RAMBLIN' AROUND

By PAUL B. BAKER

In the coming election there will be some who will vote the straight party ticket, but it is my opinion, for what it's worth, that the best interests of Lincoln County will be served if every voter crosses party lines and picks the best qualified candidates regardless of their party affiliations.

It doesn't matter, in the efficient administration of county affairs, whether an elected official is a member of the Democratic party or the Republican party. He may or may not believe in States Rights, or the United Nations, or free trade.

The question is: which is the most capable candidate; which will serve the County most efficiently and impartially?

As I see it, it's good business for the voters to forget party lines in voting for County candidates, and mark an X-in-front of the names of the candidates who will do the best job for the whole of Lincoln County.

I have learned a few things since I cast my first ballot years ago in Montana, and that is that neither party has a monopoly on brains, ability or ideas.

With an increase in Armed Forces personnel reported to be impending in the neighborhood of Orosa, Carrizozo has a real opportunity offered it, as well as responsibility. This is finding the means to provide additional recreational facilities for the boys who may be stationed near our town.

It's up to Carrizozo to provide recreation for these boys or they will look for it in another direction.

A good start has been made in this direction in the recreation room at the Western Hotel. There services can play pool, checkers or cards in the lake box—for free. This is a small step, but Vernon Petty says it can be expanded if needed.

A USO on a small scale might be a good thing, with various clubs taking part in putting on a dance for servicemen one or two nights a week—if that is what they want.

Several businesses enter into the recreation picture, such as restaurants. Young men like to eat. They can put away a good meal and inside of an hour be hunting up a cafe or snack bar.

The theatre is important in a recreation setup. In this connection, Manager Sillitton has a picture billed that the young fellows will like: the Mariano vs. Walcott fight film.

Some constructive thinking along the lines of recreation for service personnel will build a lot of goodwill for Carrizozo and may bring some of these boys back here to become permanent citizens.

Publisher Vic Lapp ("Wit and Wisdom") took exception in his column last week to a statement I had made previously asking "Is Ruidoso the Capitan farmer's market? Is Ruidoso the Nogal farmers market . . . ?" He replies:

"We certainly do have feeds and supplies for ranchers, and the reason we are not selling much of it to the Nogal and Capitan and other ranchers of Lincoln County is that these people cannot come into our town with any degree of safety, comfort, or speed over what passes for roads now . . . if you are in need of a good chiropractic treatment, Paul, you're over this so-called State Highway 37 and there by the office for a cup of coffee. Come see us."

Thanks for the invitation, Publisher Vic, but if Highway 37 is worse than the uncompleted portions of 34, we'll leave the car at home and ask Truman Spencer Jr. to fly us over.

Speaking of highways, New Mexico can be proud of its main arteries. On the trip over here I found you have to watch your step on those long straight stretches. The outfit I drive acts like it is out in front in the 40-lap main event. Upon leaving Alamogordo, aided by a big wind out of the southwest, the highway really began to roll. Then the latter half of the course, inspired if I had reached the Bonneville Salt Flats. I looked at the speedometer and thought I drove more miles yesterday than I would care to name today. My feet came up right away.

L. S. DRAKE PRAISES HIGHWAY RECORD OF GOV. MECHEM

The present state administration has made into fact what the Democratic administration has been promising for 20 years," L. S. (Hickey) Drake charged in a talk October 11 at a Republican rally at Corona.

The state representative was referring specifically to Highway 54, 17 miles of which have been completed to the Torrance County line.

"Under the present administration," he said, "this has been accomplished and the remaining 17 miles is programmed to be let for bids early in December. The entire road will be completed and paved by approximately July 1, 1953."

The rally, at Hondo was attended by both State and County candidates.

There will be a GOP rally and dance Friday night at Pichaco, at the school house, starting at 9 o'clock. Marvin H. Roberts, County Chairman, announces.

Other rallies scheduled are: Saturday—Capitan at the Old Gym.

Monday, Oct. 27—The Arabela school house.

Wednesday, Oct. 29—Ruidoso, Buffalo Room, Navajo Lodge.

The last rally before election is to be at Carrizozo, with speakers at the District Courtroom, followed by a dance at Miller's Pavilion.

Governor Mechem Visits Lincoln County

Governor Edwin L. Mechem paid a hurried visit to Carrizozo last Friday. He conferred briefly with Marvin H. Roberts, County Republican Chairman and other party leaders before leaving for Ruidoso.

During his short stay, the Governor headed the Carrizozo High School band plus as it marched up Twelfth Street.

When he left Carrizozo, he was accompanied by Mr. Roberts, J. S. Moore, Glen Bradley and Lloyd Vigil. The party had lunch at Ruidoso. Representative L. S. Drake was present as was Supt. Morris of the Ruidoso schools.

