Capitan Seniors Plan Activities

The seniors of Capitan Union High School have plans for a very full three weeks from now until May 24. On Saturday evening, May 5, the junior-senior prom will be held in the high school gymnasium. Everyone is looking forward to a lovely evening.

On Tuesday, May 16, the seniors, accompanied by Mr. and Mrs. L. W. Clark, will leave for Chihuahua, Mexico, for the annual senior trip. Their trip below the border has been arranged by the Fuller Travel Agency of El Paso. They will spend two nights in the lovely Victoria Hotel in Chihuahua and enjoy sightseeing tours for three days under the direction of a very capable Mexican guide. They will return to Hotel Paso Del Norte in El Paso on the evening of May 18 to spend the night, returning to Capitan the following day.

Sunday evening, May 21, at 8 o'clock, Rev. Graves of Ruidoso will conduct the baccalaureate service in the high school gym.

Monday evening, May 22, the senior girls are to be honored guests at a banquet arranged by the Capitan Woman's Club. Mrs. Roy Morgan is in charge of the banquet, to be served by the ladies from the Methodist Church. Mrs. Dorothy Guck is to be toastmaster for the occasion, which will be held in the new school cafeteria. On the same evening senior boys are to be entertained with a dinner by the Capitan-Fort Stanton Lions Club. Tuesday, May 23, 8 P. M., the commencement address will be given by Dr. Floyd D. Golden, president of Eastern New Mexico University. Dr. O. Murphy, president of the high school board of education, will award diplomas to the following students:

Loretta Beal, Helen Chavez, Richard Chavez, Evelyn Cheney, Mary Ann Cox, Virginia Gomez, Vada Lou Morgan, Ruth Morris, Seney Trujillo, Doyle Cozzer, Teddy Cummins, Guy Thomas Howard, Joe Padilla, Bobbie Pebles, Andy Peralta and Luis S. Vigil.

Conrad Quinney New Manager Espee Hotel

Western Commissary Company announces the appointment of Conrad (Con) Quinney, Sacramento, Calif., resident manager of the Southern Pacific Hotel and Dining Room. Quinney has had many years experience in this line of work on the West Coast. His home state is Utah, where he was engaged in commissary work until transferred to Sacramento during the early years of World War II.

Quinney arrived at an opportune time. Almost immediately after his arrival, Dwight Clarke, official of the company, received a telephone call a cook, working at one of their operations about 100 miles east of El Paso had become ill. Clarke left late Wednesday night to take a substitute cook to the camp.

Lions, Local Businessmen Repair Highway Sign

The Carrizozo Lions Club have had the sign at Hondo repaired. The sign appears at the forks of Highways 380 and 70, although actually it is a sign for Highway 350. The sign was contributed by the Carrizozo Business Men's Club, which is no longer active. John Harkey, Carrizozo, furnished the necessary lumber for the repair work, while C. A. Snow, also of Carrizozo, provided the transportation of materials and workmen.

County Chairman Denies Attending Chavez Meet

Carl E. Ness, Lincoln County Democratic chairman, told The News-Outlook this week he did not attend a meeting of the Chavez faction on April 23, as stated in a recent Associated Press story.

Ness was listed by Dennis Chavez Jr. in the story as one of a number of Democratic chairmen or their proxies who had indicated support for Judge Chavez.

Ness informed the Associated Press he was not present at the meeting, and had no proxy there. He added he is definitely a Miles supporter, and that Miles is in the campaign to stay.

Data Sought For Story On Nalda Murder Case

Havelock Baillo, who writes for the Dell publications, is planning a story on the Nalda murder case which is expected to appear in a Dell publication at a later date.

His representative, Mrs. Patty McKenzie, Marfa, Texas, was in Carrizozo Wednesday gathering data to be used by Mr. Baillo in his story. While here, she took pictures of S. M. Ortiz, Lincoln County sheriff, Herbert Douglas, state patrolman, and Clyde Atwood, deputy sheriff, Lincoln County.

The foregoing officers were in the posse that captured Valeriano Alaniz and Luis Campos, later convicted of the murder of Pierre Nalda, Lincoln County rancher.

Mrs. McKenzie also made pictures of some of the state's exhibits - including the murder weapons, which were introduced as evidence at the trial last March.

She secured copies of all issues of The Lincoln County News which carried stories in connection with the case and said she will inform The News-Outlook the name and date of the Dell publication in which Mr. Baillo's story will appear as soon as such information is released to her.

Carrizozo Girl Selected For College Band Tour

Carrizozo's Hope Snow Evans was among the New Mexico Western College musicians making a three-day band tour this week.

The group left Silver City April 30, and scheduling permitting, a tentative arrangement was for the band to play an engagement in Arizona Thursday.

Mrs. Evans' husband, William, also made the tour in the percussion section of the band.

The band spent last Sunday night in Albuquerque. The following schedule was observed: May 1, Belen at 9 A. M.; Socorro at 11 A. M. and Hot Springs at 3 P. M. The musicians spent Monday night at Alamogordo and played there at 9 A. M. on Tuesday. From Alamogordo, they went to Tularosa for an engagement at 10:30 A. M. and on to Anthony for a 3 P. M. program.

Tuesday night was spent in Deming where the band gave a concert at 9 A. M. on Wednesday, another at Lordsburg at 11 A. M. and the third was played at Virden at 3 P. M.

A special traveling exhibit was set up at various stops, which depicted a graphic and pictorial display of the college's various academic and social phases.

Auto Dealers Invited To Carlsbad Conclave

Automobile dealers in Lincoln County are included in an invitation to attend a general discussion of motor vehicle procedure at Carlsbad Saturday, May 6, at which four other counties will be represented.

According to Mrs. Eulalie Lacy, local distributor, the meeting is the first of its kind in New Mexico, and is designed to help standardize procedures. It will be held between 10 A. M. and 4 P. M. in the Community Room of Southern Union Gas Company.

Mike Gallegos, commissioner State Motor Vehicle Department, is scheduled to address the group as is Attorney Howard Bratton.

Santa Rita To Celebrate Fiesta May 10-11

The annual Santa Rita Fiesta will be celebrated May 10 and 11 with religious ceremonies. Solemn vespers will begin at 7:30 P. M. on May 10, after which a procession will be held.

Holy mass will be celebrated at 6 A. M. on May 11, and solemn mass will be said at 10:30 A. M.

Father Vito C. de Baca will serve as celebrant, and Father Joyce Finnegan will deliver the sermon.

Leaves Hospital

Vernon Petty, Carrizozo mayor, returned this week from a short trip to El Paso and Hot Springs. The mayor took his father, J. F. Petty, to Hot Springs where he will convalesce from a recent illness. He had been in a hospital in El Paso.

Prepare Now For Tourists: Earp

President Claude Earp, National Highway 54 Association, urges members of the association to assist their community in planning for tourist trade this year. Earp stated inquiries indicate the season's travel will be heavy this year and that communities should prepare for it.

He suggested members of Highway 54 Association meet with service station attendants and operators, cafes, stores, shops and operators of hotels and tourist courts in order to give them information for dissemination to tourists. Earp pointed out definite proof had been established by the Resources and Development Commission in Missouri that with proper courtesy and attention visitors would return again and again to a community. He added the return visitors to any community were the ones that counted most.

Earp also stated the advantages of travel over Highway 54 appeared in an advertisement in the May issue of Holiday magazine. He said the advertisement had proved most effective inasmuch as they had received 54 requests for maps and stickers by April 17, although the magazine only reached the stands between April 15 and 17.

Since then, Earp related, inquiries have been running 25 per day. He said he could not hazard a guess regarding the number of inquiries they will receive when their big advertising program in magazines, radio and newspapers gets underway.

Odd Fellows Plan Fish Fry For Saturday

The Carrizozo Odd Fellows will enjoy a repeat dinner invitation Saturday, May 13. Dr. E. A. Grissom is the local group's benefactor. The good doctor went to Mexico recently on a fishing trip, previous to which he rashly extended an invitation to fellow lodge members to partake of the results upon his return.

Dr. Grissom's fishing trip was not a success but the purchasing trip upon which he later embarked was decidedly so, and the Odd Fellows will finish the generous supply which he provided.

B. G. Barnum, noble grand, stated the fish will be prepared by the chefs at the Southern Pacific Dining Room and Coffee Shop, who cooked the fish served at the first dinner.

