Capitan Dedicates Filtration Plant

A large number of Capitan people, as well as visitors from neighboring communities witnessed the dedication Sunday afternoon of Capitan's new filtration plant.

The plant is an important part of the system that brings mountain water into town from the Bonito system.

Formerly having about the poorest quality of domestic water in the state, Capitan's supply is now among the best in the state.

The crowd attending the dedication was told by H. H. Holcomb, engineer with Turney & Associates, that Capitan's filtration plant is modern and efficient for the complete treatment of water, comparable to plants in operation in Roswell, El Paso and Albuquerque.

The plant, which has been approved by the New Mexico Department of Public Health, will treat 144,000 gallons of water daily. Treatment consists of adding chemicals, filtering out impurities and chlorinating.

Mr. Holcomb, introduced by Mayor Don Murphy, was one of several speakers who made brief talks.

The dedication program began with an invocation by the Rev. J. M. Kerr. The Capitan High School band followed with two numbers, "Come, Ye Thankful People, Come," and "Cool Water." The latter number, it was explained by Sande Morrison, director, seemed especially appropriate for the occasion.

Fletcher Hall, representing the city fathers, said everyone was "proud of the water we now have." He expressed the thanks of Capitan to Ruidoso for its cooperation in the water project.

On behalf of the citizens of Capitan, he said: "We are deeply indebted to Mayor Murphy, Utilities Manager Province and City Clerk Mary Werner for their hard work over a period of many months to keep the old system going and make plans for the new one." He said Capitan's water system could scarcely have been operated longer with the former water.

Frank C. Boyce, attorney for the Eagle Creek Intercommunity Water Supply System and for the town of Capitan, said "This is a great day for Capitan." He paid tribute to the late Earl Harrow as one who did a great deal to get the project started.

He briefly traced the "long, hard struggle" which began July, 1954, with the first meeting of representatives of the two towns.

"Water rights and water laws are difficult out here," Mr. Boyce said, "but our goal was accomplished without litigation."

Saying that Capitan had 105 meters in operation at the present time, Mayor Murphy urged all the town's citizens to abandon their cisterns and wells "and start using this good city water."

He introduced State Sen. J. G. Moore and Dan D. Swearingin, former Ruidoso mayor.

The program was concluded with benediction by Father Patrick Lopez.

To complete the dedication, Mayor Murphy then cut a ribbon affixed to the main valve on the accelerator tank inside the filtration plant. A committee of ladies served refreshments.

Commissioners OK 1957 Tax Levies

Meeting in special session Tuesday of this week, the Lincoln County Board of Commissioners approved the 1957 county tax roll.

The total tax levies for the year, which have been turned over to John E. Wright, county treasurer, for collection amount to \$444,447.24.

Due to a delay in receiving the tax levies from the state and the resultant late date in mailing tax notices, Mr. Wright announced that his office is extending the delinquent date for payment from December 1, 1957, to January 1, 1958.

It has been called to the attention of the County Commissioners that unauthorised persons have been using county road equipment. They remind anyone so doing that they will be subject to prosecution.

WILLIAM CUTBACK IS WELL KNOWN

Santa Fe, Nov. 27.—New Mexico's 12,000 old-agers will be getting their \$47-a-month average payments this winter with few realising at once that there has been a serious cut-back in the welfare program.

They'll begin to know it as they step up for medical aid.

The welfare board in its meeting this month took away from the relief clients the privilege of going to doctors at state expense whenever they felt they needed such care and restricted the service to dangerous or acute cases.

The action was taken as the medical program was mounting toward a \$500,000 deficit with the threat of cutting into the monthly cash payments.

The \$47 average payments, which the department is confident of continuing through the winter, are at about the same level of the past three years with the exception of the 7-month austerity period during the John Sigmund administration in 1955 when the average dipped to about \$32. The current \$47 figure is about \$12.50 above the grants of five years ago.

SEARCH A TRAIL FOR THE GOVERNOR

A lawyer from Albuquerque has challenged the accuracy of an item in the daily newspaper column distributed by this writer relative to the money going to the governor.

The \$17,500 salary, he says, is all that the executive may receive and that surplus money in some cases is set up for his office to be returned to the state.

The writer has a moral point but he's weak on his law and entirely wrong on actual practice.

In addition to the \$17,500 pay the governor gets \$15,000 for the executive residence. That's for food for the family, servants, utilities, parties and all home expenses.

There's another \$26,000 for the governor's expenses outside the executive residence. That's for travel, tips, hotel bills, haircuts or whatever he chooses.

