It makes such a grand appearance and is, much nicer.

There was additional oiling on Walnut and fifth streets. This oiling was very much needed in connection with the first contract.

#### BARNHILL - JOHNSON

Mrs. Marilyn Barnhill and Mr. Don Johnson of Clovis were united in marriage, at 2:30 p. m. on December 31, 1947. The marriage was solemnized at Fort Sumner, with Rev. John Klaxen, pastor of the Methodist church as officiant. The contracting parties were attended by their friends, Mr. and Mrs. J. F. Barrett of Postales.

The bride was becomingly attired in a marine blue suit with black accessories and gardenia corsage. For something borrowed she wore a ring of her mother's set which have not previously reported were black onyx and which had been given Mrs. Hemphill by her son Lt. (J. G.) J. I. Hemphill when he graduated from Annapolis. For something old she wore an old coin from the Pacific war zone given her by her brother Robert Hemphill. For something new she wore the groom's gift to the bride, an elaborate bracelet and matching earrings set with rhinestones.

The matron of honor was wearing a brown suit, with brown accessories and a carnation corsage.

The bride is the daughter of Mr. and Mrs. R. C. Hemphill formerly Carrizozo, but now of Vaughn. She is charming, accomplished and popular.

The groom is a son of Mrs. T. B. Hutchins of Clovis. He has a responsible position with the Santa Fe Railroad Company, and is highly regarded by his associates as co-workers.

Following the ceremony they left at once for a wedding trip to several points of interest in New Mexico and Oklahoma. At the conclusion of their trip to Oklahoma they will be at home in Clovis.

Carrizozo is to have a new, modern Ford Motor sales and service establishment it was announced this week. A \$100,000. corporation to be known as Lincoln County Motors, Inc., has been organized and architects are now at work on plans for one of the largest and most modern buildings in the Southwest which is scheduled for completion before June 1.

The new Ford Plant will be located on the present site of the Phillips 66 station operated by Mr. Clifton "Cliff" Zumwalt. Mr. Zumwalt has merged his business with the Ford dealership which was taken over last week by Chester Foust and C. E. "Skip" May.

Until the new building is completed, the new Ford business will continue operations from the old place and also from the Zumwalt station. The merger, it was stated, gives Lincoln County Motors, Inc., a volume of business adequate to guarantee success for a fine modern sales and service station.

Chester Foust is president of the new company, Mr. May is vice-president, Mr. Zumwalt is Treasurer, and Attorney D. R. Brenton Secretary.

Lincoln County Motors will have associate dealers in Ruidoso, Honda, and Corona, Mr. Foust stated. Particular attention will be given to Ford tractor and implement service it was stated.

Mr. May announced that in connection with the national introduction of a new line of Ford trucks, he will display a 6 cylinder, half-ton, pick-up which is expected to be here January 15. This truck will be on view at the old Ford building.

Mr. Zumwalt is to have complete charge of service and repair work for Lincoln County Motors, Inc.

"This new set-up gives Lincoln County what car, truck and tractor owners have long deserved," he said. "Brand new shop equipment, and a full stock of parts and accessories, with fine all-weather working conditions will make it possible for us to do work at lower cost to owners. We will have every facility to be found in El Paso or Albuquerque, with a separate shop for body work, a modern spray paint section, and the latest instruments for diagnosing motor ailments."

Mr. and Mrs. Zumwalt will take a brief vacation while the new company's affairs are being rounded into final shape.

Beliefs That Matter.

Lesson for January 4, 1948

THE first three months of 1948 will reintroduce us to some of the great Christian teachings in regard to God, Man, Salvation and Christian Living. While many of us have studied these great teachings again and again, we shall be greatly profited in the lessons of this quarter, looking at life in today's changing world in the light of these timeless truths.

Dr. Newton "And many other signs truly did Jesus in the presence of his disciples, which are not written in this Book; but these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name," John 20:30, 31. "Take heed unto yourself, and unto the doctrine; continue in them; for in doing this thou shalt both save thyself, and them that hear thee," 1 Timothy 4:16.

The Story of Lydia

SEE how the above truths are borne out in the story of Lydia, Acts 16:11-15. Here was a prosperous business woman, making an honorable living, "whose heart the Lord opened." Paul taught her the way of salvation. She and her household were baptized, she took Paul and his helpers into her home, and became a tower of strength as the Gospel was being spread throughout Europe.

Lydia was not attracted to Paul by his eloquent preaching, but by the story of God's love which Paul faithfully gave. And when she had been saved, she began immediately to translate her faith into works.

