

FORT STANTON NOTES

Most of the visitors who have been here from eastern points for certain periods through the summer, have returned to their respective homes and this leaves their relatives lonesome.

The Trowel Club held its regular monthly meeting last Wednesday night with the usual good attendance.

Eugene Rose of Thornton, Indiana, nephew of Dr. and Mrs. E. K. Westhafer, who came here in the early part of the summer, accompanied by his mother and afterwards took her home on August 1, has returned to the Fort to remain for the fall and perhaps until the holidays.

Commander Allen is enjoying a visit from his brother, who is here from Newcastle, Pa.

A force of workmen are engaged in repairing the pipeline and making the same proof against freezing as has happened in times in severe cold weather.

Mr. and Mrs. R. S. Fagen were visitors at Carrizozo on Tuesday of this week, attending to some business matters and returning to the Fort in the afternoon.

Very few dove hunters have gone out so far this season, but everybody seem to be making preparations for the deer and quail hunting seasons which will soon be on.

Heavy rains have fallen here within the past week and on one occasion the Fort was visited with the heaviest downpour known here for years, it being in the form of a genuine water spout.

Now that the season is approaching for entertainments at the Fort, the Trowel Club, Seamen's Social Club and other organizations are beginning to lay plans for different means of entertainment for both the personnel and the patients.

After the summer months of heat, the ladies residing on the parade are beginning with bridge parties and other means of entertainment which will last through the winter.

Woman's Club Notes

With the beginning of the new club year, the Woman's Club of Carrizozo met at the home of Mrs. Oscar Clouse, hostess, assisted by Meses. Paul Mayer, Glassmire, C. W. Young, Lucky, Nellie A. Branum and Miss Ella Brickley.

The club voted to change the date of the October meeting to Saturday, October 10, to avoid conflict with the dates for the County Fair and for the State Federation Convention. With these two important events occurring in October, it was decided to postpone the chili supper scheduled for October to some convenient date in November.

Mrs. J. M. Beck, Membership Chairman, reported four new members, Mesdames Groce, Detloff, Taylor and Coplin.

Business meeting adjourned for program arranged by Mrs. Paul Mayer in honor of the Past Presidents of the Club. NOTE—Due to conflict with the date fixed for the Cotton Carnival in Roswell, the club meeting in Fort Stanton has been postponed. Exact date and place of meeting will be published later.

ANCHO NOTES

J. F. Njck and family have returned to Oklahoma after a brief stay here.

Jim Dale was home over the week-end from Douglas, Ariz.

Mrs. J. E. Frame was hostess to the Bridge Club last Wednesday evening. At the close of the game, delicious refreshments were served.

Miss Maudie Warden was home Saturday and Sunday from Carrizozo where she is attending high school. She was accompanied by her cousin, Miss L. Cooper.

Mr. and Mrs. Marion Pruett and their trio of attractive children came down from Duran to attend the box supper last Saturday. While here, they were guests at the S. J. Pruett home.

Carl Boydstun, who left here recently to attend Sweeney's Auto School in Kansas City, writes his friend Mrs. R. E. P. Warden, that he is getting along splendidly and that he is also attending night school. Carl is an ambitious boy and his many friends predict for him a bright future.

The Box Supper given by the Woman's Club for the purpose of supplying books for children of the local school netted something over \$18.00. Considering the worthy motive of the entertainment, the sum realized was much smaller than anticipated and falls far short of the amount needed. Music being kindly donated by Messrs. Drago, Walter Hobbs, H. W. Barnes and Miss Lucile Drake, dancing was enjoyed before and after the supper, and a congenial, harmonious crowd voted it one of the most pleasant affairs of the season. The Woman's Club hope to repeat the occasion with a FREE entertainment and dancing in the near future.

One unpleasant note was caused by the theft of radiator caps from all the cars parked at the schoolhouse door. This occurs at nearly every gathering at Ancho and local officers should give it their attention.

Enjoying the delightful fall weather, the Frame and Pruett families with Madams Henderson, Belknap and Miss June Caldwell, picnicked in the forest Tuesday evening. Supper was cooked on the spot, and later, around a huge bonfire, ghost stories and other thrillers were related. The party returned to town at a late hour.

Mrs. Belknap was hostess to the "A. B. C." Wednesday evening, Sept. 23. Three tables of progressive Auction Bridge were played. High score was made by Mrs. J. E. Frame. Those present, were: Mr. and Mrs. Grover Pruett, Mesdames Henderson and Kils, Miss Caldwell, S. J. Pruett, Bryan Hightower, S. M. and J. E. Frame.

Attention, Masons!

There will be a Regular Communication of Carrizozo Lodge No. 41, A. F. & A. M., on Saturday night, Sept. 26, for the purpose of business.

All Master Masons are cordially invited. E. M. Brickley, W. M., R. E. Lemon, Secretary.

