Head of Carrizozo Schools Resigns

R. G. Firman, superintendent of Carrizozo schools, has submitted his resignation, effective with the close of the present school year in June.

Mr. Firman's resignation was considered at a lengthy session of the Carrizozo Municipal Board of Education Thursday night, February 20.

After various motions had failed, a motion to accept by Truman Spencer Jr., seconded by Carrizozo Friday afternoon, Feb. Ortiz voted -in the negative. 28 at 1:30 p.m. in the Lincoln President Raiph Petty did not cast a vote.

> Mr. Firman stated that when he first came to Carrizozo in 1953 he informed the board that it would take at least five years to make the improvements in the school plant and curriculum that he almed at. "Most of these objectives have

> been attained," he said, "and inasmuch as there has been persistent criticism from some quarters that do not care to appear and identify themselves, I feel it better to follow other plans after June,"

> The board informed Mr. Firman that their acceptance of his resignation would not in any way disqualify him from submitting an application at a later date.

Mrs. Lela Brewster Mallett. Lincoln county health nurse, has also submitted her resignation, effective March 16, at which time she plans to join her husband in Colorado. The board asked Mr. Firman

to extend their regrets to Mrs. Mallett and to commend her for her years of valued cervice to the cchools.

A resolution was passed requesting the budget auditor to livatve the usual regulrements ichool. These expenses are covlered by a boiler insurance polley inaugurated by Mr. Firman fund the J. G. Moore Agency come four years ago.
