Around Town

—By Nosey Waters—

One cuppa coffee is due from Woody Howard. He says he wants us to plug the fact his new New Mexico Glass Co. installed the glass in the remodeled W. R. Long building on Highway 70—future home of a big 7 and 11 food mart. . . . Hollywod Gulf Service is sporting a new concrete apron installed last week for its drive-in. . . . A Roswell dairy (not serving Ruidoso heertofore) is reportedly here soliciting customers in the residential section (and business, too) for house-to-house delivery of milk. . . . Henry Jackson has tires for sale at $1.50! . .

Executive Vice-President T. B. Hood says he wouldn't be surprised to see deposits in Ruidoso State Bank reach 4½ million dolars this summer. . . . Mrs. Exa M. White won a $100 bill (the first of three) offered by the Rotary Club in a fund raising campaign to get money for equipping a hospital room in the new hospital annex now under construction. Another $100 bill will be given July 4. . . .

Local volunteer firemen were called to stomp out a grass fire near Thunderbird Lodge one afternoon last week—started by a little feller aged six who was playing with matches. A similar fire near Blue Spruce, started under similar circumstances, occurred about a month ago! . . .

Had a cup of coffee the other day with State Rep. Glen Bradley up from Hondo, and County Commissioner Clint Sultemeier of Corona, who both report progress is being made in trying to get an improved road east out of Corona. Looks like contract will be let maybe this year! . . . We saw former Ruidoso State Policeman, Sgt. R. W. Driggers, on Albuquerque TV the other night. He was pictured with a group of Albuquerque people who stopped night drivers for a cup of free coffee to help alleviate the Memorial Day week-end highway death toll. . . . Betty Bennett, former Ruidosoan and now of Alamogordo, has a real estate license and a notary commission now and is located in Investors' Realty Co. office in that city. Her pop, Clayton Bennett, and mom, Mrs. Bennett, were up last week-end to see some Ruidoso folks and reported on the new job for Betty. Clayton is hanging around at the same office, he tells us. . . . With a party of Ruidosoans, the editor and family went up the South Fork of Eagle Creek Sunday in a Jeep, took off on a side canyon and rode for two miles along the route surveyed for a road into White Mountain Park. Tom Mann and crew did the surveying, and the route opens up some beautiful scenic trails for those who love to drive in the mountains. It will be a real treat some day to make this trip by car. From Ruidoso we figured it would be only a little more than 13 miles into White Mountain Park by this route, which has an 8 pct. grade for the steepest portions in some places. (It is 12 miles to the top of Mon Jeau). The [illegible] will be utilized by developers [illegible] Mountain Park into a snow [illegible] resort. The U. S. Forest Ser[illegible] Mann make the survey and the road may be started in 1960! . .

Paul Matthews and Jovan Donathan enjoyed trying out Jovan's 8½-foot shop-made boat on Carlsbad Beach lake at Carlsbad last week-end. . . . Fifty additional rental boxes have been installed at Hollywood postoffice—and they almost all are taken already, Mrs. Lee Wimberly, postmaster there, said this week. . . . At Ruidoso Downs, Mrs. Harley Parnell tells us that no longer will the service lobby of the postoffice be closed during the noon hour, as was the former custom. Remodeling and changing around there now enables the office to be left open while the Parnells are off to lunch. . . . Emmett and Sally Reese just drove off—destination unknown (nor did they care) when they left on a vacation tour last week-end. Before leaving they had to brag a little about their daughter, Mrs. Jo Betty Reese Allen, who was one of five business majors graduating from college this year who was given a $100 cash award by the New Mexico Certified Public Accountants Association. . . .

Who was the gentile young matron here who, looking out the window of her home, spied a stranger standing in her freshly planted flower bed and screamed in a very unladylike fashion, "I take a dim view of people who stand in my freshly planted flower beds!" . . . Improved mail dispatching at Ruidoso Downs postoffice has been inaugurated with a mail pick-up Monday through Friday at 4:41 p. m., Postmaster Dorothy Parnell reports. . . . The C. W. Byers report they have some shasta daisies they will give to anyone who will plant them in our cemetery. They're not for yard use—for the cemetery only, they report. . . . Wagon Trail outdoor barbecue cafe on U. S. Highway 70, known as Wagons West last year, hopes to be open this week-end for the summer season. . . . B. T. Coker is here from Wichita Falls and has opened his downtown shooting gallery. . . . Postcard from Nannie Lou Dodson and boys, in California on vacation, reports she's having trouble with Los Angeles' throughways.

Coincidence: Early Monday, Austin Pritchett, assistant postmaster at El Paso, came in our office and subscribed to the News, saying: "We have a cabin here and hope to retire in Ruidoso in about five years and want the paper." He hadn't gotten out of sight before Mrs. E. U. Brecheisen of Odessa came in the office and said: "We have a cabin here and hope to retire in Ruidoso in a few years and want the paper." Both have cabins in Paradise Canyon. . . . Jim McEuen was given a $10 check and a letter from Regional Forester Fred Kennedy at the Ruidoso Ranger Station Saturday morning by local Ranger Sam Sinclair for a suggestion Jim made to help pin down the location of fires quicker. He suggested the tops of lookout towers be painted fluorescent orange (as planes are now) so that aerial observers can find them easily and sight from them. The suggestion was passed on to other forest districts as "optional." Jim has two other suggestions in the mill which may earn a cash award for him, one of them concerning a 50-gallon water tank with pump, that can be carried in a pick-up to help fight fires alongside roads, or where a pick-up can go, or for use in replenishing back pumps. "Such an arrangement is convenient for fighting those man-made fires that usually are located in picnic areas, are in easy-to-reach spots near roads." Others at the local ranger station helped McEuen perfect the time-saving idea. . . .

Thanks, thanks, thanks to D. B. Wheeler and wife down at Monahans, Tex., who have a 24-hour a day service station—McClain's, for sending us some more of those ball-point pens—our favorite writing tools. We're expecting them up for a pop call soon. Anybody reading this paper who will be driving through that town is invited to pull in their station and tell 'em, "Fill 'er up!" . . . Bill Ramsey at the new Buff-E-Teria tells us about a one-in-a-lifetime customer who paid IN ADVANCE for five meals a day for his family for the rest of the summer. The father of the family had to go back to his home town to work and leave his family here. After trying out the new dining place, he made a deal with Ramsey to feed his family of five at least once a day for three months! . . . Troop 72 of Odessa, Tex., sponsored by the Humble Pipeline Co., was here in its private bus last week-end with some adult leaders. They're to have a new [illegible] summer cabin up [illegible]. Bill McCarty of Ruidoso has helped put down the foundation for it. . . . Mrs. [illegible] Lee Carter, our Bonito correspondent, tells us 15,000 small fish and four to five thousand 10-inch trout were planted in Bonito Lake last week to get ready for the 1959 fishing season in that beautiful pond. . . .

CAPITAN SEEKS SEWER SYSTEM

(Contributed)

The State Health Department is indeed glad that Capitan is virtually assured of a modern sewage treatment plant. Such a plant will not only eliminate many potential sources of disease, but will also deprive flies and other disease carrying insects of their favorite breeding places. Capitan is very fortunate that its citizens and officials take enough pride and interest in their community to expend the time and effort that a project such as this requires. In this case their efforts have produced an additional bonus: The Federal Government has agreed to pay thirty per cent of the project cost. The Federal share amounts to $12,712.82 in this case, and this is an outright grant which is being made to Capitan solely for the purpose of obtaining adequate sewage treatment facilities. It should be pointed out that this Federal grant may not be available at a later date since the funds for this purpose are limited and there is no assurance that yearly appropriations for such aid will be continued.

The Health Department strongly urges the people of Capitan to approve the sewage bond issue on June 12th; they have certainly had enough experience with private sewage disposal systems to realize that these devices are merely a stop-gap measure. Even at their best these systems are expensive and troublesome to operate, especially in Capitan where soil conditions result in very slow and limited absorption of liquids. In the long run the cost of maintaining such a system is many times the amount that a municipal sewage plant would cost each individual property owner.

The immediate health and economic benefits which Capitan could derive from a modern sewage system should be clearly evident. However, these benefits are not the whole story. If a sewage system is installed, Capitan will undoubtedly grow at a much faster rate than would otherwise be possible. This growth will be a healthy growth, not the deterioration which commonly develops in the absence of adequate sewage treatment facilities.

