Capitan, New Mexico.

Passes Into the Seventh Year.

The Capitan Mountaineer has entered into the seveneh year of its publication. It seems but a short time since the first issue was printed and that six years have away with wonderful rapidity During the six years of the papers existence not singgle issue has been omitted, but at times is has taken a hard pull "to get by." Now that we are starting in on another year we would be glad if all our subscribers whose subscriptions expired at the end of the last year would come in and renew for the coming year, and if convenient pay for it in advance as it will be a great help in keeping the paper going through the hard times we are now having We would also be glad if those who owe for the past year or a longer time would come in and pay or send in the amounts al ready due. We need money and would certainly appreciate such assistance en the part of subscribers.

Whtie Mountain National Park.

It is reported that Secretary of the Interior, A. B. Fall, has made an order locating a National Park in the White Mountain country. It has not been learned just how large a tract of land will be included in the Park, but it is to be presumed that it will take in a considerabe scope of coudtry. And it is further stated that it will be enclosed, with a 17 strand barbed wire fence

It is a good move on tne part o the Secretary, as it will be stocked with grouse and they will be protected, The game that will probably be put there will be elk, mountain sheep, deer, etc. It will be an attractive place for tourists and nature lovers to visit

Big Day in Roswell.

The Roswell Fire Department will put on a special demonstration in Roswell next Monday morning at 11 o'clock. This is the second Monday in April, the day of the regular monthly auction and sales day. The Roswell department is ranked as one of the best in the whole sothwest and fire chief Charles Whiteman is arranging some special stuff for theentertianment of the large crowds expected in Roswell that day. The Juvenile Band, which is getting a reputation all over the southwest, will be on the job the greater part of the day. An effort is being made to have a Junior school team play one of the Juniof league teams in Ros that afternoon, and while arrangement have not yet been completed it is hoped that arrangemen's can be complete so that Dexter, Hagerman or some other community which can provide a base ball team of boys under sixteen will play one of the Roswell Junior teams. At night a boxing contest under the auspices of the American Legion is on the cards at the Armory.

The auction sale of live stock and farm implements will begin at Keel's wagon yard on East 2nd Street promptly at 1 o'clock. While only a limited amount of stuffreached theprinterin time to be included on the regular advertised list other articles have since come in and there will be plenty of stuff to please the buyers who are needing anything.

Big Furniture and Hardware Sale at Carrizozo.

$200 Phonog aph to be Given Away at Contest.

Kelley & Son of Carrizozo, are now holding a big forced sale. In conjunction with this sale they are conducting a contest in which a $200 Pathe Phonograph will be given away to the individual having the largest number of votes at the close of the sale and contest Saturday April 16th. Two hundred votes are being given with every dollar purchse made during this sale. Starting Saturday April 9th double votes will be given, that is 400 votes with every dollar purchase.

The firm of Kelley & Son have been forced to put on this sale and raise the cash to meet the demands of their creditors. It is a case of absolute necessity and they are selling their merchandise at prices that are in many instances below the replacement cost. They are taking their loss just as the ranchers and farmers of this locality have suffered. What is sauce ion the goose is sauce for the gander. More so in this instance, when Kelley has the demands of his creditors staring him in the face. He must raise the cash regardless of consequence. This, therefore, is a golden opportunity for the people of this County to buy their needs in Furniture and Hardwre at a real saving. This firm has engaged Mr. P. Lavin, an expert sales promoter of New York, and he is giving this locality a real sensation in the way of radical reduction of Kelley's merchandise.

This Sale will end Saturday April16th.

Educational News.

The pupils of the Corona High School presented the play entitled "Deacon Dubb" at the Gimnasium. Much credit is due to Mrs. W. S. Manning Mr. C. W. Wiggining for the splendid management. The parts taken by various members of the school were so well performed that many forgot they were in Corona and has no regret in missing the Grand Opera in El Paso.

I am very happy to announce to the people of Lincoln County that the Lincoln County High School has been accepted in the Nort. Central Association. The present corps of teachers are of such quality az to make places much larger than Capitan envious.

The second State Eighth Grade examination will beheld in the various schools of the County April 14th and 15th.

Of course all wide-awake teachers will be in Lincoln April 8th and 9th.

The attendance Banner which has been held by the Glencoe School District No. 5. for some months past has been won by School District No. 23, attendance being 100 per cent.

The pupils of the Lincoln consolidated School, under direction of Mrs. Mabel J. Burleson, the Art teacher have completed the stage curtain which I am told is a "Work of Art."

An Important Deal.

The Titsworth Co. has leased the store building, ranch, orchard land, etc., comprising the entire holdings of Jim Gonzales at Hondo for a term of five years, and the Company will incorporate and conduct a general store at that place. This is an important transaction, as it insures a large mercantile establishment at Hondo, which will be a great convenience to the people of the Hondo and Bonito valleys and all living in that part of the country The establishment of the new store will not effect the Titsworth's Co's. mercantile business at Capitan, as it will be a separate business and under a different management. A hotel and rooming house will be conducted there and Hondo will be made a place of considerable importance on the National Highway—a good tradingpoint and stopping place Mr. Gonzales will give possession of the property June 1st, at which time the company will commence business.

School Election.

An election for a school director in the Capitan district to succeed R. A. Hurt, whose time had expired, was held here Monday. There were 141 votes polled, of which Mr. Hurt received 102, and Mrs. Jack Price received 39. There was considerable interest taken in the election and Mr. Hurt's vote showed that a large majority of the patrons of the school approve of his record as a director during the past two years. Much needed improvements have been added to the school building a excellent corp of teachers employed and the Lincoln County High School has been raised to such a high standard that it ranks as one of the very best schools in the country. We still have the same board of directors who brought about these good results and we can expect a continuance of efficiency in the management of the school in the future.
