WHITE OAKS NOTES

At last, Spring has arrived in the little village of White Oaks and every one seems to be feeling fine.

The social event of the week was a quilting bee, at the home of Mrs. Dave Jackson Tuesday afternoon.

The guest of honor was Miss Sallie McCauley of El Paso, who is visiting Mrs. A. N. Price. The ladies quilted for quite a while, each one being so busy as to forget to talk.

Mrs. Van Schoyk and Mrs. Lane were new hands at quilting but each learned to quilt very nicely. In due time the ladies were escorted to the dining room where all did ample justice to a bountiful supply of dainty and delicious refreshments. The toast by Miss McCauley was unique and much enjoyed. After spending some time in conversation the guests departed, each one feeling sure that they had spent a most delightful afternoon. Those present were Miss Sallie McCauley, Mrs. A. N. Price, Mrs. D. B. Townsend, Mrs. Lyle Starkey, Mrs. Wayne Van Schoyk, Mrs. Allen Lane, Mrs. Ward, Mrs. Edna C. Burnett and Mrs. H. H. Virden.

Mr. H. H. Virden and son, Mark, came over Friday afternoon, returning to their home in La Luz Sunday.

White Oaks now has an orchestra which meets regularly at the dance hall for practice.

The White Oaks public school will close Friday the 26. The graduating exercises for the Eighth Grade will be held at the church beginning at 8 p. m. Mrs. Maud L. Blaney, our County Superintendent is expected to be present to deliver the diplomas and the address of the evening.

Bootleggers Bested

Town Marshal Anton Vega had an exciting experience Thursday morning with two bootleggers who came up from the border on No. 2. He had been watching the men for some time and one day earlier in the week, he noticed them take a train for the south and suspected that they would return with "hootch," which they did. When No. 2 pulled in to the depot, the Marshal saw the two men arranging to alight from the train and as the first one came down, the officer nabbed him, turning him over to immigration officer Lewis. He then mounted the train to get the other, but that party jumped through a window and before the officer could reach him, he had disappeared among the freight cars. A shot was fired at him to scare him but he was gone in a "jiffy." Vega landed the one man in jail and turned the two suit cases of tequila over to Sheriff Harris. The other man is known and it will be but a short time before he is apprehended.

to recind the above order at any time.

It is hereby ordered by the board that a warrant be issued from the 1921 road fund for the amount of \$1250.00, this warrant to be drawn in favor of the State Highway Commission, to be used in repairing the road from Carrizozo, New Mexico, to the Otero County line.

There being no further business, the board now stands adjourned, subject to call.

The Lincoln County Board of Commissioners,
Chas. H. Lutz, Chairman.

School Notes

By Supt. E. E. Cole
The Baccalaureate sermon, given at the Crystal Theatre last Sunday morning, was very much enjoyed by everybody. Mr. Allen is a good thinker and expresses himself well.

The Class Play was a grand success. Everyone did so well! In spite of the bad evening, every seat in the house was sold except one, and a very neat sum was realized.

Mr. Bamberger, "Hippy," deserves our special thanks for his valuable assistance in the play. He is not a member of the school, yet he was prompt and helpful all the way through. "Rah for Hippy!"

This is probably our last column of school notes for some time. We wish to thank the editors of the two papers of Carrizozo for their many courtesies during the last three years in which we have furnished the SCHOOL NOTES column.

We wish to extend to Mr. and Mrs. Sterling our hearty thanks for the many acts of courtesy to the Class-Play people. We surely were a nuisance at times yet no one would ever know it from the treatment we received at all times.

Mrs. Nellie Clark's room has had a large percentage of attendance during the entire year. During April, the honor roll for the room, those neither tardy nor absent, was nineteen out of twenty-one; over 97 per cent.

Boys, get a job for the summer. Do not be a town loafer. Work will build you up physically, mentally and keep you out of mischief. Then, too, the money you earn helps dad; and dad needs your consideration.

The Art Exhibit in all the rooms of the schools was one to proud of. Large numbers of parents visited the grades on Friday and seemed to be very much pleased with the work. The art teachers are to be highly commended.

Miss Layer deserves special

credit for the fine art work done in the grades. True, the teachers did nearly all the work, but Miss Layer was the inspiration to that work.

The little Misses Jane Spencer and Marjorie Roland were flower girls on Commencement night. They performed their part in a most charming manner.

We wish to publish, at this time, the names of those neither tardy nor absent for the whole year—the Honor Roll for the year.

High School—Kastler Taylor, Seventh Grade - Jeanne Reily, Lena Yates, Mary Tuton, Walter LaFleur.

Sixth Grade - Lorene Stimmel, Lorena Dinwiddie.

Fifth Grade—Evelyn Hamilton, Helen Sterling.

Fourth Grade—Hattie Moss, Mary Romero, J. B. Taylor.

Third Grade—Helen Huppertz, Julia Romero, Hada Corn, Beatrice Pino, Presiliano Pino.

Second Grade - Georgia Peckham, Georgia Lesnet, Warden Maxwell, Randall Keating, Gerald Sparks.

First Grade—Nadine Lesnet.

Primary—Lorene Baldwin, Carmelita Pino.

