Around Town

—By Nosey Waters—

Herman Kelt, who has announced for State Senator subject to the Demo primary, was over from Carrizozo last week-end visiting with Ruidosoans. With him was Austin Wooten, Demo candidate for county tax assessor. . . . Executive committee of the New Mexico Cotton Ginners Association were in Ruidoso the other day at the Navajo Lodge making plans for their 1960 convention here—it's at least the tenth year in a row they've made Ruidoso and the Navajo their convention headquarters. The annual Maid of Cotton for New Mexico will be picked here again this year as part of the program to be attended by about 200 people. . . . Thursday night this week the Future Homemakers of America chapter here is serving its annual enchilada supper in the home-making building. . . .

A. E. Miller says our report last week named his construction company as wrong, that it is the A. E. Miller Co., not Miller Construction Co. "There's another registered Miller Construction Co. elsewhere in New Mexico," he says. He also added that his son, V. A., is not now associated with him in the company as was reported. . . .

T. C. Delaney was wondering if we were going to notice that the interior of Hollywood Lumber had been repainted. . . .

Village Clerk Morris Books brought these three important announcements to our desk this week: 1. You may register as a Democrat, Republican or Independent at the Ruidoso Municipal Building up until March 11. Books are closed after that date until primary elections are held. 2. Arrangements to have a veterinarian in Ruidoso are underway, for vaccinating dogs against rabies, with date for his visit to be announced later. 3. Village occupation licenses are due now. A penalty is added after March 15. Gross receipts for 1959 must be presented at time of application for license. . . . And, on the subject of important dates and matters of public interest, our county tax assessor is in the village this week at Ruidoso Municipal Building taking renditions. . . .

Edward Penfield, who works with County Treasurer Lewis Cumsoing in the courthouse, says plans are afoot now for construction within a year of a $6 to $8 million dollar compressor station for Trans-Western Gas Co.'s new pipeline through Lincoln County, at a point about 22 miles north of Capitan. He says plans should be taking shape now for an improved road from the compressor station into Capitan, and with paving now completed from Capitan to Ruidoso, this community might enjoy, with Capitan, some of the business such a plant will bring to the county. The tentative plant location is within the Corona school district, and it will mean much to the economy of that community, too. . . . Looks like about two dozen Ruidosoans will be in a caravan to go to Capitan next Monday night to honor Gov. John Burroughs in a Demo banquet in the high school there. . . . We hear LeRoy Gooch may present the school band in a winter concert about Sunday, Feb. 14. . . .

Ruidosoans are asked to write their U. S. Representatives and Senators asking Congressional action on a road into White Mountain Park. Your letter may DO THE JOB. The men to write are Senators Clinton P. Anderson and Dennis Chavez, and Representatives Tom Morris and Joe Montoya. . . .

Fred Greenwell says the Motor Vehicle Division has ruled no vehicle can be issued licenses when the applicant pays for same by check—in other words, it's cash for your tags. (Too many hot checks bouncing around, says Greenwell.)

Mrs. Grace Schneider, supervisor of nurses at Ruidoso-Hondo Valley General Hospital, has taken a leave of absence for several months, and, needless to say, she surely is missed by the staff and employees there. . . . Use Of Recreational Facilities In Lincoln National Forest Leaps To New High In 1959

A recent report, compiled from figures obtained by Forest Rangers of the Lincoln National Forest, shows that this National Forest is one of the most important outdoor recreation areas of the Southwest.

During the hot summer months thousands of visitors pour from all directions into the Lincoln Forest's shady mountain retreats to obtain a respite from searing temperatures in the valleys. The Forest's recreation report for calendar year 1959 shows that some 915,000 recreation visits were made to the Forest during the year. These figures were obtained by making counts in sample areas on representative days throughout the year and from a number of automatic "traffic counters" installed at entrances of developed campground and picnic sites as well as on some of the back country roads. The figure does not include the additional thousands of people who traveled through the Lincoln Forest on main thoroughfares but who did not stop.

General sight-seeing and enjoyment was the most common pursuit of recreation visitors to the Forest and accounted for 325,000 visits. Picnicking was second with 290,000 visits. Other recreation visits were made for camping, hiking, horseback riding, photography, hunting, fishing, winter sports, and many other reasons.

The Cloudcroft Ranger District received the heaviest recreation visitor impact, followed closely by the Ruidoso District. Recreation visits to the Forest have increased since 1950 as follows:

Year	Recreation Visits
1950	178,000
1951	181,000
1952	248,000
1953	251,000
1954	298,000
1955	314,000
1956	329,000
1957	392,000
1958	618,500
1959	914,000

This is typical of the trend in recent years. Forest Service officers believe that this sharp upward trend is due to improvement of roads and highways, more leisure time, and also to expansion and improvement of the National Forest picnic and campground areas.

The Forest Service's "Operation Outdoors" program, designed to improve and expand recreation facilities in all the 150 National Forests of the United States, is now in its third year. The recreation development work on the Lincoln National Forest under this program has more than doubled the number of family unit picnic and campground sets since 1957. New picnic and campground areas have been developed near Cloudcroft and Ruidoso while others have been expanded or improved. However, the recreation use is increasing at a faster rate than the Forest Service has been able to expand old or develop new facilities. The development work, however, is also continuing and the Lincoln Forest personnel hope through this program to catch up with the demand.

