Don Sovell tells us that approximately $252 has been donated to the fund to assist Harry Eckert, who underwent hip surgery recently and will be out of work about four months. Eckert, long-time Ruidoso booster and supporter of practically every project ever pushed in Ruidoso the last 20 years, is to be the beneficiary of a fund the Lions Club started recently, with Sovell handling the donations. . . .

Letter from Harry Eckert, now out of the hospital and at Rt. 4, Box 173, c-o J. A. Wylie, Cleburne, Tex., says he is simply thrilled to death that his friends in Ruidoso started the fund—and he is very proud of his home town. IDEAL WEATHER GREETS HUNDREDS OF VISITORS FOR RUIDOSO ASPENCADE

This mountain community, basking in perfect weather, was overflowing with hundreds of visitors over the week-end for the 1959 Aspencade, which opened Saturday afternoon with one of the largest and most spectacular parades ever held in conjunction with the event.

Main Road was packed with 2,000 spectators all the way from the post office to the Carrizo bridge. People clapped and cheered as the colorful procession of decorated floats, sheriff's posses and other mounted and marching groups passed along the road.

First and second place winners in the parade included the following: Trophies for the posses—Odessa riders, first place, and Lea County, second place; trophies for civic and fraternity floats, Community Fund, boosted by the Petunia Pickers, a woman's social group, first, and Beta Sigma Phi, second; trophies for commercial floats, Ruidoso News, first, Community Public Service, second; school floats, Future Homemakers of America, first, and freshman class, second.

Trophies also were awarded to Cub Scouts, Girl Scouts, Brownies, the Ruidoso School Band.

Trophy for the best dressed lady rider was won by Miss Nina Shirley of Odessa, and Jake Harris of Ruidoso Downs, took the trophy for best dressed man rider.

Trophy for best decorated jeep was won by Bob Moore.

After the parade, the throng was upon its own to shop and dine at local establishments until time for the big Western dance that night at the old gym.

The gym soon was filled with dancers, many from out of town. Dance music was provided by the Mellotones. Fred Richardson was master of ceremonies for the evening.

High point of the dance was introduction of Dona Rose Surginer, Aspencade Queen, who was crowned by Mrs. Emma Redmann, secretary of the Chamber of Commerce.

Carol Harris, Ruidoso Sun Princess, also was presented and given a corsage by Mrs. Redmann.

Several special contests followed. Trophy for the best waltzing couple was won by Mr. and Mrs. Elmer Pirelli.

Carol Harris and her escort, Bob Pior, won the trophy for best jitterbug couple.

Winner of the "bull-throwing" contest was Jan McElhaney.

Mounted groups and motorists began swarming out of the village early Sunday morning for the Aspencade tour into the Lincoln National Forest.

Destination was a site beyond Alto, branching off from the Monjeau road. By noon a crowd of 650 hungry people had gathered at the site for the bountiful chuckwagon feed.

While the food was being dished up ranch style, the crowd sat beneath the pine, visiting and enjoying the soft warm sunshine. Then, the people gathered in the open for a brief religious service given by C. E. Higginbotham, minister of the Church of Christ.

The chuckwagon meal was served afterward and for two hours or more a double line filed past the chuckwagon to have plates filled.

Trophies for winners in Saturday's parade then were presented with Carmen Phillips and Fred Greenwell in charge of the duties.

The Ruidoso Aspencade has become one of the most popular fall events in this entire area and continues to attract more visitors every year. Weeks of preliminary work are necessary to stage the event and much credit for the success of this year's Aspencade is due to the labors of Mrs. Redmann, the Chamber secretary.

There was only one flaw in this year's Aspencade, and it was not man-made. A recent deep freeze had blackened many of the golden aspen leaves and they had fallen to the ground in some areas.

There were more than 40 entries in the parade for Judges Harry Powell, Tularosa, Mmes. Dale Dodds and Edith Johnson, Ruidoso, to select trophy winners from. The first place fraternal and civic organizations entry, an old wagon from the Benevides farm, had these costumed accompanists: Mmes. Gerald and James Tully, Ruth Moore, Oscar Samelson, Raymond Buckner, Jesse Perteet, Vic Lamb, Bram Vanderstok and Robert Pearson.

Entries in the parade, acclaimed the biggest and best ever staged in an Aspencade here, included the following groups and organizations, some represented with floats and some mounted:

Hereford's Riders Club, El Paso Sheriff's Posse, Bernalillo County Sheriff's Posse, Odessa Riders, Lea County Sheriff's Posse. Civic and fraternal floats—B. P. O. Does, Beta Sigma Phi, Lions Club, Petunia Pickers, Elks Club, B&PW Club, Rainbow Girls.

Commercial floats—Oima's Style Shop, Ruidoso Skateland, Ruidoso Nursery, Community Public Service, Watley Gravel Service, Anderson Car Sales, Navajo Lodge, Ruidoso News, Powell Chevrolet Co.

School floats — Freshman class, Future Homemakers of America, Girl Scouts, Cub Scouts, Boy Scouts and Brownies.

Decorated jeeps—Bob Moore family, Billy Tucker family.

Roswell Motorcycle Club, School band, and competitors for best dressed man and best dressed woman horseback rider.

Mrs. Redmann and President Morrison each asked the News to express thanks to all committee workers, to all parade entrants, customers of the chuckwagon dinner, of the dance, and of all other participation in the Aspencade. "They did a marvelous job every way," they declared.

Ruidoso Board of Realtors, meeting in a luncheon session Monday at Monjeau Cafe here, voted unanimously to continue charging 5% commission on real estate sales, with a minimum charge of $50.00 on sales under $2,000.00.

They are Bill Hart, Mrs. Conn Smith, Mrs. Mary Gerbel, Mrs. Wayne Estes, Dwight Walker, Mrs. Melvin Knox, Arthur Ray and Mrs. Thelma Steneman.

Ruidoso P-TA Sets October 31 For Carnival

The annual Hallowe'en Carnival sponsored by the Ruidoso Parent-Teacher Association will be held at 7 p. m. Hallowe'en night, Oct. 31, at the Nob Hill School Cafeteria.

Several new features have been scheduled for this year's event and a good time is promised for all. Everyone is invited to attend and bring the family.

