New hours at Nob Hill this summer will be like last year—5 p. m. until midnight week days, 11 a. m. 'til 10 p. m. Sundays. . . . Headline in last week's News about Bert Rice selling his Home & Auto Store left some folks thinking the Rices had sold their residence as well as the business, Walt Crosby of Allied Realty, who handled the transaction, said. "Tain't so," says Walt—"Bert didn't sell his home, just the store." . . . Walt also reported that the optometrist who had hoped to have an office opened here for one day a week earlier this month was delayed when equipment failed to arrive, but he is due here June 11th (Thursday this week) in the Allied Realty building. . . .

New telephone number for your book: CL 7-4163. That's for the Paul Scott family, here for the summer from Abilene, Tex. . . . Hey, Vic, don't you know you don't spell gentcel "gentile?" . . . Another thing, Vic, it was 60 additional boxes, not 50, installed at Hollywood postoffice early this month. . . . Report from Mrs. J. M. Fowler says Ed Sanders has recovered from injuries he suffered in a wreck enroute to Oregon, and is catching some good sized salmon up there. His daughter, Mrs. G. R. Baldwader, also in the wreck, has undergone an operation and is soon to be returned home. . . . Karl Johnson's Advertising and Design firm in Ruidoso Downs has landed a contract to produce the licenses for boats in the State of New Mexico at his new factory set up in the Harris building. . . .

Recent contributor to the fund for constructing the new Chamber of Commerce building was Dan D. Swearingin, Inc., Mrs. Emma Redmann, secretary, reported last week. She said Jake Allen was due a vote of thanks for painting the sign in front of the new structure at no cost to the C. of C. . . . The editor and family went to Albuquerque this mid-week (right at press time) to see their son, Jim, receive his degree at the University of New Mexico—and if everything goes right, your Ruidoso News will be out on time—but if it doesn't, Lord knows our faithful crew did their best to try! . . .

Phone call from J. E. Brassell, resident in Palmer Gateway: "The way we are growing here in Ruidoso, something needs to be done shortly towards putting up street names and lot numbers." You're right, the B. & P. W. Club started it off right once, and lots of their name posts at intersections are still in use, yet some have been taken down, knocked down, or are mysteriously missing. . . . Cook's Drug Sundries has re-arranged its interior for speedier service. . . . New paving in front of J. A. Burns Lbr. & Supply, the Dairy Queen, Odorless Cleaners and R. H. Anderson's Used Car Lot all looks mighty good. . . .

Peter Masley of the Albuquerque Journal gets a special vote of thanks from the Ruidoso News for going out on his own time and making the photo of Linda Moore, picked as "Miss Albuquerque" in the Miss America preliminary in that city. Thanks for your trouble and thoughtfulness. . . . Mrs. Ben Sullivan will tutor children in her home who want extra school work this summer. . . .

Cy Leland, Sr., just didn't read last week's paper right. We quote direct from the type on page one, column 3: "A pioneer real estate agency, and Ruidoso Credit Bureau, operated here for many years by Cy Leland Sr., who has his son, Cy, Jr., as associate." Cy, Sr., was telling us we didn't report he was a real estate man—but we have the proof! The story was about him and the Davises moving into their fine new building. By the way, their new phone number is CL 7-4875. . . .

In the last several months, some new homes have been built, some of the business buildings have been remodeled, some new business firms have opened up, and a drive through the residential section there reveals several families are adding a room or two, and remodeling their homes in Capitan. It gives you a warm glow to see the picturesque and friendly little neighboring town begin to kick lustily again. Improvements and enlargement of the staff at the hospital at Ft. Stanton, construction of a mineral milling plant, payrolls from construction crews on roads and a dam there have all given a boost to Capitan's economy. And, now, under Joe Ranch, the mayor, and the village board of trustees, groundwork is being laid to try and get a sewer system. A mass meeting will be held tonight (Friday) to discuss them and an election will be held Tuesday, June 16, for sewer bonds. With its new source of water, secured through efforts of the Eagle Creek Inter-Community Water Supply Ass'n., Capitan has enjoyed well deserved progress. Many Ruidosoans have contributed to the construction of the Smokey Bear Museum there—and we are betting on much more growth for you! . . . Note from Edna Schlarenberg at Glencoe says she recently wrote U. S. Congressmen her views on the need to curb inflation. Each one she wrote answered with letters showing they, too, were as concerned as the American public is in this problem that has come with prosperity. . . .

County Valuations Up $1 Million

It was revealed in the regular meeting of the Lincoln County Board of Commissioners in Carrizozo Monday that tax valuations in Lincoln County will be $1 million above 1958, with Corona area giving the total the greatest boost because of the pipeline construction in that region, Chairman J. Emmett Reese told the News. He said Ruidoso's tax valuations have increased another $300,000.00 this year.

Other business handled by the board included purchase of a new Caterpillar 12 grader for county road work, and retaining of the old grader for continued road maintenance in all parts of the county; authorized the County Health Supervisor to purchase a water tester to be used in all parts of the county; report on continued road improvements under direction of Road Supervisor LeRoy McKnight; construction of a new bridge northeast of Capitan, in addition to one just finished by the State Highway Department, and installation of several new cattle guards with neighboring ranchers working with the county road crews in the various projects.

It was also moved to straighten some bends in a road running south from Hondo as a safety measure. The board also voted to set up a $5,000.00 fund for supporting zoning and planning commission work in municipalities in the county. Work of improving grounds around the county courthouse with sidewalks, and new desks for some of the offices, is continuing.

Problem of salary raises for county officials is to be eased after the board secures information from the attorney general regarding when the raise can be made, Reese said.

Wreck Takes Lives Of Two Hondo Youths

Two Hondo boys died last Wednesday when an automobile plunged off the road and overturned several times half a mile east of the town of Tinnie on U. S. Highway 70.

The victims were Atonio Benavidez, 12, who died of head injuries, and Jerry Richardson, 14, who died just before midnight in St. Mary's Hospital of back, head and internal injuries.

The driver of the car, Nadine Benavidez, is in a Roswell hospital with back injuries.

The accident was blamed on excessive speed. State Police officers say the driver apparently lost control of the vehicle, left the road, and then came back across the road sideways, skidding 44 feet before going over a 20-foot embankment and overturning several times throwing the occupants from the car.

Gateway Mill Now Open For Business, Custom-Built Work

Another outstanding new business—the Gateway Mill—has opened here for the convenience of both business concerns and individuals.

The Gateway Mill, located in the recently constructed Lacey building in Gateway on Main Road, is owned and operated by G. B. Waltrip and his son, Derald Waltrip, both expert building constructors and cabinet men.

Skilled in the latest trends of design, the Waltrips will specialize in custom-built fixtures, cabinets and all types of mill work, as well as refinishing.

"Formica also will be one of our specialties," the Waltrips said.

They invite everyone to come in and visit their new business and inquire about their custom-built work. They will carry out design desired and in a choice of popular and beautiful woods.

G. B. Waltrip has been in business here for the last 15 years and is well known in the area, as is his son, Derald, who attended Ruidoso schools. After finishing school, Derald went to Corpus Christi, where he has been in the cabinet making business for the last 11 years. He and his family moved here this spring to go in business here with his father. Derald and his wife have two children, Mike and Shirley.

The Gateway Mill has 22x70 feet of floor space and is well equipped to handle all types of orders, in either small or large quantities.

"If we don't already know you," the Waltrips said, "come in and get acquainted, anyway. We know you will like our services."

All cabins are moderately priced and are sold with insurance company financing.

Local Vendors Will Handle Hunt Licenses

Licenses for special hunts this year will be handled by local vendors, Charley Bird, conservation officer of the State Fish and Game Department, announced this week.

