"Have you heard the news?"

"No—what's the latest?"

"The Lincoln County Humane Society has arranged for us to get rabies vaccination and license tags all at the same time on Friday and Saturday this week at the city hall between 9 a.m. and 5 p.m."

"I sure hope my master doesn't forget that Friday and Saturday this week our new resident veterinarian, will be holding a rabies vaccination clinic for us pooches at the city hall. At the same time, we can get our dog license, too, from the Lincoln County Humane Society. If they make any profit, they can put the extra money to work on the shelter they hope to build for homeless animals."

"It's wonderful Ruidoso and Lincoln County have so many folks who are interested in the welfare of dogs and other animals. They organized a Lincoln County Humane Society and they have been hard at work trying to see that we don't lead 'a dog's life' anymore, what with the help that they can give now. My opinion of humans is growing better every day."

"You know, I think the nicest thing that ever happened to us dogs (and other animals, too) is that we now have a resident veterinarian in Ruidoso. His name is Dr. Tom Montgomery, and he has an office here and we are sure of getting our ailments taken care of without our masters having to take us to a neighboring town. Ain't that something?"

Improvement in Curriculum, School Plant Is Goal

By DICK BENNETT
(Ruidoso News Staff Writer)

George P. White, superintendent of the Ruidoso Municipal Schools, outlined this week the present standing of the schools here and future improvement plans which he hopes may be worked toward with the full support of the community.

At the present time Ruidoso Schools are following Standards for New Mexico Schools [illegible] and approved by the State Board of Education, April 19, 1963. R[illegible] has an accredi[illegible] that the sch[illegible] ed standards [illegible] as to [illegible] such standards [illegible] Standards [illegible] catalog [illegible]

Many [illegible] the Nordi Central Association in the Co-operative Study of Secondary-School Standards made with five other regional associations which began in 1933. White is completely familiar with the standards set by the North Central Association and helped compile the Standards for New Mexico Schools which became effective in 1963.

In the curriculum set up by the State, "A minimum of 24 units shall be offered in the upper grades." Ruidoso High School now offers 36 units. The courses listed are offered basically as set forth. However, the schedule is flexible, especially in the interest of students entering from other schools or states when adjustments are necessary:

There's still a possibility, we hear, that Ruidoso may get a Ford dealership . . . A new shoe store is to open in Plaza Del[illegible] early this spring—with an announcement expected in the next few days about the new mercantile firm . . . Officers are to be elected for Ruidoso Savings & Loan Association in a stockholders' meeting here Thursday night this week, and then a field man, representing the Federal Home Loan Bank Board, will interview them, and do some checking in the area on the association's application for Federal Savings & Loan Deposit Insurance. Approval by the latter Agency will likely put the new business into operation somewhere around April 1, it is predicted . . .

Under construction on U. S. Highway 70 east of the village limits of Ruidoso Downs is a large new restaurant, being built by the Jack Towers and probably to be open and in operation by late this spring. The towers operated Jack's Waffle Shop in Hollywood for several years. The new structure is being built by Contractor Odell Spears and will have a much larger seating capacity than the former Jack's dining place. It is located on land the Towers bought from Effett Reese . . . Looks like a big summer season is coming up here, with many new homes planned . . . Ruidoso Downs will announce details of a $100,000 expansion program in a short while, we were told by somebody who knows down at the race track . . .

AFTER 24 HOURS IN CAVE—The five teenagers who became lost in the Fort Stanton cave last Sunday afternoon and spent nearly 24 hours in the darkness of the unexplored cave are shown after their rescue late Monday, from left: Tim Ley, of Lakewood, Colorado; Bruce Rousseau, Kathy Bradshaw, Vickie Perdue and Glenn Derrick, all of Ruidoso.

FIVE YOUTHS SPEND 24 HOURS LOST IN FORT STANTON CAVE

'CRANK' IS BLAMED FOR RANSOM REQUEST

When five young people, Bruce Rousseau, Kathy Bradshaw, Vickie Perdue, Glenn Derrick and Tim Ley were found after being lost in the Fort Stanton cave for almost 24 hours they had been the objects of a wide search that had lasted several hours. The Ruidoso Police were notified about 10:00 p.m. Sunday by one of the parents that the five had been missing since about 4:00 p.m. that day and that the usual check with friends and acquaintances failed to find anyone who had seen them since that time. County and State police in the Ruidoso area were alerted to be on the lookout for the missing teen-agers.

Early Monday morning one of the parents notified Village Marshall T. J. Sanders that a telephone call in a man's voice had demanded $10,000 ransom and hung up. Sanders immediately called the FBI office in Alamogordo and the search was intensified by local police officers, the Lincoln County Sheriff's office and the State Police.

By Monday afternoon, with still no trace of the missing students, the White Mountain Jeep Club had been called by Sanders to assist in searching the more remote canyon areas surrounding Ruidoso. Seven members of the Jeep Club were awaiting instructions in the Ruidoso police dispatcher's office when the police radio reported that there were some people reported lost in the cave east of Fort Stanton. Sanders, with one of the parents in his car, immediately headed for the cave, about 30 miles northeast of Ruidoso.

State police officer Darrel Austin, Sheriff Glen Bradley with Deputies Leandro Vega and Clyde Atwood also were at the cave area, and assisted in the rescue of the three who were still in the cave. Two boys in the party had found their way out only a short time before and had gone to Ft. Stanton to get assistance in finding the other three.

REMODELING, ENLARGING AMONG PLANS FOR CHAPARRAL UNDER NEW MANAGEMENT

Mr. and Mrs. Harry Whipple of Ruidoso now own the controlling interest in the Chaparral Motor Hotel, resort hostelry that opened here 18 months ago. The Whipples purchased the interest in a deal completed last week, and at the same time, announced an extensive remodeling and expansion program for the concern, operated by Mountain Resorts, Inc.

Whipple reported the front of the Chaparral is to be changed completely, that the swimming pool and patio are to be enclosed and heated, that the interior of the hotel is to be redone, and that the 108 rooms and suites are to be remodeled and refurnished. Rearrangement of the interior of the Chaparral will allow for seating some 1,500 persons for banquets, and approximately 2,000 people for programs. The parking area will be completely paved, and new landscaping will be done on the grounds. Further, at some time in the future, an additional 100 rooms will be built on the hotel. Air-conditioning is also another improvement planned, Whipple said.

The Chaparral is to be headquarters this year for about 15 conventions, to bring in visitors numbering 5,000 or more, Whipple said.

In the reorganization, Mr. and Mrs. Clarence Fox, who owned stock in the company, and who served as managers of the Chaparral, have sold their stock back to Mountain Resorts, Inc. On retiring as manager, the couple is to rejoin the Ramada Inn chain, with whom they worked for several years. New president of the corporation is Harry Whipple, and Mrs. Whipple is vice-president. Assistant manager will be Jim Whipple. The Whipples formerly had the dining room, cocktail lounge, gift shop and coffee shop leased. Now they will manage the entire hotel complex except the Ice-O-Rama which is under lease to Lee Glover, and the Chaparral Dress Shop. Whipple said this week that the beauty shop and the barber shop, not in operation at present, are to be re-opened for this spring—that leases are being negotiated now by prospective operators of these two departments.

The Whipples succeed R. B. Austin of Dallas, who was president, and L. H. Koogle of El Paso, the vice-president. They are to remain on the company's executive board with the Whipples as the other members.

Besides the Chaparral, the Whipples also are managing the 14-unit Gateway Shopping Center in Palmer Gateway Shopping Center in Palmer Gateway here, which has at least a dozen businesses in a compact area.

New Storm Brings Snow This Week

Another snow storm moved into Ruidoso this mid-week, with three inches measured early Thursday morning. The snowfall was continuing as the News went to press. Also receiving more of the white stuff was Sierra Blanca Ski area, which rated skiing as excellent, with new powder on all the trails, and all lifts in operation.

School Band To Go On Tour

LeRoy Gooch, school music director, announced this week that the Ruidoso School Board will be on tour March 11 and 12, and will play in Capitan, Carrizozo, Cloudcroft and at the Central Junior High School in Alamogordo. Gooch said that in the meantime the 54-piece band was busy rehearsing for the four concerts.

Funeral Services Held Wednesday For R. B. Mathiews

Funeral services were held in the First Baptist Church in Ruidoso at 2 p.m. Wednesday this week for Romney B. Mathiews, 61, who passed away Sunday, Feb. 16 at the Ruidoso-Hondo Valley Hospital. Rev. Alfred Richard conducted the services and burial was in Forest Lawn Cemetery here. Survivors include the wife, Mrs. Roxie Mathiews of Ruidoso; two sons, Romney B. Mathiews, Jr. of Las Cruces, and John Waddill of Midland, Tex. Seven grandchildren also survive.

Mr. Mathiews came to Ruidoso in 1950 and has been the owner and operator with his wife of the Pine Rest Cabins in the upper canyon. He was a member of the First Baptist Church in Ruidoso. He was born on Feb. 11, 1903 at Woodson, Tex.

Funeral arrangements were under the direction of Talmage-Mason Funeral Home in Ruidoso.

John W. Storm Rites Saturday

Funeral services for John Whipp Storm, who died Feb. 11 in Los Angeles, Calif., will be held Saturday morning at 10 o'clock, Feb. 22, at Saint Anne Chapel at Glencoe.

Services will be in charge of the Rev. William R. Brown, III, and Hampton-Holland of Carrizozo will be in charge of funeral arrangements.

Interment will be at the Storm Ranch Cemetery at Glencoe.

John, eldest of the Storm brothers, was born in Denver, Colo., April 15, 1907. Educated at the University of Texas, he followed the career of civil engineer.

Although he had not lived here for the past few years, John was well known in Ruidoso and Lincoln County. He is survived by his wife, Margaret Storm of Los Angeles, and three brothers, Daniel Agnew Storm, Glencoe; Marcus Kennedy Storm, Houston, and Lynn Walter Storm, Austin, Tex.

'Doc' Savage To File For Police Judge, JP

H. G. (Doc) Savage, longtime Ruidoso resident and formerly operator of a cafe in the downtown area, told the News last week he would be filing his candidacy in the next few days for two offices here, one of them for Police Judge in the municipal election coming up early in April, and the other for Democratic nomination for Justice of the Peace in this precinct, subject to the primary election in May.

JUNIORS ENTER TOURNEY

Sid Miller, in charge of the Ruidoso Junior High School basketball team, reported this week that the eighth grade team has lost five of six games played this season, three of them by two points or less. Last Saturday, the eighth graders beat the Capitan five with a score of 43 to 30. Before their comeback last week, the eighth graders had lost twice to Tularosa, twice to Hondo and once to Capitan.

Miller reported the [illegible] have won five of the six basketball games played and in each one winning by a substantial margin. Their losing game was with Capitan, 27 to 24.

Miller stated that beginning Thursday, Feb. 20, through Saturday at Tularosa, the eighth grade five will play in tournament and are scheduled to play the Tularosa five at 8:00 p.m. Thursday. Other teams entered in the Tularosa tournament are: Central Junior High and Chaparral Junior High from Alamogordo, Capitan Hondo and St. Francis. Ruidoso eighth graders who will compete at Tularosa are: John Mishert, Tom Valliant, Wade Lane, Kenny Whipple, Lany Graham, Max Curtis and Billy Garrett. Ruidoso seventh graders are: Rickey Scott, Alfred Pearson, Donnie Klein, Jack Valliant, Dale Perry, Lynn Perry, Mitch Locke and Raymond Taylor.

