Ft. Stanton Youth Wins Trip To UN

Joe Don Womack, son of Mr. and Mrs. E. S. Womack, Fort Stanton, and a senior at Captain Union High School, has been selected by the Grand Lodge of New Mexico I. O. O. F. as delegate on the United Nations Youth Pilgrimage to Lake Success, New York, in July. The Lincoln County youth's essay, "What the United Nations Means to Me," containing more than 1,500 words, is one of four selected for award in New Mexico. Each entrant in the opportunity contest to qualify for a place in the pilgrimage is required to write an essay upon the personal meaning of the United Nations. The New Mexico Grand Lodge sends four boys on this educational tour each year and the Fort Stanton youth, the first one from Lincoln County to participate, is sponsored by the Carrizozo Odd Fellows.

The itinerary of teenagers from the Southwest calls for New Mexico, Oklahoma and Texas delegates to meet in Fort Worth July 14. From there they will travel by bus through the states of Oklahoma, Missouri, Illinois, Indiana, Ohio and Michigan. At Detroit, the caravan will cross over into Canada to visit London, Paris and Hamilton, Ontario, and then continue to Niagara Falls for a 24-hour stopover. Back in the United States, the tour will take them across the state of New York to Hyde Park (home of the late President Franklin D. Roosevelt). The caravan expects to reach New York City Sunday afternoon, July 20. Six days will be spent there to observe United Nations delegates in action at Lake Success; visits with the American Association for the United Nations; a trip to International House, residence of students from some 70 countries; briefings at the United States Mission; and interviews with officials of the United Nations delegation to other countries.

In addition, inspection tours of cultural and educational value in the New York metropolitan area, as well as a program of entertainment have been arranged for members of the United Nations Youth Pilgrimage. Leaving New York City on July 25, the delegates will visit Valley Forge (winter campsite of Washington's Army in 1777-78); Philadelphia (Independence Hall, the Liberty Bell, etc.); Baltimore (sovereign Grand Lodge headquarters); Thomas Wilder monument; Fort McHenry where the "Star Spangled Banner" was written; Washington, D. C. (Lincoln and Washington Memorials, Arlington, etc.); Mount Vernon, home of George Washington; Fredericksburg, Staunton, Roanoke, Virginia; Bristol, Knoxville, Chattanooga, Memphis, Tenn.; Little Rock, Ark., and home by way of Oklahoma and Texas.

Jim Thompson, Fort Stanton, Noble Grand of Carrizozo Odd Fellows Lodge, said this week, in conjunction with the honor earned by young Womack, "We are proud to sponsor this fine young citizen of Lincoln County. By educating our youth in international affairs, we build a better community, county, state and nation."

A celebration of the Holy Eucharist will be held at the Chapel of Our Redeemer in Fort Stanton at 7 P. M. on Easter Sunday. Rev. O. J. All who wish to attend are cordially invited.

Regular services are held at the Chapel of Our Redeemer the first and third Sundays of the month at 10:30 A. M. Rev. Rainey holds services at Saint Anne's Chapel the second and fourth Sundays of each month at 10 A. M., and at The Church of the Holy Mount in Ruidoso at 2 P. M. on the first and third Sundays. A cordial invitation is extended to all who would like to attend these services.

Capitan High Selects Boys, Girls State Slate

By ODELL HICKMAN and PAT ALDIZ

Patsy Jones and Johnny Werner have been selected by the faculty of Capitan Union High School to attend Girls' and Boys' State during the coming summer. The New Mexico Boys' and Girls' State is a citizenship training project sponsored by the American Legion Department of New Mexico. Its purpose is to educate our youth in the duties, privileges, responsibilities and rights of American citizenship. There will be approximately 400 boys and girls from junior classes of New Mexico high schools.

Boys' and Girls' States are designed to develop civic leadership; therefore, the qualities stressed in making selections are these: (a) leadership; (b) character; (c) scholarship; (d) service; (e) and citizenship.

At Boys' and Girls' State, complete state, county and city governments are set up. All of the officials are elected in the exact way as in real elections. Campaigns, consisting of speeches and parades, are carried on.

The state that is set up has four cities and two counties. There are two parties, Federalist and Nationalist.

Boys' State will be held at Northern New Mexico Normal School, El Rito, N. M. Girls' State will be held at Gallup. Both programs are to be held from Sunday, June 8, until Sunday, June 15.

Patsy Jones, Capitan delegate to Girls' State, was born in Roswell on Aug. 13, 1935. She has previously attended schools in Roswell and Loreita Academy in Santa Fe. Patsy stands high in her class in scholastic ability and leadership. She is in the National Honor Society and is secretary-treasurer of the junior class.

Patsy lives with her parents, Charles and Eleanor Jones, and her brother, Walter, north of Capitan on the Flying H Ranch. Johnny Earl Werner was chosen to represent the boys of the junior class of Capitan High. He was born in Carrizozo on April 20, 1935. His parents are Mary and Travis Werner of Capitan.

Johnny started school here and has never attended any but Capitan schools. Johnny is a very athletic-minded boy. His talent in athletics will help him rank high in Boys' State sports. All types of sports are exercised at Boys' State from ping-pong to basketball, football and tennis.

Johnny is Capitan's number one comedian, which will come in handy at an assembly which is to be presented entirely by the boys and is a pranksters' show.