Woman's Club Hosts At Baccalaureate Breakfast

The members of the Carrizozo Woman's Club were hostesses to the graduating class of the local high school at breakfast last Sunday morning. Faculty members present were Miss Daisy Dickenson and Raymer Shaw.

The class colors of blue and gold were used to decorate the tables, and centerpieces were yellow roses, the class flower. The guests were enthusiastic consumers of the plates of ham and eggs and hot biscuits with jelly that were placed before them. The guests were seated by means of placecards depicting miniature boy and girl figures at attention. The colors used for the placecards were blue and gold also.

Mrs. Elva Wilson, Omer Spurlock, Lewis Farris and J. E. Thornton were hostesses in charge.

Glencoe Woman's Club Celebrate Anniversary

The Glencoe Woman's Club celebrated their twenty-fifth anniversary on May 3 with a 1 o'clock luncheon and program in honor of its founder, Mrs. Ora Tully. Past members were invited to address the club, and a program of music was presented.

Mrs. Elva Wilson, Omer Spurlock, Lewis Farris and J. E. Thornton were hostesses in charge.

Guests from Tularosa and Roswell were present also.

Dog Licenses Due June 1

Carrizozo city officials wish to remind local residents dog licenses are due June 1 and should be secured prior to that date.

City Council Meets With REA Attorney

Allen D. Walker, attorney for the REA cooperative in this district, appeared before the local City Council at their regular meeting Monday night. Walker told the council something of the background of the REA, stating it was formed in 1940, and outlined the construction work done in the area since that time.

Walker informed the group the source of power at Alamogordo should be sufficient for the needs here, and additional power would be available to come from Elephant Butte Dam through Alamogordo, the substation at Three Rivers of Oscura.

The REA is of the opinion the area can be developed, presumably by irrigation through electric power. However, Walker stated such development yet remains to be proven. The attorney said his board would have to convince Washington there was an adequate demand for REA service to justify the necessary expenditures for purchase and development.

T. E. Kelley questioned Walker about rates and service. Walker informed the councilman Elephant Butte has a standby contract with El Paso Electric, and a drought at Elephant Butte should not affect service in this area because of the availability of a gas generating plant within serving distance. Replying to Kelley's question of guarantee of service, the attorney stated he was unable to give a guarantee other than REA could provide a maximum of 1,000 KW.

It was brought out the original bond issue floated in 1942 was for \$94,000, and provided for payment within 20 years. In 1944 a "junior" series of bonds were issued.

Questioned concerning REA rates, Walker stated there were approximately 27 kil, for a minimum of \$3, and the approximate minimum for Carrizozo should be \$2. He added he understood the Carrizozo plant was in good condition.

Walker brought up the point the city in case of a sale could not give REA clear title to the property without release by the holder, and provision for such clearance would necessarily have to be arranged.

He added the bonds may be redeemed on April 13, 1952, or any interest date, at par plus interest, plus a per cent premium. The bonds carry interest at the rate of 4 1/2 per cent.

Mayor Petty asked Walker concerning the statement which W. L. Wingfield, REA manager at Clenduff, made to The News-Outlook and published in the April 21 edition. Walker denied there was an agreement between the city of Carrizozo and REA, and verified the statement made by Petty, also published in the April 21 issue of The News-Outlook. He expressed himself as not wishing to contradict anyone, but felt there was a misunderstanding in regard to the situation.

At present, according to the figures released at this meeting, the indebtedness against the power and locker plants is \$72,000, with a reserve fund of \$13,000. A payment of approximately \$5,000 is due soon. At this point it was brought out there had been no meters on the locker plant prior to this year and it had been impossible to estimate the cost of operating the plant.

Council is agreed that final decision concerning any possible sale to REA or others must be made by the citizens of Carrizozo.

C. A. Snow brought up this point, and Roy Shafer agreed, stating there was so much controversy over the subject he does not want to make a decision without the consent of Carrizozo citizens. The other council members are in accord with Snow and Shafer on this point. Council also made it clear if any REA offer made was contrary to the wishes of the people, negotiations on such offer would cease. Walker stated records for the first three months of this year indicate income from the local power plant was something over \$10,000. Mrs. Guselle Johnson, city clerk, informed the group

Janet Mae Shafer To Be June Bride

Announcement was made this week by Mr. and Mrs. Roy E. Shafer, Carrizozo, of the engagement and approaching marriage of their daughter, Janet Mae, to Donald E. Young, Depyer, Colo. The wedding will take place in Carrizozo on June 17, and will be performed by Rev. John Lawson, former pastor of the local Methodist Church.

The bride-elect has chosen Miss Barbara Jean Branum, Carrizozo, to be her maid of honor. Miss Patty Stephenson will have charge of the guest book.

Miss Shafer is a graduate of Carrizozo High School, and is enrolled at Central Business College, Denver. She is at present spending her summer vacation in Carrizozo. Her fiancé, the son of Mr. and Mrs. Carl Young,

Longmont, Colo., is a graduate of Longmont High School, and attended the University of Colorado. He served in World War II as an air cadet in the U. S. Army.

Young is presently employed by Harry H. Herman, heating and ventilating engineers, Denver.

The couple will make their home in Denver.

Sabino Vidauris Host High School Seniors

Members of the graduating class of Carrizozo High School were guests of Mr. and Mrs. Sabino Vidauris Sr. at a dinner Friday evening at their home. The affair was given in honor of their son, Sabino Jr., who is a member of the graduating class.

Faculty members present were Miss Daisy Dickenson; Messrs. L. Z. Manire and Raymer Shaw.

The table decorations were blue and gold for the class colors, and yellow roses, class flower, were used for the centerpiece.

The placecards were fashioned of black construction paper in the form of a mortarboard hat with a white miniature diploma on top.

The chandelier over the table was decorated in blue and gold and when the light was turned on the figures 1950 were revealed.

The dessert table featured a huge cake decorated in blue and gold and the words "Congratulations to the Class of 1950."

Each student guest expressed appreciation to the host and hostess by brief speeches.

Students Of Mrs. Shafer Present Music Recital

Mrs. Jane Shafer presented nine students in a recital Monday at 8 P. M. at the Woman's Club House.

It was Mrs. Shafer's first recital and the numbers rendered by her students were well executed.

In addition to her regular students, two guests appeared on Mrs. Shafer's program. Caroline Dabney, Nogal, gave a violin solo. She is studying under Mrs. W. H. Nickels, Carrizozo.

The second guest, Nicole Graves, Carrizozo, was featured in a reading entitled, "Soap."

As The News-Outlook went to press, the names of Mrs. Shafer's students had not been received.

Eastern Star Officers Convene in Roswell

Mrs. Vernon Petty, Carrizozo, attended a meeting in Roswell last Sunday for the worthy matrons of the Order of Eastern Star.

Each worthy matron of the co-hostess chapter of the order was in attendance at the meeting which was held to make arrangements for the gathering of the grand chapter at Roswell next October.

Mrs. Petty was accompanied by Mrs. Louis Huffman, Carrizozo.

Women's Society Studies Book On New Japan

Last week 13 members of the Women's Society for Christian Service met to discuss the last two chapters of "Japan Begins Again," the book which the group has been studying.

The book relates the story of the progress made spiritually by the Japanese people since the end of World War II.

The next meeting of the group will be held at the home of Mrs. Georgia Harkey on May 10.

Four Bogle Seniors Receive Diplomas

Commencement exercises were held in the Bogle School Wednesday evening before a large and appreciative audience. The scarlet caps and gowns of the four graduates were very effective against a background of living green, interspersed with red and white flowers.

The class motto, "We Build the Ladder by Which We Rise," was displayed against the same green background. The graduates and their guests of honor wore corsages and boutonnières of the class flower—red and white sweet peas.

There was no guest speaker—the messages being delivered by the graduates themselves. The other classes of the school assisted in the song selections.

The guests of honor, Mrs. Elva Wilson, superintendent of county schools; Mrs. Agie Bumgartner, county nurse; Father Vito C. de Baca of the Santa Rita School in Carrizozo; Messrs. Oliver Simpson, White Oaks; Elias Otero, Coyote, and Elbert Brown, Coyote, members of the local Board of Education, all preceded the graduates in the procession.