There is no provision for auditing the spending of the expense accounts and no demand for returning any of it that might not be spent.

A frugal governor could get along on considerably less than the \$41,500 set up for personal and household expenses and most of them do. What's left over they may legally keep. All together the chief executives have \$59,000 a year at the current rate.

There's \$35,000 set up for paying the office help and expenses and an additional \$6,000 every year or two for a new automobile which must be used only for the purposes specified.

WALKER PLOTTING RUN FOR SENATE

Johnny Walker is all hot again to run against Sen. Dennis Chavez. His friends are saying that he plans to make his intentions known within a few days.

The former land commissioner (1953-56) was doing a lot of talking about running last summer and then pulled out of the picture. Walker could stage a real serious challenge if he should campaign with the vigor and effectiveness of his runs for land commissioner.

GRAND JURY FOR SOCORO

There's a plan afoot in Socorro county for a group of citizens to petition for a grand jury to consider charges brought in audits of the city and county offices. The attorney general's office at Santa Fe would serve the prosecution if indictments were brought. The subjects involved are a \$26,000 shortage in the city hall which was made good by Mrs. Geneva Douglas although she apparently did not take it and of alleged misuse of county funds by the county commission.

Irrigation Authority To Speak at Dec. 5 Meeting in Roswell

Ivan D. Wood, Denver, one of the country's foremost authorities on surface and sprinkler irrigation, will be one of the featured speakers at the Irrigation Management Exposition in Roswell, December 5. He will discuss wise use of irrigation equipment.

Wood, a retired USDA engineer, is now a co-owner of a 500-acre irrigated farm in the Platte Valley of Nebraska. He holds B.S. and M.S. degrees in agricultural engineering and an honorary degree of Doctor of Agriculture from the University of Nebraska.

He is a former extension agricultural engineer and for several years directed work in agricultural engineering at the University of Nebraska. He joined USDA in 1941 as Farm Security Administration district engineer for six states and area engineer for seventeen states. In 1945 he became research engineer for the USDA's Soil Conservation Service and in 1954 was appointed agricultural engineer with the Federal Extension Service, Washington, D. C., where he remained until his retirement. Wood is the author of more than 150 local, state and national publications.

He'll talk to Exposition guests at 10:15 a.m., December 5.

The one-day event will also feature talks and educational demonstrations by several other well-known irrigation specialists and technicians and displays of the latest type farm and irrigation equipment.

Exposition headquarters will be the Eastern New Mexico Fairgrounds.

S. P. Pays First Half Annual Tax Bill

P., reports that a breakdown of the total taxes levied against Southern Pacific Railroad in Lincoln County indicates that \$30,210.51 will be spent for support of schools, \$1,780.95 for county hospitals, \$14,890.36 for state purposes and \$17,753.77 for the operation of local city and county governmental agencies.

But It's Free Americans

TO OUR CREATOR FOR THE ABUNDANCE AND WAY OF LIFE WE ENJOY AS FREE AMERICANS

Along the Way..

By PAUL BAKER

Ed Guthmann, publisher of the Springer Tribune, thought the idea of a Farm Bureau talent show was a very good one, but he couldn't go along with the decision of the judges in selecting the contest winner.

He had this to say in last week's issue of his newspaper: "The winning rendition was a cacophony of whining string and moaning sax sounds intended to represent the current monstrosity of American music, commonly known as 'rock 'n' roll'; all this accompanied by a nasal chanting with the jerky swing that marks our latest musical abortion..."

"There was the little girl (I don't know her name) but the one who gave the vocal rendition with the accompaniment of her mother at the piano. She had a sweet voice with excellent timber, one which rang clear as a bell. I just wonder what that little lassie thinks when she found that gymnastics and clatter are rated higher than the pleasantly beautiful voice of youth..."

In the humble opinion of this writer, the judges reached down to the very bottom of the barrel and came up with the dregs to label as the best of the vintage..."

(As far as I am concerned, I can take rock 'n' roll, or leave it, and I prefer to leave it. Having heard this selection played by Mary Guck at a previous talent contest, I can say it would take some real doing to improve on it.—P. B.)

Three duck hunters are reported to have had good success last Saturday off the Esoque Apache game refuge at Socorro. Our informant states that Joe Merkel and L. Turkovitch got their limit and that Kimo Ortiz probably would have got his if he had not run out of shells and his ammunition train bringing up a reserve supply had not got stuck in the mud.

The Powell (Wyo.) Tribune comments that one thing wrong about the three or four-day work week is that it would force people to take coffee breaks on their own time.

