ASSISTANT TO ROSA—

Thompson Has New Position With Tracks

Al Rosa, president of Kodiak Industries, Inc., who recently purchased the Ruidoso Downs Race Track and the Sunland Park Race Track, the latter near El Paso, Texas, announced Richard Thompson, General Manager of the Ruidoso Downs Race Track since 1968, has been moved to assistant to Rosa for both Ruidoso Downs and the Sunland Park Race Track.

Prior to making the announcement public, Rosa contacted Drew Cloud, Chairman of the New Mexico State Racing Commission, Albuquerque, who, when informed of Thompson's new role with both New Mexico based race tracks, said he was very well pleased with the decision by all parties involved.

In making Thompson's new appointment public Rosa said, "I am very happy about Richard (Thompson) accepting the position and all I can foresee is a very fine working agreement that will, without question, be beneficial to me and to the industry."

Rosa continued, "Richard will be instrumental in the leadership and operation of both tracks, and again I say, I am very well pleased with his acceptance."

Thompson, a veteran of over twenty years in the racing industry, following Rosa's announcement, told the Ruidoso News "I am extremely happy to be associated with Mr. Rosa and his group and am looking forward to the long range plans for expansion that we have discussed at prior meetings."

Both Rosa and Thompson stated that they had discussed long range expansion plans for Ruidoso Downs and Sunland Park and methods of bettering the horse industry. Ruidoso Downs expansion plans reportedly have been discussed regarding the grandstand facilities, the stable and barn area and the main mutuels department.

In reference to proposed expansion projects and plans Rosa emphasized that he personally recognized the tremendous successful work and accomplishments of all of the previous owners of Ruidoso Downs and added, "I have nothing but compliments for the previous owners, from the beginning until we purchased the track, and I can say without reserve that we intend to build on what they have already established."

ALL-AMERICAN PLAZA DEDICATED—The newly constructed All-American Plaza Building of the Ruidoso Downs Race Track was officially dedicated Wednesday night and served as a preface to the first session of the 11th Annual All-American Quarter Horse Yearling Sale held in the new building. Participating in the formal dedication ceremony were left to right, Richard Thompson, newly named Assistant to Al Rosa, Miss Nancy White, 1972 American Quarter Horse Association Congress Queen, Chiefland, Fla., who cut the ribbon, Al Rosa, president of Kodiak Industries, Liz Devine, Ruidoso Downs Nomination's Secretary, Mike Coen, Topeka, Kans. and chairman of Fortuna Corporation, and Don Jones, Amarillo, Texas, Executive Secretary of the American Quarter Horse Association. Ruidoso Downs All-American Turf Club Director of Public Relations and Special Events Chieftain Bill Thomas, not pictured, served as Master of Ceremonies for the special event.

Warrior Gridiron Season Opens Here Friday Against 'Zozo, 8 p.m.

The Ruidoso High School 1972 Warrior football team, with a total weight of well over in excess of two and one-half tons, open their regular season of play here Friday night against the Carrizozo Grizzlies. Game time for the non-district gridiron duel has been announced for 8:00 p.m. Carrizozo defeated the Warriors in last season's opening game and went on to win the Class A State Championship.

Warrior head football coach, Doyle Howell, 1971 New Mexico State Class AA High School Coach of the Year, who led the local Tribe to the number two spot in the New Mexico Class AA High School Championship ranks, has 23 returning lettermen including five offensive and five defensive starters on his 1972 squad.

The list of starters include 6', 2", 189 pound, 1971 UPI New Mexico High School Back of the Year Blane Miller; 6' 3", 216 pound, 1971 UPI New Mexico All-State Center, Ken Perryman, Perryman has switched to tackle for the 1972 season; and Reeves McGuire, 5', 2", 135 pound end who was named to the 1971 Associated Press New Mexico High School All-State Team's Honorable mention squad.

The Warriors learned this week that Lemmuel "Crickett" Level, 1971 United Press International and Associated Press New Mexico High School All-State defensive specialist, is not eligible to play this year because of the New Mexico High School Athletic rule limiting high school play to eight semesters. Coach Howell stated, "I hate to lose 'Cricket' because I really think he is college material."

The Warrior head coach also stated that the 1972 Warriors were out after the longest winning streak in New Mexico Class AA history, that he was very well pleased with the Warrior pre-season practice sessions and the one scrimmage session against the Whiteface, Texas team last Saturday. The Warriors defeated the visiting Texas high school by seven touchdowns.

In reference to this season, Howell remarked, "We're going to play them one by one and at the present time we are concentrating on beating Carrizozo!"

The 1972 Ruidoso Warrior team is composed of 11 Seniors, 12 Juniors and 12 Sophomores for a squad total of 35. The Warriors' starting offensive line averages 181 pounds per lineman and on defensive averages 183 pounds per man. The backfield crew on both offensive and defense averages 161 pounds per man.

The Warriors' starting line-up for Friday night's game includes—

OFFENSIVE TEAM

ENDS — Mel Patton and Tim Baur; TACKLES — Ken Perryman and Harlan Butts; GUARDS — Mike Brown and Peter Mellon; CENTER — Dale Butts; BACKS — Blane Miller, Reeves McGuire, Kent Skarda and Dick Underwood.

DEFENSIVE TEAM

ENDS — Mel Patton and Tim Baur; TACKLES — Ken Perryman and Harlan Butts; GUARDS — Mike Brown and Peter Mellon; CENTER — Mark Garrity; BACKS — Blane Miller, Reeves McGuire, Dick Underwood and Jerry Wood.

"As far as our depth on the bench," Howell stated, "Our reserve depth and strength looks excellent with Joe Everett, tackle; Craig Horton, Halfback; Mark Egbert, guard; David Stiles, Fullback; Philbert Montes, guard; Britt Beal, end, and Joe Bob McGuire, end.

Move To Terminate RD Marshal Declared 'Out of Order' by Mayor

A motion and second to terminate the employment of Harold Willingham as Village Marshall of Ruidoso Downs was declared out of order by Mayor Jesse Harris at the regular monthly meeting of the village council Monday evening in the village hall. According to Harris, the matter did not appear on the agenda of the meet and therefore, no action could be taken. In answer to a question concerning the assistant village marshal, George Gupton, the mayor noted that his hiring was on a temporary basis for the summer season only and that a study of the village budget would be required before a change to a permanent status could be made.

A grant from the state, requested by the council for the purchase of a police car and an extra man in the department, has been turned down.

Members of the council discussed and voted to place $285,000 of the sewer bond money in a six month certificate of deposit so that interest may be drawn until the project gets underway. Fifteen thousand dollars will be placed in a special account to pay the fiscal agent and engineer until construction is begun.

Fire insurance on the village hall was raised to $10,000 for the building and $3,000 on contents for an additional cost of $81.

A $20 bill for the cleanup of the vacant lot across the street from the village hall will be charged to the owner of the lot.

Approval was given for the salary of Bessie Nickolich who had been assisting the new village clerk, Wanda Glasscock.

Ed Marshall of Ruidoso Gardens Subdivision asked the council to repair a road in the subdivision that is almost impassable from the heavy rains.

