Around Town
—By Nosey Waters—

The Farm & Livestock Bureau's "Meet Your Candidates" forum series, being sponsored in the several major communities of the county, proved a very interesting session here last Thursday. Thursday night this week it is being held in Carrizozo, and next week on Tuesday night the series will end in Hondo with a supper as an added attraction. All of the candidates from both parties were in attendance at the Ruidoso question and answer program, but only a small group comprised the audience. We found it helped us make up our minds about some of our county nominees—many of them had "studied their lesson" as the old saying goes, and gave clear-cut, concise answers to questions put to them, while others hemmed and hawed and said "I don't know." A few of them, actually, let their opponents do their thinking for them—answering their questions by saying "I don't know about that one, but I agree with my opponent in what he said."

It's still a couple of weeks away, and announcement will be made later if the Lions and the Quarterback Club get together to complete plans [illegible] a noon luncheon at the [illegible] field here before the Saturday, Nov. 5, homecoming game (our last of the season) with T. or C. It is entirely possible that in just a few days the [illegible] Hotel Corporation will have an announcement to make regarding the site for their proposed facilities here. Last week a Texas corporation announced a site it had secured on U. S. Highway 70. If both are built, we'll certainly have some fine facilities to help pull many more visitors to our area! . . .

AS CANDIDATES SPOKE—All of Lincoln County's candidates for various district and county offices appeared on a 'Get Acquainted With Your Candidates' program here Thursday night last week, sponsored by Lincoln County Farm & Livestock Bureau. In this meeting, held in Nob Hill School cafeteria and attended by only a handful of folks, questions were directed to all of them. On stage are County Demo chairman Hollis Cummins, left, H. H. Shier, county G. O. P. chairman, speaking, and Moderator Bob Porter of Las Cruces. Tape recording of their answers was made when candidates spoke. The forum was slated again in Carrizozo Thursday night this week, then again in Hondo Tuesday night next week.

PROCLAMATION

I, Robert D. Pearson, Mayor of Ruidoso, N. M., do hereby proclaim Oct. 16th, 1960 through Oct. 22th, 1960, to be

NATIONAL
BUSINESS WOMEN'S WEEK

This annual Week, sponsored throughout the United States by The National Federation of Business and Professional Women's Clubs, Inc., is set aside to pay tribute to women in business and the professions, and the contribution they make to the nation. The theme of 1960 "National Business Women's Week" is "A Right Turn to a Confident Future."

Inspectors Due For Safety Check On Gas Installations

Ruidoso village officials held a conference noon Wednesday this week with W. D. Badgett, executive director of the New Mexico Liquefied Petroleum Gas Commission, who said that beginning Tuesday next week, Oct. 25, a team of inspectors would begin a thorough check of homes, businesses and tourist accommodations here.

Village Clerk Jim Hine said, "We have had a series of serious gas explosions in the Ruidoso area recently, and the commission is hoping it can help save further damage, or possibly lives, too, with an inspection of LP gas installations here."

Badgett said that where dangerous situations were found, a "shut down" order would be issued immediately, but where there were only minor problems, owners of property would be given a reasonable length of time to correct installations to insure safety.

All local LP gas dealers have copies of a code that governs safe installations of pipe and appliances that use their product, and there are copies at the city hall the village clerk will issue anyone desiring one.

Badgett said that if there are any cases here where owners feel an unsafe situation exists, if word is left at the city hall that an inspection was desired, the LP crew here for that work will check those places first.

"We hope to inspect every home, hotel or motel room, business place and cabin in the Ruidoso area, and are urging the co-operation of everyone to help prevent any further serious explosions such as Ruidoso has experienced the last few months," Badgett said.

Lions Plan Annual Hallowe'en Community Party

Committees are at work planning the fifth annual Ruidoso Lions Club Hallowe'en party for the night of Saturday, Oct. 29. The affair, following tradition, will offer Lions and their ladies and guests hilarious high-jinks in the form of gags, stunts, a banquet, a dance with the Mellotones playing and other entertainment.

Costumes are not necessary, but those attending usually try to outdo each other in "way out" garb.

Hours for the event will be from 7:30, starting with a fellowship, until the wee hours. It will be at Carrizo Lodge.

Shopping Center Is Proposed On Ruidoso Realty Tract On Sudderth Drive Here

A shopping area within central Ruidoso is being planned by a group of stockholders of Ruidoso Realty Company.

The development will take place in the present location of the Ruidoso Realty Company office on the south side of Sudderth Drive on approximately two and three-quarter acres.

Construction is planned for late spring to be opened for the 1961 summer season, according to Tom W. Jones, member and spokesman for the group.

Jones, a local realtor, said the plans are for a complex of 30,000 square feet of building area and parking for more than 125 cars. Exact building arrangements within the area will be settled when leasing progresses.

Lincoln Memorial Commission Cited For Restoring Hotel

The Award of Merit of the American Association for State and Local History has been issued to the Old Lincoln County Memorial Commission for its work in restoring the old Wortley Hotel in Lincoln, according to a letter received this week by Mrs. U. D. Sawyer, chairman of the Commission. The award was made at a meeting of the Association in Iowa City, Iowa, on Aug. 30.

The honor was conferred on only sixty organizations from the entire United States after a screening of many hundreds of nominations in many categories of state and local history.

The citation reads: "For the restoration and interpretation of one of the important buildings in the county's early history."

Presentation of the certificate will be made at an appropriate ceremony in the near future.

Hallowe'en Carnival To Be Held Saturday Night

The annual Hallowe'en Carnival will be held this Saturday, Oct. 22, at Nob Hill School Cafeteria at 6 p. m. Everyone is asked to come to the Carnival and eat supper there. There will be all kinds of food booths where one can buy hot dogs, sandwiches, cake, pie, coffee and cold soft drinks. The

Hallowe'en queen will be crowned before the food booths open, and there will be a door prize and prizes for the best costumes.

The Carnival is sponsored by the Ruidoso Parent-Teacher Association in co-operation with the Lions Club and the various classes in the schools. Further details are in this week's Around Hi Skool news column.

SCHOOL HOLIDAYS SET

There will be no school Thursday and Friday next week as teachers will be attending their annual convention.

Sierra Blanca Park Plans Told Capitan C. C.

By DIXIE SPARKS
(Ruidoso News Staff Writer)

Twenty-three persons attended the Capitan Chamber of Commerce dinner program last Monday. Hollis Cummins, president of the Capitan Chamber of Commerce, welcomed the Chamber members and visitors and before introducing the guest speaker, made the presentation of a plaque to honor one of Capitan's outstanding citizens, Mrs. Pearl Soderback. He also read a telegram that he had received Monday afternoon, quote: "Congratulations to Capitan Chamber of Commerce for honring a wonderful unselfish lady, Mrs. Pearl Soderback's generous and devoted contribution to the tuberculosis program are known throughout New Mexico. We take great pleasure in joining with Capitan to honor Pearl." Signed Robert Utzinger, Executive Director, New Mexico Tuberculosis Association.

President Cummins introduced Ray Izard, of the Sierra Blanca Corporation of Roswell, who gave an informal talk and a later discussion on the Sierra Blanca Ski Area. For a great number of years there have been government owned land called primitive areas. White Mountain Park in Lincoln County was such an area. In 1957 the government released the White Mountain Park for a recreational area. There were men in Roswell who wanted to develop the Park for a recreational area. For three years Ray Izard and other skilled men in their field have made trips to White Mountain Park to test snow fall, ski slope approach and wind. A permit from the Forest Service to develop a ski area was granted, permits for roads and other facilities all important for development were also granted. Comparing Colorado and Southeastern section of the United States in ski areas, the renamed Sierra Blanca Ski Area will be as good or better than those used in comparison, he declared.

Ray Izard showed aerial pictures of the Sierra Blanca Ski Area and one picture showed the proposed Lodge with a parking area for 1200 cars, the three skit lifts leaving from that area: 1—the Lincoln Lift will be for the beginners; 2—the Capitan Lift, 1500 feet, a rise of 700 feet in 1500 feet; 3—the main lift, the Sierra Blanca Lift, which will be 8,000 feet long and rising to the top of the mountain; not to the peak of White Mountain, because of wind blasts the peak isn't practical for the proposed Casa Cielo (Sky House), but the Casa Cielo will be on a protected ledge shelf to one side of the mountain peak. The Capitan and Lincoln lifts will be built immediately and there might be a minimum of skiing in the winter of 1961 and 1962.

To the members and visitors the names of Eagle Creek South Fork, Potato Patch and Rangers Cabin were familiar, for most of them had been in these areas a number of times. Ray Izard highlighted his discussion with bits of humorous incidents that happened at one time or another in the three year survey of Sierra Blanca Ski Area. They could only go so far by car, the rest of the trip was made by horse back. For their quarters to stay in while there they had to have something that could be brought in by horse back so building, in Roswell, a "house for a horse" with four bunks, folding stove, basement for storage of food, these parts were built and packed in to the proposed Lodge area by horse back and took eight days to assemble in pouring down rain (all eight days).

"It is a proven fact that any community that has had a ski area completed in their vicinity have had a most favorable increase in economic conditions," he said. The scale model of the Sierra Blacna Ski Area can be seen in the lobby of the Ruidoso State Bank during banking hours. The model was made by Ray Izard and Larry Doyle and will be on exhibit, from time to time, across the nation, from coast to coast.

The dinner was prepared by the Capitan Parent-Teachers Association members whom President Cummins introduced to the dinner guests: Mrs. Shirley Goodloe, President; Mrs. Geraldine Randle, Mrs. Bessie Jones and Mrs. Hatch of Pine Lodge. Students serving the dinner were Pam Hall, Doris Forbus and Anita Trujillo.

Candidates Give Answers To Questions Here

Seventeen Lincoln County candidates, from district through legislative offices, were presented by the Lincoln County Farm & Livestock Bureau here last Thursday night in a question and answer program designed to help voters get acquainted with the men seeking the various offices.

With the candidates from both parties were their respective County Central Committee chairmen, H. H. Shier of the Republicans and Hollis Cummins of the Democrats. Moderator for the affair was Bob Porter of New Mexico State U., Las Cruces.

The candidates were seated at a long table, with their names, parties and the offices they were seeking printed on placards that stood on easels in front of them. A very small crowd attended the program, held in the Nob Hill School cafeteria.

Sixteen questions were asked the men, directed to the specific offices the candidates were seeking.

Below are samples of the questions asked, submitted in advance by those in the audience, and screened by a committee of three persons:

To legislative candidates: Do you favor four-year terms for elective officials, to which all replied yes. Commissioner candidates were asked if they favored the merit system for county employees, whether they favored spending the county's road money in areas where population was greatest or where the need was greatest, if they favored re-districting the county, whether they favored paving Paradise Canyon road in Ruidoso as a truck bypass and whether voting machines in larger voting precincts were advisable. The commissioner candidates were in agreement on almost all of these questions, with one voicing opposition to two of the questions "until further study showed the need."

