

RAMBLIN' AROUND

BY PAUL BAKER

The State Highway Department presented Lincoln County with a road this week but before doing so, extracted the cinders and cattleguards.

That was one problem which the County Commissioners as they met in Carrizozo this week. The State Highway Department may have figured that the new Highway 54 was a pretty expensive deal and they'd salvage what they could out of the old Highway 54. The trouble is that the old road is still being used by ranchers and by the SN in its maintenance work and the road isn't much good without culverts or cattleguards. The Commissioners immediately protested to the Highway Department and asked that the salvaged material be put back where it belongs.

Lincoln County residents who attended the institute in Carrizozo Tuesday were proud of the introduction given Paul Gallegos, director of education of the Girls' Welfare Home in Albuquerque. Described as a model institution of its type, Mr. Gallegos was credited with an important part in its administration. He was a resident of Carrizozo for a number of years and is a graduate of Carrizozo High School. . . . Earl Harrow, Glen Bradley and Manuel Chavez were much in evidence during the day, acting as hosts to the visitors. . . . Everyone got a laugh when Dr. Claude C. Dove of New Mexico AEM said "Children are worth more than pigs and bulls at State College." He was referring to the proportion of state money spent for youth rehabilitation work as compared to the money spent experimenting with livestock. . . . Commenting on the institute, Judge Scoggin said it was one of the best held to date. "Much was accomplished," he said, "and ideas thrown out that people will try."

A report that aroused great interest at the institute was one prepared by Mr. Miller on "Suggestions for the Prevention and Treatment of Delinquency." Several of the pages were direct quotations from the boys at the Springer school, suggesting ways by which society might have prevented the boys' mistakes. At the suggestion of Will Ed Harris, the News was given permission to publish the report, and will do so, starting with next week's issue.

Messrs. Fred English, Vernon Petty and Dr. J. P. Turner have made a number of trips during the past two weeks in the interest of securing a dentist for Carrizozo. They report that progress is being made and that the prospects are good that Carrizozo's need for a dentist will be filled in the not too distant future.

L. L. (Pop) Anderson was pleased to receive a letter this week from his niece, Miss Mary Anderson, who is a nurse in a hospital at Hattiesburg, Miss. The letter brought some sad news, too. It told of the passing of Pop's brother, Benjamin Anderson, in New York State. The two brothers had lost contact with each other for a number of years.

Why is it that most of us fall to pieces that burned-out light globe or fuse into the ash can? The reason must be because it's easier just to lay them to one side, but it's poor practice. Some time later when we need a replacement, we invariably pick up said globe. It looks ok and we try it out, then give it the heavenly, wondering why we didn't do that in the first place. Speaking of burned-out light globes, that bolt of lightning that hit near the Orme-Johnson and Marvin Roberts house last week, burned out two light globes in our house a block away. All power in that area was off for a moment when the bolt caused a switch to open at the light plant.

John doesn't seem so well dressed as he did five years ago when I married him. "That's odd. He's wearing the same suit!"

A Check In Time May Save Your Home

October 3 to 9 is Fire Prevention Week over the nation. Volunteer firemen Ed Mackey, chief, and Thomas Rodger, assistant, ask that locally everyone cooperate by clearing up all fire hazards, such as trash in their alleys and weeds and rubbish in back yards. Residents are also asked to make an inspection of basements for fire hazards. The appearance of wild weather adds to the danger of fire and Chief Mackey says it is good preparation to have fires and weeds on the roof checked before using stoves.

LINCOLN COUNTY NEWS

And Carrizozo Outlook

CARRIZOZO, NEW MEXICO, FRIDAY, OCTOBER 8, 1954

(Outlook, Volume 45, No. 23)

ATTORNEY GIVES HIS OPINIONS ON BONITO WATER

At the request of a number of property owners in Carrizozo, George A. Shipley, Alamogordo attorney, attended a meeting in Carrizozo last Saturday and talked to the group about the Lake Bonito water system as it affects Carrizozo and other Lincoln county communities. Mr. Shipley for a number of years was closely connected with the legal aspects of the Southern Pacific's development of the Bonito system and he did a considerable part of the work in drawing up the plea upon which the court based its decision permitting diversion of water from the Bonito to serve the railroad and towns along the line.

Mr. Shipley recommended to the people who sought his opinion that a group of responsible property owners and citizens of Carrizozo immediately file a petition in the U. S. District Court in the Pecos Valley water suit, alleging an interest in this water and asking permission to set up their interest and have it adjudicated.

He told the group that he felt "reasonably confident that the court will not permit the transfer of any water to another area until there has been a sufficient amount reserved for Carrizozo's present and future uses."

WATER FOR A RAILROAD

"The El Paso and Rock Island Railway Company built the railroad about the turn of the century between Carrizozo and Santa Rosa and immediately found that there was no suitable water for use in its engines and no domestic water available to sustain the development of towns along the railroad. In order to develop the area through which the railroad operated and in order that it might have a supply of water for use in its engines, the railroad bought or contracted for farms on the Bonita River having an irrigated area of 350 acres. The railroad then applied for a permit to divert the water from the Bonita watershed over the divide for use at Carrizozo and along the railroad east of Carrizozo.

"As the water could not be diverted from one watershed to the other without a permit from the Territorial Engineer, after a strong showing of necessity the railroad applied for such permit, representing that it was necessary, not only for the operation of the railroad's engines, but also for the domestic use and the development of the communities along the railroad east of Carrizozo, that the permit be granted. The Territorial Engineer issued a permit on July 2, 1907, for the transfer of the water.

RESERVOIR NEEDED

"This water was diverted directly from the stream and after some twenty years the communities along the railroad, including Carrizozo and on east, had developed to where there was not sufficient water during certain dry seasons, and in 1929 the railroad made application to the State Engineer for a permit to construct the present dam on the Bonita River and to store sufficient water during the heavy run-off so that there would be a supply for the people of Carrizozo and points east on the railroad during the dry periods.

"Construction of the dam was started and a suit was threatened by residents of the Pecos Valley to prohibit the storage and diversion of the water. The railroad immediately started a suit in the District Court at Carrizozo, No. 3854, for an adjudication of the water rights of the Bonita Stream System and particularly of the right of the railroad to store water in Bonita Dam and to divert and use it on the western side of the mountains.

"In order to secure this permit, the railroad represented to the court and proved to the satisfaction of the court that it was necessary that the water be diverted for use, not only by the railroad, but by the people of Carrizozo and the people and communities along the railroad from Carrizozo east.

"It was upon the institution of this suit that I first became interested in the Bonita water situation. I spent many hours in conference and study with W. A. Hawkins, who was at that time

Pictured above, with some of those who helped with the job, is the west bleacher recently installed on the Carrizozo High School athletic field. Another bleacher is on the east side of the field. The bleachers have been donated to the school by the Carrizozo Lions Club. It was a big assignment, but done so quickly by Frey Truman Spencer Jr. and his helpers that they made it look easy. From left to right Truman Spencer, Franklin King, Albert Vega, Paul Gutierrez, Lions H. F. Fulkerson and Clarence Shaw. Seated in grandstand, L. E. Chapman and Billy Fitzpatrick.

Plan to Organize Extension Classes

To organize extension classes with college credits, Dr. R. L. Hunt of New Mexico Western College will be at Carrizozo High School Thursday afternoon at 5 o'clock. Dr. Hunt is head of the education department and director of extension of NMWC.

The extension classes are for teachers and other persons interested. Courses may be taken for teacher certification purposes or for graduate credit.

Teachers and others from Buldoso, Captain Hondo and Corona have been invited to attend the organizational meeting.

Carrizozo Buys Surplus Water Tank From SP

At a meeting of the Carrizozo Town Board of Trustees held Tuesday afternoon, it was voted to buy a steel tank at Three Rivers. The 600,000-gal. capacity tank has been declared surplus by the Southern Pacific and was offered to Carrizozo for \$1100. The tank will be moved and used for water storage. The trustees have applied to the State Land Commissioner for a lease on a tract of state-owned land a mile south of Carrizozo. It is planned to put down a test well. If the flow and quality of water proves satisfactory for a supplementary supply, the tank will be located on this site. In other business, the trustees authorized the purchase of a comprehensive insurance policy, covering all town property, from the J. G. Moore Agency.

GRIZZLIES MEET VAUGHN FRIDAY

The Carrizozo Grizzlies take on the Vaughn Eagles Friday night on the Carrizozo field. It will be the next to last home game for the Grizzlies, the next two being away with Corona and Estancia. Ft. Sumner comes to Carrizozo October 27 to wrap up the season.

Corona vs. Capitan

Unsettled upon in four games to date, the Corona Cardinals will put their perfect record to another test Friday night when they meet Capitan on the Tigers home field.

Ruidoso vs. Tularosa

Two teams unbeaten in conference games and both with impressive wins to date meet Friday night in Tularosa when the Wildcats entertain the Ruidoso Warriors in a game that will probably decide the 3-B conference title.

