Visitors at the last regular meeting of the Ruidoso village council were the four village trustees from Ruidoso Downs, J. A. Crockett, Zeke Scott, Elvis Worden and Charlie Carpenter. We've asked Ed Lane to get us a picture of the huge German brown trout an Alamogordo fisherman pulled in on the South Fork of Bonito creek Saturday. Carl Jorren, Lane and C. C. Watkins said the trout was hungry lookin', kinda skinny, but plenty long. He measured 21¾ inches long and only weighed 3¾ pounds—he's been through a tough winter with all the snow and ice up there . . . You're an old timer if you can remember the members of the Ruidoso Business & Professional Women's club spending many hours of their time at night painting and lettering street name signs for Ruidoso 15 years ago. The signs were upright 4x4's and there are still a few of them around now. It was quite a chore and a welcome public service at that time. Wish we had name signs now . . . When we asked Tommy Jay, the son of the Albert Jays here, about what he thought about the guys picketing in this country, "Get Out of Viet Nam," he said he thought it would be a good experience for them. He has served in Viet Nam in the military, and he says he's sure glad to be home. He said that place was at the end of the world. Tommy went to El Paso early this week where he may make his home . . .

From Billie Holder's column in the Alamogordo Daily News: "There's been a change in policy on driver's license renewals, the people over at the Motor Vehicle Department and the State Police have asked us to tell people. A recent attorney general's opinion on drivers with out-of-state licenses has said that upon becoming a resident of the state, drivers must obtain New Mexico driver's licenses within 30 days. Policy in the past had been to allow new-comers to drive on their out-of-state licenses until it was time to renew them. The ruling, of course, does not apply to military personnel, who may drive on the licenses of their home states. So, don't get caught unaware; get your license now if you're affected by the ruling." . . .

Mrs. Harry Eckert recently received a letter from Art Linkletter, an answer to her note to him and pieces of information she sent telling of the ski area here. "He once said on his TV program he had skied at every ski area in the U. S., and I didn't think he had been here, so I let him know we had one of the biggest and best." She said the letter thanked her for the information . . . Mrs. James Germany, wife of the Capitan mayor, says the upcoming Smokey Bear Stampede will be bigger and better than ever on July 4th this year. The popular rodeo is gaining more interest throughout the Southwest all the time. A parade this year will have the theme Five Flags Through History—reflecting New Mexico's past. Mrs. Germany says the Capitan folks are sure hoping Ruidoso can participate in the parade with some floats, a band or other ideas. To enter, Mrs. Germany can be informed by letter, writing to Box 447, Capitan. Handling publicity for the Stampede this year will be Mrs. Jerry Foster, and Mrs. Dixie Sparks will be chairman of the event, Mrs. Germany said . . .

If you EVER wanted to buy a new car, now would be a good time, especially after you read Sierra Blanca Motor Co.'s half page ad in today's News . . . The art classes sponsored by the Lincoln County Art Association in late March and early May proved a distinct success and will bear repeating, Association president David Hall Travis declared. He said he'd like to know if others are interested in the same kind of series of eight lessons with Mrs. Kathryne Hall Travis as teacher again. Cost is $18, and the association gets a part of the tuition. The classes will be strictly for beginners, David says . . . The Earl Hickams, visiting here recently from Chama, reported they have disposed of their interest in a cable TV system at Chama and another community near there, and are now engaged in installing one at Las Vegas . . .

It may not be bear hunting time, but D. K. Cooper of Ruidoso felled a young black bruin in the home of Mrs. Mary Scott Tuesday night after it had made two attempts to enter the residence, through a front door, and then tearing at a screen door in the rear of the house. State Game and Fish Conservationist Charles Cockerell was told by the young man who slew the bear he killed it with four shots from a .30-06. The game officer said that although Cooper had a right to kill the bear when it invaded the residence, and after hearing reports it had chased a youngster in the upper canyon a few days earlier, that where possible, a game officer should be called to deal with obstreperous bruin. "We can trap them and move them to other parts of our district," he said . . . Some service station changes here—Clyde Atwood is now operating the Sinclair station in Ruidoso Downs, and has a wrecker permit, and Lawrence I. Shows has taken over Pat's Hollywood Enco on U. S. Highway 70 . . .

Dick Bennett of the News underwent surgery in an El Paso hospital Thursday this week.

Election Proclamation Printed Today

The county's election proclamation for the party primary balloting to be held Tuesday, May 3, is printed in today's Ruidoso News. It lists candidates of precinct, county, district and state level of both parties, and also indicates polling places and election judges and clerks for each precinct. It is found on page 2 of section C. You might want to keep the proclamation for later reference.

Charles Corder, Roswell, former resident of Angus, visited here briefly this week.

IN SENATE RACE—Seeking reelection of the state senate, this time as a Republican nominee in the newly formed multiple county district of Lincoln-Otero, is Joseph Skeen, Picacho rancher and former state chairman of the Republican party. Skeen has no opponent in the nominating primary, but will race an Otero county Democrat in the general election in November.

State Candidates Are Expected For Demo Supper

County Democratic Central Committee Chairman Ken Fuller of Corona, visiting here last week-end, reported there will be several candidates for state office on hand for the "Meet the Candidates" supper set for Saturday night this week, April 23, in the Capitan school auditorium and gym.

Democratic women will prepare and serve the meal, and a crowd of about 200 people is expected.

Tickets have been on sale throughout April at $3 per plate. The ticket sale campaign is being directed by Mrs. Veda Lou Stephenson of Carrizozo. They may be purchased from any Democratic precinct officer, Mrs. Stephenson said. Some of the people and places in this area having tickets for sale are Alton Gray, Dale Dodds and the Ruidoso News.

Village Clean-up Drive Called April 30-May 7

The Village of Ruidoso will officially observe its annual spring clean-up in a nine-day drive, called for Saturday, April 30 through Saturday, May 7, the village board of trustees voted last Thursday night.

Manpower, vehicles and other resources of the village will augment the volunteer help of citizens and civic groups in the campaign, designed to promote safety, health, beauty, civic pride and fire prevention.

