

RAMBLIN' AROUND

By PAUL BAKER

The two Lincoln County units of the New Mexico Farm and Livestock Bureau are "in there pitching" for the best interests of the county...

The Administration is not becoming panic-stricken because a Wisconsin district went Democratic in a recent election. It is true, the farm problem is still to be solved.

Perhaps agriculture, thru its farm and livestock interests, can work out a plan of voluntary controlled production.

MORE ON LAKE BONITO

The Battle of Bonito Lake is on. First, Holloman Air Base and Alamogordo says they have it, then along comes Roswell saying they want it.

Using this as an excuse, the water was piped from the east watershed to another watershed.

We have towns in Lincoln County—Carrizozo, Corona, Capitan, Fort Stanton and Eldorado—that would just about take all the surplus water from the Bonito.

I can't see where the railroad company can build this lake, stopping water from a watershed that rightfully belongs to the people of Lincoln County.

Yours truly, OLD MAC, "Over in Give a Dam Canyon" in Lincoln County.

TIERRA MINERALS SHIP FLUORSPAR

BY MRS. A. E. MULKEY

The Tierra Minerals, operating the ore mill at the Gallinas Station, about ten miles south of Corona, has recently shipped 22 carloads of fluorspar to Deming.

The mill owners also have a carload of bastanite almost ready for shipment. Bastanite is a rare earth used with aluminum and magnesium in making a metal for jet engines.

The Tierra mine may prove to be the only commercial mine of its kind in the country.

Land treatment, Mr. Fuchs said, is the basis of this program. Cultural measures are thus as much a part of the program as structural measures.

Land treatment, Mr. Fuchs said, is the basis of this program. Cultural measures are thus as much a part of the program as structural measures.

Recently W. M. Helm regained control of the property and began operations with the help of Gene and Charley Tom, brothers from Chicago, who have an interest in the mine.

The mill is being run in two shifts, night and day, with a local crew of the following: W. M. (Bill) Helm, Charley and Gene Tom, J. M. Cloud, "Heavy" Elliott, Charley Porter, John H. (Buck) Wesley King, John H. (Buck) Bryan and Herb Fuller.

Stockmen Ask Grazing Rights at Fort Stanton

The News this week received a letter from Claude E. Wood, administrative assistant to Sen. Clinton P. Anderson, regarding the disposition of the Fort Stanton and the status of its grazing land.

"I have just this morning learned that the General Services Administration has declared the hospital and certain contiguous lands necessary for its operation as surplus, and that it will finally be transferred to the State.

"They have made no decision on the grazing lands that remain. I am inclined to think they are likely to wait until Congress reconvenes to see what instruction they get from Congress.

"As you know, Congressman Fernandez has two bills pending, one of which would turn this land back to the public domain and the other would transfer its use to the Mescalero Indians.

"I do not believe there is a thing in the world that Senator Anderson could do about getting a lease for anyone on the land under present circumstances."

Dick Gilliland, of Las Cruces, and others, had wired the New Mexico congressional delegation to intercede with the proper Government agencies to secure authority for the State Welfare Agency to lease Fort Stanton's grazing lands to the cattlemen being displaced from the Alamogordo bombing range.

Mr. Wood said that, during the absence of Senator Anderson from Washington he was referring the cattlemen's request to the Appropriations Committee in order that their wishes might be given consideration during their study.

FEDERAL FUNDS ARE AVAILABLE FOR HONDO WATERSHED

The Upper Hondo watershed may have up to \$750,000, plus contributions and help from local people, spent on it during the next five years.

In explaining this watershed program this week, S. H. Fuchs, soil conservationist, said "It is a new and modern type of agricultural program which combines measures for soil and water conservation and upstream flood protection."

The Upper Hondo watershed is one out of only 42 selected throughout the United States and one of two in New Mexico.

The contributions from the people may be in the form of easements, materials, labor, or cash, he said.

The Board of Supervisors of the Upper Hondo Soil Conservation District have been asked and have agreed to represent the people in this program and to take the initiative in finding out whether or not the people are interested enough to help out on the project.

WORK PLAN TO BE DRAWN

A complete plan for the work proposed for the five years operations has to be drawn up by January 1 this year, Mr. Fuchs said. This plan will represent as closely as possible the needs of the land and wants of the people. The completed plan will then be reviewed and if found to be satisfactory, work will then begin on the project.

The Soil Conservation Service technicians have been called on to make a reconnaissance survey of the watershed to help find the areas of greatest need and to determine where this money might be spent to do the most good.

Land treatment, Mr. Fuchs said, is the basis of this program. Cultural measures are thus as much a part of the program as structural measures.

The \$750,000 program is in addition to the existing soil and water conservation work now being carried out.

"We are fortunate in being offered this opportunity," Mr. Fuchs said, "however, if the people are unwilling to contribute and help out, the project will be moved elsewhere and we will be forgotten as far as this program is concerned. We have little time to make up our minds."

