The Ice-O-Rama, being built adjacent to the Chaparral Hotel in Ruidoso Downs has tentatively scheduled its opening for about the time the ski season will get underway, which will be about Nov. 22. John Curtin, experienced ice rink operator of several years, has already arrived to begin making plans for the opening and operation of the new recreation facility. He has announced that two others will be on the rink's professional staff to assist with lessons and information. They are Miss Patti Hittle and Wm. (Bill) Knapp. The Ice-O-Rama has already issued a brochure giving prices of skating, rental prices on ice skates and prices of lessons . . .

The State Tourist Bureau is already sending out some articles on skiing in New Mexico for this winter, with the Sierra Blanca Recreation Area here getting prominent mention all along, with this prediction: "The Sierra Blanca had a successful opening season in 1961-62, and is expecting a greater season this winter." . . . Bob Jurney says one of the things that impressed him most during the late summer period when he became our village marshal was the time the friend of a summer visitor, fatally injured with an electric shock, used mouth-to-mouth artificial respiration on the victim. "I thought how wonderful it was that friend had taken the time to learn the technique of mouth-to-mouth artificial respiration. The case he worked on was to no avail, of course, but just the same, he knew how to do it and at some future time he may just be able to save someone's life because he knows it. I'd like to know that more people are learning this, for it makes you feel pretty useless if you stand by and could render aid like this and not be able to sometime. . . . Jurney also says he is mighty anxious for the Ruidoso folks to start driving safely in our four-laned Sudderth Drive—and not cross from one lane to another several times enroute up or down the canyon—and to use the left lane only when they plan to turn left—the right only when they plan to turn right. He says if folks get in the habit of this, they are not likely to get clobbered when they drive to other places—such as El Paso, Roswell, Lubbock, etc., where such safety rules are followed strictly . .

These few sentences above might save you a wreck, some injury, possibly a death if you take them to heart and follow his suggestion.

Former Ruidoso-Hondo Valley Chamber of Commerce President Tommy Perteet says a tip of the hat is due Karl Johnson of the Karl Johnson Advertising & Design Agency here for his work in recent weeks in renovating the large highway signs erected more than a year ago through a campaign staged by the C. of C. Some of the signs were deteriorating before they should have—and Johnson recently began doing them over. Those Tommy says he has seen north and east of here, and some that we ourselves have seen to the west and south, look and shine bright as new . . .

W. L. McDONALD GIVEN POST OF GENERAL MANAGER OF DOWNS

NEW MANAGER — W. L. McDonald, at right, elected by Ruidoso Racing Association board of directors last week in Carlsbad called meeting as new manager of Ruidoso Downs, succeeding Gene Hensley, is shown going over association's books with Cecil Jennings, left, secretary-treasurer of the race track.

W. L. McDonald of Carlsbad, interested in Ruidoso Downs for a dozen years, and owner of the famous "Brigand," was named as general manager of Ruidoso Downs in a special called meeting of the board of directors of Ruidoso Racing Association in Carlsbad Tuesday of last week. He was named to succeed Gene Hensley, who has held that position for about eight years, and was told to "go to work immediately." He checked in here Wednesday morning last week to assume his new duties and immediately went into conference with Cecil Jennings, secretary-treasurer, who had been named to that job during the 1962 racing season. At the time Jennings was picked for that post by the board of directors, Hensley's work had been curtailed somewhat by the board with the naming of Jim Derrick and J. L. Taylor as co-managers. Hensley had been given the title of chief adviser, Walt Wiggins, public relations man for the track, said at the time.

Attending the Carlsbad called session were McDonald, Derrick, also of Carlsbad, who is president of the association; Taylor, Artesia, who is vice-president; Ralph Nix of Artesia; A. A. (Jack) Bradford, Midland, Tex., Melvin H. Tottenhoff, Carlsbad and Lennox Moore, El Paso.

4,100 PANCAKES CONSUMED IN CHRISTMAS LIGHTS STUNT

Local residents consumed an estimated 4,100 pancakes in its first annual Aunt Jemima Pancake Day here last Saturday when the community banded together in a remarkable show of home-town spirit to make the event one of the most successful ever staged.

Sale of tickets for pancakes totaled $1,600.78, Ruidoso-Hondo Valley Chamber of Commerce officials reported. Cost of food and other incidentals totaled about $300 to leave a net profit of about $1,300.00, it was said.

General Chairman Tommy Perteet, and Finance Chairman, Mrs. Billie Clarke were both profuse in their praise of the effort put forth by the several hundred persons who worked on the event before, during and after it was staged. The money raised will go towards a balance owed from last year on the initial purchase of Christmas lights and decorations for Ruidoso, and the balance will be used on the 1962 installment due, A. E. Hunt, man-

Paving District To Be Amended; Lower Cost Eyed

In a special called meeting of the village board of trustees Oct. 12, Village Engineer Quincy Daniel and Darrell Fowler representing a bonding firm, recommended that due to numerous protests on the estimated cost to property owners o be assessed in Paving District No. 2, made during the hearing earlier this month, that center striping and paved entrances might be eliminated to reduce the costs some, and that also there were some streets that needed to be eliminaed. He recommended the village call for a new paving district, to be known as District 2, Amended. The trustees made a tour of the new district with the two men, then moved to put in motion proceedings to accede to the recommendations.

Other business handled in a recent regular meeting of the board was the giving approval to a request by Fire Chief Bob Moore that 15 winter-type fire fighting suits be purchased for use by members of the volunteer fire department; that the Ponderosa Homes model house

Out-of-Towners Named on Committee For Holiday Lights

In a meeting of the board of directors of Ruidoso-Hondo Valley Chamber of Commerce Wednesday noon here in a luncheon at the Holiday House, Mayor Warren Tucker and Village Clerk-Manager Jim Hine were special guests. Discussed was the problem of raising additional money to handle the 1962 payment due on the Christmas lights and decorations initially installed last season.

Mayor Tucker and Clerk Hine reported the village could not spend public money for such items, particularly since they had not been included in the budget; and that the only way the city could participate in the cost was through assistance with labor, transportation and storage of the decorations. "We might could help some in the cost by assisting in buying some of the needed light bulbs, but this will have to be decided by the board," Clerk Hine said.

President of the C. of C. Les Crews gave a report on finances for the lights, noting that the approximately $8,000 worth of lights had been bought from a Phoenix firm for only $4,503 last year, and that $1,000 was made as a down payment then. Crews said $1,500 of the balance is due this winter, as well as $1,000 borrowed from the local bank to assist in cost of installation, wiring, buying bulbs and

Politics Boil, Investigation Is Underway

Politics came to a boiling point in Lincoln County this week with the District Attorney's office ordering an investigation into purchases made allegedly through the county for personal needs by a member of the county board of trustees.

The investigation was ordered after a couple of "Meet the Candidates" sessions held in Carrizozo and Corona in which Kenneth Nosker, chairman of the county board, said purchase of motor from a Roswell auto firm had been erroneously charged to and paid for by Lincoln County. At the Carrizozo meeting, Nosker and County Commissioner Charlie Jones swapped bitter words over the affair—with Jones saying Nosker had asked a voucher calling for payment on the motor be taken out of the county's board meeting action in its July session; and that Nosker later signed the voucher when the board meeting had ended.

Democrats pursuing the matter declared in a meeting of candidates and the central committee held in Ruidoso Sunday night this week that dates on three official papers on file in the county clerk's office showed Nosker had signed his name as commissioner on the original invoice in Roswell in May, had signed the disputed June

'Be Prepared!' Civil Defense Director Advises

In a special called meeting of the Ruidoso Village Board of Trustees Tuesday night this week at the city hall, Dr. Bram Vanderstok, Ruidoso Civil Defense Director, said that because of the alarming situation in the U. S. now, in his capacity as Civil Defense Director, he had called Mayor Warren Tucker and requested a special called meeting to be held on Civil Defense. Vanderstok said his job as Director was an advisory one, and that in case of war, the mayor and city council have the authority to enforce civil defense regulations. Vanderstok further said he had prepared advise to the council and that the council should take actual action and be prepared to the extent that if and when the message comes from Washington, D. C., a push of a button would be all that was needed to put civil defense into action here.