County sheriff candidates were asked their stands on illegal gambling and a law requiring registration of firearms.

Legislative candidates were asked several questions, including whether they favored an independent highway commission, or one where the governor was a member; about earmarked school tax funds, what they suggested to aid schools of the state in their current financial crisis, and where they might suggest additional sources of money might come from.

Other questions asked were: "Are the storage facilities for our county records adequate?" "Do you favor the unit system for tax assessment in the county?" "Should a probate judge have particular knowledge of the law?" and many others that revealed considerable interest on the part of those present.

El Paso Boosters Due Tuesday In Special Bus

A bus load of El Paso trade area boosters is expected here Tuesday afternoon next week, Ruidoso Chamber of Commerce President Tommy Parteet said this week. "It is our plan to have a large crowd greet the Sun City visitors when they arrive," Parteet said. "Free coffee will be served at Olin's Cafe in downtown Ruidoso where businessmen of the two communities can visit."

Hunt Replies To News' Story On School Funds

(Editor's Note: Last week's Ruidoso News had a news story quoting Ruidoso School Superintendent J. Howard Morris as saying that with sales tax collections—the 2c school tax—having dropped a million dollars in the third quarter of 1960, the local school, and other schools in the state, would be facing hard times by about February of next year—would be pressed to pay school teachers' salaries and maintenace expenses. A letter from a state official, taking cognizance of the story, states the situation does not now appear so gloomy.)

Mr. J. Howard Morris
Superintendent Public Schools
Ruidoso, New Mexico
Dear Mr. Morris:

I am interested in your recent interview with the Ruidoso News as published in the issue of October 14, 1960 of that paper. You are certainly correct in pointing out that sales tax collections are off at a time when budgets have been increased for the 1960-61 school year.

I also wish to commend your school board for a very economical administration of your school system. This is one preventive measure against loss of educational opportunity for your students. I wish to point out some encouraging measures will prevent loss of educational oportunities in the public schools of Ruidoso and New Mexico in general.

First, we recently received and distributed $3,217,310.79 from federal mineral leasing funds. This was approximately 1 million dollars more than was anticipated when budgets were made.

Second, we are receiving revenue at the rate of approximately one million dollars more per year from the investment of the state permanent school funds than was used in making budgets. This increase is due to the higher interest rates on securities received by the State Investment Council.

Third, tax collections are steadily improving. Returns indicate that business is improving throughout the state.

Finally, the Governor has assured us that he is ready to recommend any necessary action which proves necessary to insure a normal school program without salary reductions or shortening the school term. It is evident now that a special session is not necessary and that there will be plenty of time to meet the situation after the legislature convenes in January.

Yours truly,
A. E. HUNT, Director
Department of Finance and Administration.

Village Board Sets Up Meetings Of Department Heads

As a part of the business handled by the Village Board of Trustees in its meeting Thursday night last week, a system of regular meetings of all the village department heads with Jim Hine, village clerk to represent the board, was ordered. The first of these meetings was held Monday this week with Blair Halladay of the sanitation department, Claude Peterson of the water and sewer departments and Cliff Ferguson of the street department meeting with Hine. Matters talked by the group included use of manpower and machines by all departments—to utilize to the fullest the work hours of the employees and the machines, and to discuss means of economizing, care for machines and other such details. "In other words, when some of the men in the street department have some time they are not needed in their department, they can be put to work on some project of the water department, or sanitation, or sewer," Hine explained.

Another matter before the board was a suggestion brought by Mrs. Clem Weindorf, librarian, and Mrs. Cy Leland, Jr., of the library board, that the Ruidoso Public Library be made a political unit as a part of the Village of Ruidoso, as is the cemetery now.

The board also ordered New Mexico House Movers to remove "within a reasonable length of time" from property near Montie's Riding Stable a vacant house the company moved here several weeks ago.

37 Attend Masonic District Workshop

Thirty-seven persons were in attendance Sunday at the Grand Lodge Workshop of the 11th Masonic District held here Sunday afternoon from 1:30 to 6 p. m. in the O. E. S. hall, with the Ruidoso Lodge No. 73 playing host. A dinner followed the afternoon program.

Among those in attendance were James G. Ramey, Worshipful Master of the Ruidoso Lodge; Leon Farrar, Travis B. Hicks, H. H. Shier, C. Edward Ditterline, J. C. McDonald, Ralph Bonnell, R. C. Buckner, Ben Donathan; R. Ewing Carter of Ruidoso Downs, Worshipful Master of the Carrizozo Lodge; Louis Smith, Herbert Smith, Herbert Traylor, R. K. Knox, Ronald H. Brinkman, Grand Lecturer of the New Mexico Grand Lodge, from Albuquerque; Vernon Petty, Carrizozo; O. J. Norton, Ed Turner, Jay Bailey, Tularosa; W. B. Boone, Jal, N. M.; Robert P. Lee, Worshipful Master of Alamogordo Lodge; A. B. Flacton and James H. Joy, L. R. Peter, Henry Searcy, Oscar Newman and R. C. Wiant, Alamogordo; Clarence E. Shaw and W. J. McVeigh, Carrizozo.

Judge Seale, Former Ruidosoan, Dies In Texas

Word was received here this week by friends that former Ruidosoan, George Seale, died in San Antonio, Tex., on Oct. 8, at 11:20 a. m., and was buried there on Tuesday, Oct. 11, with services conducted by the Masons.

Mr. Seale was Justice of the Peace here for many years, and due to his failing health, moved back to San Antonio, Tex. He spent several summers here after moving to San Antonio, but after selling his property here about three years ago, he had not been back here.

Mary 'Sugar' Lumpkin Passes Away In El Paso

Word was received here this week that Mary "Sugar" Lumpkin, who lived in Ruidoso about 10 or 12 years ago, died recently in El Paso. She is survived by three sons, Bill of Santa Fe, Louis of Magdalena and Chester of Big Spring, Tex.

Funeral Rites Held In El Paso For Mrs. Johnson

Mrs. Myrtle Johnson of Ruidoso died last Monday in an El Paso hospital. She was 79 and formerly lived in El Paso. She was a retired receptionist at the Hostess House at Fort Bliss and was a member of the First Christian Church of Ruidoso.

Mrs. Johnson is survived by her husband, W. L. Johnson of Ruidoso, and a son, O. B. Pearce of Ysleta. Funeral arrangements were under the direction of Harding and Orr Montana Avenue Funeral Home.

She was associated with her husband in operating a paint store in Skyland for many years.

MORGAN INFANT'S FINAL RITES HELD

Graveside funeral services were conducted Saturday afternoon in Forest Lawn Cemetery in Ruidoso for the infant son of Mr. and Mrs. Clyde Morgan Jr., of Ruidoso.

Rev. Wayne Joyce officiated at the service. The infant died Friday in the Ruidoso-Hondo Valley General Hospital.

Survivors other than the parents include the paternal grandfather of El Paso and the maternal grandmother, Mrs. Edna Perkins, of Ruidoso.

Arrangements were by Mason Funeral Home.

Funeral Services Held In Colorado For Louis T. Rule

Funeral services were held in Pueblo, Colo., on Oct. 1 for Louis T. Rule, who died in Pueblo on Sept. 29. He is survived by a son, Kenneth C. Rule of Noroton Hights, Conn., and was preceded in death by his wife, Lillian Mae Rule in 1958.

Mr. Rule was a banker, real estate operator, he had mining interests and was also an automobile dealer. He obtained 2000 acres of land in the Ruidoso area; comprising the present holdings of the Ruidoso Realty Co., in 1929. He served as president of the company until his death. Mr. and Mrs. Tom Jones, agents of the company here since 1948, attended the funeral.

Ask For Bids Oct. 28 On Road

The New Mexico Highway Commission last Friday in Santa Fe called for bids on the federal aid secondary project of four-laning Sudderth Drive for 3.433 miles east-west through Ruidoso, the bids to be opened Oct. 28. The highway department estimated cost of the project to be about $475,000.00.

Blanket Condemnation Suit Filed on Property Here

On those pieces of property along Sudderth Drive from which footage will be taken for the street improvement, a blanket condemnation suit was filed in District Court in Carrizozo last Friday shortly before noon on behalf of the Village of Ruidoso by the Village Attorney John W. Thompson. Thompson said this week that District Judge W. T. Scoggin has issued preliminary orders of entry for approximately 119 described properties to be affected. He added that the village was following instructions of the Federal Public Bureau of Roads in filing the suit on all property where footage was needed. "We have several people named in this suit who have agreed to sign easements and who are not asking restitution, and this is not to reflect on them, nor on any others who are co-operating in the same way. It is a legal procedure followed in all highway improvement projects where the federal government is providing some of the funds, which will speed up work on the project considerably."

Thompson said he was not sure when all parties named in the suit would be served papers, but that such action should be underway shortly in view of the possible letting of a contract to a successful bidder later this month.

First Snowfall Covers Baldy

Sierra Blanca peak wore a mantle of white early this week, the first snowfall of the winter covering the slopes to a depth of 5 to 8 inches. Ruidoso and neighboring areas shared in slow falling, soaking rains that "wet down the woods" for several hours this week. Official measurement for Ruidoso revealed this community received more than an inch of precipitation, not as much as many sections of New Mexico and West Texas received during the same period.

Visiting Mrs. Elsie Caylor this week have been Dr. Claire Kieth of Pasadena, Calif.

Tri-Community Fund Annual Drive To Be Held Soon

Plans are shaping up for the second annual drive for contributions to the Tri-Community Fund, supported by residents of Ruidoso, Ruidoso Downs and Hollywood, for the 1960-61 fiscal year, and to be held within the next few weeks. Letters will go out to prospective contributors, and personal solicitation will be made by teams of workers to raise a budget of about $5,000.00. Worthy projects supported by the Tri-Community Fund include the Red Cross, Salvation Army, Boy and Girl Scout groups and Ruidoso Public Library. Lloyd Leslie Davis, Jr., retiring chairman of the association, made this report of the fund's first year's receipts and expenditures early this month:

Episcopal Bishop Visits Two Churches

A "progress report" on Christianity was given to the Episcopalians of Lincoln County Sunday night by the Right Rev. C. J. Kinsolving III, at the Chapel of Our Redeemer, Fort Stanton. Bishop Kinsolving of the Episcopal Diocese of New Mexico and Southwest Texas stressed the lukewarmness of the Christianity of our times.

The tendency of city churches to become welfare agencies, of suburban churches to substitute as social and cultural clubs, and of small town churches to represent mere respectability was pointed out by the Bishop as a danger of these days.

The Bishop mentioned the behavior of Krushchev and Castro in recent United Nations metings as evidence of the selfishness, greed and fear tactics rampant in our world. "How long will we Christians hold back from giving full heart to establishing the Kingdom of God in this world?" the Bishop asked.

The Bishop's address was made upon the occasion of his semi-annual visit to his people of the Chapel of Our Redeemer, Church of the Holy Mount, Ruidoso, and St. Anne's Church, Glencoe. The Reverend William R. Brown officiated at the service of evening prayer, held for the three congregations. The Women of the churches gave a pot luck supper in honor of the Bishop, preceding Evening Prayer.

