Around Town
—By Nosey Waters—

Many Ruidosoans, and many more of our regular summer visitors, are all grieved at the passing of that fine young businessman and civic worker, Bob Moore, who was crushed to death here last Thursday. The tragedy stunned the community—as evidenced by the way it responded in expressing condolence to the bereaved family. Bob's fellow workers in community affairs just couldn't find enough tasks to perform to try and ease the sorrow for the family. Bob was liked by all. He had hundreds and hundreds of friends—and certainly will be sorely missed by people in all walks of life . . .

Billie Clark popped in the office early this week to tell of plans she had to fly to California, to visit her son, Cecil and his family at Santa Maria, and then go on down to Hanford to attend a family reunion with eight brothers and sisters of her (Hudson) family. She'll be back here this week-end! . . . Somebody told us that Walt Averitt and Fern Sawyer Dunn have both appeared in rodeo competition in Madison Square Garden, how about that . . .

When heavy clouds lifted Saturday afternoon here, Ruidosoans and Memorial week-end holiday visitors, too, were surprised to see the north slopes of Baldy frosted with snow. Ruidoso received only a light shower while the snow was falling . . . We hope somebody sends Jerry Piemmons, reporter for the Fort Worth Star-Telegram, this clipping, just as some folks sent us a clipping of his piece about us. The Star-Telegram had a story by Jerry on Ruidoso (and the poor chap spelled it Ruidosa every time he mentioned our town) which libeled the local taxi drivers, but otherwise was a pretty cute yarn about this resort . . .

The News has information on how you may secure proper birth data from the U. S. Census Bureau for yourself or someone in your family, if you have no birth certificate and have difficulty coming up with enough acceptable information otherwise . . . The Chamber of Commerce office here has entry blanks (and so does the Ruidoso News) for any young lady who desires to enter the New Mexico Maid of Cotton Contest to be held in Ruidoso again this year . . .

Officers came here from Minneapolis, Minn., the other day to take back a 1962 Chevrolet stolen last fall there, and found by Deputy Clyde Atwood . . . Bad checks are showing up thick and fast. Deputy Atwood picked up L. Benford and F. L. Hall, and they were lodged in county jail early this week, lacking means to post $500 bond each on charges of fraudulent check passing. Lonnie's, Looney's, Brunell's and others were among complaintants in the case, said Atwood . . .

33 R. H. S. GRADS RECEIVE DIPLOMAS

Thirty-three members of the Ruidoso High School Senior Class of 1964 received diplomas marking their graduation after 12 years of public school attendance in commencement exercises here Thursday evening last week in the school gym-auditorium.

Main speaker was Supt. George P. White, whose topic was "We Hold These Values." Excerpts from his challenging discourse included these 14 major points: "We believe every person is important, has worth and is endowed with human dignity x x x We must improve the quality of instruction in all of our schools and colleges—we must stimulate interest in learning in order to reduce the alarming number of 'drop-outs' or those who fail to strive for continued learning x x x We accept the fact everyone is unique, each person has his own individual needs and abilities, and can make his own special contribution x x x In the new age of science and space, improved education is essential x x x We accept the fact that children are citizens; the operation of our schools and the conditions of our schools should be in keeping with the inalienable rights of the citizen x x x Every person has the right to the opportunity to reach his potential x x x Close co-operation between home and school is essential x x x Schools must promote the Democratic ideals; supporting the belief American citizens are born free and equal x x x All available information and resources should be used to determine what the education of each child should be x x x Freedoms are essential to the perpetuation of a democratic society x x x Education is needed for imaginative and logical as well as critical thinking x x x We believe the school in addition to the family and community, each in its own area, is responsible for the moral and spiritual concepts so necessary to a democracy and a free people x x x Never lose sight of the fact education is a preparation for life—and that preparing for life is far more than knowing how to make a living or how to land on the moon x x x Education must have its roots in moral principals x x x."

Ruidoso's graduates received letters this month from Governor Jack M. Campbell, urging them to continue their education. Supt. White read the letter as part of his commencement address. Portions are reprinted here:

"You have inherited an exciting and challenging world, one that will demand the best that you have," the Governor wrote.

"Your graduation from high school is only the beginning of a lifetime of learning. I hope you will go on to college, but whether you do or not, it is important that you equip yourself to live and make a living in this scientific and technical age, which is changing so rapidly. Your personal success and the survival of this country will depend to a large degree on the skill and education you acquire," Campbell added.

He said he hoped the graduates would continue to live in New Mexico "and contribute your energy and ability to the development of the Land of Enchantment."

Honor graduates Georgina Badillo, Linda Myers and Cheryl Curry gave short addresses, and a vocal solo, "You'll Never Walk Alone," was heard from one of the class sponsors, Mrs. Terry Cottle. Mrs. Rodger Pope, an R. H. S. graduate, also sang, "I Believe," in the program.

Awards were made to these students during the program:

Ruidoso - Hondo Valley Parent-Teacher Association teacher scholarship award of $200 to Linda Myers, to be paid by check to her and the school she is attending in her second year's enrollment; the Ruidoso Board of Realtors award of a $250 scholarship to Donna Vick, and the Ruidoso Racing Association $100 award for personal needs for college entrance to James Bryan.

School Board member Ralph Petty made the presentation of diplomas to the graduates in the absence of Mrs. Gerald Tully, the board president.

YOUNGSTER 'HIDES OUT' WHEN REPORT CARD LOST

Parents of Dale Sorenson, 10-year-old Nob Hill school student, were understandably disturbed when their young son, alighted from a school bus last Friday, the final day of school for the 1963-64 term, then didn't show up at the house. Reportedly, he told fellow students he was going to take a hike in the Flume canyon area near where his home is, but he didn't return from that hike. It's believed he lost his report card, and was so chagrined about that, he just couldn't face his folks, the S. D. Sorensons, and he spent the night sleeping near a big tree, as he described it. Police and volunteer searchers spent the night looking for him. He was found about sunrise Saturday. Following is a statement from him: "People of Ruidoso. This is Dale Sorenson. Thank you very much for looking for me. I am sorry and I will not do anything like that again."

BOB MOORE DIES IN TRAILER MISHAP

★

BOB MOORE

Bob Moore, popular and affable Ruidoso young businessman, lost his life in an accident in which he was assisting a friend set a house trailer in Palmer Gateway here about 5:30 p.m. Thursday last week. He and Darrel Wynn, manager of Preferred Rate Finance Co., had gone to Capitan to move a trailer here which Wynn's company had had to foreclose on because of default in loan payments, and the two men were setting it in the Munsey trailer park southeast of the Gamble building. Four wheels had been removed from their axles on the trailer, and concrete blocks had been set under the trailer at each corner. Moore was beneath the trailer when blocks under the east corner of the heavy mobil home crumbled, which let the trailer slip sideways and crush the man. Wynn said he called for help and used some jacks available to try and raise the trailer off Moore, but to no avail. A wrecker summoned was unable to be of assistance at the scene, but within only a very short time, perhaps 15 minutes, Wynn said, there were enough men gathered to lift the trailer so Moore's body could be moved. Wynn said Moore never uttered a sound. A doctor on the scene when the body was removed said Moore apparently died instantly. First peace officer on the scene was village patrolman Frank Barajas, who said the doctor had reported the victim had died instantly from being crushed.

