Around Town

—By Nosey Waters—

Mrs. C. L. Wright tells us that to date the number of points earned for Ruidoso School Band's baritone horn which can be secured through Gold Bond stamps has reached 13,000, which leaves 91,000 yet to go—or a total of 104,000. The 104,000 points is equal to about $320, or the cost of the horn, she added. "All we lack to get this horn for our band is three books of stamps from each band member," she figures . . . Hollywood Lumber Company has given a total of $2,500 in cash to five graduates of Ruidoso High School since 1958—with scholarships of $500 each to Dixie Gibson, Robert Lee Peters, Jerry Fuchs, Lana Vance and this year's recipient; Clifford Watley . . . Edna Brumbelow at the Navajo says Ronnie Hickey's friends are invited to a birthday shindig 8 p.m. Wednesday night next week, June 6 . . .

* * *

Lilly's Spanish restaurant in downtown Ruidoso, opposite the Pueblo theatre building, opened late in May for the summer season . . . New paving is being installed around the W. D. Horton osteopathic clinic building . . . L. P. Haist, local commercial photographer, says its hard to forget an experience he had during the war—he had to "hit the silk" when the pilot of the plane in which he was certainly didn't relish that parachute drop . . .

* * *

A great big howdy to Harris Shelton, Ruidoso's first artist, who has returned for the summer, he telephoned us this mid-week. Glad to have you back. He has a summer studio in upper Ruidoso and always welcomes visitors . . . New paving for the Swearingin building parking lot and in front of the News and Hart's Dry Goods was laid this week . . .

Some news of some of our youngsters graduating from various institutions now: Clasy Smith, daughter of Mr. and Mrs. Bob Smith, who graduated May 24 from Durham's Business College in El Paso, has been employed as bookkeeper by the new Villa Motor Hotel here and goes to work June 15 . . . Mr. and Mrs. James F. Lackey returned this week from Stillwater, Okla., where their son, James F. Lackey, Jr., graduated with a degree in engineering. Another son, Nyles L., who graduated from there last year with a degree in engineering, also, met them in Stillwater and also attended the exercises. Nyles is a Ruidoso High graduate, too. Both Nyles and James, Jr., are going to be working in Appleton City, Missouri, on the Minute Man missile. This is a coincidence, as neither boy knew the other's plans in advance. While in Oklahoma, Mr. and Mrs. Lackey talked to Mrs. Joe Fry, wife of a former science teacher here. She said he is to enter medical school in Oklahoma City shortly.

Roy and Butch Anderson got away from the crowds Sunday, went fishing on the South fork of the Bonito above the lake and brought home a nice mess of trout that measured from 11 to 14 inches, they report . . . Russell Haws said Sunday night he had eight carloads of visitors staying at the 29 Pines Motel, and the eight cars came from five states! . . .

* * *

Since the last telegrams came to the News office from federal representatives in Congress about the approval of loans and the granting of federal aid for our airport project, we have been open-mouthed with awe and somewhat flabbergasted at the amount Uncle Sam wants to spend on it. What started out as a program to be handled in a series of "phases" in improving our port, has ended up now with a government boondoggling outpouring of funds that is close to two-thirds of a million dollars. It's hard for me to imagine a town of our size getting that much moola for an airport. We're wondering if we shouldn't write the U. S. taxpayers in communities across the land—say in Duluth, in Kokomo, in Pensacola, in Seattle, etc., thanking them for their generosity—or label them suckers. We gave support editorially to an idea first advanced that our port did need repairing and modernizing. We don't think we would have given that support if we had known it would mushroom into such a domestic foreign aid affair. We don't see the need at this time for such an enormous expenditure. We're not ultra conservative, either—we just can't get our breath yet over the astronomical figures. What was once explained to us as an improvement program that would have cost about a quarter of a million dollars in its "first phases" is now—in its "first phase" going to cost $625,000.00 plus. A member of the planning and zoning commission told us some three months ago he thought the project was too ambitious and was going to end up as a pretty high-priced affair, but that he wasn't in a position to raise much of an objection. He told us we should look into it. We did, and were assured it was to be a step-by-step proposition that would cost a reasonable amount of money now, and more later, as the growth demanded. After spending $625,000 on it, what else can you add to it? There are some people here who think it is far-fetched they are going to try to throw a monkey wrench in it. They claim that when $625,000 is spent on a Ruidoso airport, it will cost Ruidoso more than the $67,000 in G. O. bonds the community voted as its share of the cost. Being no tax expert, we don't know—but, being on the U. S. income tax rolls—we know we're helping pay for considerable other such high-priced projects around the world.

Ruidoso Convention Committee Chairman Dr. James A Beall

Man Held in Jail On Check Charge

Sheriff Glen Bradley said Carl E. Scott is held in Carrizoso jail on charges of obtaining money with worthless checks on complaints filed after it was discovered he had written at least a dozen worthless checks in the Tinnie and Ruidoso area in the last few days. Sheriff Bradley said he would like to have information on others if there are more such checks he has allegedly written in this region. Bradley said a total of $225.18 had been obtained on the one dozen checks turned in to him.

Race Track Worker Held For Stabbing With Pitchfork

Joe Wilson of Tyler, Tex., weighing about 200 pounds, is lodged in county jail in Carrizoso jail pending a preliminary hearing to be set when a pitchfork stabbing victim of Wilson's, Woodrow Tedder of North Carolina, is well enough to be released from the local hospital. Bond of $1,000 was set for Wilson in Justice of the Peace Alton Gray's court in Ruidoso Downs Saturday. The assault occurred Friday evening in the barn area at Ruidoso Downs near the Clayton Tolliver stables following an argument, Sheriff Bradley, who investigated, reported. Bradley said he arrested the hefty Negro Saturday. The victim was stabbed once in the abdomen by a pitchfork, and is reported as recovering.

County Queen To Be Picked At Smokey Meet

The selection of the County candidate for the State Fair Queen Contest will be held July 4 at the Smokey Bear Stampede at Capitan.

The contestant must be single, between 18 and 21 years of age and she must be a resident of Lincoln County. Contestants will be judged 50% on personality and 50% on horsemanship, it was reported.

It is recommended that a contestant be sponsored by some group or organization and a $10.00 entry fee be charged. The entry fees will be used by the winner toward expenses to the State Fair. A suitable prize will also be awarded.

The queen will be selected in July and reign over the Lincoln County Fair in September this year and will be featured in the County Fair parade Saturday, September 8.

Snow Flurries Hit Ruidoso

A cold front passing through this area Monday night brought a steep drop in temperature and also surprised local residents and vacationers with intermittent light snow flurries. The Bonito and Angus country saw a light fall of hominy snow early Monday and a light shower Monday night.

FORMER SECURITY OFFICER AT RUIDOSO DOWNS DIES IN EL PASO

Lawrence Barrett, aged about 67, died Monday night in a hospital in El Paso following several week's illness. Survivors include his wife, Gretchen. He was a former security officer at Ruidoso Downs race track. Funeral rites were to be held Thursday afternoon this week at 2 p.m., the News was informed.

40-M GOVERNOR—Thomas J. Graham of Las Cruces will be one of three district governors present during the annual statewide Lions Club convention held here Sunday, Monday and Tuesday of next week. Lion Graham has 24 years of perfect attendance.

The man fired with enthusiasm is seldom fired by his boss.

Size and Cost of Airport Project Draws Opposition in Ruidoso

The size and cost of the proposed improvements of Ruidoso airport, now figured as a project costing some $625,000 is under fire from a group of Ruidosoans. A letter in the News last week from Ralph Brown called attention to the fact the project was "outrageous". In a visit to the News office this week he expounded further on his views which he had expressed in his letter, in that he believed the project would be too costly for the people of Ruidoso. He said many others joined with him in Ruidoso as believing the project is far in excess of the needs for now or for anytime in the near future.

He brought with him a paid advertisement from a number of pilots who fly into Ruidoso regularly who objected to the cost and size of the proposed improvements. Brown declared he was in favor of improving the landing strip, and lengthening it, but that the extra plans for the enlarged airport were more than the village could afford.

As outlined by the proponents, the project would cost the village of Ruidoso property owners $67,000 from sale of G. O. bonds, but the balance of the initial outlay is paid for through federal loans and grants from two agencies. Part of this is to be repaid from airport revenues, it is planned. Brown contends the airport revenues will never amount to enough to retire the loans—that taxpayers will foot the bill in paying the difference. He said he was sure the majority of the citizens here were not in favor of a project as large and as costly as is presently planned. "At the outset, when the idea to improve our airport was first suggested, I favored the original plans—but the way the size and costs have grown I am sure now that it is too much for our town to afford," he said. He said he hoped he could stop the wild spending spree. He said he has knowledge of several airports in the Southwest, some of them not as large or as costly as Ruidoso's, which have had to be closed down because their revenues did not pay the maintenance, and he hoped such a situation would not occur here.

OFFER FREE SWIMMING

Mr. and Mrs. George Bonal of the La Fonda Motel are inviting all local residents for a free swim all day Wednesday, June 6, in the La Fonda Motel pool. Everyone must have a bathing suit and bring their own towel, Mrs. Bonal said. No motel guests, only Ruidosoans are invited, she said.

GOVERNOR OF 40-N—Cap Parkinson of Las Vegas will represent district 40-N during the three-day statewide Lions Club convention next Sunday, Monday and Tuesday for the annual get-together of Lions from all parts of the state. Parkinson has been an active member of Lions Club since 1942.

NEWS BRIEFS

Ronnie Wilson, manager of Long's Malco station in Hollywood, lost the first joint of a finger on his right hand in an accident last week-end when a jack he was using to remove an inside tire on a truck's set of dual wheels slipped and amputated it.

A model cabin is being constructed on the lawn of the home of Mr. and Mrs. Wayne Wantlex in Palmer Gateway. Wantlex operates City Lumber here and has agency for the pre-fab vacation homes.

Contracts have been let on some of the work of constructing a new office building for Community Public Service Co. in Palmer Gateway opposite Gambles. Work is to begin in a few days on the structure.

Mrs. J. Paul Reynolds of Roswell and Ruidoso was kept in the Ruidoso Hospital over night following an automobile accident Wednesday afternoon this week near Whipple's on Sudderth Drive. Mrs. Reynolds and her daughter Mrs. Karen Harris of Farmington were only slightly injured, Mrs. Reynolds was x-rayed for a possible broken rib, and Mrs. Harris was treated for a cut forehead and released. Mrs. Harris' three small children who were also in the car were not hurt. The Reynolds car hit the car ahead of her which was making a left turn, it was reported by the local police investigating the accident. No one was hurt in the other car, it was reported.

Two horses were shook up considerably when the trailer in which they were riding became unhitched from a vehicle pulling it, and the trailer dove off the embankment opposite the Ruidoso post office late Wednesday, bouncing down into the Rio Ruidoso.

A passenger car engine caught fire, parked on a ramp at Mt. Vue Drive-In Theatre Wednesday night.

1,000 EXPECTED TO ATTEND LIONS STATE CONVENTION HERE 3 DAYS

Ruidoso Lions Club President Elmer Pirelli

Ruidoso joins with Ruidoso Lions club members in rolling out a red carpet this week-end for an expected 1,000 persons due to attend the 1962 State Lions Convention. First delegates and officials are expected to begin arriving Saturday, with the first official business of the convention to get underway Sunday to run through Tuesday.

Several dozen Ruidosoans are joining with the local Lions in planning a program of entertainment for the visitors, including women's groups and members of other service organizations, as well as individual businessmen, Elmer Pirelli, local president, declared. Serving with Lion Boss Pirelli in spearheading arrangements is Dr. James A. Beall, named as Ruidoso club convention chairman. Both men have been assisted by practically every member of the club in taking care of a myriad of details in planning for the gathering. Neighboring clubs in Tularosa and Alamogordo have also lent assistance in the planning.

Although the convention has a program of business lined up for three days—fun and high jinks have a place on the busy three-day schedule, also. A detailed program for the gathering is printed elsewhere in today's News for ready reference.

President Pirelli said Ruidosoans have a welcome to attend several of the Lions Club programs, but he was particularly anxious to have them join with the Lions in hearing the main speaker of the convention, Dr. James H. Jauncey, noted El Paso author, when he is scheduled to talk Monday at 11 a.m. in the school gymnasium. His subject will be "Lionism in America's Future."

Lions wearing convention badges, caps or having their Lions membership cards with them will be admitted free to the race track, it was announced this mid-week. Free parking is also offered for Lions club members' cars.

A last-minute announcement that a cocktail party for Lions is set Saturday afternoon at 1 p.m. to 2 p.m. at Win, Place and Show, officials announced.

Elks Dance Set For June 9

The Ruidoso B. P. O. Elks Lodge is sponsoring a dance to be held Saturday, June 9, from 9 p.m. to 1 a.m. at the Elks Hall. Admission will be $3.00 per couple, and the dance will be for couples only, it was reported. No minors will be allowed. Music will be by the Aggie Ramblers with the Shade Western music.

LIONS CLUB ELECTS NEW OFFICERS

In the regular Tuesday night meeting the local Lions Club elected new officers for 1962-63.

The following Lions were elected to offices: Elmer Pirelli, re-elected president; Ed Wimberly, first vice-president; Howard Tate, second vice-president; Jim Hine, third vice-president; Harold Graham, secretary; Eric Bruce, treasurer; Cecil Smith, tailtwister; Eddie Siddens, lion tamer;

C. C. (Waitie) Watkins and Jack DiPaolo were elected as directors replacing Dr. W. D. Horton and Ray Clarke. Hold-over directors are C. G. Cantrell and C. L. Wright.