Vanderstok said there are several possibilities of what the situation would be here in case of war. What to do in case of nuclear attack has been published widely, he said, and literature has been distributed on this. He said the most important point was personal survival, and that the national attitude was that there would be no evacuation from towns. However, he said, there will still be large numbers of people who will evacuate from the larger cities. It is a possibility, he said, that without warning, we could get as many as 200,000 people here evacuated from a city like El Paso. He stated that the local city council should make active preparations now to take care of large numbers of people to be able to house them, and for food and fuel.

The police department, he continued, should get ready and have a large organization of deputies to maintain law and order and to prevent looting. The water department and the sanitation department should also be prepared to take care of large amounts of people and see that the water supply is safe. Vanderstok said that Nob Hill School has been designated as an emergency hospital. He suggested that the mayor see that all emergency generators be checked immediately to make sure they are in working order. He further advised that the hospital stockpile medical supplies and other supplies such as food, water, bedding, etc. He also suggested that the local doctors also stockpile medical supplies and drugs.

Other suggestions were that the city council check generators for the city police radio and for the

Those who missed the first dose, because they were out of town, ill, or generally unable to attend, can pick it up from their local physicians at the end of the state-wide campaign.

TWO MEN PERISH IN AUTO CRASH

BULLETIN

Two men, Kenneth Wayne Thomason, 36, Carlsbad, and Clifton Ed Cole, 55, Atoka, Tenn., died in a head-on collision on US Hiways 70-380, on Picacho hill Wednesday this week. Another man was injured. The men were in separate cars. The wreck was a mile east of Riverside.

Two men died late Saturday following a one-car rollover accident on U. S. Highway 70-380 about 25 miles east of here.

Dead on arrival at a Roswell hospital was Brian Colbert Brady, 20, formerly of Brownfield, Tex., who has been working as a bartender at Hollywood Inn in the Hollywood section of Ruidoso Downs, and Dennis Winston Russell, a Negro, aged 50, who had been working at the race track for a stable owner, assisting in training horses. A third man, Mack Adnandu, also a Negro, who has been working as a janitor at Hollywood Inn, was seriously injured, suffering severe scalp lacerations and abrasions of the back of his head, and chest injuries. Brady had severe lacerations behind the right ear and near the right eye and internal injuries.

The other dead man had severe lacerations of the head and an apparent fracture of the right leg.

Russell told officers before he died that Adnandus owned the 1955 car which overturned.

State Policeman Ken Wilson found a citation issued at 2 p.m. Saturday in the vehicle. Ken Shockey told the News he issued it on U. S. Highway 70 between Ruidoso and the Mescalero summit. It stated that Adnandus, who apparently was driving at the time of the citation, was going 80 m.p.h. in a 55 m.p.h. zone.

A witness at the scene of the accident estimated the vehicle was going 80-85 m.p.h. when the accident occurred.

Apparently the vehicle was out of control and went to the south side of the highway and crashed in an embankment.

A Ballard ambulance took the victims to the hospital. State Policemen Ken Wilson, Don Smith and Bob Young investigated.

Funeral services and burial will be held in Brownfield, Tex. Ballard Funeral Home in Roswell was in charge of arrangements there.

Brady had resided in Ruidoso for the past year. He was born May 19, 1930 in Ft. Worth, Tex.

Survivors include his wife, Mrs. Betty Brady and his mother, Mrs. Jewel Harris, both of Brownfield and a sister, Mrs. J. L. Panipinto of Rochester, N. Y.

MAIN SPEAKER — Eugene Lyons, former assistant postmaster general under President Eisenhower, is shown addressing the G. O. P. dinner here at the Chaparral Saturday evening, Oct. 13.

250 ATTEND GOP RALLY

An estimated 250 persons attended the Republican dinner and rally held at Chaparral Hotel Saturday Oct. 13. The $25 per couple dinner turned out a large crowd of local citizens and also attracted a number of state candidates.

Eugene V. Lyons former assistant postmaster general during Eisenhower's administration, was main speaker.

Lyons also charged the Kennedy administration with reckless spending which he said converted a balanced budget at the end of the Eisenhower administration to a deficit of more than $7 million in two years.

"Most of this unjustified federal spending is the creation of special political pressure groups, of those who tell you they can spend your money a lot better in Washington than you can spend it in New Mexico, of those who would use federal money to try to buy re-election, and then lack of the courage to impose the taxes necessary to pay for their spending," Lyons said.

A free people cannot win the battle against world Communism "by spending themselves bankrupt in the vain hope that an all-powerful allwise government in Washington will take care of them from the cradle to the grave," he said.

Lieut.-Gov. Tom Bolack in his brief talk, accused Jack M. Campbell and Mack Easley of touring New Mexico to set up a program of "fiscal tomfoolery."

Bolack brought greetings to the crowd from Governor Edwin L. Mechem who was unable to attend.

Visiting state and county candidates were introduced.

WARRIORS BATTER LORDSBURG MAVERICKS 26-6 FOR SECOND 3B CONFERENCE VICTORY

DEFENSE SHINES IN LAST HALF

The Ruidoso Warriors went on the warpath last Friday night at Lordsburg and marched from a deadlocked 6-6 first half to take a 26-6 victory over the Mavericks, scoring three touchdowns in the final two periods.

A vicious Warrior defense turned back the Mavericks in the second half and allowed a total of minus 25 yards rushing in the final quarter. Two Lordsburg quarterbacks had to leave the game due to injuries as the hard-hitting Ruidoso crew stopped the Mavericks in every series of downs.

The Tribe opened the scoring in the initial period on a three yard end sweep by halfback David Scott. The touchdown was set up by a screen pass on a fourth down and eight situation from the Lordsburg 45 yard line. The play started from a punt formation and was good for yardage to the 10. PAT try by Wes Clark was blocked.

Lordsburg came back moments later and drove 70 yards for their only TD of the contest. A pass from quarterback Johnny Dallies to Frankie Estrada was good for 10 yards and the marker. Try for extra point failed.

The rest of the first half was a punting game for both teams with neither yielding ground. Ruidoso kicked four times in the contest and all four were returned for no gain.

At the start of the final half both teams exchanged punts and the Warriors started a drive after a punt return to their own 45. It took only nine plays from that point to punch over for the counter with Scott scoring again from the three yard line on an end sweep. Scott and William Howard carried the brunt of the attack on eight of the nine plays. Alf Lane passed to Gary Russell for the extra point.

The fourth period saw the Mavericks never able to get out of their end of the field as the Warriors completely halted the Lordsburg running game.

A fumble recovery by Russell set up the third Warrior TD with the score coming on a pass from Lane to Bill Stirman for the marker.

The final touchdown came after the Mavericks gambled on fourth down and failed to pick up the first down. Ruidoso took over on the Lordsburg 20 and on second down Lane passed to Jimmy Steele for the score. Clark kicked the extra point to end the scoring.

The Warriors ground out 13 first downs to eight for Lordsburg and allowed the Mavericks only one penetration which was their lone touchdown.

The statistics show the Warriors intercepted two Maverick aerials and recovered three fumbles. If one had to pick an outstanding player it just couldn't be done as the entire Warrior team turned in the finest effort of the season.

Grid Contest Winners Named

Winners of the football contest appearing every week in the News have been decided for the weeks of Oct. 12 and 19.

Receiving first prize for Oct. 12 was Charles Adair with 12 correct games picked. Adair may collect prize money at Ruidoso Enco Station. Second place went to Marchand McDougal with 11 correct picks. His prize money is at Nob Hill Lodge. Mary Wimberly was third place winner with 10 correct and may pick up her prize money at Whitlock's Jewelry.