Justice of the Peace Harold M. Graham called an inquest, and a verdict of death by accident was returned after only a few minutes of examining witnesses.

Robert Roscoe Moore, Jr., was born in Bullock County, Alabama June 2, 1928. He served in the Air Force from Sept. 14, 1948 to Aug. 7, 1952, and on his discharge at Holloman Air Force Base near Alamogordo, he moved to Ruidoso. He wed Josephine (Jeanne) Murray in 1962. He was an owner with his wife of Bob Moore Mobil Station and Alpine Lodge, and served as Ruidoso's volunteer fire department chief for several years. He also was a past commander of the American Legion Robert J. Hagee Post No. 79.

Survivors include the wife of Ruidoso, Robert Roscoe and Edward Joseph, sons, Ruidoso; Elizabeth Ann Murray, a step-daughter, Ruidoso, and Charles (Cowboy) Murray, a step-son, Ruidoso; Mrs. Robert Loftin, his mother, and Sara Pritchard, a sister, both of Alabama; Joe Moore, a brother of Fayetteville, Tenn., and another brother, Ed Moore of Lakeland, Fla.

Funeral services were held here Sunday afternoon at 2 p.m. in Community Methodist Church with the Rev. Thomas E. Richardson, minister, officiating. Burial was in Forest Lawn cemetery here.

The Robert J. Hagee Post of the American Legion here officiated in graveside rites. Music in the church service was under the direction of Mrs. Bernard Rooney and Mrs. Mack Garner, with Mrs. John A. Hawkins at the organ.

Pritchett, Linden, Ala.; two brothers, Edward Moore from Lakeland, Fla., and Joseph Moore from Fayetteville, Tenn.; and Mrs. Bob Moore's sister and family, Mr. and Mrs. Anthony Zahtila and daughters Terry and Joanie from Denver, Colo.

Seventh Race — 400-yds. — Little Miss., who went to the front opening week-end, continues to improve his position in the Ruidoso Downs Jockey standings.

Blanked for the first time at the meeting last Sunday, Moore nevertheless swept "Jockey of the week" honors for the second straight week, and now holds a substantial lead over his nearest rival D. W. Whited, 17 winners to nine for nine days of racing.

Moore's big bombshell came last Saturday when he connected with five winners—one of the few five-baggers in Ruidoso Downs history.

Among the trainers, a two-way tie for top honors now exists between C. D. "Buffalo" Wooten, the noted foot-racer, and Jim Curry, each with six winners. Gerald Bloss follows with five, one better than the quartet of W. L. Harris, Joe Wade, George Cosper and Tom Stevens. Clay Tolliver, Paul Smith and La Monte Githens are next with three each.

In New Mexico... at a picnic, beer is a natural

When you're relaxing at your favorite outdoor beauty spot with friends or family, and your thirst's whetted by fresh air and exercise—that's the ideal time for a cool, refreshing glass of beer. In fact, you can name your recreation—swimming, hiking, or just watching TV—and chances are nothing in the world fits it quite as well as beer.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

Thoroughbred Features Are Booked Three Days At Downs This Week-End

A couple of Agua Caliente invaders —W. C. Tompkin's Just Gaza and Shamel Ranch's Currency B.—seek to take additional strides toward the $20,000 Ruidoso Derby here Friday when they lead the charge of nine 3-year-olds after the five and one-half furlong Prescription Pharmacy course.

Just Gaza already has been a 1:15 flat six-furlong winner over the track, while Currency B. comes here off an imposing pair of victories—1:11 2/5 for six furlongs and 1:39 2/5 for a mile—at the Baja California course.

Sharing top weight with Currency B. in with 122 and Curt Perner, will be C. E. Beach's Road Ranger, a jack-rabbit from Turf Paradise that will be out to make amends for his disappointing performance first out here.

Irish Billy Rock will be upon Riad Ranger, which chased no less than four of his Friday rivals under the wire first time out here, including C. R. Denny's Speed Time, Grantham Ranch's Bold Greek, Rio Lado Farm's Invante, and Leo Patten's Grey Pearl.

For the order in which they finished on that occasion, it was Grey Pearl (second), Speed Time (fourth), Bold Greek (fifth), Invante (sixth), and Road Ranger finishing last behind the victorious Oklahoma Hills.

Beaten just a nostril, Grey Pearl, with Joe Sherman up at 112, will be out to try for a wire-to-wire score and almost surely will have to joust with A. B. Munsey's M. Straw, coming off a sharp 870-yard tightener, for pace-setting honors.

M. Straw, at 117, will be ridden by Billing Larry Byers, while Pete Moore, leading the riders with 17 winners at the meeting, tries for a repeater aboard Just Gaza.

G. A. Morris' Senor Pan Gil, with a fourth and a fifth at Florida's Tropical Park in his two latest starts the past winter is the lone other newcomer to Friday's line-up with Benny Roller and 115 pounds.

Other weight and saddle assignments find D. W. Whited on Invante at 117, Harley Crosby on Bold Greek, lone Ruidoso Derby eligible in the field at 115, and Jack Wallace aboard Speed Time, also at 117.

Tom Doyle Purse Saturday

Dell Akin's Thinking Bonnett and speedy Go Chip, property of Turf Paradise President Walter Cluer, figure to be in the thick of contention here Saturday in the field of seven named to the six and one-half furlong "Tom Doyle, KOB-TV" main event.

In a powerful companion feature, 3-year-old counterpart for quarter horses, eight shifty sophomores of the straightaway will match strides over 400 yards, including Hugh Huntley's Bita Charge, Don Cannon's Miss Croton Oil, and the Lee Brothers' Manor High.

In the 3-year-old thoroughbred headliner, Thinking Bonnet, a $227 upset winner at Phoenix and winner of the opening-day feature here, will be out to make amends for a more recent setback in which she finished out of the money behind Clauweista, Demsco and Wine Cellar here last week.

In tight quarters when he was the fourth horse on the wire in a blanket finish last out, Go Chip figures to get more racing room this time around and won't have to show too much improvement over his last hair-raising finish to Oklahoma Hills, Grey Pearl, and Squaw H. They covered five and one-half furlongs that day in 1:09 flat, a tick faster than Thinking Bonnett's opening-day conquest.