A nursery will be provided for youngsters too young to enjoy other Carnival activities. Infants in arms cannot be cared for, however.

The P-TA is asking that anyone wanting to get rid of a "white elephant" take it to the Ruidoso Telephone office, where a box will be provided for that purpose. If the weather is clement, the box will be outside the building on the lawn, and if bad weather is prevailing, the box will be on the inside. If anyone is unable to take their donation to the box, they may call CL 7-5600 and a P-TA member will pick it up.

THIS NEW CHURCH—Of St. Eleanor's Catholic parish will be dedicated this Sunday at 4 p. m. Located in Gateway, the church will accommodate 250 persons. Father Robert Auman is pastor of the parish. He was ordained at the Pontifical Josephinum College at Columbus, Ohio, which he attended.

New St. Eleanor's Catholic Church To Be Dedicated Here Sunday With Solemn Mass At 4 p. m.

The members of Ruidoso's St. Eleanor's Catholic Church will realize a long-time dream come true Sunday afternoon when a solemn mass is held to dedicate the new structure just completed and now in use in Palmer Gateway. It takes the place of the former St. Eleanor's in Skyland which became too crowded due to the swelling summer crowds and growing local population.

(Additional Photos Page 7.)

Father Robert Auman, who definitely refuses any credit for his untiring efforts in contributing labor, time and planning on the fine new addition to Ruidoso's growing number of beautiful places of worship, said three visiting ministers are to assist in the program Sunday afternoon, scheduled for 4 o'clock sharp.

After a ribbon cutting by Mayor Jack Hull, the church members and friends of the church will move into the large 250-capacity building where the mass will begin. Father Clay Dennis of the mother parish of Carrizozo will be the celebrant of the deeply religious ceremony. Deacon of the mass will be St. Eleanor's first pastor, Father Carl Hammer of Tucumcari, who was priest here from 1947 until 1950. He was succeeded then by Father Auman who left Ruidoso after a brief period as local minister, only to return three years ago to resume the work. Sub-deacon for the mass will be Father Solanus, O. F. M. of Mescalero.

One member of the local Catholic Church remarked the congregation was duly proud of the fact the new church had no indebtedness on its construction.

The old St. Eleanor's Church was constructed in 1932. The sturdy, thick walls are of native adobe with an overcoat of plaster. The roof is of rosy mission tile from the once famous La Luz tile works in the foothills of the Sacramento Mountains.

The church came into existence largely through the faith and inspiration of Father Albert Braun of Mescalero, who also is responsible for the beautiful St. Joseph's Mission on the reservation, as well as other Catholic churches.

Father Braun used to come to Ruidoso and say mass here for those of his faith beneath a pine tree, where the old St. Eleanor's Church now stands.

The old church was dedicated in September 1932 by Archbishop Daeger of Santa Fe. For many years, the church was a mission under Carrizozo. It was designated a parish in 1948 with Father Carl Hammer the first resident pastor.

The present pastor, Father Robert Auman, first served the parish from 1950-51. He returned to St. Eleanor's in June 1957 and has served as pastor of the parish since that time.

The old church structure recently was purchased by the Ruidoso Lions Club to be converted by that organization into a clubhouse.

Lincoln Exhibitors Repeat At Roswell In ENM Fair

Lincoln County exhibitors in the sheep and wool divisions of the Eastern New Mexico State Fair in Roswell again garnered a hat full of ribbons, as they did earlier this fall at the State Fair in Albuquerque. Some 89 awards were won by more than a dozen Lincoln County residents at the Duke City show. (See Ruidoso News Oct. 9).

Repeating at Roswell by winning various awards were John Cooper, Wayne Dunlap, Tom Slaughter and Douglas McKnight.

SOIL CONSERVATION MEN PLAN STATE-WIDE MEET IN RUIDOSO DEC. 4-5

Headed up by the state president of the New Mexico Soil Conservation Districts, J. L. Merritt of Yeso, a committee to arrange for the ninth annual convention of the 57 Soil Conservation Districts in New Mexico to be held here Dec. 4 and 5 met in Ruidoso last week-end to lay early plans for what it predicts will be the largest annual meeting in the organization's history. More than 300 people are expected for the meeting which will feature an address by the national president of Soil Conservation Districts in the U. S., Bill Richards of Nebraska, awarding of recognition awards to almost two dozen soil conservation officials, farmers and ranchers for their achievements in 1959, along with social and recreational events.

Working with Merritt in outlining a two-day program of panel discussions, demonstrations, luncheons and entertainment were Bert Pfingsten of Hondo, chairman of the Upper Hondo Soil Conservation District, the host group for the 1959 gathering, and board members Ernest McDaniel, the secretary-treasurer, Peter Hurd, the board's vice-chairman, of San Patricio, Ralph Bonnell, Glencoe, Charlie Jones, Capitan, and the district's supervisor, Clem Weindorf, Hollywood. Meeting with the S. C. S. program planners to aid in arrangements were Joe Coe, Ruidoso Chamber of Commerce board member, Mrs. Emma Redmann, secretary of the local C. of C., Jack DiPaolo, a C. of C. member, and Editor Vic Lamb.

Some of the social events planned for wives and families of the Soil Conservation conventioners will include a tea and art show at the home of Rancher Peter Hurd of San Patricio on Friday afternoon, and a tea and style show arranged by Ruidoso C. of C. on Saturday afternoon. The major meals to be held, at which the awards will be made, include the R. L. Harrison Memorial luncheon on Friday noon and the J. D. Coggins Co. dinner on Saturday.

Governor John L. Burroughs of New Mexico will be invited to attend the session, and important officials of the Goodyear Rubber Co., sponsors of 14 of the awards for soil conservation, are also expected to be here.

CHARGES OF ASSAULT DROPPED AFTER FILING

Charges of assault against Dan Peavey and Ralph Holsomback have been dropped after being filed by Frank Vick of Ruidoso Downs in justice of the peace court here.

The charges resulted from a beating Vick allegedly suffered from Peavey and Holsomback, which resulted in Vick being hospitalized with a fractured jaw and other injuries, according to investigating officers.

The fight took place last Friday night on the lower road back of Skateland. The three men involved are all employed by the Engineer Refinery Co. of Tulsa, working on the sewer project here.

