'64 Aspencade Boasts Biggest Parade Yet

Around Town

—By Nosey Waters—

Remember Don Sovell? He was with Ruidoso State Bank for several months prior to going to Deming and heading up a new bank there. Well, the other day he received a check for $10,912.84. It came from orders in a will in which several charities were remembered by Nina Martin there, all for the same amount. Sovell heads the Heart Association in Deming and the money was earmarked for that organization's fund . . .

A two page article with a couple of pictures of our scenic playground, was printed in the July issue of the Western City magazine concerning Ruidoso and its subdivision paving program . . . Chevron is giving away a large color brochure titled "Scenicland, U. S. Good news—we've been told announcement will be made shortly about a big name, old-time life insurance firm opening a statewide headquarters office in Ruidoso . . . Hey, our local football teams, including the A squad, the B squad and the junior high gridders, have all lost every home game played this season. Let's go to the Hatch game this Friday night and root 'em into the win column on their own turf, hey? Friday of next week, when we play Canutillo here, it'll be RHS Homecoming. But, TONIGHT, it's a big fat district conference battle against Hatch . . .

One of the happiest additions to the Aspencade program here—that helps make the affair quite a fiesta, you might say, is the Southeastern New Mexico Square Dance Jamboree that will be attracting about 200 to 300 folks. We say welcome to you all, and we hope you'll decide to do this each year at Aspencade time! . . . Ed Hyman says a radio broadcast in the San Antonio area has turned up numerous inquiries from hunters there wanting to come here and take part in the two-deer bag limit set this fall on the Mescalero Apache Indian reservation in an area not previously opened to hunting. Hyman says the hunters will likely need to rent Jeeps or other 4-wheel drive vehicles, and might need some guides. You might call Hyman at 257-2351 for further details . . .

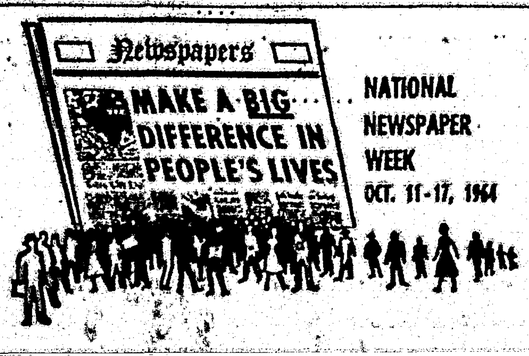
This week's News has a six page legal section, notices of amendments to the state constitution as well as bond issues to be voted on in the Nov. 3 general election . . . Memberships in Sierra Blanca Ski Club will be solicited here the next few days by a committee that plans to scour the town. Keep your door open for 'em and give 'em a warm welcome . . . Village Marshal O. S. Montes says two walkie-talkie radios that were part of the loot in a theft by juveniles, of which they were convicted, were recovered very early in the search. "In fact, the youngsters used the walkie-talkie and that enabled us to find them," Montes said. Last week's News, reporting on the juvenile case, said the radios had not been found . . . Next week the News will print two newspapers—our regular Oct. 16, then the Oct 23 issue, to be pre-dated and mailed later on so our crew can take off for a week's vacation. It's an annual custom and we appreciate the folks' co-operation in letting us do this. Any ads or news you want in the Oct. 23 issue will have to be turned in early next week—a week ahead of the usual time . . .



5 Riding Clubs, 4 Bands Enter

The parade for the 1964 Aspencade in Ruidoso will be the greatest ever staged for this colorful autumn festival, or, for that matter, for any event ever held here.

Information this midweek was that at least 47 entries had been received, including four bands and five visiting riding groups.

Among the bands will be the drum and bugle corps of Sandia Base, Albuquerque, made up of 20 men, representing the field command and having members from the army, navy and the air force. It is the Defense Atomic Support Agency's marching band, the Ruidoso-Hondo Valley Chamber of Commerce, sponsoring the Aspencade, has been informed.

Capitan High School and Tularosa High School will join with Ruidoso High School in having bands in the parade. Carrizozo's band withdrew late in the week, C. of C. was told.

Five riding groups will be in the parade, including the C. C. Riders of El Paso, the Kermit Saddle Club, both clubs from Texas. The New Mexico Mounted Patrol of Otero County, with headquarters in Alamogordo; the Chaves County Sheriff's Posse from Roswell and the Lea County Sheriff's Posse will be New Mexico riding groups entered.

Trophies will be awarded several categories in the parade. Out-of-town judges have been secured to pick winners of the different divisions.

The 1964 Aspencade is the largest, in point of entertainment and events planned, and will have the greatest variety of any such program in New Mexico. Numerous committees in the Chamber of Commerce have been at work for weeks planning the big affair this season—the 16th annual event.

Foliage to be viewed in Jeep tours, passenger car tours, or on horseback tours in the Lincoln National Forest surrounding Ruidoso had reached a peak of color this week just in time for the many hundreds of viewers expected.

Interest has soared in the Aspencade in Ruidoso the last few years, but never so much as this year. Part of the reason is the larger parade upcoming, and many new events added to the already traditional entertainment.

About 20 trophies are to be awarded in several events here, most of them going to various parade category winners, but others going for best waltzers in the Aspencade dance at the Ice-O-Rama Saturday evening, for the best dancers at a Teen Age dance at Carrizo Lodge the same night, for tall tale telling and for winners in a beard growing contest sponsored to advertise the Aspencade by the Ruidoso District Junior Chamber of Commerce.

Miss Raye Ann Pope, this year's Aspencade Queen, will be crowned during the Saturday night program at the Ice-O-Rama. She will appear at several other functions throughout the week-end, including the Ruidoso-Hatch District 3B football game at the school athletic field Friday evening.

An art show for three days, with exhibits on view during specified hours in the morning, afternoon and evening, is sponsored here in the old telephone building, sponsored by the Lincoln County Art Association. There is no admission charge. The art show is one of the several new ideas added for the 1964 Aspencade.

Another is a fish catching derby, with tagged fish that will earn those who snag them some prizes. Still another is the Southeastern New Mexico Square Dance Jamboree, to which some 200 to 300 residents of the area are expected to be drawn.

