this photo, Jerry Jones is going to use J'nevelyn Chapman's hand for a ball. This is a gag picture, made to publicize the Senior Play, "Mama's Baby Boy," and we intended to cry Jones was having trouble getting fellow cast members to learn their lines. Tain't so—the kids all know their parts, according to Co-Director James Chaves, pictured at left. The play will be given Friday night this week. Some other members of cast include, from left, Carol Ann Harris, Jeanene Carpenter and Jerry Maroney. Full details of the play are given in this week's "Around Hi Skool" column on sports page. Assisting in directing has been Rev. C. Edward Ditterline.

Hondo Dancers To Appear Here With Legion, Auxiliary Sponsoring

Ruidoso's American Legion Post and American Legion Auxiliary Unit, in a helping hand gesture, is sponsoring an appearance of the colorful and talented Hondo Mexican Fiesta dancers here in Ruidoso gym the night of Thursday, April 30. Half the proceeds will go towards the Hondo school's fund to pay transportation costs of sending 20 dancers on a bus to the Nashville, Tenn., National Folk Festival in May of this year.

About 50 Ruidosoans in the audience last Saturday at Hondo saw the seventh annual Fiesta, and will, no doubt, become advance publicity agents for the dancers' program here three weeks from now.

Other appearances the Hondo dancers have scheduled for Southeastern New Mexico in the next few weeks are at Alamogordo and Artesia.

Advance ticket sales, at $1 for adults and 50c for children, is being handled through the office of Fred L. Richardson of Ruidoso. A program is being compiled by the Legion Auxiliary, with advertising to be sold, to add more funds to the project's net.

H. V. Link Named Building Inspector

In last Thursday evening's meeting of the Board of Trustees of the Village, H. V. Link was confirmed as Mayor Jack Hull's appointment as building inspector, to succeed Mack Garner, who resigned.

Other matters coming before the board included 82 occupation licenses. Local merchants were advised past due payment on licenses now cost 10% plus 1% penalty after the deadline March 15.

Mayor Hull reported he was telegraphing Governor John Burroughs asking him to sign the legislation passed by the recent New Mexico legislature allowing villages to levy a one-cent sales tax for municipal use. The board of trustees is considering levying such a tax within a short while, it has been reported.

Sanitation Commissioner Bill McCarty reported the city's older Pack-Mor garbage truck has been repaired and is now back in use, giving the village two such trucks to better handle garbage removal during summer months.

It was also determined to have a delegation representing the Village of Ruidoso at a hearing of the State Highway Commission in Santa Fe April 23 to present a request for state assistance in improving State Road 37 through the village—Ruidoso's Main Road.

Lincoln Memorial Commission Member Criticizes Hotel Veto

The Democratic national committee woman from New Mexico said Monday she was "very disappointed" in Gov. Burroughs' veto of a bill appropriating funds to restore the old Lincoln County Hotel.

Mrs. U. D. (Dessie) Sawyer said, "I have no idea why Mr. Burroughs would do that, there was not a dissenting vote in either the House or Senate to the bill."

She said the appropriation would have been for $40,000 to finish rebuilding and to furnish the hotel in time for the August Billy the Kid Pageant.

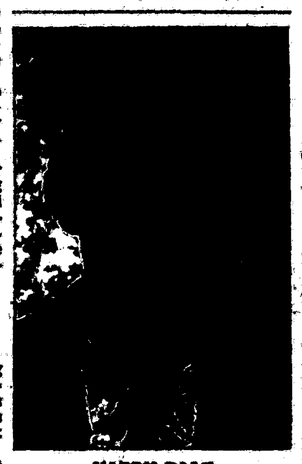
Restoration of the famous hotel was started two years ago during the administration of Gov. Ed Mechem, Mrs. Sawyer said.

"I'm very disappointed in the veto, but I'm not giving up," she said. "We'll find a way to get it finished and continue with our project to restore Lincoln to the way it was in the old days."

Community Workers For Cancer Fund Named In Area

Mrs. W. D. Horton, chairman in the Ruidoso area for the 1959 American Cancer Crusade campaign, announced this week that workers in this area to assist in the current drive in April include Mrs. C. L. (Bones) Wright in Hollywood; Mrs. C. V. (Heavy) Cunningham in Ruidoso Downs and Mrs. Magna Perry in Glencoe.

In the B. & P W Club's coffee held April 1 at Navajo Lodge, $45 in contributions were reported. Mrs.



HARRY DALE

Local Teacher Receives Grant For Science Study

Harry Dale, mathematics teacher in Ruidoso High School, has been awarded a year's grant under the National Science Foundation's Academic Year Institute to study at the University of Utah, beginning in September, 1959. This program is designed primarily to improve the competence of high school teachers of natural science and mathematics. Of the applications made to the University of Utah, 50 candidates were chosen for this award. Each participant will be provided with an individual program of study and research, based on his own background, his teaching assignments and his interest in further training.

Dale is a graduate of New Mexico State University, where he was a member of Kappa Kappa Psi, Tau Kappa Epsilon, and was elected to Who's Who in American Colleges and Universities.

Dale has resigned his position with Ruidoso High School effective at the close of this school year to accept this award. School officials expressed their regret in losing Dale as a faculty member, however, they are grateful that he received this award, which they termed a distinctive honor.

Minstrel Show Tonight In Capitan

By CAROL ALLYN BONNELL

Put on yo' glad rags, honey chile', and come along to the Negro Minstrel Show, April 10, at 7:30 p. m. in the Capitan High School gymnasium.

Featuring songs, dances, and plenty of slapstick comedy, the 1959 Band Boosters Minstrel Show promises to be bigger and better than last year's hilarious presentation.

Stars of the last show will reappear, along with some talented new discoveries. Mrs. Leota Pfingsten, who wowed the crowd with her rendition of "Frankie and Johnny," is back again, and this time she's got the "Saint Louis Blues." A new vocalist who's expected to give stiff competition is Mrs. Maurilidia McGrew with her "Wang Wang Blues."