"The application forms have been changed this year to an IBM card," Bird said.

Four persons may apply on one application form, according to Bird.

"No personal checks will be accepted," the officer further explained. "Applicants must present either certified checks or money orders."

"The C & L Lumber Co. now is prepared to handle licenses and, in the near future, they also may be secured from John Anderson at Ruidoso Dawn."

Discussing the current fishing season, Bird said the number of fishing license issued is above that of this time last year.

"However," he said, "fishing now is good at Bonito Lake, but not very favorable anywhere else in the area."

"It is an ideal place for riding stables," Dunagan said. "Riders may follow scenic bridle paths through the forest—away from all the traffic."

Dunagan also will offer guided pack trips and other special trips for patrons—such as sunrise breakfast rides.

"I have about 30 head of nice, gentle horses for rent," Dunagan said.

Paul Peterson of Pagosa Springs, Colo., is helping Dunagan operate the stables.

Dunagan is a teacher in the Ruidoso schools system.

Apache Reservation Closed To Picnicking Except Three Areas

Officials of the Mescalero Apache Indian Reservation have announced no picnicking will be allowed on the reservation at any place except at three designated picnic areas—at the Mescalero Summit, at Head Springs camp grounds south of Mescalero, and at the Ruidoso recreation area, west of Ruidoso. Police are making regular tours of all the reservation to enforce the rule. There have already been some minor forest and brush fires on the reservation due to carelessness of visitors, it was pointed out—and due to the extreme forest fire danger, the rule against all picnicking except in designated areas is of necessity.

Forest Service Officials Meet Here With Gun Club

A meeting of Forest Service personnel and members of Ruidoso Gun Club here Monday was for the purpose of discussing the Forest Service's announced intention of putting into effect a land-exchange program in the adjacent areas of Ruidoso.

Fearing its valuable rifle range up Cedar Creek might have to be moved should forest land adjoining it be swapped to real estate developers for subdividing, the Gun Club began a campaign several weeks ago here to have local individuals and organizations join with friends of Ruidoso elsewhere in writing Congressmen and Senators to have the land exchange program halted for the present.

The meeting Monday was for the purpose to discuss the land exchange program.

Attending were Regional Forester Fred Kennedy and Recreation Land Chief Zane Smith of Albuquerque; Everett Doman, supervisor of Lincoln National Forest, Alamogordo, and Sam Sinclair, Ruidoso Ranger. From the gun club were R. H. Hedgecoke, its secretary; Claudie Peterson, Tom W. Jones, Leck Cowden and Billy Tucker.

Sinclair said Kennedy told the club members the rifle range would not be disturbed for at least five years—that the land exchange program was a long-range proposal which would get going only after several years have elapsed.

Famous Mescalero Apache Indian Ceremonial Will Be Held July 2-5

By VIRGINIA CHAPPELL
(Ruidoso News Staff Writer)

The Mescalero Apache Indian Reservation, in the heart of the emerald-green Lincoln National Forest, on July 2-5, again will be the scene of the tribe's famous Ceremonial, which the Mescaleros have celebrated since the beginning of unrecorded time.

Throughout countless centuries, this is the time when the puberty ritual ceremony for young Mescalero Apache maidens is held. They are the inspiration for the colorful four-day event and all the ancient rituals and dances mostly are in honor of these young maidens. Selection of the girls is made by the tribe and the honor is as important as the naming of any New York debutante.

Mescalero Apache maidens chosen this year and their parents are Dorene Enjady, 14, daughter of Mr. and Mrs. Fred P[illegible]; Jean Marie Treas, 13, daughter of Mr. and Mrs. Woodrow Wilson; Lynette Kaole, 13, daughter of Mr. and Mrs. [illegible] Kaole, and [illegible], 12, daughter of Mr. and Mrs. Arthur Jen[illegible].

The maidens and their [illegible] in teepees on the Ceremonial [illegible] until the [illegible] on July 2, opening day of the Ceremonial.

Then, the girls and their women sponsors abide in the towering Ceremonial teepee. The raven hair of the maidens is washed by their sponsors, who also perform many other rituals and services for the girls before they don their elaborate Ceremonial costumes for their presentation. They eat special Ceremonial foods, which include mescal (made into a paste); little cakes made of ground pinon nuts; wild bananas (roasted and made into a pudding), a pudding made from mesquite beans and a kind of jam made from elderberries.

The Ceremonial teepee, all the food the maidens eat and every other article employed in the ritual ceremony are blessed by the medicine men before the ancient ritual begins.

The principal medicine man this year will be William Comanche and Woodrow Wilson will be the second medicine man.

When the four maidens have undergone all the preparation inside the Ceremonial teepee and are dressed in their beautiful garments of beaded buckskin, it will be time for the sun to rise. The big teepee always faces East.

As the first rays of the sun touch the mountain rims, the puberty ritual begins. A basket, containing various ceremonial articles, is placed at a certain distance from the teepee, in the direction of the sun. Each maiden, dressed in her heavy ceremonial costume and beaded moccasins, must run and circle the basket. This is repeated four times, with the basket being moved at a farther distance for each run.

This ritual is repeated every day during the four-day Ceremonial. If the maidens do not stumble or fall at any time during their running, it signifies that they will be strong of character and able to meet all adversities during their lifetime.

Each night, during the ceremonial, the four maidens will dance inside the big teepee. On the final night, July 5, they will dance all night and until the red sun again appears in the East.

Many other ancient dances of the Mescalero Apaches will be danced during the four-day Ceremonial, which is open to the public. The most famous of these is the Dance of the Mountain Gods, which will be presented every day.

Again, this year, a Rodeo will be another Ceremonial feature on July 3, 4 and 5. There will be steer riding, double mugging, bareback bronc riding, break-away, wild cow milking (on foot), and calf roping.

Meals will be served on the Ceremonial grounds each day. Choice beef from the reservation herd will be served, as will the famous fry bread of the Mescalero Apaches.

Attendance price for the Indian dances will be $1 per adult and 50c each for children. Rodeo tickets will be $1.25 each for adults and 50c for children.

[illegible] the Mescaleros also have [illegible] Navajos, the Utes, the Jicarilla and San Carlos Apaches have been invited. Invitations also have been sent to many Pueblo tribes and to Oklahoma tribes, who will stage some of their traditional dances.

The Mescalero Apache Tribal Committee is extending a cordial invitation to everyone to attend this year's event, which is expected to be one of the most outstanding and successful ever held. Members of the committee include Mrs. Virginia Klinekole, president; Andrew Little, vice-president; Samson Miller, secretary, and Mrs. Narcissus Gayton, treasurer. Also serving on the Ceremonial committee are Rufus Sago, who will be in charge of the feasting, Eric Tortilla, Wendell Chino, John Allard, Rudolph Treas and Alton Peso.

Each day's program is scheduled as follows:

July 2—Erection of Ceremonial teepee; puberty ritual of the Apache maidens; "Grab" (public invited); blessing of Ceremonial food; mealtime (public invited); flag raising ceremony; war dance; lunch; baseball game; Indian dances; supper; Dance of the Mountain Gods; ceremony of Apache maidens; Round Dance; Back and Forth Dance (all night).

Mr. Looten, Bride On Wedding Trip To Jefferson City

MR. & MRS. RICHARD LOOTEN

Mr. and Mrs. Richard Looten now are on a wedding trip to Jefferson City, Mo., and upon their return will be at home in Ruidoso.