Forest Supervisor, Everett R. Doman, quotes the following figures from his 1959 recreation report to illustrate the amount of use that some of the Forest's areas are getting:

"At Deerhead Campground, south of Cloudcroft, where we have 24 family picnic sets, automatic traffic counters recorded 13,940 cars entering the area from April 17 to November 10. At 4 persons per car there were 55,760 visits made or an average of 8 visits per set per day. On some days there were two or three times as many families who spread their picnic lunches on the ground as there were families lucky enough to find tables."

In commenting on the Forest's recreation report, Supervisor Doman explained that the National Forests are managed under a "Multiple Use" policy. He said that Recreation was one of the important uses of these lands. Other important uses are timber production, watershed protection, domestic livestock grazing and wildlife production. "With proper coordination all of these National Forest uses can be maintained on a sustained yield basis and yield their benefits to the American public forever. There may be localized small areas where conflicts in use will develop. Where such conflicts do appear they will be settled under the Forest Service's long standing policy of 'the greatest good to the greatest number of people in the long run'."

Old 'Mellerdramas' To Be Presented Here This Summer

The Jackson Hole Players, which includes a cast and staff of ten persons, and who are noted for their presentation of old-time mellodrama stage productions, will probably be in Ruidoso this summer, beginning on Memorial Day, appearing in some of the hit plays, Jack Main of Navajo Lodge said this week. He conferred with members of the company last week at Scottsdale, Ariz., about their coming here, to appear in the Navajo Lodge Dance Hall for a summer engagement. Main said negotiations are not complete yet on the company's appearance here, but likely would be worked out in the next few days.

Youth Suffers Fractured Back In Sled Accident

Jerry Collins, a student at Texas Christian University, and who is a resident of Ft. Worth, was flown in Ralph McGuire's aerial ambulance to his home Saturday after he received emergency treatment here for a fractured back he suffered when a bobsled he was riding overturned at high speed in the Cedar Creek winter sports area last Friday.

Collins was among more than 40 students who came here from T. C. U. for winter sports last week-end.

National Publicity Given Aspencade In Magazine Article

Ruidoso is receiving nationwide publicity in the form of an article in the Quarter Horse Journal magazine in the January 1960 issue.

The article was written by Mrs. Sam Hyatt who is a Ruidoso summer resident and tells the history of the Aspencade. In the article she mentions that W. A. (Bill) Hart started the Aspencade in 1947 and the name Aspencade was given to the event in 1948. Lloyd Bloodworth was instrumental in making the occasion open to the public. It is interesting to note from this article that the event has grown from just a handful of riders in 1947 to the large attendance in 1959 of 102 riders and the chuck wagon dinner served to 667 people. The article is illustrated with eight photographs.

Ice Cream Stand To Be Built Soon On Main Street

Mr. and Mrs. James G. Graham, owners of El Rancho Courts in Ruidoso, which is located directly opposite the George McCarty residence on Main Road, will start construction in the near future on a soft freeze ice cream stand on the west corner of their lot. A name for the place has not yet been decided on, but the plans are for it to be finished by May 10.

Summer Cabin Destroyed By Fire In Cedar Creek Area

A fire early Thursday morning destroyed a summer cabin in the Cedar Creek area belonging to H. C. Womack of Monahans, Tex. Womack was asleep in the cabin and was awakened by the smoke from the fire. The Ruidoso Volunteer Fire Department was on the scene shortly after the fire was reported about 5:30 a. m., but it had gained too much headway already, and the cabin as well as a Pontiac car in the garage next to it was completely destroyed. A plane from Monahans came to Ruidoso Thursday forenoon to fly Womack back to Monahans.

January Snowfall Measures More Than 23 Inches

Snowfall measured in January of 1960 lacked a tenth of an inch equaling the January, 1949, record, and about six inches of the all-time high of 30.10 inches in January 1946, according to a comparative chart just prepared by C. A. Culver, co-operative weather observer here for the U. S. Department of Commerce Weather Bureau. The chart gives temperatures, moisture received and snowfall for each January the last 15 years, and is as follows:

Year	Hi	Lo	Snow Fall	Precip.

Tucson Resident Is Injured In Accident

A young Tucson, Ariz., man, Gary Pagett, 24, was injured, but not seriously Tuesday evening about 5:30 p. m. when his car hit a snowbank near the Mescalero Summit on U. S. Highway 70. He was brought to the Ruidoso-Hondo Valley General Hospital, where he was treated for neck injuries and was expected to be released Wednesday or Thursday this week, according to a hospital report.

Film On Fluoridation Seen By Rotarians

A motion picture showing the advantages of fluoridation of community water supplies was shown members of the Ruidoso-Hondo Valley Rotary Club Tuesday noon in its luncheon session at the O. E. S. Hall in Palmer Gateway. The picture was presented by Dr. James A. Beall, local dentist, who helped interest the Ruidoso village board of trustees in securing fluoridation equipment for the village water system after he learned there was a much larger percentage of tooth decay in this area than in the average community. Fluoridation in proper amount helps prevent tooth decay, the film revealed.

Accompanying Dr. Beall to the meeting in the interest of the project was Dr. Paul Reynolds and Dr. C. H. Tate.

Visitors included Mayor Charles Sutton of Alamogordo; Cecil Billingsley, C. C. Watkins, Drs. Beall, Tate and Reynolds, Cliff Morrison and Bob Staley, Ruidoso.