Named by the village officials on a committee to push the clean-up drive were Blair Halladay, superintendent of the city's sanitation department; Village trustee C. W. (Buzz) Whitlock, Tom Walker, Darrell Waltrip, Ed Lane, Frank Chavez, Tommy Perteet and Vic Lamb.

In the committee's initial meeting Thursday night last week at the city hall, Lamb reported that Buford Starkey, chief Ruidoso Forest Ranger, had assured the use of the same area that was employed in last year's clean-up for a disposal site for trash.

Village equipment will be used to open a large fill site for dumping bulky items, such as appliances, building material waste, parts of car bodies, etc., and then will cover the fill site and the Forest Service will seed it with grass as an erosion preventative. The site is on a side road off Gavilan canyon near the entrance. Gavilan canyon runs north out of Ruidoso above the high school building.

Chairman Halladay said throughout the clean-up period, village employees will be used when available to assist in the work of clearing trash, including loading and hauling to the dump site. The regular garbage routes will be run, with all garbage as such being disposed of at the village garbage dump east of Ruidoso Downs. The site to be used for the clean-up is for this one purpose of doing away with bulk items.

Halladay said three trucks will be made available by the village and a pick-up with a trailer will also be used. He urged anyone who has a truck or pick-up to donate it during the drive. It wil be used to help haul away trash. He asked such donors to call the dispatcher and report the vehicle they have available, if even for a few hours.

Residents within the village limits who have trash that they want hauled away can call the dispatcher and tell the location of the trash. It should be loaded in boxes, sacks or containers that can be handled easily.

Civic groups, including such organizations as the Boy Scouts, Jeep Club, Kiwanis and Lions Clubs, will be asked to assist in clearing some particular areas, the committee decided in its first meeting.

A cash prize contest for posters will be staged as was done last year, with a first prize of $15, a second prize of $10 and a third prize of $5 offered. Posters should be completed and turned in to the high school art instructor, or to the school principal's office no later than Thursday, April 28. Judges will then pick the winners and the posters will be put on display in Ruidoso stores.

Clean-up in parks, on school grounds, church yards and other public gathering places will be stressed during the campaign.

Committee members Walker and Waltrip said the volunteer fire department members could assist in surveys of the town to determine where fire hazards existed due to excessive and combustible trash, and that persons on whose property such dangers were noted could be notified to take proper measures to remedy the problem. "If they do not comply with our request, then we can enforce Ordinance No. 119," Walker said.

Lincoln County Health Officer Chavez, also a committee member, said the clean-up drive would be a fitting time to call attention to the fact all garbage cans should be cleaned and they should have a tight fitting lid—a health measure that all can appreciate, he stressed.

Trustee Whitlock suggested that a comic, or cartoon symbol, like Smokey the Bear, might be evolved for displaying during the clean-up drive, then used year 'round to indicate places where trash can be discarded, and also to be used to advertise and implement campaigns to continue a fight on trash.

The clean-up committee had a second meeting scheduled for Thursday night this week at the village hall to work out further details for what they hoped will be a campaign as successful as the 1965 effort.

For A Judge Who Will Devote All of His Time To Being A District Judge

☆ ☆ ☆

A PERSONAL PLEDGE FROM THE CANDIDATE FOR DISTRICT JUDGE, DIVISION 2

All laws will be enforced in a firm, but fair manner, without political or personal influence.

I will display and apply honesty, industry and courage blended with humility and understanding in the administration of equal justice under the law.

All people will be treated equally with dignity and respect regardless of race, color, creed or wealth.

Young people who break the law will be punished.

Action will be consistent with equal punishment for the same offense, and there will be no favorites.

Youthful offenders will be required to work to clean up, repair and pay for any damage which they may have done.

I will co-operate with school counselors, respect school rules and regulations, and co-operate with parents, ministers and doctors to help solve individual problems.

Youthful offenders will be required to do constructive public work for their community or school as part of their rehabilitation.

It is of great importance that we help young people to become useful law abiding citizens — the purpose of our Juvenile Laws.

HELP ME BRING THESE CHANGES TO THE DISTRICT COURT, DIVISION 2, BY YOUR VOTE MAY 3rd.

Sincerely,
DICK STANLEY

Noticed where some bird in California is bein contacted by the Bolshevics to buy a gun he has made. Accordin to the paper the little gadget dont use bullets like we are used to but some other type av stuff. Shucks I dont think we got nuthin to worry bout over where he sells the tater pickers the invenshun er not. Worryin bout whether it is expensive er cheap to do away with the enemy never wuz er never will be a problem in war.

I member way back in the Thirties purt near everybody sold all their scrap iron to the Japs and made some good money doin it and then a few short years later we got it all back in the shape of bombs and bullets. Looks to me like we ought to have learned a lesson but I recon when a little money is involved we sort of ferget what the konsequences will be. Stealin watermellons is a bushel of fun but when you start tryin to pick out the rock salt fum your fanny you wonder if it wuz worth the effort, but stealin mellons is still gein on and probably will fer years to come.

FOREST FIRE ON RESERVATION IS CONTROLLED

A forest fire in the southeastern part of the Mescalero Apache Indian reservation was the center of attention for three days this week as more than 200 men battled the blaze that was fanned by high winds Monday and Tuesday. More than 90 acres was reported burned in an area that was difficult to reach with equipment and manpower. Fire is now contained.

A small fire on the South fork of Eagle Creek Sunday was doused in short order by the forest service, and a fire near a trailer on the Rio Ruidoso a block north of the Shamrock station was brought under control quickly last Saturday morning here.

TALKS ON TRAFFIC SAFTY

State Policeman Bob Miller gave the Rotarians one of "the best programs we've had," A. E. Hunt reported concerning Tuesday's noon luncheon session of the club at Wattie's this week. He spoke on traffic safety, stressing that enforcement of traffic laws is reflected in a lower number of accidents. Questions and answers regarding safety laws followed his remarks, and Rotarians took a spirited interest, Hunt said.

