Seems some teen age boys are killing lots of songbirds there with BB guns, and that they have also shot through some picture windows and other windows in homes in that neighborhood. Hinkle said some youngster stole a very keenly sharpened Plumb hatchet from his place while he went to El Paso to place his wife in the hospital there, and proceeded to chop on trees and part of the foundation of his house. "Such a sharp hand axe will hurt some young fellow, and I'm hoping some parent will note their child has this tool and take it from him before he does injure himself," one of Hinkle's neighbors told us. . . .

Our Forest Service and our Volunteer Fire Department members, all deserve more than just tribute in type for their extra heroic work in recent weeks in the manner in which they are so dedicated in trying to stop a fire before it gets out of hand. They've all been called on more than usual in the last month or so for both forest fires and for fires in business and residential sections of our communities. They respond in a matter of seconds, go at the job of fighting the fire tooth and toenail and never quit 'til they've won, or are totally exhausted. And the work they do, under stress of seconds to spare, along with the threat of suffocation from heavy smoke and heat that accompanies the work cannot be classed but anything than heroic. We tip our hats to all of you—and know that this mere expression is not near enough praise for you! . . .

Volunteer Fire Departments of Ruidoso, Ruidoso Downs, Hollywood and Capitan, along with Forest Service fire fighting crews, have had one of the busiest Junes in their history. The extreme dry season has been the reason for more than the ordinary number of fires of all kinds.

In Ruidoso, the V. F. D., joined by neighboring community V. F. D. members and the Forest Service, have battled three residential fires in a short while.

At 1:30 last Saturday morning, fire completely destroyed a two-bedroom home owned by James M. Welch, in upper Ruidoso. Brush and trees surrounding the house were also burned. Damage was estimated at from $6,000 to $7,000 by Fire Chief Claudie Peterson. He said the blaze could have been started by faulty wiring.

At 6 p. m. last Thursday a fire at the Lee Boswell residence on Main Road in downtown Ruidoso caused an estimated $200.00 damage.

A short in a television set at the Bob Hollis home last Wednesday night brought a call from the local V. F. D., but the fire was extinguished before any serious damage resulted.

George Fuchs, one of several men employed by the U. S. Forest Service for fire fighting detail and for patrolling camping areas to be on guard against possible man-made fires in the woods, told the News last week-end the Forest Service has had a total of 19 fires in this area this spring. Two of them were very serious, using a huge corps of man-power to control them. Also, the Mescalero Apache Indian Reservation has had about two dozen blazes. Currently it has closed all access roads to picnickers and sightseers. The recreation area west of Ruidoso was closed to fishing, camping and visiting last week-end, to remain closed until the fire threat eases. Bonito Lake was closed to campers who might build outdoor fires last week-end, also.

Officials of all the organizations have declared the fire danger was never greater, and have again urged extreme caution by everyone to guard against fire.

The Sacra Bros. office in Capitan was damaged in a fire a few days ago, Ruidosoan Claudie Peterson said he had been told.

County Agent and Mrs. Ralph Dunlap lost their home at Nogal in a fire last Thursday night. A garage and barn also went up in smoke. Fire departments from Capitan and Carrizozo were summoned to the site, but the fire had gained too great headway for them to douse it. None of the family was at home at the time of the fire. They lost much of their personal possessions in the blaze.

New Beauty Shop Being Constructed By Lyda Bloss

A handsome new brick building—that will house an ultra modern beauty salon—now is being erected on Main Road by Lyda Bloss, well known Ruidoso beautician.

The building is located on Main Road across from the Old Mill Trading Post and back of the Mau-Lee Candy Shop.

A light grey and pale pink color combination will be combined in the interior decor.

"I am buying the very newest custom-made equipment and fixtures for the shop, which will be called the Beauty Box," Mrs. Bloss said.

One new-styled dryer will even have a built-in radio for the enjoyment of patrons," Mrs. Bloss said. All the new dryers for the shop will be of modern, reclining design with foot rests.

The Beauty Box also will have private booths and thermostat heat control.

A sidewalk will be laid for entrance to the shop and a black top parking area will provide extensive parking space for customers. The Beauty Box will be open for business September 1 and will be open throughout the year.

Mabel Fisher, operator, has signed a three-year contract at the Beauty Box, Mrs. Bloss said.

Mrs. Bloss also is building a new two-bedroom brick home in back of the Beauty Box, which will be ready for occupancy in July.

Charley Martin is contractor for both buildings.

Mrs. Bloss, who also is co-owner of the Village Beauty Shop, will continue her interest there.

Shelby Miller Leaves For East To Attend Meeting

Young Shelby Miller, son of Mr. and Mrs. V. A. Miller of Hollywood, will be one of eight New Mexico high school students attending the National Convention of Student Councils to be held this month at Pittsburgh, Pa.

Shelby left Tuesday for the East. He was to join the other students at Roswell, from where they will travel as a group to Pittsburgh. The students will be accompanied by Miss Eller, a teacher in the Carlsbad schools and a Student Council sponsor.

Shelby plans to be away two weeks and will travel in Canada before returning home.

The Ruidoso youth next year will be a senior at the local high school and will serve as president of the Student Council.

TEXAS COUPLE BUYS LOT FOR HOME SITE

Mr. and Mrs. W. B. Grant of Victoria, Tex., have purchased a lot from Nora Harding on Mechem Drive in the Cree Meadows addition for a future home site. Luther Bynum, local realtor, who handled the deal, reported this week.

Size Of Gifts From Individuals Pleases Lions

W. D. Horton, chairman of Lions Swimming Pool, Inc., seeking to raise a fund of $65,000.00 to build a public swimming pool for Ruidoso, this week told the News he and his fellow club members are more than pleased with the size of individual donations to the project. "Gifts received so far are averaging about $100 per donor, but we have not received nearly as many as we had hoped at this time," he declared. He said he and his committee were hoping that by now, one month since the project was announced—the total of subscriptions in the non-profit corporation would be far greater.

"Our committee members do not have the time to make a house-to-house solicitation, and we had hoped the community would want the pool enough to volunteer their donations—saving time for us all. Purchases of the stock in the swimming pool corporation can be made from any Lions Club member, including D. J. Sovell, treasurer for the pool fund, and cashier at Ruidoso State Bank," Horton said.

"The community received the idea with enthusiasm, but has not backed up the enthusiasm with the financial support we were hoping for this first month," he pointed out.

Former Ruidoso Teacher Named High School Principal

Dwight Watkins, who was an industrial arts teacher in the Ruidoso schools during 1949 until 1952, and who has been serving as assistant principal and industrial arts teacher in the schools at Portales for several years, has been employed as high school principal in the Ruidoso school system. He succeeds Paul Vance, who has held that position for many years and who asked this year that he be allowed to return to the school room as a teacher, stepping down from the administrative position.

