Glencoe Girl Captures Legion Speaking Contest

Rowena Coe, daughter of State Senator and Mrs. Will Coe, Glencoe, won the Area C oratorical contest sponsored by the American Legion at the third year it was increased to \$271,000, placing us among the first five states in the Union in the amount of our national advertising expenditures. I believe everyone in the state is aware of the results we have obtained.

In order to help keep our visitors with us a little longer, we are resuming the program of marking all the scenic points of interest. I have also suggested to the Tourist Bureau that markers be erected at the city limits of all towns and cities in New Mexico, which desire them, giving pertinent data about all our towns and cities. This will, naturally, be a long range program and may take sometime to complete.

All authorities who have spoken on the subject have rated our Tourist Bureau as tops in the nation and our tourist business as our largest cash crop. Your state government will continue to do all within its power to encourage greater travel to New Mexico and a greater length of stay by those who do come.

Good government, fair and reasonable taxes, schools, churches, opportunity to earn a livelihood and a healthy atmosphere for rearing a family are the things we have waiting to those looking for a new home.

Ever since the automobile became available to the average wage earner, travel has become a major factor in our economy. The growth of recreational travel has done much to help the prosperity of New Mexico and to help develop our state. It is estimated that tourists spent in New Mexico last year alone \$135,000,000.

Several years ago (in 1935) the state itself took action to encourage a larger flow of recreational travel to New Mexico. This was done by means of a national advertising campaign. We all can see the scores of new businesses which have grown up along the highways directly to service the tourists. The many millions of dollars which our visitors spend here, in one way or another, helped every community and almost every individual.

The growth of this non-resident travel has been consistent over the years. In 1935, about 900,000 non-resident motor vehicles entered the state. By 1949, this number had increased to 2,211,000. These vehicles carried nearly 6,000,000 people. The expenditures made by this great host of travelers increased from around \$40,000,000 in 1935 to more than \$135,000,000 in 1949. Tourists pay approximately one-third of our gasoline tax and this way help finance our highway construction program. Our visitors also help finance our public schools through their purchases and their payment of the 2 per cent school tax. Incidentally, gasoline tax collections, on a 5 cent per gallon basis, have increased from \$3,124,000 in 1935 to \$10,107,553 in 1949 more than 220 per cent. I think this points up better than any one thing, the tremendous growth and volume of this business.

Incidentally, during this same period, motor vehicle registrations in New Mexico increased from 92,000 to 219,000, or 127 per cent.

I recommended to the Highway Commission—which finances the State Tourist Bureau—when I first took office, that our national advertising program be stepped up. The first year that I was governor, we spent \$150,000 for national advertising. The second year this was increased to \$151,000 and

Insurance calls
for foresight

Maybe it takes a pessimist—at least a realist—to foresee the need for complete insurance protection.

But there is nothing that will do as much to make an optimist out of anybody as insurance. For insurance absolutely wipes out many fears.

For example: any boiler or hotwater system can pop its seams any minute... so a wise man pessimistically imagines such a misfortune and optimistically purchases inexpensive America Fore Insurance to protect himself against it. Let's talk this over.

Local Parent-Teachers Sponsor "Dad's Night"

The Carrizozo PTA sponsored a "Dad's Night" at their last regular meeting which was held Monday night at the grade school auditorium. New officers for the coming year were elected during the business meeting. The new officials are: Mrs. W. H. Ricker, president; Mrs. Walter Lenard, first vice president; Mrs. Elva Wilson, second vice president; Mrs. Lloyd Vigil, secretary; Mrs. Elizabeth McVeigh, treasurer; Miss Daisy Dickenson, historian; Mrs. L. Z. Manire, parliamentarian.

W. K. Myers, grade school principal spoke on "Problems of Education in New Mexico." Myers pointed out four basic needs which must be met to insure a sound school system in New Mexico. He stressed the necessity for each child receiving nine months of school each year for 12 consecutive years in adequately equipped school-rooms, and under the supervision of qualified teachers, whose working conditions were conducive to good teaching.

Myers explained the battle that has been waged by the Association of Teachers to secure adequate salaries and other benefits commensurate with their profession. He pointed out that although the school load was increasing steadily, funds were decreasing in proportion, and that it behooves parents and civic minded individuals to guard against possible efforts to divert school funds for other purposes.

At the conclusion of Myers' speech, a technicolor film, "Shortest Way Home," was shown. The film was a travelogue of scenic attractions in the various states of "our amazing America."

At the close of the program, refreshments of sandwiches, coffee, cookies and punch were served by the refreshment committee, of which Mrs. Jess Garrison served as chairman. The menu for the PTA dinner on March 17 was announced.

