Around Town

—BY NOSEY WATERS—

G. A. Leverett, Hobbs, would have won third prize money in our first week's football guessing game contest—he picked 15 winners but missed the tie-breaker game, but whoever he entrusted to get his entry to us didn't get it to our hands until Tuesday last week—FIVE days after the deadline, Sorry! . . . Municipal sales tax collections remitted in August as reported by the State Revenue Board in Lincoln County totaled: Corona, $276.51; Ruidoso, $12,288.23; Carrizozo, $1,539.67; Capitan, $623.71; Ruidoso Downs, $4,436.38. Adding Ruidoso and Ruidoso Downs, that's $16,724.61—an all-time record for our community! . . .

Please, we need the address of your youngster in college. We have a present for him or her . . . Had you ever thought about how want-ads are family ads? They are the part of the paper the family uses—to tell what they want to buy, want to sell, what they have lost or found. The 20-years of printing want-ads has made the Ruidoso News especially popular, especially desired and sought after as a market place, for the meeting of buyers and sellers. This is true for the Ruidoso News prints more want-ads than any weekly publication in New Mexico! . . . Who is the most courteous Ruidoso resident. Is she a clerk, is he a service station worker, is he the owner of a small business, is she a teacher—what does he or she do? Vote for your favorite and the News will announce the winner and present him or her with a prize sometime in November . . . We have asked the public relations office of New Mexico U. at Las Cruces to get us a group picture of the three children of Mr. and Mrs. George Creel of Ruidoso who are enrolled there this semester—Barbara in her first year, Prentice in his second and Bobby in his third. We think it is unique.

Ruidoso Downs is mentioned in the sophisticated New Yorker magazine in the last issue! And, then, somebody tells us they heard Mrs. Dale Robertson, wife of the movie star, mention on a recent TV show she met her husband in Ruidoso . . . O. C. Shields says he was suffering from a hay fever allergy recently because he had to stand beside a bouquet of mixed flowers. Studying the floral arrangement, he thought the flowers looked artificial—and when he felt of some of them, by golly they were. He said his hay fever stopped immediately . . .

Frank Crown, pastor of the Ruidoso Presbyterian Church, makes trips to Odessa, Tex., every two or three weeks and is wondering if anybody needs a ride down thataway. He usually returns the second day. Anybody interested in transportation there or to Midland or intermediate points could call him, he says . . . Sam Massey, who has a Hereford ranch north of here on State Road 37 enroute to Capitan, reports he has bought half interest in a bull and full interest in a dozen cows from Dr. T. D. Young of Sweetwater, Tex. The cows are of Hasselet breeding and the bull is a son of Dr. Onward by Dr. H. Onward . . .

Announcement will be made soon of the opening of Rodgers of Ruidoso—Fabric Shop in the McCarty building adjacent to Ruidoso Natural Gas Co. . . . The Chaparral Convention Center will have an all-new interior completed shortly. Quite elaborate, we hear. The hotel plans a special grand opening to show off the new fixtures and stylish decor . . .

Rainbow Girls Discuss Projects

The Ruidoso Assembly No. 52 of Rainbow for Girls in a recent meeting discussed projects which the group will be working on this fall. The first project is an Enchilada supper which will be held on Saturday, Oct. 8, from 5 until 9 p.m. at the Nob Hill School cafeteria. This is one of the events during the annual Aspencade festivities here. Price for the meal will be $1.50 for adults and 75c for children and tickets are now on sale from any Rainbow Girl, it was announced by Diane Martin, Worthy Advisor.

Other projects this group is planning include an Aspencade float, a Hallowe'en drive for canned goods to give to a needy family for Thanksgiving, several bake sales, and making favors for the hospital trays, it was reported. Miss Martin stated that all girls interested in joining the Rainbow Girls can contact Mrs. Veta Tadlock at 257-4224, or Diane Martin at 257-4147.

The next meeting for the group will be on Oct. 6, at 7 p.m. in the Eastern Star Hall in Gateway. All Masons and Eastern Star members are also invited to attend, it was stated.

New Teachers Are Guests At P-TA Meal

The Parent-Teachers Association of Ruidoso had its annual membership drive and get-acquainted dinner Thursday night last week at the high school cafeteria. About 103 adults and numerous children were present, according to George White, secretary.

Mrs. George Smith, membership chairman, reported 86 memberships were sold. This is not as many as they had expected, but more will probably sign up later, she said.

New teachers were special guests at the dinner.

The dinner consisted of ham, green beans, potato salad, cole slaw, pie, coffee and milk. The food was donated by various mothers of school-age children.