DEATH TAKES TWO STRALEY BROTHERS

The Straley family in Ancho was again struck by tragedy in the death of two more members this week—John W. (Cap) Straley, and his brother, Tom Straley.

The community was saddened in July by the passing of another brother, Harry Straley, and a sister, Beba S. Bingham.

Cap Straley, a younger brother, felt the loss keenly and when he received the news last Sunday that his brother, Tom, was near death in an El Paso Hospital, his grief was too much to bear.

He had taken his family there to visit their daughter, Jo Ann, a student at Eastern New Mexico University.

According to a press report from Fortales, a motorist found Mr. Straley's body by the side of his car about a mile from Fortales. At his side was a .33 caliber Colt revolver. No inquest was held.

A double funeral service was held at Ancho yesterday (Thursday) afternoon at 2 o'clock. Rev. L. S. Markham officiating. A military service was conducted at the graveside.

The T. E. Kelley funeral home was in charge of arrangements. Burial was in the family plot at Ancho.

John W. (Cap) Straley was 46 years of age. He was postmaster and operator of the general store in Ancho and also had a heavy responsibility, since the death of his brother, Harry, in the operation of the large Straley ranch.

He was civic-minded and had always taken an active part in the affairs of the Highway 54 Association. He served in the Marine Corps in World War II.

Portions of Proving Grounds to Be Opened For Deer Hunting

White Sands Proving Grounds, Las Cruces, N. M., Oct. 20 — A special deer hunt on portions of White Sands Proving Ground has been authorized for the coming general open deer season.

Hunting is authorized during the period of noon Nov. 7 to sunset, Nov. 18. Hunters may pursue game in the mountain area from Mocking Bird Gap south to New Mexico Highway No. 52 and in the mountain area west of the San Andreas mountains range crest from Highway 52 south to the San Andreas Game Refuge.

To insure against interference with missile firings and to avoid the dangers of personal injury, all hunters entering the range are required to check in and out at one of the following check points: Engle, Highway 52, near east range boundary, and Oscura Range Camp or Red Butte (Trinity) Road at north boundary of the WSPG range.

All hunters are required to have a current New Mexico license and WSPG hunting permits. The latter may be procured at the office of the Provost Marshal at White Sands or Holloman Air Development Center.

Overnight hunting camps on the range are prohibited and hunters are liable for any damage inflicted by them to either public or private property.

Before hunting, persons living on the range will secure prior clearance from their camp commander and all persons living in the Proving Grounds or Holloman cantonments will secure prior clearance from their local range operations office.

MAY USE ACCESS ROADS TO RANGE BOUNDARIES ONLY

White Sands Proving Grounds, Las Cruces, N. M., Oct. 20—Authorities here announce that certain portions of the missile range will be open for the general deer hunting season, Nov. 7 to Nov. 18.

Questions have arisen concerning the use of Highway 52 and Red Butte (Trinity) road for the convenience of hunters seeking game in the authorized range areas.

In answer, Brig. Gen. G. C. Eddy, commanding general of WSPG, states that the two highways in question may be used as access roads to the range boundaries.

"The opening of the special areas for deer hunting is a privilege happily extended by White Sands Proving Grounds," the general stated, "and for this short period we will do our utmost to cooperate with the hunters desiring to enter the range."

"We in turn ask the utmost cooperation from those entering the range. It is obvious that the roads mentioned within the range boundaries cannot be opened without endangering many lives and seriously hampering our guided missile program."

"As area contractors will inform you, many projects have been completed at this growing base and the missile program is being accelerated. This naturally multiplies the danger factors in the northern reaches of the range."

"The loss of one life would be far too high a price to pay to open Highway 52 to uncontrolled travel."

Meeting to Discuss Forming Credit Bureau

Business men of Carrizozo are invited to a meeting Friday night at 7:30 at the Fire Hall at which G. M. Hendrick will present a plan for the formation of a better business bureau and collection agency.

Several businessmen have expressed an interest in the formation of such an agency.

American Art Week Observed at Museum

American Art Week, November 1-7, will be observed in Lincoln by a special exhibition of cowboy life lithographs, to be shown by the Old Courthouse Museum from November 1 to 15. The work of the eminent New Mexico artist, Theodore van Soelen, the lithographs show twelve episodes of cowboy life.

John Boylan, curator-custodian of the Museum, and 1953 Art Week chairman for the Lincoln area, has arranged the exhibit through the cooperation of the Museum of New Mexico Art Gallery. It will open November 1 with a reception at 3 p.m., and a talk by the curator on "How a Lithograph is Made."

The public is cordially invited to attend the opening reception November 1.

FARM BUREAU VOTES ON RESOLUTIONS AT OCT. 31 MEETING

The annual meeting of the Lincoln County Farm and Livestock Bureau has been set for Saturday, Oct. 31, at the Capitan grade school, beginning at 11 o'clock in the morning.

There will be a covered dish lunch at noon, with barbecued beef furnished by the Farm Bureau.

