Height of ambition: Mayor Marvin H. Roberts helping the Betty Brothers mix cement last Sunday when most people were hunting the shade.

Do you remember the comic strip "Hairbreadth Harry" of years ago? Now the villain Rudolph was continually musing up the affairs of Hairbreadth Harry and the lovely Bellinda...

Texas may not be such fabulous lands after all. For his Ph.D. thesis, which has just been accepted at Indiana University...

What tall tales originate in Texas, Baughman writes, they generally concern oil or climate. Gib Morgan is, to many Texans, a favorite subject for folk tales...

New York comes along with "strong man" yarns about Joe Call and John Darling. They had big muscles.

During would never point in giving directions but simply raise his 1000-pound plow with one hand and indicate the direction: "You go thataway."

Then there's the Arizona tall tale hero John Hance, Paul Bunyan and his blue ox of the Pacific Northwest and Walt Hartung of California who tells a fabulous yarn about how he once drove a swarm of wild bees across the Mojave Desert.

LINCOLN COUNTY NEWS

And Carrizozo Outlook The Only Newspaper Printed in Lincoln County

(Volume 38, Number 48, Carrizozo News, Vol. 47) CARRIZOZO, NEW MEXICO, Friday, June 25, 1953 (Outlook, Volume 44, No. 5)

SANTA FE, June 23 — The job that for decades has been considered the best federal plum in the State is going strangely unnotified by the job hungry Republicans.

STRANGE VOTE — It may be that some Republican leaders aren't feeling unkindly about the Democratic Vidals after the freak result in the McKinley county vote in the last election.

ALTON M. LENARD IN PEARL HARBOR — The USS Epperson recently returned here from a six months' tour of duty in the Far East.

THE STATEHOUSE ON THE MUD — Politicians and tourists and such have been driving out to San Ildefonso Pueblo to stare at the strange pueblo governor.

Church to Observe 250th Anniversary of John Wesley's Birth — The Carrizozo Methodist Church on Sunday, along with other churches of that denomination throughout the world, will observe the 250th anniversary of John Wesley.

Nelle Elizabeth Talley Buried at Claunch — Nelle Elizabeth Talley, of Claunch, passed away in Carrizozo hospital Saturday, June 20.

New Mexicans Increase Savings Bond Buying — Residents of Lincoln County invested \$643,75 in Series E and H, U. S. Savings Bonds, during May.

GOV. MECHAM TO ACCEPT FT. STANTON FOR STATE JULY 1st

Fort Stanton will be officially taken over as a State-operated hospital in a brief ceremony at 10 o'clock Wednesday, July 1.

CLARENCE HUST Electronic Technician 3/c — Mr. and Mrs. Elmer C. Hust have been informed that their son, Clarence Hust, has been advanced from the rate of fireman to electronic technician third class.

1960 N. M. Population Figure Set at 877,000

New Mexico's population by 1960 will grow to 877,000 from the 1950 level of 681,187.

Carrizozo to Have Entry in Stock Car Races

Carrizozo will have an entry in the stock car races that get under way again Sunday at the dirt track in Alamogordo.

ROSWELL TV REPORTED OK IN CAPITAN MONDAY

Roswell's new TV reception was reported to have come in clearly in Capitán Monday night, but due to a breakdown they were operating on only 50% of their power and Carrizozo was unable to get any reception.

LINCOLN COUNTY COURT HOUSE NEWS

DISTRICT COURT: Convenes July 5; Judge W. T. Scoggin presiding.

Divorce Granted: Louise Silva granted divorce from Dennis Silva. Awarded custody of five children.

Appraisers Appointed: The Court appointed appraisers to place value on approximately 4 acres of land owned by Annie Gutteriez at the Alamo Canyon crossing.

CLERK'S OFFICE: All County offices will be closed July 3 and 4.

COUNTY COMMISSIONERS: Meet July 6 at the Courthouse in Carrizozo.

County Commissioners: Meet July 6 at the Courthouse in Carrizozo.

Fred English was installed president of the Carrizozo Lions Club at the regular bi-monthly meeting last Wednesday.

Former Carrizozoans Visit Here This Week

Mr. and Mrs. Charles Carl of Hanford, Calif., arrived Monday for a week's visit with his parents, Mr. and Mrs. Calvin Carl.

Wilton L. Haskins Dies in Arkansas

Wilton L. Haskins passed away in a Fayetteville, Ark., hospital on June 7 after a long illness.

ALTON M. LENARD IN PEARL HARBOR

The USS Epperson recently returned here from a six months' tour of duty in the Far East.