Capitan Sets Sewage Bond Meet, Election

(Contributed)

Mayor Rench of Capitan has announced that a special meeting of the Village Board of Trustees, held on May 26, set June 12 as the date for a mass meeting on the sewage bond issue and June 16 as the date for the special election on the bond issue.

Mayor Rench expressed his hopes that there will be a large turn out for the mass meeting which will be held in the Capitan High School on June 12th at 7:30 in the evening. The purpose of this meeting is to answer any questions that people may want to ask regarding the proposed sewage plant and its effect upon the community.

A well-rounded and informative program is planned and there will be no long speeches since the meeting will be conducted on a discussion basis. Mr. C. H. Ward of Ruidoso will show a thirty minute movie which gives an interesting account of the relationship between community health and sewage disposal. Naturally, the Capitan Village officials will be present as well as representatives of the Health Department and the Village of Ruidoso.

Mayor Rench strongly urges everyone to attend this meeting in order that they may have their questions answered and perhaps learn more about the benefits which Capitan could derive from a modern sewage treatment plant. The Mayor stresses the point that the purpose of this meeting is to prepare people to vote intelligently on June 16th.

New Insurance Real Estate Office Opened

Occupants of a new business building moved into their modern quarters this week.

Constructed by Jones Construction Co., the building measures 45 feet wide by about 20 feet deep, and houses the business office for Ponderosa Heights, developed by Lloyd Davis, Sr., and family; a pioneer real estate agency, and Ruidoso Credit Bureau, operated for many years here by Cy Leland, Sr., who has his son, Cy, Jr., as associate, and an entirely new business, that of insurance, to be operated by sons of the elder businessmen, Lloyd Davis, Jr., and Cy Leland, Jr.

All finishing touches were almost done on the new structure, which has four offices, a main lobby and rest rooms, but a formal opening announcement is to be made later this month.

The building is located on Main Road opposite Furry's Sneak Shop in the postoffice block.

Jones Construction plans an office building adjoining the Davis-Leland office.

State AA Meet Again Slated Here

Carrizo Lodge at Ruidoso again will be the site for the 1960 annual New Mexico State Conference of Alcoholics Anonymous, which closed a three-day session Sunday at the Lodge.

At this year's conference, which opened May 22, there were 111 members registered, representing 37 different cities. Many of the members arrived on the opening day and remained until the closing session.

A number of speakers appeared on each day's program.

Throughout the three-day event, all meals for the delegation were served at the Lodge.

The 1960 meet will take place during the week prior to Memorial Day.

NEW TRUSTEE AT RUIDOSO DOWNS

M. P. Matthews was named village trustee at Ruidoso Downs in the village board meeting there last week. He succeeds Homer Allison who has moved to La Luz. The board also approved allowing the Elks Lodge to dispense liquors to members at a special license of $100 a year.

RUIDOSO'S LINDA MOORE IS 'MISS ALBUQUERQUE'

Linda Moore, graduate of Ruidoso high school and daughter of Mrs. Ruth Moore, was picked as "Miss Albuquerque" in an afternoon and night competition last Friday in Albuquerque, staged by Albuquerque Junior Chamber of Commerce, to be representative Aug. 7 and 8 in the state-wide Miss New Mexico contest to decide an entry from the Sunshine State for the Miss America Pageant in Atlantic City. The state contest will be in Farmington.

Miss Moore, also a graduate of Christian College, Columbia, Mo., and attending the University of New Mexico in Albuquerque, was one of 15 in the contest. They were judged on talent, beauty, charm and other attributes. For her talent number, televised over KOB-TV, she played the piano. She won a $1,000 wardrobe and a $350 scholarship by winning the Albuquerque title.

NEW C. OF C. BUILDING— Greeting and serving the thousands of vacationers in the Playground of the Southwest this season is the beautiful new Chamber of Commerce building, located on Main Road at Two Rivers Park. Interior and exterior views show the fine accommodation for this service organization. The large lobby is big enough for meetings of various kinds. It has a fireplace, large work tables, comfortable lounge and other features. Mrs. Emma Rodmann stands behind counter in office where she works, in interior shot. Building was designed and constructed under supervision of Elmer Pirelli, and donated labor and materials held the cost down to about $6,000.00. It is valued at almost twice that much. Plans also were completed for attending the Lions State Convention slated at Alamogordo. A large percentage of the membership plans to attend. The Ruidoso Lions will have four voting delegates there. They are LeRoy Gooch, Jack DiPaolo, Dr. W. D. Horton and Paul Vance.

BARBECUE STAND, OUTDOOR PICNIC AREA OPENED BY LUBBOCK PAIR

For a new and interesting place to dine, the Sid Prestons of Lubbock, Tex., have opened a barbecue pit and sandwich stand at Alto amid the tall pines and scenic beauty of the Eagle Creek country. The Prestons opened last week for the Memorial Day crowds, and reported good business. They have picnic tables set about the area for those families wishing to dine out in the open.

BULLETIN!

Torrential rains and heavy hail hit the Ruidoso Valley Wednesday. Ruidoso received a heavy shower late Wednesday afternoon. Extent of hail damage to valley orchards and ranches was not known here Thursday, but it was feared it might be heavy.

The community of Three Rivers lying west of Baldy was struck by a tornado that leveled a ranch building.

Mr. and Mrs. Harry Eckert were in El Paso Sunday.

HUGE SUBDIVISION TO BE DEVELOPED NORTHWEST OF RUIDOSO

A huge real estate development, Western Hills Subdivision, lying in North Cedar Creek, about two miles northwest of the village of Ruidoso, is to go on sale this mid-summer, with two Fort Worth men and two Ruidosoans having incorporated to place almost 1,000 lots on sale. First stage of the development will be of a portion of the 250 acres in the large tract, Fred L. Richardson, treasurer of the corporation, said this week. The other Ruidosoan in the corporation is Fred Gresswell, serving as secretary.

Roy F. Watson is president and J. P. Boothman, vice-president. Both are businessmen of Fort Worth. Announcement is to be made later this summer about when the subdivision will be open for public inspection. Roads are being run into the area now, and surveying is to be completed in a short while.

Five Donors To Swim Pool

Treasurer D. J. Sovell of Ruidoso Lions Swimming Pool, Inc., said this week contributions had been made by Ed Wimberly, the R. C. Buckners, Ruidoso Enterprises, Dan D. Swearingin, Inc., and W. R. Long towards the proposed swimming pool for Ruidoso. Goal is $65,000 and to date $3,752.50 has been raised.

Rice Sells Home, Auto Store

Announcement was made this week by Bert Rice of the sale of his Home & Auto Store here to H. C. Boyd of Houston. Boyd and wife have owned a home here facing the golf course, on Lower Terrace Drive, for three years, buying a new residence constructed by the R. T. Helms. Boyd will take over the business about July 1. He has been with Humble Oil & Refining Co. for 32 years serving as a geophysical party chief, and working in eight states of the South and Southwest.

Rice said this week he had sold the Boyds the home and auto parts and supplies business, but would retain his shop equipment, and would likely open a machine shop here later this summer.

In Memory Of The Men and Women of the American Merchant Marine

On a gently sloping, sun-drenched hillside in the valley of the Rio Bonito, inside the gateway of field stone and ornamental iron marking the entrance to the United States Public Health Service Cemetery, rises a simple shaft of white stone bearing the above inscription.

On this anniversary of our nation's Memorial Day, the administrative staff of the Fort Stanton Tuberculosis Hospital, led by its Medical Director, Dr. H. C. Jernigan, and its hospital superintendent, Col. L. W. Varner, joined with the seamen of the American Merchant Marine who came as patients and remained as employees, in honoring those whose gallant voyages ended in this peaceful mountain sanitarium. The flag they served so loyally flew at half-mast over the neat rows of small headstones that mark their well kept graves.

Among the veterans who were present for the ceremony were Arvo Mahla, native of Finland, who came to Fort Stanton thirty-six years ago. For many years he has been employed as a mechanic in the maintenance garage. A year later, night chief orderly, Boren Manich, Russian born, was brought to the hospital. Spiro Vallianios, from Greece, employed in the deck department of freighters, was taken ill and hospitalized thirty-four years ago. He is clerk of medical records in the hospital at the present time.

Herbart Totten from Hell's Kitchen, N. Y., who served aboard ships in the steward's department, came to Fort Stanton twenty years ago. When the United States entered World War II, he went back to duty aboard ships carrying essential cargo to the South Pacific. He is the X-Ray technician in the hospital today. Walter Nowalk, orderly in charge of the library and book distribution, came from Seattle seventeen years ago. John W. Kelley, assistant chief engineer, hospitalized from Boston, has been at Fort Stanton ten years. The other seaman from Finland, John Soderback, who spent two years in the hospital, lives in nearby Capitan where he is a cafe owner.