Also featured will be the charming little pickaninny with the nightingale voice, Miss Mary Gack. Jim Kerr is going to "send" everybody with his "real gone" crooning.

Other performers include that old cha-cha-cha man, Bill Hall, and James Van Dyke with his "cool" clarinet.

Interlocutor for the Minstrel Show is Fred Miller. "End men" are Lewis Stratton, Leroy McKnight, Ira Leith, and Bill Hall.

School Band Sets Concert Next Week

The School Band Concert will be held Friday, April 17, at 800 p. m. at the Nob Hill School Cafeteria. The band will feature numbers of varied types and styles including marches, modern and classics. Band letters will be presented at intermission, this being the largest letter group since the starting of the band program in Ruidoso schools in 1950.

It was announced some weeks ago that a guest artist might appear with this concert. "We regret to say that Jim Whitlow, trumpet instructor and soloist from the University at Albuquerque, will postpone his visit until another time," LeRoy Gooch, director, said.

"Another item of interest is that the Capitan High School Band will have their concert the same night so we are trading assembly programs," he added. "Capitan band will present a program here in Ruidoso, at the Junior High Cafeteria Tuesday, April 14, at 10:30 a. m., and everyone is invited to attend. We will return the program the next day, April 15, when the Ruidoso Band will present a program in the Capitan gym at 300 p. m. James Van Dyke is band director at Capitan, and we both feel this is the type of thing to bring our schools and communities closer together. We hope this can become an annual affair."

The announcement of time and place for the Beginning Band and Junior High Band Concert, combined, will be made at a later date.

700 Persons Witness Hondo Fiesta

Seven hundred persons were crowded into Hondo school gym and auditorium to see the seventh annual presentation of the Hondo Mexican Fiesta in dances, songs and comedy numbers last Saturday night. Another 100 persons were turned away—and Supt. F. S. Montes said that the eighth annual pageant in 1960 would be staged two nights to accommodate the increasing crowds. Montes and his wife directed some 40 students in the program, which featured folk dances of Spain, Mexico and New Mexico.

In a fashing finale, Josephine Salcido reigned as queen, wearing the colorful and traditional chiapanecas dress from Mexico, while the king, John Blea, wore the striking charro hat, procured from Mexico, also, for this purpose.

Individual numbers that drew applause were a song in Spanish by Michael Hurd, songs by Gilbert Montes and a dance duet by Gilbert and his sister, Rebecca. Barton Pavey directed a girls' chorus in some special numbers, and a mock bullfight proved a smash hit just after intermission.

(Further details of the program are given in this week's Hondo Corner news column.)

The Fiesta dancers who presented many colorful routines, were all dressed in flashing costumes made by the members and by parents of the participants. They have scheduled several performances in southeastern New Mexico this spring, and then will go to Nashville, Tenn., for a performance in the National Folk Festival. They will give exhibitions at several cities enroute.

Enchilada Supper At Capitan Tonight

By BARBARA McGREW

The Capitan Music Boosters will serve an enchilada supper between 5 and 7 p. m. Friday, April 10, at the school lunch room in Capitan.

The music boosters will also give away a gold-plated percolator. The drawing will be held during the program Friday evening.

The proceeds of the supper, drawing and program will be used to purchase additional instruments for the band and some choir robes. The music boosters have already bought new uniforms for the band and one or two instruments.

Served with an enchilada will be your choice of iced tea or coffee at the reasonable price of $1.00, with or without one egg.

Baptists Plan Revival Here April 12-19

A revival is planned for April 12-19 at the First Baptist Church in Ruidoso. This special evangelistic effort is part of a crusade being observed by Baptist groups throughout the world, the local pastor, the Rev. E. J. Tankersley, reported.

The Baptists of Ruidoso will have Rev. James Overton of Carlsbad as evangelist. He is pastor of the Caverns Baptist Church. Miss Evelyn Watson, who is music director for New Mexico Baptists, will conduct the music during the revival. Miss Watson is from Albuquerque. "Ruidoso is fortunate to have these two to lead in the special services," Rev. Tankersley said.

The theme for the meeting is "New Life for You", and is to be carried out throughout the campaign. There will be services each morning at 10 a. m. and each evening at 7:30 p. m. The people of Ruidoso are cordially invited to attend any and all the services. Nursery facilities will be open for children aged three and under, the pastor said.

Farm Bureau Honors Lions In Supper

Lincoln County Farm Bureau, with the Hondo local as the main host, honored members of Ruidoso Lions Club in a supper meeting Tuesday night this week at Bonnell Ranch, Glencoe. More than 60 people attended the meeting, which was in return for a similar supper held in Ruidoso a year ago when the Lions were hosts to the Farm Bureau members and their families. The meeting at Glencoe this week was in lieu of the Lions' regular session at Carrizo Lodge.

The Weather

The weekly weather round-up will be found each week in the C. & L. Lumber & Supply Co. ad on the Sports Page (Page 4.)

March of 1959 was another in a series of dry months experienced here this slag-end of winter. Only .39 of an inch of precipitation was measured, according to C. A. Culver, co-operative observer for the U. S. Department of Commerce Weather Bureau. March usually is dry, but this year's low moisture compared with only two other Marches in the last 14 years—in 1950 when only .04 was measured and 1956 when only a trace was recorded. March weather for each year since 1946 is given in the table below compiled by Culver:

Date	Hi	Lo	Snow Fall	Precip.
1959	66	—1	5.26	.39
1958	61	3	30.50	1.58

El Paso Couple Observes Anniversary Each Year Here

(From El Paso Times)

It was beautiful in Ruidoso during the week-end with warm days and cool nights.

Along with a large number of El Pasoans and friends from Artesia, N. M., we attended the anniversary party of Mr. and Mrs. Cecil Thompson, who entertained at dinner on Saturday night in the Navajo Lodge.