Dub Williams, who is in charge of the fifth and sixth grade basketball teams, stated Wednesday that in the five games played during the season, the fifth and sixth graders came out with two wins.

IN ARIZONA

Jack McTarnaghan, public relations director for Sierra Blanca Ski Area, was in Arizona last week-end meeting with ski clubs.

School Classes Set Two Saturdays To Make Up For Days Lost

In the February regular meeting of the Ruidoso Municipal School Board, plans were outlined to have classes on two Saturdays, and add two days to the end of school week to make up for four days lost in the 1963-64 term. One day was lost because of a snow storm forcing cancellation of school, and another day was a holiday for the hunting season, and two days were observed as mourning for the late President John F. Kennedy. The Saturday school days are to be determined by the faculty and superintendent and announced later. The extra two days at the end of school will run the 1963-64 term into May 29 instead of the original closing date of May 27.

Many other matters were on a full agenda of the board last week, attended by about a dozen visitors.

The board heard a proposal from Supt. George P. White, relayed from the county commissioners, that Ruidoso schools might want to join with the county in installing two-way radios in two of its school buses—the two that operate in the Mescalero Apache Reservation and which travel on roads that have no telephone communication available. The board tabled the idea to await further details. It was estimated the installation would cost from $400 to $500 per vehicle.

Approved was a move to raise the surety bond of the President and Secretary of the Board from $3,000 to $10,000 on recommendation of state officials.

The board agreed to interview and elect administrators in the

The Methodist Men's Zone meeting held in Alamogordo last Friday, Feb. 14, was attended by five representatives from the Community Methodist Church in Ruidoso, the Rev. Thomas Richardson, C. E. Cole, Dan Swearingin, Bud Starkey and A. E. Hunt.

The dinner meeting had under discussion two subjects: Lay Speaking in the Methodist Church and the Methodist Central Jurisdiction of Negro Churches, the Rev. Richardson reported.

Mrs. Hale Attends Women's Forum In Washington, D. C.

Mrs. Della Hale of Ruidoso recently attended the Women's Forum on National Security in Washington, D. C., as National Committee Woman for the New Mexico Department of the American Legion Auxiliary. Before leaving for Washington, Mrs. Hale attended the Mid-Winter Conference of the American Legion Auxiliary in Houston, Tex., accompanying Mrs. Maurice Kubby of El Paso, president of the Texas Department of the American Legion Auxiliary.

In Washington, Mrs. Hale attended a briefing session on the first day of the three-day conference, Feb. 3, 4 and 5, which was held for members of the American Legion Auxiliary. Attending the National Security Forum were about 1,280 women who were members of seventeen organizations. On the afternoon of Feb. 3, four members of the Auxiliary, Mrs. A. J. Ryan of Florida, Mrs. Cynthia Taylor and Mrs. Maurice Kubby of Texas and Mrs. Della Hale of New Mexico were given a tour of the White House and were presented to The First Lady, Mrs. Lyndon B. Johnson, at a reception in the White House.

Among meetings and social affairs which Mrs. Hale attended were a banquet on Feb 3, a breakfast meeting with the National President of the Auxiliary before the opening of the second session of the Forum. Speakers at this session of the Forum were the Surgeon General of the U. S., Dr. Luther L. Terry, M. D.; Sophia Yarnall Jacobs, president of the National Council of Women of the U. S.; the Honorable Norman S. Paul, Assistant Secretary of Defense of the U. S. for Manpower; and Ralph Brent, president of Radio New York Worldwide. Mrs. Hale had lunch in the Senate Restaurant with Mrs. Ralph Yarborough and Senator Yarborough of Texas and later attended the Senate and heard some of the debates of the Tax Reduction Bill. Among speakers heard at the Feb. 5 session of the Forum was the Honorable Frances Payne Bolton, member of the Congress from Ohio. Mrs. Hale also visited the House of Representatives where she spoke to N. Mex. Representatives Thomas Morris and Joe Montoya and where she heard part of the debate of the Civil Rights Bill.

Other activities during Mrs. Hale's Washington stay included a tour to the National Cemetery at Arlington where memorial wreaths were placed by the seventeen women's organizations of the Security Forum on the grave of the late President Kennedy. Following the full day meeting of the American Legion Auxiliary National Executive Committee, Mrs. Hale attended a tour of Mt. Vernon and also a tour of the Smithsonian Institute before flying back to El Paso and then home to Ruidoso.

Mr. and Mrs. Tony Rogers of 1309 Michigan Ave., Alamogordo, spent their honeymoon in Ruidoso recently staying at Alpine Lodge. The bride is the former Sharon Marinell, daughter of T/Sgt. and Mrs. Billy Marinell of Alamogordo. Parents of the bridegroom are Mr. and Mrs. Ernest Rogers of Cloudcroft. The couple was married in the home of the bride's parents on Feb. 8.

Among couples spending their honeymoon in Ruidoso recently and staying at Alpine Lodge have been Mr. and Mrs. Walter Scott Brewer, III, of 807 North Tenth St., Lamesa, Tex. Mrs. Brewer is the former Lyn Medlin, daughter of Mr. and Mrs. Ike Medlin of Lamesa, and Mr. Brewer is the son of Mr. and Mrs. Walter S. Brewer, Jr., of Lamesa. The couple was married in the First Methodist Church in Lamesa on Feb. 14, and stayed in Ruidoso last week-end.

Also spending their honeymoon staying at Alpine Lodge last week-end were Mr. and Mrs. Bernie Snipes of Clovis. Parents of Mrs. Snipes are Mr. and Mrs. Oscar Burton of Forrest, N. M., and Mr. and Mrs. H. B. Snipes of House, N. M., are the parents of the bridegroom. The couple was married in Clovis on Feb. 14.

Mr. and Mrs. Jimmy C. Darnell of 1010 E. 6th St., Odessa, Tex., also spent their honeymoon early this week staying at Alpine Lodge. The bride is the former Jeanie Keller, daughter of Mr. and Mrs. E. E. Keller of Odessa, and the bridegroom is the son of Mr. and Mrs. Utah Darnell of Odessa. The wedding was held on Feb. 16 in Odessa.

BAPTIST BROTHERHOOD TO HAVE BREAKFAST

Members of the Brotherhood of the Green Tree Baptist Church will meet Sunday morning at 7:00 a.m. for breakfast at the church, Alton Gray, chairman of the Brotherhood announced this week. Gray said that the Rev. Orville See who will be preaching at the Sunday morning service, in view of a call, will be a special guest at the breakfast. All men of the Brotherhood are invited to attend, Gray said.

LANA VANCE TO APPEAR IN PIANO RECITAL

MILDRED WANTIEZ

Lela Easter, Successful Realtor, Believes Ruidoso Has Everything

Lela Easter first made her home in Ruidoso in 1956 and established her own successful real estate business here in 1960. She believes that Ruidoso has everything. "It's a good place to live", said Mrs. Easter "and Ruidoso has the friendliest people in the world." Among the other advantages Mrs. Easter listed for Ruidoso were its healthful climate; the scenery and the many recreational opportunities available in the Ruidoso area.

Mrs. Easter is a charter member of the Ruidoso Board of Realtors and the Multiple Listing Service and is also a charter member of the Business and Professional Women's Club. She is a member of the Eastern Star and the Community Methodist Church.

In 1962, Mrs. Easter served on the State Estates Appraisal Board. She received the appointment from the Secretary of State to represent Lincoln County on the board.

Mrs. Easter stated that while she handles all types of real estate, including ranches, commercial and business propetry, she prefers to sell homes. Mrs. Easter has three licensed real estate salesmen working from her office, L. C. Crews, Joyce McKinney and Emma Miller. She also has an associate, Ronald T. Bowers, residential designer, who offers a special service to all prospective home owners. He has his office in the Easter home, where Mrs. Easter has her real estate headquarters, on Mechem Drive.

J. C. CAPPS LOW BIDDER ON NEW GARBAGE TRUCK

Bids for the purchase of a new garbage truck were opened by the Village of Ruidoso Downs Trustees at the regular meeting Feb. 11. The low bid of just under $7,000 for a Hobbs Hyde-Pak garbage packing truck was awarded to J. C. Capps of Ruidoso Downs.

Plans were discussed for the opening and operating of Denton Park, juvenile recreation center, and the need for additional lighting facilities were brought out. No definite action was taken on this matter in the meeting, Charles Culver, Ruidoso Downs Village clerk stated.

For fast, fast, fast action, use a News want-ad.

Mildred Wantiez, Realtor & Insuror, Came To Ruidoso To 'Stay A Year,' Has Been A Booster Since 1956

Mildred Wantiez, who has become one of Ruidoso's outstanding business women, came to Ruidoso in 1956 with her husband, Wayne E. Wantiez, and their son, Richard. When they came here, Mrs. Wantiez said, they expected to stay not more than a year to see how the climate would affect their son's bronchial trouble. However, by 1959 they all liked Ruidoso so well that Mr. Wantiez had become engaged in business here and she became an associate real estate broker with the Fred Greswell Agency. In 1960 she established her own business, the Mildred Wantiez Real Estate and Insurance company which she has operated since that time.

Mrs. Wantiez is a graduate of the University of Missouri where she took her degree in Business Administration. She has been active in community and civic work and is secretary of the National Highway 70 Association, vice president of the Ruidoso Insurors' Association and is a past-president of the B. P. O. Does.

Mrs. Wantiez stated that in her business she handles all types of real estate, however, she especially likes to deal in commercial properties. She sees a great future for Ruidoso.

Licensed real estate salesmen working with the Mildred Wantiez Real Estate and Insurance are: Fred Greswell, E. N. Grigsby and J. J. DiPaolo.

GEORGE GRUBER IS LOCAL AGENT FOR INSURANCE LINE

Announced this week was the appointment here of George Gruber as agent for National Old Line Insurance Co. of Little Rock, Ark. Gruber succeeds Mrs. Caroline Sill, who has moved to California. Gruber will operate his agency in the office of the tourist courts he and Mrs. Gruber have here on Mechem Drive, Rock Ridge Cabins.

The Need of Revitalizing Our Patriotism

Some times we call it Americanism. That's good We used to include all of our national pride and teaching under Patriotism Whatever we call it, we need to revitalize it I mean a forceful love for country and I think that one of the vital areas for cultivating this undying love is the school room And out of a definite course by a regularly assigned teacher of Government History, Civics or Economics We are coming very rapidly, to appreciate the stand that a school administration is not fulfilling its responsibility if it is failing to stimulate in the hearts and minds of children under its care a profound respect and deep loyalty to our nation. The best way to accomplish this is to teach the boys and girls in the schools the facts about our nation, its dramatic history, its unparalleled progress, its unequalled contributions to the world's advances, and all about the political and economic institutions that have made possible its progress and our individual prosperity and freedom.