Someone declared a special thank you from all P-TA members was due Mrs. Bill Leftwich and her two daughters, Sandy and Roxie, who were busily washing dishes, usually a thankless job, but a necessary one at any function like this.

Flamenco Troupe Styled 'True Spanish Ambassadors'

On the calendar as one of the attractions for the annual Ruidoso Aspencade this year will be a dance program by the Vicente Romero troupe, slated for Friday night, Oct. 7. What one resident of this state thinks of the program is well defined in this Letter to the Editor of the Santa Fe New Mexican recently:

True Ambassadors for Spanish

Editor:

If anyone were to ask for a definition of what is Spanish and what is Spain many would hesitate to answer.

Many would, of course, say that it is the sound of a strong taconeo, the murmer of the castanets, or the strumming of a guitar.

This is not all Spain but its dance and its music makes our blood boil and influences our character.

In March we saw Vicente Romero on CBS-TV. Wednesday night we saw and "heard" Vicente Romero.

Spanish flamenco is the beautiful sound of the taconeo, the plastic art of its movements, the expressive hands which find a mysterious key to a hidden language.

Vicente Romero is a "pinter Santa Feano" who is elevating the Spanish culture in the Southwest to a proper perspective.

Lydia Torea complements Vicente and together they are true ambassadors of the virtue and virtuosity of the Spanish blood.

Vicente Romero's flamenco has its profound roots in his Spanish soul!

The appearance here of the troupe is sponsored by the Lincoln County Art Association in conjunction with the New Mexico Arts Commission. The performance will be at the Chaparral Motor Hotel.

Show Artist Studied With Noted Teachers

The current show at the Chaparral Hotel mezzanine is by Mrs. E. N. Cunningham of Las Cruces. This show of some 30 paintings, which includes some local scenes, is in watercolor, acrylic and oil. Besides being a charter member of the Lincoln County Art Association, sponsor of the show, Mrs. Cunningham is a charter member of the El Paso Art Association and a member of the National Arts and Letters and the Black Range Artists.

She has studied under Xavier Gonzales, William Schmill, Cyril K. Scott, Rex Brandt, Bud Biggs, Ramon Froman, Kathryne Hall Travis and Frederic Taubes.

She has had one man shows in El Paso, Las Cruces, Deming, and at the "No Man's Land Museum" in Oklahoma.

The current show at the Chaparral shows the wide versatility of the artist, David Travis, president of the local association, said in a news release.

Who Should Win This . . .

The Ruidoso News would appreciate your mailing the nomination slip on the front page of today's News so we can find out who folks hereabouts think is Ruidoso's most courteous man or woman, boy or girl. The Chamber of Commerce campaign this year to encourage being courteous is as fine a project as any that has been suggested, we think -- and we want to help emphasize its importance -- so we plan to recognize the person our town thinks is the most courteous of all of us. There'll be a surprise for the person picked, but the surprise won't come until November. We need your nomination now, however, to help make this a most thorough poll.

A Fine Job . . .

Too many people involved to try and name them all, and this includes the exhibitors, too, in making those remarks—that the 1966 Lincoln County Fair was the greatest of the 14 that have been held at Capitan. Exhibits were fine, and lots of 'em, and the planning and staging were well handled.. A tip of the hat to everyone who had a part. It is, as County Extension Agent Ralph Dunlap wrote, "a typical American county fair."

LAMB STEW . . . by jim

Several years ago when I decided to earn my living pursuing truth, beauty and wisdom (we journalists are so modest) I went to my father* for advice

My father, a noble intelligent journalist** counseled me to read and know well the dictionary.

Unfortunately he didn't say which end to start reading first, and I neglected to ask. I started at the back.

The first dictionary I ever owned had in the back a collection of rhymes. (Did my father want me to write poetry?) It also had a list of common abbreviations (I spent approx. 5 mo. learning that govt. means government and gov. means governor but I digress) There is also a list of all modern colleges and universities. (In 1954 Vermouth University has 1,327 male students, 957 female and 3 unspecified.) (?)

But also in the back of that dictionary was "A Collection of Useful Foreign Words and Phrases."

Believe me, it's been hard, trying to work into conversations such foreign words and phrases as "merveille" (admirable, marvelous) and "bravo" (bravo)

Unfortunately during my professional career I have occasionally committed a few "faux pas" (a false step, a slip in behavior) Like the time after working 15 straight hours and ordered to work three more I said to my city editor "Vogue la galere (row the galley, come what may) I didn't know he spoke French

The consequence was "horrible dictu" (too horrible to relate)

But since I'm infected with "furor scribindi" (a rage to write) I soon found another job on another newspaper.

I also learned to curb my tongue, most of the time.