The following Eighth Grade pupils received certificates from the State Board of Education at the Commencement exercises:

Dora Anderson, Ida Bullion, Maurine Collier, Lillie Elliott, Luz Flores, Maud Hamilton, May Juarigui, Luella Jones, Maggie Lujan, Jessie Rustin, Edena Shaver, Leona Whittaker, Wilma Hust, Clinton Branum, Miller French, Fred Lalone, Julian Lalone, Alfredo Lopez, Harold Massey, Urbano Montano, William Moss, Lee Stimmel, Albert Roberts, Britton Vincent, Rayford Jones.

Services Well Recognized

The Seventh and Eighth grades of the Carrizozo school presented Mrs. D. S. Donaldson with an ivory toilet set in appreciation of her services in instructing these classes in music or the past term.

Educational News (By Mrs. M. L. Blaney)

Last Friday morning, R. W. Goddard, Dean of Engineering of the State College, called at the office of the County Supt. of Schools and in a short time "wires were being pulled" for a wireless demonstration. Mr. Goddard gave interesting talks to the Carrizozo and Lincoln County High Schools, as well as demonstrating the use of the wireless. We appreciate very much this visit and shall be glad to have Mr. Goddard visit us again next season.

This and the following week are so full of splendid entertainments that one can scarcely be everywhere he chooses. The closing programs of the Lincoln High School for next week has been given due publicity and promises to be very entertaining and instructive. Corona also has a very excellent program arranged. Lincoln Consolidated School's program will be found in this issue. The public is urged to attend as many of these programs as possible and see for yourself what the schools are doing. White Oaks school closes May 26 with appropriate exercises. Go. The exercises attended the past week have been very satisfactory, illustrating that pupils are being trained in the proper manner.

Robert Pfingsten of the Nogales school, holds a record which to my knowledge, has never been equalled; Robert has neither been absent nor tardy for the past eight years. Keep up this record Robert, and it will lead you to success.

On account of change of plans of the Educational Auditor, the meeting of the County Board of Education, the Board of County Commissioners and representatives from the Department of Education, Local Taxpayers, etc., will be held Friday, May 19, instead of the 20th, as announced last week.

Teachers are requested to accompany the second trial in the State Eighth Grade Promotion Examination with the required fund of fifty cents; also to see that the papers have correct postage.

Supt. Klopp was a business visitor last Saturday.

Eastern Star Social

Comet Chapter No. 29, O. E. S., gave another of its series of socials last Thursday evening at Masonic Hall which was well attended. The program follows: Piano solo, Otto Prehm; Duet, Hilary Cooper and Eb Jones; Vocal solo, Carolyn Roberts; Solo, Ruth Brickley; Male quartet, Eb Jones, Lawrence Rowland, Chas. Scott, Don Finley; Reading, E. M. Brickley and Hilary Cooper; Piano solo, Mrs. Albert Ziegler. After the program, refreshments were served.

Mrs. Farley Entertains

Last Friday afternoon, Mrs. J. E. Farley entertained at a bridge party in honor of Mrs. J. F. Kimbell of Douglas, Arizona, who had been her guest for ten days. Those present were: Mesdames Kimbell, Crawford, Hamilton, Cole, Pitts, Dingwall, Sweet, Bamberger, Reily, Wetmore, French, Gumm, Blaney, Spencer, Coldren, Lemon, Allen, Huppertz, Slossin, Baker. Refreshments were served after the bridge game.

FORT STANTON NEWS NOTES

We were glad to welcome Miss Margaret Clarke, Re-Aide, of New York, who arrived last Saturday.

L. V. Tucker, patient, left Tuesday for his home in North Carolina, where he expects to remain indefinitely.

Miss Helen Rentz, Director of the Medical Social Service of the Southwestern Division, American Red Cross, whose office is in St. Louis, has been a visitor at Ft. Stanton for the past week.

Miss Belle M. Devine, Chief, Medical Social Service at Fort Stanton, wishes to express to all the sincere thanks of that organization, patients and personnell of Ft. Stanton for the splendid co-operation of the citizens of Capitan and Carrizozo, because of which, a most successful National Hospital Day program was carried out.

Thanks are due the Carrizozo Chapter, A. R. C., for its donation of the film "The Old Nest," which was shown in the afternoon and evening, the attraction proving most pleasing to all. An arrangement was made so that the hospital patients attended in the afternoon and the ambulatory patients in the evening, thus giving opportunity for all to see the picture.

During the afternoon exhibition, the Glee Club of the Capitan High School, under the direction of Mrs. Price, gave several numbers which were rendered in a very pleasing manner. Thanks is also extended to Prof. W. J. Klopp for his kind assistance.

Everyone greatly enjoyed the song and dance numbers given by Miss Ruby Bryan and Joseph Fowler of Capitan, a great applause was given at the completion of Mr. Fowler's special, a buck and wing dance. During the evening performance, we had the pleasure of listening to a vocal duet by the Misses Mary Williams and Anne Kuhrtz, Miss Louise Kuhrtz at the piano. The Ft. Stanton Orchestra also rendered excellent music throughout the various performances.

