Around Town

—By Nosey Waters—

As a neighbor to the Mescalero Apache Reservation, we in Ruidoso are very interested in the upcoming Mescalero Apache annual election of its Tribal Committee. We think in her first year Mrs. Bruce Klinekole has done a very creditable job as chairman of the committee there—and hope she is returned to her position on the committee. . . .

With a check renewing their subscription, these folks sent their "Season's Greetings" to Ruidoso: Mr. and Mrs. W. B. Johnson, Mrs. Edna Gray, Mr. and Mrs. Frank Alexander, Mr. and Mrs. J. D. Spencer and Mr and Mrs. Glenn Spencer—regular occupants here frequently in "The Family Hut." They are of Fort Worth. . . . Letter from Mrs. M. D. Pior says Mack caught 30 nice fish in one day down at Port Aransas, Tex. "We enjoy the Coast but miss Ruidoso. We are having a nice vacation." . . . Here are parts of a long long letter from Jerry L. Fite of Fort Worth: "In 1958 I spent some 4 or 5 days of my vacation in your wonderful summer resort and enjoyed it immensely, and after returning, I asked that my subscription be entered for your paper just with the thought of keeping up with the news in that locality, and I have certainly enjoyed just that very thing. As a matter of fact I marvel at your ability to publish such a wonderful newspaper and also very, very newsy. It seems to cover that whole section of the country with the complete doings and news of your locality. I am sure that your newspaper is one of the reasons why that section of the country is developing so fast, and it is about one of the fastest-growing spots that I know of. I do want to wish for you continued successful operation of your very live newspaper, and I feel like saying that the folks in your section are certainly in luck to have a live-wire such as yourself operating this newsy newspaper, for there is nothing that contributes more to the general success of a community than a live newspaper of your description." . . . Now, I'm blushing again. . . .

Off on a well earned vacation this week-end and next will be Mrs. Mattie Griffith of the telephone office. . . . Better be sure and take a gander at the window at the Adobe —you'll love it. Mrs. Bernard Rooney and Mrs. Raymond Buckner dreamed it up. . . . Clayton Bennett, long-time resident of Ruidoso and now of Alamogordo, is selling cars now for Pat Knight Motors of Alamogordo, Chrysler-Plymouth dealers. . . .

Well, the rumor is getting more solid all time that Dan D. Swearingin will be announcing for State Senate on the Demo ticket shortly. . . . Betty Delaney has a Christmas tree in Hollywood Lumber office this year that will create more conversation than last year's. It is made of toilet tissue. She's had bids on it (to set up in bathrooms) after the Yule season. Tissue is stuffed in a chicken wire cone that is about six feet tall. We reserve comment. . . . Leck and Bill Cowden will stage their annual Christmas party and elk barbecue at Leck's Lanes Tuesday next week, Dec. 15, at 6 p. m. Bowlers, wives, husbands, kids, friends and sponsors have an invite. . . .

The Senior Class figured in a most unusual case this week—we'd like you to read about it in this week's high school column by our school columnist. . . . Illegal cutting of Christmas trees in this area by a local resident was uncovered this week and some of the trees, cut on the land owned by the Eagle Creek Intercommunity Water Supply Association, were recovered and were turned over to Dan Swearingin, president of that association, to do as he saw fit. He said he might give or sell them to a worthy organization here. . . .

Mrs. Fern Sawyer Dunn is sponsoring a "Dollars for Democrats" coffee at her lovely new ranch home at Nogal Sunday, Dec. 13, from 1 to 3 p. m. The turn off to the ranch is between Nogal and Highway 380.

Tiny Sloan is having a lot west of the Treasure Chest on Main Road leveled for some future business use. He won't tell what right now. . . . Mrs. Ike Kennedy reports she will give some lucky little girl one of her beautiful dolls just before Christmas —but the little girls who come to her Little Pink Doll House to register must be accompanied by an adult. The doll given away in the summer by Mrs. Kennedy was won by Zoeline Ledbetter of Morton, Tex. . . . Whitlock's Rexal jewelry store is inviting local people to drop in and register for three gift certificates in the amounts of $25, $15 and $10, to be given away Wednesday, Dec. 23, at 5 p. m. If you win, it'll help on your Christmas shopping, hey? . . .

