THE APPEARANCES AFTER THE RESURRECTION

LESSON TEXT—John 20:19-31. GOLDEN TEXT—'I am alive for evermore.—Revelation 1:18.

The most important day in all history was the first day of the week following the crucifixion of Christ. Then He appeared to His disciples as their risen Lord. All the hope of all mankind for all eternity depended on His victory over death.

By eventide news had come to the disciples of His resurrection, and half in hope and half in uncertainty they had gathered to talk over these matters. Fearful of the Jews, they met behind closed doors. All at once He was there—the Lord Himself. What a wonderful change came over them as He made Himself known to them. They went

I. From Fear to Gladness (vv. 19, 20).

Their eyes had been upon their enemies and they were afraid. Now they were glad, when they saw the Lord. We need to learn that lesson. If we look within we are ashamed and discouraged. If we look around us we are confused and fearful. If we look to Christ we are glad and strong.

Notice that their joy was not based only on an emotional impulse. They saw Christ in His resurrection body—the very One who had died. The evidence was there before them. Now they could understand the things He had said to them. The whole realm of spiritual truth was now in focus again, and they were glad. So are we when we really see Christ.

II. From Weakness to Strength (vv. 21-23).

The disciples who were called to be witnesses for Christ had lost their testimony when He died on the cross. Unbelief and discouragement had so weakened them that they were in hiding instead of being out proclaiming His truth.

Now the risen and victorious One sent them forth with the Father's blessing. They were empowered by the Holy Spirit, and given great authority (v. 23). Note that it was given not to one man or to the leaders, but to all the disciples. It was "a declarative right, and it belongs to every true disciple. Those who have received the gift of the Holy Spirit are in a position to declare to men that their sincere repentance brings forgiveness" (Douglass). The opposite is also true.

III. From Doubt to Faith (vv. 24-28).

Thomas, who had doubts and who cultivated them by his stubborn attitude (v. 25), did himself and his brethren a serious disservice by being absent from the meeting on the evening of the first Easter Day. When he did appear he had only doubts to contribute. Let those who make a custom of absenting themselves from the place and hour of service beware lest they do likewise.

His doubts were honest ones—and God always meets such questions, honestly and intelligently. When the evidence was before him, the heart of Thomas leaped the chasm from doubt to faith in one cry of complete devotion (v. 28).

It is significant that down through the ages many doubters have been won to Christ by the proof of the resurrection of Christ, which is by the testimony of historical scholars "the best authenticated fact in all history." The risen Christ stands before men today and says, "Be not faithless but believing." May many respond with Thomas, "My Lord and my God."

IV. From Death to Life (vv. 29-31).

Christ arose from the dead not just to show that He had power to do so, but, as Paul puts it, "for our justification" (Rom. 4:25). The reality and dependability of the entire plan of salvation hinged on the return of Christ from the dead. Had the grave held Him, His claims of deity and of the ability to forgive sin would have been entirely discredited. Because He lives we shall live.

The experience of regeneration is therefore likened in Scripture to a passing from death to life (John 5:24). Thomas saw the Lord, and believing, passed from doubt to faith. We cannot see Him now, but we have the blessed privilege of believing and thus receiving life (vv. 29, 31).

This was the message which the now radiant and empowered disciples went out to preach. The book of Acts tells us how effectively they did it, and shows how much of their preaching centered on the fact of the resurrection.

The command and the commission was not to them alone, but also to all of us who believe in Christ. May God take out of us the fear of men, overcome our weakness, and send us out with renewed faith to make this life-giving message known to our fellow men.

HOUSEHOLD TIPS

Fruit beverages and beer tea, though not especially nourishing, are useful stimulants of jaded appetites.

The tiny screws in eye glasses may be tightened with a cuticle knife.

Olive oil and black ink, equal parts, will restore suede shoes and slippers and remove rustiness.

A fish bone may sometimes be removed from the throat by sucking a lemon.

Gold-trimmed china needs special care if the beauty of the gold is to be preserved. Wash the plates in water less hot than for ordinary dishes and always use a mild soap. Do not rub at gold trim more than is absolutely necessary. Rinse well and drain on rubber-covered rack or on towels. This will prevent chipping of gold-trimmed edges.

Comfortable shoes with ordinary heels have been found easier to wear in the kitchen than high-heeled dress shoes, and better for the feet.