LETTERS TO THE EDITOR

Dear Vic,

Xi Psi chapter of Beta Sigma Phi would like to thank you for all the help you gave us recently with our hat sale. Of course, you always stand ready to assist us and we do appreciate it.

Evelyn Estes

Dear Sir:

This is to all the people of the Village of Ruidoso who do not know what the city ordinance is on dogs.

I believe you will find if you take time to go down and read the ordinance that all dogs are supposed to have shots and tags. And they are supposed to be penned up or on chains. Do you realize that you who do not do this are breaking the laws of your village.

My children had a small Chihuahua that did not have a chance when he was let out by someone other than a member of our family. And besides the killing of this little dog. I am tired of the trash being scattered all over the place by the dogs turning over the trash cans.

Now if some of you should get angry at the thing I have said here it is probably because the shoe fits your foot.

These are my personal opinions and not the opinions of the owner of the Lodge.

Gas Franchise Is Denied Gene Little

Ruidoso village council in its regular board meeting Thursday night last week denied issuing a natural gas franchise to Gene Little who had sought one, as he explained, on behalf of one or two other companies. The board had received his application for study two weeks ago with the promise of giving a decision last week.

Appearing also at the meeting, and discussing work done to date on the Ruidoso Natural Gas Co. transmission line and distribution system here was Joseph S. Hawkins. Hawkins said engineering was almost done and that he was sure natural gas would be brought to the village by Sept. 30 this year, the expiration date set on a franchise issued in his behalf by the village.

Hawkins asked the council to refrain from issuing another franchise until that date was reached and if his company had not shown satisfactory performance by then, a franchise could be issued the Little proposal. Little has declared in previous meetings with the council that Hawkins and his company have not shown any progress towards bringing natural gas to this community.

He said he represented some companies that proposed bringing natural gas into Ruidoso from the east up the Hondo and Ruidoso valleys. Hawkins' company proposes to bring gas here from the huge transmission line that runs across Lincoln County from the southeast to the northwest. Hawkins said he could not tell at this time if Carrizozo and Capitan will be a participant in the north-south pipeline, that their proposed systems are still under study.

NEW BUSINESS — Ray Parnell is manager of the new Town & Country Trailer sales and service business located on Sudderth in Palmer Gateway adjacent to Gateway Food. He said this week he has made several sales since firm opened last week. Agency handles both new and used trailers.

Ruidosoan Named American Legion District 5 Head

The annual spring conference of the American Legion and its Auxiliary of District 5, Department of New Mexico, was staged in Ruidoso Sunday, April 17.

The meeting started at the Legion Hall with registration from 10:30 a.m. to 12:30 p.m. and then went to the Whispering Pine Dining Room for lunch and a brief business meeting of the joint assembly.

Legionnaires and the Auxiliary were welcomed to Ruidoso by Mayor Lloyd L. Davis, Jr., with a response by Legionnaire A. E. Hunt, also of Ruidoso.

Several of department officials, both Legion and Auxiliary and also by the Auxiliary's National Chaplain, attended the district gathering.

Separate business meetings were held following the joint session. Among business conducted was election of officers for the following year. Robin Byrd of Ruidoso was elected Commander. Other officers elected to serve under his command were Vice-Commander Bivian Duran; Sergeant-At-Arms, Lou Gomez, both of Tularosa, and Chaplain D. K. Kline of Capitan.

Auxiliary officers elected were President Mary Johnston of Carrizozo; Vice-President, Mrs. Robin Byrd of Ruidoso; Sergeant-At-Arms, Mrs. Dora Vigil of Tularosa, and Chaplain, Irma Earson of Alamogordo.

District 5 is composed of areas served by posts in Alamogordo, Carrizozo, Capitan, Mescalero, Ruidoso and Tularosa.

CC Members Pick 7 New Directors

Seven new directors of Ruidoso Valley Chamber of Commerce were picked in balloting by mail by the chamber's members. Results of the vote were tabulated Wednesday evening, and the newly elected board members were reported as being Bill Adkins, Howard Carruth, T. C. Delaney, Don Driver, Charles Fintley, Mike Long and Austin Pritchett. There were 86 ballots cast.

They will assume their new positions in May.

Mrs. Lillian Medley and Mrs. Ethel Britton have returned to their Ruidoso home for the summer. They have spent the winter months in Alamogordo.

Ft. Stanton Employees Training For New Duties In Changeover

Forty state hospital employes at Ft. Stanton medical center will be trained as cottage attendants in a move facilitating the changeover of the institution from tubercular to mental retarded patients.

The training program began April 18 for persons employed as nurses aides, orderlies, licensed practical nurses and registered nurses.

They would face job terminations without the training needed to qualify them to work with the mentally retarded.

The first group of new patients will arrive about May 1 and waiting lists will be reduced by 430 persons during the year.

The state has two other hospitals for mentally retarded—at Los Lunas and at Villa Solano near Hagerman.

Week-End Revival Is Slated At Ruidoso Downs

A week-end revival is scheduled for Saturday and Sunday, April 23-24, at the First Baptist Church in Ruidoso—Downs. The meeting will be highlighted with a covered dish luncheon at noon on Sunday. Services will be held Saturday evening at 7 p.m. and on Sunday, there will be Sunday School at 9:45 a.m., preaching at 11 a.m., training union at 6 p.m. and preaching at 7 p.m.

The Rev. Hugh Stiles, pastor of the First Baptist Church from Ft. Davis, Tex., will be the guest minister for the gospel program. Alton Gray, one of the local church lay leaders reported.

Trustees Named To Liaison Work

Mayor Lloyd L. Davis, Jr., Thursday night last week announced appointment of the four village trustees as liaison officials to work with boards or trades as follows: Jodie Filleman to the newly formed contractors board, Guy Robertson to work with private utility firms as the occasion calls, Herbert Brunell to assist with tourist development work, and C. W. (Buzz) Whitlock with retail merchants in the community.

Scout Drive Totals $500 In First Report

J. D. Locke, auditor for the 1966 Boy Scout fund drive here, said the first report on a campaign staged early in April was that about $500 had been collected or pledged. He said there are some workers who have not made reports yet, and perhaps some who had not been able to make their solicitation of lists assigned.