The bride is the former Mrs. Dixie Dryden Mills, daughter of Mr. and Mrs. L. F. Dryden. Mr. and Mrs. Gilbert Looten of Jefferson City, whom the newlyweds are visiting, are parents of the groom.

The couple's marriage was solemnized by candlelight at 7 p. m. May 29 in the Ruidoso First Baptist Church. The Rev. Earl Tankersley performed double ring rites for the pair before an altar banked with pink gladioli and fern.

Mrs Lana Vance, organist, played traditional wedding music and accompanied Miss Jeanene Carpenter, soloist.

Given in marriage by her father, the bride wore an afternoon length gown of pale pink silk organza over taffeta. The molded bodice was trimmed in matching satin. She carried a colonial bouquet and wore a tiny veiled hat.

Miss Virginia Dryden was her sister's maid of honor. Her afternoon dress of lace, lined with taffeta, also is pale pink and she wore a small matching hat. Her colonial bouquet harmonized with her costume.

Mel Hudson was best man for the groom.

Miss Beverly Watkins and Miss Jane Parnell lighted the candles.

For her daughter's marriage, Mrs. Dryden chose a sheath dress of embroidered white silk and black accessories. Her corsage was of deep pink carnations.

A reception followed at the church dining room. A lace cloth was laid on the bride's table. A five tier bride's cake, topped with a miniature bridal couple, centered the table. Flanking the centerpiece were white tapers in crystal candelabra. Punch was served with the cake.

Assisting at the reception were Mrs. Billy Tucker; Miss Mabel Cooper and Mrs. Rex Whitely.

Mrs. Jimmy Stewart Honored At Party At John Emde Home

As a social compliment for Mrs. Jimmy Stewart a group of hostesses entertained at a beautifully appointed party last Tuesday morning at the home of Mrs. John Emde.

Co-hostesses were Mrs. Bruce Griffith, Mrs. Joe Coe, Mrs. Ron Stewart and Mrs. Bill McCarty.

Pink and white were emphasized in the decor. The lace-spread refreshment table was centered with pink and white peonies, and a miniature stork was placed among the flowers.

Favors were tiny blue umbrellas, filled with candies and salted nuts. Danish pastries were served with coffee and tea.

The guest of honor was showered with layette gifts.

About 16 guests were entertained.

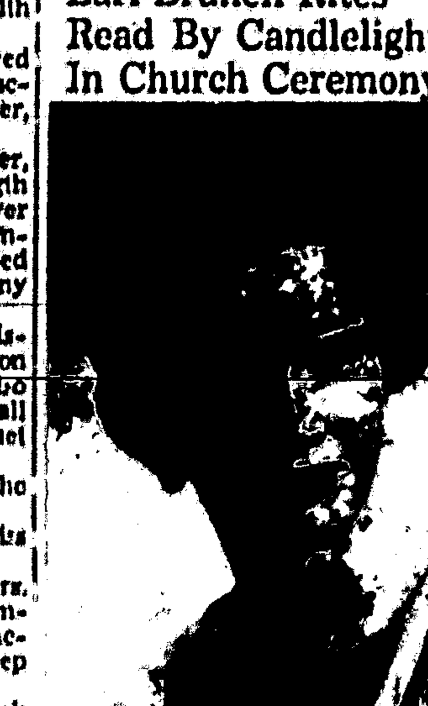
MISS McKNIGHT BRIDE OF JAMES YARBROUGH

The marriage of Miss Judy Ann McKnight, daughter of Mr. and Mrs. Judd McKnight of Picacho, and James W. Yarbrough was solemnized May 30 at St. Anne's Episcopal Church at Glencoe. Parents of the groom are Mr. and Mrs. George Alexander of Roy.

The Rev. Charles W. Dawson of Fort Stanton officiated.

The bride last year attended New Mexico State University, Las Cruces, where the groom is now a senior student.

Earl-Brunell Rites Read By Candlelight In Church Ceremony



MRS. ROBERT EARL

Robert Earl and his bride, the former Miss Shirl Brunell of Alamogordo, now are on a wedding trip to Los Angeles. Upon their return, they will reside in El Paso, where Mr. Earl will work at Providence Hospital. In the fall, they will move to Houston, Tex., where the groom will attend the dental school of Texas University.

The bride is the daughter of Mr. and Mrs. Herbert H. Brunell, Sr., of Alamogordo and Ruidoso. Mr. and Mrs. Dean Earl of Flagstaff, Ariz., are parents of the groom.

The couple repeated vows at 7:30 p. m. June 6 at the Alamogordo First Baptist Church with the Rev. C. E. Whitlow officiating.

Purple and pink flowers decorated the baptistry.

The bride, given in marriage by her father, wore a gown of white Chantilly lace over peau de soie. The skirt cascades into a cathedral train. A tiara of pearls held her fingertip veil of illusion and she carried a purple orchid, encircled with white carnations. Her bouquet was arranged on a white Bible.

Mrs. Herbert Brunell, Jr., was matron of honor. Bridesmaids were Misses Victoria Rogers, Frances Rolland, Jo Ann Earl, Mrs. Jim Nickless and Mrs. Don Cameron.

A gown of pink lace straw, flower trimmed hat, was worn by the matron of honor. The bridesmaids also wore pink gowns and tiny gold caps.

Jim Nickless of El Paso was best man for the groom. Ushers were Herbert Brunell, Jr., brother of the bride, Fred Evans, Michael Glover, Jesse Armstrong and A. C. Donell.

The bride's mother wore a frock of blue lace and matching hat. Mrs. Earl, mother of the groom, attended in a sheath of periwinkle blue and matching flower hat.

A reception followed at the Desert Aire.

Prior to her marriage, the bride was honored at a series of pre-nuptial courtesies by a large group of hostesses.

Jeanene Carpenter Becomes June Bride Of Jerry Hamilton

MRS. JERRY HAMILTON

White flowers and a background of greenery formed the setting for the marriage of Miss Jeanene Carpenter and Jerry Hamilton at 7 p. m. June 6 at the Green Tree Baptist Church, Ruidoso Downs. The Rev. Ed C. Terry of Las Cruces performed the double ring rites for the pair.

The bride is the daughter of Mr. and Mrs. Ray Carpenter. Mr. and Mrs. B. K. Hamilton of Quitaque, Tex., are parents of the groom.

Flanking the greens were candelabra and tapers burned on the altar for the ceremony.

Miss Nannie Lou Dodson was organist and accompanied Ray Dean Carpenter of Dallas, brother of the bride, who sang "Because" and "The Lord's Prayer."

Miss J'Nevelayn Chapman was maid of honor. Bridesmaids were Misses Betty Carpenter, cousin of the bride, Idalene Traylor and Dona Rose Surginer.

Bill Carpenter, cousin of the bride, was best man for the groom. Ushers were Reed Stirman, Jerry Jones and Jerry Maroney.

The bride was given in marriage by her father. She wore a floor length gown of white lace and tulle over silk. The very full skirt has a deep godet of lace in back, extending from waistline to hem. A panier of tulle is draped across the front.

The molded lace bodice has a sweetheart neckline, embroidered with seed pearls, and long, tapered sleeves. A tiara of seed pearls secured the bride's fingertip veil of illusion. She carried a bouquet of white baby mums, arranged on a white Bible.

For something old and borrowed, the bride wore a pearl necklace, belonging to Dona Rose Surginer. Her bridal attire included a blue garter and there was an old coin in her shoe.

The bride's attendants were gowned alike in bouffant afternoon frocks of blue embossed organza. Designed with a fitted bodice they have short sleeves. The attendants wore white picture hats, banded with blue silk and carried cascade bouquets of blue carnations, tied with blue streamers.