NEW POSTOFFICE — Mescalero Postmaster Corinne McNatt delivers mail to Mrs. Bruce Klinekole, president of the Mescalero Tribal Business Committee, who will welcome visitors and patrons at the dedication ceremony of the post office at 2 p. m. Sunday, Oct. 18.

Apache Motif Will Hold Sway In Mescalero PO Dedication

Apache dances, Comanche songs and refreshments served in a ceremonial teepee will be part of the dedication program for the new U. S. Post Office at Mescalero on October 18, according to Postmaster Corinne McNatt.

The Indian theme will honor the 1500 patrons and history of the post office serving the Mescalero reservation. Although this is the first dedication, Mrs. McNatt says the post office was called South Fork in 1905 and became Mescalero in 1907 when the 473,230 acre reservation was established. The first postmaster was Col. Hansford Cowart, Indian agent.

Postal officials to appear on the program which begins at 2 p. m. Sunday, include: Kenneth L. Morgan, postal inspection manager, Denver; Leland Mitchell, Jr., and Glenn Armstrong, field service officers, Albuquerque; and E. S. Sampsala, postal inspector from Roswell.

New Mexico senators and congressmen have been invited along with area postmasters, tribal business committee members, federal employees at the Mescalero agency, representatives of organizations and businesses, and all patrons and friends.

Others on the program which will open with tape recordings of Indian ceremonial chants are: Herb Gregerson, master of ceremonies; Mrs. Bruce Klinekole, Mescalero Tribal Business Committee president who will welcome guests; Rev. Solanus Hasse, O. F. M., invocation; and Rev. Harvey M. Calsbeek, benediction.

Entertainment will include a war dance by Eugene Klinekole, hoop dance by Ginger Hoetoesavit and a third dance by a trio of Hoetoesavit youngsters, under the direction of Alfred Hoetoesavit who will also sing the Comanche version of the National Anthem during the flag raising ceremony.

The 49 star flag which has flown over the Post Office Department in Washington, was sent to Mrs. McNatt by Postmaster General Arthur Summerfield who extended his congratulations to area residents on completion of the new post office.

It is part of the department's commercial leasing plan of using private funds to obtain needed facilities which are privately owned, pay taxes and are leased to the government. The plan eliminates large outlays of money from the U. S. Treasury for construction.

The new Mescalero post office is connected with the McNatt store on Highway 70. The box and service lobbies are paneled in knotty spruce with green trim and matching floors. Decoration includes a large rock planter with blooming flowers, yucca baskets woven by Mrs. Margaret Robinson and a cradle board by Mrs. Nora Fatty.

Mrs. McNatt has been postmaster at Mescalero for nine years. She is a graduate of New Mexico State University and has two sons who attend schools in Tularosa.

Following the dedication, refreshments will be served inside a ceremonial teepee and an Indian brush arbor. Assisting will be Mrs. Maude Platta and Mr. and Mrs. Peter Gaines.

The public is cordially invited, Mrs. McNatt said today.

Brightening the fall social season here was the colorful and unique Alaskan Gold Rush party Phi chapter of Beta Sigma Phi staged Monday evening at the Woman's Club.

Guests of honor were four rushees. They are Mrs. Bucky Morrison, Mrs. C. H. Ward, Mrs. Dale Dodds and Mrs. Tommy Pericet.

The clubhouse was decorated to suggest an Alaskan scent, with bear skin rugs on the floor and miners' equipment about the room.

Everyone attended in costumes typical of the old gold rush days in Alaska. Prizes were given for the most authentic costumes and were won by Mrs. Bernard Rooney, who wore a bartender's outfit; Miss Mary Gleche, who was dressed as a prospector; Mrs. Wayne Estes, who chose a bear costume, and Mrs. Ruth Moore, who wore an ancient vintage bathing suit.

Games in keeping with the party theme were played. One was a search for "gold" and Mrs. Pat Vaillant won a prize for finding the largest amount.

Afterward refreshments of cider, sandwiches and cookies were served.

Members of Xi Pai chapter also were invited and about 40 Beta Sigma Phis were present for the party. Mrs. Della Hale of Las Cruces, a charter member of BSP, attended.

PARENTS OF BERNARD ROONEY OBSERVE THEIR GOLDEN WEDDING ANNIVERSARY

MR. AND MRS. W. P. ROONEY

Mr. and Mrs. William Patrick Rooney, pioneer settlers of Fort Stockton, Tex., and the parents of Bernard Rooney of Ruidoso, celebrated their fiftieth wedding anniversary Sept. 19.

They were honored that day at a dinner at the home of a daughter, Mrs. Mike Barrett of Brownfield, Tex.

Another daughter, Mrs. Guy Williams of Midland, Tex., assisted. Others attending were Mr. and Mrs. Bernard Rooney of Ruidoso, and Rosallene and Mary Jane Barrett.

Mr. and Mrs. Rooney were married Sept. 15, 1909, in Jefferson City, Mo., and came to Fort Stockton where Rooney engaged in farming as manager of the Rooney Estate, later to become the Fort Stockton Irrigated Lands Co. (Block One), and later went into the banking business.

Rooney, born at Fort Stockton in 1883, was the son of the late Francis Rooney and Mrs. Rooney. Francis Rooney came to Fort Stockton in 1869 from Ireland. His children, all born there, were W. P., J. M., Frank and James, Mary, the late Mrs. Jack Richardson, and Agnes, the late Mrs. H. H. Butz.

W. P. first connected with the First State Bank at Fort Stockton in 1909, ran for sheriff in 1926 and held this office 10 years. He was named county auditor for a period of 18 years, and has been a member of the school board there.

He also is a member of St. Agnes Catholic Church, a charter member of the Fort Stockton Lions Club and has been chief of the Fort Stockton Volunteer Fire Department for 22 years.

Mrs. Rooney, the former Jessie Powers, was born in 1886 at Boonville, Mo., and met her husband while visiting her uncle and aunt, Dr. and Mrs. Homer Powers, in 1906 at Fort Stockton.

She is a member and was first president of the 1928 Study Club; member of the New Century Social Club and Countryside Club, and has held almost every office in the Fort Stockton chapter, Order of Eastern Star.

The Rooneys have six children, Mrs. Barrett, Mrs. Williams, Bernard, Mrs. R. R. Browning of Royalty, Mrs. T. D. Brisman, Houston, and Mrs. H. J. Broman of Mountainside, N. J., and 12 grandchildren.