Proving Our Beliefs

JUNIOR boys and girls will like this story about Lydia because it is practical. We can see a woman opening her home to the preachers of God. We can see her in her place of business, inviting her customers to come and hear Paul preach. She was a living sermon.

Every junior boy and girl in every Sunday school in the United States can render the same vital service during 1948. There are literally millions of boys and girls in this country who have never been to Sunday school. They do not know anything about a Sunday school, but they would like to know.

You can start a movement in your community that will solve problems that the mayor and police cannot solve. They will thank you for your help, and God will bless you in time and eternity. Invite that neighbor boy or girl to Sunday school.

Belief Makes a Difference

YOU are what you believe. Ask the football or basketball coach. Ask the man who teaches people to fly planes in your community. You are what you believe. "Every one who believes that Jesus is the Christ is a child of God," 1 John 5:1.

And it matters greatly what you believe. You can go wrong very easily by believing what is false about God, just as you can go wrong very easily in flying a plane by failing to believe the right thing about the laws of physics.

Beliefs That Matter

JESUS is the Christ, the Son of God. That is the number one belief that matters. It was so on the day when Jesus announced, "On this rock I will build my church," Matthew 16:18. It is absolutely basic in every relationship of life.

I meet with business and professional men every day, in widely varying walks of life, who tell me that they are sustained by this belief. During the recent war, men lived in this basic belief. In these trying days at hand and ahead, better let Jesus as the Son of God be the norm. We cannot face these difficult days without this anchor. And all this quarter we shall be studying, Sunday after Sunday, this great truth and those that grew out of this fundamental concept.

What a privilege to teach this great truth! The Sunday school teachers of our country are the most important single group we have. By their voluntary service, they are pointing our people to the one sure road that leads to the City of God. My prayer is that they shall daily seek to qualify under the formula of 1 Timothy 4:16. "Take heed unto yourself, and unto the doctrine; continue in them; for in doing this thou shalt both save thyself, and them that hear thee."

Instead of riding romantically toward the purple sunset, cowboys are now frequenting New York's Stork Club to serve as judges of women's fashions. Attired in the traditional ten-gallon hats, and without even a sheepish glance, they trooped into the Stork Club to serve as judges of Cosmopolitan magazine's male-tested fashion show. **EXTENSION TAKES WINGS TO BACK FLYING FARMERS**

The New Mexico Extension Service took to the air in December when Associate Director G. L. Boykin announced that the agricultural organization will sponsor the rapidly growing Flying Farmers Association in this state.

The sponsorship grew out of a request of the New Mexico Flying Farmers Association at its second annual convention at Carrizozo Nov. 30.

In taking the Flying Farmers Association under its wing, the Extension Service will instruct its county agents and specialists to teach the benefits to be gained from the use of airplanes in farming and ranching. Boykin said. "We shall also acquaint farmers and ranchers with the objectives, and the regulations of the New Mexico Flying Farmers Association," he added.

One objective of the NMFFA is to promote the development of landing strips on farms and ranches in order to encourage air travel in rural areas, Boykin said. One of the resolutions passed at the Carrizozo convention asked New Mexico A & M College keep its airfield landing strips in good condition so that farmers and ranchers can land and take off on their frequent visits to the college.

## New Guidebook Sells Southwest

Requests Lured by Hidden Treasures, Rodeos, Fiesta, Fair

**ALBUQUERQUE.**—Three big states—Arizona, New Mexico, and Texas—have been stacked in a three-decker sandwich to tempt the appetite of everyone who loves the flavor of this country. This giant barbecue is concocted by Oren Arnold, Texas-born Phoenix author, in "Sun in Your Eyes," a book just released by the University of New Mexico Press in Albuquerque.

"Sun in Your Eyes" sums up Oren Arnold's years of enjoying and exploring the Southwest from Houston to the Grand Canyon. Twelve books, plus magazine articles from *Saturday Evening Post* to *Holiday*, make Arnold the Southwest's best publicity man. Of the 8,000 people who seek the "Lost Dutchman's" gold every year, Arnold claims to be the only one who got any good out of it. His stories of the mine have netted him \$14,000 to date.

Illustrator Lloyd Loxea Goff, Dallas-born, obliges with 22 color drawings packed with the true flavor of cowboys, Indians, prospectors—the characters Oren Arnold calls "the most picturesque Americans." Goff studied in Paris and New York, and his pictures hang in the Metropolitan Museum and in the Dallas Museum of Fine Arts. The book is not only a wise guide for the tenderfoot—it tells the old timer a thing or two. Rodeos, Aztec notes, started about 1870. "How and Why to Square Dance" gives one itchy feet. The yarns of Indians, ancient and modern, and old missions like the Alamo and Tumacacori, are an insight to his-

story. Arnold tells how to build a ranch house, grill a steak, join in fiesta revelry, or buy a souvenir, in fact, how to enjoy the Southwest. "Those who remember his best seller 'Hot Irons,' will turn at once to the cattle brands. There are sharp pointers on cactus land, where it's so hot that "when a coyote chases a jackrabbit, they both walk."