Over six thousand patients were treated in Lincoln County's Fort Stanton Hospital during the years under the U. S. Public Health Service's operation. Today in its sixtieth year of continuous service, Lincoln County is proud of the six seamen who are continuing their pacific fight by assisting the State Tuberculosis Hospital Board's enlarged program for the treatment and control of tuberculosis in the State of New Mexico.

Miss Carpenter Is Honored At Series Bridal Courtesies

Miss Jeanene Carpenter, bride-elect of Jerry Hamilton, is inspiration for a series of pre-nuptial courtesies.

She and her fiance and members of their bridal party will be honored at a rehearsal dinner Friday night to be hosted by her parents, Mr. and Mrs. Ray C. Carpenter.

Miss Carpenter was honoree at a large party given by members of the Woman's Missionary Union of the Green Tree Baptist Church Thursday night.

The refreshment table was spread with a green cloth overlaid with lace. Centering the table was a miniature bride and her bridesmaids, dressed in the colors Miss Carpenter has chosen for her wedding. Also on the table was a large cake in the shape of a church. It rested on a base that resembled a green yard, encircled with a white fence. The centerpiece was made by Miss Jeanene Evans and her mother, and Jeanene also made the special cake.

Punch was served with a variety of cakes.

Miss Carpenter was showered with miscellaneous gifts.

The honoree attended in a two-piece blue suit and white accessories. Mrs Carpenter chose a navy blue sheath dress and matching three-quarter coat for the occasion.

About 50 guests attended.

Another pre-nuptial courtesy for Miss Carpenter was given by Eta Beta Pi Sorority of which she is a member. The party was held at the home of Mrs. Gib Robinson and also was a miscellaneous shower.

Summer flowers decorated the love-spread serving table. Misses Ida Traylor, J'Nevelyn Chapman, Ann Beavers and Jeanie Harris served.

A frock of white cotton was worn by Miss Carpenter and her mother attended in a two-piece costume of brown linen.

The marriage of Miss Carpenter and Mr. Hamilton will take place at 7 p. m. Saturday at the Green Tree Baptist Church.

CHURCH SERVICES SET HALF HOUR EARLIER

Church of the Holy Mount, Episcopal church in Palmer Gateway, will hold its services on Sunday at 10:30 a. m. instead of 11 a. m. during the summer months, it has been announced.

Welcome summer visitors! See the famous Minnetonka moccasins for every member of the family at Lester's Indian Curio, west of the Y on Hiway 70.

Floral Decor Marks Luncheon Meeting At Perry Residence

Beautiful arrangements of iris, columbine and roses were used throughout the home of Mrs. Elzy Perry, Sr., of Glencoe when she hosted the May meeting of the Hondo-Ruidoso Extension Club. Assisting hostesses were Mrs. Scott and Mrs. Roy Nelson.

A covered dish luncheon was served at noon and, afterward, there was a program on Civil Defense.

Mrs. Joe Maloy was speaker. She listed various types of bombs and discussed the nature of their fallout. The speaker stressed the importance of preparedness for possible enemy attacks, and said that everyone should have a seven-day supply of food and water on hand, at all times.

"In case of a major disaster from an enemy source," she said, "the Ruidoso Valley would be an evacuation center for thousands of people. If every Ruidoso family had its own supply of food for seven days already stored, local grocery stores would be able to provide food for three days to the evacuated people."

Mrs. Maloy also stressed the importance of people protecting their eyes from any bright flash occurring from a bomb explosion.

"Assisting in Civil Defense should be a big part of everyone's life," she said in conclusion.

Those attending included Mrs. Ollie D. Wade, Mrs. D. Bagley, Mrs. Jo Hiner, Mrs. Juanita Sultemeier, all of Corona; Mrs. R. K. Knox, Mrs. Pearle Bostian, Mrs. Sam Sinclair, Mrs. Ruth Moss, Mrs. Frankie Smith, Mrs. O. A. Luallin, Mrs. Frankie Weems, Mrs. W. M. Scott, of Ruidoso;

Mrs. Ora Tully, Mrs. Jewell Bonnell, Mrs. Mayme Perry, of Glencoe; Mrs. Edna Purcella, Mrs. J. C. Hoover, Mrs. Nina Nelson, all of Tinnie; Mrs. Ethel Harris, Mrs. O. L. Oldham, Mrs. W. Scott Campbell, Mrs. Mollie Reddy, of Ruidoso Downs.

Mrs. Florence Robinson, Picacho; Mrs. Doris Peebles, Mrs. Gladys Peebles, Alto; Mrs. L. W. Hamilton, Hondo; Mrs. Virginia Coker, Alamogordo, and Mrs. Grace Jackson of California.

San Patricio Pair Have Dinner Party On 25th Anniversary

Mr. and Mrs. Ben Sanchez, beloved residents of San Patricio, Monday celebrated their twenty-fifth wedding anniversary at a large dinner party at their home.

Mr. and Mrs. Sanchez were married June 1, 1934, at San Patricio with Father Salvador performing the ceremony. They have resided there since that time.

All of their children were present for the celebration. Rue-Sanchez Rite Is Solemnized At Catholic Church

St. Eleanor's Catholic Church here was setting for the recent marriage of Miss Olympia Sanchez and Andy Rue. The Rev. Robert Aumen performed the ceremony.

The bride is the daughter of Mr. and Mrs. Carlos Sanchez of Ruidoso. Parents of the groom are Mr. and Mrs. Dudley Rue of Arabella.

The bride wore a floor length gown of white lace and tulle over taffeta. The bouffant skirt extends into a cathedral train. The molded bodice of lace has long, tapered sleeves and the neckline is finished with a small collar. A crown of lace and pearls, edged with tiny flowers, secured her veil of illusion. The bride carried white orchids.

Mrs. Flora Sanchez, aunt of the bride, was matron of honor. Mary Anaya, Josephine Garcia and Jane Sanchez served as bridesmaids.

Parfirio Sanchez was best man for the groom. Ushering were Monroy Montoya, Richard Rue and Cidric Rue.

Mrs. Sanchez, mother of the bride, attended in a dress of light blue silk, trimmed with matching satin. She wore a white hat and slippers and a corsage of white roses.

The groom's mother chose a dress of light green chiffon, white hat and pumps for the ceremony. Her corsage was of camelias.

A banquet was served afterward at the Ruidoso Woman's Club building for members of the wedding party.

The bride this spring was graduated from Ruidoso High School. She was Prom Queen this year and a member of Future Homemakers of America.

The groom is a graduate of the Hondo High School and now is employed at Ruidoso, where he and his bride will reside.

Model Cabin Now Open To Public At Spring Park

Picturesque Spring Park Subdivision, south of Ruidoso Downs, now has a business office and model cabin erected on the 40-acre tract.

Dan Griffith, owner of the subdivision, invites the public to stop by and inspect the insulated cabin, constructed for all-year occupancy, and look over the 24 lots that have been developed and are up for sale.

The developed lots, which are on a hillside overlooking a verdant canyon, surround the old Hale Spring, which provides water for Ruidoso Downs.

Griffith said the subdivision would be "modestly restricted for nicer type of homes and cabins."

Water lines already have been installed and good roads constructed.

"More lots will be developed," Griffith said, "as the need arises."

Spring Park Subdivision is located at the old Johnson homestead, well known in this area for many years.

The group arrived Thursday and that night skated at Skateland, which they visited again Friday.

Before returning to Roscoe, the boys were to visit El Paso and Juarez.