There were a few slips. Like the first time I walked into the Capitol to write about Congress and I said "lasciate ogni speranza voi ch'entrate" (All hope abandon yo who enter here)

After this "faux pas" (a false step, a you know) I decided to use my useful foreign words and phrases only in social gatherings. But after a few such "bon mots" (witty sayings) as "varium et mutabile semper femina" (woman is ever a changeful and capricious thing) I was declared by my friends an unacceptable person ("persona non grata.")

Undetered, though, since I'm infected with "furor scribindi" I returned to the aged and raggedy dictionary of my father***

Hmm. did you know that Zymurgy (n.) is "the applied chemistry dealing with fermentation processes, as in brewing?"

Mr and Mrs. Vic Lamb
Editors and Publishers
The News
Ruidoso, New Mexico
Dear Mr. and Mrs. Lamb:

In regard to your item in the September 9 News questioning the need for the Food Stamp Program in Lincoln County, I would like to offer my comments as well as some pertinent statistics on this subject.

The Monthly Report of the New Mexico Department of Public Welfare shows that there were 170 welfare cases in Lincoln County as of May, 1966. Of these, 107 were in the "aged, blind and disabled" category, receiving an average of $58.81 per case. Another 59 were classed as "aid to families with dependent children," and they received an average—per case—of $135.20 per month. Finally, there were four "general assistance" cases receiving an average of $24.25.

Under the law, all welfare recipients are eligible for Food Stamps, on the theory that the cash payments they receive are not sufficient to provide an adequate diet.

It is hard to argue with this proposition, when you look at the size of Lincoln County's welfare payments.

Eligible families receive enough stamps to provide an adequate, nutritious diet, not a luxury diet. Experience has shown that milk and meat purchases increase substantially where families have Food Stamps, simply because they are able to afford these nutritious foods for the first time.

Purchases are made at local grocery stores, and the grocers redeem the stamps for cash. Food stamps have increased business for these local merchants an average of 8 to 10 percent. Unlike the older program of distributing surplus commodities to the poor, the Food Stamp program is a direct aid to local grocers rather than a competitor.

Participation by local grocers in the Food Stamp plan is entirely voluntary. Before the Program begins in Lincoln County, the Department of Agriculture will meet with Lincoln County grocers to explain it to them. Grocers may then decide whether to participate.

You suggest that no one in Lincoln County has asked for this program. The official applicant is the State Department of Public Welfare, but the Department would not have made the application without prior consultation with local officials.

In summary, what we are talking about is an efficient, proven program to improve the nutrition of the needy people of Lincoln County.

I believe it is a program that deserves your sympathetic consideration.

Science Shrinks Piles
New Way Without Surgery
Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among those sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

...your business can't afford unanswered phone calls

To stop losing calls that send business to your competitors, you need an Electronic Secretary® telephone answering set. When you're out, it answers the phone with your message, and then records up to two hours of incoming calls. When you return, you can play back the messages, never missing a call or an order.

You could use your Electronic Secretary to take customers' orders during the day, and then, by simply changing the message, record out-of-town salesmen's reports in the evening. After hours, professional people use the set to let patients or clients know where they may be reached. Or, the Electronic Secretary may be used to announce everything from the weather report to a grocery store sale to the subject of your club's next meeting.

With an Electronic Secretary you never miss a call and keep in touch with customers or clients even when your office is closed. All this convenience for just pennies a day. There's no capital investment and maintenance is free. For more information, phone our business office today.

Warriors Open Conference Play Against Tularosa Here Friday

RUIDOSO NEWS SPORTS

FRIDAY, SEPTEMBER 23, 1966 PAGE I — SECTION B

Capitan Upsets Grizzlies, 12-6

A Carrizozo punt blocked by Don Crawford in the early part of the game; and then a goal line stand in the last few seconds in which Eddie Torrez, a guard, and Crawford tackled Carrizozo's heavyweight fullback on the 16-inch line in fourth down to save a final tieing touchdown by the visitors gave Capitan's Tigers a Cinderella District 2-C victory Friday night on their home field, 12-6.

The Capitan crew just couldn't do anything wrong, Coach Mel Romero said after the game. Outstanding in the upset victory for Capitan were Joe Sedillo, quarterback, who did an excellent chore in ball handling, and Chris Najar, fullback, who made yards when they counted. On defense, Boyd and Torrez and Crawford, in fact all of the team, played extraordinarily fine ball.

Sedillo passed to Godfrey Herrera for the Tiger's first score in the first quarter, a 75-yard play. In the second frame, Dee Chesser went 41 yards on a pass from Aldaz to mark up another six. Kicking for extra points failed.

Zamora traveled overland 31 yards to score 'Zozo's lone TD. A pass for point after was sour.