Watkins built a home in Ruidoso while he lived here, constructing a residence in Palmer Gateway, which later was sold to the George L. Zimmerman family. His wife also taught in the local schools when they lived here. They are parents of three children. Supt. J. Howard Morris, in making the announcement last week, said Mrs. Watkins would not be on the faculty. Watkins now holds a masters in school administration, Morris said.

The girls left Sunday and joined Girl Staters from Alamogordo at Tularosa for the trip on to Albuquerque. They were accompanied by Mrs. Tony Genta, Alamogordo.

The Ruidoso girls will return home this Sunday.

At a future date, they will be honored at a dinner to be hosted by the local American Legion Auxiliary. Other honor guests will be their parents and dates.

Capitan Okays Sewer Bonds

Capitan voters Tuesday favored the issuance of bonds to construct a sewer system by an overwhelming 121 for and 32 against. As outlined by Mayor Joe Rench, the sewer system would have a grant of more than $12,000 in federal funds to help construct the disposal plant for the project.

Bonds voted totaled $120,000.00 and included a water improvement issue.

Carl Morrison is the newly elected president of the Ruidoso Chamber of Commerce. Morrison succeeds Joe Coe.

Other new officers named at a recent Chamber meeting are Arthur Ray, vice-president, and George Gardenhire, treasurer.

The new officers will assume their duties at the beginning of the Chamber's new fiscal year in July.

Plans also were made to complete the 1958-59 membership drive of the Chamber before this July.

At the present time a total of $5,000 has been tallied in the current drive.

Announcement also was made that regular Chamber of Commerce meetings from now on would be held at noon on the first Wednesday of each month, instead of night meetings on the first Monday of each month, which had been the schedule.

Does Ruidoso Want F. H. A. Financed Homes?

Through efforts of many months, a Ruidosoan, Dan D. Swearingin, of Dan D. Swearingin, Inc., local insurance and real estate firm, has secured F. H. A. approval for financing construction of homes in the Green Meadows Subdivision. The F. H. A. approval for such construction was the first given this community.

Announcement of this fact was made earlier this year and Swearingin said that considerable favorable comment, and some prospects for purchasing the homes resulted from the publicity.

However, there have not been near the number Swearingin had hoped for—and as a result, he has asked the Ruidoso News to assist with a coupon survey to determine if the F. H. A. homes should be built. "With no more than have so far indicated they would want this type of home and financing here, we are dubious about going into a large scale development as we first planned," Swearingin said in discussing the coupon survey. It is his idea that, if there is sufficient interest through answers to the coupon, he will continue with the original intention of developing a subdivision at Green Meadows with paving, curb and gutters, and with every home to meet F. H. A. specifications—and in a wide variety of types and styles. Prices would range from approximately $10,000.00 to $12,500.00, he has estimated.

You will be doing Ruidoso a favor, and can speed up the F. H. A. home financing project here, if you will fill in answers to the coupon below and mail to the Ruidoso News within the next week.

T. B. Hood, well known in business and civic activities of the county, is a graduate of Cornell University. He has had many years of banking experience and was associated with California banks before moving to Ruidoso. He is a member of the Ruidoso Rotary Club. He and his wife, Evelyn, have two daughters and five grandchildren. Mr. Hood is a native of Bisbee, Ariz.

Board Of Realtors Voice Approval Of Paving, Improving Main Road

NEWS STAND PRICE NOW ...... 10¢

The proposed widening and repaving of Main Road through the heart of the Village of Ruidoso received the unanimous approval of the Ruidoso Board of Realtors at a breakfast meeting Monday morning at Navajo Lodge.

Mrs. Terry Easter, president of the board, called upon Jack Kannady, engineer employed by the Village to conduct an advisory survey, to discuss the project.

"The one big point in the project," Kannady said, "is whether we can afford the additional right-of-way."

He made that statement after reporting on results of a recent meeting of a Ruidoso delegation with State Highway Department representatives in Santa Fe.

"If the state went along with us on the project," Kannady said, "minimum widening of Main Road would have to be 56 feet, which would mean additional right-of-way easements. The state would not pay for such easements." Kannady reported, however, that the state's participation would include everything else—paving, curb and gutter—but sidewalks.

Since improvement of Main Road first engaged attention of Village officials, it has been proposed that the traffic artery be widened to 35 feet.

"If that width was adopted for the project," Kannady said, "the cost would be about the same whether the state participated or not."

Cost, said Kannady, would be about $8 a front foot with assessment over a 10-year period. That would mean about 20 annual payments, amounting to $40 a year and would include paving, curb, gutter and sidewalk costs, according to the engineer.

"As I see it," Kannady said, "we've got to do it (improve Main Road)." Following Kannady's talk, there was considerable general discussion of ways and means of paying for right-of-way easements. Various methods now are being considered by the Village fathers, Kannady told the realtors.

Other business included a discussion of the Board of Realtors adopting a 6 per cent minimum fee for all sales and listings.

"I suggest we draw up a schedule of all commissions and have all realtors sign it," Fred Gresswell proposed.

Final action on the matter was withheld until further study and reports are made.

Realtors' ethics also were discussed. "As realtors," Mrs. Easter said, "we try to maintain a stated code of ethics—high standards of business procedures."

Copies of the "Code of Ethics" for realtors were distributed and will form the basis for future programs of the board. These will be presented by members. Luther Bynum will give the first of these programs at the July meeting of the board.

METHODIST YOUTHS ATTENDING ASSEMBLY

The first of two groups of junior high youths of the Ruidoso Methodist Church left Monday to attend Sacramento Assembly. The group was composed of Dee Long, Martha Locke and Martha Trimble. Mrs. R. L. Johnson motored the girls to the Methodist campsite and they will be brought home Friday by W. R. Long.

The second group of youths will leave Monday. Mrs. Johnson again will take that group and they will be returned by Mrs. Betty Locke.

BREUNINGER TWINS HONORED AT PARTY

Mr. and Mrs. E. P. Breuninger of Mescalero entertained at a party Wednesday night at their home to honor their twin son and daughter, John and Joann Breuninger, who were celebrating their 14th birthday anniversary.

A weiner roast was held and games were played.

Guests included young friends of the twins.

WMU Has Program On Royal Service

A program on royal service was given at a meeting June 11 of the Woman's Missionary Union of the Ruidoso First Baptist Church. The meeting opened with prayer, led by Mrs. W. M. Scott. The devotional was given by Mrs. J. B. Close.