Bob Carter, who has an electric contractor's business here, tells us he may acquire a partner about Dec. 1. . . . Note from Doc Furry up in Soap Lake, Wash., says "Both Sug and I are feeling good. We can't say enough for this place as a health resort. We both send our love to you and your family and all of Ruidoso at Christmas time. We enjoy the News—never gets old, providing you know the people it mentions." . . . Note from Mrs. [illegible], a valley resident: "The 40-ft. deep hole on Lower Terrace Drive (see picture in last week's News) could be filled with village garbage—no tin cans—and covered with soil and in a few years it would build up to a valuable piece of land. Another local merchant this week asked us to remind the folks they will make Christmas much merrier for the home folks by patronizing local stores—but the bank ad says it much plainer. . . .

Stanley Cochran has been licensed as a real estate salesman and is associated with W. E. Munsey Real Estate here. D. Horton residence, Iva Coleman and Emma Miller's, and of course, lots of others. You bring joy to all viewers, and your hard work in setting up such displays is more than paid for in helping spread holiday cheer. . . .

Ace Parker has his pawn shop open now, and has been adding an awning to dress up the building housing this new business on Main Road opposite the Apache Furniture. . . . The other day our missus cleaned up our desk and we found all kinds of interesting things—old unpaid bills, uncashed checks (?), unanswered letters, and a long article from Jesse Perteet of Dan Dee Cabins who sent us the transcript of a radio broadcast that was given over several Texas radio stations on the Texas State network in August this year, telling about Ruidoso. Here are some quotes from the broadcast, given by H. C. West, a brother-in-law of the Perteets: "This bustling resort center—nearly 7,000 feet high in the pine-covered Sierra Blanca mountains—is a town of contrasts and contradictions.

"Ruidoso is as American as apple pie. Yet, as native as the Mexican hat dance.

"As colorful as a boom town. And as old as the Mongolian mound-dwellers who lived here more than a thousand years ago.

"Ruidoso—in the heart of Lincoln County, New Mexico—was part of the scene for the Lincoln County War. A war provoked by the antics of a 21-year-old killer known as 'Billy the Kid.' And every year, the natives still immortalize him in their annual drama.

"This was also the land of Geronimo—who finally gave up the marauding ghost to live in peace on the neighboring Mescalero-Apache Indian reservation.

"Only a stone's throw from the reservation, you find Blazer's Mill—where a handful of soldiers tried to hold off the attacking Indians. (It still shows vestiges of its historic stand.)

"So this is Ruidoso. But today the quiet is often shattered when oil-rich Texans roar in with their high-powered Cadillacs.

"They are only part of the 30 to 40 thousand tourists who swarm into Ruidoso every week-end from all the adjoining states; stretching every facility of the town to the breaking point.

"And the reason for the excitement is the newly-enlarged Ruidoso Downs—which is now paying the largest purses of any race track in the Southwest."

Bids Asked Again On Ski Area In New Year

Ray Izard, official with the Sierra Blanca Corporation, which hopes some day to build a winter resort to feature snow sports and other recreation in White Mountain Park in the Sierra Blanca mountains here, told the Ruidoso News last week-end he had recently visited with U. S. Senator Clinton P. Anderson and with National Forest Service officials, who told him bids again would be asked early in the new year on a concession in the snow bowl region. In a bid letting this fall, Sierra Blanca did not submit any offer, and none others were received either—instead a letter from Sierra Blanca Corporation was opened, in which the company declined to bid, stating requirements were not justified. The Sierra Blanca Corporation, headed by R. O. Anderson of Roswell, has made considerable surveying and initial planning on a resort in White Mountain Park.

Izard indicated here last week-end he thought there would not be enough change in the requirements for a bid on the concession for his concern to be interested.

INDIAN TRAFFIC VICTIM RULED A SUICIDE

A coroner's jury last Friday evening at 6 p. m. ruled the auto death of Guadalupe Gonzales, 27, a Mescalero Apache Indian, was a suicide. Testimony by acquaintances of the traffic fatality said he had threatened on numerous occasions to throw himself in front of moving vehicles, and had even made the attempt prior to the Friday tragedy.

Gonzales was struck by a pick-up driven by J. P. Smith, Ruidoso motel operator, as he walked towards Ruidoso from the Carrizo Community, on the Carrizo Road near the Charles Bennell home. Smith, who was considerably shaken by the accident, told state and Ruidoso village peace officers who investigated that Gonzales was with "four or five other Indians" walking towards Ruidoso. Smith was driving towards Ruidoso, also, and as he neared the group, he said Gonzales moved towards the moving vehicle and raised an arm as though he was going to hit a fender. Smith said he swerved away from the approaching Indian, and as he passed he felt something strike the side of the car. "I still thought he had only hit the fender with his hand until I saw him rolling on the pavement through my rear view mirror," Smith said. "I stopped immediately and called an ambulance after seeing he was seriously hurt."