The couple has seen Fort Stockton grow from a village of about 300 inhabitants to its approximately 8,000 population.

"I think Fort Stockton has a greater ratio of growth ahead than it has shown even up to now," Rooney said.

When the couple was married in 1909 the town had two churches, two mercantile stores, the Young store and the Rooney-Butz Store, Rooney Drug Store, a newspaper, Pecos County Pickings, a barber shop operated by the legendary Chico Gomez, a livery stable, a saloon and a school.

Rooney and his brothers, with several others, built what became the Rooney Hotel on the site of the present Springhirst Hotel. Rooney also with other businessmen, built several other Main Street buildings and was instrumental in building a new home for the First National Bank, now site of the present Pecos County State Bank.

Gold and white mums and gold candles centered the table for the couple's anniversary dinner, with a three-tiered cake topped with a miniature bridal couple and "50" in gold letters at the base.

Former students of Eastern New Mexico University now living in Lincoln County are reminded that Eastern's Homecoming celebration will be Oct. 16 and 17.

B&PW CLUB PLANNING HAWAIIAN DANCE, HAS DINNER TO HONOR VERNA HAYNES

MR. AND MRS. JOE ROBERSON

★

Progress on plans for the annual Hawaiian dance to be held this year the night of Saturday, Nov. 28, by the Ruidoso Business and Professional Women's Club was announced at a dinner the club gave Thursday night at Carrizo Lodge to honor Mrs. Verna Haynes.

Mrs. Haynes and Mrs. Bobbie Sain, who was unable to attend, were named 1959 "Business Women of the Year" by the club. The dinner, staged in conjunction with National Business and Professional Women's Week, was to pay especial homage to the honorees.

Mrs. Elsie Caylor, president of the club, presented Mrs. Haynes at the dinner. Then, the guest of honor was given a corsage by Mrs. Edith Johnson in behalf of the club.

Dinner was served in the lower dining room of the lodge and arrangements of dahlias, mums and petunias were placed throughout the long room and on the tables.

A roast turkey dinner was served buffet style.

As the gathering was strictly social, discussion after dinner was informal. Members reported they had made many beautiful leis, which will be sold at the Hawaiian dance. Similar leis were sold at the club's dance last year and proved highly popular with the crowd.

Mrs. Joe Maloy, chairman of the proposed hospital woman's auxiliary which the B&PW is spearheading, said that every organization she had contacted "was highly enthusiastic about it."

Mrs. Lloyd L. Davis, co-chairman of the project, announced that she had received printed matter from out of town hospital auxiliaries that would be beneficial in organizing the Ruidoso group.

"There will be a called meeting of all representatives," Mrs. Maloy said, "with the date to be announced later."

Mrs. Maloy also told of the current project of the Ruidoso Women's Club, which concerns sponsoring some type of a Community Chest drive this year in Ruidoso. An open discussion followed.

The dinner committee was composed of Mrs. Maloy, Mrs. Davis and Mrs. W. E. Munsey.

CARRIZOZO POWERHOUSE AWAITS RUIDOSO VISIT

The Ruidoso Warriors (5-1) take on the Carizozo Grizzlies (6-0) in Carrizozo tonight at 7:30. This battle of Lincoln County powers is a non-conference contest since Ruidoso moved up to Class B this year. The Grizzlies have swept through six games without being seriously contested. They beat Tularosa 12-0, Corona 12-7, Hondo 27-0, Tatum 18-7, Melrose 19-7 and Capitan 19-0.

In comparative scores Ruidoso defeated Hondo 26-0, Tularosa 7-6, and Capitan 34-6. The Warriors' only loss has been to District 3-B champion Lordsburg. Carrizozo has cinched at least a tie for the Southern Class C title, and has only to defeat luckless Vaughn to have a clear claim to the title and go into the state championship game against the winner of the Northern district.

The Ruidoso band, many students and a host of Ruidoso boosters will attend the game.

RHS Homecoming Game Next Saturday; To Award QB Lot

Ruidoso football fans are reminded that the final game of the season here next week-end will be played on Saturday afternoon at 1:30 because of the teacher's meeting Thursday and Friday in Albuquerque. The Warriors play the Alamogordo B team and it's homecoming. Local fans are urged to write all former students and remind them of the homecoming game, the date and time, and the homecoming dance that Saturday night.

QB Club To Award Lot

Woodrow Howard, president of the Ruidoso Quarterback Club, said in connection with the Homecoming game Saturday of next week, the lot in Wingfield Homestead would be awarded that afternoon. He urged all QB Club members with tickets, stubs and money in the project to turn them in at the next regular club meeting, Thursday evening next week at the Driver Education building at the High School.

Warriors Take Second Class B Conference Tilt

Chalking up victory number five (against one defeat), the Ruidoso Warriors staged another garrison finish in Hatch last Friday to nip the Bears by a score of 14 to 0. It was their second Class B conference win.

After being denied at least two first-half scores by their own mistakes and losing a third quarter opportunity, also on a fumble deep in Hatch territory, the Warriors exploded for 14 points in two minutes late in the final quarter.

Bob Beavers made both TD's—one on a neat pitchout on the option play by Quarterback Benny Jones from the 13 yard line, and the other moments later on a dazzling 65-yard return of a punt behind opportune blocking. After the next kickoff the Warriors scored again on a heads-up pass interception and 40-yard run by Jerry Curry, only to have the touchdown nullified by a penalty on the play.

Bill Averitt, subbing for Beavers, circled end for the first try-for-point, and Wilson Howard rammed center for the second PAT.

Excellent punting by Beavers also helped to keep the Bears bottled up in their end of the field most of the game. They were never able to muster a single serious goal-line threat after a shifted Ruidoso defense stopped the early success the Bears enjoyed with end sweeps. The Warrior defensive line functioned well throughout the game and the secondary successfully contained the few passing attempts made by the Bears.

Many Ruidoso students and towns people attended the game, and several former students now attending college were present.

Grizzlies Cinch Tie In 2-C

Carrizozo's Grizzlies clinched a tie for the district 2-C title at Carrizozo Friday night, pasting Capitan 19-0.