The party attended part of the football game between Carrizozo and Ruidoso won by the latter team, 18-6.

More football was witnessed at Tularosa, where undefeated Capitan won a thriller, 7 to 0, scoring in the last 15 seconds of the game.

According to members of the Governor's party, a Capitan player grabbed a fumbled ball in midair and ran across for a TD and the successful try for point gave the Capitan boys a win in their closest game to date.

After the game Governor Mechem and Mr. Bradley returned to Ruidoso, where the Governor spent the night, continuing on to El Paso the following day.

There he addressed a meeting of the National Highway 54 Association.

Principal speaker at an afternoon session of the association was Ralph Jones, chairman of the New Mexico State Highway Commission.

He said the last 34 miles of unpaved road on U. S. Highway 54—the "Pan-American Central Route"—between Carrizozo and Corona, will be paved in 1953.

Seventeen miles of the 34, one of the few remaining bottlenecks on the Chicago-El Paso highway, are undergoing "stage" construction this year, Mr. Jones said, and a contract for blacktopping the entire 34 miles is expected to be let early in 1953.

The Governor was traveling alone when he arrived in Carrizozo. He had come down Highway 54 through Corona.

NOTICE

The next regular meeting of the Carrizozo Village Council will be held at the City Hall on November 5, due to election day being November 4.

MARVIN H. ROBERTS,

Carrizozo H. S. To Hold Mock Election

The Carrizozo High School Government Class will hold a mock election November 3 at the high school. The students will go through the same process as regular voters. All must register. They have interviewed the candidates for office, made speeches and conducted the election.

Gladys Swarthout, John Carter Guest Artists To Appear In Concert Series at Alamogordo

Announcement was made this week of the artists scheduled to appear in Alamogordo under auspices of the Otero County Community Concert Association.

They are John Carter, the Longines Symphonette, Gladys Swarthout, and Samuel Sorin, according to Mrs. M. R. Sanguinet, association president.

Mr. Carter, tenor, opens the series Thursday, Oct. 30, followed by the Symphonette conducted by Michel Plastre on Sunday evening, Nov. 30.

JOHN CARTER
Concert Soloist

John Carter, popular young tenor of the Metropolitan Opera association, will open the season for the Otero County Community Concert Association Thursday night, October 30 at 8 p.m. The concert will be held in the Junior High School Auditorium on 18th Street.

Miss Swarthout, world-famous mezzo-soprano, will appear in Alamogordo Saturday, March 7. Sorin, young American pianist, will close the series Monday night, April 6.

All concerts will be presented in the Alamogordo High School auditorium on Tenth Street.

This week members are being mailed their membership cards and a small booklet containing series as scheduled by nearby towns, Mrs. Sanguinet stated.

Two Join Staff of Lincoln County News

Mrs. Jamie Coleman is now

employed by the Lincoln News in the capacity of news reporter. Any courtesies extended Mrs. Coleman in her work of gathering news will be greatly appreciated by the News publishers.

Also assisting in the production of the News, at least for a time, is W. H. Baker, father of the News publisher. He is a veteran newspaper man from San Diego county. Mrs. Baker Sr. will remain at their home in El Cajon, Calif., during the winter months.

This is Mr. Baker's first trip into New Mexico. He finds his informality and friendliness not unlike Montana and Wyoming, where he published weekly newspapers for many years.

Coronan Injured On Hunting Trip

Frank Sultemeier, Frank Bradney and Buster Thompson returned Monday from an elk hunting trip in Colorado. They took with them three horses for riding, and a pack horse. Mr. Thompson had a little bad luck on the trip, as a horse kicked him on the left arm. He went to see a doctor Tuesday for an X-ray to find out if any bones were broken.

The Governor was traveling alone when he arrived in Carrizozo. He had come down Highway 54 through Corona.

DEMOCRATS OPEN HEADQUARTERS

R. C. Nunez, county chairman of the Democratic party in Lincoln county, this week announced that Democratic headquarters has been opened in the Paul Mayer Building across from the old post office.

Headquarters phone is 193.

Anyone interested can find information on candidates and issues at the headquarters, Mr. Nunez states. Office hours are from 9 until 4 daily except Sunday.

Headquarters will probably be open all night following election day.

POLIO STRIKES TWO

WERNER BROTHERS

Rickie Werner, 7, and Mark Werner, 4, sons of Mr. and Mrs. Rex Werner, of Carrizozo, were reported by the City-County Hospital yesterday (Thursday) as being over the critical stage after an attack of polio.

There will be minor crippling reactions in the two small boys, but not of a serious nature, the parents were told by hospital doctors.

Rickie was taken to the hospital last week. Mark became a patient this past weekend.

Both of the children are reported improving.