In the afternoon, Bishop Kinsolving confirmed Big Jim, and Walter Gilmour, patients at the state hospital at Fort Stanton.

The Bishop surprised Ruidosoans by arriving ahead of schedule and celebrating Holy Communion at the Church of the Holy Mount here Sunday morning.

Tea Held Here Honoring Women On G. O. P. Bandwagon

A large number of Republican women from Ruidoso and Lincoln County attended the tea given in honor of "Pat Nixon Week" and also honoring the wives of State Republican candidates and women candidates who visited in Ruidoso on Oct. 6 on the Nixon-Mechem Bandwagon. Wives of State candidates present were Mrs. Ed. L. Mechem, Mrs. Tom Bolack, Mrs. John Robb and Mrs. Howard Wilson, and wives of county candidates were Mrs. W. G. Schreoengost, Mrs. Joe Skeen, Mrs. Charles W. Durrett, Mrs. Kenneth Nosker and Mrs. Ignacio Torrez. Also present were Mrs. Amelia Lake, candidate for secretary of state; Alice King, candidate for county clerk of Lincoln County, and Mrs. Sam H. Reed, candidate for State Board of Education, District 3;

Mrs. R. K. Knox, president of Lincoln County Republican Women's Club, was in charge of arrangements assisted by Mrs. George Gardenhire, Mrs. Lloyd L. Davis, Sr., and Mrs. T. J. Frank. The refreshment table was covered with a lovely cutwork cloth and a beautiful arrangement of white chrysanthemums, gladiolus and golden marygolds in a silver epergne served as the center piece. Tea, coffee, small sandwiches and several kinds of dips were served. Pouring were Mrs. Willis Lovelace of Corona and Mrs. H. H. Shier of Hollywood, both wives of Central Committee members. Mrs. Carl Longabaugh and Mrs. Tom Hood were in charge of the guest book.

Danny Nash Honored Last Week With Skating Party

Danny Nash, son of Mr. and Mrs. Alfred Nash, was honored on his 13th birthday with a skating party on Oct. 12. Twenty-one boys and girls enjoyed refreshments of birthday cake, party mix nuts and cokes, and following refreshments they were all transported to the skating rink where they enjoyed an hour and a half of skating. Mrs. Bram Vanderstok and Mrs. Clem Weindorf assisted Mrs. Nash with the party.

Ruidoso B&PW Club To Honor Women Of The Year

The Ruidoso Business and Professional Women's Club will honor two Ruidoso women selected as "Women of the Year" for their faithful service to the club during the past year. Honor guests at a dinner to be held on Tuesday night, Oct. 25, at the Buffeteria at 7 p. m., are Mrs. Carl Longabaugh and Mrs. Annie Lockley. The week of Oct. 19 to Oct. 26 has been designated as National Business Women's Week. This annual week, sponsored throughout the United States by the National Federation of Business and Professional Women's Clubs, is set aside to pay tribute to women in business and the professions, and the contribution they make to the nation.

W. M. U. Group Holds Meeting In Douglass Home

The Blanche Groves Circle of the Women's Missionary Union of the First Baptist Church met Thursday last week in the home of Mrs. J. C. Douglass with twelve members present.

The meeting opened with the group reading in unison the 67th chapter of Psalms. Mrs. O. L. Oldham led the Call to Prayer and the Royal Service program on The Message of God's Love, was presented by Mrs. J. B. Close, Mrs. E. J. Tankersley, Mrs. Howard Chapman, Mrs. Edgar Root and Mrs. O. L. Oldham. Mrs. Lora Standley led in the closing prayer.

A social period was enjoyed with refreshments of cake, coffee and punch served by the hostess with the assistance of Mrs. W. M. Scott.

China Painting Subject Of Talk At Woman's Club

An interesting talk on china painting with the showing of a number of pieces made by local ladies, was on the program of the October meeting of the Ruidoso Woman's Club held at the clubhouse in Skyland on Wednesday, Oct. 13. Mrs. Nell Ray of Roswell, who has been teaching a class in china-painting in Ruidoso for the past year, was the speaker.

The musical part of the program was several songs by Mrs. Robert Pearson accompanied on the piano by Mrs. Bram Vanderstok.

During the business meeting Mrs. Della Hale was appointed parliamentarian to replace Mrs. Robert Pearson who resigned. Mrs. John Sigler was appointed to represent the club on the Tri-Community Board with Mrs. Ferris Gilliam as alternate. Mrs. R. K. Knox and Mrs. T. J. Frank were chosen delegates to the district convention at Glenwood, N. M.

It was announced that the club membership now stands at 93 members.

The hostesses, Mrs. C. D. Weems, Mrs. Ike Kennedy, Madeline Burdett and Stella Campbell, served small sandwiches, cookies, candies, tea and coffee from a table decorated in the autumn motif and featuring a beautiful table cloth made of net, appliqued with leaves and flowers in fall colors and which had been made by Mrs. Kennedy.

Eastern Star Grand Officers Honored At Dinner

Mr. and Mrs. Wes Russell entertained with a covered dish dinner at their home on Monday evening, Oct. 17, in honor of the grand officers of the Grand Chapter of the Order of Eastern Star in New Mexico. Officers attending were: Mrs. C. W. Miller, Worthy Matron of the local Chapter 66, and Grand Page; Claud Miller, Grand Usher; Mrs. Morrison Qualtrough, Grand Historian; Nora Luallin, Grand Representative to Indiana; Herbert Smith, chairman of District 9 of the ESTARL Fund; Mrs. R. K. Knox, member of Registration Members of this Jurisdiction.

A gift was presented to the Worthy Maton, Mrs. Miller, as her Grand Chapter gift and birthday gift.

The table was covered with a white lace cloth and the center piece, of yellow and bronze chrysanthemums, was flanked by white candles in white candelabras.

Local members of the O. E. S. and their wives or husbands also attended.

GETS SORORITY BID

Abilene, Tex. (Spl.)—Jane Jones, Abilene Christian College sophomore from Ruidoso, has accepted an invitation to join Ko Jo Kai, one of ACC's social clubs.

Miss Jones, a home economics major, is the daughter of Mr. and Mrs. Stansell Jones. She is a 1959 graduate of Ruidoso High School.

Mr. and Mrs. Morris Redmann returned this week from New Orleans, La., where they attended the funeral of Mr. Redmann's aunt, Miss Margaret Redmann.

JUNIOR RANCHERS 4-H CLUB MEETS

The Junior Ranchers met at the home of Mrs. Nancy Knight Tuesday, Oct. 4.

There were eight members present and four new members introduced. The new members are Johnny Sidwell, Bill Hightower, Danny Knight and Billy MacVeigh.

Wayne Dunlap, vice-president, called the meeting to order, in the absence of President Rookie Streley. The following new officers were elected:

Gary Hightower, president; Becky Barham, vice-president; Winky Bancroft, secretary; Tommy J. Streley, treasurer, and Wayne Dunlap, reporter.

All-purpose rubber drawstring bags were then passed around to the members to sell during the next month.

Record books were brought up to date and are to be turned in by Oct. 10 to the county agent's office.

Members also chose their projects for the coming year.

The next meeting is to be Nov. 1 at Nancy Knight's home.

Mr. and Mrs. Terry Easter were were in Lubbock last week-end.

The honoree and her guests enjoyed a scavenger hunt, various games and refreshments of angel food cake, chocolate cake, cookies, punch and hot chocolate were served. Guests included Lois and Joe Lane, Ingrid Vanderstok, Helen Padilla, Jimmy Steele, Danny Nash, Molly Kay Harris, Richard Wantiez, Eddie Ditterline, Pat Lamb, Colleen Massey, Burly Cantrell, Nancy Smith, Larry Robertson, Carla Morrison, Tim Hawkins, Shirley Hicks and Candace Farrar.

Ruidoso B&PW Club To Help In Street Naming

The Ruidoso Business and Professional Women's Club met for a covered dish lunch at the home of Mrs. Carl Green on Monday, Oct. 17. Speaker for this meeting was Mr. Bill Toole, village planning and zoning consultant, who explained to the group about the work now being done by the Planning and Zoning Board. He said that the local B&PW club could be of great help to the town in the naming of streets. The local club several years ago painted street names on posts and installed them, but some of the names would have to be changed and a street naming system worked out. Toole offered to meet with the club again and to furnish written material on this subject. He also said he has several films which he would be glad to show the club members.

No business meeting was held at this time. The club president, Mrs. W. E. Munsey, announced a separate business meeting would be held at a later date this month.

Guests at the luncheon were Mrs. Aileen Lindamood, Postmaster at Alto, N. M.; Dr. Claire Kieth of Pasadena, Calif.; Mrs. Dixie Church, nurse at the Ruidoso hospital, and Mrs. Leon Windham.

Hondo Elementary 4th Grade

There are 20 pupils in the fourth grade this year. They are; Jimmy Booky, Quill Bradley, Jerry Chavez, Jack Cole, Clarinda Fresquez, Lydia Gomez, Mike Hernandez, Bobby Kinsel, Donald McKnight, Lloyd Montes, Rebecca Montes, Melvin Montoya, Leona Morris, Marian Nunez, Celani Pacheco, Joe Badilla, Sandra Salas, Albert Sanchez, Patsy Tate and Maria Torrez.

Donald McKnight and Clarinda Fresquez prepared our bulletin board for October. Donald is using outer space and modern space weapons and Clarinda is using different animals. Each one prepares his own papers and drawings.

The following made either a "B" or an "A" average in spelling for the first 6 weeks: Jimmy Booky, Quill Bradley, Jerry Chavez, Jack Cole, Clarinda Fresquez, Lydia Gomez, Donald McKnight, Rebecca Montes, Melvin Montoya, Marian Nunez, Celani Pacheco and Maria Torrez.

We are preparing reports on early colonial life in Social Studies. Melvin Montoya is drawing free hand a mural of work and life on an early plantation.

Celani Pacheco has brought many interesting insects, such as the Praying Mantis and the Walking Stick, to science class for our observation. Rebecca Montes brought her book, "Winnie the Pooh, for us to continue reading about Pooh. There is a story about him in our reader. For our study on prehistoric animals, Jimmy Booky brought his book on "The First Book on Prehistoric Animals."

Our room will help with the "White Elephant Sale" booth at the Hallowe'en Carnival. We will appreciate donations of anything that you don't need or want for us to sell at this booth.

We are checking out books from the school library. Those pupils reporting on the most books will receive a prize.

We are working on division with remainders in arithmetic and are studying hard on our multiplication tables.

Last year our room won $3 from the P-TA. We used it for jump ropes. We won the room prize at the first meeting of the P-TA this year.

Need to fill your tank with gas early in the morning? We're always open earlier than anybody. Lester's Indian Curios, west at the Y on Hiway 70.