Title of the program was "The Sacrifice of Praise." Other WMU members taking part and topics they presented included Mrs. Bob Chiles, "If I Were a Thai—I Might Live in Bangkok"; Mrs. Laura Stanley, "If I Were a Thai—Buddhism Would Be My Religion"; Mrs. Charles Bonnell, "If I Were a Thai—I Might Be a Farmer's Wife," and Mrs. E. J. Tankersley, "But Since I Am Not a Thai."

The meeting closed with prayer by Mrs. Tankersley.

Next meeting of the organization will occur June 25.

Local Girls Attend State Rainbow Meet

Ruidoso Assembly, Order of Rainbow for Girls, was well represented at the 1959 Grand Assembly of the organization held last Thursday, Friday and Saturday at Alamogordo.

Ruidoso girls attending included Joanell Wicker, Lana Vance, Patsy Shier, Virginia Dryden, Martha Trimble, Rhonda Peters, Rita Smith and Glenda Gable.

Two out of town Rainbow girls went with them to the meeting. They were Betty Seller of El Paso and Cindy Cannon of Deming.

The girls were accompanied by Mrs. R. K. Knox, mother advisor of the Ruidoso Assembly, Mrs. Rita McLaurin, Mrs. Johnnie Jones and Mrs. Virgil Peters.

During the three-day meeting, Lana Vance won an award for a piano solo.

A Festive Summer Dessert

If you're due to play luncheon hostess to your club or church group in the near future, here's a suggestion to make party preparation easier and faster. Serve a new improved Simple Simon frozen cream pie for dessert . . . try the brand new Butterscotch flavor or the other favorites of chocolate, strawberry, lemon and coconut.

A new technique, especially developed for frozen pies, produces a crust that's flaky and tender, golden-brown, with the flavor and texture of the best home-baked crusts. Another important advance . . . the crust stays flaky and tender throughout a wide range of temperatures.

The secret behind the high quality and good flavor of these pies lies in experienced bakers and high quality ingredients, such as imported Dutch chocolate, fresh lemon juice, slices of California strawberries and freshly toasted coconut. Each pie measures 8 inches in diameter and serves 6 generously.

Keep your freezer well stocked with Simple Simon's frozen cream pies, ready for any occasion during the coming months. They're ideal for dinner-time desserts and for between-meal snacking. Easy, too . . . just thaw 45 minutes or less and serve. When the weather's hot, try serving your pie not quite thawed for a cooling, frosty treat.

Clovis Piors Plan Reception On Their 50th Anniversary

To celebrate their golden wedding anniversary, Mr. and Mrs. Clovis C. Pior will host a large reception from 2 to 5 p. m. Wednesday, June 24, at the Biscuit Hill Cafe on Highway 70, which they own and operate.

They are extending a cordial invitation to all their friends in the area to attend.

Mr. and Mrs. Pior were married 50 years ago on June 3 at Wellington, Tex. They set a later date for their anniversary celebration to make it possible for out of town friends and relatives to attend.

Mrs. Pior before her marriage was Mabel Langford, daughter of Mr. and Mrs. Enoch Langford. She is a native of Bonita, Tex. Mr. Pior was born at Woodland, Tex., the son of Mr. and Mrs. Herbert Pior.

The Piors moved from Wellington to New Mexico in the spring of 1914, settling near Prairie View, where they ranched and farmed. In 1922, they moved to Artesia, where they were in the bakery business for 15 years.

Afterward, the Piors traveled for a wholesale concern for several years and, in 1945, they moved to Ruidoso. For the last nine years, they have owned and operated the Biscuit Hill Cafe, making many additions to the concern during that time. With its numerous additions, the cafe now is capable of seating 100 persons. The cafe's name indicates one of its specialties—hot biscuits. Fried chicken and fresh trout are other favorites on the cafe menu.

The Piors have three children, Mrs. Vera Mase of Panama City, Fla., Earl Pior, who operates a trout fishing lake close by the cafe, and Ancil Pior, who is engaged in the Biscuit Hill Cafe business with his parents. The Piors also have seven grandchildren and three great grandchildren.

"We hope all our friends stop by June 24 and help us celebrate our golden wedding," the Piors said.

MRS. EAVES ANNOUNCES ANNUAL HAWAIIAN TOUR

Mrs. Lula Eaves announces that she now is planning her seventh annual conducted tour to the Hawaiian and Caribbean Islands.

"A visit to four Hawaiian 'Isles of Paradise' and island hopping in the West Indies to sight of the best is easier than you think—and closer," Mrs. Eaves said. "The person with a two-week vacation can do either of these tours."

The Eaves conducted tour group will be made by plane. "From Texas it's hardly more than an overnight trip by air to Honolulu," Mrs. Eaves said. The Hawaiian tour will begin July 15 and departure date for the West Indies will be August 1. Cost of each tour, including Lubbock-to-Lubbock plane fare, is within the financial scope of the masses, according to Mrs. Eaves, a Texas Tech faculty member, who conducts the tours during her summer vacation.

Miss Lynda Redmann, Billy Easley Marry At Baptist Church

MR. AND MRS. BILLY EASLEY

Ruidoso First Baptist Church was setting for the marriage of Miss Lynda Redmann, daughter of Mr. and Mrs. M. J. Redmann, and Billy Charles Easley, son of Mr. and Mrs. W. J. Easley, Hollywood.

The Rev. E. J. Tankersley performed double ring rites for the pair at 7 p. m. June 4.

White floor standards, filled with white gladioli and carnations, flanked the altar. On either side were candelabra holding burning white tapers.

Traditional wedding selections were played by Mrs. John Hawkins, organist.

Mrs. Grover Lewallen was her sister's matron of honor and Reed Stirman served as best man for Mr. Easley.

Mr. Redmann escorted his daughter to the altar. She wore a ballerina gown of white lace over taffeta. The fitted bodice has a V-neckline and bracelet length sleeves. A wide self-belt, finished with a tailored bow, marks the waistline above the bouffant skirt. A cap of seed pearls secures her fingertip veil of illusion. The bride carried a bouquet of white flowers, arranged on a white Bible. Her slippers were white, and she wore a pearl drop necklace.

A bouffant frock in turquoise was worn by the matron of honor. It combines a short-sleeved lace bodice and full skirt of sheer cotton. She wore a small hat of orchid flowers and a corsage of carnations.

Mrs. Redmann attended her daughter's marriage in a suit of Dresden blue linen, trimmed with white embroidery. She wore a flowered hat and her slippers and gloves were white.

Mrs. Easley, mother of the groom, attended in a navy blue sheath, with a small white collar, and white accessories. Both mothers wore white flower corsages.