Mrs. Tommy Hall and children Pattie and Robby and Mabel Snyder left Monday for Dallas, Tex., where they will spend about a week visiting friends and relatives.

John Burroughs Brings Campaign To County

Former New Mexico Governor John Burroughs, seeking the Democratic nomination for governor again on the Democratic ballot in the May 3 primary, will bring his campaign to Lincoln County Thursday next week. He is to fly to Carrizozo, landing there about 9 a.m. After visiting in Carrizozo, Corona and Capitan, he will make calls in this area, arriving here about 2 p.m., A. E. Hunt, who served as state finance officer under Burroughs during his administration, reported this week. Hunt said a coffee is being arranged for the former governor at 3 p.m. at Navajo Lodge.

Ruidoso Student Injured Monday In Accident Here

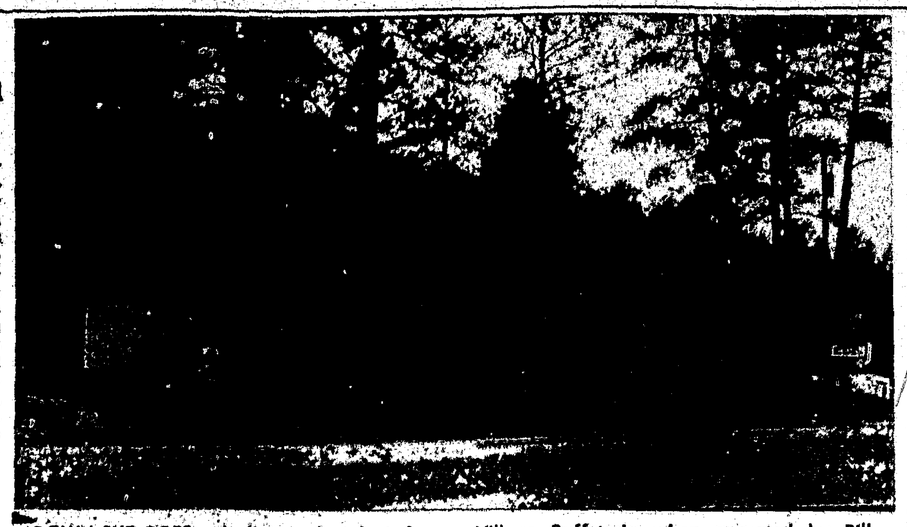
Ronnie Taylor, son of Mrs. Eliza Taylor of Ruidoso, received severe facial lacerations and fractured facial bones in an accident about noon Monday this week when he lost control of his motorcycle on Walnut Road near the football field, Ruidoso police reported.

Local police said it was probably due to strong wind gusts. Taylor was brought to the Ruidoso-Hondo Valley Hospital here and was taken by ambulance Monday afternoon to Southwestern General Hospital in El Paso where he is scheduled for surgery early next week, it was reported.

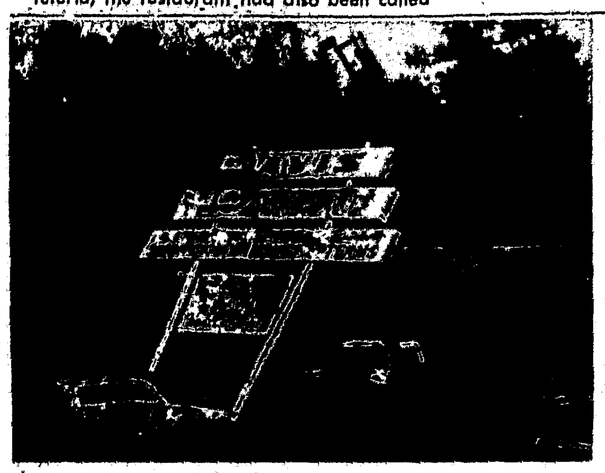
Carter Electric Re-Opens Here; Dial Contractors Move

R. E. (Bob) Carter and his wife, Peggy, have moved back to Ruidoso from Anthony, and have reopened their Carter Electric in their former location. Carter, licensed and bonded, handles residential and commercial wiring.

C. H. Huttanus, to whom Carter sold his interest a few years ago, has moved his Dial Electric concern from the Carter building to a new location, in rear of U-Namit Lock Shop. Customer parking is provided near the building, and signs indicate the firm's new home. Dial is also bonded and licensed and handles commercial and residential contracts, as well as illuminated signs and electrical supplies and accessories.



DOWN SHE GOES — A dining place here for about 20 years was housed in this building, enlarged over the years from original log-slab sided cafe. Last known as Brad's Buffeteria, the restaurant had also been called Village Buffeteria when operated by Bill Ramsey. Owner M. R. Haws said area will be landscaped to show 29 Pines Motel to best advantage.



WINDS PUSH SIGN—This large Davis Developments sign was pushed over by high gusts of wind here Monday. Wind velocity at times was recorded at just under 50 miles an hour in vicinity for two days. Visibility was reduced to about a mile for part of the two days by blowing dust sifting in here from sandy parts of New Mexico. A large truck used to work on the sign overturned Thursday morning and crushed a pick-up parked nearby as workmen were trying to put sign back in use. No one was hurt.

New Subdivision Being Developed North of City

Roads and streets have been cut and graded, but surveying is yet to be done, on a new subdivision being developed on 320 acres of land lying north of Ruidoso. The new addition is being subdivided by Sam Montgomery, who opened Modern Camp Ground northeast of Ruidoso two summers ago. Montgomery said the new roads have been bladed and shaped so that cars may make a tour of the addition. The lots, to be half an acre in size, will be placed on the market sometime in the next few months.

Name of the new subdivision will be North Heights Park. Entrance to it is across State Road 37 from the access road to Alpine Village. Montgomery said this new addition is in the area near where New Mexico State University plans to open a biology branch on land he contributed to the school.

Mrs. Jack Spall of Ruidoso and Mrs. W. G. Shrecengost of Lincoln are attending the state convention of the P. E. O. Sisterhood in Hobbs April 19-21 this week.