CARRIZOZO PTA TO MEET NEXT MONDAY

A regular meeting of the Carrizozo Schools PTA is announced for Monday, Oct. 11 at the Old Grade School Auditorium. Time of the meeting is 7:30 p.m. representing the Southern Pacific Railroad, in connection with the Bonita water rights, and while Mr. Hawkins' name does not appear as one of the attorneys of record, I am sure that those who are familiar with the

Chuck Wagon Supper Profit Exceeds \$500

A net profit of slightly above \$500 was reported by L. Z. Manire, Lions Club secretary, from the annual chuck wagon supper. A sum of \$75 has already been spent to buy bleachers for the high school athletic field. The bleachers are to be painted in the school colors of scarlet and gray.

Joe O. Sargeant presided over last Monday's Lions Club meeting, in the absence of President Truman Spencer Jr.

Guests introduced were Pick Warden and Sport Harkey. The latter, a Carrizozo High School senior, told about his experiences at Boys State as a representative of Carrizozo. He was sponsored by the Lions Club.

Sport said one highlight for him was being elected to the Boys State House of Representatives and working for the passage of a bill to permit 15-year-olds to vote. "It was fun," he said, "even if we did lose."

The club voted to sponsor the Harlem Glows, a famed traveling basketball team, providing suitable arrangements could be made and an open date secured in February.

Ceremony Opens Library to Public

The Carrizozo High School Community Library opened last Thursday night, with Mayor Marvin H. Roberts and members of the Carrizozo school band taking part in a brief ceremony. The library is open for use of the public on Tuesday and Thursday nights from 7 to 9.

Supt. Firman states that a resident of the school district—Nogal, White Oaks, Archo, Ocura and Carrizozo—may take out a library card for \$1. This entitles them to borrow books or use the reference material in the library.

Vernon Petty to Attend National 54 Meeting

Vernon Petty, president of the New Mexico Highway 54 Association is making plans to attend the fall convention of the National 54 Association, to be held Oct. 8 and 9 in Eureka, Kansas.

Convention headquarters will be at the Greenwood Hotel. Registrations start Friday morning at Memorial Hall.

Jose March, executive director of Mexican Highway Association, will be the main speaker on the Friday afternoon program. He is expected to bring a report of progress on redesignating Mexico's highway south from El Paso "54", to conform with 54 through the United States.

Jose Alcaraz, chairman of scholarships of the Bank of Mexico will be a guest speaker. Mrs. Virginia Coker, home demonstration agent for Lincoln and Otero counties, will be in the Lincoln County Agent's office Monday and Tuesday of the first and third weeks of each month and on Wednesdays, Thursdays and Fridays of the second and fourth weeks.

PROBLEMS OF YOUTH DISCUSSED IN CARRIZOZO

A one-day institute under the auspices of the Third Judicial District Commission on Youth, was held Tuesday at the court room in Carrizozo. The meeting was well attended and the court room was filled for both morning and afternoon sessions.

The institute was another one in a series arranged by Judge W. T. Scoggin, whose work with youth in his judicial district has caused favorable comment in states outside New Mexico.

The list of speakers was an imposing one, including heads of state institutions for youth, college professors, probation officers and others connected with juvenile work in the state. School administrators from county school districts were present, as well as a number from Alamogordo and Tularosa.

Youth commission chairmen in three counties were hosts. Kermit Laabs of Las Cruces, Allan Walker of Alamogordo, and Edward Fenfield of Lincoln. They were assisted by county officials who served refreshments during the afternoon recess.

Following the opening address of welcome by Judge Scoggin, Kermit "Bud" Laabs, spoke on ways and means of establishing a district-wide recreational program. To raise funds for it he suggested that the State Legislature amend the law so that counties could collect cigarette tax money from outside the municipalities.

R. R. Robinson, curriculum coordinator of the Alamogordo public schools, stressed the need for schools to train children for their capacities and not to meet certain specified academic standards. "Give the girls and boys a base," he said "in those talents which they must use in earning their future livelihoods."

Dr. Calvin C. Thomson, psychologist, New Mexico AEM College, said the juvenile delinquency problem could best be solved by an adequate program of child education in every school in our state. "We spend millions," he said, "to correct delinquency, when we could spend thousands to prevent it by having an adequate program of child education."

TEACHING IMPORTANT

"Somehow," Dr. Thomson said, "we must get well-trained and devoted teachers to work with parents, and children before they are 6 years old. We must teach children to do right because they want to do right." He described the PTA as a great potential force in education.

Among those taking part in the afternoon's panel discussion on juvenile problems were Miss Florence Perkinson, supt. Girls' Welfare Home, Albuquerque; Paul Gallegos, director of education, Girls' Welfare Home; Jaffe Miller, supt. Boys' Industrial School, Springer; Miss Mary Grace O'Hara, district child welfare supervisor, Roswell; Dr. Claude C. Dove, psychologist, New Mexico AEM College; J. E. Stermer, executive secretary New Mexico Youth Commission; C. C. Chass Jr., juvenile attorney for the third judicial district; and Kenneth S. Barnhill, chief probation officer for the third judicial district. The panel leader was J. L. Larkin, superintendent, Tularosa schools.

PARENTAL RESPONSIBILITY

Asked why parents were not held more strictly accountable for the acts of their under age children, Mr. Stermer said "Under our laws you cannot hold parents responsible for the acts of a delinquent child. I would not introduce such a law. We should use the laws already enacted. The court has the power to take a delinquent child away from his parents and the probation officer can lay down the law to the child's parents. If the parents do not do what the court directs, they may be jailed for contempt of court. We have the law. We need to enforce it."

Mr. Barnhill brought out that it was extremely difficult to find suitable foster homes for children whose parents may have been jailed for contributing to the delinquency of their minor child. "This is true," he said, "in 80% of the cases."

Jaffe Miller described the overcrowded conditions at the Springer school. "Our institution," he said, "has facilities for 85 youths. On April 1 last year we had 220 boys. Due to the overcrowded conditions, the average

Selective Service Boards In Two Counties Consolidated

State Headquarters of the Selective Service System this week announced the consolidation of the Otero and Lincoln County Local Boards. This consolidation became necessary, it was stated, due to budgetary conditions in the department, and when funds are again available, the office of the Otero County Local Board may be reactivated.

During this period of consolidation, Edna M. Laramie, clerk of the Lincoln County board, will be on duty at the Otero County Local Board approximately four times a month. The dates will be announced upon receipt of calls for pre-induction and induction, and tentative dates of board meetings.

During the days when it will be necessary for Mrs. Laramie to be in Alamogordo, young men who have reached the age of 18 may register with Mrs. Marian Schlarb at the office of the County Assessor. A notice will be posted on the door of the Lincoln County Selective Service Office on the day that Mrs. Laramie will be in Otero County. She informed the News this week that it will be necessary for her to close the Lincoln County office on the days of October 20 and 26.

THREE COUNTY BOYS LEAVE TO ENTER SERVICE

Three Lincoln County boys left Thursday, October 7, for the induction center in Albuquerque. They were Teddy Joe Quimmins of Capitan, Richard Agullar of Capitan and Roger Zamora of Fort Stanton. The latter two are volunteers for induction.

CERTIFICATE PRESENTED TO JUAN MARTINEZ

Brig. Gen. John P. McFarland, State Director of Selective Service for New Mexico, announces the awarding of a Certificate of Appreciation to Juan Martinez, member of Selective Service Local Board No. 14, Lincoln County. The award was made by General Hershey, National Director of Selective Service for 10 years of loyal and faithful service.

Other members of the board who have previously received certificates are Herman Kelt, Roy Shafer, Raymond Sherrill, Florentino Lopez, Dr. James Turner and Daniel Brenton.

Mrs. Hazel Perry to Be Census Crew Leader

Appointment of Mrs. Hazel Perry of Glenwood as a crew leader for the 1954 census of agriculture is announced by Field Supervisor Helen Chandler Ryan.

Mrs. Perry will direct a force of enumerators who will canvass all farms in Lincoln and Otero counties. She reports on October 4 to the census agriculture field office at Albuquerque for a week of training.

The crew leader is one of the key people in the field operations of the Census of Agriculture. It is his responsibility to train the enumerators and supervise their work; plan and allocate work assignments; review the work of the enumerators and take remedial action where necessary, and to conduct difficult enumerations.

After attending the training conference, Mrs. Perry will return to her district where she will spend three weeks recruiting enumerators, checking enumeration district boundaries, and training enumerators in preparation for the start of the census on November 3, 1954.

age stay of those committed is four months. How," he asked, "are you going to give a boy religious or moral training in four months?" Mr. Miller said the percentage of repeaters in the Springer institution today is 25% compared to 5% in the early thirties. The reason, he said, "is because we don't have the boys long enough to do them any good."

Miss Perkinson stated her unqualified belief that boys and girls, as well as men and women, can be rehabilitated. She said her institution encouraged the closest bond between girls and their families whenever conditions at home made that possible. "We are not running a strict reformatory program," she said. "Rather we are stressing home nursing, child care and household arts."

WILL HARRISONS Inside the Capital

WELFARE CHECKS ARE IN JEOPARDY

SANTA FE, Oct. 6.—That nose-dive of compensating tax collections in September should have been enough to scare the shirts off the 40,000 people living wholly or partly off the state welfare department, and ten times that many paying taxes.