A reception followed at Carrizo Lodge. A bouquet of white flowers centered the bride's table. Miss Dona Rose Surginer served the three-tier bride's cake and punch was poured by Miss Carol Ann Harris.

Mr. Easley and his bride left later for a short wedding trip to El Paso. For traveling, Mrs. Easley changed to blue check cotton suit and white accessories.

The couple will reside here until this fall, when they will move to Las Cruces and the groom will enroll there at New Mexico State University.

Church Ceremony Performed Here For County Couple

First Presbyterian Church here was setting for the marriage of Miss Patsy Joiner, daughter of Mr. and Mrs. Leo A. Joiner of Hondo, and Terry L. Racher, son of Mr. and Mrs. Gordon W. Racher of San Patricio.

Dr. Paul Van Dyke, pastor, performed the double ring rites for the pair the evening of May 29.

Miss Ruth Joiner was her sister's maid of honor and Miss Martha McKnight was bridesmaid.

Ted Racher was best man for the groom. The bride's twin brother, Pat Joiner, was groomsman.

Mrs. Oberholtzer, organist, played the traditional wedding processional and recessional and "Because" during the ceremony. She also accompanied Mrs. Richard Philips, soloist.

Mr. Joiner gave his daughter in marriage. She wore an afternoon dress of embroidered eyelet, designed with full skirt. The dress is topped with a short matching jacket, finished with a round collar and with long tapered sleeves. The bride wore a shoulder length veil, stitched to a crown of orange blossoms and rhinestones. She carried a white orchid, encircled with white feathered carnations.

The bride's attendants were identical dresses of light blue cotton. They have bouffant skirts and short puff sleeves. They wore small caps of white net, trimmed with a large bow of the same material as their dresses. Their cascade bouquets of white carnations were tied with light blue satin ribbon.

For her daughter's wedding, the bride's mother selected a light blue suit and white accessories. The groom's mother attended in a navy blue costume and white accessories. Both mothers wore pink carnations.

A reception followed at the church parlors. The bride's table was covered with a lace cloth over pale blue and centered with a four tier wedding cake, decorated with blue and white rosebuds. Arranged on the top tier was a miniature bridal couple under a bowl of blue rosebuds.

Mrs. Bob Jurney, Mrs. George Butts, Mrs. John Hamilen and Mrs. Wilbur McKnight served.

Out of town guests included the groom's brother and his family, Mr. and Mrs. Lloyd Racher and children of Williams, Ariz.; Mr. and Mrs. Dimmit Bond and family of Corona, Mr. and Mrs. Aubrey Imoe and Sharon of Portales and Mrs. Virgil Hall and family of Capitan, uncles and aunts of the bride; Mr. and Mrs. Terry Brown and son of Portales, also relatives of the bride; Mr. and Mrs. Ken Hill and Mrs. Ernest Rowlison of Alamogordo and Mrs. Effie Bishop of Roswell.

Mr. and Mrs. Racher left later for a wedding trip to Canada and other scenic sites in the United States. The bride changed to a gray linen suit and turquoise accessories and wore her bridal orchid for traveling.

Upon their return, the couple will reside at Alamogordo, where Mr. Racher is employed by Convair Aircraft Corp., at Holloman AFB.

Capitan News

By DIXIE SPARKS

Hi! Driving to Ruidoso Sunday morning I was shocked into realizing that Capitan needs the clean-up program to reach further than just within the Village's limits. The trash grounds south of Capitan are an unsightly sight for visitors driving into Capitan from Ruidoso. After the highway is completed the trash grounds will not be very good advertising for us. What can we do about it? The day I wrote this opening it was pay day at Fort Stanton and I heard so many lamenting the fact they had to go to Carrizozo to get their checks cashed. I agree with them 100% for they jumped me out as a writer for the Ruidoso News, "how about it," as a pay checker from Fort Stanton and a resident of the Village of Capitan how about the branch bank for Capitan. Are we close to have one? The rumor was correct for Capitan is going to have a rodeo the 3-4-5th of July. It will surely seem like old times again for Capitan to hustle and bustle with the rodeo activities. Let's all give them our full support. This week is one more closer to the Lincoln County Fair in September. It was so good last year even if it did rain (we needed that, too) so let's get together and enter arts of our own skill and again help make this the best Lincoln County Fair YET.

Jess Goodman of Armstrong & Armstrong Construction Co. has moved his family here from Idaho. Capitan welcomes Jess and his family and hopes their stay is one to be remembered. Jess drives one of those huge Cats that levels the ground for paving.

The Bill Rogers are going to Duncan, Ariz., to visit with Bill's sister and family for a few days.

C. A. [illegible], Capitan school teacher, will leave for Albuquerque to get his Ph. D. at the University of New Mexico.

Johnny Soderback is looking for his brother from Finland most any day. Johnny has planned quite a few things for them to do while his brother is here.

Pearl of Pearl's Cafe was quite rushed Sunday for she fed the Mounted Patrol members. They were or had been at Mescalero fighting the forest fire.

The Randle family just returned from a week's vacation at Blue Lake near Grants. Fishing was enjoyed by all of the family, especially Bill. Camped out too, betcha.

The Capitan Woman's Club had its annual outdoor outing with an ice cream supper held on the lawn of the Jack Shaw home last Thursday. There were some 20 members and their guests present. Home made ice cream with home made cake were served. A short business meeting followed the social.

Diana Shaw attended the State Rainbow meet in Alamogordo last week-end. Rainbow Girls from all over the State of New Mexico attended the business and fun activity planned by the host chapter of the Rainbow Girls.

Mrs. Jerry McClung and Janice came home with Mrs. Cummins from Albuquerque last week-end to stay for a few days.

Frances and Vernon Gierhart left last Wednesday for a week's vacation, touring the western and northern parts of New Mexico.

Board members of the State Tuberculosis Association met at Fort Stanton last week-end. Some twenty members attended with Dr. Joseph Gordon, president, and Robert Utzinger, executive director, in charge.

Granny Edmondson abroad twice this week, first she drove to Alamogordo with Yours Truly just for the ride Monday afternoon. Wednesday Paul and I drove her to Carlsbad to visit with my brother for about a week. She will have fun for both of her grandsons are Babe Ruth teen-ager baseball players, and everyone knows how Granny likes her baseball.

That's all for this week folks, more next week and see you too betcha, God willing. Dixie.

SUMMER'S WORK AHEAD—Visiting while waiting to register for the summer session at New Mexico Western College are: McKinley McTaigue, Hondo; Eloy G. Unusual Antique Center Opens On Main Road With Two Fine Shops

By VIRGINIA CHAPPELL
(Ruidoso News Staff Writer)

A new and unique Antique Center has been established here on Main Road, across from Two Rivers Park, offering a wide selection of wanted heirloom pieces and other desirable merchandise to the public.