Truck Line Seeks Route Through Here

Whitfield Transportation, Inc. of El Paso, Tex. has filed an application with both the State Corporation Commission of New Mexico and the Interstate Commerce Commission for authority to provide a scheduled transportation service to and from the Hollywood - Ruidoso area including all points along U. S. Highway 70 between Tularosa and Roswell.

Information regarding the company's proposal for this area was given local merchants last weekend and early this week by officials of th ccompany, Paul J. Waldo, sales representative, and J. P. "Jud" Rose, vice-president of the company, both from El Paso. The pair visited several retail stores here to discuss their line's routes, existing and proposed.

The State Corporation Commission of New Mexico has set their portion of the application for public hearing for April 27, 28 and 29, 1966 at the Roswell Inn, in Roswell, New Mexico. The Interstate Commerce Commission portion has not yet been set for hearing, but should be in the near future.

Having received numerous complaints of the present service and due to various businesses throughout the area furnishing letters of support, Whitfield will file within the next few days a Temporary Authority application in an effort to establish this needed service at the earliest possible date.

Whitfield presently serves a wide area of New Mexico as well as El Paso, Texas and approval of these authorities will result in direct service to the Hollywood - Ruidoso area from many New Mexico points, as well as the gateways of Albuquerque, Roswell and El Paso.

Scotch Foursome Slated on Links

Slated for Saturday this week at Cree Meadow golf course is the annual spring Scotch foursome—a nine hole tournament designed for hilarity and some skill, too. Stormy Edwards of the course said a drawing will be held Saturday morning to pair the men and women who turn out. He said he was expecting about 60 participants. An entry fee of $10 per couple will be charged. Pairs will be fixed—not matched—husbands and wives will not play together.

Rules of the tournament are that the pairs will alternate strokes—the man hitting the ball, then the woman, then the man, etc.

Edwards estimated there might be as many as three flights. Merchandise prizes will be awarded winners.

The action on the links will be followed by a dance, and then a midnight breakfast.

FISH STORY — Here's proof of a nice catch of bass caught on Bushwacken lures at Elephant Butte last week-end by some of local businessmen, from left, Les Crews, Tony Franks, R. A. Bennett and O. C. Shields. Crews claims fishing was so good, all he had to do was throw his line in trees and fish would jump out of water and grab it. But R. A. Bennett couldn't go along with that, so, 1½ lb. bass he caught kept increasing in size every time Crews told his tree story. By time they got home, Bennett's bass had increased in size to 5½ lbs. The group caught 38 bass in all, ranging in size from 2 to 3½ lbs., Harry Whipple reported.

Tularosa, 'Zozo Win Junior Track Meet

These were among the winners from Ruidoso: Perry, 4th, 880-yd. run; Scott, 1st, 440, time :58.1; broad jump, 3rd, 11-ft., 6-in., low hurdles, 1st, time, :23.7, and 100-yd. dash, 2nd, time :11.2; Baker, high jump, 1st, 5-ft., 6-in., broad jump, 2nd, 17-ft., 11½-in., 440-yd. dash, 3rd, time 1:01.1 and low hurdles, 5th, :25.1;

Farrar, 75-yd. dash, 3rd, time, :09.0, 100-yd. dash, 1st, :11.06, 220-yd. dash, :26.8, broad jump, 5th, 15-ft., 1-in.

Nelson, Bizzell, Lane and Horton were 4th in the 440-yd. relay; third place in the 880-yd. relay went to Nelson, Bizzell, Horton and Farrar and the medley relay had Nelson, Bizzell, Horton and Venable participating.

Coach Ken Newton said the varsity track team did not go to Carlsbad as had been planned last week-end, but will be entering the annual Rose Festival relays at Tularosa Saturday this week. Saturday next week the local track team enters the Truth or Consequences Hot Springs High Meet, then will go into the district track meet at Jal on Friday, May 6.

The 7th and 8th grade track squad will also be competing in the Tularosa Rose Festival meet this Saturday, but the 9th and 10th graders will not, Newton said.

Sports Sputs

Stormy Edwards at Ruidoso's Cree Meadow Golf Course tells us the annual invitational golf tournament will be held about two months earlier than ordinary this year, "to try and beat the August rains." New date will be June 20, 21, 22, 23 with qualifying rounds on June 20 and finals on June 23.

GAME AND FISH NEWS

About 960 hunters will converge on the Sacramento district of the Lincoln National Forest this week-end to open the nine day spring gobbler season. Only those who applied for and received special permits will be allowed to hunt.

The bag limit for the season will be one gobbler, male turkey, with a beard which extends at least two inches beyond the feathers of the breast. This, of course, will call for very clear identification of the large birds before attempting to take one.

Because of the gobbler only limit, a turkey call will probably be the most successful means of taking a bird during the early part of the season. But, if everyone uses a call that will be an increase of 960 turkeys overnight and the resident turkeys might possibly think there's something amiss! Be extra careful when you hear a turkey answering your call—it could be your hunting partner.

Weapons will be limited to shotguns, not larger than 10 gauge nor smaller than 28 gauge and incapable of holding more than three shells, and bows and arrows.

Deer Conditions Good

Surveys which are now in progress by the Department indicate that the deer trend is up considerably from last year in the southeast area, according to Jim Johnson, Area Game Manager.

Johnson explained that transects which were surveyed this month showed a promise of good deer hunting this coming season in the Sacramento, Capitan and Guadalupe mountains.

Fishing Report

Excellent water conditions and hungry trout provided many anglers with "know how" a large number of limits over the week-end. The fishing outlook for the coming weekend is very good.

The highlight of the week-end was the catch of a five pound rainbow trout in Bonito Creek below Bonito Dam. Fishing was very good in lower Bonito and water was crystal clear.

The Ruidoso River was very good with fireballs and worms. Some limits were taken in Eagle Creek on worms and eggs.

South Fork is very clear with a large number of rainbows and brooks taken on eggs. Experienced fly fishermen were taking some fish.

Alto Reservoir was good in the early morning and late afternoon with corn. Nogal Lake was fair with good water conditions.

