Around Town

—By Nosey Waters—

There is a community in New Mexico with the name of Nervous, New Mexico (yes, there is) and you would have thought about 99% of the officials of Ruidoso Downs came from that place at about 5:45 Monday evening, a few minutes before the All-American Futurity race. Virgil Bond had sweaty hands and a very nervous disposition as he worried over whether the big race would be run at the exact time of 5:52—that was when it HAD to run to get on the national radio broadcast of Monitor—NBC's across country air feature. Norwood McClendon of Roswell KSWS-TV did the color narration and Bond's description of the race, as it was running, consumed about three minutes of NBC's time. A technician from Santa Barbaar, Calif., flew in here to supervise arrangements. Jack Hitchens of the Ruidoso Telephone Co. had wires running out his ears as he made a special telephone hook-up to get the live broadcast out of here for NBC. . . . Sheriff S. M. (Sally) Ortiz was nervous because he had a tip somebody might try to rob the day's cash as it was being transported from the track to the local bank. He said there were 12 peace officers alerted to watch for anything suspicious. During the big race Undersheriff Frank Barajas was on the roof of the Jockey Club with a walkie-talkie helping to keep the peace. Typical order he gave over his radio: "Go to the racing secretary's office, there is a fist fight underway near there." . . . Dale Robertson, TV star of the Wells Fargo program, was real nervous. He was trying to use a new movie camera he had on the big race. We had a long visit with him atop the Jockey Club roof. He shot that side band before and after the race, and he says he thinks he got all the race on film in color. His had another reason to be nervous. Earlier in the day a big Doberman hound that was being kept at Robertson's quarter-horse stables on the Downs bit and scratched his little daughter, necessitating emergency treatment at the hospital here. Mrs. Robertson, mother of the youngster, told us the little girl was not hurt as seriously as everyone feared at first. "We think he was only playing—for he is so big and plays so rough." Dale said he didn't know the dog's name, but that he was going to get rid of him. . . . Bill Keys, public relations man, was nervous, before the race, because he had a covey of newspapermen and radio men from all parts of the Southwest to take care of, and he also figured there would be an inquiry on the big race. (There was, but it was not allowed.) . . . There were seven photographers snapping pictures of the winning horse, the owner, jockey and trainer, while they posed in the winner's circle after the big race. Galobar got a big hand from the crowd when the trainer paraded him up and down the track with that beautiful cream and turquoise blanket he won. The trophy Galobar won was so heavy that it almost took two men to hold it while cameras clicked away. There was the usual horseshoe of flowers for a background for the pictures. . . . Advance betting on the race totaled $9,000 at about an hour before post time. Two special windows were opened early in the day to handle advance wagering, with signs above both saying "All American Wagering, $10, $5 and $50)! . . . Everybody who had anything to do with the race was nervous when a stray hound ran across the race track just in front of the starting gate only [illegible] before the race was to be [illegible] the track [illegible] time, however, . . . [illegible] harvests was No. 5 horse, [illegible] hundred to the dime [illegible] 30 yards from the starting gate [illegible] veered to her right and almost [illegible] the jockey, Ramon Figueroa, was not hurt—only his [illegible] was damaged. . . . Planes flew over the track several times during the afternoon in photographing and the resulting movies. A bird's eye view was had of the huge crowd on hand. . . . Tenseness of the crowd was evident as post time neared. A few seconds before the race began, the several thousand fans and officials set a new kind of record of sorts by being so quiet. A hush fell over the crowd that spelled drama in a whisper. . . . Parking lot attendants were nervous, too, for they just flat ran out of places to park people's automobiles Monday afternoon! . . .

It's most discouraging says Mrs. L. O. Wright, whose summer home on Mescal Lane Rd. has had window panes shot out by youngsters with air rifles three different times—once before the Wrights bought the place and twice since. Eleven panes had to be replaced this year; 26 one year! The Wrights have neighbors in that area who have had problem including one [illegible] not completed, the windows of which were broken by [illegible] one, neighbor [illegible] at another time. [illegible] what could be done [illegible] all we could suggest [illegible] children [illegible] question their [illegible] as to how they use them, [illegible] about the trouble [illegible] by allowing the [illegible] them [illegible] especially when they are used to slay the beautiful song birds we have in our canyon, and we get frequent reports about that. One of these days, if such vandalism continues, air rifles will be outlawed by law! That's one threat the youngsters face who do such dirty deeds! . . .

Celebrities in town over the weekend included: 1. Audie Murphy, most decorated World War II hero who was here for the races on Sunday; 2. Dale Robertson, star of the TV Wells Fargo program, who was on hand for the races; 3. J. Frank Norfleet, Hale Center, Tex., rancher, nearing 100 years of age (!) who gained national fame 40 years ago by tracking down a gang of confidence men, and who, even at his age now, breeds and raises quarterhorses; 4. Walt Wiggins, of Ruidoso and Roswell, who's just moved back here, who is fast becoming internationally famous for his extremely interesting and graphic photos, in both black and white and color. . . . We hear Ray Carpenter may be walking down the aisle to the strains of a wedding march one of these days soon. . . . The Paul Scotts phoned us they were returning to their home in Abilene, and said, in their last week's stay here, they killed a large rattlesnake near their summer cabin. That's sight we've heard about in four weeks! Keep your eyes peeled! . . . Publicity blurb from Grants, N. M., says Ruidoso is invited to attend an Air Fair Sept. 12-13. . . . E. J. Williams, Roswell, writes us: "You are to be congratulated on a GOOD newspaper. It is one that I am sure Ruidoso is proud of, as well as the editor." Thank you, suh! . . . Our apologies to Lyda Bloss for leaving the phone number out of her ad last week when she announced the opening of her new Beauty Box shop. Better write it in your directory, it's not there now: CL 7-4008. . . .

Several Ruidoso people reported to us seeing movies on a television station in Albuquerque the other night made when Mrs. Ruth Bloss and her daughter, Linda, left by plane for Atlantic City where Linda will represent New Mexico in the "Miss America" pageant this week. . . . Since the injured man refused to file charges, a stabbing case here Monday can't be reported in full. It involved a couple of men from a large Southeastern New Mexico city. The stabbing occurred on U. S. Highway 70 in front of Jack's Waffle Shop in Hollywood, State Police Sgt. Bill Kruse reported. Assistant District Attorney John Thompson investigated. Sgt. Kruse said the stabbing followed an argument over one of the men spending a night in Ruidoso with the other man's wife. After emergency treatment here in the local hospital, the man was taken to El Paso for surgery. Sgt. Kruse said an ordinary pocket knife was the weapon, and that the injured man's arm was lacerated deeply between the shoulder and elbow. . . .