Every Child Should Know

Every American school child, besides learning that our nation is founded on faith in God, should be given the opportunity to generate a reverence for our flag; our National Anthem, "The Star-Spangled Banner"; the Declaration of Independence and the Constitution of The United States of America. Every boy and girl should be given the chance to be thrilled at the long list of high lights in our nation's forward march in progress.

Every school should have the Stars and Stripes displayed and hold periodic ceremonies to dramatize the significance of patriotism. We must recognize that subversive forces are deliberately planting literature in our libraries where unsuspecting boys and girls with minds that make fertile soil for seeds of hatred and rebellion are having ideas sown within them because we have failed to give them the real truth to counter-balance poisonous doctrines

Impressionable, hero-worshipping children and young people are looking for something to "tie to" . . . something they can espouse as a "Cause" That's right Boys and girls are wanting to find something worth while They will sacrifice, endure hardships, dig in and make their contributions to forces that stand for progress, but we have to give them something for which to stand We have to give them courage, minds with which to see a light ahead in the darkness of adverse teachings . . . and . . . we have to place challenges before them. Back of all of this, there must be the unswerving examples of love of country, depth of logical teaching and true moral fiber on the part of all adults

I have always said, and I still say that in far too many areas of our living today, boys and girls have not been given fair chances. And when they have not been given a definite way of living and a positive approach to morality and depth of character, they will continue to hold their beer parties and beach orgies And whenever this happens, it is a sad commentary on the platform and commentary on the platform and teachings of adults of the present and former generations.

One of the most inspiring stories in the history and literature of the nations of the world is the story of the writing of the Star-Spangled Banner The story of Plymouth Rock, ame town and Salem, along with several others will continue to thrill boys and girls if we do not depart from the things that made us the great nation that we are.

Above all, let's quit asking our boys and girls to die for their beliefs. When we give them something for which to live, we shall see them rising up as a new generation to make us proud.

I firmly believe that our own schools are now aligning with forward programs that will see a type of youth emerging from our schools; testifying to the world that boys and girls, young men and young women have depth of character and that they are willing to lay their lives on the line when we truly say we are in earnest.

WILSON AT CONFERENCE—Clyde Simpson, left, Las Cruces cattle feeder, discusses plans for expansion of Producers Livestock Marketing Association in New Mexico. From left, with Simpson are Tommy Simpson, Las Cruces; Harold Mather, N. M. area manager for the association; and Walt Wilson, Ancho, rancher. Simpson was elected as association's state director for ninth consecutive term at recent annual meeting in Las Cruces.

SUNNY SIDE UP

by Jim Saylor

"With Music, Yet!"

Did you ever hesitate about sharing a vegetable portion served in a restaurant? Maybe, you wanted to let your dining companion have a part of a serving but being in a public restaurant, you hesitated. Well, you will secretly admire the unmitigated gall of one diner. As told in The Scrap Book, this brash man entered a high-priced restaurant, selected a choice table, sat down and unfolded a linen napkin on his lap. He poured himself a glass of water from the carafe on the table, and then unwrapped a package of home-made sandwiches.

When the astonished and irate manager came over to remonstrate, the sandwich eater demanded, "Who are you?"

"I am the manager," came the icy reply

"Just the man I wanted to see. Why isn't the orchestra playing?"

LETTERS TO THE EDITOR

Dear Mr Lamb:

It would be impossible for me to personally "thank" everyone who gave of their time, as well as their money, who helped to make this 1964 March of Dimes campaign such a tremendous success.

Georgina Badillo and her volunteers have done a tremendous job. Give these young people something to work for, and they accomplish their goal with all the vigor and enthusiasm that only the young have. If these students of our High School are our future leaders, Ruidoso will be in very capable hands.

The news medias, both K-RRR and your paper have done a truly wonderful job of handling our much needed publicity, so a personal thanks to you, Mr. Lamb, and to you, Mr. Fox of K-RRR radio. We needed you, and you were there.

The slogan for this year's campaign was "The March of Dimes cares for you, so, please care for the March of Dimes".

Your contributions proved that YOU CARED. How proud my husband and I are to be Ruidosoans.

Director for Lincoln County
Mrs. Carl Jorren

Dear Vic:

As president of the Capitan Woman's Club I wish to express the appreciation of the club members for the fine co-operation we receive from your newspaper. The amount of space given annually to our club projects is inestimable. With all the communications media available these days, it is still the newspaper that puts information into our hands in retainable form—to be read, digested, and kept.

The Capitan Woman's Club is a member of the General Federation of Woman's Clubs, the largest group of organized women in the world, having 11,000,000 members in 15,500 clubs in the United States and in 54 other countries. The General Federation program in this administration highlights—an extensive campaign to obliterate illiteracy from the United States and throughout the world; a Dimes for Liberty project to help build the Museum of Immigration at the base of the Statue of Liberty; co-operation in building the Cathedral and many other worthwhile projects. However, our club has the privilege of choosing any project we wish to emphasize, always keeping in mind the needs of our local community.

Mrs. Dexter Otis Arnold, president of the General Federation, has declared that the General Federation of Woman's Clubs has always strongly advocated the freedom of the press and that it has never been more important than it is today when more than half the countries of the world live under a partial or complete blackout of news through censorship.

Again accept our deep thanks and all good wishes.

Sincerely,
/s/ Mrs. Hollis O. Cummins

Dear Vic:

I'm all choked up. Got a blast of humor throwed at me. Just a while ago I caught a culprit swiping some gas out of my tractor down in the field. Caught him red-handed with the hose in his mouth and the can half-full. Now he comes at me with this:

WHEREAS, I'm just sort of an ignorant cuss and never been around schools much, and

WHEREAS, It appears to me that there are a lot more serious cases on the agenda than you catching me, and

WHEREAS, If you can forgive and forget all those boys building up your school who have made human errors here and there, you can forgive me, so

THEREFORE BE IT RESOLVED THAT You not only turn me aloose, but commend me for the many fine things that I have done like not stealing eggs, and not stealing horses, and not mishandling anything that hasn't needed mishandling.

Vic, you can bet this broke me up. Needless to say I gave this fine, outstanding citizen a whole can of gas, five silver dollars and resolved right there to do a bit better myself?

Just barely yours
Jim Tully

Please Print.

Dear Vic.

Since rulings of the Attorney General seem to be the order of the day will you print the enclosed opinion which I believe is self explanatory.

This particular opinion brings to mind our Stetson School disposal sale. From the above opinion the idea grasps me that perhaps we have a conflict of interest here.

It is alleged that this conflict of interest involves the party who squealed like a pig under a gate when our local board repaired our roofs in an emergency measure last fall. In fact officials were summoned from Santa Fe. A hearing was had.

Too bad we didn't go into the purchases of gas that were not put out on bids until the ladies took over. Where were the watch dogs then?

The sad part of the story is that had we repaired all the roofs in the manner set forth by Mr. Barrow we could have saved thousands of dollars. The only people interested in economy are the State Finance officials and the citizens we dispersed, apparently. The old goose that lays those golden nuggets may not be dead but we've got her where she is afraid to set in one place long enough to do any good around here.

Faithfully yours,
Jim Tully

Board Member Cannot Bid

Santa Fe, N. M. ((AP)) — A school board member cannot bid on items of school property being sold by his own school district, the state attorney general said Thursday.

The opinion to Harry Wugalter, public school finance director, was written by Asst. Atty. Gen. Thomas A. Donnelly.

"Because of the close relationship of the school board officer, a conflict of personal interest arises . . ." Donnelly said. This would preclude "such individual from dealing with such school district in the purchase of property sought to be sold by the district."

AIN'T IT THE TRUTH

AB GUNTER

Been noticin where Maggie Smith is really got her rollin pin in the political ring fer the Presidency. Now that will be somethin to have a lady running the Country under the Title. Shucks us men folk knows that Women have been runnin things fer a million years anyhow. Look at that Cleopatra over in the Old Country an that woman that had the little hatchet that durn near put Alkolocic Anonomus out of business an then there are others that have been quite instrumental in gettin things done through their husbands.

When Marylyn turned her chips in there wern't hardly any women that mourned her but a million men that did. So you see we had better really do some early decidin wherther we want a woman to run the govement from the official angle or the wifes angle, I aint got no idea which would be the best angle but might get to find out one of these days fore long.

Your Minister Writes...

THE CHRISTIAN IMAGE
By Rev. Robert Zap
Mescalero Reformed Church

We live in a day when the medium of television or other means of advertising has created strong public images By this means, a relatively unknown and untalented person can be brought before the public eye until others will hold this person as just the kind of person that the shapers and molders of our concepts desire to see In the process of all this, they have just about worn out our superlatives as "tremendous", "magnificent", "breath taking" and others have been invented, some aimed to outdo others already current.

It is indeed a welcome thought to realize that He that was the greatest of all, one alone that could be called not only a great man but God himself; lived a life of unbelievable humility. Throughout the whole world, people again will turn their eyes toward one who is revered because of what he was, not what he sought to be or made to appear. The Bible speaks of him as an example to each of us of such humility, for it is of him that it is said that though he was God he took upon himself the form of a man. He left the exceeding joy of heaven to live here with us.

It is during this time of Lent that we think of the ultimate of humility. He who knew no sin, who healed and lovingly taught many, was rudely taken and slain on our behalf so that we can inherit eternal life. This is the humble pattern of true greatness.

TAKE LESSONS—Mr. and Mrs. Wendell Chino and son are shown taking ski lessons at Sierra Blanca Ski Area which the Mescalero Apache Indian Tribe owns and operates. Jim Truelson is the instructor shown with the trio. Chino is president of the Mescalero's tribal council.

Sophomore News

At our last class meeting, we discussed having a Sadie Hawkins Dance some time in April. Two of our class members are running for vice-president. They are Katherine Fox and Barbara Creel. Let's all get out and help one of them win. The Sophomore class would like to wish the candidates good luck.

Student Council Election

The campaigning for R. H. S. Student Council officers is now in full swing. Everywhere you look you will find a poster or banner urging you to vote for a certain candidate.

Registrations start Feb. 17 and last through Feb. 21. This allows you to vote for the officers. You must register within your grade before the deadline.

Campaign speeches are to be given both by the candidate and their campaign managers. This should determine a great deal of the outcome of the election.

Voting will be the last Friday in February. This will be done by secret ballot and in voting booths.

All students are urged to take part in this election. Look at the posters, listen to the speeches, decide after much consideration, make your choice of candidate and then vote.

Remember that the Student Council is to be the back bone of the school and your officers lead your council. Think before you act and vote like you truly feel you should.

NHS Assembly

NHS held its formal initiation assembly last Friday, Feb. 14.

The new members are Donna Vick, Rita Young, Claudia Bizzell, Carol Cooper and Alan Ross.

Cheryl Jasper, Irene Richardson, Burly Cantrell, Molly Kay Harris and Jim Steele explained a little bit about NHS. The NHS motto is "Enter to Learn, Go forth to Serve".

The chapter name is the Valliant Chapter. NHS had a party at Jimmy Steele's house Tuesday, Feb. 18. We played shuffle board, charades, and you don't say. We roasted frankfurters and toasted marshmallows. Everyone had a lot of fun. The party broke up at 11:00.