For her daughter's marriage, Mrs. Carpenter chose a pure silk dress in a small floral print on a beige ground. Her accessories were beige.

Mrs. Hamilton, mother of the groom, also selected a beige costume with black accessories. Both mothers wore white carnations.

A reception followed at the church. The bride's table was laid with a white lace cloth over blue, colors chosen for the wedding. The centerpiece was of blue carnations, which were kept fresh by a fine water spray falling over the blossoms. The six-tier bride's cake was made by Miss Janene Evans, who served at the reception. Arranged on a large mirror, four clusters of roses decorated the base. Pink wedding bells decorated the other tiers and on top was a miniature bridal couple standing inside an open heart. The cake was of pink, green and white tiers.

Misses Jane Jones and Jedy Lou Evans also served.

About 100 guests were entertained.

Mr. Hamilton and his bride left later by motor for a wedding trip to Colorado. The bride chose a suit of pink linen and white accessories for traveling. The couple will reside at Sleepy Hollow Ranch in South Dakota.

Out of town guests at the nuptials and reception included Mrs. H. K. Carpenter, grandmother of the bride, Mr. and Mrs. W. W. Carpenter and daughter Renee, Mr. and Mrs. B. K. Hamilton, Miss Peggy Brunson, cousin of the groom, all of Quitaque; Ray Dean Carpenter, the bride's brother of Dallas, Mrs. Jack Meeks of Ft. Worth, Tex., sister of the groom, Miss Bonnie Bales of Dallas, who presided at the guest book, Mr. and Mrs. G. W. Jones and Mrs. Rupie Lee of Alamogordo and Mr. and Mrs. Gordon Gabert of Amarillo, Tex.

Letter to the Editor

Congratulations to the People Of Lincoln County

Mrs. A. N. Spencer, Cancer Crusade Chairman of Carrizozo, wishes to thank everybody for their whole hearted cooperation in the drive recently completed. Last year the county gave $493.00 and this year the total was near $1400.00. It proves that people realize research is the only way to eradicate this malicious killer and research comes high.

The first thanks go to Paul Baker and Vic Lamb—editors of the two papers in the county. They gave free publicity along with a lot of space in their papers during the weeks of the drive.

Mrs. W. D. Horton was chairman for Ruidoso and the Hondo Valley area. She was assisted by Mrs. C. L. Wright who collected $32.75 in Hollywood; Mrs. C. B. Cunningham collected $25.00 in Ruidoso Downs; Mrs. Mayme Perry collected $20.00 in Glencoe; Mrs. Frank Titsworth collected $40.00 in Tinnie and Hondo; Ben Sanchez collected $7.21 in San Patricio. In Ruidoso the Business and Professional Women had a coffee which netted $45.00; a skating party by Beta Sigma Phi added $80.76; Nob Hill school gave $20.51; Junior High School $30.31 and Ruidoso High School $1.50. The Lions Club gave $10.00 as did the Woman's Club with the BPO Does giving $5.00. Through solicitations another $208.31 was collected which made a total of $536.35.

The Capitan Woman's Club under the chairmanship of Mrs. Hugh Calhoun made a house to house canvas which netted $84.50. Mrs. Pat Henderson personally solicited in Fort Stanton, collecting $22.10.

The Angus and Alto community collected $60.00 from a benefit tea given by the women of the area at the community building at Angus April 15th.

Carrizozo's contribution to the drive was $760.19—the highly successful basketball game between the Bloomer Girls and Lions Club put $118.46 into the fund, under the chairmanship of Mrs. Elizabeth McVeigh. On April 19th Mmes. Reid and Sears assisted Mrs. Spencer in a house to house canvas. They were given a big push with the help of the following Rainbow girls: Pam Reid, Judy Stearns, Margaret Withers, Jean Gott, Gale Peebles and Jean McGwier. $98.42 was collected from their combined efforts.

The Publicity Chairman
Aileen Lindamood.

Block Ranch Scene Of 40th Wedding Anniversary Party

By DIXIE SPARKS

The N. E. Britton home on Block Ranch was the scene of a mock wedding honoring Mr. and Mrs. Don Murphy on their 40th wedding anniversary. A large "Happy Anniversary 1919-1959" sign was over the fireplace to greet those attending, as they entered the living room. A gift, from the Round Table Club, host for the party, was presented to the honored couple. It was a white Irish linen table cloth, with a center circle representing the Round Table, "Don and Grace" at the top, "1919-1959" in the center and "Round Table Club" on the bottom.

Each member had embroidered her name around the edge.

A mock wedding was then presented with the bride, Bill Eagar; Jack Shaw as groom; Kitty Black, best man; Lorene Ferguson, mother of the bride; and Ethel Howard, preacher. Bill the bride fainted when Jack the groom touched his; her hand which resulted in an unmentionable accident. The bride carried as his, her bouquet a plant of wild verbenas. Dorothy Guck composed the wedding ceremony and song for a true Irish wedding.

A Ladder of Success of leading events of their 40 years of wedded bliss was made by Angie Provine, narrated by Frances Shaw and elaborated on by Don and Grace Murphy. The real groom, Don, gave the real bride, Grace, a pair of diamond earrings. A wedding dinner followed the mock wedding. The Round Table Club members and their guests attending were: Jim Howards, James Blacks, Bill Eagars and Willa Marie, Jack Shaws and Jeff, Corrinne Provine, Ethel Merrell, Lorene Ferguson, the honored couple Don and Grace Murphy, special guests the Fletcher Halls and Pam, Charlie Jones, and Mr. and Mrs. Burton, owners of Block Ranch.

Successful Sale Held By Women Of Episcopal Church

Churchwomen of the Episcopal Church of the Holy Mount report their recent rummage and bake sale held at the Martin Tile Store was a big success, netting $94.10.

This sale, like several previous ones, held at Charles and Marie Martin's store, was held to raise funds for some of the normal organizational expenses and also permitted the women to make a substantial donation to the Bishop's Committee for the church's budgetary needs.

Success of the sale was especially notable, as it was a one-day project.

June Bride Honored At Shower Courtesy By Three Hostesses

As a pre-nuptial courtesy for Miss Linda Redmann prior to her marriage to Billy Charles Easley, a group of hostesses entertained at a miscellaneous shower at the home of Mrs. W. R. Long.

Mrs. Anna Lee Henry, Miss Carol Ann Harris and Miss Dona Rose Surginer were hostesses.

The honoree attended the party in a bouffant frock of white dotted swiss, with rose print border. Her accessories were white. Mrs. M. J. Redmann, mother of the bride, wore a dress of blue linen and white slippers to the party.

The refreshment table was laid with an ecru hand-crocheted cloth. At either end were the punch service and a large cake, decorated with rosebuds and names of the couple. The cake was baked by Miss Jeanene Evans.

Miss Harris served.

During the party, the honoree was showered with miscellaneous gifts.

THE BLESSINGS OF MODERATION

Moderation is no cure all but well worth its price. What are some of its blessings? It leads to HEALTH. Through it we avoid many of the excesses that lead to illness, bad days and that below par feeling.

It leads to THRIFT. Excesses mean wasted money. Moderate people accumulate savings, securities and credit. It leads to ESTEEM from others. Moderate people are seldom critical and difficult persons. It leads to SAFETY. The moderate driver of a car is generally a safe driver. He does not cause hazards on the road by driving too slow or too fast.

It leads to SUCCESS. It creates industry, good judgment and confidence. In fact it contributes to almost every one of the many qualities in success.