Exterior Decorators Are Busy

Nogal Items

The Nogal school is progressing very nicely and the scholars are well pleased with their teacher.

Fruit is abundant in the Nogal district this year and the same will soon be ready for market. There is also a fair crop of pinon nuts in this vicinity, but at the rate they are going they won't last long.

Nogal has been visited with some very heavy rains recently.

Elmer Hust and Walter Snell returned this week from their work at Orogrande.

Mining prospects are very promising for this district in the near future.

Messrs. Jesse May, Jim Gatewood, Leandro Vega, Judge Peacock and Whitaker were Carrizozo business visitors the first of the week.

Woman's Club Program

Friday, Sept. 18. (By Mrs. Paul Mayer) Reading - The Perfect Club Woman - Mrs. Paul Mayer. Song - A. N. Spencer, with Mrs. Kelley at Piano. Song - Past Presidents, with Mrs. Kelley at Piano. Reading - Mrs. Blaney. Song - Mrs. Lemon, with Mrs. Kelley at Piano. Two Songs - Mrs. Groce, with Mrs. Kelley at the Piano.

Oscura and Vicinity

J. V. Taylor has returned from Clayton, where he attended the Cattle Growers' Convention.

Mrs. Bunn left Tuesday for Colgate, Oklahoma, where she will visit her mother for several weeks.

Marion Hust, who located on a claim near Oscura about six months ago, is improving his place and before long, it will be one of the best in his neighborhood. Marion came here from Nogal and is now a fixed resident of this locality.

It has been many years since the people of this section have seen such good range, and fat, healthy stock, as at this particular time of the year.

Mrs. Anna Brazel was a Carrizozo visitor from her ranch claim a short distance above Oscura, Wednesday.

Mrs. J. V. Taylor and daughter, Mrs. Scott, were shoppers in Carrizozo last Saturday.

Broad-Landings from Ancho

H. B. Smith and H. C. Bloodworth were here from their homes east of town this week. They are ex-service men and we are glad to have them locate with us.

Mr. and Mrs. Jack Lemasters have returned from an extended pleasure trip to Oklahoma and other states.

Mr. and Mrs. Fred Sweet were in Ancho last Saturday, spending the day and returning to their ranch home in the evening.

Mr. and Mrs. Will Burgess paid the Lemasters families a visit last week. Mrs. Burgess is a sister to the Lemasters brothers and they were well pleased with our portion of the County; expressing themselves favorably on making another visit in the springtime.

Jesse Vandervort made a trip to Santa Fe last Saturday returning Monday, coming home by the way of Albuquerque, accompanied by Billy Walsh, who was at one time an Ancho resident.

Mrs. Elvin Harkey, Mrs. Elbert Brown and their children spent Tuesday in Carrizozo, visiting relatives.

L. L. Peters was in from his ranch with his family and spent the week here.

R. L. Hale and Roy Lemasters made a business trip to Capitan Tuesday.

Mr. and Mrs. J. M. Gipson were in from the camp this week and reported the Ancho - White Oaks road progressing nicely.

Ranger George Messer of Corona was an Ancho business visitor Wednesday.

BORN - To Mr. and Mrs. Walter Storey Monday, Sept. 21, a fine baby girl. Her name is Eva and we hope the little Miss will continue to grow in health and prosperity.

Elwood T. Bond is here from his home in El Paso this week, looking after his interests in the sheep and wool business.

"One thing that's certain," muses Will Ed Harris, "the best team will win the World's Series."

The Model Cleaners are advertising suits cleaned and pressed for 75c. Try and take advantage of these cut prices.

LOCAL MENTION

Mrs. J. B. French returned the first of the week from El Paso, where she visited Mr. French, who is ill at the Beaumont Hospital, but holding his own nicely, we are glad to say.

Mr. and Mrs. George Hall of Santa Rosa were Carrizozo visitors on Tuesday of this week. George is a Santa Rosa Booster, and says that the Rodeo held at that place recently was the best they've ever had.

Miss Helen Rolland is home from Denver, where she is on the professional nurses' staff at one of the large hospitals and will be home for a month or so.

"Loco-Locals" in the Alamogordo News listens like Ameege Murray Morgan. "Quen Sabe," maybe he is not guilty.

Knows How to Peddle the Bull

While we must admit that there has never been a bull fight considered by the promoters of the San Miguel Fiesta at Socorro, we must all give it to Socorro for stirring up so much free publicity. This should be a strong hint to other places to do likewise. For instance, advertise a prizefight between two of the most noted heavyweights for our own County Fair in October. Who cares whether there is anything to it or not. Of course, Socorro will have no bullfight but the promoters certainly know how to peddle the "toro." -All the bull fighting being done in the U. S. A., is confined to proof-readers in newspaper offices.