The outdoor chuckwagon meal noon Sunday is the climax for this year's program, with an anti-climax to be the awarding of a TimberLodge to some holder of a donation ticket. Tickets are on sale for $1 as a fund raising campaign by the C. of C. Winner of the TimberLodge, on display near the Chamber of Commerce office, can finish the vacation home's interior in any manner desired. The big prize was acquired from TimberLodge of New Mexico, local franchise dealers headed by Oscar Chauvin.

So many different attractions are listed for three days this year that the Chamber of Commerce has arranged a time-table, by day and hour, to guide the people attracted here this week-end. It is printed on the front page of today's News. Additional copies have been printed and distributed to local motels, cafes and other businesses. They are also available at the C. of C. office.

Field Trip Set As Part Of Meet Here

The New Mexico Geological Society which is meeting at the Chaparral Hotel next Thursday, Oct. 15, through Oct. 18, and which is featuring a geological field conference, is drawing many out of state reservations, Harry Whipple, Chaparral Hotel manager announced this week. In addition to the New Mexico members making reservations, they also have been received from Texas, Arizona, Utah and Colorado, Whipple said. Approximately 200 are expected.

The society has announced that Dr. Paige Christiansen of the New Mexico School of Mining and Technology at Socorro will be the principal speaker at the banquet scheduled for Saturday night, Oct. 17, Whipple said.

Vigil for Assessor, Pd. Pol. Adv.

SITE OF SUNDAY EVENTS—The Sierra Blanca Ski and Recreation Area, shown in this summertime view, will be the scene of several of the Sunday events in this year's Aspencade. The outdoor chuckwagon dinner will be served here, and gondola rides will be available to the top of Signal Peak for a view of autumn scenes in a wide panorama.

QUEEN OF ANNUAL FETE—Raye Anne Pope, 18, stands beneath an aspen tree in Ruidoso and smiles a welcome to Southwesterners to join in the fun of a three-day program, Friday through Sunday, Oct. 9-10-11, for the 16th annual Aspencade to be held in the mountain resort in southern New Mexico. She will reign as Aspencade Queen, heading a big parade Saturday, and will appear at several other events during the week-end. She will also serve as Ruidoso princess in the annual Sun Carnival to be held at year's end at El Paso.

Four Are Hurt In Collision

Four Lincoln county residents were hospitalized Friday evening after a head-on collision 6.8 miles west of Capitan on U. S. 380.

State Police Officer Darrell Austin said one of the drivers was charged with driving on the wrong side of the road as a result of the smashup.

Rushed to a nearby hospital were Edward Candelaria, 35, of San Patricio; Franklin Candelaria, 6; Billy Candelaria, 10; and May Bell, 49, of Ruidoso.

Patrolman Austin said the elder Candelaria suffered a laceration of the chin; Franklin, a possible broken left leg, concussion, cuts and bruises; Billy, a broken nose and severe nasal lacerations; and Mrs. Bell a broken left leg, concussion, broken ribs, possible broken shoulder, abrasions, and contusions.

Austin explained that the Candelarias were traveling west in a 1963 Chevrolet pickup when they rounded a slight curve on the wrong side of the road and struck Mrs. Bell's 1963 Corvair headon.

Charges Filed In Shooting Of Cow, Calf

Jim King was released early this week on bond of $1,000.00 following his waiving of a preliminary hearing in Justice of the Peace Alton Gray's court on charges of larceny of cattle.

King allegedly admitted slaying a cow and calf in the Alto country Friday night or Saturday morning last week, according to Deputy Sheriff Clyde Atwood, who worked with Sheriff Glen Bradley and Clarence Walker, State Cattle Brand Inspector of Alamogordo, in cracking the case.

King is a Ruidosoan, moving here recently from Roswell to work for Ruidoso Cable TV, Inc., Atwood said.

A. E. Hunt of Ruidoso attended the national American Legion convention in Dallas late in September.

Ruidosoan Heads Convocation Another Year

The annual outdoor meeting of the Pecos Valley Convocation of the Episcopal Church was held Sunday, Oct. 4, at the Cedar Creek Camp Ground above the Ruidoso Ranger Station. More than 125 communicants from Episcopal Churches in Carlsbad, Artesia, Lovington, Hobbs, Alamogordo, Ruidoso and Lincoln County attended the Sunday meeting which began with services at 11:00 a.m., followed by a noon picnic dinner and with conference meetings during the afternoon.

Celebrant at the services was the Rev. Alexander Blair of Saint John's Episcopal Church, Alamogordo, assisted by the Rev. W. R. Brown, Ruidoso. The morning sermon was by the Rev. James Kirkpatrick, vicar of Saint Thomas A. Becket Mission, Roswell. Acolytes and servers were Amos Gaume, Hobbs, and Arthur M. Beacham, Alamogordo.

In the afternoon business meeting, Fred S. Alexander, Ruidoso, was re-elected chairman of the Pecos Valley Convocation and the 1965 meeting was scheduled to again be held in Ruidoso. Alexander also announced that a special conference of leading laymen from the area would be held in Ruidoso just after the first of the year.

Philadelphia — Aleeeee! The Beatles were here, aleeee! I think the cops had more trouble with the Beatle fans than they did with the riots.

After I got off work Wednesday afternoon I drove over by Convention Hall to glimpse the Beatle fans —four hours before "concert" time, there were 2,000 to 3,000 screaming teenage girls. It was so funny, they'd shriek at anything. I couldn't keep from laughing.

The Beatles had been at Atlantic City. There were girls around their motel the whole time, so they spent three days sitting around their motel rooms To get them to Philadelphia, the police sneaked them aboard a fish truck until they were out of town, then transferred them to a bus. To get them into convention hall here, they were loaded into another truck and driven through a tunnel into the hall's basement.

The Bulletin said the girls were shrieking at anything A cleaning woman shook a black vacuum brush out a window and the girls screamed at that There was something like 12 or 15 casualties, faintings, etc.