Indicating this will be anything but a two-horse race will be the presence of such other speedburners as R. H. Hester's Golden Ring and K. L. Jenkins' Dino Rocket, both also winners over the track, plus Tull Stansell's top-weighted Eight Hour, 119 and D. W. Whited; L. H. Tyson's Blue Glasses, 112 and Pete Moore, and E. Bar Cattle Co.'s Sharply, 117 and Joe Sherman.

Benny Roller will be aboard Bolden Ring at 112, and Manuel Lopez on Dino Rocket at 117. David Whited comes back on Thinking Bonnett at 112, and Irish Billy Rock will be back up on Go Chip at 115.

Others named through the entry box to the companion quarter horse spring attraction were Valentine Dial, Miss Reed Twist, Go Buddy Go, Getty Isabel and Burnt Spur.

Toggery Purse Listed Sunday

Jungle Dancer and Murray Canyon, which raced at extreme opposite ends of the class ladder during the past winter at Turf Paradise, meet on a more or less equal social standing here Sunday in the five and one-half furlong Mannie's Western Toggery feature.

Though eight others named through the entry box for this speedfest also figure to make it a contest, the continued climb of Jungle Dancer back to his one-time lofty class ranking will be observed closely by the form players.

At Phoenix, Jungle Dancer, 8-year-old grey son of Native Dancer, raced and won for $1,250 and $1,600 claiming tags, sometimes on the same days that Murray Canyon, property of cagey Harry McGahan, was in the thick of contention with some of the finest sprint and route runners on the grounds.

Following the conclusion of Turf Paradise-Arizona Downs racing, a young Phoenix couple named Phil and Dorothy McLaughlin purchased Jungle Dancer for $2,000—the first race horse they ever owned. Such faith and optimism, plus La Monte Gilbert's talented training hand, already has rejuvenated Jungle Dancer to the point where the McLaughlins aren't far from "winning themselves half-way out" on the grey ghost. He polished off Rupert and a number of other fair-class speedsters opening day in 1:09 flat for five and one-half furlongs, and came back last Saturday to be barely nipped by the classy Mom For Sure in 1:07 3/5 for the same distance.

Irish Billy Rock will be up again on Jungle Dancer, with Jot Wilson getting the leg up on Murray Canyon. Along with Ralph Nix Jr.'s Shamrock Kid and J. C. Sneed's Bob-O-Long, this pair shares high weight of 119 pounds, with Pete Moore named aboard both Shamrock Kid and Bob-O-Long.

A good Phoenix winner on several occasions, Murray Canyon turned in perhaps his best effort when he nipped an unsanitary nostril by the classy Fisherman's Reef in a 1:10 flat six-furlong sprint.

Rounding out Sunday's feature line-up will be W. O. Ferguson's Better Eye, M. T. Cannon's and J. S. Williams' Sioux Bea, Hugh A. Fitzsimmons' Merlin's Maid, the Hudson-Giles partnership's Miss Independent, Lee Herren's Red Donut and Clay Tolliver's Space Secrets.

First post for the 12-race program each day will be 1:30 p.m.

WADE JOHNSON

JOE WADE

Couple of Oklahomans Do OK In Lifetime Horse Race Careers

Pundits here have their own version of "Three Coins in the Fountain."

It's called "Two Wades on the Mountain," which is none too surprising considering the fact it concerns two Wades—Trainer Wade Johnson and Trainer Joe H. Wade—and they are both stabled in the same barn.

Coincidentally, neither is 100% "paleface," both having first seen the light of day in the Indian territorial confines of Oklahoma—Joe Harvey Wade in Tahlequah, and Wade Johnson in Lawton, Walters, Duncan, etc.

Both have trained their share of fast horses, thoroughbreds and quarter horses, about the only discrepancy in their careers being a little matter of only 12 years in age—Joe H. being 66, and a sprightly one, at that, to "Chief" Johnson's robust 54.

Each also has been associated with some of the big names of turfdom, Joe Wade getting his first horse to the races 'way back in 1934 through the understanding of barrister Neil McCarthy, Horseman Lou Rowan and racing official J. Kingsley Macomber.

Not many years later, Wade Johnson was campaigning quarter horses, from about 1953 to a few years ago, for such enthusiasts as A. B. Green, prominent in Oklahoma politics and state highway commissioner; Duane Ellsworth (Rex's cousin); LeRoy Spires, Jr., and E. J. Burke, plus Foster Estes and H. B. Atkinson.

"I was brought up around what is now the El Toro Marine base near Orange, Calif.," says Joe H. "I was broke in 1927, rodeoed for awhile, then broke polo ponies for Mr. McCarthy. Later, I had a 5-year-old maiden that Neil gave me, but they wouldn't let me run him because he had no name. Finally, through their cooperation they got the Jockey Club to accept the name "Wader," just adding an "R" to my last name and they let me run him at Pomona. He finished fifth that day and was ridden by a youngster named Van Pelt, who is a steward at Caliente."

While this wasn't exactly the start of a success story, it pointed Joe H. in the right direction—one that saw him take over the training of such good thoroughbreds as Air Academy, Docker, Golly Whiz, Tulip's Dandy, and others for Walter R. Cluer, president of Turf Paradise in Phoenix, and the Scottsdale Stable, for which he already has won races here with Divine Flo, Brownburough and Sie La Vie.

Joe's wife, Irene, along with a then young, budding rider named Eddie Burns, also proved herself quite an accomplished horsewoman, campaigning warriors like Count Chat, Chorus, and O. K. Mullen with success around No Randall, Thistle Downs, Cranwood, and other Ohio tracks in 1947.

"Wading" over to the other side of Barn 23, a bit of reminiscing revealed that "Big Chief Wade Johnson" had developed and campaigned such quarter horse record breakers as Gold Bar, Barbara L., Miss Meyers, Double Bid, "and some B-plus critter named Go Man Go," he gasped out between guffaws.

Right now, with the exception of one quarter horse, Wade J. is strictly a thoroughbred horseman, his best here now being Song Man, which picked the rather untimely occasion to get almost deathly ill when he was purchased from C. V. Whitney for $30,000, and Mite Box, a two-time winner last fall at Del Mar and only son of Moolah Bux ever to win as far as a mile and one-eighth.

One of Wade J's top thoroughbred developments, perhaps, was Careless Curl, which still holds the 1:12 flat six-furlong track record here, and went on to win stakes races at Pomona, Hollywood and Santa Anita after being purchased by Spires for $2,500.

Wade J's biggest "goof" he likes to recall, probably was when he "was taken in" with an agreement to race his quarter horse, Midnight, an eighth of a mile at "live catch-weights" against another quarter horse named G. I. Joe in 1945 at Hugo, Okla.

"All our bets were down. I had a kid from Louisiana named Jim Hargraves on my horse, but I noticed there wasn't a rider on G. I. Joe when we got ready to enter the gate. I insisted that they had to carry some weight, so what did they do but rig up a two-pound holster in a breast harness resembling a yoke tied a cinchgle to him, and off they went. Needless and sadly to say, the rooster hollered, flapped his wings, and G. I. Joe took off like a scared rabbit and whupped us by 30 yards and all the money, $500!