During the afternoon business session, county officers will be elected, delegates selected to attend the State convention in Albuquerque, and resolutions adopted on local, state and national issues.

A prominent speaker will make an address during the afternoon.

At a meeting of the Capitan unit of the Farm Bureau last Friday consideration was given a number of problems affecting Lincoln County farmers and ranchers. Freely discussed was state and federal management of forest lands, the highway sign-board situation, Lake Bonito water and underground designated basins and county roads.

RESOLUTIONS COMMITTEE

A resolutions committee, composed of Fred Pfingsten, Kenneth Nosker, Truman Spencer Jr., Bill Edgar and Fletcher Hall will draw up a set of recommendations to be submitted to the County meeting on October 31.

Attending Friday's meeting in Capitan were Wayne Powers, organizer for the New Mexico Farm and Livestock Bureau, and Leonard H. Johnson, regional director of 11 Western states for the American Farm Bureau Federation.

"The voice of Farm Bureau," he said, "carries weight in the national legislative councils, because we are known to be people of sound judgment. The farmer is a laborer, he is a producer and he is a consumer."

"If we are to be strong we must decide what is right. In the past Farm Bureau has stood alone against price control. We have said 'we want our fair share of the national income and we want our liberty too!'"

Farm Bureau, he said is the only group that has stood up for the free choice system in America. He called attention to the many problems confronting our nation today, such as the spread in labor prices, mutual security and trade and aid.

A delicious covered dish supper preceded the meeting. Chas. A. Jones, president, presided over the business meeting. Mrs. Floyd Hale acted as secretary pro-tem and Mrs. Betty Shreevogest made notes of the discussion for the benefit of the resolutions committee, which meets again tonight (Friday) in Capitan.

Mrs. Allen A. Lane Dies in San Diego

Friends of Mrs. Allen A. Lane were grieved to hear of her death which occurred at the family home in San Diego, Calif., on October 6.

"Lillian," as she was affectionately called by her many friends, was married to Allen A. Lane on September 21, 1921, and moved to White Oaks. Two daughters, Larue and Sara Lee, were born to this union.

Mrs. Lane was very active in church, school and the social activities in her community. She was a good neighbor and true friend and greatly beloved.

After the death of Mr. Lane in October of 1931, Mrs. Lane and the two girls moved to California.

Film on Bear Hunting Shown in Ruidoso

Members of the Mounted Patrol, meeting in Ruidoso Sunday, saw a film on bear hunting in Alaska, taken by Messrs. Hedgecote, Gann and Brown on a trip last Spring. The film was shown by Patrolmen Eddie Appodaca of Carrizozo and Bill Driggers of Green Tree.

Guests at the meeting were John Shaul, district game warden, and Major Taso Faun Yen, of the Chinese Nationalist army on Formosa. Major Yen had been in the United States only 12 days. He is receiving instruction at Ft. Bliss.

STATE CALLS FOR BIDS ON HIGHWAY 54 WORK

The State Highway Department is calling for bids, October 30, 1953, for additional work on Highway 54 between Carrizozo and Corona.

HUGH BANCROFT TAKEN BY DEATH

Hugh Bancroft Jr., prominent rancher of Capitan, passed away Monday night at Carrizozo Hospital. He had been ill since June.

In the five years he and his family lived in Capitan, Mr. Bancroft won a wide circle of friends. He was active in the Lions Club and was president of the Capitan Chamber of Commerce.

Before moving West, Mr. Bancroft's stable of show horses won many honors in exhibits in Toronto, New York and Philadelphia. He was also a prominent yachtsman at Cohasset, Massachusetts Bay.

For a time he was affiliated with the Wall Street Journal, which was originally owned by his grandfather and continued by his father, the late Hugh Bancroft.

Hugh Bancroft Jr. was born in Cohasset September 13, 1909, the son of Mr. and Mrs. Hugh Bancroft of Cohasset and Boston. He received his education at Fessenden, Noble and Grenough schools. During the war he served in the Coast Guard in Massachusetts. In August of 1948 Mr. Bancroft married Miss Jacqueline Everts of Denver and shortly thereafter the family moved to Capitan.

His widow and three children survive. They are Hugh Bancroft III, Christopher Bancroft and Kathryn Bancroft, all of Capitan. Also three sisters, Mrs. Jean Rufenacht of Zurich, Switzerland and Mrs. William C. Cox and Mrs. Edwin J. Steele of Cohasset.

Services were conducted at 2:30 Tuesday at the Kelley Funeral Home, with the Ven. Robert Y. Davis officiating. The body was shipped on the Golden State Wednesday and will arrive in Boston Friday morning. A funeral service will be conducted at St. Stephens Episcopal Church in Cohasset, Mass., at 2:30 Saturday morning. Interment will follow in the Bancroft family plot at Forest Hills in Boston.

William C. Cox of Cohasset, Mr. Bancroft's brother-in-law attended the services in Carrizozo Tuesday. He made arrangements for the body to be shipped to Massachusetts. Mr. Cox is on the executive staff of the Wall Street Journal.

