

RAMBLIN' AROUND

By PAUL BAKER

Ed. F. Burpee, publisher of the Otero County Times in Alamogordo last week announced the suspension of that weekly newspaper. Mr. and Mrs. Burpee and daughters are leaving for Rock Island, Ill., where Mr. Burpee will be business manager of that city's daily. Newspapers acquire personalities like people, and it is a sad event when their voices become silent. We wish Mr. and Mrs. Burpee every success in their new location.

Ever stop to consider what it takes to produce even the smallest newspaper?

Let's consider the publisher for a moment. On a smaller weekly newspaper, he likely is not only the editor and publisher of the newspaper, but the adman, job printer, linotype operator, press feeder, circulation manager and bookkeeper, and perhaps also the photographer. He is a jack-of-all-trades-if ever there was one.

Newspapering has become a complicated profession. The editor must be able to sense the public pulse, evaluate the news, and relay the events of the day to the reader in such a manner that he will fully understand what is taking place at home and abroad. It is his responsibility, too, to interpret the news, advise on matters of local concern and stand up for the people's rights. He must "know something about everything and everything about something"—the latter being the newspaper business.

It is his duty, also, to display the news in his publication in such a manner, typographically as to attract the reader's eye to the more important news. At the same time, he must not overplay an unimportant event or underplay an important happening. He weighs the news as carefully as a butcher weighs the meat or a grocer the apples, or a filling station attendant measures the gasoline. Did you ever stop to think of that?

What about the adman? Did you know that he probably spent several years learning to plan ads that would appeal to you as a reader, sell merchandise for you as an advertiser, and bring buyer and seller together?

Do you realize that the reporter must be a person of broad training with a great knowledge of many things? Did you ever stop to think of the multitude of assignments he covers? Of the complicated subjects he is called upon to report?

Sit down some day and try to write a story about a meeting you attended. For example, the city council, the medical society, the bar, the ministerial alliance, the PTA. Ever try to write up a trial, a football game, a dragging, a funeral, a fair or festival—all in the same day? That's a fair sample of the reporter's job. Oftentimes in addition, he has to cover the police station, the city hall, the court house, the chamber of commerce—and write a feature about the biggest melon, or the smallest midget, or the newest automobile. It's fun, no doubt about it. And you meet the finest people, the prettiest, the funniest—all those who make life what it is. That is the reporter's job—bring you life as it is—for he is the mirror of all that happens.

There are society reporters, police reporters, sports reporters, feature writers—each with a separate task to perform—on the larger newspapers. On the smaller publications the reporter does it all—like a one-man band.

Writing a story is one job. Getting it into print is another. Enter now the mechanics of publishing a newspaper.

That story, that ad, that headline—all must be set in type. A few, very few, newspapers still are set by hand. On those, every small letter in the newspaper is picked out individually from a type case, and set in its proper place in the columns. On most newspapers, typesetting is a mechanical chore performed by a linotype—a machine which sets as its name indicates, a line of type at a time. The linotype operator, the compositor, the makeup man, the pressman—all have their jobs to do in the backshop, and all have spent years training for those jobs. There is the big responsibility of getting the newspaper "to bed" and into the hands of the readers.

Distribution of the newspaper requires the services of the "circulation man." On the small publication that responsibility rests with the printer's devil (which is the name given an apprentice who is all-around handyman), the publisher's wife or a circulation manager.

Publishing a newspaper is "big business," whether it be in Podunk Hollow or New York City. No longer can a newspaper be established with a "shuttail fall of type." The day of the "bedroom print shop" passed.

THE LOCAL SCENE

TEACHERS' ROW — Confronted with lack of living accommodations for new members of the Carrizozo School faculty, Supt. R. G. Firman took the housing bull by the horns and tossed it for a loss. Pictured are four new houses secured by him from the Government. Located in Los Alamós, they had been declared surplus. Well-built and compact, the houses were moved intact. Each came with stove, water heater and heating unit.

A NEAT ADDITION to Highway 54 through Carrizozo is the Burger Bar, a companion building to the Foster-Freese, owned by Pick Warden and John Allen Hightower.

"HERE'S THE DOUGH, BOYS" says Joe O. Sargent when the Scouts accosted him for taking a short cut across Twelfth St. He is handing the fine to Scout Skipper Harker, while Robert Simpson and Sammy Hicks look on. Twisting Joe's arm is Scout Scott Lawie. In the annual Patrol Day at Troop 53 of Carrizozo, a total of \$109.32 was collected in fines, according to Scout chief of police Thurl Roy. Patrolman Dennis Close was the day's top fine getter, collecting \$21.

SCOUTS THANK ALL THE PEOPLE IN THE COMMUNITY Boy Scout Troop 53 wishes to thank all those people of this community, county and all others who cooperated to make their annual Patrol Day a success. The assistance given by Mayor Marvin Roberts, State Patrolman Eddie Apodaca, Sheriff William Glen Bradley and Undersheriff Manuel Chavez is especially appreciated.

Picacho Woman's Club Sponsors Benefit Dance The Picacho Woman's Club is sponsoring a benefit dance Saturday, Oct. 17, at the Picacho school to raise funds for the community Christmas treat. Sandwiches, cake, pie, coffee and cokes will be served. The price of the dance is 75 cents. The Picacho Woman's Club urges the cooperation of all to make the dance a success.

long ago. Any newspaper, regardless of its size, represents as great an investment as almost any business in its town. Type is very expensive. Metal is extremely high. Newsprint has skyrocketed in price. A linotype machine alone costs thousands of dollars, to say nothing of the complicated presses. And they represent only parts of the mechanics of producing today's newspaper. For there are the melting pots, the saws, the trimmers, the routers, the chases, the typewriters and the thousands of little items that go to make up even the smallest plant.

This is written to encourage you to visit the newspaper plant in Carrizozo. To see how it functions, what makes it tick—and to have a greater understanding of the job this newspaper is doing for you and your community.