The dinner will be held from 5:30 to 8 P. M. in the Carrizozo Grade School lunch room. The ladies of the organization have planned a mouth watering menu of chicken pie, meat loaf, creamed potatoes, beets, green beans, ice cream, tea, coffee and Kool Aid. They promise large portions for a very reasonable charge.

The public is urged to support this PTA group in their worthy project of providing funds to be applied in purchasing equipment as needed for the local schools.

Mass To Be Celebrated For Late Art Rolland

On Wednesday, March 22, at 7 A. M. Father V. de Baca, Santa Rita Church, will officiate at a mass to be said for the late A. J. Rolland, who died shortly after midnight March 11.

Father de Baca invites the friends of the deceased to attend the mass, which will be given at the Santa Rita Church, Carrizozo.

The sisters of Santa Rita parish and the children in the upper grades of Santa Rita School visited the Kelley Funeral Home on March 14 to recite the rosary as a token of their appreciation for the many favors bestowed on them in the past by their good friend, Art Rolland.

The sisters and the children of Santa Rita School explained Mr. and Mrs. Rolland had been kind benefactors to their school, and they were greatly indebted to them. The sisters and the school children also expressed their sympathy for Mrs. Rolland and the family in their bereavement.

Funeral Services Held Tuesday For A. J. Rolland

Rolland is survived by his widow, Mrs. Badie Pace Rolland, two daughters, Helen Rolland Ardaña, Albuquerque, Mrs. Poe Corn, Roswell, and a step-son, Walter LaFleur, Lordsburg. More than 3,300,000 disabled veterans and dependents of deceased veterans were on Veterans Administration pension and compensation rolls at the end of 1949.

Noted Surgeon—

(Continued from Page 1)
sen. post medical office, chief of Federal Housing Authority Clinic of Medicine and Surgery and in his "spare time" did a lot of major surgery due to the illness and sudden death of his chief surgeon.

A great honor was conferred on Dr. Townsend about that time, when he was elected to a fellowship in the Founders Group of the American Association for the Surgery of Trauma.

The sudden and tragic death of Dr. Archer at Fort Stanton created a vacancy and Dr. Townsend was appointed medical officer in charge June 15, 1947, taking over on that date. Many improvements were carried out during the near three years of Dr. Townsend's stewardship at the Fort. Roads fixed, eliminating lots of dust; remodeling kitchen, movie show house, Bay Scouts "Den," making best lawn hereabouts, new sidewalks on parade, having most of whole plant painted, especially the hospital and dining room with the eye resting blue and ivory colors, remodeling laboratory and X-ray.

Dr. Townsend's whole U. S. Public Health career was very commendable, according to the bureau in Washington.

When leaving Mobile, the Chamber of Commerce of that city presented a certificate attesting to the fine work of both Dr. and Mrs. Townsend to the whole community.

Leaving Fort Stanton, the doctor and his lovely, charming and ever willing to lend a hand wife will leave behind them a host of friends who are loath to part with them. Dr. and Mrs. Townsend have two children, John Bill, who is married, has a daughter, Ocie Ann, and lives in Mobile, Mary Ann, now working at the Fish and Wild Life Agency of the U. S. Department of the Interior at Atlanta, who was formerly her father's secretary at the Fort.

The whole community will miss Dr. and Mrs. Townsend, both being civically minded, the doctor a member of the board of directors of the Capitan Chamber of Commerce and Mrs. Townsend ever ready to help out with any worthy cause.

Fort Stanton's loss is a real gain for Ringgold, Ga.

Ruidoso Man Candidate For County Commissioner

This week, W. A. Hart, Ruidoso, announced he has filed for county commissioner, District 3, on the Democratic ticket.

Hart has been a resident of Ruidoso for the last 15 years and of the state for 20 years. He is presently engaged in the retail drug business in Ruidoso. Hart is married and the father of three children.

Hart has taken an active interest in Lincoln County civic affairs, and is thoroughly familiar with its metropolitan and rural problems. He stated he is particularly interested in securing better rural roads.

Hart is convinced New Mexico has an opportunity to secure a major portion of the improvements scheduled by the government during the next few years and promises to attempt to share for Lincoln County a goodly share of such improvements.

Pete Romero Candidate For County Commissioner

Entering the race for county commissioner in District 1, Arabela, is Pete Romero, Democrat.

Romero states this is the first time he has sought election to any public office. He added he was born in Pichacho in 1892, and reared in Lincoln County, where he attended school.

Romero is married and the father of two sons. He stressed the fact Lincoln County is greatly in need of good farm to market roads, and he will exert every effort toward achieving the construction and repair of such roads.