Shriners Club Planned Here

Plans are progressing on formation of a Shriners Club in Ruidoso, with an organizational meeting set for 7 p.m. Thursday night next week, June 7, at Waitie's restaurant, Jake McDonald, one of the sponsors, has announced. He said Masons who hold Scottish Rite or York degrees are eligible to join the club. He added that the Potentate's Aide and the Shriners Club president of the Alamogordo Rocket club will be on hand to discuss the local organization, and that the Alamogordo Shriners are sponsors of the plan to activiate a club here.

News Want-Ads Work Wonders

GOVERNOR OF 40-X—Bill Rives of the Roswell Mid-Day Lions Club will be in Ruidoso with members of other Roswell Lions to join in activities of the annual statewide Lions Club convention next Sunday, Monday and Tuesday. Rives has served has Zone Chairman and Deputy District Governor as well as in most of the offices of his home club and has 12 years of perfect attendance.

Funeral Services Held In San Saba For Slaying Victim

Funeral services were held in San Saba, Texas, Friday, May 25, at 4:00 p.m. for William Bryan Holmes, III, with Rev. William B. Holmes, Jr., formerly of Ruidoso and now of Van Horn, Tex., father of the deceased, participating in the service. Other survivors attending the services included his mother, Mrs. Wm. B. Holmes, Jr., of Van Horn, Texas, and two sisters, Mrs. James E. Haddock of Hopkinsville, Ky., and Mrs. James P. Bobo and family of Ruidoso.

Murder charges have been filed in Dallas, Texas, against Priscilla Lee Holmes, widow of the deceased. In a written statement to police, Mrs. Holmes said she and her husband had quarrelled after which he told her he was leaving. As he was gathering his personal belongings in preparation to leaving at about 2:00 a.m. Tuesday, according to her statement, she went to the bookcase and obtained a gun which had been kept there and told him not to leave. She fired and he fell to the floor, apparently dying instantly with one slug which hit him in the back.

Other survivors include two sisters, Mrs. Glen R. Westall of Abingdon, Maryland; Patricia V. Cooper of Hermosa Beach, Calif., and four children by a former marriage.

THE WEATHER

The weekly weather round-up will be found each week in the C. & L. Lumber & Supply Co. ad on the Sports Page (Page 4 today).

Ruidoso-Hondo Valley General Hospital Reports That

Congratulations Are Due:

HONORED ON BIRTHDAY—Mrs. Lee Wheeler of Ruidoso was honored on her 83rd birthday, May 23, with a party held in the home of Mrs. Ike Kennedy. Mrs. Wheeler is shown above with the many lovely gift packages brought by the many friends who called during the afternoon. The birthday cake, decorated in pink is shown on the right.

★

Mrs. Lee Wheeler Honored With Party In Kennedy Home

Mrs Ike Kennedy entertained in her spacious home on May 23 in honor of Mrs Lee Wheeler of Ruidoso who celebrated her 83rd birthday that day. Many friends of both Mrs Wheeler and Mrs Kennedy were present to pay honor to Mrs. Wheeler A social hour was spent in "remembering when" and many lovely gifts were received from friends and relatives Mrs Wheeler was the recipient of two birthday cakes baked by her daughter, Mrs George Bonal

Those calling and bringing gifts were: Mrs R. K. Knox, Mrs Melvin Knox, Mrs. Tom Holbert, Mrs Martha Graves, Miss Aimee Doerr, Mrs D B Morgan, Mrs. Mack Garner, Mrs Roy Anderson, Mrs. Elsie Williams and Mrs Carl Longabaugh.

Sending gifts, but unable to attend were: Mrs H N Horne and Mrs Pat Bostick of Eddy, Tex., Mrs Hobert Trammell of Waco, Tex., Mrs Joe Madewell of Lorena, Tex., Mrs Jennings Nehring of Robinson, Tex., Mrs. Truitt Holca of Arlington, Tex. Mrs. Carl Hill and Mrs J R Morehead of Parnell, Tex.; Mrs Ed Davidson, Mrs Bert Rice, Mrs. Pete Parker, and Mrs J P Hobbie of Ruidoso; great niece Camille Bostick and nephew Stephen Bostick of Eddy, Tex., and Mrs Viola Higgason of Malibu, Calif The hostess gift was a lovely lotion dispenser.

Mrs Wheeler, nee Lillie Mae Boykin, was born in Marion, Tex.; and was educated at Yoakum, Tex. She married W A Criswell who was the father of Mrs George Bonal, at Cuero, Tex. Mr. Criswell was killed in a railroad accident, and Mrs Wheeler was married to the late Mr Wheeler in Waco, Tex They lived in Estelline, Tex for 35 years and after his death Mrs. Wheeler returned to Waco to live She gave up house keeping and moved to Ruidoso in 1953 to live with her daughter and son-in-law, the George Bonals at the La Fonda Motel. Mrs Wheeler said this week she wanted to express her thanks to all her devoted friends who have been attending her birthday parties here for the past five years. The hostess, Mrs. Kennedy, assisted by Mrs Bonal, served frosted punch and birthday cake to the guests Lovely arrangements of flowers placed throughout the Kennedy home were presented by Mr and Mrs. Jesse Perteet.

Eddie Ditterline Honored With Party By 4-H Club

Members of the Ruidoso 4-H Club gave a surprise going away party Wednesday last week for Eddie Ditterline who is moving to Eunice, N. M. The party was held in the home of Frances Baird. About 40 freshmen attended and enjoyed an evening of games and visiting. Refreshments were served and the honoree received many going away gifts.

Methodist W. S. C. S. Group To Meet Wednesday, June 6

The Women's Society of Christian Service of the Community Methodist Church will have the regular meeting next Wednesday night, June 6, at 7:30 p.m. in the home of Mrs. Jessie Lee Hawkins in the Gateway, it was announced by the W. S. C. S. president, Mrs. George Gardenhire.

Get gasoline early and late—only top-grade Chevron products. WELCOME, LIONS! Lester's Indian Curios, west of the Y on Highway 70.

Headquarters for garden and lawn supplies: Gambles of Ruidoso.

HONEYMOON CLUB

Spending their honeymoon in Ruidoso last week-end were Mr. and Mrs. Bob Butler of Clovis, N. M The couple was married in Tucumcari on May 26 and stayed at Forest Homes Cabins while here. The bride, who is the former Lois Shoemaker, is the daughter of Mr. and Mrs. O. W. Shoemaker of Cuervo, N. M. The bridegroom is the son of the late Mr. and Mrs. C M Butler of Albuquerque, N. M.

Beth Bowlin's Running Indian Gift Shops are now open 7 days a week. On Highway 70 near the Race Track.

Sportsman's headquarters. Get your hooks, lines and sinkers at Gambles of Ruidoso.

Woman's Club Open House Set For Lions Ladies

The Ruidoso Woman's Club will have open house at the clubhouse in Skyland on Monday, June 4, from 9 a.m. until 5 p.m. as a courtesy to the visiting Lions ladies who will be attending the State Lions Club convention here. Coffee and rolls will be served throughout the day and Woman's Club members will be present throughout the day to play bridge, canasta or other games with those who would like to spend some of their time this way. Anyone needing transportation to the club may call CL 7-6702. All women of the district are invited to come to the Woman's Club to visit that day, it was reported.

Episcopal Church Sets Vacation Church School June 4-15

A Daily Vacation Church School will be held at Holy Mount Episcopal Church starting on June 4 and continuing from Monday through Friday until June 15, it was announced this week by the Rev. William R. Brown, Vicar of Lincoln County. The Vacation Church School will be for children ages 6-12 and will be held from 9 a.m. until 12 noon five days a week. The general subject of the vacation church school will be "The Lord's Prayer", Rev. Brown said, and activities will include worship, study, handiwork and recreation. Among those who will help with the school are Mrs. William R. Brown, Mrs. J. P. Mathews and Mrs. Frank Burris.

Fellowship Supper To Welcome New Methodist Minister

Members of the Community Methodist Church in Ruidoso are having a fellowship supper next Sunday night, at 6 p.m. at the Educational Building to welcome the new pastor and family, the Rev. Grady McCullough, who is being transferred here from the Wesley Foundation in Portales. The pastor's family is his wife and four children. This supper had originally been scheduled for Thursday night this week, but since the pastor and his family will not be arriving in Ruidoso until Saturday, the supper was changed to Sunday night.

VANDERSTOK FAMILY TO VISIT HOLLAND

Mrs. Bram Vanderstok and children, Ingrid, Monique and Robert, are to fly from El Paso June 7 by jet airliner to New York where they will board a Holland-American ship for a visit in Rotterdam, Amsterdam and possibly Brussels. Dr. Vanderstok will remain in Ruidoso, he reported.

Another Ruidoso family planning a visit in Europe this summer is Mr. and Mrs. Jess White who may get to visit their son, in the armed forces stationed near Paris.

GOLDEN ANNIVERSARY—Mr. and Mrs. John W. Harkey, pioneer Lincoln County residents, who will be observing their Golden Wedding Anniversary June 12. The Harkeys are the parents of Mrs. Ralph Petty of Ruidoso.

News of Women

SOCIAL, CHURCH AND CLUB NOTES

Lincoln County Pioneer Couple, Wed In Buggy, To Observe Golden Anniversary June 10

Mr. and Mrs. John W. Harkey, residents of Lincoln County for over sixty years and residents of Carrizozo for forty-nine years, will celebrate their fiftieth wedding anniversary June 12.

They were married June 12, 1912 at Nogal, N. M., by Thomas W. Henley. They were married in a buggy "to be different". In 1913 they moved to Carrizozo and their first son, Fay, was born. Later on came their son Jack, a daughter Zane (Mrs. Ralph Petty, Ruidoso).

Mrs. Harkey, daughter of the late Mr. and Mrs. Jerry Dalton, was born in White Oaks, N. M. Mr. Harkey came to Lincoln County from Hale County, Texas in 1909.

Mr. Harkey was employed by El Paso and Southwestern Railway Co. for ten years and then owned and operated the Harkey Lumber Co. in Carrizozo for twenty-nine years (now the Posey Lumber Co.) He is now semi-retired with his ranches and real estate business.

Mr. and Mrs. Harkey have seven grandchildren and four great-grandchildren.

To honor their parents on this occasion, their sons and daughters have planned a family reunion picnic to be held Sunday, June 10, at the home of their daughter, Mrs. Ralph Petty, at Ruidoso. They also extend an invitation to any friends of their parents to drop by for refreshments between 2:00 and 5:00 p.m. on that day.

The Harkeys own a home in Ruidoso on Gavilan Drive.

Mr. Harkey is a lifetime member of Ruidoso Board of Realtors.

Miss Nanette Durio, Kenneth Olhausen To Wed in July

Miss Marie Nanette Durio will become the bride of Kenneth Olhausen at 8 p.m. July 26 in the First Presbyterian Church in Las Cruces. Parents of the couple are Mr. and Mrs. R. A. Durio of Las Cruces and Mr. and Mrs. Harry F. Olhausen of Hartley, Iowa. The bride-elect, a graduate of Las Cruces High School, is employed at El Paso Electric Co., Las Cruces office. She is a member of Nu Phi Mu chapter of Beta Sigma Phi. Mr. Olhausen is a graduate of Hartley High School and is associated with Prudential Life Insurance Co. He is also a member of Southwestern Mountaineers.

Miss Durio is well known to many Ruidosoans. She has spent her summer vacations in Ruidoso since she was two years old with her grandparents here, Mr. and Mrs. Edward P. Doll.

News Briefs

Among the 1,052 candidates for degrees at the Texas Tech College in Lubbock, Tex., at the spring commencement May 28, was Rose Ann Cantrell, daughter of Mr. and Mrs. C. O. Cantrell of Hollywood, N. M.

Charles M. Butler, son of Mr. and Mrs. Lynn Butler of Ruidoso received the degree of Bachelor of Business Administration at the commencement exercises May 31 at Eastern New Mexico University in Portales.

Frances Reinhardt, who graduated recently from Ruidoso High School, is now employed as office assistant at the Ruidoso-Hondo Valley Hospital here. She is the daughter of Mr. and Mrs. Joe Reinhardt of Ruidoso.

Mr. and Mrs. Johnny James formerly of Socorro are helping the Ralph Browns at the airport for the summer. The James' have three school age children, Rickey, Vickie and Laurie.

Farmers Insurance Group has selected Forde Edwards, Ruidoso, to attend a school for career agents at the organization's Colorado Springs regional office.

Mr. and Mrs. Cone Munsey of Santa Fe are announcing the arrival of a son, Billy George, on May 8. The proud grandparents are Mr. and Mrs. W. E. Munsey of Ruidoso.

Style Show, Lunch Set For June 4 At Carrizo Lodge

Phi chapter of Beta Sigma Phi in Ruidoso is presenting a luncheon and style show at 12:30 p.m. on Monday, June 4, at the Carrizo Lodge Playhouse in honor of the visiting Lions Club ladies. Mrs. George Gardenhire, president of Phi chapter, will give the welcoming address and Mrs. Robert Pearson will be the commentator for the style show. Fashion show chairman is Mrs. John Thompson assisted by Mrs. Bill Pippin, Mrs. Howard Tate and Mrs. B. H. Stark-

coming style show which the chapter is sponsoring, and which is being given in cooperation with the Lions Club and for the ladies attending the Lions Club Convention, was the main subject of discussion. Each committee chairman give a report of final plans for the show to be held Monday, June 4, at 12:30 p.m. at Carrizoso Lodge Playhouse.

Following the business meeting the officers for the coming club year were installed by the outgoing president, Mrs. George Gardenhire. Those installed were: Mrs. John Thompson, president; Mrs. Howard Tate, vice-president; Mrs. Bob Lee, corresponding secretary; Mrs. Dick Parsons, recording secretary; Mrs. George Perry, treasurer and Mrs. Rex Whiteley, extension officer.

Mrs. Buck Morrison and Mrs. Charles Adair presented two delightful programs entitled "Architecture" and "Home Building and Planning".