The Thompsons were married two years ago in Ruidoso and plan to celebrate each anniversary there. Before her marriage, Louise (Mrs. Thompson), a charming English girl, had been living in Artesia. As Cecil is a long-time El Pasoan, they chose Ruidoso as the site for their wedding, so friends could attend from both cities. And for the same reason, it is proving an ideal place to celebrate their anniversaries.

The dining room of the Navajo was filled with flowers for the occasion. Tables were spread with pink linen and centered by bouquets of pink and green-tinted carnations. The silver-appointed buffet table was laden with delicious foods and the couple's happiness was toasted in wine. Assisting with arrangements were Mr. and Mrs. Henry Hicks and Mr. and Mrs. Henry Woolridge of El Paso.

Louise looked lovely in a cocktail frock of black silk trimmed with black velvet roses and having at her shoulder a corsage of white orchids.

Next day, the Woolridges and Mr. and Mrs. O. H Holdsworth were our hosts at breakfast in the Navajo after which we dropped in for a visit at the delightful summer home of Mr. and Mrs. Hicks, which is on a hillside with a beautiful view of Sierra Blanca peak and looking down, one sees the tiny gurgling Ruidoso River. Henry and Esther Hicks had as their guests their daughter and her husband, Mary Ethel and Regis Roberts, Mr. and Mrs. Robert Garland and Mr. and Mrs. Jim Gagnon.

LAKE ARTHUR SCHOOL GROUP HERE

Twenty-two Lake Arthur school personnel were in Ruidoso Saturday for a holiday, coming in a school bus driven by C. W. Winters. Sponsors for the 9th and 10th graders, who picnicked, hiked and skated, were J. S. Sanders and Mrs. John Havener.

Hondo Corner

By FREDDA PERRY

"Hi there! The 1959 Fiesta Queen and King were crowned last Saturday night after the spectacular and sparkling "La Fiesta de las Amapolas." Josephine Salcido, a Senior, was selected as Queen, and John Blea, a Sophomore, was chosen as King. The beautiful Queen Josephine wore the exquisite "Chiapanecas" costume, and King John wore the striking "Charro" sombrero as they danced "La Varsoviana" for the exhibition dance.

After the dances, the judges selected six couples and had them perform again for the three top selections. The other dancers selected were Juanita Torrez and Anthony Fresquez—second place, and Evangeline Montes and Placido Chavez took third place. The King and Queen will reign at the presentation of the same Fiesta at Alamogordo this Friday, April 10, at the Alamogordo High School Auditorium. Congratulations!

The mock bullfight and other skits were, also, added enjoyment.

All the dancers deserve a pat on the back for a delightful performance, and many thanks goes to Don Delgado for doing a fine job of being Master of Ceremonies. Two other pats to the dancers' "Queen and King," Mr. and Mrs. Fermin Montes, the directors who made the event possible.

The crowd, as expected, completely filled the gymnasium, and it was reported that over one hundred people had to be turned back at the door.

The Mexican dinner was enjoyed by all, and the evening proved a great success. Again I'll say that if you missed the event last week-end, don't forget about the Alamogordo and the Roswell presentations. The dancers for the Nashville trip will be selected after the Alamogordo fiesta. The Queen and King will represent all the dancers there also.

Two Juniors were selected as top citizens at Hondo High last week. They were Anthony Fresquez, son of Mr. Porfirio Fresquez, and Ursula Montoya, daughter of Mr. and Mrs. Sam Montoya. Anthony is active in many clubs, and was selected as runner-up in the fiesta last Saturday night. Ursula is an office receptionist and participates in many clubs.

The Hondo Eagles beat the Ruidoso Warriors in a track meet at Ruidoso last Friday, April 3, by a score of 62-47. The Hondo Junior High also won their division by a score of 79-3.

Two students, James Sanchez and Fredda Perry, were selected as Valedictorian and Salutatorian of this year's senior class. The graduation ceremonies will be held in the Hondo High Gym May 15.

(Received too late last week.)

This year's Activity Days have been designated as April 15 through 17. Members of both the Blue and White teams selected their Captains and Co-Captains last week after an assembly. James Sanchez and Ray Torrez will head the White team, and Johnny Gomez and Felix Herrera will be leading the Blue team. Chairmen for the Blue side are: Academic—Della Fresquez; Dramatics and Arts—Martha McKnight; Boys' Athletic—John Blea; Girls' Athletic—Lydia Chavez; and Music—Vangie Montes. On the White team the chairmen are: Academic—Juanita Torrez; Dramatics and Arts—Patsy Joiner; Boys' Athletic—Rayno Montes; Girls' Athletic—Fredda Perry; and Music—Josephine Salcido.

Each team consists of 47 members, and different scheduled events will take place during the two days. The team with the most points wins, and the Captain's name is engraved on the Activity Day plaque in the High School. The Blue team captured first place last year, and it looks as if this year the teams are very evenly matched.

• • •

Two Sophomore girls, Magdalena Sanchez and Rita Sandoval, were selected as last week's "Student of the Week." Both girls participate in Pep Club, Chorus, and other various activities. Magdalena is the daughter of Mrs. Celia Sanchez and Rita is the daughter of Mr. and Mrs. Julian Sandoval.

Six Army, Navy and Marine recruiters met with the students of Hondo High last Monday and discussed interesting factors of all three branches of the service. They represented both this area and the Albuquerque area. The most important part of the discussion pertained to military obligations that the boys must meet. The meeting was a benefit to all who were interested in joining any part of the Armed Forces.

Men's Bowling League

Team standings after April 2:

Team—	W.	L.
Hayes Plumbing Co.	53½	34½
Klemm's Var. Liquors	48	40
Elks	39½	48½
Clarke Ins. Agency	25	63

(All figures scratch)

High three games: team: Hayes 2303, Klemm's 2078, Clarke's 1767; individual: McEuen 584, Klemm 498, J. Hayes 477. High single game: team: Hayes 831, Hayes 796, Klemm's 712; individual: McEuen 201, Klemm 182, Lindamood 181. Splits picked up: 3-10 by Wayne Murry (twice), John Spearman and McEuen; 5-10 by Martin Grindstaff; 5-4-7 by Carl Lee, and 3-7 by Jim Spearman.