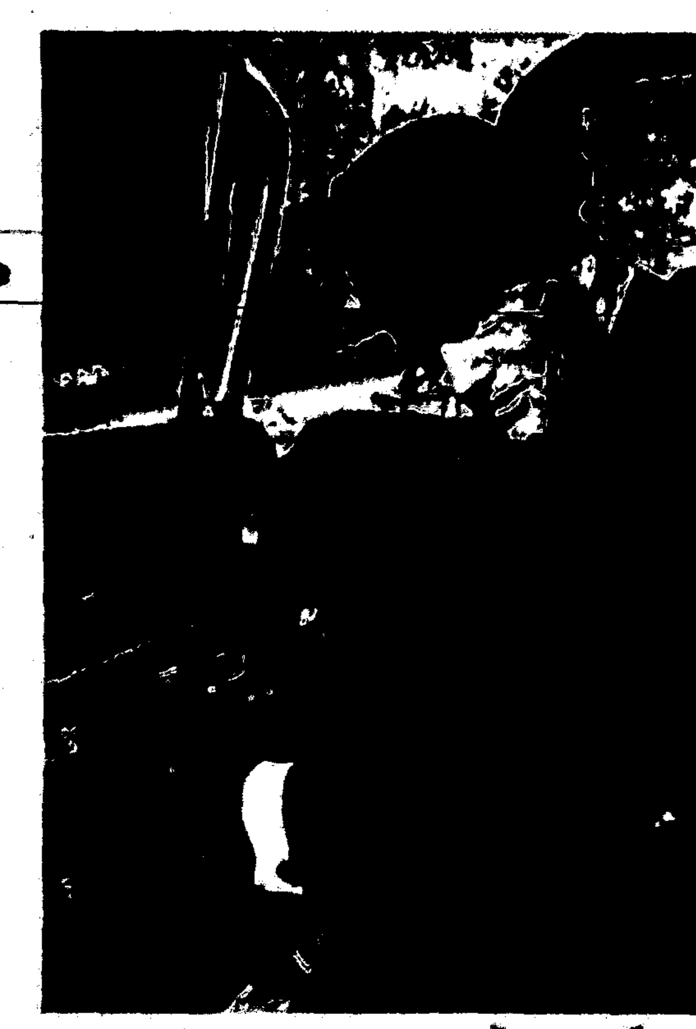
VALUE-RATE the ROCKET

The man who knows value goes Olds!



More and more medium-priced car buyers who want the most for their money are joining the swing to Olds.

Why? Because they figure up all the extra quality features and conveniences Olds has as *standard equipment*. They carefully consider the economy of the Rocket Engine . . . the low-cost maintenance of an Olds . . . its higher resale value. But most of all they ask themselves,

"Is this the kind of car my family and I will be proud to own . . . one that will give us the full measure of fun and comfort we want . . . is this the car whose style will stay in style?"

The overwhelming "yes" can be found in the booming sales success of the '59 Oldsmobile. See your Oldsmobile dealer today . . . Value-Rate the Rocket!

Several Feature Races For Second Week End

Ruidoso Downs swings triumphantly into its second week of racing on June 5 with every indication pointing toward another banner season. All expectations were exceeded last week-end as a 38% increase in attendance and mutuel handle over last year's first go-round.

Spotlighted Friday is the "White Mountain Allowance" for the runners going six furlongs with No Gal, representing W. L. McDonald of Artesia stepping postward the slight choice in a wide open race. This campaigner ran fourth in opening day's Inaugural to Ahba's Bull and could handle this company in his best effort. Frontier Saga, owner-trained by Everett Hale of Lawton, Okla., was a fast closing winner last out and it would be no surprise if she should repeat. Quick Thrust, carrying the colors of the Circle K Stable (Dick Orr) of Albuquerque ran a good race to Wish-U Well and usually turns in a good account of herself.

Aortic is a steady going sort—has had an out over this course; Amio was a good third in her local debut, could do better going this distance; Lady Brownie is a recent arrival from Agua Caliente, has run good races in the past while Condemnation ran well last year and he has had a race.

The "short" horses have a 440-yard allowance holding tenth place on the program with the Arkansas representative, Pana Bar, the likely favorite off of his previous effort. Safety First, belonging to LeRoy Spires of Clairemont, Tex., looms the strongest threat and likes the distance.

'Chisum Trail' Saturday Feature

"The Chisum Trail Allowance" drew a field that will make contention run strong at the Downs on June 6.

Little Timid and Dream Mint look like the probable co-favorites. The former, owner-trained by M. T. Cannon of Amarillo, was a recent winner at Turf Paradise and third in the "Inaugural" on opening day while the latter, representing Claude H. and Alta May Davis of Dexter, was narrowly beaten at the start of the season and should improve off of that effort and was a five-time winner last year. Gold Profit, carrying the colors of Harry Wolf of Nogales, is a product of the well-known Ellsworth Ranch. This is her first season here.

Atomic Jip, Stone Free, Vole and Sleepy Ned round out the well regarded field.

Sharing the spotlight is "The Apache Dash," a 350-yard quarter horse allowance, that drew the cream of the "short" runners. Tidy Too, owned by Ray Seeley of Blythe, appears the probable favorite. This fast filly was the winner of the rich PCQHRA Derby at Los Alamitos recently. The big horse Vannevar, belonging to the Echo Ranch Stable, now of Ada, Okla., will be trying for his first win this year. Redway N.p. leased by B. E. Meadows of Baytown, Tex., won four at the Ponce De Leon Raceway, Bayard, Fla.

Do It For Me is partial to this distance and likes the track; Easter Rose turned in a good effort her first out while Bank Night and Flight Deck appear the outsiders.

Honor Derrick Sunday

"The Hondo Valley Allowance," a three-year-old event that attracted the best in that age group, highlights the Downs June 7 well-planned program.

Berto Barboe of the Circle K Stables (Dick Orr) Albuquerque, was unlucky in the draw but, should he get in, looks like a winner. Local News, owner-trained by Albert Vizcaya of Glendale, was an easy winner his only out here while Mr. Noble, owned by J. F. Rice of Orlando, Fla., ran well there.

The remaining hopefuls: Siglinda, Winnham Lad, Uncle Keith, Star Balance, Broker's Reward, Punkin Young, Sugar Madison and Judillo.

Co-attraction is the "Jim Derrick Allowance" with Outrider, belonging to John D. Ackow of Fayetteville, Ark., appearing the possible favorite off of last week's performance. Red Jones, representing Paul & H. T. Smith of Ardmore, Okla., unusual in that he is a thoroughbred, ran 440 yards at Cranwood Park in Ohio for a new track and American record of 21 and 1/5 (thoroughbred timing).

The remaining contestants: Hopeful Lady, Brandyblaze, Clover Leaf, Steamed Up, Be Bold, May High, Taos Lightning and Safety First.

Jockey's standings through June 3: Elbert Minchey, 51; Jack Wallace, 42; Benny Roller, 26; Robert Scharnow, 20; Richard Lujan, 19, and David Whited, 19.

Trainer's standings through June 3: Jim Curry, 23; Dick Orr, 14; Bob Arnett, 12; R. D. Hay, 12; Jerry Fisher, 11, and Albert Vizcaya, 10.

New Records Set In '59 Opening

Two of the three opening days of Ruidoso Downs 1959 season saw betting and attendance records set. Saturday and Sunday saw from one fourth to one third more attendance and betting than on the same days a year ago. Friday's opening day, however, fell below the 1959 figure. Added all together, the week-end still came out on top as the biggest opening week-end in the track's 13-year history. Total attendance for the three days was reported as 19,400 fans. Total pari-mutuel handle for the three days was $700,166.00 as compared with $589,297.00 for the first three days of 1958.

The opening day saw about 1,000 less attendance than in 1958, and betting was about $30,000.00 less than in 1958. Saturday and Sunday's great surge posted the new high figures in crowds and wagering, however.

Memorial Day Sets Records

The largest Memorial Day crowd in the 13-year history of Ruidoso Downs saw Little Ike, a California gelding, win by a whisker in the six-furlong featured event Saturday afternoon.

Little Ike, owned by D. B. Plummer of Pleasanton, Calif., and ridden by Jockey Oral Topham, withstood a driving finish by Dream Mint to cross the wire first with time of 1:13.6. Dream Mint was second and Aortic, third.

The five-year-old California gelding paid $11.50, $6.50 and $4.

Best pay of the day was returned by Mon Share, owned by Harry Wolf, Nogales, Ariz., in the 12th race, for which win tickets paid $37.50. The longshot boosted the quiniela payoff to $106 for those combining the second horse, Diamond Jack, with Mon Share.

The crowd, estimated at 7500, wagered a total of $262,308 at the pari-mutuel windows, approximately 25 per cent more than the handle of $206,000 a year ago on the same day.

The weather was clear and the track fast but a brisk wind slowed times.

The daily double paid $42.10 for Good Angel in the first and Mr. Freckles in the second. A second daily double resulted, however, after Ak Sue had been scratched in the second race and holders of Good Angel-Ak Sue tickets received $6.80.

First race—6 furlongs—Good Angel, G Ranch, Big Spring, Texas, owners, Emil Armstrong up, 7.80, 4.70, 3.30; Explanation, 8.70, 4.80; Endonner, 3.10. T—1:19.