Died at Riverside, California Yesterday

Following a recent short illness, Ed R. Kelley, father of T. E. Kelley, our local embalmer, died at his home in Riverside, Calif. Mr. Kelley, whose age was 83, had been ill at several times during the past year and not long since, his son here made a trip to see his father, but he rallied and before leaving, Mr. Kelley was assured by physicians that his condition would warrant his return, but the last attack proved fatal.

Mr. Kelley was one of the old residents of this county. He lived here and brought up his children, three sons and four daughters; one son, Jerry, having passed on about three years ago at Riverside. After his sons Jerry and Esca moved to Riverside, Mr. and Mrs. Kelley also located there and have resided at that place since that time.

Mr. Kelley was a member of the Christian Church and the Masonic order. The time of the funeral we were unable to learn, from the fact that the sad news was received just as we were making up our last form. He leaves to mourn his loss, his wife; four daughters, Mesdames Fred Rogers, Los Angeles; J. W. Harlin, Gertrude Gilbert, Alida McNeil, Portland, Oregon; two sons, Esca of Riverside and Ed of Carrizozo.

The Kelley family have the sympathy of a host of friends, all of whom will be sad to learn of the passing of their old friend and former neighbor.

LYRIC THEATRE

(G. Earnest, Mgr.) Talking Pictures at their Best

Friday-Saturday-Wheeler & Woolsey will entertain the public in "Cracked Nuts." This is the best one these well-known comedians have put on and those who enjoy a good laugh, should not fail to see it. Also the last chapter of "The Indians Are Coming" and the first chapter of the new serial, "Phantom of the West." A thrilling story of the old west with such remarkable characters as Tom Santschi and William Desmond.

Sunday - Monday - Tuesday "Life of the Party" will be shown with a full star cast, featuring Winnie Lightner. This is faster and funnier than "Gold Diggers of Broadway."

Woman's Missionary Society

The monthly social meeting took place Wednesday afternoon at the home of Mrs. V. P. Smith, who was assisted by Meses. O. J. Snow and Clyde Lucky.

Twenty-three members and six guests enjoyed the afternoon together, the main diversion being the sewing of quilt pieces.

On next Wednesday the Society will have an all day meeting at the home of Mrs. Roy Shafer for the purpose of quilting. At noon a coveted dish luncheon will be enjoyed.

The first chapter of the new book in Bible Study was ably presented by Mrs. John E. Hall last Wednesday and a continuation will occur at each monthly social meeting until the study is completed.

"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Shooting at Tucumcari

Wednesday morning as train No. 3 arrived at Tucumcari, a stranger shot police officer Henry Hatcher of the Southern Pacific. There are several stories about the shooting, but the officer was loaded on the train and taken to El Paso where he died at 1:30 Wednesday afternoon.

Yesterday, 35 tramps were arrested here and taken to the courthouse where they were closely questioned by Sheriff Brady and Deputy Johnson, but learning nothing on which to fix even a clue, they were released. The Southern Pacific is offering \$500 reward for the arrest and conviction of the man who shot the officer. -Mr. Hatcher was a well known here, having served as S. P. officer here on several occasions.

W. A. Wilson, Mrs. Wilson and the children, of Lincoln stopped over in Carrizozo Tuesday evening on their return trip from the Joneta country, where they visited relatives for several days.

Mr. and Mrs. G. Earnest of the Lyric Theatre spent Wednesday in Roswell, returning to Carrizozo Thursday morning.

Mr. and Mrs. Doyle Rentfrow of the Rentfrow ranch beyond the Malpais were Carrizozo visitors Wednesday of this week.

S. A. Pearce was here this week from Lincoln, visiting his uncle, County Assessor Wm. Kimbrell.

POULTRY

SOME GOOD POINTS IN POULTRY HOUSE

Ventilation One of Biggest Problems.

Better insulation has brought the greatest improvement of all to the poultry house, says Successful Farming. Insulation reduces the harmful effects of the extremes of cold and heat and makes the house more comfortable at all temperatures.

Ventilation is another important problem in poultry house construction because of its effect on dampness and the inside temperature. The only way to remove the excess moisture in the house is by ventilation or change of air.

Both the Nebraska and Iowa experiment stations have found that hens show no harmful effect from tightly closed quarters during the winter. While neither of these stations recommend a tightly closed poultry house, their findings indicate the importance of air purity may have been overemphasized in the past.

Break Up Broodiness by Feeding Better Rations

Broody hens should be cooped the first night they stay on the nest, as any delay will increase the brooding period, says Miss Cora Cooke, extension poultry specialist, Minnesota University farm.

The cause is one for hospital treatment, rather than punishment, such as starvation, or torture in solitary confinement, says Miss Cooke.

Confine broody hens in a well-ventilated slatted or netting coop, placed in the shade. Supply dry mash all the time in a feed trough, feed a moist mash once a day, and feed scratch grain lightly.

Don't stop with this, however. Breeding broodiness out of the flock is better than treating birds for the ailment. Band a hen every time she goes broody.

