## Around Town

—By Nosey Waters—

Couple of future spacemen tried out a pair of rocket launches here Monday despite the heavy downpour. Count down was at 2:30 p.m. for a small rocket, and a few minutes later for a larger one, put together by Cyrus Leland III and Brooks Day. Cyrus, son of Cy Leland, Jr., and Mrs. Jo Leland and Day, son of Mr. and Mrs. Raymond Day, had a small audience for the scientific event. The smaller rocket whizzed to an altitude of about 100 feet while the larger one went an estimated 500 feet, and returned via parachute. Still other launches are planned, they said. They fired the missiles from the area near Ruidoso airport, receiving permission from the tower for the Labor Day holiday successful mission . . . Max McCoy, general chairman for the 1965 Aspencade, is already putting wrinkles in his brow over various and sundry details of the annual autumn event here. He says, "It's just one month until the parade, and I'm hoping most folks realize that time is short to get their floats ready." Don't worry about the school youngsters, Max, we observed a pair talking plans for a junior class float (or maybe it was a club float) they were going to fix—and were already getting things together for decorating it. Anyway, Max has a good suggestion. Our parades have been getting better year after year, and this year will probably be the triumph of all times. What is so darn keen is the interest and work contributed by our teenagers. Their part deserves all kinds of plaudits . . .

The following item appeared in Billie Holder's column in the Alamogordo News the other day and should be of interest to the many friends of the Bonnell families:

"Kiel Bonnell, 11-year-old son of Mr. and Mrs. Ted Bonnell and who is known more by his nick-name of 'Bo', always has had a hankering to go to Alaska. His interest has caused him to do all kinds of research and reading on the state, and to build his desires to go up there. He has ideas of homesteading a piece of land up there when he becomes old enough to do so.

"For some time, he had been trying to get his dad to take him up there, and during last winter was able to get a promise that the two would take a trip to the north this summer, and see Alaska. However, summer brought all kinds of activities for Ted, and he finally reached the point that he had to tell Bo that it simply would be impossible. Bo was not to be outdone, however, and he no doubt had given thought to the answer to that very proposition, which he apparently had anticipated.

"'If I can get Grandma to go with me, can I go?' was his comeback; and Ted, knowing full well that grandmother wouldn't care for such a trip, agreed. Well, Bo soon had grandmother on the phone, and she was not only willing to go, she was ready.

"So, the trip was arranged, and Bo and his grandmother, Mrs. Kiel Bonnell of Ruidoso, are in Anchorage right this very minute. They've corresponded, of course, and both seem to be having the time of their lives.

"Really, they're due back home on Wednesday of this week. After all, Bo is due back in school. The Ted Bonnells are anxious to get a first-hand report, too, and to find out if an on-the-scene visit has caused any lessening of Bo's interest in a future in Alaska."

Mr. and Mrs. L. Huntley of El Paso reported last week that Huntley was hit on the head by a bear while asleep in his sleeping bag while camping out in the mountains north of Ruidoso. He was awakened about 3 a.m. Wednesday morning by the bear and as he was trying to get up, the bear bit him on the shoulder. Huntley covered himself with his sleeping bag and the bear finally went away. Mrs. Huntley was sleeping in the car. The Huntleys came in to Ruidoso and spent Thursday night at Alpine Lodge. Huntley told Mrs. Jeanne Moore at Alpine Lodge that he received medical attention in Alamogordo.

## RAIN DAMAGE TOTALS $15,000 TO ROADS

Max Oliver, Lincoln County Commission chairman, estimated Wednesday that rain and flood damage Tuesday in the Ruidoso and Hondo Valleys exceeded $15,000. Roads and culverts in Alamo Canyon and Coe Canyon were washed out and damage to roads and bridge crossings in the Hondo and San Patricio area were reported either washed out or in bad need of repair. Three inches of rain was unofficially reported to have fallen throughout most of the valleys in less than a 12-hour period, Oliver reported. Many of the school children from Hondo School who live on the south side of the river were reported unable to return home after school Tuesday and spent the night with relatives and friends on the north side of the river. At San Patricio, George Romero was reported to have taken some of the school children across on horseback.

The Tuesday downpour in this area this week was just one of a series of several soaking showers that have fallen in the mountains and foothills of this part of the Lincoln National Forest in the last few weeks.

Heavy rains hit the historic old village of Lincoln and the Bonito Valley Tuesday and Wednesday, Bill Shrecengost reported. He said rain gauges at his house showed 3.9 inches for approximately a 24-hour period during the two days.

Each woman teacher was presented with a corsage, and each of the men teachers was given a boutonniere. Mrs. M. E. Wall was chairman for the dinner and was assisted by Mrs. Darrel Waltrip, Mrs. Bill Leftwich, Mrs. Floyd Haake and Mrs. Wilbur Conley. Mrs. Ed Wimberly was in charge of the ticket sale, and Mrs. Lavenia Clark assisted at the membership table.