For winners, Wade J. made a much better selection in his wife, Mary, and together they fared even better producing a young son named Alan, 11.

Cost of Improvements Denied Ruidosoan In Court Decision

A Ruidoso man was denied payment Monday by the New Mexico Supreme Court for improvements he made on property he was attempting to buy.

The high court judgement upheld a Lincoln County District Court decision by Judge W. T. Scoggin.

Frank H. Graham of Ruidoso sought payment for improvements he made on land he was trying to buy from four owners.

Graham attempted to purchase property in Ruidoso through Leland Realty Co. An agent for the realty firm contacted George N. Ashley, Jr., one of four owners, and Ashley agreed orally to sell the property for $7,500.

Graham wrote a check for this amount and placed it in a bank. The agent prepared a deed, which was sent to Ashley for his signature and those of the other owners.

After Graham had placed his check in the bank, he was given permission by the real estate agent to make improvements on the property to provide a parking lot which was owned by Graham.

But a few days later the other owners of the property beside Ashley refused to sell.

The trial court found that the property owners had never employed Leland Realty Co. to sell the land, and they had never authorized the company to deliver possession of the land to a buyer. Therefore, Graham was not entitled to payment for the cost of the improvements he made on the property.

'Vi' Stege, manager of the new Puerta del Sol shop at 2646 Sudderth Drive, is shown wearing an imported handwoven sheath accented with Mexican sterling jewelry, both of which are specialties of the shop which handles exclusive Mexican imports in folk textiles, silver, ceramics, furniture and patio and terrace accessories.

All-American, Rainbow, QH Derby Prospects in Okahoman's Stable

Following the running of Sunday's races here, it became apparent that Vernon L. (for Leo) Pool has whacked himself out another road—a super, one-lane path to the Ruidoso Downs winner's circle.

Pool started two highly-regarded quarter horses on the Sabbath program, and both toured the triumphant lane into the winner's circle for the Shawnee, Okla., rancher and heavy construction contractor who has more than a little to do with thoroughfares and turnpikes.

The grading of this path was initiated by a frisky young filly named Oh Kathy Oh, a daughter of Vern's own stallion, Mr. Bruce, and the manner in which O. K. O. accomplished her mission suggested that she might be free-wheeling her way into the winner's circle again come this year's inaugural running of the $300,000 (est.) Ruidoso Rainbow Futurity and the Labor Day renewal of the $250,000 (est.) All-American Futurity.

Now winner of four of her seven lifetime starts, Oh Kathy Oh, has her eligibility dues all paid up for both of these straightaway classics.

Not to be outdone by her upstart 2-year-old stablemate, Chaundell came back to whisk Pool's colors to victory in the day's quarter horse feature, zipping 20.2 in super highway time for 400 yards while registering a $14.80 upset of two of the toughest short sprinters on the grounds, reigning quarter horse Derby hope Tidy's Pleasure, and veteran Rhoda Creel.

Oh Kathy Oh was timed in 18.1 seconds for her 250-yard stint, and the fact that both clockings are the fastest yet recorded at the meeting helps "cement" Pool's hold on the rich juvenile and 3 year-old jackpots to be run here.

It also boosts the stature of Mr. Bruce, who was quite a speed-ball in his hey-day before string champions at Pool's vast Oklahoma spread. Among the other top straightaway stars campaigned by the 46-year-old Pool are Miss Olene, Oh My Oh and Mr. Meyers.

Bonito Agua

By LOUISE COE RUNNELS

To get up early in the morning on the Bon... and hear all the birds singing makes one count their many blessings and start a busy day that ends too short. Our lilacs have been especially beautiful this year. Fruit trees up and down the valley are loaded with blossoms. In spite of the age of some of these old trees, over 60 years, they serve the public well 'bout every year at least . . . for 25 years that I know of. Bonito Lake is low but already folks are coming to camp and pull out some "big ones." The early fishermen doesn't have to cast from the third row back. I'm not sure if the Parson's Hotel will be open to accommodate fishermen who don't like to camp out, but I heard proprietors Eddie

Little Brother Strikes Back

Philadelphia — Probably no one leads as wretched a life as a little boy who has an older sister.

If you're a grubby little boy, and she's two years older and has golden curls—well you just don't stand a chance.

I know. I was such an unwanted, unloved specimen.

I would slink around the house like one who was diseased. If anything went wrong around the house, You Know Who made sure the blame fell on my tiny,helpless shoulders.

One December day in 1941 I failed to eat my spinach at lunch and big sister made certain this oversight was called to the attention of higher-ups, parents and such.

Later that day Pearl Harbor was bombed and although I was too young to fully comprehend what was going on, big sister was not.

"See, just see what you've done. Just because you didn't eat your spinach."

That can mark a child horribly.

One morning we were playing in a field not far from home. The big sister wanted something from home and ordered me to go for it.

Being barefooted I warily eyed a short cut through a weed patch. I prudently decided on a longer, but safer route.

Big sister was in a hurry. With a curt nod of her curls, she ordered me to take the short cut. "I came through there this morning and didn't get any stickers."

I started to run. Before I went three steps my feet were ankleis of stickers and goat heads.

As I lay writhing on the ground, screeching, big sister, without even looking up from her dolls, went on:

"Of course, I wore my sandals."

Whenever you gobbled up your bag of jellybeans in five minutes flat, guess who always had jellybeans for the rest of the day?

A fellow couldn't be heroic around the house with a big sister.

After one especially trying day, I decided I'd had enough.

"I'm going to run away and join the army. You'll be sorry when I'm gone. Maybe I'll get wounded."

She quashed all hopes of heroism.

"Are you some kind of nut? The army won't take little six-year-old boys."

In the early stages of World War II, spy movies were awfully big. And remember those posters that were everywhere? "A slip of the lip might sink a ship?"

Children everywhere watched for spies.

Well, we found some. Or thought we did.

We were sure that we had stumbled on a nest of enemy spies hiding out in a nearby but seldom-used church.

Our duty was clear. We must warn the authorities.

But how?

Big sister found a way. She wrote notes like they had been written by the spies, telling where they were hiding and ending with the chilling invitation—"come and get us."

It was my job to creep around the neighborhood, leaving these notes on windowsills, in mail boxes, under doors.

In a matter of a few hours, the neighborhood was aroused.

Policemen from all over swarmed into the area.

The lists of suspects quickly narrowed. A policeman faced a line-up of neighborhood kids and asked just one question.

"Who's been going around the neighborhood leaving these notes?"

Guess who told him?

