Purpose for the open house is to establish better communications between parents and teachers and to show progress of new facilities now being built. New policies concerning absenteeism and truancy will be explained at the meet and a demonstration of the high school schedule will be given. Parents are asked to obtain class schedules from their children and, in going through the schedule, report cards will be given the parents. Parents not attending the open house will receive the report cards by mail.

## Paul M. Lukens, Jr. Named As New Ruidoso Chief of Police

Paul M. Lukens, Jr., 33, a native of Roswell and resident of Ruidoso since 1958, Monday was appointed by newly elected Mayor Leon Farrar as the new Ruidoso Chief of Police.

Lukens replaces Orlando S. Montes, 50, who, after fourteen years of service with the department, the last eight of which he served as chief, was asked to resign last week by Mayor Farrer. Farrar gave no reason for his requesting Montes' resignation.

The new head of the Ruidoso Police Department has been with the local law enforcement department for a total of eight years and has, with the exception, served in every capacity tion of Police Chief, served in every capacity within the department. Lukens has served the department as Police Radio Dispatcher, Police Communications Officer, Night Supervisor, Patrolman and Head of Police Records Department.

Chief Lukens stated Monday afternoon, "I hope to update and modernize the police department and establish good relationships with all people of Ruidoso, especially among the youth." He continued, "I hope to be able to send every law enforcement officer in our department to the New Mexico Law Enforcement Academy and seriously and earnestly want to provide Ruidoso with the finest department possible, one that will have pride within the department and create a sense of pride for the department by local residents and tourists."

## Scout Council Slates Drive

Friends of Scouting are provided opportunities, through sustaining membership enrollment, to help young men to become better citizens; both for today and for tomorrow. Lincoln and Chaves Counties are two of several counties comprising what is known as the Conquistador Council, Boy Scouts of America. Beginning March 31, Ruidoso's friends of Scouting will help provide Scouting for over 23,600 boys who are now Scouting age.

What is the sustaining membership enrollment? It is a plan approved by the executive board of the council whereby parents and Scouters in United Fund Communities and all persons where no fund is in operation may support Scouting financially. The various community United Funds within the council supply about 80% of the necessary funds. Ruidoso and other communities support Scouting by helping to raise the other 20%.

If I join, must my gift be paid all at one time? No, your support can be monthly, quarterly, or semi-annually. Do I get a certificate showing I am a sustaining member? Yes, you will receive a sustaining membership card in appreciation of your investment in Scouting. You will also receive monthly the council newspaper, "El Conquistador", which reports progress of the program.

Many Scouters in the Ruidoso area now receive the "El Conquistador". In case you are wondering, this one publication now costs in the neighborhood of $12,000 per year. If we could underwrite this one expense, we could point with a degree of pride and say "we are a friend of Scouting".

Volunteers will gather at Joe's Restaurant for a sustaining Membership Kick-off breakfast, 7:30 a.m., Friday, March 31. Volunteer to assist in the enrollment, call 257-2325.

PROMOTED—Bobbie Miller, New Mexico State Police officer in the Ruidoso area for over twelve years, has been promoted to the rank of Sergeant in the NMSP, according to State Police officials. Sgt. Miller, highly respected in the Ruidoso area, is scheduled to be transferred to Alamogordo, effective April 1.

## Truman Sanchez Sentenced To 2 To 10 Years

Truman Sanchez, Ruidoso Downs, pleaded guilty to a charge of aggravated battery, Tuesday, before District Judge Richard A. Stanley, in an Alamogordo District Court and was sentenced to two-to-ten years in the New Mexico State Penitentiary.

An early charge of second degree murder in the shooting death of Mrs. Fabian Dolan, 42, Mescalero, was dropped. Both charges stemmed from the Christmas Day killing of Mrs. Dolan and shooting of her husband, Fabian Dolan, in the Ruidoso Downs residence of Melitone Sanchez. The latter Sanchez is no relation to Truman Sanchez.

The three, Truman Sanchez and Mr. and Mrs. Fabian Dolan, reportedly had been invited by Henry Sanchez, Ruidoso Downs and son of Melitone Sanchez, to spend the night in an outside entranced room on the rear of the Melitone Sanchez residence. During the early morning hours of Christmas Day and following a drinking party, Mrs. Dolan was fatally shot and her husband wounded in the arm from a pistol shot.

Testimony revealed that Dolan went to the Ruidoso Downs Village Marshall's office around 3:30 a.m. and reported the shooting to Ruidoso Downs Marshall Jerry Russell. At 4:47 a.m. the same day, Lincoln County Deputy Sheriff arrested Truman Sanchez for drunkeness and jailed him in the Ruidoso Downs Village jail.

Following an investigation by Deputy Sheriff Foster and Marshall Russell, Truman Sanchez was charged by the deputy sheriff with murder and aggravated battery.

Testimony in the trial, which began Monday morning, was given by investigating officers Deputy Sheriff Foster and Marshal Russell, Dr. W. D. Horton, Ruidoso, Henry Sanchez, Melitone Sanchez, and Charles Wieland, all of Ruidoso Downs, and by Ernesto Silva, Glencoe.

Jack Underwood, Assistant District Attorney, Ruidoso, served as the state's prosecutor and court appointed attorney Bill Payne, Carrizozo, represented Truman Sanchez.

Sanchez pleaded not guilty in a preliminary hearing early in February, before Ruidoso Magistrate Judge Austin A. Pritchett. After hearing testimony Judge Pritchett bound him over to District Court. The trial was moved to Alamogordo on a change of venue by presiding Judge Stanley.

## Primary Election Filing Date Set For April 4th

Lincoln County voters, 3,472 registered as of January 28, 1972, will go to the polls June 6th in the New Mexico Primary Election to select their party choice for the eight open elected positions in county government. Of the total registered voters in the county, Ruidoso and Ruidoso Downs precincts total nearly half of the count with 1,546.

Lincoln County reportedly is in a unique situation with all but one of the eight open positions without an incumbent, Mable Vigil, Lincoln County Treasurer, is the only county elected official who can seek re-election this year. All offices are for two year terms.

All three Lincoln County Board of Commissioners have served the two term limit and cannot seek re-election as has the county clerk, the tax assessor, the sheriff, and the county probate judge.

Filing date for those who seek an elective county office, set by state statutes, is Tuesday, April 4. Candidates must make Declaration of Candidacy by filing in the county courthouse between the hours of 9:00 a.m. and 5:00 p.m. The names of the candidates in the Primary Election will be arranged on the ballot or voting machine as determined by lots. The ballot positioning will be determined immediately following the closing time for filing.

Annual salaries of the county elected officials for first class counties, those with over twenty-seven million valuation, are: County Commissioners, $3,000 each; Treasurer, $7,320; Tax Assessor, $7,320; Sheriff, $7,560; County Clerk, $7,320, and Probate Judge, $1,920.

On March 10 and 11, Mrs. Provine took six girls to the State FHA meeting in Albuquerque. These girls were Patsy Walker, Kathy Robinson, Donna Hobbs, Debbie Cartwright, Beverly Cornelius and Patty Otero. Miss Otero was elected to be a representative of District J to the national convention in Los Angeles next July. (This is a nice honor for Patty and for our school.)

The speaker at the state meeting was Dr. Donald O. Clifton. Dr. Clifton, a licensed phychologist, is president of Selection Research, Inc., Lincoln, Nebr., and director of King's Food Host USA. He is the author of the widely published theory of the dipper and the bucket. This was explained to this writer as saying something very nice to a person—then taking it away by saying something not so nice.

Other FHA News: The Capitan Chapter of the Future Homemakers of America held its monthly meeting March 7. We discussed what we would do for National FHA Week. The girls will be making posters so everyone will know that we are involved in FHA work. Plans for the annual talent show were also discussed. Everyone should start planning their acts now. The public is invited and urged to attend the annual FHA Talent Show to be held Friday evening, April 7, 7:30 p.m. in the school gym.

Also elected were the candidates for the honor of being FHA Sweetheart and Beau. They are—Seniors: Patsy Walker and Mike Pumphrey; Juniors: Donna Hobbs and Steven Tally; Sophomores: Sarah Jobe and Robert Abercrombie, and Freshmen: Beverly Cornelius and Henry Griego.

After the business meeting, Mrs. Bill Mundy spoke to the girls about modeling, make-up, and other things. Mrs. Mundy is a former Miss Lubbock, a model, a photographer and a clothes designer. All girls interested in modeling please contact Mrs. Mundy or Mrs. Provine. Mrs. Mundy will be conducting a class two nights a week.

The Capitan Tiger track team will be in Truth or Consequences this Saturday, March 18, for a warm up meet. Coach House has announced his squad and each man's probable (but not definite) events: Ted Sisneros, 880 relay, 100-yd. dash, high jump, pole vault, broad jump; Brenson Cummins, 180 low hurdles; 120 high hurdles; Ronnie Smith, 100-yd. dash, 180 low hurdles; 880 relay, mile medley; Ken Taylor, 880 dash, 120 high hurdles; Mike Romero, shot put and discus; Ken Knapp, 220 dash, 440 relay, mile relay; David Evans, 440 dash and relay, mile run, mile medley relay; Richard Phillips, 440 dash and relay, 880 dash, broad jump; John DeNardi, mile run; Eddie Jones, 220 dash, 880 relay, mile medley, 440 dash and javelin.