I got called in Saturday, my day off, to help handle the riots. Although AP got a late start on the story, I think we took most of the coverage We had a man out there nearly all the time from Saturday night through early Sunday I was inside, though, and didn't get out One of our fellows was dictating some material then stopped and said,- "just a minute, I think I'm in trouble " Then he hung up A little later he called to say a group of Negroes came up to his phone booth and menaced him and he left and went to another phone booth We feel awfully lucky that no one was killed City fathers and civil rights people are trying to make it appear it was planned and plotted I sort of doubt that it was but they have turned up some evidence to support their claims

More about the Beatles There were crowds of young girls around two of the biggest hotels the Warwick and the Bellevue-Stratford The girls didn't know where they were going to stay so they went to both places, I guess All day long there were car loads of teenage girls dashing madly around town as they tried to find the Beatles During the day a young girl came to the office and pleaded for about half an hour with the state editor asking for a job She said she was almost destitute, and that she had worked on newspapers before When the state editor finally convinced her there was no opening for her she confessed that the real reason was she hoped to get hired so she could get her hands on some Beatles' press credentials.

One of the chambermaids at the Warwick hotel opened a linen closet on the fourth floor and found four little girls huddled there. They'd sneaked in looking for the Beatles.

LETTERS TO THE EDITOR

Dear Vic:

The emotionalism which is running rampart in the heat of the 1964 political campaign is certainly not the issue. The issue is not, as some would have us believe, Civil Rights vs. Segregation, honesty in government vs. favoritism in government, responsibility in leadership vs. irresponsibility, or war vs. peace. The issue between our two political parties as I see it is: Greater Federal control over certain phases of American life and business vs. less Federal control. The issue cannot be over simplified and stated as, "State Socialism vs. Private Enterprise" or by comparing the Federal Social Security Act to the old County Poor Farm.

We have two great political parties in this country and in their integrity and even political philosophy there is not too much difference between them. They are both pledged to preserve the Republic, and our strong two party system has been the greatest single factor to this end! Let us keep it that way.

What we need watch and fear is the ever increasing expense of conducting political campaigns. Today, the cost of running for a political office often runs many times the total salary the office will pay. This tendency eliminates those of moderate means and even wealthy men from seeking political office unless they wish to become obligated to special interest groups who seem ready and eager to help finance either political party and sometimes both with their campaigns

Why wouldn't it be a good idea for an appropriation (possibly under Educational appropriations), to be made from Federal funds for campaign purposes? Say, appropriate about $1,000,000 (or even two million) for each political party to use to explain their platforms and their ideas to the voters, and hold each party strictly to that amount—no personal funds—no lobby funds—no big business funds—no labor funds and no other Federal funds from hidden sources—It's just an idea— But, I actually think that we, the taxpayers, would save money. At least we would know what an election costs us in tax money And it would relieve the politician from all obligations except to the taxpayers! Imagine that—?

Mr Vic Lamb
Hi, Vic

I think you would be doing the public a big favor if you would often remind and explain to your readers the 10 constitutional amendments to be arranged on the top row of our voting machines in our Nov 3rd election I am especially interested in "referendum Primary Convention Act". That's No. 10 of the amendments on the ballot, listed in the upper right corner of the ballot. The wording of this amendment is not overly clear, but as I understand it a "for" vote is for repeal of the pre-primary convention law. Or in other words for a return to a primary election by the voters to choose their candidates for our higher offices. Off the record I think the convention way of choosing the candidates is rotten and smells to the high heavens. I would like to see every voter in N. M. pull the "for" lever.

We also badly need an absentee ballot on all candidates, for all absent voters. Today, in our shrinking world, so many U. S. citizens live and work outside continental U. S., and as a whole, are vitally interested in U. S. elections. Why should N. M. be so exclusive? I believe N. M. citizens are honest and intelligent enough to cope with any problems presented by absentee ballots.

Let's stir the brew a mite, Vic!

Sincerely,
(Name Withheld)

Tahoka, Tex.

Dear Editor:

I have just read the account of the clean-up campaign in your paper, and I believe that a few weeks ago you asked for opinions regarding this project. I want you to know that my husband and I are for it 100%.

We are property owners there and come up quite frequently. To us there is no other place more beautiful than Ruidoso and surrounding country, with its mountains, tall pines, aspens and many streams.

Paradise Canyon, I believe, was not mentioned in the area to be cleaned up, but since it was taken into the city limits several months ago, it would seem that it too, should be included. Our property is located in Paradise Canyon, hence my interest in this particular part of the area. In fact, I believe that all of the property owners in the canyon would agree with me that it should be included in the clean-up area.

There is a great deal of trash and junk that needs to be moved as well as old unsightly barracks and buildings, which are real fire hazards. All of these greatly mar the beauty of our canyon. Several months ago I looked down from our cabin to watch the little creek running under the bridge, but instead the bridge had been torn away and an old culvert had been put there. The lumber from the bridge is still in a pile beside the creek bank.

It would seem that with all the taxes we pay, we might have a nice, new bridge at this spot. It would certainly improve the looks very much as well as help the driving situation.

Since the beautiful Cree Manor is located at the end of Paradise Canyon more and more tourists travel the road, so I am asking that we all join the clean-up campaign and with some help our canyon can rate in beauty with the best of them.

Sincerely,
/s/ Mrs. H. R. Tankersley

GIVE BOB THE JOB . . .

We're not sure we can influence any votes in the coming general election, but we thought we'd tell you, anyhow, just how we plan to vote in the state legislative race in Lincoln County, and in a couple of other races, too. We think our fellow townsman, Robert Pearson, a fine young businessman; progressive; interested in the area's growth; who has served in several civic capacities with good results for all of us, and who also has some knowledge of the agricultural side of our state, as well as holding the viewpoint of a veteran, fits the bill. If Democrats will, for once, remain loyal to their party's nominee, and will study Pearson's qualifications, personality, ability and initiative, they can elect him easily. With a Democratic administration—and there's no doubt we'll have that —Pearson can fit very well into the smooth running machine that is bringing unparalleled growth and prosperity to our state. Pearson's acquaintances in Santa Fe, his experience in municipal government, his business acumen, his farming background—all total up to a logical conclusion that Bob's the man for the job. He has no axes to grind, is beholden to no one individual, group or community—and New Mexico certainly will gain, as will Lincoln County and Ruidoso and neighboring communities—if Bob goes to Santa Fe as our state representative. He will be a hardworking public servant—that we can vouch for.