Through the generosity of members of the Masonic and Odd Fellows Lodges in Carrizozo, a generous supply of tobacco, cigars, etc., was furnished to the patients. These were very much appreciated by the men.

Special thanks is due to Mr. and Mrs. G. J. Hoover of Capitan for their assistance in making National Hospital Day at Ft. Stanton the splendid success that it was. Through the efforts of Mrs. Hoover the wards were beautifully decorated as was also each bedside table which together with numerous gifts and attentions, aside from these, added greatly to the happiness of all.

Last Thursday afternoon, Miss Della Coffee of Oklahoma City and W. B. Cosper of Mobile, Ala., "sneaked" quietly away to Carrizozo and were married. Whether Ben married Della or Della married Ben, is not known nor is that matter worth an argument. Both parties have been residents of Fort Stanton for a long time and will make it their home for the present. There has been so many receptions and the sweet tunes from delicate string instruments have so filled the air in the vicinity of the "Love Nest" since May 11, that we take it for granted that they are SUPREMELY HAPPY.

Baptist Church Notes

(T. M. Blacklock, pastor)

Regular services will be held during the coming week and in the future unless announcements are made to the contrary. These services include: Sunday School, 10 a. m., C. H. Haines, Supt. Preaching by the pastor at 11 a. m. and 8 p. m., each Lord's Day. Prayer meeting each Wednesday at 8 p. m. In these meetings we are studying the book of Romans. Lesson for May 17, was Romans, 18. After prayer meeting, short sessions of Sunday School teachers are held. The B. Y. P. U. meets every Sunday evening at 7 o'clock. James Roselle, President. The Woman's Missionary Society is starting a course in the W. M. U. Manual which will cause meetings to be held on Wednesdays, when there are no regular meetings of the society. Mrs. T. M. Blacklock will be the teacher. The Southern Baptist Convention is now in session at Jacksonville, Fla. All boards of the convention closed the year out of debt except the home board and its debt has been reduced. During the year of 1921, 260,000 people were baptized by southern Baptists which is said to be more than any two other denominations in America. Not a single Baptist institution has failed during the year.

"Theodora" is the Greatest Motion Picture The World Has Ever Known

It is difficult to recall an attraction which has created such a stir on Broadway

THEODORA is an outstanding marvel among the motion pictures of all time. An entire empire in the hour of its greatest strife is laid before you. Revolt, a city in flames, a clash of armies—in all the bigness of the real panorama—are pictured with a cast of twenty-five thousand.

It is the relations of one or two people that have set the torch to the great conflagrations of the world. So the love affair of the Empress Theodora, the most beautiful woman of the ages, turned a kingdom to the agony of war. To see this picture is an event in your life, a story that will thrill you, capture you, enthrall you and a page from history that you will never forget.

Reptiles Have Sixth Sense

Famous Zoo Curator Says Snakes Are Endowed With Startling Intelligence.

POSSESS VERY KEEN EYESIGHT

Distinguish Sound by Their Tongues and Scales—Sense of Taste Very Acute—Talks of Lizard That Walks on Water.

New York.—When next you meet a snake in the woods or fields do not, as you leap nimbly out of reach, give way to thoughts of loathing and contempt. Snakes are extremely useful members of society—even the poisonous ones—and they are endowed with far more intelligence than they get credit for, according to Raymond L. Ditmars, curator for reptiles at the Bronx zoo.

Also, Mr. Ditmars told 60 or 70 men and women, members of the Reptile Study society, at the sixth annual dinner of the organization, that snakes might even have a sixth sense, an attribute that man cannot ever gauge, for human beings have to be content with only five.

"There is a possibility that snakes are far superior to any supposition regarding their attainments," said Mr. Ditmars. "Though their ears have deteriorated, we know that they hear quite well. They are sensitive to sound on their tongues and on the scales on their bodies. Their eyesight is wonderfully keen, especially for moving objects. They have a marvelous sense of taste and of smell.

Investigate Pit Vipers. "Science is now investigating the various species of pit vipers for proof of another snakish sense that as yet we know nothing about. A pit viper, you know, has a strange organ in the skull, a deep pit which is lined with microscopic nerves all joining a main nerve that goes straight to the brain. Science has not yet fathomed the use of this pit. It may be that snakes are actually superior to man with a sixth sense we can't even gauge, for we do not have it."

The dinner at which Mr. Ditmars made this assertion was held at the Cafe Boulevard. The average person who attended the dinner would get something of a shock to find the guests passing around two or three-foot snakes in bunches and longer fellows slung, handling the reptiles as though they were interesting curios or relics. While these snakes, which, of course, are all harmless, were crawling around the necks and shoulders of men and women, a member of the society, Arthur H. Gilliam, brought out a bag. He got a wide space despite the general craning of necks, for in that bag were rattlers and rattlers are rattlers even to the enthusiasts of the Reptile Study society.

As Gilliam cautiously unwound the cord from the bag a hissing, buzzing sound filled the room. Nevertheless, Mr. Hattler was left loose on the floor, a forked stick pinning his neck before he could wriggle an inch. Then Gil-

lam took him by the scruff of the neck (if snakes have scruffs) as a child picks up a kitten. The venomous reptile held thus was passed around for inspection.