Moderation is a significant fact. It must be fostered by something very important. So it is. St. Paul says in Philippians 4:5, "Let your moderation be known unto all men, the Lord is at hand." Whatever that may have meant to St. Paul, it means to us today that the Presence of God is the real key to moderation even as moderation is to the values named above. Moderation might be compared to a life, health or accident policy. Only it helps prevent the accidents, sickness or death that the policy relieves after they happen. How is your policy in moderation?

Quarterhorses, Thorobreds Pitted In Feature Races At Downs

The Downs swings into its third week-end of racing today (Friday) featuring the 6 furlong "Hollywood Allowance." Hickory Red, owner-trained by Oklahoman Walter Merrick, will be parading postward the probable favorite. He has had one out and, should he run back to his Chicago form, can handle this field. No Gal, carrying the hopes of W. L. McDonald of Artesia, likely a second choice, was a victim of bad racing luck his last start. Condemnation, representing Jess Wilbanks of Big Spring, Tex., ran well here last year and is a stout finisher and could pick up this field in the stretch.

Aortic is a four-time winner and a steady going sort; Gay Orbit is a Hot Springs winner while Miss Bim has come home twice this year.

Fourth event on the program is a two-year-old dash that brings out the eligibles for the futurities. Among these youngsters is Leanna Leo, owned by Oklahoman R. D. Stanfield. She is a $6500.00 Penalty Payment Nominee in the 1959 All-American Futurity and from her recent sterling introductory performance here, this appears a reasonable investment for a chance at the now $120,000 estimated purse.

The 400-yd Quarter Horse event, holding tenth place on the program, is the supporting feature, Cleardeck, owned by Texan J. B. Ferguson, ran well her last start on the West Coast and seems the probable favorite. Askew Arky also ran well his last appearance on the Coast, while Be Glad, leased by Jack Hughes of Junction, Tex., ran well here last year.

The remaining contestants are: Poncho Whiz, No Danger, Paula Laleo, Shindig, Bachari, Custus Bill and Demp Lewis.

Tidwell Sponsors Allowance

An outstanding well filled card will be presented to racing fans at the Downs on Saturday. Headlined is "The Hitching Post Allowance"—a 7-furlong sprint sponsored by local business and horseman, Guy Tidwell.

Ricoaire, belonging to M. H. Ratliff of Brownfield, should come back to make amends for his recent defeat—he stumbled slightly at the break in a race won by Wish-U-Well. Atomic Jip, owner-tranied by Floyd Sluka of Kimbel, S. D., seems the chief contention, ran a second to Wish-U-Well, defeating Ricoaire. Miss Dana, belonging to Ben W. Peeples of Odessa, is a consistent runner.

The remaining contestants are Bold Finesse, Jean's Demon, Golden Bear, Bang's Victory, Damask Cloth, Early Choice and Camarista—an Argentina winner.

Miss Olene, Sue Three and Panama Ace—all 1959 All-American Futurity eligibles—make an appearance in the third and fourth, while Noney Josey, proudly owned [illegible] Carter of Roswell, who won [illegible], including the Ruidoso Futurity last year, will be making her initial debut here in the ninth.

"The Red Canyon Allowance"—a 400-yard dash going as tenth on the program, looks like the spot for Lena's Bar, owner-handled by Walter Merrick of Crawford, Okla., to make amends. Easter Rose, owned by Dub Phillips of Dallas, has run two top races and seems to be in good form. Burke's Bars, representing R. D. Stanfield of Broken Arrow, Okla., ran brilliantly here as a two-year-old.

The remaining challengers: Hopeful Lady, Irish Day, Surelike Ma, Sierra Hotshot, Garcia Doll, Trouble Gal and Amber Sun.

The Mike London and The Fort Stanton Allowances carry the Downs racing card on Sunday, June 14. Contention runs deep in the former feature with Fleet Gayle, representing Greely and Conner of Great Falls, Montana, and Wish-U-Well, carrying the hopes of Jess Wilbanks of Big Spring, Texas, the probable favorites—both were easy winners here. Little Ike, owner-handled by D. B. Plummer of Pleasanton, Calif., was a game winner his last out.

Remaining contenders: Frontier Saga, Gallant Time, Powder Monkey, Comic Turn and Sing N. Cat.

Tight Nit, of the D. K. Brokaw stables of San Juan Capistrano, Calif., will be making her premier debut in the seventh, and seems the safest bet of the day.

Flying Charm, owned by the Weathervane Stables of Uvalde, Tex., the 870-yard champ, will be making her first start of the meet in the ninth.

In the latter allowance, Redway Nip, lessee-trained by B. E. Meadows of Baytown, Tex., came here vastly under-rated but, after running a good race Saturday and winning Sunday, may prove to be the best three-year-old on the grounds.

The remaining challenging champions are: Vandy's Flash, Dr. Rand V., Do It For Me, Vannevar, Pana Bar, Vanetta Dee and Blue Fleet.

THE FAIRWAYS — Have lured Sunny Edwards, nationally famous rodeo professional and calf roper, away from the rodeo ring. For 20 years, Edwards was one of the top money winners of the rodeo world. Five years ago, Edwards became an adept and ardent golfer and now owns and operates beautiful Cree Meadows Golf Course here. He is shown here on the picturesque course, where he spends most of his time.

Famous Texas Rodeo Professional Operates Cree Meadows Golf Course

By VIRGINIA CHAPPELL
Ruidoso News Staff Writer)

A Texas ranch lad, destined to become one of the nation's top rodeo performers, now is owner of beautiful Cree Meadows Golf Course at Ruidoso.

He is Sunny Edwards, known from coast to coast as one of the greatest calf ropers in the country.

Sunny Edwards, who is 6 feet, 1 inch in height and slim as a fine Toledo blade, was born at Big Spring, Tex.

"I guess I began calf roping," he said in his soft Texas drawl, "when I was 13 and began travelin' when I was 16."

By "traveling," he meant performing in rodeos.

Sunny Edwards' traveling has taken him all over the United States, from Madison Square Garden to California. His superb skill has brought him fame and glory. For 20 years, he was a noted professional rodeo performer.

"I was one of the two top money winners," Edwards said modestly. Some indication of what he meant by "one of the top money winners" may be gained from the fact that, at one show—the Fat Stock Exposition at Ft. Worth, Tex.—Sunny Edwards' winnings amounted to $6,360.

Then, five years ago, Sunny Edwards became a golf fan. Fairways soon began to lure him away from the rodeo ring. His fine physical strength, steady hand and keen eye gained on a roping role helped make sinking a birdie a simple chore.

Two years ago, Sunny Edwards gave up his professional rodeo career. He and his family had been coming to Ruidoso for several summers and had become intrigued with its picturesque setting, the golf course and its friendly people.

Last October, Sunny Edwards purchased Cree Meadows Golf Course from Johnny Williams.

The nine-hole course lies in a deep green bowl, carved by nature in a mountain canyon close by Ruidoso. It is a golfer's paradise.

A big rustic clubhouse overlooks the course. It houses a fine Pro Shop, cocktail lounge and dining room.

This summer, Sunny Edwards and his wife have instituted complete dining service at the clubhouse. Breakfast, luncheon and dinner will be served there daily, except Sunday. On that day, only breakfast and luncheon will be served. However, golfers may order cold sandwiches any time during the day. The dining room and cocktail lounge will be managed by Mr. and Mrs. Jimmy Benjamin, formerly of Tucson, Ariz.

Another facility at the course is a driving range. Beginning June 5, the range also will be open at night and will be operated by the Edwards' son-in-law and daughter, Mr. and Mrs. Don F. Reynolds. Their son-in-law has been attending Texas A. & M., and their son, Stormy Edwards, is a senior at the University of Texas.

Although the Sunny Edwards clan has largely become a golfing family, Sunny still thinks of himself as a rancher.