W. C. Hendren Writes Letter to Friends

"Just a note to tell you that I am getting along fine—if a bit slow," writes W. C. Hendren to his old-time friends in Carrizozo, Mr. and Mrs. T. E. Kelley. Mr. Hendren has been a patient in Crite Hospital in Cleveland since he was critically injured in an automobile accident several months ago. Mr. Hendren continues:

"Last Wednesday they stood me up with partial weight on my right foot and weight bearing brace on the left leg. Also, Thursday and Friday I was up for a short time the same way and with a huaky aide on my right and left, took a few steps. Monday and this morning I was up again, walking a little more with only partial weight supported—so you see I am making progress."

"I am a little muscle sore from even this small amount of activity—but muscles lose a lot in almost six months. Feel like I've made a trip to the East Mountain and back. Everything is relative, I guess."

KAREN JEANETTE BORN OCTOBER 9

Mr. and Mrs. Roy E. Shafer, have returned home from Denver where they spent ten days getting acquainted with their new granddaughter, Karen Jeanette Young. Mr. and Mrs. Donald E. Young are the proud parents of the baby, born October 9. Mrs. Young is the former Janet Mae Shafer.

NEWS IN BRIEF

Out-of-town relatives, in addition to those mentioned last week, who attended funeral services for R. C. Withers, were: Mrs. Clarence Phipps of Lubbock; Mr. and Mrs. Clyde Jones of Lubbock; Mr. and Mrs. Q. T. Ross of Artesia and Mr. and Mrs. Lester George and Mr. and Mrs. Ewell George of Brownfield, Tex.

Donald Roberts, son of Mr. and Mrs. E. M. Roberts, returned home Sunday, after receiving his discharge from the U. S. Navy. The Roberts were further pleasantly surprised when their daughter-in-law, Mrs. Ernest W. Roberts, and grandson Mike, arrived for an extended visit shortly after Donald came home. Mrs. Roberts and Mike will join her husband at a later date in Climax, Colo., where they plan to make their home.

Mrs. Lois French, new home demonstration agent at large for four counties, including Lincoln, was in Carrizozo this week visiting home demonstration groups here and in other parts of the county. She was accompanied by Miss Elsie Cunningham, State home demonstration agent.

**SOME THOUGHTS ABOUT RECREATION FOR YOUTH**  
Editor, News:

In addition to telling the youth what they can't do, here are a few suggestions read about to help them develop their natural urge to build in moments of creativeness, and to destroy in moments of frustration.

We all agree the problem of time is to channel impulses into activity. A youth center is nearly always the first thought, but calls for money and never reaches far enough.

In Oslo, Norway, a wrecking yard was turned over to children to play in. Are there no wrecks around Carrizozo that boys could tinker with, take apart and re-make into whatever they wished?

Or the civic clubs might use the teenager ability to want to change environment by a volunteer campaign to beautify the city with little changes. It doesn't take a city planning engineer to put a nail in a saggy hinge or mend a broken window or straighten a sagging fence, or cut down a dead tree. All the bits of work count.

Adults might invite the youth to watch them occasionally and lend a hand at an occupation so they could learn by observation. Who has been invited to show an interest in the print shop, ga-

rage, airport, behind the scenes in the theater, or any occupation?

Wordsworth put it simply when he wrote "getting and spending we lay waste our time" and miss too many of life's small opportunities to help our fellow man help himself see something interesting about life.

**THE GRASS RE-SEEDING PROGRAM OF THE GPA**  
Editor, News:

Since there has always been a great deal of the wrong feeling between the ranchers and sportsmen in our section of the State, our local GPA decided again this year to work on a project to try to overcome this feeling. In so doing we thought seriously of the rancher and came to the decision of trying to promote what is known as a grass re-seeding program.

We consulted our local SCS after the idea had been passed on to us by some of our members who have been going to Colorado to hunt for several years, to see if we could obtain some grass seed. This project is similar to the Johnnie grass seed program in Colorado.

We did obtain some seed from the local SCS and some from another source. Combining the two lots we had somewhere around 425 lbs. of seed.

We then had a thought of

packages to put the seed in. We had 6000 packages printed, with instructions on each package as to how to plant and at what elevation. This package has a deer head printed on it; also, naturally, it is our idea to ask the hunters this fall to help us by taking a package of this seed as he goes out to hunt, and plant it.

The seed will be placed at checking stations and passed out. License vendors will also have the seed packages. Hunters are being asked to cooperate with us so that we might make this program a great success.

In order to defray expenses on our packages for seed we did so by giving away prizes, the first prize being a tent; second, a camp table and chairs and the third, a camp stove. Tibo Chavez, our lieutenant governor, came out on top with first prize. The second was won by a member of our local GPA, as was the third prize.

Our success in this grass re-seeding program remains to be seen. It depends on our hunters. When you go out this fall and plant some of this seed it is hoped that in future years you can go back and see grass growing on some rancher's land where you yourself planted it.