BARN AREA OPENS THIS WEEK-END

Track 'Ship Shape' Official Says

"She's ship-shape, from stem to stern," says ex-mariner, Stan Snedigar, referring, of course, to Ruidoso Downs, the richest racing ship in New Mexico.

Snedigar, who this year assumes the role of Executive Secretary to the Ruidoso Racing Association, says that in all the years he has been visiting and observing Ruidoso Downs, he has never seen it look better. Snedigar states that more than $150,000 has been spent grooming the Downs for its 20th season of summer racing action.

The major improvements, he says, are found in the grandstand area where some $90,000 has been invested in construction and remodeling. This includes a fleet of general offices, moved from beneath the grandstand, overlooking the enlarged saddling paddock. Says Snedigar, "We're gearing our office procedures for year-round use, which will greatly improve our overall efficency."

Snedigar says that horsemen are delighted with the renovated barn area where 1000 stalls and tack rooms have been revamped. Also there are some 100 new race horse stalls and 150 newly-roofed pony corrals.

Snedigar claims that the present drainage system is superior to any ever in use at Ruidoso Downs. After last season's devastating rains and flood, a systematic effort has been made to renovate the entire Ruidoso Downs drainage system both in the grandstand, parking and barn region.

"One of the other major improvements," says Snedigar, "not just this season but every season at Ruidoso Downs, is the resurfacing of the great track itself." Ruidoso Downs' track surface is considered one of the finest in the nation and this is made possible by annually keeping it conditioned with a special blow sand from the Three Rivers ranch country west of Ruidoso. This year alone, there have been over 3,000 yards of this unique sand hauled onto the Ruidoso Downs track.

Snedigar states that hundreds of horses are ready and waiting to be brought into the Downs when it opens its barn area gates on April 23.

Ruidoso Downs will open its summer season of racing on Memorial Day week-end, May 28, 29 and 30. The highlight of this week-end of racing will be the annual running of the 6-furlong Memorial Day Handicap. Post time each day is 1 30 p.m.

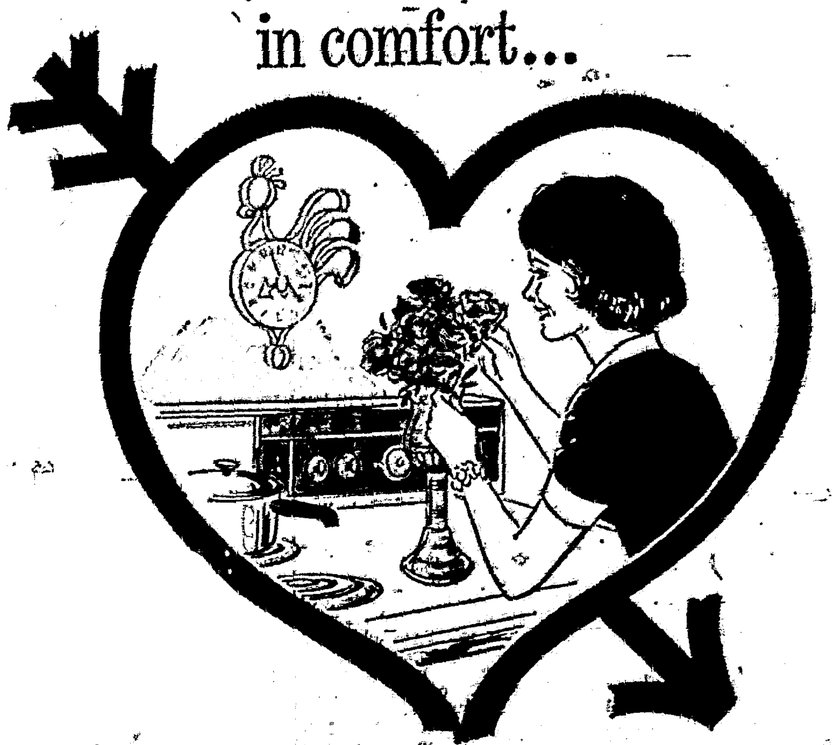
If you like to cook in comfort...



You'll love the coolness of electric cooking

Electric cooking is cooler cooking because it's flameless. Electric range surface units cook by direct contact with pan bottoms. They send their heat into the utensils and the food, not up the sides and into your kitchen. The flameless electric oven needs no oxygen for combustion. It's insulated all around, including the bottom, so heat stays inside where it belongs. Result: Your kitchen stays degrees cooler when you cook hot summer meals. See the new flameless electric ranges at your dealer's soon. You'll love 'em!

AL FIESTA SET IN COUNTY APRIL 29-30

Ho Fiesta Dancers to Appear San Juan Capistrano, Calif.

al Mexican Fiesta ear on April 29, 30 be the most color- 0 high school stu- g the very best fiestas plus several aps the most spec- new dances is the Lagarternas, a with the fastest and steps ever attempt- do dancers. In this iful exhibition of physical control and mastery of steps, the dancers perform with much joy and enthusiasm. In another new dance, El Fado Blanquito, the dancers perform a dance with all the rhythmic simplicity of steps perfectly learned.

The title of this year's fiesta is Sobre Las Olas (Over the Waves), revealing the rare gaiety and excitement of a Fiesta at the "seashore." McKinley McTeigue, elementary principal, is again in charge of the decorations. The decorations, made almost entirely by hand, under the expert direction of Nancy Jo Stowe, the art teacher in the Hondo Elementary School, are beautiful in every detail. The flowers have been made depicting the colors of the rainbow in all its splendor, and the various types of sea life are realistic, especially the eight-armed octopi, which are almost frightening. With huge fish nets surrounding the area, the dancers will open the fiesta with the "Welcome Dance," Over the Waves.

NEXT WEEK — Albert Torrez and are executing one of the steps in the Hat Dance, El Jarabe Tapatio, to be seen in the 14th annual Hondo Mexican Fiesta next week on Friday and Saturday nights.

