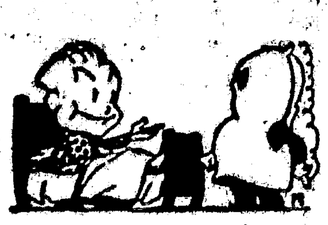
# This ghost was a 1921 model



LAST MONTH, on a bet,
WITH THE boys up home,
I SPENT a night,
ALONE IN the old,
HAUNTED HOUSE,
AND WHEN I heard,
MOANS AND groans,
I SAID "The wind,"
AND TRIED to sleep.
I HEARD rappings,
AND SAID "Rats,"
AND ROLLED over.
THEN I heard steps,
AND IN the light
OF A dying moon,
A WHITE spook rose.
I WASN'T scared—much,
BUT DIDN'T feel like
STARTING ANYTHING
BUT THEN I caught
JUST A faint whiff,
OF A familiar,
AND DELICIOUS smell,
WHICH TIPPED me off.
SO I gave the ghost
THE HORSE laugh,
AND SAID "Ed,
YOU FAT guys,
MAKE BUM ghosts,
BUT BEFORE you fade
LEAVE WITH me one
OF YOUR cigarettes,
THEY SATISFY."

THAT spicy, delicious aroma of fine tobaccos, both Turkish and Domestic, makes you almost hungry for the "satisfy-smoke." And there isn't a ghost of a chance you'll ever find its equal anywhere—for the Chesterfield blend is an *exclusive* blend. It can't be copied.

## Washington Letter.

The Bursum Bill making eligible for retirement under the same conditions as now provided for officers of the regular army all officers of the United States Army during the world war who have incurred physical disability in line of duty has been favorably acted upon by the Committee. The disability clause being altered to $30 or more. Senator Bursum was authorized by the Committee to report the bill, which is a forerunner of its safe passage by the senator, after which it will go the House.

Senator Bursum Refuses to Vote for Vacation.

When the matter of vacation came up this week in the Senate, Senator Bursum sented his refusal to vote for it on the ground of the many serious questings facing constituents whose vital problems would not permit of their taking a vacation and the solvement of which rested with the Senate. Senator Bursum's constituents will realize that a vacation now might be desirable to the Senator but the duties his office demand his presence here, hence he voted against the vacation.

Disabled Veterans at Walter Reed hospital join veterans at other points in welcoming the news that the Senate military affairs committee reported in favor of the Bursum bill calling for the placing of disabled emergency officers on an equal footing with officers of the regular establishment. The American Legion and other veteran organizations will suppert the bill when it appears on the floor of the Senate.

Senator A. A. Jones, of New Mexico, on July 5 introduced a bill before the Senate which if it becomes a law will extemd the time of doing 1921 mine assessment work to July 1, 1922, and thereafter will fix the date of assessment work to July 1, the close of the fiscal year, instead of at the present December 31, the close of the calendar year.

An amendment will be offered by Senator Jones, New Mexico, when the Veterans Compensation measure comes before the Senate which will aid ex-soldiers in securing public lands under advantageous circumstances. The amendment would provide for the sale to world war veterans lands classified under the "Stock-raising Law" and similar lands, not to exceed 1280 of land at $1.25 per acre either by cash payment or on deferred payments at the option of the purchaser, not to exceed forty years. No residence or cultivation of these lands would be required.

Montoya Urges Speedy Civil Service Examinations.

Congressman Montoya in conference with the representative of the Post Office Department has submitted a list of post offices where the Postmasters' terms had expired asking the Department to hasten examinaions that the regular postmasters may be selected and installed. The following are the names of the towns and cities in New Mexico where the postmasters' terms have expired and it is at these places that Mr. Montoya is anxious the examinations should behastened:

Alamorgo, Aztec, Carrizozo, Cimarron, Clayton, Clovis, Carlsbad, Cloudcroft, Chama, Dawson, Deming, DesMoines, Hespanola, Estancia, Fort Sumner, Hurley, Las Vegas, Lovington, Magdalena, Maxwell, Mesilla Park, Mogollon, Mountainair, Raton, San Marcial, Santa Rita, Santa Rosa, Silver City, Socorro, Springer, Texico, Tucumcari, Tularosa, Wagon Mound.

The executive order issued some time ago requires all candidates must take and pass examination at the time examinations are ordered for any given post office, notice of which will be given in ample time so that all applicants may be informed as to the date of examination. After the report of the applicant reaches the Post Office Department at Washington selections will be made from the first three names appearing on the list as having passed examinations successfully. In all post offices where the terms have not expired the present incumbent holds unless resignation, death or removal for cause shall occur. At Fort Bayard J. P. Dickson has been appointed temporary postmaster; Miss Mary White of Roswell, and H. D. Reinken of Watrous, have been appointed temporarily.

## REPUBLICANS ATTENTION

After consulting quite a number of Republicans in this precinct who favor such a movement, I as chairman of the precinct hereby call a meeting of those who favor the nomination and election U. S. Senator H. O. Bursum as his own successor to be held in Capitan on Monday the 25th day of July to form a Bursum club. The object of the club will be to form a thorough organization that will assist in sending a delegation from Lincoln county to the state convention that will vote for Senator Bursum's nomination first, last and all the time. Senator Bursum is certainly the best man in the state to represent us. He is now serving as Senator by appointment of Governor Mechem until an election is held. He has only been a member of the senate about three months, but during that short time he has gotten through more good and practical measures, and has introduced many more bills which, when they become laws, will be of great benefit to the people, than any other senator in Congress. Most all of Senator Bursum's labors have been directly for his own state and people and we are all beneficiaries thereby. Senator Bursum has not only made good, he has established a reputation in the senate as one of its ablest members, one who has been successful in all his undertakings. It is to our interest to keep him in the Senate and let us do our part in accomplishing this purpose. All Republicans, both men and ladies, are cordially invited to attend this meeting and join the club. And all Democrats who believe that Senator Bursum is the right man to represent us and will vote for him in the election are also cordially invited to join the club.

Sam J. Bigger,
Republican Chairman Precinct No. 9, Lincoln county, N. M.