Attracting attention of all passers-by is The Little Red Barn, a new business venture for Mr. and Mrs. R. C. Buckner, well known Ruidosoans.

The clever shop has all the appearance of a saucy red barn, boasting the gayest door imaginable. Depicting a jaunty scarecrow, the door was painted by Mrs. Buckner.

"I've always liked to browse around in stores that stock all kinds of used articles," Mrs. Buckner said. "The Little Red Barn is this sort of place and customers are invited to come in and look all they please. At the Little Red Barn, they can find items to fit any taste or pocketbook."

Discussing some of the articles in detail, she said:

"Customers will find used household items, ranging from [illegible] to bedspreads. Then, at the Little Red Barn, there are unusual finds—such as pink saddles and wagon wheel hubs.

"Antique collectors will be pleased to find such heirlooms as an authentic cobbler's bench, dry sink, spinning wheel and cradle rocker, as well as old clocks, china and glass."

The Little Red Barn also has acquired a line of new furniture for those who love early American styling. This fine line of furniture is manufactured by Lande of California.

The other Antique Center Shop is owned and operated by Mrs. Rhea Downen, who has just returned from an extensive buying trip in the East. She invites everyone to stop by and see the many beautiful and rare antiques she acquired and now is offering for sale.

There are elegant old lamps and chandeliers, glistening cut glass and satin glass. China collectors will find a notable collection of hand-painted and old china at Mrs. Downen's shop.

Exciting primitive pieces also may be found at the shop. These include such items as an old iron kettle, lanterns, brass and copper pieces. "I always have loved antique and traditional things," Mrs. Downen said, "and have been collecting them for many years."

Mrs. Downen, a former school teacher at Houston, Tex., has spent many summers in Ruidoso. After retiring from the teaching profession, she decided to establish her permanent home here and bought the property on Main Road, across from Two Rivers Park, where she now has opened her Antique Shop.

Let's make Father's Day a Family Day to worship at Ruidoso Baptist Church in downtown Ruidoso. Every child bringing his father for the morning worship will receive a small gift.

I TOOK MY CONTRIBUTION

TO THE LIONS SWIMMING POOL TO A LION THE OTHER DAY. I asked "why don't you fellows get out and work on this project? This is a great idea." This Lion asked me why I didn't work on it myself. He stated that it meant as much to me as it did to him and that he did not have time to go to the people with the proposition. It occurred to me that I didn't have the time either. It occurred to me that some other have the time for this sort of thing. That is the reason for this ad.

PEOPLE OF RUIDOSO—DON'T LET THIS PROJECT FAIL. IT WILL COST US FAR LESS MONEY TO BUILD THIS PUBLIC POOL THAN IT WILL COST FOR MANY SMALLER POOLS AT THE VARIOUS TOURIST COURTS AND IT WILL SERVE ALL OF THE PEOPLE.

Ruidoso is a growing resort. A swimming pool is a necessity. Will it be a public pool or will it be several small pools at tourist courts? The time is coming soon when we can no longer do without a swimming pool.

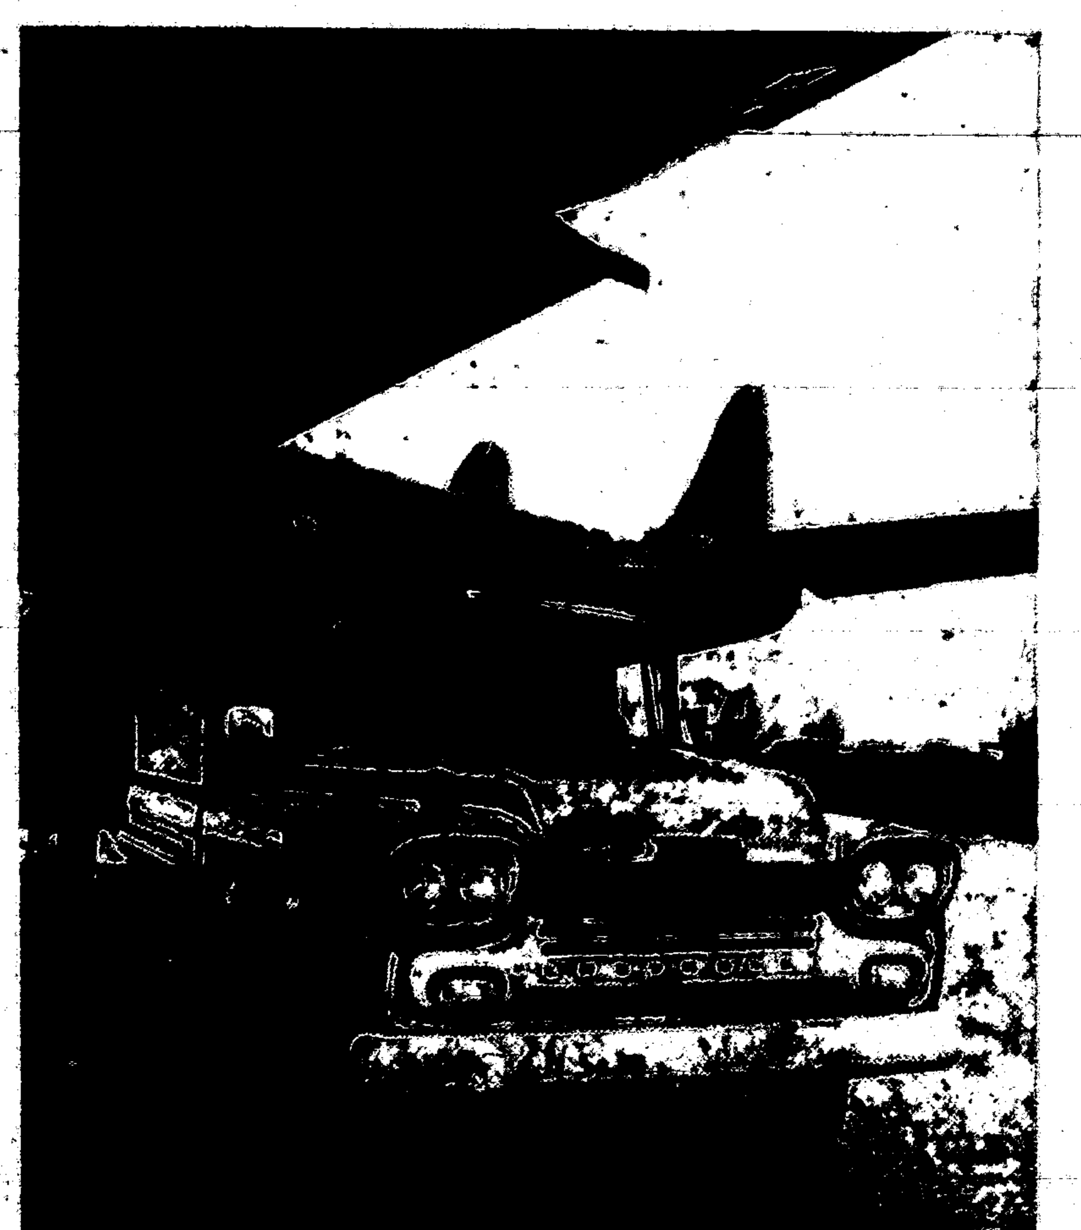
No rest for this Chevy . . . round the clock the engine never stops!

