CARRIZOZO OFFICERS STEER GERMAN SPY INTO TOILS OF LAW

Henry Hartman, who for the past 30 days has been employed in the capacity of brakeman on the E. P. & S. W. road and stopping at the Grandview hote in Carrizozo, was arrested at the union depot in El Paso Wednesday afternoon where he had been followed by Special Officer Ben West. Sheriff Hyde gained information early Wednesday that Hartman was known to have some rather suspicious drawings in his possession and started to investigate, whereupon he learned that he had quit the employ of the railroad and was preparing to leave for El Paso on No. 7. Mr. Hyde and Special Officer West kept the man under surveilance and when he boarded the train for El Paso, Mr. West went to El Paso, too, managing to seat himself where he could watch Hartman and arrest him should he attempt to get away. Hartman was not aware that he was being shadowed but attempted to alight from the train at one of the street crossing in El Paso rather than go on to the union depot. Mr. West intervened and informed him that he was detained and that parties at the union depot would like to see him whereupon the man set up a great disturbance but was held until his arrival at the depot where officers of the Department of Justice were awaiting upon advice of a telegram from the sheriff's office here. When taken to the offices of the Department of Justice, Hartman was found to have complete detailed plans of three types of United States submarines, letters written in German from German officials and maps and pictures of many important buildings, bridges and other structures in this section of the country. His home is said to be in Luxemburg, Germany, to which point he seemed to be making arrangements to set sail in the near future.

He was, it seems, once apprehended in Los Angeles and papers found in his possession warranting prosecution, but escaped the officers who had followed him to El Paso and there lost the trail. Papers found in Hartman's trunks showed that he had worked for many railroads in this section of the U. S. and that he was only recently discharged from the services of the Southern Pacific because he had broken up a home in Los Angeles by meddling into domestic affairs.

Then and Now.

Three hundred years ago any man absent from church on Sunday was fined a shilling. What a war revenue that would produce now!

County Board of Education Meets; Organizes

The Lincoln County Board of Education met at the courthouse Wednesday and formally organized into a working body. The meeting was called to order by Superintendent J. E. Koonce, ex-officio president of the board. E. L. Moulten was elected vice-president and E. M. Brickley, secretary for the ensuing year.

The next regular meeting of the board will be held July 2nd. The board recently appointed by Judge Meller is composed of the following: Earl L. Moulton, Corona, and Martin Chavez, of Picacho, each to serve two years and E. M. Brickley of Carrizozo and Robert Brady of Hondo to serve four years each. The county boards of education have practically all financial matters of the county schools under their supervision.

ULRICK NAMED FINANCIAL AGENT FOR LINCOLN COUNTY

Governor Lindsey Tuesday took the first step in putting into operation a definite plan for extending aid to farmers of New Mexico, including their crops, when he appointed 35 financial agents of the 28 counties of the state, who will pass upon all applications for assistance and arrange for legal security for all seed and provender provided. No money is to be furnished any applicant, seed and provender only coming thru the financial agents. Chattel mortgages covering crops and other property, with notes of not to exceed 8 months, with interest at 6 percent, will secure the state. Drafts in payment of supplies will be drawn on the state disbursing agent at Santa Fe, with the O. K. of the county financial agent, the note and chattel mortgage of the farmer attached to each.

The plan, as adopted by the governor and defense council, calls for the active co-operation of the wholesale grocers' association in the purchase and distribution of seed. The governor, after consultation, abandoned his plan for the incorporation of county organizations.

George L. Ulrick, of Carrizozo, has been designated as financial agent for Lincoln county.

Five 1917 Graduates.

There are five graduates of the local high school for the year 1917, all girls, as follows: Ula Edmiston, Clara Brazel, Zella Mayes, Margaret Scott, Mae Kennedy, who will receive their diplomas Wednesday night of next week.

Auto Owners Dodging.

According to report issued by the Tax Commission there are but 3,826 cars listed for taxation in the state, whereas there have been more than ten thousand licenses granted by the state department. The report shows 313 cars listed for taxation in Lincoln County.