Church to Observe 250th Anniversary of John Wesley's Birth

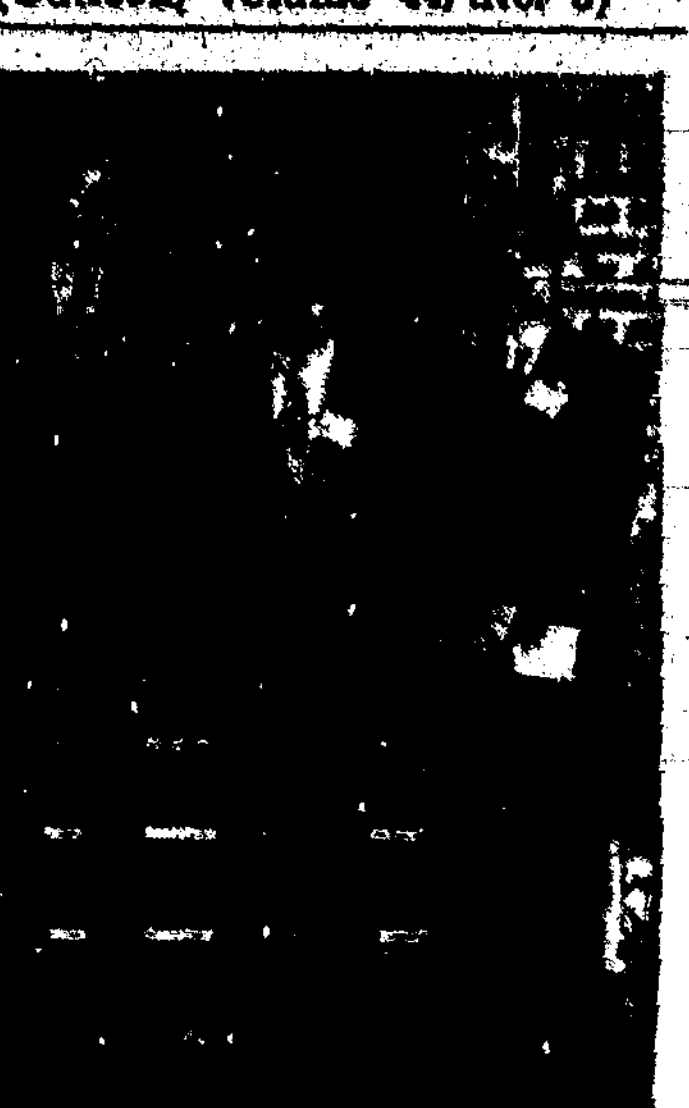

The Carrizozo Methodist Church on Sunday, along with other churches of that denomination throughout the world, will observe the 250th anniversary of John Wesley.

Nelle Elizabeth Talley Buried at Claunch

Nelle Elizabeth Talley, of Claunch, passed away in Carrizozo hospital Saturday, June 20.

New Mexicans Increase Savings Bond Buying

Residents of Lincoln County invested \$643,75 in Series E and H, U. S. Savings Bonds, during May.

Pictured above are MR. AND MRS. A. H. AGUAYO, of Nogal, who on Sunday, June 14, celebrated their golden wedding anniversary. Present for the happy occasion were all of the couples' children—six sons and three daughters—and many other relatives and friends who attended open house from 2 to 5 o'clock.

New Law Governs

Vehicle Signal Devices

In an effort to dispel confusion which has arisen in regard to the effective date for installation of mechanical signal devices on vehicles required to have them, John Kennedy, director of the Traffic and Safety Division of the Highway Department, which sponsored Senate Bill 212, announced that the law in this respect will be effective as of July 1, this year.

"There has been quite a lot of confusion in this matter," Kennedy said, "because of the fact that a section of the law applying to 'new' vehicles, does not go into effect until January 1, 1954.

"However, paragraph (b) of Sec. 80, which applies to all vehicles presently operating on New Mexico highways, will definitely be effective as of July first."

The section of the law referred to by Kennedy reads:

"(b) Any motor vehicle in use on a highway shall be equipped with, and required signal shall be given by, a signal lamp or lamps or mechanical signal device when the distance from the center of the top of the steering post to the left outside limit of the body, cab or load of such motor vehicle exceeds 24 inches, or when the distance from the center of the top of the steering post to the rear limit of the body or load thereof exceeds 14 feet. The latter measurement shall apply to any single vehicle, also to any combination of vehicles."

The law passed by the Legislature was sponsored by the Governor's Traffic Safety Committee, and is an effort to bring New Mexico's traffic safety regulations into line with those in effect in most other states of the Union. It is part of what is known as the uniform traffic

TINNIE BRIEFS

Mr. and Mrs. Byron Britton of Artesia, where they attended the funeral of Mrs. Britton's stepfather, Mr. McBride, who was drowned in a flash flood last week.

Viola Mae Sander is visiting her parents, W. J. and Katie Sander. She has been teaching school in Denver. Leroy Sander recently visited his parents. He is attending summer school at the Institute of Mining and Technology in Socorro.

Wool buyers from Goldthwaite, Texas, have been in this vicinity lately.

The rains that have visited other parts of the county have unfortunately missed Tinnie.

Ronald D. Wilkerson of Leuders, Texas, will conduct a series of outdoor gospel lessons at the Church of Christ in Tinnie, starting June 28. The services start each evening at 7:30.

Bill and Elma Rogers are vacationing in California. Dick Freguez is managing the store during their absence.

Inquiries from around the state have been finding their way to the desk of Jesse Holmes, Director of Safety Education for the State Department of Education. Mr. Holmes points out his interest in the law at the moment centers around its effect on school buses and that while many school buses are already equipped with mechanical signalling devices, some were not, and that it was probable an attorney general's opinion would be requested as to whether or not the law applied to school buses. While many of the buses are less than the minimum width, in most instances they exceed the 14 foot maximum allowed from the steering wheel to the rear of the body.

Gun's Bullet Identifies

Illegal Game Killer

Last November, State Game Department fieldmen found the carcass of a buck deer that had been killed out of season and left to spoil during an elk hunt in the Silver City area.

Checking the carcass, they managed to locate the bullet that had killed the buck. The bullet, along with others fired from the rifles of two suspects were sent in to the Federal Bureau of Investigation laboratory in Washington for analysis and comparison.

