Board Hears Highway Report

John McClellan and Ralph Bean of Roswell, representing the Highway 70 Association were present Monday evening at the regular Ruidoso Chamber of Commerce board meeting to give a progress report on the attempt to have the highway designated a part of the interstate system of highways.

McClellan gave a brief history of the organization and noted that an area meeting will be held in either Roswell or Ruidoso the later part of August to further organize and coordinate efforts of interested parties from Amarillo, Texas to Las Cruces. The completion of this portion of the highway would complete a four lane system that would cut off 135 miles on the route from the east coast to the west.

Chamber officials noted that about 50 booths have been reserved for the Arts & Crafts Fair slated for Aug. 4, 5 and 6 and that a large number of inquiries have been answered concerning the event. Security for booths at the fair is now being arranged.

A report on receipts from the Frazier Carnival showed that the chamber had received $570 for its support of the show.

It was noted that advertising in the San Francisco area of California had produced over 430 inquiries and the board agreed to further promote the Ruidoso area in the San Francisco Chronicle just before Aspencade and the ski season.

Wyman Scarborough reported that the All-American telecast has been arranged and the program will be carried by 60 stations in a 15 state area. Doc Severinsen will be used for prebroadcast advertising and as a color consultant for the event. Th chamber will underwrite Severinsen's contract for about $2,000 and will attempt to get assistance from Ruidoso Downs, Ruidoso and other interested parties to defray expenses.

Ruidoso Valley Noon Lions Club Proposes New Multiple Use Park

The Ruidoso Valley Noon Lions Club, Wednesday, agreed on a tentative proposal to construct a large multiple purpose park, to be called the Ruidoso Valley Noon Lions Club Park, that will initially include day and night facilities for all-age baseball programs and related sporting events, Little League, Babe Ruth, Pony League and adult programs.

Land in the area of the White Mountain Elementary School, owned by the Ruidoso School District, has been selected as a tentative site for the new park by the club. Reportedly when completed the new park will be the first of its kind for Ruidoso.

Ruidoso Vally Noon Lions Club officials announced late Wdenesday that a special committee composed of Hugh Stiles, George Jones and John Payne, all of Ruidoso, have been placed on the official agenda of the next regular Ruidoso School District Board meeting, Aug. 15, and will present the club's proposal to the school board.

The Ruidoso School District owns around forty acres in the White Mountain Elementary School area, including the property utilized by the elementary school.

Stormy Edwards, Ruidoso Valley Noon Lions Club president, told club members Wednesday, "Ruidoso has needed a park of this type for many years, a park that will include facilities for all ages, Little League and up."

Upon learning of the proposed plan for the club's park, a Ruidoso Village official remarked that he was positive that the village would offer their complete cooperation to the Ruidoso Valley Noon Lions Club and assist them in every possible manner in the club's venture.

It was noted, during the club's meeting Wednesday, that "although Ruidoso has a fine Little League Ball Park, it does not have provisions for night games nor is it suitable for older age boys."

In other action the Ruidoso Valley Noon Lions Club voted to cater the Second Annual Quarterhorse Congress supper, July 29, and in addition made plans to cater both the Annual Cree Meadows Invitational Golf Tournament Dinner, Aug. 8, and the Annual All-American Quarterhorse Sale in September.

MIDTOWN RUIDOSO

25 Years Ago

By ELSIE WILLIAMS

News Items From Ruidoso News Issue of July 18, 1947.

Friday morning of last week the Ruidoso Volunteer Fire Department was called to Palo Verde to help in any way possible in a fire which completely destroyed the J. G. Harris Saw Mill, one of the major businesses in the area, which was built in 1937. Harris has another sawmill in Capitan which will now furnish lumber for the Palo Verde Builders Supply.

Dr. R. S. Sutton of Ruidoso reported this week that a report from the New Mexico Department of State Hospitals showed that 40 has been programmed for Lincoln County with 25 in Carrizozo and 15 in Ruidoso. Dr. Sutton is chairman of a committee of Lincoln County men working to get a hospital built in Ruidoso and in Carrizozo.

Bruce Griffith is opening up a new addition east of Palo Verde. The new addition will be called Agua Fria and is located on U. S. Highway 70.

15 YEARS AGO

News Items From Ruidoso News Issue of July 18, 1957.

Village building inspector C. D. Weems reported that building permits for the first six months of 1957 totaled almost a quarter of a million dollars, with the actual total being $266,357.

Bonito Lake recreation area drew more than 5,000 visitors during the month of June 1957, it was reported by Rolla Buck, Alamogordo City Manager. The visitors included 868 fishermen.

Ruidoso Village council has had several called meetings in the last few days studying legal phraseology, plans and specifications on calls for bids for a water system to be installed to bring Eagle Creek water to Ruidoso.

Twenty families in the town of Lincoln, many of whom had never before had a water supply in their homes, are now being served water from the recently completed community water system.

GRASSROOTS OPINION

LANCASTER, N. H., COOS COUNTY DEMOCRAT: "If the President's visit to China didn't accomplish anything else it should have been a powerful lesson to young and old alike of the extent of control of people in an autocratic form of government. If any of those people who think things are so terrible in this country didn't thank the Lord that they live here instead of in China, there is something wrong with their thinking."

Hunt Proclamations Now Available

Detailed information on New Mexico's fall big game hunting seasons is now available in the 1972 Hunting Proclamation which has been printed and is being distributed to license vendors and all Department of Game and Fish offices. Included in the proclamation are season dates, regulations, open areas and application procedures and deadlines.