With only three more nights left of the season and twelve points involved, Clarke's Insurance and the Elks are mathematically eliminated. This means that Hayes Plumbing and Klemm's Variety Liquors will argue for the League championship. The Plumbers meet Klemm and his (pardon the expression) home brewers Thursday night. Something's gotta give and maybe we will get an inkling as to who are the men and who are the boys.

THE CHANGING SCENE

PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF ALAMOGORDO AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of the Ruidoso News as he saw conditions. These people are leaders in their various lines of endeavor and the co-operation of these citizens in Alamogordo who helped make this department possible is sincerely appreciated.

O. S. Callihan

One of the more progressive business men of the entire Alamogordo area, and a man who deserves the respect and good will of a great many residents of this area is capable, friendly, O. S. Callihan of the Quality Sheet Metal Works, whose wide knowledge and long experience in the sheet metal and roofing business has raised him into a position of prominence in his line.

It is because of this that the Quality Sheet Metal Works has earned a reputation for reliability—second to none.

Mr. Callihan is also civic-minded and has always been ready to contribute his time and energy to any plan which promises to benefit this entire district. And the people of Otero and Lincoln Counties may regard with particular satisfaction the many services which he has performed for the community in the interest of progress and civic betterment.

We urge our readers to look to O. S. Callihan as a progressive business man of whom we may well be proud. His devotion to this entire district has been constant, and his achievements well merited. We wish for him further success.

William Trigg

William Trigg, the manager of Aaronson Brothers Incorporated, has won the universal respect and good will of the people of Alamogordo and the surrounding country for the progressive manner in which he has kept this well known and dependable firm in the forefront of the business and civic life of this entire district.

Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Trigg is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment William Trigg for the successful management of Aaronson Brothers, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

Miles R. Baker

In making this review of progressive Alamogordo business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and civic life of the city.

Such a man is Miles R. Baker, the manager in Alamogordo for the Singer Sewing Machine Company, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the city.

Mr. Baker has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter who does not sit back and wait for the business to come to him.

We are glad to pay tribute to Miles Baker and to point out to our readers that his sincere desire to be of service, coupled with his aggressive methods are largely responsible for the standing of the Singer Sewing Machine Company throughout this entire area.

W. G. "Bill" Cotton

In compiling this review of progressive Alamogordo business people, we have endeavored to select those citizens who, by the manner in which they have conducted themselves and their businesses, have earned for them position of leadership in their various fields of activities. Such a man is W. G. "Bill" Collins of the Farm Supply Incorporated, who is well known and has many friends and satisfied customers throughout this entire district.

Mr. Cotton's main interests have not been solely confined to his own business and private affairs, but have also included his contributions, in one form or another, to those projects of a civic nature which come within the scope of his activities.

"Bill" Cotton is a man of wide experience whose exploits in the business and civic life of Alamogordo and vicinity merits more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

Kenneth E. and Gayland Wallin

In every community there are a number of business men who can be pointed out as having taken a threefold part in the onward progress of their city. Two well known business men of Alamogordo who belong in this category are Kenneth E. and Gayland Wallin of the Wallin & Wallin Construction Company.

Their leadership in their line of business is recognized throughout this entire district. And their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their [illegible]

Ruth and Ellzey Turner

Ruth and Ellzey Turner of the Turner Trailer Sales, and Diamond L Trailer Park, are two of those progressive type of citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic-minded and have, in the past, and no doubt will continue in the future to give more of their time and energy for the welfare of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

Mr. and Mrs. Turner have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Ellzey and Ruth Turner to our readers as good examples of the more progressive type of business people who are aiding in the growth and development of Alamogordo and the surrounding country.

Tommy Hooker

Tommy Hooker has proved his progressiveness by constantly adding to and increasing the service which Hooker's Humble Products Service Station has extended to the people. The large volume of business handled by his Humble station proves that "service," to him, is not "just a word," but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Hooker was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Tommy Hooker has many friends in and around this entire district, and it is a pleasure to bring him before our readers in this review of progressive Alamogordo business men.

Ernest Richardson

Logically a man who has earned the reputation of being one of Alamogordo's more dependable used car dealers would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is—modest, efficient, friendly, Ernest Richardson of the Richardson Motor Company, who numbers many of our readers as some of his best customers.

Mr. Richardson is the type of man who would be an asset to any community, not only because the successful conduct of his business plays a definite part in the general civic scheme, but because the ultimate measure of his value to the city, and this district, lies in the fact that he is untiringly zealous and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of Alamogordo for numbering among their more progressive citizens such a man as Ernest Richardson, and we also express the wish that he will enjoy many more years of success.

Fred L. Waldrum

Alamogordo owes much to these progressive citizens who have taken an active part in the growth and progress of the city, and who have helped to make it the business center for this section of New Mexico. In mentioning some of these men, it is only fair to include a well known and completely reliable contractor, Fred L. Waldrum, whose outstanding knowledge of the electrical contracting business, backed up by his many years of experience, has brought him to the forefront in his particular field.

Mr. Waldrum is wholly deserving of our sincere praise, and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character, but has also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that Fred Waldrum will continue to serve the people of Alamogordo and the surrounding area for many years to come.

James Riva

Because this is a period of growth and expansion for Alamogordo, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of these conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to James Riva of [illegible]

James D. and Sam Brusuelas

In bestowing credit upon some of those progressive business men of Alamogordo, who in one way or another, have contributed their bit to improve both business and civic conditions, we wish to publish a few words about James D. and Sam Brusuelas of the Brusuelas Gulf Service Station.

The Brusuelas Brothers have set a standard for themselves and the operation and management of the business that, under present existing conditions, has been very difficult to maintain. However, that they have done so is proven by the large volume of business which their Gulf station continues to handle, much of which is due to their unceasing attention to detail, and their ability to cope with new and unexpected problems.

