Entered as second class mail matter May 14th 1915 at the Postoffice at Capitan, N. M., under the Act of March 3rd, 1879.

When parties send communications to this paper they must furnish the editor their name or their communications or articles will not be published. An editor can't afford to be responsible for what unknown parties may wish to say through his paper; if a party wishes to express himself about others or about public matters he should fair enough and have courage enough to at least furnish the editor his name so that the authorship can be given if demanded.

Nelson Bonnell of the Ruidoso was a visitor to Capitan the first of the week. Mr. Bonnell stated that he will probably be a candidate for Commissioner in District No. 1, subject to the action of the Republican county convention. Mr. Bonnell is a splendid citizen and would make a good commissioner.