Second race—5½ furlongs maidens—Mr. Freckles, Shahan and Cunningham, Abilene, Tex., owners, Benny Roller up, 6.10, 3.50, 3.90; Sissy Girl, 4.40, 3.50; Running Texan, 5.20. T—1:09.

Daily double—$42.10 and $6.80.

Third race—400 yards—Rackjabbit, Jack Woods, Phoenix, Ariz., owner, Oral Topham up, 8.10, $4, 3.70; Chain Truckle, 3.90, 3.50; Dandy Mike, 6.50. T—21.3.

Fourth race — 350 yards—Miss Olene, A. B. Green, Purcell, Okla., owner, 6.30, $4, 3.40; Explosive, 7.30, 3.70; Tonta Lass, 2.80. T—18.6.

Fifth race—5½ furlongs—Muriel Helm, Dave Caudle, Lovington, N. M., owner, Jack Wallace up, 14.10, 8.30, 5.40; Double Scandal, 29.00, 13.10; Ready Reply, 6.50. T—1:09.2.

Co-attraction is the "Jim Derrick Allowance" with Outrider, belonging to John D. Ackow of Fayetteville, Ark., appearing the possible favorite off of last week's performance. Red Jones, representing Paul & H. T. Smith of Ardmore, Okla., unusual in that he is a thoroughbred, ran 440 yards at Cranwood Park in Ohio for a new track and American record of 21 and 1/5 (thoroughbred timing).

Longshots Hit Opening Day

Longshots, photo finishes and an amazing performance by hard luck Jockey Wallace marked opening of the 40-day 1959 season Friday afternoon at Ruidoso Downs, now in its 13th year.

Longshots crossed the wire in seven of the 12 races, and Jockey Wallace, injured twice in racing last year at Ruidoso and Tucson, pushed all of his seven mounts into the money.

Ahba's Bull, a 10-year-old black gelding from Tucson, won the featured Inaugural Handicap over 5½ furlongs for the third straight year, paying $9.10, $4.30 and $3.30. Berto Barbone was second and Little Timid third. Time was 1:07.

The Tucson gelding, with Jockey Ramon Figueroa up, took the lead at the last turn and won by a length going away. His owners are J. C. Watton and Bob Arnett of Tucson.

A handsome opening day crowd of 4500 turned out to wager a total of $187,140, kick off quiniela betting for first time in the mountain track's history, and to open the Down's new grandstands. Expanded facilities include a new press-box.

The quiniela, with Sir Canary and Doodsrun first and second respectively in the 12th race, returned $87.10 for ticket holders having the two horses first and second or second and first.

The daily double paid a healthy $311.40 for Johnny Dark in the first and Tet's Flyer, top longshot of the day, in the second. Tet's Flyer, a Glendale, Ariz., horse, returned $44.30 for a win ticket.

Other longshots paid substantial money to their backers in the third, fifth, sixth, seventh, 10th and 12th races.

Jockey Wallace had winners in the first, seventh, eighth and ninth races, with his mounts earning place money in the 10th and 11th and show money in the sixth. Wallace rode as a replacement for Jockey Joe Sherman in the ninth.

Sir Canary, winner of the mile-long 12th race, didn't show until the last turn when he forged ahead on the outside to scramble the quiniela money and pay $24.50 for a win ticket.

Weather was clear and the track fast.

Elbert Minchey, a pint-sized package of persuasion, piloted four horses into the winners' circle and was aboard a second-place horse Sunday to highlight the action as this mile-high track wound up a record-breaking Memorial Day week-end.

More than 7,400 fans who poured $270,720, into the pari-mutuel machines, watched under clear, sunny skies as Minchey and his mates brought form into control after two days of long-shot domination.

Minchey capped a fine day in the saddle as he brought Wish U Well home in front in the featured Jockey Club Allowance. The five-year-old brown gelding broke in front and kept up the pace to turn the six and one-half furlongs in a highly respectable 1:19.8. Trailing under the wire were Atomic Jip and Quick Thrust.

Wish U Well paid $5.40, $3.40 and $2.60.

Minchey's other winning rides came aboard Candlewick in the first, Presentment in the second, and Spanish Charge in the fifth. The show horse with Minchey riding was Forenoon in the eighth.

Minchey's daily double ride was worth $164.50. The quiniela bettors collected $47.90 with a combination of Duck Doctor and Texas Moud in the twelfth race.

The Sunday handle of $270,720 was 38 per cent above the same date last year and bodes well for another record year at the Downs. Crowd attendances were up Saturday as well.

The results Sunday:

TREES AND FLOWERS—Grow lush and tall at the suburban home of Mr. and Mrs. Joe Nelson, near Ruidoso Downs. Mrs. Nelson is famous for her dahlias and this year has 500 of the bulbs planted. Blooming now at the Nelson home are iris, columbine and many other flowers.

Race Horses And Dahlias Can Be Fine Twosome, Says Local Couple

By VIRGINIA CHAPPELL
(Ruidoso News Staff Writer)

Usually, you wouldn't associate race horses with dahlias. Or would you?

Anyway, they're a fine twosome at the Ruidoso suburban home of Mr. and Mrs. Roy Nelson.

Their acreage lies just East of Ruidoso Downs race track in a sheltered glade, where flowers and trees grow lush and tall. And it's an ideal site for the Nelson barns, where track men can stable their temperamental race horses, when they're not pounding the turf at the Downs.

But this is mostly a story about the dahlias and Mrs. Nelson, who grows and loves them.

"I didn't mean to go into the dahlia bulb business," Mrs. Nelson said. (She now sells these bulbs to customers throughout New Mexico and adjacent states).

"It all began as a hobby," she said. "Then, I began having so many bulbs, I just gave them to friends—you knew you simply can't just throw a flower or bulb away."

Dahlia bulbs, she explained, multiply rapidly—from two to two dozen from each original bulb.

As the years went by, her crop of dahlia bulbs increased so greatly that the supply was more than she could give away. The thousands of visitors flocking into Ruidoso each year soon heard of Mrs. Nelson's beautiful dahlias and asked to purchase some of the bulbs.

"And that is how," Mrs. Nelson said, "I got into the dahlia bulb business."

However, she is quick to explain that she does not consider it a "commercial" business. She does not ship any bulbs, simply sells them at her home when customers come there.

Mrs. Nelson now grows 109 varieties of dahlias. Some of the finest, she believes, are California Idol, Mrs. Boutilier, Hunt's Velvet Wonder and Thomas Edison. Other popular ones are Ogden Reid, Carl Dahl, Adirondack Sunset and Betty Zane.

Mrs. Nelson, this spring, planted 500 dahlia bulbs. She has a simple way of marking the planting sites. The name of the bulb and a number is written with pencil on a wooden stick. These are duplicated in a notebook. When Mrs. Nelson digs and stores the bulbs in the fall, the same process is repeated. However, in the latter instance, the number and name is written on a piece of deep-freeze tape and wrapped about the stalk of the bulb. Manure from the nearby stables help to make a fine fertilizer for the dormant bulbs during the winter months.

The Nelsons have lived at Ruidoso for the last eight years.

"I've seen a lot of beautification of residential grounds here during that time," Mrs. Nelson said, "and I know of nothing that pleases me more."

That is the principal reason Mrs. Nelson sells her dahlia bulbs at extremely low prices. Regardless of their fine quality and size, she never sells a bulb for more than 50c. Medium size bulbs are sold for 25c each.

"I just love to see flowers growing everywhere," Mrs. Nelson explained, "and want to make it possible for other people to grow them and enjoy their beauty."

Letter to the Editor

Moscow, Russia
May 22, 1959

Dear Mr. Lamb:

I thought you might like to have a letter from Russia. I have visited three cities here—Kiev (the capital of the Ukrain Republic; (Russia has 15 Republics)—which has 1,200,000 people. It is located in a farming area, where wheat, other grains and fruit are grown.

I understand that about 50 per cent of the Russian people are engaged in farming, while we only have about 10 per cent in agriculture. The wheat fields are green-rolling country. Chestnut trees line the streets of Kiev and they were in full bloom. I visited a school there.

The schools in Russia are housed all together from first grade through high school. Compulsory education for seven years of school. They have kindergartens for young children. All schools provide, free books and if a child cannot afford clothes and food they are provided.

Schools begin at 8:30 a. m. and close at different hours for different ages.

I also visited a factory in Kiev, where 2,000 employees made soles and heels for shoes for 400 other factories. The leather is synthetic. There is enough for all Russian people and they have at least two pairs of shoes a year.

The people look happy, strong, healthy. There are not many cars in Kiev, but lots of trams and buses.