The tax which in the past brought in more than two and a half million a year for programs for the aged, dependent children, blind, disabled and other programs conducted by the welfare department had been slipping steadily before crashing to the 56% decline in September.

(The compensating tax is the equivalent of the sales tax on goods and services bought outside the state for use in the state.)

Along with it came further declines in the money collected from the liquor and cigarette taxes which combined are practically certain to make trouble in the welfare department and double trouble for the candidates if the situation becomes generally known before the election.

POLITICOS FEAR WELFARE VOTE

The welfare vote made up of those getting money from the welfare department and quite a fringe of others who benefit by having the state look after their relatives has been one of the most feared groups in the state in past campaigns. They've been touted with promises of higher payments, intimidated with threats of loss of assistance if they vote wrong, and assured by one candidate after another that there would be no curtailment of welfare spending.

Candidates on both sides are aware of what is happening to the welfare money but they're trying to hold their breath until November 2 in fear of bringing a storm on their heads by any suggestion of a remedy.

If the situation continues as at present it would mean a large reduction in the payments that go monthly to the welfare clients. The slip in the money is only part of the story. The number qualifying for relief is running 18% ahead and the department has taken on a new load of expenses in operation of the Fort Stanton hospital and El Mirador Home for the Aged.

Present indications are that the legislature will be asked to vote more taxes to feed the department rather than reduce spending by measures adopted in most of the other states. The political parties fear the retaliation that might come from offending the big relief crowd that is bunched mostly in a few northern counties.

There's a similar but not so imminent situation building up in the schools. The sales tax, main support of the schools, has been down every month since April, and in the first three months of the state's business year, July, August and September, was \$35,000 below the months last year.

NERVOUS SESSION FOR CANDIDATES

The most nervous candidates in the Democratic crowd are those with seemingly the least to fear — Congressman John J. Dempsey who has been getting elected to the House every time he tried since 1933, and Justices Jim McGhee and Dan Sadler who have only one opponent for their two places. . . . Johnny Simms, the governor-running Democrat, thinks he's slipping his wheels by participating in candidate tours, prefers to work alone. He will not be seen often on the tour that got under way this week. . . . Republicans have some lone-wolfers too in John Coury going for land commissioner and Gov. Ed Mechem for the Senate. . . . There was a bet offered and not taken in a group discussion at the capitol the other day that Ingram Pickelt would be either the first or second high man on the Democratic ticket. That's quite a change from three years ago when everybody from the chairman down was promising to purge the corporation commissioner from the party because he had thrown in with Republican Commissioner Jason Kellahin in reorganizing the department. . . . Many think that if Pick makes it for another six-year term he will try again for nomination for governor in '58 or '59. No need to resign, you know. . . . Otto Smith, long time Republican county chairman of Curry and still one of the main figures in the party in that Democratic county, is working day and night against Republic.

hidden in the cost of many things we buy.

In contrast to this heavy tax burden, the same man works only 1 hour and 37 minutes to pay for food for his family. He works 1 hour and 24 minutes of each day for housing costs, 36 minutes for clothing, and 42 minutes for transportation.

**NEWS IN BRIEF**

Mr. and Mrs. T. J. Shields received word last week of the arrival of a 7-lb., 5-oz., great-granddaughter, born September 23, 1954, in El Paso. The baby's parents are Mr. and Mrs. Ted Leppert. Mrs. Leppert is a daughter of Mr. and Mrs. Woodrow A. Adams of El Paso.

Mr. and Mrs. A. W. Thompson and son Larry of Amarillo, Tex., are visiting her parents, Mr. and Mrs. Ward Leslie. Mrs. Thompson will be remembered as Callie Leslie, who before her marriage lived in White Oaks.

Mr. and Mrs. Burdette Taylor of Berkeley, Calif., spent Friday evening with their old-time friends, Mr. and Mrs. Ben S. Burns and Mrs. Bell Boyer. The Taylors had been touring and visiting relatives in many states. One place visited was Plano, Ill., the home town of Mr. Taylor, Mr. and Mrs. Burns and Mrs. Boyer.

Mrs. Viola Hegen, who has been visiting at the home of her daughter and son-in-law, Mr. and Mrs. Charles Hodgins, returned to her home in Duncan, Ariz., last Saturday. Mrs. Hegen was accompanied on the trip home by the Hodgins.

Mr. and Mrs. Clarence Shaw and children made a business trip to Roswell on Monday of this week. Tom Babers of San Patricio attended the football game in Carrizozo last Friday evening.

Mrs. Frank Richards is visiting in El Paso.

Mrs. P. M. Shaver was taken to El Paso Wednesday, where she entered Southwestern Hospital.

Donald Roberts is assisting part time at the Shaw Mortuary.

**NOGAL NEWS**

Mr. and Mrs. Marvin Peacock Sr. and Mr. and Mrs. Homer McDaniel left Sunday morning for a two-week trip through Washington and Oregon. While in Oregon, they will visit the Peacock's daughter and family, Mr. and Mrs. Harry Mack.

Mrs. Bertha Williams, sister of "Dodge" LaMay, left for her home in Grant Bend, Kans., Sunday morning. She spent two weeks here.

Maydelle McDaniel and sons of Carrizozo were Friday evening callers at the homes of Homer McDaniel and Ralph Dunlap. Maydelle brought out some gifts from the ladies of the Baptist Church for Wayne Dunlap.

Mr. and Mrs. Ralph Dunlap and family spent Wednesday and Thursday at the State Fair. Wayne and Lois got to talk to Dick Bills Thursday afternoon after his program.

Mr. and Mrs. Henry Feebles also attended the State Fair, where they showed some sheep. They plan to attend the Eastern New Mexico State Fair at Roswell.

George Wandell attended the State Fair.

Mr. and Mrs. Johnson Stearns and family of Vaughn spent the week end with Mrs. Pearl Stearns.

Mr. and Mrs. A. F. Roselle of Carrizozo spent the week end at their place in Nogal.

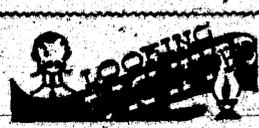

Mrs. Ralph Dunlap and children were supper guests Sunday night at the home of Mr. and Mrs. Wayne Hobbs.

Mrs. Grace Comrey, who is in Albuquerque, is reported to be improving. We all wish her a speedy recovery.

Mrs. A. H. Aguayo went to El Paso Monday morning for a checkup.

Donis Aguayo has taken over the manager's job on the R Bar R Ranch.

Ralph Dunlap and John Chapell went to Albuquerque Sunday afternoon to move the Lincoln County fair booth to the Roswell fair. They returned home Monday evening.

**LINCOLN COUNTY IN BYGONE YEARS**

**20 Years Ago**

(From the files of the Lincoln County News, Oct. 5, 1934.)

Dennis Chavez, candidate for U. S. Senator, and Clyde Tingley, for governor, were to speak in Carrizozo October 11.

T. A. Spencer, director of the county drought relief program, was authorized to buy \$10,000 worth of cattle up to October 15.

Ed (Perchmouth) Stanton went to the electric chair at Huntsville prison in Texas, to pay the penalty for his crimes. Before the end, Stanton told his guards: "Boys, I've been wrong all my life, but I'm right now. Let's go."

Greta Garbo, John Gilbert and Lewis Stone were on the screen at the Lyric Theatre, in "Queen Christina."

Fay Harkey was delegate and L. J. Adams, alternate, to the Odd Fellows Grand Lodge in Clovis.

Melvin Franks of Corona and Larry Gomez of Picacho attended the regular meeting of the County Board of Commissioners.

Clyde Jones of Corona was operated on for appendicitis at the Johnson Hospital.

Reed Dudley has accepted a position as foreman of a wood-cutting job over on the Ruidoso. Carol Hines was to take his place in Rolland's Drug Store.

D. N. (Neil) Bonnell announced his candidacy for county treasurer on the Republican ticket.

Mr. and Mrs. E. S. Corn of Adobe, paid a visit to their daughters, Mmes. Ward and Gray in Carrizozo.

**40 Years Ago**

Rules and regulations were set up for a Lincoln County declamatory contest for high school students. The committee in charge of the contest was Mrs. E. V. Jewett, Miss Donny Franks, Geo. E. Cardwell, S. R. Moss, Miss Beulah Brazel and Miss Bernice Barber.

E. L. Queen, W. F. Jones and M. A. Palmer of White Oaks were in Carrizozo serving as jurors.

Z. D. Ross of Alamogordo was

a visitor at the Sunset Ranch in Picacho.

The Corona high school girls basketball team was the winner over the Carrizozo girls, 20 to 5, in one of the featured athletic events at the Fall Field Day Meet in Carrizozo. The next day the Corona girls won from Tularosa, 49 to 12.

An editorial in the News describing events of World War I, stated: "Russia is the real danger in the world. Her countless millions are sweeping southward and eastward, relentless in their determination to wipe from the list of powers both Germany and Austria-Hungary, and take other lands now far beyond their borders. They are on their way to southern seas."