Light Yolks Preferred

Poultry producers find that many buyers in the large cities, especially the New York market, prefer eggs with light-colored yolks, the United States Department of Agriculture says.

Certain materials such as green feed and yellow corn produce dark yolks, but when eggs are candled it is often difficult to tell whether the dark yolk has been caused by feed or because the egg has been exposed to heat.

To be classed as a quality product, eggs must be uniform in color and size, and light yolks make them more desirable in many markets.

Reducing Tuberculosis

In one county of South Dakota where practically all the flocks in two townships were tuberculin tested only 1 per cent of the pullets reacted whereas 83 per cent of the birds over two years old reacted.

Where small mites are abundant, clean out the house, removing and burning old nesting materials.

It was the sweetest hit, gushed Mrs. Fean, and when the milliner told me I could have it for a mere song, I ordered it at once.

A case of mistaken identity, she said quietly. The woman evidently thought you were a famous singer.

STAGE COACH TALES

By E. C. TAYLOR

From Stage Driver to Cabinet

JEREMIAH M. RUSK, who later became governor of Wisconsin and still later was first secretary of agriculture of the United States, was a picturesque stage coach driver of the early days in Wisconsin.

Almost a giant in stature, and heavily bearded, he was a leading personality in the state even when he was handling the reins behind two or three spans of horses over the bumpy, marshy roads of that new commonwealth.

Tales of his muscular prowess in those early days made him famous, but his chief claim to fame, otherwise, was that he probably was the only stage coach driver who did not drink. Drivers as a lot were moral men, noted for their integrity, and famous for their seeming aversion or swearing and cursing.

As Rusk's stage coach neared Virgo one day, a horse fell ill. Rusk saw that it could not pull its share of the coach any longer, so he tied it to the coach, seized the neckyoke himself and with his great strength helped to pull the coach into the next town.

Rusk was fetid about his physical prowess, and was almost bashful when anyone mentioned it, but he often told a story on himself about how he, a teetotaler, had to buy drinks for a tavernful of people.

One cold day, he stopped his stage coach at a tavern near Prairie du Chien, Wis., so the passengers might warm themselves.

When they all trooped into the public room, Rusk noticed an innocent looking horn on the counter. The young driver was invited to blow it. He did. But instead of musical notes, there issued from the horn a quantity of flour that covered his face.

Rusk began driving a stage coach when he was only sixteen years old. He drove for McNeill, Moor and company, famous stage coach operators of Columbus, Ohio.

Rusk raised a regiment of volunteers and was commissioned a major in the Union army. He took part in the battle of Vicksburg, and in August, 1863, was promoted to lieutenant colonel.

He was with Sherman in the Meridian campaign, and displayed such great gallantry in the battles around Atlanta, Ga., that he was promoted a brigadier general.

After the Civil war, he went back to Wisconsin, where he entered politics. He was elected a member of congress in 1871, and served in the national house of representatives until 1877.

In 1882, Rusk was elected governor of Wisconsin, and was continued in that office until 1889.

In the latter year President Harrison appointed Rusk to his cabinet, and the tall former stage coach driver became the nation's first secretary of agriculture, a branch of the executive department of the federal government which congress had just created.

Birds' Songs Tell Time

Clocks are not necessary to give the time in the morning if one understands the songs of the birds, according to a German naturalist who has just completed a schedule of offerings by feathered songsters.

Lincoln Mementoes

The original plaster casts of the face and hands of Abraham Lincoln and also the first bronze casts of the face mold and of the hands were presented to the National museum on January 25, 1888, by a committee comprised of the late Augustus Saint-Gaudens, Thomas B. Clarke and Richard W. Gilder, acting for the subscribers to the fund collected to finance the making and sale of the casts.

Brutal Retort

"It was the sweetest hit," gushed Mrs. Fean, "and when the milliner told me I could have it for a mere song, I ordered it at once."

HISTORIC RUINS TO BE PROTECTED

Agricultural Department Ends Vandalism.

The earliest American apartment houses, as represented by the ruins of community houses and cliff dwellings of Indian origin in national forests of the Southwest, will be protected from further vandalism, according to the forest service.

Some of the ancient houses in the southwestern national forests have been designated as national monuments. Casual delvers after relics or souvenirs have in certain instances destroyed fragments of no value to themselves, but of great interest to scientists and historians.

Occasionally visitors seem unaware that it is unlawful to deface historic objects or dig into ruins on government lands. But the American Antiquities act of June 8, 1906, provides a \$500 fine and imprisonment, or both, for any person who shall without permission "appropriate, excavate, injure, or destroy any historic or prehistoric ruin or monument, or any object of antiquity, situated on land owned or controlled by the United States."

The forest service administers 18 national monuments—areas reserved for the public because of their his-

toric or scientific interest. Gila cliff dwellings and Bandelier monuments in New Mexico and the Tonto and Walnut canyon monuments in Arizona contain ancient cliff dwellings. Old Kasaan national monument in Alaska is an abandoned Indian village containing many remarkable totem poles.