Bessie Nickolich asked the council if the village was seriously considering the purchase of Denton Field and suggested that, if so, a bond for more than the purchase price of the property be passed. The extra money would be used for the improvement of the property and could be used for matching money for a federal or state grant for recreational purposes. The mayor noted that a study would be made of such a plan.

Mayor Harris noted that he would attend the dedication of the new All-American Sale Pavilion at Ruidoso Downs Tuesday evening at the Ruidoso Downs Race Track.

Elementary Registration

Parents with children entering the Ruidoso Elementary School for the first time should carry their child to school for registration the first day, Sept. 5. New students and children entering school will be registered at that time.

No bus route schedule was available to The News at press time, but will probably be announced next week.

MANY FIRSTS IN ALL-AMERICAN NETWORK PRODUCTION — The All-American Network, Topeka, Kans., and headed by Thad Sandstrom, right, will be the first to produce the first live telecast of the first million dollar purse horse race in the world, the All-American Futurity Quarter Horse Race, the World's Richest Horse Race, set for the first Monday in September, Labor Day, Sept. 4, at the famed Ruidoso Downs Race Track in this mountain resort mecca. In addition, Al Rosa, left, Kodiak Industries, Inc., new owners of the Ruidoso Downs Race Track, will be seeing the nationally acclaimed quarter horse super-upper classic race for the first time. Richard Thompson, center, highly respected Ruidoso Downs Race Track General Manager, the only All-American Futurity Race veteran in the above picture, does take a look into one of the $85,000 color TV cameras—reportedly his first.

By HUGH STILES

What greater climax to one of the greatest Ruidoso Area summer tourist seasons and the greatest racing season on record in the 26 year history of the Ruidoso Downs Race Track could possibly equal this Labor Day's Super Sport of Kings Classic All-American Futurity Quarter Horse Race with its world record purse in excess of one million dollars?

The All-American Futurity Race, held annually on Labor Day at the famed Ruidoso Downs Race Track is in its 14th running and has boasted through the years, and rightfully so, that it is the richest horse race in the world! At the conclusion of this year's Labor Day spectacular All-American Futurity it will add the rightful claim of being the only race in the world with a million dollar purse, actually this year's purse is $1,035,900.

To add to the already paramount greatness of the area's climactic summer season, this year's All-American Futurity Race will be seen live and in color by an estimated five and one-half million people in 66 cities representing 18 states. The live telecast, a first and produced by the All-American Network, Topeka, Kans., will be seen live from Florida to California and from South Dakota to Texas.

And still there is no end to this season's climatic greatness, as by mid-week the entire national television market will carry the 14th running of the All-American Futurity Race. NBC personnel will arrive in Ruidoso via a chartered airplane and will beam the All-American throughout the nation on Tuesday. CBS-TV also plans to film the All-American as does ABC.

In addition CBS-Radio has finalized plans to carry the race on 240 radio stations throughout the nation. Plus, both the United Press International and the Associated Press will have representatives on the scene during the All-American, the National Observer, international publications, will be represented with reporters and photographers carry a feature story of the great race.

Dick Alwan, Ruidoso Downs Director of Publicity also announced late Wednesday that three of the top magazines in the nation, Time, Life and Newsweek have expressed an interest in the world's first one million dollar race and possibly will cover the record making quarter horse extravaganza at Ruidoso Downs, the Quarter Horse Capital of the World.

The results . . . The All-American Futurity Quarter Horse Race will reach its zenith above all previous years viewers and with it a historic milestone, seen by the nation, with the world's first million dollar purse for any horse race. The results are also a dream of fourteen years come true . . . by many people who gave total support to this twenty-second quarter horse fantastic!

How did this unequaled quarter horse classic gain such immediate recognition? Currently it is because of such Ruidoso Downs leadership in the persons of Mike Coen, Al Rosa, Art Johnson, Richard Thompson, Liz Devine, Bill Thomas, Dick Alwan and a host of other track employees.

The immediate national attention of the All-American Futurity Race, in just the last few weeks, has suddenly mushroomed like the blast of an atomic bomb. One of those responsible is Thad Sandstrom, president of the All-American Network, who for the past several months has been "doing his thing" towards promoting the first live telecast of the All-American Futurity Race.

Through Sandstrom's efforts, and the efforts of those who work with him, the Labor Day All-American Futurity Race will undoubtedly reach its pinnacle until next year anyway since he has a three year agreement for the telecast. Sandstrom, a kind of welcomed stranger-come-to-town, brings with him the popular music director of the Tonight Show, Doc Severinsen, and the sports master of the tube and mike, Charles Jones.

In addition, New Mexico Governor Bruce King has accepted an invitation extended to him by Sandstrom and track officials to attend the All-American Futurity Race. Governor King and a party of six from Santa Fe were expected to arrive in Ruidoso around noon Labor Day for the spectacular saturated event.

Long range results of the national exposure for the entire Ruidoso area may well wake up the Ruidoso Area Tourist Potential Sleeping Giant so that he will reach to every corner of the United States and become a household world : . . Ruidoso the Home of the World's Richest Horse Race, the All-American Futurity at the Ruidoso Downs Race Track.

Tentative Opening For Gibson's Ruidoso Store Set For November

Gibson's, the second largest discount chain in the nation, is scheduled for Ruidoso. The Ruidoso branch of Gibson's is now under construction, with a tentative opening date set for early November. The store is to be located at Sudderth, near Highway 70.

Mrs. Maurice Cole, who formerly owned the Roswell Gibson's, is constructing the local enterprise with brother Bill McCutchen as general manager.

The success story of Herbert R. Gibson Sr., the founder of Gibson's Discount stores, reads like a Horatio Alger narration. Born and raised on an Oklahoma farm, he got his start in business at age ten, when he began to buy and sell pigs. Even with such humble beginnings as a businessman, he has managed to build his chain of discount stores into a $2 billion dollar entity.

But he's not been alone during his hard but successful climb. Mrs. Gibson, whom he met while operating his first wholesale operation in Little Rock, Ark., is an equal team member in the business. She says, "It takes two people to make an organization like ours grow and prosper the way it has." Evidence of the fact that their team work has paid off is the naming of Mr. and Mrs. Gibson to the Mass Merchandising Hall of Fame sponsored by the University of Massachusetts.

Gibson's is known for their vast array of products to choose from. "True discounting" has provided the basis for immediate acceptance of the Gibson's Discount Center by shoppers.

Success of the Gibson stores has been the ability to incorporate the merchandising principles devised by Gibson. His formula consists of purchasing directly from the manufacturer and eliminating the wholesaler; handling only quality, and primarily only nationally-advertised merchandise; promoting aggressively, frequently and effectively.

Each Gibson store buys directly from the manufacturer at the same price as one of his owned-outright outlets. Mrs. Cole says, "Today we carry more nationally - advertised brands than any two retailers in America.

Management of course plays a big part in the Gibson success story. Mrs. Cole, previous owner of the Roswell Gibson's stores, was in the contracting business prior to joining the Gibson enterprise. The original Roswell store opened in 1958 and then moved to its present location in 1963. Mrs. Cole opened a second branch in the Del Norte Center in 1969 and sold the Roswell stores back to the parent organization this year. Naturally proud of her success with this endeavor, she is also proud of her orchard, named "The Ranch" in San Patricio, which she also manages to successfully operate.