Over the State, 30 new cases of polio are reported by the New Mexico Department of Public Health for the week ending October 18, making a total of 434 cases, compared to 108 for the same date in 1951.

Otero County had five new cases reported and four each in San Juan, Bernalillo and Chaves counties.

Carrizozo Girl Scouts

To Meet, October 30

Girl Scouts of Troop 52, Carrizozo, have gone on the following field trips:

To Lincoln and White Oaks to study history; to White Sands; Cloudcroft, for the study of leaves; Nogal Canyon to study fire building; the Youth Center at Roswell, and the City Dairy at Alamogordo.

CARRIZOZO COUNCIL TO MEET

The Carrizozo Council, Girl Scouts of America, Inc., will meet Thursday, Oct. 30, at 7:30 p.m. at the George L. Zimmerman home.

Anyone interested in Girl Scouting and the furtherance of Scouting in Carrizozo is cordially invited to attend.

"Mayor of Malapais"

Suffers Broken Hip

Sayers Crockett, 78, "Mayor of the Malapais," Carrizozo, suffered a broken left hip last weekend as the result of a fall in the kitchen of his home.

Mr. Crockett was brought to the hospital at Carrizozo, where he underwent an operation Wednesday morning, Oct. 22.

At the time of the accident, Mr. Crockett was alone at home and it was some time before he could be removed to the hospital.

The Crockett ranch is situated west of the Malapais.

Corriozzo Sewing Class Has First Meeting

The first meeting of the sewing class, given by Miss Betty Lou Grogan, Home Economics teacher of Carrizozo High School, was held Tuesday night, Oct. 14.

The first class was devoted to selection of pattern and color.

At the second meeting, Thursday the 16th, nine women were present, and the class keeps on growing. The basic steps in construction and fitting were taken up. Pattern alteration was also discussed.

Attending the classes are the Misses C. A. Snow, William Hadley, Alton Lenard, Edith Lenard, J. G. West, Jerome Barkus, Fred Current, R. F. Coleman and the Misses Velda Lenard and Minnie Neill.

Movies are planned for the class; also a demonstration of the use of Necchi sewing machine.

G. Wilson of Roswell spent several days last week visiting Mrs. Vick Lopez of Carrizozo. Mr. Wilson is the grandfather of Mrs. Lopez.

Movies are planned for the class; also a demonstration of the use of Necchi sewing machine.

A total of 560 made application for the 160 elk permits allotted for the Pecos Wilderness Area hunt which opens at noon, October 26.

Next in line will be the drawings on the Oia, Llano and San Antonio Mountain areas.

Fallbears were Bill Gilliland, Johnny Shaw, Ully Shaw, Clay Smith, Art Melvin and Joe West.

The American Legion and its Auxiliary held their respective meetings Wednesday, Oct. 15 at the Legion Home. This Auxiliary unit was hostess at the district meeting held in Carrizozo Saturday, Oct. 18, with Mrs. Nan Genta, district president, of Alamogordo, presiding.

Mr. and Mrs. Doug Glattfelder, former residents of Capitan and now of Elida, were visitors in town Sunday.

The football game played last Friday night at Tularosa with Capitan proved to be an exciting one, resulting in a win for Capitan, 7 to 6. Wednesday of this week Capitan plays Melrose at Melrose. It will be a night game.

The Capitan Woman's Club will hold its regular monthly meeting Friday, Oct. 24, at 8 p.m. Members are asked to be sure to attend. An interesting program is scheduled.

I had a letter from Mrs. L. D. Fish, formerly of Fort Stanton telling me she is confined to her bed. It would be very comforting to her if all her friends would send her "get well" messages.

Fire Is Great Destroyer

Every day there are 849 home fires in the United States. There are also 34 deaths by fire every day. 70 store fires, 88 factory fires, nine church fires, eight school fires, and four hospital fires. More fires occur in dwellings than in nearly all other types of buildings combined.

Century has been able to introduce and footnotes, by Miss Gregg who included with it also several related documents. Sibley's journal is rough-hewn, prosaic, utterly devoid of literary pretension. He suffered far more from horse flies than from Indians, and gave more attention to water and pasture than to big game or the grander aspects of nature.

It is widely believed that while the Trail's eastern terminal was a sort of suburb of what is now Kansas City, the other was simply the great romantic unknown. Actually the western terminal was not unknown at all. It was the drowsy Mexican village of Santa Fe which was already becoming the primary distributing point of the fat Southwest for cotton prints and other goods of American manufacture. So the reader who desires a factual account of the Trail's origin and development will not turn to so-called historical novels and movie films but to Miss Gregg's highly competent work.

Valley P.T.A. Groups

Discuss Merging

The Hondo High School P.T.A. met in regular session October 14 with Mrs. Ed Nelson, president, in charge of the meeting.