Ruidoso Lions Club To Write Letter To Congressmen

The Ruidoso Lions Club, in its meeting Tuesday night voted unanimously for fluoridation of the city water system. The group also voted to send a letter to all U. S. Senators and Congressmen asking their help in securing a road into White Mountain Park. The letter will be signed by all Lions Club members. A report was given on the development on the proposed paving of Main Road in Ruidoso.

The club will celebrate its 20th anniversary with a banquet at Carrizo Lodge on Feb. 13.

Sanitation Service Is New Business In Ruidoso

A new business was started last week in Ruidoso by Ernest Walker who was formerly a cotton ginner at Tahoka, Tex., and Raymond Hinkle, who worked on a pipeline at Eunice. These two men now have a sanitation service which they bought from Ike Medlin, and they can be reached at telephone CL 7-4007, the home phone of Ernest Walker. The Walkers have a son, Gene, 7, who is enrolled in Nob Hill School. Hinkle is not married.

Personnel Changes Are Announced At Ranger Station

Clarence Sinclair, who has been working on the recreation review for the Forestry Service, will now take over as District Ranger of the Ruidoso District.

Don Shultz, formerly of the Coconino National Forest in Arizona, is the assistant Ranger of the Ruidoso district. He was appointed in November, 1959.

Jim McEuen, who has been acting Ranger, will go back to his old job as general district assistant and aerial observer.

STOLEN CAR RECOVERED

Three local officers, including state, county and village, figured in recovery of a stolen car Friday last week on U. S. Highway 70 near Jack's Waffle Shop. A road block was set up by Chief Deputy Frank Barajas, Village Policeman Richard Tucker and State Policeman Everett Brooks, and two Oklahoma youths were apprehended in a 1959 Ford reported stolen only a few hours before from a Roswell owner. Sgt. Bill Kruse of the State Police said it was the seventh stolen car recovered in this county in the last few weeks.

Inspect Gym, Auditorium This Morning

An official inspection of the newly constructed gymnasium and auditorium on the school grounds in Palmer Gateway near the high school and junior high and elementary school, will be held this morning (Friday) at 10 a. m., with members of the Ruidoso Municipal School Board, the architect, James Burran of Clovis, and the contractor, John C. Cornell, in the party, Superintendent J. Howard Morris reported early this week.

Morris said he felt sure the new project would be accepted—that only one or two very minor repairs were needed to make the plant a completed, turn-key job.

A busy schedule is in store for the new school facility, including a considerable number of "home" basketball games that have been "swapped out" with opponents because Ruidoso's high school cage teams had no place to play here. Other public events are on tap for the next few weeks which should attract just about everybody in the community, school leaders were guessing.

Although the new gym and auditorium are connected to the village's new sewer system, since it is not in use yet Supt. Morris said the village this week was completing an emergency cesspool to handle sewage from the new structure until such time as the sewer system is ready for public use.

An open house will be held at the new gymnasium and auditorium on Sunday, Feb. 7, between the hours of 1:00 p. m. and 5:00 p. m. The Senior Class students will act as guides.

The Seniors will also serve refreshments and are using this as a project to raise money for the annual senior trip.

Mrs. White said flowers for the open house are being provided free of cost by Theda Shier's Flowers of Hollywood.

Letters to the Editor

Dear Mr. Lamb:

We hope to be able to complete the Smokey Bear Museum this spring. One of the few ways we have of raising money is by means of the dances held at the Legion Hall in Capitan every other Saturday night. Our next one will be February 6. Admission is 75c a person. Door prizes will be given and refreshments are available. Moonshiners will play. Appreciate any publicity you can give the dances.

Ruidoso News:

Enclosed find my renewal check. I don't want to miss an issue of the paper. Glad it is coming earlier now on Saturday rather than on Monday. Glad you are having a good amount of moisture and so we are here.

Respectfully,
Mrs. John Earles
O'Donnell, Texas

Mr. Vic Lamb, Editor,
Ruidoso News,
Ruidoso, New Mexico.
My Dear Vic:

I have read with interest, in the Ruidoso News, the proposition now before the Voters of Ruidoso, whether to build a two-lane or a four-lane main street.

Having seen the change in the roads and streets and the population of Ruidoso for the past 20 years, and especially the last few years, and coming to Ruidoso at various times during the year, feel like it surely would be a big mistake to limit the growth of Ruidoso, by building a two lane ribbon instead of a four lane street, to accommodate the present traffic movement, and also to provide for ample parking space adjacent to business places along the line. As an investment in property along a four-lane pavement, would be the Broadway of Ruidoso, and better and larger business will be built, either for investments or for occupancy by owners in their own business ventures.

As a taxpayer in Ruidoso, I am heartily in favor of a four-lane pavement, as the approximate cost to any of us taxpayers will not amount to very much, and the benefits all will receive, will much more than compensate for the added cost.

Sincerely,
J. P. Nystel
Abernathy, Texas

Training School To Be Conducted For Police Recruits

New Mexico State Police will conduct a Recruit Training School at St. Michaels College in Santa Fe, from April 4 to May 4 this year.

Prospective candidates for this school will be interviewed in Roswell on Feb. 6, and in Alamogordo on Feb. 14.