MAYO HAMILTON AND MARGARET LACEY WIN INTER-SOC'Y CONTEST

The Inter-Society Contest between the highschool pupils representing rival societies was held at the Methodist church Tuesday evening. A silver trophy cup went to the side winning all or two of the three events—girl's declamatory, boys' declamatory contests and debate upon the question, "Resolved, That the Government Should Control and Operate all Railroads Doing an Inter-State Business." The boys' declamatory contest was represented by Gladney White and Mayo Hamilton, the latter winning, while the girls' contest was represented by Hiliary Cooper and Margaret Lacey, Miss Lacey winning. The debaters were: Affirmative, Homer Donaldson and Lorena Haley; Negative, Perola Stevens and Rufus Branum, the negative winning by a vote of two to one.

Judges for the declamatory contest were: Boys, W. C. McDonald, E. L. Moulten, John E. Bell. Girls, Mrs. Dan Tiffany, Mrs. Ida McCartney, Mrs. J. B. French. Judges for the debate were: Rev. Marston, W. C. McDonald, E. M. Brickley. The winning side composes what is called the Criterion Society. President of the Inter-Society Miss Margaret Scott, tied the colors of blue and gold on the trophy cup which was presented by ex-Governor W. C. McDonald. Superintendent McCurdy acted as chairman.

There were two selections given by the Highschool Chorus, a piano duet by Bessie and Gladney White and vocal solos by Misses Ula Edmiston and Edith Tweed, all of which merit special mention.

This event was the first of its kind ever held in Carrizozo and drew a large crowd. There was much interest and enthusiasm shown and the affair was a pronounced success.

Tucumcari Has Overall Brigade to Save Pants

Tucumcari has aroused the patriotic spirit and within a few days the majority of business men and citizens will be walking the streets clad in overalls in order to cut down expenses, say the Tucumcari papers. A number have joined the Overall Brigade which was originated by the police judge, county treasurer and county assessor. Following is the resolution signed by the originators of the movement:

"Whereas, in the course of human events it has become necessary for the people of the United States to conform to a system of economy by reason of the high cost of living induced by the conditions that have impelled our country to enter the European war; and,

Whereas, it becomes the patriotic duty of every male citizen to aid our country in conserving her resources and to make personal sacrifices consistent with existing exigencies,

Therefore, Be it hereby resolved that male citizens of the city

BRICKLEY IS NAMED VICE-PRESIDENT OF CORONA STATE BANK

At a recent meeting of the stockholders of the Stockmens State bank, of Corona, E. M. Brickley, cashier of the First National bank of Carrizozo, was chosen vice-president and director of this thriving institution, succeeding A. B. McDonald who handed in his resignation owing to the fact that he had recently moved to his newly acquired ranch west of Albuquerque.

Mr. Brickley expects to spend Thursday of each week in Corona for the present at least, devoting the remainder of the time to his duties as cashier of the First National. He was until recently cashier of the Corona bank, resigning when the First National was established here, to accept a more responsible position. The directors of the Stockmens bank made a thoro examination of the books Monday and found everything in excellent shape which speaks very highly of the efficiency and honesty of its past management. Indications are that this will be a banner year for the Corona institution.

Local and Personal.

Mrs. C. C. Smith, who has been here the past month at the bedside of her daughter, Mrs. Edward F. Cox, left Monday for her home at Vinson, Oklahoma. Her little granddaughter, Eyllofey Cox, accompanied her.

Dr. F. H. H. Roberts, president of the Las Vegas normal, was in Carrizozo a few hours Wednesday enroute to Tularosa and El Paso.

Mrs. R. T. Lucas left Monday evening on No. 4 for a few weeks visit at her old home in Galesburg, Illinois.

Miss Lillian Houze arrived a few days ago from Clayton and has charge of the local Western Union telepraph office.

Barbed wire cuts, ragged wounds, collar and harness galls heal up quickly when BALLARD'S SNOW LINIMENT is applied. It is both healing and antiseptic. Price 25c, 50c and $1 per bottle. Sold by all dealers.

CAMP-FIRE GIRLS AND SCOUTS TO BE ORGANIZED THIS SUMMER

The last meeting of the Patrons' Club for the school year just closing, held at the Methodist church Monday night proved the most interesting and profitable yet held and was characterized by a very satisfactory attendance. Superintendent McCurdy gave a brief resume of the years work and discused in an interesting manner plans for the future. He also discused plans for the new highschool building and seemed to think that a structure along the line of the highschool building at Alamogordo with exception of a different front would be best suited to Carrizozo's needs, it being built along thoroughly modern lines.

