W. R. Hilliard Dies.

Mr. W. R. Hilliard died at 7:15 Sunday evening at his home in northwest Seymour. He was suffering from uremic poisoning, brought on by a nervous collapse, and it was known for some time that the end might be expected soon. Nevertheless, the hour of departing brought great sorrow to the home and to his many friends. Funeral services were conducted by Rev. S. L. Culwell at the Methodist church Monday afternoon at 4:30 o'clock. A large concourse of people were there to pay last respects to thememory of a prominent citizen and a friend. Business houses closed in honor of one who had for so long been associated with the business life of the town. As a tribute to the esteem in which this man was held, there were floral offerings from every source in great profusion and beauty. These made the grave a mass of flowers. Special music was furnished by Messrs. R. F. Baskin, Lee W. Harris and H. L. Albright.

Mr. Hilliard was born in Pittsburgh, Pa., April 27, 1854. When about one year old he was taken with his parents to Ohio, where he lived until 1878. At that time he moved to South Texas, and came to Wichita Falls in 1889 and to Seymour in 1890. When he first came here he became associated with the firm of Finn, Fowlkes & Co. and was with them until the formation of the West Texas Supply Company, he went in with that firm. In 1906 the W. R. Hilliard Hardware Company was established, and Mr. Hilliard was manager of this business constantly until the time of his death. During his business career Mr. Hilliard has made an enviable record for honesty of dealing and for gentlemanly conduct throughout. Whenever he gave his word in any matter that word was kept religiously. No action of his was mean and undermining. He was on the right side of nearly every question, and he was always found supporting those things that would make for the upbuilding of his community in every way.

Mr. Hilliard in 1904 bought the Baylor County Banner and ran this paper for about a year. It was from him the present owner bought the paper in 1906. He made a clean fearless editor, but found that the profession was not just suited to his tastes and leased out the plant to Mr. D. M. Norwood. Ever since that time he had always manifested a friendly interest in this publication.

In 1897, deceased was united in marriage to Miss Nettie Bigger of Wichita Falls. This union was blessed by four children, two boys and two girls. One girl died at the age of five months. The surviving ones are Neil G. Hilliard of Wichita Falls, Miss Lucile and Willie Hilliard, the latter aged 15 years. One brother is living, Mr. J. H. Hilliard of Laurelville, Ohio, and two sisters, Mrs. Geo. W. McClanahan of La Jara, Colo., and Miss Elizabeth Hilliard of this city, who has made her home with Mr. and Mrs. Hilliard since their marriage and her brother was very dear to her. She was very dependent upon him, and she feels lost without him.

When a man is gone the best thing that can be said of him is that he was a good man. This can very truthfully be said of Mr. Hilliard. He left a name that is infinitely more precious than any amount of riches. He was a man who was faithful to the interests that were entrusted to him, and he was absorbed in making a success of his business. During his last days when his mind was wandering it could be seen that his books and his business were ever present in his thoughts. A place is left vacant in the business and social life of Seymour that can be filled by no one else. There is a time appointed for every man to die, and Mr. Hilliard had come to that point, yet we were not ready to give him up. But the Lord's will be done, some day we will understand how it was best.—Baylor County (Texas) Banner.

W. R. Hilliard was the son-in-law of the editor of the Mountaineer and father of Miss Lucile Hilliard, now of Capitan. As a husband, father, business man and citizen his death has left a void that can not be filled, and too high a tribute cannot be paid to his memory.

A Chaves County Friend.

Edgar F. Puryear of Roswell, was in Capitan Tuesday on business and paid the Mountaineer a call. Mr. Puryer and his brother, Harry Puryear have the agency for seven counties in the state for the sale of the Paige Automobiles. Mr. Puryear is the democratic nominee for representative in the legislature from Chaves county. He is an able and brilliant young man and is in every way qualified to make the people of our neighbor county a good representative, and we would be glad if he is elected. The Mountaineer editor knew him in Texas when he was Superintendent of the High School at Taholka, where he made a splendid record as an educator. The editor, when a youth, knew Mr. Puryear's father, back in "Old Missouri." He was a lawyer by profession and a man of splendid character. He had six brothers who were leading men in their county. We see in Edgar and Harry Puryear fine representatives of the family—true scions of a noble stock, and Edgar's success in his political aspirations will be very pleasing to the writer.

School Notes.

School opened Monday morning with its full quota of teachers. High School Principal Klopp together with his staff enrolled 50 students in the High School Monday and Tuesday. This is the largest enrollment the high school has ever made during its first week of any one year to this date. Classes are now fully organized and the work in the various subjects under way.

The enrollment in the grades, of which Miss Smith is Prin., is already normal, but as some are a little late in coming and others will be coming in from the ranches as soon as the ranchmen move into town for the winter a very heavy enrollment in these departments is expected.

The building has undergone a thorough renovation during the summer and several minor interior changes have been made in its arrangement that will facilitate the school work as well as accommodate a greater number of pupils with the present equipment and means than heretofore.

Parents are urged to visit the school at any time and consult with the teachers on any matter pertaining to school work. It is by such co operation, by such mutual earnest, and continued efforts of parents and teachers that the best results are apt to follow in the education of the child.

