Around Town

—By Nosey Waters—

Two lines were transposed in our story last week about the faculty for the 1965-66 school term opening here Monday, and it mixed names and subjects so much we thought we'd reprint that portion that was scrambled. In the high school, Jeffery Holman will teach social studies; Mrs. Frances Estes will be librarian; Carlos Lowenberg will teach social studies; Mrs. Barbara Ishain, journalism and school newspaper and yearbook sponsor, and will teach English . . . An extra large photo made in the winner's circle at Ruidoso Downs Labor Day 1964 at the conclusion of the big All-American Futurity race was removed from the wall of the Broasted Chicken store here last week-end and the theft has sure made Mrs. Viola Meeker hopping mad. She wants the photo back and says "no questions asked" if the person who took it will return it . . .

Seems we got Dave McCall's employer's name wrong last week. We reported he worked for Community Public Service Co. He is an employee of Ruidoso Telephone Co. . . . County Trustee Board Chairman Max Oliver tells us that federal funds for flood aid now total $184,000 for Lincoln County—allocated as follows: $55,000 for streets in Ruidoso Downs; $32,000 for the vector project, (eradication of flies, mosquitoes and other insects); $50,000 for work on roads in the county, and $57,000 for bridges. Oliver said priority is being given road work, bridge approaches and stream crossings now that school buses are operating again . . .

Local peace officers this week issued a caution warning to motorists of the area, stating that school opening time is the time to use more caution, if possible, while driving. It is a time when youngsters, especially the very young ones, become deeply interested in getting to and from school. Therefore, the police are asking that special care is taken while driving on the streets and in the school areas . . .

You're an oldtimer if you can remember when Charlie Culver had a shoe shop next door to Edith Johnson's Cafeteria beside Billy the Kid Variety Liquor. Only, in those days, it was Pat Chubbuck's Variety Liquor in a small package store building—later replaced by the big red structure, and it was Lorene Parker's Chuckwagon cafe where the Cafeteria is now. The shoe shop was in between . . . Airport Manager Bill Boone was in Santa Fe Monday where he conferred with the State Aviation Agency concerning $6,600.00 assistance sought in maintenance work on the old Ruidoso airport landing strip, now incorporated in the new airport facilities as a taxi strip. It is in need of considerable work to preserve it. The grant was approved, Boone reported on his return . . .

Four events to write on your calendar: Thursday night this week, Warrior Booster club holds its first meeting at the high school at 7:30 p.m. prior to the big football season upcoming for the local high school eleven; Thursday night next week will be a supper meeting of the Parent-Teacher Association here where faculty members and new teachers will visit with the school patrons starting at 6 p.m. in the high school cafeteria; the high school annual signing party will be from 4 to 6 p.m. in the high school gym Saturday this week, and Saturday night this week at the school athletic field the 1965 football squad will be scrimmaging with the Dexter Demons for their first gridiron action. The Booster club will serve its annual barbecue supper at which time season tickets for football, reserved seats and Booster club memberships will be on sale.

School bells will ring 10 minutes earlier during the 1965-66 school term, Supt. George P. White said this week. "That means the families with children riding buses will have to arise ten minutes earlier than they have in the past to catch their transportation," he said . . . Viewing the 1966 Chevrolets in a preview at El Paso last week-end were Mr. and Mrs. Howard Carruth, Mr. and Mrs. Johnny Durham and Mrs. Ruth Daily of Sierra Blanca Motors, local Chevy dealer. On their return from Hawaii on a trip won in a sales contest on Chevrolets late in July and in August, Mr. and Mrs. Carruth learned their son, Otto, who had been to Abilene, Tex., to see about several odds and ends of matters regarding enrolling there for his college courses, had come home with a $400 scholarship he had been awarded from Abilene Christian College . . . R. O. (Skinny) White has been named on the advisory board of Lincoln County Mortgage Co., elected by a unanimous vote Thursday last week, Fred Alexander, manager of the firm, reports . . .

Among the numerous contributors of hail stones for research by New Mexico Institute of Mining & Technology have been Mr. and Mrs. George Schepkov and Tom D. White, Ruidoso residents, and Mrs. Joe Miller, Ruidoso Downs. Dr. Gerardo W. Gross, geophysicist at NMIMT is studying the electricity contained in the stones and other matters concerning the sky ice . . . Municipal sales taxes for the five communities in the county that have a 1c on the dollar tax for city use, amounted to the following totals in July this year: Carrizozo, $1,527.80; Ruidoso, $9,512.51; Corona, $236.13; Capitan, $573.10; Ruidoso Downs, $2,561.16 . . . The State Bureau of Revenue, which provided the figures printed in the preceding article, reported that Lincoln County's 541 business institutions reported gross sales of $1,829,043.83 during July, and paid a total tax of $44,428.30, including state, municipal and compensating tax on transactions . . . The total sales for the state in July was $236

Now underway is the Elks Clubs' annual Cerebral Palsy fund raising campaign, with tickets offered at $1 each or 12 for $10 on a Cadillac. All members of the Elks Lodge here have tickets for sale, and they invite you to participate in this most worthy cause. If anyone has ever had a visit to Carrie Tingley Hospital at Truth or Consequences, they will have a greater understanding of the grand work being done by the Elks in this state. It is a most wonderful undertaking, and Elks who see young children given the use of their limbs after they have been crippled through the money they have raised enjoy a feeling of considerable accomplishment . . .

Arthur Quinn of Quinn & Co., bond brokerage that has worked with Ruidoso on many occasions in the past on finding buyers for bonds issued as our community grew, was in town early this week conferring with Joseph S. Hawkins regarding the proposed privately owned natural gas system here Hawkins has a franchise for. Quinn said Capitan, Ruidoso and Ruidoso Downs all needed to be considered and included in the natural gas utility plans. He added that he thought a natural gas system would do more to spur growth of the area than any one thing right now . . .

STORM OVER RUIDOSO—Photo above was made just at sundown last week when a rainstorm moved into the village to add more moisture to August's total. View is looking west from Williams' golf course property toward Baldy, with Baldy screened out by downpour of water. Heavy showers, rains, cloudbursts since June 10 have brought 15 inches of precipitation to that section of Ruidoso at chamber of commerce building where C. A. Culver maintains weather records for U. S. Department of Commerce.

1,000 Enrollment Predicted in '65-'66

Supt. George P. White of Ruidoso's schools is predicting that enrollment in the local system this year will reach 1,000, the highest figure in history here. The tops in the 1964-65 term was pegged at 914 students, he reported. Advance registration at this point for the new school year beginning Monday indicates an enrollment of 931 for the beginning of school—and White said this figure will certainly be reached. He said there were nine new high school students enrolled here Tuesday morning. Enrollment of new students has been underway all this week.

At Nob Hill first time students were being enrolled from 9 a. m. until 4:00 p. m. on Wednesday and Thursday this week.

All facilities were rated "go" in the words of the astronauts here this week for Monday's opening of the new term.

FAIR DATES ARE NEAR

Lincoln County's annual fair is only two weeks away—set for Friday and Saturday, Sept. 10-11. The fair catalogue is being completed now and setting up booths and the work of making the fairgrounds at Capitan ready for the yearly event is underway.

Omitted from this year's event also is the range cattle show—left off due to the long drouth period that left range cattle not in top shape for exhibition, according to County Extension Agent Ralph Dunlap. Dunlap added, however, that the sheep department in 1965 will see the largest number of entries in the fair's history.

RANCHER DIES OF GUNSHOT

"Death by gunshot self inflicted" was the verdict returned by a coroner's jury late Tuesday in the death of Willis Lovelace, 53, Corona rancher whose body was found by his ranch foreman, Paul Otero, shortly before dusk. He had been missing since 3:30 in the afternoon and Otero told Sheriff Leandro Vega, who investigated, that he found the body about 5:30. It was near his pick-up about 4 miles east of the ranch home.

Vega said evidence showed Lovelace placed the muzzle of a .300 H. & A. Magnum rifle beneath his chin, and fired. He died instantly, Vega said it appeared.

Lovelace was born and raised in the area south of Corona. A wife, a son and a daughter survive.

Lovelace was a prominent Republican in state politics, and served as a member of the New Mexico State Racing Commission.

Funeral services will be held in El Paso at Montana Avenue Chapel of Harding-Orr-McDaniel Funeral Home Friday evening at 2 p.m., it was announced here Thursday morning.