A. E. Evans of the Yellow Jacket Mine suffered a severe injury to his hand when a charge of dynamite prematurely exploded in a hole he was preparing to spring with a short fuse.

Dr. R. E. Blaney returned from a three-day business trip to Tularosa.

CARRIZOZO

**You Can be a Riley, too!**

You remember Riley, the man everybody wanted to live the life of. Well, his idyllic life couldn't even teach the luxurious comfort that's all yours when you're in a modern Pullman room on an S.P. Streamliner!  
You have all the space you need, to rest and relax. You have all the privacy you want, plus room service if you wish. You have your own individually-controlled air conditioning. You have one of those wonderful full-length Pullman beds, with clean sheets every night. You have your own private toilet facilities. You have all the attentive services of a top-flight hotel.  
If you want company, you can stroll off to the Lounge Car for games, refreshment and the stimulating conversation of congenial people. And the food in the Dining Car? Riley never had it so good!  
Next time you travel, try the regal comfort of a Pullman room—roomette, bedroom, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve in advance.  
**FREIGHT GETS EXCELLENT TREATMENT, TOO.** We wouldn't go so far as to say that your freight will live the life of Riley when you ship via S.P., but we do say your merchandise will get careful, dependable and fast handling. We have more miles of fine serving more Western cities and towns than any other railroad. So if you want your freight treated right—whether enland or I.C.I.—call our nearest agent.

### Future Homemakers Hold Tin Can Breakfast At Old CC Camp

The Future Homemakers of America held a Tin Can Breakfast last Thursday at the old CC Campsite. Thirty-two girls met at the home economics department at 4:30 a.m., and walked to the site.

They were accompanied by Miss Garde, chapter advisor, and Mrs. Glenn King and Mrs. Glenn Bradley, chapter mothers. The menu consisted of juice, coffee, cocoa, toast and bacon and eggs, which the girls cooked on top of tin cans.

On the food committee were Vivian Craig, Marina Marquez, Carmen Vidauri and Joan Tilch. On the recreation committee were Frances Vega and Glenda Sue King.

The following girls were elected at a meeting last week: President, Lucy Pacheco; Vice-President, Carmen Vidauri; Secretary, Paula Flores; Treasurer, Jane Zumwalt; Parliamentarian, Glenda Sue King; Historian, Frances Vega; Song Leader, Antonia Pacheco; Student Council Representative, Maxie King; Chapter Mothers — Mrs. Glenn King and Mrs. Glen Bradley.

Courts would hold that the expense of operating this water facility has been and is an expense of the entire railroad system.

"It is also my opinion that under a proper proceeding the Courts will deny the right of the railroad or its successor in title of the right to divert any of the waters of the Bonita Reservoir until after the people and the community of Carrizozo has been given sufficient water for its needs and for its continued growth and development.

It is my understanding that the Southern Pacific Company, the City of Alamogordo, and the Board of Trustees of the Village of Carrizozo have entered into an agreement whereby the Southern Pacific agrees to sell its Bonita Reservoir, pipelines and so forth, including the water right to the City of Alamogordo, leaving however, certain water for its own use and 115,000 gallons of water per day for sale to the Village of Carrizozo.

This contract, if permitted to stand by the Courts, will effectively limit Carrizozo to 115,000 gallons per day for all time. Unless it can find water elsewhere, its future growth is completely stopped and property values will be much depreciated. The amount of water which Carrizozo could receive under the agreement amounts to only approximately 75 gallons per person per day of the present population. According to the engineers employed by Alamogordo, this city is using approximately 150 gallons per capita per day, or double the amount that they are allotting for Carrizozo.

**OFF TAX ROLLS**  
"If this water facility is sold to the City of Alamogordo, the dam, pipelines and so forth will no longer be subject to taxation and this will work a tremendous hardship on the people of Lincoln County by removing from the tax rolls a very substantial amount of its taxable property. I feel that if this is brought to the attention of the County Commissioners of Lincoln County, that they will also resist the removal of this water to another area where it will develop taxable wealth for an adjoining county.

"A suit has been filed by the waterusers in the Pecos Valley to enjoin any further use of the waters of the Bonita by the railroad on the theory that it has been abandoned by the railroad. If, in fact, the uses for which the permit was originally granted no longer exists, then there might be such an abandonment as would cause the water to revert to the public. I feel, however, that inasmuch as one of the purposes for which the Court permitted the water to be diverted was the use and development of the community of Carrizozo and other communities, that there has then been no abandonment so long as Carrizozo needs and continues to use the water."

### MORE ON BONITO

progress of that suit know that the actual work, strategy and so forth was done by Mr. Hawkins and at that time I was assisting him in the matter.

"Upon final hearing in June, 1934, Judge Frenger, District judge, entered his final decree granting the right of the railroad to divert and use up to five cubic feet of water per second of time for railroad uses and for use of the communities along the railroad from Carrizozo east. The Court has found as true all of the allegations of the complaint, among which was an allegation or conclusion of law to the effect that it was necessary to divert this water to Carrizozo in order that the railroad could have water for its engines and the people of Carrizozo and points east could have water for their use and development and the Court found that this water had been diverted by the railroad and had been used by the people and communities of Carrizozo and east along the line of the railroad for many years under a belief that they could and would have water for their use and development and that it would be unjust to deprive them of the water.

### WATER SHORTAGE

"It is my understanding that for many years there has been a shortage of water for use of Carrizozo and a threatened rationing so that the people have not had the full and free use of the water they have needed for their domestic usages and for development of their communities.

"It is my opinion that the railroad cannot now after all these years refuse to furnish water to the people of Carrizozo and that the railroad, now that it no longer uses the water for its engines, cannot divert that water to other areas and thereby deprive Carrizozo and the communities along the railroad of sufficient water for their future development.

"It is my understanding that the railroad has entered into a contract with other sources and other parties to sell its rights in and to Bonita Dam in order that the water may be diverted to other points 60 to 75 miles south and west of Carrizozo.

"Undoubtedly the railroad has been losing money for many years in the operation of this water facility, if you consider only the revenue derived from the water in Lincoln County, but without this water during the past 47 years, there would have been no railroad and there would have been no communities such as Carrizozo along the railroad and I feel that the

## TULAROSA WINS EXCITING GAME

The Tularosa Wildcats scored in every quarter to take a fast and interesting football game from the Carrizozo Grizzlies last Friday, 27 to 12.

The game was played under lights and the new bleachers installed by the Lions Club were well filled. It was the largest crowd to see a local game in recent years.

Tularosa brought its fine school band and led by Drum Major Dina Sullivan entertained at half time. The Carrizozo band played during the game and entertained on the field after the game.

John Voight called the game play by play over the loud speaker installed in the press box on the west bleacher.

The two teams were well matched, the difference being Tularosa's striking power in the air. They completed 7 passes out of a total of 11 attempts for 149 yards. The Grizzlies completed 3 out of 11 for 35 yards.

Tularosa was credited with 12 first downs against 11 for Carrizozo and had a slight edge in rushing, 170 yards to 148.

### TULAROSA KICKS OFF

Max Salcedo kicked off and Tom Barnett returned from the Grizzly 5 to his 25-yd. line. The Wildcats held for three downs and Zozo was forced to punt. The kicking was blocked, Tularosa recovering on the Grizzly 5-yard line. Tularosa fumbled and the Grizzlies recovered on their own 1-yd. line. A punt was returned by Gerald Marr to the Zozo 10-yd. stripe. Salcedo's pass to Shelby Bryant, end, was completed on six around right end and Mike Velarde, fullback, went over for a touchdown. Salcedo's extra kick was good for the touch point. Tularosa 7, Carrizozo 0.

Salcedo's kickoff was returned by Tingo Gallegos to the Zozo 25-yd. line. Tularosa again

## CAPITAN LOSES TO RUIDOSO, 13-0

Fighting hard to stay in the running for another district 3-C title, the Capitan Tigers lost to the Ruidoso Warriors, 13 to 0 in a game Friday night on the Tiger field.

It was the first football game ever played in Capitan under lights and a record crowd saw the contest.

Ruidoso scored early in the first quarter when Billy Glascock swept around right end for 55 yards and a touchdown. He added the extra point on a run into the end zone.

A break in the third period enabled Ruidoso to score again. A bad pass from center eluded the Tiger punter and rolled 25 yards into the end zone where Earl Allison recovered for the Warriors.

held and Leroy Nowell kicked out to the Tule 37. Gerald Marr made 2 and Salcedo's pass was intercepted by Robert Vega on the Zozo 40. He returned it 8 yards. A 15-yd. penalty set the Grizzlies back to their 36. Nowell made a first down around right end to midfield. Leroy Sidwell picked up 6 and another 5 for first down as the quarter ended. Sidwell in three carries made another first down. A Grizzly fumble was recovered by Tularosa. Carrizozo held and a bad pass from center got away from the kicker and Sidwell recovered for the Grizzlies in the end zone for a touchdown. The try for point was no good. Score: Tularosa 7, Carrizozo 0.