Immediately after the invocation, offered by Father de Baca, the audience joined in singing "The Star Spangled Banner."

Feliz Luera delivered the welcoming address, after which the graduates and school sang a group of three old familiar songs, "Love's Old Sweet Song," "Sweet and Low" and Brahms' "Lullaby."

Margaret Hobbs gave the class history and prophecy both of which were aped with humor.

After another group of gay songs, "Gondoliera," "A Merry Life" and "There's Music in the Air," Isabella Lueros explained what the class motto means to the members of the class.

The third group of songs were also old favorites, "Annie Laurie," "Santa Lucia" and "Auld Lang Syne."

Virginia Otero, the last speaker, gave a very touching and effective farewell address, after which the graduates, assisted by the school, sang the class song which was written to the tune "Forever and Ever."

Donald Hobbs was presented with a watch for having completed three years of school with perfect attendance.

Mrs. Wilcox and Mrs. Bumgartner said a few appreciative and to be remembered words to the graduates.

The presentation of diplomas by Elbert Brown, chairman of the Bogle Board of Education, was followed by the convocation delivered by Mr. Brown.

The graduates then stood in line to receive congratulations and many lovely gifts from their parents and friends.

San Patricio Artist's Son Wins Scholastic Honors

SYRACUSE, N. Y.—Peter W. Hurd, son of Mr. and Mrs. Peter Hurd, San Patricio, N. M., has been named to the fall semester dean's list of the college of fine arts at Syracuse University.

Nomination to the list requires an average of "B" or better for the term's work, according to Dean L. C. Dillenback.

A center in the school of music, Hurd is majoring in music composition. He is a member of Phi Mu Alpha (Sigma Kappa), music honorary. He is a graduate of Fountain Valley High School, Colorado Springs, Colo.

Stearns Appointed Local Demo Precinct Chairman

Carl Ness, Lincoln County Democratic chairman, announces the appointment of John Stearns as Carrizozo Democratic precinct chairman.

Stearns will fill the vacancy left by J. B. Howell, who left Carrizozo to take over the management of Whitewater Lodge at Glenwood.

Former Local Minister Retires in Tularosa

Rev. John Lawson, Methodist minister at Tularosa, left this week for Albuquerque where he will make his home.

Rev. Lawson is a former pastor of the Methodist Church at Carrizozo.

Your State Government
By Thomas J. Mabry, GOVERNOR
The highest aim of human society should be to serve human necessity.

ENCINOSO

By RUBY ALLEN

The news from this part of the county is still "dry" news. No rain yet, though very promising looking clouds peep over the Capitan peaks almost every day.

The new owner of the Block ranch will take over in May, I understand. Mr. Toby Foster, a well known rancher of this state, recently purchased the ranch from A. L. Wasson of Big Spring, Texas.

Claudio Montoya plans a trip to El Paso soon where he will receive medical treatment. Antonio Montoya has been a visitor at the Claudio Montoya home for the past week or so.

O. O. Hope and family, who bought the Stoval place, have really been doing some improving and have a nice stream of water coming down now from the spring in the hills.

Mr. and Mrs. H. O. Franz and little daughter, Linda, of Roswell, have been weekend visitors of the Allen family, Mrs. Franz's parents.

Mr. and Mrs. M. J. Allen went to Albuquerque Thursday afternoon, where Mr. Allen underwent physical examinations to obtain veteran's compensation.

Mr. Allen is a veteran with 16 years service, dating from World War I. Mrs. G. M. Burrow substituted for Mrs. Allen at the Encinosa School Thursday afternoon and Friday.

Reports of a very nice enchilada supper at Hondo Friday night came from John and Walter Allen, who went over for the supper and dance. The funds raised are to be used to build a new gymnasium for the Hondo Valley Union High School.

Though this is somewhat late, I don't think the board members for the Encinosa School have been announced. They were elected some time ago as follows: Bill Edgar, re-elected; Claudio Montoya, re-elected; and Joe C. Tabor, who recently came here from Phoenix, Ariz., and purchased the Pat Coor ranch.

I regret not having news from the Merchant and Edgar families, who are very good neighbors.

Commencement exercises at Hondo will be held there Wednesday, May 3. Daughter Mollie is in the chorus and Walter is valedictorian of the graduates.

The pupils of Encinosa wish to express appreciation to the people who so cordially received them when they visited Carrizozo last Tuesday. Places visited were the Lincoln County Jail, the locker plant, the county library, the hospital, and the Lincoln County News office.

Commencement exercises for the one graduate of the Encinosa School, Agatha Montoya, will be held Thursday evening at 7:30 at the school building. There will also be a short play in which all 14 pupils will participate.

I am sure the readers have guessed at this that this report comes from a "school marm" and I might add, "would-be" newspaper woman.

Fort Stanton

By FRANK SMITH

Although there is never a dull moment at Fort Stanton, there are sentimental ones too, such as Chief Nurse Nina White's retirement. A number of small dinners were given in her honor and she left Saturday morning.

Miss Page is acting until July 1. While the Rev. and Mrs. Phillips were house guests of the Jack Shaws, they were also dinner guests of the Fish family.

The Phillips are, as everyone knows from Carrizozo. Speaking of the Fish family, Dorothy Fish went down "swinging" in the spelling bee at El Paso.

Last Saturday night there was a party at the Bonita Club given by the Utterbacks and Boyds. I heard someone say they really put the big pot in the little one—in other words, it was a grand party and they certainly went all out on decorations and a good time was had by all.

Dr. and Mrs. Black and little Gregory, who have been here two months, will hit the road on Wednesday for Baltimore, where he will wait for a residency. Last weekend the Blacks, Mrs. Howell and one of our very able nurses and Miss Barbara Howes, occupational therapist went along to take a look at the Grand Canyon, maybe some pictures, too.

Dr. and Mrs. Lithgow arrived May 1. He is going to take over Dr. Black's duties and say they already like the Fort. They will be here for two months, or until July 1 when two other doctors are scheduled to report in this zig-zag scramble of doctors, which allows everyone to take a vacation but Dr. Whitehead, who is stuck with 30 days leave and no one to relieve him.

Dr. McQuigg of the Lovelace Clinic was kept busy here all day Friday. Dr. R. F. Waggoner drove over from Roswell to consult in a potential case. Both of these able doctors are only two of the specialists who will be on the staff here at the Fort.

Fort Stanton was well represented at the opening of the Ruidoso Hospital last Sunday. Mr. Kelly, financial expert from Washington, D. C., the Kusanovichs and Whiteheads went together. They also took a laundry bag of rags and discarded sheets, which Mrs. Wilbur Coe said was greatly needed.

Mrs. Johnny Young came up from Texas City for a visit with her husband, who is getting along fine.

Those who remember Dr. Archer as commanding officer here will be saddened to learn that his mother, Mrs. J. C. Archer, died in Texas.

Captain Daniel A. Gilliksen, deep sea "skipper" for many years, arrived here from New York in the company of Joseph W. Andrews, Evan Palfiot, Richard Mullane, all of whom are doing okay.

Miss Angela McCallum left Saturday for a vacation in Florida, where she will meet some of her old buddies and compare notes.

Jean Sanchez will be one of the girls in the capping ceremony on Wednesday at Hotel Dieu nursing school, El Paso.

Edward Penfield was a visitor here at the Fort the other day and looked in the pink of condition.

Correspondents such as Mickey Thomas, who will take care of the San Patricio news, will spring up all over—Hondo, Tinnie and Lincoln pretty soon.

closed by reason of the failure of said Spencer L. Peterson, mortgagor therein, to pay the indebtedness for which said mortgage was given as security. The amount of said indebtedness, to be paid and satisfied through said public sale, is: Principal, \$5000.00; accrued interest to date of sale, \$1000; plus the cost of advertising said sale.

Dated at Alamogordo, New Mexico, this 20th day of April, 1950.

H. H. STEVENSON, A 28 M 5-12-19 Mortgagee.

IN THE PROBATE COURT STATE OF NEW MEXICO, COUNTY OF LINCOLN.

THE ESTATE OF FRANK ABEL, Deceased. STATE OF NEW MEXICO to Nellie V. Abel, Frank Abel; to all unknown heirs of Frank Abel, deceased; and to all unknown persons claiming any lien upon, or right, title or interest in or to the estate of said decedent.