Final Rites Thursday For R. C. Withers

R. C. Withers, prominent Lincoln County rancher, passed away at 2:30 a. m. Tuesday, after an illness of five weeks in Carrizozo Hospital. He was 71 years of age.

Coming to Lincoln County in 1931, Mr. Withers purchased a ranch in the Oscura Mountains, which he successfully operated for many years.

He was active in soil conservation work and the triple A, was a member of the rationing board in World War II, served on the first board of directors for the Nogal Mesa camp meetings, and was an active member of the Carrizozo Methodist Church.

He led an active life up to the days of his last illness, and won the confidence and respect of all who knew him.

Funeral services were held yesterday (Thursday) at 2:30 o'clock in the Baptist Church, with Rev. Ralph Hall officiating, assisted by Rev. C. E. Burch and Rev. H. T. Ray. Interment followed in the Odd Fellows cemetery with the Odd Fellows Lodge conducting the graveside services.

A ladies' choir, composed of the Meses, Laura Jones, F. O. Brown, Margie Clouse, Elizabeth MacVeigh and Marlan Schlarb, sang "Rock of Ages" and "Sweet Peace the Gift of God's Love."

Pallbearers were Jimmie Duncan, Bill Nickels, Roy Harmon, Fred Current, Marvin H. Roberts and H. Elfred Jones, all members of the Odd Fellows Lodge.

Robert Clay Withers was born in Lexington, Mo., March 20, 1862, the son of Harriet Emma McFall and William Peter Withers. He moved to west Texas in 1883 and was married to Estelle E. George in 1904. They moved to Lee County, N. M., near what is now Jal in 1910 and resided there until moving to Lincoln County.

Survivors, in addition to his widow, are three sons, J. W. Withers of Alamogordo; and Irving (Pat) Withers and Wayne Withers of Carrizozo; six granddaughters and a great grandson.

Out-of-town members of the family attending the funeral services were Mrs. Ailie George and Mr. and Mrs. Aggy Dillard of Lubbock; Mr. and Mrs. Edgar George of Midland; Mrs. Addie George and daughter Jewel of Sweetwater, Texas.

Capitan Youth Injured In Auto Accident

Newton Robinson Jr. of Capitan was hospitalized Saturday morning as a result of a car accident on Highway 330, six miles east of Lincoln. It is believed the youth dozed at the wheel as he and two companions were returning at an early morning hour from the fair at Roswell.

Two other youths, Dillon Lovelace and Morris, were passengers in the car, escaping with minor injuries. Robinson suffered a fractured leg. The accident was checked by a State Patrolman and Sheriff Bradley. An ambulance brought Robinson to the Carrizozo Hospital. The car went off an embankment and was reported to be a total wreck.

BLOWOUT CAUSES WRECK The Sheriff's Office checked another car accident at 11 a. m. Sunday, caused when a tire blew out, and the auto ran into an embankment on Highway 70, a half mile east of Riverside.

The driver, Joe L. Herlin, USA, of Orchard Park, N. M., was uninjured. He was accompanied by Vernon G. Stewart and F. S. Serbenidge of Roswell also servicemen. The car was removed to Roswell.

Mounted Patrol Meets Sunday in Ruidoso

The Lincoln County unit of the New Mexico Mounted Patrol will meet at Ruidoso this Sunday at Carrizozo Lodge, starting at 10 a. m. Hosts are George Trimble, Arva Jones and Morris McClendon.

Following the meeting the members will go to the rifle range and sight-in rifles.

COMING EVENTS

BACON SHOOT, OCT. 18 The Lincoln County Rifle and Pistol Club is having a ham and bacon shoot Sunday, Oct. 18, at the Carrizozo Rifle Range.

Fri., Oct. 16 — Lincoln County Farm & Livestock Bureau, covered dish supper, 6:30 p. m., at Amer. Legion Hall, Capitan.

Saturday, Oct. 17 — VFW Dance (Bob & Wanda Wolfe Orch.) at Capitan VFW Home.

ROSWELL MOVES TO BLOCK TRANSFER OF LAKE BONITO WATER

Roswell will attempt to throw a legal roadblock into any move to divert a substantial part of Lake Bonito's water away from the Hondo River watershed.

This fact was brought out at last Friday's meeting of the Interstate Stream Commission, at which a number of Lincoln County's water problems were discussed.

Simultaneous with the meeting, Attorney John F. Russell of Roswell, attorney for the Pecos Valley Artesian Water Conservancy District, filed with the Interstate Stream Commission an application to appropriate all of the unappropriated waters of the Hondo River and all its tributaries.

It is a move designed to further complicate Alamogordo's bid for Lake Bonito's water.

Friday's discussion by Lincoln County representatives and members of the Stream Commission centered mainly on the needs of the villages of Capitan and Ruidoso for water; also Ft. Stanton's additional requirements.

It was sought to determine what assistance might be given Capitan and Ruidoso in construction of an impounding reservoir on Eagle Creek and necessary pipelines.

Although no action was taken by the Commission, its members expressed deep interest in the matters presented and agreed to meet again to discuss the subject at 10 o'clock Monday, November 16.

Attorney J. D. Atwood of Roswell is chairman of the Interstate Stream Commission. Other members are Richard Westaway, W. N. Gary, Judge Irwin Molisay and J. E. Erickson, State engineer.

One of the main functions of the Commission is to investigate the water supply, to develop, conserve and protect the waters and stream system of the State.

At the special meeting November 16 the Commission will hear a report by the State Engineer as to the exact cost of a feasibility report on conservation and use of Eagle Creek water; also to determine the proportion of expense to be borne by the various State agencies, Stream Commission, municipalities and the Ruidoso Water Users Association in a proposed plan of development.

Attending the meeting from upstate were Pierce C. Rodey, I. J. Coruy, John H. Bliss, Fred Wilson, Claude Mann and Alva H. Simpson.