Since every good store has a good manager, Gibson's is no exception. Bill McCutchen, an experienced retailer, has served as general manager to Roswell's two Gibson's Discount Centers. Bill, who joined Gibson's in 1965, is responsible for supervising the nearly 20,000 different name brand items to be made available to the local Gibson's store.

11th Annual All-American Qtr. Horse Sale

The 11th Annual All-American Quarter Horse Yearling Sale got underway here Wednesday night in the Ruidoso Downs Race Track's newly constructed All-American Plaza building.

Wednesday night's first session was highlighted with the formal dedication ceremony for the new structure, located near the entrance of the famed Ruidoso Downs Race Track.

Ruidoso Downs officials who participated in the "ribbon cutting" officially dedicating the All-American Plaza, included Mike Coen, Topeka, Kan., and chairman of the Fortuna Corp., Al Rosa, Ruidoso Downs, and president of Kodiak Industries, Inc., Art Johnson, Ruidoso Downs and President of the Fortuna Corporation and Richard Thompson, General Manager of the Ruidoso Downs Race Track.

The All-American Quarter Horse Yearling Sale of 1972 is both the preface and the lifebloid for eligibility to compete in the 1973 All-American Fururity Quarter Horse Race, the World's Richest Horse Race and the only horse race with over a million dollar purse, held annually on Labor Day at the nationally prominent Ruidoso Downs Race Track.

Several hundred buyers from a cross section of the United States are expected to attend this year's 11th Annual sale which will include around 300 of the top quarter horse yearlings in the nation.

Last year's sale established a new total sales record when 318 quarter horses brought nearly one million and eight-hundred thousand dollars. The average price paid per quarter horse yearling was $5,647. One yearling, Speed Scene, produced a record price of $100,000.

This year's four-day sale, Aug. 30 - Sept. 2, is held in conjunction with the Second Annual All-American Week in the Ruidoso Area and consists of four separate sessions beginning each night at 7:30 p.m.

The Ruidoso Valley Noon Lions Club, the official cater for the sale for a number of years, will provide food and beverages prior and during the sale.

During its first decade, 1962-71, the Annual All-American Quarter Horse Yearling Sale reached a total sales figure of $6,270,325. A year by year breakdown of the annual sale is as follows:

Year	Horses Sold	Total Sales
1962	68	$ 212,950.00
1963	72	$ 257,450.00
1964	121	$ 368,400.00
1965	126	$ 412,450.00
1966	98	$ 379,775.00
1967	169	$ 483,625.00
1968	130	$ 541,800.00
1969	162	$ 675,900.00
1970	228	$1,142,200.00
1971	318	$1,795,775.00

Labor Day Program Starts At Noon Mon.

The Labor Day racing program at Ruidoso Downs will get underway at 12 noon, Monday, Sept. 4.

This is the final day of the successful '72 season, and the day of the All-American Quarter Horse Futurity—the world's first $1 million race.

The gross purse of the All-American is a staggering $1,[illegible]55,000. A special TV network has been assembled to beam the race live to a viewing audience of about 5½ million in an 18-state area. A total of 65 TV stations will carry the half-hour show.

The All-American is scheduled to run at 5:45 p.m. on Labor Day. In a repeat of last year's popular format, the All-American will be scheduled as the last race of the program. Quiniella wagering will be included in the wagering format of the great classic.

ALL-AMERICAN FLORICADE — Tuesday evening in the new All-American Pavilion at Ruidoso Downs Race Track, the All-American Floricade marked the opening of the All-American Weekend in the Ruidoso area. The event, termed "most successful", drew a good crowd to bid on floral arrangements made during the demonstration.

All-American Floricade Opens Full Week of Closing Events

Altrusa Club's All-American Floricade was the kick-off event for the new All-American Sales Plaza Tuesday night, Aug. 29 at the Ruidoso Downs Race Track. People crowded the gala plaza to bid on arrangements of fresh flowers which were provided by the Stonehurst Wholesale Florists.

Professional auctioneers rehearsing for the colt sale to be held Aug. 30 at the Plaza, donated their services and ran the proceeds far beyond expectations.

The red, white and blue color scheme of the Plaza was carried out by the Floricade. The stage setting and back drops were patriotic in theme, and the florists created their handsome arrangements on tables covered in red, white and blue.

Wendall McGinnis of Don's Flowers in Lubbock, Texas, and Ralph Chandler of Ruidoso arranged the corsages and bouquets. "Back-up" designers were Betty Karnes, Betty K. Flowers in Roswell; and Doris Littlefield, Ruidoso Flower Shops.

Stockmen were Ray Littlefield, Ruidoso Flowers; Dale Karnes, Betty K. Flowers in Roswell, Don Swalander, A. J. Thompson and Tom McNeil.

Ike Hamilton, Gordan Hannagan and Bob Plummer, at the Downs for the All-American events, auctioned the flowers.

"Sis" Koegler, well known florist, served as commentator and presented the flowers to the buyers.

Proceeds from the Floricade are used by the Altrusa Club for its scholarship and welfare fund.

Officers of Altrusa are: President, Mrs. Mabel A. Wimberly; Vice President, Mrs. Vera Quinn; Treasurer, Mrs. Joyce Prewitt; Secretary, Mrs. Linda Swalander.

Mrs. Doris Littlefield served as Floricade Chairman, assisted by Mrs. Barbara Duff and Mrs. Kathleen Thompson.

Winners of door prizes at the event were Richard Thompson, Polly Pritchett, Betty White, Barbara Duff and Kathleen Thompson.

NOTICE

The Red Cross Blood Bank will be at the Ruidoso-Hondo Valley Hospital at 10 a.m. Tuesday, Sept. 5 to accept donations of blood to replace that used by Lloyd Vigil, who has been in the hospital here since July. According to Vigil's wife, Mabel, any type of blood will be accepted and it is hoped that at least 50 pints will be given at the drawing.

Our Thanks to Ruidoso's Many HORSEMEN RACE FANS & SUMMER VISITORS! See You Again Next Year!

We understand about new cars.

There's a very special thrill we all get when we're behind the wheel of a brand new car. The slightly strange new "feel" of driving it—the bright new sheen of the finish—and, of course, the unmistakably new "smell." It's a great feeling! And we're anxious to help you enjoy it.

When you're ready to buy that new car, come see us first. Arrange for the loan before you buy the car. That way you can make the best possible deal on any car you choose. And, of course, you take advantage of our lower bank rate financing, too. When it comes to buying new cars, we understand. Because . . . we're people, too!

THEY DID IT!! — Last weekend's handle, $1,070,344, at the august internationally potent Ruidoso Downs Race Track put the finishing touches on setting a new ALL TIME RUIDOSO DOWNS TRACK MUTUEL RECORD by surpassing all previous total season mutuel handles. The previous total season record high was established last year when at the end of the 1971 racing meet at Ruidoso Downs race fans had waggered $13,659,422. With six days still remaining in the 1972 meet, which to date has totaled $14,123,473 in mutuel handles, the close of this season on Labor Day could possibly see the season total mutuels puncture the 16 million dollar mark by an additional five hundred thousand.

