## PHANTOM CARAVAN

Following closely on the heels of belated No. 3 last Monday, was a train bearing a consignment of Mennonites bound for Mexico, where, in their expectations they may have the religious liberty which has been denied them in Canada and to which they became "conscientious objectors." The Mexican government has made overtures to the Mennonites which appealed to them, hence their pilgrimage to the "Heart of the Sunset."

As the caravan pulled into the local railroad yards, an Outlook representative with the usual display of courtesy, first approached the female portion of the party, but absolute silence was prevalent everywhere. He next sought to display a friendly feeling toward the children but there was "nothin toin'" the atmosphere was decidedly one of supreme silence. Next came the male representation; they shied at the strangers, but finding that we could converse, even to a small extent in their own language, they became very friendly and told us many things concerning their ambitions, aims, etc.

The Mennonites are a queer people. They shun the outside world and even avoid glancing over the newspapers to see what the world at large is doing. No comforts aside from those of a dire necessity were noticeable; no playthings for the children as these are considered luxuries and things of the devil. The women knit, sew, make garments for the family and the only wearing apparel purchased from the worldly business merchants was overalls for the men. Their stock consisted of horses, cows and a few sheep. They also had chickens, ducks and geese, each car assigned to a certain individual who guarded it as though the future of the entire world depended on its safe transportation. Behind all of their prospects for adventure in the new land, a silent foreboding of Mexican uprising seemed to possess them. They made the trip from Canada to Carrizozo in about four days and by this time they are located in the "promised land."

## Epworth League Entertains B. Y. P. U.

The Epworth League entertained the B. Y. P. U. last Friday evening at the Bar W ranch. Games were played, chief among which was one called "Ruth and Jacob." Jacob, impersonated first by James Roselle and afterwards by Ed Jones, were blindfolded after which they would call for Ruth. Ruth would answer and "Jake" was to locate her among the crowd. There seems to be considerable speculation as to which of the two gentlemen made the most ardent Jacob. Refreshments were served on the grounds and the party closed at a late hour, tired but happy. Especially the "Jake," who did the running.

Attorney Geo. Spence left Tuesday for Prescott, Ariz., where he will join Mrs. Spence and Mr. and Mrs. Jack Callahan, after which they will go to California to spend a portion of the summer. He will return in about two months.

## Shop and Rail Notes

Section foreman Wm. Johnson of Ancho was down Tuesday and informed us that he will soon be transferred to Duran. We are sorry to lose Mr. Johnson from this portion of the division.

D. L. Read, stationary engineer at the local shops, was an El Paso visitor last week.

Second No. 4 passed through Tuesday night, ten cars of the train loaded with melons from the coast, bound for eastern points. The rush has been delayed some, but it will be on in good shape by Saturday.

The Club House puts on an old time appearance; faces that have not been seen for many moons are here again. The pool and card tables are continually occupied as incoming and outgoing crews "swing" for their rest periods.

## Passed Away

Mrs. A. O. Miller, who had been suffering from tuberculosis for a long period of time, died at her home in the Highland addition last Sunday night. The family came here about six months ago with the hope that a change of climate would benefit her health, but the ailment was too far advanced and medical aid of no avail. She leaves a husband and two small children to mourn her loss. The remains were shipped to Lawrence, Kansas, where parents of the deceased reside.

## Trainmaster Happy

Mrs. J. P. Nash and daughter Jacqueline Edith Jane Nash, who arrived to bless the family on May 4, '22 at the Masonic Hospital in El Paso, came up on No. 4 last Sunday. On her homecoming, Mrs. Nash found the residence remodeled with every convenience at hand. Mother and daughter are in the best of health and the trainmaster's step is decidedly quicker than usual.

## Masons Meet

Carrizozo lodge No. 41 A. F. & A. M., held a well attended meeting last Saturday night at Masonic Hall. A goodly number of visitors were here from Capitan and Fort Stanton. Reports showed the usual advancement in interest and progress. Plenty of Masonic work is in store for the workers and special meetings will be held in the near future to perform the same. A big get-together-meeting is being planned which will include all lodges in the valley and will take place sometime during the month of July.