A "What's New For '72" section on the inside front cover directs hunters' attention to various portions of the booklet for information on new seasons, changes in regulations, etc. Included among new seasons are special deer seasons in three areas for muzzle-loader hunters, a new antelope bow season in the Fort Stanton area, a cougar season in the northeast part of of the state, a season in a new Barbary sheep area and a spring bear season.

Changes in regulations require hunter safety training for all hunters 14 and younger who are in the field without the direct supervision of a parent or guardian and the availability of three bighorn sheep licenses, two for Rocky Mountain bighorns as well as the one for a desert bighorn that was available for the first time last year.

The colorful front cover of the blue and white proclamation pays a tribute to hunters, identifying them as "the ones who footed the bill for most of the past century's work in wildlife conservation and management."

Some of the application deadlines listed in the 1972 proclamation are approaching and hunters who are planning to submit applications should be making plans now.

Aug. 10 is the deadline for the public elk hunts, on form 1-1; public antelope hunts in all areas, except A-2 bowhunt, on form D-1, and four bighorn sheep hunts on form D-1. Aug. 20 is the deadline for the A-2 antelope bow hunt in the Tres Piedras area. Application forms will be available from license vendors and Department offices.

All applications must be in the Santa Fe, Raton, Roswell, Las Cruces or Albuquerque Game Department office by 5 p.m. of the deadline date.

Later application deadline dates on elk, barbary sheep, either-sex and entry permit deer seasons are detailed in the proclamation and all hunters are advised to study the proclamation before making application and to read it thoroughly before hunting.

Jockey and Trainer Standings

With half the season already in the books, Willie Lovell holds a commanding lead in Ruidoso Downs jockey standings.

But it's still a horse race in the trainer division as Bill Thompson and Bubba Cascio continue their neck-and-neck battle.

Lovell has been to the post 321 times so far this season, and holds an excellent tally of 56-43-44. His nearest opponent, Luke Myles, has 39 wins to his credit.

Next comes Jerry Nicodemus with 33 wins, and Larry Byers, the defending champ, with 32.

Thompson, last year's runaway trainer king, is having a tough time shaking off Cascio. Thompson has 22 wins so far, which puts him only one notch ancad of Cascio.

Here are Ruidoso Downs jockey and trainer standings, thru July 16:

COP AND CART—Ruidoso Police Officer James Wooldridge, left, was summoned to the Ruidoso-Mondo Valley Hospital this week reportedly because of an unlicensed speedster driving a late model electric cart up and down the halls of the newly remodeled hospital. Truth is that Officer Wooldridge was part of a gag originated by hospital staff members, and so called friends of Betty Lowry, Director of Nurses at the hospital. The electric cart, a gift to the hospital from Mr. and Mrs. Johnny Williams, Ruidoso, has proved its value many times as a time saver for the nurses' commanding general.

What It Takes To Be A Jockey

What does it take to convert a 170-pound pari-mutuel clerk into a slim-trim 117-pound jockey?

The answer, according to Albino C. Valenzoela of Anthony, N. M., is "courage, faith and proper eating."

The transformation is paying off handsomely. In the recent Memorial Day Handicap at Ruidoso Downs, Valenzuela guided Mr. Tattoo to a rocking-chair victory.

That was Valenzuela's first victory since 1969, when injuries put a halt to his riding career. He ballooned up to a fat 170 pounds, and went to work at Sunland Park last winter as a pari-mutuel clerk and jockey's agent.

Just to keep things from getting confused Albino is not the A. C. Valenzuela who rides at Sunland regularly. (The two are cousins.) Albino is the brother of Angel, Milo and Mario Valenzuela, who've made quite a name for themselves as major riders on the West Coast. Another brother, Santiago, is also riding at Ruidoso Downs.

But Valenzuela's famous name was no help so long as he packed a hefty 170 pounds on his five foot, seven inch frame. Last winter, Albino got back in the saddle to work out horses for Trainer Bill Thompson's 35-horse stable.

"He gave me a lot of encouragement and urged me to make a comeback," Valenzuela said.

As Valenzuela continued working out horses, the weight kept peeling off. One day, Valenzuela woke up and found himself down to 140 pounds.

"Then I figured as long as I had gone that far, I might as well go all the way and lose enough weight to get back into racing," he said. This was last February. His goal was 116 pounds. That meant another 24 pounds had to go.

Valenzuela had to lose the weight allright. But he had to keep up his energy, since he was working hard trying to get back in shape.

"My wife and six children were a big help," he said. "They helped me with my clothes that needed to be taken in, and they were always telling me I'd make the grade."

The real secret, of course, is the right diet. This meant some drastic cuts. The first to go were "tortillas, beans and the rich, delicious Italian foods my wife, Teresa, cooks so well." Valenzuela also said he "cut down" on bread and potatoes.

Valenzuela admits at the beginning he felt terrible. "But as your stomach shrinks, the hungry feeling goes away," he said. "Today, I feel great. I eat steaks, salads, cottage cheese, and avocados with lemon juice. I understand avocados are high in calories, but the lemon juice must take care of that."

Valenzuela pointed out that his profession calls for plenty of exercise. He feels this exercise was an important part of his weight-reducing project.

Now that Valenzuela has learned to keep his mouth shut, the propects are good that he may live up to all promise he showed over a decade ago when he first broke into racing.

That was back in 1958. His first winner was scored aboard Blazing Home at Belmont Park on Oct. 6 of that year. In 1959, he was the leading apprentice rider in New York, and frequently had mounts in stakes and handicaps on the East Coast.