For the week of Oct. 19 Ken Newton had 11 correct games to collect first place prize which may be called for at Morrison Chevron Station. Mary Wimberly nosed out Rex Whiteley to gain second place and win prize money for the second week in succession. Prize money for second place may be picked up at Davis Developments. Whiteley missed a tie for second place by only one point on the tie-breaker score and receives third place. He may pick up his money at Gambles.

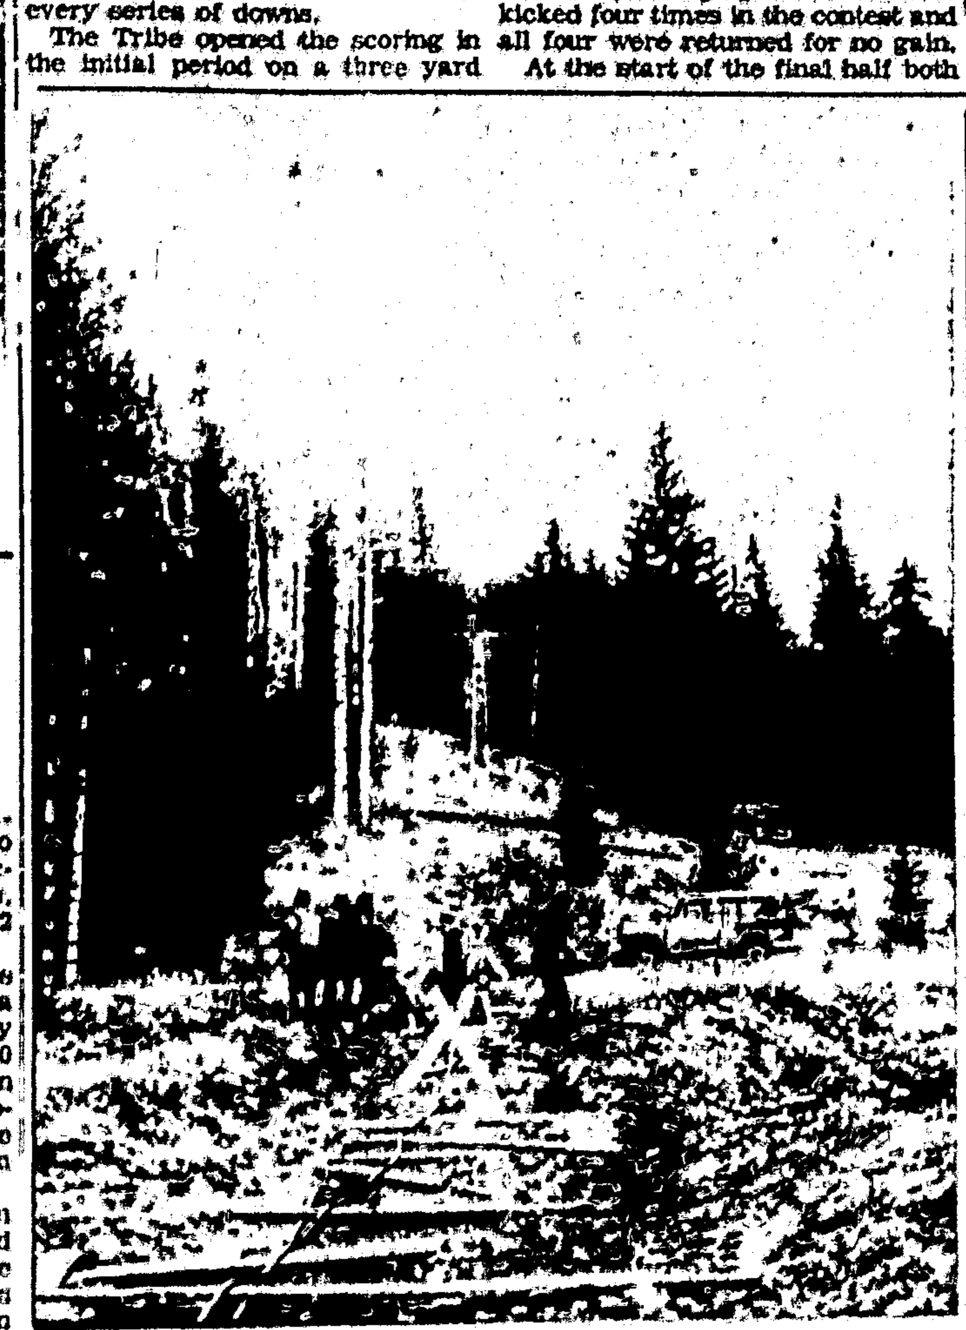
With interest in the contest gaining every week, new contestants are entering with more and more of the newcomers winning cash money.

This week's pages should be turned in no later than 5 p.m. Thursday to either Brunell's Department Store, Dan D. Swearingin, Inc., or Hollywood Cleaners.

TRUCK OVERTURNS ON U. S. 70 NEAR RUIDOSO

A 1960 International truck and tractor, carrying a load of mixed fruits and vegetables overturned last Thursday morning on U. S. 70 a few miles southwest of Ruidoso. The vehicle, owned by Alexander Produce Co., Clovis, went out of control and ran off the wet, slippery road about 500 feet and overturned in a culvert about 15 feet deep. Oliver Zane Rupe, Clovis, driver, was not injured but his load was a scrambled "tossed salad". State Policemen Bill Allen and K. G. Shockey investigated the wreck.

Gambles, the Discount Store, has the stock of furniture, and the best prices. Shop now.



CABLE GOES UP — Workmen are shown stringing cable along route of steel towers to carry 100 gondolas to top of Lookout peak out of White Mountain Park. The gondola lift will be ready the latter part of November for use in carrying skiers to top of 11,000-foot peak and to carry sightseers all year 'round to get a panoramic view of all southeastern New Mexico.

Sonney Wright Winner In Matched Roping

By AILEEN LINDAMOOD
(News Staff Writer)

In the matched steer roping held at Carrizozo Sunday, Oct. 14, Sonney Wright of Alto came out the winner. He won $2,000 along with a Gene Hensley Trophy. The match was between Sonney Davis of Kenna, N. M. and our own "Sonney" of this community.

These two men compete annually and they have both rated in the top ten ropers for many years. This past year Sonney Davis was second for the year and in 1961 Sonny Wright placed fourth for the year.

Bees Play Cloudcroft Friday

The Ruidoso B team riding atop a two game winning streak journey to Cloudcroft today (Friday) for a game with the Varsity squad of the Bears.

With victories over Carrizozo and Capitan in their last two outings, Coach Ken Newton and the A team understudies are hopeful of a win to gain a 3-2 season record.

Game time for the contest is 1:00 p.m.

Tribe Dumps Foxes, 27-13

In a non-conference game Oct. 12 the Ruidoso Warriors journeyed to Ft. Sumner and downed the Foxes, 27-13.

The locals struck quickly in the first period on an intercepted pass to set up the first tally. Jerry Watley, defensive back, who has run back one interception this year for 80 yards, snagged a Ft. Sumner aerial on the first play of the game on the Ruidoso 30 and dashed all the way down to the Foxes' five-yard line. Bill Stirman went from the five on an end sweep the first play for the touchdown. Watley's conversion try was wide.

For a while it looked like Ft. Sumner might make a fight of it, using a sleeper pass to gain 40 yards and score in eight plays on a three yard off tackle dive. The Warrior line broke through and blocked the extra point try.

On the Ft. Sumner kick-off, Alf Lane returned the ball a terrific 80 yards for Ruidoso's second TD. Vicious blocking paved the way for the speedy back. The extra point was good on a pass from Lane to David Scott.

In the second period a Ruidoso lineman had the opportunity every defensive lineman dreams of. Bob Murray, defensive tackle of the Warriors, scooped up a Ft. Sumner fumble on the Ruidoso five and raced 95 yards to paydirt. Lane added the PAT on an end sweep.

Bill Stirman marked up the final six points for the Warriors in the third period on a 10 yard pass from Lane after a drive of 40 yards. Watley kicked the point.

The Foxes could muster only one more scoring drive and that in the fourth quarter against the Ruidoso second unit. The score came on a ten yard run.