This week-end at Vaughn, Capitan continues their 2-C race, holding a 2-0 edge in the district. Vaughn has a 1-2 record. 'Zozo now has a 2-1 district standing. The Grizzlies from the county capital will play host to Tatum in their fourth conference match.

Capitan's homecoming will be Oct. 7 with Melrose, Coach Romero said.

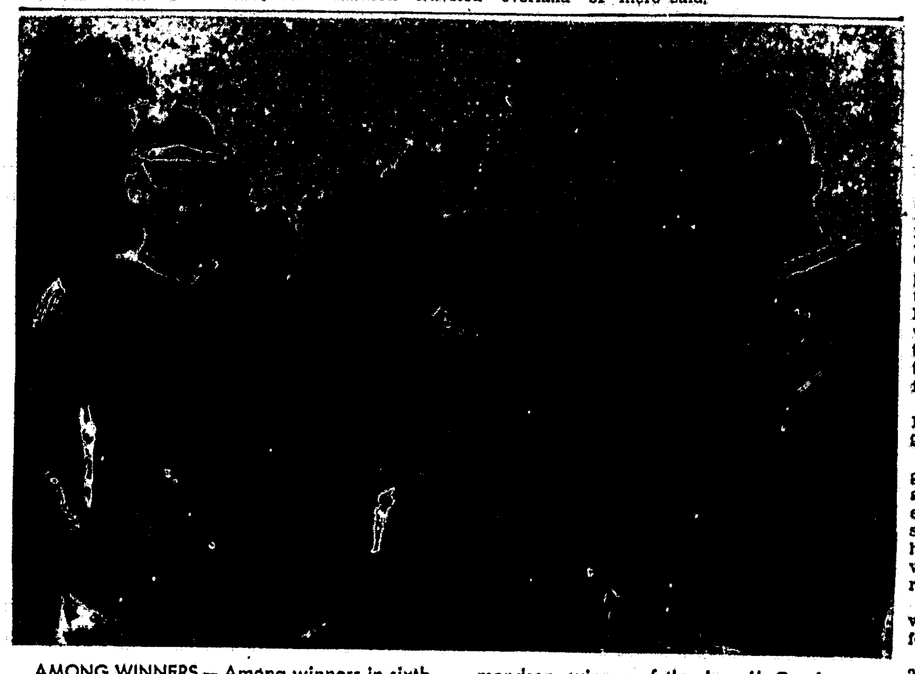
For family fun, Ruidoso's the one!



AMONG WINNERS — Among winners in sixth annual New Mexico Rifleman's .30 calibre matches here last week-end on Ruidoso Gun Club's rifle range up Cedar Creek were these members of gold team from Fourth Army, Ft. Sam Houston, Tex., from left, Martin D. Edmondson, winner of the Jose H. Garcia trophy; James E. McNeil, winner of 1st day aggregate, the Joe A. Deckert trophy, and Billy W. Yearwood, winner of awards in two matches.

Woman Shooter Sets National Record Here Second Year in Row

For the second straight year here Mrs. George (Polly) Tubb of Canadian, Tex., has set a national women's record at the New Mexico Rifleman's .30 calibre matches here. In 1965 she shot a score of 243 with 21 v's in the fall meet sponsored here by the Ruidoso Gun Club, Inc., and then this year she broke that record by scoring 246 with 24 v's in the sixth annual competition.

Secretary of the gun club, R. H. Hedgecoke, reported an excellent turnout and some remarkable scores in the 1966 matches held Saturday and Sunday on Cedar Creek rifle range.

First place in four-man team firing was Chaparral Hard Holders with a total of 986 with 103 v's. On the team were Bill Wolf and Rex Dorn, both of Roswell; Charles Leigh of Bartlesville, Okla., and George Tubb, Canadian. Second place went to the Gold Team of the Fourth Army from Ft. Sam Houston, Tex. Hedgecoke said this was the first time in the history of the New Mexico Rifleman's meet that Ft. Sam Houston did not win first place with a four-man team.

Two-man team honors went to Leigh and Tubb, whose score was 990 with 102 v's.

Winner of the trophy for the grand aggregate was Tubbs with a score of 495 with 59 v's, the highest number of v's and the best score for this competition in its history. Second place went to Leigh with 495 and 43 v's—a very close race.

3-B TITLE AT STAKE

The game to be played on Ruidoso school athletic field, starting 7:30 Friday night this week between Ruidoso's Warriors and Tularosa's Wildcats will determine the championship of District 3-B, Coach Ken Newton predicted this week. The Wildcats will come here with a 2-1 record, having won their opener by blanking Socorro 16-0, losing to Parkland of El Paso, 18-12, and then copping their opening conference match over Hot Springs of Truth or Consequences last week with a convincing 28-0 score. Tularosa is touted as the winner of District 3-B this year—so Ruidoso goes into the fray as an underdog.