Manny Padilla held Valenzuela's apprentice contract, but transferred it to Frank Christmas. Much of Valenzuela's early riding was done in New York, New Jersey, Maryland, Louisiana, Massachusetts, California, Illinois and Colorado.

He worked for such fine trainers as Buddy Hirsch, Carl Hanford, Eddie Neloy, Bob Wheeler, Gene Nazworthy, Jim Malooney and George Habzelton, Sr.

During his days with Hanford, there was a rank two-year-old in the group. The colt was so ornery it was pretty hard for Valenzuela to gallop him. This colt, who was later gelded to calm his fiery disposition, was the great Kelso. He went on to become the top money-winning horse of all time with earnings of $1,977,896.

Things took a turn for the worst in 1969, when a knee injury began bothering Valenzuela to the point he decided to give up racing. The family lived in Arcadia, Calif. (near Santa Anita Park), but it was decided to move to the Southwest and they settled in Anthony, N. M.—just a few miles from El Paso. Valenzuela, who hails from a large family of six brothers and six sisters, was originally from Provenir, Chihuahua, Mexico.

When Valenzuela rode Mr. Tattoo to victory in the Memorial Day Handicap at Ruidoso Downs, the win was his first in New Mexico. He's now the first-call rider for the 18-head stable of Ramon and Charles Micheena of Nogales, Ariz.

Now that Valenzuela is back in the saddle—40 pounds lighter but a much bigger man for having accomplished a difficult goal—he's not adverse to passing along some advice to fellow weight-watchers. "You have to have faith in yourself," he says. "But you also have to eat the right kinds of low-calorie foods."

GRASSROOTS OPINION

GORDON, NEBR., JOURNAL: "Any attempt to limit the amount of money candidates may spend on political campaigns and to have them report accurately the amounts so spent is comparable to trying to bail a pound of loose lard to a waterfall."

Local Realtors Hear Environmentalists

Mike Richardson, local environmentalist, and John Guinn, Director for District 6 of the State Environmental Improvement Agency, were featured speakers at the regular weekly meeting of the Ruidoso Board of Realtors Tuesday morning at the Villa Restaurant. Guinn explained new state requirements concerning lot size for homes with septic tanks and domestic water supplies.

The proposed guidelines were accepted by the state board June 27 and are expected to be finally approved the latter part of this year. It was noted that the requirements would not be rigid and that many cases would be decided on individual merit.

Richarson stated that approval or disapproval of individual cases could be given in one day.

A question and answer period followed the talk.

Tommy Perteet and Dalton Ross gave a short report on the recently held Four Corners Conference and noted that further information would be given the realtors at the next meeting of the group.

23 RECEIVE NURSING PINS, CERTIFICATES AT RUIDOSO-HONDO VALLEY HOSPITAL

Nursing pins and certificates were presented Friday, July 14 to 22 women and one man at the Ruidoso-Hondo Valley General Hospital in Ruidoso upon completion of a 12-week course in Basic Bedside Nursing offered through the in-service education department of the hospital. Instructor for the course was HuElla Dickson, RN, in-service education director for the Ruidoso Hospital.

The course was offered at no cost to nurses at the hospital or others interested in learning basic bedside nursing. The nursing theory class was taught for one and a half hours each Tuesday and Friday with on the job training offered at the hospital under the supervision of Miss Dickson, RN. Classes were held at the Ruidoso High School with the use of nursing films, dummy patient, and other nursing education materials made available through the courtesy of the nursing education department of the Ruidoso High School.

Forty students enrolled in the class, but due to the inability to complete the required number of class hours or being late in starting the course, only 23 persons qualified for pins and certificates. The course consisted of lectures, films and demonstrations of the basic nursing procedures necessary to perform good basic bedside nursing. A final written examination given at the completion of the course with a grade of "C" or above required in order to be eligible to receive pins and certificates.

The primary reason for offering the course was to improve the nursing care and knowledge of those nurses already employed in nursing at the hospital and to offer opportunity for interested persons to learn basic bedside nursing in preparation for becoming a nurses aide and for those who would like to further their own knowledge in nursing. Plans are to offer the course again this fall.

Three students taking this course had a perfect attendance record to all 24 classes, and include Jean Begley, L. P. N.; Mittie McBride, P. N., and Lydia Candelaria. Those receiving nursing pins and certificates in addition to the three having perfect attendance, were Gladys Beavers, L. P. N.; Anna Coker, R. N.; Flora Freeland, P. N.; Velma Henson, L. P. N.; Cara Maloney, P. N.; Delma Peper, P. N.; Pat Henderson, L. P. N.; Frances Harcrow, Margie Harcrow, Rogene Hollis, Mary Morris, Geneva Needham, Louise Purdy, Angelia Reynolds, Cecilia Silva, Leona Swickward, Mary Jane Walker, Rayla Nolen, Cheryl Ratliff and Jim Rowin, Orderly.

The shop will be open six days a week from 9 a.m. to 5 p.m. Francisco is formerly of Pitiquito, Sonora, Mexico and his wife Ginny is a native of Ruidoso. SOCIAL SECURITY

Social security disability beneficiaries should remain alert to their reporting obligations, Mrs. Christine Graves, social security field representative, said today.

Each disabled beneficiary, or the person who receives his social security checks for him, is obligated to notify his social security office when he returns to work. An immediate report may save some hardships later.