From Lincoln County—Emmet Reese, Ralph Bonnell, Wilbur F. Coe, Kenneth Nosker, S. E. Greizer, D. O. Murphy, L. W. Clark, Geo. L. Zimmerman, Repr. L. S. (Heavy) Drake, Daniel E. Brenton, E. C. Buckner, Bert Pfingsten, Kell Bonnell and Ernest and Robert McDaniel.

Junior Exhibitors Win at Roswell Fair

Lincoln County 4-Hers placed well in the Junior Breeding classes at the Eastern New Mexico State Fair in Roswell.

Douglas McKnight of the Hondo 4-H Club had the grand champion Corriedale ewe and ram in the junior division. Penny McKnight placed second in the ewe lamb division.

Jimmie and Charlie Strickland of Corona were awarded a blue and red ribbon on their pens of three black face cross lambs. They were also given a blue, a red and four white ribbons on their fat lamb in the singles classes.

In the open classes Bob Peebles of Nogal had the grand champion Rambouillet ewe, with J. P. McKnight of Picacho having the GC Corriedale ram. Mr. McKnight also had the second and fourth place yearling ewes; second and third place ram lamb and the second and fifth place ewe lambs.

In the pens of five rams entered in the sale, J. P. McKnight placed first and second, with his brother, J. W. McKnight, placing third and fourth in the same class.

Mr. and Mrs. John L. Willis and two children, of Ft. Sumner, came to Carrizozo Friday, to surprise a brother, Kenneth Willis, with a short visit. As it happened, the Kenneth Willis family had left the same day for a short visit with his parents in the northern part of the State. Both the Willis brothers are high school football coaches—John at Ft. Sumner, and Kenneth here at Carrizozo. The Fort Sumner team is undefeated in league play, with a season's record of 3 games won and 1 lost.

Official Visits Made to Legion and Auxiliary

Anthony P. Genta, of Alamogordo, district commander of the American Legion, paid an official visit to Benj. J. Berry Post No. 11 last Friday night. At the same time, his wife, Nan Genta, paid an official visit to the Auxiliary, in her capacity as district No. 5 president.

Comdr. Genta led a discussion on Legion activities, such as first aid classes, a safety program for Highway 54, civilian defence, Boys State activities, training youth in handling firearms, junior baseball clubs and fraternal contests.

He made the rather startling observation that the National Commander of the American Legion is "the second most important man in the United States."

October is the month for new and renewal memberships in the American Legion. The next meeting of the local Post will be November 13. All ex-service men are urged to attend.

Army Clamps Down on Reservation Grazing

A number of ranchers whose grazing land extends into the White Sands military reservation have been notified that they will no longer be permitted to utilize that range.

Among the ranchers affected are Dick Gilliland of Tularosa, Frank Martin of Socorro, H. A. Wood of Socorro, John and J. P. Wood of Engle and Geo. Foster of San Antonio.

Mr. Gilliland, accompanied by A. F. Stover, former sheriff and county commissioner of Lincoln County, were in Carrizozo Monday, conferring with Sen. J. C. Moore regarding the problem confronting the ranchers of how to stay in the cattle business when deprived of a considerable portion of their range.

The Carrizozo Woman's Club will hold its monthly meeting this Friday afternoon at 3 p. m., at the Club House. Mrs. C. A. Snow, president, will preside.

Mrs. J. P. Turner, chairman of the program committee, will introduce guest speakers for the afternoon—Mrs. Phil Porter of Los Alamós, State Civilian Defense chairman, and Miss Ruth Mellor of Roswell, field representative for the American Red Cross.

Mrs. Porter will speak on the subject of civilian defense.

Social Security Official in Carrizozo Oct. 22

Ralph H. Yowell, field representative of the Roswell Social Security Administration office, will be in Carrizozo Thursday morning, October 22, to assist local residents in making application for old-age or survivors insurance benefits and to give general information concerning the Social Security Act.

He will be at the office of the New Mexico Department of Public Welfare in the Court House building, between the hours of 10:30 and 12 noon.

NORMAN CRIDER National Junior Boys Champion baton twirler, will lead the St. Mary's band in Albuquerque at a football game tonight (Friday). Later he will appear in a KOAT television show and perform for the State Teachers' Convention Oct. 28, 29 and 30.

Because of his dexterity with the baton, Norman has won many honors. Earlier this summer he earned the title of boys' champion of New Mexico, Colorado and Arizona.

He is the son of Mr. and Mrs. R. A. Crider, and is a junior in Carrizozo High School. His father is the new principal of the elementary school here.

COURT HOUSE NEWS

DISTRICT COURT: Convenes Monday, October 26.

MARRIAGE LICENSE: Susan Fahay, 41 of Fort Stanton and J. Stuart White, 63, of Fort Stanton.

J. P. COURT: In an appearance before Justice of the Peace J. J. Boone on October 7, Ramon Gomez was fined \$10 for drunkenness.

Who Tried to Take The Jail Cell Apart?

Sheriff Glen Bradley is wondering this week who the ambitious prisoner was that pried an iron bar off the large cell block in the County Jail.

The only occupant of the cell when jailer Ervare Colleges discovered the missing link was one Bud Seward, a man of slightly less than average bulk.

"I didn't do it, Sheriff—I swear I didn't," he told Glen Bradley. "I'm not strong enough for one thing," he said, "and if I did I'd not lie about it."

The Sheriff was open-minded about the matter and is wondering if maybe it might have been the two youths who were recently returned to Kansas.

It is just possible, Sheriff Bradley speculated, that the youths might have tried to disassemble the jail so that they could continue their interrupted trip to California in a stolen car.

MUD SEWARD JAILED ON THEFT CHARGE

Bud Seward, a ranch hand, has been lodged in the County Jail, charged with stealing a saddle, blanket, bridle, chaps, rope, tarp and a pair of boots from the Bagley Ranch three miles south of Corona.

Seward pled guilty and was bound over to district court. Bond was set at \$1000.

DEMOS STILL LOOKING FOR MAN FOR GOVERNOR

SANTA FE, Oct. 14 — Democrats, so cocky about reclaiming the statehouse next year, are still a long way from developing a popular candidate for governor and the nominating convention is only four and a half months away.