Kenny Cummins, low hurdles and the mile; Kirk Phillips, 2 mile; Wayne Ware, 880 dash; Mike Goodrich, 880 dash and 2 mile; Ricky Richardson, shot put and discus, and Benjie Trujillo, 220 dash and mile medley. The Capitan thin clads also have the following meets scheduled: March 25, Melrose; April 1 Carrizozo; April 8, Menaul of Albuquerque; April 15, Tatum; April 22, Tularosa; April 28, Dexter; May 6, District 5AA in Artesia. Support the Tigers!

Short Notes: April 1 — Deadline for purchasing a school yearbook. The price is $6.50. Add a dollar to this if you want your name printed on the cover — We are certainly enjoying the Dukes of Dixieland album given to us by the family of the late H. Elfred Jones. It is from Elfred's excellent collection. He was quite a jazz fan. —This is good luck to the Irish month for Capitan 3rd graders. —This reminds us that St. Patrick's Day, March 17, is also a school holiday. Reason — Teacher convention in Hobbs. —Ofelia Salas will attend this convention. (Possibly others from Capitan). —Sorry to hear about Southern Pacific freight trains not changing crews in Carrizozo anymore. This was effective March 13. —There were big crowds in Lincoln Town last weekend. This information from Rafaelita Pryor. —Miles Williams returned to his Nogal home March 12 and is reported to be doing much better. —Supt. Caster will be in Albuquerque March 15 and 16 for a pre-budget meeting. Caster and Principal Mayfield attended a seminar concerning open space schools last Thursday and Friday in Cloudcroft. This concerns schools without any interior walls.

Several members of the Capitan Community were shocked last week to receive this notice: "As of midnight, March 7, 1972, LaMoyne Carpenter wishes to announce his resignation as Commissioner of Docks and Harbors of Capitan, New Mexico."

Results of municipal election on March 7: Mayor — Jay Johnston, 68; Valten Hall, 57. For two 4-year terms on the city council: Gerald Dean, Sr., 75; Kenneth Reamy, 74; Herman C. Otero, 50; Kenneth Schear, 42. Mrs. Gertrude Huey ran unopposed for municipal judge and received 99 votes. Receiving one vote each as write-ins were Hollis Cummins and Pauline McGary.

## Ski Area Is Reserved For Annual Ski-Tee

The Sierra Blanca Ski Resort Ski Area has been reserved exclusively for the Fourth Annual Ski-Tee Tournament, according to Sierra Blanca Ski Club officials, sponsors of the annual event scheduled this year for March 31 thru April 2.

In addition, club officials announced, prizes valued in excess of seven hundred dollars will be given away to tourney winners in the seasonal spectacular on Sunday afternoon at the Cree Meadows Golf Course and Country Club.

It was also announced that the Ski competition will be held on Saturday rather than on Sunday as previously planned. The change, reportedly, was made to accommodate more people during the overall weekend affair.

The official paring for those who participate in the annual event, which is open to the public, will take place at the Team Drawing Party, Friday, March 31, at 7:00 p.m. in the club house of the Cree Meadows Golf Course and Country Club.

A special attraction for this year's Team Member Drawing Party includes a special dinner prepared by Edward Muse, president of Smoker Products, Dallas, Texas. Muse will reportedly use one of the most modern and unique methods for outside cooking in preparing turkey and ham for the special treat.

The entry fee of ten dollars per person must be in by noon Friday, March 31 and includes golf green fees, ski lift tickets, the annual Team Drawing Party and other events.

Proceeds from the special tournament go towards the Sierra Blanca Ski Club sponsored Junior Racers.

## Paul M. Lukens, Jr. Named As New Ruidoso Chief of Police

Paul M. Lukens, Jr., 33, a native of Roswell and resident of Ruidoso since 1958, Monday was appointed by newly elected Mayor Leon Farrar as the new Ruidoso Chief of Police.

Lukens replaces Orlando S. Montes, 50, who, after fourteen years of service with the department, the last eight of which he served as chief, was asked to resign last week by Mayor Farrer. Farrar gave no reason for his requesting Montes' resignation.

The new head of the Ruidoso Police Department has been with the local law enforcement department for a total of eight years and has, with the exception, served in every capacity in the department. Lukens has served the department as Police Radio Dispatcher, Police Communications Officer, Night Supervisor, Patrolman and Head of Police Records Department.

Chief Lukens stated Monday afternoon, "I hope to update and modernize the police department and establish good relationships with all people of Ruidoso, especially among the youth." He continued, "I hope to be able to send every law enforcement officer in our department to the New Mexico Law Enforcement Academy and seriously and earnestly want to provide Ruidoso with the finest department possible, one that will have pride within the department and create a sense of pride for the department by local residents and tourists."

Lukens recently was reported to have received the highest grade in New Mexico among law enforcement officers who have taken the Instructor's Examination for the new SM-7 Mobile Alcoholic Breath Test School. He is certified by the New Mexico Health and Social Services Department to both teach and administer the test.

Certified by the State of New Mexico as a qualified law enforcement officer, Lukens attended New Mexico State University with a major in Police Science and has attended a number of law enforcement seminars.

Schools attended by Lukens and sponsored by the Federal Bureau of Investigation include Police Operations, Mob and Riot Control and Police Communications School. He has also attended several law enforcement training seminars sponsored by the New Mexico State Police.

Serving in the Armed Forces in the Military Intelligence Service Organization, the new chief of police is a qualified Fingerprint Technician and qualified Fingerprint Classifier. He has had eight years' experience in the fingerprint field.

Lukens is a recognized Firearms Instructor and holds a current American Red Cross First Aid Instructor's Card.

## Scout Council Slates Drive

Friends of Scouting are provided opportunities, through sustaining membership enrollment, to help young men to become better citizens; both for today and for tomorrow. Lincoln and Chaves Counties are two of several counties comprising what is known as the Conquistador Council, Boy Scouts of America. Beginning March 31, Ruidoso's friends of Scouting will help provide Scouting for over 23,000 boys who are now Scouting age.

What is the sustaining membership enrollment? It is a plan approved by the executive board of the council whereby parents and Scouters in United Fund Communities and all persons where no fund is in operation may support Scouting financially. The various community United Funds within the council supply about 80% of the necessary funds. Ruidoso and other communities support Scouting by helping to raise the other 20%.

If I join, must my gift be paid all at one time? No, your support can be monthly, quarterly, or semi-annually. Do I get a certificate showing I am a sustaining member? Yes, you will receive a sustaining membership card in appreciation of your investment in Scouting. You will also receive monthly the council newspaper, "El Conquistador", which reports progress of the program.

Many Scouters in the Ruidoso area now receive the "El Conquistador". In case you are wondering, this one publication now costs in the neighborhood of $12,000 per year. If we could underwrite this one expense, we could point with a degree of pride and say "we are a friend of Scouting".

Volunteers will gather at Joe's Restaurant for a sustaining Membership Kick-off breakfast, 7:30 a.m., Friday, March 31. Volunteer to assist in the enrollment, call 257-2325.

PROMOTED—Bobbie Miller, New Mexico State Police officer in the Ruidoso area for over twelve years, has been promoted to the rank of Sergeant in the NMSP, according to State Police officials. Sgt. Miller, highly respected in the Ruidoso area, is scheduled to be transferred to Alamogordo, effective April 1.

## Truman Sanchez Sentenced To 2 To 10 Years

Truman Sanchez, Ruidoso Downs, pleaded guilty to a charge of aggravated battery, Tuesday, before District Judge Richard A. Stanley, in an Alamogordo District Court and was sentenced to two-to-ten years in the New Mexico State Penitentiary.

An early charge of second degree murder in the shooting death of Mrs. Fabian Dolan, 42, Mescalero, was dropped. Both charges stemmed from the Christmas Day killing of Mrs. Dolan and shooting of her husband, Fabian Dolan, in the Ruidoso Downs residence of Melitone Sanchez. The latter Sanchez is no relation to Truman Sanchez.

The three, Truman Sanchez and Mr. and Mrs. Fabian Dolan, reportedly had been invited by Henry Sanchez, Ruidoso Downs and son of Melitone Sanchez, to spend the night in an outside entranced room on the rear of the Melitone Sanchez residence. During the early morning hours of Christmas Day and following a drinking party, Mrs. Dolan was fatally shot and her husband wounded in the arm from a pistol shot.

Testimony revealed that Dolan went to the Ruidoso Downs Village Marshall's office around 3:30 a.m. and reported the shooting to Ruidoso Downs Marshall Jerry Russell. At 4:47 a.m. the same day, Lincoln County Deputy Sheriff arrested Truman Sanchez for drunkeness and jailed him in the Ruidoso Downs Village jail.

Following an investigation by Deputy Sheriff Foster and Marshall Russell, Truman Sanchez was charged by the deputy sheriff with murder and aggravated battery.

Testimony in the trial, which began Monday morning, was given by investigating officers Deputy Sheriff Foster and Marshal Russell, Dr. W. D. Horton, Ruidoso, Henry Sanchez, Melitone Sanchez, and Charles Wieland, all of Ruidoso Downs, and by Ernesto Silva, Glencoe.