The hostess, Mrs. Siddens, and co-hostess, Mrs. Billie Clarke, served delicious refreshments at the last sorority meeting until fall.

Planning Expert Urges Immediate Action On Installing Swimming Pool; Tells of Need For Zoning, Planning in Community

(Editor's Note: The Ruidoso News contributes this space for benefit of our readers and the Planning and Zoning Commission. It is an explanation of objects of planning and zoning, as well as a report on work underway to this point on a variety of projects here. The article is from a radio address given by Bill Toole Monday night this week.).

I have requested this opportunity now, as a citizen who has been most involved in the planning and project activities of the Village of Ruidoso for the past two years, to explain to the public some of the facets of action which are proposed, underway and which have occured in the past. I am doing this hopefully to clarify these issues for those of you who are, for one reason or another, either uninformed or misinformed and for those who are aware of most if not all of the situation in order that they may feel relieved with the knowledge that at last everyone is aware of what is going on. For those of you who cannot listen to this whole report, the Ruidoso News has agreed to publish this entire talk in the paper to be published this week. I wish to express my thanks to Mr. Jack Crandall of Station K-RRR and Mr. Vic Lamb of the Ruidoso News for their cooperation.

This talk is aimed at a discussion of facts, although I confess I am biased in my beliefs, and therefore will also tend to emphasize what I believe to be the most important facts. I would hope that if any facts are deleted or misstated unintentionally here that the citizens of Ruidoso who are aware of such errors make every effort to make themselves heard. While I do not wish to dwell too long on my personal situation in Ruidoso I believe that the citizens should know why I believe I am qualified to speak on these topics and why I have been so personally involved in the past. I will therefore give some brief information about my background in planning and municipal development problems.

I received a Bachelor's Degree in Economics from the University of Connecticutt in 1951, magna cum laude, and a Master's Degree in City and Regional Planning from Massachusetts Institute of Technology in 1954. I worked several years as a project planner in the City of Pittsburg on various plans in Pittsburg and the Pittsburg region and then moved to Puerto Rico where I held several posts of responsibility. My last job in Puerto Rico was that of Director of Planning for the Urban Renewal and Housing Administration for the island of Puerto Rico during which time I was responsible for the programming and development of over fifty urban renewal projects and a total of over a hundred various types of planning and development projects in Puerto Rico. Following this I moved to Ruidoso where I headed the Community Planning program for the State of New Mexico and then moved as Director of Planning to Flatow, Moore, Bryan and Fairburn undertaking various planning tasks in New Mexico and Colorado. At the present time I am co-ordinating or developing plans for the City of Tucumcari, the town of Belen, both in New Mexico, and in the cities of Arvada and Gunnison, Colo. I also am preparing an economic analysis and assisting in the plan development for the Municipal Airport in Madison, Wisconsin. My partner in the planning firm of Toole, Roohr and Associates, Mr. Al Roohr, has a Master's Degree in City and Regional Planning and a Bachelor's Degree in Civil Engineering and many years experience. We have recently hired an additional planner who will move to Ruidoso sometime next month. The decision to open an office in Ruidoso was primarily a personal one because of past preferences to live in this community and my primary present interest is that of a citizen of Ruidoso. I will discuss my personal association as we go along here today.

History of Ruidoso Planning

As many of you know, the planning program in Ruidoso was initiated over four years ago and began in earnest a little over three years ago with hiring of a private consultant firm to begin the preparation of a comprehensive plan. After several months had passed and several thousand dollars had been expended, the Village decided that they were unsatisfied with work of the consultant and transferred the body of the contract to the State of New Mexico, and I moved to Ruidoso at that time to begin work on the plan and to try to forward comprehensive programs in New Mexico. Shortly after the general election of 1960, after only a small portion of the plan work had been completed, I left the state to become Director of Planning for the Architectural and Planning firm of Flatow, Moore, Bryan and Fairburn in Albuquerque and the contract to complete the planning works was transferred to that firm. This transfer was made in order to maintain continuity of planning and I understand, with the belief that the firm was best equipped to carry out the planning tasks involved. I have never had a direct sole responsibility for any planning activities in the Village of Ruidoso for which I have received any compensation from the Village of Ruidoso.

Working with the planning commission and the Village Board of Trustees, most of the planning works were completed late last summer and finally accepted as presented in the early part of this year. The total cost of all planning activities thus far in the Village of Ruidoso has been approximately $25,000.00 of which the Village paid only $5,000.00. The firm of Flatow, Moore, Bryan and Fairburn was also required from that money to prepare a comprehensive plan for the Village of Ruidoso Downs. Of that amount $11,000.00 approximately went for the development of base maps for the Villages of Ruidoso and Ruidoso Downs, the consultants for which were selected entirely by the Village after which neither the State nor Flatow, Moore, Bryan and Fairburn received any money. This left them a total approximate fee, after deeting the fee paid the initial private consultant, of $11,500.00 which has been paid to Flatow, Moore, Bryan and Fairburn for the complete plan, subdivision regulations and zoning ordinance. There is little doubt, and I can substantiate the fact, that the cost to Flatow, Moore, Bryan and Fairburn far, far exceeded the amount received. They, however, recognized this fact in advance and were willing to prepare what they thought would be one of the finest planning jobs ever done in New Mexico since it was their first complete city planning job in several years. Printing of reports alone ran a direct cost to Flatow, Moore, Bryan and Fairburn of about $1,700.00 and map reproduction cost approximated $3,000.00.

Comprehensive Plan

Having, I believe, clarified much of the background regarding the plan, I would like to define actually what a comprehensive plan is. To do this best, I believe it advisable to quote from the Comprehensive Plan report for the Village of Ruidoso, the definition of a comprehensive plan as given there. It is as follows: "The plan shall be made with the general purpose of guiding and accomplishing a co-ordinated, adjusted, and harmonious development of the municipality and its environs which will, in accordance with present and future needs, thus promote the health, safety, morals, order, convenience, prosperity and general welfare, as well as efficiency and economy, in the process of its development; including, among other things, adequate provisions for traffic, promotion of safety from fire and other dangers, adequate provision for light and air, the promotion of a healthful convenient distribution of population, the promotion of good civic design and arrangements, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements." In brief, the comprehensive plan is a general long range guide for the future development, particularly physical development, of a community. It covers normal periods from 10 to 20 years and is a general, yet flexible, guide for development which shall be and should be adjusted as basic conditions in a community change. It is not intended to be a rigid formula for development presented by experts, or those who presume to call themselves experts, for the direct and complete adoption by a community. Rather, it is intended to be an expression of the wants of the people in a community and the "expert" is to develop a plan with the help of the citizens based upon the knowledge which he is supposed to have acquired over a period of years.

In Ruidoso, a great many attempts were made throughout the last two years to induce public interest in the plan, not only through the media of the newspaper, but through the conscious effort to develop additional committees to work with the Planning Commission and the Board of Trustees and the planning consultant to assist in plan development and through the continual invitation of the general public to Planning Commission meetings. As prior Planning Commission members will verify, the participation as hoped for did not occur and with few exceptions the Planning Commission, the Trustees, and the planning consultant had to work largely on their own, as representatives of the people. The plan upon which all recent actions have been based was approved by the Board of Trustees and the Planning Commission, was printed and distributed to many people on that basis, was advertised as printed and available to the general public and was based upon the following statement of municipal goals as agreed to by those concerned. This statement, the very heart of the plan development, is as follows:

"The people of Ruidoso desire continued economic, social and physical improvement and expansion. Recognizing that tourism is basic to the economy, our stated primary goal is to develop the finest recreational and tourist center in the Southwest, and to broaden our economic base as much as possible. Understanding the meaning of this primary goal is to imply that we are striving for a better living environment, higher personal income, better education, better housing and, in general, a better total community for the resident and non-resident population."

Zoning

With these facts and statements in mind, an original zoning ordinance was prepared for the Village of Ruidoso. While it is true, as in every case of the drafting of zoning ordinances, that certain administrative terminology has been used that has been used in 90% of the recent zoning ordinances now made and while it is true that certain specific phrases were utilized that had been used elsewhere, this utilization was done to assure the legality and understanding and did not belie the fact that this ordinance was written particularly and only for the Village of Ruidoso. In fact, I would have to challenge anyone to find a single reasonable facimile of this zoning ordinance anywhere in the United States. I also state that this zoning ordinance is the product of literally thousands of hours of hard work on the part of the prior Planning Commission and that its form has been greatly changed by that Planning Commission from that originally presented by this consultant to suit what they believe are the needs of the Village.

It may be gathered by this time that I have implied what is in fact very true—that the zoning ordinance itself is the major legal instrument for the carrying out of a comprehensive plan which has been prepared and is in itself nothing more than an expression of that plan as applied to existing land uses. It is unfortunate that the majority of Ruidoso citizens have not had an opportunity to review that plan although it was available to them from many sources. This is unfortunate because of the great confusion which still exists over the zoning ordinance as presented for public approval. It is hoped that those now concerned with or about the proposed zoning ordinance for the Village of Ruidoso do have and will take the opportunity to review their plan and their zoning ordinance in the light of that plan and that whatever adjustments might need to be made can be made with a consideration of that plan. I believe that the zoning ordinance as written and reviewed and re-drafted is a good representation of the facts and a good expression of control of the plan upon which it is based. If the zoning ordinance is to be changed or revised in a manner other than as proposed, I do hope that the Comprehensive Plan is looked at carefully prior to such changes.

ZONING AND PLANNING—

(Continued From Page 3)

problem. The plan as finally approved has one other major source of implementation other than the zoning ordinance and that is the capital improvement program and capital budget which are included as part of the final comprehensive plan. These are simply expressions in dollars and priorities of those public works which are planned for during the period of the plan. The first year of that capital improvement program which itself runs five years or more, can be called a capital budget and it is the three main items in this capital budget which have been received the most attention over the last 9 or 10 months. These are the development of a new and modern airport, the development of a major active recreation area at School House Park and the acquisition of land for a civic center below the present Cree Meadows Golf Course. The work on these activities begun by the previous Board of Trustees in August and September of last year and it was begun in earnest at that time because of an attempt to get these facilities built or acquired by the spring and summer of this year. Unfortunately, the federal government does not work very fast, although considering the fact that we have obtained several firsts in the history of the federal government, I believe, that we are fortunate to have approval for those we tried for at this time.

I believe it would be appropriate to discuss why Flatow, Moore, Bryan and Fairburn was selected at that time to do the detail work on much of this capital budget. First, the firm and myself were the ones most familiar with the development problems and were the only ones, frankly, who were familiar with the financing approach as necessary. Secondly, the firm of Flatow, Moore, Bryan and Fairburn has been the consultant to the Air Defense Command for the past several years on airport and airbase planning and Mr. Max Flatow, the responsible one for the engineering on the airport at this time, had built in the past at least 26 other airports. The firm of Flatow, Moore, Bryan and Fairburn have been closely involved with recreation in the City of Albuquerque for years and have designed and built most of the recent pools and parks in the City of Albuquerque as well as participated on national recreation committees. It was therefore felt that that firm would be most suitable to carry out the works proposed.

I would like now to discuss the real meat of this talk and that is the details on the civic center land, the park developments and the airport.

Civic Center

The acquisition of almost 70 acres of land below the site of the present golf course was deemed important since this was the only feasible and available land in the Village of Ruidoso which was suitable for a total development of a civic center and, as a matter of fact, for most if not all of the individual facilities proposed there. Those facilities as proposed included a city hall, a new fire station, a library, an outdoor theatre and auditorium, an elementary school, and a new high school, many related recreational facilities and a Junior college which was believed could be and should be constructed and financed in Ruidoso in the future. Many methods were tried to finance the acquisition of this land, but in general it was always intended that the school system would participate because of their future needs for land and since they had bonding power available for this. The school board believed at the time that the proposal was presented to it, that perhaps another site would be more suitable, believing that perhaps the proximity to the airport runway alignment was too dangerous for school locations. Neither the FAA, nor those people who are familiar with the situation and with aircraft believe that there is any danger because of the vast distance between the end of the runway and the civic center location. However, to my knowledge, the school board made no final decision regarding a site for school expansion and many people hope that they will reconsider this site as being most appropriate and by far the most inexpensive piece of land available. While a large share of the financing of this plan was to be handled through bond issues, it was finally determined that the marketability of such a municipal bond issue would be seriously hampered due to the time when such said bonds could be paid off. However, if the school system and the municipality could co-ordinate the acquisition of this land it is probable that municipal bonds would be as readily marketable as the school bonds and that this land could be acquired. It is believed by people in the real estate business, that the value of this land greatly exceeds the sale price as quoted to the municipality and it should be well recognized by the citizens of Ruidoso that we are running very short of suitable land for the facilities to be included in the civic center. Action which could be taken at this time and in the first part of the year 1963 to acquire this land would be more than appropriate. I believe the Village Board of Trustees and the School Board would like to hear the feeling of the citizenry on this whether in support of or opposed to comprehensive plan recommendations and action to acquire this land

Now let us switch to the question of recreation and the facilities proposed for construction at this time.

Recreation

There has been a great deal of recent discussion regarding recreation and recreation needs in the Village of Ruidoso. At the present time, engineering plans are being drawn for the construction of a $86,000.00 municipal swimming pool which is to be built in School House Park. This pool is financed through the 1c cigarette tax money on a revenue bond to be purchased by the Community Facilities Administration of the Housing and Home Finance Agency. The former Board of Trustees worked diligently on this plan for the past nine months and it is only now that we are assured that this pool can be built. The pool will be a top quality pool 44' x 82' with a maximum depth of 8' 6". It will have a 60' x 24' locker and office building and will include paving, fencing and complete filters and heating equipment. It will be one of the finest pools in the state.