At Washington's bustling National Airport, Allied Aviation Fueling counts on its radio-equipped Chevy to get crews and tank trucks to the right planes at just the right time. Aside from occasional time out for the usual service, its Thriftmaster 6-cylinder engine has been running 24 hours a day for the past 9 months!

Once you've got that kind of endurance working you don't worry much about lost job time. Breakdowns go out of style the day your Chevy goes into action.

The fact is, Chevrolet trucks are dead set on dropping the word "downtime" right out of the English language. And they just might, if precision engineering and top-quality materials have anything to say about it. Chevy trucks are put together to stay together—incorporating the most advanced chassis developments, the most efficient 6-cylinder and V8 engine designs. They're built to last, built to keep Chevrolet's hard-earned reputation for reliability flying high.

Going into the real heart of Chevrolet advantages is where your dealer comes in. He'll show you, in feature after feature, that you can't buy more truck dependability – in any weight class—at any price.



No job's too tough for a Chevrolet truck!

Oklahoman Pays $6,500.00 Fee To Enter Downs All-American Futurity

A $6500 entry fee—the largest ever paid to enter a race in New Mexico—has been posted by Oklahoman R. D. Stanfield to enter his two-year-old filly, Leanna Leo, in Ruidoso Downs' rich all-American Quarter Horse Futurity.

The record payment was made this week, Gene Hensley, Ruidoso Downs general manager, said. The big supplementary fee will boost the gross purse of the Labor Day feature beyond the $120,000 mark, Hensley said.

The race will be the richest quarter horse contest ever held although most of the prize money has been posted by the owners of the entries.

Owners began paying nomination fees before the colts and fillies were foaled. The first payment was $25. Other payments ranging from $50 to $500 were collected at three-month intervals. An additional $500 will be paid to enter the trials which will be held at Ruidoso Downs on the last week-end of August.

Hensley said that there are more than 50 still eligible for the race although the list hasn't been officially closed in order to allow June 1 payments of $500 to reach the Ruidoso Downs office.

Total payments for the Futurity amount to $2,000, but supplementary (late entries) charges were set at $6500, Hensley explained.

Stanfield, who hails from Broken Arrow, Okla., has plenty to base his high hopes of having his $6500 pay off to the tune of more than $70,000 in first place money. His filly ran 350 yards last Saturday in 18.1 seconds to whip Explosive and Hy Mary in an allowance race. Leanna Leo paid $6.60, $2.40, $2.70.

Fast Track Sees Records Tied Last Week-End At Local Track

Hickory Red, a six-year-old chestnut Oklahoma horse, captured the six-furlong Hollywood Allowance here Friday afternoon at Ruidoso Downs to tie the track record of 1:12.6.

Ridden by Jockey Jack Brown and owned by Walter Merrick of Crawford, Okla., Hickory Red returned $6.10, $3.30 and $2.40. No Gal was second and Aortic third. The race was Hickory Red's from wire to wire.

A long shot, Aunt Judy, returned a whopping $81.60 on her maiden start in the fourth race over 350 yards. Jockey Clifford Lambert pushed her across the wire in the exceptional time of 18 seconds. The two-year-old chestnut filly is owned by Carl Mercer of Conoga Park, Calif. Oh My Oh appropriately was second.

Cleardeck and Lan-Lay ran a dead heat for show money in the 10th race, which was won by Be Glad of the Jack Hughes stable at Junction, Tex. Another Hughes horse, Go Pike, took the eighth race.

More than 4,000 fans saw Jockey Kenneth Halmark, leading rider last season at Tucson, guide the Artesia, N. M., horse, owned by W. L. McDonald, to a win in the seven-furlong event. Damask Cloth paid 14.20, 6.10 and $4. Ricosire returned $3.50 and $2.90 while show horse Miss Dana paid $6.10.

A consolation daily double was set up when Header's Dream was scratched in the second race. Daily Double bettors with Johnny Dark and Header's Dream received $7.30.

The co-featured Red Canyon Allowance was won by Easter Rose, owned by Dub Phillips of Dallas. The payoff was $13.50, $3.90 and $2.60.

Movie and television star Dale Robertson was one of the spectators at the track and saw his horse, Antlers Trade, win the eighth race. Apparently fans felt Robertson would bring his horse good luck and bet accordingly. The win for Antlers Trade was worth only $3.30, $2.70 and $2.60.

Pari-mutuel windows clicked merrily throughout the cool, clear afternoon. The total handle was $190,550.

Quiniela bettors in the 12th race with a combination of Jane's Agent and Tony's Chatt received $19.20. Best payoff of the day came in the sixth race when Miss Speechie came on to win and return $46.60, $16.20 and $7.40.

Fast times—including a new track record at 5½ furlongs—and some surprise winners kept a crowd of 6500 fans excited here Sunday in the final day of the week-end racing program at Ruidoso Downs.

Ahba's Bull, the veteran owned by Watson and Arnett of Carlsbad, sprinted the 5½ furlong distance in 1:05.4 in winning the sixth race of the day for the new record. The performance clipped a full two-tenths of a second off the old mark, which was set by Colisee on Aug. 4, 1957.

Among the better payoffs, in the early races saw Game Thymus, owned by Rice and Brown of Windermere, Fla., return $21.70, $8 and $4.60 in winning the four-furlong allowance seventh race.

Fleet Sis, owned by E. C. Tucker of Big Spring, returned $22.90 in winning the 5½ furlong fifth race.

Little Ike, a five-year-old brown gelding, won the featured eleventh race Mike London Allowance at six furlongs and paid $30.40, 8.30, and $5.

Little Ike was ridden by Oliver Topham and is owned by D. B. Plummer of Pleasanton, Calif. In winning the brown gelding tied the track record for six furlongs of 1:12.3 established by Carolos in 1956.