Emergency efforts to save the Indian's life were in vain. Chuck Kuchar, local hospital administrator and experienced technician, was at the Indian's side within minutes after he was struck, and did yeoman's work in his attempt to prevent the death. The Indian died in only a few minutes after Kuchar reached him. The death occurred only a few hundred yards outside the village limits of Ruidoso.

Gonzales was a resident of Mescalero. Officers at the scene attempted to question the other Indians who had been walking along the road with Gonzales, but none gave very much information as to how it happened, "it happened so quick," one was quoted as saying. A blood alcohol determination test made in the hospital laboratory at the request of peace officers revealed the man had been drinking an intoxicating beverage sometime before the incident.

Funeral services for Gonzales were held at 10 a. m. Tuesday in the Mescalero Reformed Church at Mescalero, with the Rev. Harvey Calsbeck officiating. Burial was in the Mescalero cemetery.

Surviving are his wife, Idella Gonzales, Mescalero; two sons, Rodwin Lane and Michael Gonzales; his mother, Mrs. Hattie Gonzales, and one sister, Miss Beulah Gonzales.

Eta Chapter Of ADK Meets In Capitan

The New Mexico Eta Chapter of Alpha Delta Kappa Teachers Sorority met on Saturday, Dec. 5, at the school cafeteria in Capitan. A most delicious turkey dinner was served, with Leota Pfingsten and Ofelia Salas as hostesses.

The beautifully appointed table was spread with a lovely lace cloth and set with antique amber crystal. Decorations with accents of gold and green, the sorority colors, carried out the Christmas theme.

Special guests were Ruth Vogel and Hattie Coffee of El Paso Zeta Chapter.

Following the delicious meal, the members went to the home of Mrs. Fletcher Hall.

An impressive Founder's Day Program was led by Leota Pfingsten.

After a short business session, a social hour followed, with an exchange of gifts and the singing of Christmas carols.

Thanksgiving Social Includes Dinner, Dance

The girls sorority of Eta Beta Pi held a Thanksgiving diner and dance at the home of Mr. and Mrs. Herbert Traylor. The dinner dance was for members and their dates. Sponsors are Mr. and Mrs. Traylor.

The Traylor home was decorated in a Thanksgiving theme with arrangements of autumn leaves and Pilgrim figures for the center piece on each table and on the mantel. Pine branches sprayed with gold and copper were decoratively arranged. One wall was decorated with aqua and white streamers of crepe paper symbolizing the colors of the sorority, and on the opposite wall was a life size Pilgrim girl's costume in brown with the traditional white bonnet and apron.

The dinner was buffet style and turkey and dressing, giblet gravy, candied yams, corn on the cob, fruit salad, rolls and butter, pumpkin pie with whipped cream was served.

The occasion was semi-formal and the girls wore dresses of every color of the rainbow, and the boys were sportscoats and dress suits.

The members of Eta Beta Pi would like to express their thanks to Mr. and Mrs. Traylor for sponsoring the dinner dance and especially to Mrs. Traylor for her wonderful help in preparing the meal, they said.

Christmas Gifts For School Children Result From Bazaar

Capitan Woman's Club presented its annual Silver Tea and Bazaar Saturday, Dec. 5. Presiding at the serving table were Mrs. Amelia McKnight and Mrs. Milton Jones. The decor of the center piece was blue and white Christmas balls with white candles in silver holders. Pine tree branches outlined the windows and the top of the piano. These also had Christmas balls of different colors. Banking the center piece were dainty tea sandwiches, cookies, mints and nuts.

A program commencing the Silver Tea was presented by Mrs. Jess Gutherie and Dian Shaw in two piano duets, school children led by Mrs. Leota Pfingsten sang Christmas carols.

In the Bazaar, articles donated by members of the Woman's Club were sold. Among those sold were aprons with mittens, baby dresses and bonnets, kitchen plaques, pot holders, candy and cookies. A picture donated by Mrs. Werner, mother of Travis Werner, was raffled off.

A goodly crowd attended the Silver Tea and Bazaar during the hours of 2 to 5. Proceeds from the Bazaar will go for Christmas stockings for the school children and boxes for the needy.

ESTIMATE $150,000 PURSE FOR ALL-AMERICAN FUTURITY TWO YEARS FROM NOW

Entry blanks were mailed to approximately 3,000 quarter horse owners early this week, inviting entries in the third annual running of the All-American Futurity for Quarter Horses, to be run almost two years from now, on Labor Day of 1961.

The All-American Futurity winner of 1959 was Galobar, owned by Hugh Huntley and trained by Newton Kirk. Jockey was Clifford Lambert.