In the governor's race in New Mexico—it looks like a landslide for Jack Campbell, the incumbent Democrat. We think he's earned an overwhelming vote of support for a second term in his continuing push for better things for better living for New Mexico and New Mexicans. Jack will get our vote come Nov. 3.

And, in the Presidential scramble—neither candidate is the vile, cantankerous, crooked, nutty personality so many of their knockers would try to make you believe. Some of the criticism leveled at both men is hysterically childish, that's for sure. Some of the rumors and tales going around about each man is unbelievably ridiculous. Weighing both of these fine Americans in the scale of public service, in courage, and in senority and experiecne, we think President Johnson holds an edge on Sen. Goldwater. We would not hold back on our support of Goldwater should he be elected, for he would be our president, and we think he would be a credit to his party in the office, but we feel Johnson is more right for the position after the uproar and furore are swept aside and a decision is made from calm analysis.

A WONDERFUL ACCOMPLISHMENT . . .

We are as pleased as punch about the fine job done here by citizens, committee members and city officials and employees in the highly successful clean-up campaign last week. The results were remarkably fine.

This is a tip of the hat to Chairman Ed Lane, and to Mike Long and his Scouts, to Bill Pippin and the Key Club members, and to any other organization we may overlook; to Mrs. Nell Cook and her art students for their posters advertising the event, but, most of all to the dozen Village of Ruidoso employees for their excellent work.

What made this clean-up such a success were three things: the Forest Service's Ruidoso Ranger Station's co-operation by providing a large area that could be filled with bulky trash, then covered; the Village of Ruidoso's taking such authoritative and concerted action with money, men and machines to keep the clean-up campaign rolling, and to the citizens themselves for their very fine co-operation in rolling up their sleeves and doing their part and in some cases, more than their part.

Now, let's get after those very few fire and health threat spots that were missed during the big week. Let's make the campaign thoroughly complete!

State To Conduct Studies Of Game On Ft. Stanton Land

The U. S. Bureau of Land Management announced today that a cooperative agreement has been enfered into with the New Mexico Department of Game and Fish making available to the Game Department approximately 26,381 acres of land known as the Fort Stanton Range in Lincoln County New Mexico.

The Bureau and the Department have entered into this agreement to study the effects on game populations, productivity, distribution and harvest when an unused range is returned to commercial livestock production. The studies will be conducted by the New Mexico State University Agricultural Experiment Station and will also determine effects on game herds by converting unused range to a range used in varying intensities by grazing with domestic livestock. Other studies may also be undertaken under the agreement.

The agreement was effective Sept. 21 and is subject to renewal each fiscal year. It may be terminated by either agency by giving written notice at least 30 days in advance of the date of renewal. Signing the agreement for BLM was W. J. Anderson, acting state director. Ladd S. Gordon, director of the Game Department, signed for the State.

Under the agreement BLM will continue to have custodial authority over the range, and the Game Department will submit copies of progress reports, work plans, budgets and publications resulting from the research to BLM. Publication on studies on the land may be made by either party or jointly after both parties have reviewed manuscripts before publication.

If funds are not appropriated beyond a fiscal year to continue research, neither party will hold the other liable because of the failure of such appropriations.

GOLDWATER A TO Z

MR. GOLDWATER'S VIEW ON EDUCATION

"It is evident . . . that increased school expenditures have more than kept pace with increased school needs." —As quoted in the Congressional Record Sept. 3, 1963, p. 15360.

"The Government has no right to educate children. The parents, you and I, have that responsibility. The child has no right to an education. In most cases, the children will get along very well without it."
—Speech in Jacksonville, Fla., on Oct. 3, 1960, as quoted in the Louisville Courier-Journal on July 8, 1962

"We are told, however, that many people lack skills and cannot find jobs because they did not have an education. That's like saying that people have big feet because they wear big shoes. The fact is that most people who have no skill, have had no education for the same reason—low intelligence or low ambition."
—Address to the Economic Club of New York, Jan. 15, 1964, reprinted in The New York Times on Jan. 16, 1964.

"The problem of adequate classrooms and better teacher salaries have all but disappeared . . ."

CLOSER LOOK—This is a closer camera view of the Sierra Blanca Ski & Recreation Area lodge and office building, owned and operated by Mescalero Apache Indian Tribe, and which will be scene of concluding events of three-day Aspencade program this week-end here on Sunday. The area is 16 miles northwest of Ruidoso, reached by driving through heavily forested roads, with golden aspens predominant for much of the higher route.

County Sanitation Offices Here

George W. Brown, who served in a similar capacity in the state of Nevada, has moved to Ruidoso to become the sanitation officer for Lincoln County, representing the State Health Department in enforcement of health and sanitation laws. His office is in the Ruidoso municipal building.

He succeeds K. C. Chew, who moved from here to Arizona in August.

20 City Employees Had Important Part In Clean-Up Drive

At least 20 employees had a major part in the success of the community clean-up campaign staged last week here, and which is continuing into this week in a "mop-up" program.

Those taking active part included one appointive officer, Ed Lane, fire department enforcement officer, who served as chairman of the overall drive, and Blair Halladay, superintendent of the sanitation department, his assistant, A. T. Corona, and Kister Randolph, Levoy Randolph, Darrell Scott, Andrew Miller, Bennie Montoya, Bill Montoya, Bob Gilbert, Ernest Lucero, Melvin Vick, Jr., Faustine Aguilar, Frank Potter, Charles Gent, plus these office workers: James L. Hine, village manager-clerk, and his assistant, Don Hart, and John Anderson and all of the clerical staff in the municipal offices.

"At last county, 17 old cars and truck bodies had been removed from within the village limits," Hine said Wednesday this week in recounting only a part of the successful efforts that capitalized the drive. He said work of removing some of the heavier, bulkier trash is continuing by the city crew.

Tribe Hosts Hatch Bears Tonight

Aspencade Queen To Be Honored

Ruidoso's Warriors, fresh from a victory over Ft. Sumner's Foxes last Friday night, are limping badly with injuries which have plagued the squad in nearly every game this season. The contest Friday night this week with the Hatch Bears will be the second district battle for the Tribe and a very necessary game for the locals in order to stay near the top in the conference race. Game time is 7:30 p.m. at the school athletic football field.