The basis for the construction of this pool has been recognition of a need for this kind of facility and a recognition of the fact that the pool will probably be able to meet its operating and maintenance expense from its revenues and in all probability return a net income to the Village. Originally the plan was for a bond issue of almost $200,000.00 which would include related facilities such as a ball field, tennis courts, hand ball and badmition courts, zoo facilities, ice skating rink, and other miscellaneous playground equipment facilities. Unfortunately, the drop in cigarette tax revenue has precluded the possibility of construction of these things at this time with this initial loan although the loan is left open for inclusion of additional facilities if and when our cigarette tax income does rise.

Your previous council and planning commission recognized the fact that the pool was not the only need in Ruidoso. Of major importance was the construction of a ball field and the other facilities as mentioned above. However, the pool is the only facility at this time which may be in a position to pay for itself and is the only large facility which would have to be paid for from a bond issue. It would be practically impossible to set aside funds in this amount to build from cash a facility such as a swimming pool. There has been a great deal of discussion as to whether or not the swimming pool should be eliminated entirely at this time in order that again new plans might be drawn for recreation in the Village of Ruidoso. It has also been suggested that the bond issue, now in its very stages of completion be withdrawn, and that plans be reworked so that facilities be built some time next year and that we are moving too quickly to try to obtain such facilities in this short time. Again it has been suggested that it is doubtful that the pool, if built at this time, could be used during 1962 and therefore we should wait until next year.

While it is true that the swimming pool will utilize most of the cigarette tax money, it was always a recognized fact that these small funds could best be used to bond for the large and most expensive items needed in the community, especially since the interest rate of 3.5/3% was so reasonable and since the total income from any of these tax sources did not have to be very high in order to issue bonds and sell them to the Community Facilities Administration. The previous Board of Trustees spent a great deal of time investigating the possibility of utilizing the greatest source of income, that of the sales tax, in order to issue bonds so that a great many of these facilities might be constructed. This is not at this time legally possible. It was thus recognized that the large sums now received and the great increases expected from this sales tax would be sufficient to replace the small incomes received through other tax methods for the development and maintenance of such facilities and that in the long run we were much better off to bond for construction of recreation facilities now, when we could, and to utilize the sales tax growth for cash capital outlays. This is the basis upon which the swimming pool construction was begun and why it was decided to go ahead with that construction. Until recently, there have been no unfavorable comments regarding going ahead with the swimming pool and nothing but total support for the development of this pool.

I have been asked to state the reasons for continuing with the pool or other park construction at this time.

1. In the first place it has taken some nine months of very hard work on the part of many people to advance to the point where we are ready to construct the pool and sell the bonds. There has been a great deal of public time and money spent as well as much private money to see to it that these facilities are built. Needless to say, those who have supported this action and have spent time in the past to see that it gets done do not want to see, not only a loss of time, but a significent loss of money involved if the pool were cancelled at this time.

2. The Community Facilities Administration has only this year begun to issue bonds for such facilities as a pool on an experimental basis. We have absolutely no guarantee that next year the Community Facilities Administration will again make possible this opportunity to build a swimming pool or any other forms of recreation facilities. Monies for the development of these things are appropriated annually and the demand has been so great that it is possible that such may be eliminated at any time and for any period of time.

3. There is even less reason to assume that the Community Facilities Administration will go along with us a year from now particularly after we have spent so much of their time and their money as well as our own getting to the point of construction without continuing with that construction.

4. Since there has been a great deal of engineering work accomplished at this time on the swimming pool, the City would be liable for several thousand dollars of work completed and the only way this could be paid is from the recreation fund which would deplete the fund very badly at this time without the Village benefitting one single bit by such action.

5. Since the general public has been in favor of the construction of a pool and since the pool services far, far more people than would a ball park or other recreation needs at this time, it seems only appropriate that this is the action that should be taken, that it is the continuation of the pool construction. While it is true that the pool was not a major issue in the recent election, this, it is believed by many, is because there were no unfavorable comments regarding the construction of the pool and that the pool was going to be built was a generally known fact. This public attitude is especially important when you consider that criticism is usually forthcoming from even a very few people if there is any criticism of certain actions to be taken by a public body.

6. The construction of this pool will not preclude the possibility of obtaining other recreation goals. Experience throughout New Mexico in non-tourist areas, let alone in such a recreation area as Ruidoso, has proved that a pool operating on the basis of three or four months a year, especially when it is a top quality pool such as the one proposed will be, has no trouble meeting its operation and maintenance costs and, in fact, can make money for the community. Sales tax money is and can be made available for an escrow fund to provide, each year, additional facilities as well as to maintain those which are already in existance.

One alternative point. It is true that the $70,000.00 bond issue which is available to the Village of Ruidoso now could be utilized to provide a great deal of facilities other than a swimming pool, including an excellent top quality ball diamond. This money could be used also to purchase additional land for new sites if the School House Park site was not thought to be appropriate. In fact, if the general public believed that these other facilities are more important than the swimming pool then this is what that money should be used for.

There are a great many people in the community who believe that we need a ball field at this time for Little League, softball, Pony League and other baseball activities. There is no reason why this cannot be built without jeopardizing the construction of the pool. Preliminary negotiations with the owner of the land designated for the civic center, indicate that this land is available for use at this time at a low cost to the Village for materials and construction activities only, with no cost for the use of the land for a reasonable period. This action was taken by the owner recognizing the continued interest of many people in the community for the use of that land for a civic center and for recreation facilities. In addition, there is approximately $3,800.00 in the recreation fund at this time and this fund continues to grow each month. While it is not an easy task, and to be sure this statement is not a fact, I believe after investigations which I have made, that we can make a good usable ball park at a reasonable cost and at this time get more than value received, especially since so many of the people have expressed such a strong interest in contributing both time and money to develop this facility.

It is a time for decision and your support publicly for what you believe would be very important and invaluable.

The final point I wish to discuss, is that of the proposed improvements at Ruidoso Municipal Airport. This is a most serious matter about which there has been much confusion, mis-statements and little facts given to the general public.

The original preliminary plan upon which was based the application for loans and grants was general as presented and stated at public meetings prior to the election and there was no attempt to be evasive about facts. The plan as originally proposed included the new runway and taxi way, the acquisition and clearing of land north of the airport, construction of a parking apron and miscellaneous land acquisitions. These were to be constructed entirely with public monies as also discussed. However, never a certainty was the construction of an office building and T-hangars, and I repeat an office building and T-hangars and not an airport terminal, with private committments and private funds entirely supporting that portion of the bond issue. No public money for this facility was directly involved.

In the past also, the primary location of the airport facilities were to be to the west of the runway near the present location. The cost of these facilities were initially a total of $664,000.00 which has now been reduced to $625,000.00, approximately. Initially it was anticipated that we could get an airport revenue bond for $279,000.00 and a gasoline tax bond for $40,000 with the remainder to be financed with an FFA grant. Unfortunately, the CFA and the federal government had never before purchased bonds for an airport and the final financing arrangement has been revised. However, this revision, as outlined below, remains to the satisfaction of the previous and new Board of Trustees.

As some of you already know, the airport as now proposed is different from that initially proposed in terms of its physical relationship rather than the details originally asked for. At no time did the previous Trustees believe that we would be successful in obtaining all of the facilities initially asked for and needed, however, the FAA was insistant upon completing those facilities initially asked for because they were convinced not only of their need, but of the fact that a better alignment of the runway could be achieved, that great safety standards would be promoted, that lower cost would result and that more and better facilities could be built. In fact, the FAA has stated to many members of your Board of Trustees and your Mayor that they expect a huge increase in air traffic and want to plan for and prepare for now a growing Ruidoso economy which will justify commercial airline service in a few years. The new plan which is in its final stages of engineering development, required a change of new facilities to the east side of the runway in order to reduce grading and land acquisition costs primarily. This was also necessary in order to locate the taxi way at sufficient distance away from the runway and still avoid high cost of damages not only for land acquisition but for buildings which would have to be removed. The new orientation of the runway now will permit traffic landings from the north to make a near normal approach, not possible under the old and preliminary plan and scheme. Thus, all who are personally and publicly involved with the airport construction are or should be convinced of its practicality as is the engineer and the Federal Aviation Agency.

The financing of the airport now includes an $85,000.00 gasoline tax revenue bond for which former Mayor Pearson, prior to leaving office, received authorization from the CFA for a partial utilization of gasoline tax revenues for road maintenance and construction. It is estimated that from four to six thousand dollars per year and increasing amounts each year, plus portions of the sales tax, will be available for roadway maintenance and improvement.

In addition, an airport revenue bond based solely on the gasoline and tie-down sales at the airport, in an amount of $94,000.00, will be issued for the construction of the airport. This figure was arrived at after realistic discussion with the Community Facilities Administration as to how much net income would be available for bond payment over a 35 year period less management and maintenance costs.

Briefly at this point I would like to clarify the management contract for the existing and the new airport which was signed by the Board of Trustees of the Village of Ruidoso and the present airport manager. This contract calls for the Village to pay for direct salary costs plus 60% of that direct salary cost up to a maximum of $500.00 monthly for the next two years. A recent letter presented to the Board of Trustees fully justified the fact that salary alone, if the Village were to operate the airport with its own personnel, would run somewhere in the neighborhood of $850.00 per month. There is a great deal of work involved at the airport including 7 days operation on an average of from 6 a.m. to 7 p.m. daily, bookkeeping work, gassing and oiling of airplanes, maintenance of the airfield and related buildings, operating the air-to-ground radio, tying down aircraft, offering miscellaneous pilot assistance and innumerable other duties which no one can realisticaly deny. Nor can anyone realisticaly deny the fact that there are a great many other costs involved in this management and day-to-day operation which are not covered by direct salary cost alone. There is only one factor at this time which is affecting the direct cost to the Village of Ruidoso for the honoring of this contract in operating the airport. This is the fact that the Village is not now receiving gas and tie-down sales which are its legal rights as previously clarified to city officials by the FAA and the most notable airport attorneys in the State of New Mexico whose offices are located in Farmington, N. M.

The office building which is to include approximately 3200 square feet and the T-hangars, which there are 15, are also to be financed by the revenue bond which is based entirely on per square foot receipts from private interests. The Village now has written committments for the space and the total cost of these buildings is approximately $66,000.00 including all overhead, engineering and miscellaneous fees. Of great importance here is that the plans now call for the development of a municipal office building for airport management which will be provided as part of the office space to be leased by private interests using only private money.

As most of you know, there will also be a $314,000.00 FFA grant which has been subject to final approval of the design of the airport. Tentative approval has been given to the airport and the runway which the FFA determined as a great improvement and in no sense hazardous to aircraft operations.

And last, to quote an old cliche, but not least, is the $67,000.00 general obligation bond issue which was recently overwhelmingly supported by the voters at the general municipal election. It is upon this voters action that the city fathers determined that they would go ahead with the development of the airport project as proposed and there is nothing serious at this time preventing its completion. The Board of Trustees is now in process of undertaking certain urgent actions on land acquasition. After this is completed and after the engineer's specifications are drafted, FAA and CFA approval is needed. It is still anticipated that work on the project can be begun

(Continued To Page 5)

NOTICE TO

TAXPAYERS OF RUIDOSO

We are a group of people who fly into Ruidoso regularly. Some of us are property owners in Ruidoso and we don't think we need this big a project for the Ruidoso airport. We are in favor of improving the airport at a reasonable figure. We think the present runway is sufficient but needs retopping and trees cut down on the north end and lengthened at the south end if need be. We can show you terminals and airports of this size that have already been abandoned. We can take the $67,000 in G. O. bonds and let the government match them and we will have plenty of money for improvements needed at this time.

By Alice Lindamood

Mr. and Mrs. Ernest E. Baughman and Mr. and Mrs. Ralph Edgel of Albuquerque spent the past week-end in the Robert Neal summer home at Eagle Creek Lodge.

The Fred Schuller family of El Paso spent Sunday with Mr. and Mrs. Alan Johnson at Eagle Creek Lodge.

Last Monday Mrs. Ed Guck stopped in on her way from Ruidoso to her home in Nogal.

Mr. and Mrs. Basil Ryan and Mr. and Mrs. Al Swanson of El Paso spent several days last week at their Eagle Creek homes.

Mrs. Charlie Harrington of Alamogordo was here for a few days last week. She brought her mother, Mrs. W. N. Hightower home after spending a few days with the Harringtons in Alamogordo.

Mrs. Sam Allen is visiting her daughter, Mrs. Judith Ann Kitchens in San Angelo, Texas at present.

Mr. and Mrs. Alan Johnson are spending a few days at their summer home at Eagle Creek Lodge.

The George Hightowers of Silver City visited his mother, Mrs. W. N. Hightower last week-end.

Mrs. A. D. Adkison and son, Wilbur Adkison of El Paso were at their Little Creek ranch for a few days last week.

The Bob Harcrow family of Roswell were in the community on Saturday.

The Dee Wilks of Lubbock and the A. R. Hills of Idalou, Texas were here on Saturday.

Mr. and Mrs. Will Mayer of Clovis stopped by Sunday on their way home after being in El Paso on Friday for the high school graduation of her niece, Lillian Pear in El Paso.

Ruidoso Was Host 15 Years Ago To State Lion Convention

In checking the records of the Ruidoso News published 15 years ago concerning the State Lions Convention held in Ruidoso then, the following facts were uncovered.

The president of the Lions Club at that time was Lloyd Bloodworth, who was also publisher of the Ruidoso News. There were 65 members of the local club, and the total registration at the convention was 400 delegates and guests.

The mayor of Ruidoso at the time was George McCarty who welcomed the delegates to Ruidoso.