John Russell went also with his camera. Mrs. Banister couldn't attend the benefit buffet dinner for the Humane Society of Lincoln County. The dinners were given at both the Holiday House and Whispering Pine Coffee Shop—the food was lovely at both places and the society is grateful to all those who helped to make it successful.

BOARD OF EDUCATION
RUIDOSO MUNICIPAL SCHOOL
DISTRICT 3-35
RUIDOSO, NEW MEXICO

Minutes of the School Board
Special Meeting
January 29, 1964

The meeting was called to order by the president, Mrs. Tully, at 7:35 P.M., with all members present.

Visitors present were Mrs. Fisher, Mr. and Mrs. Lackey, Mrs. Sydney Smith, Dick Bennett, Ralph Petty, Jr., Mr. and Mrs. Jim Saylor, Bonnie Coe, Vic Lamb, Mr. Kelly and Mr. Spall. Also present were the superintendent, Mr. White, and secretary Mrs. Oveson.

The minutes of the previous meeting of January 21, 1964 were read by Mr. Parks. The following corrections were made to these minutes.

Motion as written in minutes—"Mr. Petty moved that a warrant be sent to Colonial Refining & Chemical for half of amount due, and it will be up to the company to either accept or reject it."

Corrected motion— "Mr. Petty moved that since it was the recommendation of the State Board of Finance to pay fifty cents on the dollar, a warrant be sent to Colonial Refining & Chemical for half the amount due, and it will be up to the company to either accept or reject it."

Motion as written in minutes—"A letter is to be sent to each parent asking if they want their child to participate in the winter sports program, and the program will be revoked unless at least 50 per cent of the parents are for it."

Motion as corrected—"A letter is to be sent to each parent asking majority, of the parents are for it."

After these corrections, the minutes were accepted by unanimous vote.

A letter was received from the Ruidoso Education Association. A copy of this letter is attached.

Current warrants and vouchers were presented for approval and signing. Mr. Parks moved that payment of the bills be approved, seconded by Mr. Petty, carried by unanimous vote.

The bids were opened for vehicle insurance. The only bid received was from the Ruidoso Insurors Association for $646.69, to be carried by Dan D. Swearingin Agency. Mr. Petty made the motion to accept this bid, seconded by Mr. Jennings. Motion carried with four ayes, and Mr. Parks abstaining from voting.

A letter was read from Clarke Insurance Agency, submitting a bid on boiler and machinery insurance. The cost of this insurance would be $44.26 for three years coverage. Mr. Jennings made a motion to purchase this policy, seconded by Mr. Hickam. Motion carried with four ayes and Mr. Parks abstaining.

Mr. White reported that he was very pleased with the winter sports program. There were about 200 students taking part in the skiing program, about 200 in the ice skating, 110 bowling and 25 roller skating. Mr. White stated that he had personally inspected each program, and that the supervision was very fine. Mrs. Tully asked if written permission had been received from the State Department of Education giving approval of the winter sports program as some of the parents had been inquiring about this. Mr. White said he had received a letter from Calloway Taulbee, Director of Secondary Education, approving the program, and Mr. White said that no academic time was being lost because of the program, according to the minimum standards as set forth by the State Board of Education. It was suggested that before the program is started next year the company carrying the student insurance policies be contacted to see if this winter sports program can be covered by said policy. In the meantime, Mr. White said he would see that all parents are notified that the winter sports program, although school supervised, is not school sponsored and is not covered by the present student insurance. Mr. Petty moved that the winter sports program be continued for the remaining four weeks of the season, seconded by Mr. Parks and carried unanimously.

Action was taken on Mr. Barrow's resignation, as discussed in the executive meeting of Jan. 21st. Mr. White recommended that the board go on record as accepting Mr. Barrow's original resignation, and that the judgment as filed by Mr. Barrow and the stipulations as filed by the attorneys for the petitioner and the respondent be accepted by the Board. Mr. Parks moved that this recommendation be accepted, seconded by Mr. Hickam and carried unanimously.

Action was taken on the reinstatement of Mr. Valliant and Mr. McGuire as discussed in the executive meeting of January 21. Mr. Petty moved that on the basis of action taken in the executive meeting, Mr. Valliant and Mr. McGuire be reinstated, and that any charges that may have been written or implied against them be dropped. Motion was seconded by Mr. Parks and carried with four ayes and Mrs. Tully abstaining from voting.

Status and contract for Mr. White was discussed. Mr. Parks moved that Mr. White be hired as superintendent for the balance of the school year until July 1, 1964 at the present superintendent's salary. Motion seconded by Mr. Hickam and carried unanimously. Mr. White accepted.

Mr. Hickam moved that Mrs. Oveson be given a substantial raise, based on the amount discussed in the executive session. Seconded by Mr. Jennings, motion carried unanimously.

Mr. Jennings moved that Mrs. Barrow's resignation dated Dec. 11, 1963, be accepted, seconded by Mr. Parks and carried unanimously. Mrs. Marcella Cunningham has been recommended by Mr. Parks to fill the vacancy created by Mrs. Barrow's resignation. Mr. Parks moved that Mrs. Cunningham be hired, with her salary to be based on her experience and education. Motion was seconded by Mr. Hickam and carried unanimously. Mrs. Tully asked if they could be assured Mrs. Cunningham would teach through until the end of the school year, and would not quit when the racing season started.

Mr. White informed the board that he had rehired Mr. Fuchs as janitor, and that he is to be one of the janitors, not head custodian. The matter of salary during the eight days Mr. Fuchs was off duty was discussed, Mr. Petty moved that Mr. Fuchs' rehiring be approved, and that he be paid for the eight days off duty, if this payment is approved by the Director of School Finance, Mr. Wugalter. Motion was seconded by Mr. Jennings and carried with four ayes and Mrs. Tully abstainnig from voting.

Mrs. Tully read a letter she had prepared, a copy of which is attached.

A Lay-Professional committee to work together on school problems was discussed. This is to be discussed further at a later date.

Mr. White stated that the Aaron Davis family, who recently moved to Cow Camp 1, would like either transportation or payment for transporting their three children to Mr. Browning's bus at Whitetail. Since Mr. Browning does not want the contract for this feeder route, Mr. Hickam moved that the contract, which would be $10.00 a month for each child or $30.00 a month, be offered to the Davises. Seconded by Mr. Jennings and carried unanimously.

Mr. Parks stated that Tom Perteet would like for the entire board to meet with the Booster Club any time it is convenient for them. It was decided to meet with the Booster Club Thursday, Feb. 6th at 7:00 P.M.

A letter from Mr. and Mrs James F. Lackey was read. A copy of this letter is attached.

A letter from the Ruidoso Association for Better Education stating a number of questions they would like to have answered at the convenience of the Board and the Superintendent was read. A copy of this letter is attached.

Mr. Parks moved for adjournment, seconded by Mr. Jennings and carried unanimously. The meeting was adjourned at 9:30 P.M.

Sierra Blanca Ski Area Is Part Of Setting For Motion Picture

The New Mexico Ski Areas Association has decided to produce a winter tourist movie to be distributed internationally

The emphasis, of course is on skiing The story line for the movie is one of the most unusual in the history of tourist documentaries and will rival a James Bond thriller for pure breathtaking entertainment

Robert J Nordhaus, president of the Ski Areas Association, said a contract has been awarded to Summit Films of Vail, Colo., to produce the 27-minute documentary, which also will cover various tourist points of interest such as Old Town, Taos Pueblo and White Sands.

The movie will be disseminated internationally through the U S Information Agency, nationally through travel firms, and statewide with the cooperation of the State Department of Development

Each of the seven major ski areas in the state will be covered in the movie including Taos, Si Pa Pu Red River Sierra Blanca Santa Fe, Sandia Peak and Cloudcroft

The movie will receive an exciting international flavor and may serve as effective publicity for the Western world by featuring a pair of continental fugitives

One will be a beautiful German model who is wanted by the law "alive" Her cohort and fellow fugitive will be a bearded ski instructor, wanted but preferably "dead"

Three international detectives, a tall, wooly Russian a short, romantic Frenchman and a suave Mexican will converge at the Albuquerque airport allegedly to enlist the help of New Mexico residents in the hope of collecting a fabulous reward Then the chase begins!

It will be up hill and down trail at each of the seven ski areas The ski operations association promises a thrill for each of the movie's 27 minutes

Basically a color movie black and white copies will be made on demand particularly for use by television stations It will cost approximately $20,000 including prints and distribution

The movie is the first professionally filmed ski or winter tourist documentary ever prepared in the State of New Mexico Other films have merely included isolated skiing shots—none since modern new facilities have been constructed at a number of the ski areas

Summit Films is headed by Roger Brown and Kenneth Miller who did a ski film in Colorado called "Ski Country U S A" for United Airlines The film has had sound tracks attached in four languages

Nordhaus said his group was convinced that the new movie will mean more to New Mexico in terms of winter tourism than any vehicle previously prepared

Most New Mexico films have been geared to the summer tourist The Ski Areas Association believes that New Mexico winter tourist potential is the greatest in the United States," Nordhaus said

Decision on the film was made at a meeting of the association last week at its office in Albuquerque

BONDO WRECK DAMAGES WON

Damages of $25,450 have been awarded by Judge David E Mulcahy to Carmen P Ramirez administratrix of the estate of the late Pasqual Ramirez, killed in a truck collision on U S Highway 70 near Hondo last July 10

Letters to the Editor

What Does A Pastor Do?

"The pastor teaches, though he must solicit his own classes. He heals, though without pills or knife. He is sometimes a lawyer, often a social worker, something of an editor, a bit of a philosopher and entertainer; a salesman; a decorative piece for public functions, and he is supposed to be a scholar. He visits the sick, marries people, buries the dead, labors to console those who sorrow and to admonish those who sin, and tries to stay sweet when chided for not doing his duty. He plans programs, appoints committees when he can get them; spends considerable time in keeping people of each other's hair; between times he prepares a sermon and preaches it on Sunday to those who don't happen to have any other engagement. Then on Monday he smiles when some jovial chap roars, "what a job—one day a week."

Hawkins Gets 25-Yr. Franchise For Gas System

Joe Hawkins of the Ruidoso Gas Company was awarded a 25-year franchise to provide the Village of Ruidoso with natural gas. The franchise issued Thursday night, Feb. 13, by the Trustees of the Village of Ruidoso provides for the payment to the Village of two percent of the gross from the sale of all natural gas plus an allowance of $50 per month for the use of natural gas for village facilities.

The franchise calls for a completion date by September 1965 and in general follows the recommendations made by the Carlos Powell Engineering natural gas survey presented to the Village last year Hawkins stated that better than $1,500,000 would be spent in bringing natural gas to Ruidoso and that work would start on the project as soon as the franchise is issued. He stated that he thought the project could be completed prior to the September 1965 deadline, but had requested that much time to take care of any unforseen difficulties that might arise.