## Odd Fellows Social

The Odd Fellows and Rebekah lodges held a social last Friday night at Masonic Hall which far surpassed any event of the kind these important societies have given for some time. A nice and much appreciated musical program was rendered and several good addresses were made. After the program, an attempt was made to seat those present in the dining room, but the attendance was so heavy that it was impossible, so arrangements were hurriedly made and all were provided with refreshments in the main hall. Those who missed this event, missed a treat. Another social is planned for the coming month.

## Lincoln County Picnic

Plans for the Lincoln County Fourth of July Celebration to be held at Ft. Stanton are about now completed. Every community in the County will be asked to make this Celebration the best ever held in this County. The Program for the day has been arranged by the Committee in charge so that every one will have a chance to take part, and those who do not care to participate in the events of the day, will be provided with a good seat, in order that they might see all that takes place.

The morning program will start at 10 o'clock and consist of various games for the children, both girls and boys. At noon there will be a grand free barbecue.

At one o'clock sharp the big program will start. This will consist of Roping and Branding, Broncho Busting, Roping and Tying, Horse Races and other events. A boxing contest and a ladies' polo contest will be the features of the day. Special foot races and other events, have been arranged to be held if time will permit.

There will be dancing and music on the grounds during the day and at night a big dance will be held in the Hall at the Fort, where the Champions of the day will be the honored guests.

A special feature of the night program will be the Fireworks and Radio Concert.

All events and all contests of the day will be free to all. This means that everyone in the County must do their share of the work before the Fourth. All donations will be made to your community chairman. If you have no cash perhaps you have a sheep, goat or pig that will help to supply the "cans."

Let's all be boosters and make this the greatest day in Lincoln County!

## Holiness Revival at

Methodist Church  
The Nazarene Revival at the Methodist Church, is creating much interest. The Davis Odell Evangelistic party, with their gospel car, musical instruments and special songs, are most earnest workers. The workers hold street meetings each evening from the gospel car. The music is a special feature.

Monday night, June 12, Rev. Davis, District Supt. of the Church of the Nazarenes, will speak on "Modern Amusement with the Lid Off." Free. Come.

## Distinguished Visitor

Mrs. Margaret Hinds, Grand Matron of the Order of Eastern Star will be here Monday evening, June 12, at which a special meeting of Comet Chapter No. 29 will be held and all Stars are cordially invited to attend. The meeting will be held in honor of the visit of the Grand Matron and a good attendance should be had to welcome the distinguished visitor.

Mrs. Minnie Prehm, W. M. S. F. Miller, Sec'y.

## Exciting Explosions

About four o'clock last Wednesday afternoon, people who were attending the big sale now going on at Ziegler Bros. Store, heard a terrific explosion in the street and hurried to locate the cause, but it happened to be a blow-out on a Ford car caused by a collision with an automobile directly in front of the store, so crowded was the thoroughfare that the car in attempting to pass, met with the accident.

This incident was followed by a series of loud explosions from the interior of the store which sounded like bursting oil tanks. The crowd hastened to see what had happened and found Messrs. Ziegler and Prehm engaged in bursting the bottoms out of all prices, reducing them to suit the pocket books of careful bargain hunters. These explosions pleased the shoppers who took advantage of the low prices which increased sales, quieted the excitement and saved money for the purchasers. Explosions will follow in rapid succession as long as the sale lasts.

## FORT STANTON NOTES

T. B. Kinchelos, patient, left May 25 for his home in Washington, D. C.

Miss M. Epstein of New York arrived at the Fort last Tuesday to fill a vacancy on the Nurse's Staff.

Mrs. R. M. Shaw of the Nurse's Staff left Friday for her home in Georgia.

Miss Charlotte Rice of Parsons spent a few days of last week visiting her many friends at the Fort.

Jimmy Herbert has just returned from his visit to the South. He says that he did not get married, and we will take his word for it!

Dr. Smith J. Mann, our very able and efficient Executive Officer and Mrs. Mann left Sunday for a month's vacation.

Memorial Day was observed in a very fitting manner at the Fort, with appropriate exercises and religious services in the Hall and at the cemeteries in the forenoon. Under the direction of the Medical Social Service Chief, A. R. C., all the graves were decorated with greens and flowers and a small American flag at the head of each one. The large American ensign was on half mast in the center completed the impressive scene.