Newton's Tribe goes into this match with a 1-1 record, having dropped the opening game to Carrizozo's Grizzlies, then taking a sweet 20-13 win over Socorro two weeks ago. The Warriors have had two weeks in which to get ready for the conference match, being idle last week. Newton's charges are in good shape, with only one man, Wade Lane, who may be sidelined because of injuries received in an auto wreck late in the summer. An examination will determine if he can get into uniform for the Friday battle.

One of the biggest crowds in the history of football action in Ruidoso is expected for this week's match—Tularosa is expected to have a large delegation of fans. Ruidoso is expected to turn out en masse, also.

Newton said there are three fellows in the Tularosa backfield who, if the Warriors can handle the defense as they should, and hold those fleet footed stars so Tularosa will score a minimum of touchdowns, the Warriors might just come out on top.

Robert Walker, a 205-pound fullback, is a real threat, being an excellent runner for the 'Cats. Dwain Stevens, a halfback, is also a fast man, and of course Cookie Lopez, sophomore quarterback, is a carbon copy of his famous brother, Gilbert, who always gave Ruidoso and others in 3-B plenty of trouble.

Some others Tularosa Head Coach Boone Jackson will be using to advantage will be Richard Hanway, a split end; Gary Watson, in the backfield; Ricky Cornelius in a tackle slot; Bobbie Padilla and Jim Keithly, another pair of fast movers, to snag passes and carry the pigskin.

Newton said starters on offense will come from these hard-working players: Tony Sharp, center; Dennis Nosker, Mark Sloan or Jack Valliant as guards; Frank Butts, Johnny Armstrong or Danny Jost as tackles; Butch Faubion, Allen Baker, Tim Leftwich, ends; Rick Scott or Mike Payne as quarterback; Elmer Adanandus, halfback; Alfred Pearson, fullback, and Baker or Scott alternating as flankers.

On defense, it looks like Newton will use Nosker and Jost as guards; Butts and Sloan as tackles; Faubion and Leftwich as ends; and two out of four men as linebackers, Valliant, Armstrong, Pearson and Stevenson; and in the secondary, Dale Perry, Wade Lane, if available, or Baker or Scott.

A special halftime show is planned by Ruidoso High's band, Director LeRoy Gooch reported recently.

BRAVES MEASURE 'ZOZO, 21-13

The Ruidoso Braves, the 7th and 8th grade eleven scored a 21 to 13 victory over the Carrizozo junior high team last Thursday afternoon at Carrizozo. Two of the Ruidoso touchdowns were made by Waldo Lester and one by Pat Farrar with extra points scored by Neale Williams, Mike Taylor and Clay Hull.

Outstanding defensive players in addition to the players mentioned above were Wayne Pubson, Mike Shriver, Bill Yeatable, Davis Estes and Gary Stagner. Coach Dub Williams said he was very proud of the whole team.

Ruidoso plays host on the local field 1:30 p.m. this Thursday to the Tularosa junior grid squad and a large crowd is invited to boost the local squad.

SPORT SPUTS

Ruidoso's High School Warrior football team members, with the coaching staff, watched the Tularosa and Hot Springs of Truth or Consequences game that Tularosa's Wildcats won last Friday night, 27-0 at T. or C.

Dr. and Mrs. James A. Beall on a three-day visit in the state of Washington report they enjoyed catching fish in company with former Ruidoso resident Sug and Doc Furry at Soap Lake. The Furrys send their regard to all their friend hereabout.

Warrior Booster Club Has Movies Of Socorro Game

Movies of the Ruidoso-Socorro football game were shown at last week's Warrior Booster club meeting and a coffee was set up for last Saturday morning at 10 a.m. at the Holiday House to discuss the drive for business memberships in the Booster Club. Any business that joins will receive a large window placard saying it supports the Warriors and is a member of the Booster Club. The card also gives the schedule of the games. Business memberships are $5 each.

Tickets are still on sale for the leather carving donated by artist Bill Leftwich. They will be available until Oct. 14, when it will be given away at the Homecoming game.

All Booster Club members can register at each meeting. Names of those attending are kept for the drawing for a pair of tickets for the Sun Bowl game at year's end.

Booster Club members should wear their cap at each game and to all meetings. Quite a few members were caught without theirs at this meeting and each was fined 50c. There were 28 members and a visitor present for the session last week held in the high school library.