Walter Schneider was among bowlers of this area who competed in the big contest in El Paso recently with the big prize an MG sports car. Walt did pretty good, too, standing 7th at one time. . . . Leck Cowden says a delay in arrival of necessary materials has caused postponement from this week 'til Monday and Tuesday next week in resurfacing the alleys there. . . . A local motel, built only two years ago, is making plans to add 40 more units and a dining room, to be announced soon! . . . Residents In Area Anticipating Lincoln County Fair At Capitan

With many special events—including a Quarter Horse Show—planned for this year's annual two-day Lincoln County Fair, residents and visitors in the area are eagerly anticipating the colorful event, to be held this Friday and Saturday at picturesque Capitan.

The Fair will open with a fanfare of activity early Friday morning. Kick-off event will be the Apple Pie Baking Contest to start at 9:30 a. m. with Mrs. W. G. Shrecengost in charge. Tasty apple pies will be whipped up by girls, 14 to 20 years of age, in the Capitan school lunch room. Apples will be furnished by county apple growers and the girls will provide other ingredients.

The girls will be competing for the county Apple Pie Baking title, which will make the winner a contestant for the state title at the State Fair at Albuquerque. Top prize for the state winner will be a $250 scholarship awarded by the New Mexico Apple Council.

Another high point of Friday's program will be the selection of a Fair Queen, who will reign over the Fair and lead the parade on Saturday morning.

Other features on Friday will be exhibitions of junior classes of livestock, home economics, flowers and fruits.

In the afternoon of both days, roping and riding events will provide thrills for both spectators and contestants.

The Quarter Horse Show and range livestock will be features of Saturday's full program of events. This will be the first year for a Quarter Horse Show at the Fair, and many breeders and owners are expected to have entries in the show.

To keep everyone having a good time throughout the two days, there will be games and food concessions, game. This is to become a regular County Farm Bureau members will provide homemade cakes, cookies, candy or fruit as prizes for some of the games. The Bureau is sponsoring two scholarships of $120 each—one for a boy and one for a girl—to New Mexico State University. These scholarships are to be used toward a degree in agriculture, home economics, or education. Money raised from the games goes into the scholarship fund.

The range livestock exhibit is a unique feature of the Lincoln County Fair. No fitting or extra feeding is allowed for the range livestock and they will be exhibited just as they come off the range.

The Lincoln County Fair Association invites everyone to come to the Fair and have a wonderful, old-fashioned good time.

Husband Pays Public Tribute To Faithful Wife

A Ruidosoan called the News this week and asked us for a front page news story in observance of an event very close to his heart. "On Sept. 20 Luise Doll and myself will observe our 40th wedding anniversary, and I want the whole world to know that she deserves more tribute than I can possibly pay her," declared Edward Doll. Mr. Doll said that for 18 years now Mrs. Doll has had to assist him in dressing and in other personal tasks, since he has been blind for that length of time. "In all these years, I have never heard a complaint from her, and I want everyone to know how much I appreciate such loyal and faithful love—and I want to expand this tribute to all women, too."

Mr. Doll, we in Ruidoso, and everyone, everywhere who knows Mrs. Doll, join with you in this very inadequate expression of appreciation!

Contruction has begun here in the Carter Park area, in rear of Bill Ramsey's Buffeteria, of the first three double-units of a large motel being built by Jodie Filleman for M. R. Haws of Levelland, Tex. Modernly styled the double units will stand apart from each other, and at least three other such units will be built later. First stage of the motel will be done in the next few months, and the additional units will likely be completed before next summer, Filleman said. Haws has purchased 200-foot frontage in the Carter's Park area for the new business.

The Air-Lock Logs can be supplied in a do-it-yourself kit for those who want to assemble their own cabins, can be selected in several styles of houses, from one to four bedrooms, including one or two baths, or can be adapted to the customers' own design.

Game Department Officials Declare Refuge To Remain Abolished Here

Letters of protest from individuals in Ruidoso to the State Game Department over abolishment of the game refuge adjoining the village limits on the Northeast brought several officials of the department here this week to confer with civic leaders.

One spokesman for the department said: "We need to apologize for the abolishment of the refuge without any prior notice to the people of Ruidoso, and without explanation of why the commission was doing this, but we cannot rescind the order now."

The officials met with Mayor Jack Hull, C. of C. President Carl Morrison and others at the C. of C. building Tuesday afternoon. They also appeared before the Rotary Club Tuesday noon and conferred with several individuals in town.

Mayor Hull said it appeared there would be no satisfaction for Ruidoso in getting the order removed, and for that reason he hoped further protests would go to Santa Fe criticizing the action.

ADD GAME DEPT 2-24

Fred Harrington, big game biologist, located at Ruidoso for the last three years, gave the News this statement:

"Three refuges have recently been abolished and will be available for the hunting of big game, Ruidoso, Jack's Peak and Jicarilla. These refuges were established in the past so that game could reproduce within these protected areas and re-populate surrounding area. However, at the present time, a surplus of game, deer in particular, already exists in the adjacent areas.

"With these refuges in existence, it is impossible to achieve a proper harvest in order to balance the deer with their existing food supply.

"Some concern was expressed over the abolishment of the Ruidoso refuge by residents of the Cedar Creek area until it was realized that laws are already in effect which prevent hunting in populated areas."

LIONS CLUB OPPOSES OPENING OF REFUGE

At a meeting Tuesday night of the Lions Club, members heard a report by Joe Coe concerning the opening of the Ruidoso game refuge by the State Fish and Game Department. Lions have expressed disapproval of the opening.

Reports also were made of the breakfast the club served Sunday and Monday mornings at the School House Park. Total for both events netted about $50.

The club's Ladies' Night was postponed until the latter part of October and will be held in conjunction with the organization's annual Hallowe'en party.

Capitan On Route Of Sport Car Mileage Test Sunday

Capitan last Sunday was on the route of a cross-country mileage test for sport cars. The gruelling run, sponsored by McBirney Saw Racing of brightly colored sport cars of various makes passed through the birthplace of Smokey the Bear throughout the afternoon. The cars were headed East on U. S. Highway 380, and there were about 50 in the competition. Each car had a driver and passenger.

Harry Eckert underwent surgery at Scott & White hospital, Temple, Tex., Tuesday this week.

S. B. Sloane Buys Main Road Property

E. B. (Tiny) Sloane this week completed details for the purchase of property on Main Road, adjacent to the Treasure Chest, from Tony Ortego of Loving. The property has a 70-foot frontage on Main Road. The transaction was handled by Burdett & Campbell Real Estate.

Sloane also owns another 70-foot frontage, adjoining the property he purchased from Ortego.