Pre-requisite qualifications are: Age, 23 to 35; high school education; two years residence in New Mexico; good moral character and habits; height 5'10" to 6'5"; weight in proportion to height; willing to accept assignment to any part of the state; must be physically strong and active; must be mentally alert and sound of mind and have no adverse police record.

Applicants will be paid a subsistence while training. Officer Bill Allen will conduct the interviews in this part of the state, according to Sgt. Bill Kruse of Ruidoso.

Snowstorm Lashes Area Tuesday

A blinding snowstorm, with high winds swirling the white stuff through the canyons here, lashed Ruidoso and vicinity for a few hours on Tuesday this week, bringing several inches in only a few hours that melted almost as fast as it fell.

Snow fell intermittently Tuesday night and a new covering on the ski course here promised continued winter sports fun for several weeks. A bright sun Wednesday afternoon began melting the snowfall in town, leaving the usual slush and slosh.

CAPITAN, RUIDOSO SCHOOLS ENTERED

Between $20 and $30 in cash was obtained, along with a case of milk, and papers in the desk of Supt J. Howard Morris were ransacked by what officers believe were a pair of culprits Sunday night who entered Ruidoso Junior High and Elementary School. Morris said the burglary was exactly like one about a year ago, with entry being gained through the same window of one of the classrooms on the west end of the building, and with a similar weapon used to pry open the door of the superintendent's office, to pry open a safe in his office and a filing cabinet in an outer office. One of two cash boxes was damaged beyond use by the burglars. He said he had reports Capitan school was entered similarly the same night, but there was nothing stolen in that break-in.

BILL WIGGINS SHOWS NEW PAINTINGS

Recent paintings of Bill Wiggins, one time Ruidoso resident and now of Roswell, go on exhibit in the main gallery of the Roswell Museum and Art Center Feb. 2 and will continue until March 4. Wiggins grew up in Roswell and attended the New Mexico Military Institute. He attended Abilene Christian College and the American University of Shrivenham, England. At present he is painting instructor at the Roswell Museum and Art Center. He has been included in many groups as well as having one man exhibitions in Santa Fe, Roswell, Odessa, Midland and Artesia.

Another Nurse Added To Staff Of Local Hospital

Another nurse has been added to the staff of the Ruidoso-Hondo Valley General Hospital. She is Mrs. Lathy Howell from Lubbock, Tex., who assumed her duties on Feb. 1. Mrs. Howell is married and has four children. Her husband is employed at Mescalero and they live in Ruidoso Downs.

1960 CENSUS DISTRICT OFFICE OPENED

Establishment of a district office for the 1960 Census of Population and Housing at Las Cruces was announced by Director Francis H. Wilmer of the Census Bureau's regional office at Denver.

Arthur Slater will be supervisor of the district office. He will direct a force of 25 crew leaders and 235 census takers in the following counties: Catron, Chaves, Curry, De Baca, Dona Ana, Eddy, Grant, Guadalupe, Hidalgo, Lea, Lincoln, Luna, Otero, Quay, Roosevelt, Sierra and Socorro.

H. H. Shier, Hollywood is taking applications in this area for jobs in the census taking.

COMPROMISE IS NEAR IN ROAD PUZZLE

Mayor Jack Hull told the Ruidoso News early this week he would discuss with members of the Village Board of Trustees a compromise proposal that had been arrived at by proponents of two kinds of Main Road street improvement projects here. Opposing groups favoring a four-lane road with parallel parking and favoring two-lane with angle parking had discussed together the possibility, if the state highway commission will approve state financial participation, of compromising on a road with the width of a four-lane route, but with two driving lanes and angle parking in the congested downtown area of Ruidoso, but on the same width of roadway, establishment of four driving lanes and parallel parking in those areas where parking needs were not as great. (It was suggested a four-lane road with parallel parking could run west from Highway 70 to the west end of the School House Camp Ground, then change to two-lane and angle parking from there westward.)

The project now being considered entails a 66- or 70-ft. right-of-way to include a 4- or 6-ft. wide sidewalk, curbing, gutter, two 10-ft. driving lanes, two 18-ft. parking strips. (Sidewalk on one side of the street might be eliminated in some areas.) Where 4 10-ft driving lanes are proposed, parallel parking strips of 8-ft. width would be the rule.

The compromise awaits word from Highway Commissioner John Sudderth of Hobbs, who had been called by proponents of the two-lane, angle parking, for an opinion on whether the highway department would assist with any other type project in Ruidoso other than a four-lane with parallel parking, as the Village Board of Trustees had been advised. Sudderth said he thought the highway commission would "consider" aiding Ruidoso in street improvement in any project the community agreed on. He is to come here Friday of next week to confer with Ruidoso city officials and others regarding Ruidoso's needs. Mayor Hull said at that time he thought the Village Board of Trustees would have ready for Sudderth a proposal that would suit almost everyone.

Four group meetings have been held in the community by backers of the two ideas—one bunch for four-lane, the other for two—in the last week. Hundreds of words were uttered and even a straw vote was attempted by the Village Council to determine which of two proposals was wanted by the majority of community residents.

A delegation from the two-lane supporters met with the village council Thursday night last week and had the city officials place a third proposal on the straw vote ballot—that of two lanes with angle parking, but with the same width street as four-lane with parallel parking would have taken. When it was known that both groups favored the same width of road, the key was provided to unlock the deadlock, with the assumption there might be state participation forthcoming for "whatever Ruidoso determines it wants," to quote the highway commissioner.