The Wall Street Journal reports that some South Dakota farmers living near Watertown felt they were being ticketed too relentlessly for parking meter violations when they drove into town. So when pleasant season opened they posted this sign on their farms: "No Watertown hunters allowed—you keep your meters; we'll keep our wildlife."

Speaking of the hunting season, the Rocky Mountain Herald printed a recipe for the benefit of Colorado people "if you're lucky enough to be presented with a bear":

SPUTNIK SUPREME
"1 gal. vodka, 1 qt. olives, 1 sprinkling borax, 1 hunk bear meat, 1 bowl caviar.

"Since most prefer bear meat without the hair, pull hair out or shave hunk closely. Mix other ingredients thoroughly, or until light and fluffy. Four over bear. Great care must be exercised here or substance may 'fall' in which case the whole dish will become utterly useless and inedible. Cooking time has not been accurately determined, so you must use your own judgment."

Which recalls a recipe for cooking carp: Clean carp well, bake with butter and piece of white pine board. Bake in moderate oven 2 hrs. Remove from oven, throw carp away and eat the board.

"Want to Play Santa Claus?" asks the New Mexico Tuberculosis Association, "then why not adopt one of our 17 children receiving treatment at the Fort Stanton Tuberculosis Hospital. John Gard, director of rehabilitation and patient service, has suggested that the TB county associations might like to plan this project from a local community level. Write Mr. Gard at Fort Stanton for the details of how you can bring some cheer into the Christmas of these TB children."

Red Canyon Soldier Held in Shooting

El Paso—Pete Lane of Alamogordo was in critical condition Monday night after being shot by Sgt./1c Benjamin Hendy of Headquarters Battalion at Red Canyon Range Camp, according to Paul Hansen, Otero county sheriff.

The sheriff is holding Hendy and Marion Odum, of Alamogordo, who reportedly also fired at Lane.

The shooting, which occurred in Odum's home at 8:45 p.m., apparently was over a woman, Hansen said.

Hendy is married. He and his wife live in Carrizozo.

JOHN A. HALEY (Oct. 1868—March 1932)

Ramblin' Around Lincoln County

(One of the men who helped build Lincoln County was John A. Haley, who at the time of his death in March, 1932, was publisher of the Lincoln County News. He was a man of wide interests. Besides being a school teacher and newspaperman, he was a liberal public speaker and was active in political affairs in his county and state. Following are some of the highlights of his life.)

John A. Haley was born October 24, 1868, at Orange Hall, Johnson County, Texas. He attended Howard Payne College in Brownwood, Tex. (Monroe Howard of Capitan was a student there at the same time). In 1888 Mr. Haley came to White Oaks, along with S. M. Wharton.

Mr. Haley had newspaper training before leaving Texas and he was also an experienced teacher. He taught school in White Oaks from 1893 to 1895 and again from 1901 to 1903.

While Mr. Wharton was principal and Mr. Haley assistant principal, in the White Oaks Graded Schools they were commended in an article in the Old Abe Eagle (Issue of March 22, 1894) for donating solid gold medals to be awarded deserving students. One of the medals was inscribed "Attendance-Dependent"; the other "Dependent."

He kept his hand in the printing business by setting type on the "Old Abe Eagle," which was succeeded by the "White Oaks Eagle." In 1903 Messrs. Haley and Wharton bought the paper and moved it to Capitan, renaming it the "Capitan News."

Mr. Haley bought out the interest of Wharton, his partner, and in 1906 moved the plant to Carrizozo where it became the "Carrizozo News." Geo. J. Dingwall, a brother-in-law, was associated with him for a time in 1911.

In 1913 Mr. Haley edited and published the "Yearbook of Lincoln County, New Mexico."

In 1925 Mr. Haley suspended publication and went in the service of the state tax commission in Santa Fe. In 1926 he resumed publication and named the paper the "Lincoln County News," which he published until his death in 1932.

In his volume "The Leading Facts of New Mexico History," Ralph Emerson Twitchell credited Mr. Haley with being "the recognized leader of the Democratic party in his county and has exerted much influence in its behalf through editorial work..." In his capacity as newspaper owner and editor he became widely known, making his paper an attractive journal, well worthy of public support."

In 1888 Mr. Haley was married to Miss Jennie Mae Leavitt, who died in 1914, leaving two children, Lorena M. and Alleen Wanda. In December 30, 1922, he was married to Meda C. West who still survives.