The Grizzlies can capture the 2-C championship Oct. 30 if they drop Vaughn. A win over the Eagles would certify loop honors.

The Carrizozo eleven, sparked by Halfbacks Bob Crenshaw and Bob Ortiz, capitalized on long drives and an iron-wall defense to club the Tigers. Crenshaw capped a 65-yard drive with a 15-yard run around his right end to open the scoring, and figured in all the scoring thereafter.

The second Carrizozo touchdown came after the Tigers had failed in four tries from the Grizzly four. The host eleven took over on downs, and two plays later Crenshaw passed to Ortiz for a 90-yard TD play. Crenshaw ran over the PAT.

Capitan again made a stab at the scoreboard in the final period, fumbling on the fourth down in the end zone.

The Grizzlies took over and Crenshaw broke away for a 55-yard marker.

BOW AND ARROW KILL — Ralph B. Holmsbach, an employee in Ruidoso of Refinery Engineers, Inc., presently installing the village's new sewer system, made this kill of a five-point buck up Gavilan Canyon, only a mile northeast from Main Road, one day last week. Two arrows brought the venison home for Holmsbach, one in the rear in the spine and one in the heart. The shafts can be seen in this picture. Holmsbach, originally from Florida, says he's hoping now he can get a bear with the bow and arrow. Going with him on some of his hunting trips is his son, Fred Lee, aged 12.

LORDSBURG CINCHES 3-B TITLE

Lordsburg's Mavericks cinched the New Mexico District 3-B football title in Tularosa Friday night by thumping Tularosa's Wildcats, 19-6.

David Estrada, Louis Rodriguez and Ray Rodriguez scored for the winners, and the single Tulie TD was scored by Larry Bishop.

TATUM GETS 2-C WIN OVER CORONA

Tatum's Coyotes, behind the two-touchdown performance of Jim McKenzie, romped to a 13-2 District 2-C football decision over Corona Saturday at Tatum.

McKenzie bulled over from one yard out in the first and third periods to give the Coyotes their touchdowns. Ray Hilburn added the conversion.

Corona's score came when a Tatum ball carrier was tackled in his own end zone by the entire Corona line.

HERE'S WHAT MAKES the CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and unadulterated . . . as fresh and functional as modern architecture.

AIR COOLED
You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Airplane-type heater* goes to work almost instantly.
*Optional at extra cost.

Revolutionary Rear Engine
works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

Unipack Power Team
Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

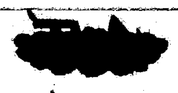
UNISTRUT BODY BY FISHER
Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

Practically FLAT FLOOR
Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat* converts easily to make room for 17.5 cu. ft. of cargo. *Optional at extra cost.

TRUNK'S UP FRONT
Lots of luggage space under the hood, where it's convenient for groceries, packages.

NEARLY 3 FEET SHORTER
Corvair's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

4-Wheel Independent Suspension
Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.



. . . and the most practical thing of all is Corvair's LOW PRICE!

Quite a few RHS students are a little sore from riding in the Aspencade parade. FHA took first prize for school organization floats and the Freshmen took first prize for the classes. Two high school seniors took second prize in the jitterbug contest. They were Tuffy Wilson and Beverly Watkins.

Junior High and Elementary Notes

Sixth Grade—Mrs. Mosley

Jack Alexander checked out of our school last Friday. He and his family are moving back to Spur, Tex.

We are studying the early Middle Ages in social studies. As a project for our study, the boys are building a castle and a monastery. The girls will make the people and animals, etc., to go with the buildings.

Barbara Rankin's family has a new home at Ruidoso Downs.

Ronald Taylor visited in Las Vegas over the week-end. While he was there, he visited the oldest water well in the nation and the old Spanish fortress near it. He also visited the Pecos State Monument, which is the remains of one of the most important Indian Pueblos.

Jimmie Parsons is now a new student in our room.

Bernard Second says a lot of people are gathering pinon nuts on the reservation. According to Bernard's grandmother there is a heavy crop of pinons every seventh year and 1950 is a seventh year. He gave us a clue to picking only good ones. The dark brown or almost black shells will be good ones. The gray ones are empty.

The following people went to the Eastern New Mexico Fair in Roswell last week; D. D. Swearingin, Ellen Spear, Fermin Herrera, Barbara Rankin, Barbara Creel and Jimmie Parsons.

Ronnie Garner told us he recently visited at Tombstone, Ariz. He visited a museum and Boot Hill Cemetery and had lunch at the Wyatt Earp Cafe.

Barbara Creel made the only perfect score on the weekly Airplane Aces test.

These students made 100 for their weekly average in spelling—Alan Ross, Jan Robicheaux, Karen Trotter, Ellen Spear and D. D. Swearingin.

Room 1-A—Mr. Williams

The game with Corona was postponed until Oct. 21 because of the Ruidoso Aspencade.

We have a new student in our room. Her name is Jeannine Armstrong. She formerly lived at El Paso. (Jim Carpenter, reporter).

Fifth Grade—Mrs. Hawkins

In social studies we made covered wagons. Some were very good.

We have three Indian boys in our room. They are Elliott Kazhe, Curtis Johnson and Ross Scott. They have entertained the school by singing some Indian songs over our PA system that is new this year.

We had a candy sale last Friday.

We have current events reports on Monday, which are very interesting—especially the ones about space.

Twelve students made 100 in spelling. Several students in our room attended the Fair at Roswell. (Barry Wilson and Sherri Morrison, reporters).

Nob Hill School

First Grade—Mrs. Jones

Report cards have gone home for the first time. Most of us had good report cards to take home.

We are happy to have a new girl and boy in our room. Welcome to Barbara Smith who comes to us from Hillsboro, N. M., and Robert Johnson from Star City, Arkansas.

Several of us enjoyed the rides and cotton candy at the Fair in Roswell. Lorenze Sanchez liked the rodeo clown. Others attending were Paula Kay Rowles, Ronnie Lovato, Doris Gallegos, Etta Shier, Dan Garcia and Danny Bell.

Two of our classmates enjoyed learning something about Lincoln County history and Billy the Kid. Paula Kay Rowles and Bill Park visited the Lincoln Museum Sunday.