The only thing that keeps it from being very dangerous is that the Republicans haven't developed one either.

The eastside has made a bid for Rep. Leroy Wise of Hobbs. The Lea county central committee has formally endorsed him for the nomination. In ordinary times that would put Two-Cadillac Leroy up as a subject for a lot of public discussion but there has been hardly any at all.

A Grant county Democratic group announced publicly that J. R. Wrinkle of Silver City, the long-time political associate of former Gov. Clyde Tingley, was the choice of that section for the Democratic nomination. And that caused not a ripple.

From Albuquerque District Attorney Paul Tackett wrote letters to county chairmen asking what they would think of him as a candidate for governor, and nobody paid any attention.

RELUCTANT SIMMS GETTING ATTENTION

The failure of the people to pay any attention to these flying saucers indicates that perhaps the man the Demo-voters want hasn't yet been mentioned.

There continues to be more talk about John Simms Jr. of Albuquerque for the nomination than any of those who have indicated they would consent to making the sacrifice of accepting the thing. Simms has said nothing at all publicly that—that would indicate he is a candidate, but continues to get more and more and more attention.

The Albuquerque lawyer and former speaker of the State house of representatives, could perhaps capture the nomination if he wanted to go after it but it would place the Demos in a perilous position.

America's First Sports Car Reaches Market

One of the most widely discussed automobiles—the Chevrolet Corvette—has been placed in distribution. A two-passenger open model (with removable top), the car is the American auto industry's first sports car and the first to carry a plastic body built by mass production methods.

The Corvette measures only 33 inches high at the door. Wheelbase is 102 inches. Traditional Chevrolet features include a special 150-horsepower "Blue-Flame" engine and a Powerglide automatic transmission. Production followed special showings of an experimental model in many cities.

Statistically, your chances each year of having an accident serious enough to cause a disabling injury are about 1 in 15, according to the National Safety Congress.

FT. STANTON CAVE A NATIONAL MONUMENT?

Editor News:

I noticed in your Friday issue of October 9, a description of the Fort Stanton Cave, dated 1901, which I think is rather interesting. We, the citizens of Lincoln County, should apply to the proper authorities for a further exploring of the cave and by so doing try to make a National Monument out of it, for the benefit of the Fort Stanton Hospital, as well as for the businessmen of Lincoln County.

Having had experience myself in exploring caves, such as the one located east of the Parajito Mountains, I do not agree with Mr. W. H. Tuttle in traveling one and three eighths miles in 30 minutes. No matter how flat or easy the going was, I am inclined to believe that this distance could not have been covered in such a short time.

Nevertheless, we the citizens of Lincoln County should apply to the proper authorities for a further investigation or exploring of said cave. The proceeds could mean a lot to our State institution or hospital. I do not

ask to be the leading man for such a drive, but if my assistance is needed I will gladly give my advice or suggestions.

Editor News:

Congratulations on your first year with the News. I am enjoying reading your paper very much. It is one of the best for mechanical make-up as well as news and ad arrangements that I have seen in a long time.

You are giving your community a real news service which I am sure is appreciated very much by all the citizenship.

I am very much interested in the community since I now have a son in your community. I trust that he will fit perfectly into the educational, cultural as well as the religious life of Carrizozo.

Editor News:

News from home is about the most important news to all, especially so to ill men and women whose normal activities are reduced to a minimum.

Fort Stanton Medical Center is caring for about 135 tubercular patients admitted since July 1st, the day the New Mexico Department of Public Welfare opened the doors of the former U.S. Public Health Service Hospital to all residents of this state who are afflicted with tuberculosis, and are willing to accept the best possible medical and nursing care offered to all who cannot afford the expensive sanatorium care themselves.

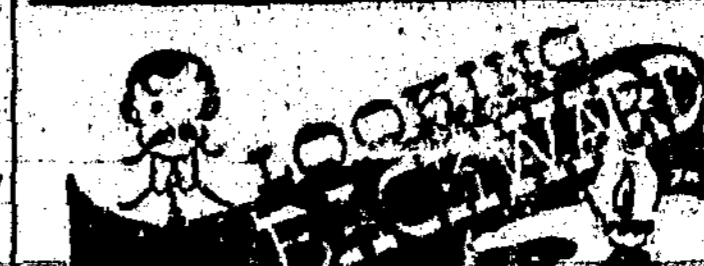

These patients are asking for "home" newspapers and we would be glad to bring all these papers to Fort Stanton, but since practically all the daily and weekly papers published in New Mexico are desired, the total cost of subscriptions would be rather high.

We are doing our best to provide the very best sanatorium care as economically as possible and since several publishers are already sending us a few copies of their publications free, we are presenting these facts to all because we believe that all would want to contribute a bit of happiness to their neighbors away from home and family.

And we would like to assure you that your generosity would be deeply appreciated by both the patients and the staff.

Your Insurance Agent
SERVICES AS WELL AS SELLS

Your property insurance agent is more than a salesman. He performs an important service throughout the life of each policy he delivers to you.

When your insurable values increase or decrease, your local agent is at hand to adjust your coverage promptly. When new and improved types of coverage become available, your agent keeps you informed, demonstrates what they mean in terms of your own protection program. When unexpected hazards develop, he shows you how to meet them through application of the right type of insurance.

As a professional advisor, your agent does not merely "sell you insurance," he buys insurance protection for you from the companies he represents. And he does this on the most economical basis, consistent with sound underwriting principles. His job is to be certain that you have adequate protection at all times. It is a local job, handled most effectively by a local insurance agent.

Mr. and Mrs. Frederick M. Bradford of Capitan celebrated their fiftieth wedding anniversary on Wednesday, October 14.

The couple are old-time residents of Otero and Lincoln counties. Both are natives of Texas who came to New Mexico at an early age.