He was a member of Carrizozo Lodge No. 11, K. P. of Carrizozo, and was a past grand chancellor of New Mexico and supreme representative to the supreme lodge of that order.

His political history is summarized by Ralph Emerson Twitchell, as follows: "The interest and active part which he took in public affairs resulted in Mr. Haley's being chosen for office. He served as deputy treasurer and collector of Lincoln county from 1898 to 1899 and in the latter year he was chosen county superintendent of schools, which position he filled for two years. He then retired from that office but was again chosen for the position in 1909 and served for another term, during which period the system of public education was greatly improved, for he always held to high standards in educational work. "In 1907 he was made a member and treasurer of the New Mexico Bureau of Immigration, filling that office until 1911. In 1911 he was a delegate from his county to the first Democratic state convention and had the honor of placing in nomination for governor, William C. McDonald, who was elected the first governor of the state of New Mexico at the ensuing election."

Contractor Buys Land for Housing

Mark Walters, building contractor of Artesia, has purchased a block of land in Carrizozo to be used for residential development, the News was informed this week.

Block 13 of the McDonald Addition has been sold by Vincent Reil to Mr. Walters. The land is between Highway 330 and the Harkey Addition.

Mr. Walters' intentions, it is said, are to build up to ten residences, starting first with a model home.

Lincoln County's Farm Bureau Resolutions Given Convention OK

Approximately 130 resolutions were adopted by the state convention of the New Mexico Farm & Livestock Bureau which concluded last Thursday in El Paso.

All the Lincoln County resolutions were adopted by action of the state resolutions committee and approved by the convention. The resolutions will be forwarded to the Farm Bureau's annual convention.

One controversial resolution regarding water diversion in the San Juan Water Basin project, was tabled.

Lincoln County was given a rebate on its membership dues to the state organization by reason of having attained its 1957 membership quota.

The county was near the top in attendance and distance traveled to the convention.

W. G. Shreeves, and other present members, were re-elected to the board of directors of District 3.

Ben McAllister of Portales was re-elected state president and Mrs. Thelma Immon of Deming was re-elected head of the state women's committee.

Raton was praised for its hospitality as the convention city. Albuquerque will be the site of next year's annual meeting.

"Love Your Enemies — I'll
 Drive 'Em Crazy," that's the
 name of an article I read in the
 Reader's Digest this week. It's
 one of those rare yarns that
 everybody should read. It was
 written by a man who must
 have a miraculous insight into
 human nature, J. P. McEvoy. He
 said there are all kinds of
 enemies and one of the arts of
 living is to tell them apart. You
 need to, in self defense! There
 are little enemies who can't
 wait to grow up so they can get
 even with you; big enemies, who
 show just a part of their nasty
 dispositions, and then the in-
 between enemies. The in-betweens
 are the worst. If you ignore
 them they follow you, if you
 turn the other cheek, you've had
 it. You can't beat 'em because
 they're too numerous. You can't
 join 'em because if you're
 friendly they think you're
 afraid. Let's face it, they're
 crazy and there's nothing you
 can do but be nice to them and
 pretty soon they won't bother
 you.

I was looking over my dad's
 insurance policy and I saw a
 clause which said if anyone
 under 25 years of age drove our
 car, the premium would be
 raised approximately forty per
 cent. Why? According to the
 Reader's Digest—(not again!)—
 teens have five times as many
 deadly accidents as adults (over
 twenty-five). Is it that all our
 young drivers are reckless or is
 it that a few speed demons are
 getting us all blamed for this
 type of driving? This situation
 really is too bad because all of
 us like to drive without being
 penalized.

**Carrizozo Population

 Enrollment is Lower.**

The Carrizozo Municipal Board
 of Education met at the high
 school on Wednesday night, No-
 vember 28, a day early, in order
 not to conflict with the Junior
 play which was presented the
 next day.

Joseph Merkel, high school
 principal, met with the board to
 discuss some disciplinary prob-
 lems. Mr. Firman, school super-
 intendent, reported that by a
 strange paradox school enroll-
 ment and attendance is lower
 than last year although the
 local population is apparently
 larger.

He attributed the decline to a
 number of factors, including the
 cutting out of the railroad sec-
 tions at Coyote and Oscura, the
 abandonment of the railroad
 water service, very young G.I.
 parents with toddlers below
 school-age and an unusually
 large increase in enrollment at
 the parochial school.

Kino Ortiz, vice-president of
 the board, reported on a meeting
 that he attended in Santa Fe.
 Here a longer school year, pro-
 bably of ten months, was recom-
 mended.