"This will give me a 140-foot frontage on Main Road," Sloane said, which runs 165 feet deep."

He said, at this time, he has no definite plans for development of the site.

Sloane recently sold his Tiny's Conoco Station in the center of the Village on Main Road to a Texan, but will continue operating the station until Jan. 1.

WASHINGTON COLT WINS ALL-AMERICAN PURSE

Galobar, a Colfax, Wash., two-year-old colt, captured the $129,686 first running of the All-American Futurity, richest race per yard in world racing history, at Ruidoso Downs Monday afternoon.

Owner of this monied quarter horse, Hugh Huntley of Colfax, Wash., thereby earned half of the Futurity's rich purse, $64,843, in the 20.5 seconds it took Galobar to cover the 400 yards. Newton Keck of Madera, Calif., was the trainer.

Galobar paid $9.10, $4.30 and $2.80.

Jockey Clifford Lambert took his charge fourth out of the gate but forged ahead to win by half a length on a fast track.

Panama Ace, who turned in the fastest time in the Futurity's elimination trials, was second and returned $6.20 and $3.20. Third was Miss Olene with show pay of $2.70. Miss Olene had won five of her seven starts.

The heavy betting by the capacity crowd of 12,000 pushed the mountain track's total handle for the season past the $10 million mark. Racing will continue for one more week-end.

Monday's handle of $397,101 is believed to be the richest in the track's history.

Lambert, flushed with success of his great 11th race, went on to ride the winner of the 12th race, Sand T.

Panama Ace received $23,343.63 of the purse for finishing second and Miss Olene collected $16,536.42 for third.

Quick Mistress ran fourth and picked up $10,374.96; Bar Flirt won $8,078.08 for finishing fifth, and Mary's Pilgrim, the sixth horse, got $6,484.64.

The total of $440,737 wagered on the race was a record handle for a single race at the Downs.

Jockey Ramon Figueroa was thrown from Tonto Lass about 50 yards from the gate, but was unhurt. Tonto Lass was made eligible for the race when Charge Bar was scratched Sunday.

The bride is the daughter of Mr. and Mrs. C. M. Van Winkle. Parents of the groom are Mr. and Mrs. James F. Lackey.

Floor baskets, on either side of the altar, were filled with white gladioli for the ceremony.

Mrs. Nannie Lou Dodson was organist and soloist was Miss Darlene Jones.

Miss Berta Reeves was the bride's maid of honor.

Nyles Lackey served his brother as best man. Ushers were Tommy Graham and Joe Petty of Carrizozo.

Mr. Van Winkle escorted his daughter to the altar. She was lovely in a gown of white Chantilly lace over taffeta. The molded bodice had seed pearls outlining the sweetheart neckline. Sleeves were three-quarter length. The bouffant skirt cascaded from an Empire waist. A tiara of seed pearls secured the bride's shoulder veil of illusion and she carried an arm bouquet of white carnations.

The bride wore an old coin in her shoe, a blue garter and carried a white lace handkerchief, borrowed from Miss Darlene Jones, in following traditional bridal customs.

A ballerina gown of gentian blue chiffon was worn by the maid of honor. The gown had a very full skirt and a short-sleeved fitted bodice. She wore a small blue feather hat and carried pink carnations.

For her daughter's marriage, Mrs. Van Winkle chose a dress of beige linen, topped with a jacket of matching lace. She wore a matching feather hat and raspberry hued accessories. Her rose corsage matched her accessories.

Mrs. Lackey, mother of the groom, attended in a floral print silk dress and beige accessories. Her flowers were yellow roses.

A reception followed at the church banquet room. The bride's table was laid with a cloth of lace and centered with an arrangement of pink and white carnations. The bride's cake was of four tiers and decorated in pink and white. The cake and fancy finger-sandwiches were served with punch and coffee.

Mrs. L. G. Van Winkle served cake. Mrs. H. P. Hale and Mrs. Jack Pilley poured. All are aunts of the bride and are residents of Roswell.

Mr. Lackey and his bride left later for a trip to Cloudcroft, Alamogordo and Hobbs. The bride changed to a sort-sleeved rose-printed frock and red accessories for traveling.

Mr. and Mrs. Lackey will reside at Socorro, where the groom is attending the New Mexico School of Mines.

Capitan News

By DIXIE SPARKS

Hi! Capitan's first football game of the season was played last Friday night; the boys looked good, very good. They walloped Hatch 18 to 0. Hatch also looked good but not too good to beat Capitan. Joe Lee made the first touchdown with Dick making the last two. The crowd got quite a "bang" at the half for the Capitan High School Band dedicated a song to last year's referee "Three Blind Mice." Saturday, everybody was [illegible] as to how they would [illegible] with Estancia. What better way to top the first day of the Lincoln County Fair with Capitan playing Estancia. Will you be there? I will (God willing). There will be a dance following the football game. The football game reminds me of another first scored again by Fort Stanton. Thomas Salabiye, Navajo Indian boy of 18 years, was the first student to graduate from High School while at the Fort Stanton Medical Center as a patient. Tommy was born in Granada, Ariz., the youngest son of Mr. and Mrs. Frank Salabiye. Tommy was very active in athletics while in school and his grades above average. He plans to follow his brothers and sisters and enter College when he is discharged from Fort Stanton Medical Center. Mrs. John Lacy, Capitan's Teacher of the Year, was his teacher and guide in so many things; outside of school work. Thomas Salabiye graduated with the Capitan Senior Class of May 18, 1959, there is a very good picture of Tommy in the Tiger Yearbook of 1959. Oh, the other first for Fort Stanton? Fort Stanton was the first Public Health Sanitorium for Tuberculosis established by the United States Government in 1899. Fort Stanton was under Federal government until July, 1953, when the State of New Mexico took charge. Fort Stanton is now the leading center for tuberculosis control in New Mexico, with Dr. H. C. Jernigan of nationwide fame, as its Medical Director.

Dr. H. Bogart of New York City is now at Fort Stanton, to take up his duties of a resident physician.

Serafin Vigil, formerly of Santa Fe, is now the Medical Social Worker at Fort Stanton. Mr. Vigil is living at Fort Stanton and his son Michael, age 16, has entered Capitan High School as a Junior.

"Dad" Bradford with Peg and Leota Pfingsten saw the game Friday night. "Dad" looks good too, fat and sassy.

The Champ Ferguson home was the scene of a family get together last Sunday. The occasion served a double purpose, it was Champ and Lorene's wedding anniversary. Congratulations. Almost all of Lincoln County was there among those being Frank Titsworths of Tinnie, Travis Werners, Louise Ferguson and Wally, the Williams of Arizona and "scads" of others; but everybody had a good time.