We were so happy to see so many parents at P-TA Thursday night. Representing our room were: Mrs. Marvin Ratliff, Mrs. Clifford Morrison, Mr. and Mrs. H. L. Traylor, Mrs. Nancy McCarty, Mr. and Mrs. E. R. Dunagan, Mr. and Mrs. J. V. Tully and Mr. and Mrs. H. H. Shier.

Six of us completed six weeks of school without missing a day. They are Hub Traylor, Felecia Morrison, Billy Rushing, Mike McCarty, Pat Dunagan and Jan Tully.

Eating their lunch every day last week were Wayne Fulsom, Pat Dunagan and Billy Rushing.

All of us enjoyed watching the Aspencade Parade Saturday—and especially seeing Hub Traylor riding his horse in it.

Mike McCarty and Jan Tully are the most recent members of the "Lost Tooth Club."

Berwyn Whitebird is having lots of fun playing with a new puppy.

The boys in our room are Junior Fire Marshals and quite pleased with the bright red hats.

Recent pinon hunters were Hub Traylor, Doris Ann Gallegos, Danny Bell, Billy Rushing, Mike McCarty and Lenora Bigrope.

Second Grade—Mrs. Reese

The boys and girls enjoyed the Aspencade very much. Many of them took part in it. Robert Moore and Danny Halladay rode on floats, Cyrus Leland rode in the fire engine. The Brownie float carried some of our girls including Susan Clowe, Janice Stierwalt and Deborah Morrison.

The Cub Scouts in our room were represented by Duane Alvis and Ted Conley. David Estes and his dad were on horseback.

The Aspencade dinner was well attended, too. The following children from our room went: Janie Stoneman, Neale Williams, Bobby Hitchens, Barbara Trujillo, Danny Halladay, Robert Moore and David Estes.

Kenneth Bunt went to the Fair in Roswell Saturday.

We are glad to have two of our students back after a week's absence. Carey Horton was sick all week, which wasn't much fun for him. Colleen Donnelly spent a week in Phoenix visiting her aunt. She went swimming and had a wonderful time.

Pat Farrar's pet hamsters had 7 little baby hamsters over the week-end.

Second Grade—Mrs. Sullivan

We sang Donna Main a birthday song this week. It was her eighth birthday. She celebrated with a party at her home.

In our number work we have been learning to write by 5's to 100 and by 2's to 20.

In Science we have been studying about leaves and how they make good soil and good gardens. We have a display of leaves on our bulletin board.

The ones on our Honor Roll in Spelling, making 100% are Betty Jo Maes, Laura Jones, Rogene Hollis, Delores Garcia, Billie Guynes, Jerry Parks, Dearl Wayne Joyce, Gena Sharp, Donna Main, Arden Comanche, Shirley Montoya and Jenny B. Pratt.

We have been doing some art work for Hallowe'en.

NEW TRENDS IN FASHION PRESENTED IN INFORMAL SHOW FRIDAY AT OLMA'S

The newest trends in fashions were presented to Ruidosoans at a Fall Fashion Show staged at Olma's Friday evening.

Fashions for all occasions by well known designers were on parade by local models. The long center aisle of the shop was converted into a runway and was lined with chairs for the spectators.

Modeling were Mrs. Robert Pearson, who also was commentator, Betty Hays, Mrs. Carl Greer, Mrs. Dixie Looten and Sharon Sims.

The beauty of this year's new colors was especially notable in all apparel displayed. Many muted tones of brown—ranging from a cinnamon to russet—was emphasized in both dresses and sportswear.

Apparel shown also had a freshness in detailing. Several dresses of wool, one in a purple heather tone, achieved a brand new look in bodice treatment.

Most of the women's dresses on parade were from the houses of Paul Sach's and Nellie Don.

Vibrant colors and new trends, some suggestive of Italian designers, enlivened the sportswear modeled. One costume, in bold plaid wool, combined a loose top resembling a poncho, with slim pants. Sportswear was by Harburt, Chesnut Hill and J. I. Originals.

Several famous Jeanette original fiesta dresses were shown and their lavish use of brilliant braid and gorgeous fabrics brought high approval from the spectators.

Toby Lane, Jr., dresses were modeled for the sub-deb set. Skirts continue to be youthful and bouffant, many with unpressed pleats. Girlish necklines and nipped-in waists give a typical teen-age look to many of the frocks.

Several rich-looking suits by Betty Rose were shown, with the "good" black suit still popular for fashion-minded women.

The modeling of an exquisite gown and robe ensemble in cloud white nylon with dainty floral appliques from the house of Chadbourn Gotham climaxed the show.

On display during the evening was a rare and unusual display of diamond jewelry from Whitlock's Jewelry. Several pieces were set with other valuable gem stones, such as the sapphire. Most of the jewelry was designed by Claude M. Whitlock, owner of the jewelry concern.

Following the show, Mrs. Olma Newton, owner and operator of Olma's, served the crowd coffee and cookies.

LOVELY FASHIONS—For milady this fall and winter were presented in a Fashion Show last Friday evening at Olma's Style Shop. New fashions by noted designers for all occasions were displayed by local models. Shown here, from left, are Betty Hays, wearing a beautiful fed suit with mink collar, and carrying one of the new deep handbags by Mahler; Mrs. Carl Greer, wearing a Paul Sachs dress in cinnamon wool jersey with applique of cut felt flowers, and Mrs. Robert Pearson, modeling a classic two-piece costume of tangerine wool, complimented with a smart Harburt shirt in muted green print. Mrs. Pearson also was commentator for the show, which attracted many interested spectators. RUIDOSO NEWS PHOTO

The weather was perfect and Mother Nature a riot of autumn colors for the Aspencade this past week-end. The mountains were teeming with people from far and near to enjoy this gorgeous display of nature. Ones that have not been to the mountains in October can not realize the blaze of colors that meets one's eye. We feel safe in saying that no where in the world can such a procession of glowing colors be witnessed than in our own mountains of Lincoln County Forest.

There was a large number of horseback riders who went on the Aspencade trail besides the many cars that were on the drive. Many of the horseback riders had to bring their own horses long distances, as all the horses in Ruidoso and this area had been spoken for a long time in advance.

The Sheriff's Posse from Odessa, Tex., won first place in the parade and Lovington's Sheriff's Posse won second place. Lovington was well represented at the Aspencade, as they had fifteen horseback riders as well as many in cars.

