Christian Science Services

Feb. 4, 1940
"Love" is the subject for next Sunday. The Golden Text is: "The love of God is shed abroad in our hearts by the Holy Ghost which is given unto us." Citation from Bible: "And this commandment have we from him, that he who loveth God love his brother also." Passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Love inspires, illumines, designates and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action. Love is priest-ess at the altar of Truth. Wait patiently for divine Love to move upon the waters of mortal mind and form the perfect concept."