Sam and James Brusuelas are also civic-minded and have, when asked, cheerfully cooperated on those civic activities to which they have been able to lend assistance. They more than deserve the respect and good will which they have earned, and we and their friends are confident that they will continue to maintain their usual integrity and high standards.

Andrew M. White

Recognized as an authority on all residential, industrial and commercial electrical contracting problems, Andrew M. White of White's Electric, has turned his knowledge to the advantage of the people of Alamogordo and vicinity. More than that, Mr. White is a man who has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. Alamogordo owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, Andrew White has become accepted as a progressive business man who is an asset to both the business and industrial life of the city, and we trust he will continue to serve the people of Alamogordo and the surrounding area in his present capacity for many years.

Bill Snell

Bill Snell of the Rocket City Service, located at 2214 North Pennsylvania, serving the people of Lincoln County, is one of those progressive business men who has always done his bit to maintain the prestige of the city of Alamogordo as the leading business center for this section of New Mexico. He has always worked for the development of the city, and his many services are worthy of sincere appreciation.

His well earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, professional skill and business ability which has elevated Mr. Snell to a position of leadership in the tire re-capping business.

He is completely aware of his civic responsibilities and is wide awake to the many opportunities for service, and is always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment Bill Snell on his accomplishments, and wish for him continued success.

O. B. Hill

O. B. Hill, who just a short time ago assumed the operations of the Kay Fair Department Store in Alamogordo, quite readily demonstrated his executive ability by his quickness to appreciate the obligations and responsibilities of his new position, and to conduct his affairs accordingly.

Although he has been operating the business for a comparatively short time, he has already made many new friends and satisfied customers for the Kay Fair Department Store.

Mr. Hill is an active, energetic man whose sincere and friendly personality and desire to be of service is rapidly earning a place for him in this district.

He has already taken an interest in community activities, and in due course of time will assume his full share of civic responsibilities.

O. B. Hill deserves a word of praise for having so quickly established himself in his new endeavor, and we are glad to give him this brief, but sincere mention.

Mr. & Mrs. E. N. Collins

Good motels and tourist courts are indispensable to the progress and development of a growing city such as Alamogordo. And the Alamogordo [illegible]

"Ed" E. Staley

The quiet reserve and air of confidence which distinguishes the professional activities of Dr. Edmund E. Staley of the Miller Veterinary Hospital, a veterinarian who is well known throughout this entire district, mark him as a man of sound judgment and has won for him the sincere appreciation of those citizens who have had occasion to consult him professionally, or have been associated with him in social or civic activities.

Dr. Staley is one of those solid citizens who, more often than not, has placed the welfare of the community before that of his own. Thus, it is only fair that he be included in that group of men who, by their attention to civic and public projects, have aided in the growth and progress of Alamogordo, and who can be counted upon in the future to continue to devote a part of their time and energy to those projects contributing to the onward progress of the community.

It is public spirited citizens such as "Ed" Staley that we take pleasure in bringing before our readers in making this review of progressive business and professional men of Alamogordo.

Mrs. A. H. Justice

In singling out some of the more progressive business people of Alamogordo, we should be censured should we fail to include Mrs. A. H. Justice of the Charm Dress Shop, located at 1509 10th. She is a woman who has never spared herself in her participation in both business and civic activities of the city.

Mrs. Justice has always been conscious of her civic responsibilities, and is ever ready and willing to meet in every detail those opportunities which come to her attention to further civic enterprise. She may well be proud of her achievements along these lines.

She deserves a great deal of credit for the honest and successful manner in which she has conducted her business affairs. She is a friendly and likeable personality, whose sincere desire to be of service has gained for her a host of friends and acquaintances in and around Alamogordo who would, if given the opportunity, join us in wishing her many more years of continued success.

Dovie Pruett

To serve the public honestly, efficiently, and cheerfully is the basic foundation many progressive business men and women of Alamogordo have found to be the shortest route to success. In making this statement, the person we have in mind is Dovie Pruett of The Bottle Shop. The popularity and patronage enjoyed by her many services accentuates the ideals of courtesy and efficiency which she has consistently applied in the management of the business and in the servicing of its patrons.

The conduct of such businesses, and the people who operate them have done much to make Alamogordo the business center for many miles around, and it is fitting that we give credit where credit is due to such citizens as Mrs. Pruett for her part in the onward progress of the city. In doing so, we are merely putting into words the opinions of those who know her.

Dovie Pruett has earned her success by the method in which she has served the public, and accepted both civic and business responsibilities, and we wish her every success in the future.

Les Mason

Alamogordo has attained a prominent position in the business and industrial life of this section of New Mexico because of the foresight of those men who had the ability to envision the possibilities of the community, and the trade area it serves.

And a wide awake progressive man who justly should be included in this category is Les Mason of the Western Floor Company.

Such men have, many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city, and Mr. Mason has earned the good will and respect of his fellow citizens for contributing his bit to the general welfare of the city and the people as a whole.

It is our duty to include Les Mason in that group of progressive and civic-minded people who have done so much for Alamogordo, and to express the wish that he will continue for many years to forge ahead with the success which he has enjoyed in the past.

J. H. "Jim" Thompson

There are many men in their chosen fields who have gained recognition for the progressive manner in which they have conducted their business and accepted their civic responsibilities but who will not permit much to be said of their achievements.

But in [illegible] group of such citizens we should include J. H. "Jim" Thompson, well known and completely reliable surveyor, for he is a man who has always done his [illegible]

Willie B. Makinson

Recognized as one of the more progressive business men of Alamogordo, Willie B. Makinson of the P & W Distributing Company, authorized dealer for Norge Electrical Appliances, and building materials, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in a large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has, and continues to build up good will for the P & W Distributing Company throughout this entire district.