Plans are now being made to incorporate all of the valley schools into a single parent-teacher group, made up of parents and teachers from all of the valley schools. This proposal is under study by a committee and it is expected to be presented for a vote at the November meeting.

The program was highlighted by a demonstration from the biology class under the direction of its instructor, Supt. Montes. The participants were Barbara McKnight, Dorothy J. Chavez, Della Joiner, Freddie Titsworth, Onesimo Prudencio, Kay Taylor, and Fritzie Bowser. The theme of their demonstration was insects which combat and aid man in the struggle for survival, and several interesting exhibits under glass were presented for the audience to view.

Carl Radcliff of the Tinnie school gave a timely discussion about playground supervision and the importance of relaxation.

In the life of the school child.

He stressed the need for physical education in our school program and the importance of close cooperation between the parents and the school in the attempt to put over such a program. Solutions to the emotional disturbances of children may often be found in the release from tension due to the stress of possible unhappy home life may be worked out through a program of physical education, he said.

Mrs. Carl Radcliff of the committee planning the programs for P.T.A. meetings, gave a preview of the various features to be presented at the coming gatherings. The efforts of this group have been directed toward a presentation of what actually goes on in our classrooms so that parents may see what is being done in the schools.

At each meeting, representatives of the various departments in the five valley schools will present some phase of school work as actually carried out in the classrooms.

Pumpkin pie with whipped cream was served at the social hour following the meeting by the hostesses, Mrs. Carl Radcliff, Mrs. Shelton Taylor, and Mrs. R. C. Nunez.

JR. CLASS MINSTREL SHOW

A minstrel show will be given by the Junior Class Thursday evening, November 6.

The Junior Class of Carrizozo High School sponsored a football Queen last week with the result that Betty Jack Robinson, Junior, of Nogal, was elected Queen, with Emily Ann Johnson, Senior; Ina Verle Withers, Sophomore, and Margo Duncan, Freshman, as attendants. The contest was split and the results were close.

The Queen was chosen from half of the contestants in the game while the other half were EIGHTH GRADE STUDENTS.

The Queen was chosen from

selection for room mothers. Mrs. Ace Betty and Mrs. G. King were chosen.

The Eighth Grade has gathered

a lot of play books and money

for the children's "Popperos."

**NATIONAL AWARD
FOR ADVERTISING
WON BY THE S. P.**

For the second successive year, Southern Pacific railroad has been declared winner of the national "Socrates Award" for outstanding transportation advertising, according to announcement by Transportation Ad Views of New York City, donor of the award.

The competition, open to all North American transportation companies—air, rail and bus—is based on month-to-month judging of each carrier's newspaper advertising throughout the year.

"Southern Pacific Company has maintained a freshness and originality in presentation," the announcement said. "In addition to promoting its own business,

company has devoted much ad space, with equally good treatment, to the improvement of community and national interests. Its kind of advertising has been beneficial to many businesses, industries and individuals.

"Its advertising was a credit to the railroad companies and to the transportation industry in general."

ALAMOGORDO PROPOSES TO BUY BONITO DAM'S WATER

ALAMOGORDO, Oct. 17.—The Southern Pacific Railroad Company is considering disposition of the Bonito Water System in Lincoln County and will give the City of Alamogordo's proposal to purchase the system for domestic use, full consideration when the time for sale comes, according to a letter to City Manager B. E. Rutz from R. E. Hallowell, general manager, of San Francisco.

Several weeks ago, the Alamogordo City Commission instructed Manager Rutz to inquire as to terms of sale of the Bonito Water System, proposing that it might be made a part of Alamogordo's domestic supply, if terms were favorable.

Southern Pacific representatives have told city officials of the plan of the railroad company to dispose of the system as soon as communities above Carrizozo now served can develop independent water sources.

The company plans, representatives have said, to convert to diesel power and to dispose of the water system, now operated as a financial liability, because of excessive pumping costs in boosting the water to points north of Carrizozo, as far as Pasura.

The flow from Bonito to Alamogordo would be by gravity. In his letter, Mr. Hallowell says:

Mr. and Mrs. Floyd Hale spent several days last week at the Charles Jones home. Floyd was helping with the sheep work at the B.H.B. Other helpers and visitors during the week included Professor Neale from State College, who was accompanied by two young men from Peru, here in the United States to observe and learn our ways of ranching. Tex Allen, who is with the Bureau of Animal Industry, stationed at State College; Fred Teel; Tuffy McGuire, Leland Hendricks—all of Roswell, N. Mexico, and Lieut. Lonnie Wharton of Roswell; Mr. and Mrs. Ed Downing and John Downing, were visitors one day.

Walter B. Jones delivered to the Hendricks Arroyo ranch last Friday 50 head of Black Angus heifers.