Plans Complete For Easter Sunrise Services

By DOROTHY GUICE

Most of the arrangements for the Easter Sunrise Service at the Nogal Mesa Ranchmen's Camp Meeting have been completed, according to Mrs. Gill Peters, chairman. Both Rev. Ralph Hall and Rev. R. C. Gunstream were unable to attend, so there will be but one speaker, Rev. Bruce Giles of Earth, Texas.

Devotions will be held in the dining hall with a special seating arrangement facing the northeast, to allow the best view of the sun rising over the Capitan Mountains.

The singing will be under the leadership of Rev. McClain of Capitan with vocal presentations by choirs of Capitan, Fort Stanton and Carrizozo. Among the hymns to be sung are "The Unveiled Christ," "Lead Me to Calvary," "He Arose, He Lives," and "The Old Rugged Cross."

Ranchmen from Roswell and several communities in Lincoln County will be on hand to serve coffee, hot chocolate, and doughnuts after devotions around a bonfire.

Wear your warmest clothing, you'll have ample time to return to the church of your choice for later Easter Sunday services. Be up on the Mesa at 5:15 A. M.

Carrizozo Students Win Honors At Commerce Club Convention

Carrizozo High School students returned to classes this week with several honors earned at the State Commerce Club convention held at Highlands University, Las Vegas, over last weekend.

Roberta Key was given a medal for her editorial, "School Spirit," which placed first in that contest and earned for her the professional journalistic rating awarded by the state club. Miss Key is a member of the May graduating class.

Betty Moore, high school junior, placed first for the state in the typing contest and received a gold medal. The number of words per minute typed by Miss Moore to win top place was not revealed by the contest officials at the award luncheon, but previous to the convention she had received a certificate for typing from 70 to 75 words per minute. She also gained membership in the Four Hundred Club, an honor given for making more than 400 points in typing and bookkeeping examinations during the school year.

Alma Eaker, high school junior, is the holder of an award given for passing the Typing One test with a 95 per cent or better rating of accuracy. Miss Eaker has also been made a member of the Four Hundred Club.

Janie Wedell and Glenn Thornton were given awards for their ratings of 95 per cent or better of accuracy in the bookkeeping examination.

Certificates of superiority awarded by the State Commerce Club went to Roberta Key in Journalism, shorthand and typing; Elaine Lenard, shorthand; Janie Wedell and Glenn Thornton, bookkeeping, and Betty Moore and Alma Eaker, typing. Certificates of merit in shorthand were awarded Eltha Shrum, Connie Dean, Daisy Samora and Angelina Sandoval.

The certificates are given on the basis of points earned for the year's work.

Carrizozo High School received one of the three proficiency pennants awarded to New Mexico high schools, an honor which requires the earning of more than 4,000 points in state commerce tests over a year's period by students taking the business administration course.

Former Carrizozoan Returns From Germany

Mr. and Mrs. Edward Grey left Monday for Mountain Home, Texas, after a brief visit with the Raley Wards of Carrizozo. Grey, the son of Mrs. Ada Grey, former Carrizozoan now residing in Mountain Home, received an honorable discharge from the Army on March 15. Sergeant Grey has been stationed in Saleburg, Austria, on the German border, for almost four years.

Grey's wife, the former Mrs. Mathilde Grunwald of Saleburg, whom he married Oct. 13, 1951, was placed in a concentration camp by the Germans when they overran Austria. Only 12 years old at the time, she was confined to the camp until liberated by U. S. soldiers. She has a 5-year-old daughter, Brigitte, by a former marriage. The little girl, who has been adopted by Grey but was not permitted to accompany her parents when they came to the United States, is expected to reach New York sometime in May. Mrs. Grey has four sisters and a brother residing in and around Saleburg. Her parents passed away about a year ago.

The couple will establish a home at Mountain Home, where Grey will be employed on the ranch of his uncle, Jim Plour.

The ex-soldier was born in Carrizozo and attended schools here before moving to Tucumcari where he graduated from high school in May, 1947. He joined the U. S. Army in March, 1948, and went overseas in September of that year. He has a brother, Felton Grey, living in Dry Town, Calif., and a sister, Mrs. Charles Goldston, Las Cruces.

Before leaving for their new home in Texas, the Greys were the guests of the Wards' daughter, Mrs. Doyle Ray (nee Betty Ward) of El Paso.

Easter Story Dramatized In Cantata

The beautiful Easter cantata, "Man of Sorrows," by Van Denman Thompson, will be presented Easter Sunday, April 13, in the Carrizozo Grade School auditorium at 8 P. M. The local Methodist, Baptist and Church of Christ church members and their pastors have joined forces to bring to residents of this area the dramatic musical presentation of the Easter message. The combined choirs of the village churches number 21 vocalists. Father George Boenigghausen of Saint Rita Church had planned for the participation of his parish in the cantata, but a previously arranged schedule caused an unexpected conflict and prevented the realization of his wishes in the matter.

"Man of Sorrows," the Easter story told in song, starts with the triumphant entry into the city of Jerusalem and continues with the trial, crucifixion and resurrection. The composition completed recently by Thompson, one of the editors of the Methodist Hymnal, is described by the publisher as music dramatic yet easy to sing. The cantata is reported as stirring and powerful with an impassioned fervor that makes the music fairly sing itself. Characteristic of Thompson is the redemption motif which is heard throughout the accompaniment. The work uses a dynamic and dramatic as well as a quiet pastoral style of music.