A "cotton mouthed" moccasin was then put on display. Another snake that received a great deal of attention, being allowed to recline on the speaker's table at the start of the dinner, was an eight-foot boa constrictor. Boas, it was said, make great pets and are absolutely harmless, so long as they are not too big. Then a playful squeak might crush the ribs of a man or woman, as an inquisitive child crushes a beetle.

Lizard Walks on Water. Professor E. R. Dunn of Smith College told of experiences with snakes in Central America and Mexico.

"At a water hole," he said, "we saw a two or three-foot lizard that stood upright when it saw us and ran to the water. Without pausing it kept right on running and crossed the water hole on top of the water. I hardly expect any of you to believe this, but it is true. The lizard had webbed feet that carried it over the water at top speed. Of course, he couldn't stop or turn around on the water, but must keep going ahead."

Edward F. Bigelow, editor of Guide to Nature, described snakes as the

Falls Dead in Grave He Dug for Another

Weehawken, N. J.—After completing the digging of a grave in the cemetery here (Christian Rock, forty-two years old, of 5 River Road, North Bergen, was stricken with acute indigestion and fell into the grave he had dug for another.

As the man toppled over the funeral cortege bearing the body of Mrs. Mary Brugman, of Jersey City, had entered the gates of the cemetery. When the casket was about to be lowered to the grave, the body of the grave digger was discovered.

Rock was a veteran of the Spanish-American war, and served as one of the late Colonel Roosevelt's Rough Riders.

"sweetest, loveliest things in creation."

The purpose and object of the Reptile Study society, as set forth in their prospectus, is to educate "everyone everywhere about the life histories of reptiles—snakes, crocodiles, lizards, turtles and tortoises, and amphibians—frogs, toads and salamanders." The society aims to "benefit mankind and these animals by substituting intelligent consideration and kindness for ignorant dread and atrocious cruelty."

It was said by members at the dinner that the fear of snakes was not instinctive, as generally believed, but was inculcated in children by scared grownups.

Americans Plan to Study Italy

Arrangements With Royal University of Rome Designed to Promote Friendly Relations.

TWELVE SCHOLARSHIPS OPEN

Diplomats and College Professors to Address the Classes This Summer—Language, History and Culture Featured.

New York.—A series of courses for Americans, to be given in Rome during the summer of 1922, has been organized by the Associazione Italo-Americana, in collaboration with the academic authorities of the Royal University of Rome and under the patronage of the American ambassador to Italy.

The courses are planned with a view to making better known in the United States the language, history, culture and economic conditions of Italy, so that the mutual understanding and friendly relations of the two countries may be increased and strengthened.

Instruction in the courses, which will extend from July 10 to August 31, will be adapted to the needs of the American student. A large number of the courses in the literary, his-

torical and economical development of Italy will be in Italian, supplemented, when necessary, by the use of English.

Twelve Scholarships.

Twelve scholarships, to be assigned by the universities on the basis of merit among the applicants, are offered by the Associazione Italo-Americana to students in the several American universities. All students enrolled for the summer courses of lectures will be entitled to the daily use of the Library of American Studies in Italy, and various rooms open also in the evening, for social gatherings and for study, situated in the center of the city of Rome, not far from the university. Here many American newspapers and magazines will be available. Students will also be entitled to the use of the university library. Each student will also gain free admission, during the period of the courses, to all the antiquities, monuments, galleries and museums of the Italian government and of the city of Rome.

The offices of the Associazione Italo-Americana in Rome, of the Institute of International Education, 419 West One hundred and seventeenth street, this city, and of the Italy-America society, 23 West Forty-third street, will furnish on request information as to the courses, as well as answer questions and make suggestions concerning living conditions in Rome—hotels, boarding houses, etc.

To Promote Friendly Relations.

The Associazione Italo-Americana was organized in Rome in 1919, under the auspices of persons prominent in governmental, scientific, industrial and financial circles, for the following purposes: "To foster cordial relations between Italy and the United States by means of courses of study, publications, lectures, etc.; to establish co-operation with Italian citizens living in America and Americans living in Italy; to increase economic relations and to assist industrial and commercial organizations of Italians and Americans, under conditions which shall not affect the economic independence of the two countries."

Among the speakers in Rome this year will be Tommaso Tittoni, president of the Italian senate, who visited the United States last fall; Professor Rodolfo Lanciani, authority on ancient Rome, and Professors Pietro Bonfante and Carlo Fornicchi, both of the Royal University of Rome. The association has undertaken to arrange for the exchange of professors, as well as the establishment of scholarships.

Pajamas of Hanged Albanians Bear Label "Gift of American People."

Scutari, Albania.—"Gift of the American people" read labels on the pajama-clad bodies of two notorious insurgents which hung from a tree in the center of this town for several days.

The incongruity of the labels evidently did not strike the Albanian authorities, who carried out the executions, as all the pajamas given out to the poor by American relief workers are so marked, and these garments evidently were the only ones available in which to clothe the condemned men.

Hens Worked One Day.