The explosive offense of the Warriors which has come into its own in the last few games provided the difference in the scoring and the tough defensive line led by Bob Murray, Wes Clark, Bob Akins, Dave Jurney, William Howard and Gary Russell combined to deal Ft. Sumner misery.

ATTEND FUNERAL

Mr. and Mrs. Roy Baker were in Knox City, Tex., early last week where they attended the funeral of a longtime friend, Jimmy Branch, 47, one-time editor of the Knox City paper when the Bakers lived there. They returned home via Lubbock to visit with Mrs. Branch for a few days. The Branches had moved to Lubbock from Knox City a few years ago.

TRIBE TAKES REST; NO GAME TONIGHT

Ruidoso's Warriors take a much needed rest this week before embarking on the most important contest of the year next week against the Hot Springs Tigers of T or C. The winner of the game will decide the 3B champs. The tilt will be played Saturday, Nov. 3 and will be the Warriors' annual Homecoming.

The battle should prove to be one of the best Class B games in the state, with Ruidoso needing the victory to put away the conference title.

Lordsburg goes to Hot Springs this week-end to try for an upset over the highly touted Tigers.

The conference can end in three different ways, depending on the outcome of the Lordsburg-Hot Springs battle. If Lordsburg should upset the Tigers and Hot Springs beats the Warriors, the Mavericks from Lordsburg would be the conference winner, or if Hot Springs downs the Mavericks, Ruidoso will need the win for the championship. Hatch and Tularosa are both out of the race as Hatch has lost three and Tularosa is also winless in conference play.

Coach Ken Newton reported early this week the Lordsburg game was truly a fine team effort with every player showing an outstanding desire and determination to win. Newton also reported only one injury in the contest, but said the team needs this week's open date to recuperate from nagging injuries that have plagued the squad all season. Tackle Bob Akins was the only casualty last week. He collected a twisted knee, but should be ready for the homecoming tilt. Bob Murray, also a tackle, missed the battle last week and should see action against Hot Springs.

Sports Sputs

Kingsbury Pitcher of Sierra Blanca Corporation was scheduled to speak Thursday night this week to the Desert Ski Club in Alamogordo, and to hold a question and answer session with the club members about the 1962-63 ski season in Ruidoso.

Pitcher also was scheduled to speak on the new season's prospects at Sierra Blanca in a meeting of a ski club in Roswell Wednesday night this week.

C. L. (Bones) Wright announces C & L Lbr Co will award a 44 Magnum rifle to some lucky hunter this year. Hunters who have their big game license are eligible to sign up for the rifle, with no purchase necessary. It will be given shortly before hunting season opens.

On a visit to Abilene, Tex., recently June Frost reported she landed a six-pound channel catfish with a fly rod after a battle of several minutes. She also caught several two and three pound bass, and a couple of tubs full of perch.

The beautiful palomino horse George Bunal has and had been using several years on his elk and deer hunts fell off a cliff in Colorado last week-end and was killed, Mrs. Bunal reported she was told in a phone call from George.

Local Men In Colorado For Elk Season

Eight local men left last week for Pagosa Springs, Colo. for the annual elk season. The hunters plan to be gone about a week.

Of the eight men several of them have hunted in the Pagosa Springs area for the last five years. Making the trip were: Buzz Murrell, Grover Lusilin, Bill McCarty, John Smith, Stormy Edwards, Ed Wimberly, Allen Lusilin and B. J. Watkins.

Paul Douglass, Ruidoso real estate man, in company with Dick Ratliff of Littlefield, Tex., former Ruidosoan, and a couple of neighbors in Texas, is in Colorado this week, also, on his annual elk hunt.

Leck Cowden and Walter Faye Wright left recently for an elk hunting trip to Colorado. The pair is hunting in the area west of Ridgway, Colo.

B Team Wallops Capitan

Tuesday night this week the Ruidoso Warrior B team traveled to Capitan and ground out a 13-6 victory over the Tiger understudies. The victory gave the Bees a 2-2 season mark.

Capitan stunned the Ruidosoans early in the first quarter with a trick play that caught the locals by surprise. The play was good for 60 yards before being stopped deep in Ruidoso territory. A pass play provided the Capitan crew with the counter on the next play. Extra point try was no good.

Kenneth Clark got the B team back in the game in the second period on a 30 yard run through the middle of the Capitan line. A pass from Alan Ross to Larry Simon gave the locals the lead of 7-6 on the PAT.

Again in the third quarter Kenneth Clark broke loose again thru the line to go 50 yards to paydirt for the final touchdown. Conversion try was no good.

Playing outstanding football for Ruidoso on defense were Ross Smith, Prentice Crost, Larry Simon and Pat Lamb. Starring offensively were Alan Ross at the quarterback slot, Clark at fullback and Darrell Stierwalt in the line.

Tigers Claw Corona

The Capitan Tigers ran around, over and through the Corona Cardinals last Friday night at Capitan for a lopsided 53-0 Homecoming victory.

David Silva scored three touchdowns, passed for another and scored two extra points as he led the Bengals in the scoring parade. Six players figured in the final totals as the Tigers took a 32-0 halftime lead.

The second unit took over in the last half and marked up three more counters on the scoreboard.

Besides Silva's scoring splurge, Lujan, Carabajal, Walker, Guevara and Cozzens picked up touchdowns.

Rosa Montoya was crowned Homecoming Queen of 1962-63.

GRIZZLIES TOP DEXTER

Bobby Ortiz led the Carrizozo Grizzlies to a 27-0 victory over Dexter at Carrizozo last Friday night to hold its lead in Dist. 2C.

Ortiz ran for 202 yards and passed for 109 as he was the whole show in the victory.

Held scoreless the first period, the Grizzlies took a 13-0 halftime lead and extended it to 20-0 after three periods.

The win gave Carrizozo a 4-0-1 record in Dist. 2C and a 4-2-1 mark overall. Dexter is now 1-4 in district and 2-4 for the season.

Capitan Nips Melrose, 12-7

Capitan's Tigers squeaked out a narrow 12-7 victory over the Melrose Buffaloes Oct. 12 at Melrose. The win gave Capitan a 4-3 season mark to that date.

Melrose broke into the scoring column first in the early part of the second period, after both teams had forced substantial drives in the first quarter only to have them nullified by penalties or pass interceptions. Bradley scored for the Buffaloes from the five yard line after a 50 yard sustained drive. Gonser followed the same path for the PAT.

The Tigers evened the score before the end of the half on a 31 yard pass play from David Silva to end Kenny Cozzens for the tying marker.

Capitan took the lead in the fourth quarter after a drive from the Tigers' own 40 yard line in just seven plays with Leo Lujan going the last five yards for the counter. The try for point was no good.

contest, with prizes offered in three classes. A one-year lollipop, probably bigger than the contestant, will be awarded the pre-school age young lady with the best costume; and tickets for the various carnival attractions will be given as prizes for best costumes in the Nob Hill school group and the Elementary and Junior High group.

A deer hunting rifle is to be awarded, given by the P-TA as part of the evening's attractions. Enough advance ticket sales had been made early this week to pay for the rifle, according to Cecil Smith, and all additional tickets sold will provide a profit on this feature.

Food booths, a bingo table operated by the Lions club for the P-TA, a penny pitching board, baseball and hoop throwing booth are to be in operation along with a spook house. A short comedy skit, "Lulu's Operation," is to be given some time during the evening to add to the hilarity.

A country store will be held to which carnival attendants may bring jams and jellies, white elephant items they have around the house, to be sold. Bob Langford is in charge of this new feature.

Climaxing the evening for the teen-agers will be a dance at the school band hall, with the Potter boys providing the music.

Merchants Urged To Close For Homecoming

Ruidoso business houses are urged to close Saturday, Nov. 3, for the Warrior football homecoming game with T or C.

The annual Homecoming contest will start at 1:30 p.m. with several businessmen already promising to close for the game. Dave Parks, president of the local Quarterback Club, said this week.