Palomarez kicked off and Salcedo returned to the Tule 30. The Wildcats were forced to punt and Gallegos returned 20 yards to the Tule 40. A pass, Vega to Gallegos was good for 15 yards and a first down. Another pass, Vega to Sammy Steadham was good for a touchdown but the play was called back and Carrizozo penalized 15. Tularosa took over the ball on downs. Velarde circled left end for 50 yards to the Grizzly 32. A pass, Salcedo to Bryant was good for 30 yards and Salcedo went over on the next play for a Wildcat score. Salcedo kicked goal and the half time score stood Tularosa 14, Carrizozo 0.

### SECOND HALF

Tularosa opened up with a

## County Wool Growers Win State Fair Awards

Among those winning honors at the New Mexico State Fair were the following well known sheep raisers:

Fine Wool, 80s — Joe Skeen, Picacho; R. C. Nunez & Sons, Picacho.

½, 60/62s — M. Vicente Ranch, Vaughn; Burgette Bros., Vaughn; Fuller Ranch, Picacho.

½, 50/58s — M. Vicente Ranch; J. P. McKnight, Picacho; Fuller Ranch; Clyde Marley, Roswell.

Jr. ¾ Blood Pleece — Douglas McKnight, Picacho; Penny McKnight, Picacho.

## Veteran SP Conductor Retires from Service

W. P. Dolan, veteran conductor for the Southern Pacific, made his final run Thursday on the Dawson branch to French, New Mexico. He has retired from railroading after working for the Southern Pacific since 1913. Before that he worked 11 years with the Union Pacific.

Mr. Dolan was on the Dawson run for three years when he first came to Tucumcari and returned to it in July of last year.

Born at Columbus, Neb., Mr. Dolan moved to Carrizozo in 1913 and to Tucumcari in 1934. He has three children and nine grandchildren. His hobbies are horse racing, hunting and fishing.

He celebrated his birthday on Monday in Santa Fe at the home of his son, John Dolan.

passing attack, a long heave Salcedo to Bryant putting the Wildcats on the Grizzly 7-yard line. After two tries at the line and a 5-yd. penalty on Carrizozo, Marr ran right end for a touchdown. Again Salcedo's toe added the extra point. Score, Tularosa 21, Carrizozo 6.

Salcedo's kickoff was returned 30 yards by Gallegos to the Grizzly 35. Sidwell broke through the left side of the Tularosa line for a 23-yd. gallop. Vega went over right guard for 7 and Sidwell gained 6 for a first down. Gallegos made up 6, Sidwell 3 and Vega made it another 1st down. Nowell circled left end for 25 yards and a Grizzly touchdown. Barnett's pass for extra point was incomplete and the score stood Tularosa 21, Carrizozo 12.

Marr intercepted a Vega pass stopping a Grizzly scoring threat on the Tule 22. Velarde and Marr alternated in making two first downs, but a Tule fumble was recovered by Carrizozo and Nowell punted to Salcedo who returned to the Zozo 37. A pass, Velarde to Fairbank again put the Wildcats in scoring position. Marr made the touchdown. Salcedo was unable to get set for the conversion kick and Marr's run with the ball was short of the goal line.

Following Salcedo's kickoff, the Grizzlies opened up with a passing attack, making one first down until Tularosa took over the ball and the game ended around midfield.

## ANDRE TOWN

John Boylan, curator of the Old Lincoln County Courthouse, attended the youth advisory institute in Carrizozo Tuesday.

Dinmitt Bond, well-known ranchman of the Ancho country, was in Carrizozo Tuesday.

Leo Powell and Lee Anderson of Capitan were Carrizozo business visitors the first of the week.

Mr. and Mrs. R. I. Brown have returned to Portland, Ore., after a two week visit with Mr. Brown's son, F. O. Brown, and Mrs. Brown.

Supt. L. W. Clark attended the youth advisory committee institute meeting at the courthouse in Carrizozo Tuesday.

Joe Sears of the Joe Sears Travel Bureau of Santa Barbara, Calif., was a visitor in Carrizozo this week. This is the first visit he has made here since 1908. He was accompanied by Mr. and Mrs. J. L. Jones and his aunt, Mrs. Carl Sears, all of Albuquerque.

Mr. and Mrs. Glenn Rhea of Great Bend, Kans., were recent visitors of Mr. and Mrs. F. O. Brown.

Mr. and Mrs. Leroy McKnight and daughter were in Carrizozo Tuesday.

Henry Romero, oil timer of Capitan, was visiting in Carrizozo the first of the week.

Mr. and Mrs. Bryson Lacy and baby daughter of the Bingham community were trading in Carrizozo Tuesday.

Mrs. Margaret Bigger of Capitan was a Carrizozo visitor on Monday.

Julian Herrera of Capitan was in Carrizozo Tuesday.

GEORGE FUCHS**

Republican Candidate for County Commissioner OF LINCOLN COUNTY District 3

**RE-ELECT  
JAMES EARL HARCROW**

REPUBLICAN CANDIDATE — for — COUNTY CLERK OF LINCOLN COUNTY  
I Stand on My Record of Courteous, Efficient Service to All

**Uranium Hunters Create New Problem For State's Cattlemen**

Uranium prospecting in every corner of the state is creating a new problem for the livestock industry, according to Sherwood Culberson of Lordsburg, president of the New Mexico Cattle Growers' Association.

"Amateur, as well as experienced prospectors, have been invading the ranch country in unprecedented numbers in recent months—using every type of transportation from burro to airplane," Culberson reported, "and ranch owners have been finding it difficult to keep track of those entering their lands."

"We feel that we are completely justified in asking prospectors to contact ranch owners' headquarters, to determine the ownership status of lands in which they are trespassing, and to keep gates shut, prevent grass fires, avoid molesting livestock and to follow other simple courtesies while prospecting on public lands," Culberson said.

**County Officers Aid in Vaughn Inquiry**

Sheriff Glen Bradley and State Patrolman Eddie Apodaca were in Vaughn last week in connection with the unsolved slaying last month of a White Sands Proving Grounds private.

Three were being held for questioning in Vaughn, one who gave his address as El Paso and two youths from Duran.

The three were arrested near Vaughn after, it is alleged, they fired on a passing car after it failed to heed a signal from some one to stop.

Albere Esparza, a 31-year-old older, and his two sons, Leroy B and Eddy B, were wounded by the four shots fired at their car.

**MASKED MAN RETREATS FROM POSSIBLE HOLDUP**

An Associated Press dispatch from Vaughn last Friday reported an attempted robbery of the home of A. E. Huntsinger, shortly before midnight. A barking dog attracted Mrs. Huntsinger's attention and she turned on the porch light and opened the door slightly. Seeing a masked man holding a gun, she slammed the door and called police. The gunman retreated and is being sought by police.

**Pvt. Elesco B. Sanchez Leaving East for Hawaii**

25th Division, Korea — Army Pvt. Elesco B. Sanchez, son of Mrs. Estefanita Sanchez of Ruidoso, was recently transferred from the 3rd Division to the 25th Infantry Division, which is leaving Korea for Schofield Barracks, Hawaii.

The 25th "Tropic Lightning" Division, which saw more combat in Korea than any other American unit, arrived on the peninsula in July 1950, shortly after the Communist invasion.

Private Sanchez entered the Army in May 1953.

Hotel guest: "These flowers are for your telephone girls."  
Hotel manager: "Thanks for the lovely compliment for our service."  
Hotel guest: "Compliment nothing. I thought they were all dead."

She Respectfully Solicits Your Vote, Support and Influence

**Civil Service to Give Examination for Clerk**

A new clerk examination for Grades GS-1, 2 and 3 has been announced by the Tenth U. S. Civil Service Region for filling positions in various Federal agencies in the State of New Mexico. Positions pay from \$2500 to \$2950 a year.

To qualify applicants must pass a written examination and, in addition, for the GS-3 grade, applicants must have had one year of general office clerical experience, or successfully completed one year of study in a school above high school level.

Copies of the announcement, sample test questions, and the necessary application forms may be obtained at any one of the Commission's examination or information points, or from the Regional Office at the Denver Federal Center.

Applications should be filed at the Office of the Director, Tenth U. S. Civil Service Region, Building 41, Denver Federal Center, Denver, Colo., and will be received in that office until further notice.

THE STATE OF NEW MEXICO TO: Each of the above named defendants, against whom substituted service is hereby sought to be obtained, GREETING: You and each of you are hereby notified that the above named Plaintiff has filed her Complaint against you in the above numbered and entitled case and Court.

The general object of said suit is to quiet Plaintiff's title to the real estate described in the Complaint, situated in Lincoln County, New Mexico, and being Lots 1, 2, 3, 4, 5, 7, 8, 9, 10, 12, 13, 14, 15 and 16, Block 2, Townsite of Corona, New Mexico, against the adverse claims of you and each of you, and anyone claiming by, under or through you, and to forever bar and estop you from having or claiming any lien upon, or right or title to said real estate.

Unless you enter your appearance in said cause on or before the 8th day of November, 1954, judgment will be rendered in said cause against you and each of you by default.

Plaintiff's attorneys are BRENTON & BOYCE, Carrizozo, New Mexico.