Purse for the 1959 event, which attracted nationwide interest, totaled $129,686.85—and estimates are that for the 1961 All-American, the purse will reach an all-time high for quarter horse races of $150,000.00.

The entry blank invited payment of $1,500.00 entry fees with the original nomination, which would save 25% of the final cost if all nomination and starting fees are paid on an installment basis offered as an alternative. The installment plan calls for $25 on Jan. 15, 1960; $50 by March 15, 1960; $100 by June 15, 1960; $225 by Sept. 1, 1960; $250 by Dec. 1, 1960—then in 1961, these payments would be due: $350 on March 1, $500 on June 1 and $500 to enter in trials, totaling $2,000.

Late entries would be accepted at $6,500 up to June 1, 1961, or for $8,500 on Aug. 14, 1961.

The event is for fillies carrying 116 pounds and geldings carrying 119 pounds. The race will be run on a 400-yard streak. The race is open to all registered foals of 1959.

Fifty percent of the purse will go to the winner, 18% to second horse, 12% to third, 8% to fourth 7 percent to fifth and 5% to sixth. Trials will be raced under the same conditions as the Stake and 10 horses will be the limit for each trial. Ten horses will be picked from the trials for the big race on Monday, Sept. 4, 1961, the entry blank said.

WARRIORS CONTINUE WINNING STREAK

Around Hi Skool

By PAULA DONNELLY

The Ruidoso Warriors continued their winning streak last week-end with victories over NMMI and Tularosa. This is four in a row.

Friday night in Roswell the Tribe rolled over the Institute Colts 47-30 and followed with a last-second victory in Tularosa Saturday night, 56-54. George McGuire had a big week-end, scoring 14 against the Colts and 22 in Tulie to lead the scoring in both games. In the Tularosa game with the score tied 54-54 and forty-five seconds to play, Jerry Curry calmly sank two free shots to put the Warriors in the lead. With five seconds to go he was fouled again, but his missed gift-shot was tipped in by Bob Beavers as the buzzer scunded.

The Warrior "B" team lost both games—to NMMI 40-30 and in Tularosa 22-19. Gene Scott led the scoring for Ruidoso with 10 the first night, while John Hawkins rammed in 15 against the Wildcats.

Tonight at 6:30 in Carrizozo Coach Bab Lee takes the Warriors to play their first conference game in the new Mountain Division of District 5-B. Pat O'Day will broadcast the "A" game over KYAP beginning at approximately 7:45.

The Seniors are really working up a storm this week. Last Saturday they all got up bright and early to go to the Ranger Station and get their permits to chop Christmas trees. When they got there the Ranger informed them that 87 fir trees had been cut illegally up in the mountains and that the Seniors could have them if they would pay in advance. So the Seniors now have firs and pinon trees to sell. They have been selling all week and will continue to do so until just before Christmas. Station KYAP has really been advertising for the Seniors and we really do thank them, especially Pat O'Day.

Last Tuesday class pictures were taken for the annual, also all the pictures of the different clubs were taken. Everyone went around saying that they wished every day was picture day because so many got out of their classes at least for a minute or two. But of course every day isn't picture day.

* * *

Tuesday evening members of the English IV class went up to the Ski Run all ready for a gory night of ghost stories. And boy was it scary! The way this all started was one day in class someone started a ghost story and Mr. Cowan said that we didn't have the proper atmosphere. So the students decided to get the proper atmosphere. At 6:00 in the evening everyone showed up at the Ski Run armed with marshmallows and ghost stories. As they huddled around the fire and told their stories the familiar Ski Run changed into something strange and unknown.

The Fabulous Five of Ruidoso again rode with victory last week-end when they beat the Institute 40 to 30 and slipped by Tularosa 58 to 54. The B team lost both their games but a good try was made in each skirmish.

Tonight the Warirors will meet Carrizozo at Carrizozo. The B game will start at 6:30. All you people come and yell your boys on to victory.

There was a pep rally today with both the A and B doing their yells.

States Rights For Water Sought In Conservationists' Convention

(Written for Ruidoso News by N. M. State U. Agriculture Dep't. Public Relations Staff)

Delegates to the New Mexico Assn. of Soil Conservation Districts Saturday called by resolution for federal legislation to recognize state authority over water and water rights that exist in or originate within the state.

A number of resolutions were passed by the 300 delegates Saturday night at the close of their two-day annual convention in Ruidoso.

They also requested the U. S. Secretary of Agriculture to review regulations governing the Great Plains program to permit federal cost sharing for conservation practices on state owned land which is under long term lease to private individuals for agricultural purposes.