CANYON ECHOES

Mr. and Mrs. L. C. Crews were in Morton, Tex., last week-end to view hail damage in that area where they have a farm.

Dick Hull, Alamogordo, was a visitor here Saturday. He is a former Ruidoso resident.

Mrs. Bobbie Sain has been in Arkansas for more than a month, taking her husband to doctors and clinics of the area for treatment. He is reported gravely ill.

Mr. and Mrs. Norman Whiteford of Traverse City, Mich., better known as the Cherry Center of the World, visited Miss Aimee Doerr last week.

Mr. and Mrs. Charles Dunham of Los Angeles visited the A. B. Harrises last Sunday, enroute to Oklahoma. The Harrises returned from Apache Junction, Ariz., last Saturday.

Mr. and Mrs. Forrest Bradley of Noisy Water Lodge have returned from a trip to California where they visited relatives and friends.

Mr. and Mrs. Henry Jackson visited their daughters in Lubbock, Tex., last week-end.

Gerald Tully was home from State U. at Las Cruces last week-end.

Mrs. Lula Ashley and Mrs. Ora Mae Edwards of Big Spring, Tex., are here taking care of Cree Meadows golf course while Mr. and Mrs. Sunny Edwards are visiting in Texas points.

The Larry Lenamonds were in Denver City, Tex., early this week.

Mrs. L. F. Dryden returned last week-end from a visit in Mississippi with relatives.

Mr. and Mrs. Henry Jackson were planning to leave this week for Central Texas and hoped to do some fishing while visiting relatives.

Mescalero News

The October meeting of the Mescalero Woman's Club was held Wednesday evening, Oct. 12, with the president, Mrs. Bill Hickman, presiding. The members decided to sell food at the election polls on Nov. 8, in Bent.

The group also voted to furnish refreshments for the children's Community Hallowe'en party this year.

A very interesting historical talk on Mescalero was given by Mrs. Tom Charles of Alamogordo.

The club room and tables were artistically decorated in the Hallowe'en motif. Mrs. Herman Van Galen and Mrs. Wendell Chino, hostesses, served strawberry chiffon pie, tea, coffee and Hallowe'en candies.

Buddy Hightower and Kent Anderson were here from Alamogordo last week to visit the J. B. Hightowers and Mrs. W. N. Hightower. Buddy is home from boot camp in San Diego where he is serving in the Navy.

The John Von Rosenbergs were here the past week-end from Albuquerque.

Marshall Peebles suffered a broken collar bone in an accident on the school ground at Ruidoso Friday.

The A. P. Aschofis were up from El Paso Saturday.

Mrs. Lack Cowden was over from Ruidoso Saturday.

Fog, mist and light rain came in from the north on Saturday and continued all day Sunday. Temperature was high enough so that no snow fell in the lower elevation.

Mmes. George Dingwall and F. B. Lindamood were visiting in El Paso this week with the Wayne Hamilions and William Dingwalls.

Connie Courtney spent the week-end in Roswell with friends.

Angus & Bonito

By EULA CORDER

A wet front moved into the mountains Saturday morning and a little over an inch fell in the Bonito area. The north slope of the mountains have a mantle of snow on them. There were lots of tourists in the mountains Saturday but soon left out when the weather turned bad and all signs looked like a snow storm.

Hunting season has started in many parts of the mountain states. Friday morning Bernie Hayes, Less Morris, "Budro" Morris and R. C. Hayes from Eunice left for Colorado to go elk hunting.

Charles Corder went antelope hunting over the week-end close to Roswell but was rained out so no antelope.

Mrs. Delmar Nall from Lovington is spending a few days with Mrs. Less Morris while the men are hunting.

State Tb. Board Has Meeting At Ft. Stanton

By DIXIE SPARKS
(Ruidoso News Staff Writer)

The New Mexico Tuberculosis Association Board of Directors Meeting was held at Fort Stanton Tuberculosis Hospital Oct. 15 and 16. Due to weather conditions the directors from the northern section of New Mexico were unable to attend. After luncheon in the staff dining room, the meeting was called to order by Joseph Gordon, M. D., president of the New Mexico Tuberculosis Association. Introduction of the Board Members were given, also the guests attending who were Dr. Jones, Miss Taylor and Mrs. Gilbertson of the U. S. Public Health Service in Washington, D. C. Dr. Gordon then introduced Dr. H. C. Jernigan, Medical Director of Fort Stanton, who in turn introduced his hospital staff on the afternoon program. Opening the Fort Stanton Tuberculosis Hospital program was Dr. Rosenblatt who talked on the Patient on The Ward. In his talk Dr. Rosenblatt brought out the statistics of the hospital. Of the bed capacity of 230, there are now 186 occupied by men, women and children. All patients sent to Fort Stanton had tentative Tb but after x-ray, skin testing, and sputum culture, not all of the patients have Tb, it was determined. Of 56 new cases, 17 were doubtful as to active Tb, he said. Dr. Rosenblatt also brought out the percentage of the activity status of the patients, (activity of the Tb germ in the body), the ages play a large part in the percentages. Under 20 were low, higher over 50 and over 70. Taking the men patients, of whom Dr. Rosenblatt is in charge, there were 94 men admitted since Jan. 1, 1960. Of these 22, most likely incureable, 2 possible surgery, 4 have died, 2 discharged with medical consent for home chemotherapy, and proper home precautions taken and 10 left AMA. A low percentage of admittances at Fort Stanton are patients with Tb of long standing, with positive sputum. They will continue to be bed patients. Also at a low percentage are patients who have reached a certain stage with negative sputum but with Tb and must be on oxygen. These too, are bed patients.

Dr. Jernigan introduced Serafin Vigil, medical social consultant, who talked on social problems of patients and their families. Vigil cited two cases showing the four stages of transition of the patients: 1, interviewing of the patient, 2, patient's acceptance of his Tb, 3, patient's treatment and 4th, patient's convalescing.

Dr. Goldberg, next on the program, gave case conferences on three patients, that of a 2½ year old boy who entered the hospital with Tb, which soon turned into tuberculosis meningitis, however, the condition of the boy is greatly improved; a male patient who had evidence of Tb at the same time prior to hospitalization, but since treatment, rapid progress has been made; and a teenager who was discovered in school skin testing but the refusal of her parents to accept knowledge of teenager's Tb, the disease advanced six months before admittance and treatment at Fort Stanton.

Dr. Jernigan gave the convalescing stage of the patient before discharge, telling of rehabilitation of the patients. The vocational training course of cosmetology questions were answered by Cosmetologist Instructor Dixie Sparks. She said patients qualifying for the course of cosmetology were trained before discharged and finished their training in the nearest Beauty College to their home after discharge. The Academy of Beauty Culture is an accredited beauty college and the patient student's hours received at Fort Stanton are accepted in any beauty college in the state of New Mexico. In the year and few months of the Cosmetology course being instituted at Fort Stanton two patient students have received their New Mexico State license qualifying them as professional beauticians. Eva Henderson, occupational therapist, gave courses open to patients convalescing for training such as: ceramics, photography, shoe repair, wood work, leather and copper tooling; also Home Economics including dress making and remodeling of old dresses, balanced diet, preparation of such diets, but the instructor, Mrs. Ray Provine. In summary Dr. Jernigan stated that in the future Fort Stanton hoped to add additional courses for training of the patients. The rehabilitation program is to help the patient rehabilitate himself for vocational skills adjusted to his physical status on discharge.

In the overall summary, Dr. Gordon stated that although the mobile x-ray units were quite successful in finding unsuspected cases of Tb the reluctance of the patient to accept the tentative diagnosis of his Tb, the long period of time after informing the person to the doctor in charge of the follow up, the Tb clinic are still slow in accepting hospitalization, therefore the general public is still being infected with the germs of Tb. Progress is being made, but it is very slow because refusal of the public to accept the fact that Tb is contagious, also to accept the true facts of Tb and the idea that "it can't happen to me!"

Mr. and Mrs. Bob Corder, Jimmie and Philip have moved to Roswell. Bob is employed at Food Mart in the market.

Mr. and Mrs. O. D. Tarpley from Lockney, Tex., and Mr. Tarpley's sister, Mrs. Maud Cummins from Italy, Tex., spent the week-end at the Tarpleys' cabin. This was Mrs. Cummins' first visit to our area and she really enjoyed the mountains even if the weather did "act up."

A. B. "Red" Kelley is in Austin, Tex., working for a while.

Mr. John Newberrie and son from Hobbs was up at his cabin over the week-end. They were getting the cabin ready for hunting season.

The Lamar Baileys are the proud parents of a baby girl, Elizabeth Hope, born the 12th.

Mrs. Roy LaMay and Mrs. Tommie LaMay surprised Mrs. Malcom Petree with a pink and blue shower last week. The shower was held in the Roy LaMay home.

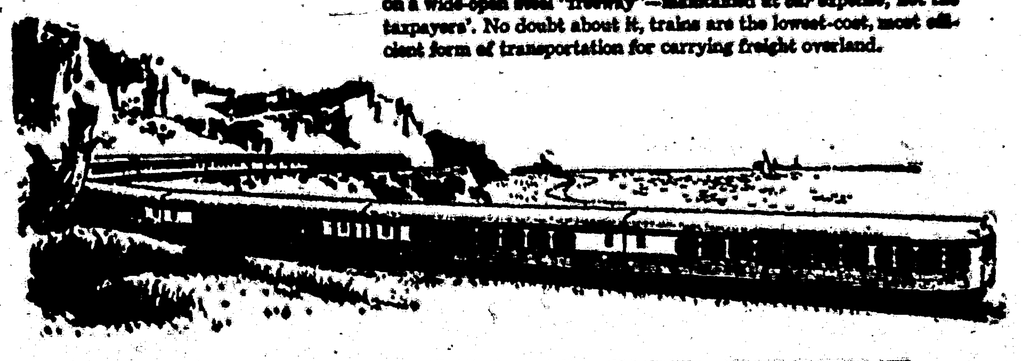
FREEWAY FOR FREIGHT

Every day an average of 725 freight trains roll over Southern Pacific's 14,900-mile rail network in 11 Western and Southwestern states. They carry a daily average of nearly 300,000 tons of things produced, needed and used by people and industry. The ride is swift and smooth on a wide-open steel "freeway"—maintained at *our* expense, not the taxpayers'. No doubt about it, trains are the lowest-cost, most efficient form of transportation for carrying freight overland.



SEE-WAY FOR PEOPLE

What better way to take in the glamorama of our West and Southwest than through the big, wide-angle picture windows of an S. P. streamliner. Twenty-five running every day, on our east-west routes and on the Coast. Curl up in your comfortable Chair Car seat or Pullman room and watch the show go by . . . mountains, valleys, lakes, forests, shoreline, desert, cities. Relaxed surroundings for dining or refreshments, and polite, attentive service everywhere on board.

JOE COX, District Manager

Letter to the Editor

A Statement by S. M. Ortiz, Sheriff of Lincoln County.