Our plan was presented at the State Game Protective convention and was accepted wholeheartedly by all locals, as well as by the State GPA; also by Lee Hoyer, president of the Arizona State GPA, who has asked that some of these envelopes be mailed to him.

Thanks to the SCS and to all members of the White Mountain Game Protective Association.

B. W. YOUNG,  
President, White Mountain GPA.

**PTA NOTES FROM HONDO VALLEY**

The regular meeting of the Hondo Valley PTA was held on October 13 with the president, Mrs. Elma Rogers, presiding. The general business of the meeting was followed by a talk by Rev. George Boennighausen, of Carrizozo. He stressed the moral and spiritual foundation of our community, stating that its strength is determined by the proper relationship of children, parents, and teachers.

Pupils of the first, second and third grades, of Picacho, exhibited square dances under the direction of Miss Elsie Kimbrell. Members of the fourth, fifth and sixth grades gave a skit directed by Joseph Reyes.

Sidney, the famous ventriloquist's dummy, was enjoyed by all, with Mr. Hamilton supplying the voice. Cake, coffee, candy and nuts were served by Mmes. Dick Kimbrell, George Butts, and Dan Salas.

A constitution, which had been drawn up by Mmes. Carl P. Radcliff and Albert Kimbrell, was ratified by unanimous vote.

The program committee announced the following programs for the 1953-54 school year:

Nov. 10—"Preparing for Loyal Citizenship" (in observance of American Education Week)—By Supt. Fernin S. Montes. Entertainment by Carrizozo VFW and Carrizozo band.

Dec. 8—Woodwork demonstration by Clayton Mears of Roswell. R. C. Ruez, program chairman.

Jan. 12—Physical Education — Ismael Sanchez, Irene Stevens.

Feb. 12 — Parent and Teacher Teamwork — Speaker, Mrs. Glover, State President of PTA.

March 9—Safety—Glenn Painter, State Patrolman.

April 13—Parents' Night—Mrs. Frank Titworth in charge. Installation of Officers — Burdoo band.

May 11—A-H Club program — Mrs. Jess Lara in charge.

**ANNE GALLACHER ELECTED PRESIDENT OF DISTRICT 6 FHA**

Miss Anne Gallacher of Carrizozo was elected president of District 6, Future Homemakers of America at the annual leadership training conference held October 17 in Alamogordo. Other officers elected were:

Josephine Chavez of Tularosa, vice president; Vera Shaul of Capitan, secretary and treasurer; Helen Whitley of Ruidoso, parliamentarian; Toni Yarter of Alamogordo, historian; Joan Matthews of Ruidoso, song leader; Margo Duncan of Carrizozo, chairman of recreation, and Thomasene Young of Carrizozo, pianist.

Those attending the conference from the Carrizozo chapter were Rita Vega, Frances Warner, Ina Withers, Verna Ruth Petty, Antonia Pacheco, Nancy Jo King, Thomasene Young, Lucy Pacheco, Anne Gallacher, Margo Duncan, Paula Flores and Miss Emilia Garde, high school home economics instructor.

Anne was installed by outgoing president, Gall Bays, of Alamogordo. As district president she will be responsible for planning next year's district meeting, attending the State convention and an executive meeting at State College to work on policies regarding State degrees and chapter honor and merit awards.

Miss Thomasene Young was Carrizozo's candidate for the district chorus. She competed with four girls from other chapters and was chosen to represent District 6 at the State convention to be held in Portales in April. In the competition, Thomasene chose for her solo "The Lord's Prayer." She was accompanied by Anne Gallacher.

After awarding Thomasene first place, the judge, a music teacher in Alamogordo High School, wrote the following:

"I believe Thomasene shows more musicianship than the other girls. Her selection of piece was good, tone quality is nice, stage presence was good. The difficult rhythm was well done."

The theme of the district meeting was "FHA in Focus." Following their return home, Miss Garde said "The girls all enjoyed the meeting and are enthused about improving their chapter by adopting some of the ideas they had discussed with members of other chapters."

**EXTENSION SERVICE TO BE STARTED AT FORT STANTON**

**Rummage Sale by Capitan Woman's Club**

The Capitan Woman's Club is sponsoring a rummage sale on October 24, beginning at 1 p.m. at the City Hall. "Come and shop," the ladies say, "you may find that winter coat or suit with all the accessories, or even clothes for the children at a very low price."

Anyone having articles to donate is asked to take them to the City Hall Saturday morning or call Mrs. Shaul or Mrs. Sherrill. They will gladly make the pick up.

Mrs. Phil Porter of Los Alamos was guest speaker at the Capitan Woman's Club on Friday, October 16.

Raynette Edington, Annece Yarbrough and Ethelyn Phillips gave a musical program. About fifty members and guests were served by the hostesses, Mmes. Randall, Teague and Runnels.

Mrs. Hunt Hobbs of Capitan was a visitor to El Paso last week.