"I'm ranch born, have ranched all my life, and still own a ranch in Ector County, Tex.," he said.

'59 BETTING AT DOWNS PASSES FIRST MILLION

Parimutuel wagering at Ruidoso Downs passed the $1 million mark on Sunday, the sixth day of the 1959 season. Good crowds and heavy betting has been the record for this year, as witness the better than $700,000 handle on Memorial Day week-end.

Jockey Joe Sherman put the whip to Quick Thrust in the back stretch Friday afternoon and the six-year-old chestnut mare responded by racing to victory in the featured White Mountain Allowance at Ruidoso Downs.

Quick Thrust was trailing in sixth place when the field of seven horses entered the first turn but on the back stretch Sherman laid it on to overtake front-running Aortic and Aemio who finished for place and show money.

Quick Thrust's victory was worth $7.10, $3.80 and $3.40.

Jockey Elbert Minchey, who rode four winners last Sunday, had another hot hand Friday, booting home three winners and taking second on Tackajax in the eighth race. The winning rides were aboard Rackjabbit in the third; Reagan Bar in the fifth and Hunker in the ninth.

Upwards of 2800 fans attended the opening of the three-day racing week-end. They bet $98,526 on the 12-race program.

Daily double bettors received a modest $52.10 for having Precioso in the first race and Abbelacy in the second. The real money winners were the quiniella bettors who had Early Dividend and Decorator Ray in the 12th race. They received $290.30. Early Dividend won the race, paying $30.10, $21.10 and $8.

The track was termed "very fast" and the weather at the mile-high track continued clear and cool.

Unofficial Record Set Saturday

Cliff Lambert rode the winners in both features of Saturday's program at Ruidoso Downs, whipping Vannevar to an unofficial world's record in the Apache Dash and bringing home Comic Turn in the Chisum Trail Allowance.

More than 4,000 fans watched as Lambert broke Vannevar, son of famed Vandy, out in front in the 350-yard 10th race to win going away in 17.8 seconds. The time is a full second faster than the world record for geldings but Saturday's strong tail wind may nullify the record-breaking effort.

Vannevar, a six-year-old chestnut gelding, paid $5.70, 4.60 and 3.90.

Clifford was also aboard Comic Turn, an eight-year-old gelding, in the featured Chisum Trail Allowance and rode the gallant speedster to a long-shot win to pay $45.20, $20.30 and $6. Following under the wire were Dream Mint and Little Timid.

Daily Double Pays $300 Sunday

The Circle K Stable of Albuquerque swept three of the final four races at Ruidoso Downs Sunday with its only three starters.

Berto Barbone captured the featured Hondo Valley Allowance, tenth race of the day at six furlongs. Earlier Fleet Pere won the 6½ furlong ninth race; and Duck Doctor captured the one-mile and one furlong twelfth and final run to complete a great day for the Albuquerque stable. Joe Sherman rode all three Circle winners.

The Duke City horses are all trained by Dick Orr, who has been ill and out of action for more than a week. In his stead, his son, James Orr, barely turned 17, handled the horses with such outstanding success that it is anticipated his father will soon be back at work.

Act Quick and Little Cap combined to return $300.90 in the daily double. The former paid $19.10 and the latter $20.70.

The track was muddy and the weather cloudy. More than 6,000 fans, an increase of more than 40 per cent over the similar date in 1959, attended Sunday's races.

Little Leaguers Set Game Friday With El Paso Boys

The Ruidoso Little League will play a group of young ball players from El Paso at 7 p. m. this Friday at the School Athletic Field.

The local boys, who so far have played four games this season, are getting in good shape, according to their managers, and keen competition is anticipated Friday night.

Teams in the Ruidoso Little League are the Cubs, managed by Mills, and the Braves, who are managed by Joe Hawkins.

Since the current season opened, the Cubs have chalked up three games to the Braves' one.

"We need more boys, between the ages of 8 and 12, out to play," Hawkins said.

Regular Little League games are scheduled weekly every Monday and Tuesday at 7 p. m. at the School Athletic Field, which is well lighted for diamond activity and has plenty of bleachers.

"We also would like to see more spectators out at the games to help support the boys," Hawkins said.

There is no admission to any of the Little League games and a good crowd is hoped for Friday night, when the Ruidoso youngsters compete against the El Paso group.

"Bucky" Morrison is recreation supervisor.

Sheep Demonstration Well Attended

Over one hundred and twenty people attended the sheep demonstration held at the Block Ranch June 2. "Wool," and "How is the best way to sell it," was one of the main topics of discussion. Buzz Johnson, who shipped his wool to San Marcos and sold it scoured, discussed this method of selling wool. He compared it with the wool sale of his father's in Roswell. After deducting all the cost he received slightly less per pound for his wool than did his father.

If he sends it there next year he plans to sell it with 10% scoured.

Martin Yriart compared the sale of his wool in Roswell with his father's wool in Boston. His father's wool sold for four to five cents per grease lb. more than his did. Although part of the better price could be accounted for by the rising wool market at that time.

Jack Ruttle summed the wool marketing discussion by showing that the person that sells a good reputation clip the same way every year, is more likely to receive more than a person that keeps changing the way he sells it.

Dr. T. H. Belling told the group his experience with testing rams for sterility. He found three rams out of thirteen, tested to be sterile, due to epididymis, a gross change in the size of the testicles. This will be discussed more at the wool school, to be held July 20-21-22, at the State University.

Mr. Moore of Worley Feed Mills, furnished the round truck.

The sheep dusting demonstration was viewed by all. The general comment was that if the dust was as irritating to the tick as it was to the people there, they would surely quit the dusted sheep.

Joe Skeen showed the group how to pack the flat pack of wool and after packing, split the bag to show how the wool looked at show time.

Walter Jones, Francis Owens and Charles Jones ably assisted N. E. Britton, in preparing the barbecue.

* * *

It pays to improve your sheep, as figures in the recent Lincoln County wool survey shows that some growers received 300 more per ewe than the average, and $3.20 more than the lowest income per ewe. The income per ewe ranged from $3.79 to $8.99 with an average of $4.96. This increased income cost you very little, but the extra time spent grading your sheep. The grease price on the herd having the best income ranged from 44 to 58 cents per pound; so price per pound of wool is not as important as income per head.

Capitan News

By DIXIE SPARKS

Hi! Friday afternoon last, Mrs. Charlie Bird received quite a shock when she and her two daughters returned home after visiting with friends. Someone, very unthoughtfully unchained Smokena. She (Smokena) entered the Bird home and "had a ball." Things were destroyed that money can not replace nor the words "I am sorry it happened," make it right. We all thank God that their two daughters were not at home at the time. Smokena now has a cage, too late. I wonder how the person or persons who unchained Smokena feel now??

The madness in my method of writing the above is this: will it take a tragic accident, taking a little boy's or girl's life, before something can and will be done about the cars and trucks speeding through Capitan? It is cowngrade and the speed law says 30 miles per hour but by the time they reach the intersection of town and east of town, their speed certainly isn't 30 miles per hour. What are we going to do about it?? Will it be too late like the above??

The Mill east of town still blasting and building right along. The 9 miles to Angus, rougher than a cob, but the new part coming along nicely. We can take the rough part (we have) because when the new highway is completed it will be so nice to drive on. Hollis Cummins' home almost completed, the framework up on the Cab Callaway's home; several homes being painted, inside and out among are Lewis Cummins, Isabell Romero and Granny Edmondson, Eugene Perree has a new picket fence and are forcing us, next door, to do the same, it is pretty though. As I understand it the home where Vernon and Frances Gelhart are living is next on the agenda for painting.