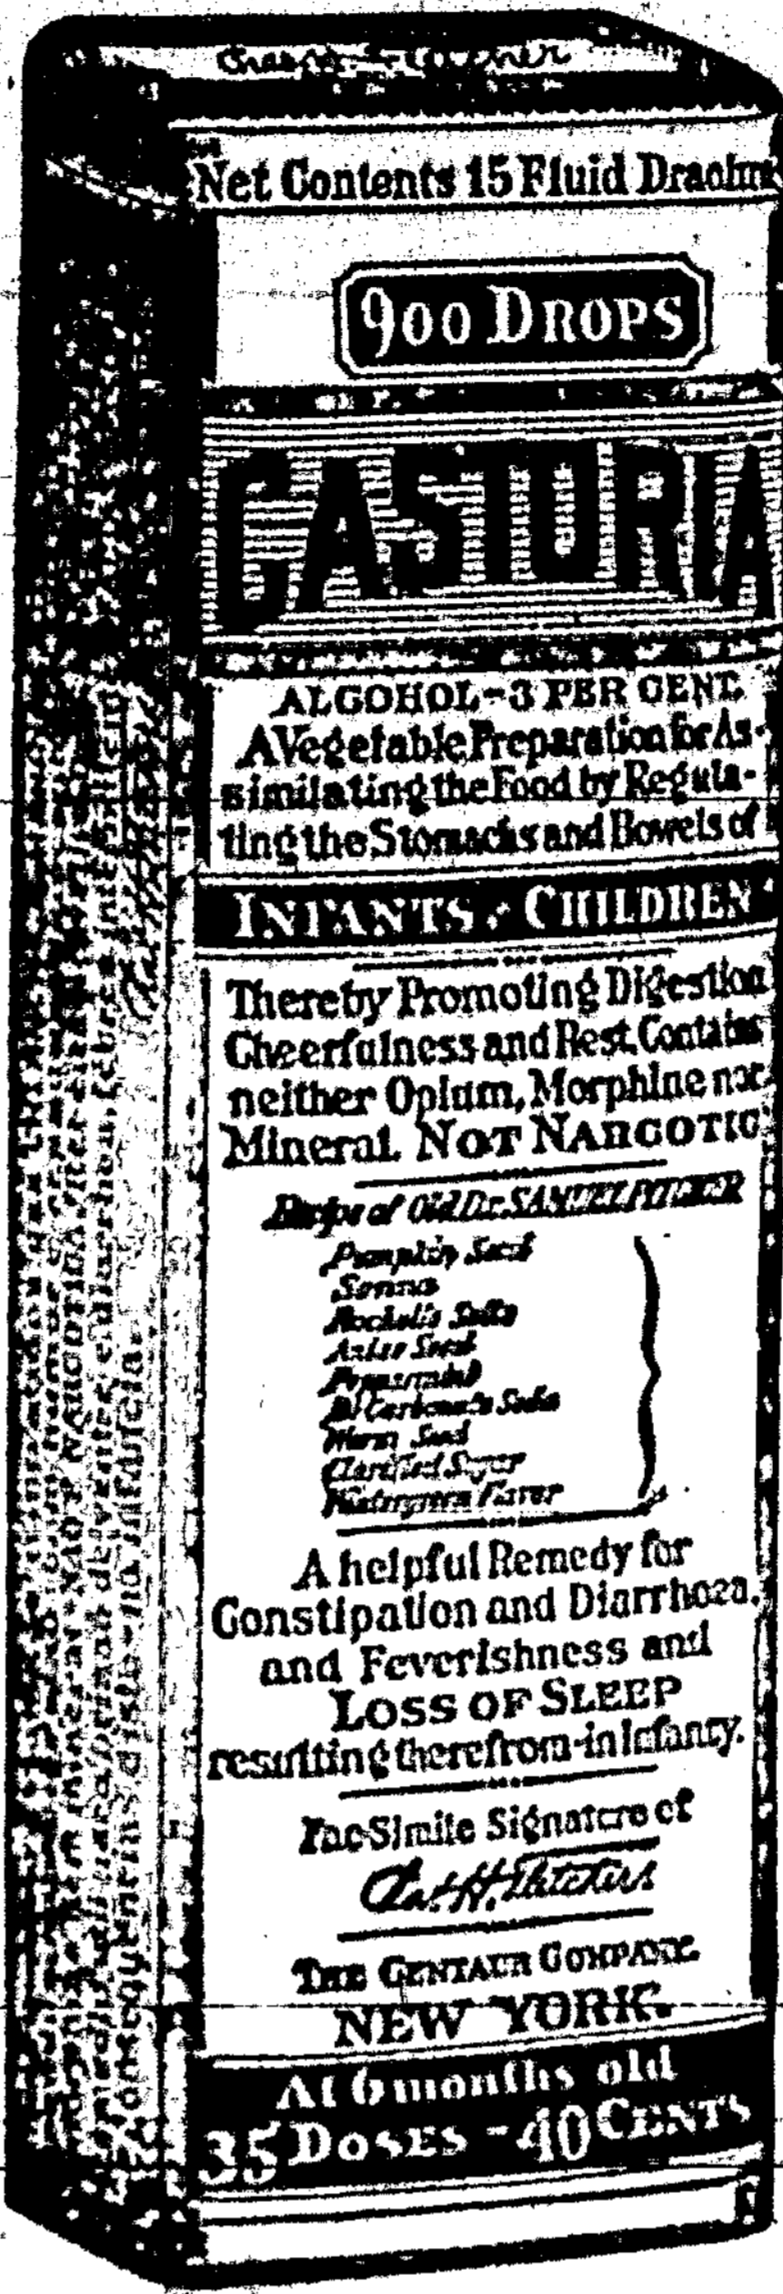

Gettysburg, Pa.—John McDonnell has a brood of 15 black Minorca chickens which do strange things. The other day the flock laid 16 eggs. Two of the eggs were joined end to end. Both eggs in this freak combination are perfectly formed and about the size of ordinary eggs.