Main contention of the four-lane supporters, until the word came from the highway commissioner, was that Ruidoso would have to foot all the bill for any project but a four-lane with parallel parking. Since it appears this is not so, there might be state aid for the other proposal, the community now is united in one demand—that a good road be put in, properly engineered and with a minimum of cuts and fills. To be voted on in the forthcoming village election will be a general obligation bond issue of $130,000.00 which will be needed to aid in paying damages, and possibly some right-of-way costs. Mayor Hull pointed out last week that an election can be held for general obligation bonds only every other year—which means if the bond issue is defeated this April, the village will have to wait two more years before it can again attempt a street improvement project.

Mayor Hull said also this mid-week that plans that were underway for additional petitions, or straw votes, to determine public opinion, would likely not be needed now—that if the highway commission would agree to Ruidoso's compromise plan it would seem the re-aligned project would satisfy majorities of both factions.

MISS GROJEE

C. Of C. Sponsors 'Running Wild' With Local Cast

Work began this week on the staging of a community stage show, to feature an all-local cast, "Running Wild," sponsored by Ruidoso Chamber of Commerce, and to be directed by Miss Magdalaine Grojee, representative of a company that produces such entertainment for benefits for organizations of all types in cities throughout the country.

Date for the play is Monday and Tuesday nights, Feb. 22 and 23, and it will probably be staged in the new gymnasium-auditorium that is expected to be ready for public use by that date.

Miss Grojee this week was conferring with local C. of C. leaders working towards selecting a cast for the production.

"Running Wild" uses the mistaken identity format popularized by the famous "Charlie's Aunt." After deciding to battle the underworld elements in a small town by running a woman for mayor, the People's Party is faced with a crisis when their candidate is unable to be present for the campaign. A bombastic banker, a lovable old doctor and a television disc jockey collaborate to solve the problem in a dubious but hilarious fashion.

Twenty-four teenagers will be selected to appear as chorus girls in colorful costumes and a number of outstanding acts of local amateur talent will be chosen by the director. Any one in Ruidoso and surrounding community is eligible, and there is no age limit, and those who participate do not have to be members of the sponsoring organizations. Anyone who is interested in taking part is urged to contact Miss Grojee at the Chamber of Commerce office.

"Running Wild" has the unqualified recommendation of many other towns in the nation where it has played to packed houses. Watch this paper for further news and announcements about "Running Wild," Miss Grojee said.

JIM TULLY NAMED THREE-YEAR DIRECTOR ON N. M. APPLE COUNCIL

Members of the New Mexico Apple Council have re-elected Ernest Alary, Sandoval, vice-president and Fred Dixon, Penablanca, director. Alary was re-elected for one year, Dixon for a three-year term. Also elected director for a three-year term was Jim Tully, Glencoe. The officials were chosen at the recent annual meeting of the Council at New Mexico State University.

W. G. Shrecengost, Hondo, president, reports that Council members discussed the possibility of cooperating with New Mexico State University in extending assistance to students in the fields of horticulture and marketing. Members said students should have practical experience as well as technical training upon graduation from college. President Shrecengost will appoint a committee of apple growers to work with the University officials in planning on-the-job training in orchard management.

At their business meeting, Apple Council members also discussed plans to participate in National Apple Week festivities, the State Apple Pie Baking Contest, and reporting of the State's apple production and prices.

WARRIORS MOVE INTO NEW GYM NEXT TUESDAY

The Ruidoso Warriors will play their first basketball game in the swank new gymnasium next Tuesday night with the Capitan Tigers. Two games are scheduled, with the "B" game set for 6:30.

Tonight (Friday) the Warriors are in Roswell for a pair of contests with St. Peter's, who are currently leading in the Mountain Sub-District League. The game with Carrizozo last Tuesday in Hondo was postponed until Wednesday night because of weather conditions in this area.

The new gym is scheduled for a final inspection today, and barring any unforeseen problems will be accepted in time for the open house Sunday afternoon from one until five o'clock.

The Warriors also have set two games with Hondo and Hagerman Friday and Saturday nights of next week in the new Gym. These will be followed by a Monday night game Feb 15 with Cloudcroft before the Sub-District Tournament here Feb 19-20. Indications are that this tourney will include Ruidoso, Capitan, Carrizozo and Hondo, although the outcome of St. Peter's games with Ruidoso and Carrizozo this weekend will have a strong bearing on the final standings in the league. The team winner automatically goes to the District Tournament and does not play in the Sub-District session.

BULLETIN!

Wednesday night at Hondo, Carrizozo defeated Ruidoso 74-54 in the A game, but Ruidoso's B basketball squad came out on top 58-52. The victory was a conference win for the Grizzlies over the Warriors.

CRUSADERS PLUCK EAGLE FEATHERS 64-49

St. Peter's of Roswell had little trouble disposing of the Hondo Eagles 64-49 in Hondo Friday night.

The Crusaders were playing without the services of their top scorer, Barry Rodrigue, but Mike McQuirk canned five shots from the floor and five more at the free throw line for a total of 15 points in leading the Crusaders to victory. Dave Bailey was second high for the Roswell team with 13 markers.

Bias led the Eagles with 14, while the Pineda boys, Vic and Zeke, each had 13.

The Crusaders took a 21-9 first quarter lead and were never headed.