The Ray Provine family left Friday early for a week's visit with relatives and Ray hopes to get in some fishing. They will be in and around Lubbock, Tex.

Mrs. Lewis Cummins left Capitan the first part of the week for Albuquerque. There she will stay with daughter Jerry and family also to be present for her son-in-law's graduation, in engineering from the University of New Mexico.

"Peg" and Leota Pfingsten are back home after the Bradford reunion in Farmington May 29. They had just returned from Mexico and only stopped for a change of dress and on to Farmington. The visit to Mexico must have been all right for they plan to do the same next year, only longer this time. "Dad" Bradford will fly to Roswell some time this week to spend the summer with Peg and Leota. There were 21 Bradfords at the reunion with Ralph Vance and his sister being the youngest cousins. Everybody will be glad to see Dad Bradford again.

Mr. and Mrs. Abney and three sons are new residents of Capitan. Mr. Abney is the new pastor for the Nazarene Church. Everybody extends their warmest welcome to the Abney family and hope you all will enjoy your new Church and the people in and around Capitan.

Mr. and Mrs. Don Murphy were honored with an anniversary party at the Block Ranch last Saturday. This was the 40th wedding anniversary for the Don Murphys. The Round Table Club was the host for the occasion. Congratulations and may you have another 40.

Cowboy writer Joe Evans of El Paso and Ruidoso, introduced by Program Chairman Lloyd Davis, entertained Rotarians in their noon luncheon session Tuesday at the O. E. S. hall with some home-spun humor and some home-spun truths. He stressed the responsibility that parents have towards their children, urging that men not spend too much time on business and overlook the raising of their children. Mrs. Exa White, who won the $100 bill given by the Rotarians on Memorial Day in a fund raising drive to equip a room in the new hospital annex, returned $50 of the $100, the club was informed.

Visitors included Ervin Menger, Albert Miller, Cecil Rhinehart, Joe Miller, Alamogordo; Joe Evans, El Paso; ... Elland, Lamesa, Texas.

Copper Helps Your Kitchen Shine!

MORE AND MORE WOMEN seem to be turning to the use of copper cookware, having found that copper pots and pans assure best heat distribution and excellent cooking results.

There's an "extra" in using copper in the kitchen, too. These pans, with their rich glow, are pretty enough to be hung right on the wall, making a most attractive decorative display. A handy paste cleaner keeps pans bright, wiping away stain and tarnish quickly and easily, with no need for hard rubbing.

Display your shining copper pans directly on the wall, or attach a peg board to the wall, hanging copper molds and pans from hooks in a decorative pattern which can be changed whenever you like. Whatever your arrangement, your "copper corner" adds a bright—and functional—note to any kitchen theme from provincial to modern!

CHEVY BESTS
7 (COUNT 'EM) 7
Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.
BEST BRAKES . . . In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR*, Chevy out-stopped both the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings for up to 66% longer life. ***BEST TRADE-IN*** . . . Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two." ***BEST STYLE*** . . . *Popular Science* magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably modern in every line. ***BEST ECONOMY*** . . . No doubt about *this*: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. ***BEST ROOM*** . . . Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. ***BEST ENGINE*** . . . *Every* motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As *Sports Cars Illustrated* puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." ***BEST RIDE*** . . . You'll be able to tell this yourself, instantly. But *Motor Trend* magazine expresses it this way: ". . . the smoothest, most quiet, softest riding car in its price class."
*National Association for Stock Car Advancement and Research †National Automobile Dealers Association ‡Automobile Manufacturers Association

BOND GROCERY OPEN AT HIGHWAY LOCATION

The Bond Grocery and Market, located on Highway 70 near Skyway Ride, is geared for summer business, and J. T. Bond, owner and operator, will be glad to have tourists stop and get acquainted.

"I think we have a fine location," Bond said. "We're right in the midst of a regular amusement center."

The Bond Grocery and Market formerly was located in Hollywood near the Valley Saw Mill. When Highway 70 was made into a four-lane thoroughfare, Bond moved his business to its present location.

Bond has been in the grocery business for the last 45 years. He has been in business here for the last six years. He and Mrs. Bond moved to the Ruidoso area for their health.

"We've felt fine ever since we came here," Bond said.

the right answer

Ed Jones asked me to go fishing with him last Sunday morning and when I said I was going to church he asked, "WHY?" For a moment, I was stymied. I just couldn't think of a good answer. Matter of fact, it has taken me all week to think of the reply I want to give Ed. Here it is.

Why do I go to church, Ed? Why do I breathe? Why do I smile when I see the sun in the morning, or shiver when I'm cold? Why do I love my wife and kids, and lose my temper when the lawn mower breaks down? Because I'm human, because I'm a man — and because I have a God whom I love. This God cares enough about me to have sent His only Son to make the most supreme of all sacrifices — for me, and for you, Ed Jones, and for all of us.

I go to church to worship that God. I do not go to beg, but to thank Him for what He has given me. I go to ask Him for guidance and forgiveness. I don't have to ask Him for His love. I have that. So have you. So have we all.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Surest Route to Financial Independence is Continued Ownership of Real Estate

We have several good substantial going business opportunities, do not require large cash outlay that will make nice living return.

CREE MEADOWS HOME

We seldom get the opportunity to show a home that has all of the features embodied in this one—as to location, fine details in construction, furnishings, etc. Approximately 2½ acres of land, 4 bedrooms, 2 baths, double car port, large living room, comfortable kitchen and dining area, adjacent to golf course. We certainly have never had a home of this type at the low price asked.

COUNTRY ESTATE IN CITY

This, we believe to be the most outstanding property in Ruidoso as it comprises approximately 35 acres of choice mountain view land within 2½ miles downtown Ruidoso. Home AA-1 construction, unusually beautiful landscaping, adjacent to city limits. Excellent investment.

GOLF COURSE HOME

Located on East side and immediately adjacent to Golf Course with unexcelled view of Old Baldy. Two large lots having frontage on two streets. This area has always been one of Ruidoso's Choicest.

GATEWAY HOME

Three bedrooms, two baths, furnished, large tract of land—this is on paved street, good buy at $16,500.00, easy terms.

HIWAY FRONTAGE—RUIDOSO DOWNS

Five lots in one block, ripe for development. Terms, $10,000.00.

CLOSE IN AND NEAR RIVER

Two 2-bedroom furnished cabins, also small cabin, beautiful location, exceptional low price of $10,000.00—terms.

RIVER HOME—UPPER RUIDOSO

Look out of a picture window of your living room to a sweeping lawn that borders on the tumbling Rio Ruidoso. This is a large home with an abundance of land. We can't describe it here, you will have to see it to appreciate the investment in serene living.

PONDEROSA HEIGHTS

Large lot with partially finished two bedroom home, $3,777.00.

COUNTRY ESTATE

Four bedrooms, two baths, 3 fireplaces, extra spacious living room. 20 acres of land, two highway frontages, orchard, with choice grade apple trees. Rio Ruidoso flows through property. This is an outstanding piece of real estate with excellent future.

HIGHWAY & RIVER FRONTAGE

Approximately 190-ft. on paved highway, 5 lots with very comfortable furnished home. Close to shopping area. This is ripe for commercial development.

We have several summer cabins, ranging in price from $3,000.00 up with terms.

HIGHWAY AND RIVER FRONTAGE

This has 120 feet of highway frontage, level deeded ground, 4 bedrooms, 4 baths, large living room, fireplace, nicely landscaped. This very liveable home is located in upper Ruidoso, approximately one-fourth mile above the post office. This is the first time this home has been on the market. Good well. Would consider trading for smaller home in Ruidoso in trade.