The city officials present for the Thursday meeting were Mayor Warren Tucker and Trustees Bill McCarty, Ben Donathan, Jodie Fillerman and Lloyd Leslie Davis, Jr. Village manager-clerk Jim Hine and administrative assistant Don Hart, Quintin Daniel, engineer and John Thompson, attorney were also in attendance. Daniel was authorized to proceed with the engineering of the water study on a basis of six percent of the construction costs. Hine was authorized to proceed with the preparation of an information guide to Ruidoso Bills in the amount of $8 600 were presented and authorized for payment $5,300 of the bills were in connection with operations "deep-freeze", Hine said, the total cost to date for the freeze-up has been $8,000 Hine reported

PICK-UP DRIVER HURT

Tony Duran of Tularosa, an employee of the Davis Developments, Inc., Ruidoso, was injured early Thursday morning when his pick-up left the highway and overturned about two miles east of Mescalero State Police Sgt. L. G Raney stated that the accident was apparently due to a faulty right rear hub which came loose from the rim causing the vehicle to leave the highway. He stated that Duran was taken by private car to the Mescalero Hospital where he was treated for head lacerations and possible other injuries.

300 Attend Demo Dinner

More than 40 people from Ruidoso attended the Lincoln County Democrat's Fund raising dinner held in the Capitan School Gym last Monday night, Feb. 17, Wayne Estes reported.

Estes estimated that more than 300 democrats attended the dinner at which Governor Jack Campbell and State Land Commissioner Johnny Walker were the principal speakers. Campbell mentioned in his speech that he was anxious to see Fort Stanton used to its maximum capacity either as a TB Sanitorium or as a retarded children's hospital but he didn't say which he preferred, Estes said. The Governor said that the grazing land at Fort Stanton should be turned to an agriculture experimental station, Estes reported.

Campbell also said that the administration's request for an appropriation of $265.00 per pupil for state schools was being atacked by Republican and conservative elements in the legislature, despite the governor's assurance the state could easily afford this amount.

Humane Society Votes To Build Animal Shelter

Members of the Humane Society of Lincoln County voted to go ahead with the construction of an animal shelter for Ruidoso in a meeting held Tuesday night this week at Whispering Pine Restaurant. The shelter will be built on land which the Village of Ruidoso is giving the Humane Society near the sewerage disposal plant in the Gateway area. W. J. Williams, Jr. was appointed chairman of the building committee with members Frank Adams and Joe Truitt. This shelter will be primarily to take care of stray and homeless dogs and later this facility will be enlarged to take care of boarding of dogs and cats.

Checks and cash in the amount of $203 35 was turned over to the Humane Society treasurer which was the amount made on the benefit buffet dinner held at the Whispering Pine Restaurant and the Holiday House, Feb. 12.

Yule Tree Sales Now Big Business In Lincoln Forest

Christmas trees cut on the Lincoln National Forest during 1963 formed the focal point in some 20,000 homes this past Christmas. Trees cut from all parts of the Lincoln Forest found their way to homes, churches, military bases and municipal parks in all parts of New Mexico, Arizona, and Texas, reported Lincoln National Forest Timber Management Officer T. J. Loring, at the Forest Headquarters in Alamogordo, New Mexico during a recent interview.

In spite of increasing competition from metal and plastic trees, the traditional fir or spruce tree is still a must for most families. In addition to 17,000 trees sold to dealers for resale, nearly 4,000 individual permits were issued by Forest Officers during the three weeks immediately before Christmas, Loring stated. The individual permits, sold at one dollar each, allow the holder to cut his own tree from a designated location on the National Forest. Many families living in Alamogordo, El Paso, Artesia or Roswell area took advantage of this permit provision and cut their own tree during a weekend outing in the mountains.

Municipal Christmas trees handled by various service clubs or chambers of commerce, were also obtained on the Lincoln, according to Loring. These trees, real beauties from 30 to 45 feet tall, were erected in Alamogordo and Las Cruces, New Mexico, El Paso and Crosbyton, Texas, among others.

As in all other timber cutting operations on the National Forests, Loring further explained, cutting of Christmas trees is controlled so that a continuous supply of young trees is retained on the high mountain slopes. With more intensive management it is expected that the Lincoln Forest will eventually be able to furnish over one million Christmas trees annually.

This is getting to be really big business for the National Forest known only to most people as the original home of Smokey the Bear. As Loring pointed out, many of the large fire scars, such as the one in which young Smokey was found, are now being put back into tree growth through intensive reforestation and timber stand improvement measures.

As with other products from the National Forests, the Lincoln's Christmas tree crop will eventually contribute in a very real sense to the economy of towns or counties within or adjacent to the National Forest. This contribution takes the form of payments for meals, gasoline and oil by the individual permit holders, wages paid to those cutting for commercial dealers and payments in place of taxes to local governments. It is expected that for the Christmas season just past, returns to the several counties involved will amount to better than $3,000 from the Lincoln National Forest. This money helps finance roads and schools within the respective counties.

Among those attending were: Billy MacVeigh, Wayne and Lois Dunlap, Dan Knight, Barbara Knight and Gordon Barham. The Price-Black Farms are the largest dairy in the world with around 2,000 cows—1,500 that are milked daily. 200 4-Hers attended. Billy MacVeigh and Wayne Dunlap were judges for the senior group. Wayne Dunlap placed 4th from the top in judging out of 37. Barbara and Danny Knight, Lois Dunlap and Gordon Barham placed 2nd out of 15 junior judging teams. Danny Knight was 2nd high point junior out of 54 competing. Lincoln County 4-Hers did very well.

Local Youths Serve as Models For Photo Convention

Sandra Little, Joella McCraw, Carol Lynn Wright, Patty McCarty and Bobby Walker served as models for photographers here early this week attending the New Mexico Professional Photographers Association convention. Wedding pictures, portraits of children and other such groups were made by the visiting photographers as part of the conference.

Elected officers in the convention's final day Tuesday were Dick Kent, Albuquerque, elevated to the presidency from vice-president; Mark McGinnis, Albuquerque, vice-president; John Wheatley, Clayton, treasurer, and Frank Cresswell, Artesia, secretary. L. P. Haist, Ruidoso, is a member of the board of directors of the state group. Haist said approximately 85 people attended the three-day session held at the Chaparral.

M. R. Haws Named G. O. P. Precinct 19 Chairman

M. R. Haws was elected Republican chairman of precinct 19, at a Republican precinct convention meeting held at the 29 Pines Motel in Ruidoso last week. Mrs. R. K. Knox was elected vice-chairwoman, a position which she also holds in the Lincoln County Republican organization, and James H. Taylor was elected precinct secretary.

At the Lincoln County Republican convention held in Carrizozo last Saturday, Feb. 15, 34 delegates were elected to represent Lincoln County at the state pre-primary convention which is to be held in Albuquerque, Feb. 29. Three from Ruidoso, Mrs. R. K. Knox, Dick Bennett and Mike Hernandez were elected to attend the state convention.

H. H. Sifer of Ruidoso Downs and Bill Shrecengost of Lincoln were two of the principal speakers at the Lincoln County convention. George Sisneros, Lincoln County Republican chairman was in charge of the meeting.

SCHOOL SETS — (Continued from Page 1)

regular March meeting, and teachers in the April meeting.

A preliminary budget study will be held in a special called meeting of the board Feb. 27, it was decided. Also in the called meeting a week from now will be the discussion of members of a proposed laymen-professional committee of from five to perhaps seven members to study curriculum, upgrading requirement standards and additional facilities needed, with board members suggesting appointees. The committee of advisors was suggested in a previous board meeting by Supt. White.

Supt. White called attention to the state meeting of the school boards association in Albuquerque March 20-21, and said he hoped the entire board could attend, that funds were earmarked for such to assist in paying expenses of members who did go.

A visitor, Cy Leland, speaking on behalf of Leland Realty, laid before the board a tract of land he said might be considered as a future school site, known as 'Santa Claus Ranch" on U. S. Highway 70, two miles east of Ruidoso Downs. The tract has 26 acres, is offered for $26,000, a figure he said was much lower than the prevailing market on adjacent property. He had an aerial photo of the region, plus an engineer's map showing the site. It has 1,300 feet of highway frontage and also has a well.

The need for some action very soon in repairing roofs of some of the school buildings, which are already suffering leaks after rain and snow storms, was brought to the board's attention by Supt. White.

Paul Vance, chairman of the Ruidoso Educational Association's Professional Rights and Responsibilities committee, spoke to the board, asking that it consider holding a hearing to further clear administrators of charges made in the recent school controversy, and continuing in the press with letters to the editor. He said the administrators deserve a clear statement from the board that they are not guilty of charges as reported widespread, and that their professional standing had been damaged by there not having been a hearing to clear them. Board member Ralph Petty said he felt the board had given the administrators a vote of confidence by passing his motion which had re-instated the administrators without holding a hearing, which could be interpreted, he said, as meaning the board held such little regard for the charges that the re-instatement without a hearing should prove the board's support of the administrators. His motion, he said, had included the statement that "all charges written or implied, be dropped." It was agreed that the administrators and representatives of the R. E. A. would meet with the board in a closed door session prior to the called meeting Feb. 26 to determine if a hearing should be held. Petty said that in case a hearing is held, the former superintendent, former board members, as well as the administrators, and perhaps others, would be called on to testify, and that old arguments and charges would be repeated—"and the controversy would be rehashed all over." He said he was hoping this could be avoided. Vance also asked the board's permission to have a member of the R. E. A. attend each board session. It was agreed that a teacher from each of the three schools would alternate in attendance at board sessions. Vance said co-operation of the faculty thru the R. E. A. was tendered at all times to the board and administrators.

Wayne Estes, bus driver, brought to the board's attention the need for major repairs on the school activity bus, which has several thousand miles on it, or suggested perhaps another bus might be acquired. The board instructed Supt. White to obtain information about costs of buying a used coach-type bus from some transportation company to replace the one that is rapidly deteriorating, as Estes described it. "It takes too much travel time in the old bus, and even though we make sure it is safe before going on any trips with our students, we are never sure about when there may be a break-down," he said.

A letter from the Ruidoso Committee for Better Education was read and its several inquiries were answered by some of the board members and the superintendent. To the question as to whether or not there were irregularities in the theletic department's finances, Supt. White said he had asked specifically when he visited the state auditor's office the day before the board meeting, if there were any found in the audit. "I received an 'emphatic no,' to this question," White said. He added the auditor stated there possibly was laxness in handling of money turned in with no receipts issued, but that there was no money unaccounted for, nor any misappropriation of funds. White added that in checking the period July 1 through Dec. 31, that the state auditors had to look into prior year financial records to better understand the recent audit, and that they found no irregularities in the immediate prior fiscal year audits, either. White said he had also checked with the local school auditor, Bill Dean, and had received the same assurance from him.

Supt. White said he was anxious to have members of the committee writing the two letters offered at the last two board meetings to visit his office and discuss the school's curriculum. Mrs. James F. Lackey signed the letters as president of the committee.

Vance spoke briefly again at the meeting's conclusion telling of Science Teacher Virgil Whittington's difficulties in attempting to carry forward a progressive physics class with some materials not ordered which he had expected for many weeks in his department. "The materials he did receive lacked other items to make them usable," he said at one point. This was one of the matters asked about in the committee's letter.

Supt. White said that he is looking forward to Ruidoso becoming accredited by North Central Association as soon as finances are available to up-grade the physical plant and personnel. Priority is now being given to improve areas related to library facilities, guidance and counseling, and activity programs. A layman and professional committee is also being considered to aid the School Board and superintendent in studies of curriculum, plant facilities and ways and means to improve standards. North Central requires that population and school-community studies be made giving basic data regarding pupils and the community which includes follow-up information on all graduates, age grade distribution, mental ability of students, academic intentions, vocational intentions, occupational and educational status of adults in community, financial resources, rural-urban proportion of students, agencies affecting education such as Federal Government, Indian Reservations, State support, and other socio-economic information.