They resolved to join other state organizations in seeking a state law that would provide for revocation of licenses of hunters convicted of vandalism on private or leased property.

In other business, the association re-elected all its officers for the coming year. They are J. Lewis Merritt, Yeso, president; W. P. Pater, Cerro, first vice-president; Bruce King, Stanley, second vice-president; and Joyce Lambach, Solano, secretary-treasurer.

Awards Presented

Awards for outstanding conservation practices went to M. L. Allen, Tucumcari, and W. F. Pitt, Crown Point. Emily Kenney, Reserve, was named Outstanding Soil Conservation Supervisor of the eYar.

Speakers at the convention Friday emphasized what they said was a need for stepping up an attack on soil and water conservation problems in New Mexico.

J. L. Merritt, Yeso, president of NMASCD, told the group, "The intelligent use of our soil and water natural resources is a continuing challenge to all of us because the strength of our state and nation is dependent upon our land resources."

Merritt said increasing population pressure always places an increasing demand upon our land resources. He said "conservation needs are not static but everchanging and a dynamic force inter-related with life itself. If man is to survive he must act on his conservation problems long before he reaches the point of no return in his diminishing supply of land resources."

He asked the conservationists to support their state and national association; urged supervisors to take an active interest in non-partisan politics, and asked for more thinking at the grass-roots level.

Carlsbad Man Keynotes

Convention keynote speaker Draper Brantley, Carlsbad, talked on the theme of the meeting. It is relationship of soil and water conservation to farm and ranch management.

Draper said, "we have done an excellent job of selling land leveling as a conservation practice, but it is an incomplete solution to efficient use of water."

He said management of irrigation water is the real key to soil and water conservation.

Floyd W. Lee, San Mateo, president of the New Mexico Wool Growers, Inc., said the move to get more government land back into private ownership is breaking down the Taylor Grazing Act.

He said a state land resources committee recently was organized, and the committee paid a San Antonio research laboratory $80,000 to study land resources in New Mexico.

Lee said the study indicates the Taylor Grazing Land should be kept or given back to the state for the support of schools. He said that could be accomplished by two methods. In the first, he said, the government could turn the land back to the states, or it could sell it back to the state.

On conservation, Lee said the average farm or ranch in New Mexico represents a $63,000 investment. He said, "Any man who does not practice soil and water conservation on a plot this size is just plain stupid."

RE-ELECTED — Officers of the New Mexico Association of Soil Conservation Districts re-elected their officers for 1960 at the annual convention in Ruidoso last week-end attended by about 300 people. They included, above, from left, Bruce King of Stanley, second vice-president; W. P. Cater, Cerro, first vice-president; J. Lewis Merritt, Yeso, president, and Joyce Lambach, Solano, secretary-treasurer.

The state also ranked fourth in the nation in teacher preparation with all of its high school teachers having had at least four years of college training and 96% of the elementary school teachers having at least four years of college. Approximately one-third of the state's professional school people hold advanced degrees.

Nob Hill School

Second Grade—Mrs. Sullivan

We drew names in our room this week for an exchange of gifts. A new boy in our room is Pedro Lara from Carlsbad. For science this week we studied about making our Christmas safe and happy. We learned about the best trimmings for our tree and many things we should not do.

For our current events this week we learned about President Eisenhower's good will trip to many countries.

Jerry Parks and Bobby Nash had birthdays this week. They were 8 years old.

Our honor roll students making 100 in spelling were: Margie Flor, Betty Jo Maes, Regene Hollis, Thelma Spears, Virginia Klein, Delores Garcia, Billie Guynes, Dearl Joyce, Vickie Harris, Lillian Randolph, Jennie B. Pratt and Pedro Lara.

We want to thank the Soil Conservation Service for the booklets they gave us.

Funeral Is Held For Longtime Capitan Resident

Funeral services were conducted at the Angus Community Center Wednesday for Pansy Bingham Powell, who died at 12:30 a. m. Sunday, Nov. 29, in Las Cruces.

Rev. James Kerr, pastor of the Capitan Baptist Church, officiated. "Rock of Ages" and "Sleeping Jesus" were sung by Mrs. Bill Hall, Mrs. Jack Shaw and Lorene Ferguson, accompanied on the piano by Diane Shaw.

Graveside services were conducted by the Order of Eastern Star.

Arrangements were by the Fulmer funeral parlor of Las Cruces.

Pansy Bingham Powell was born February 3, 1903, the daughter of a pioneer Lincoln County couple. She and her husband, Leo Powell, operated Powell's Grocery in Capitan for a number of years before moving to Las Cruces.