Ralph M. Treat.

Ralph M. Treat of White Oaks, announces his candidacy for the office of Clerk of Lincoln county in the Mountaineer this week. Mr. Treat was born and raised in the Old Town of White Oaks, where he was principally educated, finishing his education in a high school in Kansas. He has been engaged in the mercantile business, first on his own account, and afterwards had charge of the mercantile business of Charles Meyer of White Oaks, while that gentleman looked after his ranching interest. When G. C. Clements was elected clerk he made Mr. Treat his deputy, which position he held for more than a year, resigning to accept a better paying job. His qualifications to fill the office acceptably can not be questioned. He is a most courteous gentleman, knows how to meet and treat the voters and makes a splendid impression wherever he goes, and he is not a winner all signs will go wrong.

Miss Ellen Smith of Roswell, was the last teacher to arrive. She came in Sunday and took her place in school Monday morning. Miss Ellen made many friends in Capitan during the last term of school and all were glad to have her back again.

H. S. Hanna, of White Oaks, paid Capitan a visit Wednesday, the first time he has been here in the past five years, when he left here and went to Mississippi and married a southern girl. He returned last spring, and is now working the coal mines at White Oaks, and reports that he will soon be shipping coal from there in large quantities.

Mr. B. F. Stewart, who is residing at the Soldier's Home in Los Angeles, California, is back among his old friends on the Bonito and Ruido and will be in the country for a month or more. He came over to Capitan yesterday and paid the Mountaineer a call. He says the paper never fails reaching at his California address.

Capitan needs rent houses. People who want to come here to send their children to school are kept away because they can't get houses to live in. There has been some talk of putting up a new hotel building here. Good hotels add very much to a towns reputation and appearance, but at the present time the need of rent houses is greater than a new hotel. If we could get both soon, so much the better, but in any event let us have the rent houses first. Let us build up the school, which can only be done by bringing more people to the town.

Lon Jenkins, the Democrat Wheel Horse of Corona, was mixing among his Capitan friends Wednesday and Thursday, letting them know that he is a candidate for the democratic nomination for tax assessor. Mr. Jenkins has been in the county more than thirty years and this is that first time he has ever asked the people for an office, and should he be elected he be elected he will make the people's competeent and faithful public servant. He was accompanied by Mr. W. T. Crabtree who in interested with him in the iron mines near Corona.

A Creamery Station.

Mr. T. H. Franklin, field superintendent of the Mistletoe Creamery at Amarillo, Texas, was here Thursday in the interprise. After looking this field over arranged to establish a creamery station in Capitan which will be in charge of Mr. Willis Hightower. The station will be ready to receive cream in about two weeks, and Mr. Franklin will be he here and open up the business and remain with Mr. Hightower two or three weeks until he familiies himself with it. This enterprise will be of much benefit to Capitan and a large scope of country around it, which makes it a trading and shipping point. Already considerable cream is being shipped from here to El Paso and the shippers are making a good profit, but with a station here they would no doubt make more. It would be handled with less trouble and expense and a check will be given for it at the time it is received. Besides this, it will stimulate an interest in the dairy business, and a great industry will be developed in our midst.

Susie Bennett, Edwin Sellars and Jesus Hernandez entered school this week week. These three bring the enrollment in the High School up to 50.

The High School boys have leveled and cleared up the grounds and laid out two basket ball court. Practice has begun and we expect to develop crack teams—both boys and girls.

The physics department received some new equipment for their work the past week, among which is a very accurate balance.

One evening the past week the teachers enjoyed a very pleasant picnic on the brow of the hill overlooking the "Gap" just east of town.

Supt. McCollister called at Tucson and Fort Stanton schools during this week, delivering school supplies and making acquaintance of teachers and pupils.

A Strong Republican Candidate.

Antonio Vega of Carrizozo, authorizes his name placed in this paper as a candidate for the office of sheriff of Lincoln county subject to the action of the Republican party. This candidate has no dark spots on his character nor is there anything that can be alleged showing him unworthy of public confidence or trust. He has the respect of all who know him, and no on will doubt his qualifications to make a good sheriff, the acceptable manner in which he has filled several very responsible public positions is a guarant e of this. Mr. Vega was born and raised in Lincoln county, and all the old settlers know him and would have no fears of any misconduct connected with the sheriff office should he be l ctd. He would conduct the office in a business like manner, appoint the best and most competent men to fill the deputyships, regardless of the fact whether they be Spanish-Americans or Americans.

(From the Albuquerque Journal)

Following a meeting of thirty Spanish-American and colored voters in a room in the First National Bank building Sunday afternoon, a second meeting has been called for Thursday evening at Armijo's Auditorium hall which will have a representative from every precinct in the county.

Mechem was nominated only through manipulation of the bosses it was stated. The purpose of the organization is to support the democratic state ticket this fall, without but for Harding and Coolidge on the presidential ticket.

J. R. Sanchez, a member of the republican county committee, acting as chirman of the meeting. He stated yesterday that he would send in his resignation today. Melton Narvez was secretary. Representatives were present from Sandoval county, who stated that great dissatisfaction existed there and that they would start a similar organization.