Mrs. Bradford was the former Maggie Lou McVatt whose family lived on the Penasco. Their marriage took place in Mayhill at the family home, which was located in four different counties. At the time, Mr. Bradford was employed by the Alamogordo Lumber Company. In 1900 he served as jailer for Otero County.

Shortly after the Forest Service was established, Mr. Bradford took the examination for ranger, along with 26 others. He passed with the highest grade of the group and worked for the service until he went into the stock business for himself in 1909 on the Sacramento river, southeast of Alamogordo.

In 1915, he moved his stock to the San Andres to a new purchase while Mrs. Bradford remained in Alamogordo to enter their three oldest children in school.

In 1918, the Bradfords bought half interest in another ranch south of Alamogordo. From 1922 to 1927, Mr. Bradford served as Otero County treasurer. During the drought and depression years of the '30's the Bradfords lost all their holdings. Financial reverses did not daunt their determination to give each of their five children the highest educational opportunities.

In 1934 Mr. Bradford went to work as cement inspector for the State Highway Department. He remained in that position until his retirement in 1960. They purchased a home in Capitan in 1944, where they still maintain their residence.

The couple have always been active in civic affairs in Alamogordo and Capitan, taking special interest in the many activities of their children, and more recently, in their ten grandchildren. They spent the past summer at the ranch of their youngest daughter, Leota, who is Mrs. Fred Pflingsten, of Nogal Mesa.

Their eldest daughter, Lou Ellen Vance, passed away several years ago leaving four grandchildren. Harold, who is in the service; Petie, a freshman at A&M, and Jennie Lou and Ralph.

Mr. and Mrs. George P. Goodson of Alamogordo were in Carrizozo overnight Friday, visiting friends. They spent Thursday evening visiting Mrs. Goodson's sister, Mrs. G. A. Brown, and Mr. Brown, of Ruidoso.

NEWS FROM THE COUNTY AGENT

By RALPH DUNLAP
County Extension Agent

Watch Out for Lead Poisoning

You are taking chances when you leave trash that contains lead lying around the barnyard. Whether she is hungry or just curious, the cow that licks an old battery, paint can, oilment or salve container, or eats any pasture forage treated with lead arsenate, is inviting a case of lead poisoning. Batteries in particular when left lying around barnyards, feed lots or pastures can be a deadly course of lead poisoning to farm animals. Pick up those batteries and cans and dispose of them—or they may dispose of your cows for you.

Other sources of poisoning on the farm include seed grains that have been treated with mercury. Rat poisons, chemical weed killers, grasshopper poisons and highway surfacing oil washed into pastures will cause poisoning to livestock if consumed over a period of time. If a cause of lead poisoning is suspected in your livestock, get a veterinarian on the job as quickly as possible. Time is the important factor in saving the animal's life.

How Milk Fever Can Be Prevented

Milk fever shows up in high producing dairy cows at calving time, watch for it, or better yet be ready for it. A sudden drop in calcium content of the blood causes milk fever. It appears before or after calving. Probably most milk fever cases in New Mexico are

caused by glandular derangements rather than by low calcium content of feed. Most of the feeds in this state, especially alfalfa, contain plenty of calcium for maintaining a normal amount in the blood.

Milk fever can be cured by udder inflation treatment or by the intravenous injection of calcium. Calcium injected under the skin just before the calving in repeated doses may prevent milk fever in most cases. Certain management practices in regard to milking and feeding will reduce the incidence of milk fever in herds, too. After the cow freshens, let the calf nurse. Then, milk just enough milk to relieve the distention of the udder. Milk the cows partially for the next 36 hours, allowing most of the milk to remain in the udder. After this, the cow can be completely milked.

Livestock Loan Service For N. M. Ranchers

New Mexico farmers and ranchers who have been hard hit by the drought and need help in solving their credit problems may apply for loans under the United States Department of Agriculture's new livestock loan program. Applications should be made to the Farmers Home Administration office in the area where the farm or ranch is located.

Loans are only for established producers and feeders of cattle, sheep and goats; for applicants unable to get suitable credit elsewhere, who have good records of operation, and a reasonable chance to succeed.

Funds may be used to buy or produce feed, pay for grazing permits, rent farm buildings, pasture, and feed crop land; replace, hire, or repair farm machinery and equipment; build

and repair fences, move livestock, as to and from grazing places; repair and improve livestock and domestic water supplies; pay essential living expenses, cost of maintaining farm and ranch buildings, and other operating expenses.

The program lasts until July 1955, and loans are repayable over periods up to three years at 5 per cent interest.

NATION'S LARGEST TROUT HATCHERY FOR COLORADO
A \$250,000 trout hatchery, expected to be the largest and most modern in the United States, will be built near Rifle, Colo., under action of the State Game and Fish Commission. It is estimated that the hatchery and rearing units when in full operation will increase Colorado trout production approximately 50%, producing a minimum of 175 tons of trout a year.

Know Your Grasses

(Third of a series on grasses native to New Mexico)

SIDE OATS GRAMA

Aristocrat of Grasses in Lincoln County

By S. H. FUCHS

Side Oats Grama or Tall Grama has been called the aristocrat of the grasses. This is because it is the tallest and most robust member of the grama family. It usually grows from one to four feet tall, has the distinctive feature of the seed heads arranged down one side of the stem; hence the common name, Side Oats Grama.

This grass produces a large volume of leafy forage and is very palatable and nutritious grass, but does not equal hard stemmed Blue and Black Grama. Side Oats Grama is good summer forage, cures out well to furnish valuable winter feed, and has been cut for hay. The leaves are more palatable than the stems. Sometimes animals graze the leaves and leave practically all stems.

It reproduces by seed or short rhizomes, and seems to have a slight preference for our rocky hillsides and lighter textured soils, although it is naturally very widely adapted to a large variety of soil and climatic conditions. Large areas of pure stands of Side Oats Grama are not common; however, it is common in mixtures throughout the county up to about 8,000 feet. It is considered one of the most important grasses found in Lincoln County.

This grass frequently has a reddish aspect of maturity. It is commonly one of the first grasses to green up in the Spring and it is relished by all classes of livestock.