Jack Underwood, Assistant District Attorney, Ruidoso, served as the state's prosecutor and court appointed attorney Bill Payne, Carrizozo, represented Truman Sanchez.

Sanchez pleaded not guilty in a preliminary hearing early in February, before Ruidoso Magistrate Judge Austin A. Pritchett. After hearing testimony Judge Pritchett bound him over to District Court. The trial was moved to Alamogordo on a change of venue by presiding Judge Stanley.

## Primary Election Filing Date Set For April 4th

Lincoln County voters, 3,472 registered as of January 28, 1972, will go to the polls June 6th in the New Mexico Primary Election to select their party choice for the eight open elected positions in county government. Of the total registered voters in the county, Ruidoso and Ruidoso Downs precincts total nearly half of the count with 1,546.

Lincoln County reportedly is in a unique situation with all but one of the eight open positions without an incumbent, Mable Vigil, Lincoln County Treasurer, is the only county elected official who can seek re-election this year. All offices are for two year terms.

All three Lincoln County Board of Commissioners have served the two term limit and cannot seek re-election as has the county clerk, the tax assessor, the sheriff, and the county probate judge.

Filing date for those who seek an elective county office, set by state statutes, is Tuesday, April 4. Candidates must make Declaration of Candidacy by filing in the county courthouse between the hours of 9:00 a.m. and 5:00 p.m. The names of the candidates in the Primary Election will be arranged on the ballot or voting machine as determined by lots. The ballot positioning will be determined immediately following the closing time for filing.

Annual salaries of the county elected officials for first class counties, those with over twenty-seven million valuation, are: County Commissioners, $3,000 each; Treasurer, $7,320; Tax Assessor, $7,320; Sheriff, $7,560; County Clerk, $7,320, and Probate Judge, $1,920.

## Story of Arbor Day Given At Meeting Of Garden Club

Mrs. Zoe Glassmire presented the program on "Arbor Day" for the meeting of the Ruidoso Garden Club on Tuesday, Marsch 21 in the Ruidoso Woman's Club building. Mrs. Glassmire, substituting for Mrs. Roy Lare who was ill, read several articles on Arbor Day. She stated that New Mexico's 60th birthday is also the 100th anniversary of Arbor Day. She stated further that Nebraska was the first state to observe Arbor Day by planting over one million trees on April 10, 1872. Each state selects the month and date for Arbor Day when tree planting is best for the state's particular climate. Recently a new resolution has been passed by Congress, Mrs. Glassmire said, making the last Friday in April, Arbor Day throughout the nation.

Mrs. Ellen Sanders spoke on the New Mexico state tree, the Pinon, and said one can distinguish between the New Mexico pinon and its neighbors, because the New Mexico pinon's needles grow in pairs and the nuts on the New Mexico pinon are larger. Each year more than one million pounds of pinon nuts are harvested and shipped out of state, she said. The pinon is a very slow growing tree, and by the time it is 25 years old and begins producing nuts, it in most instances will be only from 5 to 10 feet in height.

Capsule Talks for the roll called by Mrs. Isla McLeod on "A Tree or Shrub I Like" revealed that the forsythia was the most popular shrub. Mrs. Louella Counts, club president, said that the decision on where and when to plant a pinon tree in honor of Arbor Day in some needed location, would be decided at the next meeting.

Mrs. Charles Neuhaus showed several Design Displays of Oriental arrangements. She said that one generally considers such arrangements as Japanese, as with that nation this is a life-long study and is known as "Ikebana" and consists of two popular styles, "Moribana" in shallow containers, and "Nageire" in vases. Mrs. Neuhaus had her displays analyzed as to perfection in order to help the group to learn its rules when preparing for a judged flower show.

The hostesses, Mrs. Melvin Knox, Mrs. Ada McClendon and Mrs. Augustin Valentin, served refreshments from a table decorated in the Easter motif.

## Kappa Kappa Iota Has Program On Robert Frost

The Ruidoso Conclave of Kappa Kappa Iota, national honorary teachers sorority, heard Dr. Katherine Finley speak on "An Evening With Robert Frost" in the meeting held Monday, March 20, at the La Junta Guest Ranch at Alto. Dr. Finley who knew Robert Frost personally, said there was no honor he did not receive as a great and inspiring poet. She quoted him as having said, "Poetry, like love, should begin in surprise, delight and tears, and and in wisdom," and "We should read it and share it with others."

Dr. Finley stated that most of the Robert Frost poems were written about Vermont and New Hampshire. She read several of his poems which were then discussed by the group. Dr. Finley said that his poems expressed a basic truth, such as, "Fear" which shows that a person can not live with his or her guilt; and the one which was delivered at the inauguration of President Kennedy, "The Building of This Country", which shows his faith in America. She closed her program with the reading of two poems, "A Mood of Heart", and "The Fear of God".

During the business meeting which was presided over by the president, Mrs. Frank Crown, the call to the state convention in Albuquerque on April 22, was read, and a nominating committee was appointed including Mrs. Charles Cutchfield, Mrs. A. J. Thompson and Mrs. Nancy McCarty.

The hostesses for this meeting, Dr. Katherine Finley, Mrs. Eve Ball and Mrs. W. E. Lyle, served refreshments of two kinds of sandwiches, chips, olives, pound cake, mints and nuts with tea or coffee.

## *Letter to the Editor*

March 20, 1972
Ruidoso News
Ruidoso, N. M.
Dear Editor:

Wonder who might konw why no fish have been stocked in Bonito Creek? It has been running good 4 months, and is open for fishing the year around. It may get low—but now we need some fish for the hungry tourists and all us anxious-to-fish natives. All these game officals seem to be "passing the buck" or just like to keep me guessing. Maybe the creek and "Blue Hole" are full of fish. I'll have to go look, but I'd guess none yet, why?

## Valliants Attend Budget Workshop

Supt. and Mrs. Pat Valliant, last week, participated in a statewide, pre-budget workshop in Albuquerque sponsored by Harry Wugalter, chief of public school finance for the State Department of Finance and Administration.

The workship is held annually to assist local school officials in understanding new laws, regulations and procedures for budgeting school operations. The session precedes the yearly budget hearings conducted in each school district by Wugalter, his staff and staff members from the State Department of Education.

Major impact of the two-day session was the announcement that many of New Mexico's 89 school districts next year will face a decrease in Public Law 874 federal funds, provided in lieu of property taxes to systems which have heavy enrollments of school children whose parents live or work on federal property.

Nora Chavez, director of federal impact aid for the SDE, said 44 of the 56 state districts receiving P. L. 874 monies will suffer loses ranging from 99 per cent at Aztec to one per cent at Ruidoso.

"The loss next year will be approximately $2 million," Miss Chavez said. "Estimates show total revenue for 1972-73 at $12.9 million, compared to this year's estimate of $14.9 million for the state."

Featured speakers at the workshop, held Wednesday and Thursday, March 15-16, included Gov. Bruce King; State School Supt. Leonard DeLayo; Rep. John Mershon (D-Otero), chairman of the Legislative Finance Committee; and Rep. David Salman (D-Mora, Union, Harding), Legislative School Study Committee chairman.

Wugalter termed the workshop "a success", commenting it "provided the local school officials with information they will need to prepare their budgets for the coming year."

## Your Social Security

"March 31 is a very important deadline for individuals who are not enrolled for medical insurance benefits under Medicare. This may be the last day for many people to obtain this protection which helps pay for doctor bills," Mrs. Christine Graves, social security field representative, emphasized today.

The general enrollment period in which medical insurance can be obtained covers the first three months of 1972—January, February and March. A person who was born October 2, 1903 and has never enrolled for medical coverage is no longer eligible. Anyone who was born between October 2, 1903 and October 1, 1904, and had never been enrolled must enroll during this general enrollment period because this is the last chance to get this medical insurance.

A person who had medical insurance that terminated may be eligible to re-enroll. For detailed information about this and other important matters, call the nearest social security office.

McGee came out of World War II as Captain . . . attained the rank of Major during his 4 years in National Guard . . . and folks of this area may remember him as State Chairman of Golden Gloves in 1969. Ivan McGee and his wife, Dorothy, now have their own home in Ruidoso at Airport West subdivision.

Mrs. June Brooks, who will be assisting in the Lincoln County Branch office, is no stranger in the community. A resident of Ruidoso 24 years, she was an employee of Ruidoso State Bank through 1969 . . . eleven and a half years as an officer with valuable experience in the loan department.

## Lincoln Forest Wildernes Area Meetings Are Set

The Forest Service's Southwestern Region — Arizona and New Mexico—has scheduled a series of public meetings to discuss an inventory of roadless areas which may merit closer examination of wilderness potential, Regional Forester Wm. D. Hurst announced today.

The study, Hurst said, is neither for nor against wilderness classification of these areas. "It merely identifies them as roadless. Wilderness is only one of the possible uses and may not be the most desirable use," Hurst said.

"The inventory," he said, "disclosed about 1.2 million acres that fit the roadless description. These have been studied by a multidisciplinary team to determine availability and suitability in relation to the Wilderness Act and the multiple use management responsibilities of the Forest Service."