Last month, the FBI's findings convicted James Foster, 34, a farmer-trucker from Deming, New Mexico of unlawfully killing a deer out of season. After admitting his guilt, Foster was fined \$50.00 and costs by Peace Justice Andrew Haugland in Silver City.

The markings on the bullet from Foster's rifle matched perfectly the slug recovered from the dead deer.

Vic Vet says

DO YOU PLAN TO TRAIN UNDER THE KOREAN GI BILL?... YOU'LL NEED A PHOTOSTAT OR CERTIFIED COPY OF YOUR DISCHARGE OR SEPARATION PAPERS TO ACCOMPANY YOUR APPLICATION

Youngsters: Beware

Of Blasting Caps!

The United States Post Office Department and Bureau of Mines today joined forces in the nation-wide safety campaign warning boys and girls, "Don't Touch a Blasting Cap."

Posters picturing four common types of blasting caps were distributed for display in 41,000 United States post offices. The posters warn "DON'T TOUCH BLASTING CAPS", and tell boys and girls, "If you find a cap don't touch it. Tell a policeman about it."

Blasting caps are necessary in the nation's industry to detonate blasts for mining coal, quarrying stone, clearing farm lands for tillage, and for digging tunnels and foundations for building and factories. Summer is a peak construction time. More blasting caps are used. And children roam afield and are more likely to come upon blasting caps that have been heedlessly discarded, lost or even stolen, then thrown away.

On a per capita basis, the national income has risen from \$102 per person in 1849 to \$1839 per person in the first half of 1952.

Summerhouse Theatre To Open 7th Season

The Summerhouse, New Mexico's first summer theatre, will open its seventh season in Albuquerque on June 30th, and in Santa Fe on July 2nd. The unique arrangement of two companies means that the ten plays to be offered this season will play alternately in both cities, each play running for one week.

Mr. Karl Westerman, supervising director, has announced that the list of plays will include: "The Corn is Green" by Emlyn Williams; "The Cocktail Party" by T. S. Elliot; "Miranda" a light comedy about a mermaid; "The Rose Tattoo," Tennessee Williams' recent success; "Lighthouse Nan," a rollicking melodrama; "French for Love," an English comedy never before shown in the U.S.; "Moonstruck" by New Mexico playwright Lyda Nagel; and finally one tragedy, the arresting drama by the Spanish poet Federico Garcia Lorca, "The House of Bernarda Alba."

LETTERS TO EDITOR

The following reply has been received by the Lincoln County News in answer to a letter addressed to the office of the President, protesting the closing of Fort Stanton. The reply was signed by J. Manur, assistant surgeon general chief, Bureau of Medical Services, Department of Health, Education and Welfare, in Washington. It follows:

Your letter of June 2, addressed to the President, concerning the closure of the Public Health Service Hospital at Fort Stanton, has been forwarded to this office.

We are pleased to be able to advise you that the State of New Mexico has now made arrangements with the General Services Administration to take over operation of the Hospital on July 1, 1953. The State will operate the hospital as a tuberculosis sanatorium.

We regret very much the necessity of closing the Public Health Service Hospital at Fort Stanton. You may be sure that the decision was made only after consideration of every feasible alternative.

We are forced to close the hospitals at Fort Stanton and Cleveland, Ohio, because of the drastic reductions of the operating funds for all Public Health hospitals throughout the country.

In order to continue to provide good medical care for our beneficiaries we must consolidate our medical services.

There are organized tuberculosis services in several of our general hospitals and the Service also operates a large tuberculosis hospital in New York. Through these facilities we will be able to provide our patients with the medical and surgical services which are so important in the treatment of tuberculosis patients.

HOW MUCH PER ACRE?

How about that valuation of \$250 per acre which was given as the appraised value of the Fort Stanton land in the Herald-Post the other day? Was it appraised at that ridiculous price so there could be another land-grab sale of the land?

Some sold out on the flats here the other day for \$20.00 an acre—and you know how this land compares with the Fort Stanton land—and I could come myself up on the Mesa for \$30.00 an acre.

GRACE M. JONES.

Palladium, one of the precious metals of the platinum group, is important in both industry and the arts.

The national income, in terms of present day dollars, increased from \$2 billion to \$285 billion over the past 100 years.

Pay more? What for?

Fifty Years Forward on the American Road

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

- Here are a few of the "Worth More" advantages you'll find in the '53 Ford:
1. **V-8 engine—powerful and smooth!** Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 15 million!
 2. **America's most economical Six engine!** If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker... the engine which, with optional Overdrive, won't over all other cars, regardless of size or weight, in this year's Mobilgas Economy Run! And it's yours for the same kind of money that buys less modern Sixes in other cars.
 3. **America's finest and most versatile automatic drive!** Fordomatic Drive is the "automatic" which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter. If you choose Fordomatic, you will find that it makes all your driving easier... more relaxing.
 4. **Automatic gas savings!** Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely. You get full high-compression performance from every drop of gas—regular or premium.
 5. **America's newest and finest power steering!** Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Your car gains in sure-footed roadability and you expend up to 75% less effort in driving—and parking.
 6. **Largest choice of models in the low-price field!** Ford alone gives you a choice of 18 different models... a SIX or V-8... Fordomatic, Conventional or Overdrive... the widest variety of body, color and upholstery combinations. You can practically "design" your own Ford!
 7. **A body that's the style-setter!** Only Ford in its field gives you the advantages of a hull-tight Crestmark Body... the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk, the largest. You enjoy more usable space.
 8. **New driving conveniences!** Ford's first in its field—with such "Worth More" features as easier-acting, suspended pedals that eliminate floor holes... foam rubber cushions on front and rear seats in all models... and convenient Center-Fill Fueling.
 9. **An automatically controlled ride!** When you Test Drive this Ford, notice how the wide front tread (widest in the low-price field) makes tilt out of turns... gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end alone is reduced up to 80%.
 10. **It's worth more when you sell it!** An impartial survey of used car prices proved that Ford's return a greater proportion of their original cost than any other cars in America. It's another fact to add to Ford's reputation as the "Worth More" car. But don't take our word for it. Stop in and Test Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year: you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT... WORTH MORE WHEN YOU SELL IT...

