THE CAPITAN MOUNTAINEER

FIFTH YEAR. NUMBER 19. CAPITAN, NEW MEXICO, AUGUST 30, 1919 SUBSCRIPTION PRICE $1.50 A YEAR.

News from Carrizozo.

Prof. Cole, Superintendent of the Carrizozo school, arrived last week and gave the schoo building a survey, and he and several of the teachers have expressed their plans for the coming year and from all prospects we will have one of the most prosperous school years of many years. Domestic Art and Manual training are again to be intallied.

Mrs. Maud L Blaney is in Alamogordo this week attending the Insiration meeting for teachers.

Mr. Geo. L. Ulrick of the Exchange Bank returned from Roswell this week where he spent several days attending to business.

The death of Fred Ferguson which occurred last week was a great shock to his numerous friends and relatives. Though not in the best of health for some time, he was not thought by his friends to be in a serious condition. His remains were taken to Augus for burial.

The trial of the supposed murders of Randile Sanchez is set for Thursday of this week, and the details of the whereabouts of the missing body is hoped to be explained.

Mr. G. O. Clement received a very peculiar and surprising telegram last Tuesday morning and the contents being solved it made much joy in the Clements home. It read: "Grandpa, I arrived this morning at 8:15. Mother and I doing nicely. Baby Virginia Kersey."

Mr. Grimes, of Ancho, was in town Tuesday fixing up his business to depart for Ohio, where he will join his wife and they will make their home there.

Miss Vera Harris is being confined to her home this week on account of illness.

Mrs. Frank Muler, deputy tax assessor, is spending this week in Roswell visiting her parents. She will return the latter part of the week.

Body of Randile Sanchez Found.

A report comes from Carrizzo that the body of Landile Sanchez, the man who was supposed to have been murdered at Ancho or near there, has been found near Ancho. That three of the parties under arrest suspected of being implicated in the murder have been sent to Santa Fe for safe keeping. The other four parties who were arrested have been discharged. The names of the parties held are Tpujillo, Montoya, and Sanchez. We have been unable to get full particulars of the affair.

Cattle Shipment.

R. L. Tankersley, the El Paso beef buyer, shipped from Capitan yesterday three car loads of cattle, including 108 calves and 89 cows. The cattle were bought from the Messrs. McFarlands, VanWinkles, Shields and Pendergrass, ranching near Spindle.

Wanted:

At Tucson saw mill, a sawyer and two log choppers. Call at mill or write Charles Hoagland at Capitan, New Mexico.

Shorty Dockary and Loyd Taylor were looking after business here Tuesday.

Twins six Times.

Mrs. Dowlaton, a resident in Guernsey, has given birth to six sets of twins in 11 years. She also has ten other children.

Of this remarkable family 18 are living, and the case was reported to the king and recommended for special notice. Seeing that the record was so remarkable and that the family was a deserving one, his majesty sent a donation.

This is not to be confused with the "king's bounty," which is claimable only in the case of triplets.—London Chronicle.

Makes Pine Needles.

A discovery has been patented which is of great interest and value in connection with the textile industry. By the process patented there is obtained a useful substitute for cotton and jute from pine needles. The needles are first of all rendered chemically soluble and then thoroughly mixed by mechanical means, whereupon the fibrous material thus obtained can be spun on any ordinary cotton-spinning machine.