As has been true of all other events held in Lincoln County this season there were more people at the Aspencade than ever before.

Ben Pfingsten from Nogal had part of his folks up for the week-end. They were: Mr. and Mrs. Ray Pfingsten, sons Bobbie, Jerry and Doug, also a friend Miss Hollis Smith all from El Paso, Mr. and Mrs. Bill Armstrong and son Bernard from Tucumcari. The folks come up every year at this time for their annual crusade through the forest to see all the fall colors and have their last picnics and outings before cold weather. On Saturday they had a picnic dinner on Monjeau and on Sunday a picnic on Loma Grande. They reported the maple trees a riot of colors of pinks, reds, golds and yellow in Loma Grande Canyon. Years ago these maple trees were tapped for maple syrup and lots of the old buckets and part of the old mill still remain at the bottom of the canyon among these magnificent old trees.

Mrs. Blanche Kiser and friend, Mrs. Odessa Wallace from Pecos, were up for a few days. Mrs. Kiser reported that her daughter Loreta was a student at Hardin-Simmons in Abilene this year.

Mr. David W. Welch and son Billy Kay from Geary, Okla., are now living on the Bryan Cazier place. Welcome to Bonito Canyon Mr. Welch and Billy Kay. They also had guests over the week-end, Mr. Welch's mother and father, Mr. and Mrs. J. A. Welch and a brother from Sudan, Tex., also a nephew, Jerry Moore from Tucumcari.

Mr. and Mrs. L. G. Caudill and son Roland from Lovington were up over the week-end for the Aspencade. The Caudills brought 2 horses from Lovington and rented one from the Runnels' stables at Bonito City for the hroseback ride through the mountains.

Staying at the Sparkmans' "Idle Moments" cabin and going on the Aspencade horseback ride were Thelma Mosley and Katy Castleberry from Lovington. The girls also rented horses from the Runnels stables and ... the ride. What happened ... Katy?

Mr. and Mrs. Walter Mosher from Lovington were week-end visitors in Ruidoso and the Corders Sunday.

Mr. and Mrs. L. V. Stone and friends from El Paso spent the week-end at their cabin.

Mrs. Edwin Duke and children from Socorro, N. M., spent the week-end at Angus with her husband, Mr. Duke and his brother Dean are working on the new road from Angus to Capitan. They are living in one of Barnie Hayes' cabins.

Mr. and Mrs. John Cook and son from Lovington were up for the day Sunday. They were getting a place fixed to move their house trailer up before long to be ready for hunting season.

R. C. Hayes from Eunice, N. M., Barnie Hayes and "Budro" Morris are getting ready to go on that big elk hunt in Colorado. Arvel and Bob Runnels and party left Sunday morning for Colorado also to hunt elk. Where is your gun, Bob?

Week-end visitors with Mr. and Mrs. H. B. Shaw was Mrs. Shaw's sister and husband, Mr. and Mrs. R. L. Johnson from El Paso, Tex.

Mr. and Mrs. Collins Walker spent the day Wednesday with Mr. and Mrs. Joe Purcell at Mayhill, N. M.

BEAUTIFUL ALTAR APPOINTMENTS—Of the old St. Eleanor's Catholic Church, shown here, will be used on the altar of the new church structure, recently completed in Gateway. Formal dedication of the new church will be held this Sunday at 4 p. m.
RUIDOSO NEWS PHOTO.

THE FIRST—St. Eleanor's Catholic Church here was dedicated in 1982 by Archbishop Daeger of Santa Fe. Erection of the church resulted from the inspiration and faith of Father Albert Braun, then of Mescalero. St. Eleanor's parish has completed a new church structure and this building has been sold to the Ruidoso Lions Club.

Lette. to the Editor

I wonder how many Ruidosoans realize what an outstanding bookshop there is at the OLD MILL.

From tiny ads in such magazines as Popular Mechanics, offering free lists, come orders from all over the world.

Evelyn and Carmon have shipped records, books and tapes—big orders—to Singapore; records and books to So. Africa—books to Arabia, Pakistan, So. America, Mexico, England. Many book orders come from Canada and from all over the U. S.

People come in from Florida to California and say, "We have no such selection in our home town." Recently a couple dropped in from El Paso and went home with $80 worth of books. Books are often shipped to Los Angeles where they were ordered from in the first place. It is easier to send an order to the Philanthropic Library at the Old Mill than to fight traffic on the L. A. freeway.

They have a marvelous collection of children's books. What with Christmas coming soon be sure to look over these fine books—what gives more pleasure to a child than a good book.

It is a friendly place—The Old Mill—and a book might just change your life. They are prepared to locate and order any book in print.

Mrs. H. M. Graham.

Dear Vic:

I would like for you to print this if you will.

Friday, October 9th about 2:30 p. m. down Paradise Canyon road a black Volkswagen car was traveling, going pretty fast. This car hit my cat. It didn't stop nor even slow down. Instead of a cat that could have been my little girl or anyone's little child. It didn't kill the cat, but a small child may not be so lucky.

Mrs. Jan McElhaney.

Thank you Vic either way.

Dear Vic,

Another Aspencade has passed, and I am sure that the community is stronger because of it.

I received an invitation from the Chamber of Commerce to participate in the services. I refused because I did not feel that I could properly conduct the services in our church, and be present there. My first obligation is to those who wish to attend the regular worship services.

This does not mean, however, that I object to my people taking an active part in such a project. I feel that Christian laymen should take an active part in all community activities.

I'd like to express my personal appreciation to the schools, civic organizations and other clubs in regard to limiting the number of Sunday and Wednesday night activities. This gives the churches an opportunity to plan their worship and other activities.

Sincerely,
C. Edward Ditterline, Pastor
Community Methodist Church.

WOMEN'S RETREAT HELD HERE THIS MID-WEEK

Members of the Daughters of the King, a woman's devotional group in the Episcopal Churches, held a retreat in Ruidoso Tuesday and Wednesday this week at the Church of the Holy Mount. A breakfast was served with Mrs. Carl Longabaugh directing the preparation and serving on Wednesday morning, followed by celebration of the holy communion. The women, about 25 in all, were from Santa Fe, El Paso, Roswell, Alamogordo and Ruidoso.