The students in Charles Bishop's home room won the $5 given to the class having the most parents present.

Mrs. Long said she wanted to express her appreciation to Cecil Jennings and Romeo Klein of the Jockey Club for cooking the hams, and to all the parents for bringing food for the dinner, also to Mr. and Mrs. John Sigler who obtained the hams for the P-TA.

The next meeting of the P-TA will be held on Nov. 4, Mrs. Long stated. She said there will be no meeting in October, but instead, the big annual Hallowe'en Carnival will be held then.

## THIS NEWS WAS KINDA LATE . . .

Thirty pieces of real estate in Lincoln County including property within the village limits of Capitan, Carrizozo and Ruidoso were to be sold by sealed bid by the state tax commission with a deadline of Friday, Sept. 10 for receipt of the bids, according to a notice received by the Ruidoso News last week too late for publication. The notice, issued on Aug. 10, was mailed last Friday, reaching the News on Saturday, two days after last week's paper had been mailed. The news of this sale should have had considerable prior publicity, we feel.

## — THE — SILVER LINING

— By — Daniel A. STORM

"It couldn't have happened to a nicer guy."

So goes the old baseball saying. When these by-word come up we American people have a way of saying them every time we turn around, til we finally run them into the ground. The little jingle seems to wear better than most. Wonder why? Maybe because the central idea behind it is kindly, generous, charitable. Somehow I think this little proverb is typically American and will go down through the years as a classic.

Anyhow it is the first thing I thought about when I saw Jack Wallace flash by the finish pole aboard his No. 10 horse that never to be forgotten sloppy, rainy Labor Day this week.

With the entire sports-minded world—which is just about everybody holding their breath before their television sets, radios, or there at the track, you had to laugh at the finish of the race. Savannah Jr. and Jack looked almost lonesome out in front by themselves, daylighting the pack in the rain and mud. Jack turned to look back and the expression on his face seemed to say, "Where is everybody?"

To those who know something of the record of this splendid young gentleman there was in that moment a feeling of the deepest emotion. I thought I was going to break down and cry right there in this great crowd of howling race fans.

If this had happened, the good thing about it was that nobody would have noticed me. For these folks had just witnessed the greatest horse race of all time.

• • •

A couple or three years ago, one evening I walked into Bob Hollis' Barber Shop in Ruidoso, The City in the Pines. I recognized the young man getting a hair cut as the great race rider, Jack Wallace.

I had always admired his art of pacing a horse in a long race so as to bring him down the stretch in his best shape to win. It seemed remarkable to me also that this man was also one of the top men in riding the fire balls in the sprint races. It is not often you find a man who is good at both.

Like all champions, Jack is friendly. And he talked on about his life first as a bronc rider and later as a race rider. I hung on his every word. He told us how one time in Phoenix his horse fell and just about every horse in the pack got a hoof or two on him. He was terribly injured, and remained unconscious two or three weeks, I think he said.

Finally, through the help of a modern medical device that had just been invented and of which there were only two in the world; and through the prayers of his loved ones, Jack came back to life.

As Jack left Bob's barber shop and bid us all a smiling, "Be seeing you," I said to myself, "With all the courage that man has to go along with his natural ability as a rider, surely nothing can stop him from going to the top."

Everybody was glad to see Jack Wallace win the race, because he is respected and admired as a clean sportsman and an upright Christian gentleman.

Just as he rode across the finish line in the most colorful, the richest and the most exciting horse race in all history, this lad brought to bright and joyful victory a long, courageous battle to the top—a battle which began in a hospital where he lay for days at the very threshold of death.

This victory and honor truly, couldn't have happened to a nicer guy.

## 100 Phillips '66' Dealers Due For Sales Meet

About 100 persons are expected for a meeting of Phillips Petroleum dealers and jobbers here Friday and Saturday this week-end, with headquarters at the Chaparral Motor Hotel.

One of the principals heading up the conference here will be Paul Rechnitzer, Denver Division manager for the company that has made the trademark "Phillips 66" so widely known in the west and midwest. Other leaders will include Loy Doty, sales manager; John Guy, operations manager; Rex Guice, sales promotion; Bernie Bush, assistant to Guice; Casey O'Donnell, division lubrication manager, and several others.

Important officials from the Bartlesville, Okla. home office for Phillips will include Harlan Nelson, assistant sales manager for the western United States; Ernest Sewell, manager of lubrication sales for all the Phillips territory, and Mack Netherton, manager of fertilizer sales for the western region.

Making arrangements for the meeting have been Earl David, Odessa, city manager; Carl Brown, Lubbock, Tex., district representative, and Keith Fowler, Amarillo, assistant district manager for that area.