NOTICE IS HEREBY GIVEN that C. S. Walker and Leta M. Walker have filed a Petition for the Determination of Heirship of Frank Abel, deceased; said proceedings being brought according to Sections 33-1213 to 33-1218, inclusive, of the 1941 New Mexico Statutes Annotated, and

for the purpose of clearing up the title of the said C. S. Walker and Leta M. Walker in and to Lot 7 in Block 2, Riverside Addition, Lincoln County, New Mexico; and the Probate Court of Lincoln County, New Mexico, has fixed the 5th day of June, 1950, at the hour of 10:00 A. M., at the Court House in Carrizozo, New Mexico, as the time, place, and day for hearing objections to said Petition. At said time and place, the Court will proceed to determine the Heirship of the said Frank Abel, deceased, the ownership of the estate and the interest of each respective claimant therein or thereto, and the persons entitled to the distribution thereof; and also to determine the amount, if any, of succession tax due to the State of New Mexico.

H. Elfred Jones, whose address is Box 415, Carrizozo, New Mexico, is the Attorney for the Petitioners.

THEREFORE, any person or persons wishing to object are hereby notified to file their objections with the County Clerk of Lincoln County, New Mexico, before the time set for hearing.

WITNESS my hand and official seal this 14th day of April, 1950.

J. G. MOORE, County Clerk. By Otilia E. Vega, Deputy. (P. C. SEAL) A 21-28 M 5-12

Letter to Editor

Editor, News-Outlook:

A great deal of controversy, small talk, big talk and all kinds of talk has arisen over the recent disposition of the iron lung bought some time ago under the sponsorship of the Norton Pepper Post No. 7688, Veterans of Foreign Wars of the United States.

A year ago when this very expensive machine was brought back into the county it reposed in the basement of the U. S. Marine Hospital at Fort Stanton. Very recently the administration of the U. S. Marine Hospital decided it must be moved from the basement of the hospital and it was suggested that the iron lung be placed in one of the numerous storerooms at Fort Stanton. I objected to such storage and, in view of the fact that there seemed to be no other place where the machine could be properly placed for the benefit of all those who had contributed so much toward its purchase, I authorized its removal to the Lincoln County Municipal Hospital.

That hospital exercises only a custodial privilege over the machine. It is still the property of Norton Pepper Post No. 7688, VFW, at Capitan. It is still available for any and all persons living in Lincoln County and will be moved out of the county only by authority of a properly designated board of officers and trustees of the local post of the Veterans of Foreign Wars.

All reports to the contrary, the citizens of Lincoln County and the Norton Pepper Post No. 7688 have not lost their iron lung.

When I authorized the removal to the Lincoln County Municipal Hospital I was attempting to place this very expensive and valuable instrument in a place where it could be protected against the ravages of dust, time and rats which like to chew away on rubber, cloth or anything else they can sink their teeth into.

Respectfully, LAWSON D. FISH, Commander, Norton Pepper Post No. 7683, Veterans of Foreign Wars of the United States.

Alto News

Mr. and Mrs. E. L. Wilson and sons of Roswell have purchased the Mulcahy property on the Mon Jeau road and will operate a ludo and livestock ranch under the name of "The Mon Jeau Homestead." Ranch style meals, saddle horses and guided pack trips to the top of Baldy and other points in the White Mountains and guided hikes are planned. This is an outstanding scenic spot in the White Mountains, 10 miles from Ruidoso, at an elevation of 9,000 feet, entirely surrounded by the Lincoln National Forest.

Mr. and Mrs. C. D. Mulcahy are moving to Roswell.

Support the CANCER fund drive.

Uncle Sam Says

There is a way to get a step-up on money appreciation and that is the purchase of U. S. Savings Bonds by the safe, sure, and automatic way of saving. Join the millions of wise Americans who have done something about their financial future. They just got tired of banking out of their hip pocket and then waiting for the check which didn't come. The simplest way to join in the coming U. S. Savings Bonds Independence Campaign, May 11-July 4, and "Save for Your Independence." Buy now for the PAYROLL Savings Plan where you work, or if self-employed, the Bond-A-Month Plan at your bank. And in 1950 you'll collect \$4 for every \$5 invested in 1949.

It is the great tragedy of our age and a paradox of the abundant life we talk about and strive for that we have about us the growing rolls of the indigent old who remain the great burden of our society.

New Mexico is now using approximately 10 per cent of all revenue received from the federal, state, county and municipal sources for the care and treatment of the needy aged, the blind and the dependent children. Our federal and state governments have long recognized an obligation to the old people who find themselves in their declining years without any funds at all, or without sufficient money to provide for their minimum subsistence needs.

Most of the old folks have lived useful and beneficial lives. They have earned the right, through their own labors, to live out their remaining years in comfort and dignity.

Last year approximately 10 per cent of our entire population received assistance through the various state welfare programs. The total cost was approximately \$10,000,000, of which about half came from the federal government. In December of 1949, there were approximately 10,000 cases receiving old age assistance. The average monthly payment was approximately \$36 per case.

In addition to the needy aged, the Department of Public Welfare each month assists more than 5,000 families with more than 13,000 dependent children. The department also grants monthly payments to some 472 needy blind. While the state has earmarked a considerable portion of its tax revenues for such welfare services, we are still not doing enough for the old people. Because of the great increase in the cost of living, it is not possible for an aged man or woman to live in comfort on \$36 a month. Our payments average considerably less than those of other western states and I am hopeful that we will be able to find some way to increase these payments when the legislature meets again.

The total receipts from the tobacco tax are earmarked for the needy aged. Receipts from the liquor tax, compensating tax and the franchise tax are earmarked for the various services performed by the Department of Public Welfare. In addition this department receives \$371,000 a year from the severance tax.

The Department of Public Welfare estimates that it will take an additional \$1,600,000 to meet the minimum needs for adequate assistance for the needy of the state. While this seems to be a considerable sum, we cannot say that we are properly discharging our obligation to the unfortunate old folks, to the dependent children and to the blind until a substantial increase has been achieved.

In addition to providing direct relief, the state has built a home at Las Vegas for the aged who are chronically ill. This home has a capacity of 126 beds. This is in no sense a "poor house." It is a nursing home for the aged who are in want and are ill. Nursing attention and medical care are provided. Before we did this (in 1948) we had no place but the insane asylum to take care of the indigent old. We are improving conditions as our economy improves and our sense of social obligation is awakened.

NOTICE OF FORECLOSURE SALE

NOTICE IS HEREBY GIVEN that on May 24, 1950, at the hour of ten in the forenoon, at the front door of the building commonly known as the "Western Store" in Block J of Ruidoso Springs, Lincoln County, New Mexico, the undersigned mortgagee will offer for sale and sell at public auction to the highest and best bidder for cash, all the stock and equipment of the "Western Store" situated, as aforesaid, in Ruidoso Springs, Lincoln County, New Mexico.

Said sale will be made for the purpose of foreclosure of that certain chattel mortgage dated and acknowledged on November 19, 1947, from Spencer L. Peterson to H. H. Stevenson, mortgagee; which said mortgage was filed for record on November 1, 1949, in the office of the County Clerk of Lincoln County, New Mexico. Said chattel mortgage is fore-

closed by reason of the failure of said Spencer L. Peterson, mortgagor therein, to pay the indebtedness for which said mortgage was given as security. The amount of said indebtedness, to be paid and satisfied through said public sale, is: Principal, \$5000.00; accrued interest to date of sale, \$1000; plus the cost of advertising said sale.

Dated at Alamogordo, New Mexico, this 20th day of April, 1950.

H. H. STEVENSON, A 28 M 5-12-19 Mortgagee.

Former Resident Visits Carrizozo After 25 Years

Mr. and Mrs. W. M. (Bill) Dingwall of El Paso stopped in Carrizozo last weekend en route to visit their son at New Mexico Military Institute, Roswell.

THANKFUL

A French school girl sends this picture with her thanks to school children who gave her the sturdy shoes she hugs.

Top 4-H'ers Selected National Delegates

From the cream of New Mexico's crop of 4-H'ers, two boys and two girls were selected this week to represent the state as delegates to the annual National 4-H Club Camp at Washington, D. C., June 14-21.