From there, I took a Russian plane to Leningrad—called the Venice of the North—because it is built on more than 50 islands in the Leva River. There are more than 380 bridges in this lovely city of three million people.

Leningrad has a magnificent subway—designed with fast trains, escolators to enter at the stations. Many stations are like going into a big hall of a marble building—statues, columns of twisted glass, or beautiful statuary on columns of marble. There are mosaic pictures at end of the long walkways, very elaborate and only for show. I also visited a marvelous art museum in Leningrad—"The Hermitage," built by Catherine, the second Tzar of Russia (one of three). The crown jewels were fabulous — watches, clocks, rings, bracelets, necklaces, snuff boxes, jeweled dresses of rich brocade, etc.

I flew in a jet Russian plane—70 passengers and every seat taken and I was the only American on it—from Leningrad to Moscow, 500 miles and one hour flying time.

Moscow of 10,000,000 people is big manufacturing center and the capital. Lots of new apartment houses, five to 10 stories high. The New University of Science is huge; has 10,000 students, 45,000 rooms, 38 buildings all in one building; room for 7,000 students to live in the building, and many cafeterias to feed 500 students each. Everything is free—except the food. Russia has compulsory education for seven year of school and soon will be for eight years. However, they only have 10, as the counting is different with the 10th grade meaning completion of four years of high school—very thorough.

I have visited the Kremlin with its many cathedrals, now used as museums. The Palace, now used as government building, and the armory museum, which houses what they call treasures—crown jewels, with the fabulous collection of precious stones in crowns, necklaces, etc. The collection also includes the rich gowns and robes of the Czars and high priests, as well as the chariots. All are in very good condition and beautifully preserved.

I have gone to the opera, ballet and ice ballet at each city. I saw Khrushchev, Nikolan and their guests—some of their ministers at the ballet here. I sat near their box.

There are many delegations here—from Peru, Cuba, Finland and other places. Most of them have been invited by Russian government and all expenses paid to study their form of government and progress that they have made since the war. There were 46 people here from Florida this week. They were just tourists like I am, but in one group. Have met several Americans at my hotel, which is the newest one and the biggest one. It will accommodate 1,500 guests. Reminds me of the Conrad Hilton Hotel in Chicago.

I fly to Oslo, Norway, today. Then Copenhagen, Amsterdam, London to New York on June 4. Home on June 12. Counting the days now until I get back to good USA and the beautiful Ruidoso Valley and Coe Ranch.

Regards to all, and wish everybody could come here.

Louise H. Coe.

Business Here Shows Increase Over Last Year

The tremendous increase of new business concerns opening in this rapidly expanding city and greater influx of summer visitors are reflected in busy offices of municipal facilities.

With the 1959 season just underway, business at the Ruidoso post office already is reported to be a third greater than at the same time last year, according to Joe Dryden, postmaster. A few private postal boxes are still available.

Increase of business at the Ruidoso post office is especially notable as the new Hollywood post office has been able to help expedite postal facilities in the area.

The Ruidoso post office is open from 8:30 a. m. to 5 p. m. daily, Monday through Friday. Hours on Saturday are from 8:30 a. m. to 1 p. m. One of the busiest offices in the city is at the Ruidoso Telephone Co. Although no exact figures are available at the present time, it is reported that activity is "twice as much" as at the same time a year ago. Demands for both business and residential telephones are being fulfilled as rapidly as possible and many new lines are being strung throughout the area.

Due to the stepped up business of the company, numbers of new telephones already installed probably will not be listed before the first of July.

Many new homes also are under construction throughout Ruidoso and several beautiful new subdivisions have been opened.

Ruidoso Downs is anticipating a record season, with 49 racing days scheduled. Final racing day this year will be Sept. 13.

Ruidoso Ranger Will Conduct Special Survey

Ruidoso Ranger Clarence Sinclair will be in charge of a recreational survey in Lincoln National Forest, according to an announcement by Fred H. Kennedy, regional forester of the Southwestern Region.

All kinds of outdoor recreation will be considered, including camping, hunting and fishing, picnicking, mountain climbing, boating and swimming, skiing, hiking and horseback riding and the enjoyment of wilderness and wild areas.

The Forest Service has been planning the review on a nationwide scale for several months, and now is readying field task forces which will begin on-the-ground studies July 1.

The regional effort is part of a nationwide inventory of recreation potential called the National Forest Recreation Resource Review. Facts gained will be used as the basis of programs to meet the swelling public demand.

Project leader Chandler St. John will handle the project in the Southwestern Region with the ranger district as the basic unit to be examined.

The first-phase will involve mapping existing information with the aid of aerial photographs, finding out what lands are suitable for various recreational uses, and pinpointing areas needing more study.

Local DeMolays To Be Instituted At State Conclave

The recently organized Ruidoso Chapter, Order of DeMolay, will be instituted June 12 during the State Conclave of the Order at Roswell.

All boys, who are charter members of the Ruidoso Chapter, also will be initiated at that time.

This will be the first time that a chapter has been instituted at a State Conclave and also the first time for an initiation during a state meeting.

A school bus has been secured to transport the boys to Roswell on June 12.

Petitions for joining the Ruidoso DeMolay Chapter are available to boys interested in becoming members. These petitions may be secured from Dale Dodds, Ralph McGuire or Bernard Rooney.

Mr. McGuire will be DeMolay Dad of the Ruidoso Chapter.

Methodist Pulpit Will Be Filled By Guest Pastors

In the absence of the Rev. C. E. Ditterline, regular pastor at the Ruidoso Community Methodist Church, the pulpit will be filled by guest pastors.

Sermons on June 7 will be preached by Dr. Ben O. Hill, who also will take care of any funerals or weddings during Rev. Ditterline's absence.

Dr. H. H. Allen, camp director and Conference treasurer, will preach on June 14.

Rev. Ditterline left Tuesday for Dallas, Tex., to join his wife, who is a patient at the Methodist Hospital there. Mrs. Ditterline will undergo major surgery there next Monday.

During his absence, Rev. Ditterline can be reached in care of the Rev. B. A. Jones, 2829 Dution Drive, Dallas.

Four Camp Seasons Set This Summer At CYO On Monjeau

Summer camping will be available to all children, regardless of race or religion in two CYO camps in New Mexico beginning June 14.

Parents may register their children now. The boys' camp is Wahtay-win near Ruidoso. Girls will attend Tek-a-kwi-tha near Kingston.

The Rev. James Madden, CYO director of the Diocese of El Paso, has organized both camps into age groups in order to offer more complete programs to each group.

Four sessions will be held for each camp: June 14 to June 20; June 21 to June 27; June 28 to July 4, and July 5 to July 11.

The first week of camp is for boys 9 through 13; the second for Boy Scouts; third for those 10 through 13, based on the Explorer Scout program, and the fourth for boys 10 through 14.

The first three sessions for girls are for the 10 through 13 age group and the last session for girls 14 through 17.

Programs at the boys' camp, which is eight miles from Ruidoso on the Monjeau Road, will feature rifle range, riding and skeet shooting, hiking, handicraft, archery, first aid and safety and woodmanship. One hundred boys are expected at each weekly camping session.

At the girls' camp on the edge of the Black Range in Gila National Forest the site of early western mining, accommodations will be in cabins and programs will take advantage of the lovely countryside.

They will include hikes, cookouts, archery, campfires, crafts and skills and activities around the swimming pool. Accommodations will be available for 80 girls at each weekly session.

Experienced camp cooks will offer meals with no limit on servings. All sessions are under Catholic leadership with religious services for those who wish to attend. Programs have been approved by the Scout organizations.

Groups or individuals planning to attend should make their reservations with the Camping and Scouting Committee at the CYO Central office, 514 N. Stanton St., El Paso.

The only extra expenses at the camp will be a small fee for archery, skeet and rifle range, and for candy, handicraft equipment or other items for sale.

Angus & Bonito

By EULA CORDER

Memorial Day found a large crowd at the Angus Community Building, as this is an annual event for clean up day at the Cemetery. People came from all over New Mexico aand some from other states. Everyone brings a basket lunch and it is spread under the tall pines by the side of the community building. After lunch a business meeting is held by the Cemetery Association. It was voted not to enlarge the building at this time. The only officers who were elected was Mrs. Gil Peters, taking the place of Mrs. Lyda Peebles, who has been secretary and treasurer for several years.

Gerald Faulkner from Roswell is spending the summer with his uncle and family, Mr. and Mrs. J. D. Faulkner, Jerry and Vera, at Bonito Dam.