In the twelfth race Like Shorty came home over the full mile distance in 1:41.4 and paid the longest odds of the day, $90.90, $17.00 and $6.00.

OKLAHOMAN'S HORSES ARE REGULAR CONTENDERS — A. B. Green of Purcell, Okla., eyes his opposition in the paddock at Ruidoso Downs, as his trainer, Jerry Fisher, prepares to saddle his entry, Miss Olene. The classy filly went on to win easily in the fourth race on Memorial Day at 350 yards. Green has had racing stock at Downs' meets for several seasons.

Raising Race Horses 'Great Hobby' Declares Oklahoman A. B. Green

By BILL KEYS
(Ruidoso Downs News Writer)

"Raising and running quarter horses gives me a tremendous thrill and provides me with the greatest hobby that any Westerner can have," said A. B. Green of Purcell, Okla., as he watched two members of his stable win at Ruidoso Downs over the Memorial Day holidays.

Green, who has seen his hobby actually grow into a business, now owns one of the largest running quarter horse breeding farms in Oklahoma. It is located just three miles west of Purcell and is stocked with over 50 horses. Among them are 19 yearlings sired by Go Man Go and Vandy—two of the most famous studs in the "short" horse business.

Ranchmen and cowboys who 20 years ago used to haul their fastest horses hundreds of miles just to run a match race now find their stock competing at major tracks all over the West for outstanding purses. As an example of their new found prominence in turfdom, some 60 odd owners, including A. B. Green, have entries in the "All-American Quarter Horse Futurity" at Ruidoso Downs which will be run on Labor Day. The purse will be over $120,000—which is three times larger than any purse in quarter racing history.

CPS Team Leads Softball League

The CPS Softball team, in a fast game last Wednesday night, trounced the Ruidoso News-Ruidoso Gas team to chalk up four straight wins and gain top position in the League.

The C&L Lumber Team Thursday night tangled with the Ruidoso Downs Fire Department nine. C&L took the game.

Other softball League games scheduled this week were Ruidoso News-Ruidoso Gas playing C&L Lumber Wednesday night and CPS pitted against C&L Lumber Thursday night.

Before the week ends, the CPS team may be toppled from its top position, according to Joe Coe, manager.

Racing Top Attraction For Tourists

Ruidoso Downs will start its fourth week-end of the '59 season today with racing attendance at one of New Mexico's leading tourist attractions still zooming above all expectations. The influx of new thoroughbred stables, plus track improvements, seem to have made the 'Sport of Kings' more attractive to everyone.

The top thoroughbred feature for Friday is "The Shier Prescription Pharmacy Purse"—a 5½ furlong event that drew an evenly matched field of runners with early Mick. Comic Turn, owner-trained by local resident Joe Welch, seems the probable favorite. He was a recent winner and looks good. Mickey's Dream, carrying the colors of H. G. Wells of Tucson, also won his last out. Miss Dana, belonging to Texan Ben W. Peeples, has been running well and seems well placed here.

Roger Mills was a two-time winner in Ohio last fall, ran a fine 870 here, would surprise no one if he should come home free, while the remaining challengers are: Fiddling Doll, Tray Bar, Tackajax, Atlas Glory, Jane Pere and Glyn Joyce.

Highlighted for the short horses is the tenth—"The Capitan Allowance," a wide open 400-yard dash, with Mr. Bruce, Derby hopeful, owned by A. B. Green of Purcell, Okla.; Brandyblaze from the Quincy Farm Stables of Denver and Redway Nip, lessee-handled by B. E. Meadows of Baytown, Tex., the probable choices.

Rounding out the field are: Flying Belle, Garcia Doll, Sam's Beggar, Bank Night and Vandy Boy.

A. R. "Sport" Barrett, racing secretary at Ruidoso Downs, drew another top card for the cool pines track on Saturday.

Outstanding feature of the well-balanced program is "The Holloman Allowance" — an evenly matched event going the middle distance of 7 furlongs. Camarista, the Argentine winner running for Arthur Alderette of St. Castro Valley, Calif., cut a fast pace her last out and is expected to improve. No Gal, owned by Artesia businessman W. L. McDonald, is a good steady runner, while Mesa H., belonging to R. M. and O. M. Lee, Jr. of Horse Springs, has had a race and likes the distance.

The remaining contestants: Ludier, Bang's Victory, Aortic, Val's Fortune, Rook and Sir Canary.

The sixth sees Pawhuska Sam, an Oklahoma product belonging to Gomer Evans, going out for a race before the Thoroughbred Futurity Trials. He comes here a winner from Ak-Sar-Ben and his supporters thought enough of him to make him a $700.00 supplemental nominee in the Futurity.

The ninth sees Star Realm 2nd, the Australian star, coming back after a long lay-off. He has shown dazzling speed against the fastest sprinters on the Coast and is carrying the colors of Bassett and Hittson of Globe.

The 550-yard "Cree Meadows Allowance" has Be Bold, running for Jack Hughes of Junction, Tex., and Dr. Rand V., owned by L. E. Patterson of Long Beach, Calif., both specialists at this distance.

The remaining stout challengers: Rival, Hy Leonidas, Taos Lightning, Spotted Mama, Teddy Blue and Chick Fleet.

Honor Maid of Cotton

"The Maid of Cotton" and "The Village of Ruidoso Downs" share top billing at the Downs on Sunday.

The former—an 870-yard Allowance for both quarter horse and thoroughbreds—will see the best field of speed horses for this distance has ever paraded postward on this oval. This is an open event with three or four favorites. Red Joner, representing Pau and H. T. Smith of Ardmore, Okla., had an outcome back to sizzle three-eighths in :34 2/5—fastest work ever timed at this track. The Westerman Stables' Spanish Change of Uvalde, Tex., was an easy winner his last out—drew [illegible]

Remaining contestants: Flying Tom, Wise Fool, Steamed Up, Hopeful Lady, Safety First, I'll Do It Too, May High and Dogie L.

In the latter, a 400-yard dash made up of Quarter Horse Derby hopefuls, Pana Bar, carrying the hopes of John Askew of Fayetteville, Ark., looks the favorite off his last race. The fleet Tidy Too, belonging to Ray Seeley of Blythe, Calif., is a highly regarded PCQHRA Derby winner, Antler's Trade of the Haymaker Farm (Dale Robertson), Yukon, Okla., won his last start.

Remaining challengers: War Chic, Maggie, Dial, Tonto Flax, Clovis Bell and Redway Nip.

Jockey's standings through June 17: Elbert Minchey 105; Jack Wallace 80; Benny Roller 63; Clifford Lambert 55; Robert Scharnow 46, and Ramon Figueroa 45.