Jack Kannady Wins First Place In Grid Guesses

H. F. (Jack) Kannady won first place in the Ruidoso News' 5th annual gridiron guessing contest's second week competition. In last week's 20 high school, college and professional football matches, he guessed correctly the outcome of 16 and picked the winner of the tie-breaker Army-Kansas State match, missing it only one point. Jack guessed Army 21-7 and the actual score was Army 21-6. Jack's first prize $10 check is waiting for him at Brunell's.

A winner of a prize for the second week in a row was Kathy Dean, who picked 16 winners, also, but was a little farther away in the Army-Kansas State tie-breaker score. Her second prize check for $5 is at Estes' Cleaners for her to receive. Kathy's husband, William W. Dean, placed third—guessing 16 winners but missing the tie-breaker score a little farther off than the first and second place champions. His check for $2.50 is waiting for him at Gambles.

This week, the News prints the fourth contest page. Interest is growing in this favorite armchair sport—entries in last week's competition were more than double the initial week's. More entries are being received in the mail, also, from other towns—three came from Texas fans last week.

RCA-Victor week starts Sunday, Sept. 25. See the great values in color and black and white RCA-Victor television sets, record players, radios, in portables or beautiful cabinets pictured in color in a special section in Sunday's El Paso Times. Then head for Gambles—we have the one you want.

TULAROSA BLANKS HOT SPRINGS, 27-0

With Robert Walker rushing for 135 yards and Dwaine Stevens for over 100 more, the Tularosa Wildcats took their first District 4-B football victory of the season at Truth or Consequences Friday night, turning back the Hot Springs High Tigers 27-0.

Walker scored in the first quarter on a 3-yard drive with Cookie Lopez adding the conversion. In turn Lopez scampered 26 yards for a second period score and booted the point.

Walker scored from eight yards out in the third stanza, and Stevens dashed 49 yards later in the same period for the final Tularosa touchdown.

INSURANCE FIRM BUYS LOCAL WATER BONDS

J. H. Cooper of the J. H. Cooper Agency here, was informed last week by the St. Paul Fire and Marine Insurance Co., St. Paul, Minnesota that the Company has purchased $225,000 of the Eagle Creek Inter - Community Water Supply Association Bonds.

The J. H. Cooper Agency has represented the Company for over seven years.

The purchase of municipal bonds is a continuing practice of the St. Paul Fire and Marine Insurance Company, reinvesting premium proceeds in cities and communities throughout New Mexico and the nation.

"I'm pleased one of my companies has demonstrated its faith in the future of Ruidoso," Cooper said.

LINCOLN COUNTY PHOTO ALBUM No. 83

NEAR THAT TIME — It's just two weeks now until the annual Ruidoso Autumn festival, the Aspencade. One of big hits of affair is annual parade—to be staged Saturday, Oct. 8 this year. Clubs, school groups, business firms, youth organizations, others have been providing some fine floats in recent parades, as this picture from 1964 march indicates. Rules for 1966 parade are given by chamber of commerce for parade elsewhere in today's News. Plans developing for lots of big and interesting floats again this fall.

Parcel Post Speed-Up Is Inaugurated

A new fast and reliable parcel post service has begun over a nine-state western area including Ruidoso, Postmaster L. F. Dryden reported

The new service enables the window clerk at the local office to tell a mailer when his package will be delivered to any city within the nine states Arizona, Colorado, Idaho, Montana, New Mexico, Oregon, Utah, Washington and Wyoming

The service will be available to more than 12½ million persons in an area of 901,120 square miles. Ruidoso and other Lincoln county post offices are among the 3,121 that will be linked in the service

Postmaster Dryden noted that Postmaster General Lawrence O'Brien hailed the program as "postal progress which is highly dependent upon the public's increasing and continuing use of the Zip Code"

Timothy May, General Counsel for the Post Office department initiated the service by mailing a package at Denver to Seattle.

The nine-state scheduled parcel post service represents the most comprehensive and intricate planning of postal logistics in history, Postmaster Dryden noted The program has been tested thoroughly and the test indicates that a high degree of success can be expected.

Postmaster Dryden emphasized that the program is dependent on Zip Code and is achieved at virtually no additional cost because Zip Code usage means that the mail can be dispatched directly between 75 sectional centers in the nine states, which are mail massing points, without intermediate delays enroute for sorting and redirecting.

This is the first scheduled parcel post service on such a vast multi-state basis. The service had previously been put into operation in 26 smaller areas, serving some 80 million people.

Davis Developments

DAVIS DEVELOPMENTS, the firm that developed PONDEROSA HEIGHTS (in five units), COUNTRY CLUB ESTATES, PINECLIFF (residential and commercial), and TOWN & COUNTRY NORTH, with combined sales of over 1800 building sites in these four beautiful subdivisions, now announces with great pleasure a new and exciting area development in partnership with Charles R. Rumbaugh.