"Before any candidate parcels are recommended to me for further study," Hurst added, "the Forest Supervisors want the opinions of the public on the future management of these areas."

To obtain public views 18 meetings have been scheduled, beginning April 8 and ending May 13. Written comments may be sent to the concerned Forest Supervisor until June 10, Hurst said.

The study, made by District Forest Rangers and Supervisors of the 12 National Forests in the two states, produced 78 areas for consideration — 37 totaling about 660,000 acres in Arizona and 41 areas with 575,000 acres in New Mexico. Two parts of the Sandia Mountains east of Albuquerque will be considered at a later date as part of a total Sandia Land Management Plan. There may be other similar studies involved. These will be identified by Forest Supervisors during public meetings.

Hurst said a minimum size of 5,000 acres was established as a guide for the inventory. However, he added, an area of less than 5,000 acres could be considered if it were adjacent to an established Wilderness or Primitive Area.

Following the June 10 deadline, Forest Supervisors will report their findings to the Regional Forester and by June 30 Hurst will recommend to the Forest Service's Washington office the areas meriting further Wilderness consideration. Forest Service Chief Edward P. Cliff will make the final selection and set nationwide priorities for study.

The first meeting will be held April 8 at Grants, for a discussion of the Mt. Taylor area of the Cibola National Forest. The Cibola's Manzano Mountains will be discussed at Belen April 22 and Socorro will be the site May 13 of talks on parts of the San Mateo and Magdalena Mountains.

Meeting date for the Lincoln National Forest has been set for May 6, 9:00 a.m. at the North Elementary School in Alamogordo.

## Candidates Corner

BILL HART

"I am a strict conservative on how much money the county spends and therefore on how much money the county levies in the form of taxes on our people," Bill Hart, Ruidoso, stated upon making his formal announcement regarding his candidacy as Lincoln County Commissioner for District 3.

Hart, a Ruidoso resident since 1932, also stated, "In announcing my candidacy as Lincoln County Commissioner, subject to the Democratic Primary Election, June 6, I do so knowing full well that members of this commission will be facing one of the most difficult periods that have ever come before such a commission. Aside from the usual tasks of road maintenance, subdivision consideration, budget, organization of all county departments, etc., one of the greatest tasks of all concerns the reappraisal of property owned by people in Lincoln County."

Hart continued, "The increase of two and one-half times the property valuation for tax purposes which is being thrust upon us by the state will take effect in 1973 and will require a lot of time, patience, experience and wisdom to adjust these figures to a level which we as taxpayers can live with. With my past experience in business and as a member of various boards and responsible organizations, together with my knowledge of Lincoln County, I sincerely and honestly feel that I can adequately serve our people in Lincoln County."

Listed in the noted publication "Who's Who in New Mexico, 1957" Hart was born in Abernathy, Texas and moved to Lincoln County in 1932 after serving with the City of Lubbock and also as chief engineer for the city of Spur, Texas. A Texas Tech graduate, Hart installed the first electric power plant for Ruidoso and also installed Ruidoso's first public water system.

The Democratic candidate for county commissioner served as chairman of Ruidoso-Hondo Valley General Hospital Board of directors for 12 years and was instrumental in keeping the hospital open during its early critical financial years.

Hart is also a former member of the Eagle Creek Water Association, past president of the Ruidoso Evening Lions Club and currently on the Board of Directors of the Ruidoso Valley Noon Lions Club. He has been a member of the Southwestern Children Home Board of Directors for over thirty years. He is past president of the Ruidoso Valley Chamber of Commerce and served on the Ruidoso School Board in 1944-46.

Hart recently sold his business in Ruidoso to devote time to serving the public.

DISTRICT JUDGE RICHARD A. STANLEY

District Judge Richard A. (Dick) Stanley, 53, has announced that he will be a candidate for re-election as District Judge of the Twelfth Judicial District comprised of Otero and Lincoln Counties, subject to the Primary Election, June 6th.

In making his announcement for re-election, Judge Stanley stated that he has brought to the District Court, "honesty, dignity, fair treatment, to all citizens and equal justice for all people, regardless of age, race, color or creed and asks the voters to retain these qualities and his experience in the District Court."

Judge Stanley is a graduate of Oklahoma State University, the University of Arizona Law School, and the National College of Trial Judges. For more than ten years he was Government Appeals Agent for Selective Service. Judge Stanley is currently licensed to practice law in all Courts of the states of New Mexico and Arizona, The United States District Court and is Past President of the Otero Bar Association.

A resident of New Mexico 29 years, a prominent practicing attorney in Alamogordo for sixteen years, Judge Stanley has served the Twelfth Judicial District as District Judge for the past six years.

In World War II Judge Stanley entered the U. S. Armed Forces as a private, rose to the rank of Lieutenant and served as an Air Force pilot in the Pacific Theatre of operation.

Judge Stanley is listed in "Who's Who in the West," and also in "Leading Men in the United States of America". Having served four years as a member of the City Commission of Alamogordo, 1959-63, he has long been recognized as a reliable, dependable, honest and conscientious citizen and civic leader. He is a member of various service and civic clubs and organizations as well as a member of St. John's Episcopal Church. He is married and has two sons.

DR. J. R. KUHN

Dr. J. R. Kuhn today announced his candidacy for the office of Lincoln County Probate Judge on the Republican ticket. Kuhn is a native of Illinois, served in World War II and completed his undergraduate work at Baylor University in the Army Specialized Training Program for the development of the atomic bomb. The balance of his service time was in the U. S. Air Force and he was discharged at Hobbs in 1946.

Kuhn's education was received at Baylor University; the University of Illinois, Bachelor of Science; University of Illinois College of Medicine, Bachelor of Science in Medicine; one year of medical externship at St. Mary's Hospital, Tucson, Ariz.; Missouri Village of Chiropractic, Doctor of Chiropractic Degree; Spears Chiropractic Hospital, Denver, Colo., Post Graduate study; and he is currently working on a Bachelor of Laws degree.

He has been a resident of New Mexico for 17 years. Kuhn is married to the former Nona Belle Davis of El Paso and has one son, John, 14, in the Ruidoso School.

A charter member of the Ruidoso Noon Lions Club, Kuhn is currently serving on the Lions' board of directors and holds a perfect attendance record. He is a member of the Lincoln County Historical Society, Phi Beta Pi medical fraternity and is the state editor of the nation's largest Chiropractic Journal.

Giving his reasons for running for the office, Kuhn said, "Mr. Kenneth Nosker, the present Probate Judge, has done an excellent job as Judge and I would like to see his fine work continued. In addition, for the past year I have been attempting to have my father's estate settled in another state. I do not want to see any Lincoln County resident suffer through what I have had to, and therefore I have a very personal interest in this position. In addition to my own law studies, I have obtained a New Mexico Probate Manual, and in the past year have studied it thoroughly from cover to cover. I, therefore, feel well qualified to perform the duties as Probate Judge of Lincoln County."

TOM W. JONES

I am a candidate for the Democratic nomination for County Commissioner, District 3.

I am a native of Lincoln County; 48 years old; married, have 3 children; 1 married daughter, 1 son in college, 1 daughter attending grade school in Ruidoso.

My father was killed in the line of duty while serving as Deputy Sheriff of Lincoln County, near Corona in 1933, by the "Perchmouth Stanton Gang".

My mother, Ola C. Jones, served Lincoln County over 30 years as Teacher and County School Superintendent. She taught the first school in Ruidoso in 1918 in what is now known as School House Park.

My interests in Lincoln County go way back.

I attended grade school at the old Glencoe and Stetson schools; graduated from High School at Carrizozo, and from Junior College at New Mexico Military Institute.

I volunteered for military service during World War II, serving over 4 years in the old Air Corps; 76 missions as a Combat Fighter Pilot in the South Pacific Theatre. I would volunteer again if necessary to protect our country.

We own a home in Ruidoso, and a small farm and ranch in the Ruidoso Valley; the ranch is on National Forest, so I am familiar with the Forest Service, as well as farm and ranch problems.

Since 1950 I have been manager of Ruidoso Realty Co., one of the original developers in Ruidoso, dating back to the 1920's.

In the real estate development business I have become very familiar with appraisals and taxes in our county; I feel knowledge of these two items will be most important in Lincoln County in the future.

Civic service has always interested me; I have served 2 terms as Commander of the American Legion; 2 terms as Commander of the Veterans of Foreign Wars; 4 terms as President of my professional group, the Ruidoso Board of Realtors; director of the Chamber of Commerce; Assistant Chief of the Ruidoso Volunteer Fire Department for 11 years; 5 years as Village Trustee, 2 as Mayor Pro-tem; on my 15th year as Director and currently President of the Eagle Creek Inter-Community Water Supply Association which supplies Ruidoso and Capitan with water out of Eagle Creek and Alto Reservoir.

Under these last two I have had considerable experience with budgets, audits, bond issues, condemnation, long range planning, bids, construction, etc., involving several million dollars of public funds. I also gained considerable experience with State and Federal Agencies.

I feel my long continued civic service in these fields which are most important to the progress of our County are most important in the qualifications of a Commissioner to represent the county.

I believe in studying problems, then taking action which will do the most good, for the greatest number of people, for the longest period of time.