The filly won the first of 18 dashes in blistering time of 19.66 seconds. This just about equalled the 400-yard record of 19.65, established by Mr. Kid Charge in last year's All-American.

This year's gross All-American Purse will top out at a staggering $1,035,900. This will be the world's first million-dollar race.

The second top qualifier was Twelve Five, owned by Grafton Moore of Holly, Mich. Don Mooney was up as Twelve Five won the third division by a neck and returned $6.80. She was timed in 19.86 seconds.

Callmemyoh, the property of Dr. Donald Strole of Abilene, Texas, was third best with a time of 19.90.

Here are the other qualifiers for the Labor Day spectacular: 4th — Go For Two, 19.91 (owned by Clarence and Dorothy Scharbauer of Midland, Texas); 5th—Chicory Moon, 19.93 (Betty Shebester of Wayne, Okla.); 6th —Magnolia Jet, 19.94 (Lester Goodson of Magnolia, Texas); 7th — Thymus Jet, 19.98 (Doyle Matthews of Bristow Okla.); 8th — Possumjet, 20.01 (Jack Byers of Blanchard, Okla.).

The fast two slots went to Realm Rogue, owned by E. Loyd Jones of Perry, Okla., and Top Don, owned by Cecil Pearson of Lampasas, Texas. Each was timed in 20.02 seconds.

Here are the qualifiers for the first consolation: Dee Bar Bright, 20.05; Red Bee Dewey, 20.05; Pal's Super Deck, 20.06; Turf's Reb, 20.07; Summer of Seventy, 20.07; Pokatu, 20.07; Talented Panama, 20.09; Savannah Lady Bug, 20.09; Fly Laico Bird, 20.09.

The first consolation will be run on Sunday, Sept. 3, and will offer a purse of $147,591.

The second consolation, slated for Saturday, Sept. 2, carries a purse of $76,828. Here are the qualifiers for that one: Sahki, 20.10; Jet Creek, 20.11; Byou Bird, 20.13; Parr's Jet, 20.14; Triple Coen, 20.14; Susan Sea, 20.15; Truckie Feature, 20.15; Blue Sheep, 20.16; Three Bid, 20.16; Cadillaking, 20.17.

The trials were viewed by 4,467 fans who wagered $327,140. On the same day last year, 14 trials were run and the handle was $237,261.

Laurie Norman Arrives in Japan

The following is a letter received this week from Laurie Norman, daughter of Mr. and Mrs. Larry Norman of Ruidoso. Laurie is a Rotary exchange student to Japan, and recently arrived in that country to begin a year's stay. We are sure Laurie would appreciate letters from friends. Her address may be obtained from her parents or The Ruidoso News.

Aug. 23, 1972

Dear Mr. Lane and members
of the Rotary Club and
Fellow Ruidosoans:

Today I attended a Rotary Club meeting, Japanese-style. This was for the Toyokawa Rotary Club in the city in which my host family lives. I was invited to attend this meeting which started at 12:30. Everything is much the same style as American Rotary Clubs. I couldn't understand anything except for the calling of the meeting to order and to dismiss. I ate my first Japanese meal to day (or tried to). You see, my family has eaten no Japanese food since I have been here. Anyway, the meal consisted of: raw fish, rice, shrimp in a sauce, another unidentified thing. For dessert, a grapefruit half. I ate the grapefruit. I tried the rest but it was awful. I do believe I like American food best. I had to make a 2-minute speech in English and my "father" translated it. I must say the meeting was very different but I enjoyed it. I did present them with Ruidoso's Club banner. They presented me with their banner to bring home.

Now I will tell you about my family. My family is very kind. I have to speak to my "mom" and brother Mito (pronounced Me-Toe) in Japanese. My "dad" speaks little English but it is very hard to understand. Their house is small compared to others, but modern. They have a color TV, shower, organ, telephone. Everything is like American only Japanese. By the way, have you ever seen Japanese-style Dick Tracy? It is funny. The only American TV show is Sesame Street. Hooray!

The customs are quite different. The bath and toilet are not together. I can't explain the toilet but it is weird! The tub is short and not wide and is about 4 ft. deep! No soap or towel is allowed in the tub so you soap and rinse off before entering the tub. The water is very hot and I thought I would melt, the first time I took a bath.

This family uses forks, knives and spoons and sometimes hashi or chopsticks. I can use the hashi fairly well but the rice usually lands in my lap! So far, for breakfast I have had boiled eggs, toast with butter, warm milk, salad and fresh fruit. Pears, peaches, watermelon, grapes, bananas are very good. For lunch I had a salad with ham, and get this, French dressing! My dinner for the nights I have been here has been: a broiled chicken leg, potatoes, Japanese spaghetti (tastes like American — no difference), salad and fruit. I can't eat raw fish, I found out today.

No shoes are allowed in the house. Slippers are allowed except for on floors where tatami (straw mats) rests.

At night I sleep on what is a long, narrow pillow and a thick coverlet. The pillow for my head is stuffed with straw. Have you ever slept on a straw pillow? It's rough but I am surprised at how comfortable the bed is, even if it is like a sleeping bag!

My little brother plays with me, only he hits too hard. He is like a typical 4-year-old child -he gets into everything!.

School starts Sept. 1. I have to go by train to Okazaki for school. It takes about 90 minutes. I have to rise and shine at 5:30 a.m. on school days. This is an all-girls high school.

In Toyokawa, there is another American girl from N. Y. She will attend the school in Toyokawa and the Rotary Club here. Thank goodness there is another American girl nearby or I think I would go crazy. We call each other on the phone. I have cried every day I have been here. Can't seem to get used to being away from home. It is all so strange. I wish I could go home, especially when I cry. I wish you knew how I feel.

This family does not have a car. We walk everywhere. Today we walked to Rotary Club. It was very tiresome. When I go to school, we will have to walk way, is clear across town. Well, I do need the exercise so I don't mind.

It is very hot here. I brought all long-sleeved clothes and I about smother! Pass along a hint, rather a demand to my mother! Send me some "cool" clothes! Arigato — Thank you. In September it will turn cooler.

Around Toyokawa, there are many mountains. It reminds me of home so that doesn't help much with my homesickness! Japanese drive Toyotas and Nisans. They drive opposite of Americans with the steering wheel on the right! Very funny looking!

My dad presented me with a Japanese doll, hand-made of paper. Since we have to walk and Toyokawa is small, when I go to a bigger city, I will send Mrs. Lane a Japanese doll. So please tell her. One thing, the Japanese dress like Americans, except for the old folks. My "mom" has her grandparents living with her only in another house next door. They wear traditional costumes and stare at me through the open windows! They are very old.

The language is hard to learn but I'm still prodding along! Someday I'll catch on. I can already say some phrases.

I could go on and on but I will close for now. If you have questions about Japan, please write. I hope I will get plenty of letters. I am lonely and they sure will help. Also, please ask questions about Rotary Clubs, Japanese-style. I miss everyone so very much, especially my American o-to-san and o-ka-san. Please give them my best regards. Until I write again. Sayanara and write soon!!!!!