Several Homecoming activities are on tap which will be kicked off by a bonfire and pep rally Friday night before the big day.

A final plat of Pinecliff Subdivision in the eastern part of the city was approved on recommendation of the Planning and Zoning Commission.

Trustee Lloyd L. Davis, Jr. made a motion, seconded by Trustee Jodie Filleman that the Ruidoso building code and fire zone be abolished and that the State of New Mexico Uniform building code be adopted in its entirety except for that portion having to do with the charging of fees for building permits, also that part having to do with metal buildings. The board decided to act on the motion at its next meeting.

He received a rousing round of applause for his final remarks on America's need to shake off its complacency, drop the main ideal of "getting rich" and instead tackle the problems of human understanding and relationship among peoples of all races, creeds and religions.

Alamogordo's invitation, extended through both the woman's club and the junior club there, for hosting the 1963 fourth district meeting was accepted. Date will be announced later.

Among speakers during the program were Mrs. Phil Porter, State Federation president, who gave briefs on state activities; Mrs. Sam Johnson, second vice-president of the federation, who conducted a club forum assisted by Mrs. L. V. Waltz; Mrs. Marvin Squires, junior club director whose topic was "See Here, the Juniors," and Mrs. M. R. Baumgartner who reported on the Harriet Donoho scholarship fund. District club presidents reported on their area activities.

local radio station which would be hooked up with CONELRAD; the Forest Service, he said, should be a part of civil defense and should be closely connected with the local fire department and police; the ministers of the various local churches will take care of vital statistics, displaced persons and spiritual needs, and the local Jeep Club will be used for transportation and rescue work, he said.

Vanderstok, in his speech, continually stressed the fact that everyone should be prepared, so that if the order comes from Washington that civil defense is in force, "all we have to do is push a button."

Present at the meeting were Mayor Warren Tucker, councilmen Ben Donathan, Jodie Filleman and village clerk-manager Jim Hine who was sitting in for Lloyd Davis, Jr., who was unable to attend. Bill McCarty, another councilman, was out of town. Others attending were Ds. W. D. Horton, Dr. R. L. Annais, Dub Williams who is Deputy Civil Defense Director; Jack Crandall of radio station KRRR, Joe Coe, Bud Starkey of the Forest Service, Wayne Estes, Fire Dept., City Marshal Bob Jurney, Deputy Sheriff Jack Bryan, and representatives from the hospital, Owen, Caylor, Bryan and from various local organizations, Della Hale and Rev. J. Saylor.

Following the meeting, the city council met to begin action immediately on the recommendations presented by Civil Defense Director Vanderstok.

Local citizens are reminded of the following essentials of self defense, shelter and survival: Dust-proof shelter, car in good order and full of gasoline, car radio in good order, 14 days food and water supply, first aid kit, flashlight and batteries, and blankets and warm clothing.

Roy Baker, local ham radio operator has been alerted, and is ready to serve the community with his two radios, it was reported.

evening was Junio Lopez, candidate for Congress, Place 2.

He cited what he said were examples of mismanagement of public monies.

"I can stand here for one hour straight and tell you of the federal waste that is going on in Washington," Lopez said.

Mrs. Frances Shipman, candidate for secretary of state, said the state and nation now are facing the most serious times in its history.

"We are now going down stream at too fast a rate toward socialism. Now is the time to stop the floodwater of socialism going through our state," Mrs. Shipman said.

She urged the election of Republican state representatives "to help Ed Mechem pull New Mexico out of the chaos it is in now."

Edwin Stockly, candidate for attorney general, also urged precinct workers to get the GOP message across to the voters.

"The Democrats are desperate to get control of the state," Stockly said. "They've got to have it to keep control of their spending regime, both on the state and national levels."

Louis H. Laney, land commissioner candidate, told voters an utter disregard for financial responsibility on the part of Democrats has become a very grave problem.

CHRISTMAS LIGHTS—
(Continued from Page 1)
maintenance last year. "With a balance left over of $19.29 from our lighting fund from last year, and with a net profit of about $1,283.66 from our Pancake Day porject last Saturday, we have enough to pay the bank's $1,000 note, but will need more funds. We paid a total of $1,-050.84 on our lights last year, plus the $1,000 down payment. We think we can handle the 1962 finance problem, too, but it takes the cooperation of lots of people. We do n t want to have to go back to our merchants for any more donations."

Mrs. Billie Clarke, chairman for the holiday lighting project, said she thought out-of-town residents who own property here, who enjoy the beautiful sight of a gay yuletide decoration program, might be called on to assist the homefolks in the costs of the project this year.

At the suggestion of Board Member Ralph Petty, Mrs. Clarke named a committee of six out-of-town residents who have summer homes or cabins here which they visit frequently, with the idea they might help in securing financial aid from others of their kind. She named Mrs. M. H. (Mary) Watson, Lubbock; Mrs. L. R. Spires, El Paso; George Meyers, Houston; "Cap" Arrington of Ruidoso and Roswell; Mrs. Barney Hopkins of Carlsbad and Robert O. Anderson, Roswell.

★

Dear Vic

We were so impressed by the wonderful Christmas lighting and decoration program that Ruidoso has underway that we thought other Texas folks, like us, who own homes and property in Ruidoso, might be interested in joining with you in raising the necessary money to take care of this most worthy project. We think it would be encouraging, and certainly very fitting, for the folks who make their home elsewhere, but who have places in Ruidoso which they visit during the summer and on holidays, to make some appreciation offering. We are glad to participate ourselves. We think Ruidoso has a wonderful spirit and like the idea very much of making this the most beautiful Christmas City in the Southwest.

Mrs. M. H. (Mary) Watson
Lubbock, Texas

Pinecliff Subdivision Gets Approval

In the Village Planning and Zoning Commission regular meeting last week Pinecliff Subdivision located in the eastern part of Ruidoso, and being developed by Davis Developments was approved. Lloyd L. Davis, Jr., representing the same company, offered a replat for consideration on lots 1, 2 and 3, block 7 of Ponderosa Heights, which received approval.

The commission also discussed the need for regulations of mobile homes and it was the opinion of the commission that a rigid enforcement of the health and sanitation code would be the best approach in dealing with the heavy influx of mobile homes here.

A special meeting has been called for Nov. 5, in which a successor to Chairman Elmer Pirelli is to be named. Pirelli has missed four regular meetings, it was noted.

JAMES G. SAYLOR
Minister First Christian Church

"Here Am I. Send Me." Isaiah 6:8

When Isaiah had a vision of the Holy One in the temple, he was given a transforming experience. He "saw the Lord, high and lifted up." Affairs of state were not running smoothly. It was "the year that King Uzziah died." A great number of people had put their trust in the temporal king . . . people who evidently had not come to trust the King of all creation. Isaiah, though a great prophet of God, went into the temple with the concerns of the temporal government weighing heavily upon him.

During the transforming experience of the prophet in the temple, Isaiah became aware of the beauty and fulfillment of a life given up to sovereign rule of Jehovah God. He found what a poet of centuries later found; that, "Princes and lords may flourish or may fade." And he found what St. Paul wrote about, "The things that are seen are temporal, but the things that are not seen are eternal." There was another and more far-reaching event of that temple visit, and that is, it was a purifying experience, a spiritual refining. It came about when Isaiah saw his need of cleansing, "for mine eyes have seen the King, the Lord of Hosts." Then one of the seraphims came with a coal from off the altar and caused it to touch the lips of the prophet. After that Isaiah heard the voice of the Lord declaring that he needed some one to go forth in service and the Lord said, "Whom shall I send; And who will go for me?" Then Isaiah said. "Here am I. Send me."