We are again indebted to Mr. and Mrs. G. Hoover of Capitan, who never fail to remember the boys, for their beautiful floral decorations—car loads of them! Plans were completed for a large picnic in the afternoon, under the auspices of the Red Cross, but rain interfered, to the disappointment of all, which was most keenly felt by those who had worked so faithfully for the success of the affair.

Sam McBride and D. F. LaValle bought a car recently. It must be said that they have very peculiar tastes when it comes to roads; in fact they avoid every thing that an uninitiated person would call roads and trace out some old Indian trails. Again, that old bus is such a mean old thing too! Now and then it takes a notion to balk out in the wilderness and poor old Mack has to walk. Not only Mack—Well, we promised not to tell, and we won't!

Ft. Stanton can now boast of an orchestra made up from its own talent among the patients. It is composed of five pieces: Jacob Fleet is the director and plays the banjo; G. Anderson, 1st violin; Reed Cornett, 2nd violin; Ben Cosper, guitar; P. J. Leaman, guitar. Though Jake's regular vocation is making charts and maps for the U. S. Hydrographic Department, he is an accomplished musician and is running Sousa a close race in the jazz business. The "jazz hounds" ground out some real live jazz at the big school affair and dance in Lincoln a few weeks ago.

## Carrizozo Nationals

This is the name of the new baseball club organized this week. The boys have new uniforms, which in color represents the National flag as near as possible. The players are all home boys, are practicing in regular fashion and are looking for dates with the other clubs in the summer's contest. "Hold 'er, Newt, she's a rearin'!" Their first game will be played, with the White Oaks team Sunday, June 11, at 2 o'clock.

## Capitan Notes

(Supt. W. J. Klopp)  
The following teachers have been re-elected for the school term, beginning September, 1922: Prof. W. J. Klopp, M. F. Peters, mathematics and vocational departments; Miss Stella Wyatt, Domestic Science; Miss Zena Pettit, Commercial Department; Miss Mildred Peters, Spanish; Miss Mary Hancock of Vivian, La., has been elected to the primary department. She is a graduate of the Louisiana Polytechnic Institute; has had special work in primary methods, and has taught seven years in Louisiana as a specialist on primary work. She comes to us highly recommended and will add to the personnel of our faculty of College Graduates.

M. F. Peters and family left last Thursday for Albuquerque to attend a conference of Industrial Teachers, where plans were perfected for the establishment of a course in Aramics in the Lincoln County High School. From there he left for Detroit, Mich., and then Illinois, where he expects to study in the University of Bell.

Miss Stella Wyatt left for Pasadena, Cal., where she has planned to do research work in Berkeley University.

Miss Mildred Peters is planning to leave for Silver City, where she will take up work in the Summer Session of the State Normal School.

Miss Zena Pettit is assisting in Red Cross work at Ft. Stanton after which she will spend a few weeks in Los Angeles, Cal.

Educational interests are much in evidence this week: Estell Howard, Ethel Bryan, Ruth Artlago, Maria Serna, Kathryn Hurt, Edith Rockwell, Francis Fritz, Clara Fritz left for Las Vegas, where they are planning to attend the Summer Normal Session. Miss Ruby Bryan and Geneva Coffey are preparing to enter the Oklahoma University in September, and Miss Martha Howard, Chicago University.

## Teacher's Examination

June 16 and 17, have been designated for holding examinations for teacher's certificates and for reading circle credits. All teachers desiring to renew their certificates must have credit in the reading circle work for the past three years. Those desiring to take teacher's examinations, will be at the office of the County School Superintendent at Carrizozo, New Mexico, Friday morning, June 16 at 7:30 o'clock.

Mrs. M. L. Blaney, Co. School Supt.

Miss Genevieve Guillet of Manchos, Colo., who has been visiting the Lin Brannum family for the past week, left for San Francisco Monday, where she will attend the California State College.

Dr. and Mrs. R. E. Blaney, Mr. and Mrs. B. S. Burns of Oscura, spent Sunday as guests of Mr. and Mrs. A. H. Harvey, who are up on the Ruidoso for a vacation.

Foresters L. F. Knoipp of Washington, O. F. Arthur of Alamogordo, J. D. Jones of Albuquerque, J. A. Brubaker of Capitan were here last Monday in the interest of forest fire prevention and other matters of interest to forest protection.