JOB TRAINING—

eration early in July, White said Wednesday. 100 Attend Showing Of Christian Dior

Mr. and Mrs. Leck Cowden were hosts in a showing Saturday evening at the Chaparral Hotel of Christian Dior ski and sports wear. Serving as announcer for the evening was Mrs. Robert Pearson. Models were Mrs. Jimmy Dunn, Chere Stanley, Ann Neal, Mrs. Tommy Perteet, Dona Rose Johnson, Gail Donnell, Pat Neal of Hobbs, Mary Ann Edwards; with Mrs. Jess Perteet, Mrs. Ola Burns, Mrs. Tom Holbert and Mrs. Billie Clarke serving as greeters and also serving at the refreshments table. Champagne punch was served with hors d'oeuvres. About 100 attended.

Drag Strip Club Proposed Here

Village Marshal T. J. Sanders announced that there would be a meeting Friday at the Municipal building at 8:00 p.m. for all who may be interested in a drag strip and forming a drag strip club. Sanders stated that Davis Development Co. had offered a strip across from the Sierra Blanca Motor Co. where supervised dragging could be available each Sunday afternoon. Sanders invited all persons interested in dragging or in watching to be present at the Friday meeting.

Penfield and H. Elferd Jones have been over the scenic drive from Nogal there a few times already. It is a beautiful road for folks who love to get out in the mountains.

The LaMay boys can build these roads and, too. I'm counting Lee Roy McKnight. Seems like once, 'tho, there was a little snow and Paul Payton, editor of the Lincoln County News, and H. Elferd Jones sorta bogged down. Alice Wright, way up the canyon, is doing fine. The wind lifted part of her roof at times, but Arvel Runnels kept nailing it down when the wind would settle for a few hours. I've had a chance to hear some of the lady fire guards talk over the radio when Herbert Lee Traylor, fire guard on the Bonito, was parked. Here in Lincoln County we have three women on look out towers—Frances Montoya over on Smokey Bear lookout in the Capitan mountains, Mrs. Shirley Preston on the Ruidoso lookout and high up on Monjeau is Margie Hightower. This job these women do is a real important one and one that takes a lot of know-how, too: studying their instruments, looking the forest areas over constantly and answering questions for tourists keeps them busy through the summer months.

Cabin owners on the Bonito getting their spring cleaning and fixing-up done. Bonito City now has 13 cabins, two trailer houses and one store—and the store is open for business with picnic goods, fishing equipment, worms and cold drinks, cherry cider and hamburgers, also information about mines and other fishing areas.

Some showers recently have eased the worry about campfires—and they are allowed in designated areas.

Nina and Hugh Truitt are caretakers for Bryan and Jeanette Cozier this summer again.

Mr. and Mrs. Frank English have been on their farm a week.

Mr. and Mrs. A. N. Runnels and son, Robert, are busy making a garden over on their ranch toward Nogal—the old Ferguson ranch.

Senior, Jeanette LaMay plans to go to beauty school.

Bunk Pruitt, who once lived in Capitan and went to school there, is working on the Forest out of Capitan.

Robert Runnels works on the Forest with Raymond Walker and Emil Stromayer. Other college boys I know employed by the U. S. Forest Service are Joe Freeland, Carlton Britton, Joe Lee Smith and James Taylor.

Jal Dudes spending the week-end in their cabin recently were Mr. and Mrs. Spencer Ely and son, Mike, and Mr. and Mrs. J. T. Crawford and Mr. and Mrs. Teddy Crawford.

Attending the races recently were J. T. and Gene.

Charles and Eula Corder have their country store all ready for the summer season—new cool box is loaded with picnic supplies—they have fishing equipment, and also gas as cheap as in town and Charles is fast as heck on fixing flats.

Ruidoso Downs

By TRUDIE BALCOM EMERSON

We are sorry to hear of the accident that Bob Watkins suffered due to a fall Saturday night, and which has him hospitalized.

The newest fad for cars is a Condor horn that sounds like a bugle. It's guaranteed to get results. If you hear one from a Cadillac bearing Texas license, we know who it is.

It seems the Downs was so full last week-end it almost burst its seams. It was wonderful having all the crowd back, 'tho.

Mrs. Jack Parnell went to Portales last week-end to bring her daughter, Jane, home for the summer. Jane is a student at Eastern New Mexico U. there.

Hello to more summer visitors: John Wallace of El Paso, who is employed at the track by Ab Grantham; March Millette of Phoenix, also employed at the track; Morris Parsons of Detroit, employed by Buford Jones, and the jockey, H. J. Sonnier of Baytown, Tex., who hasn't been riding here since 1962.

Welcome to more newcomers—the Wilmoths and son who have moved here from Amarillo and are employed by Jed's and Ted's trailer service.

Our sympathy and sincere understanding go to the family of Bob Moore on their recent loss of father and husband. A new star is shining in heaven.

Jean Metcalfe of Roswell is visiting her aunt and family, Mr. and Mrs. Curtiss Nunnelly of Ruidoso Downs.

It's nice to have Bob and Mary Ellen Morton back for the season. They are both employed at the track. Mrs. Morton is the former Mary Ellen Champion.

Mr. and Mrs. Ted Cook were in Albuquerque last week-end on business.

Mr. and Mrs. Elbert Minchey and baby daughter, Dianna, are in Sherman, Tex., visiting Minchey's mother.

Mr. and Mrs. B. J. Watkins have been vacationing in Texas. The Watkins own and operate the Downs Motel.

The Ray Potters visited Ray's parents, Mr. and Mrs. Emmett Potter, this past Sunday. Little Patrick Neal is getting to be quite a young man.

We hear the C. & L. Lumber co. had a unique bird nest recintly in a large cinder block. It was obviously brought from Roswell in a shipment of blocks.

Hi to Leroy Roland, who is here for the race meet for the first time. Leroy hails from Pasadena, Tex.

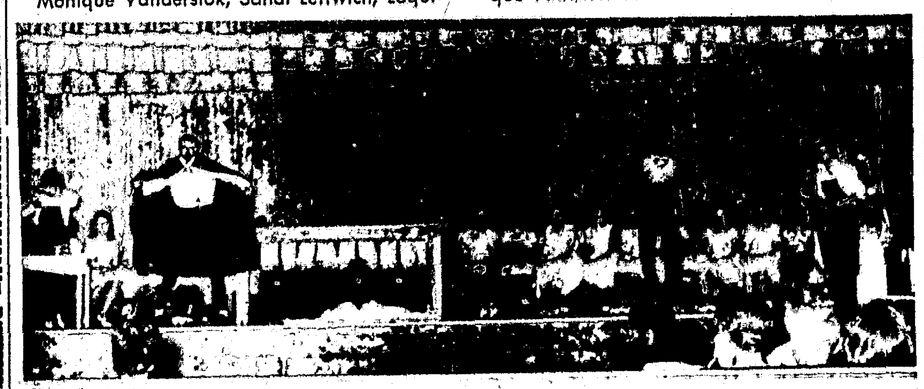
Young and goodlooking Terry Schumacher is employed at the track. He calls Friant, Calif. his home but will be here for the season. It's his fourth season here. He is the son of Vern Schumacher who owns Tonto Bar Lil, Ted's Mistake and El Destino, also Miss Rica.