Mr. Merkel reported on a North
 Central meeting that he and Mr.
 Firman attended at Ft. Sumner.
 A plan, presently employed at
 Tucumcari and Cobre High
 Schools was outlined, involving
 a five-period day of 70 minutes
 each, no study halls, and with
 all students enrolled in at least
 six subjects.

Board President Ralph Petty
 reported on a meeting at Belen
 attended by himself, Mr. Ortiz,
 and Mr. Firman. This gathering
 was called by Homer Heathman,
 educational budget auditor, to
 study budgetary and other fi-
 nancial problems.

Bill Hall, superintendent of
 the Capitan Schools, and Duane
 Darling, Capitan High School
 principal, also attended this
 meeting.

A MATTER OF LANGUAGE "Home" is a
 happy word. "Mortgage" was once a less popu-
 lar one — because lump-sum repayment was a
 condition difficult for many families to meet. The
 modern mortgage arrangement offered by Ameri-
 can banks like ours permits gradual repayment,
 of principal and interest, in instalments. Today,
 more and more Americans are buying homes
 because "mortgage" — at least the kind our bank
 arranges — now means simply "a convenient, eco-
 nomical means of attaining ownership."

FOLKLORE CORNER

By TED RAYNOR

OLD LAS PALOMAS

Early in the 1890's the original Las Palomas was the business center for more than 300 people living in the town and the surrounding area in Sierra County.

The highway from Las Cruces to Albuquerque — then only a wagon road — came through a sizeable but bare plaza surrounded by buildings. The plaza probably was 250 feet square.

The town was a mile or more east of the present U. S. 85, and seven miles south of Truth or Consequences, which was settled as Hot Springs more than 30 years after Las Palomas was a busy little community.

In its better days, which extended into the very early 1890s, Las Palomas had two stores, a couple of saloons, a post office, a school and a church. Alex Maxwell and his family were among the very few Anglos in the town. Maxwell operated a store.

People in Las Palomas — which got its musical name from the fact that thousands of doves lived in the cottonwoods along the Rio Grande — made their living by farming, stock raising, mining and day labor. Freight teams also operated out of the town, adding to its business.

About 1884, after the gold mining town of Hillsboro began booming to the southwest in the foothills of the Black Range, a decline which had begun slowly in Las Palomas, set in at a faster pace.

The final blow to Las Palomas was progress on a gigantic scale — the construction of Elephant Butte Dam. The land at Las Palomas was condemned in anticipation that water backing up from Caballo, the release for Elephant Butte, would destroy the town. But the water never backed up that far.

Old Las Palomas was level to within a short distance of the Rio Grande, and then dropped off 12 or 15 feet to water level.

Licenses to Wed

The Lincoln County Clerk's office has issued a marriage license to Dora Swan Otero, 22, and Manuel E. Jacobo, 23, both of Las Cruces. He is connected with the Air Force Station there.

To Ross A. Bach, 19, of Carrizozo and Kenneth N. Raney, 20, of Red Canyon Range Camp. The couple were wed November 20 by Justice of the Peace John Mackey.

S. E. Grelson of Capitan is assisting with the late fall load of work at the county treasurer's office.

Among those from out-of-town attending the water dedication at Capitan were Phil de Bolder of High Rolls, Dan Kuslanovich of Albuquerque, Marvin H. Roberts and Paul Baker of Carrizozo and Vic Lamb of Ruidoso.

People were paid for their property by the federal government and they scattered to small towns. Las Palomas was virtually a deserted village before the government took it over. Those who left their town and those who came around looking afterwards took away practically everything except the adobe buildings. Most of these have now crumbled.

The buildings at the new Las Palomas along U. S. 85 are comparatively recent and no part of the old town.

Postmasters Hold Annual Meeting

By AILEEN LINDAMOOD

Nov. 24 at 2 p.m. the Lincoln County Chapter of the National Association of Postmasters of U. S. held its annual meeting at Carrizo Lodge, Ruidoso.

The main purpose was the discussion and exchanging of ideas on expediting holiday mail service.

The postmasters and clerks pledged themselves to give the best mail service possible but want the public to keep in mind they must do their mailing early.

The 1958 membership drive was explained by Mable Wimberly, state secretary and treasurer, and many postmasters paid their dues at that time.

Dorothy Parnell, chairman of the committee on publishing the post office histories, made her report which was acted upon by the group.

Glenn Armstrong, district operations manager, Albuquerque, and D. E. Hunter of the postal inspection service in Roswell were guests. They participated in a question and answer program which was beneficial to all.