The program of 13 numbers includes: The Entry Into Jerusalem, choir; To Gethsemane, bass recitative, C. O. Brewster; The Midnight, soprano, obligato solo, Miss Wanda Garrison and choir; When Morning Had Come, bass recitative, C. O. Brewster; Calvary's Mournful Mountain, choir; There Is A Green Hill, soprano solo, Mrs. Ann Hunt; When I Survey the Wondrous Cross, choir; The Crucifixion, choir with bass solo by Jerome Barticus; He Made Himself of No Reputation, contralto solo, Mrs. L. Z. Manire; At the Name of Jesus, choir; Lo, I Am With You Always, tenor solo, C. O. Brewster; More Love

Capitan Senior Play Scheduled For April 17

The curtain will ring up on the annual Capitan High School senior play Thursday night, April 17, at 8 o'clock, when the class of '52 presents "Auntie's Money" in the high school auditorium.

The comedy production concerns a stone-deaf aunt, played by Joy Miller, who is being cheated of her money by a sly nephew, played by Odell Hickman. Veleta, the aunt's niece (portrayed by Lupie Montoya) and her lawyer fiancé, Malcolm Prefree, try to make the old lady see the fraud behind her nephew's actions. However, it is not until two quack doctors, with Donnie Morris and Joe Don Womack in the roles, accidentally "cure" the old lady's deafness that the fun begins. The maid, Berthanna, played by Flora Salazar, almost upsets the entire cure, but all comes out well—depending upon the one for whom you are rooting.

Tickets are on sale by all members of the senior class at 50 cents for high school students and adults, 30 cents for children. Reserved seats for either adults or children cost an additional 10 cents. The play is directed by Frank F. Taylor, class sponsor.

State President Attends Farm And Livestock Meeting At Hondo High

Delmar Roberts, Anthony, president of the New Mexico Farm and Livestock Bureau, attended the April 2 meeting of the Lincoln County organization held at the Hondo High School. Mrs. Roberts accompanied her husband. Roberts discussed the history of the bureau and its purpose, and informed the group if any specialist was needed, he could be had for the asking. By way of example, he said Porter Taylor of the national organization is an expert on organization and management of fruit and vegetables, and to contact Johnny Augustine, state secretary, who would then get in touch with Taylor. About 30 days notice is required, the state president explained.

A livestock cooperative is being organized by the 11 western states, of which Steve Broch of Roy is the New Mexico representative. A western regional conference is scheduled to be held in Las Cruces June 11-14. The farm bureau school sessions will be held June 11-12; commodity group meetings on June 13; and the general conference on June 14. Roberts stressed the importance of attending the Las Cruces convocation to learn more about the operations of the farm bureau.

Membership cards were distributed for canvassing of new members, with the 1953 goal set at 50. If the goal is reached, the state bureau will refund to the local group \$1 per member.

Other business taken up at the meeting included the reading of a letter by Chairman Kenneth Nozker on price control, and discussion on problems of the fruit growers association by Bert Pfingsten. W. G. Shreeve, secretary of Hondo is the secretary of the Lincoln County group. Membership includes A. T. Thieves Enter, Pilfer White Oaks Building

White Oaks residents this week warned vandalism in that community will be prosecuted if the offenders are apprehended.

Members of the White Oaks Ladies Aid report that chairs, dishes, linen, cooking utensils, etc., have disappeared from the school building in that village during the past few days.

It was reported the building had been entered and all doors left open and a note written on the blackboard reading: "Thanks for everything, March 31, 1952. Roswell, N. M."

White Oaks residents have been troubled for several years with the breaking and entering of buildings and the loss of valuable antiques from various residences in the community.

The stolen articles were used on various occasions at group meetings and especially at memorial services held each year in White Oaks.

PTA To Install

Formal installation of the Carrizozo PTA's new officers is expected to take place on April 14 at its regular meeting. An exhibit of local students' work for the current school year is planned.

According to an El Paso Times story Thursday morning a contract for grading and draining 16.9 miles of Highway 54 at a cost of about \$500,000 will be let April 24 or 25.

George Johnston, Santa Fe, secondary roads division of the State Highway Department, received from the Lincoln County Commissioners last Monday approved copies of the resolutions for guarantee of right-of-way on 16.9 miles of proposed construction on Highway 54, previously requested by the Highway Department. The right-of-way maps submitted by Johnston for the commissioners' information indicate the new construction will miss Ancho by approximately two miles, but the engineer stated an access road will be built.

Chairman Corbin Hester told Johnston he would prefer to have the resolutions embrace the entire portion of unpaved highway between Corona and Carrizozo, and the latter expressed the opinion it may be possible to have the resolutions corrected to show the entire stretch. The commission chairman emphasized, however, that rather than delay the construction "even 24 hours," they approve the resolutions as submitted. Johnston told the group he will ascertain if it is possible to incorporate the suggested change in the resolutions without delay to the proposed 16.9 miles of construction. If such change would necessitate a delay in the road building, the

Expensive Chickens

An incubator, burning two 150-watt light bulbs and containing approximately 60 small chickens, in an empty garage on the courthouse grounds at Carrizozo created considerable furore at the regular meeting of the commission last Monday when an electric bill covering 109 KWH was questioned by the county clerk.