The awards are given every year to two boys and two girls in every state for all round excellence in 4-H Club work.

Professor Decides Cowboy Is Respectable Citizen

Has the cowboy, the central figure in the story of the American cattle industry, been a sinner or a saint? That is the question Dr. Clifford P. Westermeyer, associate professor of history at Loretto Heights College, Loretto, Colo., proposes to resolve in the lead article in the April issue of New Mexico Historical Review.

Through no definite division of years, can be made in the evolution of public opinion toward the American cowboy; the author has found three periods of thought in reference to the riders of the range.

In the early period, the cowboy appeared to be a curiosity to his contemporaries. Writers began early to take notice of the cowboy's riding ability and fearlessness when confronting the dangers of the trail.

Westward Trend Grows in Meat Packing Industry

An important change is taking place in the nation's livestock industry. The United States Department of Agriculture says a westward movement has developed, and there is an increase in packing house slaughter in western states.

A study by the Bureau of Agricultural Economics in cooperation with the agricultural experiment stations in the area shows that from 1925 to 1948 commercial slaughtering in the 12 western states almost doubled.

The study shows that, in addition, there is a large movement of dressed and cured pork from the Middle West to the Far West.

Adult Driving Improved By High School Courses

DETROIT—High school driver training courses, originally aimed solely at teen-agers, have had the effect of improving adult driving habits and consequently the traffic safety of entire communities.

This impact, especially in smaller cities, was brought out in a survey by the Chevrolet Motor Division which is cooperating with the American Automobile Association by making 2,500 training cars available to schools.

Lawrence C. Catlin of the Amite, La., high school puts it this way:

"Take, as an example, the matter of proper hand signals. Before our course was organized, we were a town of non-signalers. Since our students were taught to signal, the practice has become customary with nearly all drivers."

Don't Be A Flipper— Be A Crusher Instead

Don't be a flipper, be a crusher instead.

With the spring forest fire period just ahead, lighted cigarettes which are "flipped" carelessly out of car windows may be the direct cause of many forest and grass fires.

Cigarette smokers in 1949 averaged 2,435 smokes apiece. About half the cigarettes smoked in cars are flipped rather than crushed.

Around the bend or just over the hill from where you flipped your cigarette stub may be a home—just like yours—with Maw, Paw and little tots. They may die in the fire started because you thoughtlessly flipped a cigarette stub before you crushed the burning end.

If you can't take time to crush out your cigarette, you might try one of these alternatives. Put it in the ash tray—you paid to have the tray—spit on it, sit on it, give it to the folks in the back seat, or drop it into your pocket or on to the upholstery. Let it burn your own property. Whatever you do, don't be a flipper.

Insurance calls for foresight

Maybe it takes a pessimist—or at least a realist—to foresee the need for complete insurance protection.

But there is nothing that will do as much to make an optimist out of anybody as insurance. For insurance absolutely wipes out many fears.

For example: any boiler or hotwater system can pop its seams any minute... and a wise man pessimistically imagines such a misfortune and optimistically purchases inexpensive America Fore insurance to protect himself against it. Let's talk this over.

America Fore J. G. Moore Phone 28 Carrizozo, New Mexico

Assignment New Mexico

By G. WARD FENLEY

A name by any other cognomen would smell just as sweet if we can believe the Bard of Stratford-on-Avon.

And in this day of high powered poop and propaganda, names of faces and places assume an ever increasing importance. For most of us, the names we are born with are the only ones we'll ever have. That's excepting the women who for time immemorial have broken every rule man has laid down.

Now comes one Jimmy Barber of the Raton Range who proposes that other New Mexico cities follow lines set down by Hot Springs to remake the map of New Mexico.

For Raton (and Jimmy knows Raton best) he would rename the city after the popular radio program: "Take it or Leave It." On second thought, Jimmy contends that a better name for Raton might be: "People Are Funny."

For Albuquerque, he would substitute "Big Town."

For Santa Fe, with the unorthodox pot bollings coming now and then to a brilliant spout, he would rename it "Suspense."

In Jimmy's category, the only name for Washington, D. C., would be "Double or Nothing" or "Break the Bank."

He signed his "News and Views" column in the Range: "Not Playing it Safe," Jimmy.

Typo Name Howlers

Kicking off from Jimmy's jaunty jingles, we scanned the

New Mexico papers to see how important were names and spelling and, above all, proof.

The Carlsbad Current-Argus wants to start some sort of epidemic. In a nice feature article dealing with a cavern city woman who has a hobby making copper piggy banks, Jack Sifton slipped on his proofreading to say "Everyone wants a horse plague."

The El Paso Times, talking about school tax money and where it goes said, "tax money is earmarked for free school boys." Meaning, books, we suppose. Anyway, we've got enough boys—we don't care for more.

Again, the Times told of a mother's search for her son with not even one clue as to his fat.

Other papers were not any freer of those screaming howlers. The Santa Fe New Mexican had a payroll The Albuquerque Tribune, city fire truck and perchandise; The Lovington Leader, adverse popularity for evident; Valley News wants us to steel clear of the earnestness of the peaker.

Mr. A. L. (Pot. Bert of the Artesia Advocate, remembering the flying discs, said that 19 little men crawled out of a foreign planet's space ship and walked into a local store to buy some Mars Candy Bars. Guess they have sweet poots up there also, according to Pot.

There's one thing on which Bud Rouse of the Cruces Sun News requested us to ask Jack Sifton for a bit of clarification. Jack said that the first rule to follow at a concert was to applaud only after someone else does so.

Open letter to Current-Argus: Dear Jack: Now, just why starts the applause? Please elucidate.

Signed: Bud and Ward Wallace Barnes, on the other hand, needs no clarification on his yarns. He told recently of the vain efforts of a high school girl to get conversation out of her dancing partner—a beautiful boy.

Conversation Stoppers The girl propounded several questions: Do you think dancing makes a girl's feet larger? Does swimming make a girl's shoulders bigger?

Finally, after much thought, the boy who had merely grunted an assent to her questions, countered: "You must ride quite a bit, too."

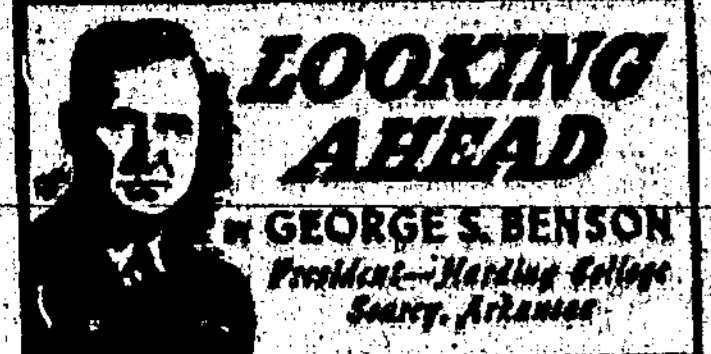

Up and Atom Jawn Kiriwood, who admits to an undying love for the Sand of Enchantment after moving back from Amarillo to God's country (Santa Fe), reports to this kolin that the Los Alamos young men when dating the hilltop females carry along Geiger Counters to check on radio-activity. Seeking to avoid the radio-activity, Jawn?

And in Conclusion That's all this week except to remind you that a man who gives in when he is wrong is wise—but a man who gives in when he is right is married.

Children are cautioned not to dig into nests of burrows of animals that may possibly have fleas that carry diseases.

Animals listed as most likely carriers of the plague include rats, field and house mice, ground squirrels, chipmunks, prairie dogs, coyotes and rabbits.

Last year evidence of bubonic plague were found in Bernalillo County and early this month Dr. Lincoln LaPaz of the University of New Mexico brought in a dead pack rat from the west side of the Sandias. Although badly decomposed when found, the tests run on the rat showed definite signs of

LOOKING AHEAD

By GEORGE S. BENSON

President, Harding College, Searcy, Arkansas

WHAT'S A TRILLION?

When I was a schoolboy in Oklahoma I interlarded my scholastic education with seasonal jobs on my father's place and on neighboring farms. The neighboring farmers paid well. My earnings weren't large but in those days a dollar, to an Oklahoma schoolboy, was a tidy sum. And the actual earning of dollars helped me in my arithmetic studies. Both at school and at work as a farm hand, I learned to have great respect for any such sum as \$100. That amount of cash savings started me through my first year at college. I did odd jobs on the campus to earn the remaining cost.