GRAND ASSEMBLY OF RAINBOW GIRLS HELD IN CLOVIS

Rainbow Girls, numbering 684, from all over New Mexico gathered in Clovis last week for their 20th session of the Grand Assembly. Grand officers presided from various cities over the State.

Carrizozo Assembly was represented by Raynette Edington, daughter of Mr. and Mrs. L. W. Clark of Capitan, who was Grand Flag Bearer for the session.

Immediately preceding the formal opening Friday morning the Bible Ceremony was given by the Carrizozo Assembly. At this time, Verna Ruth Petty, Margo Duncan and Ann Gallacher entered the assembly room carrying the large white Bible and singing "Holy Bible, Book Divine." They were accompanied by Claire Boyd on the piano. After reaching the altar, the 27th Psalm was read by Ann Gallacher.

The Carrizozo Assembly contributed a number during the entertainment period. This was a beautiful piano solo by Ethelyn Phillips of Lincoln. Ethelyn received the greatest ovation given at any time during the three-day session.

When next year's officers were announced by Mrs. Laura Becker, Supreme Inspector, Carrizozo Assembly was honored by hav-

ing two officers named, Dorothy Moore, daughter of Mr. and Mrs. J. G. Moore, was appointed Grand Representative to the State of Ohio and Raynette Edington was appointed Grand Page for the next Grand Assembly to be held in Eaton in 1954.

Miss Ethelyn Phillips In Recital at Roswell

Miss Ethelyn Phillips, pianist, daughter of Mr. and Mrs. J. E. Phillips of Lincoln, and Miss Cornelia Magee, soprano, daughter of Mrs. George T. Magee of Roswell, will be presented in recital at the Woman's Club in Roswell, Friday evening, June 26, at 8 o'clock.

The young women are pupils of Harry F. Taylor, teacher of voice, and Calvin Walter, teacher of piano.

Miss Phillips was given a superior rating in her district in the State high school music festival and was chosen to play in an honor recital from a group of 54 contestants.

Miss Magee was graduated from Roswell High School this spring and is the recipient of the Woman's Club scholarship of \$350. She has also been offered a scholarship at Southern Methodist University and the University of New Mexico.

The program will be open to the public.

Carrizozo Represented At Nat'l Music Camp

Carrizozo will be represented at the famed National Music Camp at Interlochen, Mich., this summer by Paul, Sally and Sandra Turner, children of Dr. and Mrs. J. P. Turner. Paul plays trombone and accordion, Sally is studying flute and piano, and Sandra plays the piano and accordion.

The National Music Camp was founded in 1928 to provide specialized advanced instruction for unusually talented young musicians, and has expanded its program to include actors, artists and dancers.

The camp, which runs for eight weeks beginning June 28, boasts six symphony orchestras, three symphonic bands, twelve choral organizations, an opera company producing 50 operas each summer, and numerous other activities which provide training and experience in the arts.

About 1100 students will attend the National Music Camp's regular season this summer.

CAPITAN

Legion Auxiliary Has Annual Installation

The American Legion and Auxiliary held their respective meetings on Wednesday of last week.

The Auxiliary held its annual installation of officers, with the following installed by Mrs. D. O. Murphy, installing officer:

Mrs. Marie Walker, President
Mrs. Edna Laramie, Vice-Pres.
Mrs. James Howard, Chaplain
Mrs. Percy Parker, Sgt.-at-Arms
Mrs. Roscoe Cloud, Sec'y-Treas.

Retiring president, Mrs. Percy Parker, was presented a lovely past president's pin on behalf of the unit.

"Religion in the Home" Is Woman's Club Topic

The Capitan Woman's Club held its regular monthly meeting on Friday, June 19, with Mrs. Hugh Bancroft, president, presiding.

Program chairman Mrs. James Howard presented the Ven. Robt. Y. Davis, archdeacon of the Episcopal Church at Fort Stanton, who talked on "Religion in the Home."

Refreshments were served by the club hostesses.

NOTICE
Members in Capitan may pay their electric bills at the Capitan City Hall.
OTERO COUNTY ELECTRIC CO-OP.

The Round Table Club held its meeting Thursday, June 18, at the home of Mrs. Travis Werner. Mrs. Ada Sellers was program chairman for the day.

Mr. and Mrs. Bill Humphries and son, Billy, stopped in Capitan last week to visit friends. Bill and his family were on their way to their home at Las Cruces after spending a vacation with relatives in Kentucky.

Mr. and Mrs. Dee Hickman and daughter, Fay Weddige, visited relatives and friends in Oklahoma last week.

Guests at the home of Mr. and Mrs. Hunt Hobbs last week were their two nieces and families: Mrs. Mary Lou Goss and daughter of Deerhead, Kans., and Col. and Mrs. V. E. Woodard and three children of Leavenworth. Dean Powell of Albuquerque and son of Mr. and Mrs. Leo Powell, spent last week-end with his parents here.