Investigation, however, disclosed the chickens are the property of Sheriff S. M. Ortiz and that the bill had been paid by him on the Saturday preceding the commissioners' Monday meeting. Mrs. Gusie Johnson, clerk for the village of Carrizozo, verified that the bill had been paid April 5. The bill, amounting to \$11.09 after the 10 per cent discount had been applied, covered 109 KWH. Computation of figures indicates it cost the sheriff almost 19 cents per chicken to provide them with heat last month.

Auto Injuries Prove Fatal To L. L. Peters

Funeral services were to be held Thursday afternoon at Ancho with Rev. Roger Sherman, Magdalena, Presbyterian pastor, officiating. Interment was to be in Ancho Cemetery.

Mr. and Mrs. Peters moved to Roswell about five years ago. Mrs. Peters and a son, Virgil of Belen, as well as two grandchildren, survive.

Carrizozo appears to be a mecca for itinerant carnival troupes lately. Another one appeared in town this week with a resultant threat to the operation of several local businesses in town.

As the majority of residents in this village are aware, the motors at the local power plant are old and officials have stated many times they are now operating at peak capacity and beyond. Any extra strain on them threatens collapse. Under the circumstances, it is questionable whether the fee received by the village for a few nights' operation of one of these traveling companies warrants the possibility of disruption to the entire power system of Carrizozo at this time. Nor does it seem fair to jeopardize the businesses of residents and taxpayers who are operating in this village 365 days out of every year and spending the major portion of every dollar earned right here in Carrizozo.

Many residents are convinced the net value of these itinerant companies to the town are nil. One does not have to be a student of economics to realize a carnival takes a considerable sum of money out of a town the size of this community—money from which the village as a whole cannot hope to secure productive benefit and which is sorely needed to be kept working through the billfolds and cash registers of local taxpayers. It is questionable also whether the youngsters who are spending their precious allowances on the so-called "games" are getting full value for their money.

Another important factor in the operation of the traveling carnival is the safety angle. Has any one checked on the responsibility of the company's owner or owners in case of accident on a mechanical amusement concession or is it the village's responsibility if someone is accidentally injured or killed? The accident would not necessarily have to happen on the mechanical device tents have been known to blow down with resultant damage and other freak accidents have occurred at amusement places with disastrous results.

It would seem only fair, at least until the power situation is corrected, that whatever is left in the old motors be conserved for local consumption.

Mrs. Jeff Dockray is preparing to open up a museum in the old Tunstall McSween store, owned by Edward Penfield and his mother, Mrs. Ruth Martin. Easter Sunday is the day set for the opening.

Robert Hinckey, who lives up Baca Canyon way, was in town Monday morning and told us that the bridge near the old Baca Canyon school house burned Sunday. He said that Roy Morgan, who works for the Forest Service, was there to fix up a temporary crossing until something permanent can be built.

Mrs. Joanna Penfield Amastae and son, Jonnie, are expected in Lincoln for the Easter vacation. Mrs. Amastae is studying at A. & M. in Las Cruces.

Mrs. Maggie Pfingster went up to Nogal Mesa to spend a day or so with the Roy LaMays. Judy LaMay came back with her and spent the weekend in Lincoln.

A great many people dropped in at the Old Court House to view the Junior Art Exhibit Sunday afternoon. Everyone who can would see this exhibit. Some of the children exhibiting show remarkable talent.

The Girl Scouts are practicing or another Negro minstrel to be given here in Lincoln.

Those of us who attended PTA on Capitol Monday evening enjoyed it very much. The style how staged by girls from Mrs. Cozzens' home economics classes and directed by her was a great success. All the garments were made and modeled by the girls. They were all very attractive.

Mrs. Belle Wilson and Mrs. Roman Maes worked at the school house registering voters Monday.

Edward Penfield went to Roswell on business Monday.

Alex Salazar, who is in the Navy, is home on a 15-day leave.

Mr. and Mrs. Juan Hernandez went to Rosebud, Texas, last week to attend the funeral of Mr. Hernandez' brother-in-law.

Mrs. Roman Maes tells me the tourist trade is getting underway. Lots of people are coming through Lincoln now and they all seem to be interested in the history of Lincoln and Billy the Kid.

Poor Politics

It would appear that the Republican state organization would have learned its lesson in the pre-primary convention when it attempted unsuccessfully to ramrod certain choices over on the delegates. But the trite saying of "an elephant never learns" now appears appropriate.

The ticket-making efforts have not been abandoned in favor of a hands-off policy in the primary election. This was made evident last week when prominent state officials and organization men met in Santa Fe at the home of State Tax Commissioner Moxey to form a state committee to back the candidacy of Wesley Quinn for the Republican nomination for senator. Three state officials are on this committee, Revenue Commissioner Lujan, Prison Warden Tondre and Purchasing Agent Scott.

The three, however, said they were appointed without consent or consultation.

Although Governor Mechem has announced his neutrality, and says pressure will not be applied to state employees, it is evident that influential state officials and organization men are making a determined fight for Quinn's nomination. The principal target in the three-way senatorial race is Patrick Hurley who confounded the organization by getting the highest convention vote and top listing on the ticket.