Side Oats Grama is excellent for conservation use because of its wide adaptation and ease of establishing a stand. Between 15 and 25 pounds of the seed are usually drilled in per acre, depending on the quality of the seed. Less seed may be used when a mixture of grasses are seeded together.

ZOZO LOSES CLOSE GAME TO VAUGHN

LAST FRIDAY'S RESULTS
Ruidoso 32, Tularosa 12.
Captain 56, Corona 0.
Vaughn 18, Carrizozo 12.

THIS FRIDAY'S GAMES
Ruidoso at Carrizozo, 7:30 p.m.
Tularosa at Captain.

RUIDOSO PULLS UPSET

Ruidoso defeated Tularosa last Friday for the first time in the history of the two schools. Tularosa matched a Ruidoso TD in the first quarter, but Ruidoso, with Lackey leading the way, made it 12-6 at the half. The Warriors stretched their lead to 18-6 in the third quarter, before Fambrough, Tule fullback counted again, making the score 18-12. The Warriors struck for two more touchdowns in the fourth quarter.

FIFTH STRAIGHT FOR TIGERS

Capitan's Tigers made it five straight last Friday afternoon at Corona, measuring the Cardinals 55-0. The half time score was 25-0. Wally Ferguson and Garth Hyde each scored three times. One TD each was chalked up by Dick Cox, Eddie Womack and Arthur Salas.

GRIZZLIES LOSE CLOSE ONE

The Carrizozo Grizzlies lost a Bean Valley Conference football game to Vaughn Friday night in Vaughn. They were outscored 18-

12, having one TD called back due to a penalty for illegal use of the hands on offense.

Carrizozo kicked off to Vaughn who took the ball on their own 20-yd. line and returned it to their 35. Three downs gained only 5 yards and Vaughn punted to Carrizozo 23-yd. line. The Grizzlies returned it 5 yards to the 28. From there they moved down the field to a touchdown, Sam Wedell carrying it over. The try for extra point failed.

Carrizozo kicked off to the Vaughn 25-yd line. It was returned to the 35. Three downs failed to gain and again Vaughn was forced to punt. It rolled over the goal line and Carrizozo put the ball into play on their own 20-yd line. On the second play Wedell gained 17 up to the 37. Two passes were incomplete. A running play gained 5 and Wedell punted to the Vaughn 40. It was returned to 47, and after three incomplete passes, Vaughn ran the ball to the Carrizozo 43-yd line for first down. The quarter ended with them on the ZoZo 31-yd. line.

Score, Carrizozo 6, Vaughn 0. Carrizozo had scored 5 first downs and Vaughn 2.

SECOND QUARTER

Vaughn drove to the Carrizozo 15, but was penalized 15 and lost the ball on fourth down. Carrizozo took over on their own 25. Carrizozo was penalized 15 yards for illegal use of hands on offense, and quick-kicked to the Vaughn 40. Vaughn carried to the ZoZo 1-yd. line, but the Grizzlies stiffened and took over the ball on downs. Wedell punted to the Carrizozo 45, from which Vaughn, on a series of

downs, scored its first TD as the half ended. The try for point failed and the half time score was even at 6-6. The first downs were also tied at 7 all.

As the second half opened Carrizozo took Vaughn's kickoff on the ZoZo 26 and started a touchdown drive. Wedell carried the ball five times for a total of 60 yards. QB Leroy Nowell made a 15-yd. run off tackle and halfbacks Tingo Gallegos and Jimmy Lucero came in for their share of shorter gains. Wedell scored the TD from the 2-yd. line. The try for extra point again failed. Score, Carrizozo 12, Vaughn 6. Carrizozo's kick-off was taken by Vaughn on their own 20 and returned to their 40. They were held three times and on fourth down punted to the ZoZo 20. Jimmy Lucero scampered back for 40 yards, putting the ball on the Vaughn 40. Freshman fullback Natle Palomeriez replaced Sam Wedell and on his first play ran 40 yards across the Vaughn goal, but a penalty nullified the TD. The third quarter ended without further scoring.

FOURTH QUARTER

In the fourth quarter Vaughn blocked a punt and recovered on the ZoZo 23. In five plays they carried the ball across for the tying touchdown. The try for point failed. Carrizozo took Vaughn's kick-off on their own and advanced 15 yards, only to lose the ball on a pass interception. Vaughn took the ball on the mid-field stripe, and added by a total of 35 yards in penalties against Carrizozo, carried the ball across for what turned out to be the

SAGE & CACTUS BY DOUGHBELLY PRICE Taos, N. M.

Last Sat I boarded a single engine Buick car and took off swift and silent like the smoke from hot water. With two pilots. They had nothing above the collar line. And a heavy foot on the gas pedal. They set that buick down in Texas the next morning after circling the field a few times at Nocona, where I rode bucking horses some forty years ago with a wild west show. And what a change! All you can see there now is oil and gas. It

was a cow country when I first seen it. Cattle there yet. But they are A by product. Hot and dry. Oh Boy! Every one there has Air conditioned houses. They keep the door closed to keep the heat out. Here at Taos we keep the door closed to keep the heat in. When you stepped outside of them Cold air fumigated houses the heat would burn the hair out of your nose. I drank so much water that my belly thought my throat was taking in washing.

Let them boys have the money. And the oil. But just give me Northern new Mexico and the climate we have. This may be the land of Manyanna and Come ala you. Where they call women Mujures and corn mice. Misquitos hay/hands and dogs payrolls. But Taos shore looked good to me when we got back in sight of it. When I walked into the house the wife hollered at me from the bedroom and said is that you dough? I got the first long breath I had had for three days and said I think so But I am not sure.