I think it is ridiculous for a candidate to waste a bunch of time and money campaigning; if you don't know enough about a candidate from his past performance and record, you won't learn much from a political card.

IN THE SOUVENIR SHOP you'll find hundreds of items at budget prices, many of them Indian hand-made, at Bennett's Indian Shop, West of Highway 70, Ruidoso.

UTILITY FUNDS — A bill to allow communities in New Mexico to charge a reasonable profit for utility services within their boundaries passed the Legislature and will become effective in June. The New Mexico Municipal League earlier reported 21 communities in the state were charging their residents more than was reasonably needed to operate their local utilities, and some of those communities were placing surplus money in their general funds to be used either for expanding city services or to pay off general obligation bonds not connected with the utilities. The Taxpayers Association of New Mexico entered a court suit in Albuquerque aimed at stopping the practice of using such a utility rate surplus for general fund purposes. The case will be decided this month. The basic issue behind the association's move was there existed a constitutional infraction if the utility money was used for general fund purposes. The suit says, "By charging sewer and water users $3.6 million more than is required to operate the sewer and water system and then transferring that amount to the general fund for distribution to eighteen separate departments for general governmental functions, the city of Albuquerque has clearly transformed a 'service charge' into a tax." Article X, Section 6 of the New Mexico Constitution states clearly that: ". . . No tax imposed by the governing body of a charter municipality except a tax authorized by general law, shall become effective until approved by a majority vote in the charter municipality." The law's passage by the legislature clearly does not answer the constitutional question, among others in the suit. It has not been a pleasant duty of the Taxpayers Association ever to attempt to correct inequities and wrongs in our state and local taxing systems. Much criticism has been heaped on the association because of these efforts. But in the long view, it is best to nip such errors in the bud and then attempt to provide long view solutions—legal solutions—to the problems.

FEDERAL AID COST — New Mexico taxpayers paid a low price for each dollar received in federal grants-in-aid last year, The Tax Foundation has reported. Excluding trust fund payments, New Mexico received $157 million in grants but paid only $68.1 million in federal taxes. In other words, New Mexico taxpayers paid in only 44 cents for each dollar received in federal grants-in-aid. If the trust fund moneys are to be counted, New Mexico received $244.8 million and paid in a total of $104.7 million. Twenty-one other states paid in more than they received back. The two lowest pay states were Alaska and Mississippi, both at 33 cents per dollar received, while the highest was Indiana at $1.61 for each dollar received.

INCOME — New Mexico continued to maintain its bottom standing in per capita income for 1969-70 for the Rocky Mountain and Southwest states, and Albuquerque ranked the lowest of cities in the same states. Although New Mexico jumped 8.6 per cent in per-capita personal income (the greatest leap in the area), it totaled only $3,131 statewide. Albuquerque totaled $3,135 for 1969. Highest of the regional states was Colorado with $3,816. All of the regional states were below the national average of $3,921. Source: Survey of Current Business, May and August, 1971.

VALUE ADDED TAX—A proposal to add a "value added tax" to the long list of federal taxes is gaining momentum in Washington and among the recipients of federal funds throughout the nation. The tax, used extensively in Europe now, would impose federal tax on a product each time there is an increase in value of that product. Estimates reach as high as a 15 percent tax on some products such as automobiles which have a healthy list of value increases behind the finished product.

## Rotarians Slate Career Clinic For Juniors and Seniors

A Career Clinic for Junior and Senior students at Ruidoso High School is being planned for April by the Ruidoso Rotary Club according to Youth Service chairman Barney Waldrop. The clinic will give the students an insight into business or professions in which they are interested. Local businessmen will present a short resume of the occupation under study and will answer questions from the students.

It is hoped that the clinic will give the students a practical view of the occupation in which they are interested.

Local businessmen are asked to participate in the clinic to give the students the benefit of their experience. Those wishing to help with the project may do so by contacting any Rotarian or calling Barney Waldrop.

## MRS. B—

By CECELIA BARRON

Dear Son:

I received your letter and you seemed somewhat depressed. Maybe it is because of the continual rain. We of this part of the States are thankful for the small amount of moisture we get.

If you will just stop and think; you and all of us have many things to be thankful for. You know that if God is willing, some day you will be home with your wonderful little family — there are many over there who may never get home. We here at home can at least go where we please so long as it does not infringe on the other person's rights. As for me, I prefer to stay at home as much as possible. My father used to say: If we stay at home where we belong we are not liable to get in trouble.

We all choose our lots; just as you chose to serve the government and I chose to be your mother. It is typical of the U. S. to try to take the whole weight of the entire world on its shoulders and neglect the smaller things around our 'back door'; therefore we may fail. Just as a cobbler's wife going without shoes or a social worker's children may go astray.

Nina Franks said: "True greatness consists of being great in little things'. Every thing in life can not be nice clean needlepoint. We have to thrash out the chaff from the grain. Also we can not always have things as we want them; just as I cannot have my new house. They try so hard to tell me what I want and do not listen to what I say I want. So I will just be content with my little two rooms for a while. I once read about a nun who carried a luscious peach around with her until she found some one to give it to; but never tasted it. That is the way with me; I will just carry the beautiful thought around in my head, but never partake of it.

The cold weather is forgotten when we have warm sunshinny days, as we have now. The snow is all gone—except on the mountain and it is between 60 and 70 degrees during the day; even though it is cold at night. The motorcycles have already started climbing 'my hill'.

According to an old Chinese calendar; you are a dog and your horoscope reads: Respects his obligations, is candid and trustworthy in his dealings with others. However, he tends to be stubborn, opinionated, moody and narrow minded and to waste much effort in work. I am a rat and this is the year of the rats. Isn't that something?

Do you have access to books over there? I have just finished reading 'Wheels' by Arthur Hailey. It gives a good insight into what is going on behind and on the assembly line of that 'buggy' we all prize so highly. Ten million cars per year are produced. One car per minute rolls off the assembly line according to his analysis. Bermuda has rationed: one car to a household, also limited engine capacity and body size and they manage very well. I wonder how long it will be until we will have to follow their example. I can just hear Junior say 'Oh no! Not until I get my 'hot rod'. Someone said there would be a revolution if we were to ration cars here. There is already a cold revolution going on whether we want to believe it or not. We just shut our eyes to it.

I attended a farewell party for Rev. and Mrs. Leon Bruce. It is wonderful to be with good Christian friends. There is a togetherness that makes you forget any sadness you have.

Son, I hope by the time you receive this you will feel more cheerful and the rain will have stopped; so you may see the sunshine once more. I am supposed to write as I think, so I am thinking now.

With all my love,
Mother
—Mrs. B.

DICK UNDERWOOD

Jack Underwood, 53 year old Ruidoso attorney, today announced he will be a candidate for the New Mexico Supreme Court, eight year term, in the June Democratic Primary.

He is presently Assistant District Attorney of the 12th Judicial District, and will resign that postion to campaign prior to April 4, the filing date for all candidates. ## Income Tax Questions – Answers

**Q) Are tax rates any lower for single people this year?**

A) Yes. The lower tax rates for single persons are reflected in the tax tables and tax rate schedules in the instructions for your 1971 Federal income tax return.

**Q) I know that the proceeds of a life insurance policy received upon death generally are not taxable, but what about the lump sum I receive when I cash in my policy? Is that also tax exempt?**

A) If your surrender your life insurance policy for a lump sum, you must include in income only that portion of the proceeds of the policy in excess of what you paid for it.

**Q) My son earned over $2,000 from a summer job last year but banked most of it. Do I count the earnings he saved as support furnished by my son when figuring out whether I can claim him as a dependent?**

A) Income not spent by your son does not have to be counted towards his support. However, if your son spends part of his 1971 savings this year in support items, that amount counts toward support for 1972.

**Q) If I pay someone to fill out my tax return, is he responsible for any mistakes?**

SPECIAL PRESENTATION — Over forty members and guests of the White Mountain Jeep Club were present Tuesday night as a new Trophy Case was given to the club to house their club-earned trophies. The special, and surprise, presentation came during the club's regular meeting held at the American Legion Hall and was made by club member Walt Harrelson, right. In presenting the keys to the trophy case to club president Lloyd Coe, center, Harrelson said that he made the case from materials given for the project by club member Herb Brunell, left. During the business session the group voted approval concerning a change in the by-laws regarding the minimum age for membership. The by-law, as approved, requires a minimum age of twenty-one before application for membership can be considered. (Ruidoso News Photo).

# Over 1,000 Horses Nominated For Million Dollar '73 All-American

The "biggest" nominator to the world's biggest race is Briarwood Farms of Purcell, Okla. The well-known quarter horse farm nominated 15 head to the 1973 running of the fabulous All-American Quarter Horse Futurity at Ruidoso Downs.

Richard Thompson, Ruidoso Downs General Manager, reports 644 nominators named a record total of 1,065 head to the '73 All-American. The hefty response put the 400-yard speed thriller right on target at a projected purse of $1 million—the biggest, by far, in the history of racing.

Under the new All-American format, the excess above $1,030,000 will be directed into the All-American Derby the following year. A purse of about $200,000 is just about assured for the initial Derby in 1974.