A delicious turkey dinner was served at 5 p.m. and at its completion the meeting was adjourned.

The following postmasters were present: Gladys Nosker, Glenoco; Dorothy Parnell, Green Tree; Mable Wimberly, Hollywood; Mary L. Jolber, Hondo; Louise Babers, San Patricio; Aileen Lindamood, Alto. Acting postmasters present were Audrey Owen, Corona and Mabel Vigil, Carrizozo.

Clerks present were Dorothy Thomas, Corona; Fran Luallin and Mary Halladay, Hollywood; Marnie Badillo, Ruidoso.

Corinne McNatt, postmaster at Mesalero, and Mr. McNatt attended as did Herman Kelt, recently retired postmaster of Carrizozo.

Mrs. Marnie Badillo came with Mr. Badillo and the following arrived for the dinner: Jack Parnell, Tom Babers, Lloyd Vigil and F. E. Lindamood.

ALTO BRIEFS

Scenic Marker Placed At Alto on Highway 37

Last week an official scenic historical marker was placed at the intersection of State Highway 37 and the forest road to Mon Jean Lookout.

It is very attractive and can be easily seen and read from either direction. Tourists will now be able to guide themselves to Mon Jean or north or south on Highway 37.

During the past few weeks 37 has been well marked with speed, curve and mileage signs.

The George Hightowers were here the past week from Silver City visiting Mrs. W. N. Hightower and the J. B. Hightowers. Jesse A. Isaacks of the Veterans Service Commission from Las Cruces, stopped by Wednesday on his regular trip through this area.

Mr. and Mrs. H. C. Harger of Clovis hunted in the Capitan area and came by to see us before returning home.

Last Thursday and Friday the area had a foot of snow, accompanied by very low temperature. The Capitan and Ruidoso school buses did not run on Friday. The state maintainer cleared the snow from the highways, beginning Thursday night, finishing Saturday afternoon.

Services in Ruidoso for Stephen B. Boston

Funeral services were held last Thursday in the new Order of Eastern Star hall in Ruidoso for Stephen B. Boston, 78, who passed away at the Ruidoso hospital the previous Tuesday.

He was born Sept. 9, 1879 in Tarrant County near Ft. Worth, Tex. In 1893 his folks moved to Southern Illinois. His father died in 1908 and from then on he helped his mother in supporting the family, working at various jobs, including on a farm, with a telephone company and finally with a railroad. After that he operated an electrical contracting business in Emporia, Kansas, until he sold it in 1929 and located in Carrizozo. In 1940 he moved to Ruidoso with his wife, Pearl. They observed their golden wedding anniversary in Ruidoso during the Christmas season of 1951. They were wed December 21, 1901, in Topeka, Kan. He is survived by his widow and a niece who lives in Colorado.

CAPITAN

By MARGARET KENCH

We enjoyed six inches of snow this last week. Roads were icy and slippery and school buses from the north side of the Capitans and Alto were unable to get in. The snow in Capitán is melting fast but the mountains around us are very white. Surely does please us and we are ready for more.

Mr. and Mrs. Dee Hickman have been called to the bedside of her parents in Oklahoma. Joe Hobbs is taking care of their business during their absence.

Mr. and Mrs. Bert Cheney traded for a good-looking two-tone rose and cream four-door Belair Chevrolet, then motored on to Las Cruces to spend the week end with their son and family. Mr. and Mrs. Joe Bert Cheney and Kathy Gay.

Emory Tillman and oldest son Johnny left last Friday to spend the week end in Grady with his parents.

Mr. and Mrs. James H. Lottetter are driving a 1953 two-door two-tone tan Ford. They are very pleased with it.

Boney Zamora went to El Paso last Monday to contract Christmas trees. He will have first choice trees for sale at his home here.

Mr. and Mrs. T. J. Tupin are the proud parents of a son, Terry Glen, born October 26 and weighing 7 lbs., 10 ozs.

Bert Pfingston won the 243 gun given away at Pearl's Cafe last Sunday.

Clarence Gehring came last Saturday night to visit his mother, Mrs. Daisy Gehring.

Round Table Club Met at Fort Stanton

The Round Table Club met last Thursday at the home of Frances Shaw in Fort Stanton. After a business meeting and delightful lunch all ladies hurried home, as the snow was falling fast and there was fear of not making it home.

Some were delayed due to a truck which was sliding all over the highway but managed to keep moving.