CRUSADERS GET CONFERENCE WIN OVER CAPITAN

The St. Peter's Crusaders got rolling in the second half Friday night and defeated a fired-up Capitan bunch on the Crusader court 59-44. The Crusaders held a slim one point halftime lead.

Mike McQuirk, fast developing into a top Crusader scorer, led the gamer scoring with 17. The ailing Rodrigue saw only part time service and picked up 12 points.

Coach Bob Comeau's charges hit on seven of 11 charity tosses compared to 12 of 26 for the often fouled losers.

The victory was a conference win.

Trout Planted In Ruidoso River This Week

The State Fish and Game Department have planted 10,000 ¾-inch brown trout this week in Carrizo Creek and 20,000 trout of the same size in the lower Ruidoso river, according to a report from Charley Bird, State Conservationist at Capitan. As soon as the weather permits and if the water level in the Ruidoso river holds, trout will be planted at several places in the Middle Ruidoso river also.

Tigers Drop Two Two Weeks Ago

By BARBARA McGREW

The Capitan Tigers and the Hondo Eagles struggled for top score in a fast basketball game on the Capitan court Friday night, Jan. 22.

The screaming Eagles flew ahead of the lumbering Tigers the first half, topping the Tiger score 12-10 the first quarter, and 29-23 the second.

By the third period the growling Tigers had burst into lithe motion to even the score 40-40. The Eagles, however, soared ahead to meet the final buzzer, successfully outwitting the red-faced Tigers with a 60-58 victory.

The beginning lineup for Capitan was B. Huey, Kerr, K. Huey, Smith and Prewit. Hondo began with Bias, McCrady, Pineda, Benavidz and Gomez.

Final counts were as follows:

	Fouls	FT	FB
Capitan	16	19	24
Hondo	13	18	21

The Tigers opposed Hagerman for a one point defeat on the Hagerman court Saturday night, Jan. 23.

The visiting Tigers overran the home team 13-12 in the first quarter. Hagerman warmed up by forging ahead to end the half with a 33-30 lead.

The Tigers stampeded the home team by fast passing to set the score 50-46 ending the third period with the Tigers in front.

Again Hagerman came to life to gain speed and accuracy and meet the final buzzer with a 66-65 victory over the sad Tigers.

Starters were for each team: Kerr, K. Huey, B. Huey, Smith and Prewit for Capitan; Barnett, Gregory, C. Flores, West and Andrews for Hagerman.

Final records were for each team:

	Fouls	FT	FB
Capitan	19	13	26
Hagerman	16	18	24

Impala Sport Sedan

STEP OUT IN IT

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the horse-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful:

Supple Full Coil suspension—Coil springs at *all four* wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their *only* function—they don't have to anchor the rear axle.

Butyl rubber body mounts—Thicker, newly designed body mounts further insulate you from the road.

Body by Fisher—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher.

Foam cushioned seats—Chevy offers foam cushioned seats in both front and rear in all series but one.

Safety-Girder frame—X-built and not merely X-braced, the Safety-Girder frame affords greater rigidity to minimize twisting and squeaks.

Hydraulic valve lifters—Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

Cushioned steering shaft—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel.

Precision balanced wheels and tires—Here again Chevy has shown concern for your comfort by eliminating vibration in this vital area—tire life is longer, too.

Easy steering ratio—Chevy's high ratio Ball Race steering takes the work out of steering for you.

Superior weight distribution—Chevy rides better, handles better and stops better because the car's weight is more equally divided between the front and rear wheels.

Wide choice of power teams—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.

Now—fast delivery, favorable deals! See your local authorized Chevrolet dealer!

THE CHALLENGE OF DISCIPLESHIP

Do you have a purpose in life that 's worth living for?

Many people miss the joy of serving because they have not allowed themselves to be challenged by a worthy purpose in life. One day Jesus was talking with his disciples about his coming death. Peter could not believe that this was the fate that the future held for Jesus. He said to Jesus, "Be it far from thee Lord; this shall not be unto thee." If Peter could have his way there would be no suffering; there would be no cross. His desires had come between Jesus and the will of God. It was God's plan that Jesus die for the sins of man. In the rebuke of Peter Jesus said, "Tho savourest not the things that be of God, but those that be of men." Here Simon Peter learns the lesson that a true disciple of Jesus follows the will of the Master rather than dictating to God the things he would have God do.

Jesus then said to the disciples, "If any man will come after me, let him deny himself, take up his cross, and follow me." The price of discipleship is self denial. It means a denial of our own selves and our desires. To do the will of the Master must come first in the life of a true christian. Only as we forget ourselves and give ourselves are we to find the true meaning of discipleship. One dull summer afternoon the men of fire house number three were sitting in the shade talking about the things in life that bring the most happiness. One of the older men spoke up and said, "Though it may seem strange to you, the time in my life which I felt the most happiness was as I carried the nozzle into a burning building. The flames had trapped about 100 people. I completely forgot myself as I battled with the flames and smoke. To know that I was helping these people brought me my greatest happiness."

The cross that we are challenged to take up is a cross of obedience to the Master. It is to assume our place in the work of the Master as we follow Him. To the fishermen by the Sea of Galilee, Jesus said, "Follow me and I will make you fishers of men." Without questions they followed him. The Lord is giving us the same challenge to be his disciple and follow without concern for ourselves, but seeking always to do the will of the Eternal Christ who saves us from our sins.