Eddie Provine was home over the holidays to see his mother, Mrs. Corrinne Provine.

Congratulations to Grandpop and Grandmom Hall, their grandson Richard Thomas Ward was born Sept. 3. Mother and son doing nicely, even Grandpop with his barrel in the back yard that echoes Gran pop-pop-pop-pop. How about that?

Grace Williams had her mother and family visiting her family over the holidays.

Johnny and Pearl Soderback had word from Johnny's brother, Rols, who spent the summer with them, from Finland. In his letter he stated he missed Capitan and the United States very much and the best part that he liked while here were the people.

Rita Romero will return to Las Cruces and State University. Rita will be a senior and graduate this next spring.

Did you enjoy your day at the Fair? I did and didn't I see you there?

Before I close this week, may I leave you with this thought? "Nature has perfections in order to show that she is the image of God, and defects, in order to show that she is only His image."

That's all for this week folks, see you next week, God willing. Dixie.

The Warriors won the first game of the season last Friday when they beat Roswell B 19-0. A great amount of school spirit was displayed, making it clear that the student body is behind the team all the way. A victory dance, sponsored by Eta Bita Pi, was held at Watkins after the game.

The apple growers met Aug. 20 to discuss the apple situation. H. E. Baxter had a display of apples to show the growers the need of picking only part of the tree. If the entire tree is picked, the excess hail damage causes the entire lot to be unsaleable; whereas if only the better apples are picked, they will make a saleable lot of apples.

The packing shed at Hondo started Wednesday, with the packing shed also selling orchard run fruit. Only a small percentage of the apples will be graded and packed due to hail injury. No price on packed apples has been announced.

Jess Boyer, fruit and vegetable marketing specialist, emphasized the need for orderly marketing and that the grower would net more by picking only his best apples. Otherwise it is likely to ruin his and everyone else's market if he tries to sell every apple in the orchard. He reported that apples in other areas looked good and had very little hail damage.

Another apple growers meeting was held at the packing shed Sept. 1.

Get Ready to Exhibit Vegetables at Fair

It will soon be time to exhibit vegetables in the Lincoln County Fair, Sept. 11 and 12. Your exhibits must not only have top quality—they must also show it.

Here are a few tips for grooming vegetables for exhibition:

Beans and peas should be in the pod without removing the small stem at the end of each pod.

Carrots and other root vegetables should be topped 1½ to 2 inches above the crown. Trim tap roots of beets and turnips so they are 1½ inches long.

Cabbage and lettuce should have two or three outside wrapper leaves around the head.

Onions should not be peeled too much. A dry outer skin should remain.

Sweet corn should be exhibited in the husks. Remove only the outer husk and trim the shank short.

Tomatoes should be uniform in size and degree of ripeness. The stems should be removed.

Vegetables for exhibit should be uniform in size, high in quality, clean and free of defects. Potatoes and root crops should be washed lightly, don't scrub.

Check the fair premium list carefully to see that you have the proper number of samples.

Harris Shelton was a business visitor in El Paso part of last week.

Dr. and Mrs. T. M. Collins have returned to their home in Big Spring after spending part of the summer here.

All Five County Football Teams Win Opening Games Last Week-End

Looks like good football, hair-raising thrills and some close battles are in store for gridiron fans of Lincoln County this fall. The reason—all five of the county's teams won their opening games—three of them pulling upsets!

Hondo Eagles won their first game, a conference 3-C tilt, with Vaughn; Class C Capitan and Carrizozo won their openers, both against Class B squads to chalk up the three upsets.

Corona and Ruidoso took their opening games handily. All the games were played in the county except Carrizozo's match with Tularosa.

★

Capitan Blanks Hatch 18-0

Capitan scored once in the second quarter and twice in the fourth to deliver an 18-0 defeat to Hatch in the opening game of the 1959 football season for the two teams at Capitan.

The first score was made on a 60-yard punt return by Joe Smith. Jim Weide scored both the other TDs, in the last quarter, both through the middle, one for six yards and the other for 20.

Hondo Eagles Take Opener From Vaughn

The Hondo Eagles upset the Vaughn football team 14-0 last Friday afternoon to open the Eagles' football season of 1959. In the first quarter Eagle Douglas Bradley blocked a Vaughn punt on the Vaughn 30 yard line and ran it across for the first score of the game. Vic Pineda ran the extra point across left tackle to put the Eagles out in front 7-0.

A 30 yard pass play from John Blea to Bud McCrady set up the next touchdown in the second quarter. Bud McCrady then took the ball from the 10 yard line around left end for the second TD. Vic Pineda again took the ball over left tackle for the extra point to make the score 14-0.

There were two pass interceptions for the Hondo Eagles and two fumbles on each side.

The Eagles outplayed their opponents all through the game with 210-45 in yardage gained, 10-3 first downs, and 5-1 penetrations.

Warriors Blank Roswell 'B' In Opener

By PAUL MATTHEWS
(Ruidoso News Staff)

The Ruidoso Warriors downed the Roswell "B" Howlers 19-0 last Friday night to open the 1959 football season in Ruidoso. The Warriors ran a front race from the beginning whistle to the final gun.

The Roswell Howlers won the toss and chose to receive the ball, but soon lost it on downs. The Warriors took over and pushed their way down to the one yard line. From there Quarterback Benny Jones went over left guard on a quarterback keeper to mark up the first TD of the game. Fullback Robert Beavers tried for the extra point around left end but was stopped.

Most of the action came in the second quarter of the ball game with the Warriors racking up 13 more points. The locals started a long drive on their own 12 yard line and carried it to pay dirt. Wilson Howard carried the ball from the Ruidoso 12 to the 38. Robert Beavers made another first down carrying the ball to the 50. Mack Cook took a pass for another first down. Then Wilson Howard took it for another first down and again Robert Beavers marked up the fifth consecutive first down. Jim Wilson scored the TD from the four yard line around right end. Robert Beavers made the extra point around right end to make the score 13-0.