Sincerely,
/s/ Laurie Norman

In Passing . .

If you haven't taken the time to look out your window early in the morning and watched the mist rising off the lush, green mountains, you're missing one of the greatest sights in Ruidoso . . . Johnny Durham and his family returned recently from a trip to Hawaii. Seems Johnny and his wife could have gone to France but preferred to wait and take the kids with them for a family vacation. Johnny won the trip in an auto sales contest . . . City fathers must think the rain will never quit—don't hear of any activity in the $1 million water project bond passed last year . . . We hear many good reports on the work being done by Wayne Estes in his capacity as probation officer. Getting out of bed at all hours to work is just part of his job . . . Down at the corner of Sudderth and Highway 70, it looks like the floor for the new Gibson's is poured and the walls beginning to go up. Steel beams for the roof arrived last week. . . . Doris Littlefield running in circles preparing for the All-American Floricade and the big Futurity race Monday . . . Wonder why we can't have some mail boxes along main street for the convenience of our visitors, it's a long drive up to the post office . . . We are very pleased with the large amount of remodeling along Sudderth—latest one to start is Dr. Stalzer's office, now almost complete . . . had one fellow ask why there weren't new stripes painted on the streets this year, told him that they were but had been worn off by traffic . . . old timers noting that we will probably have an early fall this year—must admit that some mornings give a feeling of fall . . . city crews have mowed the street ditches — sure improves the village . . .

Also placing in this division were Nancy and Jane Goldsmith. Their dad did not judge in this division. The Capitan cheerleaders were awarded a special prize.

A large group from Roswell had planned to be in the parade, but were held back by rain. We do thank Bud Price of Price's Truck Stop for bringing up his antique fire truck although he could not find a place to unload it off the vehicle which brought it here. Thanks also go to the young bands from Corona and Capitan. Both bands only had a handful of days with which to start the new school year and be in the parade. It was uncertain Monday, if the Tiger Band would be in the Eastern New Mexico Fair Parade to be held in Roswell, Sept. 5. This decision was to be made later on in the week.

Capitan FHA News: On Thursday, Aug. 15, the District J Future Homemakers of America held their annual district planning meeting. This planning meeting was to make plans for the district meeting which will be held Oct. 14. This year Carrizozo will be the host chapter. There were 18 officers and advisors at the meeting.

It was also decided that this year's district theme will be "Involvement Is: Being in Love with Humanity". The district [illegible] is helping the aged.

The meeting was attended by representatives from the Alamogordo Senior High, Carrizozo, Capitan, Cloudcroft, Corona, Ruidoso and Tularosa chapters.

On Thursday, Aug. 17, the Capitan officers held their planning meeting. Future activities and dates were discussed. Annual meetings and programs were also prepared.

The last rodeo for this summer season put on by the Capitan Junior Rodeo Club is scheduled for this Sunday, Sept. 3, 1:00 p.m. at the Capitan Rodeo Grounds.

State Dept. of Ed. Names Representative

Ted Sanders will be in Ruidoso, Hondo Valley, Cloudcroft and Tularosa soon as a representative of the State Department of Education (SDE) and its new Mutual Action Plan (MAP).

MAP covers the entire state with SDE representatives who bring all elements of the community into focus on education and the needs of young pepole, for a cooperative improvement in schools. The representative becomes almost a part-time citizen of the school district, he explained, and brings to its service the facilities of the SDE.

Sanders is a 30-year-old native of Texas and a seven-year veteran of New Mexico education, who has been with the SDE for a year.

Because Sanders worked with these same districts on a pilot basis last year, he is no stranger to the area.

TED SANDERS

The MAP representative is also an avid fisherman and camper.

"I look forward to continued association with the people of Ruidoso, Hondo, Cloudcroft and Tularosa as well as working with Supts. Pat Valliant, Wesley Lane, Ernest Booky and Glenn Daves and teachers and principals of the schools," said Sanders.

"My boss, State Supt. of Schools Leonard J. De Layo, told all 53 of us who are local representatives in the MAP program that we must bring all available resources into focus on education. We want to see what the schools in each community are doing, and what local, state and federal people can do to make them even better," the representative said.

"We're not just looking for problems, we're looking for the best things about the schools here," the representative went on. "My job is to meet the people of this community, the parents, youth, and teachers, and talk about the schools.

"Your State Department of Education is committed 100 per cent to making the schools here the best that can be provided for the future of the nation."

"Experience teaches that men govern nothing with more difficulty than their tongues." —Fred W. Grown, The Bergen (N. J.) Citizen.

MRS. B—

By CECELIA BARRON

I wish to thank all the good people who helped to transfer me from my old 'hive' to the new. They are many, direct and indirectly. We can never live by bread alone; we have to have people to help us along in life.

Moving is such a task and gets one down. No doubt everyone moves once or twice, if not dozens of times in their lives. I once read statistics on how many times people in the U. S. move in a year and they were numerous. Each time it happens to me I say "never again"; then I forget the misery and move once more.

The first thing I did after unloading was: get in my new shower and stood there about an hour. I felt like a new person. I then crawled into my one bed I had prepared and slept like a log—if they do sleep.

There is something about a shower that is so invigorating. I never have understood why. A doctor once wrote: a bath is an emotional thing. It may be, but I say it is a spiritual entity also; as 'cleanliness is next to godliness'. If you want an uplifting just take time to stand under the shower or soak in the tub and think about it; leaving all other thoughts behind. I don't know why I got on this 'shower subject' as it is an every day thing with most of us; but we go through it by rote like breathing and do not take time to realize its true value. There are many things in this life that we do not think worth mentioning; in other words we do not count our blessings.

I have not found my egg poacher or little coffee pot yet; therefore I boil water in a stew pan for instant coffee then poach my egg in the same vessel. As my mother used to say: 'there are many ways to choke a dog to death without choking him on butter.'

Today I just had to stop in all the confusion and pile of 'junk' to take a walk. And what a beautiful walk it was through the woods. I could have gone on the road but I like to stay near nature. I think that is the trouble with the world today; we have too many man made things to take our mind away from God and nature. If I had gone down the pavement, I would not have seen the little squirrel scamper down a tree and sit upon its haunches, twiddling his tiny front paws, his round beady eyes sparkling and alert to each thing around him. Nor would I have seen the precious cardinal flitting about the branches, as they say: 'free as a bird'; or the blue jay would not have shyly scolded me for walking through his world.

I thank the new neighbors for dropping in to see me. It can be a lonely place when one first moves in; but I know now I shall have some lovely neighbors and I hope to be just as good a friend and neighbor to them.

One lovely person near me, has a humming bird feeder hanging outside her window and the little fellows just swarm around it, as well as the bees. She feeds them sugar syrup and says the birds and bees have quite a battle over it. I even noticed one of the little birds trying to get to the rose decals on my glass sliding doors. So I presume they choose their food by sight and not scent.