I would like to take this opportunity to express my opinion, and my stand, concerning the approaching election for the office of Sheriff of Lincoln County, New Mexico.

I am supporting Frank Barajas, my Chief Deputy for the past four years, for this all important office. Frank Barajas, in addition to serving as Chief Deputy the past four years, had before that served as deputy sheriff for four additional years. He is an experienced officer.

The efficiency of this department has reached an all-time high, and our crime rate has been held, and is being held, to a minimum. This has been done by strict law enforcement. Our department enforces the laws of this State according to the laws in the book and not the individual. My department has made more arrests, obtained more convictions than any other administration in the history of the County. My department has collected more fees, for the county, than all administrations combined, in the past thirty years. We have handled more criminal cases in the District Court. More revenue was brought in by this department than any other administration, to District Court.

For all this, I am proud, for it has been brought about by an efficient staff, and cooperation from the citizens of Lincoln County. Mr. Dan Sosa, our able, competent and efficient District Attorney, has vigorously prosecuted these cases, and without his help, this record of convictions, could not have been possible.

In 1959 I was named the "Most outstanding officer of the year," in the State of New Mexico, and this award was based on the effort and achievements accomplished during that year. This again was the result of able and efficient members of this department.

I feel that my Chief Deputy, Frank Barajas, as well as my deputies, were responsible through their diligence, their attention to their official duties, for my receiving of the above reward.

The statements made here are a matter of public record, and these records are open for your inspection at any time.

I want to publicly thank the people of Lincoln County for their cooperation, and support, for it has been through this help, and the support of able officers, that the office of Sheriff of Lincoln County has been so successful. I urge all my friends and supporters, and all the people of Lincoln County, that if you want continued top law enforcement; then you should support Chief Deputy Frank Barajas for Sheriff of Lincoln County.

Sincerely

S. M. Ortiz

Ruidosoans To Attend State Insurors Convention

Dan D. Swearingin, owner of Dan D. Swearingin, Inc., will be among the delegates attending an insurance convention in Albuquerque this month.

This is the 26th annual convention of the New Mexico Insurors, Inc., which annually attracts 250 independent insurance men from all sections of the state. Sessions will be held at the Western Skies Hotel Oct 27-29.

Swearingin will be accompanied to Albuquerque by Dave Parks and Mrs. Dave Parks. Parks is associated with Mr. Swearingin in the insurance business.

With the theme, "Challenge of the Sixties," the convention will delve into a variety of topics of major concern to the insurance buying public, including the expansion of the ideals and principles that the local independent agent is thoroughly a "professional man" ready to give counsel, advice and service rather than merely "selling insurance."

Some of the major speakers will include Maurice Herndon, Federal Liaison Representative for the National Association of Insurance Agents in Washington, D. C.; Harold Evans, president, American Casualty Company, Reading, Pa.; and Marsh Simms, Director of Multiple Line Development, Continental Assurance Company, Chicago; and Hugo Wolfe, Tax Consultant, Albuquerque.

A gift of 113 rolls of hog and barbed wire delivered by CARE saved the crops of 24 families in a village in the southern part of the Philippines.

So precious are CARE agricultural tool packages in Viet Nam that the people set up a lending system. A man may borrow one tool at a time and return it to the village warehouse before he may borrow another.

Warriors Protest 13-12 Score Of Ruidoso-Carrizozo Game

By JERRY EAKINS
(Ruidoso News Staff Writer)

Ruidoso and Carrizozo football fans were awaiting word this mid-week whether the non-conference game last Friday night should be entered in the record books as a victory for Carrizozo's Grizzlies at 13-12, or should be set down as a 13-13 tie, or ruled as "no contest."

Coach Ken Newton of Ruidoso has entered a protest to the head of the New Mexico High School Activities Association, U. G. "Monty" Montgomery. Newton claims that the Warriors should have had another try for extra point after Ruidoso's second TD. There was a penalty on the play and the point, kicked by Jerry Curry, was nullified by Referee Marvin Bramlett. Coach Newton entered a protest from the side lines to the officials immediately after the call, but nothing was done about the error at the time. Play was continued without giving Ruidoso a second try when 'Zozo refused the penalty. During halftime the head referee admitted that the officials were in error, Newton said. Newton declares that according to the rule book, no team can be prevented from making a try for point after a touchdown. "They may penalize you back to the other end of the field, but they still can't keep you from making a try for the point," he declared. "Since Carrizozo refused the penalty, we feel the point should stand."

Carrizozo just did edge out Ruidoso the second year in a row in their annual gridiron grudge game. The R. H. S. Warriors led in most of the statistics but the final score wound up 13-12 in favor of the Grizzlies.

Ruidoso's two touchdowns came in the first quarter. QB Jerry Curry ran 37 yards on a break-away for the first touchdown. The drive started with the recovery of a fumble on the 'Zozo 45 yard line. The try for the extra point was blocked by Grizzly Back Robert Crenshaw. Clifford Watley set up the second TD with a 25 yard run off-tackle. Curry again passed from 21 yards out to Cook in the end zone. The extra point, which should have been good according to Coach Newton, was nullified by the Ruidoso off sides penalty.

Late in the first quarter HB Robert Crenshaw made a six yard line plunge across the goal line after a long kick-off drive. In the third quarter Frank Gallegos ran eight yards for a TD, and Robert Crenshaw passed for the extra point. This second quarter score was the final score of the game.

The last half of the game was a hard fought, driving half but neither team could make any long yardage. Ruidoso held the Grizzlies in their own end of the field nearly all of both the third and fourth quarters.

Ruidoso's first downs were nine to the Grizzlies' eight. The Warriors suffered only 46 yards in penalties while Carrizozo was set back 80 yards. Ruidoso fumbled seven times and recovered eight. Carrizozo fumbled six times and only recovered five. The total yardage was not available since this was not a conference game and statistics were not kept by the officials.

QB Jerry Curry suffered a slight head injury near the last of the second quarter, but he finished the game in good shape. Curry stated, "Carrizozo fought hard and rough, but it has taught us a lesson for the Lordsburg game this week."

The Warriors as a team played an excellent game. There are very few among the players who could not be mentioned as outstanding players last Friday night. Carrizozo's Crenshaw seemed to be the greatest threat to the Warriors, but several times he was stopped very expertly. In the first quarter HB Clifford Watley stopped the 190 pound back on what appeared to be a touchdown run. In the fourth quarter 'Zozo started a touchdown drive and made it look good until End Ronnie Sublette broke up a try for a first down. Outstanding tacklers were Jerry Curry, Tackle Jimmy Capps, and Guard Jimmy Owens. Fumble recoveries were made by End Wilson Howard, Mack Cook, Center Gary Russell, Jimmy Capps, Center Vic Sharp, Guard Wesley Clark and HB Clifford Watley. "As you can see," stated Coach Newton, "the squad was working together."

The Warrior High School band is looking better every Friday night. The band and the twirlers put on an excellent show for halftime viewers.

SKEEN SKETCH

VIII

I have spent much of the past week talking to many of our Lincoln County Educators, and without exception they are concerned about the extreme shortage of school funds. This shortage is factual reality, and many of the school administrators are taking action to conserve and stretch their funds as far as possible.

In light of this situation, I was amazed to read that Governor Burroughs, in Farmington last Saturday night, stated that there is no lack of school funds, and that money is available for the normal operation of every school district in the State. Burroughs further claims that these fund shortages are rumors and "deliberate political lies."

I believe that the above statements, by John Burroughs, are completely false and irresponsible in face of the facts, and that the Governor is too intent on playing petty politics to assume his responsibility in alleviating this financial emergency facing our New Mexico School System.

If elected as your State Senator, I will work vigorously to secure immediate relief for the present situation, and to assure fund appropriations for our school system in the future.

HE GOT AWAY—Although it looks like almost all of Ruidoso's team is about to catch Halfback Frank Gallegos in this end run, they missed him and he went over standing up to score Carrizozo's second touchdown of game in first half of last Friday's match here. At this point, score was 12-12 for the Grizzlies. Warriors after Gallegos include J. Capps (55), Dorsett (81), C. Watley (44), Howard (25), and far in background, Armstrong (71) is being blocked out of a chance.

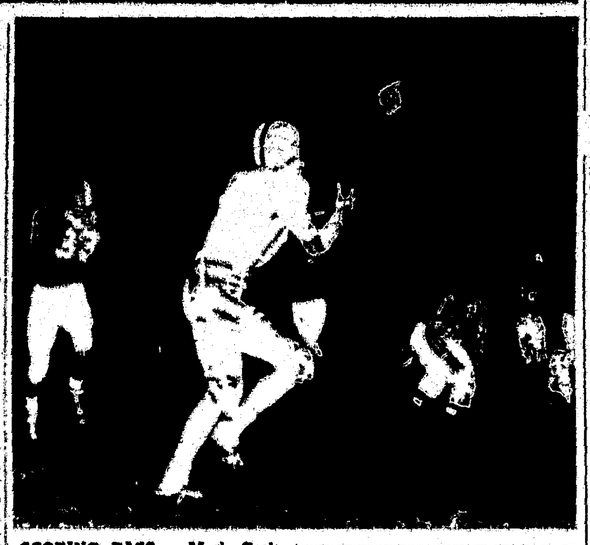
Mavericks Next Conference Foe For Warriors

The Ruidoso Warriors meet their next conference 3-B opponents, the Lordsburg Mavericks, at Lordsburg this Friday night. The Warriors go into the game with a 2 won—0 lost conference record. They have beaten Hatch and Tularosa in conference games. There is a District 3-B three way tie with Ruidoso, Lordsburg and Truth or Consequences at the top after games last week. The Warriors are picked as being about even with Lordsburg, but the game being on the Lordsburg field will make the Mavericks a one touchdown favorite over the Warriors.

Again this week, as has been since the Alamogordo game, the Warriors will not be in full strength. HB George McGuire, End Hollis Hutchison and Center Jimmy Carpenter are on the doubtful list. McGuire is not expected to play at all.

The Warriors will be up against Senior Back Estrada, Lordsburg's one-man team. Estrada is described as being one of the best running backs in the state. The Mavericks will depend upon this factor for their heavy ground attack, according to Coach Newton. Newton expects little passing by Estrada unless the Warriors can stop Lordsburg's fast backfield.



SCORING PASS — Mack Cook, end, scoops in pass from Jerry Curry in middle of first quarter last Friday night to scamper across goal line for Ruidoso's second touchdown in game with Carrizozo. At this point, Ruidoso led 12-6.

Cloudcroft 'B' Squad Downs Ruidoso 13-25

The Ruidoso Warriors' "B" squad could not hold up under the Cloudcroft attack last Saturday afternoon. Cloudcroft held Ruidoso to 13 points while they racked up 25 points for themselves.

Quarterback Alfred Lane scored first for Ruidoso in the second quarter with a line plunge from the one foot line. Lane then passed to Mack Cook for the extra point.

Cloudcroft scored twice in the first quarter. Their first TD was a 68 yard run and the second was on a punt return when Alfride Lane kicked from deep in his own end-zone. Both point-after tries were pass plays and both failed. Halftime score was 12-7 in favor of Cloudcroft.