Mrs. T. E. Kelley and children, Ruth and Thompson left last week for Alvarado, Tex., where they will visit with relatives and friends for several weeks.

## CARRIZOZO MUSICALE

The Carrizozo Entertainers will hold the second of their series of entertainments at the Crystal Theatre on Monday evening, June 19, at which time one of the best musical programs ever heard, in this locality will be rendered. The songs and choruses will be absolutely new with the exception of the songs which will be sung by Cooper and Jones in the musical repertoire. The first chorus, an All-Carrizozo number, "Sweet and Low," will not be the old one by this title, but a new creation entirely with full orchestral accompaniment.

Rehearsals are being held regularly and every one is getting ready to do his or her best. The committee fully appreciates the loyal support the citizens have given and hereby offer assurance that the coming entertainment will be all that is claimed for it. Following is the program: Opening Chorus with full orchestra accompaniment, "Sweet and Low."

Piano duet, Miss Lorena Sager and Mrs. Albert Ziegler.

Male quartet, "Mammy's Lullaby," Eb Jones, J. A. Appelget, W. H. Sparks, Chandler Prude.

"Mammy Chloe," (Impersonation) Alabama Lullaby, Miss Hilary Cooper.

Orchestra number from the stage.

Vocal solo, "In the Heart of You, My Darling," Miss Carolyn Roberts.

Monologue, (Denvere), Ed C. Monroe.

Musical Repertoire, parts of 9 old songs used in medley, Hilary Cooper, Eb Jones.

Closing Chorus, "Daisies" (Love Will Meet Again).

The orchestra, which is composed mostly of professional talent, will be a strong feature of the entertainment and the public should not fail to hear their selections and the balance of the program, which will be a glad surprise to Carrizozo and vicinity in the music loving line.

## To the Golden Gate

Mrs. J. C. Bender left Wednesday morning for Los Angeles and the coast, where she will spend the summer. Before her departure, Mrs. Bender presented the writer with Col. Bender's walking cane which he carried for years before his demise. The gift was accepted with thanks, as Col. Bender was one of our foremost friends and from whom we learned many things of interest and importance concerning the early days in the west; also many things which intensified our admiration of him in the true principles he advocated and practised in his daily life. The community regretted the departure of Mrs. Bender and hope she will return after her summer's stay on the coast.

## Early Awakening

Last Monday morning at an early hour, D. R. Stewart of the Western Lumber Company was aroused from his slumbers by a rapping on the door. He admitted the visitor, who proved to be C. L. Peebles of Alto, who came over to purchase some lumber for his residence he is now building. Mr. Stewart sold him a bill of lumber amounting to a handsome sum. He is anxious to be awakened again by satisfied customers.

Deals Are Always Settled in the Oriental Manner of Bargaining—French Government Seeks to Wipe Out Practice.

Paris.—The French colonial office is investigating ways and means of wiping out slave selling and slavery in general in certain sections of France's possessions in Africa.

In the tribe of the Kabyle, the French colony in Africa, fathers sell their daughters and brag of the high prices they get for them. A Parisian traveler, De Waleffe, who went to Africa with Albert Sarraut, the French colonial minister, and has just returned from extensive journeys in the colonies, reports that France is very much misguided in believing that women are comparatively free and highly considered in the Kabyle tribe.

M. de Waleffe was told by a proud father that he had sold his first daughter for 6,000 francs, but that he got 14,000 francs for the second girl, as she was very pretty. All the fathers gather for their Turkish coffee at the Curayanserai and discuss between puffs of their narghiles (Turkish water-pipes) the prices they expect to get for their daughters or brag of the amount somebody paid them.

### Suitors Drive Hard Bargain.

The deals are always settled in the typical oriental manner of bargaining. The father asks several times as much as he thinks he can get and the suitor offers as little as he can without insulting the maiden. Then they settle down to business, each reducing or raising the price as the hours pass. Finally they reach a point midway between the two original figures and the transaction is over; but it has taken days to accomplish.

The women of Kabyle are sold at an early age, sometimes at twelve or thirteen years. Once they leave their paternal roof for the harem of their purchaser their days of pleasure are over and they face a life-long slavery of hard work.

The one redeeming factor in the sale of the women in Kabyle is that they are sold only as wives.