I especially want to thank my dear friend who tried so faithfully to get me to church. She could not get to me nor I to her. I do not believe I have been so isolated since I was a kid on the Indian Reservation in Oklahoma—but that is a story within itself. I will have to tell you about it sometime. In those days we at least could ride a horse out, but now I don't even have a horse. (Oh my life for a horse).

And most of all I want to thank my God that he lets me abide in just one little corner of his great garden.

Hopefully someone will drop by to take this epistle to the post.

(Ruidoso News Photo)

The 20th annual Lincoln County Fair ended Saturday, Aug. 26, in Capitan and in spite of the heavy overcast and light rain which fell throughout the final, several hundred people were in attendance for the county-wide event.

One of the highlights of this year's fair, according to Ralph Dunlap, Lincoln County Agricultural Agent was Saturday's first annual Lincoln County Junior Livestock Sale of livestock owned and raised by Lincoln County 4-H and FFA club members.

A 1,380 pound Grand Champion Calf, owned by Leanne Staraley, 16, daughter of Mr. and Mrs. Lee Straley, Ancho, brought the highest price at $1,449. The Grand Champion was purchased by Dessie Sawyer, Tatum, National committeewoman of the Democratic Party, and Jack Daniels, New Mexico Democratic candidate for the United States Senate. Fern Sawyer, Nogal and Lincoln County chairwoman of the Democratic Party, made the purchase for the two Democratic Party dignitaries. The grand champion sold for $1.05 per pound with Saturday's top market price set at 31c per pound.

The sale's Grand Champion Lamb, owned and raised by Cecelia Pacheco, 16, daughter of Mr. and Mrs. Paul Pacheco, Arabela, was purchased by the Security Bank of Ruidoso. Security Bank president C. R. (Sonny) Wood, bought the Grand Champion Lamb for $2.60 per pound with the choice lamb weighing in at one hundred pounds. Top market price, Saturday, was 35c.

The Grand Champion Swine, owned and raised by Gayla Funk, 14, daughter of Mr. and Mrs. John Funk, Carrizozo, brought $284.40. The First National Bank of Roswell, purchased the grand champion at $1.20 per pound with the day's top market price set at 28c a pound.

The sale, handled by Jim Simm, Roswell, who donated his time and services, brought a total sale price of $11,216 for the 35 animals sold. In addition nearly one thousand dollars in added financial gifts were given to club members who entered stock in the sale.

Top buyer, including their total purchase costs, were: Citizens State Bank, Carrizozo, $2,263.25; Sawyer-Daniels, $1,499.00; Carrizozo Lions Club, $1,163.00; Security Bank, Ruidoso, $1,072.80; Ruidoso State Bank, Ruidoso, $955.60; First National Bank, Roswell, $884.40; Roswell State Bank, $347.70; G. B. Armstrong, Roswell, $327.50; Dean Hardware, Capitan, $233.80; and Jim Dye Livestock, Roswell, $152.00.

Inside The Capital

By FRED BUCKLES

MIAMI BEACH — The 28-member New Mexico national Republican convention returned home in high spirits after renominating heavily favored President Richard M. Nixon and Vice President Spiro Agnew.

The conservative New Mexico delegation also teamed with other Western states to adopt a delegation reapportionment plan, effective in 1976, that would increase New Mexico GOP delegates up to more than 50 per cent.

New Mexico's delegates could jump from 14 this year to a maximum of 22. Conservatives kept control of the national party in Western states, including New Mexico. Liberal, populous states lost a key battle 2-1.

Among New Mexico delegation members backing the new structure were Dr. Thomas Prescott, 52, Tucumcari physician; his son, Mike Prescott, 20, and Paul Alan Feil, 21, Deming, all alternates; Mrs. Juanita Marcus Michaels, 36, a delegate and Taos Pueblo member, and delegate Wesley Little, 63, of Silver City, Luna and Grant Counties convenience store owners.

Dr. Prescott said after the convention: "The only thing that can defeat Nixon is overconfidence." He is Quay County GOP chairman and head of the New Mexico Physicians Committee. Quay County is about 5-1 Democratic. But Dr. Prescott says Quay County GOP registration topped 1,200 for the first time.

Dr. Prescott will modify his new motor home 27 feet long for two purposes: For use as an emergency medical catastrophe unit and as a Nixon re-election campaign headquarters. He will travel the state, contacting doctors.

Nixon and his elaborate campaign apparatus pitched hard at the national convention for support from the 25 million new voters. Dr. Prescott says Nixon's approach to youth is rational. He says: "Young people are better informed. They will make independent decisions on their own convictions and support the President."

Dr. Prescott predicted ex-Tucumcari Mayor Kenneth Schlientz, a Republican, will defeat McAllister Democrat D. F. McCasland in the general election Nov. 7 in new State Senate District 26 of all of Quay County and part of Curry County. State Rep. Clifton Moreland, D-Tucumcari, is unopposed for reelection in new House District 67 of all of Quay and part of Union County.

Dr. Prescott referred to Missouri Sen. Tom Eagleton who quit as the Democratic vice-presidential candidate. He said: "Mental illness of the type Tom Eagleton had is one that is amenable to treatment. It is usually common to a person who is hard-driving and ambitious.

"It's unfortunate many people don't make a distinction between a person who has lost contact with reality and a person who has pushed himself to the point of nervous exhaustion trying to do a job well."

Dr. Prescott's son, Mike, also a New Mexico alternate at the convention, took many photos at his first national convention. Mike, youngest New Mexico delegation member, attended a gala post-convention victory party for Youths for Nixon with Sindle Neff, 24, Albuquerque. Sindle is the daughter of New Mexico National Committeewoman Francine Neff, Albuquerque. Four thousand Youths for Nixon danced to hard rock band music.

Big, sturdy Mike represented New Mexico well at the quadrennial powwow with his easy, pleasant manner. He is a junior journalism major at New Mexico State University. Dr. Prescott and Mike were the only father-son combination in the New Mexico delegation.

Alternate Paul Alan Feil, 21, of Deming said the New Mexico delegation was not well organized at the convention. Feil and Dr. Prescott said the delegation was not fully informed on the key delegate reapportionment fight.

New Mexico was on the winning side with other conservative states. But young Paul said "I would like to have seen a little more liberalization."

He said of the convention's major scrap: "It was an effect by the few party liberals to break the stranglehold the conservatives have on the party." The liberal Ripon Society promised a court suit against the new plan.

Feil says Nixon "is very much a moderate. He takes rational positions. Conservatives nominated him but liberals can accept him." Other Feil convention impressions: "The Republican Party is not one big monolithic group. There is room for differences. Some Youths for Nixon disagree with the hard-line party platform plank on amnesty. Some disagree with Nixon's China trip 'because they felt it was selling out to the Communists'."

Feil says: "It was very difficult to make waves at the convention. If you want to make waves, you have to spend time, energy and money well in advance of the convention."

Delegate Juanita Marcus Michaels of Taos Pueblo is small (5 feet, 1 inch) but she made a big impression at the convention. She wore a series of colorful Indian dresses she made herself.

Mrs. Michaels, a Santa Fean 13 years, wore a stunning full-length blue satin dress to a convention session. She said the blue "represented New Mexico's blue ski and blue water." At a New Mexico delegation reception Mrs. Michaels wore a full-length turquoise-colored dress. Her black hair was in braids bound by leather ties beaded in white, red, yellow and blue. She wore white buckskin boots.