Modoc lava beds in California, reminiscent of the Modoc Indian war of 1873—the last great Indian war in California—Wheeler national monument in Colorado, and Sunset crater in Arizona, are notable for unique volcanic formations.

Jewel cave in South Dakota, Oregon caves in Oregon, Timpanogos cave in Utah, and Lehman caves in Nevada all have remarkable caverns and formations of interest to the visitor.

Mount Olympus national monument in Washington is famed for its glaciers, forests, and herds of elk. Devil's postpile in California and Chiricahua monument in Arizona have unusual natural rock formations.

Three Party Divisions Had Name "Republican"

The name Republican has been applied to three parties, a fact which gives rise to confusion. The Republican party of today originated in 1854-56, after the dissolution of the Whig party.

ment. In 1792, it took the name Republican party to oppose the Federalist party. It was later sometimes known as the Democratic-Republican party, which name is still the official designation of the Democratic party. After its principles were clearly formulated in 1798 by Thomas Jefferson, it was sometimes called Democratic, but generally Republican, until Andrew Jackson's administration, which began in 1829. He was the first President to be officially listed under the name Democrat.

Looked Like Circus Stunt

At Monterey Park, Calif., John Ostloch, police captain and motorcycle officer, gave townspeople a few uneasy moments when he rode down the main street with a five-foot snake coiled around his neck.

The bridge member who is absent gets the most blame. You might as well refuse to sign a petition. They seldom do any good.

Last Call! Only 4 more days CONTEST CLOSES MONDAY, SEPTEMBER 28, MIDNIGHT \$10,000 IN CASH PRIZES FOR THE BEST ANSWERS EXPLAINING THE MYSTERY of the "HIDDEN QUART" AND TELLING HOW THIS QUART BENEFITS MOTORISTS.

Fact No. 1—Thousands of motorists and service station men have observed that after a car has been given its first fill of Conoco Germ Processed Motor Oil and it driven 200 to 350 miles, a look at the crankcase gauge shows that about one quart of oil is apparently missing... but

Fact No. 2—These same people have noticed that on the second and later fillings with Conoco Germ Processed Motor Oil, scarcely a drop of oil will disappear during the first 350 miles, and practically none at 500 and up to 1,000 miles!

The above facts have been checked by actual tests with cars that use six quarts of oil for the crankcase, cars in good mechanical condition and driven at ordinary rates of speed. These facts will also prove true for your car, in proportion to the amount of oil your crankcase usually holds, your car's mechanical condition and the speeds at which you drive.

Remember—The "hidden quart" of Germ Processed Oil does not escape through leakage... does not burn up, wear out or evaporate. It is "present but unaccounted for." Fact No. 2, given above, proves all this.

After you've found where the "hidden quart" goes, you can easily see the special benefits it gives the motorist—advantages that no other oil can give.

Ask at any Conoco Station or Conoco Dealer for free Entry Blank which contains information about Conoco Germ Processed Motor Oil that may help you win! Conoco Station and Dealer employees will gladly answer your questions. Remember, you do not have to buy anything to enter this contest. See Rules of Contest for complete details.

THE QUESTION "What becomes of the 'hidden quart' and how does the quart benefit the motorist?" COMPLETE RULES OF CONTEST 1. Answers may be any length not exceeding 200 words; length of answer will not determine winners. Write answers on Official Contest Entry Blank preferably, or on plain white paper.

EDITORIAL COLUMN

Entertainments in Our Neighboring Towns

Alamogordo has just finished with the most successful Rodeo that boosting town has ever attempted, according to opinions of the many Carrizozo people who attended. The next in line will be the Eastern New Mexico State Fair which will occur at Roswell on the dates of October 7 - 8 - 9 - 10 and to which there should be a large attendance from here.

In defence to this affair, the Carrizozo Woman's Club has postponed its Fort Stanton meeting until a later date, so as to not conflict with the Fair. It also postponed all meetings and entertainments scheduled for October to later dates in November, the exact dates of which, will be announced later, so as to not conflict with our County Fair and other happenings which occur within the month of October.

This is a spirit of co-operation worthy of note and the Woman's Club has set a good example for others to follow in our local realm. Special meetings of lodges, churches and other societies should arrange their dates so as to work in co-operation with other events and thereby avoid conflicting, and making it possible for the people to centralize their patronage without having to choose between attending several different entertainments on the same occasion.

Another and a very important thing in the way of co-operation would be in the giving of dances. As a general thing, dances are given on Saturday nights and if the dance begins, say at nine o'clock, dance fans could attend the Lyric Theatre and thereby patronize both places of amusement. In view of this fact, we hope that the manager of the Lyric and the promoters of dances will get together and announce that the dance will begin immediately after the picture show. In this part of the country, dances hardly ever begin before 9 o'clock and in that event people can attend both places and be well entertained. Let's see if we cannot co-operate and avoid collisions.