Hunters Spend Night in White Mountains

Hiram Brimberry, Boney Zamora, Jim Torrez and Vic Serina who were riding horses and hunting in the White Mountains, were caught in a snowstorm and had to spend the night out. They built a campfire and came home the next day. Each had their deer.

Mr. Brimberry's 210-lb. deer won the gun in Carrizozo where he was registered. Boney's 6-pt. buck dressed out at 225 lbs. though he was not registered. He also killed a nice turkey gobbler, weighing 19½ pounds dressed.

Jimmy killed a nice 5-point buck, also. Seems that most of our residents had luck hunting.

Mr. and Mrs. Sonny Robinson are the proud parents of a son, Wade Allen, born November 22 in an Albuquerque hospital. The little tot weighed 3½ pounds at birth and will have to stay in an incubator until he weighs five pounds.

Thanksgiving holiday will be over when you receive this issue. I hope it was an enjoyable day for everyone.

They left there at 4 Thursday afternoon in a snowstorm which lasted until they got within five miles of Carrizozo, where it stopped suddenly. The rest of the county delegation to the convention returned to their homes Friday.

Mr. and Mrs. Floy Skinner attended the water dedication Sunday at Capitán.

The Nogal hunters were very successful, almost everyone getting a deer.

Copies of the Advent Toyst were distributed to each family for devotional use between Thanksgiving and Christmas by President Ruth Wilson.

A variety of sandwiches, traditional pumpkin pie with whipped cream, coffee and cocoa were served by hostesses Irene Stoneman, June Straley, Barbara Harkey, Jackie Silvera and Maude Risinger. About 30 people attended the evening of inspiration and fellowship.

Hondo Eagles Lose to St. Peters Crusaders

The St. Peters Crusaders of Roswell pulled a close one as they defeated the Hondo Eagles November 19 by the score of 74 to 69.

The Eagles could not seem to control their fouling, which amounted to 38, while the Crusaders drew only 15 fouls, and that determined their victory.

The Eagles scored 56 points on field goals, while St. Peters made 38 points from the field. The Eagles hit only 13 free throws, while St. Peters hit 36 from the free throw line. The game was close until the last minute of the game.

Rodrigue was high for both teams as he sank 8 from the field and 22 free throws, for a total of 38.

Maez of Hondo was next with 24 points. Hondo had five men foul out of the game.

The same night the Hondo freshmen went all-out with a lot of hustle to down St. Peters freshmen, 26 to 22.

EAGLES VS. HAGERMAN

On November 22 the Eagles of Hondo gained a hard-fought decision over the Hagerman Bobcats, 63 to 49. Hagerman outscored the Eagles in only one quarter—the third, when they managed 10 points to Hondo's 15. Little 5 ft. 7 1/2 in. Gerald Maez led the scoring for both teams with 29 points.

The Eagles' full-court press really had the Bobcats mixed up. Time and again the Hondo five stole the ball and several times the steal resulted in two points.

Hagerman's Rhodes looked good, sinking four long ones from the field.

Hondo again led in fouling, committing 23 to 15 for Hagerman.

A strong Hagerman B team defeated the Hondo B's 57 to 36.

Grizzlies Split Fair Of Week End Games

BY BILLY LOPEZ

The St. Peter's Crusaders edged the Carrizozo Grizzlies, 48-47, in a nip-and-tuck game played at Roswell last Friday night.

Both teams got off to a slow start as neither team could hit from the outside. The score read 8-7 in favor of the Crusaders at the end of the first quarter.

The second quarter saw the Grizzlies led by P. Aguilar with 5 points, jump ahead of the Crusaders as they outscored the hosts 17-10 and take over the lead at halftime, 23 to 18.

The Grizzlies again outscored their hosts in the third quarter, but were unable to keep up the pace in the last five minutes of the fourth quarter.

With five minutes remaining in the final quarter with the Grizzlies in front by 10 points, they were overtaken by sharp shooting by Clifford Cote and Barry Rodrigue. The lead was cut to two points. With a matter of seconds remaining to be played, Rodrigue stole the ball and went for a layup. Being fouled as he was shooting he got a charity toss which was the difference in the game.

Pat Aguilar was high point man for the Grizzlies with 12 followed by M. Saucedo and J. Petty with 8 and 6 points respectively. For St. Peter's B. Rodrigue edged out teammate C. Cote as they had 15 and 17 points.

Score by quarters—
Carrizozo 7 17 18 10—47
St. Peter's 8 10 10 20—48

GRIZZLIES 47, BEARS 40

Saturday night the Grizzlies downed the Cloudercroft Bears by the score of 47-40.

