GRAND PREMIUM OFFER!

A SET OF THE

# WORKS OF CHARLES DICKENS

In Twelve Large Volumes,

Within an Hour after Subscription to Either Paper Can be Had at the Regular Subscription Price.

Nothing so largely increases the circulation of any paper during the first few months after its establishment as a first-class premium offer. Subscribers are always pleased with it, and the paper receives the benefit of their recommendation to their friends. Other premium offers are sometimes made, but they are generally of a character that soon wears out, and the paper receives no benefit from them after the first few months. Charles Dickens was the most popular novelist that ever lived. His books are always in demand, and will be read by old and young, rich and poor, for years to come. Every family should have a set. By subscribing for the Examiner you can get a set of Dickens' works at a merely nominal price. Call at the office and examine the books, or send for circular containing full particulars.

DAVID COPPERFIELD,
MARTIN CHUZZLEWIT,
NICHOLAS NICKELLY,
DOMBEY AND SON,
BLEAK HOUSE,
LITTLE DORRIT,
OUR MUTUAL FRIEND,
PICKWICK PAPERS,
BARNABY RUDGE AND CHRISTMAS STORIES,
OLIVER TWIST AND GREAT EXPECTATIONS,
THE OLD CURIOSITY SHOP AND THE UNCOMMERCIAL TRAVELER,
A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD.

The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every book and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the moral high tone of the books preventing people in search of entertainment from enjoying their luxury. But now, owing to the use of modern improved printing, folding and stitching machinery, the enormously low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay. Every home in the land may now be supplied with a set of the great writer's works.

An eminent example of American Enterprise, Energy and Perseverance

In the hands of young men this great system has been so carefully managed that it has earned a reputation second to none for convenience, safety and the luxuries of travel. It is fast becoming the popular route for transcontinental travel, in connection with the Southern Pacific railroad.

It has opened up an almost unlimited field for pioneer enterprise in the far West. No other railroad can carry a man, who is seeking his fortune, to as many opportunities such as are open along a thousand miles of this great system.

Special freight rates are given to settlers and immigrants.

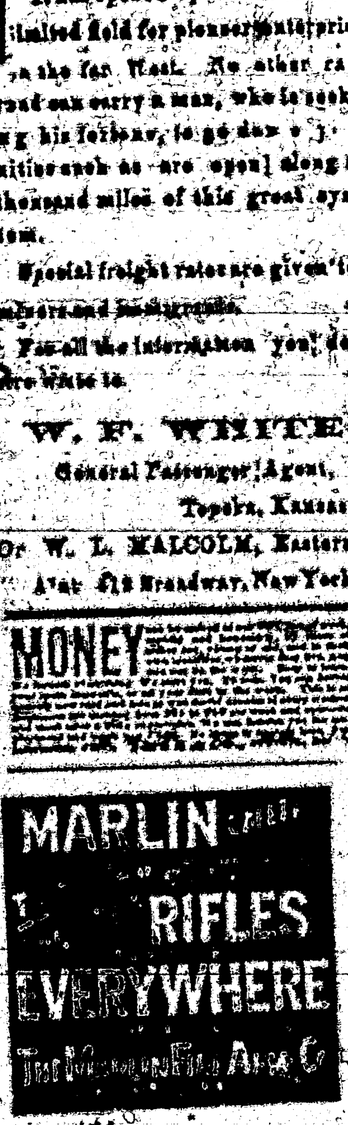
MONEY



IF YOU WANT

A first-class paper and of course you want a good one, the WEEKLY EXAMINER ranks the most conspicuously, for it is the best paper for you every reader not only of the whole West, but the best literary and miscellaneous journal published on the American continent—about as fine a publication as the Atlantic Monthly or Harper's Magazine—and often not only to you, but to every other subscriber, sent as a premium subscription.

In the first place, it gives every subscriber, one of the four magnificent etchings or paintings described below, and delivers it safely at his address, postage paid.

"The Retreat from Moscow," by Meissonier,
"The Roman Chariot Race," by A. Wagner.

Each of these pictures is finely etched, and they are elegantly reproduced by the photo-engraving process and value of the great originals, either one of which would cost by private sale,

"Women and Children First," by O. Napier Henry,
"Christ Leaving the Praetorium," by Gustave Doré.

Each of these pictures is reproduced in photogravure, size 22x28, and exquisitely suited for framing, and will adorn the walls of any home where it may be placed.

Each subscriber has the choice of any one of these four pictures, which will be mailed him in a tube direct from the EXAMINER office, as soon as his subscription is received.

In the second place, it will give 5,000 premiums valued in the aggregate at about $125,000 to its subscribers this year. If there are 50,000 subscribers, one in ten will get one of these premiums; if there are 100,000, only one in twenty. But no matter how many there are, each and every one of these premiums—which range in value from 50 cents to $5,000—will be given absolutely without cost to those of those who have paid $1.50 for the WEEKLY EXAMINER for one year. The EXAMINER is thoroughly responsible, as you know, or as Wells, Fargo & Co. or any bank or commercial agency in San Francisco will assure you, and the leading men of the city will see that the premiums are distributed strictly as agreed and that every subscriber no matter where he is located, will receive just what is assigned to him.