Assisting McTeigue and Mrs. Stowe with the decorations is Trancito Polaco, Jr., 6th grade teacher. Miss Elsie Kimbrell, primary teacher, assisted by the other elementary teachers, is in charge of the "cascarones", egg shells filled with confetti, which are always plentiful during fiesta time.

In 1948, before an enthusiastic crowd of local admirers, the first fiesta was presented, exhibiting many of the old New Mexican dances. The success of this first fiesta was so tremendous that by popular demand, each succeeding spring another fiesta was presented. One is convinced beyond any doubt that through their dances the feelings and emotions of an entire nation are revealed. The popularity of the fiesta grew and by now the dances have been exhibited in many of the towns and cities of New Mexico. People come from every part of the state to see this annual presentation of dances, a spectacular event where the performance is straight from the hearts of the boys and girls who participate. Many come from neighboring states and in many instances a great majority take pride in stating that they have never missed a fiesta presented in Hondo, the home of the fiesta dancers.

The costumes reveal the orginality and color of Mexican wardrobes, with many of the costumes designed and made in the homes of the students in the Hondo area. Some of the boys are attired in the regular charro costumes, each boy proudly displaying his big Mexican sombrero. Each year Fiesta Queen is selected. Three authentic costumes, worn only by reigning Queens, are described as follows:

1. The Chiapaneco costume: A great work of Mexican art, is a marvel of color and skillful needle work. The dance, Las Chiapanecas, from the State of Chiapas in Mexico, is the dance in which this costume is worn.

2. The Tehuana costume: From the Isthmus of Tehuantepec in southern Mexico, is worn in the dance La Zandunga. The colors of tropical birds seem to predominate in designing this Mexican costume. The material is exquisite and the pattern fantastic.

3. The China Poblana costume: Is the costume used in the national dance of Mexico, El Jarabe Tapatio. The skirt is distinct in its two colors, green and red, with a white embroidered blouse and a red silk rebozo.

Some of the out-of-state appearances have been at the Austin High School in El Paso, Tex. in 1949, the famous Tucson Festival of Arts in 1951, and the evening presentation in Breckenridge in 1951. This performance in Breckenridge was enroute to the National Folk Festival in Nashville, Tenn. in 1951. On this occasion, the Hondo dancers, a group of 25 students, danced before a huge audience in the Fairgrounds Coliseum of Nashville. The dances and the music were a sensation and became instantly popular.

A year ago a group of 25 students and their sponsors made a trip to Mexico City, Taxco and Acapulco. In Mexico City they had the rare privilege of seeing the world-famous Ballet Folklorico of Mexico in all its splendor and color. The Hondo dancers will always remember this spectacular performance by a group of professionals.

On May 23 and 24 of this year a group of 16 dancers will dance in San Juan Capistrano, Calif., and at the old San Juan Capistrano Mission town nearby. This is an all-expense-paid trip.

The Dances

The dances range from surviving rituals of ancient Aztec and Maya Indians, to the Spanish dances, with the constant rhythmic sound of the castanets, to the famous Mexican jarabes and the folk dances of New Mexico. The Danza de Aguascalientes portrays the Indian ritual. The famed Jarabe Tapatio known to most Americans as the "hat" dance and now the national dance of Mexico, along with the Jarabe Pateno and the Jarabe Michoacano, offer three of the most beautiful dances of Mexico. Three civilizations, from Aztec and Maya through the Spanish Conquest and modern, have contributed to the hundreds of festival dances now current in Mexico.

The Spanish tradition of swift light feet has been developed even further in some of the Mexican dances like El Bolonchon. Dances of Spanish origin, retaining a predominately Spanish air are Lagarternas, Fado Blanquita, Viva Faron, La Jota Aragoneza and Los Jorongos. In these dazzingly beautiful exhibitions of physical control and mastery of intricate steps, the dancers perform with much joy and enthusiasm.

On the lighter side, there are simpler dances such as Las Bicicletas, the bicycle dance; La Culebra, the snake dance; Tampico Hermoso and Las Espuelas.

The New Mexican dances which were always a part of any village fiesta of days gone by are beautiful in their simplicity. At a village fiesta everyone joined in the dancing, the young and the old. Some of the recreated folk dances of New Mexico are El Vaquero, La Raspa, La Cuna, La Camila, La Polka, La Cucaracha, La Varsoviana and El Vals de Los Panos.

Over 30 dances form the combined repertoire of dances learned for the different fiestas which have been presented since the first one in 1948. Many of the more popular and beautiful dances are carried over from one year to the next. These have been selected for general popularity and for the manner in which they reveal the lives of the people. A full evening's performance usually comprises about 10 dances and there is never a dull moment!

RE-ELECT JUDGE ZIMMERMAN

GEORGE L. ZIMMERMAN
PRESIDING JUDGE, DIVISION II

REMOVES 416 CASES FROM DOCKET

THE EL PASO TIMES — April 7, 1966

Las Cruces, N. M.—District Judge Geo. L. Zimmerman, of Alamogordo, presiding judge of Division 2 of the 3rd Judicial District, comprising Lincoln, Otero and Dona Ana counties, removed 416 cases from the docket of the court during January and February, a survey of the civil and juvenile court dockets showed.

A breakdown of the report shows that Judge Zimmerman handled 209 civil, 129 criminal and 78 juvenile cases.

Of the civil cases, 60 were non-jury, 50 were removed by default and 99 came under other categories. Criminal cases included six with juries, 46 non-jury, none by default and 77 in other categories.

January was the busiest month with 120 of the 209 civil cases being removed from the docket and 86 of the 129 criminal cases removed.

Judge Zimmerman also tried a jury case in Roswell by designation of the Chief Justice of the New Mexico Supreme Court, and conducted court in Silver City, Albuquerque and Las Cruces on Saturdays and holidays during this period. He also presided over a five day jury trial in Alamogordo, and wrote an article for a national publication on the administration of the courts.

Senior Judge W. T. Scoggin of Las Cruces has returned from his January and February hospitalization in Houston, and is now handling all civil, criminal and juvenile matters in Dona Ana county and juvenile cases in Carrizozo.