Summer work for the girls was the subject taken and ably discussed by Mrs. W. L. Gumm in which she outlined plans for organization of troops of camp-fire girls which should prove a very interesting pastime for the summer. Summer work for boys was also discussed. A number of volunteers for Camp Fire Girls and Scouts were received for summer parties.

A piano duet by the Misses Margie and Allie Branum and a piano solo by Mrs. T. E. Kelley were well rendered and elicited many words of praise from the audience.

Comet to be Seen.

Wolf's comet, discovered in April, 1916, will be visible here about the middle of June. It will rise about 10:30 p. m. and owing to its distance from the sun promises to make a very interesting spectacle.

Locals Wallop Shop Team.

The contest here Sunday between the locals and E. P. & S. W. shop teams, resulted in a complete shutout for the visitors. The score was 15 to 0. Battery for the local team was Dalton and Willie Norman. The Carrizozo boys did some excellent playing, and enjoyed a liberal patronage in gate receipts.

Sheppard-Morgan.

Mr. Jesse P. Sheppard of Douglas, Arizona, and Miss Callie Morgan of Carrizozo were united in marriage by Rev. J. M. Gardner at the brides' home here Saturday May 12th, at 7:30 p. m.

NOTE OF THANKS

To the kind friends and neighbors who so willingly assisted us during the illness and death of our beloved wife and daughter, we wish to express our heartfelt thanks; also to those sending flowers, and assisting in the music. WHO STARTED THE GREAT WAR?

The German emperor and his immediate subordinates are fond of declaring on every possible occasion that the world war was forced upon the German empire. It is not known if they actually believe this, or if they are merely trying to escape responsibility for plunging the whole country into the awful conflict that is now raging. In this connection it may not be out of place to review the demands made upon Servia just prior to war being declared. The gist of the Austrian demands, of which there were ten, was as follows:

"1. Serbia shall suppress all anti-Austrian publications:

"2. Dissolve the Narodna Odbrana and all similar societies, confiscate their funds, and prevent their reforming.

"3. Remove from public education in Serbia all teachers and teaching that are anti-Austrian.

"4. Remove from military and civil service all officers and officials guilty of anti-Austrian propaganda; Austria will name the persons.

"5. Accept collaboration of Austrian representatives in the suppression of anti-Austrian propaganda.

"6. Take judicial proceedings against accessories to the plot against the archduke; Austrian delegates will take part in the investigations.

"7. Arrest Major Veija Tankositch and the individual named Milan Ciganovitch.

"8. Prevent and punish the illegal traffic in arms and explosives.

"9. Send to Austria explanations of all unjustifiable utterances of high Serbian officials at home and abroad.

"10. Notify without delay that the above measures are executed. Reply before 6 p. m. on Saturday, July 25."

The answer to the ten points may be summarized thus:

"1. Yes, will suppress all anti-Austrian publications.

"2. Yes; will suppress the Narodna Odbrana and similar societies.

"3. Yes; will expel all anti-Austrian teachers and teaching as soon as evidence is given.

"4. Yes; will expel all anti-Austrian officers and officials, if Austria will furnish names and acts of guilty persons.

"5. Yes; will accept collaboration of Austrian representatives in these proceedings, as far as consonant with principles of international law and criminal procedure and neighborly rela-

"6. Yes; will take the judicial proceedings; will also keep Austria informed; but cannot admit the participation of Austrians in the judicial investigations as this would be a violation of the constitution.

"If this answer is not satisfactory, Serbia will abide by decision of The Hague Tribunal."

The reader will observe that Serbia acquiesced in every one of the demands submitted save the relinquishment of her sovereignity and the violation of her constitution, and offered to The Hague tribunal in case her answer was not satisfactory.

Every effort was made by the English authorities, thru Earl Grey, by the authorities of France and of Russia, to reach an adjustment. The German emperor, howevever, refused to co-operate with Lord Grey which led to the failure to avert the war on Serbia by Austria, which was immediately followed by the German emperor issuing an order to mobolize and then declaring war on Russia and on France and the sudden and violent invasion of Belgium, Luxemburg and France and Russia. The German and Austrian emperors and their armies were prepared. France was not prepared. Great Britain had no army. Russia had no materials of war, had no factories, no adequate means of waging war. The fact that all the invaded countries were unprepared, and that the German army had reached the highest point of its efficiency and preparedness, considered in connection with the blunt refusal to accept Serbia's acquiescence in the demands submitted, gives the lie to the claims of the kaiser and his henchmen that the war was forced on Germany.