Mr. Makinson is deserving of praise, and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate Willie Makinson on his splendid record, and trust he shall continue to serve the people of Alamogordo and vicinity.

Max Thomas

A drive-in operator of Alamogordo who has based his success upon the belief that the public will appreciate good food, well prepared and appetizingly served, is Max Thomas of the Broil-Ette Drive Inn, whose many friends and customers by their daily patronage of his popular eating place, attest to the soundness of his policy.

It is not only because of the successful management of his business that Mr. Thomas has come to be recognized as an asset to the community; but it is also because of his policy of "looking ahead," and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of Alamogordo and the people as a whole. He is another of those men who has shown his appreciation for his success by a willingness to contribute of his time and efforts to the promotion of community projects.

It is such men as Max Thomas whom we are privileged to include in this review, and to publicly give him due credit for his success in business and civic affairs.

Bernice Duggins

A city grows and prospers by reason of the public-spirited men and women who take an active interest in its development. Alamogordo has its share of these progressive and civic-minded people, and one who is deserving of recognition is friendly, likeable, Bernice Duggins of the D & B Upholstery Company.

Her business ability, coupled with a sense of obligation to her many satisfied customers have been major factors in maintaining the D & B Upholstery Company in a position of leadership throughout Lincoln County. She has not only in her business activities but also in her attention to civic duty assumed an active part in community affairs.

Mrs. Duggins has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city, and her efforts are deserving of commendation and support.

We congratulate Bernice Duggins on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

William W. "Hoppy" Cassidy

It is fitting in this review of progressive Alamogordo business men that we acquaint our readers with the man to be credited with having maintained the Red Rooster Bowling Lanes in the enviable position they hold in the recreational life of this entire district.

That personality is William W. "Hoppy" Cassidy, the manager, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which the bowling lanes now enjoy among the keglers of this district.

Mr. Cassidy has found time, in addition to his business interests to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city.

We are glad to pay this brief tribute to him, and to say that this district owes much to the many benefits which "Hoppy" Cassidy and the Red Rooster Bowling Lanes have rendered to the people of Lincoln County.

E. G. "Jake" Allen

It isn't the size or volume of a man's business which determines its value to the community in which he lives, but rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of E. G. "Jake" Allen's business to Ruidoso is a reflection of his progressiveness, and a determination to render the utmost in service, a policy which has caused the Ruidoso [illegible] Company, to be so well thought of and so widely patronized by the people of Lincoln County. [illegible]

Ethel Robertson

We wish in this edition to pay tribute to Ethel Robertson of Robertson's Day Nursery for her many services to the city of Alamogordo, and her splendid record of achievements in the business life of the city.

Mrs. Robertson probably has as wide a circle of friends as any other woman we could name, because she is just naturally the kind of person who makes friends with almost everyone, and always conducts herself in such a manner as to deserve the respect and good will of all who know her. Alamogordo is fortunate in being able to number, among its more progressive business people, citizens of this type.

She is always ready and willing to lend her support to the promotion of any project which promises to benefit this entire district.

She may be depended upon, and her services to the people are too many in number to be described here. It may be sufficient to say that we consider Ethel Robertson as an asset to the community, and a progressive business woman of whom her city may be proud.

Vera Lee Burton

It is because of the unfailing optimism and faith which she so consistently displays toward the future of Alamogordo and vicinity that we are prompted to call the attention of our readers to the excellent service which Vera Lee Burton of the Palace Transfer & Storage Company, authorized agents for Allied Van Lines, performs in the successful management of the business.

Mrs. Burton is an aggressive and resourceful personality whose progressive policies have earned for her a widespread reputation as a business woman of more than average ability; and her apparent willingness to devote some of that ability to the promotion of civic activities further enhances her value to the city.

The safety and efficiency of the operations of the Palace Transfer & Storage Company, reflecting as it does the executive ability of this woman, has earned for the company a well deserved popularity among the people they serve. We are glad to give Vera Lee Burton the credit she so well deserves for her achievements, and to wish for her a continued successful career as one of Alamogordo's more progressive business women.

Homer C. Cox

Generally speaking, civic pride is one of those things that goes hand-in-hand with success, because a man must have been successful to fully appreciate the advantages that were afforded him by the community in which he lives.

And Homer C. Cox of the Cox Trailer Service, is one of those dependable business men of Alamogordo who has shown his appreciation for his success by his attention to civic matters. His willingness to become a cog in the wheels of community progress, whenever united effort is needed to put over some movement or project advanced for the good of the city, has always been taken for granted.

Mr. Cox's quiet assumption of responsibility, not only in connection with his own business, but in regard to other matters as well, has often lent a feeling of confidence to others interested in the same movements.

In complimenting Homer Cox upon his high standing in the community, we do no more than express the admiration and respect of his many friends and associates.

John Corbett

John Corbett is one of the more successful restaurant operators of Alamogordo who, by maintaining a constant standard of service and high quality foods, has made the State Cafe one of the more popular eating places in the community. We are glad to give him credit for his well-earned success in a field which is so highly competitive.

It is also a pleasure to give him credit for taking part in community affairs and lending his assistance to various activities and public projects. When to take part in such matters he always does so without ostentation, but in a quiet manner which lends dignity to his cheerful acceptance of his share of the civic load. It is a pleasure to be associated in the promotion of community activities with such a man as Mr. Corbett.

This review of progressive and civic-minded people of Alamogordo would not be complete were we to fail to include John Corbett. His is the kind of success which deserves recognition, and we wish him many more years of the same.

Joe Bickle

The true value of a citizen is not gauged by his personal success, but rather by the manner in which he shares that success by his contributions to the community in which he lives. A city grows and flourishes according to the number of public-spirited men and women who compose its population.

And Joe Bickle of Joe Bickle Sand & Gravel, serving the people of Otero and Lincoln Counties, is one of those men who has given much toward the development of Alamogordo and vicinity. He has turned his personal success in the business field to the advantage of the people as a whole, and has accomplished much toward making the city a better place in which to live.