State Education Board Candidate Visits In County

H. E. Gary, one-time chairman of the local school board at Hatch, paid a call on numerous Lincoln County residents last week in company with M. E. Linton, superintendent of the schools at Hatch. A resident of Rincon, Gary is a candidate for the Democratic nomination for a place on the State Board of Education, Judicial District 3. Gary discussed some of the things he advocates for education in New Mexico with school leaders in several communities in the county.

TO TEACH ELECTRONICS — Oney D. Maes, son of Mrs. Emilia Maes of Ruidoso Downs, will be teaching electronics in El Centro, Calif. High School next year. This year he is junior varsity coach in that school. Maes attended Ruidoso schools before enlisting in U. S. Navy where he completed his high school studies. Following four years in Navy he attended N. M. Highlands University where he received his pre-engineering degree. After receiving teacher's certification papers at Adams State College in Colorado, he taught physical education for two years in New Mexico and then instructed for a year in physical education and general shop in Colorado. Maes and his wife, Suanne, are parents of two daughters, Mia and Elena.

Firing of .22 Rifle Investigated by Police

Village police were questioning residents of the area around the entrance to Gavilan Canyon north of the high school Saturday whether they had observed anyone firing a rifle in that vicinity. A stray bullet believed coming from that area struck a trailer house parked near Ruidoso 66 Station on Sudderth in the Gateway. Charles McClellan and John Sigler, residents near and in Gavilan canyon, said they have heard several shots fired in recent months by small arms, possibly a .22. Sigler said he heard two shots early Saturday.

Science Shrinks Piles
New Way Without Surgery
Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne® is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Mrs. Annie Lackey from Tularosa and her daughter Louise Klopp who is here visiting her mother, brothers Jim and John and families and her friends whom she left behind when she went to California 13 years ago, visited also on the Bonito last week. Lois was born in Lincoln town, and wanted to visit there. I joined them on the trip—we went down by the Peebles' Ranch and the old V-Ranch and the old Lackey place, Hagee, and the former Marshall West Ranch, now the beautiful modern ranch owned by Mr. and Mrs. Sonney Wright. We enjoyed going through the museums on both sides of the street. We spent too much time and didn't get to visit any of the fine folks in Lincoln town.

Charles and Eula Corder were at Angus over the week-end getting the foundation ready for their mountain cabin.

They've done it again!! Benny Runnels caught a 22-inch trout below Bonito Dam (I said below the Dam) and a boy whose name I didn't learn caught another that size below the dam or even bigger. But this is nothing. Robert Lloyd Runnels sent us a picture of himself with a 34-inch, 14-pound lake trout he had caught during Easter vacation in or around Truckee, Calif., near Reno, Nev., where he is in college.

Bob and Mary McProud from Ruidoso have fished a few evenings in the Bonito stream this week and had good luck.

I heard of several limits out of South Fork Bonito.

J. C. Harris and Lee Lawing were visitors at Bonito City Sunday and took home a mess of fish.

Wynema Tully and little daughters visited us Sunday. The whole Tully family recently made a short vacation trip to Colorado to visit Jack and Sue Hitchens and also some relatives. Wynema reported a wonderful time. Jack, she said, can catch fish from a stream right near his front door.

For a nice drive up our way this week were Thelma Williams from Eagle Creek, Pat Flatley and Lorene Ferguson from Capitan. I joined them in a visit with Alice Wright up Tanbark Canyon. Found her cheerful and enjoyed a good cup of her coffee and fruit cake. Pat and Lorene hoped to have a sandwich at Parson's Hotel later and then drive on over the Nogal scenic drive to Nogal town and on home.

The boys from Capitan High going to Carlsbad to a track meet Saturday were Isidro Peralta, Dee Chesser, Joe Escobedo, Montie Coe, Benny Runnels, Preston Stone and Lynn McDonald. Stone placed first in high hurdles. Peralta placed second in pole vault and also second in the 880-yard run. Chesser got third in 180-yard low hurdles. In the 1 mile medley relay they won fourth place.

Idy Traylor from Capitan was on the Bonito Saturday picking up a bunch of little fishermen boys. Idy is out of college now and home with her parents.

Benny, Mary and Louise Runnels visited Brittons, Carlton, Nathalee, Nig and Pauline Sunday eve in Mescalero. Carlton, who is in a pretty big cast (from his heels to his chest) is in good spirits and has already used up six weeks of his time in the cast—and in a month or two more he may be out. He was in a car accident last summer and injured his right hip.

CANDIDATE FOR THE DEMOCRATIC NOMINATION

For 3rd Judicial District Judge, Division 1

COMMITTEE ON AERONAUTICAL AND SPACE SCIENCES

March 14, 1966

Mr. Edward E. Triviz
Attorney at Law
300 South Water Street
Las Cruces, New Mexico

Dear Ed:

I am sure you understand how pleased I am that you have filed as a Democratic candidate for District Judge.

I talked about you many times with Senator Carl Hatch before he left the Senate and I know how greatly he admired you and how anxious he was that I get you as a member of my staff when I got to the Senate. I was glad to do it and I was rewarded by a very fine job on your part. When Judge Hatch became a Federal Judge in Albuquerque he continued his admiration for you and spoke of you many times to me. I, naturally, have been pleased to watch your career and to know the number of fine things you have done as a citizen, as a lawyer in the community and as chairman of the New Mexico Constitutional Revision Commission.

Your decision to run is almost an assurance that you will be elected, and your many friends in Washington and across the State of New Mexico will be highly pleased at your success. If I can help in any way I will be glad to do so because I am really grateful to you for offering yourself for service as a District Judge in your home area.

Sincerely yours,
Clinton P. Anderson

Dear Ed:

I want to extend my congratulations to you for filing as a Democratic candidate for District Judge.

I have watched your career since you worked for Senator Hatch here in Washington and later for Senator Anderson. Since you entered law practice, you have become one of the leading members of the Bar in Dona Ana County. As a lawyer, I have considered you one of the bright young men of the Bar in the State of New Mexico for quite a few years.

I am confident that if you are elected, you will add luster to the bench and become a fine Judge. I certainly wish you well.

Very cordially yours,