He should report when his medical condition improves or if he has been released from a hospital. These conditions do not always mean that the social security checks will be discontinued. However, if a determination is made later that they should have been stopped, a late report would mean an overpayment.

If the worker begins receiving workmen's compensation, after he applied for social security disability benefits, this should be reported right away. Workmen's compensation may cause a reduction in the social security checks. If so, it likely will be easier to have the reduction by the month rather than for several months at one time.

Any of these reports may be made by telephoning the nearest social security office.

Mrs. Graves may be contacted at the Council Room in the Ruidoso City Hall the second Wednesday of each month from 10 to noon and 1 to 2.

Cinder Leo Wins Top Deck Stakes

Cinder Leo, the iron-legged gelding owned by Merl and Jack Fitzgerald of Oklahoma City, hauled the top load of 125 pounds to a brilliant nose victory in Saturday's fifth running of the Top Deck Stakes at Ruidoso Downs.

The victory was the 35th for the seven-year-old gelding and lifted his career bankroll up to $104,858.

Cinder Leo now sports a lifetime record of 35-21-13 out of 89 starts. The Top Deck triumph netted $2,364 out of a gross purse of $3,940.

With Jerry Burgess in the saddle, Cinder Leo got away with quick scrambling strides which put him into the early lead. A couple of lengths, Joe Be Good and Sally Dee, mustered an early challenge but the stalking pace soon burned them out of contention.

At the midway point of the 400-yard dash Cinder Leo was still in front, still setting up around with those long, powerful strides. Some Kinda Man, the wagering favorite hauling Jerry Nicodemus in a 122-pound load, saved his best punch for the end and closed with a furious rush.

Some Kinda Man, a three-year-old, turned in a gallant effort in an attempt to make up about three-quarters of a length. But Cinder Leo refused to relinquish the lead and held on for a nose victory.

Cinder Leo returned mutuel payoffs of $6.80, $3.00 and $3.00. The winning time was a bristling 19.81 seconds, not far off the track mark of 19.65.

Some Kinda Man, owned by B. F. Phillips, Jr. of Dallas, Texas, had to settle for a second place purse of $800. His mutuel backers got $2.60 both to place and show.

Moon Bee, an early season stakes winner owned by Paul Denton of Sapulpa, Okla., got [illegible] at 10-1 and held on for [illegible] Ray Bandy's [illegible] Moon Bee [illegible] $10.20.

For Cinder Leo, the win was his second straight stakes triumph. Last time out, he took a half-length win as an even-money choice in the $18,600 Jet Deck Stakes at 440 yards.

COMPLETE NURSING COURSE — Shown above are the 23 persons who completed a 12-week course in Basic Bedside Nursing offered through the in-service education department of the Ruidoso-Hondo Valley Hospital with HuElla Dickson, R. N., as instructor. The group is shown in front of the entrance to the new addition to the hospital, and shown in the center of the photo is Miss Dickson. 23 RECEIVE NURSING PINS, CERTIFICATES AT RUIDOSO-HONDO VALLEY HOSPITAL

Nursing pins and certificates were presented Friday, July 14 to 22 women and one man at the Ruidoso-Hondo Valley General Hospital in Ruidoso upon completion of a 12-week course in Basic Bedside Nursing offered through the in-service education department of the hospital. Instructor for the course was HuElla Dickson, RN, in-service education director for the Ruidoso Hospital.

The course was offered at no cost to nurses at the hospital or others interested in learning basic bedside nursing. The nursing theory class was taught for one and a half hours each Tuesday and Friday with on the job training offered at the hospital under the supervision of Miss Dickson, RN. Classes were held at the Ruidoso High School with the use of nursing films, dummy patient, and other nursing education materials made available through the courtesy of the nursing education department of the Ruidoso High School.

Forty students enrolled in the class, but due to the inability to complete the required number of class hours or being late in starting the course, only 23 persons qualified for pins and certificates. The course consisted of lectures, films and demonstrations of the basic nursing procedures necessary to perform good basic bedside nursing. A final written examination given at the completion of the course with a grade of "C" or above required in order to be eligible to receive pins and certificates.

The primary reason for offering the course was to improve the nursing care and knowledge of those nurses already employed in nursing at the hospital and to offer opportunity for interested persons to learn basic bedside nursing in preparation for becoming a nurses aide and for those who would like to further their own knowledge in nursing. Plans are to offer the course again this fall.

Three students taking this course had a perfect attendance record to all 24 classes, and include Jean Begley, L. P. N.; Mittie McBride, P. N., and Lydia Candelaria. Those receiving nursing pins and certificates in addition to the three having perfect attendance, were Gladys Beavers, L. P. N.; Anna Coker, R. N.; Flora Freeland, P. N.; Velma Henson, L. P. N.; Cara Maloney, P. N.; Delma Peper, P. N.; Pat Henderson, L. P. N.; Frances Harcrow, Margie Harcrow, Rogene Hollis, Mary Morris, Geneva Needham, Louise Purdy, Angelia Reynolds, Cecilia Silva, Leona Swickward, Mary Jane Walker, Rayla Nolen, Cheryl Ratliff and Jim Rowin, Orderly.

SOCIAL SECURITY

Social security disability beneficiaries should remain alert to their reporting obligations, Mrs. Christine Graves, social security field representative, said today.

Each disabled beneficiary, or the person who receives his social security checks for him, is obligated to notify his social security office when he returns to work. An immediate report may save some hardships later.

He should report when his medical condition improves or if he has been released from a hospital. These conditions do not always mean that the social security checks will be discontinued. However, if a determination is made later that they should have been stopped, a late report would mean an overpayment.