Unassuming and soft-spoken, she voted with the New Mexico delegation majority on all convention issues. She counseled with leaders of Taos Pueblo and other Indian groups on major GOP issues before she left New Mexico for Miami Beach.

Delegate Wesley Little of Silver City, who formerly lived 10 years in Deming, and his wife weekended in the Bahamas before they returned to New Mexico.

The entire New Mexico delegation entered Convention Hall the last night of the parley safely despite widescale demonstrations and rioting that sparked 934 arrests. New Mexico visitor Ed Foreman, 38, of Las Cruces and Dallas, ex-U. S. House member in District 2, had a different experience. A protestor tore off his badge and grabbed a lapel of his coat. Big Foreman grabbed two demonstrators.

A dozen demonstrators pummeled Foreman. He called for police help. Officers arrested four demonstrators. Foreman was unhurt but a lense in his glasses was cracked. Ed's comment afterward: "just a little skirmish."

SOCIAL SECURITY

"There has been no change in the amount an individual can earn and still receive his full social security benefits," Mrs. Christine Graves, social security field representative, stated today. "We receive frequent inquiries from many of Lincoln County's 1374 beneficaries who think that the amount has been increased. Legislation is pending in Congress which if passed, would change the earnings limitation, but it has not yet become law. All social security beneficiaries will be informed if such a change does take place."

If a beneficiary earns $1680 or less in a year, he will get all benefits for the year. If he earns more than $1680 in a year while he is under 72, the general rule is that $1 in benefits to him or his family will be withheld for each $2 he earns between $1680 and $2880. In addition, $1 in benefits will be withheld for each $1 of earnings over $2880.

An exception to this general rule is that regardless of total earnings in a year, benefits are payable for any month in which he neither earns wages of more than $140 nor performs substantial services in self-employment.

Mrs. Graves may be contacted at the Council Room in the Ruidoso City Hall the second Wednesday of each month from 10 to noon and 1 to 2.

A Record Death Toll Could Be Set For Labor Day Holiday

A record number of people may die over Labor Day weekend if drivers repeat their performances of the July 4th holiday.

Some 760 persons were killed in traffic accidents over the four-day July holiday, according to the Consumers Insurance Information Bureau and the New Mexico Association of Independent Insurance Agents.

"This disgraceful holiday toll has been exceeded only once in memory and that was the Thanksgiving weekend of 1968 when 164 people died," Thomas F. Burns, president of the agents association said. "Over the Labor Day weekend of 1961, 636 were killed on our nation's highways."

Burns also noted that Americans may be on their way to setting an annual record for highway deaths. Quoting recent figures from the Insurance Information Institute, he said that in the first five months of 1972, 21,120 people were killed in traffic accidents. This was an increase of 890 over the same period of 1971. The 1972 five month figure exceeds the five month figure of 1969, the year in which the present annual record of 56,400 deaths was established.

"This is one record no one wants to break," Burns concluded. "To help make driving safer and more trouble free over the Labor Day weekend Consumers Insurance Information Bureau has passed along some valuable suggestions."

These include:

Tailor the distance you travel to the length of time available. A shorter trip with frequent stops will be safer and more pleasant for all.

An early start may be self-defeating. Indications are that the hours from noon to 6 p.m. on the Friday of a long weekend may be the most deadly. The peak hour for fatalities appears to be 4 p.m.—still two hours before the official death count begins.

Make certain the auto is in good running condition. Brakes, tires and lights are especially important.

If you drive beyond the exit, continue on to the next. Never back up in high speed lanes or heavy traffic and always pull well off the roadway when making any repairs or checking directions.

Avoid medications and alcohol before or during the trip. Cold and allergy medicines can induce drowsiness. Alcohol is a depressant, even in small amounts, and can increase the chance of an accident substantially.

Inside The Capital

By FRED BUCKLES

MIAMI BEACH — The 28-member New Mexico national Republican convention returned home in high spirits after renominating heavily favored President Richard M. Nixon and Vice President Spiro Agnew.

The conservative New Mexico delegation also teamed with other Western states to adopt a delegation reapportionment plan, effective in 1976, that would increase New Mexico GOP delegates up to more than 50 per cent.

New Mexico's delegates could jump from 14 this year to a maximum of 22. Conservatives kept control of the national party in Western states, including New Mexico. Liberal, populous states lost a key battle 2-1.

Among New Mexico delegation members backing the new structure were Dr. Thomas Prescott, 52, Tucumcari physician; his son, Mike Prescott, 20, and Paul Alan Feil, 21, Deming, all alternates; Mrs. Juanita Marcus Michaels, 36, a delegate and Taos Pueblo member, and delegate Wesley Little, 63, of Silver City, Luna and Grant Counties convenience store owners.

Dr. Prescott said after the convention: "The only thing that can defeat Nixon is overconfidence." He is Quay County GOP chairman and head of the New Mexico Physicians Committee. Quay County is about 5-1 Democratic. But Dr. Prescott says Quay County GOP registration topped 1,200 for the first time.

Dr. Prescott will modify his new motor home 27 feet long for two purposes: For use as an emergency medical catastrophe unit and as a Nixon re-election campaign headquarters. He will travel the state, contacting doctors.

Nixon and his elaborate campaign apparatus pitched hard at the national convention for support from the 25 million new voters. Dr. Prescott says Nixon's approach to youth is rational. He says: "Young people are better informed. They will make independent decisions on their own convictions and support the President."

Dr. Prescott predicted ex-Tucumcari Mayor Kenneth Schlientz, a Republican, will defeat McAllister Democrat D. F. McCasland in the general election Nov. 7 in new State Senate District 26 of all of Quay County and part of Curry County. State Rep. Clifton Moreland, D-Tucumcari, is unopposed for re-election in new House District 67 of all of Quay and part of Union County.

Dr. Prescott referred to Missouri Sen. Tom Eagleton who quit as the Democratic vice-presidential candidate. He said: "Mental illness of the type Tom Eagleton had is one that is amenable to treatment. It is usually common to a person who is hard-driving and ambitious.

"It's unfortunate many people don't make a distinction between a person who has lost contact with reality and a person who has pushed himself to the point of nervous exhaustion trying to do a job well."

Dr. Prescott's son, Mike, also a New Mexico alternate at the convention, took many photos at his first national convention. Mike, youngest New Mexico delegation member, attended a gala post - convention victory party for Youths for Nixon with Sindle Neff, 24, Albuquerque. Sindle is the daughter of New Mexico National Committeewoman Francine Neff, Albuquerque. Four thousand Youths for Nixon danced to hard rock band music.

Big, sturdy Mike represented New Mexico well at the quadrennial powwow with his easy, pleasant manner. He is a junior journalism major at New Mexico State University. Dr. Prescott and Mike were the only father-son combination in the New Mexico delegation.

Alternate Paul Alan Feil, 21, of Deming said the New Mexico delegation was not well organized at the convention. Feil and Dr. Prescott said the delegation was not fully informed on the key delegate reapportionment fight.

