Newspaper Laws.

The Tuskaman editor of the Workman evening has taken some pains to [illegible] the decisions of the U. [illegible] on the subject and gives to the reading [illegible] the result of his investigations, the following, which may be relied upon as correct:

Subscribers who do not give express [illegible] to the contrary are considered wishing their subscriptions continued.

If subscribers order the discontinuance of their periodical the publisher may continue to send it, until all arrearages are paid.

If subscribers neglect or refuse to take periodicals from the office to which they are directed, they are responsible until they have settled their bills and ordered them discontinued.

If subscribers remove to other places without informing the publisher and the papers are sent to the former address, they are responsible.

The courts have decided that refusing to take periodicals from the office or removing and leaving them uncalled for, is prima facie evidence of intentional fraud.

If subscribers pay in advance they must give notice at the end of the time if they do not wish to continue taking the paper, otherwise the publisher is authorized to send it, and the subscriber will be responsible until an express notice, with payment of all arrearages, is sent to the publisher.

The latest postal laws are such that newspaper publishers can arrest any one for fraud who takes a paper and refuses to pay for it. Under this law the man who allows his subscription to run along for some time unpaid and then orders it discontinued, or orders the postmaster to send it "refused," or have a postal card [illegible] the publisher leaves his [illegible] and the [illegible]

MRS. GEN. E. BARNES is preparing to build an elegant residence on her property on the south side of the town adjoining John Y. Hewitt's residence.

H. B. FERGUSON, the democratic war horse of the Territory and a possible candidate for Delegate to Congress, is hourly expected to arrive as we go to press.

J. A. GRIMES and A. Sing commercial representatives of the house of Mandell Bros., Albuquerque, came in from a trip to the southern country on Monday evening.

When the building being erected for Dem is completed Ozanne & Armstrong will occupy the Bonnell building on the Avenue, originally occupied by Ridgeway.—Their goods are already pouring in.

BONNELL says he didn't buy the defunct Nugget, alias Liberal Banner outfit. Langston will so authority. It's getting so that a person can't tell whether Langston is joking or telling the truth—he indulges mostly in joking.

YES, everybody should attend the show next Saturday evening, given by the Band boys. The performance will be entirely different from the former and will be given in three parts—the first to consist of the negro element and in minstrel, the second of a Dutch character, and the third part of the Irish. Let everybody come and help the boys, the entertainment will be worth the price of admission.

ALL old settlers of White Oaks and Lincoln County will remember Lon. Edwards, who for some years past has resided in Washington. He is engaged in the general store business. Station.—In renewing his subscription to the LEADER he writes: "I see that White Oaks is soon to have a R. R., and a big boom. Allow me to congratulate you all. I am glad to hear that your prospects are so bright. I have never seen a place since leaving there that I like so well as White Oaks. I will be down to see you when the R. R. is completed. Kindest regards to all."

THE Band boys have agreed to do as appeared in President Bonnell's letter to Judge Cronin by forwarding him a complimentary ticket and a free round trip ticket from Lincoln to White Oaks, and hope that the solemnd Judge will honor them by his presence and have a good laugh all 'round. By the same token, and on the principle of all for 1st, Ed. should, on his own account and par rules of all parts, send like tokens to Mrs. McGinness.

OZANNE & Co., have reduced fare to such as desire attending the Irrigation Convention at Las Vegas on Wednesday next. The price of round trip tickets will be from

The World Enriched.

The fertilities of the present day for the production of everything that will contribute to the material welfare and comfort of mankind are almost unlimited and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently when feeling there or, in fact, at any time and the better it is known the more popular it becomes.

THE LEADER regrets to chronicle the death of Mrs. Geo. T. Ovard of this place, formerly of Roswell. Mr. Ovard, wife and children left here about a month since to attend the district court at Roswell, and on the trip Mrs. O. contracted a severe cold which led to rapid pneumonia and death.—She leaves a husband and three children.

$200 Reward for One Thieves.

The common experience of this camp shows that much is lost by the mine operators by the stealing of gold in specimens, if not in amalgam and bullion.—Therefore, the "Old Abe" Company offers a standing reward of Three Hundred Dollars for the arrest and conviction, or of information leading to the arrest and conviction of any person guilty of stealing any of the property of the Old Abe Co., even the smallest specimen of ore.—The rule of this company is to mill all specimens. Therefore none of the ore from this mine can be honestly held as specimens. And as the receiver, with guilty knowledge, is as guilty in law as the thief, this offer applies to the holder of Old Abe specimens.

NEW DISCOVERY by ACCIDENT

In compounding a solution a part was accidently spilled on the head and on washing afterward it was discovered that the hair was wonderfully restored. It is an entirely different preparation on the market and as great has been the demand that we are now laying it throughout the world under the name of Queen's Anti-Matrine.

IT IS PERFECTLY HARMLESS AND SO SIMPLE ANY CHILD CAN USE IT.

Lay the head over and apply the mixture for a few minutes, and the hair disappears as if by magic with—the slightest pain or injury to the scalp or even after wash. It works only on, or penetrates over head for a like purpose. Thousands of LADIES who have been annoyed by hair on their FACE, NECK and ARMS, adopt the matrine. Gentlemen who do not appreciate beard or hair on their pretty head & by rubbing upon it Queen's Anti-Matrine will find it very shaving, by rendering the future growth so fine as to practically prevent any unpleasantness. Use as directed. Sent by express prepaid on receipt of price of Queen's Anti-Matrine, $1 per bottle, cash in advance (or C. O. D. if you prefer). Send by express or stamped by letter with full address written plainly. Correspondence strictly confidential. Give nationality in letter mailing terms: prices paid by us (no money required). Agents wanted in every locality. Write for terms and conditions. We handle you to deal with and you will not everything as represented in every way and to-day. Address QUEEN CHEMICAL CO., 174 North Street, CINCINNATI, O. You can register your letter at any Post Office to insure its safety. Don't delay. Try to-day. If you are not satisfied with results or if you suffer any harm or slightest injury to any part of the body, we will pay you $5,000 for any cause of failure or slightest injury to any part of the body.

SPECIAL—To the latter who introduce and sell one dozen bottles of Queen's Anti-Matrine, at $1 per bottle, we will present with one dozen bottles, Extra Large Bottle and sample of Silk to select from same with order. Send Salary or Commission to Agents.