Mr. and Mrs. "Zip" Franklin and children from Lovington were up for the week-end. "Zip" was working and watering his orchard.

Mr. and Mrs. Joe Meeks, Anita, Joelene and friends from El Paso came to their cabin at the Nazarene Camp over the week-end. They had dinner Sunday night with the Ira Youngs at their beautiful home on the banks of the Bonito.

This week Marvin Jones is taking some of the Game Department men to the Capitan Summit Peak to do some 2-way radio testing. The men will have to pack in to the peak.

It was certainly wonderful to see Mr. and Mrs. Fred Whitley again. They spent Tuesday night with Lyda Peebles and Wednesday came by the store for a short visit. The Whitleys were down to do some work on their cabin—getting ready for the Camp Meeting. They love their new home in Albuquerque but still love this area.

Week-end visitors at the Bob Devers were Mrs. Devers' brother and family, Mr. and Mrs. Frank Goodman and two daughters from Big Spring, Tex.

This past week Collins Walker's brother and sister visited with Mr. and Mrs. Walker. Julia Garrett from El Paso and Bob Walker from Lockney, Texas.

Week-end visitors at the Barney Hayes were Mr. and Mrs. Pete Hayes and son Jimmie of Lovington, with them being Maisie Carson. They brought Sharon Hayes home, who had been visiting in Lovington for the past week. Little Sandie Hayes went back home with her aunt and uncle for a visit.

Mr. and Mrs. Jimmie Sikes of El Paso were visitors with Mrs. Sikes' parents, Mr. and Mrs. Collins Walker, this week-end. The Walkers were very happy to have them visit with them but they took their little granddaughter home with them. Sheri Lin had been spending some time with her grandparents and now they are feeling lost.

Mr. and Mrs. J. D. Faulkner are the proud parents of a baby girl, Vera Anette. Jerry is really happy and excited over this brand new member of their family. Congratulations Mr. and Mrs. Faulkner and Jerry.

Mr. and Mrs. C. T. Spatkman, Mrs. Bernard Lane and four teenagers were visitors at the Corders' and their "Idle Moments" cabin over the week-end.

Sunday Mr. and Mrs. L. G. Caudill, their boys and families from Lovington were visitors with the Corders. The Caudills have a cabin in Ruidoso and came up for the week-end.

The people of Lincoln County and the surrounding area really owe the people of Ruidoso a vote of thanks for their efforts in getting the Bonito Lake opened to fishing. Thanks

Bernie Collentine of El Paso is spending a week with Mr. and Mrs. Gill Peters. His parents are in Albuquerque attending the District Assembly.

Mrs. Chas Skinner from Carrizozo was a visitor at Angus Sunday.

Dr. Collins Paid Special Tribute By Medical Group

A well known summer resident of Ruidoso for many years, Dr. T. M. Collins of Big Spring, Tex., was paid special tribute by the Permian Basin Medical Society the night of May 26.

Dr. Collins was honored at a banquet at the Cosden Country Club and was introduced by Dr. George E. Peacock, president of the society.

Dr. Collins, who started his medical practice in 1895, retired about five years ago. He was born near Tigertown, west of Paris, Tex., Sept. 2, 1869. He attended academy in Fannin County, then went to Louisville, Ky., to school. He was graduated from the Fort Worth Medical College (now Baylor) in 1895.

Dr. Collins practiced briefly in Tigertown. He later practiced in other Texas cities and moved to Big Spring in 1917. Dr. Collins estimated that he has delivered 2,500 babies during his career.

Dr. Collins has six children, O. C. Collins of Midland, Mrs. E. L. Haag and J. B. Collins of Abilene, A. R. Collins of Big Spring, M. D. Collins of Lafayette, La., and Mrs. Jerry Stewart of Corpus Christi.

An issue of the Big Spring Daily Herald with an article on Dr. Collins' tribute by the society was mailed to W. P. Cook and The Ruidoso News.

"THE FRIENDLY FIRE"

The insurance people have an expression they call "a friendly fire." That is a fire in the proper places as a fireplace, a stove, or a camp fire. This warms, cheers and cooks. Civilization took a leap forward when primitive man made the discovery and proper use of fire. The unfriendly fire is a fire in the wrong place such as a forest, the wall of a house or the body of an automobile. Fire in the hands of a child is an unfriendly fire.

This has a spiritual meaning also. James in the New Testament says the tongue is a fire, with it we bless God and curse mankind. How great a forest is set ablaze by a smal fire. What a storm of misunderstanding, resentment or disappointment the tongue can cause.

In the Acts of the Apostles the Holy Spirit descended upon the early church in the form of tongues of fire. They preached a great gospel of peace on earth, good will to men in Christ the risen Lord. Each person whatever his language understood in his own tongue. They were drawn together as the Body of Christ. By their fruits of peace, joy and love, people knew them as Christians. They were no club but the real church. Many have made that claim in years past, few have justified it. It is still true, by their fruits of peace, joy and love we shall know them. If any man have not the Spirit of Christ he is none of his.

The friendly tongue is a friendly fire giving light, warmth and power to a dark, cold and weak world. A mean remark about some one is like a match among dry pine needles. It needs only a little wind to exaggerate it beyond all true proportions. There is so much bad in the best of us and so much good in the worst of us that it behooves none of us to speak ill of the rest of us. Does this forbid criticism? Not criticism that is truly friendly, the truth spoken in love. It is one of the fine arts of life to be able to give and still more to receive friendly criticism. Here is one place wheer it is more blessed to receive than to give. Power to the builders and keepers of the friendly fires.

A business meeting followed the decorating of the graves and picnic. Floy Skinner of Nogal, president of the Angus Cemetery Association, presided. The resignation of Mrs. Henry Peebles as Secretary-Treasurer was accepted and she was given a rising vote of thanks for her faithful and untiring services during the past eleven years she has held the office. Mrs. Gilbert Peters was elected as secretary-treasurer to replace Mrs. Peebles.

A report was given by Mrs. Peebles, before her resignation, on the improvements that were made at the building the past year. The stage was taken out and flooring put in in order to enlarge the seating capacity. A large gas heater was installed and very adequately heats the building. A number of new benches were purchased to also add to the seating capacity.

ALL EARS

You can't help loving this little pup. Maybe it's because he seems so out of proportion. If he somehow were able to flap those ears he might fly away.

Perhaps there is a little fellow in your home who is "all ears" in another sense . . . a youngster who takes in everything that's said, including some things he isn't meant to hear.

Most children are eager to listen . . . hungry to learn. That is why the early years are so important in the molding of a child's character. The things he hears, whether right or wrong, make a deep impression on his mind. They are soon reflected in his actions and words.

Wise parents take advantage of the Church's program of religious education in implanting these early impressions. They know there is no super builder of character than religious faith.

NOW . . . while your child is eager to hear and to learn, bring him to church . . . and support the Church in its great undertaking.

Copyright 1959, Relaxer Adv. Service, Strasburg, Va.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Capitan News

By DIXIE SPARKS

Hi! The news items will be short this week but the following is quite important to the Capitan Villagers (I think). There will be a special election for a sewer system that the Village of Capitan needs very badly. This election will be the 16th of June and I URGE all Villagers to go to the polls and vote YES. The reason is obvious. The Village wants to progress and the one or one of the main reasons is a sewere system. Peopel will not or have not to date arrived in Capitan to build because of the sewers. IF we want residents AND new business to enter our fair village we must do our part to meet them over halfway. The Federal Government has given their share and now it is up to us to give our share so we WILL NOT LOSE the money they have appropriated. So go out the 16th and vote YES. All Villagers have received via mail a letter announcing the meeting to be held Friday, June 12, at 7:30 for the benefit of those who do not fully understand about the sewer system. Robert Lowe, New Mexico Health Department, will discuss the sanitation issue; W. F. Turney, engineer, will answer technical questions and Mr. Fowler of Quinn & Co., bonding firm, will explain about the bonds. It will be a great help to you as an individual resident and collectively as Capitan villagers, to be present and hear the pro and con of the discussion by the above men, who know their business, also to give you the advantages of the sewer system and the incentiveness to VOTE YES. Again, the time is Friday, June 12, at 7:30 and place is the Capitan High School. The second time is June 16th when you go to the polls and VOTE YES. Another event coming up (by rumor(that the Capitan Chamber of Commerce and Lincoln County Fair Association are sponsoring a July 4th Rodeo. As far as I can find out it is a rumor but I do know at one time, not too long ago, that Capitan was noted for its rodeos. We can do it again IF we so wish by getting in there and giving our all to the project. The third event I would like to call to your attention is the forthcoming Lincoln County Fair to be held in Capitan sometime in September. Mr. and Mrs. Charlie Jones, as per usual, are giving their all as only they can give, which everybody knows from past experience, so starting with this issue you will be reminded each week of the forthcoming Fair, God willing that I don't forget to do so.