A dollar was valued by an Oklahoma farm boy of 1920 as representing approximately the energy it took to plow an acre of land with a one-horse plow. That made it pretty valuable. I guess that's why my school teacher had some difficulty getting me to comprehend the huge figure \$1,000,000. It took a lively imagination to visualize 1,000,000 robust young farmers strung out across the land, all plowing away at their acre. The line would, in fact, be 41,667 miles long and would reach just about twice around the globe at the Equator.

A Billion Is Big

I'd been out of college several years when we Americans first began to hear vague talk in terms of "billions." To have to wrap my plowing farmers around and around the globe enough times to represent \$1,000,000,000 in expended energy was much too much. I had to find some other measuring device. Of course, our arithmetic had taught that a billion was (awesomely) a thousand million! But it required a number of years for me to get any real understanding of the meaning of \$1,000,000,000.

A "billion" still whistles off my tongue accompanied by awe. And just as I'm getting used to the idea of using the term, I've been obliged to go back to my arithmetic book looking for another word. I haven't found mention of it in my arithmetic. It's to be found only in the higher mathematics and it isn't explained in down-to-earth terms. However, I've got to tackle it. The word is—"trillion."

Dividing Into A Trillion

A trillion is, we know, a thousand billion; and a billion is a thousand million; and a million is a thousand thousand; and a thousand is—well, a thousand is a thousand times one of those long-ago extinct things I used to get for plowing an acre of land in Oklahoma. But a man with a plow is much too small a denominator in this problem.

So: if you were to drive from New York to Los Angeles and then turn right around and return to New York, you could perform the feat 460,000,000 times before you would have driven a trillion miles. We think of a second as something fleeting, so short a fragment of time it doesn't show on the face of most clocks. Yet, since a date so far removed as 500 B. C., only about one-tenth of a trillion seconds have ticked off in that receded time.

A Dangerous Trillion

The new postage machine in our mailing department at Harding stamps 1,000 envelopes per hour. If we never gave the machine a rest, we'd have to run it on a 24-hour shift, for 114,165 years (not days!) to stamp a trillion envelopes. If, a century ago, the value of all the personal property, the assessed value of mineral, water and timber resources and manufactured goods, plus the savings and bank accounts of all the people in the United States had been converted to dollars, it would have totaled only 1/3 of 1 per cent of a trillion.

And, lastly, if all this seems silly, perhaps it is. But maybe it isn't. I've taken this flight with astronomical figures because, as a tax paying citizen watching the growth of the federal government, I've found that the need has arrived for understanding what a trillion is. Our national debt has risen to \$256,000,000,000 and is increasing rapidly. It is referred to, correctly, as the "quarter trillion dollar" debt. All of us need to recognize the full significance of such an incredibly large indebtedness. It is gravely dangerous. Millions of people must expend years of unrewarded hard work to pay it. In fact 1,000,000 people, earning \$50 a week, would have to work 100 years and turn over their total income to liquidate it if the government were, tomorrow, to end forever its deficit spending.

CORONA

By MRS. A. E. MULKEY

Mrs. R. M. Bevens of Lordsburg was here last week visiting her daughter, Mrs. Ernest Yandell. Two of Mrs. Yandell's sisters were here also, Mrs. Irene Stillwell and daughter, Dona Marie, of Silver City, and Mrs. Jattie Graves and daughters, Jerilyn and Janis, of Carrizozo. Mesdames Glenneth St. Akes and T. O. Hays of Carrizozo were in Corona Friday attending the school exhibit.

Mayor G. Cleve Brown left Tuesday of this week for Dallas, Texas.

The members of the Presbyterian Church raised the sum of \$189 last week for the completion of the recreation room in their church. They plan to have a kitchen, as well as a room for games and skating for the young people.

Funeral services for Phil H. Slekles were held in the Presbyterian Church last week. Mr. Slekles had been in the hospital because of cerebral hemorrhage. He is survived by his wife, the former Zelpha Stroope, and three children, Clarence, Janelle and infant Rev. L. S. Markham officiated at the services Thursday, April 27.

Dr. Tom Parker, who recently graduated from Baylor Dental College, visited here last week with his parents, Superintendent and Mrs. L. Parker.

Mrs. Robert A. Jones and children, Carmel, Collin, Mary, and Mrs. Dorothy Rogers recently visited Mr. Jones in Springerville, Ariz.

Corona's new faculty members for 1950-51 are: C. C. Carlton of Baylor University, Texas; Chesella Alvis, Texas Women's College; Carroll Martin, Colorado Teachers' College; J. E. Griffin, Baylor University; Clara Griffin, Mississippi State College.

Some of the Corona teachers will be leaving this week. We will mention those who will not be back next year in next week's column.

The junior-senior banquet was reported a splendid affair. Everyone enjoyed it to the fullest and the decorations were beautiful. The banquet and prom were held Saturday, April 22. The following 18 seniors will graduate this year from Corona High School:

Dorothy Rogers, Minnie Alice Welch, Joann Steelman, Rosalce Campbell, Dorothy Winchester, Anita Keelin, Layne Wallace, Tommy Tafayo, Luther Porter, J. D. Lee, Myron Yancey, Byron Yancey, Everett Yandell, Marleen Miller, Estella Jaramillo, John Ernest Tracey, Douglas Berry.

San Patricio

By MICKIE THOMAS

Johnny Mac Millon visited the Peter Hurds last week.

Mr. and Mrs. Dow Robinson were up to see the Taylors.

Betty Lou Taylor, Nellie Ruth and Helena Lucas were visitors in Roswell.

Mr. and Mrs. Henry Latham entertained to and Bob Mendenhall with a farewell dinner Tuesday. Everyone feels the young couple will leave a mighty big vacant spot when they are gone.

Helena Lucas, the Tom Babers, and Henry Lathams each threw in an offering and had an enchilada supper.

Mrs. Whitehead and that famous roving reporter, Frank Smith, dropped by to see us. Mrs. Whitehead is a lovely lady. Isn't Fort Stanton lucky?

The San Patricio school children are quick on the trigger. Their school house burned last fall before many of them arrived for school. But, yesterday they showed fine fettle. The gas heating radiator had a minor explosion in one room. The children sniffed gas and rapidly left the premises. All of them were reluctant to re-enter. Mrs. Pacheco had the radiator tested for leaks, and marshalled her brood back to their seats. It is good to see the end of school. Our nerves are frayed.

man, Louie Eramouspe.

Several parties were held last week for the seniors. Mr. Ford, Dot Rogers and others had supper. Sunday morning the home economic girls served breakfast to faculty members, parents and seniors.

Baccalaureate services were held Sunday, April 30. The commencement exercises will be Friday, May 5, at 8 P. M.

The school exhibit was held Friday, April 29. Parents and friends visited the school to see what the children had been doing all year. Every room displayed fine quality work and this year was as good if not better than previous years. There was even more beautiful woodwork this year and the home economics girls modeled the dresses which they made.

Sunday, May 7, the Presbyterian Church will have church services following Sunday school at 11. A Bible, pulpit stand and reading table will be dedicated.

Monday, May 8, is an election day in Corona. Residents of Lincoln and Torrance Counties will vote on another \$30,000 bond. Vote between 8 A. M. and 6 P. M. Sally Mae Pfeiffer entertained her sophomore classmates Saturday evening, April 30.

The Hondo High PTA had a large turnout for their enchilada supper. They are trying to buy the school a movie projector.

The Rigbys are doing so much work on their farm that in another year no one will know the place.

Muriel Latham had 20 fine little chicks. She went out in the middle of the morning last Wednesday morning to feed them. Presto—there were five. Not a feather nor claw remained of the other 15. What a mystery. Guess it was some kind of a two-legged varmint.

Tom and Louise Babers are planting their garden—planting lots of sweet corn. Oh boy!

Ben Sanchez was around with a petition for a bond election to obtain money for a manual training room at the Hondo High School. I don't believe anyone holds back when school improvements are needed.

We've noticed quite a lot of stray stock on the road here at San Pat. We shudder to think about the horrible wrecks caused by strays. The poor animals are not getting fat either. Perhaps officers will get over this way soon and correct a bad situation.