Among the out-of-town people seen at the Tularosa-Capitan football game were Johnny Werner, Sammy and Melvin Romero, Odell Hickman, Lloyd Cooper and Mr. and Mrs. Ben Leslie Jr. Mr. and Mrs. Charles Ferris, son Melvin, and Mrs. N. E. Norton were visitors in Roswell Saturday.

Mr. and Mrs. L. R. Lamay's names were omitted from the list of guests at the birthday party given Wm. Ferguson.

M. V. Jones of the Jones Dry Goods was a business visitor to El Paso Monday and Tuesday of this week.

Grady Eldridge has joined a party who left this week for an elk hunt in Colorado.

The old depot which houses the Capitan Oil Co is having its face lifted this week and looks very good in its new coat of paint.

Capitan is very much saddened to learn of the death of Hugh Bancroft and extend their heartfelt sympathy to his family.

Clara Lowe, who accompanied Mrs. George Titworth to Grand Chapter of the Order of Eastern Star in Albuquerque, reports a pleasant trip and an interesting meeting.

**LINCOLN NEWS**

By ETHELYN PHILLIPS

Mary Zamora went to Tularosa over the week end with Mrs. Cozens and the FHA girls.

Mrs. Susie Kosage of Alamogordo has been visiting her mother, Mrs. Rullina Maes.

Mr. and Mrs. Alfred Hulbert and children of Yaleta, Texas, spent the week end with Mr. and Mrs. Lloyd Hulbert and Mr. and Mrs. Giles Ramey.

Mr. and Mrs. Maddox of Farmington (formerly of Ruidoso) paid Mrs. Annie Ramey an over night visit.

Juan Hernandez has completed a nice two-car garage on his property, and Roman Maes is building a shelter for his buggies.

Mr. and Mrs. H. E. Phillips and Mrs. Maggie Pflingsten attended Farm Bureau in Capitan last Friday evening.

Ray Taylor left Wednesday for an elk hunt in Colorado. He joined a party of Capitan hunters.

Everyone in Lincoln who could get away went to the Capitan-Tularosa football game in Capitan last Friday.

Mr. and Mrs. Y. T. Aldaz have moved from the Ventura home back to their home at the Torres Ranch.

Mr. and Mrs. Roy Ackerman have moved to Odessa, Texas, and write that they are settled in a home there. We miss them. Mrs. Helen Meeks was in from Baca Canyon. She said they had

Capitan's Tigers sewed up the 3-C football championship last Friday, with an impressive 20-14 victory over the Tularosa Wildcats.

The Tigers scored twice on passes in the first half and then showed a versatile attack in the third with a power drive from the Wildcat 40-yard line, Wally Ferguson going over on a quarterback sneak. He then added the point after touchdown.

Tularosa's touchdown drives were sparked by the line plunges of Preston Fambrough and the passing of Johnny Marrujo, who hit a receiver in three successive passes, the latter to the Capitan 5-yd. line. Marrujo carried over for the TD, Fambrough converting.

One touchdown away from a tie-or-possible-win, the Wildcats were unable to get going and the game ended with Capitan in possession in Tularosa territory.

Capitan chalked up 14 first downs, against 11 for Tularosa.

**GRIZZLIES PLAY BEST GAME TO DATE**

For the second time this season, the Carrizozo Grizzlies lost to the Ruidoso Warriors, last Friday's game ending Ruidoso 27, Carrizozo 13.

Statistics of the game show a much closer contest than the score indicates. Ruidoso tallied 14 first downs to Carrizozo's 10. Three of the Warrior first downs were the result of penalties against the Grizzlies.

Total yards from scrimmage: 382 for Ruidoso and 341 for Carrizozo. Ruidoso lost 30 yards from scrimmage while Carrizozo lost 5 yards. Carrizozo averaged 6.7 yards each time they carried the ball, to Ruidoso's 8.4 yards per try.

The Warriors attempted 11 passes, completing 4 for an average of 22.25 yards per try. Two of their passes were intercepted. Carrizozo tried 11 passes, completing 4 for an average of 12.5 yard, with two passes intercepted.

Ruidoso punted twice for an average of 35 yards. Carrizozo's average on two punts was 24 yards. Ruidoso averaged 13.1 yards per return of kickoffs; Carrizozo 14 yards.

Carrizozo brought Ruidoso's kickoff back to the Grizzly 29. Ruidoso took a Grizzly 4th down punt on its 40-yard line and advanced the ball over the Grizzly goal line for a touchdown and an extra point.

The quarter ended with the Grizzlies in possession on the Ruidoso 15-yd. line. Sam Wedell

**RUIDOSO SCORES AGAIN**

Ruidoso's second score came in the same period after a series of line plunges and passes, mixed with penalties against both teams. The extra point after touchdown was good.

Carrizozo bounced back to score again on a touchdown drive sparked by two runs by halfback Jimmy Lucero, one for 22 yards and one on a fake punt formation good for 30 yards. The TD play was a pass from freshman fullback Natle Palomeriez to halfback Tingo Gallegos. Lucero kicked the extra point.