Heavy Rain Over the County

The heavy rains of the past week has caused much discussion among ranchers and farmers in the canyons and on the mesas and fruit growers in the mountain regions. All agree on one thing and that is, that it has been many years since rain has fallen in such quantities at this time of the year.

There is but one locality which had not shared in the visitation and that is about 50 miles to the northwest. Last reports are that rain has fallen there in good quantities since the past 30 days. This area, a part of which was in the bean belt, needed moisture before harvesting time and if the above information is correct, the beanster will have no complaint to register. Fall crops will be abundant and next winter over in the...

NOTICE

State of New Mexico
County of Lincoln ss
In the Probate Court

To Whom it May Concern:
Notice is hereby given that Charles H. Thornton, Administrator of the Estate of Frank S. Bash, Deceased, has filed his final report of his acts and transactions as Administrator of said Estate; and the Honorable Elmer Chavez, Probate Judge of Lincoln County, New Mexico, has set the 3rd day of November, A. D., 1931, the same being the 2nd day of the regular November Term of the Probate Court, within and for the aforesaid county, at the hour of 10 A. M., at his office in the Court House in Carrizozo, New Mexico, as the time and place set for hearing any objections to the same.

Therefore, any person or persons objecting to said final report may do so by filing their objections on or before the above-named date.

Dated at Carrizozo, N. M., this 9th day of September, 1931.

(L. D. Jordan, Pastor)
R. V. Shaw, Sunday School Supt.

10 a. m.—Sunday School.
7:30 p. m.—Preaching by the Pastor.

The pastor will preach at Capitan at 11 a. m., but will be back at Carrizozo for the evening service.

You are welcome to every service in the "Friendly Church." Blind Alleys. Civilization is riddled with blind alleys. The prosperity that ends in my being educated is a blind alley; the amusement that ends in my being amused is a blind alley; the religion that ends in my being religious is a blind alley. These broad highways were never intended to end abruptly at the points I have indicated. My prosperity, instead of ending with the inflation of my bank account, should lead to the enrichment of the world. My education, instead of ending with a university triumph, should equip my whole individuality for loftier service. My amusement, instead of being a mere revel, should be a tonic, a refreshment, a recreation. And my religion, instead of merely filling my soul with a smug and unwholesome self-content, should help every man I meet to fight life's battles with a braver heart. — F. W. Borcham.

"Why
My Next Car
will be
A FORD"

WHEN you buy a Ford there are two things you never have to worry about. One is reliability. The other is long life. Here's an interesting letter from a Ford owner in North Carolina:

"My Ford was purchased May 8, 1928, and has been run 121,767 miles. It has never stopped on the road for repairs of any kind whatsoever except punctures.
"The brakes were relined at 101,000 miles. My gas mileage averaged 21 miles to the gallon, and on tires, 19,000 miles per tire. I travel over all kinds of road conditions—mountainous and flat.
"I consider this a wonderful record and I assure you my next car will also be a Ford."

This is just one of many tributes to the reliability and long life of the Ford. A Ford owner in Iowa tells of driving his Ford 73,000 miles in a single year. Another writes of 120,000 miles of good service.

Think ahead when you are considering the purchase of an automobile and consider what it will be like after thousands of miles of driving. Will you still be satisfied? Will you still say "it's a great car"?

If it's a Ford, you know everything will be O. K. It will be taking you there and back in good style, just as it has always done. And you will have saved many important, worthwhile dollars in cost of operation and up-keep and low yearly depreciation.

HEARD ABOUT TOWN

Professor and Mrs. Groce and small daughter were Corona visitors for the week-end.

Children's "Annie Rooney" Klever and Dainty Wash Dresses - \$1 and \$1.50 at the Outlook Art & Gift Shop.

Mr. and Mrs. R. S. Fagen of Fort Stanton were Carrizozo visitors Monday of this week. While in town, Mr. Fagen paid this office a pleasant call.

Mr. and Mrs. Porfirio Chavez, Sr., and daughter have returned to their home at Engle, after being here for a week with their son, Porfirio, Jr., who was critically ill, but is now on the way to recovery.

Mrs. E. W. Shelton and son Clyde of Ancho were Carrizozo visitors the latter part of last week.

Louis Adams reports having heard this'n recently. "A dern good way to lessen taxes (said the small boy) is to close the schools."

Jose Otero, sheepman from Capitan was here last Saturday, attending to some business matters.

"It looks as though we are coming back to the days of the ol' ox cart," said Wm. Keene, the Blacksmith. "During the past week, we have made a new wagon tongue, put in a fifth wheel, and made other repairs on old wagons that haven't been used for years. Old Dobbin is being taken from his long rest in the pastures and put to work. - No engine trouble or punctures with Ol' Dobbin!"

A few more of the famous "Nellie Don" Dresses and Smocks. Reasonably priced, too. -The Outlook Art & Gift Shop.