If the worker begins receiving workmen's compensation, after he applied for social security disability benefits, this should be reported right away. Workmen's compensation may cause a reduction in the social security checks. If so, it likely will be easier to have the reduction by the month rather than for several months at one time.

Any of these reports may be made by telephoning the nearest social security office.

Mrs. Graves may be contacted at the Council Room in the Ruidoso City Hall the second Wednesday of each month from 10 to noon and 1 to 2.

ROUNDING THE PLUS TURN—Politics and political conventions have to take a back seat when it comes to the superb vote-getting ability of the 1972 season handle at the renown Ruidoso Downs Race Track. To date the local, but internationally recognized, horse race track exceeds last year's record handle by 1,173,966 votes, rather dollars. The total season handle to date is nearly eighteen percent over last year with wagering this season totalling $7,699,370 as compared to last year's $6,525,404. (Ruidoso News Photo)

The SILVER LINING

By DANIEL A. STORM

THE MAGIC OF OLD LINCOLN TOWN

Every summer along about this time the little frontier town of Lincoln begins to dress itself up, as if to welcome the folks who will be over there the first weekend in August. I should have said the whole country side instead of the town alone.

For now after the good rains the peaceful little village nestles in a vast setting of emerald green.

You never grow tired of making the trip from Hondo up to Lincoln, especially like I say in this time of year. The narrow Bonito Valley, a couple of miles or so below the town, suddenly widens out and there comes over you a restful pleasant feeling. As you arrive into the town, somehow it captures you.

PAGEANT PRACTICES BEGIN

Before I forget it, practicing has begun on the annual three-day performance of The Last Escape of Billy the Kid.

The practices will be held on Tuesdays and Thursdays right up through the evening before the first performance. The time for these rehearsals is 7:30 in the evening.

All those who played parts in the show are invited to come back this year. And anyone interested in taking part in the pageant are most cordially invited over to Lincoln.

Performances this year will be eight o'clock in the evening Friday, the fourth of August; eight o'clock again Saturday, the fifth, and Sunday afternoon at three o'clock the sixth.

WHY DID THE EARLY PEOPLE PICK THIS SPOT?

For a long time I have wondered just why the early settlers picked this exact spot for the town of Lincoln. A little at a time the answer is dawning on me.

First of all, you feel at home there for some reason that is beyond explaining.

Then on top of this the Bonito Valley from Hondo up through Lincoln has a mild climate, much cooler in summer and warmer in the winter than the surrounding country. There is a yearning within us to live some place secluded and hid away from the rush of the world; and at the same time we like to live in a place where we can "see out" and have some beautiful views.

Somehow Lincoln has both of these.

When the wind is blowing in the rest of the world, you can come into Lincoln and the air will be still.

Lincoln and the surrounding country appeal to your imagination.

It was late evening this past Tuesday upon approaching Lincoln. Far ahead almost directly west formed a "V" shaped opening with the bottom of the "V" almost as low as the true horizon. This way there was a sunset display of gold and purple and pink all in the western sky matching the gray of the clouds and the green of the hillsides. Directly north above the mountain, lightning flashed now red, now silver in the black cloud. Sometimes the whole cloud would be lit up like a light bulb, and the thunder rolled.

Between the setting sun and the thunderstorm a rainbow stretched across the vale.

As the sun set and dusk began to settle in the village, the rays of the sun could be seen lighting up the green ramparts high above the town to the south.

So when Governor Wallace came to Lincoln to try to persuade the Kid to lay down his arms or "Go somewhere else and make a new start," you can understand what the Kid meant when he answered,

"No, Governor. I like it here. And I guess I'll stay."

If Lincoln is such a peaceful spot you ask, then why did the place nearly come apart in the Lincoln County War? Come over to one of the pageant performances and then you will know.

WE JOIN JACK MEEK IN SORROW OVER HIS DOG

Wednesday, Jack Meek told me of the death of his beloved little dog, Clyde, his constant companion for twelve years. Our sympathies go out to Jack.

Teddy Roosevelt said, "I would not feel at home in Heaven if the horses are not there."

I think we should count the dogs in on this, too. So, cheer up, Jack.

Ruidoso Shrine Club meets 3rd Monday, 7 p.m. at Norman's in Gateway.

The Ruidoso Altrusa Club meets the 1st Wednesday of the month at 12 noon at the Villa Inn, and the 3rd Wednesday at 7:30 p.m. in the Ruidoso State Bank Conference Room for business meeting and program.

APACHE EARTH SCIENCE SOCIETY

Inside The Capital

By FRED BUCKLES

MIAMI BEACH — Wallace alternate John Hemery, 62, of Luna County says he will actively oppose Democratic presidential nominee George McGovern in the general election campaign.

But Hemery, an accountant for a plastic manufacturer, did not say he will vote for Republican President Richard M. Nixon. "There is a subtle difference," he says. Hemery predicted Sen. McGovern will alter his views.

"He will come unstuck," Hemery says. He takes sharp issues with McGovern's liberal positions. Hemery predicts young McGovern workers are being used.

In the Luna-Hidalgo County area, Hemery says, the effect of the McGovern campaign "will reach down to the extent any known McGovern supporter will be affected. Many people who will support U. S. Rep. Harold Runnels will not support McGovern."

Hemery says Democratic U. S. Senate nominee Jack Daniels may be too liberal for some Luna County voters. But he noted Daniels carried Luna County in the primary. He predicted Albuquerque Republican Pete Domenici will run well in Luna County in the general election.