Anyone having a little time and who likes to explore, Highway 10 is a must (across from Carrizozo to Albuquerque through Mountainair). You find small villages all built of adobe, just "old times past." Just watch for the rough cattle guards.

Freak of a "dog" (?) has joined Jed's & Ted's—climbs like a cat with claws like one. It was born with no tail and looks like a bear. Oh, well, his personality covers up all that. Evelyn can't decide what sort of name would fit. Any suggestions?

Mr. and Mrs. Theodore Lippert and children, Terry, Teddy, Nemylyn, Johnny and Tina Lee accompanied by Mrs. Lippert's sister, Miss Sarah Adams, all of El Paso, and Virgil Adams of Alamogordo, visited Roger Adams last week.

We hear congratulations are in order to "Red" who works for Carter Electric, who will soon give up his bachelor standing.



IN PROMOTION EXERCISE—Top photo shows girls' chorus singing during eighth grade promotion exrcises presnted for parents and friends Wednesday evening last week in the school gym-auditorium. In group are, from left, Carol Knapp, Vickie Ponder, Janie Reynolds, Virginia Jarvis, Delana Phillips, Monique Vanderstok, Sandi Leftwich, Laquita Flanagan, Cathy Imlay, Mary Estes, Sandra Posey, Ida Richardson. Center photo is of comedy skit, 'Monster Mash,' featuring, from left, Bill Fair, John Wishert, Max Curtis, Greg Rumbaugh. MEMBER OF COMMISSION GUIDING OLD LINCOLN MEMORIAL IS KILLED

Frank A. Kindel, Eddy County member of the Old Lincoln County Memorial Commission was killed in the crash of his light plane in the Guadalupe Mountains near Carlsbad Sunday. Known throughout New Mexico for serving civic causes, Kindel was first appointed to the Commission in 1950. He was an active member through the years in his support of the historic restorations at Lincoln. He made frequent trips to Lincoln in his plane in the interest of the Commission's work. His enthusiasm for the value of the restorations project brought much support from Eddy County. He was among Memorial Commission members recently honored in a resolution of thanks adopted by the Lincoln County Board of Commissioners. Several times Frank Kindel appeared in "A Day in Old Lincoln" activities of the annual Lincoln pageant, riding a high-wheeled bicycle.

He built one of the first vacation homes in Ruidoso on the east side of the golf course here, and in Ruidoso's early years, assisted in some of its civic projects.

The city of Carlsbad mourned his death in a city-wide memorial observance June 2.

CARD OF THANKS

This is to express the heartfelt thanks of all of our family for the many hundreds of deeds of kindness we received following the death of Bob Moore. We are especially grateful to the American Legion, to the Ruidoso Volunteer Fire Department who served as active and honorary pallbearers, and sat up with the body with other volunteers, to Marie Rooney, Myrt Garner and Jessie Lee Hawkins for the music during the service, and to the many others who brought food, sent flowers, cards and telegrams, made memorial donations and performed other expressions of love and sympathy. We especially want to thank the Methodist minister for his message at the church and at the cemetery, and the American Legion for the military service. It is our hope to express our appreciation for your assistance by calling on you in person very soon, or by mail, but until then, we wish to use this means to let you know how much your thoughtfulness has meant to all of us.

NOTICE
IF YOU OWN A DOG THAT DOES NOT HAVE A CITY LICENSE

On Feb. 21 and 22 rabies shots and city licenses were issued at the City Hall but the response was very poor. Weather conditions could have caused this poor turn out.

Rabies shots and license tags will be issued again at the Boy Scout Hut in the Municipal Building on Tuesday, June 16 between the hours of 9 a.m. and 5 p.m.

A City ordinance requires that all dogs, within the Village limits, have a City license. This must be attached to the collar or harness for proper identification.

IF YOU VALUE YOUR DOG you will see that it has this protection. This ordinance will be enforced.

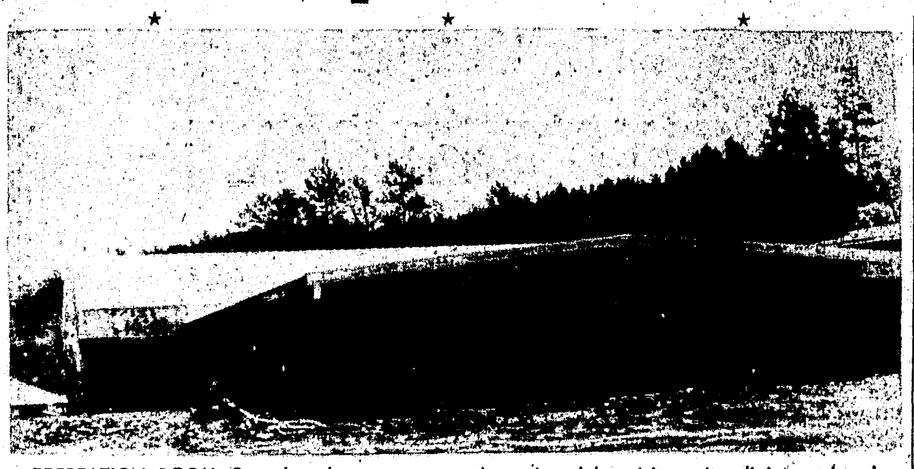
32-Unit High Country Lodge Sets Open House Wednesday



RECREATION ROOM—Bound to be a popular feature at High Country Lodge is this covered recreation area where games will be enjoyed by visitors. It adjoins enclosed, heated swimming pool.

Recreational Facilities, Locale Make New Enterprise Distinctive

A new era begins this spring in the Playground of the Southwest with the opening of Charles Rumbaugh's High Country Lodge—a tourist accommodation in a beautiful setting that offers a variety of recreational facilities itself to add to this mountain resort. Formal opening has been set for next Wednesday, June 10.