Mrs. Fletcher Hall and children arrived back home in Capitan after a few days visit with Mrs. Fletcher's family in Texas.

Rita Romero arrived home for a week's stay. Rita will return to State College at Las Cruces for summer school Sunday, June 7.

Dixie Kay Wheat arrived Monday from Las Cruces for an extended visit with Granny Edmondson and her mother, yours truly.

School is out and folks are leaving on their summer vacations and I will have those items for you next time, as I stated above this will be short but the events I told you about ARE ver yimportant to us as "Eager-Beaver . Capitaniter." So God willing, I shall see you next week with more news. Dixie.

Surest Route to Financial Independence is Continued Ownership of Real Estate

We have several good substantial going business opportunities, do not require large cash outlay that will make nice living return.

CREE MEADOWS HOME

We seldom get the opportunity to show a home that has all of the features embodied in this one—as to location, fine details in construction, furnishings, etc. Approximately 2½ acres of land, 4 bedrooms, 3 baths, double car port, large living room, comfortable kitchen and dining area, adjacent to golf course. We certainly have never had a home of this type at the low price asked.

UPPER RUIDOSO

This is a three bedroom winterized home, goes furnished. Deeded lot. We can handle this on terms to suit purchaser. Priced at $5,750.00.

GOLF COURSE HOME

Located on East side and immediately adjacent to Golf Course with unexcelled view of Old Baldy. Two large lots having frontage on two streets. This area has always been one of Ruidoso's Choicest.

GATEWAY HOME

Three bedrooms, two baths, furnished, large tract of land—this is on paved street, good buy at $16,500.00, easy terms.

HIWAY FRONTAGE—RUIDOSO DOWNS

Five lots in one block, ripe for development. Terms, $10,000.00.

—OPPORTUNITY OF A LIFETIME—

One of Ruidoso's most popular restaurants with large clientele, excellent location, immediate possession.

EROL BOOKS, Sales. Residence Pho. CL 7-4592

RIVER HOME—UPPER RUIDOSO

Look out of a picture window of your living room to a sweeping lawn that borders on the tumbling Rio Ruidoso. This is a large home with an abundance of land. We can't describe it here, you will have to see it to appreciate the investment in serene living.

PONDEROSA HEIGHTS

Large lot with partially finished two bedroom home, $3,777.00.

COUNTRY ESTATE

Four bedrooms, two baths, 3 fireplaces, extra spacious living room, 20 acres of land, two highway frontages, orchard, with choice grade apple trees. Rio Ruidoso flows through property. This is an outstanding piece of real estate with excellent future.

HIGHWAY & RIVER FRONTAGE

Approximately 190-ft. on paved highway, 5 lots with very comfortable furnished home. Close to shopping area. This is ripe for commercial development.

We have several summer cabins, ranging in price from $3,000.00 up with terms.

HIGHWAY AND RIVER FRONTAGE

This has 120 feet of highway frontage, level deeded ground, 4 bedrooms, 4 baths, large living room, fireplace, nicely landscaped. This very liveable home is located in upper Ruidoso, approximately one-fourth mile above the post office. This is the first time this home has been on the market. Good well. Would consider trading for smaller home in Ruidoso in trade.

No City Water Shortage Anticipated Here, But Outside Fires Banned

No shortage of water for city consumption is anticipated here, Claude Peterson, water superintendent, announced this week.

"I do not expect any trouble," he said. "I believe we have plenty of water for the summer."

He pointed out that the city has "quite a bit in storage," which eliminates any danger of water shortage, at least during June.

"Then, the rains should begin in July," he said.

Total water consumption here during the summer averages five million gallons per month, the superintendent said.

"There are better than 1,300 active water taps in Ruidoso," he said.

Peterson estimates that each tap represents usage by "four and a half people."

That estimate is based on normal usage.

"On week-ends and in the summer time," he said, "usage per tap may average as high as 10 persons."

Despite the satisfactory water situation in Ruidoso, Peterson, who also is chief of the local volunteer fire department, stressed the extreme fire hazard that exists in the area.

"No one in the Ruidoso city limits," he said, "will have permission to make any kind of an outside fire—either to burn trash or for a camp fire. This rule will hold good until the rainy season begins."

Peterson explained that "even charcoal burners used outside are highly dangerous, as the charcoal seemingly can be out for days, but still smoldering."

Only sites where any outside fires will be allowed, either by residents or visitors, will be in the fireplaces at Two Rivers Park and the School Park, Peterson announced.

"We have six fire trucks—two to use for forest fires," Peterson said. "There are 22 volunteer firemen. We have an inventory of $50,000 in fire equipment, but we don't want to have to use either men or equipment, if possible.

"As dry as the forest is," he warned, "just one tiny spark could start a major blaze."

LOCAL MAN BOUND OVER FOR DISTRICT COURT

Charged with contributing to the delinquency of a juvenile, Leslie Carl Gardner, 23, was bound over for appearance in district court by Judge Harold Graham in a hearing in justice of the peace court. Gardner was placed under a $5,000 bond. His district court trial will be held this month.

The charge against Gardner grew out of his leaving Ruidoso in a borrowed car late the night of May 28 with a local 17-year-old girl in his company. He had told the girl's parents he was taking her to the downtown area to get a soft drink. When they failed to return, the girl's parents had a warrant issued for their apprehension. Gardner and the girl were picked up the next day, May 29, by police on U. S. Highway 70, between here and Tularosa.

BATTLES BUY HUNTER CABINS

The Ronnie Battles this week announced they had bought the Hunter Cabins, six rental units in Skyland, from E. C. Hunter of Denver. They are to be operated by the Sam Browns, long-time local residents who have been managers there. The cabins are located just off Main Road in the vicinity of the Joe Reinhardt residence, the Battles said.

Many Planes Land At Local Airport During Week-End

The Ruidoso Airport was one of the busiest places in this entire area over the Memorial Day week-end, according to Mrs. Ralph Brown of Brown's Air Service.

Texas cities led in the number of planes landing at the airport. Cities represented were Amarillo, Hereford, Morton, Brownfield, Monahans, Lubbock, Lamesa, Weslaco, Houston, El Paso, Odessa, Midland, Plainview, Littlefield, Pecos and Mineral Wells.

Two planes were here from Oklahoma City, Okla., and one from Tucson, Ariz.

There were three planes from Lovington at the airport, and others from Grants, Roswell and Artesia.

Mr. and Mrs. Ralph Brown plan to attend the annual meeting of the Flying Farmers to be held June 13 at Las Cruces. New officers will be named at that meeting. Mr. Brown is current president of the organization and Mrs. Brown is its secretary.

TROOP MEETINGS DISCONTINUED FOR SUMMER

Meetings of Troop 59, Boy Scouts of America, have been discontinued for the summer month, but will hold two or three overnight camps, dates to be announced, according to Troop Committeeman Charles Culver.

Minor Blaze Here Near City Limits Soon Extinguished

A minor brush fire that broke out about 5 p. m. Monday on a mountainside behind the Midway Garage soon was brought under control by the Forest Service and the Ruidoso Volunteer Fire Department.

The blaze first was spotted by the Ruidoso Lookout Tower.

"If there had been any wind," Don Flohr, assistant Ruidoso ranger, said, "The fire could have been of major proportions."

Although exact cause of the fire has not been determined, it is believed to have been caused by children or horseback riders, according to Flohr.

"We found fresh horse tracks at the site," Flohr said.

Again, the Forest Service emphasized the great fire hazard that exists in the Lincoln.

"All the pine trees are dry as tinder," Flohr said, "and one spark can set them all aflame."

Clarence Sinclair, Ruidoso ranger, paid high tribute to the caution against fire taken by the thousands of visitors, who flocked into Ruidoso over the Memorial Day week-end.

"Not one fire was reported over that week-end," Sinclair said, "and we feel that is largely was the result of the fine cooperation of the public."

Hope LaRue Powell, 33, and Jesse Robert Goodman, 37, both of Capitan, were issued a marriage license by the Lincoln County clerk's office. Their marriage occurred May 21 with Allen Gray, Ruidoso Downs Justice of the peace, officiating.