The program at the time was Sunday, June 1, 1947 with registration at the Navajo Lodge at 8:00 a.m. A roping contest was held between Shaw and Tully at 2:00 p.m., barbecue at Schoolhouse Park that evening. On Monday, June 2, the program consisted of a business meeting at 9:15 a.m. in the Apache Theatre, a business meeting at 2:00 p.m. in the same location, and the Governor's banquet in the Ruidoso Gym, with entertainment afterward at the local night clubs. "An interesting note at this time would be that I wish the present convention arrangements were as simple," Elmer Pirelli, current Lion Boss, declared.

The officers of the local club at the 1947 State Convention were as follows: President, Lloyd Bloodworth; first vice-president, Claude Crane; second vice-president, John O'Connor; third vice-president, J. W. Bounds; secretary, Marion Fuchs; treasurer, D. B. Morgan; Tail Twister, Carmon Phillips; Lion Tamer, Dan Swearingin; corresponding-secretary, Colby Delaney. The Board of Directors consisted of Harry Cornelius, Raymond Buckner, Albert Vaughn and A. L. Ferguson.

ZONING AND PLANNING—
(Continued From Page 4)

in early July and completed in early fall.

I believe that I have about covered the problems at this time. There is something that I would like to state. I, as a private citizen, have no contracts of any sort with the Village of Ruidoso at this time. I do have a contract with FMBF to assist in co-ordination of the airport between FMBF and the Village of Ruidoso and this contract is now in the hands of the Mayor who has reviewed it to his satisfaction.

These are the facts to my knowledge. If some are inadvertantly missing, I will be pleased to clarify them as necessary. The airport planning is now nearing completion. The park and pool situation is still up in the air and does need your support in the way you believe to be correct. The acquisition of land for the civic center also needs your support in the same manner. It can be accomplished and is now a major basis and foundation of the comprehensive plan and future Village improvement.

FORMER RESIDENT IS 'FLABBERGASTED' BY CHANGE IN RUIDOSO

Mrs. Bud Campbell of Medford, Ore., visiting her aunt, Mrs. J. D. Ulyatt, here last week-end and early this week, and who lived in Ruidoso up until 12 years ago, says she is simply "flabbergasted" by the growth and improvement in Ruidoso. She has visited here only once, seven years ago, since she moved with her husband to another state.

Multiple Listing Service Notes Recent Sales

Recent real estate transactions completed through Ruidoso Multiple Listing Service include cabin and leasehold interest on lot 12, Blk. 4 of Flume Canyon Subdivision sold by Tommy Perteet to N. B. Buckley. Dan D. Swearingin, Inc. was the listing and the selling agent.

Mr. and Mrs. B. W. Russell have sold house and lot, Blk 1, Cree Meadows Subd. to Mr. and Mrs. E. W. Cope. Lela Easter Realty was the listing and selling agent.

House on leased lot 37, Blk. CC in Central Subd. has been purchased by Jim Snell from Mike R. Mason. Lela Easter Realty was the listing and the selling agent.

W. A. Moore has purchased house and lot 3, Blk. 1, Unit 1 in Ponderosa Heights from Bob Daharsh, and house and lots 9 and 10, Blk. 9, White Mt. Heights from J. D. Harper. Listing agent for both transactions was The Adobe Real Estate and selling agent Locke Realty.

BUILDING CODE SECTION IS CITED BY INSPECTOR

Bert Rice, Ruidoso village building inspector, this week asked the Ruidoso News to print Sec. 301A, uniform building code, contained in the village building code ordinance, and which reads as follows:

"No person, firm or corporation shall, erect, construct, enlarge, alter, repair, move, improve remove, convert or demolish any building or structure in the City, or cause same to be done, without first obtaining a separate building permit for each building or structure from the City Building Official."

Mrs. Olma Newton of Olma's Style Shop is in Dallas this week buying merchandise for her shop.

Robert Pearson was in Santa Fe early this week helping his family get ready to move to Ruidoso for the summer.

SPORTS

Visiting Lions to be Honored With Feature Race Here Sunday

Lions Club members here to attend their statewide convention for three days will be honored with a feature race on Sunday afternoon, Walt Wiggins, public relations manager for Ruidoso Downs, said Wednesday. The race will be for thoroughbreds. Also on the Sunday bill will be a 350 yard sprint for quarterhorses, the annual Peter McCue stakes, Wiggins said. Post positions for horses in all Sunday races were to be determined Thursday this week, a day later than the usual selection time because of the Memorial program on Wednesday. Wiggins said all Lions club members will be admitted free to the race track this week-end and that car parking, also, will be provided them free.

The four-day Memorial holiday week-end resumes here Friday with Solar Orbit, an upset winner Sunday, topping the six-furlong "Prescription Pharmacy" thoroughbred feature and two thundering herds of quarter horses testing their tootsies for the rich futurity stakes ahead.

A stretch-running terror here last year, Solar Orbit, owned by Mr. and Mrs. Cliff Wallace of Albuquerque, came off nothing more than some sharp morning trials to register a stunning $40.60 triumph over Tribal Tip and Spin By first time out at the meeting.

Friday, Solar Orbit will be going a sixteenth shorter against some rugged opposition represented by Irene Till's Nudge Me, one of 19 Agua Caliente invaders brought here by George Till; Roger Canter's Tony's Boy, Ray Beeley's Miss Independent, Eloise Barclay's Missile Mouse, Nimette and Old Handsome.

Many of them prepping for the $50,000 Kansas Futurity, scheduled July 1. Friday's two quarter horse dashes also will include many eligible for such other rich juvenile jackpots as the Ruidoso Open Futurity July 22 and the grand finale, the $250,000 estimated All American Futurity, on Labor Day.

Likely favorites in the first of consecutive 350 yard blasts will be Gill Brothers' Desierto, J. F. Webster's Jeune's Folly, Hoss Inman's Miss Double Tuff, Harry McCormick's Sure Flyer and L. A. Morwood's Blair String. In the other dash, E. M. Jones' Bar Melody, Walter Merrick's Flicka Bob and Gill Brothers' Smart Style lead the charge.

Post time will be 1:30, as usual, Friday, following the Wednesday Memorial Day holiday program, a dark Thursday, and resumption of racing the balance of the week-end. Each of the four 12-race cards will include daily double wagering on the first and second races and quiniela action on the fifth and 12th contests.

Saturday Honors Hondo Valley

Viva Mexico, owned by Peter Vischer of Port Tobacco, Md., will seek to outhuff and puff a good field of 3-year-olds here Sunday in the six furlong "Hondo Valley" purse.

An impressive winner last Sunday with Larry Byers in the saddle, Viva Mexico picks up 121 pounds, high weight in the field of seven that includes a pair of eligibles for the $25,000 Ruidoso Thoroughbred Derby Sunday, August 26, at seven and one-half furlongs.

The pair pointing for the grand sophomore prize are A. B. Cathey's Lady Bompee, coming off a good tune-up last week, and George McKee's Unbuckled, a 3-year-old daughter of Noble Risk.

At 106, the Carlsbad-owned Lady Bompee is the lightweight of the field with Apprentice D. W. Whited, two pounds less than Unbuckled's impost with fledgling rider Bob Ripley.

Another serious threat in a field rounded out by Shooting Gal, Battle Lina and Arm Yourself is Dan Williams' Miss Virago, an Admiral Drake filly from Las Cruces that showed good speed while getting acquainted with the track last week-end.

Supporting the "Hondo Valley" dash will be another speedfest at five and one-half furlongs, matching some of the more experienced [illegible] on the grounds.

In this one, Henry Grandi's Tray [illegible] up after trying tough[illegible] Sunday. This time he comes back against Basuto, Spot Rocket and Who's Here, which he out[illegible] first time out at the 55-day meeting. Others seeking to look Tray Bar "in the eye" will be Eddie's Last, Ky Trudy, County [illegible] and All's Glory.

Tray Bar and Spot Rocket are equally high-weighted at 124, giving away as much as 24 pounds to the flyweight of the field, Ky. Trudy at an even 100 pounds.

News Want ads work wonders

Quinielas Pay $469 and $192 As Long Shots Hit Friday

A streak of fat pay-offs—including a quiniela reward of $469.20—highlighted Friday's race program at Ruidoso Downs.

Sir Bag, a 78-1 shot, hooked up with High Universe in the fifth race to post the hefty quiniela pay-off. The former paid $157 on a $2 win ticket, and High Universe handed out $24.20 for place.

Longshots got the best of it throughout the program as a total of six win payoffs soared over the $20 mark.

Ak-Sue grabbed the second race and paid $23.20. Yonshego came alive in the fourth for a $31.60 jackpot, Bennie Bar was good for $39.60 in the 10th, Wendy See surprised in the feature to the tune of $83.00, and Able Abbey got up in the finale and returned $19.60.

A second rich quiniela was recorded in the 12th when Lou Hill ran second to Able Abbey. The pair paid $192.80.

Indian Weaver and Ak-Sue connected for a daily double worth $125.80.

A crowd of about 2,850 saw Wendy See win the featured Ruidoso Airport Purse Friday to pay $83.00, $51.00 and $14.00.

Wendy See ran the 5½ furlongs in 1:09 4-5 followed by Who's Here and G-Eye.

Fans bet a total of $95,662.

Friday

First race—3 year olds; 4 furlongs; Indian Weaver 8.60, 4.80, 2.40; Hy Fronee 10.20, 4.80; Good Music 2.60. T—:49 1-5.

Twelfth race—4 year olds and up; one mile; Able Abbey 19.60, 11.00, 7.60; Lou Hill 10.40, 6.20; Mr. Don't 6.20. T—1:46 2-5.

Quiniela — Able Abbey and Lou Hill $192.80.

Attendance — 2,850 estimated.
Handle — $95,662.

BONITO LAKE OPENS TODAY

Bonito Lake officially opens for the 1962 fishing season today (Friday). Much to the delight of local fishermen as well as summer visitors the outlook for trout fishing at the popular mountain lake is excellent as it has been stocked several times with hundreds of pounds of nice size catchables.

The lake fed by the spring runoff of snow from the mountains around Bonito Canyon has provided an abundance of water that should insure good fishing all summer long.

Sunday

First race—3 year olds and up; 5½ furlongs; Dream Mint 8.60, 4.00, 3.40; Spalding Gold 4.80, 3.80; Bobbie L. 6.20. T—1:10.0.

Second race—3 year olds and up; 5½ furlongs; Paul's Pride 14.80, 7.20, 4.20; Poms Fusser 5.60, 4.00; Bullaway 3.80. T—1:10 1-5.

Daily Double — Dream Mint and Paula's Pride $56.40.

Third race—3 year olds; 350-yards; Bright Hornes 7.20, 3.60, 3.00; Off Base 4.60, 3.20; Queen's Dividend 2.80. T—:19.1.

Fourth race—3 year olds and up; 400-yards; Copan Buck 5.40, 3.20, 2.60; Hard Luck Bob 3.80, 2.60; Sea Raider 3.00. T—:20.5.

Quiniela — Pictet and Sevens Up, $63.40.

Attendance — 3,300. Handle — $147,188.

QB Club Meets Thursday This Week

A meeting for all Quarterback Club members will be held Thursday night of this week at Wattie's, according to Dave Parks, president of the local club.

Purpose of the meeting is to elect new officers for 1962-63 and to meet with members of the Summer Recreation Board for discussion of Little League activities for the summer months.

C. C. (Wattie) Watkins, president of the summer recreation board announced early this week that a program is to be outlined for Little Leaguers at the meeting, and practice will probably get underway next week.

3-6-9 Tournament Set For June 9-10

A 3-6-9 bowling tournament has been set for Saturday, June 9 and Sunday, June 10 at Holiday Bowl. This will be a scratch tournament and the men will bowl against men, and women against women. There will be two separate prize funds. Entry fee has been set at $3.00 with $1.50 for bowling and expenses and $1.50 going into the prize fund. Everyone entering the tournament must show his or her A. B. C. or W. I. B. C. membership cards for this year. Anyone may enter any number of times with the entry fee to be paid each time. The tournament is being sponsored by the "200 Club" of the Alamogordo Women's Bowling Association. Walter Faye Averitt is chairman for the tournament.

SHERMAN LEADS JOCKEYS, CLAGGETT TOPS TRAINERS

An interesting situation has developed in the Ruidoso Downs' Jockey standings after two week-ends of racing.

Joe Sherman, of Abilene, Tex., has ridden the greatest number of winners with eight, but on the point system trails Gale Mower, who has but six winners.

The same holds true of the fourth and eighth positions. Cliff Lambert, who booted home four winners Saturday, is fourth with six winners, and Benny Roller, eighth with the same.

Herb Claggett, favorite trainer of 14 women Temulac Stable owners, is leading the pack with four wins and two places out of 10 starts for a total of 26 points. The closest race, with only five points separating them, is among the next five trainers, each with three winners.

Jockey Standings Thru May 27

	M	W	P	S	Pts.
Mower	28	5	8	4	53
Sherman	28	8	3	2	51
Cawthron	39	3	9	9	51

Twelfth Race — 1. Carols Command, 2. Whirl Me Home, 3. Fire Knight

LITTLE LEAGUE WORKOUTS SET FOR MONDAY AFTERNOON

C.C. (Wattie) Watkins, president of the summer recreation board has announced that workouts will be held next Monday at 5:15 p.m. at the high school football field. All boys interested are to bring birth certificates and gloves to the practice.

All managers of softball teams who are interested in the summer league are to call Drew Christie at CL 7-4497.

Track Talk

Going Up! Following the inaugural week-end of racing, total wagering hit $494,148, an increase of 1.3 per cent over the first three days last spring. Attendance, 11,050, averaged out to a 26.2 per cent improvement over the same period. Look for even bigger days—particularly when school is out and summer vacation arrives—at Ruidoso Downs.