The Warriors came back in the third quarter looking like a winning team when Halfback Averitt ran 53 yards to pay dirt on a pitchout by Lane. Their run for the extra point failed leaving the score 13-12 in favor of the Warriors.

The Cloudcroft eleven was a long way from giving up though. They scored in the third quarter on a 26-yard pass then ran the extra point across. Again in the fourth quarter they scored on a pitchout from the 40 yard stripe. The Warriors stopped their final conversion try.

Ruidoso's Sophomore QB Alfred Lane left the game with a minor leg injury in the last few minutes of the fourth period.

TATUM HITS HONDO 41-3

Tatum ran over Hondo to the tune of 41-3 on the Hondo football field last Friday. Tatum scored 21 points in the first half and 20 points in the second half. Hondo's only score was on a field goal in the third quarter kicked by Tackle Douglas Bradley from four yards out. The Tatum power held Hondo to only two penetrations. This game was a district 3-C conference game.

Special Deer Hunt Set On Reservation Nov. 12-26

The Mescalero Business Committee, governing body of the Mescalero Apache Tribe, at a meeting on October 14 authorized a special deer hunt allowing 100 permits in the Eagle Creek and Ruidoso Creek areas of the Mescalero Reservation.

The Committee felt that due to the fact that there was an over-population of deer in this area, a harvest should be made this year.

Tribal permits will be on sale at Pat's Sport Shop, Ruidoso, Armstrong Sport Shop, Alamogordo, and at the Mescalero Tribal Office in Mescalero. They will sell for $15 each and will be required in addition to a state hunting license to hunt on the reservation. Each will allow the taking of one buck deer and one bear.

The hunt will start at daylight on November 12 and end at sunset on November 26.

Further information can be obtained at the Mescalero Tribal Office in Mescalero or by calling Ruidoso CL 7-4181.

Date Of Game With T. Or C. To Be Nov. 5

Since publication of the 1960 football schedule for the Ruidoso Warriors, Coach Ken Newton this week said a change in the date shown for the Homecoming game here early in November has been requested by the Warriors' opponents, the Hot Springs Tigers of Truth or Consequences.

Placards showing the schedule, wallet cards given away by local advertisers, and tickets printed for the Quarterback Club for a fund raising contest, all show the incorrect first announced date of Nov. 4. Correct date will be Saturday, Nov. 5, and it will be the final home game this year for the Warriors, as well as their final District 3-B conference match. The game will be played at 1:30 p. m., instead of the customary 7:30 night-time hour, also, Newton said.

There is no game on the schedule for the Warriors' next week-end during the annual teachers' convention holidays.

Capitan Gridders Crown Queen At Homecoming

By DIXIE SPARKS
(Ruidoso News Staff Writer)

Friday night Capitan and visitors saw one of the best football games ever played at Tiger Field. Capitan kicked off to Melrose, who charged down the Tiger field to within a few feet of their goal line but losing the ball on an incompleted forward pass on the 4th down. The Tigers then also charged down the field with Salas and Lujan carrying the ball for the gains and yardages. Tiger Quarterback Lee Gallaway carried the ball over the goal line for the first touchdown and the first quarter ended with the Tigers leading with a score of 6-0.

In the first few minutes of the second quarter the Buffaloes scored a touchdown by David Fouts, tieing the score 6 to 6. After the touchdown kickoff between Tigers Lujan and Salas the ball was taken down the field. The Tigers fumbled once but was recovered by Lujan. Salas charged over the goal line for the second Tiger TD, making the score 12 to 6. From the touchdown kickoff Buffalo quarterback Fouts ran half the field with the ball, finally brought down by Tiger Quarterback Lee Gallaway. Melrose tried 4 passes to gain some yardage, each incomplete. The Tigers lost the ball to the Buffaloes by a fumble. The Buffs took the ball over for a touchdown with a pass, Quarterback Fouts again scoring. At half time the score was again tied 12 to 12.

The third quarter saw the Buffaloes again trying passes which were incomplete thus giving the ball to the Tigers. Once more Salas gained yardage by charging the Buffalo line. Salas punched through to run 45 yards for a touchdown thus ending the 3rd quarter with a score, Tigers 19, Buffaloes 12.

In the 4th quarter the Buffaloes slowly gained by passing, climaxing the drive with Richard Sais going over for a touchdown, making the score tied again 19 to 19. Capitan Tigers charged the Buffalo line again and again but the Buffaloes held tight and gaining the ball, again started passing which resulted in another touchdown in the last two minutes of play. The game ended with the Buffaloes winning by a score of 26 to 19.

Summarizing, the Buffaloes were given a surprise at the very beginning of the game by the charging Tigers, whom Melrose expected to be a pushover. The Buffaloes gained their yardage by passing, the Tigers, outweighed by a great margin, showed their strength by constantly charging the tough Buffalo line. By sheer strength and co-ordination of the Tiger charging again and again they took the ball over for three touchdowns. The game was the Tigers' all the way, for they outplayed and outgained the Buffaloes but were exhausted by almost four quarters of fighting.

During the halftime the Homecoming Queen and her court were honored. The Capitan School Band under direction of Mr. McDonough, marched on the field from the north end with the Pom Pom girls marching on the field from the south end. The Pom Pom girls then gave an exhibition of precision drills accompanied by the band. The band and the Pom Pom girls then formed a rose bud and with the playing of One Dozen Roses the Queen and her court were escorted on the field. The escorts of the Queen and the Duchesses representing their classes arrived in a jalopy of questionable vintage, while the Queen and her Duchesses arrived on a "Fall Theme" decorated float; then still to the song One Dozen Roses, the Freshmen Duchess Janice McKnight, escort John Zamora entered the center of the Rose Bud, followed by Sophomore Duchess Linda Escobido, escort George Griego; then the Junior Duchess Judy Smith, her escort Jim Montoya, followed by Senior Duchess Carol Williams, her escort Lee Gallaway, followed by the grand entrance of Homecoming Queen Mary Guck with her escort Tiger football captain Steve Bonnell. Queen Mary Guck received her crown and the traditional kiss by Captain Steve Bonnell. Then the Queen and her court were escorted off the field by the Capitan School Band.

Friday saw a great number of Alumni of Crpitan High School arriving from out of town to see their Alma Mater play one of the best homecoming games they have ever played.

Following the game was a Homecoming Dance held in the music room. The library was open to the non-dancers for the playing of games, directed by Mr. Woodward and Mrs. Opal Peters. Everyone had a good time and enjoyed themselves very much. The party was given by the Capitan High School Student Council.

O. C. Shields Heads Jeep Club Here

In an election of officers for Ruidoso's newly organized White Mountain Jeep Club last Wednesday, O. C. Shields was named president; Emil Klemm, vice-president; Mrs. Tony Franks, secretary; R. O. White, treasurer, and Mrs. L. C. Crews, reporter.

In the program, Dr. Bram Vandertok, local civil defense director, welcomed the club's offer to provide transportation during any emergency which might occur, and reported that there are certain items of equipment the club can secure to better fulfill its duties in the event of a community disaster. The club will likely be issued the defense equipment this winter, it was indicated.

Pat Rooney and Luther Bynum joined the club as new members. A visitor was Marvin Cavness. In attendance, also, were 16 members of the club.

New Mexico has been inhabited by man for some 20,000 years, and its written history spans more than four centuries.

Lincoln County

Sheriff of Lincoln Co. — 1953 Through 1956

THE QUESTION HAS BEEN ASKED OF SHERIFF CANDIDATES IN LINCOLN COUNTY:

"What is your stand on illegal gambling in our county?"

I am firmly opposed to illegal gambling, and will work with the officers in every community in the county to prevent it. We cannot have decent homes and communities for our families if illegal gambling is allowed to flourish unopposed.

I am opposed to any legislation that would call for registration of privately owned firearms. In fact, I opposed it in my last term in the State Legislature.

Senior Pictures

Senior pictures were taken Wednesday, Oct. 5, by Marquise Studio's photographer from Enid, Okla. The pictures will be used for publication in the 1960-61 yearbook.

The 1960-61 senior class numbering 39 began work on its yearbook this week. Spring delivery will be made May 12, 1961.

Marquise are scheduled to return in November to photograph members of the faculty.

The annual Hallowe'en Carnival will be held Oct. 22 at Nob Hill School Cafeteria. The Senior Class will be in charge of the Carnival Queen race as in the past.

The candidates for the Carnival Queen are as follows: Freshmen, Barbara Reinhardt; Sophomores, Phyllis Burke; Juniors, Francis Reinhardt; and Seniors, Idy Traylor.

Each class may have one large project to raise money to support its candidate. Each penny contributed will count as one vote. The candidate getting the most votes will be crowned queen at a ceremony during the evening.

The proceeds from the race will be used to finance a Senior Class day next spring and a Senior Class project which will be to start fencing the football field.

Among activities engaged in by some of the classes this week to raise funds for their Hallowe'en Carnival Queen entries were: The Seniors served a chicken dinner to about 65 people in Nob Hill School cafeteria on Tuesday night under direction of their sponsor, Mrs. Rowland. Sophomores sold tickets to the show "Third Mon on the Mountain" at the Mt. Vue Sho-Dyn & Indorama for one night only, getting a portion of the proceeds from their advance sales.

'59-'60 Annual Is Distributed

The 1959-60 annuals arrived Oct. 7. Last year's Journalism Class had a fall delivery on this annual, delaying its arrival this year.

The annual is dedicated to Geo. Perry and Ewald Fuchs, building custodians. Favorites picked were Beverly Watkins and Brian Nosker.

Further baking of the delivery was brought about by sale of the publishing company.

This year's annual will be delivered in the spring, according to editor of the yearbook, Cruz Padilla.

Mr. and Mrs. Gerald Mote of Route 6, Lubbock, Tex., spent their honeymoon in Ruidoso this week, staying at the Horseshoe Courts. The couple was married in Lubbock on Oct. 14. Parents of the bride are Mr. and Mrs. Esquivel of Route 4, Lubbock, and Mr. and Mrs. Mote of Route 6, Lubbock, are the groom's parents.

In his chosen field as a law enforcement officer, he has a sworn duty to the people, the government, to God, and to himself to uphold and protect the law in every way possible. He must judge quickly as the occasion demands yet keep in mind that he is a public servant and always in the critical eyes of the citizens of his community. His hours are irregular and he must abide by strict rules and regulations set up by the department. He must work with the hardened criminal as well as the everyday traffic violator; and yet be diplomatic in each case. His is a thankless job with many heartbreaks and let-downs.

In looking to the future, he cannot help but hope that his energies will be acknowledged and who knows, maybe someday he will make Sergeant!

LETTER TO EDITOR

(Submitted by a reader. This was written by a teen-ager—now on the Odessa, Tex., police force.)

What Is a Law Enforcement Officer?