Sen. Dennis Chavez On Mission to Spain

WASHINGTON, (Special) — Senator Dennis Chavez leaves October 14 for Spain on a mission for the Senate Appropriations Committee in connection with the U. winning TD. The try for point was not made. After the kick-off Carrizozo advanced the ball to their own 33-yd. when the game ended. Final score, Vaughn 18, Carrizozo 12. Carrizozo made 14 first downs to Vaughn's 9. Total yardage gained, Carrizozo 306 yards to 262 yards for Vaughn. Total penalties: Carrizozo 4 for 15 yards each, and one for 5 yards — a total of 65 yards; Vaughn, 1 for 15 yards and 1 for 5 yards, or a total of 20 yards. Outstanding in line defense was junior tackle Glen Barnum for Carrizozo, while in the backfield Sam Wedell at fullback, Leroy Nowell at quarterback, Tingo Gallegos and Jimmy Lucero at halfback positions, and Natle Palomeriez at fullback were outstanding. The entire Grizzly squad showed much improvement in both offense and defense over performances in past games.

Most-liked low-priced car

... among people who want more for their money when they buy ... and more money when they sell!

There's a big reason why more folks are buying more Fords than ever before. No other low-priced car offers so many of the things people want and need for today's driving. In fact, to get such "Worth More" Ford features as a V-8 engine, completely automatic transmission and fine-car power steering in any other car, you'd have to step well up from the low-price field.

Of course, Ford owners will discover that Ford's worth more when they sell it, too. Surveys of used-car prices show year-old Fords returning a higher proportion of their original cost than any other car.

because it's most like high-priced cars

... more and more people are considering Ford as the one fine car in the low-price field!

It's hard to believe that a car which is built like the finest still sells in the low-price field. Yet a Ford with its huggable Crestmark body, its Full-Circle Visibility (most in its field), its new fine car ride and roomy luggage locker (roomiest in its field) delivers at a figure that keeps it right down in its price class.

Ford's the only low-priced car which offers you a choice of a completely automatic transmission (Fordomatic), Overdrive or Conven-

tional Drive. And Ford Master-Guide, available on all V-8 models, is the last word in power steering ... makes turning up to 75% easier, yet retains the natural feel of the wheel on the straightaway.

See ... Value Check ... Test Drive the Ford of your choice at your Ford Dealer's. Find out why Ford is America's "Worth More" car.

Ford's V-8 is the same type of engine powering America's finest (and costliest) cars. And Ford's Mileage Maker Six is the most modern Six in the industry.

FORD

Worth more when you buy it. Worth more when you sell it.

Corona's Community Chest Drive Opens

In August of this year a solicitor appeared in Corona wearing clothing so like the Salvation Army uniform that the average person thought he was soliciting for that organization. Several people did give him money intended for the Salvation Army, but an examination of his credentials showed him to be representing an organization never before heard of by the authorities.

The purpose of the Community Chest are to give everyone an opportunity to give—to avoid duplicate solicitation—and to prevent such willful misrepresentations as the one mentioned above.

Your donation may be handed to any member of the committee or mailed to the Corona Community Chest. It will be turned over to whatever charity you may designate. All undesignated donations will be pro-rated among the benefitting organizations and local emergencies.

The goal of the Corona Community chest drive is \$750. Committee members are Archie Perkins, Elbert Owen, Dell Mae Roberts, Mrs. A. C. Thomson, Mrs. J. Carnell, Mrs. W. B. Winniford and Mrs. W. S. Dishman.

Please do not wait to be solicited. Is there any welfare organization that you consider worthy of your support? Leave your contribution with the committee.

This is the week of the Corona annual school carnival—Friday and Saturday, October 16-17. The town basketball team will play the teachers at 6 p. m., Friday, Oct. 16.

L. K. Merritt and family made a trip to Kerrville, Texas, last week to visit his father. Gerald Cosby drove the school bus for Mr. Merritt during his absence.

Mrs. A. D. Simmons Succumbs in Loving

Mrs. A. D. Simmons, 61, of Encino, died of a stroke at the hospital at Loving, N. M., on Wednesday Oct. 7, at 5 p. m. She was a former resident of Lincoln County, having lived in and near Corona since about 1920.

Mrs. Simmons came to New Mexico with her family from Magazine, Ark., and her husband was engaged in ranching northeast of Corona. Six years ago they moved to a ranch north of Encino.

She is survived by her husband, A. D. Simmons, and three sons Fred, Carlbad, Virgil, of Artesia, and O. S. (Obcald) of Corona, and daughter, Mrs. Ivy Giovengo of Loving, N. M.; also three brothers, Marvin Cox, of Wichita, Kans.; Lonnie Cox and W. O. Cox, of Magazine, Ark.; one sister, Mrs. Melzema Dent, also of Magazine, and a number of grandchildren and other relatives.

Funeral services and burial were in Roswell on October 9.

Will Colbaugh, former old-time resident of Corona, passed away at Delta, Colo., last week. He leaves his wife, Lilla, and other relatives in both Colorado and New Mexico.

CARD OF THANKS

We wish to express our heartfelt gratitude for the beautiful flowers, cards and offers of sympathy during the recent loss of our dear wife and mother.

The Simmons Family.

WEDDING BELLS RING FOR FOUR COUPLES

Helen Minor and Ralph (Pete) Porter were married October 10 at the Sandy Raney home in Roswell. Rev. Savage performed the ceremony. Vivian Gail was ring bearer.

Attending the wedding were Mrs. Minor, Dean, Mr. and Mrs. C. T. Porter, Charleen and Vivian Gail; also Mrs. Imogene Miles and Mr. and Mrs. Sandy Raney and two children.

Pete is employed at the mines in the Gallinas Mountains. Helen plans to continue going to high school.

Miss Mary Archuleta, daughter of Mr. and Mrs. Antonio Archuleta of Corona, was married Friday, October 2, to Kenneth Bartlett. This young couple left the first of the week for Midland, Texas.

Miss Wanda Chavez, daughter of E. B. (Eusebio) Chavez of Corona, was married on Saturday, Sept. 26, to George Sena. He is a son of Mr. and Mrs. Antonio Sena of Santa Fe. The bride's sister, Mrs. Joe E. Chavez of Roswell, was matron of honor. Joe F. was best man.