With 15 nominees to the '73 All-American, Briarwood Farms dominated the long list of Futurity hopefuls. Clary Spencer of Edmond, Okla. is next with 14, followed by Burnett Estate of Ft. Worth, 12; Tom Venable of Broken Arrow, Okla., 11; Travis Ranch of Norman, Okla., 10; Braugh Ranches of Riverla, Texas, 10; Dr. Jack Frost of Centralia, Illinois, 9; L. R. French, Jr. of Odessa, Texas, 9; S. F. Henderson of Odessa, Texas, 9, and Mickels Valley Ranch of Scottsdale, Ariz., 9.

Nominations were received from seven owners of previous winners of the All-American, according to a survey by Liz Devine, nominations secretary.

The stellar list consists of Will F. Whitehead, who won the '71 version with Mr. Kid Charge; J. R. Adams, whose Rocket Wrangler scored in 1970; Walter Merrick, the '69 winner with Easy Jet; Dr. D. G. Strole, who won the '68 edition with Three Oh's; Floyd Jones, the winner in '67 with Latco Bird; Ray and J. R. Cates, whose Savannah Jr. scored in 1965, and J. B. Ferguson, winner of the '62 Futurity with Hustling Man.

Another interesting aspect is the fact close to half of all the nominees to the '73 Futurity were produced by only 10 sires. These 10 accounted for 485 nominees out of the 1,065.

The list is headed by the great Jet Deck, who has a remarkable total of 91 sons and daughters on the glamour list. Next is another quarter horse giant, Go Man Go, with 69. Rounding out the top 10 are Top Moon, 63; Three Chicks, 53; Easy Jet, 40; Three Oh's, 38; Ladybugs Moon, 35; Rocket Bar, 28; Azure Te, 24; The Ole Man, 22, and Rebel Cause, 22.

Easy Jet and Three Oh's are the only two on the list with All-American Victories to their credit.

With the '73 edition slated to pack a purse of $1 million, the winning owner can expect to collect about $330,000—the big biggest jackpot in racing history.

In addition to the grand finale, in which 10 horses will compete, there'll be three consolation races—a total of 40 finalists in all. The winner of the first consolation will collect about $21,000; the winner of the second, about $8,700; the winner of the third, about $4,100.

The lowest ranking horse on the list—that is, the horse finishing last in the third consolation race—will still have earned his keep. The bottom payoff slot will be worth an estimated $2,500, just enough to cover all the payment fees (under the normal nomination schedule).

A lump-sum payment of $3,000—which covers all nominating and starting fees—was available to the original nominators.

The '72 Ruidoso season gets underway on May 20 in facilities which have been enlarged and modernized to the tune of some $670,000. The season covers 63 race days through Labor Day.

This year's running of the All-American is also skyrocketing. The gross purse figures to land somewhere between $910,000 and $950,000. The All-American is a traditional Labor Day classic at the famed track in the pine-covered, bubbling-brook mountains of southern New Mexico.

A remarkable total of over $3 million will be dished out in purses furing the '72 racing season at Ruidoso Downs.

Even more remarkable is the fact nearly one third of this staggering amount will be on the line in one race — the 14th running of The All American Futurity on Labor Day.

The gross purse of the World's Richest Race is expected to end up somewhere between $910,000 and $950,000, according to General Manager Richard Thompson. The All-American is a traditional Labor Day Classic at the mountain track.

This year, the All-American will be run for the last time at 400-yards. The distance will be lengthened to 440-yards, starting in '73.

The new Ruidoso season kicks off on May 20 and extends thru Labor Day. Basically, racing will be staged Thursday through Sunday. Post time each day is 1:30 p.m.

The All-American is only one of a handful of spectacular races with colossal purses.

Not to be overlooked in the glittering stakes schedule is the Kansas Quarter Horse Futurity, a 350-yard dash for a gross pot of about $275,000; the Rainbow Futurity at 400-yards, offering an estimated $200,000; the Rainbow Quarter Horse Derby, enriched to the tune of some $225,000; the Ruidoso Quarter Horse Derby, expected to be worth about $75,000; and the World's Championship Quarter Horse Classic, also expected to gross about 75 grand.

In the thoroughbred division, the richest event is the Ruidoso Futurity valued at about $50,000. The Ruidoso Mile, one of the top handicap events in the southwest, offers a purse of $10,000-added.

Ruidoso's second largest event, so far as added money is concerned, is the World Championship Quarter Horse Classic. The track will put up $20,000 for that one. (The added money in the All-American is $25,000.)

A massive remodeling and expansion program, representing an investment of about $670,000, is now winding up. The track has been considerably improved and updated in preparation for the '72 seacon. Much of the improvements have gone into new facilities for the All-American Turf Club, and the expanding of the Jockey Club.

Here's the '72 Ruidoso Stakes list:

## The SILVER LINING

By DANIEL A. STORM

Saint Patrick's Day

On March the seventeeth all the world is Irish. For that day we celebrate the birthday of the patron saint of "The Emerald Isle." And that day has a very special meaning to those of us here between the Pecos and the Rio Grande; for there is, a village, a community midway in the foothills named after this very man.

And on Saint Patrick's Day, the beloved and legendary San Patricio, — extending through a long and winding vale where the valley of the Ruidoso widens out between the hills — is blossoming out in all its glory.

The color of Green Ireland is proudly waving from the Weeping Willow, and the Chinese Elm; and this honored color is set forth by many a blossoming tree. The Apricot, the foamy pear, the snowy plum, and the crystalline cherry — all these have hurried forth from the bud to be present at this celebration. And the peach tree, near and far, gives the gladsome touch of purest pink.

Alone, the Queenly Apple slumbers yet a while, waiting to bring forth the mighty tidal wave of final Springtime glory.

Junior Perry's Birthday Tree

Of all blossoming trees the world over, the Cherry holds a special place all its own. There is a radiant whiteness there that is hardly to be seen elsewhere on this earth.

Every Spring about this time I long to go over to the George W. Coe homestead, the home of Mayme Coe Perry, to look at the blossoms. Before the new highway now being built, you had to cross the bridge and turn in toward the house to see this Springtime picture.

But just the other day, the thirteenth, I was coming up from Shorty Ellis' and the Bonnell Ranch, and looked across. And there was the living picture in colors of white, green and pink, in plain sight from the higher road bed. Amid the glorious scene, your eyesight was drawn to a giant cherry tree, dominating the show with its massive bouquet of sparkling celestial white.

Over at the home there was the spirit of all this beauty, Mayme herself, watering the growing things large and small.

It was hard to take your eyes off the big cherry tree. It looked to be one hundred years old. And there was no room amongst the close growing branches, limbs and twigs for one more blossom. How could they bloom so thick?

"How old is that tree?" I asked Mayme.

"That tree is the same age as Junior," Mayme replied. "And tomorrow (the fourteenth of March) is Junior's birthday. And it is my birthday, too. Junior was a birthday present."

Junior's birthday tree! The great thick trunk. The unbelieveable mass of blossoms. It seemed a picture of eternal beauty and happiness. And what a fitting emblem of two beloved people, mother and son.

So, if Junior should ever forget his age. (He certainly does not look it. I remember him as a golden-haired angelic child in 1925, and he is still boyish-looking. Junior will never grow old.)

I say, if Junior should ever forget his age, there is a cherry tree growing not far from the home in which he was born, planted on his first birthday.

## North Park, Inc. Sets Opening For April 1

The News recently announced that the new North Park, Inc. owners were Texas and Oklahoma businessmen and it has been brought to our attention that we were in error. The president of the corporation is M. R. Madera, well known Carlsbad rancher. Our apologies to Madera.

The new owners of the North Heights Park subdivision have set the opening of their Ruidoso office for April 1.

## Easter Sunrise Services Slated Sunday, April 2

By Chaplain Alfred Kline

Love, Glory and brotherhood will come to flower in the hearts of all who gather together at 6:05 a.m. to greet the first flashing rays of the sun this Easter in Valley of Fires State Park near Carrizozo. Chorus groups of mixed young folks from four counties in the heartland of Southern New Mexico are preparing to stream into confulence on April 2. They will present the musical drama of the launtless and deathless Christ, "very early in the morning . . at the rising of the sun" . . . Luke 16:2.

The fifth annual 1972 sunrise celebration started with one county in 1966. Last year two counties participated. This year it is doubling to four counties. It is now known as the "Four County Easter Sunrise Musical Drama." This quartet of counties is composed of Chavez, Lincoln, Otero and Socorro.

Last year, the name of this annual event was "Four Chaplains Easter Sunrise Service." The Rev. Mrs. Isadore Fox, National Chaplain of The American Legion Auxiliary, came from Cambridge, Vermont to be the main speaker. She is the widow of one of the four chaplains who gave their life jackets to four soldiers who had none, on the deck of the sinking troopship Dorchester in the icy dawn of the North Atlantic on February 3, 1943. These military chaplains were Jewish, Catholic and Protestant.

The theme this years, inspired by the four chaplains, will be the same as last year, "Brotherhood in Unity without Uniformity."

Sound of the trumpets will suddenly pierce the surrounding silence at the moment the first blinding rays of light streak down from the crest of Carrizo Mountain, instantly bathing everyone with Easter Dawn Glory.