Ruidoso Downs Gets Map Of Village

Ruidoso Downs Village Trustees received a new map of the Village prepared by Jack Kannady on a scale of 1/200 showing streets, water lines and fire plugs. Mayor E. E. "Brother" Miller suggested that spot elevations should be added to the map which shows approximately 1,250 acres within the village limits.

Trustees present for Tuesday's meeting were H. H. Shier, W. H. Christian and Dorriss "Red" Massey, in addition to Mayor Miller.

A franchise contract for bringing natural gas to the Village of Ruidoso Downs was presented from Joe Hawkins. The contract stated that for the franchise to become effective a natural gas line would have to be started by September, 1966, Mayor Miller stated. He suggested that the franchise be referred to the village attorney. The trustees authorized the payment of monthly bills, and approved a two-weeks vacation for Claude Peterson, water superintendent, to begin in September.

McCarty announced Wednesday that he and Mrs. McCarty have completed a transaction with Lonnie Brown and Associates of Albuquerque for the 160-acre subdivision north of Ruidoso, Alpine Village. The area has paved streets, its own water system, and other utilities, including Cable TV. There have been almost a dozen homes constructed in the development in the last three years.

G. D. McCarty, coming here from Texas two years ago, first entered the real estate business by buying a large segment of Country Club Estates, and this year, he opened Highwood, a high country development northeast of town.

National Fish Hatchery At Mescalero To Be Ready For Operation Oct. 1

By DICK BENNETT
(Ruidoso News Staff Writer)

The Mescalero National Fish Hatchery, under the direction and management of the National Bureau of Sport Fisheries and Wild Life, will be completed by Oct. 1, Wayne H. Olson, hatchery manager, stated this week. The $350,000 national hatchery at Mescalero is located on 30 and one-half acres of land, 18 acres of which is on two 25-year leases with options from the Mescalero Apache Tribal Council and 12 and one-half acres of the site is on special use memorandum of understanding with the Bureau of Indian Affairs, Olson said.

Approximately 1,000,000 Rainbow Trout eggs are expected to arrive at the hatchery for incubation this September. The eggs, when hatched in the four large incubators now installed, will be transferred to 10 tanks, 2½ feet by 15 feet in the hatchery building where they will remain until approximately three inches in length. From there they will be moved to 24 raceways (8 feet by 80 feet) which are now nearing completion outside the hatchery building. The trout will be fed in the raceways until the fish reach a length of from 9 to 12 inches. Rainbow Trout grow at the rate of approximately one inch per month, Olson said. From the raceways the trout will be transported to planting streams and lakes in national preserves such as the Mescalero Reservation and also in cooperation with the State Game and Fish Department, in areas such as Rio Ruidoso, Alto Reservoir, etc.

The personnel at the hatchery at the present time is composed of Olson, who was transferred last June from the National Fish Hatchery at Saratoga, Wyo., where he was assistant manager, John R. Sword, Jr., hatchery foreman or leadman, who was transferred from the National Hatchery at Willow Beach, Ariz. When the hatchery is in full operation an assistant manager, two hatchery men,

Son of Homesteader And Pioneer Lincoln Countian Is Dead

Funeral services for Orville A. Hunt, 83, a former Oklahoma City businessman and inventor were held July 21 in Oklahoma City. He once operated a large cleaners and laundry in Oklahoma City, according to a news clipping concerning his passing provided the Ruidoso News by Wilbur Coe of Glencoe.

Coe's letter accompanying the clipping said "He is an old timer, in Lincoln County. His father homesteaded north of Capitan about 1890 on what is now known as the Lon Merchant ranch.

"Orville Hunt worked for the Block outfit for several years and at Fort Stanton as an engineer. He married Winnifred Coe, sister of Wilbur Coe, in 1902 and lived on a ranch near Glencoe for several years before moving to Watonga, Okla.

"Orville Hunt started the first mail car route from Roswell to Carrizozo. It was known as a Tri-Weekly—went up one week and tried to get back the next. He was an excellent mechanic and engineer, established th efirst steam laundry in Watonga and operated the largest laundry in Oklahoma City which his family still owns."

Quoting further from a newspaper clipping from the Daily Oklahoman, "He had patented several of his inventions, which included a velocity steam system. He was born in Ness City, Kans., moved to Watonga 38 years ago, then to Oklahoma City 30 years ago.

"Survivors include the wife, two daughters, a son, two sisters and two brothers."

NATIONAL EDITORIAL ASSOCIATION 1965 AFFILIATE MEMBER

It's About Time . . . .

No need to mince words, nor pussyfoot around. We are not happy about something and we know quite a few hundred other people who are also not very happy about the same problem. A little more than two years ago the County of Lincoln and the State Highway Department widened, improved the drainage and hardsurfaced the Paradise Canyon road, a distance of more than a mile, and in so doing created a fine traffic by-pass for quite a few folks. Within a few weeks after enjoying its use the wreckage of this route began. The road was torn up to install a sewer main—sometime later it was torn up to install a water main and the street cut in a number of places for tie in. The village of Ruidoso has made only passable efforts at repairing the damage that it is responsible for. The State Highway Department Chairman, John Sudderth, has said his department would help put the road back in shape when and if the village quit tearing it up—but said it in such a way that we believe he would welcome at least a token offer of some aid form the city or county in the restoration. We think it is a disgrace that this road has not been fixed and that it continues to knock vehicle's wheels out of line, bruise and damage tires and even cause blowouts.

With traffic growing in the area north and northeast in Ruidoso, partly because of the new school being built, partly because of the growth in use of our airport, and finally, because of growth in numbers of homes being built in that region, this road needs a high priority in being fixed SOON!

The road should be fixed, fixed good, or the rest of that so-called paving should be scraped off and let us have a gravel road again. It NEVER was as bad in past years as this halfway paved route we have now.

Your Minister Writes . . .

By GEORGE F. BROWN
(Minister, First Christian Church)

"A faith which does nothing is not faith. If you attempt to hold a faith without doing anything about it it will die, but if you act on the faith you have, it will both live and grow.

This is my paraphrase on part of the famous passage in the letter of James about faith and works. I think what he is driving at is that what one believes and what one does are but the two sides of one coin. And the coin is worthless unless both sides agree to the same value. For example, according to the Scripture, one who says that there is no God is a fool. Translating this to the language of James, one who says there is a God, but acts as if there were no God, is also a fool.

The problem of what constitutes faith-based action must be resolved in two directions. One of these, and probably the more basic, is that of determining just what kind of God one believes in. If action is to be based on what one believes, then discovering the nature, the purposes and the methods of God must be paramount. This has been described as the "content" of faith, however it may be expressed in a creed. Sometimes this discovery is made rather suddenly, such as through a mystical "experience" of God's love. More often, such a discovery is the result of a painstaking search, as for a "treasure hidden in a field." You sense that something of great value is nearby, and you follow every clue and evidence until you find it. Happy is the man who makes this discovery.

The other direction in which the problem must be resolved is that of determining how we are to act in regard to our faith. Remember: faith that is not acted on is not really faith. If I discover that God's nature really is love, then my actions, based on such a faith, are to be motivated by love. If God's purpose is the eventual unity of all nations, races and classes in Him, then I must not act divisively, as though my own selfish will were the only thing to be served, or as though my own well-being were more important than that of my fellow men. And if I come to believe that God's methods are those of meeting the needs of men at their deepest level, and ministering to them in their need, then my methods are clarified. I cannot remain blind or indifferent to the hunger, the thirst, the nakedness, the sickness, the slavery of any man.

According to one story Jesus told, "anything you did for one of my brothers, however humble, you did for me" and "anything you did not for one of these, however humble, you did not for me." Apparently if I am not involved in the needs of others, then I am not really involved in God. And my faith is a dead thing.

It is always a delightful experience to meet someone you have always admired and find out that he is even better than you expected.

When I was a boy of six years of age in Alaska I sent a letter to Teddy Roosevelt and he wrote me an answer which I prize to this day. I never got to see this great man, but his powerful personality came through on the letter.

Later on, a few years, when I was a lad in El Paso, all the boys in town were invited to go by the Popular Dry Goods store and shake hands with Jack Dempsey, then heavyweight champion of the world. In my early youth, down in Texas, in the very beginning of his career, I shook hands a time or two with Lyndon B. Johnson. I knew then that he was headed for the top. Greatness was written all over him.

The Mark of a Champion

Now just the other day down at the race track I met a man who has been my favorite actor for many a year. As we all know, Robert Taylor makes a tremendously favorable impression on the movie and television screen. In real life he is a hundred times better.