Son Of Ruidosoans To Get Citation As UNM Graduate

(From the Albuquerque Journal)

Working as a committee for the national chapter of Sigma Delta Chi, the University of New Mexico journalism faculty has named James V. Lamb "Outstanding Male Journalism Graduate of 1959."

Lamb, a full-time member of the Journal staff for several years, was chosen on the basis of scholarship, character and ability to perform journalistic tasks.

Keen Rafferty, chairman of the journalism department, said Lamb "is held in the highest respect by the faculty and students in the journalism department."

Rafferty said that Lamb has almost a 1.5 grade point average, "quite respectable for a double-duty person." He has held a full-time job throughout his academic career.

Each Sigma Delta Chi chapter over the nation chooses its own outstanding male graduate. Lamb will receive from SDX a "Citation of Achievement."

Jim Lamb is the third generation journalist in the Lamb family, and is the son of Mr. and Mrs. Vic Lamb of Ruidoso. Recently he has sold articles, with pictures, on New Mexico subjects to New Mexico magazine and to The Empire magazine supplement of the Rocky Mountain News in Denver.

Immunization Law Is Outlined For School Children

(Adopted by the New Mexico State Board of Public Health on May 24, 1959).

Beginning in the fall of 1959, all public, private and parochial school children in all elementary and secondary schools in New Mexico will [illegible] ... regulations of the state board of public health, and can provide satisfactory evidence of such immunization. Provided that, if within the month, he produces satisfactory evidence of having begun the process of immunization, he may continue to attend school as long as the immunization process is being accomplished in the prescribed manner. It is unlawful for any parent to refuse or neglect to have his child immunized.

Poliomyelitis: A minimum of three injections are required. The first two injections must be given at least one month apart, and the third injection given at least seven months after the second injection. Intervals between injections may be longer but should not be shorter. A fourth injection may be given at the discretion of the attending physician, but it is not required for school attendance.

Smallpox: Vaccination within the last five years is required, with revaccination at five year intervals.

Immunization against diptheria, whooping cough and tetanus (D. P. T.), requirements include three initial injections at least one month apart. The intervals between injections may be slightly longer but should not be shorter. This series should be given in infancy and at least two booster doses given by the time the child starts to school.

Parents should check with their family physician or Public Health Nurse and secure records to present to school authorities when school opens in the fall. The following is a schedule of the dates the County and School Health Nurse will be in the specified areas to give immunizations and provide records.

FOREST FIRES THIS WEEK CAUSED FROM LIGHTNING

Two minor forest fires this week resulted from lightning, Ruidoso Ranger Clarence Sinclair reported.

A small blaze was discovered Tuesday morning in the Capitan Mountains and one Monday was reported in the Cloudcroft area. The one near Cloudcroft, at Elk Silver, was reported out of control Tuesday noon.

The fires were first observed by Jim McFuen, aerial observer for the Forest Service, who was flying with Ralph Brown, pilot.

A third blaze, also of minor importance, was discovered last Friday near Hale Lake. It also was believed to have been caused by an electric storm. Three Forest Service men flew to the scene and soon had it under control, Sinclair said.

Taylor-Staples Vows Will Be Solemnized At Baptist Church

The engagement and approaching marriage of Miss Sue Taylor to Royce F. Staples of Ruidoso Downs is being announced by her parents, Mr. and Mrs. R. C. Taylor of Hollywood. Mr. and Mrs. Carlton E. Staples are parents of the future groom.

The couple will repeat wedding vows at 3 p. m. June 14 at the Ruidoso Baptist Church, downtown Ruidoso, with the Rev. Wayne Joyce officiating.

VILLAGE TRUSTEES PASS RESOLUTIONS ON ENLARGING FIRE STATION, SEWER WATER

The Ruidoso Village Board of Trustees in its last regular meeting passed a resolution asking that water turned back into the Rio Ruidoso from the sewage treatment plant, which is expected to begin operation this fall or winter, be credited to the water used under the village's rights in the stream. Another resolution passed was for granting permission to the Ruidoso Volunteer Fire Department for use of a lot adjoining the fire station for expansion of facilities.

In a called meeting last Thursday afternoon, still another resolution was passed by the board, in which it asked the Forest Service to modify its land exchange program which recently was outlined and which could see a great area of the forest property adjoining the village limits be swapped to private ownership.

In the regular meeting, also, W. A. Hart and Carmon Phillips, representing Ruidoso Enterprises, Inc. appeared in protest to the village planning and zoning commission's vacating of an old subdivision to allow for development of a new one. The protestants claimed vacating the old subdivision did away with an access road to property they own adjoining the new subdivision.

A report on a meeting of Eagle Creek Inter-Community Water Supply Association was given the trustees by board member T. B. Hood, who told of steps the association is taking in the study of rehabilitating or re-installing the years-old pipeline from Eagle Creek. Also, the board made final passage of an amended curfew law, published elsewhere in today's News.

DOWNTOWN BUILDING TO BE TORN DOWN BY NEW PURCHASER

Buildings of the former Richards of Ruidoso Picture Frame Factory, located across the street from the Municipal Building, will be razed by Don Blaugrund of El Paso, new owner of the tract where the buildings are located.

In discussing future uses for the business site, the new owner mentioned the possibility of converting it into a downtown parking area. However, at the present time, no definite plans were announced.

Blaugrund purchased the land and buildings from the Ruidoso State Bank, with Fred Gresswell acting as broker for the transaction.

Gateway Cleaners Opened In Ruidoso By Texas Couple

Gateway Cleaners, now open for business at the Gateway on Main Road, is a splendid new addition to Ruidoso's expanding business area.

Owned and operated by Mark and Irene Poer, the brand new building measures 22x70 and is of cinder block construction. The office section has a full glass front and is handsomely decorated. Walls are tinted a soft green, with paneling of wallpaper in an ivy design. Attractive pictures and mirrors add to the appealing interior decoration.

The extensive dry cleaning section has the most modern equipment, with many racks for hanging garments in alphabetical order.

Gateway Cleaners will specialize in cleaning draperies, blankets and quilts, as well as wearing apparel.

Another specialty at this new plant will be alterations and resizeing. A one-day service on request also will be offered to the public.

Mark and Irene Poer are widely experienced in the dry cleaning business. They have operated dry cleaning plants at Midland and Balmorhea, Tex., for a number of years. They are highly trained in the most modern methods of the dry cleaning business.

The Poers, now residents of Ruidoso, have owned a cabin in Paradise Canyon for the last five years. They have one daughter, Marcelle, 11. Mrs. Poer has been an adult leader in Girl Scouting for many years and has been an active member of various women's organizations.

Mark and Irene Poer invite the public to stop by and see their modern new plant. As a get-acquainted offer, Gateway Cleaners will dry clean every third garment free brought into the plant on Monday, Tuesday and Wednesday.

NEW RENTAL BUILDING ERECTED BY WINANS

Nearing completion on Main Road is a new business rental building being erected by Mr. and Mrs. Ed Winan.

Of cinder block construction, the 20x50-foot building has an all-glass front and easy access from Main Road.

"It would be an ideal building for an auto parts store or a real estate office," Winan said. "However, due to its fine location on the main traffic artery for Ruidoso, the building would be suitable for many types of business."

The building should be ready for occupancy in about 10 days, according to the owners.

The structure is located next to Margaret's Cafe, also owned by the Winans.

Contractor for the new rental building is A. E. Miller.

FIRM BUYS TWO LOTS

Loftis & Fisher Excavation Service has purchased two lots in Paradise Canyon, Fred Gresswell Real Estate firm reported last week.