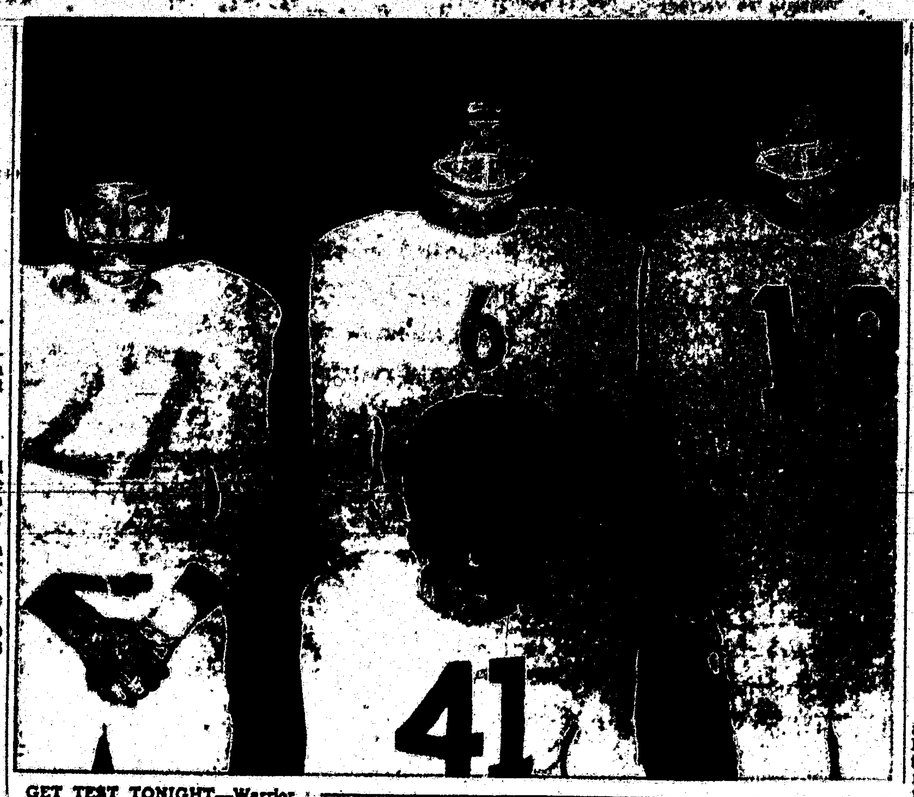
Again in the second quarter a drive from mid-field set up the third TD for the Warriors. Robert Beavers scored from the five and a half yard line around left end. The extra point was missed to make the score 19-0.

There wasn't much action in the second half of the game. The only time the Roswell Howlers threatened was an interception by Howard Allen on the Ruidoso 25 yard line. Allen ran it to the 13 only to lose the ball a couple of plays later by a pass interception on the 12 by Robert Beavers.

There were two fumbles on each side and three pass interceptions for Ruidoso and one for Roswell.

There were very few penalties in the game. Most of them were for off sides and backfield in motion.

Band Director LeRoy Gooch presented his school band, some 45 youngsters, in their first public appearance of the new school term with a half-time program of several numbers, and marches, at the football game here last Friday. The band also played throughout the first half. Gooch said another half-time program is planned for the Ruidoso-Lordsburg game here tonight.



GET TEST TONIGHT—Warrior backfield hopefuls pictured above will likely get a severe test in offense tonight in their first conference game against the favored Lordsburg Mavericks, who last week hung up a victory over Class A Silver City. Lordsburg is touted as the possible 3-B champ for '59. Standing, from left, are Capt. Wilson Howard, Benny Paul Jones and Robert Beavers, and kneeling is Jim Wilson.

Warriors Play Lordsburg Here Tonight

The Ruidoso Warriors play their first Class B Conference game here tonight at 8 o'clock when they take on the surprisingly strong Lordsburg Mavericks in the first 3-B encounter between the two teams. Lordsburg, fresh from their upset, one-sided victory over Class A Silver City last week, is a definite favorite. The score was 32-6.

Last week the Warriors tuned up for their conference season with a neat 19-0 win over Roswell B. Coaches Cy Leland and Bob Lee expressed overall pleasure with the team's performance, citing particularly the hard running and blocking of the veteran backfield of the Warriors. About 25 Ruidoso players were used in an effort to find the proper replacements for the seven linemen missing from last year. Two complete backfields were also tried out.

Tonight's game will be the last 8 o'clock contest for the Warriors, as next week's game here with Capitan will be at 7:30. The 8 p. m. tilts were set to accomodate fans coming in late from the races these first two week-ends. Again Leland urges fans to use the parking area on the pavement in front of, or the area to the east of, the Junior High building and enter the South stands between this building and the new gym. This will alleviate the traffic snarl on the lower level near the field, according to school officials.

Downs Cards Several Features Last Week-End

Ruidoso Downs triumphantly passed the ten million dollar mark in mutuel handle during its semi-final week-end and will wind up a fantastically successful season this coming Friday, Saturday, and Sunday.

Highlighted Friday afternoon is the "Lincoln County Fair Allowance"—a 5½ furlong dash honoring the Fair to be held at nearby Capitan this week-end. Hana Chief, representing Roy Gaines of Sinton, Tex., appears a solid favorite off her excellent race to Hijo the Bull when she was a fast closing second. Bull Jr. has a lot of speed—is stepping up in company. Saygo is always a contender—consistently in the money.

Remaining contestants: Whoopin Crane, Liveitup, Mese H and Dream Mist.

Co-featured is the 400-yard "Tres Valleys Apple Allowance" an open sprint with Rival, Redway Nip and Breeze Bar the logical contenders. Rival was narrowly beaten last out while Breeze Bar ran a good third.

Remaining challengers: Mitaaway Hep—a winner, Oink Brown—starting for new owner—Betty Jo Kiser, Mr. Mo—a newcomer with a couple of wins at Jefferson Downs back of him—a thoroughbred trying the quarter horses at their own distance, Dial Hep, Silver Creek—a winner and Irish Day—also a winner.

Young Runners On Saturday Bill

The younger runners take over the card at Ruidoso Downs on Saturday as both features called for the sprinting thoroughbreds. Holding tenth and eleventh on the program is the "Joe Reilly Allowance" and the "Cloudcroft Allowance." The latter finds a splendid bunch of two-year-olds parading postward to vie for the gold and glory of the 5½ furlong dash. Debonair Dandy, Eddie Pere and Blitzo Aga possibly share the favorite's role. Debonair Dandy, representing Jerry Currie of Big Spring, Tex., is a three-time winner at the meet and turned in a handy victory his last out. Eddie Pere was narrowly beaten in this same race—is a two-time winner and an improving colt while Blitzo Aga is a three-time winner with a slightly better post position this trip.

Remaining challengers: Royal Jet—a three-time winner and highly regarded by his connections, the H. & H. Stables of Albuquerque; Bull Liege, a two-time winner; Bolaway, a winner, Beaula Faye, a winner, and A. Dee W., a winner.

In the 6½ furlong "Joe Reilly Allowance" Mr. Noble, carrying the colors of J. T. Rice of Windemere, Fla., seems to have suddenly snapped to winning form when he won the Derby his last out. The Cathey's Yes More has been sharp all season—is a four-time winner going for five, while the Temulac Stable's Wineham Lad showed speed his last start and should he run back to his Agua Caliente form would stand a chance here.