Supt. White believes that Ruidoso has a good school system, in spite of a few weak spots which he says, with the aid of the community pulling together, we can soon overcome. He believes that all schools must constantly be improving.

In a state-wide testing program in which school and college ability tests have been given to seniors at Ruidoso High School, Stan Stewart, high school librarian and counselor, has compiled the test scores since 1949. During that time, in all but four graduating classes tested, Ruidoso students scored above the state norm which is 50 percent, Stewart said. The following are the class scores:

1949, nine students took the test, six scored above 50 percent, four scored above 75 percent, class average, 66 percent. 1950, twenty students tested, 12 scored above 50 percent, six scored above 75 percent, class average, 60 percent. 1951 17 students tested, seven scored above 50 percent, four scored above 75 percent, class average, 41.2 percent; 1952, 20 students tested, 11 scored above 40 percent, three above 75 percent, class average, 55 percent; 1953, 19 students tested, 10 scored above 50 percent, one above 75 percent, class average, 53 percent; 1954, 25 students tested, 11 above 50 percent, four above 75 percent; class average, 44 percent; 1955, 32 students tested, eight above 50 percent, two above 75 percent, class average, 25 percent; 1956, 33 students tested, 20 above 50 percent, 11 above 75 percent, class average, 61 percent;

1957, 24 students tested, 16 scored above 50 percent, eight above 75 percent, class average, 67 percent; 1958, 28 tested, 18 scored above 50 percent, 9 above 75 percent, class average, 57 percent; 1959, 40 tested, 20 above 50 percent, 8 above 75 percent, class average, 50 percent; 1960, 31 students tested, 20 scored above 50 percent, seven above 75 percent, class average, 49 percent; 1961, 36 students tested, 20 above 50 percent, six above 75 percent, class average, 56 percent;

1962, 34 students tested, 17 above 50 percent, six above 75 percent, class average, 50 percent; 1963, 42 students tested, 26 above 50 percent, 15 above 75 percent, class average, 62 percent; 1964, 37 students tested, 22 above 50 percent, 12 above 75 percent, class average, 51.3 percent.

This year 63 juniors or members of class 1965 were given the test, 45 scored above 50 percent and 19 above 75 percent, the class average was 71.4 percent.

Stewart stated that over the 16 year period the average for Ruidoso students is above the state norm or 53 percent, and the average is improving, with the testing of the junior class this year showing that approximately one-third of the class scored above 75 percent.

Supt. White stated that administratively the school here is following all standards set up by the State. He pointed out that in the recent audit of the central accounting system here that the only criticism was that activity tickets were not numbered. This, he said has been corrected.

White noted the forming of the Ruidoso Association for Better Education and stated that organizations interested in improving education can be invaluable working harmoniously within a school system. He stated that his office is always open to discuss with groups or individuals how they might best help in the improvement of the schools here. He said that he would like to meet with the Ruidoso Association for Better Education, but that so far he had not been informed of their meetings. He said there are many areas where an association of this kind can be of great assistance provided their work is coordinated through the school board and superintendent's office.

Mrs. James F. Lackey, president of the Ruidoso Association for Better Education, when interviewed last Friday stated that a membership list of the association was not available and that there were no dues paid in to the association. She said that the association was just a group of citizens interested in better education. She said she felt the association might aid the school by helping to follow up on the progress of former graduates; to establish an alumni association; to aid the school library with donations of books and periodicals; and to eventually establish a youth center here. Mrs. Lackey stated that she thought the association was open to everyone interested in education, however, she stated she would take that up at the next meeting.

YOUTHS LOST—
(Continued from Page 1)

After the recovery of the three from the cave, all five were taken to Fort Stanton Hospital where, after it was determined that they were all in fairly good shape, they were each separately questioned by Deputy Sheriff Vega and Marshall Sanders who were trying to substantiate the "ransom threat". Since none of the teen-agers could throw any light on that angle and all told the same story, it was concluded that the call was made by a "crank."

Kathy Bradshaw stated that when the five of them entered the cave about 4:30 p.m. Sunday afternoon that they had dropped a stub of a candle for light and that when the candle was dropped and rolled down an incline they were in total darkness and couldn't find the candle. She said some of the boys had a few matches between them and they lit those and also burned small scraps of paper they had in their pockets but they soon exhausted this small resource. She said "it was damp and cold and miserable," and that all they had to eat was a few life savers and some chewing gum. They talked, told stories and sang, and moved about holding hands. Once, they found some string which they followed but it was damp and rotten and it broke and they couldn't find it again, she said. Kathy stated she didn't know how much time elapsed before Bruce and Tim decided that they might be able to travel better and find a way out if they left the others. She thought it must have been three or four hours after they left before they saw the lights from the rescue party.

Deputy Sheriff Leandro Vega stated that they were about 700 or 800 yards from the entrance to the cave when they were found. Others who have been in the cave state that it extends for a number of miles with many passages and rooms, some quite large, and that it has never been fully explored.

Bruce Rousseau and Tim Ley who left the two girls with Derrick to find their way out of the cave were lucky and took the right passage way. They made their way to Fort Stanton where George Bryan, hospital manager, notified the State Police and the Lincoln County Sheriff's office. George Johnson and Art Salas, employees of the hospital, also assisted in the rescue party which returned to the cave. Deputy Vega stated that it was nearly 4:00 p.m. Monday when the last three came out of the cave.

Four of the parents who arrived at Fort Stanton soon after the missing teen-agers had been found were high in their praise of the work done by all police officers and expressed their thanks to all who had assisted in the search.

Ruidosoan's Brother Gets Distinguished Achievement Medal

Ronald K. DeFord, professor of geology and a graduate adviser at the University of Texas at Austin, Tex., and a brother of Mrs. H. M. Graham of Ruidoso, received the coveted Distinguished Achievement Medal from the Colorado School of Mines last summer. The medal, presented during the school's 69th annual commencement ceremonies, is the highest honor the school may bestow upon a graduate and is the equivalent of an honorary doctorate. About 30 years ago, when DeFord was a young geologist in Roswell, he came to Ruidoso and purchased a cabin here. When his mother came to visit him in Ruidoso, she liked Ruidoso so much, she took over the cabin and stayed. She added on to it, and following the second world war, when Col. H. M. Graham retired from the service, he and Mrs. Graham joined Mrs. DeFord here. The Grahams cared for Mrs. DeFord until her death a few years ago. They remodeled the DeFord cabin which is now their home here.

Tribe Top-Seeded in Tournament Here

Five teams representing the 5B Mountain Sub-District are set to go into action this week-end in the Ruidoso Tournament to decide the second place winner and a trip to the district tournament in Roswell next week.

Ruidoso's Warriors, after winning two close contests over Carrizozo and Hondo last week-end, are top-seeded in the tourney and drew the first game with Capitan at 7:00 p.m., Friday night. The Tribe downed both Hondo and Carrizozo by one point to gain the top berth. St. Peters of Roswell is the sub-district champs and will automatically go to the district play-offs.

Hondo and Cloudcroft go at it in the opening game of the tournament Thursday night at 6:30 p.m. and the winner of that battle will play Carrizozo Friday night following the Ruidoso and Capitan scrap.

Third place in the play-offs will be played Saturday night at 7:00 p.m. and followed at 8:30 p.m.

The winner of Ruidoso-Capitan contest will play in the finals Saturday night.

The tournament this year should be one of the closest held here as the top three teams have excellent season records. Ruidoso holds a 6-4 conference slate while Hondo and Carrizozo hold 5-5 district marks.

This year may prove to be the last year a sub-district tournament will be held as strong consideration is being given to eliminate the sub-district and have only a district play-off.

Sports Sputs

Hazel Brittenback and Elsie Williams will leave Saturday morning this week for Clovis to participate in the state bowling tournament of the Women's International Bowling Congress.

Rick Cook, former Ruidoso High basketball and football star, pumped in 20 points for the Eastern New Mexico freshmen cage squad in a game with Wayland Baptist College Pioneers of Plainview, Tex., the other night, a game which the junior Greyhounds won handily, 109 to 65.

Tularosa Tops Capitan, 63-42

A 24 point explosion in the fourth period gained the Tularosa Wildcats a 63-42 victory over the Capitan Tigers at Tularosa last Saturday night. It was the 17th victory of the season for Tularosa.

Robert Candelaria with 18 and Goyo Rocha and Godfrey Cordova with 10 each paced Tularosa scoring, but Pete Carabajal of Capitan won game honors with 22 points.

WINNERS—Junior races last Sunday on slopes of Sierra Blanca Ski Area are shown with trophies awarded after afternoon contests.

RUIDOSO NEWS SPORTS

JUST TRY AND CATCH ME—Jim Graham of the Warriors grabbed a rebound last Saturday night in a game with Hondo and held onto the ball for the final five seconds to enable the Tribe to take a 64-63 victory over the visiting Eagles. Hondo tried vainly to capture ball and fouled Graham just as game ended.

GAME AND FISH NEWS

Last week was a busy one for the Department of Game and Fish distributor trucks in the Southeast area. On Feb. 10, 800 pounds of trout were planted in Bonito Lake. These fish averaged 13 inches in length. The planting had to be made by cutting holes in the ice, which at that time was about four inches thick. Fishing at Bonito is not year-round. This year it will open June 7 and close Sept. 7.

On Feb. 17 Nogal Lake received 435 pounds of trout. These fish averaged 10¾ inches. This planting was also made through the ice, which at the time was about six inches thick. Nogal Lake is open year 'round and if you've never tried it, ice fishing should be a really new experience. Be sure to dress warmly and take plenty of hot coffee.

SKATING SESSION, MORNING COFFEE SET FOR WOMEN AT ICE-O-RAMA

Lee Glover of the Ice-O-Rama announces that beginning Friday morning this week, a morning coffee, or tea, session, with two hours of skating and instruction, is being offered women of the community. The charge will be $2 for skates, skating and instruction.

WARRIORS DUMP HONDO, 'ZOZO IN FINALES LAST WEEK-END

Ruidoso's Warriors got by on the skin of their teeth last week-end taking two one-count must victories over district foes Hondo and Carrizozo, Coach Bob Lee's Tribesmen squeaked by Carrizozo Friday night 71-70 and scored in the last nine seconds to trip Hondo, 64-63, Saturday evening.

The two victories gave the locals the second best season record in the 5B Mountain Sub-District with a 6-4 slate. St. Peters of Roswell was the district champ with an 8-2 conference record.

Friday night the Warriors had trouble again with Carrizozo's Grizzlies' Mike Voss who bombarded the bucket for 27 big points. Four Warriors managed to score in the double figures to cinch the win.

The Tribesmen took a narrow 14-13 first quarter lead but lost the advantage at the end of the half 34-31. Carrizozo's Voss poured in 10 markers to put the Grizzlies out in front at midway.

In the third period the Warriors went to work and outscored the Grizzlies, 21-17, and held a 32-31 margin going into the final stanza. In the final quarter both teams hit for 19 points each and the Warriors took the victory.