Arnold gives us Phoenix through the eyes of Adaline Gray, who on her eighty-second birthday took an airplane ride over the town she founded in 1870. She watched it grow to a metropolis of 200,000. Mrs. Gray once shot a horse thief, then bandaged his wound. "Now the Dallas Museum of Fine Arts, 'giti!' she told him. "And if I ever see you in Arizona again, I'll shoot and do no doctorin'."

The University of New Mexico Press performed a service when it commissioned two experts like Oren Arnold and Lloyd Goff to build a fresh and exciting book on the Southwest. "Sun in Your Eyes," 262 pages, sells for \$3.50.

minate in a state-wide Lincoln's Birthday dinner in the Hotel Hilton, Albuquerque which will be addressed by an outstanding national Republican statesman from Congress.

Mr. Champion was chosen State Chairman last August and has traveled almost 15,000 miles in New Mexico since that time in behalf of the Party organization. He has interviewed 2500 Republican leaders and has visited over 200 cities in the course of his duties as chairman. On November 22 in Albuquerque the State Central Committee of 150 members who chose him for chairman heard his report and his plans and gave both unanimous approval.

## BACKWARD GLANCES

### FORTY YEARS AGO FROM 1908 CAPITAN NEWS

It is not often that one runs on the genus hobo in Capitán, it being off the regular route of the rain bow chaser, but a couple of well developed specimens blew in from the west the first of the week. When asked if they could find no work, one of them replied: "Yes plenty of work, but no money—that is not enough. A guy over at the Vera Cruz offered us \$2, per, but we passed it up. At Watson's Lake reservoir we were offered work at a dollar six bits. Well, we didn't say a thing to that rooster, just told him to go to heaven."

We asked "but would not \$2.00 be better than nothing?" "Oh yes, if you look at it that way, but we generally manage to get three 'squares' a day, and pick up a few quarters on the side, we don't have to work for two plunks—no shree". We like to help an unfortunate in distress, if we think he is deserving but it is not always as easy to distinguish the counterfeit from the genuine as it was in this instance. They met with a cold reception here and agreed to cut a little wood in return for a meal. When the lady of the house went out to the wood pile, they had gone. They left the saw, however, attached to which was scribbled, "Oh tell them that you saw me, but you didn't see me saw."

### STATE REPUBLICAN CENTRAL COMMITTEE PLANS SERIES OF MASS MEETINGS, BANQUETS

"We are building a 100 percent loyal and efficient organization in every county and in every precinct in New Mexico and we are doing it months before the primary to insure success at the polls in November 1928," said Gerald D. Champion, State Republican Chairman, in a statement issued today. "We do not intend to be caught too little too late. Instead we plan to have plenty and on time. Every Republican County Chairman has agreed to support this pre-primary organization so that when our candidates have been selected we will be prepared to give them state-wide backing in every precinct.

"Many dissatisfied Democrats who are fed up with the remnants of the New Deal and who are opposed to the present state administration in Santa Fe are coming to us offering support," he added. "The voters of the nation are increasingly realizing that our national security depends upon a Republican President supported by a cooperating Republican Congress. "We are taking our case to the voters in New Mexico in a series

of mass meetings and banquets which will be held in every county and city early in 1928, beginning with a meeting of the State Republican Executive Committee in Albuquerque on January 6".

Mr. Champion announced the following plans have been completed. January 7, all County Chairmen meet in Albuquerque. January 8, a rally of Bernalillo County in Albuquerque. January 9 a mass meeting in Hobbs. January 14 a banquet in the Crawford Hotel in Carlsbad. January 15, a banquet in Roswell. On January 16 the citizens of Otero County are giving Mr. Champion a testimonial dinner at the Woman's Club in Tularosa where he has lived for 35 years and which city he serves as mayor.

January 21, Silver City would have a mass meeting in the Woman's Club building. Deming will hold a dinner the night of January 22; and Hot Springs will have a noon dinner January 25 at the Southern Hotel.

A banquet will be held in Las Cruces January 26 and one in Hatch on January 27. Carrizozo has announced a mass meeting for January 28; Ruidoso was selected January 29 for a banquet and January 30 a mass meeting in Hondo. This series of meetings will cul-

minate under the Vocational Rehabilitation Act (Public Law 16) for disabled veterans.