Casualties from the game last week are halfback David Scott and guard Juan Pena. Scott suffered bruised ribs in the second period of play, but may see limited action tonight. Pena has a badly bruised elbow and will be sidelined for the match. The Tribe received some good news with the bad this week when the coaching staff learned that Doug Beasley, who injured a knee in the opening game of the season with Carrizozo, will be ready to return to the line-up this week and will probably be used sparingly at guard on offense.

The Hatch Bears suffered their first loss of the season last week when they went up against the Las Cruces B team and were defeated 19-0. Tonight's encounter will be the first district game for the Bears.

The other two district teams which the Warriors have yet to face were unable to come up with a victory last week as Hot Springs of Truth or Consequences tied El Paso Jesuit and Lordsburg lost to a tough Bayard Cobre team, 13-7.

At halftime tonight, Raye Anne Pope, 1964 Aspencade Queen, will be honored by the Warrior Booster Club. President of the club will present Miss Pope with a bouquet of flowers during the intermission ceremonies which have been scheduled as part of the Aspencade events.

Bill Stirman Scores In Aggie Frosh Win

Former 1963 Ruidoso Warrior football star Bill Stirman scored twice last Thursday night at Las Cruces as the New Mexico State freshmen smashed Texas Western Frosh, 43-14.

Stirman ran for a 28-yard touchdown in the first quarter of the game and came back later in the contest to score on a 61-yard pass play as the State Frosh completely dominated the game.

Stirman was the Warriors' leading scorer in the 3B District during his senior year and was named to the all-district team in 1963.

Tatum Bumps Capitan, 26-13

Tatum recovered a Capitan fumble on Capitan's 20-yard line and scored in five plays and was never headed to take the victory, 26-13 at Tatum.

The Tigers were only able to score in the first and final periods of the game, Benny Runnels tacking up six points in the first quarter from five yards out and Willie Herrera marking up the other in the fourth period on a 10-yard jaunt.

The Tigers take on district foe Melrose this Friday at Capitan which has been set as the Homecoming event for the season.

Ortiz Leads 'Zozo In 39-0 Victory Over Corona

Tommy Ortiz rambled for three touchdowns and Eddie Lovato added a pair of markers plus a conversion as the defending Class C champion Carrizozo Grizzlies dumped the Corona Cardinals 39-0 at Corona last Friday night.

Ortiz ran one, 75 and 40 yards for his scores while Lovato ran 11 yards for one and caught a 12-yard pass for the other.

WARRIORS TRAP FOXES, 25-20 IN THRILLING TILT AT FT. SUMNER

By EDDIE SIDDENS
(Ruidoso News Sports Writer)

The injury ridden Warriors returned the opening kick-off for a quick touchdown and went on to dump the Ft. Sumner Foxes, 25-20, there last Friday night for the fourth straight year.

Playing without the services of two more starters in the line-up the Warrior reserves came through to turn in an outstanding game for the hurting Tribe. Both guard Pat Patterson and end Joe Lane were lost for the game during practice last week. Patterson injured a knee and Lane received a dislocated shoulder. Replacing the two injured players in the line-up were Larry Bizzell at guard and Charlie Morrison at end.

The Warriors' running game was dealt a disheartening blow in the second period of the contest when halfback David Scott was knocked out of the game with bruised ribs and was unable to return in the final half. Scott opened the scoring on the opening kick-off by a 90-yard return which put the Warriors out in front to stay. The point after attempt was blocked.

Early in the second period the Tribe picked up another marker with John Underwood providing the clincher on a 30-yard scamper through the middle of the Ft. Sumner line for the touchdown. A pass for the extra point was no good and the Tribe held a 12-0 margin.

The Foxes came back to tack up their first touchdown with two pass plays that took the Ft. Sumner crew to the Ruidoso three only to take three stabs at the Warrior line before scoring on fourth down. The extra point try by placement split the uprights to narrow the score to 12-7.

Quarterback Jimmy Graham who tossed for six completions in eight tries for 110 yards for the night put six more points on the scoreboard for the Tribe late in the second period with an aerial to end Alan Ross in the end zone. Ross completely out-maneuvered the Ft. Sumner secondary and made a beautiful jumping catch for the tally. Graham added the extra point with a quarterback sneak and the Warriors held a 19-7 halftime lead. A kick-off return to the Ft. Sumner 40-yard line by Jimmy Steele which lacked only one block going all the way had set up the third touchdown for the hustling Warriors.

Ft. Sumner came back into the scoring column in the third period with two markers with the aid of two pass interference penalties against the Warrior secondary. A pass interference call at the Ruidoso 10-yard line set up Ft. Sumner's second score and the other at the Warrior 40-yard line gave the foxes the opportunity to mark up 13 points in the third period.

The final six points for the Warriors also came in the third quarter as Graham passed to Steele on a halfback flare pattern and the speedy back traveled 30 yards for the touchdown.

Steele also stopped a Ft. Sumner drive in the fourth quarter by intercepting a pass on the Warrior 10 with a minute and a half left in the game.

Picked by the Ruidoso coaches for outstanding performances in the contest were Pat Lamb at center, Charlie Morrison at end, guard Danny Stagner, guard Larry Bizzell and tackle Jerry Caudle. "This was the best team effort we've had all season with every boy playing to bring back home a victory," Coach Ken Newton said after the game.

The Tribe renews its district competition this Friday night as the Hatch Bears come to town for the Warriors' second conference encounter.

WARRIOR CHIEFS—These two Ruidoso High School Warriors were picked as the outstanding lineman and back of the week for their efforts in last week's 25-20 win over Ft. Sumner's Foxes. At left is center Pat Lamb termed by the coaches as playing the finest game of his career. Lamb has been used only on offense since the beginning of season, but was used also on defense this past week and did exceptionally well. At right is Alan Ross, who caught a touchdown pass against the Foxes as well as playing an outstanding game in the secondary on defense for the Tribe. Ross was moved to end from quarterback recently and has helped the Warrior offense with his fine pass catching abilities.

PLAY IN TOURNAMENT — These three golfers were caught by News camera Saturday during annual Cree Meadows handicap golf tournament for locals. Entries for tourney numbered 37 golfers who enjoyed a cocktail party, dance and midnight supper after the day on the links.