Mr. Bickle's thorough knowledge [illegible]

Sid West

One of the better informed real estate and life insurance counselors of the city is Sid West, agent for the Southwestern Life Insurance Company.

He has been operating a complete service for his large clientele over a period of time, and during that time he has made a great many friends both for himself and for the companies his agency represents.

Mr. West has also contributed considerable of his time and energy to the growth and progress of Alamogordo and this district, and has been content to take his reward in the quiet knowledge of a work well done, and the respect and admiration of his many friends.

The value of such a man to his city, and the surrounding territory cannot be overestimated when considering the many personal sacrifices he has made in order to contribute to the general welfare of the community as a whole.

We congratulate Sid West on his splendid reputation, and wish for him a continued successful career as a leader in the life insurance and real estate field throughout this entire area.

E. J. Kidd Sr., and Earl Kidd, Jr.

When a city like Alamogordo has gained recognition for being the trading center for many square miles of the surrounding country, it is because of the foresight of those pioneers of earlier days who had the vision to realize the possibilities of the city, and who also had the ability and courage to work for the fulfillment of that vision, and E. J. Kidd Sr., is a man who belongs in this category.

Alamogordo owes much to those men of earlier days, but each succeeding generation must produce its share of business and civic leaders to assure the continued growth and prosperity of the city.

It is also the purpose of this review to call the attention of our readers to some of these present day leaders, and in this instance, we particularly wish to point out and pay tribute to Earl Kidd Jr., who is associated with his father in the operation and management of Kidd's Grocery & Market, and the Mountain View Trailer Park.

Mr. Kidd and his son Earl are not alone in their efforts to increase the prestige of the city, but they are fine examples of the type of people whose combined efforts are responsible for Alamogordo's past and future prosperity.

Herbert H. and "Bob" Callaway

It is not always the kind of a business which determines its importance to the community. But, more or less, the methods used in its management. The services rendered to the public. And the way in which it meets both business and civic obligations.

The cheerfulness of the entire personnel of the Herbert Callaway Firestone Store, in their contacts with the public. And the ready acceptance of all business and civic obligations by Herbert H. and "Bob" Callaway, proves conclusively that they are men who are well-versed in the principles of successful business management.

As most people know, this firm is a leader in their particular line of business. This is partly so because of their long experience, but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment Mr. Callaway and his son Bob, for the successful management of their Firestone Auto Supply Store, and for their many contributions to those civic projects aiding in the growth and progress of Alamogordo and the adjacent territory.

Angus & Bonito

By EULA CORDER

Sunday was a beautiful day in the mountains. Made one realize that the summer rush to the mountains isn't so far away, as there were worlds of people up Bonito Canyon for picnics and just a drive in the tall pines. There were lots of fishermen up also but the lakes and river in this area were not open. It has been reported that Nogal Lake was stocked Monday. Hope this report is true, if so, should be good fishing in Nogal Lake soon.

Word has been received that Ben Pfingsten's niece in Lubbock, Tex., will be married the 14th of June at the First Methodist Church at Lubbock. She is Mary Emma Pfingsten, daughter of Mr. and Mrs. C. Marvin Jones, T-Bone Moore of Odessa, Tex., and party flew to Silver City, N. M., one day last week. Mrs. Jones' brother John Menges of Reserve, N.M., met the lion hunting party there and took them on to Reserve where the lion hunt was staged. The first day out the dogs found a lion trail and trailed the lion for a long ways, as dark caught the party the hunt was called off for that day. The second day out the men came upon a fresh kill. The lion had partly buried a deer after eating his fill, but the lion was not found. Some of the men were not used to the strenuous ride on a horse in the rough terrain, so the lion hunt was called off until another time. The hunters came back home tired but reported a wonderful trip.

Corder, and also Eula's parents, Mr. and Mrs. M. S. Littleton.

Visitors with the Charley Elams this week-end were Mrs. Elam's sister, Mrs. Emma Pruitt, son Jerry and friends, Kenneth Carr and Joyce Clark, all of Roswell.

DESTINATION: Church

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Monday	Psalms	84	14
Tuesday	Psalms	96	1-13
Wednesday	John	20	1-18
Thursday	John	21	15-25
Friday	I Corinthians	15	1-20
Saturday	Revelation	3	1-20

Mother's wearing her smart new hat, Susan's curls are brushed till they shine, and Dad's looking pretty sharp, himself, in that pale gray suit.

If the Browns look like a family starting off on a pleasure ride — well, that's exactly what they're about to do. They're going to church.

The Browns are regular churchgoers. But, this is their secret. They go to church not only because they feel they should, but because they want to. Church, for them, is one of the most joyous occasions of the week.

No one ever said that going to church had to be a glum, long-faced affair. Going to church isn't a duty. It's a privilege.

Make church your destination this Sunday. And go joyfully.

Portales Editor Reports On Visit Of White Oaks' Pioneer Resident

(From Al Stubbs' Column in Roswell Record)

Many people from this area have traveled to White Oaks, famed mining town of yesteryear which is a ghost town now. A half of column of type about the lone resident of that town in the Portales News-Tribune is interesting. It is written by Gordon Greaves, editor. Greaves writes:

"One of New Mexico's distinguished citizens is visiting in Portales this week—Dave Jackson, a man whose life has spanned the 60 years of the ghost mining town of White Oaks in Lincoln County.

"He is here visiting the Frank Kelts, and renewing acquaintances with other former residents of the White Oaks community of a half century ago.

"Frank Kelt's father was a miner in the Homestake mine during the time that Dave Jackson and two other men were trying to revive it after it had been closed by the corporation who owned it.

"He arrived at White Oaks one year after the mysterious slaying of Col. Fountain on the desert near Alamogordo, and of course some time after Billy the Kid's escapades. But he knows intimately many of those who figured in the Lincoln County War. Many of them are now buried in the White Oaks cemetery which he now tends faithfully.