Hemery says Nixon may benefit from this situation: "In a negative way people are against McGovern rather than for Nixon." He also says: "There's quite a good chance the war will not be an issue before the election." He says this would benefit Nixon enormously.

Lee Nance, 44, of Clovis, a McGovern delegate, says McGovern can carry Curry County because of his choice of Missouri Sen. Tom Eagleton as a running mate. He believes Eagleton from the same general area as New Mexico will strengthen the Democratic ticket.

But Nance, one of two blacks on the New Mexico delegation at the National Democratic Convention, says: "It's going to be tough in November. President Nixon is going to be hard to beat."

He forecast Wallace, Jackson, Humphrey, Muskie and Sanford "forces will blend their forces with McGovern." Nance says: "We'll come out united better than we have for some time. I'm going back home and start a voter registration drive over Southeastern New Mexico. This will be along with Juan Cruz Solano."

Cruz Solano, 32, of Clovis was a McGovern alternate at the convention. Nance said of the convention: "It was a great experience. I made a lot of friends."

Mrs. Rena Rosquist, 41, of Taos, a McGovern alternate, says: "McGovern won't have any trouble at all carrying Northern New Mexico." She said there was much talk about McGovern being in trouble when Chicago Mayor Richard Daley was not seated at the convention.

Mrs. Rosquist, an art gallery owner, says, "All predictions are going to be thrown out the window. It's really going to be a people's election. McGovern is going to have considerable more difficulty on the East Side.

"People are going to discover he doesn't have horns. He's an intelligent, decent, experienced man. He will carry Taos County in the general election by a bigger margin than he did in the primary." She believes McGovern can shape an accommodation with AFL-CIO President George Meany.

Wallace delegate Dortha Moore, 35, a Tucumcari housewife, strongly opposed the $6,500 guaranteed minimum annual income tossed out of the party platform. She says: "This is socialistic. It's not democratic. If we're going to protect the American heritage, we're going to have to throw that out."

Mrs. Moore was among Wallace delegates who tried unsuccessfully to modify the national Democratic platform. But she hopes Wallace and McGovern Democrats can team together in the general election campaign.

Some Wallace delegates left Miami Beach saying they will vote for Nixon.

Lincoln County Democratic Chairman Fern Sawyer of Nogal predicted Republicans will carry Lincoln County in November. She said McGovern cannot carry the conservative, usually Republican county.

Fern also said Democrats will be unable to elect Lincoln County officials. A strong conservative, she disagrees sharply with many McGovern positions. Fern fought for moderate-conservative positions on the National Democratic Convention platform committee.

She lobbied successfully on the convention floor for a plank calling for allocation of federal surplus land to Indians on a first priority basis. It was the only minority amendment to the platform she supported.

McGovern delegate Lillie Apodaca, 36, of Socorro says of the coming McGovern campaign: "We will get down and work with the people. We will explain the issues as we know them and not as the people have heard." Mrs. Apodaca discounted rumors McGovern "is a loser."

She denied the often repeated report that McGovern favors legalization of marijuana. Mrs. Apodaca says much campaign work must be done in Lincoln, Sierra, Torance and Caton Counties. McGovern carried Dona Ana, Valencia and Socorro Counties in the New Mexico primary. Mrs. Apodaca was McGovern coordinator for U. S. House Dist. 2. Mrs. Lala Fraissinet of Socorro accompanied her to the convention. Friends made Mrs. Apodaca's trip to Miami Beach possible after her home was destroyed by fire June 23. They staged a barbecue July 1.

Wallace alternate George Baca, 54, of Socorro says: "If McGovern continues with the momentum he now has, and the youth supporters apparently are going to this man probably will not be stopped." Baca, State Democratic Party secretary, noted McGovern polled 605 Socorro County votes in the primary to 500 for Humphrey and 374 for Wallace.

District Judge Filo Sedillo of Belen says McGovern "is probably the strongest candidate the Democrats could get for New Mexico except Ted Kennedy." Filo noted a new element of strong, enthusiastic young people who will help McGovern.

ALL IN THE VILLAGE OF RUIDOSO, LINCOLN COUNTY, NEW MEXICO.

The width in feet of the paving improvements, measured back to back of curb (and measured perpendicularly to the curbs where there are curbs), or from edge to edge of the paving where there are no curbs is indicated by the figures in the column entitled "Pavement Width" in the above description of each street (and includes the widening of the street where the widths of said streets are increased). The pavement is to be centered in each street, except as indicated on the plans on file with the Village Clerk. No substantial change in grade or elevation is anticipated, and it is expected that the grade or elevation will follow the existing contour of the land.

Except as shown on the plans on file in the office of the Village Clerk, such improvements shall more particularly consist of and include the following:

Excavation, grading, shaping and draining such streets; the spreading and compacting of a base on the widened portion of each street which shall be base course material approximately 6 inches thick; and the construction on the entire street (i. e., on the existing pavement, where there is existing pavement, and the new base course where there is no existing pavement) of asphaltic paving which shall be approximately from 1½ to 2 inches thick.

The estimated total cost of said improvement, including engineering, legal and incidental expenses is $819,549.49 of which it is estimated that $—0— will be defrayed from sources other than special assessments, and $819,549.49 will be assessed against each tract or parcel of land in the assessment area, i. e., against each tract or parcel of land abutting that portion of streets (i. e., the right-of-way from such streets) being improved on a frontage (i. e., a front foot) basis; provided that the total cost of improving intersections which will not be paid from other funds will be assessed proportionately on a frontage (i. e., front foot) basis against all tracts and parcels to be assessed in the District, i. e., tracts or parcels abutting that portion of any street being improved (i. e., the right-of-way of such streets) in the District; provided that an equitable adjustment will be made for any irregular lots or lands and for any tract or parcel not specially benefited by any improvement, so that the assessments according to benefits are equal and uniform.