No camera, with all due respects to the marvels of this modern art, could ever capture the blue of his eye; the rose in his cheek; the charm of his smile, or the magic of his sincere personality. In his faded yellow corduroy coat and cowboy hat he looked like some Irish Prince taken out of a story book and placed in our American West.

Maybe this is why one of the best parts he ever played was "Billy the Kid."

His robust health and plain evidence of great physical strength add that much more to the whole pleasing picture of the man. His hand is large with a grip of iron.

Have you ever noticed that a champion in any walk of life is somehow just like all the others you have met? What is that certain something that is written up one side of him and down the other—that reaches out and wins you over at first sight?

I call to mind again a favorite expression of my Father's: "His heart is in the right place."

A Lesson In Greatness

In some professions, it would seem, the door to greatness is open a little wider than in some others. Take maybe the clergy, medicine, education, public life, or journalism.

In Longfellow's immortal poem, "The Village Blacksmith", the poet shows how the blacksmith went over and beyond the call of his profession—important though it was in that day—and became a beloved friend casting a benediction upon the lives of all in his little community.

Robert Taylor is one more living proof that a person, no matter in which walk of life he may find himself, can rise far above and beyond his profession and be a great human being.

Suppose Robert Taylor had never been famous. He would still have been like the village blacksmith, admired, beloved and never to be forgotten in his home community.

But what a blessing it is that he became an actor. For now his great charm, his uplifting power, and his inspiration is brought to countless millions throughout the world.

We hope that Robert Taylor will come back to see us again, here in the land of the pinon and pine.

AIN'T IT THE TRUTH

Went airplane flyin with a friend of mine the other day and had my little fat wife and son with me. We wuz whizzin all around the mountains and seein all the beautiful sights and really livin it up. I wonderd jes how many years some of the oldtimers would spend seein the same country we saw in a few minutes. All the high places and all the brush they would have to crawl through to see from one peak to the other an then the long trip back down an the climbing of another. Yep that must have been quite a chore to do but I wonder if they didn't have more fun doin this a little at a time stead of seein it all at once. Now don't get me wrong. I ain't bellyachin bout the idea of gettin to ride in the flyin machine but I'm wonderin if we ain't seein an doin more that we ought to do as it ain't nuthin to leave here and gettin to the coast in a couple of hours eatin fancy grub an bein back home all in the same day.

Used to we would live ever minit of the trip to Grandmas and brag bout the pickled peaches she would have fer months now we think nuthin of folks goin to the moon.

Ruidoso News
Dear Sir:

I am not a resident of Ruidoso (I was born in Texas and that is where I now make my residence), but I have been coming to Ruidoso almost every summer since I was born.

This summer I have noticed something about Ruidoso that I think is both very good and very bad. The good part is that one notices so many American flags being flown (post office, telephone company) and certainly every American should be proud of his flag. While it is wonderful to see this great "symbol of freedom" displayed under a blue sky and perhaps an occasional cloud, it is very shameful to see "Old Glory" sagging wet on a flagpole just because someone forgot (or didn't care enough) to take it down when it started to rain. Ruidoso is not the only place that I have witnessed a wet flag. I have seen it happen in Texas, too. Regardless of where it happens it is a disgrace! As long as the "Stars and Stripes" are flying there will always be bright lights, clear voices and laughter. But when we abuse our flag we are taking a great chance on losing it—for good! If the American flag ever goes down for good then freedom as we know it today will be lost. Without freedom there is nothing but darkness. Surely it would be better not to fly the flag at all than to fly it and abuse it!

RANGER NOTES

by CHARLES BISHOP
Forest Naturalist

It is that time of year, when everyone starts to make plans for the Ruidoso Aspencade. This is one time when the local people join the visitors to observe nature's gifts. If nature follows the pattern of this spring and summer, this should be one of the most colorful Aspencades we have ever had. Make your plans for Oct. 8, 9 and 10 to get out into the woods.

This is also the time when many of the visitors to the Lincoln National Forest are hunters looking for their special spot. Do you have your hunting area in mind yet? If not, stop by the Ruidoso Ranger Station at Cedar Creek and get a map of the Lincoln National Forest. This is part of the U. S. Forest Service's Multiple Use program, in co-operation with the New Mexico Department of Game and Fish, to provide good habitat for game animals.

There is one group of fellows from Walker Air Force Base that has been taking full advantage of this beautiful high country. Michael McFadden, Ivanhoe, Minn.; Norman Smith, Pueblo, Colo.; Eric Guerard, Tampa, Fla., and Fred J. Loan, Nevada, Mo., strap their packs on their backs and head for the mountains every time they get a few days off. They take only what they can carry on their backs and really rough it. The Air Force and Walker Air Force Base should be proud of them.

Also from Walker, hiking this last week, were Floyd Wilson of the 6th Trans. Sqdn., and Boy Scouts David Churchman, Mitch Beresko and Dennis Churchman. Floyd is the Assistant Scoutmaster of Troop 49, one of many men giving his time to try to develop better citizens.

If you haven't been up to the Ski Area since the road has been paved. You are in for a treat. The road is paved all the way into the parking lot. This highway, winding through the Lincoln National Forest, is the highest paved road in New Mexico. See you up there.

GREEN THUMB RESULTS—The home of Mr. and Mrs. H. W. McKenzie of Cree Meadows 2nd Addition in the north part of town is a showplace in flowers, shrubs and greenery. McKenzie, a retired hardware dealer from Beeville, Tex., has spent six years terracing, shaping, bedding and planting his property. It boasts a greenhouse as well as a high ceilinged patio, also another patio that is terraced and is shaded by the ponderosa pines and pinon on his large lot. His begonias draw awed exclamations of praise from all who see them. He has more than 75 varieties of blooming plants, the seeds and cuttings of some of which he brought here from other parts of the Southwest. The McKenzies toured Europe last winter, driving a Volkswagen 17,000 miles. They saw the winter olympics in Austria on the junket, but enjoyed mostly their tours of the many famous gardens in several countries. These photos were made recently when the McKenzies were entertaining some 'drop-in' company.

FUTURE CHAMPS GO ON BLOCK IN 4th ALL-AMERICAN AUCTION

Ruidoso News
Friday, August 27, 1965

A combination horse racing-carnival air will prevail here during the next fortnight.

Starting with the resumption of racing this Thursday, Trials for the $400,000 All-American Futurity will be run Saturday.

Then, in a huge circus-type tent, Ruidoso Downs will be the scene of the fourth annual All-American Futurity Sale of yearlings, starting a week from Friday night (Sept. 3) and continuing three consecutive nights through Sunday, eve of this year's Labor Day running of the All-American Futurity.

Again under the experienced direction of the Triple AAA Livestock Sales Co. of Canoga Park, Calif., the sale is the most unique of its kind in that all 146 juvenile quarter horses are paid-up eligibles to next year's running of the $400,000 All-American Futurity.

The same capable sales crew, headed by Auctioneer Dean Parker of Auburn, Calif., announcer Don Pearce, Ring Manager Gene Adams, and Bill Hedge, Ralph Bell, Roy Davis, Henry King, Benny Scott, Roger Letz, Willard Porter, as ringmen.

Adding even more lustre to the sale, rapidly becoming known as the "Sale of Sales", will be an approximate dozen Thoroughbred yearlings, several of Pappa's All, Mr. Music, Gainsworth and Bright Liberty, that will help increase the purse by being eligible to the running of next year's inaugural of the Ruidoso Roadrunner Futurity.

Official post time for the All-American Sale will be 7 p.m., nightly, following each day's racing. Both liquid and solid refreshments will be available.

LADIES' NIGHT SET FOR LIONS NEXT WEEK

Tinnie Man Charged After Collision

Toby Rue, Tinnie, driving a 1962 Mercury was charged with careless driving by Ruidoso police last Thursday, Aug. 19, when his car turned left off Cree Meadows Drive onto Mets Drive causing collision with 1963 Corvair driven by Ed Hyman. Mrs. Hyman, a passenger, was taken by private car to Ruidoso-Hondo Valley General Hospital where she was given emergency treatment and released.

Police reported a 1955 Chevrolet pick-up belonging to Kay Day was taken from the parking lot at the Villa Inn Aug. 20. The truck was later found wrecked at Tularosa.

Police also had reports of miscellaneous vandalism, Pan-O-Rama Playland reported pop bottles and cases stolen last Friday night and Sunday night Apache Village reported the same.