Golfing at Cree Meadows, a sight seeing trip in the area and attendance at Ruidoso Downs races is among entertainment sandwiched in between the sales promotion sessions.

## Rep. Shrecengost Attends Meeting Of Advisory Board

W. G. "Bill" Shrecengost, Lincoln County State Representative, attended the Governor's legislative advisory commission meeting held in Albuquerque last Friday. The commission discussed natural resources, water, state parks and recreation. The commission made recommendation that the State planning office compile comparative figures on the values of water to New Mexico, comparing value of water used for agriculture with value of water used for industrial purposes. Steve Reynolds, state engineer from Santa Fe, was one of the speakers at the meeting, Shrecengost said.

### FILM IS COMPLETED

"The Lincoln County Wars" a one and one-half hour documentary film which Antrim, Inc., of Chadds Ford, Penn., has been filming this summer in Lincoln County was reported finished last week. Director of the film was Denys McCoy, a nephew of Peter Hurd, well-known Lincoln County artist. J. T. Johnson plays Buckshot Roberts in the film and Ben "Red" Denton plays deputy sheriff Hindman in the film which reportedly will be released to theatres around Jan. 1, 1966.

## Rolling Cars Cause Crashes; Cabins Are Entered

Mrs. Hannelore Beinsen, Reno, Nev., driving a 1960 Pontiac Sept. 7, at 3:19 a.m was charged by Ruidoso police with failure to use due care when her car being driven downhill on Mechem Drive skidded into and over a curbing. Mrs. Beinsen was taken by Chapel of Roses ambulance to Ruidoso-Hondo Valley General Hospital where she was given emergency treatment and released.

Irvin Louis Zichart, Borger, Tex., was cited Sept. 4, at 12:28 p.m. for failure to use due care when his 1962 Buick rolled into 1965 Chevrolet driven by Carl Wayne Risinger, Altus, Okla. The accident happened at junction of State Road 37 and Highway 70. There were no injuries according to Ruidoso police reports.

A 1960 Oldsmobile belonging to Gladys Eleanor Albright, parked on Sudderth Drive Sept. 4, at 1:28 a.m. rolled across street and hit a 1962 Oldsmobile station wagon belonging to Hope Roberts. An unidentified witness stated that an Indian pushed the Albright car from the curb and started it rolling across the street. There were no injuries and no charges were filed according to police reports.

Two cabin break-ins were reported by Ruidoso police over the Labor Day week-end, one in Carrizo Canyon and another in the Upper Canyon. Nothing of appreciable value was reported missing, accord to the reports.

## Many Dogs Available For Adoption At Animal Shelter

The Humane Society Animal Shelter which is located in the northeast area of Palmer Gateway, has a number of dogs available for adoption now which will make wonderful playmates for children or companions for those who appreciate the devotion and loyalty of a good dog. Most of the dogs at the shelter are young puppies which can be trained very easily. Anyone interested can call the shelter at 257-2287. Mrs. "Pat" Patterson, the caretaker, is at the shelter on weekdays from 2 until 5 p.m.

Every year about this time, many families which have spent the summer in Ruidoso and have acquired a pet while here, leave for their homes elsewhere, and also leave their pets behind here. If those who can not take their pets with them will call the Animal Shelter, the pet will be picked up and cared for at the shelter until another home can be found for it. The shelter telephone number is given above.

## LETTERS TO THE EDITOR

I need to make a slight correction in the contents of the item in last week's "Around Town" concerning Camp Geronimo, Inc. The school to be conducted by Mr. Forrestal is an addition to the activities of Camp Geronimo. It will cover the nine winter months and will have use of only two of the buildings of the camp. There was no sale involved in the establishing of the school, but there has been a re-organization of Camp Geronimo. This is a corporation and is owned by Mr. and Mrs. George Tally and myself. It will continue its operation as a camp at other times of the year than the above with Mr. Tally in charge. While the schedule for the 1966 summer session has not been completed, it appears that most of the time will be reserved by various church groups. At least one session for boys will be included if at all possible.

PARADE TO POST — Miss New Mexico, Judy Baldwin of Clovis, was at head of this 'parade to post' of one-dozen two-year-olds for Labor Day Classic, All-American Futurity here Monday.

TAKING MOVIES — Color movies of All-American Futurity were made by four cameras Monday for showing on NBC's Sports In Action programs (now off the air but due to return Saturday, instead of Sunday, on Sept. 18). Head cameraman Bruce Powell is shown under shelter of umbrella held by assistant in one of these two photos. Cameras were on roof in four locations to catch the 400-yard dash. Other scenes were photographed on the week-end for fill-in use for the forthcoming show to be telecast worldwide.

