The readers of this paper will be
pleased to learn that there is at least one
dreaded disease that science has been
able to cure in all its stages. And that is
Cataract. Hall's Cataract Cure is the only
positive cure now known to the medical
fraternity. Cataract being a constitutional
disease, requires a constitutional treat-
ment. Hall's Cataract Cure is taken in-
ternally, acting directly upon the blood
and removing the cause of the trouble, there-
by destroying the foundation of the dis-
ease, and giving the patient strength by
building up the constitution and enabling
nature to do its work. The proprietor
has so much faith in the curative pow-
ers of his cure that he offers to refund
the money if it fails to cure. Send
for list of testimonials.

SERVICE
To us this much used word "Service," means person-
ality, responsibility, quality, courtesy and scope. We feel
it is more than a "catch phrase" and with us its meaning
goes way below the surface and becomes apparent in every
transaction we have with our customers.
Regardless of the size of your business, we invite you to
test this service of this strong, fast growing bank. Let us
show you the character of the cooperation we are in a po-
sition to give you.