Otero County Chorus will then sing, "Mine Eyes Have Seen The Glory". These vocal and instrumental numbers contribute the opening "Echoes of Glory."

Three highly qualified high school seniors will briefly testify to the actual effectiveness of Christ in our lives in these disturbing days.

Using striking musical drama, Chaves County Chorus will sing, "Low In The Grave He Lay," as they stand by the tomb door at the foot of Sunrise Hill. In immediate contrast the Socorro County Chorus singing from the top of the hill, instantly reply with the irresistable victory of Christ, "Up From The Grave He Arose."

Dressed in native attire, and gathered just below the three 16 foot crosses on Sunrise Hill, will be pairs of Indian Americans, Japanese Americans, Black Americans, Mexican Americans and Pale Face Americans.

A solo, "On a Hill Far Away", will be sung and dedicated to Sunrise Hill.

Chaplain Alfred Kline, Sunrise director, points out that Jesus was equally a part of his Passover and of his Passion of Easter Suffering. Three days before Easter Jesus said, "With desire have I desired to eat this Passover with you before I suffer". Kline believes, "Christ's words above, spoken just before that first Easter, are being better heard, and used by us as we move closer together in Judea - Christian ecumenical unity without uniformity."

Hospitality includes hot cowboy coffee and delicious doughnuts for 1,000 persons, right after the 40 minute Dawn Dedication.

Speakers in past years included Father Rebold of Santa Rita Catholic Church; Rev. Wendell Chino, President of Mescalero Indian Tribal Council and President of National Council of Indians (1969); American Legions Boy's National President Greg Gray, of Gary, Indiana and the Rev. Mrs. Isadore Fox.

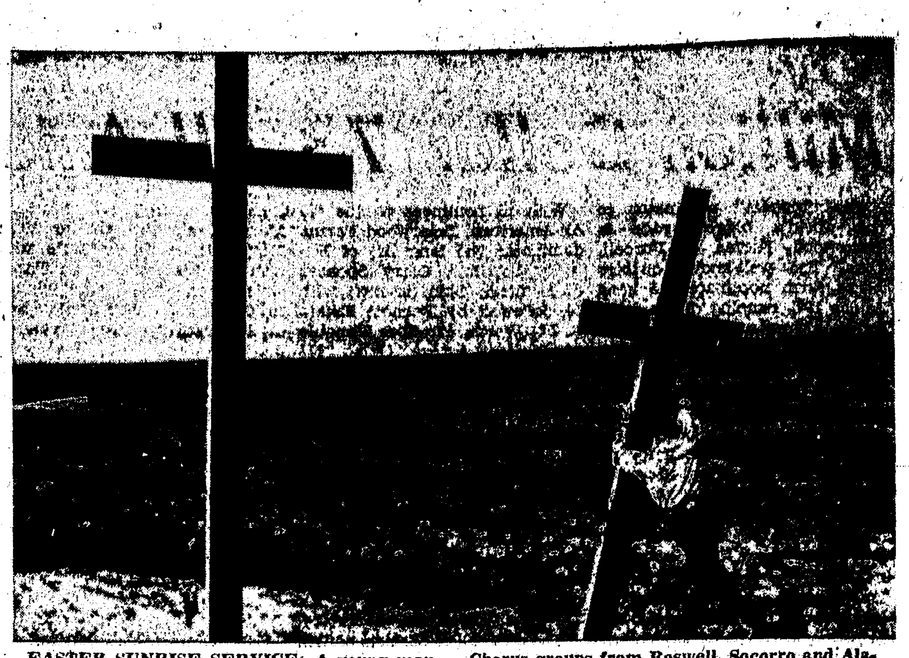
Open house for friends, neighbors and all visitors to the Valley of Fires Easter Sunrise Event, will be held by Chaplain and Mrs. Alfred Kline on Saturday, April 1, from 2 to 6 p. m., in their home on Outpost Hill overlooking Capitan. This invitation is cordially offered to all who would like to come.

Valley of Fires State Park has minimum equipment for camper cars and camper trailers. Ample equipment is available, in Ruidoso, 40 miles from Carrizozo; also at Alamogordo, 47 miles south of Carrizozo.

Motels to suit every desire are available within 1 hour of driving from Carrizozo, with total capacity of more than 3,000. This includes Capitan, Carrizozo, Ruidoso, Tularosa, Mescalero, Alto, Lincoln, Hondo, Corona and Alamogordo.

Easter is nine days earlier than last year. The weather was warm and windless last year. It may be the same this time, but it is always wise to have warm coats, caps and blankets in your car.

If the weather brings rain, or other unfavorable conditions, this inspiring Easter event will be held in the Carrizozo High School gymnasium.



EASTER SUNRISE SERVICE—A young man is shown raising the second of three crosses on Sunrise Hill in Valley of Fires State Park near Carrizozo where the annual Easter Sunrise Service will be held on April 2, at 6 a.m. Chorus groups from Roswell, Socorro and Alamogordo will participate in the service which this year is called the "Four County Easter Sunrise Musical Drama."

By FRED BUCKLES

SANTA FE — The University Study Committee, headed by Sen. I. M. Smalley, D-Luna-Hidalgo-Sierra, approved tentative assignments emphasizing higher education finance at its first meeting since the 1972 Legislature.

Rep. Richard Carbajal, D-Belen, and Sen. John Conway, R-Lincoln-Otero, are on the committee. The USC will team with the powerful Legislative Finance Committee on the study. Sen. C. B. Trujillo, D-Taos-Mora, is LFC vice chairman.

Sen. Trujillo, also Senate Finance Committee vice chairman, announced his candidacy for re-election. Former Mora County resident Carlos Lopez, state anti-poverty office planning director, may oppose Sen. Trujillo in the Democratic primary.

USC assignments: A survey of New Mexico state universities' appropriations, fees and tuition and a comparison of similar outlays in other states: faculty time use — teaching versus research; faculty tenure; an analysis of State Board of Education Finance functions and a look at the quality of New Mexico higher education.

Sen. Smalley said after the meeting: "The USC got off to a good start. The agenda will probably be finalized at the next meeting April 21." LFC staffers Donna McCord and John LaFaver are assigned to the USC projects.

Another issue the USC will probe: Whether state universities' athletics and activities fees should be mandatory or optional.

State Parks Director Richard Mutz says $25,800 in improvements at Alamogordo Lake State Park 14 miles northwest of Fort Sumner are being installed. The improvements: A $24,000 modern washroom with showers; a group shelter for $1,400 with water and electricity; a $400 trailer dump facility.

Mutz said a contract will be let for the washroom but installation is already under way. State Park-Recreation Department labor will install other improvements. Mutz said 1971 Alamogordo Lake State Park attendance totaled 126,000. The attractive park is equipped with 50 campfire areas, additional picnic sites and a modern washroom built in 1970.

The State Education Department sent a team to Animas Schools in Hidalgo County. The State Board of Education voted a disapproved rating for the schools. Mrs. Blanche Collie of the SED staff said disapproval was effected because administrative services were inadequate, periodicals were insufficient, encyclopedias and dictionaries were inadequate and no drug abuse or physical education programs were offered in Grades 1 and 2.

Public Service Commission set a tentative hearing April 20 on the application of Peoples Division of Northern Natural Gas Co. of Omaha, Neb., to sell its system in Union County to Southern Union Gas Co.

The firm serves about 150 customers, mostly farmers and ranchers for irrigation purposes. The proposed purchase price is $375,682 less customer contributions and deposits plus interest to the sale closing date and a sum equal to net property additions to facilities from last July 31 to the closing date. SUG and the Northern Natural Gas Co. affiliate signed an agreement Jan. 3. The firms petitioned the PSC for approval March 2.

Land Cimmissioner Alex Armijo says the outlook for increased oil-gas drilling activity on state land is the best in years, especially in unexplored areas. Armijo says the new activity is in San Miguel, Roosevelt, Curry, Colfax, DeBaca, Guadalupe, Quay, Harding and Union Counties.

He says Amoco Production Co., Houston, and Humblel Oil Co. bought state oil and gas leases in the area. They paid the state about 75 cents an acre in bonuses. Armijo also says three wells in Harding and Union Counties found carbon dioxide gas on state land. The wells are currently shut in until a market develops. Carbon dioxide gas may be a new source of state revenue.

The land commissioner says Shell Oil Co. leased all state acreage in the Rio Grande Valley from Socorro through the Belen area north to Bernalillo in the Rio Grande Valley for about $1 an acre with state land in Albuquerque excepted. New Mexico crude oil production dropped 7.62 per cent in 1971 from 1970 but natuural gas output climbed a modest 2.11 per cent.

The Los Lunas Schools evaluating committee met here with Public Schools Finance Director Harry Wugalter. Committee members were Clovis Herrera, chairman; Anthony Apodaca, vice chairman; Mrs. Ida Bollinger, Mrs. Eva Chavez, Mrs. Enedina Rael, Paul Boyett, Albert Cherino and Gene Garcia.

The recently released City of Tucumcari fiscal 1971 audit said Tucumcari continues to operate without a perpetual inventory system. Tucumcari accountants Hunton, Pulliam and Hager also said a legal resident registered architect did not provide plans, specifications and architectural services for a $135,000 remodeling and refurbishing of a building into a municipal library. Auditors said this was an apparent violation of state law.