The remaining field is made up of: High Spice who should go better this distance; Berto Barbone, Hot Navy Beans, a two-time winner; Sassy Sissy and Primate's Gem, a two-time winner.

Adios Amigos Is Final Race

For the final race of the 1959 season, the Downs has carded the "Adios Amigos" purse for the 12th race on Sunday at a mile and three-eighths for thoroughbreds 3-years-old. There'll be a purse of $300 plus 5% of the pari-mutuel handle.

Also on tap for Sunday will be the quarter horse juvenile consolation for youngsters of two-year-olds failing to win a sweepstakes since May 20. It'll be 10th on the program at 400 yards, with a $1,000 purse plus 5% of the wagering total. Also for Sunday will be the thoroughbred endurance handicap, sponsored by Mrs. J. L. Taylor and open to three-year-olds and up, with a $2,000 purse plus 5% of the pari-mutuel handle. It will go for two miles!

Entries in these three features and in the other nine races for Sunday had not been determined when the News went to press.

STIFF FINES GIVEN HOLLOMAN FISHERMEN

Three servicemen stationed at Holloman Air Force Base recently drew stiff fines in justice of the peace court here for exceeding the bag limit in fishing at Bonito Lake.

Each drew a $50 fine, plus $5 court costs.

The men were apprehended by Charley Bird, district conservation officer.

"They had 42 fish over their bag limit," Bird said, "when we checked their catch."

Bag limit is 10 pounds and one fish, but all not to exceed 12 fish, according to the officer.

Bird also reported that a deer had recently been shot in the Lincoln Forest and that its hind quarters had been removed.

"We're looking for the person who committed this violation," the officer said, "and hope to identify him soon."

Many Doves, Few Hunters, Bird Reports

With the dove season well underway, plenty of the migratory birds are winging their way through this area en route to the southland for the winter. But, there are few hunters.

This report was made Monday by Charley Bird, district conservation officer.

"There are plenty of doves—especially toward Roswell," Bird said. "There also are a lot over by Corona and some near Capitan."

Although the birds this year are plentiful, the conservation officer said the number of hunters was far less than in past years. He said he had no explanation for this shortage of hunters.

The dove season, which opened Sept. 1, will close Oct. 30. Bag limit is 10 a day or 20 in possession, according to the officer.

Bird reported that a special antelope season would be held Oct. 12-13 in the Capitan district. Seventy special licenses have been issued for that hunt. The drawing was held at Santa Fe.

"Successful applicants should be receiving their licenses shortly," Bird said.

One antelope to the hunter will be the limit in the special hunt.

Bird also reported that Bonito Lake was closed Labor Day, Sept. 7, to all fishing.

"However," he said, "Ruidoso Creek will be open all year long for fishing and will be planted during the year."

Eagle and Carrizo creeks will be open for fishing until Nov. 30, he reported.

"We also will continue to stock those two creeks with brown fingerlings," he said.

UNDECIDED—Film star Audie Murphy, one of the several thousand fans at the races Monday, was still undecided ten minutes before the big All-American race was to run about what wager he would make. He's shown here studying the racing form as he sat in a front row box in the Jockey Club. Murphy was here Sunday and Monday, and had a feature race named in his honor on Sunday. He attends the races in Ruidoso several times each summer.

Galobar Owners 'Still Numb' From Big Win

"We're still numb from surprise and joy," said Mr. and Mrs. Hugh Huntley Tuesday morning, after their horse, Galobar, captured the first All-American Quarterhorse Futurity Labor Day at Ruidoso Downs.

Galobar, by finishing first in a field of 10 young quarter horses, won $64,843.43 for his owners.

From here, the Huntleys will take Galobar to Pomona, Calif., to be entered in the Pacific Coast Futurity. Later, they will enter the two-year-old quarter horse in the California Bred Futurity at Los Alamitos.

The Huntleys, who have had ranches at Colfax, Wash., for many years, also own horse ranches at Madera, Calif. Galobar, by Three Bars and Josephine R., was raised by the Huntleys. They also are the owners of Josephine R., a famous brood mare. Three Bars is owned by Sidney Vail of Victorville, Calif.

"I first became interested in quarter horses about 1945," Huntley said at their quarters at the Miller Motel, where he and his wife were guests during their stay at Ruidoso.

"I began noticing their fine ability for speed, and, eventually began breeding them."

The Huntleys began racing their horses about 10 years ago. They also are owners of Pokey Vandy, which in 1956, equaled the world's record.

The All-American Futurity won here Labor Day by Galobar has been in the making for about three years, and turned the national spotlight of racing to Ruidoso Downs. The purse was one of the richest in racing history.

The Huntleys left with Galobar Tuesday afternoon for Pomona. They plan to make their year-around residence at Madera, where for the last several years they have spent the winter.

"We hope to be back at Ruidoso next summer," the Huntleys said before departing, "everyone has been so nice to us here."

Longshots Star Friday

Ruidoso Downs kicked off its big Labor Day week-end of racing Friday and longshots kept interest high for the $2 bettors.

Six of the first 10 races saw winners return in double figures.

Final Stitch, the hard-running property of Snyder, Tex., Rancher Leroy Spires, had little trouble in copping the featured Budweiser Allowance, traveling the five and one-half furlongs in the good time of 1:06.4. Hana Chief and Saygo followed under the wire in the featured event.

The Kiwanians will come from Roswell, Artesia, Carlsbad, Hobbs, Lovington, Portales and Clovis.

The Clovis and Portales clubs will be joint hosts for this year's Round-Up.

Entertainment will follow by the Cavern City Four, with the Clovis club officiating.

A buffet supper and dancing will conclude Saturday's program.

Breakfast will be served the delegation Sunday morning at the lodge, and the morning will be free for individual activity. A business meeting will be held at noon at the lodge with Lt. Gov. Bill Foster presiding.

EL PASO GIRL HAS RIDING ACCIDENT

CPS To Build New Sub-Station

Community Public Service Company plans to build a 6,000 kva., 115,000-12,500 volt steel substation adjacent to the Bureau of Reclamation substation, approximately three miles southwest or the Junction, according to Joe Coe, power company local manager. Improvements will also be made in the local electrical distribution system, Coe announced.

Material has been ordered for the new substation and grading and foundation work will be started this fall. Erection of steel will be done next spring.

The substation will be equipped with three 2,000 kva., 115,000-12,500 volt single phase transformers, with one spare transformer. Provision will be made for two 12,500-volt feeder circuits from the station to Ruidoso.

The proposed new substation will make available four times the electrical capacity now available in this area, according to Coe.