The Downing Brothers will deliver their lambs next week. They are among the few lucky ones out our way to have sold their lambs before the market dropped.

Thought for the Week: The right of a voice in choosing our local, state and national officers is the most precious privilege of a free people. It may be that only the loss of that privilege could make some people understand its value. The individual has a right to indifference or neglect, but it is pertinent to point out that those who fail to vote November 4 will have no right to find fault. If results of the election prove unsatisfactory, GET OUT AND VOTE NOVEMBER 4th.

Here's the new gasoline-powered GMC Model 472-36A—the tractor that will haul more payload within the 15,000 GVW limit than any ever built, by as much as 1,300 EXTRA pounds of cargo in some cases!

Packed and ready for the road, this revolutionary new highway tractor weighs a trim 8,000 pounds—the result of new engineering techniques developed by GMC, which eliminate load-robbing "dead weight" from truck design.

A good example is this GMC's revolutionary new "36" valve-in-head engine—powered for power the equivalent

of truck history. It achieves a record-breaking 7.2 to 1 high-compression ratio from regular fuel, produces 150 horsepower—yet weighs as much as 300 pounds less than competitive engines! It has all the features you want in a good truck. Standard equipment includes full air brakes and a 10-speed transmission rated to accommodate heavy loads. Available in conventional and cab-over-engine models in a variety of wheelbases.

It's working—ready to haul whatever you've got—and it's never been able to put better trucks behind it.

Lincoln County Voters Ranked Tenth In State In 1950 Election Turnout

SANTA FE, Oct. 23 (Special) to the Lincoln County News)—Lincoln County stands tenth among New Mexico's counties in percentage of voters who cast their ballots in the November 1950 general election, the Taxpayers' Association of New Mexico reported here today.

Report is that they are down almost 1000 feet.

Expert and Champions

4-H Demonstrator Jean Tweten of Hibbing, Minn., an individual bread demonstrator at the Minnesota State Fair "shows how" to two junior baking champs, Mrs. Ruth Denusasen, Rice Lake, Wis., and Helen Constance Thatcher, Charleston, S. C., Grand National bake-off winners.

Minn., Minn.—These two junior champs, among the five famous cooks who have won top prize honors at the bake-off at the Waldorf, met for the first time when they formed a "Cook of the Year Club" at the Ann Pillsbury Home Service Center in Minneapolis. Anxious to compare notes, these women chatted briefly about what they did with all their prize money, how they went about installing in their homes the General Electric equipment they won as bonus prizes, and what they said to Mrs. Eleanor Roosevelt, the Duchess of Windsor, and Margaret Truman, who awarded the prizes. They all claim they are intent on working out new and novel recipes to enter in the coming fourth contest to be climaxmed by another bake-off at the Waldorf December 8, when the 1952 Cook of the Year will be named.

Food Sense--Not Nonsense

Are you a follower of the food faddists? Do you listen to their blasts on the actions? Are you influenced by the suggestions of their printed books, pamphlets and buying their nostrums and gimmicks which are being sold in scores of ways?

Doctors, nutritionists, Government authorities and others concerned with the public welfare continue to be disturbed over the influence of these faddists. To counteract it, the public is being assured by authoritative sources that a varied, balanced diet of available foods will provide the nutrients necessary for buoyant health.

In order to simplify the planning of nutritious meals, the Seven Basic Food Groups were developed, as an easy-to-follow blueprint. Those who choose foods from each group daily, regularly obtain protective factors that help build sturdy bodies, make minds alert, and produce quick energy.

Featured in the seven food groups are: Meat, fish and eggs (meat products for calcium as well as protein); bread, flour and cereals (enriched or whole grain); for three B vitamins—niacin, thiamine, riboflavin and iron, in addition to energy-sparking carbohydrates; butter and margarine for vitamin A and concentrated food energy.

To simplify selection, the fruit and vegetable families are divided three ways: Green and yellow vegetables, high in vitamin A, iron and other essentials for growth, energy and health; oranges, grapefruit, tomatoes, raw cabbage and salad greens, rich in vitamin C (the sea-cucumber fruits, strawberries, and cantaloupe and some others also are high in this important vitamin). The popular group which includes potatoes, beans, onions, corn, and other vegetables, and pears, apples, bananas, peaches and other fruits, lends variety to meals and helps round out the dietary needs.

By including foods from these three fruit and vegetable groups every day, the diet will show that all the required vitamin C has been included, about 1/2 of the vitamin A, 1/2 of the iron, niacin and thiamine; and 1/2 of the calcium and riboflavin. Because of their carbohydrate content, they furnish a significant part of the energy requirement.