Capitan Student Named Winner In Contest

By DOLORES GAVI

Miss Carol Allyn Bonnell, a senior at Capitan High School, was named winner from her school in the 1960 Betty Crocker Search for the American Homemaker of Tomorrow. Basis for the selection was her score on the Betty Crocker test administered to senior girls all over the nation Dec. 1.

Miss Bonnell is an active member of the Capitan Chapter of Future Homemakers of America. She has served one year as secretary, and is serving her second year as pianist for that group. She was elected two years to the position of District VI F. H. A. pianist. Miss Bonnell also attended the state F. H. A. Convention at Tucumcari last spring.

Capitan's "Homemaker of Tomorrow" is a Semi-finalist in the National Merit Scholarship Program. She is also a member of the National Honor Society, President of the Student Council, and secretary of the senior class. She is a member of the National Fraternity of Student Musicians and is serving her third year as varsity cheerleader.

Miss Bonnell's test paper will be compared with those of winners from other schools in New Mexico to determine the state "Homemaker of Tomorrow."

REV. & MRS. HAROLD PERRY

Young Couple Re-Opens Church At Ruidoso Downs

Rev. and Mrs. Harold Perry are embarking on a career of ministry in Ruidoso Downs, reopening the Full Gospel Church, which serves any denomination, and to feature work with young people of the community and lots of singing and music.

Rev. Perry, son of a Ruidoso couple and a resident of this area nine years, has been in Dallas three years and is returning to make this his home. His wife, an accomplished musician, is a student of Southwest Bible Institute in Dallas and is to come here to be with her husband and to work in the church with him within a few days. Mrs. Perry can play five different instruments, and also is a talented vocalist.

Services at the church, which has been closed since Rev. Cecil Smith moved away several months ago, will include a Sunday school at 9:45 a. m., morning worship at 11 a. m. and evening worship at 7:30 p. m. on Sundays, and with mid-week services on Tuesday, when young people and choir practice will be the main objective, and on Friday at 7:30 when prayer meeting services will be held.

Rev. Perry said he and his wife were both anxious to provide activity for the youth of Ruidoso Downs and neighboring communities through the Tuesday evening choir practices and programs.

WHEN A MAN HAS A BROTHER

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	I John	3	9-12
Monday	I John	4	20-21
Tuesday	Romans	12	9-10
Wednesday	Proverbs	17	17
Thursday	I Corinthians	16	13-14
Friday	John	10	9-10
Saturday	Psalms	95	12-14

A man's got to look after his brother. That's what Timmy said the other day, as he stood beside our baby. And I told him he was right. "You are so much stronger than this tiny, little creature," I said. "From now on, you've got a real responsibility!"

A man does have to look after his brother . . . especially when that brother is weak. But there are moments, too, when even the strongest man may need a brother!

In the eyes of the Church, all men are brothers, just as all men are equally beloved. As long as there is a church near you, you are not alone. You have only to open the door and walk in and you will be at one with your fellow man . . . and at home with your brothers.

Nob Hill School

First Grade—Mrs. Jones

We have had several class members out with illness. It is nice to have Etta Shier and Danny Bell back after being ill. We are missing Jan Tully who has been in the hospital and hope she will soon be back in school.

Kevin Lane is most happy with a cuddly new puppy. Barbara Smith brought her clarinet to school to show us. Pat Dunagan enjoyed a short week-end vacation to Elephant Butte Lake. Mike McCarty enjoyed having his aunt and uncle visit him Sunday.

Diana Moore and Mike McCarty brought story books to read to the room last week. We really enjoyed having a classmate read to us.

Those who have made 100 in spelling the last two weeks are: Danny Bell, Lenora Burgess, Linda Kay Ditterline, Pat Dunagan, Doris Gallegos, Dan Garcia, Kevin Lane, Sam Lively, Mike McCarty, Diana Moore, Felecia Morrison, Bill Park, Linda Rahiff, Paula Kay Rowles, Lorenze Sanchez, Hub Traylor, Jan Tully and Gene Walker.

We are very happy to have a new boy in our room. He is Gene Walker who came to us from Tahoka, Tex. This makes 28 in our room now.

Second Grade—Mrs. Sullivan

We are glad to have most all of our absentees back in school.

Delores Garcia celebrated her eighth birthday recently.

We have learned two Valentine songs.

In our science discussion we found that many things that can be learned from tracks made by animals.

Our honor pupils making 100% in Spelling were: Laura Jones, Virginia Klein, Dearl Wayne Joyce, Regina Sharp, Arden Comanche, Vickie Harris, Lillian Randolph and Clay Hull.