A new heavy-duty 12,500-volt feeder circuit from the site of the proposed substation to Ruidoso was completed in July of this year. This circuit, using 4/0 ACSR conductor, provides a two-way feed to Ruidoso.

In addition to the substation and new heavy-duty feeder, other system improvements have been planned by engineers in Community's general engineering department. These include sectionalizing and coordinating the various parts of the local distribution system, so that continuity of service will be greatly improved.

Since plans call for the completion of all improvemnest by late spring of next year, electric service for the summer season of 1960 should reflect these improvements, says Coe.

ROBBERY AT SUMMIT BEING INVESTIGATED

Police officers who are investigating an armed robbery of the Apache Summit Service station, located five miles east of Mescalero, believe they have a suspect in the case.

About 10 days ago, shortly before 5 a. m., three armed robbers entered the station, forcing attendant Darrel Kashe into a back room. While one of the bandits held Kashe in the room, the other two rifled the cash register. About $96 was in the register at the time.

Kashe was unable to give a description of the car in which the robbers left the scene of the holdup.

SPANISH NOOK LEASED

The Spanish Nook, popular cafe in the heart of the Village on Main Road, has been leased by Ken Newton, owner, to Mrs. Lucy Patterson.

Mrs. Patterson now is operating the cafe and, beginning next week, plans to serve breakfast and a noon merchant's lunch each day, in addition to evening dinners.

The new operator, who had been cooking at the Spanish Nook since it was opened this summer by Mr. Newton, formerly operated her own cafe at Carlsbad and has extensive experience in the cafe business.

FUNERAL RITES HELD FOR MESCALERO MAN

Funeral services for Tom Duffy, 74, a resident of Mescalero for the last 46 years, were held last week-end from St. Joseph's Mission at the reservation. Burial was in the Mescalero cemetery.

Duffy, who was custodian of the Mescalero hospital, died last Wednesday at Mescalero. He was born July 4, 1885, in Alabama.

Surviving are his wife, Josephine Duffy, three daughters, Mrs. Wheeler Gayton, Miss Marthalene Duffy and Mrs. Rosaline Naiche; two sons, Wendell and Lorenzo Duffy, 15 grandchildren and one great grandchild, all of Mescalero.

Traffic Survey Held Recently For Planning

Members of the Ruidoso Planning and Zoning Commission, meeting with two officials of Bartholomew & Associates, employed to start a master plan for planning for Ruidoso's growth, heard last week that the first steps in that direction had been made by the company with a traffic survey conducted over a period of several days late in August.

The traffic flow, made with automatic counters at several points in Ruidoso, is to be totaled and analyzed later, the commission was told.

Also discussed and decided on was the area in and around Ruidoso to be photographed from the air for a map of this area, from which a planning program can be devised. Approximately 30 square miles here will be photographed by plane sometime this fall.

Besides the zoning and planning commission, members of the Ruidoso Board of Trustees and the mayor, Jack Hull, were in attendance. Dan D. Swearingin, chairman of the commission, presided. The meeting was held in connection with a supper at Jack's Waffle Shop in Hollywood. Two members of the commission, C. L. "Bones" Wright and H. H. Shier, met with the board for their first time. They were named on recommendation of the County Board of Commissioners. Others present were: Mayor Hull, Trustees Bill McCarty, Bernard Rooney, Tom Jones; commission members Jim Littlefield, Carl Morrison, Bob Pearson, Vic Lamb and Clerk Morris Books; and Bartholomew representatives Lovelace and S. O. Grebbs, now at work in Ruidoso, Artesia and Grants in New Mexico.

ROTARIANS HEAR GAME DEPT. OFFICIALS

Members of Ruidoso-Hondo Valley Rotary Club in their Tuesday noon luncheon meeting at the O. E. S. Hall in Palmer Gateway, heard two officials of the State Game & Fish Department explain why the game refuge bordering Ruidoso on the Northeast had been abolished. Speaking for the department were Charley Bird, Capitan, district conservationist, and Fred Harrington, Ruidoso, biologist for the department, who declared the refuge had served its purpose and it was one of several closed in recent years in the state.

AT MT. VUE—Joseph Cotten and Debra Paget in "From the Earth to the Moon," which shows Friday and Saturday at the Mt. Vue Indorama Theatre. George Sanders and Don Dubbins also star.

AIRPORT BUSY SITE OF HOLIDAY EVENTS

The Ruidoso Airport played an active role in Labor Day week-end events which brought thousands of visitors into this resort Village.

"There were so many planes whizzing in and out," Ralph McGuire, Airport manager, said, "it was hard to keep track of them all. Many of them were in too big a hurry to get to the race track to talk."

At least 37 planes were tied down at the airport, plus many transients, McGuire said.

Among those registering were George Lee, Silverton, Tex., Clyde McMahan, Big Spring, Tex.; Jeff Hooker, El Paso, Tex., John Askew, Fayetteville, Ark., Rhodes Drilling Co., Abilene, Tex., Mr. Cox, Phoenix, Ariz., Don Welch, Oklahoma City, Okla.

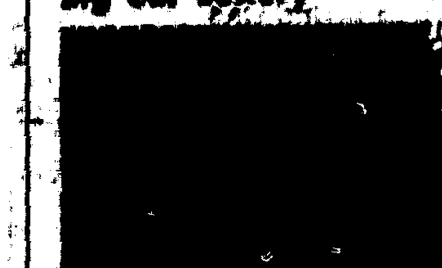
New Import Offers Big Car Luxury



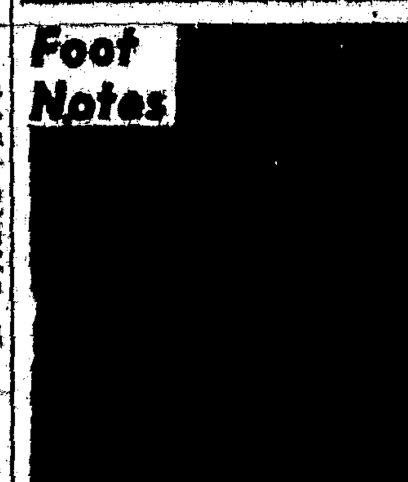
Imported economy cars which first made their names in the American market through savings on gas and ease of handling are now branching out into the luxury category, to which the bulk of the American motorists are addicted.

The new trend can be seen in the introduction of the Toyopet Crown Custom which includes every conventional device the American motorist has come to expect plus some new features such as a door safety light on the dash which flashes if any of its four doors are pushed a fraction of an inch ajar.

The Toyopet's double track all steel body at 2,630 pounds, is the heaviest of the economy imports priced under $3,000. The Toyopet sells for $2,320 P.O.E. including all extras.