Mr. and Mrs. F. H. Hall Sr. and their daughter, Mrs. James Bristor of Albuquerque, were visitors last week at the home of Mr. and Mrs. Fletcher Hall Jr. Gordon Bigger has been visiting his father, Sam Bigger, and his mother, Mrs. Margaret Bigger, in Capitan.

Guests visiting Mr. and Mrs. James Howard this week are Dr. and Mrs. Glenn Odell of Glendora, Calif. Mrs. Odell is the former Helen Clanning and formerly lived in Carrizozo and White Oaks.

FORT STANTON

By MRS. PERCY PARKER

The following couples who have left Fort Stanton were hosts to the ones who are still here. The Paytons, Bakers, Bingham and Crandalls entertained at the Bonita Club last Saturday night with a dance. Everyone enjoyed themselves, even though it will probably be the last get-together for the group.

Tommy and Barbara Burleson of Alpine were spending the week-end with Mr. and Mrs. Burleson.

Emmett and Rosie Bingham and daughter Carol, of Lubbock, spent the week-end with Mr. and Mrs. Emmett Womack Sr.

Jim and Ethel Thompson left this week for Fort Worth to look for a house. Jim is transferring to the hospital there.

Hecker, the big black dog that was a permanent resident on the hill, and who was fed by all the patients, is very lonesome these days with so many of his friends gone.

The last of the patients left Friday night, some for Manhattan Beach, others for Seattle and San Francisco. It doesn't seem right not to see the patients sitting under the trees.

Mrs. Pettigrew and Miss Caragher are transferring, the former to Holloman and the latter to the VA hospital at Fort Bayard. They report for duty Monday morning.

Miss Young left for Livermore, Calif., and Miss Mason and Mrs. Howell went to Window Rock, Ariz., to work.

Mr. and Mrs. Leo Payman spent Saturday in El Paso, returning the same day, bringing Nancy home.

Mrs. Merrill had to return to the hospital in Albuquerque, but she is back home feeling better. Percy Parker and Rene Griggo (Continued on Next Page)

In Southwest more people drink **Price's Milk** than any other brand!

You can be sure of what you're getting when you buy Price's milk! The quality, better taste and creaminess are always of a uniform high standard. Scientific year-round feeding of the special dairy herds that produce this protected milk assures that there's never a seasonal off-flavor or decrease in richness. Regular or homogenized... in half or bottle... you choose the consistently better milk when it's Price's.

Price's products in the widest selection of dairy products in the Southwest, are sold at your favorite food store.

LINCOLN COUNTY IN BYGONE YEARS

20 Years Ago

(From the files of the Lincoln County News, June 23, 1933.)

Fort Stanton is having the usual big Fourth of July celebration. Two special events at the rodeo are to be goat-roping and a cigar race.

Last Monday morning while playing, Pete Skinner, youngest son of Mr. and Mrs. Roy Skinner, fell from the woodshed and broke his arm just below the elbow.

Mr. and Mrs. C. O. Hayes left Monday for Canyon, Texas.

Lincoln county is honored by having one of her sons, Maurice Lemon, son of Mr. and Mrs. E. Lemon, appointed as a cadet to the West Point Military Academy.

Miss Mary Pickett Warden and Evelyn Willingham of Ancho had an unusual experience recently. They received a severe shock from lightning while horseback riding near Largo.

Mr. and Mrs. Carl Jones were honored at the home of Mr. and Mrs. C. O. Garrison, Sunday. Following dinner the newlyweds were presented with an electric toaster. Those attending were Messrs. and Mrs. M. U. Finley, Dewey Stokes, J. M. Beck, Doyle Rentzow, E. M. Barber and J. V. Taylor.

Mrs. Ernest Dingwall of Tucuman visited relatives in Carrizozo from Saturday to Tuesday.

40 Years Ago

(From the files of the Carrizozo News, June 27, 1913.)

In a practice game here Sunday Carrizozo defeated White Oaks by a score of 11 to 8.

Mrs. Sophia Pfingsten, one of

Change in Rules for Fair Queen Contest

A change in rules for the New Mexico State Fair Queen Contest permits every girl in the State between the ages of 16 and 19 inclusive to compete for the coveted honor.

Last year only members of 4-H clubs or Future Homemakers of America chapters were eligible to compete for the title. Leon H. Harms, secretary-manager of the State Fair, said that each county in New Mexico will be allowed one contestant in the finals of the contest which are held opening day of the fair.

Girls entered in the contest will be judged on personality and horsemanship.

Method of selecting a girl to represent each county is left entirely to the county, with the fair insisting only that all girls must be within the age limits and a bona fide resident of the county she represents. Newspapers, radio stations, civic clubs, rodeo associations or any other group may sponsor a county Queen. Harms pointed out, however, that a county runoff contest must be held as the State Fair will accept only one contestant from each county.

Information on the Queen Contest can be secured from Leon H. Harms, Secretary-Manager, N. M. State Fair, P. O. Box 1693, Albuquerque, N. M.

The oldest residents of Lincoln County, passed away this week at the Providence Hospital in El Paso.

Mrs. R. P. Hopkins and two little daughters came Sunday from Farmington for a visit at the A. T. Roberts home in Carrizozo, also Mr. and Mrs. George B. Barber in Lincoln.

The Carrizozo school board announced the appointment of five teachers: Andrew McGurdy, principal; Mrs. Jewett, assistant principal; Mrs. Robert E. Blaney, primary, and Miss Mamie Humphrey and Mrs. Nora Masie, intermediate.