Willie Gomez and his grandmother turned the car they were in into the bar ditch. Fortunately Willie was driving very slow, and no one was hurt.

There isn't enough water in our river for a mosquito to lay eggs. That's one thing to be thankful for. There usually is, if you try to find it. But we really want rain instead of thinking.

Mrs. Ben Sanchez had an operation in Carrizozo Saturday morning. We all hope to see Trina back home soon.

Mrs. Bert Pfingsten had Kay and Betty Lou Taylor, Catherine Thomas and Della Jolner down to model figurines. They are all enthusiastic. This promises to be a good summer hobby with an

eye ahead to Christmas gifts.

The San Patricio Grade School goes to Ruidoso on Thursday for the school picnic. The skating rink will have a business boom that day.

A RESOLUTION PROVIDING FOR THE CALLING OF AN ELECTION TO VOTE ON THE ISSUANCE OF BONDS IN THE AMOUNT OF \$30,000.00 FOR SCHOOL PURPOSES IN CORONA SCHOOL DISTRICT No. 13F, LINCOLN AND TORRANCE COUNTIES, NEW MEXICO.

WHEREAS, Petition for the calling of an election to vote on issuance of bonds in the amount of \$30,000.00 for the purpose of erecting school buildings in Corona School District No. 13F, Lincoln and Torrance Counties, New Mexico, has been duly presented, and found to be in accordance with law;

NOW-THEREFORE, It is resolved that an election for said

purpose shall be held in said district on the 8th day of May, A. D. 1950.

AYES: Five (5). NAYS: None (0). Done this 3rd day of April, A. D. 1950.

Signed: WILLIS LOVELACE, Jr., President, Corona Board of Education.

ATTEST: Signed: A. C. Hester, Secretary. A 14-21-28 M 5

NOTICE OF SPECIAL SCHOOL BOND ELECTION

NOTICE IS HEREBY GIVEN that on the 8th day of May, 1950, there will be held in Corona School District No. 13F, Lincoln and Torrance Counties, New Mexico, an election for the purpose of determining whether said district shall become indebted in the total sum of \$30,000.00 and issue its general obligation bonds therefor, for the purpose of erecting school buildings for said district.

The voting place for said election shall be at the Music Room in Grade School Building and the Judges and Clerks for said election are as follows:

JUDGES: Joe Willingham, Mrs. P. Tafayo and Mrs. Walter Pfeiffer; Alternate Judges: Thelam Penix, Ruby Davidson and Mrs. Wilber Dshman.

CLERKS: Mrs. I. H. Burgess and Mrs. Ike Mulkey; Alternate Clerks: Maggie Mares and Mrs. Aanta Walton.

The polls for said election will open at 8:00 o'clock A. M., and will close at 8:00 o'clock P. M.

WITNESS our hands and the seal of the Corona Board of Education, this 12th day of April, A. D. 1950.

Signed: WILLIS LOVELACE, JR., President, Corona Board of Education.

What's the secret of the "UNRUFFLED" RIDE?

SOME car makers say springs make the ride—and so we give every Buick four of the soft, gentle coil springs practically all cars use on front wheels only.

Some say the drive is important—how power is transmitted to the rear wheels.

We agree—and use a torque-tube drive, that takes up all the thrust, freeing rear springs of driving pulsation.

Some stress tires—so you'll find low-pressure casings on every Buick, mounted on our own kind of Safety-Ride rims. Some play up shock absorbers—we make ours fast, soft and sure in action, to wack out all "after-bounces."

Then there are frames—and our weight—and engine mountings, which on Buick are a very special kind need nowhere else.

They're all important—yet the plain truth is no one of these things—or two or three—gives a ride you can truly call "unruffled."

We feel it takes all of them—springs, tires, shock absorbers, drive, engine mountings—carefully and precisely brought into balance with each other.

You can see why we think so in any Buick—SPECIAL, SUPER or ROADMASTER.

You can feel it on cobblestones

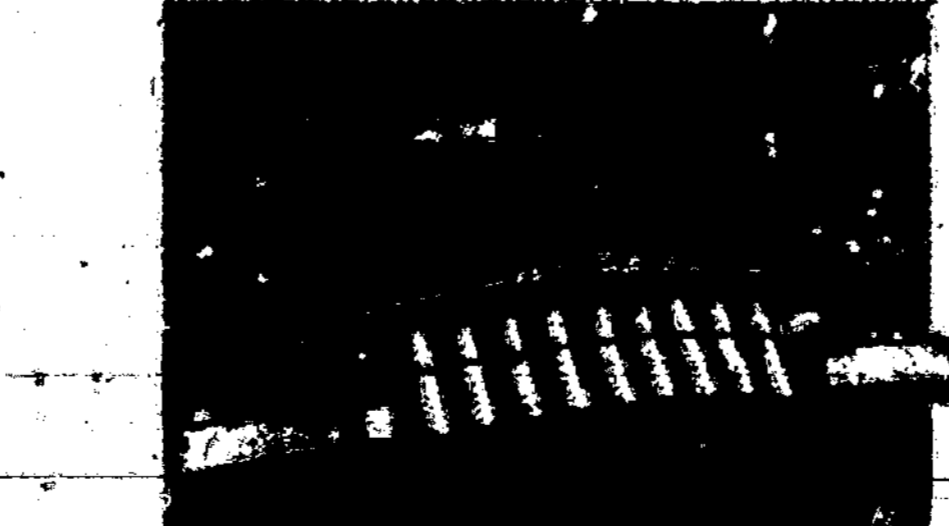

and car tracks, washboard gravel and weather-pocked macadam, country lane and city street. You even feel it on boulevards, which grow still smoother when you travel them in a Buick—especially when it has Dynaflow Drive!

So we would like you to try a ride that is truly "unruffled." Free of harshness—undisturbed by jounces and jitter—level—steady-going—smooth.

Just ask any Buick dealer for a chance to try out any Buick. You'll find it "the ride of a lifetime"—and the buy of a lifetime too!

Dynaflow Drive is standard on Roadmaster, optional on other Buick models.

FOUR-WAY FOREFRONT This unique front end (1) sets the style note, (2) sweeps on road ruts—vertical bars are built-in coil springs, (3) avoids "locking horns," (4) makes parking and gear-shifting easier.

Only Buick has Dynaflow—and with it goes!

HEAVY-COMPRESSION Flexible valve-in-head power in three engines. (New V-265 engine in SUPER models.) NEW-PATTERN STYLING, with MULTI-GUARD front-end, taper-through fenders, "double bubble" hood—WIDE-ANGLE VISIONITY, built-in road view both forward and back • TRAFFIC-HAMMY REEL, low over-all height for wider parking and turning, short turning radius • EXTRA-WIDE MATS, wadded between the seats • SOFT BUICK RIDE, from oil-coil springing, Safety-Ride rim, low-pressure tires, shock-absorbing torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

CAPTAIN

By ANN EARLING

Mr. and Mrs. Luther Coble and Mrs. Hiram Garrard were dinner guests at the home of Mr. and Mrs. Sam Bigger on Wednesday, April 26. The occasion was Mrs. Coble's birthday anniversary.

Mr. and Mrs. Mariano Chavez, now residing in Magdalena, have been visiting their relatives and friends the past week.

Mr. and Mrs. Theophile Larame left by car on Saturday, April 29, for Davenport, Iowa, to visit with relatives and friends.

The Thursday Bridge Club met at the home of Mrs. Ben Leslie Jr. last week. Mrs. Jack Mayfield received high prize and Mrs. Doug Glattfelder low.

Mr. and Mrs. Fred Kveton and Jeanne Sampson, all of Abernathy, Texas, were weekend guests of Mr. and Mrs. Ray Provino.

Mr. and Mrs. Pat Murphy and daughter, Patricia, of Stockton, Calif., are visiting with their parents, Mr. and Mrs. D. O. Murphy.

On Friday, May 5, at 8 P. M. there will be a piano recital at the Captain High School. Music teacher Mrs. Fred Pierce promises an enjoyable program. About 15 of her pupils will participate in this recital.

Five girls of the FFA class attended the state convention of the FFA, held in Las Vegas, N. M., on Friday and Saturday, April 29 and 30. Mr. and Mrs. Seymour Cozzens accompanied the girls to the conclave.