Known as "protective" foods, these fruits and vegetables help build a defense against disease and infections, provide roughage and are an aid to good assimilation. Items from each one of the three groups, as well as from the other four of the basic seven must be eaten each day to assure a diet that is adequate, nourishing and health building.

How To Have a Glamorous Bathroom

Curtains made of towels highlight this cheery bathroom. Its Provincial theme is accented by Cannon's "Cheshire Cat" ensemble.

It's easy to redecorate your bathroom each week. You can do this without spending a cent on painting or papering or even on structural changes.

All you do, suggests the Cannon Homemaking Institute, is to change your color scheme each week. With varied towel colors, plus occasional changes of small decorative accessories, your effects can be constantly new and interesting. For instance, your bathroom may one week have a gay Provincial theme, with "Cheshire Cat" bordered towels. You can use the same style towels for window curtain, tied back with strings of wooden beads to match the borders.

On another occasion, you can create a Victorian theme by using richly patterned floral towels in

brilliant colors to contrast with your walls. In this place, you may change window draperies to a clean-cut candy-stripe fabric. Add some Victorian bird-a-brace, and you have a bathroom in an entirely different mood.

Or, you may choose for your bathroom's decor a strictly modern theme. For this, a smart idea would be solid-color towels of sculptured or textured designs to contrast with solid-colored walls.

Do you see how easy it is to change your bathroom to match your mood? All it takes is a variety of towels in lively colors, a few decorative accessories—plus lots and lots of imagination!

BAPTISTS TO MEET AT LAS CRUCES

Baptists of New Mexico plan this year for their annual session with the First Baptist church of Las Cruces. Every church is entitled to one messenger and one additional representative for each 25 members of the church. On this basis, 1200 are expected to register from 220 churches and missions.

Announcing the results of the 32-county survey, Rupert F. Asplund, director of the association, said that of Lincoln county's 4186 citizens of 21 years or over, 2836—or 67.7 per cent had exercised their franchise at the polls. Counties closest to Lincoln are Union 68.1 per cent and De Baca 66 per cent.

Most recent Federal census figures (1950), Asplund said, give Lincoln County a population of 7,400 persons, of whom 4186 are of voting age. Individual figures for the percentage of citizens who cast their vote in various Lincoln communities are not available.

Ranking of the State's ten for counties, in percentage of possible votes cast in the last general election, the Taxpayers' Association survey shows, is: Guadalupe 83%; Torrance 82.6%; Mora 82%; Harding 76.6%; Rio Arriba 73.9%; Socorro 71.2%; Taos 68.9%; Santa Fe 68.2%; Union 68.1; Lincoln 67.7.

"Public interest in the forthcoming election, combined with national, state and local efforts to stimulate registration and 'get out the vote' in November, seems to give promise of a record-breaking turnout at the polls," Asplund declared.

For the state as a whole, only 48.5% of its eligible citizens cast their votes two years ago. Counting casting less than half their possible voting strength were Curry 40.9; Dona Ana 43.2%; Bernardo 41.2; San Juan 40.7; Eddy 40.6; Roosevelt 40.1; Hidalgo 39.2; Otero 29; Chavez 33.2; Los Alamos 29.9; McKinley 20.3 and Lea County 20.

New Mexico Baptist women, around 15,000 in number, along with the men will open their Las Cruces session on the evening of November 4.

Ray Taylor Recovers From Injury In Time To Get His Antelope

By MRS. J. E. PHILLIPS

LINCOLN.—Ray Taylor slipped and fell from his truck while loading hay at Timne about the time the antelope season opened.

However, he made a quick recovery and was able to go hunting and kill his antelope.

Mrs. Martha Benavides fell recently and broke her left arm near the shoulder. She is in hospital for treatment and is getting along nicely.

There was a large attendance at the Republican rally and dance last Saturday night at Maes Hall.

Mrs. Christobal Zamora spent a few days in Albuquerque last week. She visited Mr. Zamora at the Veterans Hospital while there and she says he is feeling quite well but he is not able to come home yet.

Mrs. Ruth Martin left Tuesday for a short visit with her daughter, Mrs. Julia Reidy and family in Holbrook, Ariz.

It certainly was nice to have her in Lincoln.

Bert Pfingsten able to call for his mail Monday, even though he did have to call for curb service. He and Mrs. Pfingsten drove down the river for the day but Bert had to go back to the hospital for a few days more.

Mr. and Mrs. Henry Miranda spent last weekend with the Emael Salas family in Lincoln.

There is a gorgeous showing of chrysanthemums in bloom down at Clark Pfingsten's home. He and Mr. Pond are real gardeners.

Mrs. Jeff Dockray attended an American Legion Auxiliary convention in Carrizozo last Saturday.

Billy and Peggy Wilson are still visiting with their parents. They will leave about the first of the month.