Bill Stirman led the Warriors in scoring with 18 points and was backed up by Larry Bizzell with 15, Darrell Stierwalt with 14 and David Scott with 11.

Both Scott and Stirman played an outstanding floor game while Stierwalt did the scrapping under the boards for rebounds.

Gerald Posey of the Grizzlies made 19 points and pulled down a bucket full of rebounds for Carrizozo.

Stirman Makes Lay-Up With Nine Seconds Left

Bill Stirman took a tip after a jump ball with only nine seconds left and made a driving lay-up to down the Hondo Eagles, 64-63 here last Saturday night.

Hondo held a 63-62 lead with 18 seconds left in the game and went into a stall before the jump ball was called and the Tribe pulled out in front to say with Stirman's shot.

The Warriors opened the first period with a 20 point splurge while Hondo stayed close behind with 17. The Tribe continued in the second quarter with some fine shooting from Larry Bizzell, Johnny Hale and Stirman to hold a 41-32 halftime lead.

A fired up Eagle squad came back on the floor in the second half and outscored the Warriors in both the third and fourth period to catch the Warriors and take the lead at one point in the final frame.

Stirman hit for 18 big markers to lead the Ruidoso scoring and was followed by David Scott with 17 and Larry Bizzell with 10.

Bob Richardson of the Eagles held high point honors for the visitors with 18 points. Richardson had a chance to tie the game in the final seconds with a one and one situation following a foul, but missed the free toss and the Warriors gained control of the ball and collected the victory.

Bees Lose To Carrizozo, Win Over Hondo

Ruidoso's Bee team Braves found nothing going right for them last Friday night and lost to a determined Carrizozo B team, 51-44.

The locals were unable to get underway all night as three regulars fouled out in the contest and only one player hit in the double figures.

Craig Whipple led the Braves scoring with 15 points. Silvario Candelaria contributed eight points.

Carrizozo's Torres held high point honors for the visitors with 11.

Saturday night the Braves looked like a veteran team displaying poise and ball handling ability to run away from Hondo, 93-35.

Coach Ken Newton used all 16 players and all but three scored in the contest.

Alan Rocs and Craig Whipple led the scoring for the locals with 22 points each as the B team rounded out the season schedule.

Cooper of Hondo scored eight markers.

BIG ICE SHOW DUE HERE—The Ice Royals, accomplished company of ice skating stars, will be the first major event ever booked in the Ice-O-Rama here, due to be staged three nights and two matinees, March 6-7-8. Among the performers is John Dietel, a remarkable skater on stilts, shown doing his act in photo above. His is only one of several feature acts in the big program. Tickets are now on sale at seven local businesses. Matinees will be 2 p.m. Saturday and Sunday, with evening performances Friday, Saturday and Sunday at 8.

RUIDOSO JUNIOR RACERS SET GOOD TIME HERE IN SKI EVENTS

Ruidoso juniors set some good speed marks in the races held on the snowy slopes of Sierra Blanca Ski area here Sunday afternoon, an event sponsored by El Paso Ski Club and open to skiers who have a card in the Rocky Mountain association.

One junior from this community, Charles Morrison, made it downhill in 49.6 seconds, just about three seconds slower than the time turned in by Howard Coleman of Las Cruces, in the novice men's division.

These were results, as reported by Jack McTarnaghan, publicity director for Sierra Blanca:

Senior C. Men — Parry A. Larson, in 57.6 seconds.

Novice Men — Howard Coleman, 46.9, Las Cruces; Mike Pendleton, 2.44.6, Sierra Blanca.

Junior I Boys — Charles Morrison, 49.6, Sierra Blanca; George Pearson, 1:13.4, Sierra Blanca.

Junior II Boys — Bill Gibson, 51.1, El Paso.

Junior III Boys — John R. Reynolds, 50.3, El Paso; Alfred Pearson, 1:10.2, Sierra Blanca; Danny Fowler, Dg, Sierra Blanca.

City Tournament Results

Twenty men from Ruidoso took part in the annual Alamogordo City Bowling Tournament Feb. 9. It appears at this time that the "Kannady" team from Ruidoso will place fourth among 37 teams competing.

Young Jerry Kannady is sure to place high in the singles and all-events. His outstanding performance was evident with his singles total of 680 plus, and his all-events totaled over 1,900. The doubles team of Bones Wright and Jim Whipple will probably place among the winners. Aubye Murray also turned in a good performance in the all-events total. More about the tournament when official results are obtained.

Louis Philippe of Ruidoso does not sell curios, cosmetics or drugs. Photography is his business, exclusively.

MANAGES NEW FIRM—Lynn Keys, veteran pilot, will be chief pilot and manager of new Alpine Aviation firm here, which features charter flights, ambulance flights, Avis Rent-A-Car agency, student instruction, aircraft rental and aircraft sales, new or used. Office is in the Ruidoso municipal airport terminal.

Alpine Aviation Is Offering Charter Service, Rent Cars

Announcement was made last week here of the transfer of the Karl Johnson charter by the State Corporation Commission to a new business, Alpine Aviation, locally owned. Chief pilot and manager of the new firm will be Lynn Keys, who has been flying since 1936 and has better than 20,000 hours. His first flying was done out of Washington, D. C., where he lived for 10 years. He also taught flying at the University of Florida, and his wide range of experience includes piloting officers in the Civilian Pilot Training organization, crop dusting and private charter service work. He flew for McGuire Air Service here for several months in 1962.

The new business, which has opened an office in the Ruidoso Municipal Airport terminal building, offers charter flights anywhere, ambulance flights, scenic rides, student training and aircraft rental.

The firm also has the Avis Rent-A-Car service here, and will be handling aircraft sales, new and used, it was announced.

Nogal Notes

By ROSALIE DUNLAP

Mr. and Mrs. Bobby Dan Crenshaw, and Lisa were home in between college semesters from the New Mexico State University. They were collecting a few household articles to set up housekeeping, as they had gotten an apartment on the campus. They both plan on going to college.

Walter Gray of Glencoe, and father of Mrs. Ed Guck fell on his ranch the first day of the storm and broke two ribs. He recovered without catching cold or other side effects.

Everyone is very thankful for all the wonderful snow that we had last week despite all the inconveniences. Nogal had over 24 inches, the Nogal Mesa had over 30 inches. Nogal didn't experience much snow, but the Mesa and north of Capitan had quite severe winds, causing considerable drifts and making it difficult to open the roads. There is still over 12 inches of snow on the ground after two days of sunshine (Monday).

Mr. and Mrs. Joe Nagy and Jeanine Johnson of El Paso visited with Mr. and Mrs. L. R. LaMay over the week-end.

Last week-end, Roy LaMay, Ruth Aguayo and Cora Dutton attended the funeral for an old family friend, R. L. Goff in El Paso. During their absence, Papi Aguayo stayed with Mr. and Mrs. L. R. LaMay.

Mr. and Mrs. Dave Alexander visited with Mr. and Mrs. Jack Robinson in Tularosa Saturday.

Visitors in the Sam Cox home before the storm were Mr. and Mrs. Melvin Houx and family of Hobbs, and Mr. and Mrs. Dick Cox and boys of Magdalena.

Mrs. Oredc Crenshaw and Kenneth visited with Mr. and Mrs. Ed Guck recently. They also helped Bobby Dan and Mary get moved to Las Cruces.

Mr. and Mrs. A. P. Sitton, Sam Cox, Rosalie Dunlap and Mrs. Tom Zumwalt helped Tommy Zumwalt celebrate his birthday recently with a dinner at the Sittons.

Mr. and Mrs. Jerry Kennedy and son of Las Cruces visited Mr. and Mrs. Mert Zumwalt over the week-end.

Mr. and Mrs. W. A. Mays are in Albuquerque where Mr. Mays is undergoing a physical at the Veterans Hospital.

Mr. and Mrs. Harry Hoskins of Ft. Stanton visited with Lena Kennedy and Mr. and Mrs. Ben Quinn Sunday.

Little Gina Houx, granddaughter of Sam Cox, fell from her high chair Wednesday and broke her leg. This spunky little girl isn't letting it keep her down, as she has learned how to scoot with the leg in front of her and sings while she does it.

Mr. and Mrs. A. P. Sitton and Mr. and Mrs Tom Zumwalt were dinner guests of Mr. and Mrs. Ralph Dunlap Sunday. The occasion was Mr. and Mrs. Zumwalt's 37th wedding anniversary and the Dunlap's 17th. In the evening, Sam Cox was a surprise guest.

Mr. and Mrs. John Lee was a dinner guest of the Kenneth Lacy's and Hattie Lacy Sunday.

Mrs. D. T. Ritchie was house-guest of Mr. and Mrs. A. P. Sitton last week.

Dick Floyd, Roswell, was an overnight guest of the Ralph Dunlaps Thursday.

Mr. and Mrs. Ernest Ritchie of Las Cruces were recent visitors of Mr. and Mrs. A. P. Sitton. They brought Mrs. D. T. Ritchie with them for a short stay with the Sittons. In the afternoon the Ritchies and Mrs. A. P. Sitton visited with Mr. and Mrs. Piper on the Herb Lowery place.

Due to the icy conditions of the road to the church Nogal held its church services at the home of Mr. and Mrs. Vernon Petty in Carrizozo with a very good attendance.

Don't forget the World Day of Prayer at the Assembly of God Church Friday, Feb. 14.

Angus & Bonito

BY EULA CORDER

So far the past two storms reported heading for the mountains have not materialized and the weather has been beautiful. There is still lots of snow in the hills from the past big snow and there were lots of folks up over the week-end, just driving around to see the snow.

Guests with the Dero LeFevers of Roswell this past week-end at their cabin in the Valley Heights subdivision were, Mr. and Mrs. Burton J. Griffin and family from Las Cruces and Mr. and Mrs. Ronald Brandt and family from Organ, N. M.

Mr. and Mrs. Charlie Elam, Teresa and Cindy spent the week-end in Roswell visiting their folks.

Butch Brunson is home on leave from the Navy base at Kingsville, Tex.

Visitors in the mountains Sunday from Lovington were Mrs. Doris Schroeder and Mr. and Mrs. Dwyne Schroeder and daughter.

Mr. and Mrs. Albert Thompson of Roswell spent the week-end at their cabin at Bonito City.

Received a letter from Mrs. E. Garven of El Paso. She is anxious to return to the Nazarene Camp where she and her husband have spent several summers. Their many friends will be glad to know they plan on being back by March 15.

Mrs. Dud LaMay of Nogal is in the hospital at Carrizozo.

Louise Runnels, our very capable County Assessor has been elected as a delegate to represent Lincoln County at the Sate Convention at Santa Fe.

Mrs. Gil Peters spent the day with her mother, Mrs. A. B. Zumwalt in Carrizozo recently. Her mother was feeling fine.

Sunday afternoon Mr. and Mrs. LaMoyne Peters and Mr. and Mrs. Gil Peters went to Alamogordo and visited a while with Mrs. Loraine Wigley and family. That night the folks went to the Nazarene Church there and heard one of their missionaries from Africa, Juanita Gardner. She showed slides of Africa and made a very interesting and inspiring talk on the work being done in Africa.