GIVEN under my hand and the seal of the Third Judicial District Court of the State of New Mexico, this 17th day of September, 1954.

**GRAN QUIVIRA TRAVEL STILL ON UPGRADE**

Visitor travel to Gran Quivira National Monument for the month of September totaled 676 persons, bringing the year's total to 4787, an increase of 26% over last year's figure, according to Channing T. Howell, Supt.

The Albuquerque Sports Car Club, a group of 40 people in a dozen sports cars, visited the Monument the last Sunday in September. They participated in the guided tour of the Spanish missions, Indian ruins, the artifacts displayed in the Museum and enjoyed a picnic in the camp grounds.

**AUBREY MELTON VISITS HERE**

Aubrey Melton, formerly a rancher in the Corona area, now of Delta, Colo., has been visiting in Lincoln and Otero counties for a week. His parents, Mr. and Mrs. P. M. Melton, live in Tularosa.

**LEGAL NOTICE**

**STATE BOND ISSUE PROPOSAL**  
Santa Fe, N. M. Oct. 1, 1954  
CHAPTER 159, LAWS OF 1953  
TWENTY-FIRST LEGISLATURE  
STATE OF NEW MEXICO  
SENATE BILL No. 278  
AN ACT  
AUTHORIZING THE ISSUANCE AND SALE OF STATE BUILDING AND STATE INSTITUTION BONDS—SERIES 1955; IN THE SUM OF FOUR AND ONE-HALF MILLION DOLLARS (\$4,500,000) TO PROVIDE FUNDS FOR ACQUIRING, ERECTING, IMPROVING, CONSTRUCTING, REMODELING AND EQUIPPING BUILDINGS OF THE STATE, STATE AGENCIES, STATE DEPARTMENTS AND STATE INSTITUTIONS, BUT NOT INCLUDING POLITICAL SUBDIVISIONS OF THE STATE; PROVIDING A TAX LEVY FOR PAYMENT OF INTEREST AND PRINCIPAL OF SAID BONDS; PROVIDING FOR SUBMISSION TO QUALIFIED ELECTORS OF THE STATE AT THE NEXT GENERAL ELECTION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO: Section 1. For the purpose of providing funds for acquiring, erecting, improving, constructing, remodeling, and equipping buildings of the State, State Agencies, State Departments and State Institutions, but not including political subdivisions of the State, and indebtedness of the State of New Mexico is hereby authorized in the sum of four and one-half million dollars (\$4,500,000).

Section 2. The State Treasurer shall prepare negotiable serial bonds of the State of New Mexico, to be known as "State Building and State Institution Bonds—Series 1955" in denominations as the Governor shall determine, and to be dated January 1st or July 1st of the year in which they are issued. Said bonds shall bear interest at the rate of not to exceed four per centum (4%) per annum, payable semi-annually on the first day of July and the first day of January of each year. Payment on the principal of said bonds shall begin not more than three (3) years after the date of their issue and they shall mature thereafter in substantially equal annual installments in such a manner that all of said bonds shall mature not later than twenty (20) years after the date of their issue. Both principal and interest shall be payable in lawful money of the United States at the office of the State Treasurer in the City of Santa Fe, State of New Mexico, or at such other place as may be designated in said bonds. Said bonds shall be signed by the Governor, attested by the Secretary of State under the seal of the State and countersigned by the State Treasurer; and the full faith and credit of the State of New Mexico is hereby pledged for the prompt payment at maturity of the principal and interest of all of said bonds which may be issued and sold as provided in this act.

Section 3. The proceeds from the sale of said bonds shall be expended solely for acquiring, improving, constructing and equipping state owned and institutional buildings as shall be determined by the State Board of Finance; provided that none of said proceeds shall be expended or allocated until after any report of any survey board or commission created by the Legislature or appointed by the Governor for the purpose of making a survey of needs of various state agencies, departments and institutions, shall have been made and considered. The proceeds from the sale of said bonds shall remain in the hands of the State Treasurer until requisitioned by boards of the respective institutions in amounts approved by the State Board of Finance.

Section 4. The principal of said bonds shall be payable to bearer, or if registered as in this act provided, to the registered holder, as the same becomes

due. Interest coupons payable to bearer shall be attached to each of said bonds and shall be consecutively numbered specifying the number of the bond to which they are attached. Said coupons shall bear the engraved or lithographed facsimile of the signature of the State Treasurer in office at the time said bonds and coupons are prepared and ordered to be engraved or lithographed and such coupons shall be valid obligations of the state notwithstanding that the person whose signature appears thereon may have ceased to be such treasurer when such bonds are issued and sold and said bonds, when duly signed, attested, countersigned, issued and sold as in this act provided shall be valid obligations of the State although they may be issued and sold after the person so signing, attesting and countersigning the same shall have ceased to be the incumbents of their respective offices and although the State Treasurer countersigning said bonds be a different person than the person whose facsimile signature appears on the coupons.

Section 5. The bonds authorized under this act shall be sold by the State Board of Finance at such times and in such manner and amounts as said Board may elect, to the highest bidder for cash at not less than par and accrued interest to date of sale. The State Board of Finance shall publish a notice of the time and place of sale in a newspaper of general circulation in the State of New Mexico and also in a recognized financial journal outside of the State of New Mexico. Such publication shall be made once each week for two consecutive weeks next prior to the date fixed for such sale, the last publication thereof to be at least ten days prior to the date of sale. Such notice shall specify the amount, denomination, maturity and description of the bonds to be offered for sale and the place, day and hour at which sealed bids therefor shall be received. At the time and place specified in such notice the State Board of Finance shall open the bids in public and shall award the bonds, or any part thereof, to the bidder or bidders offering the highest price therefor. No bid shall be accepted which is less than the par value of such bonds plus the interest accrued from the last preceding interest date to the date of sale. Before delivering any bonds sold the State Treasurer shall detach therefrom and cancel all interest coupons which may have matured prior to the date of sale. The said Board may reject any or all bids and re-advertise. The said Board may, at any time, sell the said bonds, or any part thereof, to the State Treasurer at private sale at not more than four (4%) per cent interest. The State Treasurer is authorized to purchase any of such bonds with the permanent funds in his hands for investment at any time. The said bonds shall be legal investment for any person or board charged with the investment of any public funds and may be accepted as security for any deposit of public money.

Section 6. The State Auditor shall make a record in the book kept for that purpose in which shall be entered the date, number and amount of each bond sold and the amount for which the same was sold. Any of said bonds sold may be registered by the State Treasurer upon presentation of said bonds and may be at the request and in the name of the holder thereof in a book kept registered as to principal only, or as to both principal and interest, in which latter case all interest coupons attached to such bond shall be detached and cancelled. The certificate of such registration with the date thereof shall be endorsed by the State Treasurer on each bond so registered.

Section 7. The expenses incurred by the State Board of Finance in the preparation and sale of said bonds shall be paid out of the proceeds from the sale of said bonds.

Section 8. To provide for the payment of the interest and principal of the bonds issued and sold pursuant to the provisions of this Act there shall be and there is hereby imposed and levied during each year in which any of said bonds shall be outstanding an ad valorem tax on all property in the State of New Mexico subject to taxation for State purposes sufficient to produce an amount equal to one year's interest on all bonds then outstanding, together with an amount sufficient to pay the principal of all bonds as they mature. The taxes hereby authorized, imposed and levied shall be levied, assessed and collected at the times and in the manner that other taxes for state purposes are levied, assessed and collected, and it shall be the duty of all tax officials and authorities to cause such taxes to be levied, assessed and collected.

Section 9. The State Treasurer shall keep separate accounts of all monies collected under the taxes hereby imposed and levied, and shall use the same only for the purpose of paying the interest and principal of said bonds as the same becomes due.

Section 10. Any holder of any of the bonds issued pursuant to the provisions of this act, or any person or officer being a party in interest, may either at law or in equity, by suit, action or by mandamus, enforce and compel the performance of the duties required by this act of any officer or person herein mentioned. The provisions of this act shall constitute an irrevocable contract with the holders of any of the bonds and the coupons thereof issued pursuant to this act for the faithful performance of which the full faith and credit of the State of New Mexico is hereby pledged. This act shall without reference to any other act of the Legislature of the State of New Mexico be full authority for the issuance and sale of the bonds hereby authorized, which bonds and the coupons attached thereto shall have all the qualities of negotiable paper under the law merchant and shall not be invalid for any irregularity or defect in the proceedings for the issue and sale thereof and shall be incontestable in the hands of bona fide purchasers or holders thereof for value. All bonds issued under the provisions of this act shall be exempt from taxation.