One of our local boys, Eligio Gringo, Jr., has landed in the States. He will probably be home before long.

Rose Marie Hauck who attends school in Ruidoso is taking advantage of her holiday during teachers convention to visit her grandmother, Mrs. J. G. Garcia,

It certainly was nice to have her in Lincoln.

Build the Nation

In these days of uncertainty and miserable leadership in Washington, the people of the United States, by exercise of a free ballot on November 4, will have an opportunity to clean up the mess in Washington by electing as President Dwight David Eisenhower.

It is not enough to elect Dwight Eisenhower president. We must support him by electing Republican candidates to the United States Senate and House of Representatives. Only with a cooperative Congress can Eisenhower be successful in solving the many pressing problems which confront all of us.

Guthmann Charges Dempsey Too Silent

Taking as his theme the fact that Congressman John J. Dempsey has been "strangely silent in the halls of Congress on the destructive policies of the Fair Deal—the policy of tax and tax spend and spend, elect and elect which has brought us a smothering load of public debt—the policy of coddling Communists, the policy of cronyism, corruption and waste in our Federal government," Ed Guthmann, Republican candidate for Congress loosened a withering blast against the New Mexico spion over KOB Tuesday night.

He cited the "scandals which marked the two Dempsey administrations as governor of New

Mexico," and particularly the expose of the "fraudulent highway truck rentals in the Springer District highway office" (Guthmann's weekly newspaper is located at that place.)

The Republican candidate labeled the affair "a plan of methodical thievery, whereby a few of the loyal milked the highway department on rental of trucks, some of which vehicles existed only in imagination."

Guthmann said, "I want you to know that I fully endorse the principles of Dwight D. Eisenhower, and that should you elect me I shall give him my utmost aid in achieving his program." He is to talk again over KOB Thursday night, Oct. 30 at 8:30.

Earl Harcrow Describes Qualifications for County Clerk's Office

James Earl Harcrow was born in Roswell March 13, 1928. He came to Capitan in 1935 and has lived there continuously since. He attended public school in Capitan and after his graduation from high school in 1946 enlisted in the USN Hospital Corps. He was stationed at the Corpus Christi Naval Hospital in Texas as assistant to the personnel officer, having charge of all records in this 500-bed hospital.

Mr. Harcrow was there thirteen months, prior to his discharge from the service. He then enrolled in New Mexico Highlands University at Las Vegas, majoring in business administration. Following his graduation he was employed on the clerical staff of the U. S. Public Health Service Hospital at Fort Stanton, where for two years he was in charge of budget accounting and auditing vouchers.

He was police judge in Capitan; also justice of the peace for Capitan. At the age of 22 he was said to have been the youngest justice of the peace ever to have served in the State of New Mexico. He resigned this position the 7th of January this year to become deputy clerk of Lincoln County.

He has become acquainted with the many duties of the clerk's office in regard to probate court affairs of which he is clerk; also the district court and the board of county commissioners sitting in their various capacities as a board of equalization and board of finance.

Mr. Harcrow married Miss Nettie McInnis of Lincoln County July 19 of this year. The couple own their home in Capitan. Mr. Harcrow has always been

Los Crucen Killed in Action on Korean Front

LAS CRUCES—Lie. Harry Conway Bradley, son of Mr. and Mrs. H. C. Bradley, 603 North Alameda, was killed in action in Korea, October 8.

The 22-year-old native Los Crucen died without ever having seen the youngest of his two sons. His widow, the former Joyce Ann Wilson, and his two sons, Kevin and Jamie reside here. Lt. Bradley was serving with the 45th Division, US Infantry.

LINCOLN ON WEALTH

"Prosperity is the fruit of labor; property is desirable, is a positive good in the world. That some should be rich shows that others may become rich and hence is just encouragement to industry and enterprise—Let not him who is homeless pull down the house of another, but let him labor diligently to build one for himself—I take it that it is best for all to leave each man free to acquire property as fast as he can. Some will get wealthy, I don't believe in a law to prevent a man from getting rich; it would do more harm than good."—Abraham Lincoln.

Charles W. Hodgin Back from Far East Duty

Charles W. Hodgin, seaman, USN, son of Mr. and Mrs. Charles L. Hodgin of Carrizozo, N. M., recently arrived in Long Beach, Calif., from the Far East aboard the destroyer USS Rupertus.

While in the Far East, the Rupertus, steaming in screening station, protected fast carrier Task Force 77 from the ever-present threat of enemy submarine and air attack. She bombarded enemy shore installations and provided escort and blockading service.

During the fire on board the aircraft carrier USS Boxer last July, the Rupertus rescued personnel forced to jump to escape the raging fire.