Despite its weight, however, the Toyopet has a top speed of 80 MPH and a gas consumption mark of 30 miles per gallon.

Foot Notes



[illegible]

In America, treatment of foot diseases virtually began with the first settlements, though podiatry, as a regulated profession, did not begin until a hundred years ago.

Today, there are 8,000 podiatrists in the United States. Their training requires 6 years of university work: 2 years of pre-podiatry study, and 4 years at a college of podiatry.

In addition to treating for corns, callouses, bunions, ingrown toe nails and athlete's foot, the most modern podiatrist can prescribe the correct arch supports in the case of flat feet and is qualified to perform minor foot surgery for fractures of the toes and metatarsal arch.

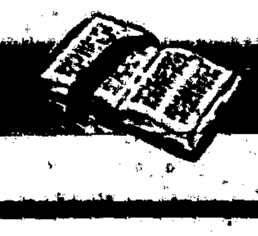
THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Acts	20	24-35
Monday	Ecclesiastes	5	15-20
Tuesday	I Thessalonians	2	8-13
Wednesday	Isaiah	26	7-8
Thursday	Ephesians	6	5-8
Friday	Luke	11	7-11
Saturday	Psalms	28	26-27



TOP ROW:
Cora and Jim Eggers, who take the altar flowers to the sick . . .
Mrs. Godshall and the kindly doctor . . .
Myra Adams who heads the Primary Department . . .
MIDDLE ROW:
Elder Red Stuart with Mrs. Stuart . . .
And the newly-weds, Alec and Gwen . . .
Orval Merrick and Mrs. Wellington; Orval you know, is Sunday School Superintendent . . .
BOTTOM ROW:
Peg Rosser with Vic and his sister, Louise . . .
Connie Edwards, the soprano soloist . . .
And young Todd Breckenridge who is studying law at the University . . .
Below Todd, Head Usher Foster Comland and his wife Rose . . .
The twinkling eye of Ward Conley . . .
And Young Adult President Jack Burgess . . .

These are just some of the people behind a church. Their worship, faith, time and talents are devoted generously to Christ. They are helping their church to grow, and to serve the community. And you'll find their welcome warm and friendly—for they believe YOU BELONG IN THE PICTURE.

Feeding the New Baby

Every mother is bound to have many questions regarding her baby's development and behavior. Eating and sleeping are the most important factors in a tiny baby's life, and as a general rule, if the baby is happy and contented with his food, he will sleep properly.

Photo courtesy of Karo Syrup

"How" and "what" the baby will eat is a decision your doctor will make. If a formula is chosen, it will most likely be a mixture of milk, water and a form of carbohydrate. Karo Syrup has been a preferred carbohydrate used successfully for years in infant formulas. Red label Karo (light corn syrup) and Blue label Karo (dark corn syrup), both used in infant feeding, are recommended by doctors for several reasons. It is practically 100% carbohydrate, and because of its composition, is very easily digested. Karo syrup does not accustom the baby to an excessively sweet taste and is easily measured and mixed with the other formula ingredients. You'll find it readily available in grocery stores—so easy to pick up while doing your other shopping, and so inexpensive, too.

Angus & Bonito

By EULA CORDER

A beautiful week-end greeted the many visitors in the mountains. As this was the last holidays of the summer, people from far and near flocked to the cool mountains for an outing with their families and friends.

The horse races at Ruidoso Downs attracted the largest crowds ever had at the Downs. We folks of the mountains cannot but help feel depressed to know that the summer friends are gone for another year. We will be looking forward to seeing all the familiar faces this next season and some new ones also.

Mr. and Mrs. Roy Huff, daughter, Wanda, and little nephew from Pampa, Tex., spent several days at their cabin on the Bonito. Mr. and Mrs. Martin Ashcraft and family from Roswell came up and spent the day Sunday with the Roy Huffs.

Mr. Harold Baldwin has been in T or C, New Mex., for the past week working. Mrs. Baldwin left this week-end to join Mr. Baldwin for a few days. Their son and family live at T or C.

Miss Barbara McGrew from Lincoln spent the week-end with Wilma June Young.

Mr. and Mrs. Joe Meeks, their daughters Anita Jean, Jolene and friends, Lt. Marvin Gleaves and Clyde Powers all of El Paso spent the week-end at the Meeks cabin at the Nazarene Camp.

Mr. and Mrs. Arthur Kelley from Austin, Tex., spent the week-end with A. B. "Red" Kelley. Arthur is Red's brother. The Kelleys enjoyed the races at Ruidoso Downs.

Week-end guests in the Barnie Hayes home was their daughter and family, Mr. and Mrs. Weldon Millsap and daughter Kathy, also Mrs. Larry Shivers and daughter, all of Lovington.

Patricia Henderson from Ft. Stanton spent the week-end with Sharon Hayes.

Mr. and Mrs. "Zip" Franklin and son Stevie from Lovington spent several days at their place on the Bonito.

Mr. and Mrs. Bob Devers, Paula and Bobbie spent the week-end with Mrs. Devers' mother and sisters in Midland, Tex.

Mr. and Mrs. Jimmie Masur from Corpus Christi, Tex., were by Corders for a visit Monday. Mr. and Mrs. Masur spent the week-end in Ruidoso and really enjoyed the horse races while there.

Wilson Purcella from Albuquerque was home over the week-end visiting his parents, Mr. and Mrs. Loes Morris and his many friends.

Mr. and Mrs. Bob Pfingsten from Tucumcari spent the week-end with Mrs. Pfingsten's parents, Mr. and Mrs. Dan Jones.

Mr. and Mrs. Walter Meeker of Lovington spent the week-end with Mr. and Mrs. Charles Corder.

New subscribers to the Ruidoso News are Mrs. Walter Meeker of Lovington and Mrs. Harold Baldwin from the Nazarene Camp.

At last Charles Corder's missing mare has been found.

Over the week-end Nelda visited her grandmother in Alamogordo.

Marshall rode his horse Nuggett, Albert visited his grandmather at Hondo.

Lela visited in San Patricio.

Bobby went to work with his father and Douglas went fishing but didn't catch a thing.

Second Grade—Mrs. Sullivan

Our honor students in spelling last Friday were Margie Pior, Jearl Keith, Laura Jones, Rogene Hollis, Kathy Alvis, Marie Sublette, Deloies Garcia, Billie Guynes, James Hinton, Dearl Wayne Joyce, Gena Sharp, Bobby Gene Nash, Donna Main, Vickie Sharp, Lillian Ranrolpr Clay Hull and Bill Ware.

Thos missing only one word were Betty Jo Maes, Thelma Spears, Virginia Klein and Gary Rue.

Everyone seemed to have a good time during our short vacation.