All persons interested are hereby advised that the preliminary plans, showing a typical section of the contemplated improvement, the type or types of material, approximate thickness and width, an assessment plat showing the area and an addendum to the assessment plat showing a description of the property to be assessed and the maximum benefits estimated to be assessed against each tract or parcel of land in the assessment area, said estimate of benefits being computed on the aforesaid basis and a preliminary estimate of the total cost of each type of construction theretofore and hereinabove designated, said estimate being made in a lump sum and by unit prices, including therein, without limiting the generality of the foregoing, the advertising, appraising, engineering, printing and such other expenses as in the judgment of Kannady Engineering Company, a firm of competent engineers of Ruidoso, New Mexico, and duly licensed as engineers under the laws of the State of New Mexico, is necessary or essential to the completion of such work of improvement and the payment of the cost thereof, are on file in the office of the Clerk in the Village Hall at Ruidoso, New Mexico, and may be inspected by any property owner, or other interested person during the regular office hours. Any interested person may also ascertain in the office of the Clerk a description of the property to be assessed thereagainst, and the maximum amount of benefits estimated to be conferred on each tract or parcel of land. Reference is made to such for further detail.

On Monday, the 7th day of August, 1972, at the hour of 8:00 o'clock p.m., at the Village Hall, in Ruidoso, New Mexico, the owners of the property to be assessed, or any other persons interested herein, may file a written protest or objection and may appear before the Board of Trustees and be heard as to the propriety and advisability of making such improvement, as to the cost thereof, as to the manner of payment therefor, and as to the amount thereof to be assessed against the property to be improved.

The Board requests that any property owner or interested person wishing to make protest or objection, make such protest or objection in writing at the office of the Clerk before the time set for such hearing. Any person filing a protest or objection, as aforesaid, shall have the right within thirty days after the Board of Trustees has concluded the hearing, has determined the advisability of constructing the improvements and has created the improvement district, to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, but thereafter all actions or suits attacking the validity of the proceedings and the amount of the benefits shall be perpetually barred.

After such hearing said Board shall determine as to the advisability of so improving said streets and parts thereof, and shall determine the kind and character of such improvements so to be made and shall proceed to advertise for bids for the doing of the work therefor and shall enter into a contract for the doing of such work and the furnishing of all necessary materials to the lowest bidder.

After the making of such contract said Board shall determine what portion of such work shall be paid by the property specially benefited; shall make out, together with said engineer, an assessment roll, shall thereupon fix a time and place when objections thereto by the owners of the assessed property will be heard and cause such roll to be filed in the office of the Clerk. After proper notice is given and said hearing is held, said Board may modify said roll and shall levy the assessments therein by ordinance which makes reference thereto. Each assessment shall not exceed the estimated maximum benefit to the property assessed. The Board shall provide that the assessments may be payable without interest or demand, at the election of the owner, or in twenty substantially equal semiannual installments of principal. The Board shall also provide the time and terms of payment of such assessments and the rate of interest upon deferred payments thereof, which rate shall not exceed eight per centum (8%) per annum and shall fix penalties to be collected upon delinquent payments.

By order of the Board of Trustees of Ruidoso, New Mexico.

DATED this 29th day of June, 1972.

/s/ James L. Hine, Village Clerk

MRS. B—

By CECELIA BARRON

You are getting old and live alone; so what? Did you think you would never be alone? You are sure to be if you do not pass on first and leave a dear one to endure what you 'think' you are suffering.

There are ever so many books, articles and poems written about the subject and I could give a world of advice; but we do not take advice easily. After all it is only one person's opinion. We are so 'set' in our ways, we think our way is right—and it may be as far as we are concerned.

But it is time we realize that; it is the only time in our lives that we are able to make our own decisions; do as we please and go where we want. The world is our oyster—'let's have at it.'

My thoughts are expressed in this poem and prayer: writers unknown.

I'm fine, Thank you!
There is nothing whatever the matter with me,
I'm just as healthy as can be;
I do have arthritis in both my knees,
And when I talk I do have a wheeze
My pulse is weak and my blood is thin—
But I'm awfully well for the shape I'm in.
Arch supports I have for my feet,
Else I'd not be able to walk the streets;
Sleep is denied me, night after night,
The moral is as this tale is told;
That for you and me who are growing old
It's better to say, "I'm fine" with a grin
Then to let folks know the shape we're in.

—My Prayer—

Lord, Thou knowest better than I know myself that I am growing older and will some day be old.

Keep me from getting talkative, particularly from the fatal habit of thinking I must say something on every subject and on every occasion.

Release me from craving to try to straighten out everybody's affairs.

Keep my mind free from the recital of endless details — Give me wings to get to the point.

I ask for grace enough to listen to the tales of other's pains. Help me to endure them with patience. But seal my lips on my own aches and pains—They are increasing and my love of rehearsing them is becoming sweeter as the years go by.

Teach me the glorious lesson that occasionally I is possible that I may be mistaken.

So in the morning I'm really a sight
My memory's failing, my head's in a spin,
(And I practically live on aspirin)
But I'm awfully well for the shape I'm in.