Why Castoria?

YEARS ago Castor Oil, Paregoric, Drops and Soothing Syrups were the remedies in common use for Infants and Children; Castor Oil so nauseating as to be almost impossible and the others all containing Opium in one form or another, but so disguised as to make them pleasant to the taste, yet really to stupefy the child and give the appearance of relief from pain.

It required years of research to find a purely vegetable combination that would take the place of these disagreeable, unpleasant and vicious remedies that from habit had become almost universal. This was the inception of, and the reason for, the introduction of Fletcher's Castoria, and for over 30 years it has proven its worth, received the praise of Physicians everywhere and become a household word among mothers.

A remedy ESPECIALLY prepared for Infants and Children and no mother would think of giving to her baby a remedy that she would use for herself, without consulting a physician.

Children Cry For

Have You Tried It?

Everybody has read the above headline; how many believe it? Have you a little one in the home, and has that dear little mite when its stomach was not just right felt the comforts that come with the use of Fletcher's Castoria? You have heard the cry of pain. Have you heard them cry for Fletcher's Castoria? Try it.

Just help baby out of its trouble tomorrow with a taste of Castoria. Watch the difference in the tone of the cry, the look in the eye, the wiggle in the tiny fingers. The transformation is complete—from pain to pleasure. Try it.

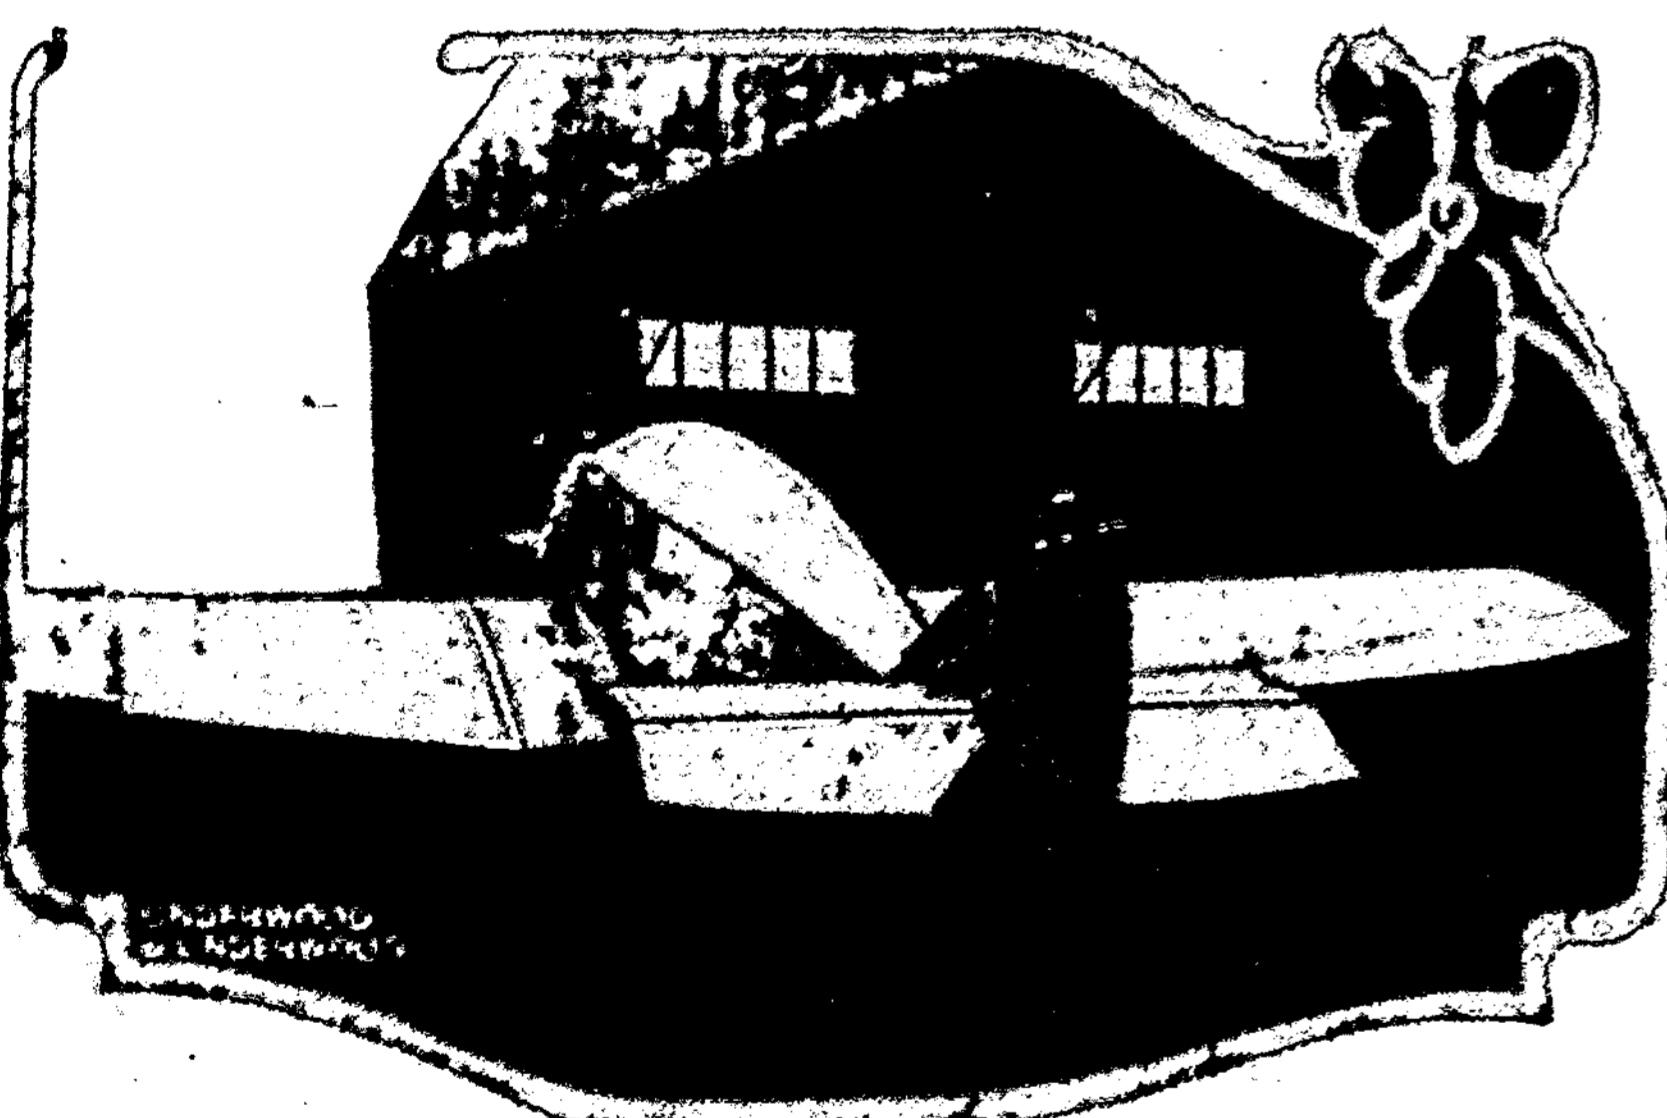

You'll find a wonderful lot of information about Baby in the booklet that is wrapped around every bottle of Fletcher's Castoria.

TRY TO STOP AIR ACCIDENTS

New Aircraft Engine Eliminates Use of Gasoline.

Use of Heavy Fuel Oil, It Is Believed by Experts, Will Prevent Such Disasters as That to Army Dirigible Roma.