The accountants said the City of Tucumcari bought several parcels of adjoining land for construction of a city parking lot at a wide variation in prices. The audit report said two of the parcels were owned by public officials. Most of the separate parcels were virtually identical, the report said.

The Highway Commission said Armstrong and Armstrong, Roswell, was apparent low bidder at $852,296 on 6.6 miles of Interstate 40 safety and overlay construction from 4.5 miles east of Laguna Reservation boundary east. Haake Construction Co. Inc., Santa Fe, was apparent low bidder at $60,600 on crushing and stockpiling of materials on US154 near Carrizozo and Three Rivers.

The State Court of Appeals upheld ex-Revenue Commissioner Franklin Jones in assessing the state gross receipts tax on horse owners and trainers in 1969. The law has since been specifically amended to exempt horse owners. Appeals of Ken Gaston of Roswell, a horse owner, and trainer George Till of El Paso contended in combined appeals New Mexico legislative history showed race horse owner and trainer receipts were not subject to the tax.

Gov. Bruce King reappointed Dr. James Beall, Ruidoso dentist, to the Judicial Council. Sen. Odis Echols, D-Clovis, was named to a legislative committee on the aging. Sens. ## Tax Help Should Be Selective

Need help with your income tax return. If you do and you seek professional help, be sure to select only qualified and reputable advisors, the Internal Revenue Service advised taxpayers today.

A taxpayer can have someone else prepare a return, but the taxpayer is responsible for the accuracy of the information entered and the full payment of any additional tax, penalties, and interest charged, IRS District Director for New Mexico, Maurice E. Johnson, said today.

While most tax practitioners are competent and honest, Mr. Johnson alerted taxpayers to these potential danger signals:

Never sign a blank return;

Do not sign a tax return prepared in pencil (it can be changed later);

Avoid the advisor who "guarantees" refunds, wants a percentage of the refund, or supposedly knows all the angles; and

Be on your guard if it is suggested that your refund check be mailed to the advisor.

Mr. Johnson said a professional advisor should sign the tax return he prepares on the line provided and you, the taxpayer, should record his name and address for future reference.

## IRS Extends Free Telephone Service

District Director Maurice E. Johnson announced today that Internal Revenue Service will provide extended office hour telephone service for New Mexico taxpayers through April 17. Beginning March 20, the hours for telephone service Monday through Friday will be extended to 6 p.m. On Monday, April 17, telephone service will be available until 9 p.m. In addition to the extended service Monday through Friday, telephone service will be available each Saturday from 8 a.m. to noon, and from 8 a.m. to 6 p.m. on April 15. These extended hours will be for telephone service only, Johnson said. Taxpayers may visit the office during the regular hours of 8 a.m. to 4:30 p.m. Monday through Friday.

The number to call for information and assistance is 843-3101 for taxpayers who live in Albuquerque. Taxpayers who live in other areas of the State may dial the long distance access code and 800-432-6880.

WORK DAY — The Ruidoso First Christian Church held a work day last Saturday at the church for repainting and repair. Ladies of the church furnished a pot luck lunch for workers on the project. Another work day has been slated for this Saturday to complete the spring clean-up. (Ruidoso News Photo)

A large crowd attended the Senior Play last Thursday night. "I Was a Teen-age Dracula" netted the class approximately $205 which the class will use to help finance their senior trip. The trip this year is to Colorado Springs and begins the afternoon of May 14 after the Baccalaureate service. Graduation night is May 19.

The football field was plowed last Saturday and will be reseeded soon. Donating their tractors for this work were Howard Abercrombie, Clifton Hammett, Red Ramey and Virgil Hall. Also helping out were Robert and Dan Abercrombie, Ernest Hammett and Phil Benefer. These volunteers worked all day and their efforts are greatly appreciated.

What is being called a "fat daddy banquet" will be held Wednesday evening, March 29, at the Masonic Hall in Carrizozo. The Rainbow Girls will furnish the meal and the cost will be determined for the Masons present by their weight before and after the meal. Members of the Eastern Star will have the cost of their meal determined by some other method. The Rainbow Girls will use the proceeds to help finance several of their officers to their Grand Assembly. Rainbow parents (whether a member of a masonic body or not) are invited. A speaker and entertainment are planned for the family night which is scheduled for 6:30 p.m. The officers of Carrizozo Lodge No. 41 A. F. & A. M. plan to have a family night everytime there is a 5th Wednesday in the month. This idea has been very successful for Ruidoso Lodge No. 73.

Little Ronnie Sanchez, son of Raymond and Barbara (Otero, class of '65) Sanchez celebrated his 3rd birthday March 16. Ronnie shows signs of having much musical talent.

Highlights of the meeting of the Board of Education March 8 Members present — Hollis Cummins, Pat Huey, Bryson Lacy, Ralph Barber and Richard Phillips. Others present included Supt. Ira Caster, Principal Jack Mayfield, Ofelia Salas, Mauriliia Perry, Howard Abercrombie, Mr. Bright of the Inter-church Agency of Albuquerque, Mr. Allen of Alto and Mr. Lowe of Capitan. 1. Mr. Bright and Mr. Allen presented information concerning the teaching of religious materials in high school English classes. Caster informed the board that to his knowledge the law has not been changed to allow this request. Caster quoted section 77-10-2.1 of the New Mexico Public School Code. A portion follows—"The local school board and its employees shall not assume responsibility for the religious instructions or permit them to be conducted on school property." Mr. Bright will check in Santa Fe and notify Caster. 2. The board approved the purchase of new back drop curtains for the stage. These curtains will be made of plastic and will meet the fire underwriters laboratory standards. The curtains will be gold with white flakes and will cost approximately $434. 3. Passed a resolution requesting the Village of Capitan to waiver its share of the 1002225 tax levy. (Copy on file). The school would pay the Village $600 for services rendered. (This is a formality done annually before the budget hearing.)

4. Caster asked the board to consider converting the old cafeteria into an administration building. His present office would be used as an intermediate building library and workroom. Plans to be presented at a later date. 5. Mrs. Perry asked for a ruling concerning bar-lounge-cafe ads in the school yearbook. The board ruled to accept ads if name of the business is all that is placed in the yearbook. 6. Caster gave a report on the special education meeting held in Hagerman, March 2. The Capitan Schools will make application for money to conduct a special education program for the school year 1972-73. This would include a resource room and a special teacher. 7. A cementitious coating will be used on the outside block of the new multi-purpose building instead of paint. 3/32 floor tile will be used upgrading from previous plans.

Note: Our notes for this meeting were lengthy and will continue next week.

The Tigers were in Truth or Consequences this past weekend for a track meet with the following results: Pole vault, Signeros, 1st place, a jump of 12' 1½" for a new record. Broad jump, Signeros, 2nd place, a jump of 19' 10". High jump, Signeros, 5th place with a jump of 5 4". 180 low hurdles, Bronson Cummins, 5th place, time :23.2. 220 dash, Bronson Cummins, 5th place, time, :24.6. Mile Medley, Ronnie Smith, Benjie Trujillo, Eddie Jones and David Evans, 5th place. Time 4:05. The Tigers will be in Melrose March 25.

Newton Clark, Jr., is presently a guest of the Herman C. Otero family. Clark is a brother-in-law of Esther Otero Clark.

March 19 through 25 is the week set aside this year to honor the Future Homemakers of America. Capitan FHA members are looking forward to their annual talent show on April 7. Get your acts ready. Thanks girls for the attractive FHA button that I've worn this week.

The Carrizozo Grizzly Band played a concert for the Capitan Schools March 14. In addition to the band, Mr. Boyce brought 3 rock groups. The members of these rock groups have paid for their own equipment which runs into the thousands of dollars. The program was well received and Mr. Boyce complimented the audience for being such a good one. The Carrizozo Schools now have a full music program.

The kindergarten program began March 12 with 12 students enrolled. Linda Gossett is their teacher. Their school day begins in the morning at 8:25 and ends at 3 p.m. The bus students in this class must wait 35 minutes for their buses to run. Those living in town may go home. These students pay 35c for their lunch and their afternoon milk costs them an extra 5 cents.

There is another National School Assemblies Program scheduled for Wednesday, March 29, at 12:30 p.m. Steve Finston, an ex-marine and veteran of the Vietnam War, will present his program, "A Bit of America." This guitar strumming, contemporary song stylist has a repertoire that consists of 800 songs. These include pop, ballad, country-western, rock, swing, jazz and folk songs. Fingston has appeared with Danny Thomas and Buddy Ebsen in California and presented concerts for the White House staff and Press Corps. Plan to attend now.

Members of the Capitan Lions Club and their ladies will share a meeting this Saturday night with members and their wives of the Ruidoso Noon Club. Pearl Soderback will cook the meal which is scheduled for the High Country Lodge Dining Room in Alto. The crowd should begin gathering at 6:45. Capitan Liops voted Monday evening to make donations to the New Mexico Lions Eye Bank and to the Easter Sunrise Service at the Valley of Fires State Park on Easter. Chaplain Kline is in charge of this service. Those wishing to donate to this cause should mail their checks to Johnson Stearns in Carrizozo and stipulate that this is for the Sunrise Service.