Ruidoso Downs

By TRUDIE BALCOM

We are saying good-bye to the Johnny Andersons this week, as they are moving to Cortez, Colo. It has been real nice having Florence, Johnny and Tracy as neighbors and they will be missed. We want to wish them all the luck in the world on their move and tell them not to forget their friends and to be back to see us often.

Speaking of politics, Max Oliver of Mitchell's Motel, has entered the race for County Commissioner. Maxie is one of our councilmen and we wish him good luck in his bid for a very important job.

Frank Davis of Tularosa, formerly of Ruidoso Downs, having operated the Skyview Texaco Service Station for several years, stopped by to say "Hello" to his friends this past week.

Mrs. Carl Jarron, director of the March of Dimes asks us to remind everyone that the big dance for the benefit of the March of Dimes will be held this coming Saturday night at the Chaparral Motor Hotel with the K-HEY Riders out of El Paso, furnishing that danceable music. Mike and the boys kick off the music promptly at 9:00 p.m., playing until 1:00 a.m. All are urged to attend help a worthy cause and have a good time.

Mr. and Mrs. Herman Reynolds and young daughter, Roxanne, have recently moved to Ruidoso Downs from Antlers, Okla. The Reynolds formerly lived here and attended school here. Mrs. Reynolds is the former Miss Patty Thomas.

Trudie Balcom and Jackie Gress attended the Democratic dinner held Monday night at the Capitan High School. Jack DiPaolo, also of Ruidoso Downs, was in attendance.

There is to be held, this coming Sunday in Carrizozo, a good old fashioned singing at the Assembly of God Church and all are urged and cordially invited to attend. The singing starts at 2:00 p.m.

We have a new baby sitter in our community. Anybody needing one, contact Lee Wimberly. He can furnish good references.

We received a letter from Dorothy Brake, and she says that she is enjoying the Arizona weather and to tell all of her friends "Hello."

A "Going Away" Party was held for the Johnny Andersons Monday night at the White Mountain Inn.

Mr. and Mrs. Rollie Reynolds and daughter, Rhonda, from Midland, Tex., came through last week for a visit in Ruidoso and paid a visit to Mr. and Mrs. Louis Smith.

Birthday greetings to Peggy Thomas of the D and D Beauty Salon, who celebrated her ? birthday Feb. 19.

Charlie Haley lost his billfold and is offering a $5 reward for the return of it. Anyone finding it can leave it at Trudie's Cafe.

NOTICE OF PUBLIC AUCTION
OF STATE LANDS
LINCOLN COUNTY
Office of the Commissioner of
Public Lands
Santa Fe, New Mexico

Notice is hereby given that pursuant to the provisions of the Act of Congress, entitled Enabling Act for New Mexico (36 Stat. 557) approved June 20, 1910, the laws of the State of New Mexico, and the rules and regulations of the State Land Office, the Commissioner of Public Lands, subject to the conditions hereinafter set out, will offer for sale at public auction to the highest bidder at 2:00 o'clock p.m., on May 4, 1964, at the front door of the County Court House in Carrizozo, New Mexico, subject to existing rights, easements, rights of way or leases, and also subject to the right of the Commissioner of Public Lands, which is hereby expressly reserved, to renew and extend any existing water easements or leases, and the rents and revenue therefrom, if any, the following described state institutional lands, to-wit: (Possession of these lands may be obtained as of October 1st, 1964, and future annual rentals and payments on existing grazing lease or leases, if any, may be collected by the purchaser, unless already paid to the State). All other rentals or payments, if any, are reserved to the State.

SALE NO. 4453: E½ of Section 31, S½, S½N½, NW¼NW¼ of Section 32, Township 8 South, Range 15 East, NMPM, containing 840.00 acres, more or less, according to the government survey thereof. (COMMON SCHOOL LANDS).

The above-described lands are located approximately 4 miles Northeast of Capitan, New Mexico.

Said above-described lands have been appraised at $8.00 per acre, and no bids for a less amount will be accepted.

Those desiring to qualify as bidders will be required to deposit with the Commissioner, or his agent conducting the sale, $305.00 to apply on costs of appraisal and advertising; plus, five (5%) per cent of the appraised value of the lands, and the sum of $700.00, which is the appraised value of the improvements, unless bidder be the owner of said improvements. Any person desiring to qualify as a bidder must qualify before the bidding in such sale has been completed. All deposits shall be in cash, certified or cashier's check or bank money order, and made payable to the Commissioner of Public Lands. All deposits will be refunded to unsuccessful bidders.

At time of sale, the successful bidder will be required to pay five (5%) per cent of the amount bid, less his deposit, the first year's interest at four (4%) per cent on the deferred balance, plus the actual cost of appraisal and advertising. The balance of the purchase price will be payable in thirty (30) years with interest at four (4%) per cent payable annually in advance on the deferred balance.

All minerals of whatsoever kind, including oil and gas, are reserved to the State of New Mexico.

The right to reject any and all bids is expressly reserved and no sale shall be effective unless and until approved in writing by the Commissioner of Public Lands.

Detailed information concerning this offer of sale, the lands involved, the improvements thereon, if any, and other matters related thereto may be obtained by writing to the Commissioner of Public Lands, State Land Office, Santa Fe, New Mexico.

DATED at Santa Fe, New Mexico, this 3rd day of February, A. D., 1964.

JACK ROBINSON OF CAPITAN

Another Capitan Rancher Joins In Great Plains Conservation Plan

Jack Robinson of Capitan recently became the 20th Great Plains Conservation Program participant in the Upper Hondo Soil and Water Conservation District. The Robinson Ranch, a cow-calf operation, is located approximately one mile west of Capitan.

Conservation work to be done under the contract is as follows: 20 erosion control structures involving approximately 43,020 cubic yards of earthwork. 4,000 feet stockwater pipeline to improve grazing distribution, 1,100 acres of Pinon and Juniper brush control and range proper use on the entire ranch.

The objective of the Great Plains Conservation Program is to assist ranchers and farmers in developing and carrying out, on a voluntary basis, a plan of operation that will bring about great stability through grazing and cropping systems and the application of enduring soil and water conservation practices. To carry out this program, Public Law 1021, 84th Congress, provides for assurance of continuing cost-share assistance to ranchers and farmers who present a satisfactory plan for their entire unit including a time schedule for establishing conservation practices.

Any land owner in Lincoln County desiring further information regarding the Great Plains Program of assistance in preparing a conservation plan for his ranch or farm is invited to visit the Soil Conservation Service office in Capitan.

JAMES BURGESS NOW A "SHELLBACK"

James C. Burgess, electrician's mate fireman, USN, son of Mr. and Mrs. Ernest Burgess of Ruidoso, is serving aboard the destroyer USS Manley, operating out of Charleston, S. C. He became a "shellback" by virtue of crossing the equator but had to undergo various rites that are conducted aboard ships crossing the equator. Manley crossed the equator enroute to Mombasa, Kenya. She was the first U. S. warship to visit Kenya since the country became independent in December.

NOTICE

State Engineer's Office

Number of Application 0691-B into H-505 Roswell, N. M., Dec. 11, 1963.

Notice is hereby given that on the 21st day of November, 1963, in accordance with Chapter 131 of the Session Laws of 1931, Alpine Village Sanitation District of Albuquerque, County of Bernalillo, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change point of diversion and place and method of use from surface to ground water by abandoning the use of 5.7 acre feet of surface water derived from Rio Ruidoso at a point in the SE¼NE¼SE¼ of Section 20, Township 11 South, Range 14 East, N. M. P. M., and recorded under Surface File 0691 for the irrigation of 1.9 acres of land described as follows:

SUBDIVISION	ACRES
Portions of SW¼NW¼NE¼NE¼ and NW¼SW¼NE¼NE¼	19

all in Section 21, Township 11 South, Range 14 East, N. M. P. M., and commencing the use of existing shallow well H-505, located at a point in the SW¼SW¼NE¼NW¼ of Section 9, Township 11 South, Range 13 East, N. M. P. M., for the appropriation of 5.7 acre feet per annum for domestic and commercial use in Alpine Village located in NW¼, Section 9, Township 11 South, Range 13 East, N. M. P. M.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said surface and or underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved shall be accompanied by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be taken up for consideration by the State Engineer on that date, being on or about the 16th day of March, 1964.

Chile Is Still 'Land of Manana,' Ruidosoan Reports On Return

Ed Lane, who returned Jan. 31 from a three months' tour of South America where he and Mrs. Lane visited their son Robert G. Lane, superintendent of the Chile Exploration Company's smelter near Antofagasta, Chile, gave some of his impressions to the News this week.

The Lanes sailed from New Orleans Nov. 8 on the S. S. Gulf Trader of the Gulf and South American Steam Ship Line, for Antofogasta, Chile. En route they stopped at Cristobal, Canal Zone; Balboa; Buenaventura, Columbia; Matarani, Peru; Guyaquil, Ecuador; and Arica, Chile, a free port to Bolivia. They arrived at Antofagasta November 27, after being out of New Orleans for 18 days, Lane said.

The Lanes also visited some of the towns in the interior of Chile, including Chuquicamata, which has an elevation of 9,000 feet and is 144 miles inland. At Maria Elena, Chile, Lane met Jim Compton of Carlsbad, general manager of one of the mines there.

Lane said that his general impression of most parts of South America was that it was about 50 years behind the times. In most places, he said, prices for food and lodging were considerably less than in the U. S. A suite in the Antobagasta Hotel consisting of a living room, bedroom and bath for $6.25 American money. He said haircuts were 80 cents and beer about 20 cents.

Lane said he didn't see much influence of Castroism in Chile, but that it seemed to be fairly popular in Ecuador and Panama. However, he said, it was rather hard to understand the political situations in the various countries he visited. "It's still a land of manana," he said "and I was real glad to come home to Ruidoso."

INSURANCE GROUP HAS SUPPER HERE

Sixteen persons attended a supper meeting at the Holiday House Tuesday evening last week when contract holders in the Great Commonwealth Insurance Co. met to hear brief talks by Jim Wilson, state representative of Clovis, and Frank Matthews, regional representative of Dallas. J. B. Close of Ruidoso was in charge of arrangements.

NOTICE

State Engineer's Office

Number of Application H-290-A-A Roswell, N. M., February 11, 1964.

Notice is hereby given that on the 4th day of February, 1964, in accordance with Chapter 131 of the Session Laws of 1931, Carrol White of Roswell, County of Chaves, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change location of shallow well by abandoning the use of Well No. H-290-A-A located at a point in the SE¼SW¼ of Section 7, Township 11 South, Range 18 East, N. M. P. M., and drilling a shallow well No. H-290-A-A, 7 inches in diameter and approximately 150 feet in depth, located at a point in the Pt. S½NE¼SW¼ of Section 7, Township 11 South, Range 18 East, N. M. P. M., for the purpose of continuing rights for the appropriation of 16.5 acre feet of water per annum for the irrigation of 5.5 acres of land described as follows:

SUBDIVISION	ACRES
Pt. S½NE¼SW¼	5.5

all in Section 7, Township 11 South, Range 18 East, N. M. P. M.

Old well is to be retained for other rights.

The above described lands have primary surface rights from Rio Hondo.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said surface and/or underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice.