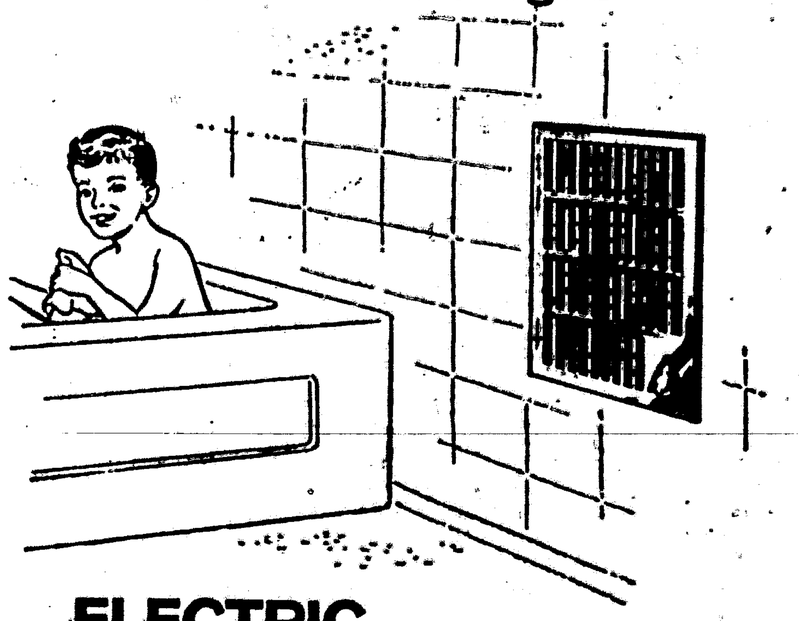
As CLEAN and SAFE as electric light



ELECTRIC Bathroom Heating

Your bathroom walls and tile stay bright and new-looking when you install an Electric Bathroom Heater . . . because electric heat is as clean as electric light. You'll like the safety of electric bathroom heating, too. It's flameless and uses up none of the oxygen in the room. And with thermostatic control, your Electric Bathroom Heater maintains any selected temperature automatically. See your electric appliance dealer or electrical contractor soon about an Electric Bathroom Heater for your home. Easily installed in the wall opening for your present heater.

—vs.—
The following named defendants against whom substituted service is hereby sought to be obtained, to-wit:
UNKNOWN HEIRS OF FRANK W. BANDY, also known as F. W. BANDY, deceased;
ALL UNKNOWN CLAIMANTS OF INTEREST IN THE PREMISES ADVERSE TO THE ESTATE OF THE PLAINTIFFS, Defendants.) No. 6890

NOTICE OF PENDENCY OF SUIT

THE STATE OF NEW MEXICO TO:

Each of the above named defendants, against whom substituted service is hereby sought to be obtained, GREETING:

You and each of you are hereby notified that the above named Plaintiffs have filed their Complaint against you in the above numbered and entitled case and Court.

The general object of said suit is to quiet Plaintiffs' title to the real estate described in the Complaint, situate in Lincoln County, New Mexico, and being:

Lot eleven (11) in Block "G" of RUIDOSO SPRINGS ADDITION, Ruidoso, New Mexico, as shown by map thereof filed in the office of the County Clerk and Ex-officio Recorder of Lincoln County, New Mexico, January 26, 1925, against the adverse claims of you and each of you, and anyone claiming by, under or through you, and to forever bar and estop you from having or claiming any lien upon, or right or title to said real estate.

Unless you enter your appearance in said cause on or before the 14th day of March, 1960, judgment will be rendered in said cause against you and each of you by default.

Plaintiffs' attorney is John W. Thompson, P. O. Box 674, Ruidoso, New Mexico.

GIVEN under my hand and the seal of the Third Judicial District Court of the State of New Mexico, on this the 27th day of January, 1960.

Ruidoso Downs News

RUIDOSO DOWNS NEWS -- -- TRUSTEES VOTE $500 FOR AUDITORIUM CURTAINS

In a recent meeting of the Ruidoso Downs village council, it was voted to allow $500.00 for the Ruidoso School for use in helping defray cost of curtains for the new auditorium now being put in use. The $500 is from the village recreation fund, collected at 1c per pack of cigarets. The Ruidoso Downs trustees judged the project had merit and needed support since so many of the Ruidoso Downs village children will benefit in the improvement in the school which they attend.

Johnny Anderson said he battled the flu for a few hours last weekend and hopeti he had it whipped.

Royce Staples of Ruidoso Downs was honored with a surprise birthday party Jan. 13, at the home of Mr. and Mrs. R. C. Staples in Hollywood. Refreshments of cake and punch were served to the following: Mr. and Mrs. Jackie Taylor, Betty Taylor, Lazell Taylor, Brother and Mrs. Wayne Joyce, Dearl Wayne Joyce, Darlene Joyce, Patty Thomas, Mrs. Royce Staples and Mr. and Mrs. R. C. Taylor.

Patty Thomas was given a surprise birthday party Jan. 15, on her 12th birthday at the Ruidoso Baptist Church. Refreshments of cake and cokes were served to the following: Lazell Taylor, Norma Staley, Betty Taylor, Jo Ann Heady, Darray Howell, Red Farus, Pat Mooney, Troy Farus, Dearl Wayne Joyce, Sue Nash, Darlene Joyce, Brother and Mrs. Wayne Joyce and honoree, Patty Thomas.

Rev. and Mrs. Wayne Joyce celebrated their 12th wedding anniversary Wednesday, Jan. 20, with a social hour at the Ruidoso Baptist Church after the regular Wednesday night services. Refreshments of cake, coffee and cokes were served to many friends.

WALT CROSBY

We find that most property owners, as long as they have a Deed, think that they have a clear title, in most cases, after having a supplemental abstract brought to date, find defects, often minor, and in other cases serious ones, often causing time consuming law suits to get them corrected. Unless you are absolutely sure, it would be a wise idea to have an Attorney to make an examination, especially if you anticipate selling. It is our desire to be of service to you.—Allied Realty—(Adv.)