Of course you want your home paper also, and you can just as well as not save a little money by taking the EXAMINER with it. The price of the WEEKLY EXAMINER is $1.50 per year, including the premium-plates and your share of the $125,000 list of premiums, which are fully described in the twelve page Premium Supplement, which will be sent free on application to

W. R. HEARST, Publisher, San Francisco, Cal.

The Examiner will be sent for one year, postage paid, for $1.50, and the money to the office of the Examiner and your address given will be promptly forwarded to the Examiner, and you will receive the Examiner's numbered receipt. You can get a Premium Supplement by applying at this office.

## LOCAL ROUNDUPS.

A boy can tell what makes a girl's head ache, but he writes what makes the wish and solemn vow and resolve that he will never make another such foolish mistake.

Saturday of this week will be a pretty breezy, politically, at Lincoln.

Some very desirable White Oaks Avenue lots for sale. Enquire of Calvin Fisk.

D. A. Patterson now languishes in jail on the charge of stealing ore from the North Homestake.

Amos Eakins and family are now denizens of White Oaks, occupying the late residence of Peter Sepulver.

Last Tuesday the people of incorporated cities got politically hot. Cities of our size only get hot in the fall.

Dr. J. T. Reid, for several years a citizen of White Oaks, is now practicing his profession in Florida. His wife and step son are with him.

At the recent meeting of the Democrats of this precinct the following delegates were elected as delegates to the county convention: Jones Taliaferro, J. L. Zimmerman, Paul Mayer and Arnold Ridgeway.

There will be religious services next Sunday a. m., at 11, at the Congregational Church. The pastor will preach on the Psalms, and at 7:30 in the evening on "Christ's Public Entrance into Jerusalem." A Palm Sunday sermon. All are invited.

Mr. John H. Canning, of Ft. Stanton fame, has concluded to make a permanent move to White Oaks, where, we understand, he will engage in the boot and shoe business. He has rented the Delaney property on White Oaks avenue and his furniture has already arrived.

The application for a charter to establish an I. O. O. F. lodge for this place has been forwarded to the Grand Secretary, Jas. T. Nuhall, of Santa Fe, and ere our next paper goes to press, White Oaks can boast of one of the best secret and benevolent orders in the world. It will embrace some of our best citizens.

Mr. and Mrs. J. L. Zimmerman are now domiciled in the house formerly occupied by C. D. Delaney, the property of Mr. Ira J. Banks. Mrs. Z. has just returned from a trip to the U. S. whether she went on the wings of love to attend the bedside of a mother. She was accompanied by her sister, Miss L. Lindsley.

Recently H. B. Ferguson understood that there was a rich mica bed in the San Andreas. Not having time to exercise the promised land himself he equipped and commissioned Uncle John Waiters to take his claim touching the bearings and John found a sure-enough bed of the precious stuff which peels as thin and as transparent as that on hand here in the service of glasses purchased from those in the trade. Specimens can be seen at Parker's hard ware store, and Walter says that there is a mountain of it. This is a new industrial product, which we hail with pleasure. A rich mica bed is as remunerative as a gold mine. 'Twere better to be born lucky than rich," is a trite old axiom, and Ferguson exemplifies its truth.

Some of our exchanges attribute want of enterprise on the part of White Oaks papers because the output of our mines are not published. The fault, if there be any, does not lie with the publishers. Our mine owners hold that such information is private, not public property. The Old Abe owners are exceptions. The other mine holders have invariably declined to impart the information indicated though importuned to do so.

### Safety in the Midst of Danger

This would seem a contradiction—is so, in fact, to the eye. But experience has proved its possibility. Take the case of the traveler who dwells in a malarious region. A robust constitution to go certain defiance against the dreaded chills. What to Expected testimony, covering a period of a short of half a century, proves that Hostetter's Stomach Bitters is precisely this. This excellence does not finish the field where the medicine has proved its efficacy. In South America, the Isthmus of Panama, Mexico, everywhere in fact where miasmatic-born disease takes on its most obstinate and formidable types, the Bitters is a recognized specific for dilatability, debility, and prostration by physicians of repute. Patent, too, is it in disorders of the stomach, liver and bowels, and against that destroyer in prison. It removes appetite, nervousness, constipation and kidney complaints.

One of the most pleasant and enjoyable affairs of the season occurred last week at the residence of L. W. Stewart. It was a Phantom Party. Quite a number of our leading society people attended and the wee sma' hours appeared before the guests disappeared.

We understand that the name of John Y. Hewitt will be presented before the democratic county convention as first choice for delegate to the national democratic convention at Chicago in June. He would reflect honor and dignity on his party and the Territory.

Quite a number of consignments of freight have been received the past week by our merchants, indicating that business is good.

Don't forget to buy your drugs, patent medicines, paints, oils and brushes from the post office drug store. Jelsup for cash.

$250 Reward for Ore Thieves.

The common experience of this camp shows that much is lost by the mine owners by the stealing of gold in specimen rock, it not in amalgam and bullion.—Therefore, the "Old Abe" Company offers a standing reward of Three Hundred Dollars for the arrest and conviction, or on information leading to the arrest and conviction of any person guilty of stealing ore of the property of the Old Abe Co., even the smallest specimen of ore.—The rule of this company is to mill all specimens. Therefore none of the ore from this mine can be honestly held as specimens.