BIRD'S EYE VIEW—Mike Burns used a Trans-Photo Lab camera to get an unusual picture of finish of All-American Futurity race at the Downs Monday, using this 'cherry picker' for a perch facing horses coming down track.

## Bonito Water

By LOUISE COE RUNNELS

Fish stories have turned to bear stories now in the Bonito Canyon and in fact Eagle Creek Canyon. Arvel Runnels and Marvin Jones are guides. Fletcher Hall is along, too, with his dogs, they are having a great time! They treed three bear in one tree. That makes a short story. Over in Eagle Creek Canyon Dorothy Neal tells a story about a bear being in her bath room early in the morning, and it wasn't funny. She didn't know if he was thirsty, or thought the sign said, "Men".

For awhile this Labor Day Week-end I was almost on Alamogordo's side, there were so many people. You know their slogan is "Help Alamogordo Stamp Out People". Seriously, I was happy to see so many people and such pretty weather. The Bonito Dam even run over the spillway with joy. It is the first time the dam has run over at this time of the year in a long, long time. We have as much water as in springtime in the creek.

The City of Alamogordo is letting the Nogal Lake fill with water now, so before long it is hoped the game department will stock it with catchable fish.

The Sheriff's Posse from Odessa, Tex., in a group of about 88 are camped in Bear Canyon enjoying trail rides, guided by Arvel Runnels, and some are fishing, and some bear-hunting. They have headquarters for cooking, cooks,

Farmers who do not file a claim for the federal gasoline tax refund are passing up a chance for a 4-cent-per-gallon savings.

Farmers have until Sept. 30 to file for a federal tax refund on gasoline used between July 1, 1964 and June 30, 1965.

Lincoln County cattlemen are urged to treat cattle for grubs.

Cattle in the area should be treated by Oct. 15 in the Lincoln County area. Later treatments, after the grubs have formed lumps in the backs of cattle, are not as effective as treatments now.

Treating livestock with systematic insecticides after Oct. 15 in Lincoln County could cause complications. Larvae are usually full grown after those dates and a heavy infestation would mean dumping considerable amounts of killed grubs into the animal's system. The animal's body must then absorb and overcome this foreign substance.

Recommended controls include sprays, dips, pour-on treatments, and feed additives. Co-Ral may be used as a dip, spray or pour-on according to manufacturers directions. It is used at a rate of one-half ounce per hundred pounds of animal weight.

Ruelene comes in formulations for pour-on or spray.

Ronnel (Trolene) is a feed additive. It can be used as a seven-day treatment or a 14-day treatment.

Co-Ral, Ruelene and Ronnel give hornfly and lice control as well as controlling grubs.

Use these precautions when treating cattle:

Do not treat sick animals or those less than three months of age. Spray animals three to six months of age lightly. Do not treat animals for ten days before or after shipping or after exposure to disease.

Ruelene and Ronnel should not be used within 28 days of slaughter.

Co-Ral may be used up to the day of slaughter.

**Need Some Meat For Your Home Freezer?**

Buy a lamb or calf at the Lincoln County Fair. They will be sold at market price. The lambs will be available at 23 cents per pound plus a two dollar per head slaughter charge. These animals will be slaughtered and the carcass evaluated with prize money and trophies given on the top animals. For more particulars see Mrs. Tom Knight of Ancho, John Cooper of Tinnie and Dean Boyd of Capitan.

The 4-H'ers and FFA boys need to sell these animals so that they can be entered in the carcass classes.

Plan to attend the Lincoln County Fair Friday and Saturday—Sept. 11 and 12. Rain or shine there will be livestock, home economics, flowers and fruit on exhibit starting on Friday at 10:00 a.m., at the fairgrounds in Capitan.

Saturday will be the parade, starting at 10:30 a.m. at the school and arriving at the fairgrounds around 11:30 a.m.

Each afternoon a Junior Rodeo will be held under the direction of Fletcher Hall.

If you want to see a real County Fair, be in Capitan Friday and Saturday.

Cruz Barrazas will also be in the game, along with some of the junior high team to round out a bus load of boys for the trip, Newton said.

## FINAL THREE DAYS COMING UP AT DOWNS

Coming off another record-breaking Labor Day week-end that saw the handle soar to $1,286,526 for the four days, Ruidoso Downs swings into the final three days of its current meeting here Friday.

With the world's richest horse race, the $419,460 All-American Futurity, and quarter horse racing's No. 1 sale, the All-American Futurity Sale, written into the record books, getaway week gets under way Friday with a 12-race program featuring the 350-yard Sierra Blanca Ski Shop purse.

Likely favorite in the field of eight named through the entry box is Little Red Demon, a hard-knocking 3-year-old seeking his fifth victory of the meeting for owner-trainer Clyde "Bulldog" Turner, famed Chicago Bears football star for more than 15 years.