The score at half time was Ruidoso 14, Carrizozo 13.

After a scoreless third quarter the Warriors scored in four line plunges from the Zozo 48-yard line. The PAT was not good. The Warriors struck again midway of the last quarter, ending the day's scoring at 27 to 13.

Grizzly players who saw action in the game were halfbacks Tingo Gallegos, Jimmy Lucero and Tony Lueras; quarterbacks Sammy Sidham and Leroy Nowell; fullbacks Natle Palomeriez and Sam Wedell; ends Orvil Wilson, Billy Hicks and Richard Means; tackles Glen Barnum, Guy Warden Ballou and Daniel Mirabal; guards Leroy Sidwell, Wesley Lindsay, John Saucedo and Louis Montana; also Jeff Morris at guard and Tom Barnett and Skipper Harkey at center.

Other players seeing action in the line were Pete Straley, Victor Chavez and Tony Beltran.

It is estimated that Lincoln County home owners will spend an estimated \$341,000 during 1953 on repairing and modernizing non-farm dwellings.

**Game Laws Made to Preserve Wild Life**

With the advent of the hunting season, November 7, John Shaul, district game warden, this week urged everyone to exercise the greatest of care in: Strict observance of bag limits; true sportsmanship; safety; and compliance with each rule and regulation.

"We urge the hunters to do these things," Warden Shaul said, "not because their violation may bring arrest, or from fear that they may be caught doing wrong. These laws must be observed with understanding, not alone for what they seek to prevent, but for what they seek to preserve." Shaul continued:

"The conservation laws, which were written by men and enforced by men, are actually dictated by nature. Men have been taught through generations that only by proper conservation of our assets can we hope to preserve them. Man has learned the hard way.

"He has learned that, season after season, species of game, fish and fowl, flora and fauna, taken with abandon and without control, have gradually thinned and in some cases, become completely extinct."

... among people who want more for their money when they buy ... and more money when they sell

There's a big reason why more folks are buying more Fords than ever before. No other low-priced car offers so many of the things people want and need for today's driving. In fact, to get such "Worth More" Ford features as a V-8 engine, completely automatic transmission and fine-car power steering in any other car, you'd have to step well up from the low-price field.

Of course, Ford owners will discover that Ford's worth more when they sell it, too. Surveys of used car prices show year-old Fords returning a higher proportion of their original cost than any other car.

**because it's most like high-priced cars**

...more and more people are considering Ford as the one fine car in the low-price field!

It's hard to believe that a car which is built like the finest still sells in the low-price field. Yet a Ford with its hightlight Crestmark body, its Full-Circle Visibility (most in its field), its new fine car ride and roomy luggage locker (roomiest in its field) delivers at a figure that keeps it right down in its price class.

Ford's the only low-priced car which offers you a choice of a completely automatic transmission (Fordomatic), Overdrive or Conven-

tional Drive. And Ford Master-Guide, available on all V-8 models, is the last word in power steering. ... makes turning up to 75% easier, yet retains the natural feel of the wheel on the straightaway.

See ... Value Check ... Test Drive the Ford of your choice at your Ford Dealer's. Find out why Ford is America's "Worth More" car.

Ford's V-8 is the same type of engine powering America's finest (and costliest) cars. And Ford's Mileage Maker Six is the most modern Six in the industry.

## Progress Being Made On Shallow Gas Well

Malcolm and Morrow, oil drillers, are down over 1200 feet and making rapid progress with a rotary rig on the No. 2 C. C. Franks well, 18 miles down Galló Canyon. The table tool rig previously used to start the well has been moved to the Bogie Ranch, 12 miles southeast and is being used by the Albuquerque Exploration Inc. This company plans to drill three or more wells in an attempt to find a gas field at a shallow depth.

Leonard George of Hagerman is contractor for the drilling, which to date is down about 200 feet. This well is in north central Lincoln County, only a short distance north of the new pipeline being laid by the El Paso Natural Gas Company.

E. L. Taylor is the new depot agent at Corona. He is from Montgomery, Ala. John C. Maxwell, who was substitute agent, is being transferred to Vaughn.

J. M. Shelton, former depot agent at Corona, is improving and may be home soon from the Southern Pacific Hospital in San Francisco, Calif.

Mr. and Mrs. Joe Wart returned to their ranch recently from a visit to their irrigated cotton farm near Lubbock. While there Mr. Wart says that 560 lbs. of lint was taken from one acre, and a second crop he expects to yield the same, making about two bales per acre.

The Corona fire department answered a call to the Valentine Barros home Monday morning. The trailer house of Mike Flores, near the residence, had caught fire from a short in the wiring. The blaze was brought under control before serious damage was done. Corona appreciates the services rendered by its volunteer fire department.

Remember the Community Chest. If you wish to help any one or all of the benefiting agencies, leave your donation with the committee. Helping the needy is a good old American custom and through the Community Chest is a most effective way to observe it, says a committee member.