She was a member of the First Baptist Church of Capitan and transferred her membership to Las Cruces. She was a member of the Order of Eastern Star.

Mrs. Powell was active in all community organizations when they lived in Capitan and made many friends because of her kindness and charity.

She is survived by her husband; a daughter, Ella Francis Seaburgh of Las Cruces and by two sons, Thomas James Rogers of Grants and Robert Powell of Las Cruces.

Also by her mother, Mrs. Lee Robinson of Capitan; and by the following brothers and sisters: John Robinson of Capitan, Lee Robinson of Gardiner, Mont.; Tom Bingham of Tularosa; Richard Bingham of Grants; Mrs. Ivy Kennedy of Capitan; Mrs. Rose Harkey of Ancho, Mrs. Esther Burns of Loving, N. M., and by Margaret Means of Carrizozo.

State police are being equipped to handle poison victims, accidental or otherwise. Each of the 100 state police cars is being given a poison control kit. The poison control program was worked out by the N. M. Medical Society in conjunction with the N. M. Dept. of Public Health, which provided funds for the project. The kits will supplement operation of eight poison control centers in Albuquerque, Las Cruces, Silver City, Alamogordo, Carlsbad, Roswell, Clovis and Raton. The centers were established by the N. M. Dept. of Public Health and are operated under supervision of county medical societies.

Mr. and Mrs. Lawrence Peebles, assisted by his parents the Charlie Peebles, entertained at a barbecue Sunday at 1:30 p. m. at the Jim McEuen's. The venison was prepared at Sid's Barbecue Pit. Potato salad, cold slaw, baked beans and all that goes to make a delicious meal made up the menu.

The following guests attended: the J. B. Hightower family, Jim McEuen family and Sid Preston family of Alto; Sam Sinclair family, Don Schultz, Sam Wolfskin, Ike Kennedys, Claude Hobbs family, Herbert Lee Traylor family and Pat Willinghams of Ruidoso and Roger Pope of Ruidoso Downs.

Captain and Mrs. Troy Brooks and children Terry and Rusty visited her parents the Ernest Bloods last week. He will leave Fort Smith, Ark., very soon for foreign duty in Germany and Mrs. Brooks and the children will go over in about six months. If plans work out the Bloods will go over some time during the next four years they are there for a visit.

Mr. and Mrs. William Dingwall of El Paso stopped by to see the George Dingwalls on their way home from California where they also visited the Donald Dingwalls in Van Nuys.

Mrs. William Gallacher and Anne were in Thursday while they were in the community from Carrizozo on the Farm Census Work.

The George Dingwalls were in Carrizozo Wednesday of last week.

The Ray Bownds from Lubbock spent a few days last week with the Sidney Prestons.

Mrs. J. B. Hightower and sons Billy and David Wayne visited the Charlie Harringtons in Alamogordo last week.

Robert Creel came up Sunday from Carrizozo.

Last Monday Charlie and Lawrence Peebles went on a business trip to Roswell.

The George Hightowers left Wednesday for Silver City after a visit with his mother, Mrs. W. N. Hightower. On Friday Mrs. W. N. Hightower went to Alamogordo with her daughter, Mrs. Charlie Harrington, for a long stay and will go out to Silver City later for a stay with the George Hightowers. In the spring we'll be happy to welcome her back to her home at Alto.

Capitan News

By DIXIE SPARKS

Hi! I do not have too much news for this week—why? I am busy like everybody else preparing for Christmas and practicing Christmas plays and carols. Had two surprises last week-end; first my son arrived a day ahead of schedule (Zack Wheat); he is out of Fort Bliss now. Second I was awakened Saturday night about 11:30 with a deer practically in my face. Zack and his date, Barbara McGrew, coming back from Ruidoso, after seeing a show, hit a deer; breaking her (doe) hind leg and we think her back. Not wanting to leave the doe out there to die by starving, they put her in the back seat of the car and brought her home. Calling the Game Department, no Charlie; called the Marshall, no Ray; the Justice of the Peace, no Mr. Huey; so called "Sally" in Carrizozo, he told us to kill her and give the meat to the school. So the doe was killed and put in Charlie's garage—moral—don't put a deer in the back seat of a car (alive), too much blood—two broken-hearted kids for having to kill her instead of saving her. Counted our blessings for the kids weren't hurt nor the car, only their feelings. We were told the meat wasn't any good because of the impact of the deer hitting the car, it was too bruised.

Fort Stanton School and Choral Club practicing their plays and carol singing for their Christmas plays and carolings for the 17th of December.