I. M. Harkoy has been quite ill with the measles.

J. A. Simpson of Corona made a business trip to Santa Fe last week.

AMENDMENT WOULD PERMIT SALE OF LIQUOR TO INDIANS

(Voters of New Mexico will vote on 11 constitutional amendments next September 13. In this and subsequent issues the News will print the amendments and an explanation preceding the text of each. The material was prepared by Joe Wood at the request of Repr. Alvin Stockton.)

COMMENTS ON PROPOSED AMENDMENT No. 2

Removing Prohibition of Sale of Liquors to Indians—Senate Joint Resolution No. 11 proposes to amend Article 21, Section 1 of the Constitution. That section as presently worded prohibits the sale of liquor to Indians. The proposed amendment would eliminate this prohibition.

Two other actions of the legislature are companions to this proposal. One is a law which removes the penalty for sale of liquor to Indians. The effective date of this law is conditioned upon approval of this amendment. The other is a memorial to the Congress of the United States asking an amendment of the provisions of the Enabling Act for New Mexico which also prohibits the sale of liquor to Indians.

The Enabling Act is the Act of Congress which set forth the conditions for the admission of New Mexico into the Union as a State. Thus only Congress can change that condition. When we adopted our Constitution for New Mexico we included an article entitled "Compact with the United States" which repeated the conditions which Congress had laid down in the Enabling Act. It was in this manner that the prohibition against sale of liquor to Indians was written into our Constitution.

Thus the legislature has taken action along three lines to remove the prohibition against consumption of liquor by Indians.

TEXT OF PROPOSED AMENDMENT No. 2

(Senate Joint Resolution No. 11)

A JOINT RESOLUTION Proposing an amendment to Section 1, Article 21 of the Constitution of the State of New Mexico in order to eliminate the provisions thereof prohibiting the sale, barter or giving of intoxicating liquors to Indians and the introduction of such liquors into Indian country.

Be It Resolved by the Legislature of the State of New Mexico: Section 1. That Section 1, Article 21 of the Constitution of the State of New Mexico be amended to read as follows:

Religious toleration—Polygamy—Perfect toleration of religious sentiment shall be secured, and no inhabitant of this State shall ever be molested in person or property on account of his or her mode of religious worship. Polygamous or plural marriages and polygamous cohabitation are forever prohibited.

Section 2. In the event of the passage and approval of this Resolution proposing the foregoing amendment, the same shall be submitted to the people at the next general election or at any special election held previous to the said general election.

News and Views From Your Nation's Capitol

By JOHN J. DEMPSEY
Congressman from New Mexico

WASHINGTON, June 23.—A showdown between spenders and the economy block in the Congress is fast approaching. Before the end of this month the American taxpayer is going to know whether the promised relief from excessive waste and spending and from the heaviest tax burden in our history is going to be forthcoming.

Cuts that have been made in departmental appropriations up to this time have been heavy but they aggregate a small amount compared to those that the economy-minded members of the Congress are seeking to make in defense and foreign-aid spending, particularly the latter. In view of the hardships imposed on our people by reductions made in appropriations for urgently-needed projects in this country it will be difficult and embarrassing for the spenders to fall to agree to a justifiable cut in two largest items in the budget. This will be particularly true if the Korean truce agreements result in lessening pressure for continued heavy military expenditures in the Far East.

The case of the economy bloc has been materially strengthened by at least two recent developments in Washington. The first is the report by members of the business men's group sent abroad to appraise the mutual security program that our expenditures of billions in foreign nations had not produced sufficient results to justify that spending. In fact, they reported, the lavish living of many of our representatives abroad has led to distrust of our country and its motives.

WASTE IN FLYING BOXCARS

The second development, which supports the plan of the President to cut back the Air Force appropriations by approximately five billion dollars, brought startling revelations of inefficiency and waste in Air Force spending. Investigation by a Senate Armed Services Subcommittee, headed by Senator Styles Bridges, (R-NH) of a contract with the Kaiser Motors Corporation of Detroit, to build 159 "flying boxcars"—C 119 cargo planes—has proved beyond question that wanton waste still is to be found in armed forces procurement operations.

Heardings by that subcommittee, with searching questions being asked by Senator Bridges and Byrd (D-Va.), brought reluctant admissions from Air Force top officials that the Kaiser company was being paid 12 million dollars each for planes that were being built by the Fairchild Aircraft Corporation

for \$260,000, one-fifth of the price being paid Kaiser. The original Air Force schedule for the planes showed an estimated price of \$467,000 per plane, less than one-half the actual price being paid. It was revealed also that the Air Force has been planning to make additional contracts with the Kaiser company for C-123 planes—a new "flying boxcar" model.

Some of the reasons why the taxpayers are getting only 20 cents in return for each dollar spent by the Air Force in this case were revealed by an Air Force auditor who told the committee he had disallowed more than \$4,250,000 of charges the Kaiser company had sought to collect from the government under the contract, and which were actually expenditures for the motor car business of the Kaiser concern. He listed among those charges 1.3 million dollars for interest on government loans to the auto makers, \$61,620 spent celebrating completion of the first "flying boxcar", \$72,533 for travel and entertainment and \$4,864 for newspaper advertisements replying to Senator Bridges' criticism of the contract. Such evidence as that and other revelations of waste and inefficiency fully justify my contention that reduced appropriations for the armed services, if properly expended, will not result in the loss of any necessary equipment.