Section 11. This act shall be submitted to the qualified electors of this state at the general election to be held in November, 1954, and if it shall receive a majority of the votes cast thereon at said election, it shall take effect upon certification of the State Canvassing Board announcing the results of such election; provided that no bond shall be issued or sold under this act until the qualified electors of this state shall have voted upon and ratified this act at the general election in 1954, as herein provided. All ballots at said general election shall have printed thereon and in a square thereof, the words "For the Act of 1953 authorizing the issuance and sale of State Building and State Institution Bonds—Series 1955" and in the same square under said words, the following, in briefer type: "This act provides for the issuance and sale of State Building and State Institution Bonds in the sum of four and one-half million dollars (\$4,500,000) to provide funds for acquiring, erecting, improving, constructing, remodeling and equipping buildings of the State, State Agencies, State Departments and State Institutions, but not including political subdivisions of the State, and provides for a tax levy for payments of interest and principal of said bonds". In the square immediately below such words, there shall be printed on said ballots the words: "Against the Act of 1953, authorizing the issuance and sale of State Building and State Institution Bonds—Series 1955," and in the same square, immediately below said words, in briefer type, shall be printed: "This act provides for the issuance and sale of State Building and State Institution Bonds—Series 1955 in the sum of four and one-half million dollars (\$4,500,000) to provide funds for acquiring, erecting, improving, constructing, remodeling and equipping buildings of the State, State Agencies, State Departments and State Institutions, but not including political subdivisions of the State, and provides for a tax levy for payment of the interest and principal of said bonds." Opposite the words "For the Act of 1953 authorizing the issuance and sale of State Building and State Institution Bonds—Series 1955" and "Against the Act of 1953 authorizing the issuance and sale of State Building and State Institution Bonds—Series 1955" there shall be left a space in which the voters may place a cross in the manner required by law to indicate whether for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the Act of 1953 authorizing the issuance and sale of State Building and State Institution Bonds—Series 1955" and those voting against the Act shall do so by placing a cross opposite the words "Against the Act of 1953 authorizing the issuance and sale of State Building and State Institution Bonds—Series 1955". The Governor of this State shall include the submission of this Act to the people as aforesaid in his proclamation calling for said general election. The Secretary of State shall cause this act to be published in full in at least one newspaper in each county of the State, if one be published therein, once each week, for four successive weeks next preceding such election; as required by the Constitution of New Mexico.

The foregoing is hereby certified to be a true and correct copy of Senate Bill No. 278, enacted by the 21st Legislature of the State of New Mexico and approved by Governor Edwin L. McMane as of March 30, 1953, for submission to the voters at the General Election to be held November 2, 1954.

KEATRICK S. BOACH, (SEAL) Secretary of State, Publ. Oct. 8, 15, 22, 29, 1954.

## Corona Waterusers To Meet SP Officials

The Corona Waterusers Association held a meeting of the citizens of the village Monday evening and a committee was appointed, as follows: Mayor G. C. Brown, I. H. Burgess, J. C. Lenhart, Kenneth Knight and Ben Roberts.

This committee will meet with the Southern Pacific Railway officials from San Francisco on Tuesday, Oct. 12, at Corona, to discuss the town's water situation.

Joanne Atkinson and Vernon Wade from the Senior class; Gilbert Bryan from the Junior class; Billy Bryan, Sophomore class, and Harrell Fuller, Freshman class, accompanied by high school principal, I. H. Burgess, attended the youth meeting in Carrizozo on Tuesday.

Mr. and Mrs. Bill Keelin announce the arrival of a new grandson, James Andrew, born September 27. His parents are Mr. and Mrs. Alvie Keelin of Alamogordo.

Mr. and Mrs. Ernest Lueras of Corona have a new son born one day last week.

Mr. and Mrs. Glen Gustin of Estancia were business visitors in Corona Tuesday. They stopped for a short visit with Mrs. Gustin's nephew, Albert Mulkey.

Bill Mays is now working as mechanic for the Corona Motor Company.

Larry Sharp, son of Mr. and Mrs. R. L. Sharp of Corona, is attending Adams State College at Alamosa, Colo. Larry is a 1954 graduate of Corona High School and entered Adams State on a football scholarship.

## News from EPNG Compressor Station

Mr. and Mrs. Frank Gallo of Farmington were here Saturday, visiting and looking the plant over. Mr. Gallo is our division plant superintendent.

Little Chris Gibbons spent Monday night in Carrizozo hospital, but is all right now.

Jo Ann Karger was elected princess of the Junior class of Corona High School, to take part in homecoming activities next week end.

W. C. Turner and C. L. DeLoe are in Farmington on company business this week.

## Corona's Cardinals Unscored on to Date

The Corona Cardinals won their fourth game of football last Friday, defeating Melrose 13 to 0. As yet the Cardinals' goal line has not been crossed. Their record to date is:

Mountainair	38-0
Vaughn	20-0
Estancia	20-0
Melrose	13-0

A large number of fans accompanied the Corona team to Melrose and as many or more are expected to be present at the game this Friday in Capitan.

## HOME COMING GAME OCT. 15 WITH CARRIZOZO

Corona's homecoming football game will be Friday, Oct. 15, when Carrizozo comes to Corona. The crowning of a queen will follow the game.

Candidates for queen are Joanne Atkinson, Helen Winchester and Patsy Grow.

Princesses will be Jo Ann Karger of the Junior class; Jean Cape of the Sophomore class and Kathy McCord of the Freshmen.

Charles Babb, son of Mrs. Noble Snodgrass of Corona, is another 1954 graduate of Corona High School. He is in training with the Air Cadets at San Antonio, Texas.

Miss Dixie Carr is attending New Mexico State University in Albuquerque. She is also a 1954 graduate from Corona. Her parents are Mr. and Mrs. Lloyd Carr of Las Cruces. The Carrs formerly lived in Corona.

## HOSPITAL NOTES

**ADMISSIONS:** Mrs. Maggie Bradford, Mrs. Elsworth Petree, Mrs. Hattie Harcrow and Mrs. Monroe Howard, Capitan; Christine Gibbons, Corona; Mrs. P. M. Shaver, Mattie Navarro and Mrs. Bertha Martinez, Carrizozo; Della Benavidez, Hondo; Mrs. Thomas Pineda, Picacho; Mrs. L. A. James, Roswell, and Ed die Fitzpatrick of Nogal.

**DISMISSALS:** Guy Warden, Mrs. R. C. Withers, C. F. Cook, Augustino Salazar, Ella Barrels, Maglio Chavez, Emily Ann King, Rosa Chavez, Bobby Powell and Mary Alice King. Mrs. P. M. Shaver, Mrs. Thomas Pineda, Mattie Navarro, Mrs. Elsworth Petree, Bertha Martinez, Mrs. Monroe Howard, Della Benavidez and Christine Gibbons.

**BIRTHS:** Born to Mr. and Mrs. Thomas Pineda, of Picacho, a daughter, at 10:07 p.m., October 1, 1954, weighing 7 lbs., 4 ozs. Born to Mr. and Mrs. Arturo Martinez, a son, at 1:10 a.m., October 3, 1954, weighing 5 lbs., 7 ozs.

## Notice to Hunters!

The Cronshaw Ranch is all patented land and is fenced and posted — from White Oaks to a point eight miles east, not including Forest. All mineral rights belong to the owners and no uranium hunters or trespassing is allowed. Our Ranch has been for years legally advertised against trespassing. Oct. 8-3th

## Layman's Sunday at Corona Baptist Church

The Corona Baptist Church will observe Laymen's Day in the church Sunday, Oct. 10. J. C. Shaw, principal of Cedarvale school, will bring the morning message, and Everett Dame, shop teacher in Corona High School, will direct the choir. All men are urged to be present for this service. The pastor, Rev. Roy Bowen, will bring the evening message.

## ANCHO BRIEFS

Mr. and Mrs. Lee Straley returned from their honeymoon trip last Monday. They visited points of interest in northern New Mexico and Colorado. They are making their home at the Straley Ranch and Dorothy is working in the insurance office of her father, J. G. Moore, in Carrizozo.

Mrs. Howard Harkey was honored with a pink and blue shower Wednesday, Sept. 29, at the home of Mrs. Bryan Hightower. Fifteen well wishers were there. The decoration theme was miniature clotheslines and the gifts were presented in a wash tub. Several interesting games were played, with Nancy Knight finding the most safety pins in a hide-and-seek contest. After the many useful gifts were opened refreshments of cookies and pink lemonade were served.

Mr. and Mrs. Walt Wilson took in the Eastern New Mexico State Fair in Roswell on Tuesday and Wednesday.

Jo Ann Straley from Eastern New Mexico University and Jim Miller from Las Cruces were home over the week end.

Everyone is happy to see Mr. Rinsinger back on duty after being ill for so long. Rev. Markham will be in Ancho for church service Sunday morning.

Mr. and Mrs. Wayman Lightfoot and children and Mr. and Mrs. Djele from Corona and the EPNG station, were visiting in the Ancho vicinity Sunday.

Mr. and Mrs. Walt Wilson returned from Las Cruces and Phoenix last Wednesday, and Ruth's mother, Mrs. Dishroon, returned with them for a short visit.

Mr. and Mrs. Gene Dishroon and boys and Dr. Ayles from Las Cruces visited Mr. and Mrs. Walt Wilson Sunday and Mrs. Dishroon returned with them. They enjoyed a picnic in the Searillas on Sunday.

## COURT HOUSE NEWS

**DIVORCES GRANTED**  
Final decrees of divorce were awarded in District Court Monday to the following:

To Miriam B. Contreras from Lorenzo Contreras. Her maiden name of Miriam B. Davis was restored by court order.