Emiliano Lucras Jr. was married recently to Miss Margaretta Chavez of Albuquerque. Lucras is employed in that city.

CORONA FOOTBALL TEAM HANGS UP GRID TOGS

Capitan defeated Corona 50-0 on the home field last Friday. It was Corona's final game of the season. The boys are now training to bring us some good basketball games.

Rev. Jessie Coleman of Lincoln, Ark., held services at the Corona Baptist Church on Sunday. There was an attendance of 81 at Sunday School, and several others came in for the 11 a. m. service.

Mrs. W. A. Honeycutt is proprietress and Mrs. Boyd Stump cook at Ada's Cafe, recently opened adjoining the Roberts Mercantile.

Mr. Honeycutt has purchased Victor Lucras' school bus and has installed a new motor. He is making the run north of Corona, along with two other bus drivers—Elvin Robinson and Lee R. Owen, to the north and northeast of Corona.

This makes 16 buses in all bringing children to Corona, about the longest distance being about 39 miles, to and beyond Claunch.

Mr. and Mrs. Bill Helm had an their guests recently Mr. and Mrs. George Hoffman of Des Moines, Iowa.

Inspiring Meeting by Round Up Group at Presbyterian Church

Twenty members of the Round Up group of the First Church in Albuquerque held services at our local church last Sunday morning. Their leader, Ed Brown, spoke inspiringly on "Paul's Message to the Galatians, and to the Americans."

"He Leadeth Me" and "The Lord Is My Shepherd" were beautiful as sung by their men's quartet. The message and fellowship brought were highlights in the life of the local Presbyterian church. It is hoped they can come again.

The next two Sundays—Oct. 18 and Oct. 25—the 11 a. m. service will be brought by Jack Hausley, ministerial student and a senior at the University of New Mexico.

Sunday School is at 10 a. m. each Sunday. A cordial invitation is issued to any and all to join in the services.

W. B. Winniford, W. M. Pfeiffer and L. O. Foster were attending a Presbyterial meeting in Albuquerque on Tuesday, Wednesday and Thursday of this week.

The Intermediate girls' class of the Presbyterian Sunday School met in regular session at the Roberts Home last Wednesday evening. After the business session the evening was spent in games. Officers elected were: President, Helen Kay Atkinson; Vice President, Martha Hutchinson; Secy-Treas., Sue Sharp.

Mr. and Mrs. Dick Knight and small son, Tommy, of Tulsa, spent several days visiting in the home of his brother, Kenneth C. Knight.

Mrs. Bryan Sanderson was surprised by a group of friends who arrived at her house Wednesday, Oct. 7, to give her a stork shower.

Mrs. E. E. Boyd of Pollock, Texas, is new bookkeeper for the Corona Trading Company. Mr. Boyd is science and mathematics teacher in Corona High School.

Mr. and Mrs. L. J. Vlek made a trip to Tucumcari last week, bringing home a load of calves which they purchased from Ira Parker.

Mr. and Mrs. Hark Colbaugh have returned from a two weeks' trip to Lampasas County, Texas, where they visited Mr. Colbaugh's old home and friends and relatives.

Mr. and Mrs. Fred Edlington of El Paso visited at the Floyd Proctor ranch last week end. Joan and Linda Edlington spent the week end with Miss Alice Porter in Corona.

AROUND TOWN

Richard C. Brewster, representative for Travel Magazine, was in Corona overnight Monday, visiting his parents, Mr. and Mrs. Clyde O. Brewster. He left Tuesday evening for Los Angeles and Hollywood.

Cob Russell M. Higgins, president of the Texas Gas Corporation, presided over an open house in Houston October 8, celebrating completion of the corporation's new offices on the 17th floor of the Prudential Building.

H. L. McDaniel has returned from the Veterans Hospital in Albuquerque where he has been receiving medical attention for the past three weeks.

Mr. and Mrs. Bill Nickels flew to Las Cruces Sunday, returning the same day. They attended church services in Las Cruces Sunday morning.

L. L. (Pop) Anderson has purchased from Dan Elliott the equipment at the wood shop on the west side of Carrizozo.

Cpl. Robert E. Berry, of the Army Air Force, son of Mr. and Mrs. R. E. Berry, visited his parents for several days recently. He was on leave from Keesler Air Base in Mississippi. His sister, Mrs. Walker Schoonover, and family, came down from Albuquerque to visit while he was here. Robert left last Friday for Lorrain, Ore., to visit his brother, Walter Berry, and family. He goes to Randolph Field in San Antonio for 10 weeks, then to Nevada, for "survival training" before being assigned to the Far East. While in training at Keesler Air Base, Robert saw Eddie Holguin and the Morales boys from Carrizozo. They are also in training there.

Mrs. Mollie Stoneman of White Oaks has been visiting her daughter, Alma, in Brownfield, Texas.

Mr. and Mrs. C. A. Snow made a business trip to El Paso Tuesday, returning Wednesday evening.

W. A. Rice was a recent visitor in Lincoln County, looking over his mining interests near White Oaks.

The W. W. Gallachers have a new television set at their ranch west of the Mal Pale and report excellent reception from Roswell.

MONTHLY MEETING OF CARRIZOZO PTA

Raymer Shaw was elected second vice president of the Carrizozo PTA at the regular monthly meeting held last Monday night. Miss Ruthie Mae Nix's room won the prize for having the highest average daily attendance (83%) for the month.

R. A. Crider announced that on October 23, at 3 p. m., there will be an assembly open to the public at the grade school.

Mrs. Rex Werner introduced Wendell Watson, high school principal, who spoke on "Education."

Barbara Jan Hurley entertained with two numbers on her accordian.

John McCollum presented aids for visual education. After the meeting adjourned, refreshments of coffee and spice cake were served in the lunch-room.

About fifty parents and teachers were present.

Jesse Pearl Leslie, daughter of Mr. and Mrs. Ward Leslie, became the bride of Charles Torrence of Trenton, Tenn., on Tuesday, October 13.