Schooling Rings Bell! The second week of "afternoon workouts", or schooling races, found two of Tuesday's three winners eligible to the $250,000-estimated All - American Futurity to be run Labor Day. Fastest was J. F. Webster's Jeune's Folly, a galloping 19 flat winner for Wade Johnson and Apprentice Jockey Jimmy Parrott, while the other All-American nominee to win was Gill Brothers' Desierto for Lyo Lee and Frankie Bone in 19.6. O. C. Sykes' Bob Twist, winner of the finale in 19.8

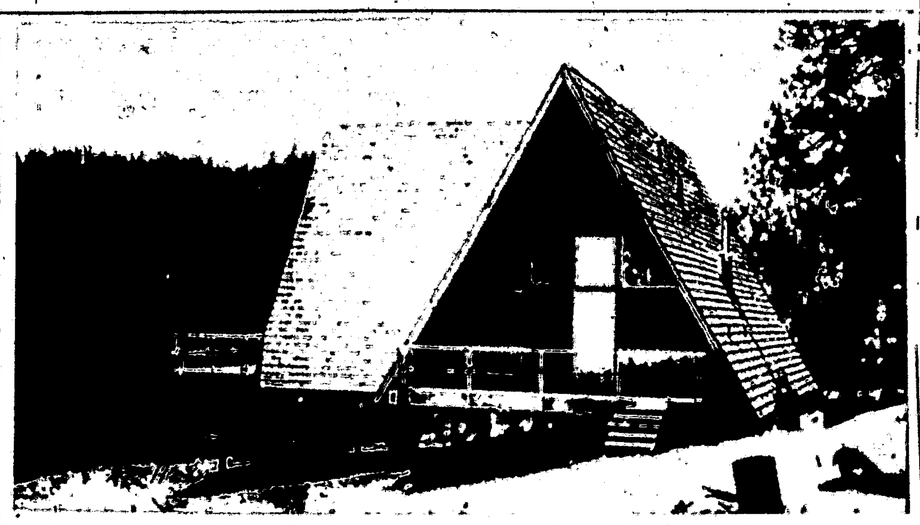
STREETS NAMED—Streets in the new Alpine Village subdivision northwest of here have been named for famous ski resorts of the world. Standing beside street markers, Johnny Mobley, left and Charles Mobley, are in charge of lot sales and doing construction work in the area. Utility poles are being installed now and a community water well is being drilled to provide water to all lots, Johnny Mobley said.

TRACK TALK—
(Continued from Page 6)
for Cliff Lambert, as yet is not eligible for the juvenile jackpot.

Rider of the Week! Although there were many outstanding individual riding performances the first week-end, 29-year-old Joe Sherman of Abilene, Texas, unquestionably rated "rider of the week" honors, spurting into an early lead in the jockey standings with six winners—a double a day! Gale Mower, with five, also scintillated, winning two of 'em from outside posts. Benny Roller also turned in a couple of corkin' jobs with the 2-year-old, $45,000 Ruidoso Thoroughbred Futurity hopeful, Roy Gaines' Poheta, a son of Curandero—Miss Charge, by Depth Charge, and A. P. Frezzini's Sleppy Ned in a whoop-de-do pinch-hitting performance for Harold Baker in the Inaugural Handicap. Also "sitting in" for Baker, Terry Armstrong never looked back with Guy Purinton's No Butt in his phenominal 17.8 conquest in the Mr. Bar None feature, and Lou Meaux, who impresses as one who just stepped out of a Damon Runyan story, won like it was nothing at all with Sam Ball's Rusty Sam for C. D. "Buffalo" Wooten.

Two-Timer! Honor of becoming the first two-time winner of the meeting didn't go unclaimed long —Damon Pollard's stretch-running Whirl Me Home winning Friday, opening day, and coming right back to score again Sunday. Ace Quarter Horse Jockey Don Allison is due in any day after suffering a mishap—a broken arm—at the recent Los Alamitos meeting.

On Strike! H. B. "Tex" Carrell made a prize claim when he recruited the horsemen's bowling team representing his stable — track photographer Dick "Tonto Bar" Tanks fired a 466 series with a ball that takes the sharp turns beautifully and Ol' Tex worked a 397 set. Leo "Look Sharp, Feel Sharp" Long rolled 421, Dallas "Cousin" Clark 208 (today only!) and another guy named Clark 543 —and with no lip tattoo. All this was good enough to send Jack Baldwin, Doug Morgan, Don Rausch, and Jocks Danny Whited and Jot Wilson flashing the Chaparral Motel Stable silks, back to the schooling races. The Men's League bowls Tuesday nights and the Mixed League Wednesday nights, at the Holiday Bowl. Among first-night horsemen rolling were Trainers Bobby Lewis, Don Herber, Clyde Fahlgren and Jack Baldwin; Linx Graham, John Danley, Bill Garlington, Bruce Brinkley, Jim Hughes, Billy Hughes, Ray Abbot and "Backstretch Charley", the Toots Shor of the Jockey's room.



IN ALPINE VILLAGE — Constructed as a headquarters residence in Alpine Village, new subdivision northwest of the city, is this large A-frame building, a 4-bedroom house, with two baths and large decks for outdoor dining or relaxing.

7 ALBUQUERQUE MEN DEVELOPING NEW ALPINE VILLAGE SUBDIVISION

An advertising campaign of $5,000 is to be spent in the month of June in newspapers of the area on opening of a new subdivision here, Alpine Village, located on a quarter section of land northwest of Ruidoso, according to Johnny Mobley, one of seven Albuquerque men developing the area.

Mobley said the subdivision will have 231 lots, all of them a half acre in size or larger, to sell for from $2,000 to $7,500. Interested in the development is the firm of Lonnie Brown and Associates, realtors of Albuquerque, with these other incorporators: Jerry Martin and Bill Luther, building contractors of Albuquerque who are currently at work constructing the new Sierra Blanca Lodge in White Mountain Park; Mobley and Bruce Ross, who have worked with Brown & Associates; Bill Casto, a certified public accountant, and Bob Nordhouse, who owns a shopping center and various real estate properties in New Mexico. The Brown & Associates firm has been interested in sales of lots in two other New Mexico subdivisions, Glenwood Hills in the city of Albuquerque, and Ranchos des Placitos, another development lying in the foothills north of the Sandia mountains.

An "A-frame 4-bedroom residence, which features two baths and a considerable amount of square footage in exterior decks, has been completed in the heart of Alpine Village to serve as a headquarters office. At present, access to the new area is through an alternate route going north from Cedar Creek canyon. An access road from State Road 37, near the airport, will go west into Alpine Village, Mobley said. The subdivision was given approval early this year by Ruidoso Planning and Zoning Commission.

A community well is being drilled to provide water for the subdivision, and utility poles are being installed now for serving the region. More than 10 miles of streets have been mapped, and most of them are ready for traffic now. The streets are named for famous ski resorts of the world, Mobley said. Street name signs have already been installed at intersections, he added.

An 8-page, four-color brochure telling of the project has been produced to answer inquiries expected to come in from the newspaper advertising campaign. Besides describing the subdivision, it also has photos and information on the resort facilities of Ruidoso.

Expansion for progress, Ruidoso State Bank.

GOVERNOR SPEAKS—Governor Edwin L. Mechem of New Mexico is shown giving the commencement address for graduating Seniors of Ruidoso High School in exercises held here Friday night in the school gym. On stage, from left, are Rev. John L. Gary, pastor of Green Tree Baptist Church, Ruidoso Downs; Stanley Stewart, counsellor, who gave special awards; Mrs. Jack Hitchens, president of the school board, who awarded diplomas; High School Principal Dwight Watkins; Supt. J. Howard Morris, and Rev. Emmett Adair, Presbyterian minister.

★

Take an Interest in Government Mechem Tells Ruidoso Graduates

Praising democracy as the best system of government yet devised by mankind, Governor Edwin L. Mechem of New Mexico last Friday night told 19 graduates of Ruidoso High School in a commencement address that none of us can live without government in our lives, and for that reason we should all study it, learn more about it, and participate in it. "As we improve society, we progress," he declared. Citing the competition from Russia today in many fields, Mechem said we must move forward in mind, in spirit, in technology as well as in weapons.

"To maintain a free society, we must work at democracy. We must not deprive individuals of their rights of free speech, freedom of worship and assembly," he said.

Governor Mechem was introduced by Superintendent J. Howard Morris who gave a biography of the man who has served as governor of this state more years than any other person, citing his public service record as well as his educational and war record.

Rev. Emmett Adair gave the invocation for the evening's program followed by a welcome by the Salutatorian of the 1962 graduates, Clifford Watley. A quartet, JoAnn Filleman, Toni Tully, Linda Cantrell and Sandy Jones, pianist, sang "Halls of Ivy" following the governor's talk, then Joe Mosley, valedictorian for 1962, spoke briefly, reminiscing on the dozen years spent in schooling youngsters endured by parents and teachers. High School Principal Dwight Watkins presented members of the class to Mrs. Jack Hitchens, school board president, who gave each graduate his or her diploma.

Stanley Stewart, student counsellor, made presentation of of awards, including cash and semester tuition scholarships from various organizations and colleges to the honor graduates and the high ranking girl graduate, Barbara Ortiz. Her awards, offered for a student interested in following teaching as a career, came from Alpha Delta Kappa's Eta chapter of the local teaching sorority, from the Ruidoso Elks Lodge, from Ruidoso Parent-Teachers Association and from St. Joseph's College and the Thrift Shop in Ruidoso, a Catholic concern. Tuition scholarships were offered the honor graduates by New Mexico universities and by Lubbock Christian College. Watley received a $500 cash scholarship, also, from Hollywood Lumber Co., presented in person by T. C. Delaney, the local firm's manager.

The benediction was given by Rev. John L. Gary, pastor of Green Tree Baptist Church in Ruidoso Downs. Piano accompaniment for the processional and recessional was played by Mrs. Jessie Hawkins.

Graduates were congratulated by those in the audience as the crowd left, filling by the seniors in their caps and gowns who stood in the school gym lobby. Other members of the class besides those named above included Joy Collins, Ben Donathan, Clinton Dorsett, Jody Lou Evans, Joe Frieberg, Laura Sue Fuchs, Alvin Gary, David Green, John Hawkins, Rexene Howell, Jerry Kannady, Danny Misner, Frances Reinhardt, Mary Sanches, Joe Smith and Ronnie Taylor. Sponsors of this year's class were Bill Pippin and Mrs. Kathryn Williams.

CARD OF THANKS

Words cannot adequately express our unbounded gratitude for the many messages of love and understanding we received during the tragic loss of our beloved son and brother. We were blessed and comforted in the knowledge that so many friends were with us. God bless and keep each and every one of you.

William B. Holmes, III

IN THE THIRD JUDICIAL COURT OF THE STATE OF NEW MEXICO WITHIN AND FOR LINCOLN COUNTY

NO 7174

BEVERLY KAY DAVIS, Plaintiff vs JAMES HOYT DAVIS, Defendant.

SUMMONS AND NOTICE OF PENDENCY OF SUIT

The State of New Mexico, to the above named Defendant: GREETINGS:

You are hereby notified that the above named Plaintiff has commenced an action against you in the above entitled court and cause, the object thereof being to secure an absolute divorce from you.

You are further notified that unless you enter your appearance in said cause on or before July 14, 1962, judgement will be rendered against you in said cause by default.

Plaintiff's attorney is John W. Thompson, whose post office address is Box 777, Ruidoso, New Mexico.

WITNESS my hand and seal of the District Court of Lincoln County, State of New Mexico, this 29th day of May, 1962.

H. L. (Hack) Haskel New Village Marshal In Ruidoso Downs

H. L. "Hack" Haskel has succeeded Charley Byers as Village Marshal in Ruidoso Downs. Byers resigned two weeks ago to go into the construction business with a partner in the Village of Ruidoso Downs. Haskel who has lived in the Southeastern part of New Mexico for over 35 years, is now on call 24 hours a day. He can be contacted during the day over the Ruidoso Downs police radio which is now located in the Max Oliver Station on Highway 70, phone CL 7-6770. The state police can also be contacted through this phone number, it was reported. The state police can be contacted at night through the Ruidoso Police Station at phone CL 7-3395.

By TRUDIE BALCOM

Elmer Payton was admitted last week as a patient to St. Mary's Hospital in Roswell.

School is out and we see our young people taking advantage of no homework. Seen at a local cafe were two young ladies and escorts —Misses Jaquatta Bryant and Laselle Zimm, escorted by Monroe Nown, stationed at Ft. Bragg, N. C., and his cousin, Buster Nown of Tularosa.

Also seen at the same cafe, a young man the love bug recently bit, initials J. B., employed at Navajo Lodge playing the juke box and serenading attractive Miss Carrol Klein.

Birthday greetings to Mrs. B. A. Arnett on her ?? birthday May 30.

Mr. and Mrs. Louis Smith were called to Albuquerque due to the death of a longtime friend.

A fish fry was enjoyed Saturday, May 26 at Lem Coltharp's home. The fish were furnished by Lem's daughter and son-in-law from Alamogordo. Also enjoying the fish were Herman Porter, Mr. and Mrs. Herbert Reddy, Dorothy Parnell, Mrs. Earl Paxton and Mr. and Mrs. Roy Sammer.

Two announcements of interest to Ruidoso Downs is the graduation of Oney Maes June 1 from Highlands University, Las Vegas and June 2 Oney and Miss Susie Galligen will be married in Albuquerque. It will be a church wedding and Mrs. Amelia Maes, his mother, will attend both affairs. The newlyweds will honeymoon in Ruidoso Downs.

Wayne Langford was in Goldsmith, Texas, May 29-30 attending a wedding that his fiance, Miss Laneta Alldredge served in as a bridesmaid. We're sure Laneta will catch the bride's bouquet as she will be a bride soon.

Mr. and Mrs. Buddy Parker and three children are moving here from Roswell. Buddy is employed for Myers Roofing Co. and is also a musician at Top Hat at nights.