Baltimore, Md.—Experiments conducted by the national advisory committee for aeronautics, under the general direction of Dr. Joseph S. Ames, have developed an aircraft engine eliminating the use of gasoline, which Doctor Ames described as the "fundamental cause" of five accidents in the air.

By the use of heavy fuel oil, Doctor Ames said, it is hoped to prevent such disasters as that to the army dirigible Roma, in which only three men out of forty-five escaped. Doctor Ames is professor of physics at Johns Hopkins university and chairman of

the executive committee of the aeronautic organization.

The new engine, a high speed airplane wing, and a device which is being developed for obtaining data and making tests under actual service conditions, will be reported at the semi-annual meeting of the advisory committee in Washington.

No special processing of the oil employed in the new engine is required, Doctor Ames said. The motor itself is a modified Liberty, with pistons made much longer to provide greater compression. It has no valves. The oil, very thick and gummy, is forced through a jet by a compression pump, and enters the cylinder under high pressure.

The greatest problem involved, Doctor Ames said, was to make a motor of this sort light enough for aviation, but he regarded this as largely accomplished. He added that the oil could be used for automobiles.

The Thrifty Citizen Who Caught the Plugged Nickel

MR. BROWN had swallowed his lunch and had paid his bill. Cautiously he counted his change. "Here!" he said, sharply, "Take back this plugged nickel and give me a good one!"

Mr. Brown walked proudly out. They couldn't fool old Brown.

But old Brown had fooled himself.

Brown's day was heavy and dull. He lacked "pep." There was a mid-afternoon drowsy spell when he needed to be awake—the direct and natural result of heavy, starchy breakfasts and lunches, taken on faith and without question as to value—just because the food looked and tasted like food.

Thousands of shrewd business men who count their change, take their food for granted.

That's what builds up the sanitation business, and puts the tired "all-done" feeling into the mid-afternoon of a business day.