Going against this tall, wide Texan's campaigner will be a number of other winners at the meeting—including Panama Pants, My Leo's Flash, Hit 'N Run and Dial Diamond.

First post for each day's 12-race program this week-end will be 1 p.m., with a couple of other outstanding Thoroughbred races on the card for the first day Friday.

One of them, the 10th race, brings together the likes of Garden Bell, Big Drouth, Toltec Gorge and On The Wagon, all winners this summer, and another, the seventh race, matches a good band of 3-year-old sprinters, headed by Lilowino, Pleasure Call, Time's Right and Flare Lych.

Plans are going ahead for another record-smashing season next summer, with the All-American Futurity expected to near the $500,000 mark and the All-American Sale of yearlings to top past auctions in the Southwest.

**Three Features Saturday**

Sunland Park, chinchilla breeders, and Phillips "66" move into the limelight here Saturday when Ruidoso Downs presents the next-to-last day of another record-breaking summer racing season.

## PAIR OF INDIAN TRIBES ON GRIDIRON WARPATH

A couple of bloodthirsty New Mexico Indian Tribes, the Ruidoso Warriors and the Socorro Warriors, will meet in combat in Ruidoso Friday night in a resumption of gridiron rivalry that dates back several seasons. In 1964, the Ruidoso tribe brought back a 20-14 victory from Socorro—and the locals are hoping to stand off a determined invasion seeking revenge from the rival camp this week.

Coach Ken Newton, very happy over the fight and skill shown by his younger Ruidoso team in the close 14-6 loss to Class C state champs, the Grizzlies of Carrizozo there last week, predicted this week that the Warriors might taste victory in this first home game of the season.

He indicated there will be very little change in starting line-ups of the offensive and the defensive teams—except there are a couple of fellows wearing bandages from injuries. Mark Sloan, with a broken thumb, might not get into the fight, and Mike Payne, with a bad finger, might have to vacate his guard slot. Newton said Alan Ross is back in the line-up—coming in late for training but catching up fast in workouts.

Checking the line-up, Socorro wil go into the game here with an 18-pound per man average advantage over Ruidoso, while the backfield is not quite so heavy, holding about a 10 to 12 pound edge.

Game time is 7:30 p.m. under the lights at the local athletic field.

Next week Ruidoso will play host to Jal here in another non-conference match.

## TRIBE LOSES CLOSE 14-6 TILT TO 'ZOZO

By H. B. FLANAGAN

Ruidoso's Warriors, battling the Grizzlies of Carrizozo on every down, lost a hard-fought football game to the 1964 Class C champion Carrizozo team 14-6 last Friday night on the Grizzlies' home field.

In the first quarter, Carrizozo's big 238-pound fullback Ortiz plowed the Warrior line at will, picking up valuable yards on almost every carry, bearing the brunt of the Carrizozo attack.

After an exchange of punts in the first quarter, and a fumble by the Grizzlies, the Tribe couldn't get their offense going, and with the ball on their own 14, Ricky Scott quick-kicked down to the 'Zozo 38-yard line. From there the Grizzlies began picking the Warrior forward wall for good yardage, blasting through the line on power plays, down to the Ruidoso 3-yard line. From that point, the 'Zozo eleven was penalized back to the 9. From that point Carrizozo scored the first TD of the contest. The extra point was good as Mike Voss, quarterback, hit Petty for the PAT.

After the ensuing kick-off, the Warriors were stymied on the ground and took to the air for a few aerials. Whipple found two Warriors had slipped behind the Grizzly defenders and laid a beautiful pass just over the defender's head, just on the fingertips of a Warrior racing downfield, but the ball slipped off his fingertips for what would have been a sure TD to get the Tribesmen back into the ball game.

After punting out to the Carrizozo 40, the Warriors found themselves being pushed back toward their own goal by the heavier, more experienced Grizzlies. With the ball on the Warrior 30-yard line a Grizzly halfback twisted and turned his way into the end zone for the second touchdown of the evening for the Carrizozo crew.

Being unable to move on the ground, the Warriors again tried to get a passing attack going, only to have one of their aerials stolen by an Carrizozo defensive man. From the Warrior 32-yard line, the Grizzlies managed to plow down to the Warrior 19-yard line. From that point the Warrior defense tightened and the Grizzlies found the yards getting tougher and tougher. After working the ball down to the 1, they were penalized back to the Warrior 6-yard line. At that point an alert Ruidoso lineman pounced on a fumble to stop the Grizzly drive.