A law enforcement officer is first of all a human being! In most cases he is a family man, with a wonderful wife, children, and a mortgaged home. He is no different than the doctor who lives down the street or the salesman next door. He attends the church of his choice whenever possible. He also works with the young people of the community and endeavors to help them become good, honest citizens. He must set an example for all those who look on him and depend on him for aid.

THE SILVER LINING

By Daniel A. STORM

How did you like that rainy and cloudy and misty spell? A whole lot of you were down in the dumps. That is good for you. How can you appreciate the sunshine and blue skies if you do not have the grey skies and the rain?

You see, in this land of the blue sky we forget that there are lots of folks living in places where the skies are overcast much of the time. The difference between those folks and us is this: They are tired of the rain and look forward to the sunshine, while we, though always appreciating and enjoying our sunny days, look forward to the rain.

Still, there are times when we "Get the Blues When It Rains," as the song goes.

And here is where the Silver Lining comes in.

The silver lining appears in the sky just as the sun begins to break through the clouds after a rainy spell. Just as the little spark of hope comes into our lives just at the time when we need it most—to show us that our great blessings of the Good Lord are with us always though they may seem at times hidden by adversity.

And just as the rain is needed for the bright flowers, the stately trees and the green grass, and the sparkling springs, so does trouble strengthen our soul. So cheer up. And let us go into the Indian Summer and the Winter, strengthened and happy, determined more than ever to be happier than ever in making others happy.

With the first snow on the mountain, I have to tell you something I have told you before. We who live here are fortunate in many ways. We have a climate with just enough sunshine, just enough rain, just enough snow.

But what I started to say is, here we who live in the shadow of the White Mountain are given a few days notice of the approach of winter.

In the flat country winter moves suddenly in without warning the folks too much. But here the beloved season of winter gives us notice ahead of time.

That is why that white mantle is on our Mountain much as to say, "I am the Winter season, soon I will be down among you. So get ready. Get lots of good wood around the house so the fireplace will be bright in the evenings."

Fruit Calendar

The late autumn apples are coming in now. They have been moving slowly. But soon they will begin to leave mighty fast with Hallowe'en just around the corner and then hunting season and then Thanksgiving and Christmas. The apples are better than ever in flavor. And ours are the finest in the world.

Be good to yourself, dear friend. See you next week.

Nob Hill School

First Grade—Mrs. Matthews

Our room was very happy to receive the Junior Fire Marshal Achievement Award. Those helping to win the banner were Linda Faye McCauley, Teddy Reeves, Ricky Staples, Linda Curry, Debbie White, Dean Srader, Mike Moran, Sharon Perry, Paul Leftwich, Danny Orlosky, Georgia Myers, Harvey Watley, Frankie Reynolds, Becky Sharp, Janice Gent, Marcus Musgrove, Cecil Duke and Jimmy Joe Wall. We wish to thank the parents of these boys and girls for their cooperation.

There was much excitement over the snow on Baldy this week. We made a chalk and crayon picture of it to take home. There were some very good pictures.

The first number work book has been finished and proudly taken home. Almost everyone in the room can write his or her name correctly, read and spell their color and number words. Many can write their numbers to one hundred.

Those having perfect attendance since the beginning of school are Paul Leftwich, Linda Curry, Georgia Myers, Linda Faye McCauley, Frankie Reynolds, Ricky Staples, Jimmie Joe Wall, Debbie White and Bobby Zinn.

Second Grade—Mrs. Sullivan

Douglas Owens had a birthday recently. Thanks to his mother for the delicious candy she sent for each one in the room. We sang him a song and had a good time eating our candy.

Karen Parsons is a new girl in our room. She is from Albuquerque.

Nearly everyone in our room won a badge and was on the honor roll for having had a clean-up day at his house during Fire Prevention Week.

We are proud of the ones who made the honor roll in spelling. They were Ellen Dean Scott, Diana Sue Moore, Melinda Metcalf, Roxie Langford, Pat Dunagan, Michael Monies, Colleen Yuzos, Herbie Traylor, Robert Staples, Paul Stout, Mike McCarty, Buddy Whitead, Danny Bell, Wilma Second and Douglas Owens.

Fourth Grade—Mrs. McGuire

Gloria Hickam's mother and father went elk hunting.

Mary H. Pearson has company from Lorenso, Tex.

The Cub Scouts in our room are Darrell Green, Kenny Fisher and Worth Gardenhire.

The Brownie Scouts in our room are Gloria Hickam, Mary Helen Pearson, Wanda Sue Kelly, Frances Pitillo and Shannon Smith.

Wanda Sue Kelly's big brother Richard came home and is going elk hunting.

Shannon Smith has a new colt.

Those who made 100 in spelling this week are Derrick Smith, Warren Second, Wanda Sue Kelly, Mary Helen Pearson and Worth Gardenhire.

Masons, mechanics, metal workers and other artisans in Teheran, Iran, must have their own tools to practice their trades. It would take vocational school graduates a year to earn the tools sent in CARE $30 packages. These gifts mean graduates can get jobs.

Drive there with care—arrive alive.

Hi! How did you like the rain? With deer season coming soon, and the country side quite dry the rain was most welcome! The Tigers played the best game yet—Fort Stanton again had doctors by the dozen (and there were apples, too!) last weekend for the New Mexico Tuberculosis Association Board meeting. Macie arrived home Monday morning and glad to be home—I had a wonderful week-end myself, how about you?

Mrs. Geraldine Randle celebrated her birthday last Wednesday. Nicest part of having a birthday on Columbus Day October 12 is, everyone helps you celebrate! Did you have to pick it up, Geraldine?

Eddie Provins visited his mother Mrs. Corinne Provins last Wednesday night.

Jim Howard returned from Truth or Consequences last Tuesday. Feel better Jim? You sure do look better for your rest.

Mrs. Sims, sister of Clarence Morris, has moved to Capitan. Her former home was in El Paso.

Mrs. M. McCreary, chief nurse of Fort Stanton, is in Boulder City, Colo., for two weeks' schooling.

Ray Taylor, Bill Randle, Virgil Hall and Gerrell Dean left last Friday for an elk hunt in Colorado, somewhere near Pagosa Springs. Happy hunting fellows. Gerrell, did you take that Winchester 308?

The Capitan Woman's Club delegates returned last Saturday from the 4th District meeting at Glenwood. Delegates were President Mrs. Duane Darling, Mrs. Milton Jones and Mrs. Ray Provins.

Barbara McGrew wrote she is doing good in her studies in Eastern New Mexico College. Barbara is majoring in journalism and languages, Spanish major and French minor.

Former Capitanites returning to Capitan for the Homecoming game last Friday between Melrose and Capitan were: Charlie, Dorothy and son Gary Farris of Tularosa; Walt and Betty Jones of University Park, Las Cruces, and Buddy Williams of University of New Mexico, Albuquerque. Buddy arrived to see his sister Carol, Duchess of the senior class, take part in the halftime activities.

Tommy Rogers of the New Mexico Fish and Game Department worked the antelope hunt near Ancho last week-end.

Johnny Soderback returned home to Grants with Tommy and Opaline for a couple of weeks. Opaline is the sister of Pearl Soderback.

That is all for this week folks, but before I sign off, may I leave this thought with you: Today the world conditions as they are (sorta messed up), the political issues as controversial as they are—a great number of people are thinking for themselves [illegible] take some one else's word for it!

See you next week, God willing.

(Editor's Note: Ruidoso's new planning consultant, William D. Toole, secured the interview below with one of Ruidoso's citizens, one of a series to appear in the Ruidoso News. Toole's office is in the municipal building and he invites callers to discuss community planning problems with him, ask questions, make suggestions. His office phone is CL 7-5476 and his home phone is CL 7-2367.)

By RAYMOND BUCKNER

First let me state that this letter is not in criticism of the things or ways in which Ruidoso has progressed but is a situation I have observed which I think could be improved and would be advantageous to our future growth.

To me, one of the most important things that could be detrimental to our progress (and one that has been overlooked) is DRAINAGE.

Ten years ago this problem was not as evident as we had no subdivisions being platted on our sloping hillsides and did have several natural drainage ditches or ducts across our main road to carry the run-off to the river. Now as new homes and businesses have been erected and streets patched or re-done, these natural drainages have been entirely stopped up in most places and very much restricted or reduced in other places or the natural flow channel has been diverted to the next building or home and so on until dams or restrictions have stopped the natural flow path thereby concentrating a large amount of water in one place causing a hazardous situation.

To give you an example, let me point out a subdivision or more rightly two or more subdivisions (note: this is not in criticism of the subdivisions) which will show my point. Approximately one year ago the land area lying south of the Ruidoso Municipal buildings was a sloping grass land with three or four natural drainage ditches which spread the runoff water over a considerable area. Now since development of this area several roads have been constructed, and one of these to the top of a large mountain where our Radio Station is located. Now practically the entire runoff from this section is funneled down to one street causing all the runoff water to flow in one small area. When we do have extremely hard rains again, and we will, someone will suffer extensive flood damage. Note: El Paso residents can tell you what happened in their city a few years back. Maybe we are putting too much emphasis on subdivision plats, restrictions and etc., and forgetting the basic foundation which is so important.

Why couldn't we have a complete survey made of the whole canyon area and a plan formulated and put to work to construct ducts across the main roads, secure right-of-way for access of these to the river to handle the run-off of flood water. I well realize the Village does not have sufficient funds to do all this at once, but with the additional income from the 1c tax (which I understand a big part will be spent on roads) a budget could be set up and starting with the most urgently needed, one or two ducts could be constructed each year.

Another thing I think needs attention. First let me state I am very much in favor of having restrictions imposed on type and style of construction, designation of areas for business, residential, recreational and others to protect the home owner from unsightly structures or shacks moved in which might tend to affect the values of property in any area or mar his view. Now my point is this; I think the Village should be empowered to enforce any restrictions set up by the subdivisions. Before accepting any new subdivision, the Village could demand a list of proposed restrictions for their approval and to meet with conformity of Village ordinances. It is not right that individual property owners should have to go to great expense and file suit to enforce restrictions to protect their property. The property owner should file a complaint with the Village and the Village should carry out the enforcing of same.

I am glad to see the road widening project through our town progressing so satisfactorilyy and believe it will do more than anything to clean up and improve the looks of our Village. Our Mayor, councilmen and village employees are to be highly comended on the efficient way they are conducting their offices. Maybe one day soon we can have a City Manager to take over many of the time consuming duties now placed upon the Mayor and councilmen.

In closing let me say I am proud to call Ruidoso MY TOWN and am always willing to do my part to make it a better, more prosperous, cleaner and wholesome place to live.

Our new drive-in teller's window is open earlier and later than those in the bank. You can get checks cashed, make change or make a deposit from 8:30 a. m. until 3:30 p. m. week-days, 8:30 a. m. until 12:30 noon Saturdays at the drive-in window at the Ruidoso State Bank.

Letter to the Editor

Dear Vic:

I note in this week's Ruidoso News that Edna Schierenberg asks what has happened to the Cathedral of the Pines Project.