SCHOOL ZONES TO BE PATROLLED

Village Marshal O. S. Montes announced this week that beginning Monday school traffic zones on Sudderth Drive in the Gateway area will be strictly enforced. The school zone is patrolled by the police department each school day from 8:00 a.m. to 9:00 a.m. and from 3:00 p.m. to 4:00 p.m., Montes reported.

HIGH ON A HILL—The home with what is believed to be the highest altitude in Ruidoso is the L. Graham Mackey residence, a modified A-frame in Highwood. The residence gives a view in all directions of the Playground of the Southwest.

Gladys Thomson To New Location

The Gladys Thomson Bookkeeping Service which has been located on Sudderth Drive across the road from the Old Mill, moved into a building behind the Gateway Shopping Center which was formerly occupied by the Mildred Wantiez Real Estate and Insurance Agency. The building is located on Junction Road across the street from the Gateway Restaurant.

The Bookkeeping Service will retain the same telephone number which is 257-4495, Miss Thomson said. Specializing in bookkeeping and tax assistance, the service was opened here about eight years ago.

High Phone Bill, Missing Equipment Bring Charges

Wanda Gibson, alias Wanda Wilton, Ruidoso Downs, was arraigned in Ruidoso Justice of the Peace Court last Monday on warrant charging fraud and larceny. The charges reportedly grew from a complaint made that Mrs. Gibson not only walked off owing a telephone bill of $479.28, but reportedly took the telephone fixture with her. In lieu of $1,000 bond, JP H. M. Graham arraigned Mrs. Gibson to safe keeping in the Lincoln County jail in Carrizozo, from where she may request a hearing in JP Court here or may waive that hearing and go directly to District Court, Judge Graham said.

Mrs. Gibson was apprehended by Deputy Sheriff Clyde Atwood last Sunday. The warrant for her arrest on the reported fraud and larceny charge was issued Friday, Aug. 13, Judge Graham said.

Kindergarten Scheduled To Begin Monday, Sept. 13

Ruidoso's week-day kindergarten, for children one and two years away from public school, will begin its fourth year of operation on Monday, Sept. 13. Teachers will be Mrs. Bill Pippin and Mrs. Bob Lee. Mrs. Pippin has announced that a minimum of 20 pupils must be registered before the kindergarten can begin, which represents a few more children than attended last year.

The kindergarten is held in the education building of Community Methodist Church, its sponsor, but it is stressed that the school is entirely non-denominational and non-sectarian. Classes are held week-day mornings from 9:00 until 11:30 a.m., though the children may arrive earlier. Tuition is $20.00 per month, with an enrollment fee of $5.00.

Children receive training in many areas which will be of benefit to them when they begin the first grade in public school.

Those who are interested in enrolling a child or receiving further information may contact the teachers or Charles Bishop or Mrs. M. R. Delhotal, interested parents who are helping to secure the necessary enrollment.

Wayne Wantiez Family Moving To Oklahoma

The Wayne Wantiez family, residents here almost ten years, will be moving in mid-September to Clinton, Okla., where Mrs. Wantiez will operate a real estate agency. Her husband has been with the former Bonnell Hardware & Building Supplies Store here prior to its name change to Gambles, and also operated his own City Lumber firm. Later he was with KRRR as an announcer.

Mrs. Wantiez handled real estate and insurance in an agency she operated for many years here, and recently was the operator of a beauty salon in Gateway Shopping Center.

A son, Richard, graduate of Ruidoso High School this spring, will be attending Southwestern State at Weatherford, Okla., where he went last week-end to complete enrollment.

Rockridge Cabins Sold Last Week To Texas Couple

The Rockridge Cabins located on Mechem Drive across the road from the Adobe Plaza, was sold last week by Mr. and Mrs. George Gruber to Mr. and Mrs. A. B. Chitwood from Seminole, Tex. They operate a farm there. After harvesting their crops, they plan to make Ruidoso their permanent home. Mrs. Chitwood is here now and her husband joins her on week-ends. They have two daughters, both married. One daughter, Mrs. Glenn Matthews, lives in Lamesa, Tex., and the other, Mrs. Junior Behringer, lives in Borger, Tex.

Mrs. Chitwood is also a representative for Beauty Counselor Cosmetics, and she has a large supply of these products in the office of the Rockridge Cabins here, she reported.

Mr. and Mrs. George Gruber are now making their home in Alamogordo.

SCENES AT FISH HATCHERY—Along the shady graveled road, soon to be hard-topped, are shown three of the residences for staff personnel, Bureau of Sport Fisheries and Wildlife, at the new Mescalero National Fish Hatchery. Home at left is occupied by John R. Sword, Jr., hatchery foreman; next Jerry Merkel, fish biologist; and house at right is occupied by Wayne H. Olson, hatchery manager. Fourth residence, not shown, will be occupied by assistant hatchery manager, to be appointed. Below, hatchery foreman Sword is shown turning valve on one of 16 interior tanks within hatchery.

logist with Fishery Services will be added. Terry Markel, fish biologist with Fishery Services will also maintain an office and living quarters at the hatchery.

In addition to the main hatchery building and raceways, there is a garage, shop and storage building and four residences in the hatchery compound. The residences, which are now completed, will house the hatchery manager, assistant manager, foreman and biologist.

A formal dedication of the Mescalero National Fish Hatchery is planned for early in June, 1966.

Each week since June this year, when Olson and Sword arrived, the hatchery has received approximately 900 pounds, or 3,700 fish, from hatcheries in Arizona which have been stocked into lakes and streams on the Mescalero reservation. Last Tuesday Merkel and Bob Geronimo, a temporary laborer at the hatchery, were busy stocking reservation fishing spots with 1,050 pounds of catchable Rainbow Trout.

Change Name Of C. of C.

The board of directors of Ruidoso-Hondo Valley Chamber of Commerce, in balloting last week, changed the name of the local organization to the Ruidoso Valley Chamber of Commerce, manager Bob Walker reported this week.

The board had discussed the need to change the name to better describe the geographical area served by the C. of C., since Hondo Valley as used in the name previously was in error. The Hondo valley extends east from the community of Hondo, 25 miles east of Ruidoso on U. S. Highway 70. The area between Ruidoso and Hondo is known as the Ruidoso valley. Names of the river and the valley both change at Hondo, where the Ruidoso river and valley join the Bonito creek and valley to create the Hondo river and valley, the C. of C. noted.

Local Library Announces Change To Winter Hours

The Ruidoso Municipal Library, located on the west side of the Ruidoso Municipal Building, will change to winter hours on Monday, Aug. 30, it was reported by Mrs. Pat Ward, Librarian. The new hours are, Mondays from 7 until 8:30 p.m.; Tuesday, Thursday and Friday from 3:30 until 5:30 p.m. The library is closed every Wednesday, Saturday and Sunday.

Mrs. Ward announced that those who have long overdue books must return them to the library immediately.

DiPaolo Firm Gets Water Tank Job At Tularosa

J. J. DiPaolo, of D. Construction Co., Ruidoso Downs, announced this week that work will start next Monday on a water tank project for the Village of Tularosa. The project includes the dismantling of a one-million gallon tank and the relocating of a two-million gallon tank. Contract with the Village of Tuarosa for the job will run approximately $50,000 DiPaolo said.

The Ruidoso Municipal School Board at a special called meeting Thursday, Aug. 19, and acting on recommendations made by Supt. George White, granted G. and L. Construction Co. an extension of four days additional time on the completion of the library construction and 10 days additional time on the science building before the board will call for liquidated damages from the construction company.

A letter from Capitan Municipal School Board regarding school bus transportation at Alto was brought to the board's attention by president Ralph Petty. White recommended that the Capitan board's request be followed, but that it should also be noted that it is the Ruidoso board's desire and wish that the Capitan board will reconsider and allow children in that area to ride the Ruidoso school bus.

The letter follows:

Ruidoso Board of Education
Ruidoso, New Mexico

Dear Mr. Petty:

The Capitan Board of Education at their last regular meeting granted permission for the children of Robert H. Sellers to ride the Creel school bus for the 1965-66 school year.

To date Mr. Scribner has not applied for permission to ride the Creel bus. According to our agreement he will be granted permission as soon as he petitions.

Petitions rejected to date as follows: Clifton Keith, Sun Valley; Mrs. W. R. Venable, Mon Jeau Retreat; Don R. Childers, High Country and Wayne White, Alto.