These efforts could result in an uprising by the independent Republican voters in the primary similar to the uprising of delegates in the pre-primary convention, and rebound to the benefit of General Hurley. The efforts smack of amateurish political strategy that can do the party no good.

NOGAL MESA

By DOROTHY GUCK
Leota Pfingsten has been hospitalized in Roswell with an infection of the optic nerve.
Ranger Guck counted the La-May cattle on the range last week. Dooce LaMay has a set of twin Hereford calves for the second successive year. Herefords don't often come in doubles.
Rev. Ralph Hall writes that he will be on the Mesa sometime in May for a business meeting of the Camp Meeting committees.
Mrs. Charlie and Lawrence Peebles brought Donna and Jim to the station one day, but refused to leave either of the babies.
Mr. and Mrs. John Shaul visited with Arlene and Paul Jones discussing plans for training the boys of our local communities in the correct use of firearms. Seems with all the tin cans lying beside the roads, shooting targets could be found to reduce the destruction of shooting signs, insulators and forest fire tool caches.
Janice Wigley is staying with Mr. and Mrs. Gill Peters while her parents vacation in Mexico.
Bonnie McEuen hurt her back lifting one of the tires for her school bus. She and Jim have done more than their job in transporting our children to Capitán. The extra little favors they do for the youngsters are appreciated by the parents.
Mrs. Dan Jones left Monday to spend a few weeks with her daughter, Mrs. Frank Smith, in Clovis.
Ranger Guck attended a fire meeting in Albuquerque the early part of the week. All Forest Service employees, sawmill workers, Indian Service employees and interested residents will attend the fourth annual Mescalero Apache fire meeting in Carizzo Canyon on Friday, April 11.
DELEGATE TO GIRLS' STATE
Margo Myers, daughter of Mr. and Mrs. E. W. Myers, Tularosa, and granddaughter of Mrs. Julia Sherrill, Carizzo, has been selected delegate to Girls' State from Tularosa. She is sponsored by the Tularosa American Legion and Lions Club. Alternate delegate is Carolino Davis, daughter of Mr. and Mrs. Raymond Davis, who formerly lived on a ranch near Capitán before they moved to Tularosa about a year ago.

CAPITAN

Mr. and Mrs. Virgil Hall and Mr. and Mrs. Joe Wigley left last Saturday for Guaymas, Mexico, where they expect to do some deep sea fishing.
On Monday of this week Mr. and Mrs. Nathan Moore and three children visited with friends. They were accompanied by Mrs. Moore's sister, Mrs. Sheldon and son, Richard. The Moores are still living in California.
Leo Powell has purchased the grocery store formerly owned by Ben Leslie Sr. The new management took over on April 1.
The following boys and girls have been elected to attend Boys' State and Girls' State this summer: Johnny Werner, delegate; Melvin Romero, alternate; Patsy Jones, delegate; Gwendolyn Martin, alternate. Boys' State will be held at Northern New Mexico Normal School, El Rito, N. M., during the week of June 8-15. Girls' State will be held at U. S. Indian School, Albuquerque, during the week of June 9-13. Boys and Girls' State is sponsored by the American Legion and the American Legion Auxiliary.
Johnny Annaratone's mother left for her home in Memphis, Tenn., this week after a month's visit with Johnny and his wife.
Mrs. Hugh Bancroft and son, Winsie, left for Tucson, Ariz., where they will spend the Easter holidays with her parents, Mr. and Mrs. Frank Everts.
STILL MISS FORT STANTON
Dr. E. M. Townsend, Ringgold, Ga., retired former commander of Fort Stanton Hospital, writes he and Mrs. Townsend enjoy reading the news items that keep them in touch with the activities of their friends in Lincoln County. Dr. Townsend also said "we still miss Fort Stanton and your wonderful New Mexico climate."

ANCHO

By ALLIE SNODGRASS
Mr. and Mrs. Bryan Hightower returned from Roswell last Thursday where they were shopping and visiting for a few days.
All of Ancho is grieved to hear of Uncle Les Peters being so seriously injured when struck by a car in Roswell Monday afternoon. Mr. Peters is an oldtimer in these parts and is beloved by one and all.
The square dance was well attended on Saturday night and everyone had a good time.
Mr. and Mrs. A. W. Drake drove up on Friday to visit with the Price Millers. Levene Snodgrass' mother, Mrs. Deme Blasingame, came up with them to spend a weekend with us. As usual, her visit was too short.
Milt Jones was in Carrizozo on business Monday.
Janie Wedell and Joan Straley were among Carrizozo students attending the State Commerce Club meet in Las Vegas last week. Makes us very proud of our local girls. They were accompanied by Mrs. June Straley.
There will be a basket dinner with all-day services at the schoolhouse on Easter Sunday. Rev. Markham will deliver the morning sermon, with Rev. Rice of Corona bringing the afternoon message.
Fort Stanton Scouts Hold Court Of Honor
Following the regular meeting of the Fort Stanton Boy Scout Troop on April 2, a court of honor was held with all parents and interested friends invited.
The court opened with a candlelight ceremony during which the following awards were presented: Earl Bragg, second class badge; Jole Ferguson, merit badge in pathfinding; Skipper Gould, merit badge in leather craft and mechanical drawing; and Jimmie Minter, merit badge in farm and home planning.
At the conclusion of the court of honor ceremonial, scouting skills were demonstrated by displays of fire caused with friction and with flint and steel, camp cooking and first aid.
Refreshments of cookies and cocoa were enjoyed by the Scouts and their guests following the program.