PENETRO

Many users say "Best use is a revelation." Has a base of old fashioned mutton stew. Grandma's favorite. Generous jar 25¢, double supply 50¢. Demand stainless Penetro.

fellows—real he-men just like you and Bill and George—from good American homes. Handle themselves well, too."  
"You know, I've been checking up on it, Bob, and I've found out that the American army today is healthier, better disciplined, better trained, better taken care of than it has ever been in its history. **Butchering Permits  
Required**

"Black Market" operations have made it necessary to control the slaughter of livestock for sale. The control measures consist of the licensing of farm slaughterers, local slaughtering plants, and butchers. The law becomes effective April 1, 1943.

"Farm Slaughterers" include all resident farm operators who in 1941 delivered meat from the slaughter of livestock having a live weight of not more than 10,000 pounds.

"Local Slaughterers" include all persons who in 1941 slaughtered livestock with a total live weight in excess of 300,000 pounds.

"Butchers" include all persons other than farm slaughterers who in 1941 slaughtered livestock with a total live weight of not more than 300,000 pounds.

Farmers who slaughter exclusively for home consumption on their farms are not covered by the order. Those covered under the Food Distribution Order may obtain permits through the County USDA War Board.

If you are affected by the above order, you are urged to attend a meeting which will be held at the Carrizozo High School Building, Saturday, March 20, beginning at 10 a. m. A representative of the State War Board will be present at the meeting to discuss the details of the Food Distribution Order.

Carl P. Radcliff,  
Sec. Co. USDA War Board.

I haven't got a pole tic  
I haven't got a cow  
So you can plainly see  
I'm in the army now.  
Everything I dearly love  
Has been left behind,  
But the Rail Road Company  
Doesn't seem to mind.  
They are thinking of no one  
Except themselves  
While they put money  
Away on their shelves.  
Frank's farmers are see high  
They begged for relief  
With tears in their eyes.  
We bought them feed;  
seed and tools.  
Put their offspring through the  
schools.

Contoured their lands and filled  
up their ditches.  
Now they are blanket deferred  
without any hitches.  
But there is one little thing  
I'll tell you for sure  
You'll see farmers now  
You never saw before.

But I have never asked odds  
And I do not intend  
So I'll take mine on the point  
of the chin.  
When I return don't think I  
am a thief.  
But I'll tell you cowboy  
I intend to have beef.

### Labor Bill Passes

Topeka, Kan., March 23.—Kansas labor unions were under strict state supervision tonight. The labor control bill, signed by Gov. Andrew Schoeppel today, prohibits sitdown strikes, and requires licensing of business agents, and periodical reports on dues and assessments levied, salaries paid and other expenditures.

The bill was bitterly opposed by organized labor.

### Restaurants Ordered To Cut Foods

Washington, March 24.—Hotels, restaurants and institutions tonight were ordered by the Office of Price Administration to slash consumption of meat, cheese, butter and other fats by 25 to 45 per cent under last December.

The OPA order, effective at 12:01 a. m. March 29, was issued only a few hours after ration-point allowances for meats, butter and cheese were announced for the nation's home users.

### Available Farm Machinery

To date purchase certificates have not been issued by the County Farm Machinery Rationing Committee for the following farm equipment, which was allotted Lincoln County by the State USDA War Board:

1 row planter (corn and cotton) tractor drawn; 1 lister (with and without planting attachments); 2 sections, spike tooth harrow; 2 farm wagons; 2 pea and bean harvesters; 1 tractor duster; 1 garden tractor; 1 moldboard plow (tractor drawn or mounted).

Anyone interested in any of the equipment listed should make application immediately, since, after a reasonable time, the committee will consider all applications submitted and issue purchase certificates for machinery.

Carl F. Radcliff, Secretary, County Farm Machinery Rationing Committee.

### Says New Deal Desk Farmers Should Be Plowed Under

Washington, D. C., March 6.—Rep. Leo Allen (R. Ill.) called for an end to New Deal farm foulery, asserting that bureaucratic desk farmers should be plowed under so that the country's dirt farmers can produce the food to win the war.

The Illinois representative expressed himself outraged by proposals which have emanated from alphabetical farmers, who don't "know which end of a cow to milk". He cited proposals to take the shoes off horses after work, to postpone the lambing season until warmer weather, and to cut production of farm machinery 67 per cent.

State College, N. M., March 23.—With a grade point average of 3.473, John T. Wilson, of Ancho, student at New Mexico A. and M. College, was placed on the college honor roll for the 1942 fall semester. John is a junior agricultural student at the college.