CAPITAN JUNIOR HIGH DOWNS RUIDOSO BRAVES, 12-0

Return Match At Capitan This Friday

The Ruidoso Junior High Braves, playing their first regulation tackle football, held off Capitan's Junior High in the first half but allowed two touchdowns in the last two periods as the visitors took a 12-0 victory here last Thursday afternoon.

The Capitan scores came on two long passes which found the Braves defensive secondary napping on both occasions.

Offside and motion penalties stalled every Brave drive as the anxious Ruidosoans had the first game jitters. The locals were only able to move as deep as the Capitan 25-yard line all afternoon.

Coaches Dub Williams and Sid Miller substituted freely throughout the game and every member of the Braves was able to see action.

Fullback Alfred Pearson and quarterback Ricky Scott carried the load for the Braves on offense and also turned in fine performances on defense. Max Curtis and Larry Graham, playing at end positions, made numerous tackles on Capitan runners as did guard Bill Jennings and guard John Armstrong.

Capitan scored in the third period on a 25-yard pass play from quarterback Chris Najar to end Godfrey Herrera and on a 29-yard pass in the fourth period from Mike Trotter to Jake Griego for the second touchdown. Both tries for extra points were stopped. Danny Halladay blocked Capitan's first try and end Larry Graham stopped a run short of the goal line on the second try.

This Friday the Braves try a return match with the Capitan crew at Capitan. Game time for the contest is 1:15 p.m.

37 Golfers Play In Local Tourney

The annual renewal of the Cree Meadows Handicap Tournament for local golfers was held on the local links last Saturday with 37 golfers participating.

The golfers were split into three flights for the one-day affair with Jack Crandall winning the championship flight, Dave Parks copping the top honors in the first flight and Ralph Petty, Jr., winning the second flight. Crandall fired a handicapped three-under par 69 to capture the championship flight while Parks turned in a hot 64 to cop the first flight and Petty a tremendous 51 for tops in the second flight.

Tom Chbate and Ken Newton tied for second and third place in the championship flight with a score of 69. A three way tie for second and third place in the first flight found Tommy Perteet, Eddie Siddens and Bruce Griffith sharing the honors with scores of 67. Dave McCall came in second behind Petty in the second flight with a total score of 63 while Tom McCluing fired a 65 good for second place.

The day of golfing was followed by an enjoyable evening for the golfers and their wives with a cocktail party, dancing and a midnight supper at the club house.

H. F. Kannady Is Grid Contest Winner

H. F. Kannady picked 14 correct games out of a possible 19 to win last week's grid contest in the Ruidoso News, sponsored every week by Ruidoso merchants.

One game out of the 20 listed was postponed and was eliminated from the contest which gave contestants one less game to guess for the top money of $25.00 in merchandise.

All three winners this week correctly guessed 14 winners and the prize money went to the contestant with the closest score on the tie-breaker game of Green Bay and Minnesota in the professional league. Minnesota upset the Packers, 24-23, and only four entries this week picked the Vikings of Minnesota to take the victory.

Second place winner was William Dean, who has been in the money one other time so far in the contest, with 14 correct winners. Dean picked Green Bay over Minnesota and was nosed out of first place by Kannady who chose Minnesota as the winner on the tie-breaker.

Third place money goes to Truck Lusk, assistant football coach for the Ruidoso Warriors, who also had 14 correct games but missed the tie-breaker score also. Dean had guessed the score to be 27-17 in favor of Green Bay and Lusk picked the score of 28-10.

Kannady may pick up his first prize of $10 at Cree Meadows golf course this Friday. Dean may collect his five dollars from C. & L. Lumber and Supply and Lusk has $2.50 waiting for him at White Auto Store.

Contestants are reminded to turn next week's contest pages in to either Gateway Drug, Davis Developments or House of Shoes before 5 p.m. next Thursday afternoon.

Lettermen's Club

R. H. S. Lettermen Club is at present selling tickets on a pair of Head skies and bindings to be given away Dec. 10 and 11 at the invitational basketball tournament. Tickets are $1.00 each and are being sold by all members. Members of the club this year will buy ski jackets in school colors with a school letter instead of the traditional letter jackets. The boys are also thinking about purchasing blankets this year on their own. These will probably have on them the school letter and also the year of graduation and the sport in which the owner lettered.

Warriors Down Foxes

The Ruidoso Warriors journeyed to Ft. Sumner last week and came home victorious with a final score of 25-20. David Scott was injured late in the first half, however, he should be sufficiently recovered by the Hatch game. Doug Beasley, who has been out of play since the 'Zozo game with a knee injury, will also be back in play.

Kenneth Clark went to Roswell for an operation for a serious knee injury. He is in Ruidoso hospital now and we are all anxious for him to come back to school.

Ski Club Begins New Season

The Sierra Blanca Ski Club met Monday night at Navajo Lodge to begin its 1964-65 ski season.

New officers were elected for the coming year and business pertaining to the club was discussed. Stormy Edwards was re-elected president for the term and other officers named were Dr. W. D. Horton, first vice-president; Wayne Estes, second vice-president and Murdell Holbert, secretary-treasurer.

The club voted to buy helmets for the junior racers this year as the club project and discussed dates for the ski club party and the annual Ski-o-Doso. It was announced that the Ski-o-Doso will probably be held the week following Thanksgiving.

The Sierra Blanca Ski Club meetings will be held the first Monday of every month and anyone interested in attending the meetings are invited to attend.

Hello Neighbor:

What is the truth about medicare under social security? A person with a wife and two children and with an income of $5,600 will pay $386 in income tax in 1965. If the President's medicare bill is passed, this same person will pay $238 in social security taxes in 1965. ..As your income tax is reduced, your social security tax will increase until you pay more social security tax in the future than income tax.

Remember, "The only thing necessary for the triumph of evil is for good men to do nothing."