It isn't very hard to find workers and even volunteer workers if they have "seen the Lord, high and lifted up." . . . If they have had the cleansing of the fire from the very altar of God. People like that can set aflame many other hearts and often help nominal Christians to experience a new joy in the service of the Lord. It has been the source of Christian joy recently when several people have accepted, and in some cases volunteered, in many areas of Christian concerns. Before coming to my present pastorate it was my task to secure heads of the various commissions of the area of New York, New Jersey and all of the New England states. One who served for some time as president of the Christian Women's Fellowship for the Northeastern Association of Christian Churches responded when I talked to her about taking the chair on one of the commissions. She said, "Is this just a title or is there something I can do?" She wanted no soft berth. She wanted to be on a commission that really went to grips with something vital. When I assured her there was a lot to be done and went over the field of work and the duties entailed, she accepted readily. Two women who witnessed the constituting of the World Christian Women's Fellowship in a convention in Toronto, Canada and who attended the first Quadrennial Assembly of the Christian Women's Fellowship at Purdue University in West Lafayette, Ind., had a great vision of the needs to be met and were fired with a desire to respond to calls for service and contribute what they had experienced to the local church.

The call may come in many different ways to people of very differing personalities and potentialities. To illustrate, I was reading of an experience of George Washington Carver. He was a great scientist in a field that lifted the economic lives of many people. The story says that Carver was walking in his garden one day and he desired that God would unlock for him some of life's great secrets. When no revelations or earth-shattering secrets seemed to be coming, the scientist said, "Lord, unlock for me the secrets of the lowly peanut." And God did just that. George Washington Carver was able to do almost innumerable things with the peanut. Later, he asked God to do the same thing with the sweet potato. And God showed him many possibilities for helping people through products coming from the sweet potato.

Yes, God places no limit on accomplishments for the one who will say, "Here am I. Send me."

GETS WAR BONNET — Eugene Lyons, former assistant postmaster general under President Eisenhower, shows surprise as Frank Botone, Ruidoso, places an Indian headdress on the visitor who came here to speak at the G. Sparks from —our— Ruidoso-Hondo Valley C. of C.

The nicest thing about Pancake Day was the neighborliness and good fellowship it brought into the open. It showed all of Hondo Valley and Ruidoso in its true light as one community of friends and neighbors.

It would be nice to thank everyone publicly by name all who helped in any way, but that would require a census enumeration of most every man, woman and school child in the area.

So without calling any names we say "Thank You" to every Committee Chairman and member and to every volunteer cook, waiter, bus boy or ticket salesman, to the news people, both paper and [illegible] and to the public school people.

We believe we have found a way to finance our Christmas Lights year after year. After we get over the hump of initial cost and installation we can continue to develop them to portray in beauty and color the Christmas Spirit loved and celebrated by all our people.

The little coal mining town of Madrid, New Mexico, used to attract visitors from all over the nation with Christmas decorations. The coal mines were shut down and the people moved away so that the program was discontinued. We have a natural setting for the creation of similar beauty. Let us build toward it.

The gross from ticket sales for Pancake Day is $1600.78. The cost of food was $243.12 which leaves a total of $1 357.66 for the Christmas Light Fund. There are a few small bills still out.

The Chamber of Commerce called a special meeting with city officials for Wednesday noon this week to work out problems still facing us in getting up the lights.

We sincerely hope that it will not be necessary to ask for further cash donations this year.

NEW RESIDENTS — Mr. and Mrs. Jack Stall of Albuquerque last week assumed management of Thelma Crosby's Sundries store next door to Ruidoso State Bank. The young couple has been visiting in Ruidoso for many years; decided to make this their permanent home.

NEW RESIDENT — Hugh V. Saxon, new watch and jewelry repairman at Whitlock's Jewelry, left is shown with Claude Whitlock, owner of the store. Saxon moved here last week from Ohio with his wife, Barbara, and their daughter, Karen Sue, 11. Another daughter, Lee'Ann, is in college at Sacramento, Calif. Saxon succeeds Paul Brown in the watch repair department.

Albuquerque Couple Buys Thelma Crosby Sundry Store Here

Mr. and Mrs. Jack Stall of Albuquerque have purchased the interest of Thelma Crosby in her drug sundry store here east of Ruidoso State Bank. The new owners assumed management last weekend. Mrs. Crosby said she would return to her home in Roswell for a rest for several weeks, and outside of that, had no plans for the future at this time.

The Stalls are parents of two children, John, aged 15, and Steven 11, both of whom are enrolled in local schools. Mrs. Stall is the daughter of Mr. and Mrs. R. C. Pierce, who own a home here, and have been coming to Ruidoso for many years on visits.

Name of the firm will remain Thelma Crosby's Sundries, it was announced.

News' Typesetter's Stolen Car Found Near Roswell

The 1958 Ford passenger car owned by H. B. Flanagan, linotype operator for the Ruidoso News, [illegible] from its parking place across the street from the News office at about 6:30 Monday evening last week, was recovered by [illegible] in Roswell after it was [illegible] by the Roswell police Wednesday morning. Village Marshal Bob Jurney tipped Flanagan that he had a report from a Ruidosoan, E. G. (Jake) Allen, that he had seen the car parked along the highway Wednesday morning. Police checked the possibility it was there, and after reporting its discovery Flanagan went after the vehicle on Wednesday. He said it was out of gas and the keys were missing, but the car was not damaged.

TAKE TIME FOR THE LORD
ATTEND CHURCH SUNDAY

EVERYONE IN THE CHURCH — THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Letters to the Editor

Mr. Vic Lamb,
Editor, Ruidoso News
Ruidoso, New Mexico

Dear Vic:

In the Ruidoso News last week, Mr. Bill Toole was quoted as stating that he didn't think another flight service charter should be granted for the Ruidoso area. In other words, he doesn't think Ralph Brown is entitled to a charter. The hearing to which Mr. Toole's statement referred is to be held at the Ruidoso City Hall at 9 a.m. Oct. 30, the purpose of which is to decide whether or not Ralph Brown is to be granted a State Charter to carry passengers.

We know from Mr Toole's past record on the Planning and Zoning Commission, in which he tried to cram down the throats of the people of Ruidoso, ordinances which they did not want, that he doesn't believe in Individual Rights. If any one is entitled to a Charter to operate a flight service out of Ruidoso, it is Ralph Brown. Ralph is one of the finest and safest pilots in the Southwest, with many thousands of hours of safe operation. He is a perfectionist when it comes to the upkeep of equipment. The people of Ruidoso would have been without flight service for many years had it not been for Ralph Brown.

Does Toole by any chance, fear the competition that Brown will give him? Or does he think because he is Bill Toole that he shouldn't have any competition? Competition is healthy and is certainly good for the community.

I wonder if Toole has a VALID State and Federal Flight Service Charter at this date 10-24-62? The charter he purports to have is the one that Ralph Brown sold with the airport operation, but was not returned to him when the airport operation was repossessed. In all probability this repossession would not have taken place had not Toole moved in and taken over.

I don't believe the people of Ruidoso want Bill Toole to have a monopoly on flight service out of Ruidoso. If they don't they can make their wishes known at this hearing.

Ruidoso Downs

By TRUDIE BALCOM

Mrs. Ann Christenson of Ruidoso Downs and Mr. Harold Coe of Albuquerque attended the steer roping contest in Carrizozo Sunday, Oct. 13.

In various stores and businesses will be found bottles placed to help select a Hallowe'en Queen to reign over the carnival to be held soon. The votes are only a penny each, but each cent counts one vote, so let's all get behind our favorite gal and vote.

Mrs. Tul Stansell has returned from an extended visit in Carlsbad.

The B. A. Arnetts have almost had to push out the walls of their home, and glad to do so, for they have really been having lots of company. Their two sons, Bob and son Bobby, and son Bill, Mrs. Arnetts' brother, Charles Roland of San Jose, Calif., their daughter and son-in-law, Mr. and Mrs. Gerald Hutchins and babies of Alamogordo, Alton Sims and son Ronnie, Jimmie Sims all of Tucumcari, and Mr. and Mrs. Chris Starr of Capitan.

Ruidoso Downs got a light rainfall Monday night. We notice that the hillsides are changing colors, though a bit late for the Aspencade.

Sight of the week: Hunters getting their gear ready to go hunting for elk in Colorado.

Bernard Michael "Red" Keohane was a visitor in Ruidoso Downs Tuesday. Mr. Keohane maintains a home here and in Roswell.