Since Pat Keohane has become a married man he is kept very busy remodeling his home. Pat has taken to marriage like a duck to water. Speaking of water, Pat is planning on building a swimming pool soon. When Pat and Patsy married recently, he acquired four children, three boys and a girl—and lovely children they are.

A newcomer to our community is Mrs. Peggy Thomas, recently of Roswell, but now residing in Gateway. Peggy is the daughter of Mr. and Mrs. James Sample who operate the D. & D. Beauty Salon where Peggy is an added attraction as the new operator.

What young, attractive, blushing high school teacher was seen having coffee with what certain young and good looking bachelor from Alamogordo? Said young man drives a '59 blue Chevrolet. We can't divulge names, but 'tis said she previously taught English and Spanish but will be a Junior High teacher next year. Same teacher was observed getting a suntan at a local swimming pool Sunday. Starlight, star bright, by George, that's right!

Prettiest sight of the week — Karen Smith in her yellow lace dress — matching accessories — looking indeed like a young debutante as she graduated from the 8th grade. Karen is the daughter of Mrs. Carl Morrison, a very talented singer.

Congratulations to the graduating class of '62. Graduates from Ruidoso Downs included: Eighth graders Patsy Arnett, Willie Zinn, Becca Browning, Martha Bilberry, Karen Smith and Elmer Zinn.

Sunday, June 3 has been set for the day for all of those members of the Green Tree Baptist Church who cannot help in our vacation Bible School to bring such things as cookies, sugar, coat hangers, plastic bottles and small fruit juice cans. Remember preparation day for our school is Saturday at 2 p.m. and the school begins Monday afternoon, June 4 at 1:30 p.m. If you need a way to the school please call ES 8-4241 for a ride. Every child, aged 3 to 16 is invited.

Those visiting the J. L. Garys the past week was Mrs. Gary's parents, Mr. and Mrs. M. E. Morris of Southland, Tex.; Mr. and Mrs. J. A. Gary, Rev. Gary's parents from Levelland, Tex., and a brother, Alvin Gary and his family, also from Levelland. The Gary's daughter and her family, the H. L. Hubbards of Carlsbad were also week-end visitors. The occasion was the graduation of Alvin from high school here. The two granddaughters, Beth and Becky Hubbard, are spending this week with their grandparents.

You'll find gifts for everyone in the family and for all occasions at Bowlin's Running Indian Gift Shop. On Hiway 70 near Race Track.

NOTICE

IN THE MATTER OF ESTABLISHING A LICENSE RATE FOR DISPENSERS, RETAILERS, AND CLUB VENDORS OF ALCOHOLIC LIQUOR.

Notice is hereby given by the Board of County Commissioners of Lincoln County, New Mexico to all persons proposing to sell or dispense alcoholic liquors outside of the Corporate districts in the County of Lincoln and who have qualified under the provisions of the Liquor Control Act, Chapter 46 New Mexico Statutes, 1953, Annotated, and all acts amendatory thereof and supplementary thereto; and have as a condition precedent hereto secured proper license from the Bureau of Revenue, Division of Liquor Control of the State of New Mexico, may apply to the Board of County Commissioners through the office of the County Clerk in Carrizozo, New Mexico, for a license to sell or dispense alcoholic liquors in the following designations:

DISPENSERS LICENSE for the sale of all alcoholic liquors.

CLUB LICENSE for the sale of all alcoholic liquors.

RETAILERS LICENSE for the sale of all alcoholic liquors in package form. The Board of County Commissioners within and for Lincoln County, New Mexico has designated and prescribed license fees to be paid to the County as follows:

DISPENSER'S LICENSE $400.00
CLUB LICENSE $400.00.
RETAILER'S LICENSE $250.00.
SPECIAL PERMIT AS PROVIDED, 46-5-10 $25.00 per day.

The License tax period shall begin July 1, 1962 and end June 30, 1963, and the full amount of said license tax fee is due and payable on the date of issuance of the License for the license year, or balance of year, pro-rata by quarters remaining in the year.

DONE at Carrizozo, New Mexico, this 3rd day of May, A. D., 1962.

Kenneth Hosker, Chairman
Board of County Commissioners,
Lincoln County, New Mexico
ATTEST:
Alice King, County Clerk.

NOTICE OF PUBLIC AUCTION
OF STATE LANDS
LINCOLN COUNTY
Office of the Commissioner
of Public Lands
Santa Fe, New Mexico

Notice is hereby given that pursuant to the provisions of the Act of Congress, entitled Enabling Act for New Mexico (36 Stat. 557) approved June 20, 1910, the laws of the State of New Mexico, and the rules and regulations of the State Land Office, the Commissioner of Public Lands, subject to the conditions hereinafter set out, will offer for sale at public auction to the highest bidder at 11:00 o'clock, a.m., on July 9, 1962, at the front door of the County Court House in Carrizozo, New Mexico, subject to existing rights, easements, rights of way, or leases, if any, the following described state institutional lands, to-wit: (Possession of these lands may be obtained as of October 1st, 1962, and future annual rentals and payments on existing grazing lease or leases, if any, may be collected by the purchaser, unless already paid to the State).

SALE NO. 4024: S½S½, NE¼SE¼, SE¼NE¼ of Section 28, Township 11 South, Range 19 East; ALL of Section 16, SE¼SW¼ of Section 17, W½NE¼, SE¼NE¼, SE¼ of Section 19, SE¼NW¼, W½SW¼ of Section 20, W½ of Section 21, N½ of Section 25, N½ of Section 26, N½ of Section 27, N½, SW¼ of Section 28, W½NW¼ of Section 29, N½NE¼ of Section 30, E½NE¼ of Section 31, W½, SE¼, W½NE¼ of Section 32, E½, E½W½ of Section 33, N½ of Section 35, ALL of, Section 36, Township 13 South, Range 17 East; SE¼SW¼, SW¼SE¼ of Section 20, W½, W½E½, E½SE¼, SE¼NE¼ of Section 22, Lots 1, 2, E½NW¼, NE¼ of Section 30, Lots 1, 2, E½NW¼, NE¼ of Section 31, ALL of Section 32, Township 13 South, Range 10 East; ALL of Section 2, Lots 1, 2, 3, 4 of Section 6, S½SW¼ of Section 8 S½ of Section 10, SW¼, SE¼ of Section 11, S½ of Section 12, ALL of Section 16, N½SW¼, E½NW¼, W½NE¼ of Section 17, Lots 2, 3, S½NE¼, SE¼NW¼, N½SE¼, NE¼SW¼ of Section 18, Township 14 South, Range 17 East; SE¼NE¼ of Section 7, Township 14 South, Range 18 East, NMPM, containing 10 355.83 acres, more or less, according to the government survey thereof. (COMMON SCHOOL LANDS).

These lands are located approximately 30 to 48 miles Southwest of Roswell, New Mexico.

Said above-described lands have been appraised at $6.75 per acre and no bids for a less amount will be accepted.

Those desiring to qualify as bidders will be required to deposit with the Commissioner, or his agent conducting the sale, $206.00 to apply on costs of appraisal and advertising; plus, five (5%) per cent of the appraised value of the lands, and the sum of $46,875.00, which is the appraised value of the improvements, unless bidder be the owner of said improvements. Any person desiring to qualify as a bidder must qualify before the bidding in such sale has been completed. All deposits shall be in cash, certified or cashier's check or bank money order, and made payable to the Commissioner of Public Lands. All deposits will be refunded to unsuccessful bidders.

At time of sale, the successful bidder will be required to pay five (5%) per cent of the amount bid, less his deposit, the first year's interest at four (4%) per cent on the deferred balance, plus the actual cost of appraisal and advertising. The balance of the purchase price will be payable in thirty (30) years with interest at four (4%) per cent payable annually in advance on the deferred balance.

All minerals of whatsoever kind, including oil and gas, are reserved to the State of New Mexico.

The right to reject any and all bids is expressly reserved and no sale shall be effective unless and until approved in writing by the Commissioner of Public Lands.

Detailed information concerning this offer of sale, the lands involved, the improvements thereon, if any, and other matters related thereto, may be obtained by writing to the Commissioner of Public Lands, State Land Office, Santa Fe, New Mexico.

DATED at Santa Fe, New Mexico, this 16th day of April, A. D., 1962.

s/ E. S. JOHNNY WALKER
Commissioner of Public Lands
State of New Mexico
(SEAL)
(Runs through June 29)

15 YEARS AGO . . .

— By ELSIE WILLIAMS —

News Items Taken From The Ruidoso News Issue of May 30, 1947.

The new Hollywood Race Track was nearing completion with the opening set for June 27 and a ten-day race meet planned.

Bob Crosby, the famous King of the Cowboys (now deceased) of the Cross B Ranch at Kenna, N. M., was in Ruidoso with his Cross B Boys and the Cross B Band and to entertain at the State Lions Club Convention which was held here at that time.

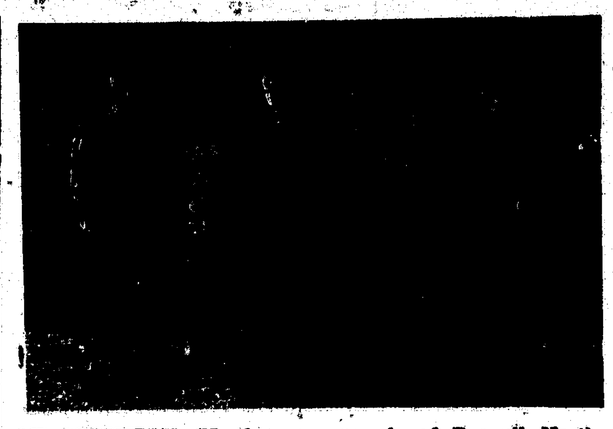
Eighth grade graduation exercises were held at the San Patricio School with a large number of parents and friends present to see the five girls graduate. Mrs. Louise Coe was the principal speaker and Mrs. Lucille Patterson awarded the diplomas. Members of the class were Nellie Ruth Lucas, valedictorian; Angeline Calderon, salutatorian; Ernestina Villescas, Helen Maruffe and Mary Lucero Chavez.

Members of the Beta Sigma Phi Sorority in Ruidoso were sponsoring various money raising events for the purpose of starting a public library here.

Among those attending the New Mexico Postmasters convention here were L. E. Manson, Clovis; Mrs. Agnes Avila of Taos, F. E. Lucero of Espanola, J. A. Armijo of Santa Fe and Mrs. Albert Beirch of Alamogordo.

Attending the square dance festival in El Paso were, Mr. and Mrs. R. H. Anderson, Tom Rigsby, Mr. and Mrs. B. J. Watkins, Mr. and Mrs. Harlan McCraw, Betty Lou Boyce, Mrs. Edith Boyce, Mr. and Mrs. George Perry, Mr. and Mrs. Buck Nosker, the Ambrose Guests, the Tom Babers, the Ralph Bonnells and the Fred Pfingstens.

Gambles of Ruidoso are now authorized dealers for Hoover's famous brand products, vacuum cleaners, polishers, irons, sweepers, waxes, cleaners, carpet shampoo, etc. Sales and service.



AT ASSEMBLY—Meeting on grounds of Roswell North Junior High School Auditorium, reserved for three-day assembly May 25-27, J. B. Dobbins at left is shown with part of delegation of Jehovah's Witnesses from Ruidoso-Capitan area. From left, Dobbins, Arvine Dobbins, Gary Sims, Madline Cheney, Evelyn Smoot, Pearl Coor.

★

AREA DELEGATES ATTEND CONVENTION IN ROSWELL

W. J. B. Dobbins, presiding minister, and his delegation of Jehovah's Witnesses returned to the Ruidoso-Capitan area this week from a three-day convention held under the auspices of the Watchtower Bible & Tract Society of Brooklyn, N. Y. The assembly convened at Roswell May 25-27 and had as its theme "Faithfully Increasing Our Praise to Jehovah." Dobbins stated that this theme was highlighted in every session of the assembly. By means of educational talks and demonstrations the Witnesses learned that a skilled workman requires advanced training and that those who are faithfully increasing their praise to Jehovah need a firm foundation in the Bible.

Dobbins further revealed that there were four men and five women baptized Saturday afternoon and that 853 attended the lecture Sunday at 3:00 p.m. This Bible discourse, entitled "Who Will Rule the World?", was delivered by J. P. Sutherland of New York, District Supervisor for the Watchtower Society.

Sutherland stated, "No political power, whether it be godless Communism or Dictatorship or Democracy has been given the power to rule the world by Almighty God. Almighty God himself has appointed the world ruler. He alone has the power and authority to do so. That ruler, Christ Jesus, followed the course of divine wisdom; gave his life for his subjects of his kingdom, and was rewarded by God with all authority and power, and no government can strip him of his rightful inheritance."

Dobbins termed the convention a complete success.

Hollywood Notes

C. A. Denton from Artesia was a business visitor here Thursday.

Mrs. Marshall Moore and members of the Moore family are spending several weeks here in their Ruidoso home.

'Mom Hensley' from Phoenix, Ariz., has rented a house in Gateway and plans to spend the summer here.

Mr. and Mrs. Leon Saffeal from Meadows, Tex., spent the week-end in their Ruidoso home.

Members of the George Wilder family from El Paso spent several days here last week.

John Overstreet from Conway, Ark., spent several days last week visiting his sister, Mrs. Jim Wimberly and Mr. Wimberly and Sarah Ruth and James enroute home from Phoenix, Ariz.

The Robert Keyes family from Roswell spent the week-end here in their Ruidoso home.

George Risley from Roswell was a business visitor here the first of the week.

Ed Hepp from El Paso was here Thursday on business.

The Jason Hicks family from Clovis are spending several days here in their summer home.