"This is incomprehensible," said Senator Bridges, "particularly in view of the fact that less than 50 of the planes have been delivered and those far behind the delivery date. The Senate will have to look over the Air Force budget very carefully in view of these disclosures."

Lt. Gen. Orval R. Cook, Air Force deputy chief of staff, who said, "the Air Force views the

What's the BIG difference between these telephone trucks?

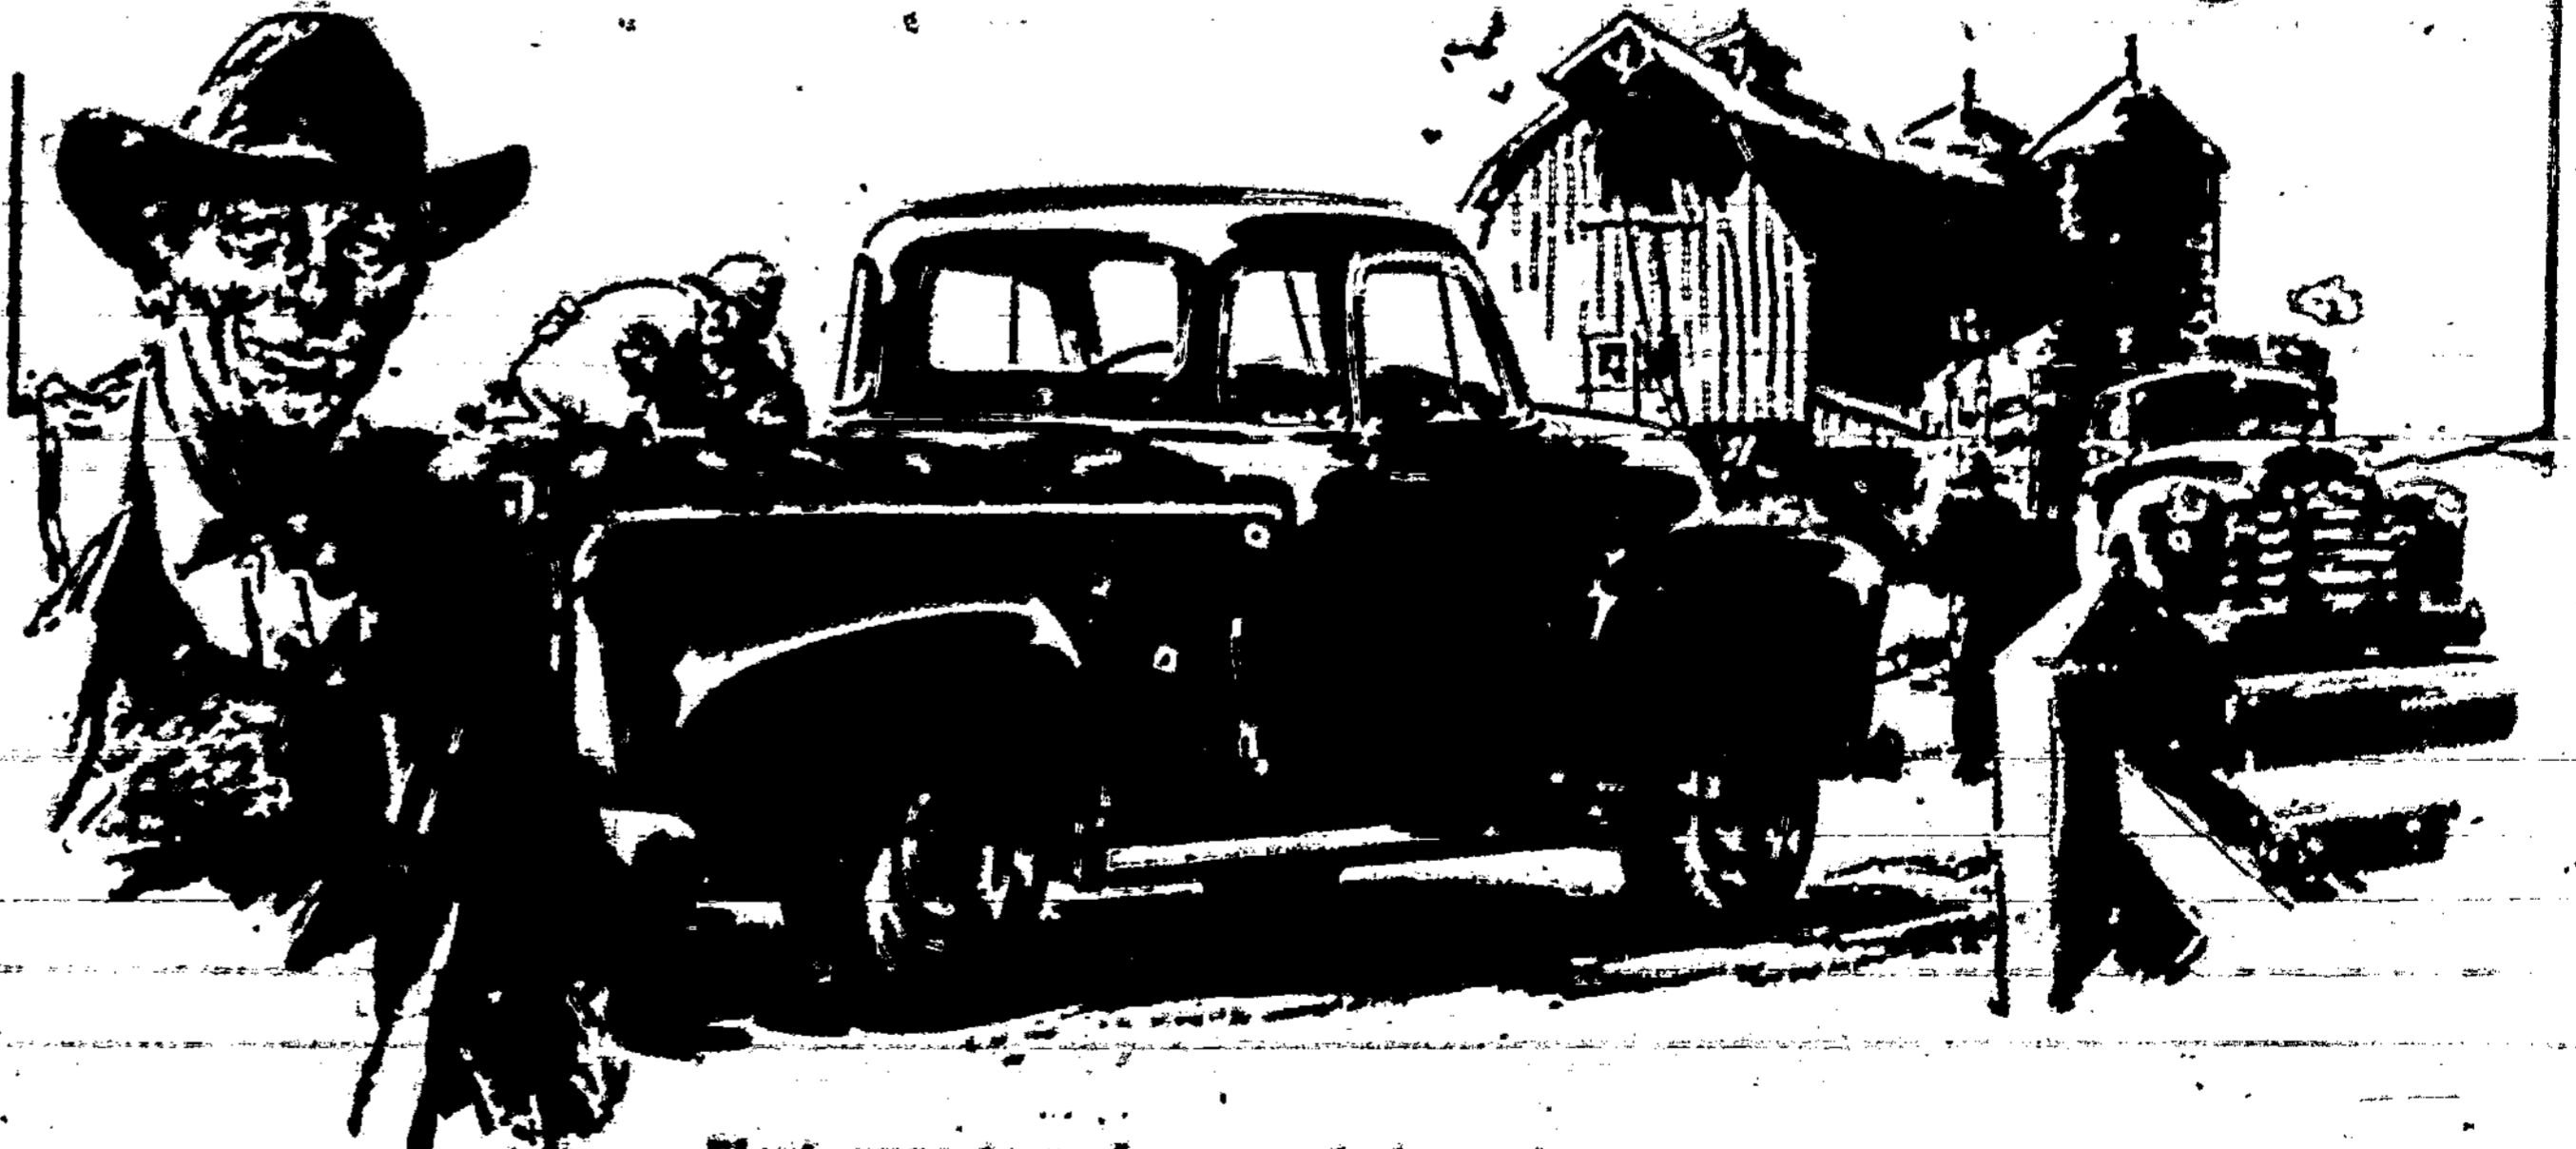

The answer is **INFLATION**
\$3,546.50 worth!

- There are several obvious differences in the 1946 and the 1952 telephone construction trucks shown here. But the big difference, not apparent on the surface, is inflation.
- In 1946 we paid \$6,045.54 for the truck on the left. The 1952 model cost \$10,192.04. Both trucks are designed and equipped to do the same job...but what a difference in price!
- The dollars set aside in past years to replace our investment in work out trucks, poles and other equipment, have shrunk in value. That's why we need more of them to do our job.
- It's our problem and one way or another we'll lick it. But we do want you to know that we're not vaccinated against inflation any more than you are.

THE MOUNTAIN STATES TELEPHONE & TELEGRAPH COMPANY

There's only one answer... Chevrolet trucks must be the best buy!

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: **year in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.** If you're a truck user, this fact is mighty

important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they **must** do a better job at lower cost? That's why it will pay you to stop in and see us before you buy your next truck.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!