"The remarkable thing about Mr. Jackson is that at the age of 86 he has such a vivid memory and such a zest for living.

"'Surely goodness and mercy have followed me all the days of my life, and I shall dwell in the house of the Lord,' he says humbly for he is a devout man who tempered the wide-open mining town with Christian love and charity.

"He says that he was born in Collins County, Texas, and wandered to El Paso, as a young man where he heard of a community in New Mexico that was 100 miles from the nearest railroad. He decided to investigate, and took a stage to the remote town of White Oaks, then the largest town in Lincoln County. There wasn't an Alamogordo or Carrizozo then, and Lincoln, to the east, and Three Rivers to the south, were the nearest communities.

"He got a job in the mill, and soon thereafter was accepted as a responsible citizen, for he was placed on the election board, and served on that board from 1898 until three years ago when his health forced him to spend the winter in El Paso with one of the daughters of his former partner.

"He has so many friends of the old days that he says that he finds it difficult now to spend any time at all at his home in White Oaks. There he loves to visit with tourists who find the remote trails leading into the crumbling old town.

"'They come to me as strangers, and leave as friends,' he says.

"His wife passed away in 1954, and his old friends don't like the idea of his living alone there any more, but he smiles and says:

"'I love those hills.'

"In these day of racial tension, it is cheering to know a man like Dave Jackson. For Dave Jackson is a Negro, and as fine a man as we have ever known."

Woodwork Shown In Rotary Program

Roy Anderson, Rotarian himself, provided the program for Tuesday's noon luncheon session of the Ruidoso-Hondo Valley Rotary Club here with a discussion and display of woodwork. Rev. Paul S. Van Dyke, program chairman, introduced Anderson, who had on exhibit coffee tables, lamps, bowls, book ends and other such items. He told of his interest in working with wood which dated back to his boyhood days. He served as an apprentice in a furniture factory in his youth. Some of the objects he had made were from myrtle wood, which came from Oregon—and they included table legs, salt and pepper shakes, etc. A prize display was a coffee table made from a burl with exquisite design in knots and grain. He said reading lamps he makes, some of which he had on exhibit, cannot be turned out fast enough to satisfy the demand. Some of the wood he uses comes from our own forests, and include aspen, juniper and walnut.

Visitor was Tom Mann, Roswell.

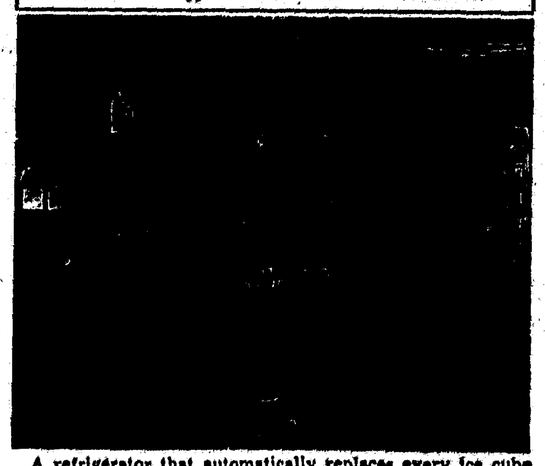
How to Say "America" in Russian



A refrigerator that automatically replaces every ice cube and stores them, a dishwasher with a dial to select any one of four washing or rinsing cycles, built in ovens, counter top ranges and a combination washer-dryer that washes and dries in one continuous operation are a few of the features found in the Whirlpool all gas modern kitchen, selected by the U.S. Government for the forthcoming American National Exhibition in Moscow. When the exhibition opens next summer, this kitchen will be used to prepare typical American meals. The Whirlpool Corporation will also display an electric "Miracle Kitchen" of the future that features "appliances of tomorrow."

Journalism Students Visit News Office

By DIXIE DRYDEN MILLS
(R. H. S. Journalism I)

Ruidoso High School Journalism I class visited the Ruidoso News office last Wednesday and Thursday. The purpose of the visit was to learn more about the production of a paper.

The Ruidoso News is published every Thursday and is sent all over the United States and many foreign countries, with most copies going to Texas and New Mexico. An average of about 1600 papers are printed weekly in the winter and approximately 2,000 in the summer.

To print a paper after all information has been turned in, the first thing to do is to set the type. This is done by a linotype machine with one individual operating it. After this has been completed, the type is put into large, square forms which make up the pages of the news. The final step is the printing of the paper itself. This is done by a huge printing press which turns out about 1200 an hour. The press is run twice or more if the paper is more than four pages.

Besides the Ruidoso News, the office also prints posters, envelopes and programs such as RHS football programs.

Any past information which is needed can be found in the large file books which date back to 1946. These contain all copies printed over the 12 year period since the establishment of the paper by Ida and Lloyd Bloodworth.

Mr. and Mrs. Vic Lamb are the editors and publishers, and Jim Lamb is their associate. Other employees at the office are Harry Eckert, printer; Claud Miller, linotype operator, and R. C. Buckner, printer.

Among those who visited were Beverly Watkins, Dixie Dryden Mills, Shirley Halladay, Paula Donnelly, James Russell, Carla Carrell, Amos Hale, Ola Sanchez, Barney Rue, Judy Beavers, Jerry Maroney, Jerry Jones, Lynna Kay Sisco, Freddy Byers, Kletis Perry, Lorena Sanchez, Skippy Spears and instructor Cy Leland.

Baptists of Lincoln County met at the Green Tree Baptist Church of Ruidoso Downs Tuesday evening for a special evangelistic rally. The association of Baptists includes the five churches in this county affiliated with the Southern Baptist Convention.

Speakers for the Green Tree Baptist Church meeting were the Rev. J. M. Kerr, pastor at Capitan; Rev. Ed C. Terry, Ruidoso Downs pastor.

Rev. Kerr spoke on "The Power of the Holy Spirit in a Revival," while Rev. Terry had as his subject "The Church Members' Task in a Revival." Following the messages, all present enjoyed a fellowship and refreshments served by the host church.