A nice turnout was reported from the Republican dinner held at the Chaparral Hotel last Saturday night. Again, compliments were heard on the excellent food and service, and the management is to be commended on the handling of the affair so efficiently.

TREES IN TOURIST COURT — When Fiesta Courts constructed an annex on the hillside south of the downtown tourist accommodation, six pine trees standing along the way where the annex was built were left standing and the rooms built around them. This photo shows some of the trees coming out of the roof of the new structure.

A slumber party for the G. A. girls of the First Baptist Church of Ruidoso, at the home of their sponsor, Mrs. Pat Keohane of Ruidoso Downs. Refreshments were served and abut 16 girls reported as having a very delightful time.

Who was the young man that Patsy Arnett was seen showing the town Monday night? We hear that young, attractive redhead, Miss Arnett would be a very good candidate for the Chamber of Commerce.

Why would a good looking, tall, dark young man, extremely curly hair, go to all of the trouble of going to a local beauty shop and have a blonde streak put in the front? Do you like that, Francis?

Mr. and Mrs. Henry McQueen and daughter, Susie, visited friends in Ruidoso and Ruidoso Downs over the week-end. The McQueens are from Hobbs and are frequent visitors here.

Mr. and Mrs. Bob Carter, formerly of Ruidoso, moved to California recently, Bob didn't go for the heavy fog (personally we think he just got homesick for the hills, Nita, etc.) moved to Kerrville, Tex. and stopped by to visit friends in Ruidoso Downs Sunday on their way to Texas. The fog may not have agreed with Mr. Carter, but Mrs. Carter looked so nice with a glowing tan, she gives Texas sun the credit. We miss them and glad they have moved closer to us.

Sunday afternoon, Oct. 21 the new Villa Inn did themselves proud playing hosts to a Democratic coffee. It was the first time so many local people had had a chance to go through the Villa Inn and everyone was impressed at the hospitality shown and the complete decor of the Inn. We hear comments of disappointments that the coffee shop closes Sundays as many like to go there for their food is highly recommended.

Mrs. Earl Paxton is reported to be ill in the hospital.

Our sincere sympathies go to the families of Bryan Brady and D. W. Russell who were fatally injured in an automobile accident Saturday night, Oct. 20. They were new to the community but had made many friends. This columnist can know, and does know the heart aches from such a sudden tradegy and can only offer the words: "Have faith, there is Some one Higher who knows and understands and He will take care." We hope that Mack recovers soon and will be back on the job.

A truly modern love story could be written by and about Myrela Bartlett and "Slim" Craig who were sweethearts 25 years ago, they married someone else, and on May 8, 1962, met again and are getting married soon. It couldn't happen to two nicer people.

Why was Dorothy Sample of the D and D Beauty Shop, observed early one morning sweeping gravel off the frontporch, checking windows to see that none were cracked and could be heard muttering: "Boy, when I see him again," James even checked the new sign for signs of scratches. Gravel flew clear to Ruidoso Downs and we thought it was hailing outside.

A good turnout was reported for the Aunt Jemima breakfasts held last Saturday at Noh Hill School Cafeteria. This writer attended and was surprised to find outhow many local businessmen could cook. I wonder if they do that at home.

Belated birthday greetings to Austin "Butch" Bryant III who was the guest of honor at a party and received many gifts — one could be highly significant and "Butch" is going around in a daze, we know that sooner or later the "love bug" would bite him, too. The young lady is a livin' doll.

Mr. "Dub" Phillips stopped by recently to say hello to friends. The Phillips' have several horses and maintain a home here the year around.

Mr. and Mrs. Tull Stansell were in Sunland Park over the week-end.

Mr. "Shorty" Ellis of Glencoe stopped by and visited friends here Monday.

What local (recently moved here) mechanic is squiring what waitress around town and even showing her the moon from the Summit?

Mr. and Mrs. Frank Davis of Ruidoso Downs attended the funeral of Mrs. Davis' brother-in-law, Buddy Franks, who died in the Ruidoso Hospital Saturday night. The funeral and burial was held at LaLuz.

Mr. W. L. McDonald has assumed the newly created post of General Manager of the race track. Mr. McDonald is from Artesia.

Mrs. Dancy Griffith is ill in the Ruidoso Hospital with the flu.

Congratulations to our football team for playing and winning a real football game and really giving Lordsburg the ironing they deserved. Our team stands a good chance of going to state. Keep winning boys, and I will keep rooting for you.

Mrs. Alton Gray arrived home after a visit with her nephew and family, Mr. and Mrs. John Turner of Las Vegas, Nev. John and Helen drove Dorothy home and stopped in at friends to renew friendships. They have returned home.

The parade for the Aunt Jemima breakfast was very cute and effective in advertising. One of our local men was seen driving in it and when complimenting him on being so civic minded and joining in the parade, retorted "Shucks, I got caught in it and it took me 30 minutes to get home."

Joke of the week: What is the difference between Daddy and Daddy-O—Answer—25 years.

Mr. and Mrs. Richard W. Crane of Fremont, Calif., newlyweds, visited friends in Ruidoso Downs over the week-end. Mrs. Crane is the former Caroline Adams, daughter of Mr. and Mrs. Wayne Adams of Ruidoso. Caroline and Ricky met and after a whirlwind and storybook romance were married and Ricky just sneaked about the prettiest girl in these parts right away from the local boys.

Mr. and Mrs. Carl Morrison and family have moved to Alamogordo. Carl is the leader of the western band at Olin's.

Our newest and prettiest surveyor around is Mrs. Blanche Lawson. Blanche dropped in for coffee recently and reports subdividing the Palos Verdes Estates.

With the election time fast approaching a thought occured, why aren't more young people, the youngs ones turned 21, more interested in politics? In most communities there are young Democrats and young Republicans.

That young man about town Jay Jones who resides in Spring Park addition recently hosted a dinner party for Mr. and Mrs. James Sample of Gateway and Mr. and Mrs. Robert Shultz of Alamogordo.

The latest fad in cooking is making grape jelly and putting in food coloring. Peggy Thomas invented this and we hear she is seeking a patent on her new idea.

In Ruidoso Downs our new Avon representative is Mrs. Johnnie Anderson, telephone ES 8-4305.

Mrs. George White of Alamogordo has been visiting Mrs. Jess White and the two have been visiting in several neighboring towns the last several days.

Jack Shriver attended last rites in Alamogordo Tuesday for "Buddy" Franks, who died in Ruidoso hospital Sunday.

Proud Heirs Dinner at Wayland Baptist College, Plainview, Tex. gave special recognition to 82 students from families which have made attendance at Wayland something of a family tradition. The group, which has increased by 27 over last year's membership, met at 6 p.m. Thursday, Oct. 18 in the Heritage Room of Van Howeling Memorial Library for a dinner in their honor. Among those who have brothers, sisters or parents who have attended Wayland are Alvin Lynn and Jerry Vaughn Cary, Ruidoso Downs, sons of Rev. and Mrs. John L. Cary.

AT RESTAURANT OPENING — Lillie's, featuring Mexican foods, opened in new quarters last Friday evening here in the renovated Pueblo Theatre. Owned and operated by Mr. and Mrs. Pedro Ysasi, there was a large crowd on hand for opening night. Dancing was given as entertainment during the evening by their daughter, Gloria, shown in top photo.

voucher in July, then had signed the county's warrant (or check) for payment of the motor, in July only a day after the county board meeting. Nocker said at Carrizozo and Corona that those persons "digging into" the matter had not gone far enough, that if they had looked further—they would have found a letter from the Roswell Auto firm which said the purchase had been erroneously charged to the county road department and that a check to repay the county had been included with the letter. The Democrats were quick to point out that the letter, and repayment came the first week in October, "after we had uncovered this matter." They said the three official papers on file were signed several weeks before and that Nocker should have known they were not county purchases, as he admitted in the "meet the candidates" sessions.