Trainer's standings through June 17: Clayton Tolliver 43; Dick Orr 39; Jim Curry 35; Bob Arnett 33; M. T. Cannon 30, and R. D. Hay 28.

"COURAGE"

Many thoughtful observers in our time think courage is the most needed virtue for this day. If so, why? Possibly the reason might be found in the meaning of the word. The root meaning of courage is "heart." It comes from the French word cour. The heart in the body seems to be the most life giving organ. It is the pumping station, the dynamo of physical life.

Speaking figuratively the matters of the heart are of primary importance in life. Home, family, memory, affection, generosity and religion, these are heart concerns. That which fosters these concerns is of primary value in life. We think of business, education and government as important as they minister to the home and family where the heart interests center.

So then we might say courage is that quality in life which puts the first things first. This is something more than facing danger bravely. It is harder and more important to live for the heart interests of life every day than it is to show valor in the face of danger and perhaps receive a medal for it.

The Psalmist links courage definitely with the heart when he says, "Wait on the Lord; be of good courage, and He shall strengthen thine heart." We only have that calm, assured and untroubled outlook on life as we wait upon God.

Paul S. Van Dyke
Pastor, Presbyterian Church.

Fruit-Freeze Keeps Fruit-Fresh!

FRESH FRUIT makes a perfect ending to any meal on a hot summer's day. It's refreshing, and it's easy to serve. You can cut the fruit up hours in advance of serving, if you sprinkle Fruit-Freeze (an ascorbic acid mixture) over it. This will protect the fruit and keep it from browning.

FRESH FRUIT PLATTER

For an attractive platter, here is a nice combination of fruits:

Fresh whole pineapple	Bananas
Peaches	Melon
Pears	Strawberries
Grapes	

Cut pineapple in half lengthwise; scoop out meat and cut into cubes. Peel and slice peaches, pears and bananas. Place together in a bowl. For each 2 cups of mixed fruit dissolve 1 teaspoon Fruit-Freeze in 2 tablespoons water or fruit juice. Sprinkle over the fruit and toss well so that each piece of fruit is well coated. Peel melon, and slice. Wash and hull strawberries. Wrap fruit in waxed paper. Store in refrigerator. When ready to serve, place the pineapple half on a platter; fill center with mixed sliced fruit and top with strawberry halves. Arrange melon slices and grapes on platter.

There was a fellow at the plant who was always asking me to go with him to church.

In a way this picture portrays his zeal. For there was something boyishly enthusiastic about his eagerness; something joyously genuine in his confidence.

And his fervor reminded one of the disciples of old who became "fishers of men."

Well, he brought my family to church. Not because he was a salesman or a saint. Simply because he encouraged us to seek the convictions he was so eager to share.

Betty and I, and little Ricky, really owe our cherished faith to the moment that fellow at the plant said, "I'LL STOP BY YOUR PLACE ON SUNDAY MORNING."

Now, we too, find happiness in bringing our friends and neighbors to church.

HAVE YOU GIVEN YOUR FAIR SHARE TO THE RUIDOSO LIONS SWIMMING POOL, INC.?

This is a non-profit corporation. No one will benefit directly from this project. Everyone will benefit indirectly. This is not only a Lions Club project. It is a community project. Don't ask us to come to you for money. Figure what you can reasonably afford, what it is reasonably worth to you, and then COME TO US WITH YOUR CONTRIBUTION. Any contribution that you figure to be your share is the correct amount.

We are not discouraged. WE ARE GOING TO HAVE A SWIMMING POOL. Those of us who are really interested are going to build a pool. If funds are not raised for a public pool, we will form a club and build a private pool. This will cost each of us more money. The pool will be smaller and will be private. This is NOT what we want. RUIDOSO NEEDS A PUBLIC POOL for everyone. It will be an asset to the community.

A private pool will benefit only the members of the club. It will bring no one to Ruidoso. In all probability it will be the forerunner of several small pools being built at various courts. This will cost the courts much money and will benefit only the courts which have a pool.

Three weeks ago in this paper we outlined a method whereby Ruidoso can have a swimming pool. This publicity brought a great deal of enthusiasm. So far it has brought some very substantial contributions from a very few people. It will require substantial contributions from most of the people in this area.

IF YOU REALLY WANT A SWIMMING POOL FOR RUIDOSO TAKE YOUR CONTRIBUTION TO ANY LION OR TO D. J. SOVELL AT THE RUIDOSO STATE BANK. The money will be placed in escrow and will be returned if the project fails.

RUBY STONE MARKHAM

Houston Artist To Hold Classes In Portraiture

Mrs. Ruby Stone Markham of Houston, Tex., an outstanding portrait artist of the Southwest, this summer will teach classes in portraiture during Kathryne Hall Travis' third annual Summer School of Painting here.

The Summer School of Painting and Gallery of Art will be held during July and August at the large building south of the postoffice.

Mrs. Markham's early training was at the Dallas Art Institute, where she later became a member of the faculty. Being awarded a scholarship, she attended the School of Fine Arts at Fontainbleau, France, where she became an honor student. She later studied under leading artists in New York. She then returned to Dallas and opened a portrait studio. She has exhibited in many of the leading museums of the country.

John Meigs, prominent Southwestern artist of San Patricio, also will be on the Summer School staff and will conduct an intensive workshop, June 22 through July 3.

Free Polio Shots Given Children Aged 6 On Request

(From County Health Office)

Poliomyelitis (crippler of little children) is still with us. In the year 1958 we had 34 children to become paralyzed because of this disease, and fifteen others who did not receive any residual paralysis. Four of these children died. This happened in New Mexico. Why? Twenty-seven of these thirty-nine patients had not had any vaccination at all. Three had one injection, five had two injections, and four had had three injections (all four did not receive any paralysis).

The parents of these children neglected to take them to their family physician or Public Health Department. They are the ones responsible for their children's condition. Salk Vaccine will prevent paralysis as shown by the above figures.

The reports show that in the United States we had more cases in 1958, than in 1957. This increase was probably due to parental neglect. They get the idea that so many have been immunized that they do not need to worry about their own children. The largest group of children un-immunized, is the age group of 15 to 19 years. When the school nurse asks the High School student why he has not had his polio shots, she gets this answer, "my parents said I did not have to take it, unless I wanted to, and I don't want any shots." When school starts this fall every high school student will be asked to present his polio immunization record. Now is the time to check with your doctor.

Poliomyelitis vaccination will be given free to the younger age group only. Children 6 years old and under will be given free immunization by the Health Department if the parents make request. All older children must go to their private physician for their immunizations.

The new school law says that it will be unlawful for your child to attend school this coming year without polio immunization, and unlawful for a parent to refuse polio immunization. Will your child be ready?