Keep me reasonably sweet; I do not want to be a saint—some of them are so hard to live with—but a sour old person is one of the crowning works of the devil.

Make me thoughtful but not moody; helpful but not bossy. With my vast store of wisdom it seems a pity not to use it all—but Thou knowest Lord that I want a few friends at the end.

—Mrs. B---

The Bennetts are having a reunion at the Don and Valeta Suits' cabin this week. Besides the Suits and their children, Dawn and James are: J. B. Bennett and wife Ruth (Mrs. Suits' parents) and Pam Chaig, Indio, Calif., a house guest of Dawn's.

Guests expected are: Percy and Joe West (a daughter), their children, Angela and Jody from Morgan City, La.; Jonny and Nancy Millsap (a daughter) and brand new addition, Bradford James from Del Mar, Calif.

Mr. Bennett may have a green thumb but he raises some of the redest of red and the most lucious tomatoes I ever tasted. Wonder if it is his thumb or this good old New Mexico soil? There is gold in 'them thar tomatoes'.

Along the Bonito

By BONITO LOU

The State Department of Game & Fish planted 1,000 pounds of 15-inch trout in Bonito Lake Monday of this week.

The road work on space between Mills Canyon and the Old Skinner Orchard done by the Lincoln County road men—Lloyd Coe, Mike Malz, Tony Chavez, Mike Nail, Monte Coe, Rush Manning, Bill and Tom LaMay, John Harrelson and Mosa Maryfield—is almost completed now, and we're ready for the paving. The road is wider and smoother. Also, some surveyors are at work on Highways 48 and 37—They are making layout maps at present—Completion of 37 is in the near future, we hope. These men are: Joe Romero, Roswell; Joe Campos, Santa Rosa; Sam Gomez, Artesia; Leon Reed, White Oaks, and Pat Dwyre, Roswell.

At Cozlers recently were relatives — Mrs. Cozier's sister, Allie Greer (she had her 84th birthday here on the Bonito). She lives with son Jack in Albuquerque, and is the eldest of the Johnson sisters. Tommy and Joy Burnett visited — Also Ben Burnett and his wife from California. It was interesting to learn that Ben works with Jan McElhaney formerly of Ruidoso. Jan is a cattle inspector where Ben works in a livestock sales ring in California.

Roy LaMay and Bill Harris just returned from a trip to Las Vegas, Nevada — While there they played a few "slots", fished and visited Mr. and Mrs. I. D. McMann.

Our Bonito weather reporter, Lula Runnels, reported over eight inches of rain in June and July so far — great!!!

Mary Lou Runnels spent the past week in Artesia with Mr. and Mrs. Steve Bonnell — She had a real fine time.

Mr. and Mrs. Rushing Manning from Burleson, Texas are here for the summer — They own the former Fred V. Sweet, Sr. place on the Bonito.

"Budie" Morris and the Coleman family will again help with the Billy the Kid Pageant this year at Lincoln Town.

Mr. and Mrs. John McKibben who live on the Harvey Ranch near Ancho have their two oldest children, Lynett and Mozan, in the hospital in Ruidoso for a tonsillectomy. Mrs. McKibben (Benolyn) is Mrs. Harvey Tally's daughter; she will stay at Bonito dam with her folks until the children are in safe health.

Bill and Kathy Houghton from Silver City are on the Bonito camping — Houghton is Chief of Police at New Mexico Western.

Marion Phiergo, Ed Jones and Bob O'Connor fished at Bonito Lake Friday evening.

Jesse Peacock and wife, Mae, from Mississippi are on vacation in New Mexico. Jesse was raised at Old Bonito City where Bonito dam is now — They are camped at "Blue Hole".

Tommy and Dorothy Zumwalt from Nogal visited them — They will be here a month and expect to see many friends and relatives. Their first visitor was a big black bear in camp the first night. Bear have been constant prowlers in South Fork—munching on any food campers leave out; makes good business for Bonito Lou's and Chief's Grocery for eggs, bacon and the like . . .

Melba Allen from Capitan and daughter from Jal are making good meals at the Nazarene Camp Ground this summer.

Mr. and Mrs. Benny Runnels from Jal spent the weekend in Bonito Canyon. Benny is an entrant in the Pony Express Race Aug. 5 — He brought his horses for training.

Mr. and Mrs. "Cherry Cider" Allison are all rested from a trip to Canada — They brought cider to Bonito Lou's this week—They visited Vancouver Island and the Buchard Flower Gardens were a highlight for them.

Bill and Scotti McGuire and son Mark have been on a short camping trip in Krout Canyon — They have a new business in Ruidoso now — It's the wood and gem manufacturing company.

EARNS HONOR — Ted Bennett, manager of Bennett's Big 8, has been selected to appear in the 1972 edition of "Outstanding Young Men of America" in recognition of outstanding ability, accomplishments and service. A full biography and record of accomplishments of Bennett will appear in the volume. Alvin Gay, a former Bennett's employee and nephew of Jess Harris of Ruidoso Downs, also earned the honor several years ago.

CAPITAN NEWS

By BARTLEY McDONOUGH

The picture accompanying this column shows six of this year's candidates who ran recently for the honor of being queen of the Capitan Junior Riding Club. They are, right to left, Elizabeth Jenkins, last year's queen; Nancy Hunter, the new queen; Sis Lovelace, Kerri Murray, Lilly Montes and Leola Montes. Nancy Hunter represented the riding club at the Smokey Bear Stampede, and will attend other appropriate events throughout her reign.