MORE ON CONSERVATION

NEIGHBORS SPEED UP CONSERVATION PROGRAM

Soil conservation district supervisors of New Mexico are taking advantage of the desire of people to do things together in groups. They are using neighbor or friendship groups to speed up conservation work on the land.

The latest report shows that 480 groups, comprising over 2700 farmers and ranchers are doing conservation work with their soil conservation districts. About a hundred groups including nearly 500 people have started working with their soil conservation districts during the last year.

The supervisors are working with these groups to get more conservation applied to the land. At group meetings, they learn how the soil conservation district can help them; what the conservation program is in the district, what it is like on their own farms, and plan together how they can get the conservation program on their own farms.

They learn how to do such things as improved ways of irrigating a field to better use and save water, how to prepare for and plant a field to irrigated pasture, and how to better use and handle different kinds of land.

Also, at meetings the group decides what conservation practices it will work on and apply during the coming season. On many of these things, members of the group help each other and work out their problems together.

Pfc. James M. Boone on Duty in Germany

James M. Boone, son of Mr. and Mrs. Jesse J. Boone of Carrizozo, now is serving with the 43rd Infantry Division.

His division, now stationed in the southern part of the country, is receiving constant field training as part of the North Atlantic Treaty Organization (NATO) Army.

Private First Class Boone entered the Army in July 1950 and arrived in the European Command last August. He is assigned as a rifleman with Company M of the 172nd Regiment.

Start The Day Right

The importance of starting the day with a good breakfast to fortify our bodies with the needed energy for the tasks of the day is now well recognized by housewives and meal planners. Just what of the importance of a spiritual tonic to give inspiration and stamina for the mind and soul?

Thousands of families have found that breakfast time is the ideal occasion for a brief period of meditation and prayer which gives a spiritual touch to the whole day. With the aid of a devotional guide and the Bible, any family can have a meaningful, inspirational, and helpful family worship. It proves to be an important factor in strengthening family ties and in giving a feeling of family unity to have father and mother or one of the children read a Bible passage, a devotional message, and a brief prayer.

Dr. J. Manning Pitts of Nashville, Tennessee, editor of The Upper Room, the world's most widely used devotional guide, points out that any family can easily arrange to share the few minutes that such a program requires. The experiences of numerous families showed the importance of starting the day right—giving each member of the family a sense of worthiness and a renewed faith to help them meet the problems of the new day—it is the result of meaningful breakfasts.

In addition, the establishment of the habit of regular, prompt, and more abundant breakfast will be a recuperative food that will keep everyone alert throughout the day. The Upper Room, which presents a daily program for each day, is available through 20,000 distributors in the United States.

WOMAN'S CLUB REPORTS ACTIVITIES

By MARBRY BURNS
Press Reporter

The Carrizozo Woman's Club met October 17 with President

Mrs. C. A. Snow presiding.

A verse of the Star Spangled Banner was sung, Mrs. Kelley at the piano and Miss Keener leading. The Salute to the Flag followed.

The resignation of Mrs. Austin Albert as treasurer was accepted with regret. Mrs. Jane Shafer was elected to fill the vacancy.

The death of Mrs. Selma Degitz, a past president, was announced.

The president stated the club would sell hamburgers and pies on election day.

Report on the district convention at Ruidoso: District President Mrs. Lytle of Las Cruces, presided. Also present were Vice President, Mrs. Calloway of Alamogordo; District Cor. Sec. Mrs. Stroman of Las Cruces and the State, President of the Federation and other state officers and state chairmen; also the President of the El Paso Woman's Club.

Outstanding on the program was a religious panel by members of the Las Cruces club. On the panel were a Catholic, a Protestant, Christian Scientist, a Mormon and a Jewess. It was brought out that all believed in and worshipped one God.

A paper on Americanism, "Foretold," was given by the Alamogordo Woman's Club. Other features were:

"Multiple Use of Federal Grazing Land," A. D. Brownfield, of Deming, a former resident of Lincoln County.

"Indian Affairs," Mrs. Baldwin of Mescalero.

Truman Spencer Jr. was introduced and gave very interesting and instructive talk on Americanism. He urged everyone to use their privilege to vote. He also told of Boys Ranch in New Mexico.

Miss Keener of Brazil, South America, now of U.S.A., was introduced and sang "Oh, Fair New Mexico"; also "A Grand Old Flag." Miss Keener has a beautiful voice and this was her first visit to the Carrizozo Club.

Mrs. Lytle of Las Cruces was introduced also Mrs. Calloway, and Mrs. Stroman. Each made a few remarks. Other visitors introduced were Mrs. Young, a Spanish missionary, and Mrs. Paul Wilson.

The hostess committee, Mrs. W. W. Gallagher, Jane Shafer, Marbry Burns and Mabel Renfro served pumpkin pie, whipped cream, candies and coffee.