New Mexico was on the winning side with other conservative states. But young Paul said "I would like to have seen a little more liberalization."

He said of the convention's major scrap: "It was an effect by the few party liberals to break the stranglehold the conservatives have on the party." The liberal Ripon Society promised a court suit against the new plan.

Feil says Nixon "is very much a moderate. He takes rational positions. Conservatives nominated him but liberals can accept him." Other Feil convention impressions: "The Republican Party is not one big monolithic group. There is room for differences. Some Youths for Nixon disagree with the hard-line party platform plank on amnesty. Some disagree with Nixon's China trip 'because they felt it was selling out to the Communists'."

Feil says: "It was very difficult to make waves at the convention. If you want to make waves, you have to spend time, energy and money well in advance of the convention."

Delegate Juanita Marcus Michaels of Taos Pueblo is small (5 feet, 1 inch) but she made a big impression at the convention. She wore a series of colorful Indian dresses she made herself.

Mrs. Michaels, a Santa Fean 13 years, wore a stunning full-length blue satin dress to a convention session. She said the blue "represented New Mexico's blue ski and blue water." At a New Mexico delegation reception Mrs. Michaels wore a full-length turquoise-colored dress. Her black hair was in braids bound by leather ties beaded in white, red, yellow and blue. She wore white buckskin boots.

Unassuming and soft-spoken, she voted with the New Mexico delegation majority on all convention issues. She counseled with leaders of Taos Pueblo and other Indian groups on major GOP issues before she left New Mexico for Miami Beach.

Delegate Wesley Little of Silver City, who formerly lived 10 years in Deming, and his wife weekended in the Bahamas before they returned to New Mexico.

The entire New Mexico delegation entered Convention Hall the last night of the parley safely despite widescale demonstrations and rioting that sparked 934 arrests. New Mexico visitor Ed Foreman, 38, of Las Cruces and Dallas, ex-U. S. House member in District 2, had a different experience. A protestor tore off his badge and grabbed a lapel of his coat. Big Foreman grabbed two demonstrators.

A dozen demonstrators pummeled Foreman. He called for police help. Officers arrested four demonstrators. Foreman was unhurt but a lense in his glasses was cracked. Ed's comment afterward: "just a little skirmish."

SOCIAL SECURITY

"There has been no change in the amount an individual can earn and still receive his full social security benefits," Mrs. Christine Graves, social security field representative, stated today. "We receive frequent inquiries from many of Lincoln County's 1374 beneficaries who think that the amount has been increased. Legislation is pending in Congress which if passed, would change the earnings limitation, but it has not yet become law. All social security beneficiaries will be informed if such a change does take place."

If a beneficiary earns $1680 or less in a year, he will get all benefits for the year. If he earns more than $1680 in a year while he is under 72, the general rule is that $1 in benefits to him or his family will be withheld for each $2 he earns between $1680 and $2880. In addition, $1 in benefits will be withheld for each $1 of earnings over $2880.

An exception to this general rule is that regardless of total earnings in a year, benefits are payable for any month in which he neither earns wages of more than $140 nor performs substantial services in self-employment.

Mrs. Graves may be contacted at the Council Room in the Ruidoso City Hall the second Wednesday of each month from 10 to noon and 1 to 2.

A Record Death Toll Could Be Set For Labor Day Holiday

A record number of people may die over Labor Day weekend if drivers repeat their performances of the July 4th holiday.

Some 760 persons were killed in traffic accidents over the four-day July holiday, according to the Consumers Insurance Information Bureau and the New Mexico Association of Independent Insurance Agents.

"This disgraceful holiday toll has been exceeded only once in memory and that was the Thanksgiving weekend of 1968 when 164 people died," Thomas E. Burns, president of the agents association said. "Over the Labor Day weekend of 1961, 636 were killed on our nation's highways."

Burns also noted that Americans may be on their way to setting an annual record for highway deaths. Quoting recent figures from the Insurance Information Institute, he said that in the first five months of 1972, 21,120 people were killed in traffic accidents. This was an increase of 890 over the same period of 1971. The 1972 five month figure exceeds the five month figure of 1969, the year in which the present annual record of 56,400 deaths was established.

"This is one record no one wants to break," Burns concluded. "To help make driving safer and more trouble free over the Labor Day weekend Consumers Insurance Information Bureau has passed along some valuable suggestions."

These include:

Tailor the distance you travel to the length of time available. A shorter trip with frequent stops will be safer and more pleasant for all.

An early start may be self-defeating. Indications are that the hours from noon to 6 p.m. on the Friday of a long weekend may be the most deadly. The peak hour for fatalities appears to be 4 p.m.—still two hours before the official death count begins.

Make certain the auto is in good running condition. Brakes, tires and lights are especially important.

If you drive beyond the exit, continue on to the next. Never back up in high speed lanes or heavy traffic and always pull well off the roadway when making any repairs or checking directions.

Avoid medications and alcohol before or during the trip. Cold and allergy medicines can induce drowsiness. Alcohol is a depressant, even in small amounts, and can increase the chance of an accident substantially.

KENYON, MINN., LEADER: "It was interesting to note during the astronauts' stay on the moon that the lunar rover that carried them to their various destinations cost approximately $10 million to develop and build. It has to be a consolation for those of us who struggle to keep an automobile running, that even at that price, a fender fell off the rover."

RUIDOSO'S FIRST CONDOMINIUM—Work is progressing swiftly on Alto Alps, Ruidoso's first condominium, near the ski road turn-off. The project, which will feature all underground utilities, will overlook some of the most scenic vistas in the state and offer recreational advantages unique to the Ruidoso area.

Alto Alps Condominiums Construction Proceeding

Building proceeds apace at Alto Alps Resort Condominiums in Alto. Two of the initial five chalets on the wooded 38-acre site are nearing completion, and owners report that 80% of these first two units have been sold.

Situated on a magnificently scenic hilltop in the Lincoln County National Forest, Alto Alps commands breathtaking views in every direction. It is within a few minutes' drive of Ruidoso on Highway 37, and only 12 miles from the famed Ski Run.

Interest in the project has been tremendous since its first announcement. It is the first condominium project to be built in this recreational mecca of southeast New Mexico and features an all-season, all-weather concept of environmental enjoyment.

One exclusive feature of the Alto Alps Condominiums will be the Ski and Racquet Club, catering to enthusiasts of both sports. With the ski slopes nearby and its own tennis courts enjoyable in most months of the year, this unique club will add recreational facilities not available elsewhere in the vicinity.

Alto Alps will have a recreation building and sauna bathhouse adjacent to its swimming pool as additional on-premise attractions.

Each of the chalets is restricted to six dwelling units, with a choice of three floor plans: one story with two bedrooms and two baths; two story with three bedrooms and 2½ baths; two [illegible] baths.

The carefree aspect of condominium dwelling has appeal for many vacationers who would enjoy year-round living in this beautiful mountain country. Continuous maintenance will be provided as well as a burglary and fire alarm system in each unit.

Architecture and landscaping are in keeping with the beautiful natural terrain and utilities are underground so there will be no interference with the scenic vistas visible from every unit.