Coming alive after the half-time, the Warriors shocked the Carrizozo defense with a "Go" play after receiving the kick-off and returning it to their own 35-yard line. With their linemen about 10 yards from the ball, only the center and quarterback near where the ball was, they pulled a quickie with Whipple tossing a sort of a screen to Barcus, who carried the pigskin down to the Grizzly 35-yard line with the help of good blocking from teammates. With fourth down and goal on the Grizzly 16, Whipple hit Jimmy Barcus in the end zone

## Games Set Thursday, Tuesday For Junior High Eleven

Coach Dub Williams Tuesday listed the probable offensive line-up for the Junior High squad in its starting game with Carrizozo Junior High School at Carrizozo this Thursday afternoon, Sept. 9. He said the players who may get the nod will likely be Pat Farrar, quarterback; Mike Shriver, tackle; Jerry Maloy, end; Craig Horton, fullback; Richard Vickers, guard; Richard Keith, center; Frank Jones, wingback; Raymond Taylor, tackle; Dale Perry, halfback; Neale Williams, end; Gary Stagner, guard; Steve Long, tackle; Ed Guthrie, center; Donnie Klein, fullback.

Others on the junior high squad who will suit out for Thursday's game are: Lynn Perry, David Estes, Robert Bailey, Barry Nelson, Wayne Fulcom, Clay Hull, Schar Ward, Ross Crandall, Mitch Locke, Lynn Staggs, Eddie Candelaria, Steven Spall, David Stewart, Danny Halladay, Carl Palmer and Ronnie Staggs.

**First junior high home game of the year will be at Ruidoso with Dexter Junior High School next Tuesday night, Sept. 14, at 7:30 p.m., Williams said.**

## LaMay Scores Winning Tally For Capitan Over Cloudcroft

Bob LaMay rammed his way over in the fourth period for a touchdown to lead Capitan to a 6-0 victory over Cloudcroft in a District 2-C contest at Bear Stadium Saturday afternoon in Cloudcroft.

It was the first game of the season for both teams. LaMay's touchdown was the climax of a goal line effort by the visitors after they had marched 65 yards for the score. With the ball on the Capitan 35, LaMay hit Robert Chamers on a 20 yard aerial to move the ball down to the Bear 45. LaMay, William Herrera and Richard Griego then rammed their way down to the 3-yard line. Three attempts at the middle of the Bear line moved the ball down to the goal line. On fourth down LaMay fought his way around the right side for the lone score of the game.

The point after touchdown attempt was no good.

The Bears, fielding a green team after being hit hard by graduation this spring, made a vain effort to get back in the ball game in the closing minutes of the game. Fuller hit David Coleman on a 20 yard aerial to put the ball down on the Capitan 35 yard line but the gun sounded to end the game.

or the first Warrior TD. Try for PAT was no good.

In the fourth quarter Ricky Scott picked off a Carrizozo aerial in the Warrior goal line and raced out to the Grizzlies' 42. From that point the Ruidoso crew ran the ball down to the 24-yard line before giving up on downs. From that point the Carrizozo team failed to get their offense clicking as time ran out with the ball on their own 1.

**FINAL THREE DAYS—**
(Continued from Page 1, Sec. B)
The tripleheader featuring, in order, will honor Phillips "66" dealers convening here from New Mexico and West Texas in the 8th race, the Empress Chinchilla breeders in the 10th race, and Sunland Park in the featured 11th race spot.

The Sunland Park purse, heralding the 83-day wintertime meeting at Ruidoso Downs' sister track Oct. 2 - April 10, will bring together a small but select band of 2-year-old sprinters headed by Ralph Feffer's and Roy Hatch's Barlanx, which led the field for almost six furlongs in the $15,000 thoroughbred Derby here.

Barlanx figures to be more at home at the 6½ furlong distance at the Sunland Park but he'll still require his best running shoes to fend off such others as Myrtle Beach, Ann's Noble, Frank Meyers and J. S. Williams, Rita Minor, Patricia and George Oliver's Rocketta and John Adams' Big Rob.

Though only Ann's Noble and Barlanx have tasted victory at the meeting, the others have been knocking hard at the door of opportunity and might get an answer a time on their best efforts.

In honoring Sunland Park, Ruidoso Downs recognizes its importance to Thoroughbred and Quarter Horse racing in New Mexico, but with the coming winter season hard by El Paso offering approximately $1 million in purses including a $300,000 stakes program.

In the companion Empress Chinchilla Breeders dash at 400 yards, there may be plenty of fur flying here, such near-All American Futurity calibre speedsters as Fly Away Faila, Rebel's Fay, Cookie's Gay Way and Mr. Jet Deck get together.

The Phillips "66" sprint over six furlongs also will supply sufficient excitement when a field of seven here seeks to overhaul front-running Naroma.

**Season Ends Sunday**

A highly successful 1965 race meet ends Sunday with a probable dividend Amogis feature yet to be determined by the racing secretary, the Ruidoso Downs publicity office reported late Wednesday. Once entered and distance for the finale will be announced in later releases this week, Bill Clark, pawwriter said.