Mr. and Mrs. Fred Slauson, Jr., and three children will spend the summer on the Slauson Ranch at San Patricio. Mr. and Mrs. Slauson have been attending Texas Tech at Lubbock the last several years.

Expansion for progress, Ruidoso State Bank.

Card Of Thanks

To members of the Ruidoso Educational Association, I would like to thank each of you for the watch presented to me on completion of 30 years service in the teaching profession in New Mexico. May I wish everyone the same happiness that I have enjoyed for these 30 years.

A NEW BIBLE . . . for ME!

She really is delighted because her church is presenting her with a new Bible. She understands and appreciates this gift, because in earning it she has committed many verses to memory, and thus learned to value God's word. The churches desire that all would study and learn to love God. Plan to attend church this Sunday and share in this knowledge and joy.

NOTICE OF PUBLIC AUCTION
OF STATE LANDS
CHAVES COUNTY
Office of the Commissioner of
of Public Lands
Santa Fe, New Mexico

Notice is hereby given that pursuant to the provisions of the Act of Congress, entitled Enabling Act for New Mexico (36 Stat. 557) approved June 20, 1910, the laws of the State of New Mexico, and the rules and regulations of the State Land Office, the Commissioner of Public Lands, subject to the conditions hereinafter set out, will offer for sale at public auction to the highest bidder at 11:00 o'clock a.m., on July 10, 1962, at the front door of the County Court House in Roswell, New Mexico, subject to existing rights, easements, rights of way, or leases, if any, the following described state institutional lands, to-wit: (Possession of these lands may be obtained as of October 1st, 1962, and future annual rentals and payments on existing grazing lease or leases, if any, may be collected by the purchaser, unless already paid to the State).

SALE NO. 4023: SW¼SW¼ of Section 33, Township 12 South, Range 17 East; NW¼NW¼ of Section 4, SW¼NE¼, NW¼SE¼ of Section 8, SW¼SE¼ of Section 17, NW¼NE¼ of Section 20, SW¼-SW¼ of Section 33, Township 13 South, Range 17 East; S½S½ of Section 17, N½NW¼, SE¼NW¼, SW¼NE¼, N½SE¼, SE¼SE¼ of Section 20, NE¼NE¼ of Section 29, Township 13 South, Range 18 East; NW¼, W½SW¼, SE¼-SW¼ of Section 4, S½SE¼ of Section 5, N½NE¼ of Section 8, ALL of Section 9, S½S½ of Section 13, S½S½ of Section 14, S½S½ of Section 15, E½E½, SW¼SE¼, S½SW¼ of Section 17, S½S½ of Section 18, Township 14 South, Range 17 East; Lot 1, S½NE¼, NW¼SE¼, E½SW¼, SW¼SW¼ of Section 5, SE¼SE¼ of Section 6, NE¼NE¼, W½NE¼, SE¼-NW¼ of Section 7, Township 14 South, Range 18 East, NMPM, containing 3240.75 acres, more or less, according to the government survey thereof. (PENITENTIARY LANDS).

These lands are located approximately 30 to 48 miles Southwest of Roswell, New Mexico.

Said above-described lands have been appraised at $6.75 per acre and no bids for a less amount will be accepted.

Those desiring to qualify as bidders will be required to deposit with the Commissioner, or his agent conducting the sale, $205.00 to apply on costs of appraisal and advertising, plus five (5%) per cent of the appraised value of the lands, and the sum of $27,080.00, which is the appraised value of the improvements, unless bidder be the owner of said improvements. Any person desiring to qualify as a bidder must qualify before the bidding in such sale has been completed. All deposits shall be in cash, certified or cashier's check or bank money order, and made payable to the Commissioner of Public Lands. All deposits will be refunded to unsuccessful bidders.

At time of sale, the successful bidder will be required to pay five (5%) per cent of the amount bid, less his deposit, the first year's interest at four (4%) per cent on the deferred balance, plus the actual cost of appraisal and advertising. The balance of the purchase price will be payable in thirty (30) years with interest at four (4%) per cent payable annually in advance on the deferred balance.

All minerals of whatsoever kind, including oil and gas, are reserved to the State of New Mexico.

The right to reject any and all bids is expressly reserved and no sale shall be effective unless and until approved in writing by the Commissioner of Public Lands.

Detailed information concerning this offer of sale, the lands involved, the improvements thereon, if any, and other matters related thereto may be obtained by writing to the Commissioner of Public Lands, State Land Office, Santa Fe, New Mexico.

DATED at Santa Fe, New Mexico, this 12th day of April, A. D., 1962.

s/ E. S. JOHNNY WALKER

Beautiful Landscaped Home

3 bedrooms, 2 baths, double car enclosed garage, dining room, breakfast room, AA-1 construction, 6 acres of land. This has been platted and is recorded with 8 extra large lots, with streets and water. Pavement all the way to property. By selling extra lots at a minimum price, it would be an exceptionally cheap home.

Choice Location

On river in upper canyon. Large river frontage, beautiful trees, well insulated, 3-bedroom home, large porch, servants room, enclosed garage, A-1 condition, furnished.

LETTER TO EDITOR

Dear Editor:

This is in answer to the letter in last week's paper from Ralph Brown about the Municipal Airport. When this project was started (Oct., 1961) the City Council felt that we needed a new airport, as it would be condemned in the very near future. We felt that the application should include a runway, terminal building, and T-hangars, as we were sure that our application would be severely cut and the Village of Ruidoso would only end up with a basic runway. After seven months of processing the Community Facilities Administration and the Federal Aviation Agency felt that the full application was very much needed in this fast growing area where we live.

In answer to Mr. Brown's statement regarding the $300,000 that he states must be paid back by the Ruidoso tax payers, I would like to present the facts: The tax payers have to pay back the $67,000 G. O. bond issue, that we all voted on a property tax, (except Mr. Brown and all others who do not live in the city limits), and a portion of the $85,000 gasoline pledge tax Revenue Bonds. This Revenue Bond is to be paid over a period of 20 years at 3 5/8% interest, and is paid from the one cent gasoline tax. In the past year the Village has received over $12,000 in this fund, which increases from $3,000 to $4,000 each year. The C. F. A. and the F. A. A. will not grant or loan any amount of money that cannot be supported by actual facts and figures. Therefore, the tax payers of Ruidoso do not have a $300,000 tax burden. (Get the facts before you make a statement).

If the Village of Ruidoso were receiving all of the income that they should from the sale of aviation gas, there would be no problem. The airport would be self supported including the management and upkeep.

As of this date the Street Department, under the General Fund, has approximately $3,000. This money comes from the 1c a gallon tax on every gallon of gasoline that is sold in the Village. This department is not in debt.

Mr. Brown, who is an excellent pilot, might rather have a grass landing strip, but you as citizens stand to gain more by a new airport approved by the Federal Aviation Agency. I am also sure that the Federal Aviation Agency would not approve any plan that would be hazardous in any respect. The Planners have done more for the progress of our community than anyone can realize at the present.

Now, in regard to repossessing the operation on the airport which is a block of land joining the airport (not in the city limits), I believe this is only between two people and not the public. But, the contract of the management of the airport cannot be sold. It could only be transferred to the operator in years past. This contract was given back to the Village by Ralph McGuire on April 9, 1962, because the C. F. A. requires the Village to have full management to operate and construct this new project, which will insure public use for all and not a select and/or selfish groups.

I believe this new plan is good, sound, and sensible, and will save the tax payers money and even make them money when the new Municipal Airport is open for the public.

Again I shall like to state that Ruidoso's governing bodies, past, present (and future) have and are acting in a manner which is of more benefit to the majority. Also, the public should realize that the Village Airport manager has to collect and remit the 1c gasoline tax together with the Village's sales tax. This is not true with Mr. Brown's sales, since his operations are not within the corporate limits.

'Lover Come Back,' Rock Hudson 3 Days at Mt. Vue

COLOR, CINEMASCOPE SHOWS SUN., MON., TUES.

Pine Lodge Forest Fire Stomped Quickly

A forest fire which turned about 10 acres of fir and pine in the Capitan Mountains 54 miles west of Roswell into smoldering ashes Saturday was brought under control before it reached the Pine Lodge area.

The fire, sighted by Mrs. George Simeros of Tinnie, was reported at 2:30 p.m. Approximately 50 forest service personnel and Mescalero Indian firefighters assisted by two chemical dropping planes, brought the blaze under control about 9 p.m.

The extreme dryness of the timber and brush, coupled with the roughness of the country about one-half mile southwest of the Pine Lodge where the blaze was centered, hampered the firefighters.

New Mexico's devilish wind provided a helping hand when it turned late in the afternoon after blowing the crackling blaze relatively close to Pine Lodge, according to Mrs. Hubert Hatch of that small resort community.

CANYON ECHOES

Mr. and Mrs. Wade H. Harding of Caballo Dam visited Mr. and Mrs. Claude Bowlin last week-end after attending the official visit of the Grand Worthy Matron and Patron to the Clovis chapter of O. E. S. Mrs. Harding remained for several days visit.

Visiting Mr. and Mrs. Claude Bowlin last Sunday from Deming were Mr. and Mrs. Fred Nunn and Mr. and Mrs. John Stark.

Members of the Eastern Star in Ruidoso attending the official visit of the Grand Worthy Matron and Patron to the Clovis chapter last Saturday were Mr. and Mrs. Ed Sanders, Mrs. R. K. Knox, Mrs. W. E. Munsey and Herbert Smith. Mrs. Knox went on to Oklahoma to visit her mother.

Week-end visitors with Mr. and Mrs. S. B. Boykin were their daughter - in - law and four children, Mrs. Bill Boykin from Lubbock, Tex.

Guests of Mr. and Mrs. W. E. Munsey last week-end were Mr. and Mrs. Virgil Teaver of Plainview, Tex. The Teavers were attendants at the Munsey's wedding 50 years ago next December.

Mr. and Mrs. L. H. Duke arrived this week in Ruidoso from Andrews, Tex. They spent the winter in Douglas, Ariz., and now will make Ruidoso their permanent home. They have had a home here since 1960.

Mr. and Mrs. C. A. Eiland of Lamesa, Tex., are spending a few days in their home here in the Cedar Creek area.

Mrs. L. J. Hicks of Roswell, former Ruidosoan, visited in Ruidoso Tuesday this week on her way from Capitan to Roswell.

Mrs. Jim Whipple (Jane) who underwent major surgery recently in El Paso is now at home in Ruidoso recuperating.

Visiting Mr. and Mrs. J. C. Douglass, Sr., this week are Mrs. Annie H. Dixon and her son, Burgess Dixon, both of Clinton, Miss.

Bill Jungman of Tularosa, son-in-law of Mrs. Elsie Williams, is a patient in Hotel Dieu Hospital in El Paso.

Mrs. Mary Collins was admitted last week as a patient to Eastern New Mexico Medical Center in Roswell.

Ramon C. Nunez, Picacho, was admitted as a patient last month in Eastern New Mexico Medical Center in Roswell.

Alton Gray spent the week-end in Santa Fe recently where he attended a Justice of the Peace meeting. He also attended to business for the Village of Ruidoso Downs.

County Agent's Report

— By — RALPH DUNLAP

June is a busy month for 4-Hers. Events for the month start off on June 5th, at A. N. Spencers with a meeting on fitting and showing club calves.

June 11th to 14th is the date of county 4-H camp held at Scott Able 4-H camp, south of Cloudcroft.

County Contest will be held June 23 for agriculture division and June 27 for Home Economics Contest. The winners of these contests will represent Lincoln County in the district and State contests.

* * *

Frost

I have received some good comments on the frost forecasts for the Hondo Valley. It might be well for growers to start thinking now, about frost protection — either smudge pots or wind machines. I received a list recently with used smudge pots at $2.00 each.

I did a quick estimate of the apple crop with Bill Shrecengost. We came up with an early estimate of 80,000 bushels of apples for the county.

YOUTHS ARE HELD ON CAR THEFT, FORGERY CHARGES

Lincoln County Sheriff Glen Bradley reported that four Texas boys were being held in the Lincoln County jail in Carrizozo, two of them being charged with forgery, burglary and auto theft, and the other two with auto theft.

About noon Wednesday this week, Sheriff Bradley reported, Bert Pfingsten of Hondo reported to State Policeman Jim Clayton that he had caught two boys ransacking one of his houses. The boys were carrying out some expensive silverware and a mixmaster food-mixer to their car. He made them return the articles and the boys drove off towards Capitan. State Policeman Clayton was in his car driving on Highway 380 between Carrizozo and Capitan when he got the call from Pfingsten. He caught the boys at Indian Divide near Capitan and held them there until Sheriff Bradley arrived from Carrizozo within a few minutes.

Sheriff Bradley said that after questioning the boys he learned that they had stolen Bert Pfingsten's checkbook from his pickup parked near the house they ransacked at Hondo, and had also stolen a number of articles from the Pfingsten home which they had put in their car before they were discovered by Pfingsten. In Capitan they already had forged Pfingsten's name on a check for $14.95 at Pearl's Package Store, where they had made a purchase. The boys were driving a 1960 Chevrolet convertible which was reported stolen in Ft. Worth earlier. The boys were brothers, Michael Leroy Clay, 20, and Albert Ronald Clay, 18.

The other two boys were caught in Carrizozo late Wednesday night by City Marshal C. A. Morales of Carrizozo, State Policeman Jim Clayton and Deputy Kenneth Means. They are Ben Old, 16, and Gary Bruce, 17, both of Lubbock, Tex. Marshall Morales observed a 1959 white Chevrolet sedan which he thought looked suspicious and he called State Policeman Clayton. The boys were arrested between the city limits and the Texaco Truck Stop. The boys admitted stealing the car from a used car lot in Lubbock on May 29 A shotgun found in their car had been stolen from a house they said they broke into in Lubbock the same day.