**Methodist Church**

Rev. Howard S. Pitts, Pastor

Trinity's Church school teachers, in a determined effort to bring much-needed Christian training to Carrizozo's children, have decided to devote one evening each week to group study. Together, they will take a correspondence course on "Teaching in Church School". The pastor will lead the discussions.

At an enthusiastic meeting of the Official Board last Monday night Mrs. Claude Brannum brought to light the problem of heating the church by suggesting that the ranchers, who are known for their heart-warming camp meetings, might wish to make the installation of floor furnaces their special contribution. Under her courageous leadership the emergency of our heating problem is being met. The Board accepted with gratitude her thoughtful plan.

The Board also expressed appreciation to Carrizozo's firemen for saving the church from burning down last Saturday. All members of the Fire Department will be honored guests at a pot-luck supper on February 8th.

We welcome the new Baptist minister, Rev. Jessie Allen, and pray that he will succeed where many have failed in leading our town to follow Christ. We are glad the Methodist parsonage can be used by him and his capable wife.

Omer Spurlock will lead the Bible Discussion Group Sunday evening at the church at 8:30. The topic: Romans 3.

The Youth Fellowship will hold election of officers at their meeting Sunday night, 7-8:30, at the Women's Club. Coach Heick will be leader of games, and the committee in charge is composed of Pat Reil, Eugene Degner, and Elaine Shultz. From 8:30 to 9:00 the pastor will lead the devotional in the church sanctuary on: "Loving the Unlovable". To this service adults are invited to come and sit in the rows behind the young people.

We are pleased to announce that twenty new hymnals have arrived thanks to Omer Spurlock.

Sunday is "Christian Advocate Sunday" at Trinity, and it is to be hoped that many will subscribe to this, the magazine of Methodist.

The anthem Sunday will be "Let the Lower Lights Be Burning". The children's sermon: "The Flood and Noah's Ark... And, the sermon: "Christ and Communism".

A closing thought: "Man cannot live by bread alone, but by every word which proceedeth out of the mouth of God".

**TWENTY-NINE WHOLESALE AND RETAIL CONCERNS IN STATE AS OF NOVEMBER 1**

Continued business growth in New Mexico is reported by Benjamin D. Luchini, Chairman-Executive Director of the Employment Security Commission of New Mexico. He reports that from October to November 1947, there was a net increase of 105 covered employers in the state. The increase occurred in all industry groups except manufacturing, which shows a net loss of two units. The largest increase is shown in wholesale and retail trade with a net increase of twenty-nine establishments, while the construction industry shows a net increase of twenty-six. Twenty-six of the 105 firms are located in Bernalillo County. The next largest number, thirteen, in Eddy County.

Unemployment benefits paid in November by the Employment Security Commission followed the seasonal trend of October, increasing by 4.6 per cent both for veterans and non-veterans. The construction industry workers received the largest per cent of the total benefits paid. The industry naturally curtails employment during the winter but in addition, was forced to lay off workers during November because of the shortage of cement. Workers from wholesale and retail trade received the second largest amount of benefits.

The New Mexico State Employment Service, which is a division of the Employment Security Commission, has a program for visiting employers to assist them with their staffing problems, Luchini reported. During November, the twenty-five local offices located throughout the state reported 3,010 visits to employers, which resulted in 4,331 job openings for workers. There were 3,940 placements made by the Service during the month, of which 1,927 were veterans, 708 were women.

There's not much new under the sun in the automobile design, according to Ford general sales manager, Walker A. Williams. He says the 1948 Benz had a gearshift lever mounted on the steering column. The 1949 Schaud had a rear engine. The 1949 Carter had an infinitely variable transmission, not quite a fluid, hydraulic or automatic drive, but pretty close to it.

Henning, Secretary of the New Mexico Cattle Growers Association. The group headed by George A. Godfrey, Animas, President of the state association will include: A. D. Brownfield, Desiring and Albert K. Mitchell, Albert, both past presidents of the national organization.

**Capitan Methodist Church**

Rev. F. J. Johnston, Pastor

Next Sunday our church will gather to celebrate the holy communion. On the one hand it seems a bit inappropriate to observe a memorial so soon after the celebration of Jesus' birth. On the other hand the fixing of loyalties early in our new year and the dedication of our selves to these chosen loyalties are of great importance. It is of importance that a person is born but it is of greater importance the way that life is lived.

With the latter idea before us we will present the Sacrament thus early in this year of our Lord hoping for many acceptances of the Jesus' way and many dedications

or re-dedications thereto. All believers who desire that Jesus should be remembered by men and wish to honor Him are invited to join with us in this service. May we have a fine rallying of believers. There will be a short sermon if time permits. Please come.