Saturnino Chavez, Sr., and Isaac Marquez returned Saturday from Socorro where they spent a week visiting Mr. Marquez' relatives and also Sat's cousins at Magdalena, Frank and Bone Landavazo, the latter being mayor of the town and also road supervisor for that district.

Who remembers the good old days, sighs W.W. Walker, when our chief worry was whether the Giants or White Sox would win the World Series?

Among those who attended the Rodeo at Alamogordo last week, were: Mr. and Mrs. R. P. Hickey, Mr. and Mrs. T. G. James, Mr. and Mrs. Doyle Rentfrow, L. A. Whitaker and Happy Smith. They were loud in their praise of the Rodeo and the courteous treatment at the hands of our esteemed neighbors.

Mrs. Erva Claunch is now located in her new Beauty Shop across from the Community Hall and patrons going to the old place will know where to call for services.

Mrs. Jimmy Lee and Miss Louise Sweet of the Carrizozo Eating House spent a portion of last week in El Paso, returning home Saturday.

The two pictures of the past week at the Lyric Theatre attracted much interest. The first, "Danger Lights;" the other, "Amos 'n' Andy." The sound is 100% perfect and the increased attendance is proof of the fact. Go and see for yourself!

E. T. Bennett of El Paso-Alamogordo was a Carrizozo business visitor last Saturday. Mr. Bennett is manager of the Truck Line that makes daily trips between El Paso and Carrizozo. See their ad on the inside page.

State Fair at Roswell

Which of the dozen counties in eastern New Mexico will win first place on the bounty booth at the Eastern New Mexico State Fair to be held in Roswell October 7, 8, 9 and 10? This is a question which is being discussed widely these days and already there is much friendly rivalry.

The change from the Cotton Carnival to Eastern New Mexico State Fair created by legislative act, has stimulated much more general interest in this annual event because it will give the counties much more wide-spread advertising than ever before. In addition to the advertising value for each county, there will be cash prizes, the county receiving first place getting \$50, second \$40 and third place \$30, each of the other counties receiving \$10. Chavez county is not allowed to compete with other counties, giving each of the outside counties an equal chance in putting up the best exhibit. The premium list outlines the score card in detail.

Farmers and stockmen in all these counties are also being urged to place entries of products and livestock. In fact every effort is being made to have this fair as of much value to one county in this portion of the state as to any other.

The rodeo and races will be the big attraction on each of the first afternoons and because of the larger shows this year, it will be held at the New Mexico Military grounds. Lower admission prices will be charged this year at the rodeo.

The entire entertainment program is being stressed and visitors to the fair this year are assured of four days of high class amusement.

A. J. Rolland reports this one: A local fellow complained that he was having trouble with his reception on his radio set. "How about the tubes, have you had them tested, you know 90% of the trouble is due to weak tubes," A. J. tactfully replied. "I never thought of that; perhaps my radio does need new ones, the same tubes have been in the machine five-years," the gentleman answered.

Lupe Gabaldon, woolgrower of the Claunch, N. M., country, was in town Saturday. Lupe is highly pleased over the fine rainfall recently.

Mr. and Mrs. O. S. Stearns spent last week-end with Mr. and Mrs. H. C. Adams at El Paso. Mrs. Adams is Mrs. Stearns' sister. They returned Sunday evening.

Leopoldo Gonzales and his family were here from San Patricio on Tuesday of this week, attending to some business matters and leaving for home in the late afternoon.

New Fall School Dresses for Girls. Long Sleeves. Reasonably priced, too. Outlook Art & Gift Shop.

L. A. Whitaker has been reading about the big fight between Jack Sharkey and Primo Carnera scheduled to be held on the night of October 1st. "Wouldn't it be a surprise if Carnera would knock Sharkey out, just one accidental punch will tell the tale. Sharkey had better use his wits and not get angry, which was his undoing in the past fights."

Jeff Herron of the Titworth Company, Capitan, came over to see Amos 'n' Andy, shown at the Lyric Theatre Monday night. He certainly enjoyed the show, especially the "Mystic Knights of the Sea" colored lodge.

Caller Juan Martinez of the S. P. station was summoned to Roswell the first part of the week, to serve as a juror in the Federal Court which is now in session at that place.

High School Notes

On Thursday of last week the Juniors entertained the assembly with a short play entitled "The Fatal Dose," which was quite amusing. The characters were: Frank Windham, Ruth Kelley and Lala Joyce. This was followed by a Spanish song and dance by Ernest Prehm and Jane and Andrea Kimbrell. This short program was then closed with a song, "Oh, We Are the Juniors," to the tune of that old, jolly German Stein Song, "Ach Du Lieber Augustine."

The weekly health talks which Miss Brunck, County Health Nurse, has been making to the high school girls, should be of much benefit to them.

On Monday of this week the Freshmen and Sophomores made their plans for their stunts in assembly.