In Asia Minor, where the many scattered tribes of Circassians sell their women, the morality is not so high,

and the daughters of the tribes are sold to anybody as long as a high enough price is paid.

Kahem Said Bey, a Turk who was feeling acutely the servant problem in Constantinople, tells of going to Asia Minor and buying half a dozen servants. He went to the first Circassian village and asked the chief of the elders to exhibit the daughters for sale.

Fathers Assemble Girls. In the evening fifteen to twenty girls were assembled in the town hall with their fathers. They were dressed to show themselves off to advantage.

Every man wanted as much as he could get for his daughter, and the key had to deal with them one by one, listening to their enunciate the particular charms and abilities.

After long bargaining with the fathers the boy went to the market and bought donkeys, buffaloes and silver-mounted arms for a tenth of the price he had agreed upon for the girls. These were then presented to the fathers as payment.

When these girls are delivered they are carefully veiled and can travel anywhere with their purchasers unmolested, for in the Near East no one, not even a government official, would dare lift the veil of a Moslem woman.

### WEDDED, HIS SECRETARY

Congressman Benjamin Fairchild of New York found his secretary, Miss Ellnor Parsons, twenty-six, such a desirable helpmate that he married her recently. The wedding was the culmination of a war-time romance when Miss Parsons came to the capitol as an employee in the ordinance department, later becoming secretary to Mr. Fairchild when he entered congress in 1919. Mr. Fairchild was a widower and lost his only child, a son, in the aviation service during the war.

# Woman Sheriff Heads All Raids

### First to Hold Position in United States, Shirks None of Duties of Office.

### FILLS OUT HUSBAND'S TERM

Mrs. McAuley Served for Years as Deputy for Her Late Husband in Michigan County—Determined to Enforce Law.

Bad Axe, Mich.—For the first time in the history of Michigan, and as far as is known in the United States, a woman has been appointed as county sheriff, and has been given full charge of the men deputies of the county.

And this woman, Mrs. Lula McAuley, is no novice at the job either, for she succeeds her husband, Donald

McAuley, for many years the Huron county sheriff, and has served several years as a deputy under him. McAuley would have finished his fourth term of office next January, but caught a cold during a raid, which later turned to pneumonia and resulted in his death.

### To Finish Husband's Term.

Mrs. McAuley was appointed to complete her husband's term by the unanimous consent of the Huron county probate judge, prosecutor and county clerk.

The new "sheriffess" while, she says, she is not an ardent "dry," it is determined that the state and national laws be lived up to within reason, and already she has engineered and taken part in one raid among the hills of North Huron county.

She predicts that the most of her troubles will come from illicit whiskey-making. Already, she says, there has been a growth in the number of cases which she has had to handle and she lays this to the report which has reached adjacent counties "that a woman is sheriff in Huron."

### Takes Active Part.

Mrs. McAuley says that a woman is equipped by nature and her motherhood instincts to wield a great influence for good over any community from the sheriff's office but says that she is not inclined to run for reelection when her temporary appointment expires next January.

In the meantime she has adopted the policy of being present at every raid and arrest made. Her office staff consists of three male deputies and she admits that most of the work of making the actual arrests will devolve on them, but she asserts, it is a sheriff's duty to be present when an arrest is made and she intends to see that this is carried out.

Mrs. McAuley admits that the sheriff's office is just as much a man's as any police commission in any of the big cities but hopes to fill the job satisfactorily despite her sex.

Find Mastodon's Bones in Texas. Wichita Falls, Tex.—What are believed to be fragments of a mastodon's bones have been unearthed by oil drillers in Gray county. The fragments were found imbedded in a "strata" of dry sand and are large enough to indicate they were a part of a skeleton of a prehistoric monster.

What, indeed? He—What does a movie hero think about? Bu—What does he think with?

Ben, who repeatedly played hooky, became a distinguished globe trotter and explorer.  
Fred, who took it upon himself to settle all disputes as to the ownership of personal property by appropriating it himself, became a very successful lawyer.  
Bill, who always made use of a pair of fists to convert others to his own viewpoints, became a prominent real-estate agent.  
Alf, who delighted in "nose-ing" into and breaking up smaller youngsters' games, became a professional reformer—judge.