No petitions will be needed from Alpine Village or Cedar Creek Road for Mr. Creel to pick up these children as this was the Board agreement last year.

Ada, Okla., Man Buys Car Wash

Jerry L. Green, Ada, Okla., who has a ranch and is a breeder of quarter horses, has purchased the Happy-Snappy Car Wash, a do-it-yourself car wash business in Palmer Gateway, from the man who first installed it—Bronko McGugan.

The transaction was completed last week, the two men reported. Green plans to move here to make this his home shortly, he said.

Drive there with care—arrive alive.

HATCHERY BUILDINGS—View of the Mescalero National Fish Hatchery showing the main hatchery building, left foreground; the garage, shop and storage building is at right. Two of residences for National Bureau of Sport Fisheries and Wildlife staff personnel are shown in background.

INSPECTS RACEWAYS—Jerry Merkel, fish biologist, Bureau of Sport Fisheries and Wildlife, is shown inspecting a segment of the 24 raceways nearing completion at the Mescalero National Fish Hatchery. The raceways have a capacity for 1,000,000 Rainbow Trout. St. Joseph's Catholic Mission at Mescalero stands out prominently above raceways. Another view is of raceways under construction. Project is scheduled for completion Oct. 1, with the exception of landscaping, manager Wayne H. Olson reported.

YOUTH OF 20 COUNTRIES TO TOUR RUIDOSO AREA

Twenty youths from as many counties will arrive in Roswell by air Monday, Aug. 30, for an International Youth Conference sponsored by Rotarians of New Mexico and West Texas and hosted by the Roswell Rotary Club.

The most interesting thing about the group that will spend four days in the Roswell area is that maybe several future world leaders are among the 20 boys, all 16 and 17 years old.

George Jonas, who operates Camp Rising Sun in New York State, had a vision 30 years ago. He decided that if he could get boys together from around the world—boys with leadership potential—at a camp once a year, perhaps some of them might become top leaders in their respective countries and that by knowing other people intimately from other countries and by spending many weeks in the United States, they might be better leaders because of this.

To he set up a selection procedure worked through Rotary clubs around the world. Boys selected for eight weeks at Camp Rising Sun have IQs of 165 or better, are potential leaders and are selected for innate intelligence and potential.

And 20 of these boys will be guests in the homes of Roswell Rotarians the night of Aug. 30, and will be quartered at New Mexico Military Institute three nights after that—leaving Roswell for the return flight to New York on Friday, Sept. 3.

Phelps White of Roswell, who was chairman of the selection committee for the Roswell district for Camp Rising Sun this past year, has been instrumental in bringing the boys to Roswell.

The boys will meet American contemporaries, as each Rotary Club in New Mexico will be sending a boy and a girl delegate to the conference. The whole group will spend one full day at Sierra Blanca and the Ruidoso area—with Alamogordo, Tularosa and Ruidoso Rotary clubs combining to make the day interesting for the visitors.

This will be a real adventure in international understanding, and Roswell—as well as the boys—will profit from it. The boys and Roswell Rotarians will spend an evening at a barbecue on the Phelps White ranch west of Roswell. They will see sheep worked on a real western ranch. Ed Kruse is in charge of the barbecue.

The stay will be climaxed on Thursday night, Sept. 2, when Rotarians and their wives will attend a regular Rotary meeting where two or three of the 20 youths will address New Mexico, local Rotarians and wives, visiting boys and girls and others.

Odessa Woman Buys Peppermint Bar

Miss Mabel Wakefield, Odessa, has purchased the interest of rM. and Mrs. J. C. Hooper in Peppermint Bar, located in Gateway Shopping Center. Miss Wakefield said that for the present, the firm will feature sandwiches, confections and fountain service, but may enlarge its menu in the weeks to come.

She worked as a waitress at Odessa and is widely known in the Ector county sector. She was with Pancake Alley No. 10 there.

The Hoopers are moving to Hobbs, Mr. Hooper reported early this week.

Lordsburg Doctor Moving To Ruidoso

Dr. George Smith, M. D., of Lordsburg has announced that he is opening offices in Ruidoso and will move here Sept. 11, Dr. R. L. Annala announced Wednesday. Dr. Smith has made arrangements for office space in the Annala residence and has rented a residence on Meander Drive, Dr. Annala said.

RUIDOSO NEWS

ADVERTISING IS NEWS

The many pages of this newspaper are full of news of many things. News of people and their doings in nearby places and to the far corners of the earth.

But there is another kind of news that you hold in your hands as you read a newspaper. Not the news of people but of products and services . . . the news in the advertisements.

It has often been said that the function of advertising is to improve the standard of living. It does have such a function. But it must start, necessarily, with the manufacturers who make the products.

What advertising does is to tell people about new and better things—and new features of established favorites—and where they can be bought. In a very real sense, to increase demand and lead the way to lower prices. It is literally and actually true that everything you buy would cost you more if there were no advertising.

It is a fact that advertising will speed up sales and create valuable good will for a brand or store. Witness the actual money value of any well-advertised, well-regarded name.

It is equally certain that back of that name, or that product, must be honesty, fair dealing and full value for the price.

There is a built-in penalty for every misrepresentation. Advertising an unworthy product or service simply means that a larger number of people will discover its disadvantages all the sooner.

This day, the advertisements will bring you important news of something you want or need and where to buy it . . . news, very often, that you could get in no other way or at the same low cost.

Without advertising to inform the public, there couldn't be mass production as we know it today, with all its economies and advantages. People can't buy things—or want things—unless they know they exist.

The big problem in this country at this moment, and likely to be a big problem for sometime to come, is not so much over-production as under-consumption.

Advertising is the ideal technique for mass communication because it is the cheapest, quickest—and most responsible—way to reach the people.

A good example of the low cost of advertising is shown in this newspaper.

Bonito Water

By LOUISE COE RUNNELS

Bobby Johnston brought 500 pounds of fish to Bonito Dam Saturday from Park View Hatchery. I didn't get information as to the other plants.

The latest bear story was last week when a camper was asleep in his tent, and was awakened by a noise—raising up he looked an old bear in the eye at the foot of his bed—both got scared, but the bear went out without using the tent door and pulled out the stakes. This camper had to start all over setting up camp.

Mr. and Mrs. Slim Thompson who live in Ruidoso Downs, and Mrs. Thompson's sister, Bee Methvin from Roswell, were Bonito visitors last week. On Sunday Slim visited A. N. Runnels at home on the Bonito. A. N. is still in bed but doing fine with his wife Lula taking real good care of him.

Jeanette and Bryan Cozier have sold their home in Tucumcari and will make their permanent home on their farm on the Bonito. However, they will spend the coldest part of the winter traveling. The lucky kids! We are glad to have them closer longer at a time, tho.

Jackie and Mary LaMay and children spent a day outing in South Fork this week. Jackie has been on the paving road job to the Sierra Blanca Ski Run and said it is now finished—so he took a day off to fish.

It was good to have the Withams from Nogal over to Bonito City. Their daughter and husband, Mr. and Mrs. Pat Rooney and Randy were along. The Rooneys live in Phoenix, Ariz.

Desparado Kid, Phillpot, and son-in-law, John Miller were by on their way from Cedar Creek where Phillpot has a mighty interesting copper mine. He brought us some samples, beautiful!

Guests at the Fortenberry Ranch this week-end were Mr. and Mrs. Tom Trainer from Grand Prairie, Tex. Tom and wife Roberta are going to Arabia for about three years and they stopped by to see Pat and Mary Ellen Fortenberry. Tom is a pilot for a private company and they will fly to Arabia where Tom will be employed looking for water for the Arabian government.

Mr. and Mrs. Charlie Elam from Corona where they recently moved were back to Bonito and Angus this week-end. Anna Belle Elam is an artist and will fit in good with those Corona girls who have fun painting.

New residents in Capitan, Hap and Melba Allan from Tatum, were on the Bonito fishing over the week-end. They will open the Capitan Laundry for business.

Mr. and Mrs. H. R. Howard, who live in Cedar Creek, and guests, Mr. and Mrs. L. C. Howard from Abilene, Tex., were here on a sight seeing trip. They drove up to Parsons Hotel.

Henry Etz, Rusty Etz and a host of relatives had a reunion in Ruidoso this week-end. Henry has interests in the mill at Capitan that will soon be in operation.