LINCOLN HILLS COUNTRY CLUB and BUILDING SITES, located approximately 3 miles east of the Alto intersection and situated on the most beautiful mesa and rolling woodlands in any mountainous region. LINCOLN HILLS will offer an excellent 18-hole golf course with magnificent fairway building sites and many other equally beautiful building sites within a short distance of the golf course. A limited number of condominium and lodge locations will also be available. Lloyd Davis, Sr. and Lloyd Davis, Jr. of Davis Developments and Charles Rumbaugh of Charles Rumbaugh Real Estate, principals in LINCOLN HILLS, both through their respective reputations and by a clause in the sales contract and Warranty Deed that the front nine holes of the golf course and the club house will be completed within 18 months of this date and that the back nine holes will be completed within 36 months of this date (both with a 60 day inclement weather clause); and further guarantee that the water lines for a domestic water supply and the water will be completed based on the same schedule. LINCOLN HILLS COUNTRY CLUB, the golf course lay-out and the beautiful building sites must be inspected — you will be amazed by the vistas of the Sierra Blanca, Jicarilla and the Capitan Mountain Ranges all from this enchanted mesa which afford a full circle of grandeur. May we suggest, strongly, that you take the opportunity soon to treat yourself to a tour of LINCOLN HILLS COUNTRY CLUB. A call at our office will ensure you of a glimpse of the greatest single real estate value currently available in the Ruidoso vacation area.

Davis Developments in their previous four subdivisions have constructed over 35 miles of water lines and roads at a cost of over one half million dollars and we were the first in developers in Ruidoso to offer the lot buyer a public water supply with the cost of the lot. Charles Rumbaugh developed Sun Valley subdivision located north of Alto which contained over 200 building sites and also guaranteed and delivered water to the lots. Mr. Rumbaugh built the very successful High Country Lodge at Alto and is completing his second year of operation there.

As a bonus this is all located in "RUIDOSO, YOUR RESORT CAPITAL". Where else can you find the tall beautiful pines; a babbling mountain stream; Ruidoso Downs, an excellent race track with the richest horse race in the WORLD, the $500,000.00 All-American Futurity; Sierra Blanca Ski Area, a major ski area with fabulous snow conditions and miles of challenging trails; and marvelous golf courses; all with scenic grandeur unexcelled anywhere? Why . . . only in Ruidoso . . . OF COURSE!!!!!

On all Davis Developments properties, we attempt to establish terms to suit the individual buyer

Mrs. Pauline Mackey Dies In Carrizozo

Requiem mass for Mrs. Pauline Mackey, age 46, of Carrizozo was held at 9:00 a.m. Tuesday morning at St. Rita Catholic Church of Carrizozo. Rev. Fr. Anthony Belman was celebrant for the mass.

Mrs. Mackey was born Oct. 5, 1920 in Picacho, the daughter of Edward Kimbrell and Virginia Romero Kimbrell, pioneer Hondo Valley residents.

She was the wife of Robert Mackey of Carrizozo who survives. Mrs. Mackey died early Sunday morning in Carrizozo.

Other survivors include one daughter, Roberta Mackey of the family home in Carrizozo; three brothers, Richard Kimbrell of Picacho, and George and Albert Kimbrell of New Jersey; three sisters, Miss Josephine Kimbrell and Mrs. Dan Salas of Picacho, and Mrs. Manuel Ortiz of Carrizozo.

Rosary was recited at the mortuary chapel in Carrizozo on Monday evening. Interment was in Picacho Cemetery, with Fr. Laurier Labreche, pastor of St. Eleanor's Catholic Church of Ruidoso officiating at the rites of interment.

Pallbearers were: Lloyd Vigil, Manuel Ortiz, Julian Sandoval, Enez Sandoval, Dan Salas and Fred Romero.

Capitan Legion Post To Aid In Survey On Anti-Poverty

In the regular meeting of the American Legion Post 57 in Capitan held Thursday last week, Trankie Silva, Service Officer of the Capitan Post and also representative to the Lincoln County Community Action Program board, requested that the Capitan Post participate in an anti-poverty survey to determine the needs and most feasible project in Capitan in order to report to the CAP Board. It was reported by Robin Byrd of Ruidoso, District 5 Commander, and Paul West, Ruidoso Legion Commander, who both attended the meeting. The Capitan Post Commander, Fred McDonald, led the discussion and the Post voted to accept the responsibility of helping in the survey and also to help with the project after the Planning Board has determined the most feasible project which seems at present to be a community center, District Commander Byrd reported.