## Hancock-Culpepper Betrothal Announced

Mr. and Mrs. Lee Hancock, who were formerly engaged in ranching near Corona, but now residents of Mesilla Park, have announced the engagement of their daughter, Mary Eleanor, to Robert Simmonds Culpepper of Farmington.

The wedding will be November 14 in St. James Episcopal Church in El Paso with Rev. Bancroft Smith officiating.

Mary Eleanor formerly attended school at Corona. She also was a student at Radford school for girls, graduated from Austin High School, and attended Texas Western College. She majored in foreign languages and received her degree with the class of 1933. She spent the past summer on a European tour.

Robert is the son of Mr. and Mrs. P. C. Culpepper of Farmington. He is a 1931 graduate of A&M College in Las Cruces and is presently employed as an entomologist by the Edmunds Chemical Co. in Albuquerque.

## University Group to Return to Corona

Jack Haulsey from the University at Albuquerque, assisted by Frank Greuver, also of Albuquerque, presented a splendid service to the Corona Presbyterian congregation Sunday at 11 o'clock.

They will return for another service next Sunday and will bring special music, including a whistling number by Marietta Woodruff of Albuquerque.

The public is cordially invited to hear this University group.

Rev. and Mrs. William Peay and two children from Santa Rosa, Calif., spent last week end in Corona. Rev. Peay held services at the Corona Baptist Church, which is still without a regular pastor.

Mr. and Mrs. Frank DuBols Jr. and children, of Albuquerque, and Mr. and Mrs. Don Shattuck of New Orleans were guests in the homes of Mrs. Mary DuBols and Mr. and Mrs. Archie Perkins the past week end.

## Speaker Describes Her Summer in Europe

Miss Mary Eleanor Hancock of Mesilla Park was guest speaker at the October 14 meeting of the Corona Woman's Club. She gave an interesting talk on her two months' trip to Europe the past summer.

Mary Eleanor's parents, Mr. and Mrs. Lee Hancock, accompanied her to Corona.

Hostesses for the evening were Mrs. Palle Dishman and Mrs. Ada Hester.

## County Represented at Grand Chapter, OES

Lincoln County was well represented at the annual meeting of the Grand Chapter of the Eastern Star, held October 15, 16 and 17, in Albuquerque. Delegates attended from all over the State.

Mrs. Otho Lowe, district instructor, and Mrs. Gussie Thisworth attended from Capitan.

From Carrizozo were Mrs. Ula Mayer, grand representative to Connecticut; Mrs. Maybelle Shults, worthy matron; Clyde Shults, worthy patron, and Mrs. Betty Nickels, associate conductress. Mrs. Nickels played two violin solos, accompanied by Mrs. Fred Daniels of Las Cruces.

Mrs. Shults was appointed to the educational committee for the ensuing year.

**CARD OF THANKS**  
We wish to express to our friends and neighbors, also to the hospital staff, our heartfelt thanks for their many acts of kindness and for the sympathy they expressed during the illness of our beloved one; also for the many beautiful flowers.

## SPEAKER STRESSES COMMUNITY'S NEED FOR CIVIL DEFENSE

Mrs. Phil Porter, head of the State Civil Defense, from Los Alamos, was principal speaker at the regular monthly meeting of the Carrizozo Woman's Club, held last Friday afternoon. She was introduced by Mrs. J. P. Turner, program chairman.

Speaking on civil defense in case of an atomic disaster, Mrs. Porter listed four things in the order of their importance: The individual, the community, the State and the Nation. Everyone should have a first aid kit and emergency food in their homes. "A woman's group," she said, "should be organized thru the PTA, churches and other civic organizations to educate the whole community in civil defense programs."

Mrs. Porter pointed out that the Waco tornado was a "dry-run" example for an atomic disaster and advised everyone to obtain a copy of "The Waco Disaster," by Herman Petty, and study it thoroughly.

"Recently," she said, "three practice bombs were parachuted in our area and no one here knew anything about it. The Army was quite perturbed."

Miss Ruth Mallor of Roswell, field representative for the Red Cross in this area, was then introduced.

She stressed the importance of getting a Red Cross Chapter established in Carrizozo and pointed out that the lack of Red Cross leadership here to work in coordination with civil defense in time of disaster, could be serious. Miss Mallor urged everyone to consider forming a committee to work with her in reorganizing the Red Cross in Carrizozo.

A letter was read from Carl Freeman of the State Parks commission. He offered his assistance and suggestions for planting shrubbery at the proposed Mat Pais-Roadside Park, a project undertaken by the Woman's Club.

Mrs. C. E. Degner introduced Mrs. Floyd King of Carrizozo as a guest.

During the report of the standing committees it was brought out that it was time to think about collecting and repairing toys for Christmas for the children in the hospital.

Mrs. C. A. Snow, Club president, announced that in order to have State President, Mrs. A. A. Kennitz, present at the next