In New Mexico...
at a picnic, beer is a natural

When you're relaxing at your favorite outdoor beauty spot with friends or family, and your thirst's whetted by fresh air and exercise—that's the ideal time for a cool, refreshing glass of beer. In fact, you can name your recreation—swimming, hiking, or just watching TV—and chances are nothing in the world fits it quite as well as beer.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

TWENTY-SIXTH
LEGISLATURE CHAPTER 228
STATE OF NEW MEXICO
SENATE BILL NO 224

SENATORS JAMES R. PATTON, GORDON E. MELODY, VINCENT M. VESELY, ED V. MEAD, DONALD J. HATHAWAY AND J. PENROD TOLES

An Act

Authorizing The Issuance Of And Sale of State Educational Institution Bonds—Series 1965—To Provide Funds For Erecting, Constructing, Remodeling, Purchasing And Equipping Buildings And Utility Facilities Of Certain State Educational Institutions And The Purchase Of Land Therefor; Providing A Tax Levy For Payment Of Interest And Principal Of The Bonds; Providing For Submission Of This Act To Qualified Electors Of The State At The Next General Election.

Be it Enacted By The Legislature Of The State of New Mexico:

Section 1. For the purpose of providing funds for erecting, constructing, purchasing, remodeling and equipping buildings and utility facilities of certain state educational institutions and the purchase of land for these institutions, an indebtedness of the state is hereby authorized in the sum of eight million dollars ($8,000,000), or any lesser amount as may be legally issued under constitutional limitations existing at the time of issuance of bonds evidencing the indebtedness.

Section 2. The state treasurer shall prepare negotiable serial bonds of the state of New Mexico, to be known as "State Educational Institution Bonds —Series 1965", in denominations as the governor shall determine, to be numbered consecutively, and to be dated January 1, or July 1, of the year in which they are issued. The bonds shall bear interest at the rate of not to exceed five percent a year, payable semiannually on July 1 and January 1 of each year. Payment on the principal of the bonds shall begin not more than three years after the date of their issuance and the bonds shall mature thereafter in substantially equal annual installments in such a manner that all of the bonds shall mature not later than twenty years after the date of their issuance. Both principal and interest shall be payable in lawful money of the United States at the office of the state treasurer in the city of Santa Fe, New Mexico. The bonds shall be signed by the governor, attested by the secretary of state under the seal of the state, and countersigned by the state treasurer. The full faith and credit of the state of New Mexico is hereby pledged for the prompt payment at maturity of the principal and interest of all of the bonds which may be issued and sold as provided in this 1963 act.

Section 3. The proceeds from the sale of the bonds shall be expended solely for erecting, constructing, purchasing, remodeling and equipping buildings and utility facilities of the state educational institutions and the purchase of land for these institutions. The amounts for each institution are to be established by the board of educational finance on the basis of each institution's present and prospective student enrollment, the quality of existing facilities and special needs for additional facilities, with the concurrence of the state board of finance. The determination of allocation of funds to be made to each institution shall be made within a period of six months before the time the monies are to be made available.

Section 4. The principal of the bonds shall be payable to bearer, or if registered as in this 1963 act provided, to the registered holder, as the same becomes due. Interest coupons payable to bearer shall be attached to each of the bonds and shall be consecutively numbered specifying the number of the bond to which they are attached. The coupons shall bear the engraved lithographed facsimile of the signature of the state treasurer in office at the time the bonds and coupons are prepared and ordered to be engraved or lithographed, and the coupons shall be valid obligations of the state notwithstanding that the person whose signature appears thereon may have ceased to be the treasurer when the bonds are issued and sold. The bonds, when duly signed, attested, countersigned, issued and sold as in this 1963 act provided, shall be valid obligations of the state although they may be issued and sold after the persons so signing, attesting and countersigning the same shall have ceased to be the incumbents of their respective offices and although the state treasurer countersigning said bonds be a different person from the person whose facsimile signature appears on the coupons.

Section 5. The bonds authorized under this 1963 act shall be sold by the state board of finance at such times and in such manner and amounts as the board may elect, to the highest bidder for cash at not less than par and accrued interest to date of sale. The state board of finance shall publish a notice of the time and place of sale in a newspaper of general circulation in the state and also in a recognized financial journal outside the state. The publication shall be made once each week for two consecutive weeks next prior to the date fixed for the sale, the last publication thereof to be at least ten days prior to the date of sale. The notice shall specify the amount, denomination, maturity and description of the bonds to be offered for sale and the place, day and hour at which sealed bids therefor shall be received. At the time and place specified in the notice the state board of finance shall open the bids in public and shall award the bonds, or any part thereof, to the bidder or bidders offering the highest price therefor. No bid shall be accepted which is less than the par value of the bonds plus the interest accrued from the last preceding interest date to the date of sale. Before delivering any bonds sold, the state treasurer shall detach therefrom and cancel all interest coupons which may have matured prior to the date of sale. The state board of finance may reject any or all bids and readvertise. The state board of finance may, at any time, sell the bonds, or any part thereof, to the state treasurer at private sale at not more than four percent interest. The state treasurer is authorized to purchase any of the bonds with the permanent funds in his hands for investment at any time. The bonds are legal investments for any person or board charged with the investment of any public funds and may be accepted as security for any deposits of public money.

Section 6. The department of finance and administration shall made a record in a book kept for that purpose in which shall be entered the date, number and amount of each bond sold and the amount for which the same was sold. Any of the bonds sold may be registered by the state treasurer upon presentation of the bonds and may be, at the request and in the name of the holder thereof in a book kept for that purpose, registered as to principal only, or as to both principal and interest, in which latter case all coupons attached to such registration with the date thereof shall be endorsed by the state treasurer on each bond so registered.

Section 7. The expenses incurred by the state board of finance in the preparation and sale of the bonds shall be paid out of the proceeds from the sale of the bonds, before any proceeds are distributed to the state educational institutions specified in this 1963 act.

Section 8. To provide for the payment of the interest and principal of the bonds issued and sold pursuant to the provisions of this 1963 act there shall be and there is hereby imposed and levied during each year in which any of the bonds shall be outstanding an ad valorem tax on all property in the state of New Mexico subject to taxation for state purposes sufficient to produce an amount equal to one year's interest on all bonds then outstanding, together with an amount sufficient to pay the principal of all bonds as they mature. The taxes hereby authorized, imposed and levied shall be levied, assessed and collected at the times and in the manner that other taxes for state purposes are levied, assessed and collected, and it shall be the duty of all tax officials and authorities to cause these taxes to be levied, assessed and collected.