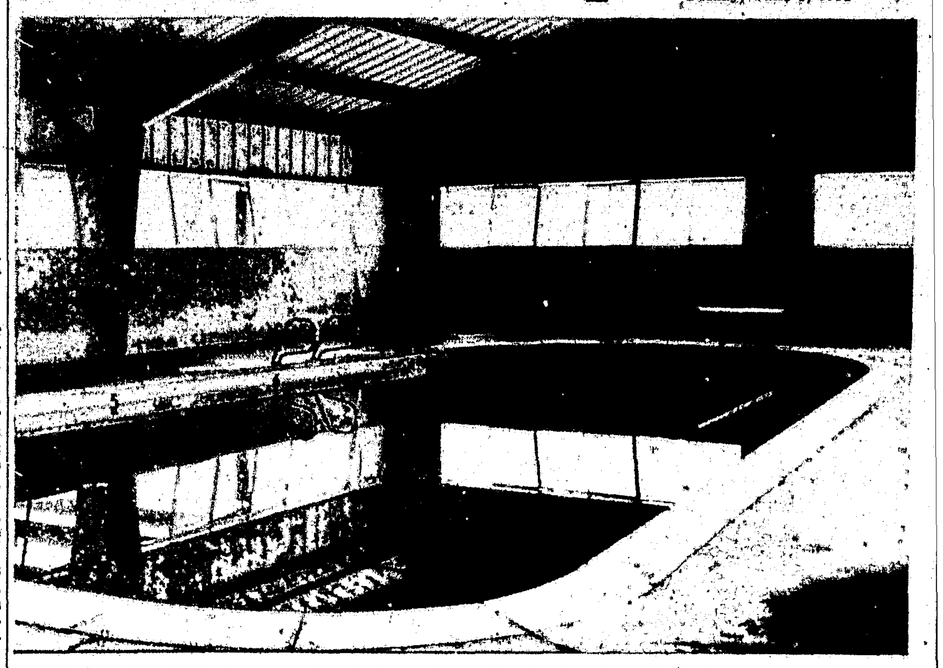
High Country Lodge reported to cost in the neighborhood of a third of a million dollars, is made up of sixteen duplexes—double unit courts that are small housekeeping apartments. The guests have a choice of one, two and three bedroom units, with kitchens, living and dining areas, and all guests have full use of a large enclosed, heated and filtered swimming pool. A recreation area, also covered, will provide many games.

Setting for the new complex is along the banks of the historic and picturesque Eagle Creek, where nearby the Eagle Creek Water Supply Association's new dams are to form a large recreation lake. In the heart of the Lincoln National Forest, the Rumbaugh place is located on State Road 37, enroute to Sierra Blanca Recreation area, the Southwest's most fabulous ski attraction. Pine, fir and spruce provide a retreat and an area of exploration for visitors.

Built by G. A. and S. L. Jones, contractors, the High Country Lodge also had these sub-contractors providing materials, furnishings and work: Porter Furnishings, Ruidoso; Watkins Paint and Decorating Co., Ruidoso Downs; Hollywood Lumber Co., Economy Supply Co., and C. & L. Lumber & Supply, all local firms on U. S. Highway 70; New Mexico Glass Co., Roswell and Ruidoso, and McCarty Construction Co., Ruidoso. Firms in El Paso, Roswell and Lubbock also provided some of the needs.

Ruidosoans as well as vacationers in the area have a cordial invitation from all of the parties involved in the building and operation, to inspect the new concern on the formal opening date.

Managing the large enterprise will be Mr. and Mrs. Montie Walker, who moved here recently from Odessa, Tex.



FUN FOR ALL—This large enclosed, heated and filtered swimming pool is one of recreational activities offered guests who stay at Charles Rumbaugh's High Country Lodge on State Road 37, four miles north of Ruidoso.

NOTICE OF BOND SALE
VILLAGE OF RUIDOSO
LINCOLN COUNTY, NEW MEXICO
GENERAL OBLIGATION
WATERWORKS BONDS
$200,000.00
SERIES JULY 1, 1964

NOTICE IS HEREBY GIVEN that the Board of Trustees of the Village of Ruidoso, Lincoln County, New Mexico, will on Thursday, June 18, 1964, at the hour of 7:30 p.m., Mountain Standard Time, at the Village in Ruidoso, New Mexico, receive sealed bids and publicly open the same for the purchase of bonds, Series July 1, 1964, in the principal amount of $200,000.00, being said Village's general obligation negotiable waterworks coupon bonds.

Said bonds will be dated July 1, 1964, will be in the denomination of $1,000.00 each, or in the denomination of $5,000.00 each if requested by the purchaser in its bid, and will mature serially on the first day of July in each of the years hereinafter designated, the amounts maturing each year being as follows:

$ 5,000.00 ..... 1965 and 1966
$10,000.00 ..... 1967 to 1971, inclusive
$15,000.00 ..... 1972 to 1975, inclusive
$20,000.00 ..... 1976 to 1979, inclusive

Said bonds shall bear interest at a rate of not exceeding four per cent (4%) per annum, payable by one set of coupons semiannually on the first days of January and July in each year, commencing January 1, 1965, both principal and interest being payable to bearer, without deduction for exchange or collection charges, in lawful money of the United States of America, at the Ruidoso State Bank, Ruidoso, New Mexico. The authorizing ordinance and the bonds will contain no provision for the registration of bonds for payment as to either principal or interest or both. Bonds maturing on and after July 1, 1975 are subject to prior redemption in inverse numerical order on July 1, 1974, or any interest payment date thereafter.

Said bonds shall constitute the General Obligation Bonds of the Village of Ruidoso, and shall be payable from ad valorem taxes without limitation of rate or amount. Said bonds were authorized by the qualified electors of the Village of Ruidoso voting at a regular election for municipal officers held in said Village on the 7th day of April, 1964.

No specified form of bid is required, but each bid shall specify the lowest rate of interest and premium, if any, at or above par, at which such bidders will purchase said bonds. Proposals must be in writing and enclosed in a sealed envelope marked on the outside "Proposal for Bonds", and addressed to Village Clerk, Village Hall, Ruidoso, New Mexico. All bids shall be unconditional and sealed, and, except the bid of The State of New Mexico, shall be accompanied by a deposit of five (5) per cent, either cash or certified check, of the amount of the bid, if any, payable to the Village of Ruidoso, New Mexico, which deposit shall be promptly returned if the bid is not accepted. It is permissible to bid different or split interest rates but any bid shall specify one interest rate only for each maturity. None of the bonds shall be sold at less than par and accrued interest to the date of delivery to the purchaser, and discount or commission shall be allowed or paid on the sale of said bonds.

The deposit of the successful bidder will be credited to the purchaser at the time of delivery of the bonds, without accruing interest. If the successful bidder shall fail or neglect to complete the purchase when the bonds are offered for delivery by the Village, the amount of this deposit shall be forfeited as liquidated damages to the Village, and in that event the Board of Trustees may accept the bid of the bidder making the next best bid; or if all bids are rejected, said Village shall sell the bonds at private sale to the State of New Mexico, or shall readvertise said bonds.

Award of the bonds shall be made within twenty-four hours after the opening of bids, and delivery shall be made within sixty days after award. If said bonds are not delivered within said period of time, the good faith deposit will be returned to the purchaser upon its request.

If there are two or more equal bids, and such equal bids are the best bids received and not less than par and accrued interest, the Board of Trustees shall determine which bid shall be accepted. The Village reserves the privilege of waiving any irregularity or informality in any bid and of rejecting any or all bids.

The bonds, subject to such reservations, shall be sold to the bidder making the best bid, which bid will be determined by deducting the amount of the premium bid, if any, from the total amount of interest which the Village would be required from the date of said bonds to the to pay from the date of said bonds to the respective maturity dates at the bid; and the award will be made on the basis of the lowest net interest cost to the Village.