# ALL-AMERICAN AUCTION SEES $406,353 BID IN THREE NIGHTS

Hugh Huntley, three-time All American Futurity winner, set his sights on the 1966 running of the renowned Labor Day Classic when he opened the fourth All-American Futurity sale at Ruidoso Downs last week-end with a purchase of $37,000.

The prominent Madera, Calif., owner and breeder, purchased the one-year-old bay colt Jet Too (Moon Deck-Miss Night Bar) from owner-breeder William H. Carter of Clovis, Calif., during the second night of the vendue.

The three night sale was conducted by the Triple AAA Livestock Sales Company of Conoga Park, Calif. in the stable area at Ruidoso Downs immediately following the 12-race program each night.

Jet Too is a full brother to the mighty Jet Deck, a Triple A stallion who established himself as a great runner and stud, in quarter horse circles.

Huntley has captured the All-American Futurity on three occasions—Galobar (1959), Pokey Bar (1961), and Goetta (1963).

Banker, industrialist and recently turned quarter horse owner Bill Burford topped the sale in number of purchases with a total of 18 yearlings for an outlay of $40,475, also the largest single purchaser of running quarter horses. Burford, who lives in Wichita Falls, Tex., is in partnership with John Jones who will guide their racing stable from their Quanah, Tex., ranch.

Sales total for the three nights was $406,353, averaging $2,014 for the 130 yearling quarter horses who went through the ring.

## Tularosa Wildcats Blank Socorro, 25-0

Gilbert Lopez passed and ran the Tularosa Wildcats to a 25-0 victory over Socorro Friday night at Socorro in the opening game of the 1965 football season for both teams.

The 'Cats, defending District 3-B champions, rang up the identical score against Socorro as they did last year on their way to the league title. Tularosa scored one touchdown in the first and second periods and two in the third to get the season started off in the right direction.

Lopez, senior quarterback, sprinted 8 yards on an option play for the first 'Cat touchdown and then went 10 yards on a roll out for the second Tularosa score. Lopez then hit Victor Crawford on a 35-yard aerial for his third touchdown of the night. Lopez connected on 7 of 10 tosses for 145 yards to key the 'Cats first victory of the season. Lopez also split the uprights for the 'Cats lone extra point.

Robert Walker raped over from 7 yards out for the final Wildcat touchdown of the evening.

Looking good on defense for the 'Cats were Robert Candelaria, Johnny Vallejos, Barry Wright, Tony Baca and Lopez. Baca set up the 'Cats second touchdown when he blocked a punt early in the first quarter with Dwayne Stevens pouncing on the loose football at the 15.

Socorro failed to make any kind of scoring threat as the 'Cats took control all the way. The Wildcats were never forced to punt throughout the game.

## Down At The DOWNS

By BILL CLARK

The first time was the charm for Jockey Jack Wallace.

In his first crack at riding in the All-American Futurity, Wallace, 30-year-old interloper from Columbus, Ohio, and long a saddle favorite in the Southwest, knocked off the $192,730 winner's end of Monday's $419,460 classic.

For this, the personable Wallace has been selected Ruidoso Downs "Jockey of the Week" and probably a few weeks of relaxation with his riding cut of the purse—something like $20,000.

In the race for additional money, the $500, $250, $150 and $100 cash awards to the four leading jockeys and trainers, Danny Whited climaxed a season-long charge by toppling veteran Larry Byers from the No. 1 riding perch.

With only three days (Friday, Saturday and Sunday) to go, Whited now sports a record of 57 winners, 42 seconds and 50 thirds in 363 mounts, to Byers' 441-56-61-66 across the board mark. The situation now is that Whited must top Byers by at least one winner for the meeting to pocket top money. If they tie for firsts, Byers then will be crowned leading rider on the basis of more seconds.

Among the trainers, such a predictament does not prevail. Bob Arnett of Carlsbad, with 42-33-28 in 218 starters, holds a comfortable 11-winner edge over Joe Wade of Scottsdale, Ariz., second with 138-31-23-22. For third and fourth "cocktail hour" cash, it is a tight fit among Ray Seeley and Gerald Bloss with 26 winners each, Bill Thompson with 25, Robert Cuff and C. D. Wooten, 23 each, and Paul Smith with 22.

Jockey-Trainer standings with number of mounts or starts, and first, second and third placings are as follows:

**Jockeys**

D. W. Whited, 363-57-42-50; Larry Byers, 441-56-61-66; Johnny Cox, 329-52-50-41; Bill Rock, 218-40-32-25; Elbert Minchey, 302-36-36-33; Lowell Kreider, 307-33-33-42; Grady Overton, 132-30-21-26; Pete Moore, 274-27-34-30; Richard Lidberg, 231-26-22-27; Curtis Perner, 216-22-27-26.