Grape-Nuts is a scientific food whose delicious, appetizing flavor and crispness are an introduction to well-balanced nourishment—a nourishment easily and quickly assimilated, so that body, brain and nerves are well fed and kept free of the stored up poisons left by so many ill-selected foods.

Served with cream or good milk, Grape-Nuts is a complete food, always ready, always a delight to the taste—and always a safe selection for the man who thinks his stomach is entitled to some of the same protection he gives to his pocket.

LOCAL AND PERSONAL MENTION

John Joerns and Johnny McNabb are here, making up the annual school budget.

Mrs. L. C. Hulbert and daughter Virginia of Lincoln, are visiting Mr. and Mrs. W. J. Fetter for the present week.

Ed Williams and son Ervis or "Bun" as he is better known among the boys, were here from Luna last Monday.

Miss Margarite Sweet left to day on No. 4 for Topeka, Kansas, to visit with her friend Miss Lena Anderson, who was Miss Sweet's guest here a short time ago.

Mr. and Mrs. Walter Gray and daughter of Port Stanton spent "Mother's Day" with Mrs. S. C. Gray and the Wm. Reily family.

Mrs. C. H. Ross, son Charles, Mrs. Edwin Finley and Miss Bertha Mayer returned from El Paso last Monday where they visited for a period of one week.

Mrs. P. M. Shaver, wife of Dr. Shaver and little daughter Thelma, returned last week from Okmulgee, Okla., where they spent a pleasant month's visit with relatives and friends.

Mrs. J. F. Kimbell and daughter, Mrs. Harriett Slossin who have been the guests of Mrs. J. E. Farley for the past ten days, left for their home in Douglas, Arizona on Tuesday.

LOST - Ladies' Diamond Bar Pin, a relic. Finder will be amply rewarded on returning same to this office.

BORN - To Mr. and Mrs. Max Brazel, Thursday, May 11, a girl. Mother and daughter are doing nicely.

If you are looking for a real bargain in either new or used automobiles, see Sears Bros., Capitan, N. M., the HUDSON and ESSEX dealers. tf

Frank W. Gurney, former proprietor of the Carrizozo Eating House came in from his home in Elk City, Kansas, last Tuesday and will visit with his Carrizozo friends for a week, after which he will go to El Paso to visit his son, Frank Jr., who will be eagerly awaiting his father's coming. Mr. Gurney will return to Elk City after his visit to the border.

Dr. and Mrs. Carl E. Freeman have returned from Kansas City, where the doctor met with a large gathering of magazine writers. A big meeting was had where consultation was held with leading managers of the different magazines after which a big banquet was held.

Reports from neighboring towns are that nice rains have fallen at Fort Stanton, Capitan, White Oaks, Ancho and Jicarilla. Stockmen have been losing a heavy percentage of young lambs during the dry lambing season and the recent rains will save them.

Mrs. J. L. Shifflette, son Burnett and daughter Anabelle arrived from Sweetwater, Texas, this morning, spent the day with the Verno Shifflette family and left on No 4 for their home in Tucumcari.

Birthday Gathering at The Kahler Home

Last Tuesday evening, a party of friends gathered at the home of Mr. and Mrs. Wm. Kahler, the occasion being the observance of the seventy-ninth birthday of Mr. Kahler. A delicious supper was served, the same being prepared by Mrs. Kahler which is evidence of the fact that the repast was sumptuous. Those present were: Mr. and Mrs. Ira O. Wetmore, Mr. and Mrs. Robert E. Hoffman, Mr. and Mrs. W. P. Loughrey, Mr. and Mrs. A. V. Adams, Mrs. C. A. Pace, Messrs. Jno. A. Haley and John Boyd.

Dance of the Season

At the close of the Lincoln Consolidated School exercises, May 24, 1922, there will be the best dance of the season with the best four piece orchestra that can be obtained. Refreshments will be served and a good floor to dance on at the Norman Hall in the W. O. Norman Store Building. Come and bring your friends. A good time to all. This will be the farewell dance given in honor of the Lincoln Consolidated School Teachers, given by Cree Hightower. - Come. - 2t

New Blood in Tucumcari Paper Boosts Home Band

(Tucumcari News)
The A. B. C. band will present a concert program under auspices of the Bay View Club, and directed by H. R. Belden on Sunday afternoon, May 7, at three o'clock, at the Princess Theater. The proceeds are to be used for the City Park bandstand and it is hoped that a large attendance will greet the boys on their second Sunday concert.

At the last concert, there was only a small attendance, but the class of music given and the rendition was so excellent that all were surprised and it is very sure that this concert will be far ahead of the last one as the boys have been rehearsing hard. It is said that a prophet is without honor in his own country, and this is almost true of the town band.

If such an organization would come here from the outside, everyone would go and they would be considered wonderful. Now why can't we give the same support to our band? You owe them your support and the Bay View Club is also deserving of your support in this work for the public good.

The following is the program: Stars and Stripes Forever, March, Sousa, The Glow Worm, Idyl, Lincke, American Patrol, Descriptive; Memories of Stephen Foster, Medley; Holmes, Humoresque, Op. 101, No. 7; Dvorak A Hunting Scene, Descriptive; Dacalosi, The Star Spangled Banner. All encores will be popular numbers. Go to the concert and give the boys a send-off!