Liquor Dealers Table

Sunday Sales Proposal

A request by several Ruidoso liquor dealers that the association attempt to have state laws revised to permit Sunday liquor sales was hastily tabled at the opening session of the New Mexico Liquor Dealers Association held in Albuquerque Monday and Tuesday. It appeared doubtful that action would be taken on the suggestion.

Betterment of relations between liquor dealers and other interests in their communities was stressed, and participation in and contribution to worthy fund raising campaigns were urged. It was also emphasized that dealers should take an active part in civic and religious organizations.

The liquor dealers claimed their business has dropped off markedly since the increase in federal tax last Nov. 1.

More than 550 delegates registered on the first day of the convention which ended Tuesday night with a dinner-dance at the Hilton Hotel.

Carl DeBord, Ruidoso, is one of the new directors of the retail liquor dealers. Separate slates of directors for the wholesalers and retailers were elected.

McGoe, Santa Fe, president, and Charles P. Sacomau, Santa Fe, junior executive secretary. Dr. H. C. Jernigan, Albuquerque, is the retiring president.

A highlight of the event was the banquet held at El Gancho following the convention.

HONDO VALLEY

By ELMA T. ROGERS

Pete Romero, Mrs. Romero and Jose Fresquez were all down from Arabela this past week to get something to eat and swap a little gossip with a few old cronies.

Mrs. Luterio Fresquez, the correspondent's mother, came up from Picocho for a short visit. She hasn't been well all winter; her arthritis has been very bad. We will all be glad for her when the weather is warmer.

Our new road up Tinnie Canyon is coming along fine under the supervision of Dan Daniels.

The people of the lower valley are really going to miss Jesse Gallagher. He says he is just too busy to run for mayor again and the job has been hard on his nerves. We might interest Leo Joiner in the job but he has his sights raised a little higher. He says he won't settle for anything less than chief of police of Hondo, and we can't interest Glen Bradley as he is a candidate for sheriff and is too busy to get out much.

Albert Kimbrell is another candidate for sheriff and the kids will sure miss him on the school bus.

Frank Fitzworth was called to Georgia by the serious illness of his brother and we hope he finds him improved.

Bill Sandifer is building a new fence around his place up on the hill and we hope he doesn't fence himself in, as we would sure miss him around here, so be careful, Bill.

Bill Poindexter of the upper valley says if his soft water spring was a still he could soon retire, as he is doing a land-office business in the number hauling water from there.

The Bookers are dressing up the old Hondo trading post. They are remodeling to make several apartments which will be modern when finished. Jimmie Herrera is doing the work.

Our Hondo High Band went to Alamogordo Saturday to do their stuff and we know they did well for themselves.

Earl Hendricks was in town Saturday and said if this weather kept up he would have to be getting his fishing outfit in shape.

Dick Kimbrell of Picocho was in Tinnie Saturday doing his shopping and of course doing a little talking for his brother, Albert.

Fred McTelgue has moved his shearing crew over east again and says he will have about three weeks there this time.

Mrs. McKinley McTelgue was a Saturday visitor in Tinnie, getting something to eat and catching up with a little gossip.

Jess Gallagher says newspapers in Hondo Valley are useless as long as he is around and we partly agree with him but some news he doesn't get.

Mrs. Oldham had a potluck enchilada supper and there was quite a turnout. Everyone reported a real time and plenty to eat.

Little Bobbie Richardson celebrated his fourth birthday last Friday. His grandmother, Mrs. Martin Torrez, gave the party for him.

We see the pictures of three

Green Tree Resident Naturalized Citizen

Mrs. Otho Burk of Green Tree became a naturalized citizen of the United States on April 7, receiving her papers on that date at the county clerk's office in Carrizozo. Mrs. Burk requested immediately her registration as a voter in Lincoln County since she wished to take advantage of the rights and privileges her citizenship offers.

The Green Tree resident, who came originally from Mexico, has resided in that village for a number of years.

CLYDE F. ATWOOD

(Clyde F. Atwood, Carrizozo, shown above) is campaigning for sheriff of Lincoln County on the Democratic ticket. Atwood recently resigned as deputy sheriff to devote more time to his campaign for the sheriff's office. The candidate stated he is running for the job independent of any faction within the Democratic Party.

"MEET MRS. KEFAUVER" ... In this exclusive interview, Mrs. Kefauver recalls the many joys and sorrows of being the wife of a young politician. She talks about the early days of her marriage, the children and tells you how she feels about the prospect of becoming the first lady. This timely article will appear in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

Hondo Valley residents in the last issue of the Lincoln County News and we can say the editor is a brave man to print such a bunch on the same page. If Booky was in the bunch it would have been complete.

Buster Casey is working on the new Tinnie Canyon road. Says he is going to get some of that tax money back he has been paying in for the last 75 years.