Mr. and Mrs. Frank Kellner, Jr., and children, Judy and Sandy, of West, Tex., stayed at the Quarter Horse Lodge in Ruidoso this week. Mr. Kellner has the White Auto Store in West, Tex., and has hunted on the Bonito with the Bonito Oasis and was a guest at their cabin.

Tommy Snell and buddies were here Sunday. Tommy is in the service and has a few more months to go.

Virgie and Agnes Jones and children and Virgil's parents, Mr. and Mrs. D. O. Jones and Dicky Jones were by to say hello. The Virgil Jones family had been in Nogal where Agnes' father, Walter Snell, was sorta in trouble having lost two fingers on his hand as he was pulling a sucker rod, fixing a wind mill on his ranch.

A basketball star in his day at Capitan stopped by and didn't know me—nor did I know him. It was Ergeal Brown. He and his family live in Albuquerque. Ergeal wants to say hello to all his friends in Lincoln County.

Alto Briefs

By AILEEN LINDAMOOD

Friday, Mrs. Lyda Peebles of Alamogordo was visiting at the Peebles' Ranch on Little Creek and the store at Alto with her family from Ava, Mo. Her son, Louis Peebles, Mrs. Louis Peebles and children, Mitchell, JoAnn and Glenn were the visitors from Missouri, and David Peebles of Alamogordo was also in the group.

Friday, Mrs. Alice Wright from the Bonito stopped by to see us on her way to Ruidoso to spend a few days with her daughter, Mrs. Donna Jean Bailey and family.

Mrs. Gene Dye and son, Charles, left Saturday on a trip to Chagrin Falls, Ohio.

Ras Pittillo, who is now living in Capitan, came by to see us Friday. He and Mrs. Pittillo have the Hotel there and he is in charge of the Malco Station.

The Hugh Puckett family returned to Roswell Sunday after a lengthy vacation spent at Eagle Creek Lodge.

Last week-end the Sam Allens entertained the following guests: Mr. and Mrs. E. C. Stopps of Houston, Tex.; Mrs. Zola Owen, Clifton, Tex.; Mr. and Mrs. R. L. Lawson, Bryan, Tex., and Mr. and Mrs. Joe Smyth, Lamesa, Tex.

Rick Adams is home for a visit and was over to see us Thursday. He is in training in the Navy at present and will return for further training soon.

Mr. and Mrs. Van Herrod and Mr. and Mrs. Jerry Rice of El Paso are here for a few days.

Tuesday, Mr. and Mrs. Hamilton McRae and Mr. and Mrs. Hamilton McRae III and daughter Beth, left for Midland. After a visit there the younger McRaes will return to their home in Tucson.

At noon last Monday lightning struck the big tree in front of the store and postoffice here at Alto. Mr. and Mrs. Hamilton McRae of Midland were in the store with the Lindamoods at the time. It hit the top and came down as far as the telephone line and with that it stopped and so did the telephone—as far as working order is concerned. But the telephone repairmen came promptly and repaired the line so we were back in business again.

Not being an authority on this situation I can't say if the lightning came from the ground and went up or if it hit the top and came down—But this I know for sure—it hit and the four of us were a bit shaken up by the experience.

Mr. and Mrs. Charlie Nabours spent Tuesday in Three Rivers and enjoyed the outing very much.

Mrs. Wayne White and children and Mrs. Jim McEuen and son went to Roswell last Tuesday.

Mr. and Mrs. Leslie Page and daughter Leslie Ann of Midland, and their granddaughter Kelley Sullivan of Independence, Mo., are vacationing at Eagle Creek Lodge.

Mr. and Mrs. Harold Clary of Long Beach, Calif., were visiting in the neighborhood last Wednesday. They had been in Mountainair the past week to see his father, Henry Clary and Mr. Clary was with them when they stopped by the store. They will return to Long Beach this week, but we hope they will soon return to make their permanent home here at Alto.

County Agent's Report

— By — RALPH DUNLAP

Apple picking has started in the Hondo Valley, Red Delicious, Jonathan, Golden Delicious and late summer apples are the varieties now available on the fruit stands in the area. Apples in some orchards have been hit by hail but this does not hurt the flavor of the apple.

• • •

A fund of $83,000 has been received for Emergency ACP Flood Repairs in the Hondo Valley area. This brings the total available for flood repairs to $110,400. This money is available on 80% cost-share basis and is limited to $2500 per individual. For more particulars, contact Herman McKibben, County ASCS Office Manager, or Fred Pfingsten and Ernest McDaniel, County ASCS Committeeman.

• • •

A few calf contracts are being made for fall delivery. One contract was written for 24 cents and 26 cents for heifers and steers respectively. This was with a short haul and no shrink.

I have heard of some 23 cent offers on lambs but no takers.

• • •

Changes have been made in the Lincoln County Fair which will be held Sept. 10-11 at the Fair Grounds in Capitan.

There will be no admission charge to attend the Lincoln County Fair. It is hoped that the income from the Fair Book advertising will pay the cost of the fair.

The Range Beef Cattle Classes have been taken out of the book. The drouth during the past few years reduced entries in this department; so it was decided not to have a Range Cattle Show for this year.

The Lincoln County Quarter Horse Show was held on a different date than the County Fair. By doing this they can attract more entries.

The largest Fat Lamb show ever is expected. An estimated 70 lambs will be on exhibit.

JUNIOR DAUGHERTY

Champ Fiddler Appears In Ruidoso

The grand champion's trophy and top money went to Junior Daugherty Thursday night at Cloudcroft in the finale of the annual Otero County Fiddlers contest sponsored by the Alamogordo Chamber of Commerce.

Daugherty was 1964 first place winner at Weed. He finished second to A. J. Fisher in the 1965 Weed preliminaries earlier this month. This entitled him to enter the Cloudcroft preliminaries where he staged a comeback to fiddle his way into first place preceding the Grand Fiddle-off. The Grand Champion Fiddle-off was between first place winner at Cloudcroft and first place winner at Weed. Junior Daugherty was picked by the judges as Grand Champion Fiddler.

His renditions of Listen to the Mocking Bird was a crowd pleaser and evidently scored heavily with the judges. A crowd of about 600 was present at Weed and attendance at Cloudcroft ran close to 1,000.

Laugherty is a junior Electrical Engineering student at New Mexico State University and a resident of Alamogordo. The fiddle he used was handmade by a 14-year-old former Tularosa youngster, John Kingery, who now resides in Lubbock, Tex.

Junior was also first place award winner in the fiddlers contest at Ruidoso, conducted in connection with the recent commodity meeting of the New Mexico Farm and Livestock Bureau held at the Chparral Hotel, receiving a trophy and $100 cash award.

Junior Daugherty can be heard playing with the Mavericks at the Top Hat Bar in Ruidoso for the next two week-ends, Aug. 27-28 and Sept. 3-4.

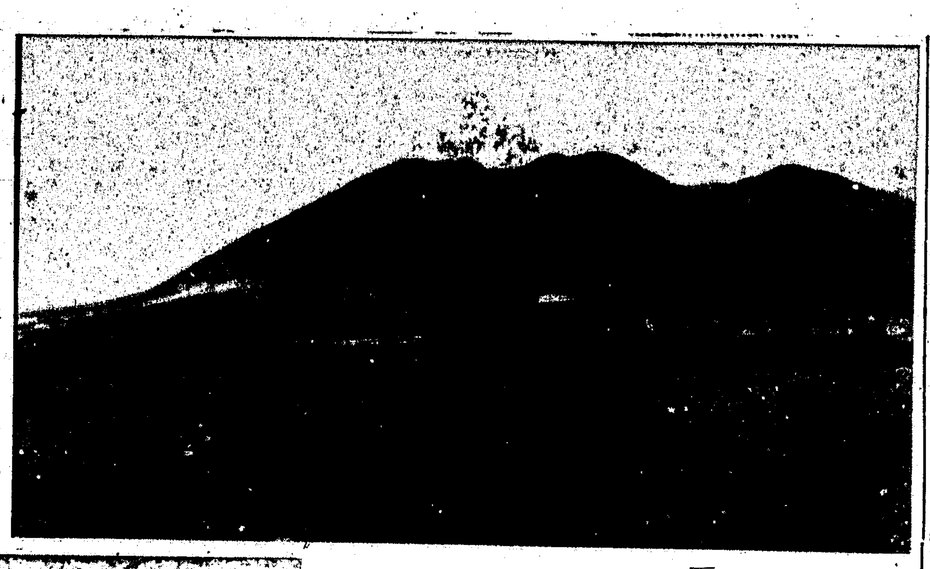
LANDMARK — Carrizo Peak, sentinel mountain that stands northeast of Carrizozo and with an elevation of 9,656 feet is a familiar landmark to Lincoln Countians who drive to their county seat. You drive by it on U. S. Highway 380, traveling east and west, or U. S. Highway 54, driving north or south. Also, you skirt its foothills to go from Carrizozo into old White Oaks, ghost town that has a fabulous gold mine history.