The successful bidder or bidders will be required to accept delivery at a Ruidoso bank or trust company as soon as the bonds are ready for delivery;

Financial and other information concerning said issues may be obtained from the Village's Fiscal Agent, Stern Brothers & Co., Bank of New Mexico Building, Albuquerque, New Mexico.

The legality of such bond issue will be approved by Messrs. Tallmadge and Tallmadge, Attorneys at Law, American National Bank Building, Denver, Colorado, and Standley, Kegel, Campos and Cook, Attorneys at Law, Petroleum Building, Santa Fe, New Mexico, whose unqualified joint approving opinion, together with the printed bonds and a certified transcript of the legal proceedings, including a certificate stating that there is no litigation pending affecting the validity of the bonds as of the date of their delivery, will be furnished the purchaser without charge. The legal opinion will be printed on the bonds at the purchaser's expense, if request is made to Stern Brothers & Co., within 24 hours after the award of the bonds.

Dated this 14th day of May, 1964.

The Sonney Wright family spent a few days in Roswell over the week-end. Mrs. Wright and the children came home but Sonney went on to Tulia, Tex., to enter a rodeo.

Mr. and Mrs. W. M. Horton of Shallowater, Tex., were here the past week-end to see her sister, Mrs Lawrence Peebles and children Donna went home with them on Sunday for an extended visit.

Mr. and Mrs. Robert Sullinger and children of Mountainair and Mrs. Sullinger's father, Bundy Avant, were at the Paso Monte Ranch on Sunday. The West family have their family graves there and the Sullingers and Mr. Avant are of that family and come each year around Decoration Day.

Mr. and Mrs. Mike Sendecky and Mr. and Mrs. Frank Kirby-Smith from El Paso week-ended in their home in Gavilan Canyon.

The Robert Elys of Roswell were here the past week-end and spent a few days at Eagle Creek Lodge.

Mr. and Mrs. Valton Hall have returned to La Junta Ranch from an extended stay in Calvert, Tex. They were in Roswell over the week-end to bring their son, John, home with them from N. M. M. I.

Mrs. Lyda Peebles of Alamogordo was by Saturday on her way to see the Charlie Peebles and then on to Angus for the Decoration Day gathering there at the cemetery.

The Russell Guillette family of El Paso were here the past week-end.

Mr and Mrs. Clem Weindorf came up from Roswell for the week-end.

Mr. and Mrs. W. P. Cook of Alamogordo and his cousins, Mr. and Mrs. J. W. Cook of Lubbock were in the area on Friday making a stop at the store.

Mrs. James Borders and Mrs. Frank Parsons of El Paso spent the week-end at Eagle Creek Lodge.

Mr. and Mrs. Gene Zalensky of El Paso stopped by on Wednesday. They are both here on week-ends working in the Pari-Mutuel office at Ruidoso Downs.

Scott Wright is in Chama, N. M., for the summer. He is on a ranch there doing a job of wrangling cattle according to his parents, Mr. and Mrs. Sonney Wright.

Mr. and Mrs. Basil Ryan of El Paso, who are spending the summer in their Ruidoso home, came by Wednesday on their way to Carrizozo to see the Alan Johnsons and Mrs. George Dingwall.

Mary Lois Campbell left Friday for El Cajon, Calif., to visit Mr. and Mrs. "Buddy" Hightower for the month of June.

Thursday, Shelby Miller stopped in to see us. He is in Alamogordo visiting his parents before returning to Lubbock where he attends Texas Tech.

Hugh Puckett of Roswell was here last week for a few days.

Leo Payman came over Thursday from Ruidoso to see the Charlie Peebles and stopped to see the Lindamoods.

Dogs belonging to Robert Williams and J. B. Hightower had a brownish black bear treed up Eagle Creek Canyon. They kept the animal up in the tree all night Thursday and Friday the dogs were worn out, then the bear took off. Many of us in the neighborhood went up to see the bear and it was quite a sight.

The past week the community has been fortunate in the moisture received. Tuesday we had over a half inch of rain and on Saturday we had rain at Alto with snow falling on Sierra Blanca. Looked rather strange to see the white blanket on the peak and the temperature dipping to the low 30's.

Little League Needs Players

A call has been issued this week for more youngsters to play in the summer Little League program.

At the present time there are only enough boys to make up only three teams. Practice sessions are being held until another meeting is set to try to organize another team.

The league also needs two more managers to help handle the team, Sid Miller, director of the program announced this week.

Any boy eight years or older are urged to get in touch with Sid Miller or "Dub" Williams if they are interested in playing.

Jockeys Suspended By Ruidoso Stewards

Four jockeys at Ruidoso Downs were suspended for seven days Tuesday by the track's board of stewards.

Elbert Minchey, Richard Strauss, Ronald Holley and Lewis Germany were suspended until after the June 7 racing program for causing interference in various races during the past racing week-end.

22-INCH CATCH—R. O. (Skinny) White, Ruidoso, brought home this 22-inch trout from Bonito Lake, caught on opening day. White said there were more fishermen at Bonito than he had ever seen before anywhere for the 1964 season opening. He said campers by the hundreds had staked out places in the area above the lake. White's fish was in his deep-freeze when the News camera called on him, so he drug it out for this photo.

Lions, Ruidoso Downs Set Saturday Night For Second Game

The second grudge battle between the Ruidoso Lions Club and the Ruidoso Downs First Team has been rescheduled for this Saturday night. The game was previously planned for last week-end and was postponed because of cold weather.

The Lions won the opening contest two weeks ago, 11-8 and will be looking for their second win Saturday night. The Ruidoso Downs club, however, has completely revamped its squad and is boasting an easy win Saturday night.

The grudge match is to determine the winner of two out of three games with all proceeds to go to the Little League summer program.

Game time is 8:00 p.m. and anyone interested in watching a group of old men try to play the game and at the same time help out the Little League is invited. Admission is $1.00.

High Scoring Games Highlight Softball Openers

The summer softball league jumped off with a big bang last week as three games were played under the lights at Denton Field in Ruidoso Downs.

In the opening game Monday night, May 25, the JayCees shellacked Keeth Gas by a whopping score of 40-8.

The following night Shier's Shopping Center downed C. & L. Lumber Co. 12-4 and Wednesday night Foster's team and the Nob Hill squad had a high-scoring battle with Nob Hill winning the tilt, 18-15.

In Tuesday night's action this week the JayCees came up with a tremendous 50-13 score to down Foster's team. The JayCees pushed across 26 runs in an amazing second inning. Leroy Cornelius was the winning pitcher and Benny Roller was the loser.

Next Monday night Foster's team plays Keeth Gas Co. Tuesday night C. & L. Lumber takes on Nob Hill and Wednesday night the JayCees tangle with Shier's Shopping Center.