Come down Friday, April 18, and have a good time at the Gay Ninety Picnic at Hondo High. Hear the famous Hondo Valley "Barbershop Quartet" and see the "old time sheriff" do his stuff, and sights of sights, the beautiful Kam Kam Girls. Leave your wife at home for this part of the show.

LARGER CROPS Production goals for 1952 call for 15 per cent more corn, 14 per cent more barley, 18 per cent more wheat, 29 per cent more grain sorghums, and a 16,000,000 bale cotton crop.

Many Visit Art Exhibit

The Junior American Artists exhibit drew 104 persons to the Old Court House in Lincoln Sunday afternoon. Mrs. Davis, who reported the exhibition was very well received, said approximately half the number of visitors came from outside Lincoln County.

Four-H club work has become big business. In 1951, club members produced products valued at well over \$6,000,000.

TO GET NAVY LEAVE

Mr. and Mrs. Lewis Farris received word from their grandson, Buddy Garrett, U. S. Navy, San Diego, that he expects to arrive in Carrizozo April 14 on an unexpected leave. Buddy told his grandparents to "roll back the rugs."

Last year more than 30,000,000 acres of farm land in the U. S. were treated with herbicides ("weed-killers").

Easter Cantata, "Man Of Sorrows," To Be Presented Sunday At 8

(Continued From Page 1)

to Thee, mezzo-soprano solo, Mrs. Laura Jones; in the Cross of Christ I Glory, choir.

The following is a brief descriptive resume of the numbers in the cantata: "The Entry Into Jerusalem," a strong rhythmic chorus, sombre in its foreshadowing of the Passion. "The Mid-night" is a pastoral while "Calvary's Mournful Mountain" is an intense portrayal of the march to Calvary. "There Is A Greer Hill," soprano solo, offers relief from previous intensity. "When I Survey" is a contemplative leading up to "The Crucifixion" which is another chorus vivid in its treatment of the Scriptural text and with a baritone solo for contrast. "He Made Himself of No Reputation," a strong singable melody; "At the Name of Jesus," broad melody; "Lo, I Am With You Always," serene vocal. "More Love to Thee," simple hymn fantasia; "In the Cross of Christ I Glory," the hymn is elaborated in the choir part with piano fanfare for the grand finale.

The choir is directed by C. O. Brewster with Mrs. Jerome Bartkus as pianist. The prelude and postlude will be given by Mrs. Bartkus, while the invocation will be delivered by Rev. Harris Ray pastor of the local Baptist church. Rev. R. E. Dickenson, Methodist pastor, will give the benediction. Vocalists include: Mesdames F. O. Brown, Laura Jones, Mae Jordan, Lecky Hunt, Misses Betty Brewster, Wanda Garrison, Margaret Shrum and Birtha Shrum sopranos; Mesdames C. O. Brewster, Margie Clouse, L. Z. Manire, William McVeigh, Fred Schlarb, Audra Luvaul, Miss Roberta Key, alto; W. A. Rice, Jerome Bartkus tenors; Marshall Powell, Richard Brewster, Vernon Petty, Clyde Shultz, Jerry Graves, basses.

Copies of the cantata's libretto will be distributed to the congregation in order that they may follow the story during its musical presentation.

Commissioners O. K. Highway 54 Right-Of-Way Resolutions

(Continued From Page 1)

beginning of the next fiscal year on July 1.

According to Johnston, easements for the proposed 16.9 miles of construction were expected to be obtained Monday by Austin Albert, county extension agent. The latter is in charge of the land survey program now underway in Lincoln County for a long range plan of road construction.

The question arose during the meeting regarding the possibility of a squabble arising over necessary rights-of-way in view of the fact the new survey cuts off Ancho from the proposed highway and would force some residents in that area to use an access road to reach the pavement. Johnston expressed the belief there will be no trouble on that score and the general consensus of opinion appeared to be that the extreme value of this new road to the county will mitigate any possible inconvenience to Ancho residents. For some residents of that area, it appears the value of a certain portion of their property will be enhanced even though they may feel another portion will suffer as the result of the rerouting of this highway.

The engineer told the commissioners the bridge job at Tinnie had not yet been approved and asked for their next highest priority construction in the event that it could not be justified. Hester said he preferred to wait for the recommendations of the committee on the land survey program now in progress before suggesting any further road work.

Routine business disposed of by the commissioners included formal release of the bond for J. Wesley King, Corona, who has resigned as justice of the peace in this village. Esquiel Chavez of Honda, motor patrol operator, resigned April 7 to accept a better paying job. It is reported Chavez is now working for a Carrizozo firm. The appointment of Mrs. Dorothy Current as Lincoln County jailer was approved.

The letter of resignation from Commissioner Wilbur McKnight, which was rumored to have been mailed to the county clerk's office, failed to materialize at Monday's meeting. When asked by a Lincoln County resident about it, J. G. Moore, county clerk, replied he had heard the rumor but that his office had not received the resignation. McKnight, who did not attend the April 7 meeting of the commissioners, was reported absent due to pressure of work on his ranch.

Historic Lincoln Store To Reopen Sunday

The official opening of the historic old Tunstall-McSween store at Lincoln is scheduled for Easter Sunday, April 13, at 9 A. M. The store, which will be open to the public during the summer months this year, will be managed by Mr. and Mrs. Jefferson Doctray, Lincoln.