**Trainers**

Bob Arnett, 218-42-33-28; Joe Wade, 138-31-23-22; Ray Seeley, 181-26-26-30; Gerald Bloss, 115-26-14-19; Bill Thompson, 159-25-21-14; Robert Cuff, 182-23-24-15; C. D. Wooten, 180-23-21-26; Paul Smith, 206-22-26-30; Ike Danley, 98-20-27-9; Jake Cascio, 177-19-22-26.

# Owners of All-American Champ Almost Sold Savannah Jr. Once

If it hadn't been for a "late scratch"—a leg cut suffered when the colt got tangled up in a wire fence at the family ranch—Savannah Jr. might have been the winner of last Monday's $419,460 All-American Futurity in somebody else's silks.

As it turned out, this minor injury might have been the best thing that ever happened to Father J. R. Cates and son Jesse, since Savannah Jr. actually was catalogued to go under the auctioneer's hammer in last fall's All-American Sale of yearlings.

Upon the advise of a veterinarian, however, the Cates withdrew Savannah Jr. from the sale, and now they are glad they did. The fact that Savannah Jr. won $192,730 in Monday's running of the $419,460 All-American Futurity makes it appear that this veterinarian deserves a cut of the purse along with Jockey Jack Wallace.

The triumph boosted Savannah Jr.'s lifetime earnings to third place—behind Goetta and Jet Deck among quarter horse racing's all-time money-winners with earnings of $224,518.

Now, the chief concern of the Cates, used-car dealers in Tulsa, Okla., with a modest 30-acre spread, is whether they "goofed" when they entered Mr. Savannah in last Saturday night's second session of the three-night All-American sale.

A full brother to Savannah Jr., Mr. Savannah was purchased by another Oklahoman, J. R. Adams of Guymon, for $17,000, fourth high price of the auction. What price, folks, do you think this colt would have brought if he went into the sales ring AFTER winning the All-American?

Anyway, the Cates still own their new champion's mama, Savannah Gay. And it wouldn't be too surprising if they bid in on Savannah Cates, which finished sixth the year Pokey Bar won the All-American in 1961. Savannah Cates is entered in Carl Mercer's annual Turf Time Sale, to be held Nov. 20 in Tulsa.

Evidence of how horses can change color since first being registered with the American Quarter Horse Association can be seen in the fact that Savannah Jr. is listed as being "brown." But right now he is more of a deep black with a touch of roan, which in all probability accounts for his silver-tipped tail.

Whatever his color, Trainer Ted Wells, Jr., 41-year-old veteran of 10 years in the training trade, confirms the fact that "Savannah Jr. is the best I've ever trained." Ted didn't have to say this in view of the fact that Ray Cates was by his side, "but I knew he had to be a good one, 'cuz I had his sister (the same Savannah Cates) and she was some kind of a race horse."

As to how a used-car dealer got involved in horse racing, it wasn't anything like the circumstances by which Oscar Jeffers, in the same business, took a few horses as trade-ins on automobiles before coming up with a good one like Mr. Bar None.

"It's just that my dad (Jesse) has been in the quarter horse business for years, having owned and stood the famed Question Mark in stud for many years."

So you can see, horse racing is just some kind of a sideline to Ray, who depends more on the automobile business to feed wife Maggie and their three daughters—Sandy 21, Sharon 20, and Debbie 11.

IN OLD SALOON—The Silver Dollar Saloon at Tinnie is part of the restoration done to the old Tinnie Mercantile building there by Robert O. Anderson a few years ago. Some of the fixtures and decor came from early San Francisco houses, demolished to make way for modern structures. Artist John Meigs obtained many pieces of marble, stained glass windows, drapes, etc., from the old houses to give the dining room, antique shop and other parts of the Tinnie place an atmosphere of the '80's.

BOWL FOR FUND—Some folks bowl for fun, these four men of the Lock and Bowl team of Albuquerque bowl for funds—funds that is for the New Mexico Multiple Sclerosis drive. They were sponsored here Tuesday night by Ruidoso District JayCees in an exhibition in which they took on all comers, with donations going to fight multiple sclerosis. In photo, from left, E. H. Morneueck, Joe Cordova, Herman Timmons, Ed Nowka, with booster, Charles Smith, jockey from Ruidoso Downs who has been named National Quarter Horse riding champion. In background are Ben Sanchez, president of JayCees here, Mrs. Lily Timmons, executive director of New Mexico Multiple Sclerosis Society, and John Sainato, Chaparral public relations man who arranged details of team's visit here. Holiday Bowl contributed use of lanes for the fund raising stunt.