Assistant District Attorney Richard Parsons of Ruidoso, speaking for District Attorney Dan Sosa of Las Cruces, said this week: "The District Attorney's office is conducting an investigation—the investigation is only partially completed—but results of this investigation at this time clearly indicate that action must be taken by the District Attorney. The precise type of action cannot be foretold at this time."

Visiting in Ruidoso Monday and questioning at least two business firms here was Billy Williams of Las Cruces, a registered public accountant, who had with him a letter from Sosa which authorized him to investigate matters pertaining to purchases made in the county's name over a period of several weeks. Williams was accompanied by S. M. Ortiz of Carrizozo, who had been asked by Sosa to work with Williams. Williams indicated in a conversation with the News that he was checking other purchases, besides the motor that was questioned in the "Meet the Candidates" meetings.

Nocker, of Glencoe, is a candidate for re-election from District 3 as a county commissioner. He is opposed on the Nov. 6 general election ballot by C. S. (Fred) Orenwell, Ruidoso.

County Commissioner Jones told the News here this week that in the future all vouchers for county purchases will be signed by all three county commissioners — instead of only one as has been the custom in years past.

a host of others—will be taking part in this second phase of the campaign.

Residents receiving their second dose of the Sabin Oral Polio Vaccine this Sunday can attend the same clinics at which they received their first dose of vaccine last month.

The County Medical association, sponsoring the program, says clinics are being established at the same location as for the first dose. In Ruidoso, the clinic will be in the school gym again. On the following Sunday, on Nov. 4, it will also again be held in the local gym.

PANCAKES—

agers of the C. of C. stated. A meeting of city officials and C. of C. directors was held Wednesday noon this week at the Holiday House restaurant to talk plans for raising additional money for the 1962 payment due on Dec. 1.

"Our aim is even greater participation than for the first dose," says Dr. W. D. Horton, chairman of the County Sabin Oral Sunday Steering Committee. Co-chairman with Dr. Horton is Dr. R. L. Annis.

Families are asked to attend the clinics all together, to guarantee maximum participation by all segments of the population.

They will fill out family registration forms, signed by the head of the household, as they enter the clinic. Each individual will then present his permanent registration form which was given to him at the time of the first dose.

This form will be stamped to provide evidence that the second dose has been received, and will eventually be given to family physicians, in the case of adults, or school authorities in the case of children.

The second dose, like the first dose, will be taken in the form of three drops on a lump of sugar. A donation of 25 cents is requested but everyone is to receive their second dose regardless of ability to pay.

A parade held Saturday morning to advertise the Pancake Day saw these entries: Pan-O-Rama Lodge's team of minature horses pulling a small wagon with passengers being Aunt Jemima, Hunt, Cap Arrington of the Pan-O-Rama as driver and Sue Crews; a truck load of members of Ruidoso Shrine Club wearing their fezes, the miniature model T Ford driven by Mr. and Mrs. Johnny Bloomer; and Morton's Food delivery truck.

The pancake eating contest between two editors, Al Stubbs of the Roswell Record and Vic Lamb of the Ruidoso News, staged at 11 a.m. saw a dead heat with the men consuming a dozen flapjacks each.

Donors of items used in preparing the all-day pancake meal included milk contributed by Price's; pancake mix and advertising material by the Quaker Oats Co., makers of Aunt Jemima products; coffee by Duncan Coffee Co., manufacturers of Maryland Club syrup by Morton's foods and linens needed by Ideal Laundry. All other items were purchased.

These figures were provided by publicity chairman Carl DeBord to tell the story of the big day. Besides the estimated 4,100 pancakes cooked by dozens of volunteer chefs, there were 32 gallons of syrup consumed, 103 pounds of Maryland Club coffee, and 140 pounds of Aunt Jemima pancake mix.

U. S. Indian Commissioner Nash Visits Mescalero Reservation

In the first visit by a U. S. Commissioner of Indian Affairs to the Mescalero Reservation in 12 years, Philleo Nash told the Apache tribe that the plan of his administration is "to apply the same techniques to Indian problems which have worked in underdeveloped areas throughout the world."

The policy statement was made at a general meeting of the tribe, which was a part of the day-long agenda including touring the reservation, a coffee at the agency, a barbeque hosted by the Mescalero Cattlemen's Association, and tribal dances in the Commissioner's honor in mid-October.

With Nash on the speakers' platform for a discussion of tribal problems and further explanations of plans for the Mescaleros in the future were members of the business committee, headed by Wendell Chino; Robert Vaughn, assistant to the Commissioner; Kenneth Payton, superintendent of the Mescalero Agency; and Fred Haverland, new Gallup area director.

Nash described himself as "not very promising." Then he explained that by the term he meant that he didn't make promises concerning what he could and could not do but that he intended working with the tribal council for the greatest benefit to the largest number of the Mescalero people.

Later in a tribal question and answer period, Nash stressed the fact that the Bureau of Indian Affairs is "not primarily concerned with welfare programs." The Bureau is, instead, he said, interested in training the Indian peoples to be self-sufficient in the modern day world.

Nash urged the Mescaleros to capitalize on the potential of their reservation as a tourist and recreation site.

"Development, particularly economic development is what we intend to emphasize," he said. "We will strive for maximum opportunity for economic advancement for those who stay as well as those who leave the reservation."

Particular needs brought before the Commissioner include renovation of the Community Center, Cienigita Lake development, additional rooms for the school building, domestic water wells, a recently completed revision of the constitution and by laws, a housing application made by the tribe, a C. O. I. Loan for the cattle growers, and a general discussion on recently instituted vocational training programs sponsored by the Bureau.

An outdoor barbeque followed the meeting across the street from the community center near the site for the bon fires and dancing.

Colorful Indian dances and chants to the throb of drums brought the evening to a close before the commissioner left the scene to return to his duties with the Department of the Interior in Washington, D. C.

Villa Liquor License Possibly May Not Be Transferred

State Liquor Director George Franklin said a check of a proposed license location sought by Villa Corp. near Ruidoso showed the site is within the village's five-mile perimeter.

This ruled out the possibility of transferring a license from Oscuro in Lincoln County to the location, Franklin said.

Franklin said Villa Corp. has applied for approval of another site. The corporation says the proposed new location is 5.1 miles north of the Ruidoso limits.

Franklin asked the firm to furnish a certified engineer's survey showing the distance from the Village's limits.

He is awaiting receipt of the survey report.

The original location drew strong protests from Ruidoso liquor dealers who said the spot was within the five-mile zone of the village.

Licenses within this radius must be counted against a municipality's license quota.

Ruidoso already is licensed far beyond its limits, based on present statutory provisions.

Bobby Pendergrass Has Eye Operation In San Antonio, Tex.

Bobby Pendergrass, young musician for whom a fund was started last summer because he was unable to pay for a much needed eye operation to restore his sight, underwent eye surgery Tuesday morning this week, it was reported in a phone call from Billy Don Knox to June Frost this week. Bobby will remain in the Santa Rosa Medical Center in San Antonio, Tex. for another 15 days, and it is expected that the operation will be completely successful, it was reported. After being released from the hospital, he will come to Ruidoso with Bill Don Knox and will stay here to recuperate. Bobby Pendergrass was a member of the Royal Pennies, a musical group playing at Win, Place and Show Lounge last summer.

June Frost said get-well cards could be sent to the young man c/o Santa Rosa Medical Center, San Antonio, Tex.

Whipples Assume Chaparral Lounge, Dining Room Lease

Mr. and Mrs. Harry Whipple, operator of the Chaparral Hotel Coffee Shop, last week completed negotiations for assuming the lease of Harry LeLonde and George Paulowski for their cocktail lounge and the main dining room at the Chaparral.

The dining room can accommodate up to 500 or more persons. Whipple said this week he has arranged with the popular Ruidoso dance band, the Mellotones, to provide dancing music and entertainment in the cocktail lounge for week-ends, on Friday and Saturday, and for any other special occasion on any other night of the week.

He said he was anxious for more people of the community to make use of the facilities of his coffee shop and dining room—and said