Down At The DOWNS

By BILL CLARK

Horses claimed last week-end at Ruidoso Downs have included: On Sunday—Aviate by Vance S. Marshall, Tr., Morriss Marshall from Sam Graves, $1,250; Kwitchurkik-ken by Cecil Johnson, Tr., Bob Arnett from John D. Hefflefinger, $1,600; Sir Pan Gil by Grantham Ranch, Tr., Donald Lee Grantham, from G. A. Morriss, $1,600; Luck Foray by Fred L. George o/t from Garnville B. Barker for $1,600. On Saturday—Maitland by Joe and Irene Waide o/t from William and Peggy Hefflefinger for $1,600. On Friday—Divine Flo by Eddie L. Gaskins, Tr., Tom Stevens from Anacacho Ranch for $4,000.

For those fans disappointed over Charley Weaver's failure to run a scheduled foot race, these were the reasons:

a. The incomparable comic Weaver is suffering from a broken toe (honestly) and he gave numerous conflicting stories (some of them jokes) about how it happened, and

b. The track was somewhat muddy each of the days Weaver was guest of honor, and none of the contestants, including Charley, were willing to run it off barefooted.

So, instead, Weaver was at his hilarious best entertaining fans between races over the public address system.

Jockeys Arnulfo Araiza, Jr., and Joaquin "Mike" Figueroa remained hospitalized and Duane Sterling pronounced uninjured after Sunday's spectacular three-horse spill on the first turn in the 12th race.

Araiza went down on Dee's Pride, just as the horse was taking the lead; Sterling fell from Quick Mist, and Figueroa tumbled over them with Gypsy K. Araiza was immediately hospitalized, but Figueroa and Sterling walked away from the mishap. However, Figueroa appeared to be in such a daze, that he was ordered to join Araiza in the hospital.

With a tremendous surge of nine winners—four of them Sunday—over the week-end, 21-year-old D. W. Whited, none-too-tall-in-the-saddle Texan, has been hailed Ruidoso Downs "Jockey O' The Week".

With five winners for the week-end, Larry Byers continues to lead the riders with a total of 49, while D. W. moved into a deadlock for second with Johnny Cox at 43 each.

Three of Whited's winners Sunday were in succession for W. A. "Big Bill" Thompson and moved the latter into a wideopen scramble for second in the trainer standings. Bob Arnett continues to widen his lead with 36 winners to 25 for Joe Wade, 24 for Gerald Bloss, 22 for C. D. "Buffalo" Wooten, 21 for Thompson and 20 for Paul Smith.

Jocker-Trainer standings after 48 days of racing follow, with number of mounts or starts and placings:

JOCKEYS—Larry Byers, 378-49-50-61; Johnny Cox, 267-43-43-33; D. W. Whited, 291-43-31-38; Elbert Minchey, 284-34-35-31; Bill Rock, 181-33-28-20; Lowell Kreider, 260-31-31-34; Pete Moore, 240-25-33-26; Richard Lidberg, 194-24-18-21; Grady Overton, 98-23-14-12; Curtis Perner, 84-19-22-21.

TRAINER — Bob Arnett, 181-36-28-26; Joe Wade, 115-25-19-18; Gerald Bloss, 102-24-22-18; Carl Wooten, 155-23-20-21; Bill Thompson, 139-21-20-13; Paul Smith, 175-20-21-24; Ray Seeley, 159-19-25-26; Ike Danley, 85-18-24-18; Robert Cuff, 157-18-21-11; Jake Cascio, 152-18-18-23.

The speed of the Quarter Horses was never better here Tuesday, Roy Strickland's Lindo Bid raced to victory in 16 seconds flat for 300 yards—matching an antiquated track record and the previous best schooling race time registered by Rapid Volley.

The other dry-run represented the fourth straight schooling race victory by Joe Bassett's Special Star, winning handily in :16.4.

Adding a touch of frivolity to the afternoon's program, a field of five Appaloosas (zounds!) met in a special race over 300 yards, with King Kingston winning in 17.2, half a head in front of Java, 17.3, followed by Gold Strike, Peavy's Uncle Sammie and Prince of Four-Mile. The winner and Sammie are 3-year-olds. The others 2-year-olds.

• • •

Ill luck struck Ken Brittain, one of the nation's and meeting's top Quarter Horse riders Friday, when he suffered a chipped ankle bone in a freak morning training mishap. Brittain will be out of action with his leg in a cast for several weeks and lost several promising mounts in Saturday's All-American Futurity Trials.

SPRAYING FOR INSECTS—Workers in Lincoln County Pest Control Project, Manuel Carrillo, unit operator and Noel Matthews, driver operator, with the State Department of Public Health, are shown spraying roadside pool for mosquitoes, and insects in the vicinity of Cree Meadows Golf Course.

ALL-AMERICAN—

(Continued from Page 1—Sec. B)

power" for her Anaheim, Calif., automotive dealing owners, suffering her only crucial setback in three starts when she encountered ill racing luck in a trial and failed to qualify for the Rainbow Futurity. She came back the same day in another dash, however, to match the 20.4 seconds required by Talent Bar in winning the Rainbow over a muddy track.

Talent Bar was purchased for a mere $2,000 at last fall's All-American Futurity Sale of yearlings, which will be conducted again here Friday, Saturday and Sunday nights of next week. Along with Joe Love and Cee Bar Deck, when Ruidosoans finally get a chance to see him in action Saturday Talent Bar must be considered among the quickest developments of the summer to come up to the All-American.

Rapid Volley, much to the management's delight, drew into what will go as the final Trial in the featured 11th-race spot, and his toughest competition will be none other than Ruby Charge and Hoss Inman's Suki Tadre.

Joe Love gets to help open the show in the first division (sixth race) going against Go Moore Go, Capo Canaveral, Rocket Vandy and Fancy Reward. Talent Bar drew the outside No. 10 position against Goer, Little Bar Olene and Shining Note in the third division, and Cee Bar Deck the same starting spot in the 2nd division against Miss Gold Angel, Moore Go and Savannah Jr.

Likely choices in the other Trials include Spencer Childers' Four Forty Queen in the fourth division and such as Lassie Bar Sis, Heza Rocket, Rocket Poo and Camp Town Boy in a rather wideopen fifth division.

All Trial divisions are at 400-yards—Post positions, horses and jockeys are:

Spice and fright and everything nice will be offered fans when Ruidoso Downs presents the final Thursday program of its 60-day meeting this week.

The spice and fright in all probability will be provided by the Bob Arnett-Bill Hudson entry of Hot Mustard and Spooky Kid, heading a field of eight trying for the 870-yard Ruidoso-Hondo Valley Chamber of Commerce headliner.

With two of the hottest riders on the grounds, Larry Byers on Spooky Kid and Duane Sterling aboard Hot Mustard, the powerhouse entry hopes to whet the appetites of the form players with Hot Mustard while Spooky Kid is horrifying the opposition.

But whether this works out, remains to be seen, since the sextet completing the field doesn't scare easily. Everyone of them—Ray Seeley's Pere Song, Ben Campbell's Mi Don, Harvey Hatch's Boy's Action, Vern Schumacher's Caprideck and Kemper Chafin's Missile Streak—have been winners at assorted sprint distances this meeting, the lone exception being Lloyd Jones' Bound Along.

First post for each day's 12-race program again will be 1:30 p.m.

Might Break Slump

The question of whether Frankie McDougal's fleet Mark K. will break his summerlong slump will be answered here Friday when he breaks from the No. 1 box in a field of seven named to the Bill Jordan - El Paso Herald-Post purse.

In front to the head of the stretch in all but one of his races here this season, Mark K. has been nipped on the money by such good ones as Big Little Man, Mom For Sure, and Miss Sand Dunes. And those have been at his more favored distance of 5½ furlongs.

This time, Mark K. comes up in a field that should prove a bit more to his liking, but still not a pushover inasmuch as he is being asked to carry his speed over six furlongs.