The historical landmark of an era when Lincoln was the county seat of this county and a thriving and prosperous community, is owned by Mrs. Ruth Penfield Martin, also a resident of Lincoln. A number of items from the original stock, still in existence, are on display and the stock and building have been kept in excellent condition by Mrs. Martin and her family.

The old Tunstall-McSween store played an important role in early Lincoln County history with Tunstall's death credited as the spark that ignited the famous Lincoln County War.

Local Insurance Agency Bid To Be Considered

Sandia Agency, Carrizozo, and the Russell Agency, Santa Fe, who offered the third best price—\$56,092—for a contract with Pacific Indemnity on fleet insurance for highway department vehicles, will have their bid reopened.

The reconsideration of the bid was necessitated when the home offices of the two companies making the low bids rejected the policies. H. F. Scott, Santa Fe, state purchasing agent, said his office will attempt to close a contract with the third company as quickly as possible. The purchasing agent, who took office a few months ago, reported there is no established policy to cover the situation, but that he intended to lay down one which will prevent recurrence. Scott stated no bids on insurance will be accepted in the future that are not accompanied by verification from the company's home office as to coverage and premium, and that his office will insist upon having a sample policy and premium stated by the home office.

The low bidders involved in the rejection of the state insurance are the Employers Casualty through Oestreich and Haggard, Albuquerque, \$42,020, on the public liability and property damage contract on some 1,370 highway department vehicles, and the U. S. Casualty, submitted by Berger and Briggs and Ketchum, Albuquerque, for \$43,624.

The Sandia Agency held last year's contract on a bid of \$21,105. The big jump in bids this year over last year's price is reported due to the poor experience rating on highway department vehicles.

Capitan Legion Ladies Set Poppy Day Date

Capitan American Legion Auxiliary has announced May 24 as the date of its annual poppy sale, according to Mrs. Helen Blaise, poppy chairman of James A. Hipp Unit of the auxiliary.

Capitan Girl Scouts and Brownies will be on the streets of that village throughout the day offering the symbolic memorial poppies and receiving contributions for the auxiliary's work in behalf of disabled veterans and needy children of veterans. The crepe paper replicas of the wild poppies have been made for the auxiliary by disabled veterans of both world wars.

"This year the poppy will have added significance because of the long lists of war dead from Korea which have been added to the heroic roll of those who have died for America," said Mrs. Blaise, who added, "there will be increased need for the Poppy Day contribution because of the many thousands of young men disabled in the Korean fighting. We hope that everyone will understand that the memorial poppy means honor for the nation's war dead and aid for those suffering as a result of war service, and will wear proudly on Poppy Day one of the little red flowers."

TO LEAVE FOR EAST COAST

Capitan PTA Holds Installation Services

By DOROTHY GUCK

The Capitan PTA held a simple installation of officers in the high school auditorium Monday night, under the direction of Lewis Cummins. He introduced each new officer with a personal tribute for their qualifications. Mrs. Ray Province is president; Mrs. Jack Shaw, vice president; Mrs. E. Salas, secretary, and Sam Cox, treasurer.

The new president announced the appointment of the following committee chairmen: Program, Mrs. Paul Wild; Mrs. Tom Utterback and Mrs. Carl Mankinen; hospitality, Mrs. Dick King; membership, Mrs. Phil Blaise; Mrs. Edgar Phillips and Mrs. Adolph Wilson; school service, Mrs. Travis Werner, Fletcher Hall and Mrs. Ruby Yarbrough; lunch project, Mrs. L. W. Clark; publicity, Frank Taylor and Mrs. Ed Guck.

A picture was presented to the grade school, as a special gift from Peter Hurd. The painting is a large and beautiful illustration of an early western scene depicting covered wagons around a campfire at twilight, entitled "Into a New World." The picture is to be hung in the room having the most number of parents attending each monthly meeting of the PTA. Mr. and Mrs. Leroy McKnight chose a frame for the picture in perfect harmony with the colors of the painting.

Mrs. S. M. Cozens presented her FHA girls in a style showing of the ensembles the pupils had made in school. Each girl modeled her own creation before a lovely stage setting of spring flowers.

Ranger Wild showed an interesting Forest Service picture, entitled, "Everyman's Empire." Refreshments of cake and coffee were served in the home economics room.

Cattlemen Find Tested Stock Pays Dividends

More and more cattlemen are coming to recognize the importance of selecting breeding stock on something more reliable than looks alone. They ask for a record of performance for each beef animal they buy. They've found tested stock pays well.

And, as an aid to more meat for defense, livestock specialists of the U. S. Department of Agriculture point out two principles of primary importance in selecting beef stock. They say: One, select stock to produce fast growing animals that come to market

yielding desirable carcasses. And, two, cull low producers.

They suggest selecting herd replacements on the basis of type, quality, size, growth ability, disposition, and the milk production of the mothers of both the cows and bulls to be used in the herd.

Select large cows with adequate mammary development, because large, well developed cows tend to produce large calves.

Cull all cows from the herd that do a poor job of raising their calves.

Remove cull cattle from the herd at least once or twice a year. And, of course, any cattle

that show evidences of disease should be culled immediately.

And in all your culling, cull rigidly. With labor and feed costs high, it is very expensive to maintain cows which don't pay.

For further information on selecting breeding stock to produce more beef consult your county extension agent.