Word from Roswell, Mrs. Ray Provine doing nicely and by the time you read this she will be home convalescing.

Mrs. J. R. Provine was admitted as a patient Nov. 29 to the St. Mary's Hospital in Roswell.

Mrs. Elma Campbell and children with H. W. Ellis (Elma's father) made a "flying" trip to Artesia Saturday, for her car which had been under repair for about a week.

Have been seeing lighted Christmas trees in the homes in and around Capitan. The weather has been quite mild for December in Lincoln County—even Baldy has only a small white patch on the north side. Most unusual for us; makes a lot of us wonder aren't we going to have "A White Christmas"?

As stated above no news as I haven't been out among Capitanites to "hear" any, this past week. So will say so long for this week and leave you with this thought, if I may: "Thoughts are secretive things until voiced and then they have the power of 'Almighty' behind them." Would it not behoove us to stop and think before we speak? Many a person has been hurt beyond redemption because of the carelessness of someone speaking before they stopped to think. "Think for yourself"—small words but oh how so very much good can be done by anyone doing just that, "Think for yourself."

See you next week, God willing, Dixie.

LIKE A MOUNTAIN NAMED FOR YOU?

Not one of these, certainly! They're here today, gone tomorrow. We'd gladly lend our names to a timeless peak like Everest — not to a heap of shifting sands rolling before the desert wind.

Of course, we have to identify ourselves with many a transitory idea and institution. We are busy most of our days just trying to keep up with this ever-changing world . . .

But our deeper self gropes for the Eternal!

God understands this yearning. He breathed it into our souls.

A voice crying in the wilderness . . . across the shifting sands . . . of the TRUTH and LIFE that are ETERNAL.

And God answers it: In Christ! In Scripture! In the voice of a neighbor inviting you and your family to Church.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Surest Route to Financial Independence is Continued Ownership of Real Estate

It has been our experience that properties chosen from our want-ad section of the News has rarely been the final one chosen, so, we wish to point out to you, a person or persons interested in Ruidoso properties, that we have for you any type, and at the price you wish to pay, be it home, vacant residential, acreage, business opportunities, going businesses, business vacant, etc. We find that many people are hesitant about taking up a Realtor's time, many are apologetic about it. Showing property is our business, and we hereby extend a cordial invitation to you to visit us whether it takes one day, weeks, months or years to find that which is exactly suitable to your needs. We love to sell Real Estate, but not just to make a deal. We continue in this business through satisfied customers. Thank you—from our entire staff. Thinking along these lines, we wish to present for your approval what we consider an excellent combination business and residential property, large enough to serve one or both purposes. This is located adjacent to two main highways in Ruidoso and priced at $15,000.00—$12,000.00 of this is cash.

Little Mary Lou Runnels was one of the models at the style show Saturday afternoon in Ruidoso. Mary Lou modeled a little "Red Riding Hood" suit and she was a perfect little model. She modeled for Lorene's Children's Shop at Ruidoso. Mary Lou is the daughter of Mr. and Mrs. Arvel Runnels of Bonito City.

Wedding bells will be ringing Saturday afternoon, Dec. 12, for Judy LaMay and R. G. Stewart. Judy is the daughter of Mr. and Mrs. Roy LaMay. R. G. lives in Alamogordo and is employed there. Judy finished high school in Capitan last year, then entered a beauty school in Roswell and has completed her course there. Congratulations to the very fine young couple.

This past Friday night the Troy Lanes entertained the Collins Walkers with a fish supper. The Lanes caught the fish and everyone enjoyed them.

Troy Lane left Sunday to work on a job at Tatum, N. M., for Armstrong Construction Co. Mrs. Lane and son Kelly will stay here for a while.

Mr. and Mrs. Joe Purcell from Loco Hills, N. M., are spending a few days at their place and are doing some work on their house while here.

New subscriber to the Ruidoso News is D. W. Welch. Mr. Welch and son, Billie, live at the Bryan Cozier place at Bonito City.

Lindy Lindamood from Alto was over Angus way Monday buying plumbing supplies from Barney Hayes and visiting.

The Charlie Corders are leaving Dec. 15 to spend the Christmas holidays with their folks in South Texas. Mr. and Mrs. Walter Meeker will stay at the Corder's while they are away and Walter will be storekeeper, as Mrs. Meeker will be working at Olma's in Ruidoso.

The Corders wish to extend to all their customers and friends a very Merry Christmas and a Happy and Prosperous New Year.