"Knowing that the entire Capitan area is a close knit community and are all of one accord with their community projects, there will be much work, whatever their project may be, and I urge every eligible veteran in the Capitan area to avail himself of the opportunity of becoming a member of the Capitan Post 57 of the American Legion," Byrd stated.

Less Enrollment Brings Loss In Revenue

The loss of approximately 180 pupils in the Lincoln County schools was the subject of a meeting last Thursday of the five superintendents representing the five Lincoln County School Districts. The Carrizozo school district showed an increase of 18 and was the only district showing an increase, Ruidoso lost 83, Capitan about 78, Hondo 30, and Corona 7, according to the superintendents' reports. Loss of the 83 pupils in the Ruidoso schools represents a loss of about $30,000 from the school budget for the 1966-67 year; however, more than half of the amount or about $15,000 has been trimmed from the budget through economy measures and without changes in the curriculum, Superintendent George P. White reported. White said he has an appointment this Wednesday with the State Finance Director of the New Mexico Department of Education to see what recommendations he might have in regard to the balance of the expected deficit.

The drop in school enrollment in Capitan was accounted to some extent in the change in operation of the Fort Stanton Hospital, and in Ruidoso there was a decrease in the enrollment of Indian pupils probably attributed to the new housing project at Mescalero. However, other than that, the superintendents were unable to account for the decrease in school enrollment in Lincoln County.

Lions Change Date On Ladies' Night

Ruidoso Lions Club meeting last Tuesday night made final plans for the Aspencade barbecue and plans to feed 750 people at the Chuck Wagon noon dinner on Saturday, Oct. 8, Bill Dean, secretary, reported. Lions C. C. Watkins and Pat Vailliant are in charge of the food committee for the Aspencade.

Ladies' Night which was previously reported to be held in El Paso last Saturday night was called off due to conflicting with the New Mexico State Fair and will be held at a later date, Dean said.

At last Tuesday's meeting Lion C. L. "Bones" Wright reported that 130 tickets have been sold for the drawing on the two rifles which will be given away just before deer season. Proceeds from the ticket sale go into the Lions Scholarship Fund and are available for purchase from any club member, Dean said.

100-Year-Old Texan Is Panhandle Pioneer, Ruidosoan's Grandfather

(Editor's Note: Subject of the article below, which appeared in the Panhandle, Tex., Herald is the father of Mrs. Nell Crain Parks, longtime Ruidoso resident, and the grandfather of Dave Parks of this city.)

* * *

Albert Mirza Crain, a resident of St. Ann's Home, who will be 100 years of age September 13, will be honored at an open house Sunday in the north lounge of the home.

Hosting the affair will be children of Crain, the son, W. M. Crain and Mrs. Crain of Goodnight, and Mrs. Nell Parks. They will be assisted by Mrs. Elmer Hazlett of Phillips, daughter of W. M. Crain, and Dave Parks, Ruidoso, N. M., son of Mrs. Parks, and their families. The only other grandchildren, Mrs. B. W. Conrad of Fort Wayne, Ind., will be unable to attend.

Crain was born September 13, 1866, in Nacogdoches County, Texas, near the Old North Church, a landmark of the Baptist Church in Texas. His father was clerk of this church for 18 years. In 1880 he moved with his parents to Montague County, where his father was in the mercantile business at Spanish Fort.

He was married on October 24, 1895 to Miss Violet Berryman. Her home was near Kemp. Their children were born while they lived at Spanish Fort. A son and daughter died in infancy. They later moved to a farm near Albany and in 1906 the Crains and her parents, Mr. and Mrs. N. M. Berryman, moved to a ranch near Goodnight. Selling the ranch three years later, they moved into Goodnight, but soon found a section of land, a mile east of Goodnight, which they bought. They lived there until moving to Panhandle in 1953, to live with their daughter, Mrs. Parks, who had come from Ruidoso, N. M., to teach school. They celebrated their sixty-sixth wedding anniversary October 24, 1961, Mrs. Crain died unexpectedly, November 4, 1961.

Both Mr. and Mrs. Crain were active members of the Baptist Church and in various school and community activities wherever they lived. As a boy Crain learned the alphabet backwards and still entertains his child visitors by repeating it for them. Sunday afternoon, at St. Ann's Home, where he has been for three years, he was heard entertaining visitors from the children's home with the recitation.

ALBERT CRAIN

Descendants of Crain are the [illegible] and daughter, three grandchildren and 12 great-grandchildren. A grandson, Walton Crain, son of the W. M. Crains, was killed in a car wreck on April 9, 1960.

Crain is the last surviving member of a family of six sons.