Interesting plans are underway for the junior-senior prom which will be held on Saturday, May 6, at the Captain High School gym.

Mr. and Mrs. A. L. Albro and son, Tommy Joe, of Camp Meade, Md., are visiting their parents, Mr. and Mrs. Joe Wigley. It has been quite a while since Billy Jo has been home on a visit.

Mrs. Jack Robinson is home after being hospitalized in Carrizozo for an appendectomy. Reports are she is doing nicely.

Mr. and Mrs. Bill Wilson, of Roswell, were weekend guests of Mr. and Mrs. Joe Wigley.

A May Pole program was held on Monday evening, May 1, at the high school gym. The grade school children participated in folk songs and folk dances and little Eunice Neco was crowned May Pole Queen. The May Pole was a colorful sight and the children performed like professionals. Much credit is due the teachers for this nice work.

A complete new roof has been put on the home of Mr. and Mrs. Damon Padilla, which was recently destroyed by fire. The Padillas are really working hard to restore their home.

Letter to Editor

Editor, News Outlook:

At a meeting of the board of trustees of the Central New Mexico Cooperative, Inc., held in Mountainair on Saturday, April 29, a motion was carried to move the office to Mountainair on a temporary basis, and management was ordered by a board member to have the office moved by Monday morning so that no dissenting opinions of the move could be introduced into action.

Mindful of orders and continuous of possible opposition, management—either because it more comfortable to work in the shadows of darkness or because it was loathe to miss the Sunday services—loaded and carried away the records in the silent hours of darkness Saturday night.

Corona is not too concerned—happened once before. And there are those in Lincoln County who have worked with the annexation of a part of Socorro County and the closing of the Claunch School, who can appreciate the deprivation of a young bean capital without beans. Strong men meet their misfortunes openly—weak ones resort to subterfuge.

We are not sure who is the keeper of the properties of Lincoln County. But we would strongly advise that no unbounded territory be left out over night.

We are in the position of the case who offers the use of the products of his efforts to an indigent neighbor as a vehicle to a better standard of living—then finds the sanctimonious lout trying to steal his wagon.

BEN ROBERTS.

Additional Corona Notes

By MRS. A. E. MULKEY

Mrs. B. L. Huffmyer, Carrizozo, was in Corona on Monday and Tuesday to take the census. W. G. Thomson was seriously injured while "hogging" this week, and is now in an Albuquerque hospital.

E. L. Jarnagin, owner of the former Fern and Grocery Store, Corona, suffered a heart attack while on a trip to Texas, and was taken to a hospital near Lubbock.

Follow-Up Studies Made Of World War II Vets

Follow-up studies of 22 major illnesses and disabilities suffered by members of the armed forces in World War II are expected to provide the answers to four important medical questions, Veterans Administration announced. They are:

1. Is there a better way of taking care of servicemen with such disabilities in future wars?

2. Is there a type of man or woman whom the armed forces should never accept, and can V-A furnish the medical criteria by which this would be determined—especially in neuropsychiatric and tuberculous cases?

3. What kind of a patient load can be expected in V-A hospitals in the future?

4. What can we do to improve the care of patients with such diseases in V-A hospitals?

Dr. A. H. Lawton, acting assistant chief medical director, pointed out that because the need was not seen for follow-up studies of disabilities suffered by World War I veterans, the nation had little or no medical knowledge that would be helpful in treating the same disabilities suffered by World War II veterans.

The studies, now nearing completion, are being conducted in 23 leading medical schools and four hospitals on a contract basis and by V-A personnel in V-A hospitals and clinics throughout the country.

With the cooperation of the armed services and the National Research Council's Committee on Veterans Medical Problems, a roster of veterans having had the injury or illnesses to be studied is prepared from those living within a 150 mile radius of the center where the study is to be done. The veterans are contacted and asked to come in voluntarily for the followup examinations and study. Research centers have reported that 80 to 95 per cent of those veterans who have been asked to come in have cooperated in the studies.

May 26 Final Filing Date For State Exams

May 26 is the final filing date for examinations for Visitor I and Visitor II with the State Department of Public Welfare, and Interviewer II with the Employment Security Commission.

Salaries are, Visitor I, \$190-\$235; Visitor II, \$170-\$210, and Interviewer II \$215-\$290. Application forms may be secured from local employment and welfare offices or write to Rebecca Graham, Merit System Supervisor, Box 99, Santa Fe, New Mexico.

Future New Mexico Classroom Pictured

The New Mexico grade school of tomorrow was pictured in Minneapolis recently as a 13-classroom structure costing \$231,423.

Reporting on a poll of leading New Mexico school men, the Minneapolis, Honeywell Regulator added 75 per cent had voted for automatic temperature control and some 20 per cent for double pane glass to insulate against temperature control and some 20 per cent for double pane glass to insulate against temperature extremes.

Last year, the company said, the average New Mexico pupil caught two colds and missed at least five days of classes as a result. Improper heating of homes and schools was given as the major cause of the colds.

In 1923, the hen produced an average of 112 eggs; in 1933, 121 eggs; in 1943, 131 eggs, and in 1949, 163 eggs—an increase of 43 per cent in 25 years. The dairy cow's productivity has increased 23 per cent in 25 years.

PERSONALS

Word of the death in Oregon of the grandmother of Mrs. George Perry, Glencoe, has been received.

The Clyde Brewsters initiated their new Chevrolet by driving to Las Vegas where they were met by Mrs. Brewster's brother.

Mr. and Mrs. Henry Hoffman returned to their home in El Paso this week. They had been spending a short vacation with their daughter, Mrs. James Dunbar.

Mrs. Ben Sanchez, San Patricio, was brought to Lincoln County Municipal Hospital Saturday to undergo surgery. She is reported as recovering satisfactorily.

Mr. and Mrs. Thomas White returned to their home in Loveland, Colo., last weekend. The Whites spent the winter here with their daughter and son-in-law, Mr. and Mrs. Clyde O. Brewster.

Mr. and Mrs. Jack Dickenson, Melfosa, were weekend guests of their daughter, Daisy Dickenson, commercial teacher at the local high school. Miss Dickenson's sister and brother, Mary Lou and Jimmie, were here also. The visitors were entertained at a picnic supper Saturday night at White Sands, and a noon picnic at Nogal Lake on Sunday.

Committee Approves Movie Tax Slash

The House ways and means committee voted last week to cut the federal tax on movie, stage and sports tickets back to near pre-war levels by halving the present 20 per cent levy.

The proposed new 10 per cent levy would be slightly higher than in 1939, however. The ticket tax was 10 per cent then too but those costing less than 41 cents were not taxed.

The exemption was cut to 21 cents in 1940 when the pressure of defense planning began building up and was increased to a flat 20 per cent in 1943. The committee has been deluged with mail from theater owners and patrons urging a reduction.

The tax the government collects from persons who go to the movies, boxing matches, football games and such events is one of the largest excise producers on the statute books.

Completely exempted were tickets to county fairs, symphony concerts, municipal swimming pools, the sports activities of elementary and high schools, and most events sponsored by educational and religious organizations.

College football games and other sports events still would be subject to the federal tax, however, at the reduced rate.

A new cookbook, "Family Fare—Management and Recipes," containing 200 recipes for average American families of four, has been prepared by specialists of the Bureau of Human Nutrition and Home Economics of the U. S. Department of Agriculture. You may obtain a copy from your county extension agents or from the Extension Service, New Mexico A. & M. College, State College, N. M.

Roswell Mayor Files In Democratic Primary

Lake Frazier, Roswell mayor and Democratic governor candidate, upset predictions of political dopesters last week when he filed his petitions for governor.

Frazier's petitions bore between 3,500 and 4,000 signatures, and Mrs. Alicia Romero, secretary of state, said it was a bigger batch than both the other announced candidates had.

Frazier filed on Friday, then invaded Taos and Rio Arriba counties—considered Chavez strongholds—to further show that he is out to win. Frazier spoke at a Democratic victory dinner in Taos Saturday. He did not make a political speech, saying that he "didn't know yet who his opponent would be."

Luther Sharpe, his campaign manager, is on a week's tour of the East Side, but will return to Albuquerque headquarters Saturday. An Albuquerque master sergeant, J. B. Vaughn, resigned from the Army two weeks ago to campaign for Frazier. He is in charge of publicity for the campaign.