Section 9. The state treasurer shall keep separate accounts of all money collected under the taxes hereby imposed and levied, and shall use this money only for the purposes of paying the interest and principal of the bonds as they become due.

Section 10. Any holder of any of the bonds issued pursuant to the provisions of this 1963 act, or any person or officer being a party in interest, may either at law or in equity, by suit, action, or by mandamus, enforce and compel the performance of the duties required by this 1963 act of any officer or person herein mentioned. The provisions of this 1963 act constitute an irrepealable contract with the holders of any of the bonds and the coupons thereof issued pursuant to this 1963 act, for the faithful performance of which the full faith and credit of the state of New Mexico is hereby pledged. Without reference to any other act of the legislature of the state, this 1963 act is full authority for the issuance and sale of the bonds hereby authorized, and the bonds and coupons attached thereto shall have all the qualities of negotiable paper under the law merchant and shall not be invalid for any irregularity or defect in the proceedings for the issue and sale thereof and shall be incontestable in the hands of bona fide purchasers or holders thereof for value. All bonds issued under the provisions of this act are exempt from taxation.

Section 11. This 1963 act shall be submitted to the qualified electors of the state at the general election to be held in November, 1964, and if it shall receive a majority of the votes cast thereon at said election, it shall take effect upon certification of the state canvassing board announcing the results of such election; provided that no bonds shall be issued or sold under this 1963 act until the qualified electors of this state shall have voted upon and ratified this 1963 act at the general election in 1964, as herein provided. All ballots at the 1964 general election shall have printed thereon and in a square thereof, the words "For the Act of 1963 authorizing the issuance and sale of State Educational Institution Bonds—Series 1965" and in the same square under these words, the following, in brevier type: "This 1963 act provides for the issuance and sale of State Educational Institution Bonds—Series 1965 in a sum not to exceed eight million dollars ($8,000,000) to provide funds for erecting, constructing, purchasing, remodeling and equipping buildings and utility facilities of certain state educational institutions, and for the purchase of land for these institutions, and provides for a tax levy for payments of interest and principal of the bonds." In the square immediately below the square containing the foregoing words, there shall be printed on the ballot the words: "Against the Act of 1963, authorizing the issuance and sale of State Educational Institution Bonds—Series 1965", and in the same square, immediately below these words, in brevier type, shall be printed: "This 1963 act provides for the issuance and sale of State Educational Institution Bonds—Series 1965 in a sum not to exceed eight million dollars ($8,000,000) to provide funds for erecting, constructing, purchasing, remodeling and equipping buildings and utility facilities of certain state educational institutions, and for the purchase of land for these institutions, and provides for tax levy for payments of interest and principal of the bonds." Opposite the words "For the Act of 1963 authorizing the issuance and sale of State Educational Institution Bonds—Series 1965" there shall be left a space in which the voters may place a cross in the manner required by law to indicate whether for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the Act of 1963 authorizing the issuance and sale of State Educational Institution Bonds —Series 1965" and those voting against the act shall do so by placing a cross opposite the words "Against the Act of 1963 authorizing the issuance and sale of State Educational Bonds — Series 1965". The governor shall include the submission of this act to the people as aforesaid in his proclamation calling for said general election. The secretary of state shall cause this act to be published in full in at least one newspaper in each county of the state, if one be published therein, once each week, for four successive weeks next preceding the election, as required by the state constitution.

Angus & Bonito

By EULA CORDER

The Aspencade is to be held this week-end, the 9th, 10th and 11th. As several heavy frosts have occurred lately the hills should be a riot of color for the many visitors to view as they travel through the mountains. Bonito Lake is filling up again. Less water is being taken out of the lake and there is a good stream of water coming into the lake

Recent guests at the Parson Hotel were Mr. and Mrs. Dan Crenshaw and family from Portales and Mr. and Mrs. Dick Brantley from Littlefield, Tex. This past Thursday night the Rotary Club from Carrizozo had its meeting at the rustic old Parson Hotel up Tanbark Canyon. The 22 members present were served a delicious steak dinner. They all had a good time and enjoyed having the meeting and dinner at this delightful place. A more picturesque place could not be found than this old three-story hotel nestled back in the tall pines above Bonito Lake. This is truly an ideal spot for club meetings and for folks who want to get away from it all and enjoy a peaceful rest in the mountains.

Tommy Johnston from Parson Hotel spent the past week-end in El Paso.

The Sunday School Class from Walker Air Base in Roswell came to Bonito Sunday for a picnic. The teacher, Mrs. Pritz, and the bus driver brought the 15 young people of high school age on the outing. There are 28 members in this class but only 14 of them could come on this trip. Another one of the teachers, Capt. Tobey and his family, were camped above Bonito Lake for the week-end and they joined the young people on their picnic.

Mr. and Mrs. Charley Elam, Teresa and Cindy have moved to Nara Visa, N. M. They will be gone for several months as Charley is on a job there for Haake Const. Co.

Mr. and Mrs. H. V. Slaton from Dimmitt, Tex. spent the week-end at the Bonito Lodge. The folks bought a lot from Robert Runnels at Bonito City and plan on moving a mobile trailer on their lot before long.

Les Villers and his brother from Lovington were in the mountains this past week-end. Also, Mr. and Mrs. Mosley from Lovington. The folks all plan on being back hunting season.

Bear season is still on with dogs. It will close the 10th and then be open again in the big game hunt, without dogs, which opens the 14th of November. There have been about 20 bear taken above Bonito Lake.

Mr. and Mrs. C. E. Walker, Patsy, baby son and Charley went to El Paso this past week-end.

Our very able tax assessor, Louise Coe Runnels, has been out campaigning the past several week-ends. As her job comes first with Louise, she does not neglect it to see the many voters of Lincoln County, but tries to contact as many as possible on the week-end. Louise has done an extremely good job these past two years and has done her best to assess the taxes where they will be fair to all. She is running for re-election for two more years.

Vera Sparkman of Lovington and Eula Corder visited with their father and wife, Mr. and Mrs. M. S. Littleton of Corpus Christi, Tex., recently.