On Tuesday the Senior class had a sunrise breakfast across the Malpais, leaving town at 5 a. m. Everyone had a grand time, including Mr. Groce, who is undoubtedly the champion for all time for cooking omelettes over a camp fire.

Also on Tuesday, the Rev. Jordan of the Baptist Church gave a short and enlightening address on physical, mental and spiritual growth.

And here is something for you eagle-eyed golfers! The Junior class offers a reward of one Buffalo nickel to the person returning the balloon which its members filled with hydrogen and sent toward Old Sol Monday.

-High School Reporter.

Methodist Church

Sunday School and regular church services next Sunday. Miss Dia Herringus is training our choir. Her work has been very much needed. We are hoping to have a trained choir for all of our church services. And this is an opportunity for which we have been long hoping. Let us take advantage of it to train the talent the Father has given us, that we may use it in His service and to His honor and glory.

Andy Padilla has just completed a two room addition to his residence on the east side.

13-Plate Battery GUARANTEED \$6.25

Carrizozo Auto Company

Lell St. John says—"In reading where Dempsey has been boxing two, three and four opponents in one night, is no news to fight fans. In July 4, 1919, and up to a few years afterwards he could have fought Tunney, Sharkey, Stribling and Carpenter in the same ring on the same night and made 'em all look like ham-and-egggers." -Why mention Firpo, Schmeling, Primo Carnera 'Gigolo' or Muscolini, at that!

W. L. Stiles of the Forest Service at Alamogordo and R. V. Gault, Forest Ranger of the Capitan District were here yesterday morning, attending to some matters concerning the Educational Campaign being conducted by the Forest Service in places adjacent to the Lincoln National Forest.

Local radio listeners are hoping that the weather will soon become settled. Referring to stored-up energy, did you ever notice how much s-t-a-t-i-c a pecky little radio could collect?

Hiram Garrard has a giant gourd on exhibition at the Carrizozo Hardware Company. The gourd is nearly 3 feet long; Hiram says that he is confident that it will bring the blue ribbon at the County Fair.

Mr. and Mrs. Roy Shafer and children, the Misses Sally Ey-rard and Haldane Stover, spent Saturday and Sunday in Albuquerque and Santa Fe, returning to Carrizozo Sunday evening.

Skinner's Grocery

The governments of the world are setting examples of economy for the people to follow and this being the case, should we not profit by the example? How much can we economize?

Pennies grow into dimes; dimes grow into dollars and before you are aware of the fact, you have saved one of these silver wagon wheels.

Try out on an order from our store and see what you can save. It will surprise you! F-r-e-s-h, wholesome Baby Beef—the kind you love to eat. Our groceries are fresh because we sell them quick, cheap and this keeps the stock in the best of condition.

"You be the Judge!"
Skinner's Grocery,
Carrizozo, New Mexico

Mrs. Finch and Mr. Behnfeldt, Mrs. J. M. Beck, Mr. and Mrs. Will Gallacher, Mrs. Elizabeth Gallacher and brother Clarence Wells spent a few days in El Paso this week. Mrs. Finch and Mr. Behnfeldt are brother and sister to Mrs. J. M. Beck and are the guests at the Beck home for several weeks.

Mr. and Mrs. Roy Bloss are newcomers in Carrizozo. Mr. Bloss is 8rd trick operator at the local S. P. station.

Mr. and Mrs. Frank L. Elliott have returned from a vacation trip spent in Michigan and several other eastern states.

Chas. Coplin of Ziegler Bros. Store will leave about Wednesday of next week for St. Louis, to take up a business proposition at that place. We wish Mr. Coplin the best of success in his venture.

The "Gloom Chasers", our Home Orchestra, gave a well attended dance at Community Hall last Saturday night. As the season for this kind of amusement approaches, the orchestra's services will be greatly in demand.

Fair Notes

1-Agricultural Committee: Olive Richard, Sadie Rolland, Una Taylor, Ben C. Sanchez, M. U. Finley. 2-The complete program and the rules with regard to the judging of the Agricultural Exhibit will be in the next issue of this paper. 3-Amusement Halls in Corona Capitan, White Oaks and Nogal will be closed during the two days of the Fair as heretofore.

Broken Wheel Causes Serious Injury

Yesterday afternoon about 4 o'clock, while driving south of town, Ashby Roselle and D. L. Byron met with an accident which resulted in serious injuries to Mr. Byron and injuries to a lesser extent to Mr. Roselle. The car they were driving went into a ditch at the side of the road. One wheel of the car was crushed and this crash threw the men out, badly injuring Mr. Byron about the head and rendering him unconscious.

Claud Branum happened along, took the men in his car and brought them to Paden's hospital, where Mr. Byron now lies, still in an unconscious condition and according to Dr. Paden, it is impossible at this time, to ascertain the full extent of his injuries.

Andres Lueras, Sr., returned the first of this week from Miami, Ariz., where he visited relatives and friends.