Mark K.'s toughest competitor Friday most surely figures to be G. W. Oliver's Budge Pockets, another Southwestern handicap star that has encountered no better fortunes than Mark K.

In fact, despite a lineup that includes such other good ones as Ray Seeley's King Noor, Lillian Spurlock's Midman and Fred George's Line Chief, it turns out none of them have been victorious here this summer.

If Mr. Jordan doesn't mind, this might also be billed as "The-Near-Missers Purse," since the same goes for Harlind Kelly's Pleasure and Diamond Lodge rounding out the field.

A companion Thoroughbred dash at the same distance brings out a band of seven more fortunate ones that have located the winner's circle here—Binary's Stride, Lanny Vain, Orlen Butch and Sun Joy against "bridesmaids" Sweepy Joe, Twenty Dreams and Gypsy K.

Ruidoso Mile Is Sunday

The $5,000-added Ruidoso Mile, designed to determine the distance-running champion of the meeting, will be the pre-Labor Day weekend headliner Sunday at Ruidoso Downs.

Nomination blanks were filed for a brilliant field of handicap stars, several of them 3-year-olds, to face Starter Pat Traynor, who recently succeeded L. G. "Sonny" Crockett.

At press time, Racing Secretary Wesley Meyers had these nominess in the fold for the Ruidoso Mile:

Gramercy Park, Lucky Pontotoc, Open Flow, Selerico, Red Jess, Que Maravilla, John's Rullah, Miss Sand Dunes and a newcomer named Bernice's Baby.

John's Rullah and Selerico finished 1-2 in last Sunday's $14,054 Ruidoso Thoroughbred Derby and it will be interesting to note how these 3-year-olds fare against tougher, more seasoned handicap stars in Sunday's Mile.

Final Thursday Program For '65 Unreels This Week

Any doubt that the seventh running of the All-American Futurity would become the world's richest horse racing stakes of any kind was dispelled here when a total of 58 royally-bred juveniles were named to Saturday's "go for broke" trials here.

With the gross purse for the grand finale now "flying high" at $422,800, the next important step for the aspiring young champions will be to earn one of the 12 treasured All-American starting spots awaiting the fastest individually-timed finishers, regardless of where they wind up in Saturday's six Trial divisions.

To the winner of the glamorous finale, to be televised worldwide by NBC, will go 50 percent of the gigantic jackpot, or something like $211,000-plus for 20 and a fraction seconds work.

Proof that the All-American now has claimed the No. 1 spot in horse racing's moolah market is offered by the fact that Thoroughbred racing's two richest stakes of this season will be the $350,000 Arlington-Washington Futurity in Chicago, and the $301,700 Garden State Stakes in New Jersey.

As for Saturday's Trials, which will be run as the sixth through 11th races, perhaps the biggest initial investment will be represented in the initial appearance at the meeting of Henry Van Ruiten's Miss Gold Angel.

Immediately after Miss Gold Angel won the recent Pacific Coast Quarter Horse Racing Association Futurity recently at Bay Meadows, Calif., Van Ruiten purchased the filly from Ken Merling for $50,000. Like money was going out of style, Van Ruiten then chipped in another $13,000 to make Miss Gold Angel a supplemental All-American starter.

To play it cautious, the Southern California dairyman and his trainer, Darrel Banks, then planed brother Ronnie Banks in from California a week ago Tuesday to ride Miss Gold Angel in a mere schooling-chase. Apparently what they saw convinced them, for the top-ranking Ronnie is coming back to ride this "armored truck" posing as a quarter horse filly in Saturday's second Trial, going as the seventh race.

Five other $13,000 supplemental entrants are in much the same door-don't situation as Miss Gold Angel Saturday—Don Steele's Cee Bar Deck, La Mesa Park Futurity winner and 2-year-old champion of the Raton meeting; Fred Beckham's and L. V. Casey's Rapid Volley; Hugh Huntley's Ruby Charge, winner of the $112,000 Kansas Futurity here this summer; Paul Perner's Talent Bar, winner of the recent $88,000-plus Rainbow Futurity here, and the Florida invader, Joe Love, Ohio Futurity winner and owned by Mildred F. Zollner of Floral Park, Fla.

In the case of Rapid Volley, this Three Bars - Table Tennis filly has shown more than a little "horse-

JOHN'S JOHN — Dr. John T. Norton accepts trophy from famed TV comic, Cliff Arquette, who plays the role of Charley Weaver (left) after his John's Rullah won Sunday's 17th running of the $14,054 Ruidoso Thoroughbred Derby at Ruidoso Downs.

Warrior Booster Club To Meet Thursday, Aug. 26

The Warrior Booster Club will meet Thursday this week, Aug. 26, at 7:30 p.m. at the Ruidoso High School, it was announced by Eddie Siddens, president of the group.

Plans for the barbecue to be served at the football field Saturday evening will be coordinated, and all members are urged to attend, Siddens said.

PARIMUTUEL HANDLE PASSES $8 MILLION—

17th THOROBRED DERBY SEES COLORADO WINNER

John's Rullah reigned as Ruidoso Downs 3-year-old champion this season after scoring a half-length triumph over Bill Barker's Selerico in the 17th running of the $14,054 Ruidoso Thoroughbred Derby Sunday. Favored Start Talkin finished third.

The Ruidoso oval was two days late in reaching its $8 million pace of 1964 but the week-end 4-day mutuel handle of $708,792 pushed the 48-day season total to $8,168,143.

Dr. John Norton, Denver owner of the "Colorado terror," got $7,027.82 for John's Rullah's 7½ furlong triumph in 1:33 3/5. Grady Overton was the winning jockey.

The second place horse, Selerico, ridden by J. Sherman and owned by W. H. Barker, Sonora, Tex., brought home a $3,513.50 check. A prize of $1,686.48 went to third place Start Talkin', owned by Ralph Feffer and Roy Hatch. Animas, and ridden by E. Minchey. D. W. Whited was aboard the fourth place Noble Music, winner of $843.24, and owned by J. William Ringsby, Denver.

BARBECUE, SCRIMMAGE HERALDS GRID SEASON

First Game Pits Warriors-Grizzlies Friday Next Week

Football fans get a taste of what's on the calendar for them later this fall Saturday night this week at the local school athletic field when the 1965 edition of the Warrior gridiron hopefuls don uniforms and scrimmage with a visiting squad, Dexter's Demons drive here for some practical practice in football with the Warriors.

Also in store for the fans will be a barbecue, an annual event sponsored by the Warrior Booster Club, which tends to bring the fans out for a pre-season peek at the team. The barbecue will be served by members of the Booster Club, assisted by the Lions Club, and will start at 6:30 p.m. President Eddie Siddens of the Boosters said a committee headed by Dave Parks and Tommy Pertect and other club members will be helping prepare and serve the meal which will consist of all-the-fixins' with a heaping plate of barbecue. There'll be beans, pickles, coffee, etc., offered at $1.50 per plate for adults and students of high school age, and $1 for students not in high school yet, Siddens said.

In addition, memberships in the Warrior Booster Club will be solicited during the evening as well as the sale of season tickets and reserved seats. Ten dollars buys a reserved seat and season ticket, with a Booster Club membership thrown in. If a Booster Club membership is purchased alone, it is $5, Siddens added.

Ruidoso Warrior football coach Ken Newton stated Monday afternoon during a rainy practice, and it may have been only rain in his eyes when he said, "The 1965 football season will start with only one returning letterman on the squad. And only two other players have had high school experience in the 1964 season. The balance of the players have had only junior high school experience."

Newton listed this prospective line-up of players for the 1965 season: Craig Whipple, Mike Payne and Alan Baker, quarterbacks; Jimmy Barcus and Dale Perry, halfbacks; Wade Lane, Marvin Millage and Rick Scott, wingbacks; Alfred Pearson and Silverio Candelaria, fullbacks. Ends, Tim Leftwich, Butch Faubion, Mike Sloan, Bill Daily and Leonard Shows. Guards, Rosalco Barraza, Bob Caudle, Rick Stevenson, Benny Salas, Wilton Howell, Jack Valliant and Tom McNeal. Tackles, Danny Jost, John Armstrong and Ronnie Taylor. Centers, John Russell, Mike Trotter and Mike Stephenson.

First game of the season for the local crew is set for 8 p.m. Friday of next week with the Warrior's traditional rivals, the Carrizozo Grizzlies at Carrizozo. Prospects are for a large crowd of fans to travel with the team to Carrizozo to see the first match.