To Mary Sedillo Zamora from Eddie M. Zamora. Mrs. Zamora awarded custody of six minor children.

To Opal C. Latham from Will H. Latham.

To Kenneth Clabourne Means from Vera Alice Means.

**JUVENILES PROCESSED**  
Nineteen juveniles were processed in juvenile court during the month of September. Three girls were sent to the Welfare School for Girls in Albuquerque. One boy was made a ward of the court and was released to the probation department in El Paso.

## ABOUT PEOPLE

Mr. and Mrs. Frank Maxwell of Claunch were in Carrizozo on Tuesday. Mrs. Maxwell was treated for a sprained ankle.

Capt. and Mrs. John Fuller of El Paso attended the youth advisory institute Tuesday. Capt. Fuller, who is chief probation officer in the Texas city, spoke at the panel discussion on "Juvenile Problems."

Recent visitors in the Joe West home were his four sisters, Mrs. Emma Lucas of Phoenix, Mrs. Bernice Haynes of Alamogordo, Mrs. Meda C. Haley of Albuquerque and Mrs. Hettie Runnels of Mercedes, Texas. His brother, Guy West, of Alamogordo; two cousins, Robert and Earl West of Tularosa, and a niece, Mrs. Thelma Payne of Mercedes.

Mr. and Mrs. Joe G. West of Tularosa spent the week end with their parents, Mr. and Mrs. Joe West.

Mr. and Mrs. Hubert Walker and daughter were visiting relatives and friends in Capitan and Carrizozo over the week end. They are temporarily located in Amarillo, but plan to move to El Paso for the winter where Hubert will work at the printing trade.

Fred Engilash, Sally Ortiz, L. Z. Manire, Joe Sargent, Welcoim Armstrong and Glen Bradley attended a Lions Club zone meeting in Ruidoso Tuesday night.

## "Night Traffic Hazard" Is Oct. Safety Theme

The operation theme for the Lincoln County Safety Council during the month of October is "Night Traffic Hazard," according to Jack Aldrich, chairman of the Council's publicity committee.

So far this year, he says, the grim reaper has taken a toll from our highways here in New Mexico of 267 lives, and "we are starting in on our fall and winter months when the nights are longer. With the extra hours of darkness, death will be riding our highways to a much greater extent."

"Speed and ice, snow, fog, rain and slippery highways in the winter months require slower driving at night." Calling attention to the maximum speed limit in our state being 55 mph for night driving, Mr. Aldrich continued: "Let us observe this speed limit, for it is up to you, Mr. Automobile Driver, to help cut this death rate down in our state. By observing this speed limit you may save the life of your neighbor, or perhaps some member of your own family. The ABC of safety is 'Always Be Careful!'"

## STATE CLUBWOMEN VISIT CARRIZOZO

Mrs. Lightner A. Burns, of Anthony, N. M., state president of the New Mexico Federation of Women's Clubs, accompanied by Mrs. J. T. Bradshaw, president of the Crescent Woman's Club of La Mesa, N. M., attended the youth advisory institute in Carrizozo Tuesday.

They were en route home from a meeting in Santa Fe with the State Highway Department on how to go about establishing roadside parks throughout the state of New Mexico.

"We heard nothing but praise from the Highway Department about the untiring efforts of the Carrizozo Woman's Club in establishing their roadside park in the Mal Pals," Mrs. Burns told Mrs. C. E. Degner, president of the Carrizozo Woman's Club, and Mrs. C. A. Snow, past president, who started the project during her term of office.

Mrs. Degner said this week that work on tables for the park is under way and that it is expected they will be ready to be put up in the park the latter part of this month.

## 4-H MEMBERS WIN AT FAIR

Douglas McKnight, Hondo 4-H member and Penny McKnight of Capitan took first and second places, respectively, in the % blood class of the Junior Wool Show at the State Fair.

Ray Dean Carpenter took third with his insect exhibit. Dixie Evans of Green Tree took second place on her clothing record book.

Other Lincoln County 4-H members exhibiting were Lana Vance, Janie Farnell and Jenene Carpenter.

## Carrizozo Band Goes To Roswell Fair

The Carrizozo High School Band was in Roswell Tuesday morning to take part in the parade opening the Eastern New Mexico State Fair.

Approximately 40 members of the band, including two majorities, made the trip, escorted by Band Director Leon White, High School Principal Wendell Watson and Supt. R. G. Firman.

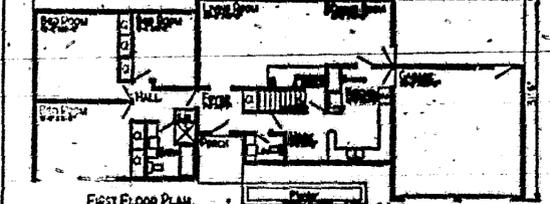

Mrs. A. A. Young also took some students in her car, the rest being transported in the activity bus and the driver training car.

The band received some \$60 for its services, plus a free \$1 dinner ticket for each member.

## Modern Planning at Its Best — from Small Homes Guide

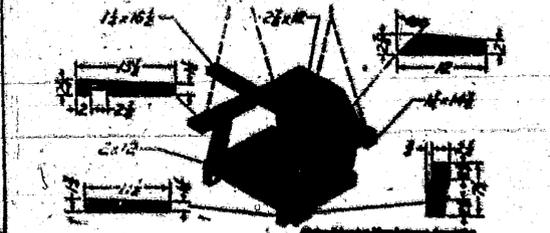

Modern planning makes this house by Architect Walter T. Anick, which appears in the current edition of Small Homes Guide, as comfortable on the inside as it is attractive on the outside. The living room, with recessed window area facing to the rear, is completely out of frame to other parts of the house, yet is convenient to the front entrance. Bedroom area is secluded from the rest of the house. Area is 1,487 sq. ft. For information on blueprints and their cost, write to Small Homes Guide, Dept. 1872, 42 W. Washington, Chicago 2, Ill.

## HERE'S HOW . . .

**MAKE A SAFETY SWING**  
A strong safety swing for the baby uses 1/2 inch lumber. First cut the pieces as shown in the drawing. Exposed edges should be smoothed with a plane. Waterproof glue should be used at all joints, in addition to screws or nails. The front seat slat is nailed to the side runners; then add the rear seat slat, allowing enough space for the back rest to fit between the runners. The center slats are then equally spaced. The arm rests and supports and back rest support are then assembled, using screws. The front edge is beveled so that the back rest will slope about 2 inches backward at the top. Then the arm rest supports are fastened to the runners with No. 4 wood screws, 1 1/2 inches long. A 1 1/2 by 10 1/2 inch supporting piece, not shown in the drawing, is placed beneath the rear seat slat and between the runners to support the back rest. One-half inch holes for the ropes are bored in the arm rests as shown. The front ropes are threaded through the sliding safety bar. Knots beneath the arm rests will prevent the rope slipping through the holes.

## Here's real refreshment

**DRINK Coca-Cola**

The wholesome goodness of Coca-Cola makes any pause refreshing. Enjoy it ice cold—right from the bottle.

## Boy Scouts Found Some Traffic Violations

By RALPH PETTY, Jr.

Last Saturday the Boy Scouts of Troop 53 held their annual patrol day. Their total receipts were \$81. They will contribute one-fourth of this to the city swimming pool. The rest will be spent for badges they will earn throughout the year.

The Scouts wish to thank the mayor, police force and town trustees for letting them have the patrol day. They also thank the people for their cooperation.

## Food Mart's Safe Found in Mal Pals

The Lincoln County's Sheriff's office is still investigating the identities of the persons who stole a safe from the Food Mart in Carrizozo two weeks ago. The safe was found some time ago in the Mal Pals west of Carrizozo. It had been beaten open with a sledgehammer and the money removed.

Food Manager John Tilch reported that the checks and S&H green stamps and coupon-books were not taken from the safe and have been returned to him by the Sheriff's office.

A city and a chorus girl  
Are much alike 'tis true;  
A city's built with outskirts—  
A chorus girl is, too.

Bad Construction: Narrow mind and wide mouth.

October 4	81	56
October 5	86	57 .03
October 6	81	58 .14

## INSIDE THE CAPITAL

can Governor Mechem's candidacy for the Senate.

## PRISON PRACTICE OF DIM LEGALITY

The rash of penitentiary inmates getting themselves freed on technical errors committed in their trials could be offset by a counteraction of returning a lot of long-termers who got out after short terms by the device of their sentences being "commuted" to shorter terms. There's hardly a lawyer who doesn't doubt the legality of that commutation business. The only authority for shortening a prisoner's term is the law that authorizes the governor to commute a death sentence to imprisonment. The commutation process was picked up some 15 years ago and has been grossly abused, enabling hundreds of long-termers and lifers to walk out after two or three years with their sentences completed and the governor not obliged to answer for having pardoned them.

**NOTE FOR CHILDERS**

FOR A MANLY NEW MEXICAN . . .

**NOTE FOR TOM CHILDERS**

## ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with excruciating pains from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me, I will reply at once and tell you how I received this wonderful relief.