The Grizzlies again got off to a slow start in the first quarter as they trailed 14-8 at the end of the quarter.

The Grizzlies caught fire in the second quarter led by M. Saucedo and D. Leabu as they racked up 18 points to the Bears' 7 to lead at halftime 22-21.

The third-quarter was a low-scoring quarter for both teams as Cloudercroft made only two points on a field goal by Flores. The Grizzlies racked up 8 points.

In the fourth quarter the Bears came to life and pocketed 17 points to Zozo's 13. Sacking the game for Zozo in the last few minutes was B. Shrum and M. Saucedo as they racked up 8 and 4 points respectively to end any hopes for Cloudercroft of overcoming the Grizzlies.

Maxio Saucedo took high point honors for the Grizzlies with 14 points and Navarro was high for Cloudercroft with 12.

Score by quarters—
Carrizozo 8 18 8 13—47
Cloudercroft 14 7 2 17—40

In the B team game the Grizzlies had no trouble in defeating Cloudercroft, as they were led by G. Shrum with 10 points to a 33-20 victory in their opening game of the season.

News Notes From Along the Bonito

By LOUISE RUNNELS

Drives Cattle to Market Through Snowstorm

We had about nine inches of snow Thursday night. Friday the school bus didn't run and I didn't think we would see any one all day the weather looked so bad but who should we see coming from above the Dam but Tom Bragg driving his cattle—just his dog "King" to help him.

He was supposed to deliver them to Roy LaMay's corral for shipment—and the weather didn't stop him. Some of these neighbor boys would have helped Tom but Roy didn't expect Tom to start out alone—nor did he think the cattle buyer and truck would come because of the snow and none of the other canyon boys even knew Tom had sold all his cattle.

"They think my cows are on the forest," Tom said, "so I had to sell them; it's been many years my cows have made a living for me—but now they gotta go."

Tom was both cold and tired when he got to Bonito City—but some hot coffee and soup made him feel better.

Tom plans to visit Lester and Bertha Greer in El Paso while; then he'll visit his sister who's 22 months younger than Tom—Alice (Texanna) Oswald and her son Claud. Alice lived in Nogal years ago. Tom plans to visit his sister Eva Hurlay and her son Benny this winter.

All of Tom's friends would make him mighty happy if they would remember him in some way on his birthday. He will be 83 on December 27, 1947. He's a real pioneer. How many men his age would get out in a snowstorm and do a several mile cow driving trip?

Mrs. Fred Whitley and Captain's new Nazarene pastor, Paul Reynolds, and his wife were on the Bonito last week getting acquainted with folks.

Mr. Young, wife Jill and their daughter Wilma-June went up to Alice Wright's Sunday with Ira's keen little wood saw and did a good deed—cut Alice and Tom some winter wood.

George and Beulah Runkle, George's mother and sister, were on the Bonito Sunday from Roswell.

A. N. Runnels shipped his cows to Clovis market via Lem Salles's truck from Ruidoso.

Glenda LaMay had a birthday and birthday cake to share with her family and cousins—Billie, Bobby, Jan and Edith Fay. John, Glenda's dad, brought home a 1938 Chevy for the whole family.

Hasta lumbago!

NEWS OF THE HONDO VALLEY SCHOOLS

Thanksgiving Dinner Served All Students

All of the students of the Hondo Valley Public Schools, including the students from the San Patricio Elementary schools were served a turkey dinner with all the trimmings Wednesday, Nov. 27. Over 300 students were served.

On behalf of the entire school system, our sincere thanks to Mrs. Mora Tisworth, head cook, and her staff of fine helpers for the fine Thanksgiving dinner. This is the second year that a Thanksgiving dinner has been prepared for all of the students.

The Pecho students, who have their own hot lunch program, were also served turkey with all the trimmings.

Beh Sander Given To Hondo School

The Juddy McKnight, who for the past several years have been brightening the opening day of school by sending delightful bouquets of flowers to place on the teachers' desks, have made the donation of a fine belt sander to the Hondo High School shop.

In recognition of this fine gesture by the McKnight, Albert Gomez, shop teacher, at Hondo, presented a beautiful coffee table to the McKnight family.

The table was built by Mr. Gomez in our own shop, of which we are becoming more proud day by day.

Council Meeting

On November 15, Hondo Student Council president, James Sanchez, called the meeting to order at 10 a.m. The roll was called and all the members were present, including Patsy Nunez, the former student council president, who is now serving in an advisory capacity to the