Fred Sweet has gone to Truth or Consequences for the winter. He will be greatly missed and we will all be looking for an early spring and Fred's return to the Bonito Canyon.

WALT CROSBY

Last week I said I would point out here some of the most common errors in perfection of titles to Real Property. A man residing in Texas left to his Heirs considerable Real Estate, located in several states in addition to that in Texas. His estate was probated in Texas, the Heirs did not know that practically the same process must be observed in each State that he owned Real Property. This is known as an ancillary decree which takes many months, and oftimes loses Heirs a good sale, a sale necessary to defray expenses entailed in final settlement of said Estate. Next week I will point out others. Thanks, Walt Crosby, Allied Realty.—(Adv.)

Zoning, Planning Panel Passes Rule On New Subdivisions

Ruidoso's Planning and Zoning Commission in its regular meeting Monday night approved plats of two new subdivisions presented for developers by Engineer H. F. (Jack) Kannady. One was for Buckner's Subdivision, an 11-lot development in the Cree Meadows area near the F. C. Buckner home. The other was for a 9-lot subdivision for Mrs. Ernestine Shields, which may be called Ponderosa Park. It was designed to surround the home of Mrs. Shield west of Mt. Vue Sho-Dyn & Indorama, and lies within the first Ponderosa Heights development.

Other matters passed on by the commission was formation of a resolution calling on developers of future subdivisions to present, with their plats, letters from the Village of Ruidoso Water Department declaring provisions were to be made for adequate water supply, installation of proper size mains and sufficient fire plugs, etc., and from the developer pledging graveling of streets and access roads and preparation for proper drainage. Streets must be graveled and drainage cared for in these portions of the subdivision at the time lots are placed on the market, the resolution declares. The resolution is an interim ruling until a subdivision regulation can be adopted.

Attending were Chairman Dan Swearingin, Robert Pearson, Carl Morrison, Jim Littlefield, Carl Wright, Kannady, Vic Lamb and Morris Books, secretary.

Cash Awards Given Three By Forest Service

By MRS. ELSIE WILLIAMS
(Ruidoso News Staff Writer)

Special awards were presented to three of our local Forestry Service personnel Friday, Dec. 4, at the Ranger Station on Alto road. The awards were presented by Everett Doman, District Supervisor of the Lincoln National Forest, who read letters accompanying the awards from Fred H. Kennedy, Regional Forester of Albuquerque.

Jake B. Hightower received a $100.00 award for his excellent service during the past year, his excellent all around performance in fire control duty, alertness and quick detection and reporting of forest fires and ability to determine fire conditions on ground.

Mrs. Dorothy Guck also received a $100.00 award for service rendered during the past year and for submitting written material weekly to newspapers and radio stations, on the work of the Forest Service. She has been the principal promoter of Smokey Bear Museum and she wrote a pageant for the museum's dedication.

Jim McEuen received a $150.00 award for the superior service rendered during the past year. It was made in recognition of excellent all around performance in forestry work, fire prevention and suppression, and in recreational activities, for his excellent safety record and for keeping the buildings, grounds and equipment in A-1 condition and constantly promoting safety on the job.

Three New Homes Are Labeled Bronze Medallion

Joe Coe, district manager here for Community Public Service Co., reports there are three new homes in the Ruidoso area now bearing the Bronze Medallion label, indicating they are almost entirely all electric equipped. They are the George Myers residence in Cree Meadows Heights, which was built by Jack Little and wired by R. E. Bob Carter Electric; the Jess White home on Meander Lane, wired by W. A. Hart Electric, and the Truett Shults home in Palmer Gateway, also wired by Hart. Electrical features include ranges and built-in ovens, heaters in bath rooms, dryers, washers, refrigerators and disposal units in the homes, Coe said.

BOARD OF REATORS MEETS

Among business matters discussed when Ruidoso Board of Realtors met in a luncheon session last week at Log Barn Dining Room for a luncheon on Thursday noon was to air the Parent-Teachers Association in its project to stage the annual Christmas party for students in the primary and elementary grades of the local schools.

Gamble's Enlarges Retail Department

Gamble's Store, formerly Bonnell's Hardware & Building Supplies, is undergoing remodeling for enlarging to almost double its floor space for the retail department. Merchandise of all kinds is being added to the store, Ralph Petty, one of the partners in the concern, reported recently. The addition, with Wesley Russell in charge of construction, will measure 40x42 feet in size, and is to be located in rear of the present retail section, beneath the huge sheet-iron roof. Attic space above the enclosed new retail area will be used for storage.

Ernest Pitillo suffered a crushed left hand in a drag line accident recently. He reports it is healing now.