CROSSROADS

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Proverbs	16	19
Monday	Deuteronomy	16	9-16
Tuesday	Psalms	67	1-8
Wednesday	Psalms	139	1-6
Thursday	I Timothy	1	1-9
Friday	Hebrews	10	19-25
Saturday	Mark	1	16-16

Here's what happens when four super-highways meet—a far cry from that simple "plus mark" we used to call an intersection!

Life is becoming more complex, isn't it? No longer is it simply a matter of finding the right road. Today you can't even get on the right road until you find the right *approach*. And you had better be mighty sure of the direction you want to go, or you'll find yourself speeding away from your destination on a turnpike that permits no U-turn.

As life has become more complex, the value of a deep and abiding religious conviction has become more evident. Against a background of confusion and uncertainty the confident assurance of Christian faith is sharply silhouetted.

And the millions who have turned to the Church for truth and guidance have made a thrilling discovery. The Way of Christ is still just as clear, direct, and inspiring as it was to those who heard it first by the Galilean road.

'Party Of Year' Slated By Lions On October 27

Spooks and goblins and all their kin throughout the Ruidoso area are invited by the local Lions Club to be dressed in their best on the night of Oct. 27 at Carrizo Lodge and "have the time of their lives."

"The annual Hallowe'en party of the Lions Club," Carmon Phillips said in announcing the event, "is the one big thing the club goes all out for to make a success."

Costumes suggestive of the shades, where spirits of the Hallowe'en world dwell, will be in order.

The evening of merriment and suspense—for there will be one surprise after another—will get underway with a fellowship hour.

A delicious banquet will be served and dancing will follow.

Throughout the evening, many prizes will be awarded. These will be for costumes that are the craziest, the scantiest, the most frightening, etc.

Members of the Hallowe'en party committee are C. L. Wright, Don Sovell and Dave Parks. They are being assisted by the entire club membership.

Beautiful Carrizo Lodge will be converted into a spooky setting for the festivity.

Capitan Girl Is Scholarship Test Finalist

Principal Duane Darling of Capitan High School has announced that a local student has been named semi-finalist in the 1959-60 National Merit Scholarship competition. She is Miss Carol Allyn Bonnell, a senior at Capitan High School.

Miss Bonnell is among 10,000 of the highest scorers on the National Merit Scholarship Qualifying Test, the nationwide test of educational development given in over 14,500 high schools last spring.

The semi-finalist named above outscored over 550,000 classmates and thus moved a step closer to the goal of all—winning one of the coveted Merit Scholarships to be awarded in the 1959-60 program. The group of 10,000 semi-finalists is composed of the highest scorers in each state, prorated according to state population.

The semi-finalists now face another rigorous three-hour examination, the Scholastic Aptitude Test of the College Entrance Examination Board, which will further confirm their high scores on the NMSQT.

This second test will be given in testing centers throughout the U. S. on December 5, 1959. Those who repeat their high scores on this second test will become finalists in the competition.

As finalists, the students will be eligible for scholarship awards sponsored by an estimated 100 business and industrial organizations, professional societies, foundations, individuals and the National Merit Scholarship Corporation itself, which conducts the annual nation-wide competition. Merit Scholarship sponsors have included such nationally-known names as The Sears-Roebuck Foundation, International Business Machines Corporation, Shell Companies Foundation, Inc., National Distillers and Chemical Corporation, The Pittsburgh Plate Glass Foundation, Lilly Endowment Inc., Arkansas Opportunity Fund, The B. F. Goodrich Fund, Inc., The Upjohn Company, Edwin T. Meredith Foundation, F. W. Woolworth Company, Time Incorporated, and many others.

In the final phase of the competition, high school grades, extra-curricular activities, school citizenship and leadership qualities of the students will be evaluated along with the scores on the tests.

About May 1, 1960, the names of the Merit Scholars will be announced, the exact number depending on the degree of sponsor support of the Merit Program.

All Finalists will receive Certificates of Merit attesting to their high ability; and all colleges and universities will be notified, thus enabling these students to be considered for a wide range of other awards. Studies made of an earlier program revealed that more than 40 per cent of the finalist group were helped directly or indirectly in obtaining scholarship assistance.

The colleges chosen by the Merit Scholars in most instances also receive cost-of-education grants ranging to $500 per year to help defray the actual costs of educating the students.

Finalists designate the college they wish to attend, and the course of study they plan to pursue, leading to one of the usual baccalaureate degrees.

The Merit Scholarship Program is now in its fifth year. It was founded in 1955 with grants of $20 million from the Ford Foundation and $500 thousand from the Carnegie Corporation of New York. Sponsors have thus far awarded over $15 million worth of scholarships. Over 3,000 of the nation's most able students are now holding Merit Scholarships at some 400 colleges. Over one and one-half million students have been tested in the massive talent hunts.

The competition is open to students in any public, private, or parochial high school in the United States and possessions.

Capitan News

By DIXIE SPARKS

Two Capitan residents were injured Wednesday evening when their car struck the rear of a truck loaded with apples 15 miles west of Roswell on U. S. 70-380.

The injured, Ralph Simpson, 20, and Rose Hare, 21, were treated at St. Mary's Hospital in Roswell following the accident which occurred at 7:10 p. m.

State policeman Dick McCool said the car and truck were both traveling east on the highway when Simpson's car struck the rear of the truck.

The apple truck, driven by Joe Norris, Snyder, Tex., scattered apples all over the highway when a sideboard broke during the collision, McCool said.

Norris escaped injury.

RUIDOSO YOUTH RESCUED FROM SWIMMING POOL AT LAS CRUCES SATURDAY

William Howard, son of Mr. and Mrs. Woodrow Howard, suffered a minor brain concussion in being rescued from a swimming pool at a motor court in Las Cruces early Saturday. Realizing the youth was in trouble a friend went to his rescue and pulled him to the pool's edge. He was Brian Nosker, a senior in Ruidoso High School. Both boys had gone with the local football team to Hatch for a game Friday and the party remained overnight at the Las Cruces motel. They went swimming at 8 o'clock Saturday morning. Following the accident, suffered when he was being taken from the pool, young Howard was kept in the hospital in Las Cruces for the week-end for observation. He was threatened with pneumonia for a few hours, his lungs having absorbed some of the water, and he also received treatment for the head injury. He was reported as recovering rapidly early this week.