Since I was the one who first proposed it maybe I can now be permitted to make a report.

First—the site has to have a magnificent view or it will be a failure.

Second—there must be ample parking space.

Third—there must not be too much road to build or maintain.

To find all this on state or forest land is difficult. Then one who thought to give chimes stipulated the site must be close in so the chimes would be heard. Many sites were explored but this further stipulation ruled out any possible available site.

So the long delay. But the long waiting period has at least meant that the wrong site has not been chosen. These past two weeks a possible site has been brought to my attention: As one leaves Eagle Creek and begins the climb on the Monjeau road there is a ridge on the left from which there is a fine view—also flat land for ample parking. About three-fourths of a mile up the Monjeau Road there is an old road seemingly leading toward the top of this ridge. We have as yet not explored this road. This might be considered far out for the Cathedral of the Pines. However, the Monjeau road is maintained and hundreds of cars yearly go over it. Many of these would turn off and visit the Cathedral of the Pines. Also when the Winter Park area is opened the Eagle Creek road at the foot of the grade will be improved.

Two markers at this proposed place on the Monjeau road commemorate the dedication of this area by the Federated Women's Clubs of New Mexico. This, I am told, was in memory of two CCC boys who lost their lives in fighting a devastating fire.

What could be more appropriate than for the Cathedral of the Pines to be located in this already dedicated area? The Cathedral of the Pines Board has not had time as yet to investigate this possible site. It may nor may not prove to be the answer. I am hoping that it will prove to be so and that the long delay will be over.

The board has worked hard on this and deserves our thanks. I also wish to thank Mr. Jack Hull for the $10 which he so generously gave to the Cathedral of the Pines Fund in memory of my mother. This fund now stands at $1,601.88.

Dear Mr. Lamb:

Kindly change the address on my paper to the address at the end of this note because last week I moved from Ruidoso to Albuquerque.

I wish very much that it had been possible for me to see each one of my many wonderful friends in the Ruidoso area to express my thanks for their great kindness to me in my illness there and to tell them how much I shall miss them all. Nowhere on earth can there be finer people than in and around Ruidoso. I shall always love that place and hope to return each summer to visit there.

May God bless you all!

Sincerely,
Ruth Kline Moss

The gong sounded! I dashed from the office into the crowded street, and hurried on into the fading sunlight. The bell in the familiar old church tower was striking five. I had made it again! I would reach the commuters' train and be in my suburban home at the usual hour.

As I rushed past the church, chimes sounded melodiously over the busy, struggling mass of humanity. Suddenly, I stopped in the midst of it. Why this mad rush day after day? Tomorrow and tomorrow and tomorrow would be the same. But today the chimes recalled to me a sense of peace and purpose, a satisfaction once experienced in the fellowship of worship and friendship.

The commuters' train was forgotten as I entered the vast, semi-lighted church. From far up at the marble altar came the words of a prayer: "O God, our Heavenly Father . . . the endless tide of business, toil, and care moves on around us. Go with us and bless us who have stopped within this holy place of prayer for one brief moment to be refreshed by thy love, and quieted by thy peace." The organ took up the response and the "*Amens*" soared upward as I knelt in grateful prayer. "Never again," I resolved, "shall I deprive myself of the security and satisfaction of regular church attendance and worship. My place in the little suburban church shall be filled on each Lord's Day."

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Last Thursday the 5th and 6th and the 7th and 8th grades played Hondo. We are happy to say we won both games.

Frank Candelaria and Ida Jo Richardson made the drawing of our locality on the blackboard. It shows our mountains, rivers and roads in this area.

We are studying the Southeastern states of the United States. We have some nice drawings of early colonial life. We are writing letters to each state for information about their state. We each have one or more states to report on.

We have finished our salt and flour maps of the U. S. and have them painted. They look very nice.

Fifth Grade—Mrs. Hawkins

Monday we elected officers. The president who was elected is Pam Williams. Vice-president is Wayland Lovorn. Secretary is David Pratt. Treasurer is Monique Vanderstok. Librarian is Arthur Kohles. The two reporters are Wade Lane and Mary Evelyn Estes.

The class has made a New England Village from construction paper. It is really quite cute.

Fifth and sixth grade boys will have a flagball game in La Luz Thursday, they will be out to avenge a previous defeat earlier this year by La Luz.

Last night Arthur Kohles went out and climbed a mountain to help his dog. It was about 8:00 and Randy Kohles went with him. Jerry Halladay has a cold and wasn't here Monday. Tuesday the class had a candy sale.

Card Of Thanks

This is to say thank you to the many friends for their words of sympathy, deeds of kindness and acts of love in the passing of my wife. Your helping hands at this sad time reminds me of a poem:

My Friend
I'd like to be the sort of friend
that you have been to me,
I'd like to be the help that you
Are always glad to be,
I'd like to mean as much to you
Each minute of the day
As you have meant, Good Friend of Mine,
To me along the way.
And this is just to wish, somehow,
that I could but repay
A portion of the gladness that
you've strewn along my way,
For could I have one wish today,
this only would it be,
I'd like to be the sort of friend
that you have been to me!

Treats for Tricksters

Halloween is fun time. It is a time for games. It is a time for colorful costumes and funny masked faces.

It is also a good time to enjoy these delicious whole bran doughnuts. These light, tender, nutty flavored doughnuts are not fried; they are baked in a hot oven.

Top them with a light confectioner's icing to bring smiles to the ghosts and goblins who'll be asking for "tricks or treats".

BAKED DOUGHNUTS

- 2½ cups milk, scalded
- ½ cup shortening
- ½ cup sugar
- 2 teaspoons salt
- 2 teaspoons nutmeg
- ½ teaspoon cinnamon
- 2 tablespoons butter or margarine, melted
- 1 cup Kellogg's All-Bran
- 2 cakes compressed or 2 packages dry granular yeast
- ½ cup lukewarm water
- 2 eggs, slightly beaten
- 4½ cups sifted flour

Pour hot milk over shortening. Stir in sugar, salt, spices and All-Bran; cool to lukewarm. Dissolve yeast in lukewarm water; add to All-Bran mixture together with eggs, mixing well. Add flour and mix thoroughly. Cover and let stand in warm place until doubled in bulk, about 1 hour. Turn dough out on well-floured board; shape into a ball. (Dough will be very soft to handle.) Roll out lightly to about ¼ inch in thickness. Be careful not to stretch dough. Cut with floured 2-inch doughnut cutter. Place about 2 inches apart on greased baking sheets. Brush with melted butter and let rise in warm place until doubled in bulk, about 30 minutes. Bake in hot oven (425° F) about 10 minutes. Cool and ice with thin confectioner's icing or dusting, if desired. Yield: 3 dozen doughnuts, about 2½ inches in diameter.

LETTER TO EDITOR

(Submitted to this column by a reader who clipped the article below from the Roswell Record.)

We "lift" a piece today from the pages of the Lake Charles (La.) American-Press, written by the managing editor, Kenny Dixon, who writes the popular column, "Charley Lake Says". Kenny is no stranger to New Mexico, having been editor of the Carlsbad Current-Argus at one time. Here 'tiz;

Every now and then, somebody comes along and says something that makes me sit and mutter to myself: "I wish I'd said that." Such was the case the other day when an item came across the desk about a Mrs. Doris Betts, a North Carolina writer who is the mother of two children. She has adopted the old American motto: "Don't tread on me." But it is not the motto of which I would speak. It is her reason for it.

Mrs. Betts is pretty well fed up with organizers and organizations—particularly those which cut down on a family's time to be together. And she flails out in all directions. She speaks of sacro-scant gatherings as P-TA meetings, Cub Scout sessions, Brownie nights, men's church nights, women's church nights, literary club sessions—and the like. A brave woman, Mrs. Betts!

Her point is that there seems to be a night for everything—except the family. Somehow the week doesn't seem to have enough nights for the average family to be home together. And, as a wife and mother as well as a writer, she is beginning to question the ultimate value of all these activities which rob the family of any time together.

Perhaps she best made her point when she complained that too many parents spend their time "dropping their children off at various organizations and then going to a meeting themselves so they can hear some earnest speaker discuss the sad fact that the home is no longer the center of family life." Anybody care to argue the point with her?

If I were to comment on Mrs. Betts' point of view (other than to say "amen") it would be to say that even on those rare nights when the family occasionally manages to be under the same roof, they seldom are really together—and I am a disciple of "togetherness" in the current sense of the word. But even if all members of the family are present and accounted for, they generally are divided something like this: Part of them are watching television; part of them are listening to the radio; part of them are concentrating on their favorite hi-fi records, and possibly—just possibly—one of them might, while wearing ear plugs, be reading a book!

Understand, I am not trying to turn the clock backward, and I realize that all of these forms of home entertainment are wonderful. I wouldn't take a one of them away from anyone who can afford them. (Although at times, I wonder if we really can afford all of them.) Nor would I decry these various organizations that do so much to help and improve communities and individuals.

It's just that I'm inclined to agree with Mrs. Betts. It seems to me that sometimes we spend so much time learning and talking about how to do good that we really get very little good done. And I am a firm believer in the theory good works, like charity, should begin at home.

I think it is fine to join organizations aimed at bettering community life, at self-improvement, at family understanding. I think it is wonderful to engage actively in church work and associated enterprises. You're not going to catch me criticizing those things!

But I am in favor of food, too, and I want no one to go hungry. Yet it does follow that I believe in humans or animals gorging themselves to death! It seems to me that a certain moderation is indicated for even the things that are best for us. And I wonder if we are not gorging ourselves on community activities—and on home entertainment.

This probably brands me as old-fashioned and reactionary, but I still wonder from time to time what ever happened to the family discussion. As I recall it, it could be on any subject — current events, politics, books, art, business, farming, religion —anything that interested the family.

I wonder what has happened to the family's night for reading. Surely not all of our literate minds of the future must be fed through a television or radio tube or a hi-fi needle! Surely there is some time well spent in reading the words of the masters, and then mulling over them—rather than losing them in a brief flash of sight or sound . . . At least, I hope so.

CANYON ECHOES

Mrs. Jake Allen returned home Wednesday this week from El Paso where she had been for several days receiving medical attention.

Mrs. F. B. Lindemood and Mrs. George Dingwall of Carrizozo are spending several days in El Paso this week.

Mr. and Mrs. Oscar Samelson were in Amarillo a couple of days this week, buying merchandise for their store. While they were away, Mrs. Bernard Rooney took care of their Ruidoso Variety Store.

Appearing in district court Tuesday in Carrizozo as prospective jurors were these from this area: Jack Easley, Claude Whitlock, Mrs. Vic Lamb, R. C. Buckner, Mrs. Fritz Christian, Blair Holliday, Mrs. Noble Higgerson and Mrs. Emil Klemm.

Mrs. Bert Pilngsten, Hondo, and Frederick Paso, Mescalero were among area residents admitted to the Eastern New Mexico Medical Center in Roswell on successive days early this week for medical attention.
